CITY COUNCIL WORKSHOP AGENDA PUBLIC SAFETY BUILDING April 20, 2022 at 3:00 PM

Call to Order

Items for Consideration

1. Big Picture/Policy Issues

- Consider an explicit Vision for Tybee by the Year 2030
 - Make World Views explicit (we can't keep them from coming...) and discuss/debate the implications for future of the City
 - Review the Comprehensive Plan in the context of these considerations
 - Reframe the objectives and priorities in today's context
 - Don't wait for 5 years to update the Plan and use it to guide future budget considerations
 - What size population should the City consider supporting
 - Residents number 3,000 but over the course of a year, on average, there are approximately 30,000 people on the Island at any given time (based on latest traffic counts)
 - How do we maintain a residential community in the face of growing tourism?
