## **CITY OF OROVILLE STAFF REPORT**

**TO: MAYOR AND CITY COUNCIL MEMBERS**  
**FROM: JOANNA GUTIERREZ, INTERIM CITY CLERK**  
**RE: RESULTS OF THE NOVEMBER 6, 2018 MUNICIPAL ELECTION**  
**DATE: DECEMBER 18, 2018**

### **SUMMARY**

The City Council is requested to accept the results and adopt a resolution reciting the fact of the General Municipal Election that was consolidated with the Statewide General Election and held on November 6, 2018 and declaring the results and such matters as provided by law.

### **DISCUSSION**

The City of Oroville Municipal Election was consolidated with the Statewide General Election and held on November 6, 2018 for the purpose of electing one (1) Mayor, three (3) City Council Members, and one (1) City Treasurer, each to serve a four-year term of office; and, for the voters to consider two Council initiated ballot measure questions relating to taxation. The first question, titled Measure T, sought approval of Ordinance No 1828, which would add a Chapter to the Municipal Code relating to implementation of a Cannabis Business Tax. The second question, titled Measure U, sought approval of Ordinance No 1829, which would add a Chapter to the Municipal Code relating to implementation of a Transaction and Use Tax – a city sales tax.

The Statement of Vote reports the following results for city offices: Chuck Reynolds was elected to serve as Mayor of the City Council for a four-year term; David W. Pittman, Art Hatley and Eric J. Smith were each elected to serve as Council Members for a four-year term; and, Karolyn Fairbanks was elected to serve as City Treasurer for a four-year term.

The voters approved the two ballot measures approving Ordinance No 1828 and Ordinance No 1829, thus adding two new chapters to the Oroville Municipal Code relating to taxation – a cannabis business tax and a local city sales tax.

### **FISCAL IMPACT**

The County of Butte conducted the municipal election and will bill the City of Oroville for its respective costs for the election process. Cost is unknown at this time.

## **CITY OF OROVILLE STAFF REPORT**

**TO: MAYOR AND COUNCIL MEMBERS**  
**FROM: RUTH WRIGHT, FINANCE DIRECTOR**  
**RE: NEW SALES TAX REGISTRATION**  
**DATE: DECEMBER 18, 2018**

### **SUMMARY**

The Council will consider adopting a resolution authorizing the Finance Director to execute agreements with the California Department of Tax and Fee Administration to administer (CDTFA) and implement the new district sales tax recently passed by taxpayers.

### **DISCUSSION**

On July 10<sup>th</sup>, 2018 the City conducted a public hearing regarding a proposed ballot measure to add Chapter 3.18 to the Oroville Municipal Code. An ordinance was passed, Ordinance 1829 and the measure was placed on the ballot as Measure U. Measure U passed by 56% on November 6<sup>th</sup>, 2018 and the City is preparing to administer and operate this 1% tax according to Ordinance 1829, chapter 3.18.

The City Council action is requested so that the tax can promptly begin on April 1<sup>st</sup>, 2018.

Additionally, since the City contracts with Avenuinsights for services to provide sales and use tax consulting the State law requires that local jurisdictions adopt a Resolution authorizing consultant to review records in order to perform revenue recovery services. Accordingly, in a separate action, staff is recommending that the City Council adopt the attached Resolution authorizing an agreement with Avenuinsights for the provision of these services for Measure U.

### **FISCAL IMPACT**

The passage of Measure U is projected to generate \$4 million annually in additional transactions and use tax revenue for the City. Pursuant to Section 7272 of the State Revenue and Taxation Code, the City must reimburse CDTA for its preparatory and administration costs. The cost is estimated to be 0.53 percent of the revenue collected for transactions and use taxes, and an additional one-time setup fee of no more than \$175,000. These costs will be netted out of the revenue remitted to the City; as a result, no appropriation is needed.

It is projected that July 2019 will be the City's first remittance less the fees discussed above.

## **RECOMMENDATIONS**

Adopt resolution No. 8759– A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OROVILLE AUTHORIZING THE MAYOR TO EXECUTE AGREEMENTS WITH THE CALIFORNIA DEPARTMENT OF TAX AND FEE ADMINISTRATION FOR IMPLEMENTATION OF A LOCAL TRANSACTIONS AND USE TAX.

Adopt resolution No. 8760– A RESOLUTION OF THE OROVILLE CITY COUNCIL AUTHORIZING THE EXAMINATION OF TRANSACTIONS (SALES) AND USE TAX RECORDS.

**RE: TAXIWAY K PROJECT CONTRACT CHANGE ORDER WITH  
BALDWIN CONTRACTING COMPANY**

**DATE: DECEMBER 18, 2018**

### **SUMMARY**

The Council may consider a Project Contract amendment change order with Baldwin Contracting Company, Inc. dba Knife River Construction in the amount of \$64,045.28 for the Construction of Taxiway K (Project).

### **DISCUSSION**

On August 7, 2018 the City awarded Baldwin Contracting Company, Inc. dba Knife River Construction a contract in the amount of \$601,787.00 for the construction of a new taxiway at the Oroville Municipal Airport. The project cost is being reimbursed 90% by the Federal Aviation Administration (FAA) and 5% by a CalTrans state grant. The net final cost to the City is approximately 5% of the total project cost of \$665,923.28 or \$33,296.

Change Order No. 1 covers these extra work items. A breakdown of this change order is as follows:

The construction of Taxiway K at Oroville Municipal Airport is being performed by Knife River Construction. During construction, existing abandoned electrical ducts were discovered that require demolition and disposal as extra work. In addition, unforeseen soft subgrade soils were discovered in the field which required additional work.

<b>Total Change Order No. 1 - Increase</b>					<b><u>\$64,045.28</u></b>

**Justification for Change Order**  
**Treatment of Soft Subgrade Soils**

During design of the Construction of Taxiway K project, a detailed geotechnical evaluation and report was conducted. This geotechnical evaluation consisted of drilling a series of test holes and taking continuous samples of the native soils to a depth of 10 feet. These test holes showed fairly consistent soil profiles consisting of firm reddish brown clayey fine sand to silty fine sand. As a result, it was anticipated that a small amount of unstable subgrade would be encountered and stabilization of 300 sq. yd. was included in the bid, which consisted of over excavation of the soft, unstable subgrades by approximately 2 feet, placement of a geogrid fabric, and backfill with aggregate subbase course. During construction, approximately 500 sq. yd. of soft unstable subgrade was encountered adjacent to the edge of Runway 13 which consisted of reddish brown clayey fine sand and was consistent in size and characteristics to what was anticipated in the original bid items. However, approximately 1,100 sq. yd. of soft unstable subgrade was encountered on Taxiway R which consisted of a layer of black highly plastic clay. This layer of black highly plastic clay was not encountered in any of the test holes despite the fact that test hole U2 was within 200 feet of this area and resulted in a significant increase in unstable subgrade and subgrade stabilization items than were included in the bid.

This item of Change Order No. 1 covers the stabilization of these soft, unstable subgrade soils by extension of quantities of Muck Excavation, Geogrid, and Subbase Course. The quantities of these three items increased by more than 25%, and a price decrease of each of these items was negotiated with the contractor.

**Demolition and Disposal of Abandoned Electrical Duct**

During design of the Construction of Taxiway K project, all available as built plans were analyzed in order to show all existing utilities in the vicinity of the construction of Taxiway K. Included in the bid items were any existing utilities required to be removed or modified that were affected by construction. During the Pavement Removal and Unclassified Excavation portions of the project, it was found that there were 4 abandoned concrete encased electrical ducts that were not shown on any as built plans that were at or above finished grade that required demolition.

The total cost of this change order is \$64,045.28 as shown above. The total increase to the contract cost due to this change order is 9.6 percent.

**Independent Fee Estimate:**

An independent cost analysis was prepared by the office of Reinard W. Brandley, Consulting Airport Engineer. A copy of this Independent Fee Estimate is attached. The Contractor’s proposed prices are less than the Engineer’s Independent Fee Estimate and are considered reasonable.

**Record of Negotiation**

As a result of the unanticipated soft subgrade soils, the bid quantities of Muck Excavation, Geogrid, and Subbase Course increased by more than 25%. In accordance with Article 40-02 of the F.A.A. General Provisions of the specifications, if there are increases in quantities of major contract bid items of more than 25%, the Owner and the Contractor should negotiate decreases in unit prices. On October 19 a negotiation session was undertaken to determine appropriate price decreases from the unit bid prices for Muck Excavation, Geogrid, and Subbase Course. A reasonable price for the demolition of existing concrete encased electrical ducts was also negotiated. Parties involved in the negotiation included the following:

- Jim Bennet, Knife River Construction
- Justin Henry, Knife River Construction
- Reinard W. Brandley, Brandley Engineering
- Melissa Brandley, Brandley Engineering
- Rick Farley, City of Oroville

New unit prices were negotiated by estimating the contractor’s cost of constructing each item and adding an appropriate mark up for overhead & profit. These negotiated prices are shown as follows:

<b>Contract Item</b>	<b>Unit</b>	<b>Bid Price</b>	<b>Negotiated Change Order Price</b>
Muck Excavation	Cu. Yd.	\$45	\$33
Geogrid	Sq. Yd.	\$15	\$10.68
Subbase Course	Cu. Yd.	\$45	\$44

**Contract Time**

There will be no change in contract time as a result of this change order.

**Grant and Contract Summary**

Original Bid Amount	\$601,878.00
Change Order No. 1	<u>64,045.28</u>
Total Contract Cost	<u>\$665,923.28</u>

The CalTrans participation will be \$33,202 (5% of the change order amount).

**The net cost to the Airport Fund for this change order is approximately \$3,202.28**

(5%).

It is anticipated that all other costs for this project will remain within the grant amount.

**Conformance to AIP Standards and Regulations**

All work performed resulting in this change order will be in accordance with the contract plans and specifications, which were approved by the Federal Aviation Administration prior to advertising the project.

**FISCAL IMPACT**

**OROVILLE MUNICIPAL AIRPORT  
CONSTRUCT TAXIWAY K  
AIP 3-06-0178-023  
OCTOBER 23, 2018**

**ENGINEER'S REPORT  
CHANGE ORDER #1**

The construction of Taxiway K at Oroville Municipal Airport is being performed by Knife River Construction. During construction, existing abandoned electrical ducts were discovered that were not shown on any record drawings and the ends were buried and not visible. These ducts require demolition and disposal as extra work. In addition, unforeseen soft subgrade soils were discovered in the field which required additional work. Change Order No. 1 covers these extra work items.

**Justification for Change Order**

**Treatment of Soft Subgrade Soils**

During design of the Construction of Taxiway K project, a detailed geotechnical study was conducted. The first phase of the geotechnical evaluation was analyzing previous data and geotechnical evaluation conducted as part of the 1990 Master Plan for Oroville Municipal Airport. This master plan study included soil studies and pavement evaluation studies consisting of a series of test pits and test holes on the airport at a spacing of approximately 500 feet. Undisturbed core samples were taken of the soils encountered and testing consisted of classification tests, drive blow record, dry unit weight and natural moisture contents. In addition, falling weight deflectometer tests were conducted in the wheel path of the aircraft on all runways, taxiways and aprons at 100-foot intervals under loadings of 10,000 pounds, 14,000 pounds and 23,000 pounds.

The second phase of the geotechnical evaluation was conducting new geotechnical testing and evaluation to verify the 1990 data and fill in some gaps to ensure the design was based on the most complete and accurate information possible. This consisted of drilling a series of 4 test holes and taking continuous samples of the native soils to a depth of 10 feet and collecting soil classification, blow count, dry unit weight and moisture content on each sample. These test holes were consistent with the 1990 test holes and showed fairly consistent soil profiles consisting of firm reddish brown clayey fine sand to silty fine sand.

These extensive geotechnical evaluations clearly indicated that the majority of the soils expected to be encountered at subgrade level would be reddish brown sandy silts but that small pockets of reddish-brown sandy clays could be expected. In addition, the 1990 falling weight deflectometer data indicated that the majority of the area was firm with low falling weight deflectometer readings with very minor small pockets of high falling weight deflectometer readings indicating potential minor pockets of soft unstable subgrade. As a result, it was anticipated that a small amount of soft unstable subgrade would be encountered and stabilization of 300 sq. yd. was included in the bid, which consisted of muck excavation of the soft unstable subgrades by 1 to 2 feet, placement of a geogrid fabric, and backfill with aggregate subbase course.

During construction, approximately 500 sq. yd. of soft unstable subgrade was encountered adjacent to the edge of Runway 13 which consisted of reddish brown clayey fine sand and was consistent in size and characteristics to what was anticipated in the original bid items. However, approximately 1,100 sq. yd. of soft unstable subgrade was encountered on Taxiway R which consisted of a layer of black highly plastic clay. This layer of black highly plastic clay was not encountered in any of the 1990 or 2018 test holes despite the fact that one test hole was within 200 feet of this area and resulted in a significant increase in unstable subgrade and subgrade stabilization items than were included in the bid.

This item of Change Order No. 1 covers the stabilization of these soft, unstable subgrade soils by extension of quantities of Muck Excavation, Geogrid, and Subbase Course. The quantities of these three items increased by more than 25%, and a price decrease of each of these items was negotiated with the contractor.

**Demolition and Disposal of Abandoned Electrical Duct**

During design of the Construction of Taxiway K project, all available as built plans were analyzed in order to show all existing utilities in the vicinity of the construction of Taxiway K. Included in the bid items were any existing utilities required to be removed or modified that were affected by construction. During the Pavement Removal and Unclassified Excavation portions of the project, it was found that there were 4 abandoned concrete encased electrical ducts that were not shown on any as built plans that were at or above finished grade that required demolition. This item of Change Order No. 1 covers the cost of the demolition and removal of these electrical ducts.

The total cost of this change order is \$64,045.28, with a detailed breakdown of costs as shown in the attached Table No. 1. The total increase to the contract cost due to this change order is 9.6 percent.

**Independent Fee Estimate:**

An independent cost analysis was prepared by our office prior to receiving the Contractor's prices. This cost estimate is included as follows:

Item	Description	Unit	Unit Price	Quantity	Total
CO-1	Bid Item 6 - Muck Excavation	Cu. Yd.	\$ 45.00	(200.0)	\$ (9,000.00)
CO-2	Bid Item 8 - Geogrid, Furnished and Placed	Sq. Yd.	15.00	(300.0)	(4,500.00)
CO-3	Bid Item 9 - Subbase Course	Cu. Yd.	45.00	(900.0)	(40,500.00)
CO-4	New Unit Price - Muck Excavation	Cu. Yd.	35.00	850.0	29,750.00
CO-5	New Unit Price - Geogrid, Furnished and Placed	Sq. Yd.	12.00	1,650.0	19,800.00
CO-6	New Unit Price - Subbase Course	Cu. Yd.	44.00	1,500.0	66,000.00
CO-7	Demolition and Disposal of Abandoned Electrical Duct	L.S.	L.S.	L.S.	<u>10,000.00</u>
<b>Total Independent Fee Estimate</b>					<b><u>\$71,550.00</u></b>

This cost estimate was prepared by comparing the contractor's bid prices with bid prices of other projects of similar size and scope. The contractor's proposed prices are less than the Engineer's Independent Fee analysis and are considered reasonable.

**Record of Negotiation**

As a result of the unanticipated soft subgrade soils, the bid quantities of Muck Excavation, Geogrid, and Subbase Course increased by more than 25%. In accordance with Article 40-02 of the F.A.A. General Provisions of the specifications, if there are increases in quantities of major contract bid items of more than 25%, the Owner and the Contractor should negotiate decreases in unit prices. On October 19 a negotiation session was undertaken to determine appropriate price decreases from the unit bid prices for Muck Excavation, Geogrid, and Subbase Course. A reasonable price for the demolition of existing concrete encased electrical ducts was also negotiated. Parties involved in the negotiation included the following:

- Jim Bennet, Knife River Construction
- Justin Henry, Knife River Construction
- Reinard W. Brandley, Brandley Engineering
- Melissa Brandley, Brandley Engineering
- Rick Farley, City of Oroville

New unit prices were negotiated by estimating the contractor's cost of constructing each item and adding an appropriate mark up for overhead & profit. These negotiated prices are shown as follows:

<b>Contract Item</b>	<b>Unit</b>	<b>Bid Price</b>	<b>Negotiated Change Order Price</b>
Muck Excavation	Cu. Yd.	\$45	\$33
Geogrid	Sq. Yd.	\$15	\$10.68

**Contract Time**

There will be no change in contract time as a result of this change order.

**Grant and Contract Summary**

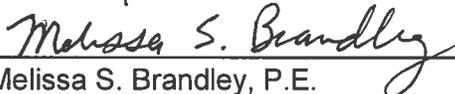

Original Bid Amount	\$601,878.00
Change Order No. 1	<u>64,045.28</u>

The amount of the AIP 23 grant is \$631,690. The FAA participation as a result of this change order is \$57,641 (9.1% of the grant amount).

It is anticipated that all other costs for this project will remain within the grant amount.

**Conformance to AIP Standards and Regulations**

The CMAQ funding is intended to generate the Plans Specifications and Construction Estimate documents for this "SR162 Pedestrian/Bicycle Disabled Mobility and Safety Improvements Project". The CMAQ funds have been allocated for Fiscal Year 2017/2018 and need to be requested ASAP from Caltrans. The project is located along Hwy 162 in Oroville California from Feather River Boulevard to Foothills Boulevard. The project includes a comprehensive set of active transportation infrastructure connectivity and safety

improvements.

### **Dispute Resolution**

123. PARTIES will first attempt to resolve AGREEMENT disputes at the PROJECT team level as described in the Quality Management Plan. If they cannot resolve the dispute themselves, the CALTRANS district director and the executive officer of CITY will attempt to negotiate a resolution. If PARTIES do not reach a resolution, PARTIES' legal counsel will initiate mediation. PARTIES agree to participate in mediation in good faith and will share equally in its costs.

Neither the dispute nor the mediation process relieves PARTIES from full and timely performance of the WORK in accordance with the terms of this AGREEMENT. However, if any PARTY stops fulfilling its obligations, any other PARTY may seek equitable relief to ensure that the WORK continues.

Except for equitable relief, no PARTY may file a civil complaint until after mediation, or forty-five (45) calendar days after filing the written mediation request, whichever occurs first.

PARTIES will file any civil complaints in the Superior Court of the county in which the CALTRANS district office signatory to this AGREEMENT resides or in the Superior Court of the county in which the PROJECT is physically located.

124. PARTIES maintain the ability to pursue alternative or additional dispute remedies if a previously selected remedy does not achieve resolution.

**Prevailing Wage**

125. When WORK falls within the Labor Code § 1720(a)(1) definition of "public works" in that it is construction, alteration, demolition, installation, or repair; or maintenance work under Labor Code § 1771, PARTIES will conform to the provisions of Labor Code §§ 1720-1815, and all applicable provisions of California Code of Regulations, Title 8, Division 1, Chapter 8, Subchapter 3, Articles 1-7. PARTIES will include prevailing wage requirements in contracts for public work and require contractors to include the same prevailing wage requirements in all subcontracts.

Work performed by a PARTY's own employees is exempt from the Labor Code's Prevailing Wage requirements.

If WORK is paid for, in whole or part, with federal funds and is of the type of work subject to federal prevailing wage requirements, PARTIES will conform to the provisions of the Davis-Bacon and Related Acts, 40 U.S.C. §§ 3141-3148.

When applicable, PARTIES will include federal prevailing wage requirements in contracts for public works. WORK performed by a PARTY's employees is exempt from federal prevailing wage requirements.

**6. HWY 162 BTA PROJECT – MAINTENANCE AGREEMENT WITH CALTRANS**

**Requested by staff**

The attached maintenance agreement is required by Caltrans to approve an encroachment permit on Hwy 162. Once the maintenance agreement and design modifications are complete, Caltrans will approve the encroachment permit and the City will be able to bid the project for construction and utilize the remaining BTA Grant funds from 2013.

**RECOMMENDATION**

Review and approve and sign the Maintenance Agreement for Caltrans

## **CITY OF OROVILLE STAFF REPORT**

**TO: MAYOR AND CITY COUNCIL MEMBERS**

**FROM: MIKE MASSARO, CONTRACT CITY ENGINEER  
PUBLIC WORKS DEPARTMENT**

**RE: HWY 162 BTA PROJECT – MAINTENANCE AGREEMENT WITH  
CALTRANS**

**DATE: DECEMBER 18, 2018**

### **SUMMARY**

The attached maintenance agreement is required by Caltrans to approve an encroachment permit on Hwy 162. Once the maintenance agreement and design modifications are complete, Caltrans will approve the encroachment permit and the City will be able to bid the project for construction and utilize the remaining BTA Grant funds from 2013.

### **DISCUSSION**

After multiple iterations seeking an approved encroachment permit from Caltrans to bid the grant funded project for construction, Caltrans has denied the permit pending approval of a signed maintenance agreement with the City and design modifications at the intersection of Oro Dam Blvd. and Olive Highway.

Award of this project's grant for improved bicycle safety goes back to 2013. It is imperative that the City complete this project and utilize the grant allocation as the subsequent 2016 ATP Grant for pedestrian safety and mobility project was based on the BTA project being implemented already. The project is nearly ready to bid, but for a design modification and approved encroachment permit.

The maintenance agreement and area exhibit are attached for review.

### **FISCAL IMPACT**

- a. Expense: No cost for the maintenance agreement itself. However, there will be additional maintenance to re-stripe bicycle lane delineations every 10 years (approximately \$30,000) and potential replacement of damaged bike lane signage along the corridor over time.

**RECOMMENDATION**

Review and approve and sign the Maintenance Agreement for Caltrans

**MAINTENANCE AGREEMENT FOR BIKE LANES  
WITHIN STATE HIGHWAY RIGHT OF WAY  
ON ROUTE 162 WITHIN THE CITY OF OROVILLE**

**SECTION I**

**RECITALS**

1. PARTIES desire to work together to allocate their respective obligations relative to newly constructed or revised improvements within STATE’s right of way by Encroachment Permit Number 0317-NMC1143.
2. This Agreement addresses CITY responsibility for the bike lanes and any bicycle related pavement markings, signs, and striping (collectively the “IMPROVEMENT”) placed within State Highway right of way on State Route 162, as shown on Exhibit “A”, attached to and made a part of this Agreement.
3. This Agreement does not supersede or replace the Agreement for Landscape Maintenance executed on May 20, 2008 between STATE and CITY.

NOW THEREFORE, IT IS AGREED AS FOLLOWS:

**SECTION II**

**AGREEMENT**

1. In consideration of the mutual covenants and promises herein contained, CITY and STATE agree as follows:
  - 1.1. PARTIES have agreed to an allocation of maintenance responsibilities that includes, but is not limited to, inspection, providing emergency repair, replacement, and maintenance, (collectively hereinafter “MAINTAIN/MAINTENANCE”) of IMPROVEMENT as shown on said Exhibit “A”.
  - 1.2. When a planned future improvement is constructed and/or a minor revision has been effected with STATE’s consent or initiation within the limits of the STATE’s right of way herein described which affects PARTIES’ division of maintenance responsibility as described herein, PARTIES will agree upon and execute a new dated and revised Exhibit “A” which will be made a part hereof and will thereafter

supersede the attached original Exhibit "A" to thereafter become a part of this Agreement. The new exhibit can be executed only upon written consent of the PARTIES hereto acting by and through their authorized representatives. No formal amendment to this Agreement will be required.

2. CITY agrees, at CITY expense, to do the following:
  - 2.1. CITY may install, or contract, authorizing a licensed contractor with appropriate class of license in the State of California, to install and thereafter will MAINTAIN IMPROVEMENT conforming to those plans and specifications (PS&E) pre-approved by STATE.
  - 2.2. The degree or extent of maintenance work to be performed, and the standards therefore, shall be in accordance with the provisions of Section 27 of the Streets and Highways Code and the then current edition of the State Maintenance Manual.
  - 2.3. CITY will submit the final form of the PS&E, prepared, stamped and signed by a licensed engineer, for IMPROVEMENT to STATE's District Permit Engineer for review and approval and will obtain and have in place a valid necessary encroachment permit prior to the start of any work within STATE's right of way. All proposed IMPROVEMENT must meet STATE's applicable standards.
  - 2.4. CITY shall ensure that bike lanes designated on Exhibit "A" are provided with adequate scheduled routine MAINTENANCE necessary to MAINTAIN safe operation.
  - 2.5. An Encroachment Permit rider may be required for any changes to the scope of work allowed by this Agreement prior to the start of any work within STATE's right of way.
  - 2.6. CITY contractors will be required to obtain an Encroachment Permit prior to the start of any work within STATE's right of way.
  - 2.7. To remove IMPROVEMENT and appurtenances and restore STATE owned areas to a safe and attractive condition acceptable to STATE in the event this Agreement is terminated as set forth herein.
  - 2.8. To inspect bike lanes on a regular monthly or weekly basis to ensure the safe operation and condition of the bike lane.
  - 2.9. To MAINTAIN a safe facility for bicycle travel along the entire length of the bike lanes by providing sweeping and debris removal and to maintain all signing, striping, and pavement markings required for the direction and operation of the bike lanes.
  - 2.10. To MAINTAIN all parking or use restrictions signs encompassed within the area of the IMPROVEMENT.
  - 2.11. To allow random inspection of IMPROVEMENT, by a STATE representative.

- 2.12. All work by or on behalf of CITY will be done at no cost to STATE.
3. STATE agrees to do the following:
- 3.1. May provide CITY with timely written notice of unsatisfactory conditions that require correction by the CITY. However, the non-receipt of notice does not excuse CITY from maintenance responsibilities assumed under this Agreement.
- 3.2. Issue encroachment permits to CITY and CITY contractors at no cost to them.
4. LEGAL RELATIONS AND RESPONSIBILITIES:
- 4.1. Nothing within the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not party to this Agreement, or affect the legal liability of either PARTY to this Agreement by imposing any standard of care respecting the design, construction and maintenance of these STATE highway improvements or CITY facilities different from the standard of care imposed by law.
- 4.2. If during the term of this Agreement, CITY should cease to MAINTAIN the IMPROVEMENT to the satisfaction of STATE as provided by this Agreement, STATE may either undertake to perform that MAINTENANCE on behalf of CITY at CITY's expense or direct CITY to remove or itself remove IMPROVEMENT at CITY's sole expense and restore STATE's right of way to its prior or a safe operable condition. CITY hereby agrees to pay said STATE expenses, within thirty (30) days of receipt of billing by STATE. However, prior to STATE performing any MAINTENANCE or removing IMPROVEMENT, STATE will provide written notice to CITY to cure the default and CITY will have thirty (30) days within which to affect that cure.
- 4.3. Neither CITY nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by STATE under or in connection with any work, authority or jurisdiction arising under this Agreement. It is understood and agreed that STATE shall fully defend, indemnify and save harmless CITY and all of its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, including, but not limited to, tortious, contractual, inverse condemnation and other theories or assertions of liability occurring by reason of anything done or omitted to be done by STATE under this Agreement with the exception of those actions of STATE necessary to cure a noticed default on the part of CITY.
- 4.4. Neither STATE nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by CITY under or in connection with any work, authority or jurisdiction arising under this Agreement. It is understood and agreed that CITY shall fully defend, indemnify and save harmless STATE and all of its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, including, but

not limited to, tortious, contractual, inverse condemnation or other theories or assertions of liability occurring by reason of anything done or omitted to be done by CITY under this Agreement.

## Statement of Investment Policy

- 1.0 Policy:** The City of Oroville (the City) shall invest public funds in such manner as to comply with all federal, state and local statutes; insure prudent money management; provide for daily cash flow requirements; and meet the objectives in priority order of safety, liquidity and return on investment.
- 2.0 Scope:** This Investment Policy covers all financial assets under the direct authority of the City. In addition, funds held by trustees or fiscal agents are excluded from these rules; however, all funds are subject to regulations established by the state of California. The covered funds, and any new funds created by the City, unless specifically exempted by this policy, are defined in the City's Comprehensive Annual Financial Report.

Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.
- 3.1 Any investment official exercising his or her assigned authority with due diligence and prudence in accordance with the written procedures and the Investment Policy will not be held personally liable for any individual investment losses or for total portfolio losses provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

The City Council shall appoint someone to act only in the absence of the Treasurer. The Treasurer has the authority to sign all contracts related to the investment of public funds.

5.1 *Investment Procedures:* The Treasurer shall establish written procedures for the operation of the investment program consistent with this investment policy. The procedures should include reference to safekeeping, repurchase agreements, wire transfer agreements, banking service contracts and collateral/depository agreements. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Treasurer and approved by the legislative body.

**6.0 Ethics and Conflicts of Interest:** Officers, employees, elected and appointed officials involved in the investment process shall act responsibly as custodians of the public trust; avoid any transaction that might impair the public confidence or the City's ability to serve the citizens; refrain from personal business activities that could conflict with proper execution of the investment program or could impair their ability to make impartial investment decisions and abide by the City's adopted Conflict of Interest Code incorporated by reference into this Investment Policy.

Deposits will be collateralized or insured in accordance with the investment policy and placed with nationally or state chartered banks, a savings association and/or a state or federal credit union, not to exceed \$1,000,000 with one institution.
  - 8.1.3 Local government investment pools - Maximum 100%. Investments will be made in accordance with laws and regulations governing these funds.
  - 8.1.4 Repurchase agreements - Maximum 20%. Must be fully Collateralized at 110%, have a maturity of no more than ten days, and will only be with primary dealers of the Federal Reserve Bank who have long term debt rated at AAA by Moody's or Standard and Poor.

8.2 If repurchase agreements are legal and authorized by policy, a Master Repurchase Agreement must be signed with the bank or dealer.

**9.0 Review of Investment Portfolio:** The securities held by the City must be in compliance with Section 8.0 Authorized and Suitable Investments at the time of purchase. To assure subsequent compliance, the Treasurer shall at least quarterly review the portfolio to identify any securities that do not comply and establish procedures to report to the City critical incidents of noncompliance.

**10.0 Investment Pools/Mutual Funds:** Governmental sponsored pools and/or mutual funds should be carefully reviewed prior to investing and should be monitored on an ongoing basis. Requisite information on the pool includes a statement of investment policy and objectives, a list of allowable investments, disclosure regarding settlement and safeguarding of investments, description of securities pricing (fair value) and whether GASB 31 compliant, an explanation of interest calculations and distributions plus fee disclosures, deposit and withdrawal restrictions, and disclosure of audit findings and reports.

**11.0 Collateralization:** Investments in time certificates of deposit shall be fully insured up to the maximum allowed by law by the Federal Deposit Insurance Corporation, the National Credit Union Share Insurance Fund, or the Federal Savings and Loan Insurance Corporation, as appropriate. Investments in time certificates of deposit in excess of the maximum amount allowed by law shall be properly collateralized. Section 53652 of the California Government Code requires that the depository pledge securities with market value of at least 10% in excess of the City's deposit as collateral in government securities. The City Treasurer is responsible for entering into deposit contracts with each depository. Collateral for investments in Repurchase agreements must consist of U. S. Treasury obligations or U. S. Agency obligations. In order to anticipate market changes and provide a level of security for all funds, the collateralization level will be 110% of market value of principal and accrued interest.

**12.0 Safekeeping and Custody:** All security transactions, including collateral for repurchase agreements shall be conducted on a delivery versus payment (DVP) basis. Securities will be held by a third party custodian, or in the case of bond proceeds the Trustee, designated by the Treasurer and evidenced by safekeeping receipts.

**13.0 Diversification:** The purpose of diversification is to reduce the overall

portfolio risks while attaining market average rates of return. The maximum allowable percentage of investments in any one category will be diversified as required by law, or as provided by this policy, whichever is lower. In addition, with the exception of U.S. Treasury securities and the Local Agency Investment Fund, no more than 50% of the total portfolio will be vested in a single security type or with a single financial institution (excluding demand deposits and bond proceeds if allowed by the bond trustee).

- 14.0 Maximum Maturities:** No investment shall be made with a maturity of more than three (3) years unless the Governing Body specifically authorizes the investment. As a general rule the City will not invest in securities maturing more than two (2) years from date of purchase unless they represent reserve funds or other monies set aside to satisfy long term needs such as capital accumulation funds. To the extent possible, investment maturities will be matched against anticipated cash flow requirements.
- 15.0 Internal Control:** The City shall establish an annual process of independent review by the external auditor. This review will provide internal control by assuring compliance with policies and procedures.
- 16.0 Performance Standards:** The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles commensurate with the investment risk constraints and the cash flow needs. The basis used by the Treasurer to determine whether market yields are being achieved shall be to identify a comparable benchmark to the portfolio investment duration.
- 17.0 Reporting:** The Treasurer shall provide a monthly report to the City Council regarding investment activity and returns on all portfolios which provide a clear picture of the status of the current investment portfolio. The report shall include: Type of investment, issuer, purchase date, date of maturity, amount of deposit or cost of the investment, face value of securities, current market value of securities, rate of interest and interest earnings. If any of the funds are managed by a contracted party, a description shall be included in the report. The report shall be reviewed and signed by the Treasurer, the Director of Finance and the City Administrator.
- 18.0 Investment Policy Adoption:** In accordance with Section 53646(a) of the California Government Code, the Treasurer may render annually to the City legislative body a Statement of Investment Policy for consideration at a public meeting. The City's Investment policy and any modifications shall be adopted by Resolution of the Oroville City Council. Any State Law changes during the year are automatically incorporated into this policy.
- 19.0 Glossary:** Because this policy is available to the public as well as the

governing body, a glossary of related terminology is a part of the policy.

**Open Market Operations.** Purchases and sales of government and certain other securities in the open market by the New York Federal Reserve Bank as directed by the FOMC in order to influence the volume of money and credit in the economy. **Portfolio.** Collection of securities held by an investor.

**Rate of Return.** The yield obtainable on a security based on its purchase price or its current market price. This may be the amortized yield to maturity on a bond or the current income return.

**Repurchase Agreement (RP or REPO).** A holder of securities sells these securities to an investor with an agreement to repurchase them at a fixed price on a fixed date. The security buyer in effect lends the seller money for the period of the agreement, and the terms of the agreement are structured to compensate him for this.

**Reverse Repurchase Agreement (Reverse REPO).** A reverse-repurchase agreement involves investor borrowing cash from a financial institution in

exchange for securities. The investor agrees to repurchase the securities at a specified date for the same cash value plus an agreed upon interest rate. Although the transaction is similar to a repo, the purpose of entering into a reverse repo is quite different. While a repo is a straightforward investment of public funds, the reverse repo is a borrowing.

**Safekeeping.** A service to customers rendered by banks for a fee whereby securities and valuables of all types and descriptions are held in the bank's vaults for protection.

**Treasury Notes.** Medium-term coupon-bearing U.S. Treasury securities issued as direct obligations of the U.S. Government and having initial maturities from two to ten years.

**Trustee.** A Bank designated as the custodian of funds and the official representative for bondholders. In this capacity, the trustee is responsible for enforcing the bondholder's contract with the issuer.

**Uniform Net Capital Rule.** Securities and Exchange Commission requirement that member firms as well as nonmember broker-dealers in securities maintain a maximum ratio of indebtedness to liquid capital of 15 to 1; also called net capital rule and net capital ratio. Indebtedness covers all money owed to a firm, including margin loans and commitments to purchase securities, one reason new public issues are spread among members of underwriting syndicates. Liquid capital includes cash and assets easily converted into cash.

**Yield.** The rate of annual income return on an investment, expressed as a percentage. Income yield is obtained by dividing the current dollar income by the current market price for the security. Net yield or yield to maturity is the current income yield minus any premium above par or plus any discount from par in purchase price, with the adjustment spread over the period from the date of purchase to the date of maturity of the bond.

**8. MUNICIPAL AUDITORIUM FEE WAIVER REQUEST BY OROVILLE RESCUE MISSION**

**Requested by Mayor Dahlmeier**

The Council will consider a fee waiver request for the use of the Municipal Auditorium by the Oroville Rescue Mission for their annual Community Christmas Diner, 2018.

**RECOMMENDATION**

Due to recent events, the significant number of displaced individuals and the general need, Staff recommends approving this request.

**OROVILLE CITY COUNCIL  
STAFF REPORT**

**TO: MAYOR DAHLMEIER AND COUNCIL MEMBERS**

**FROM: BILL LAGRONE, ASSISTANT CITY ADMINISTRATOR**

**RE: MUNICIPAL AUDITORIUM FEE WAIVER REQUEST BY OROVILLE RESCUE MISSION**

**DATE: DECEMBER 18, 2018**

**SUMMARY**

The Council will consider a fee waiver request for the use of the Municipal Auditorium by the Oroville Rescue Mission for their annual Community Christmas Diner, 2018.

**DISCUSSION**

The annual Community Christmas Diner is open to all the Community at no cost and is generally well attended. The food and food preparation for this event is either donated or paid for by fund raising events throughout the past year.

The applicant, Oroville Rescue Mission, Pastor Steve Terry, has applied for a fee reduction and/or waiver for the rental fees associated with the Municipal Auditorium located at 1200 Myers Street, Oroville. The traditional fee waiver of 50% (-\$312.50) for nonprofits was granted by staff as is City Policy. This fee waiver reduced the fee from \$625.00 to \$312.50. The applicant is requesting the balance due of \$312.50 also be waived.

The only concern is the potential of conflict of uses for the Auditorium. The Auditorium is currently being used as a distribution center for relief efforts for Camp Fire victims. If the distribution center is still open and running this building will NOT be available. Staff has discussed this possibility with the applicant.

**FISCAL IMPACT**

The City will not receive the rental fee for the Municipal Auditorium in the amount of \$625.00.

**RECOMMENDATIONS**

Due to recent events, the significant number of displaced individuals and the general need, Staff recommends approving this request.

**9. AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF OROVILLE AND JOANNA GUTIERREZ TO SERVE AS CITY CLERK**

**Requested by staff**

The City Council will consider an amendment to the agreement for Professional Services between the City and Joanna Gutierrez for service as Interim City Clerk.

**RECOMMENDATION**

Adopt Resolution No. 8764- A RESOLUTION OF THE OROVILLE CITY COUNCIL AUTHORIZING AND DIRECTING THE MAYOR TO EXECUTE AN AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF OROVILLE AND JOANNA GUTIERREZ TO SERVE AS INTERIM CITY CLERK.

## **CITY OF OROVILLE STAFF REPORT**

**TO: MAYOR DAHLMEIER AND COUNCIL MEMBERS**

**FROM: BILL LAGRONE, ASSISTANT CITY ADMINISTRATOR**

**RE: AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF OROVILLE AND JOANNA GUTIERREZ TO SERVE AS CITY CLERK**

**DATE: DECEMBER 18, 2018**

### **SUMMARY**

The City Council will consider an amendment to the agreement for Professional Services between the City and Joanna Gutierrez for service as Interim City Clerk.

### **DISCUSSION**

In April, Council approved a professional services agreement with Joanna Gutierrez for her service as Interim City Clerk through December 31, 2018, while the City searches for and trains a new Assistant City Clerk. Due to a recent election and the necessity to file specialized documents and to follow post-election processes, it will be necessary to keep Ms. Gutierrez on staff for an additional 90 days. This is to ensure our Assistant City Clerk has an adequate amount of time to train under a professional expert Clerk.

The original agreement the City and Ms. Gutierrez agreed to a time frame of April 2018 through December 31, 2018. Staff is requesting to extend this contract under all the same terms to March 31, 2019. No other changes are contemplated by this Amendment.

### **FISCAL IMPACT**

The original agreement authorized an amount not to exceed of \$48,375.00. As of December 2, 2018, the amount paid is 46,292.82. There is currently \$2,082.18 remaining in the not to exceed amount previously authorized.

To adequately fund this, request the Council will have to authorize an additional \$15,500.00. This funding will come from monies already authorized but not expended for other salaried positions, this is commonly referred to as salary savings. This will not increase the impact for salaries on the general fund.

### **RECOMMENDATION**

Adopt Resolution No. 8764- A RESOLUTION OF THE OROVILLE CITY COUNCIL AUTHORIZING AND DIRECTING THE MAYOR TO EXECUTE AN AMENDMENT TO THE PROFESSIONAL SERVICES AGREEMENT BETWEEN THE CITY OF OROVILLE AND JOANNA GUTIERREZ TO SERVE AS INTERIM CITY CLERK.

**TO: MAYOR AND CITY COUNCIL MEMBERS**

**FROM: TYSON PARDEE, IT MANAGER**

**RE: PURCHASE OF A NEW DATA STORAGE DEVICE**

**DATE: DECEMBER 17, 2018**

**SUMMARY**

The Council may consider the purchase of a new data storage device (SAN) utilizing the Western States Contract Alliance pricing from Dell in the amount of \$28,314.96.

**DISCUSSION**

The data storage device at City Hall has been in use for the last 7 years. 7 years is the maximum timeframe the manufacture will warranty the device, so it is time to upgrade it. This device holds a huge percentage of critical city data so the IT department does not want to run the unit outside of the warranty window.

The price the City been quoted by Dell is not only WSCA pricing but has also been discounted as it is the end of their fiscal year.

**FISCAL IMPACT**

Funding will come from the City's Technology Fee Fund:

## 11. HWY 162 BTA GRANT – ORO DAM BLVD BIKE LANE PROJECT – DESIGN AMENDMENT

### Requested by staff

The Council may consider approving a contract amendment for the BTA Project Design Engineer, GHD, Inc.

The grant funded project requires additional design at the intersection of Oro Dam Blvd and Olive Highway of Hwy 162 due to a request from Caltrans to replace existing faulty traffic loop detectors with video detection equipment that will register both bicycles and vehicles in the left turn, center through lane, new bicycle lane, and dedicated right turn lane. Original Contract is Agreement No. 3052, from February 18, 2014.

### RECOMMENDATION

Approve the amendment to revise the project design, so Caltrans will approve the revised Encroachment Permit and the City will be able to bid the project for construction.

## **CITY OF OROVILLE STAFF REPORT**

**TO: MAYOR AND CITY COUNCIL MEMBERS**

**FROM: MIKE MASSARO, CONTRACT CITY ENGINEER  
PUBLIC WORKS DEPARTMENT**

**RE: HWY 162 BTA GRANT – ORO DAM BLVD BIKE LANE PROJECT –  
DESIGN AMENDMENT**

**DATE: DECEMBER 18, 2018**

### **SUMMARY**

The Council may consider approving a contract amendment for the BTA Project Design Engineer, GHD, Inc.

The grant funded project requires additional design at the intersection of Oro Dam Blvd and Olive Highway of Hwy 162 due to a request from Caltrans to replace existing faulty traffic loop detectors with video detection equipment that will register both bicycles and vehicles in the left turn, center through lane, new bicycle lane, and dedicated right turn lane. Original Contract is Agreement No. 3052, from February 18, 2014.

### **DISCUSSION**

After multiple iterations seeking an approved encroachment permit from Caltrans to bid the grant funded project for construction, Caltrans has denied the permit pending approval of a signed maintenance agreement with the City and design modifications at the intersection of Oro Dam Blvd. and Olive Highway.

Award of this project's grant for improved bicycle safety goes back to 2013. It is imperative that the City complete this project and utilize the grant allocation as the subsequent 2016 ATP Grant for pedestrian safety and mobility project was based on the BTA project being implemented already. The project is nearly ready to bid, but for a design modification and approved encroachment permit.

This amendment is for the design engineer to accommodate unforeseen design changes to the project from Caltrans Encroachment Department review.

### **FISCAL IMPACT**

- a. Expense: \$7,500 from Local Transportation Fund.
- b. Prior design effort was funded via the BTA Grant and reimbursed by Caltrans. The additional work exceeds the grant's design budget and will need to be made up by City of Oroville Local Transportation Fund.

### **RECOMMENDATION**

Approve the amendment to revise the project design, so Caltrans will approve the revised Encroachment Permit and the City will be able to bid the project for construction.

Dear Mr. Mike Massaro:

**Re: City of Oroville Oro Dam Boulevard Bike Lanes Project – Request for Contract Amendment to address Out of Scope Work**

Following the fourth submittal of the Oro Dam Boulevard Bike Lane project, Caltrans responded on November 27, 2018 with a new requirement that the City incorporate video detection cameras on two of the four legs at the Oro Dam Blvd/Olive Highway intersection. Additional effort will be needed in order to incorporate the latest Caltrans comment into the project plans, specifications and estimate. This Request for Contract Amendment has been prepared to address this last comment received, and the expectation that the City of Oroville will obtain final project approval and have an encroachment permit issued for this important City project.

We are requesting the City of Oroville amend our current contract to increase our project fee by \$7,500 so that we may modify the project plans, specifications and estimate as currently required by Caltrans. The specifics regarding the tasks and effort involved are shown on the attached Extra Work Budget Estimate.

Thank you for your consideration of this request. Please let us know if you have any questions, or require additional information.

Sincerely,

GHD

## **12. BUDGET POLICY REVIEW AND POTENTIAL REVISION**

### **Requested by Council Member Berry and Draper**

The Council may review the City of Oroville budget policy and authorize staff to add language requiring all Contracts receive Council approval prior to be signed.

### **RECOMMENDATION**

Provide staff direction

## **CITY OF OROVILLE STAFF REPORT**

**TO: MAYOR DAHLMEIER AND COUNCIL MEMBERS**

**FROM: RUTH WRIGHT, DIRECTOR OF FINANCE  
BILL LAGRONE, ASSISTANT CITY ADMINISTRATOR**

**RE: BUDGET POLICY REVIEW AND POTENTIAL REVISION**

**DATE: DECEMBER 18, 2018**

### **SUMMARY**

The Council may review the City of Oroville budget policy and authorize staff to add language requiring all Contracts receive Council approval prior to be signed.

### **DISCUSSION**

City of Oroville Budget Policy and Purchasing Procedures is a guideline for the purchase and procurement of goods and services for the City of Oroville. The current policy does not address the signing of contracts. The Oroville City Charter does address the issue. The Charter in Article VIII under the heading of Mayor, requires that all contracts require the signature of the Mayor. The Charter nor any other policy requires the contract to be Council approved prior to Signature from the Mayor.

Council members have asked that this issue be placed on the agenda for review and consideration from the Council. It is the belief of some of the Council that all contracts and agreements should be presented to the Council and approved prior to the Mayor signing these documents.

Staff has attached a revised Oroville Budget Policy and Purchasing Procedure for review and consideration. Staff has added paragraph 1 on page two (2) to require Council approval of all contracts and agreements. The only other changes to the Policy is cleanup work most of which was the removal of extra words, typos, and outdated practices and language.

### **FISCAL IMPACT**

### **RECOMMENDATION**

A -Revised Oroville City Budget Policy and Purchasing Procedures

## Exhibit A

### Oroville City Council - Budget Policy

The Annual Adopted Budget is based upon the estimated needs of the City's various funds and departments and the needs of the Successor Agency ~~and the Public Financing Authority~~. Applying to all funds that are received and disbursed by the City and in addition and supplemental to any provision contained in State Law, the City Charter of the City of Oroville and the Municipal Code, and other applicable Council actions. ~~This policy applies to the City, Successor Agency and the Public Financing Authority, and in addition and supplemental to any provisions contained in State Law, the City Charter of the City of Oroville and the Municipal Code, and other applicable resolutions contracts, agreements, etc.~~

In the event that any portion of this policy at any time becomes in conflict with either Federal or State Law, or the Charter or the Code, this policy will not apply in that instance.

Administration of the Annual Adopted Budget and the related policies is the overall responsibility of the City Administrator/~~Executive Director~~, who is assisted by the Finance Director. The Finance Director is responsible for providing technical assistance to the Department Heads in administering budgets assigned to them and compliance with related policies; however, Department Heads are held accountable for the budgets under their control.

The City Administrator, Department Heads and other management staff who administer budgets for the Successor Agency ~~/Executive Director~~, shall have the same duties and responsibilities ~~for the Successor Agency and the Oroville Public Financing Authority~~ as for the City of Oroville. ~~The Finance Director shall have the same duties and responsibilities for the Successor Agency and Oroville Public Financing Authority, as for the City. Department Heads and other management staff who administer budgets for the Successor Agency and the Oroville Public Financing Authority shall have the same duties and responsibilities as they have for the City of Oroville.~~

The City Council ultimately must approve total appropriations. Staff is entrusted with the administrative authority to efficiently provide service within these total appropriations. It is staff's responsibility to keep the Council informed of significant issues and the financial consequences of both internal and external events. The goal of this budget policy is to strike a balance between the responsibility of the City Council and the Successor Agency ~~and the Oroville Public Financing Authority~~ to provide expenditure authority, oversight and policy direction while granting staff ~~on budget issues and the~~ reasonable flexibility to administer ~~needed in the administration of the~~ Budget, so that the work of the City and its related agencies can be carried out efficiently.

As outlined in Article VIII, Section 1 of the City Charter, if and when an emergency occurs, such as a war, natural disaster, or major accident/civil disturbance, the Mayor shall assume general control of the City Government, and all its branches and be responsible for the suppression of disorder and the restoration of normal condition.

In addition to the above, and for the purposes of City and its related agencies, budget administration emergencies also includes a potential or actual threat to public safety or serious damage to public and/or private property.

Article VIII of the Oroville City Charter addresses the authority of the mayor. Part of the responsibilities of the Mayor is to in the name and on behalf of the city he or she shall sign all contracts, deeds, bonds and other legal instruments to which the city is a party.

Prior to the Mayor signing any contract on behalf of the City, the contract shall have been reviewed and approved by the City Council. **(THIS IS NEW LANGUAGE ADDED BY STAFF. THIS IS NOT FROM THE CITY CHARTER)**

Budgetary actions taken pursuant to an emergency are required to be documented. Department Heads who make emergency expenditures must prepare a signed statement documenting the emergency expenditure. Documentation must be attached to the request for payment or invoice, which is submitted to the Finance Department for processing. Where the cost exceeds \$10,000, a copy of the documentation must be sent to the City Clerk/Secretary of the Successor Agency/Oroville Public Financing Authority and the Council/~~Commissioners~~, along with the monthly report.

1. Definitions:

The term “**appropriation**” is defined as the amounts approved for the expenditure or the use of funds by the City Council (or the governing body of an agency for which the Council provides policy direction such as the Oroville Successor Agency or Oroville Public Financing Authority), together with such subsequent supplemental appropriations and/or budget adjustments which are subsequently approved.

The term “**budget adjustment ~~supplemental appropriation~~**” shall mean an increase to the amounts previously approved for expenditure in the Adopted Budget which may have an impact on the fund balance because it is funded by either the spendable portion of the fund balance or by a combination of additional revenues not anticipated in the Adopted Budget and the spendable portion of fund balance.

The term “**budget transfer adjustment**” shall mean an increase to one or more line item appropriations, which has no impact on fund balance, because it is either funded by a corresponding decrease in one or more line items within the same fund or unanticipated revenues to that fund which were not included in the Adopted Budget, with the result that the ending fund balance is not impacted.

The term “**line item**” shall mean a single appropriation amount to a specific account; usually this item detail is aggregated as a series appropriation (Salaries and Benefits or Operating Expenses) for purposes of budget control at the Council level. The purpose of further line item detail in the financial system is primarily to assist Departments in controlling their expenditures at an operational level.

The Term “**Department**” shall refer to the following for the General Fund, with sub-divisions listed below each:

City Council

Mayor

Treasurer:

Administration:

City Administrator

City Attorney

Economic Development and Community Enhancement

City Hall

City Clerk

Human Resources

Information Technology

Risk Management

Personnel Officer

Finance

Public Safety

Police

Fire

Community Development

Planning and Development Administration

Building Code Enforcement

Public Works Administration

Streets

Parks and Trees Administration

Parks and Trees Operations

Non-Departmental

Special Funds: All special funds will be equivalent to “Department” for purposes of this Policy, Except for all Housing Funds which will be considered one

Department.

**Categories of Expenditures/Uses of Funds:**

a. Transfers Between Departments Within a Fund (Require 5/7 Council Approval)

Transfers between various departments and line items within a fund are subject to the same rules applicable to transfers between the Personnel, Operational Expenses, Capital, and Non-Operating expenditures with the same department and are allowed as long as approved by the Finance Department and City Administrator and the result is no increase in the General Fund cost to that Department. ~~line items within the same department and are allowed as long as approved by the Finance Director and City Administrator/Executive Director. For example, a transfer of up to \$5,000 between the office supplies account of the Parks Administration Budget to the Vehicle Maintenance Account of the Parks Operations budget is allowed as long as it is approved by the Finance Director and the City Administrator/Executive Director.~~

b. Expenditure Series Accounts ~~Operating Expenditures~~

**Salaries and Benefits - 5000 series accounts:** are the accounts which are used for the payment of salaries and benefits. Included in this category are various types of salary accounts such as management, clerical, outdoor labor, safety, temporary salaries and various categories of other compensation such as, overtime, compensation time, vacation pay, uniform allowances, Police reserve pay and volunteer firefighter allowances.

**Services and Supplies - 6000 and 7000 series accounts:** are the accounts which are used for the payment of non-payroll related operating expenditures such as office and specialized departmental supplies, repair and maintenance, contract services, printing, travel, training, grant activities, community promotional, marketing and industrial recruitment activities, etc.

c. Non-Operating Expenditures

**Fixed Assets – 8000 - 8899 series accounts:** are the accounts which are used for all capital expenditures, which have a normal life greater than one year, including land, buildings, equipment and infrastructure. Fixed Assets exceed \$2,000 in initial cost.

**Other Charges - 8900 series accounts:** are the accounts which are used for certain non-operating expenses, primarily those related to debt service such as principal and interest payments.

d. Uses of Funds

**Transfers-Out - 9000 series accounts:** are the accounts which are used for making transfers-out of one fund, or department into another fund or department. Transfers-out are made to reimburse a fund for expenditures made on behalf of the other fund or where a separate fund is required for legal or accounting purposes. City Budget Policy is to minimize general fund costs by obtaining full reimbursement from all special operating funds, up to the maximum supported by actual costs, both direct and indirect. Such charges do not impact overall city expenditures, therefore appropriations to facilitate the transfer of these costs within or from the General Fund may be revised as needed by the Director of Finance with the approval of the City Administrator.

**Grant Carry-overs, C.I.P. Projects Work in Process:**

Grants are often accounted for on a multi-year basis. Whenever it is necessary to account for grants on a multi-year basis, an appropriation will be established for the total anticipated expenditures for the entire grant period. The balance of the appropriations will then be carried over from one year to the next, subject to Council/Commissioners approval.

Work in Process on Capital Projects - at the end of the fiscal year the remaining balance of appropriations of capital projects which are in process shall be carried over to the next fiscal year, subject to Council/Commissioners approval.

~~2. Expenditure Control Budget, Carry-overs, C.I.P. Projects Work in Process~~

~~The City and its related agencies operate under the **Expenditure Control Budget** concept.~~

~~The Expenditure Control Budget effectively counters the tendency to “spend it or lose it” by allowing Department Heads to carry-over unused appropriations in the Services and Supplies and Non-Operating/Uses of Funds series of accounts, subject to Council/Commissioners approval. Salaries and Benefits appropriations are not subject to carry-over, unless approved by the Council/Commissioners.~~

~~A carry-over of unanticipated revenues can also be used to increase the following year’s appropriations, subject to Council/Commissioners approval. Actual revenues for both the department and the fund as a whole, are required to be equal to or greater than revenues in the Adopted Budget and actual expenditures for the department must also come in within budget.~~

~~Grants are often accounted for on a multi-year basis. Whenever it is necessary to account for grants on a multi-year basis, an appropriation will be established for the total anticipated expenditures for the entire grant period. The balance of the appropriations will then be carried over from one year to the next, subject to~~

~~Council/Commissioners approval.~~

~~Work in Process on Capital Projects – at the end of the fiscal year the remaining balance of appropriations of capital projects which are in process shall be carried over to the next fiscal year, subject to Council/Commissioners approval.~~

3. Changes to the Adopted Budget; Additional Revenues:

The Finance Director and a Department Head acting under the direction of the City Administrator/~~Executive Director~~, shall have the authority to take into consideration off-setting revenues which are in excess of budgeted revenues and to authorize a budget adjustment to appropriate for the related expenditures covered by these off-setting revenues of up to \$10,000. In the case of Public Safety providing mutual aid, the adjustment may equal the amount or revenue to be reimbursed. ~~Normally these off-setting revenues are donations or reimbursements.~~

Whenever the Council/~~Commissioners~~ approve an action which necessitates a budget adjustment it is understood that the Council/~~Commissioners~~ also approve the corresponding budget adjustment. For example: The Council/~~Commissioners~~ approve the purchase of \$5,500 worth of computer equipment. In the Fiscal Impact section of the staff report sent to Council/~~Commissioners~~ the report details the purchase is being funded by salary savings and that a transfer will have to be made from Salaries and Benefits line items to increase appropriations in the computer equipment account in order to make the purchase. The Finance Director and the Department Head acting under the direction of the City Administrator/~~Executive Director~~ are authorized to make a budget adjustment based upon the Council/~~Commissioners~~ actions in approving the purchase.

Appropriation Transfers within a Department between Series 5000 Accounts (Salary and Benefits) 6-7000 Series Accounts (Operating Expenses), 8000 Series Accounts (Capital Projects). The Director of Finance with the approval of the City Administrator, may transfer appropriations between these accounts in a department up to \$10,000, as long as total departmental expenditures are not increased. Funds may not be transferred out of the 5000 Salaries and Benefit Series accounts if the remainder is inadequate to fund existing positions for the rest of the year

Whenever the cost Salaries and Benefits series accounts exceeds the amount budgeted the Finance Director and a Department Head, acting under the direction of the City Administrator/~~Executive Director~~, are authorized to make a budget adjustment of up to \$10,000 by reducing the Services and Supplies, Operating, or Capital series accounts of the affected budget. Such transfers must have a neutral or positive impact on fund balance.

In all other instances whenever a budget has been exceeded because of obligations which have already been incurred, or are expected to be exceeded,

Council/~~Commissioners~~ approval will be required in order to increase the appropriations.

**Transfers-Out - 9000 series accounts:**

The Finance Director acting under the direction of the City Administrator/~~Executive Director~~ is authorized to make those transfers-out to the actual amounts if 9000 series appropriations are exceeded, as soon as practical thereafter, and at least once prior to the yearend closing, the Finance Director shall initiate action to increase the appropriations.

In all other instances, Council/~~Commissioners~~ approval will be required in order to increase the appropriations. Anytime appropriations are revised by staff pursuant to this policy, this shall be reported to Council in the subsequent Finance Staff report.

**Business Expenses, Conferences, Meeting, Training and Travel:**

- a. City Employees, City Treasurer, City Attorney, Members of Boards and Commissions

Department Heads, acting under the direction of the City Administrator/~~Executive Director~~, are authorized to make expenditures for business and travel expenses related to City/~~Agency/Authority~~ business and attendance at such professional conferences/training sessions/meetings as they deem appropriate, up to the amount appropriated in their departmental budget for such expenses. The Supervisor must authorize the subordinate's attendance and must approve the expenditure. In the case of non-employees, the Department Head responsible for the budget which is being charged will approve the expenditure. All expenditures must be in accordance with all policies including the City's Travel and Reimbursement Policy which shall apply to the City and any related agencies which fall under its administrative jurisdiction.

- b. Mayor and Council Members/~~Oroville Successor Agency/Public Financing Authority Commissioners~~

During each fiscal year, every Council Member/~~Commissioner~~ is, without Council approval allowed to attend: 1) the annual League of Cities Conference; 2) one other conference /meeting / training session which does not cost more than \$500; and 3) small conferences/meetings/training sessions costing less than \$150. The Council/~~Commission~~ must approve all other travel/conference/meeting or training expenditures. Payments to Council/~~Commissioners~~ are made in accordance with the City's Travel and Reimbursement Policy and may not exceed final appropriations.

**Grant Expenditures:**

From time to time the City or its related agencies become eligible for Federal or State grants. Should the funding source require a grant application, the application will be submitted to the application to the City Administrator and Finance Director prior to submitting a final application. The City Administrator may waive pre-approval when notice of the grant did not provide sufficient lead time prior to the grant deadline. Whenever the City applies for a grant, every effort should be made to include all city costs, including direct or indirect costs. If not included in the application, or not approved as part of the grant by the funders, these shall be reported to Council as a city cost, and adequate budget revisions will be recommended as needed.

When a grant is received, one of the following courses of action shall be taken:

- a. If the Council/~~Commissioners~~ have previously approved the grant and no matching funds are required, the Finance Director and the Department Head, acting under the direction of the City Administrator/~~Executive Director~~ are authorized to make the required budget adjustment.
- b. If the Council/~~Commissioners~~ have previously approved the grant and the grant requires matching funds which have already been appropriated, the Finance Director and a Department Head, acting under the direction of the City Administrator/~~Executive Director~~, are authorized to make the required budget adjustment.
- c. If the grant requires matching funds, and an appropriation has not been made, a supplemental appropriation or a budget adjustment must be approved by the Council/~~Commissioners~~ unless the staff report and Resolution detailing the funding requirements for the match for the grant have been previously approved by the Council/~~Commissioners~~, along with the grant application. In the event previous approval for the funding of the match was obtained, the Finance Director and a Department Head, acting under the direction of the City Administrator/~~Executive Director~~ are authorized to make the required budget adjustment.

In all other instances, Council/~~Commissioners~~ approval will be required in order to increase the appropriations.

**Expenditures Under \$10,000:**

Council/Commissioners approval is not required prior to making an expenditure less than \$10,000 if the item is within the budget authorization of the City Administrator/~~Executive Director~~ or his/her designee and prior Council/~~Commissioners~~ approval is not required by State Law or City Codes or policies.

Before making expenditures for supplies, equipment and services, which exceed \$2,000 a purchase order must be authorized by both the department and the Finance Director. If the purchase is between \$2,000 and \$25,000 it is subject to the informal bidding requirements contained in the City Code and in Ordinance 1595. All purchase orders between \$4,499.99 and \$10,000 shall be reported to the council, in the next Council Packet, subject to packet publication deadline requirements.

The limit applies only to a single invoice or the purchase of a single item. Multiple purchases from the same vendor which are under the limit individually do not require prior Council/~~Commissioners~~ approval as long as the purchases are not being intentionally made in smaller amounts in order to avoid obtaining Council/~~Commissioners~~ approval.

**Authorization to go out to Bid where a Sealed Competitive Bid is Required:**

If the budget provides for the expenditure, Council/~~Commissioners~~ authorization is not required prior to going out to bid, unless otherwise required by State Law or City Codes or policies.

Public (Capital) Projects as defined by the Public Contract Code of the State of California (Section 22000-22045)

- a. Exception to section 22032 of the Public Contract Code of the State of California is as follows:
  - (a) Public projects of forty-five thousand dollars (\$45,000) or less may be performed by the employees of a public agency by force account, by negotiated contract, or by purchase order.
  - (b) Public projects of Twenty-five Thousand (\$25,000) or less may be let to contract by informal procedures as set forth in the article. Council will be apprised of the results on a Council agenda within 15 days but in no case later than 30 days.
  - (c) Public projects over Twenty-five Thousand (\$25,000) will follow the competitive bid procedures outlined in Section 2-63.101 thru 2-63.701 of the Oroville City Code as re-enacted in Ordinance 1595.
  - (d) Items budgeted and appropriated by the Council during the annual budget approval process shall be deemed approved and funds appropriated. Staff is not required to return for authorization for purchase of items but must follow the appropriate procurement process.

**Expenditures Greater Than \$5,000:**

Comment [GL1]: All of 6 c moved to ^d

Council/~~Commissioners~~ approval is not required prior to making an expenditure greater than \$5,000 if there are sufficient appropriations in the current Adopted Budget (as revised pursuant to this policy) of the department to cover the expenditure and:

- a. The expenditure represents a progress payment, which does not exceed the 10% Contingency approved as part of a contract or agreement previously approved or awarded by the Council ~~commissioners~~.
- b. The expenditure represents a partial payout of an economic development loan previously approved by the Council/~~Commissioners~~; or is a loan or purchase approved by the Housing Loan Advisory Committee; or a loan or purchase approved by the Economic Development Loan Advisory Committee which does not exceed \$250,000.
- c. The expenditure is for an insurance policy. If the increase is over 10% quotes must be obtained from at least 3 sources.
- d. Other Exceptions: Payroll and the related benefit expenses (except as noted elsewhere in this policy), utility costs, postage, insurance premiums, concrete, road maintenance supplies and materials, fuel, communication expenses, debt service expenditures, contracted services (except where Council/~~Commissioners~~ approval is required) payments to other governmental agencies, CDBG activities which are covered under grant procedures previously adopted by the Council/~~Commissioners~~, other grant activities, State Theater performance expenses and trust and agency fund disbursements, or any other expenditure which in the judgment of the City Administrator/~~Executive Director~~ is routine.
- e. Special Rules: The Director of Finance department may issue purchasing requirements addressing particular types of purchases to improve efficiency and cost savings, as long as these do not conflict with this budget policy.

**Staffing and Payroll Related Expenditures:**

Appropriations to the Salaries and Benefits - 5000 series accounts in the Adopted Budget assume full staffing for the full fiscal year. However, as a result of such factors as attrition, sick leave, training requirements, resignations, retirements, emergencies and other related situations, it may not be possible to fill all of the allocated positions as planned, additional staffing may be needed, or positions may need to be filled at a different skill level than provided in the Adopted Budget.

A Department Head working in conjunction with the Personnel Officer, and acting

under the direction of the City Administrator/~~Executive Director~~, may make a temporary promotional appointment or hire a temporary employee at any level on the salary range, or contract for a temporary employee (normally this will be done through a temporary employment agency) in order to: 1) temporarily fill any authorized position which has been vacated due to the resignation, retirement, termination, sickness or other temporary absence of the incumbent; or, 2) fill a position in the event of an emergency. If the expense related to temporary help will cause any line items in the Adopted Budget to be exceeded, a budget adjustment or supplemental appropriation must precede the action, except in cases of emergency.

Council/~~Commissioners~~ approval is required for all other reclassifications, salary adjustments, equity adjustments, costs of living raises or any other changes to the Salary and Pay Schedule listing in the Adopted Budget (except for temporary positions which are not listed).

Council/~~Commissioners~~ approval is also required for all other changes, such as new non-emergency temporary positions, changes in titles, reclassifications or any other changes to the Summary of Personnel listing in the Adopted Budget.

The City Administrator/~~Executive Director~~ and the Personnel Officer, may hire an employee at an advanced step in the salary range up to step G if justification is provided to the Council/~~Commissioners~~ at the time of the hiring decision and:

Competitive factors in the job market for a particular job title, or a candidate's specific experience and qualifications are such that it will not be possible to employ the most qualified candidate at the beginning step on the salary range.

The accrual of overtime and any payments of overtime shall be in accordance with the provisions of any approved M.O.U., employee contract or resolution and/or the Personnel Rules and Regulations and Personnel Policies.

On a bi-annual basis, the Personnel Officer will prepare a report to the Council/~~Commissioners~~ on all positions filled, except for Department Heads. The report will contain the applicable steps and ranges for each position and indicate whether the employee is temporary or permanent.

**Donations:**

Donations may be accepted by the Finance Director and a Department Head, acting under the direction of the City Administrator/~~Executive Director~~. As soon as possible, after accepting the donation it will be placed on the consent calendar so that the donation can be acknowledged by the Council/~~Commissioners~~. If a particular donation either will result in other than insignificant cost to the city or is conditioned such that it will result in an unfunded burden on staff resources, staff will recommend to the Council that the donation not be accepted. The procedure

necessary to make a Budget Adjustment in order to increase appropriations for a cash donation is detailed elsewhere in this policy.

**Quarterly Budget Review:**

Subsequent to each quarter, the Finance Director will conduct a quarterly budget review and recommend necessary adjustments based on year to date actuals.

Ken Chernish, of the Jehovah's Witnesses Congregation Support group has inquired about the ability to place 75+- travel trailers on a site they will lease for up to two years to care for our congregation members who have been displaced due to the Camp Fire. The location is on the 2600 block of 5<sup>th</sup> Avenue. The issues that surround this project are, zoning limitations, permitting process and fees, time frame to permits and any applications or requirements.

Administration

November 28, 2018

TO: STATE, CITY AND LOCAL OFFICIALS

**NOTICE OF PACIFIC GAS AND ELECTRIC COMPANY'S REQUEST TO FURTHER REDUCE RATES FOR AGRICULTURAL CUSTOMERS (A.18-11-013)****Summary**

On November 20, 2018, Pacific Gas and Electric Company (PG&E) filed its 2019 Rate Design Window (RDW) application with the California Public Utilities Commission (CPUC). The application is focused on agricultural customers. Its goal is to reduce the number of customers highly impacted by previously approved rate increases by offering new and modified rate plan options.

**Background**

In PG&E's 2017 General Rate Case Phase II application, the CPUC approved simplified default and voluntary rate plans for agricultural customers. These rate plans are currently scheduled for implementation on a mandatory basis by March 2021. If approved, this application would modify rate plans even further to reduce bill impacts. If approved, the changes included in this application will replace previously approved rate plan changes. Customers will be able to evaluate and choose from modified rate plan options. In addition, PG&E will provide online tools to help customers decide which rate plan is best for them.

**How will this application affect agricultural customers?**

There is no request to increase rates in this application. However, if approved, the new rate plans will impact bills for agricultural customers as rate design changes are implemented and customers make decisions about their rate plans. The new rate plans will reduce the number of highly impacted customers estimated to receive bill increases. Highly impacted is defined by both a percentage and a dollar amount. In order to fall into this category, bill increases would have to exceed both 7% and \$100 per year. The new rate plans will also provide flexibility for agricultural customers to select a rate plan that works best for them.

Bill impacts will vary based on how much energy customers use, when they use it, and which rate plan they select.

**How do I find out more about PG&E's proposals?**

If you have questions about PG&E's filing, please contact PG&E at **1-800-743-5000**. Para más detalles llame al **1-800-660-6789** • 詳情請致電 **1-800-893-9555**. For TTY, call **1-800-652-4712**. If you would like a copy of PG&E's filing and exhibits, please write to PG&E at the address below:

PG&E's proposal (without exhibits) is available on the CPUC's website at [www.cpuc.ca.gov](http://www.cpuc.ca.gov).

**CPUC process**

This application will be assigned to an Administrative Law Judge (Judge) who will determine how to receive evidence and other related documents necessary for the CPUC to establish a record upon which to base its decision. Evidentiary hearings may be held where parties will present their testimony and may be subject to cross-examination by other parties. These evidentiary hearings are open to the public, but only those who are formal parties in the case can participate.

After considering all proposals and evidence presented during the hearings, the assigned Judge will issue a proposed decision which may adopt PG&E's proposal, modify it or deny it. Any of the five CPUC Commissioners may sponsor an alternate decision. The proposed decision, and any alternate decisions, will be discussed and voted upon at a scheduled CPUC Voting Meeting.

The California Public Advocates Office (CalPA) may review this application. CalPA is the independent consumer advocate within the CPUC with a legislative mandate to represent investor-owned utility customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. CalPA has a multidisciplinary staff with expertise in economics, finance, accounting and engineering. WASHINGTON, D. C. 20426

OFFICE OF ENERGY PROJECTS

Project No. 2100-000 – California  
Feather River Hydroelectric Project  
California Department of Water Resources

December 6, 2018

Julianne Polanco  
State Historic Preservation Officer  
California Office of Historic Preservation  
1725 23<sup>rd</sup> Street, Suite 100  
Sacramento, CA 95816

Subject: Determination of Eligibility under Section 106

Dear Ms. Polanco:

On October 15, 2018, California Department of Water Resources (California DWR) provided the Commission a formal determination of eligibility for a historic resource located at the Feather River Hydroelectric Project (FERC Project No. 2100). The determination was made on a historic resource located in the Lake Oroville State Recreation Area, which is within the Area of Potential Effects (APE) for the emergency recovery work being conducted at and near the Oroville Dam. Avoidance of the existing resource is affecting California DWR's ability to fully implement an erosion control measure needed to continue the repair and recovery work, which must be completed before the start of the winter rainy season.

By a letter dated March 31, 2017, we designated California DWR as our non-federal representative for conducting consultation with the California State Historic Preservation Officer (California SHPO) for emergency activities associated with repairs to Oroville Dam and appurtenant facilities.

On July 5, 2017, our offices executed a Programmatic Agreement (PA) for managing historic properties during the emergency and permanent recovery period at and near the Oroville Dam. Pursuant Stipulation IV of the PA, the Commission is responsible for making determinations of eligibility and California DWR is responsible for preparing technical documents.

Pursuant to Stipulation V.1 of the PA, all cultural resources are considered

Project No. 2100-000

-2-

individually eligible for listing in the National Register of Historic Places (NRHP). However, based on an evaluation conducted by California DWR, they recommend that although the historic-era fenceline (P-04-002066) may have potential significance under National Register and California Register criteria, it is not eligible for listing individually or as a contributor to the proposed Forks of the Feather River Historic District (FFRHD) due to a lack of integrity.

After reviewing the information contained in March 5, 2018 technical evaluation report filed with California DWR's October 15, 2018 letter, we concur with California DWR's preliminary determination that the fenceline should not be considered eligible for listing in the NRHP. We ask that your office review the technical documentation provided by California DWR and let us know if you concur with the eligibility determination.

The Commission strongly encourages electronic filing. Please file the requested information using the Commission's eFiling system at <http://www.ferc.gov/docs-filing/efiling.asp>. For assistance, please contact FERC Online Support at [FERCOnlineSupport@ferc.gov](mailto:FERCOnlineSupport@ferc.gov), (866) 208-3676 (toll free), or (202) 502-8659 (TTY). In lieu of electronic filing, please send a paper copy to: Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Washington, D.C. 20426. The first page of any filing related to this letter should include docket number P-2100-000.

If you have any questions concerning this letter, please contact Kurt Powers at (202) 502-8949.
