# COMMUNITY OUTREACH

April through June brought a variety of community gatherings, the celebration of milestones and educational opportunities to our residents. Below is a breakdown of outreach efforts and strategies implemented to promote each one.

## CARÍN LEÓN - KEY TO THE CITY

Strategies implemented:

- Developed and implemented a full scale public relations and social media strategy to draw media attention and inform the community of the event
- Coordinated a VIP/ press pre-event with Carin Leon’s team which attracted local & regional media; developed a manifest of confirmed media for security purposes
- Collective coverage of this event on social media alone provided exposure to nearly 1 million social media followers (based on total followers on all social media pages that promoted Carín León receiving a key to Coachella)

## FIRE STATION #79 - RIBBON CUTTING

Strategies implemented:

- Collaborated with the communications team from the Riverside County Fire Department and led development of the combined press release and distribution to local media
- Developed and implemented an organic social media strategy to inform the community of the event
- Ordered custom giveaways for attendees & designed the program for the event
- Arranged for onsite interviews with the Mayor and council who were in attendance

## COMMUNITY OUTREACH, CONT'D

### MOVIES IN THE PARK

Strategies implemented:

- Added the event to the calendar on Coachella.org
- Created an event listing on Coachella.org and boosted the post for heightened visibility
- Organic social media posts were published in advance of each event to build anticipation
- Radio ads ran on La Poderosa, La Suavecita and U92.7 from 5/1-5/24
- A billboard was installed in City promoting the event
- A digital campaign ran on Youtube through May 24th achieving the following:
  - 214.65k impressions (82.86% thru streaming)
  - 118 clicks
  - Most clicks within 45-54 age range

### BUILDING SAFETY MONTH

Strategies implemented:

- Added the event to the calendar on Coachella.org
- Worked with the Development Services Team to gather key information needed to promote the event
- Developed social media graphics and promoted both events through the City's Facebook, Instagram and LinkedIn pages organically

### OPERATION SPLASH

Strategies implemented:

- Added the event to the calendar on Coachella.org
- Created an event listing on Coachella.org and boosted the post for heightened visibility
- Radio ads ran on La Poderosa and La Suavecita from 6/3-6/7
- Organic social media posts were published to build anticipation surrounding the event

## COMMUNITY OUTREACH, CONT'D

### PUBLIC SERVICE ANNOUNCEMENTS (PSA'S)

The City partnered with the Riverside County Fire Department and the Riverside County Sheriff's Department to raise awareness surrounding the use of illegal fireworks and shooting guns ahead of the July 4th holiday through the development of two separate PSA's.

Strategies implemented:

- The City spearheaded development of conceptual scripts for both spots and worked with both agencies for feedback and approval.
- The City negotiated tv ad buys with Univision, Telemundo and Spectrum TV for airing both :30 spots. Free production of both spots in English and Spanish was worked into the negotiation with Univision. Please note this is the first time the City has run any ads on television.
- Spectrum ran the ads through their digital/streaming services, only targeting households in the city of Coachella.
- Upon completion, the spots were also run on Coachella's social media pages (Facebook, Instagram and LinkedIn) and added to the City's YouTube page. The videos were also boosted on Facebook and Instagram for added visibility in both English & Spanish.
- The goal is to run the PSA's again toward the end of the year when these incidents seem to traditionally spike

**Gun PSA  
(combined stats)**  
**Reach:** 58,230  
**ThruPlays:** 15,913  
**Views:** 77.85% women &  
 22.15% men

**Fireworks PSA  
(combined stats)**  
**Reach:** 31,994  
**ThruPlays:** 8,675  
**Views:** 48.35% women &  
 51.65% men

# GLOSSARY OF TERMS

- **IMPRESSIONS** - An impression is counted as the number of times an instance of an ad is on screen for the first time. (Example: If an ad is on screen and someone scrolls down, and then scrolls back up to the same ad, that counts as 1 impression).
- **CLICKS** - The number times that something is selected within the ad, by pressing a button or touching a screen.
- **REACH** - The number of unique accounts that saw your ads at least once. Reach is different from impressions, which may include multiple views of your ads by the same accounts.
- **CLICKTHROUGH RATE (CTR)** - is calculated as the number of clicks divided by the number of impressions.
- **VIEWS (OPENS)** - measure how many people opened up your email and looked at it.

# SOCIAL MEDIA UPDATE

## Breakdown of Followers: Q2 (April - June 2024)

The City continues to experience a steady increase in organic social media growth across the board, all prompted through the consistent posting of relevant content for residents and other followers of our pages.

### % of Growth :

**Facebook:** 13,561 followers - 5.5% growth

**Instagram:** 6,317 followers - 19% growth

**LinkedIn:** 1,385 followers - 11.1% growth

# NEW PARTNERSHIP

A huge goal for 2024 was to **establish a partnership with an organization that could help equip staff to communicate expeditiously and efficiently with residents in the event of an emergency.** This need came to light in the aftermath of Hurricane Hilary. While the City's social media platforms served a viable solution in getting the word out, the concern was that there are many residents who do not follow our social media pages, nor were they active during the most critical moments of the storm.

After conducting extensive research with various mass communications companies used by our peers in surrounding cities, the team felt that Regroup met our needs the best. Their platform is user friendly, offers all of the features we were seeking, and feedback from their client base that we reached out to was top tier.

A core team comprised of myself, our public works director (Maritza Martinez), and our IT manager (Jason Stevens) is currently going through a series of training sessions to learn how to use the system.

An **awareness campaign** is also in the planning phases so we can inform residents about the importance of subscribing. We will be holding a couple of in person **community engagement events** to activate subscriptions, and will share our message via **social media, radio** and potentially **television** in the months to come.

## SIGNIFICANT EVENT

4/13/24 – Firefighters responded to a reported traffic collision cut and rescue at Van Buren Street and Avenue 51. The first arriving company officer reported two vehicles, one vehicle with major damage and 2 victims requiring extrication. Crews used specialized equipment, including the “Jaws of Life,” to initiate extrication. Both patients were transported to a local area trauma center for further treatment and evaluation.

4/26/24 – Fire Department resources were dispatched to a reported medical incident off the Interstate 10 and Coachella Canal. The patient was approximately one to two miles South of Interstate 10 in an unhoued encampment. Initially, firefighters were not able to access the patient via fire engine or ambulance. A request was placed for a helicopter and or utility vehicle (UTV) to assist with accessing the patient. As the additional resources were being dispatched, Firefighters hiked into the area to make patient contact and initiate advanced life support measures. Once the patient was stabilized, firefighters opted to carry the patient out to the awaiting ambulance. **(See photos below)**

5/8/24 – City firefighters responded to a reported possible natural gas or chlorine leak at Bobby Duke Middle School in the City of Coachella. Firefighters reported a large multi building educational facility with no evacuations at that time. Firefighters were able to coordinate with school faculty and gather all students stating they were experiencing symptoms of possible exposure. School Facility Maintenance secured the 24 classrooms that the leak potentially affected. All children were evaluated and a total of 18 students were transported with minor symptoms to local area hospitals. The Riverside County Hazardous Materials Team arrived on scene and were able to determine no leaks were detected in the classrooms. School property was turned over to the Gas Company to perform pressure tests to further insure no gas leaks on the property.

5/13/24 – Coachella Firefighters responded to a reported vegetation fire in the area of Grapefruit Boulevard and 6th Street. Fire crews reported a large spot of vegetation burning along the train

tracks with a significant wind from the South. Due to the proximity of the fire and the railroad tracks, a hard closure of the railroad was initiated so firefighters could safely work on suppressing the fire. The closure was implemented for roughly 45 minutes before it was safe enough to have the trains pass at a reduced speed of 15mph. The fire was contained to half an acre of vegetation and miscellaneous refuse from transient encampments.

5/14/24/23 – Firefighters were dispatched to a reported vehicle versus pedestrian in the area of Avenue 52 and Dos Palmas Avenue in the City of Coachella. The first arriving Engine Company reported a single vehicle collided with a small off-road quad, being ridden by three juveniles. The three juveniles all sustained moderate to major injuries. One juvenile was transported by Mercy Air ambulance and the two additional patients were transported via ground ambulance to Desert Regional Medical Center.

6/6/24 – Multiple 911 reports of a commercial building on fire in the City of Coachella initiated a response to 85-400 Grapefruit Boulevard. The first arriving fire engine reported a large building with significant fire in the high piled cardboard boxes on the exterior of the building that was spreading quickly. A second alarm was started with equipment from several agencies responding. The fire, pushed by the wind and high fuel load, spread through this vegetable packing facilities pallets and boxes ultimately burning off the roof and crumpling walls. Multiple large hoses were used to extinguish this fire including overhead Ariel streams. The runoff was tested by Environmental Health and no hazardous materials were found. High temperatures and heavy workload resulted in firefighter exhaustion. Ambulances transported ill firefighters to the local emergency rooms for evaluation. A formal firefighter rest and rehabilitation was set up with the Sun Bus contributing their resources as a cooling station. Temperatures were expected to reach 109 degrees. Due to the unsafe and unstable building, firefighters extinguished from the exterior. Heavy equipment Backhoes and Dozer worked to spread the high piled storage out. Train tracks along the building's perimeter have been affected by smoke and trains are being slowed for safety. Fire crews worked on the fire overnight to ensure all hot spots are extinguished. The fire cause is currently under investigation.

**(See photos below)**

6/11/24 – Firefighters were dispatched to a reported residential structure fire at 1558 3<sup>rd</sup> Street. The first arriving engine company reported light smoke coming from the roof. Fire crews were able to extinguish the attic fire quickly and keep it from spreading to nearby properties. City of Coachella building and safety departments red tagged the building and a total of six residents

were displaced. The American Red Cross was notified and provided assistance to the family.  
Total Lost: \$30,000.00 Total Saved: \$350,000.00

6/13/24 – Firefighters responded to reports of a single vehicle roll over at the intersection of Grapefruit Boulevard and Avenue 49. The first arriving engine company reported a vehicle on its side, victims trapped with critical injuries. Crews utilized the Jaws of Life to free the trapped parties who were then transported by ambulance to a trauma center for further care.

6/16/24 – City of Coachella firefighters responded to a traffic collision at the intersection of Cesar Chavez Street and Avenue 54. Upon arrival firefighters reported a single vehicle collided with a light pole. Patient was extracted from the vehicle and was given advanced life support care. The injured party later succumbed to his injuries at an area hospital.

6/19/24 – Coachella Firefighters responded to a commercial structure fire at 46-165 Dillion Road. Discovered was a commercial car wash showing heavy smoke and visible fire. Upon making entry firefighters located the fire to an office space on the second story of the building. Fire personnel were able to contain the fire to the building of origin with minimal damage to the main components of the car wash. Total Lost: \$100,000.00 Total Saved: \$500,000.00

### **COMMUNITY ACTIVITY**

4/9/24 – Students from Peter Pendleton Elementary School had the opportunity to tour our newly remodeled Fire Station for the first time. **(See photos below)**

4/25/24 – Many were in attendance for the Ribbon Cutting Ceremony of Fire Station #79. (See photos below)

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Maritza Martinez, Public Works Director

**SUBJECT:** Authorize execution of Amendment No. 1 to the Agreement for Emergency Services Coordinator Services between the County of Riverside and the City of Coachella.

**STAFF RECOMMENDATION:**

Authorize execution of Amendment No. 1 to the Agreement for Emergency Services Coordinator Services between the County of Riverside and the City of Coachella.

**EXECUTIVE SUMMARY:**

Prior to July 1, 2021, the County of Riverside has provided the City emergency support services through its Riverside County Fire Department (RCFD) agreement. As of July 1, 2021 the Emergency Management Services (EMS) was reorganized as a department administered within the County's organization. The Emergency Management Department continues to offer direct Emergency Management Services to its city partners. The City entered into an agreement with the County for these services as of July 1, 2021. The term of the agreement ended on June 30, 2024. The County continues to offer the same service options to its city partners: A, B, C, D.

Service Level A is the lowest service level offering some template document support and liaison assistance with the State in the response and recovery phase of an event; at an annual cost of \$20,000. Service Level B builds upon the service Level A and also provides additional administrative planning support and guidance; at an annual cost of \$45,000. Service Level C provides for a support at all levels, however does not complete staff reports/resolutions or departmental coordination; this service level has an annual cost of \$80,000. Service Level D provides a full time position and will provide all of the noted services at an annual cost of \$160,000.

During the original term of the agreement (July 2021 – June 2024) the city identified the service option C, which is a part-time equivalent Emergency Services Coordinator. As the city is anticipating the development and construction of its Coachella Community Resilience Center staff is recommending execution of the proposed Amendment No. 1 at a Service Level D, which is a full time equivalent Emergency Services Coordinator.

**FISCAL IMPACT:**

The recommended approval of Service Level D will have an annual cost of \$160,000. These expenses were approved in the FY 24/25 budget and a portion of these costs are anticipated to be reimbursed by the Strategic Growth Council Community Resilience Center grant funds once the grant agreement is executed.

Proposed Amendment No. 1

AMENDMENT NO. 1 TO THE AGREEMENT FOR EMERGENCY SERVICES COORDINATOR SERVICES BETWEEN THE COUNTY OF RIVERSIDE AND THE CITY OF COACHELLA

This First Amendment to the Agreement (the "Amendment") is entered into by and between the County of Riverside ("County") and the City of Coachella ("City").

RECITALS

WHEREAS, COUNTY and CITY entered into the Agreement for Emergency Services Coordinator (ESC) Services, effective from July 1, 2021, through June 30, 2024; and

WHEREAS, CITY now desires to renew the Agreement for an additional one-year term through June 30, 2025; and

WHEREAS, CITY now desires to change between the Level of Service options set forth in Exhibit B from Option C: 50% Dedicated to Option D: 100% Dedicated;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, COUNTY and CITY agree as follow:

- 1. The above recitals are true and correct and are incorporated herein by reference.
2. Section 1 of the Agreement is amended to extend the termination date from June 30, 2024, to June 30, 2025.
3. Section 1.1 of Exhibit B, Payment Provisions, shall be deleted in its entirety and replaced with the following:

"1.1 The following chart summarizes the annual rates to be charged by County for services pursuant to this Agreement (refer to Attachment 1 for details). The City's selected option is indicated:

Table with 7 columns: Option ('X'), Item Description, Quarter 1 Jul-Sept, Quarter 2 Oct-Dec, Quarter 3 Jan-Mar, Quarter 4 Apr-Jun, Total. It lists Option A (Base Services) and Option B (ESC Services Shared) with their respective quarterly and total costs.

	Option B: ESC Services Shared {City Pop> 50,000}	\$16,250	\$16,250	\$16,250	\$16,250	\$65,000
X (7/1/21 - 6/30/24)	Option C: 50% Dedicated	\$20,000	\$20,000	\$20,000	\$20,000	\$80,000
X (7/1/24 - 6/30/25)	Option D: 100% Dedicated	\$40,000	\$40,000	\$40,000	\$40,000	\$160,000

4. Section 1.2 of Exhibit B, Payment Provisions, shall be amended to add the following sentence at the end of the section:

"1.2 The compensation payable to County for all services as set forth in this Agreement for the period commencing on or after July 1, 2024, and running through June 30, 2025, is one-hundred and sixty thousand dollars (\$160,000)."

5. All other terms and conditions of the Agreement not modified herein shall remain unchanged and in effect. If any provisions of this Amendment or the Agreement shall be determined to be illegal or unenforceable, such determination shall not affect any other provision of the Agreement and all such other provisions shall remain in full force and effect. The language in all parts of the Agreement shall be construed according to its normal and usual meaning and not strictly for or against either party.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Maritza Martinez, Public Works Director

**SUBJECT:** Adopt Resolution No. 2024-42 declaring its intention to establish City of Coachella Community Facilities District No. 2024-1 (Public Services) and to authorize the levy of a special tax therein to finance certain services; setting public hearing date as September 11, 2024.

**STAFF RECOMMENDATION:**

Staff recommends that the City Council adopt the attached Resolution No. 2024-42 declaring its intention to establish City of Coachella Community Facilities District No. 2024-1 (Public Services) (CFD 2024-1) and to authorize the levy of a special tax therein to finance certain services; setting a public hearing date as September 11, 2024.

**BACKGROUND:**

On March 13, 2024, the City Council of the City of Coachella approved Resolution No. 2024-09, approving Final Tract Map No. 38557-1 (Sevilla II). The Project will consist of a 204-lot residential development. The project includes pedestrian sidewalks; landscaping; an approximate 1.0-acre recreational park area; an approximate 1.37-acre water retention basin; an approximate 0.23-acre dedicated future well site; monument signage; and street and utility improvements.

**DISCUSSION/ANALYSIS:**

The attached resolution will begin the proceedings to form Community Facilities District 2024-1 (Public Services) ("CFD 2024-1"). The conditions of development of the Project requires it to be part of a CFD to provide funding to offset the increased cost of public services created due to new development for park maintenance, landscaping and lighting maintenance, drainage maintenance and street maintenance.

To fund the impact of new development on the City's public services, staff recommends that the City Council consider establishing CFD 2024-1 (Public Services), a Mello-Roos Community Facilities District, by adopting a Resolution of Intent to form the district, with the intention that future development within the City of Coachella (the "City") may annex into this district, at the City's discretion. The special taxes collected from the property owners within the proposed CFD 2024-1 are to be used for the funding of park maintenance, landscaping and lighting maintenance,

drainage maintenance and street maintenance required due to the development of the property within the proposed CFD 2024-1.

The Project proposed for inclusion in the CFD 2024-1 is owned by Pulte Home Company, LLC and is generally located west of Van Buren Street and south of Avenue 50. The Project currently includes the development of 204 single family residential parcels. The boundary of the annexation includes the area within assessor's parcel numbers 779-280-002 and 779-320-001 as depicted on Exhibit A.

Development of these properties changes the characteristics of undeveloped land. The development of them will intensify the use of the properties, creating a need for more services within the City.

As part of the formation process, the City contracts with Willdan Financial Services for the preparation of the necessary resolutions and balloting procedures for the formation.

The Resolution of Intention is the first step in the process of forming CFD 2024-1. The resolution also establishes September 11, 2024 as the public hearing date for the final consideration of forming CFD 2024-1. Once the formation is complete, and the election results are at least two-thirds approval, the property owners of the development will be required to pay annual special taxes for CFD 2024-1, beginning the fiscal year after they are issued a building permit, as itemized on their property tax bill, in accordance with the rate set forth in the Rate and Method of Apportionment of Special Tax.

**FISCAL IMPACT:**

The City expects to collect an annual special tax of \$655 plus CPI per detached dwelling unit within CFD 2024-1, beginning the fiscal year after they are issued a building permit, as itemized on their property tax bill, in accordance with the rate set forth in the Rate and Method of Apportionment of Special Tax. CFD 2024-1 will result in a new annual special tax of \$133,620 for 204 single family residential parcels, subject to annual inflationary adjustment, for the project.

**A RESOLUTION OF THE CITY COUNCIL OF COACHELLA DECLARING ITS INTENTION TO ESTABLISH CITY OF COACHELLA COMMUNITY FACILITIES DISTRICT NO. 2024-1 (PUBLIC SERVICES) AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX THEREIN TO FINANCE CERTAIN SERVICES**

WHEREAS, the CITY COUNCIL of the CITY OF COACHELLA, CALIFORNIA (the “City Council”), has determined that it is necessary and desirable to create a community facilities district pursuant to the terms and provisions of the “Mello-Roos Community Facilities Act of 1982”, being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the “Act”), as amended, for the purpose of financing park maintenance, landscaping and lighting maintenance, drainage maintenance and street maintenance; and

WHEREAS, the Act authorizes the City Council to establish a community facilities district and to levy special taxes within the community facilities district; and

NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF COACHELLA AS FOLLOWS:

1. Recitals. The above recitals are all true and correct.
2. Initiation of Proceedings. The City Council hereby declares its intention to conduct proceedings for the formation of a community facilities district pursuant to the provisions of the Act.
3. Name of CFD. The proposed community facilities district shall be known and designated as “City of Coachella Community Facilities District No. 2024-1 (Public Services)” (the “CFD”)
4. Boundaries of CFD. A description of the exterior boundaries of the territory proposed for inclusion in the CFD, including properties and parcels of land proposed to be subject to the levy of a special tax by the CFD, is as shown on the boundary map designated as “PROPOSED BOUNDARIES OF COMMUNITY FACILITIES DISTRICT NO. 2024-1 (PUBLIC SERVICES),” which is on file in the office of the City Clerk and is attached hereto as Exhibit A and hereby incorporated by reference.
5. Description of Services. It is the intention of this City Council to finance certain services described below (the “Services”). The City Council hereby finds that the Services are in addition to those provided in the territory within the CFD prior to the establishment of the CFD and that such Services will not supplant services already available within that territory. A general description of the services to be provided is as follows:

Landscaping and Lighting Maintenance: includes the labor, material, administration, personnel, equipment and utilities (i.e., water and power) necessary to maintain public landscaping and lighting improvements for, within, or associated with the CFD, including trees, turf, ground cover, shrubs, weed removal, irrigation systems, sidewalk, drainage facilities, lighting, signs, monuments, graffiti removal, walkways, and associated appurtenant facilities located within, or associated with, the CFD.

Park Maintenance: includes the estimated and reasonable costs of providing public park maintenance for, within, or associated with the CFD, including but not limited to (i) the costs of contracting for park maintenance services, including trees, plant material, restrooms, irrigation systems, sidewalks, drainage facilities, weed control, lighting, and parking lot maintenance, (ii) the salaries and benefits of City staff, including maintenance staff, that directly provide park maintenance services, (iii) the expense related to equipment, apparatus, and supplies related to these services and authorized by the Act, (iv) utility costs such as water, sewer, lighting and power and (v) City overhead costs associated with providing such services.

Drainage Maintenance: includes the labor, material, testing, reporting, remediation, permitting, general administration, personnel, equipment and utilities necessary to maintain public drainage improvements for, within, or associated with the CFD, including drain inlets, filters, detention basin, storm drain pipeline, and associated appurtenant facilities located within, or associated with, the CFD.

Street Maintenance: includes the labor, material, administration, personnel, equipment and utilities necessary to maintain public streets, streetlights and associated appurtenant facilities for, within, or associated with the CFD, including City overhead costs associated with providing such services within the CFD.

The cost of the Services shall include incidental expenses, including, but not limited to, the costs associated with forming the CFD, determination of the amount of the Special Taxes, collection of the Special Taxes, payment of the Special Taxes, and costs incurred in order to carry out the authorized purposes of the CFD.

All Services shall be provided by the City of Coachella, with its own forces or by contract with third parties, or any combination thereof, to be determined entirely by the City of Coachella.

Nothing in this description of Services or any Resolution of the City Council shall be construed as committing the City or the CFD to provide all of the authorized Services. The provision of Services shall be subject to the successful formation of the CFD and the availability of sufficient proceeds of special taxes within the CFD. The City may annually prioritize, at its discretion, the authorized Services that would be funded and the amount of the special tax proceeds that it will use for each Service.

6. Special Tax. It is hereby further proposed that, except where funds are otherwise available to pay for the Services, a special tax sufficient to pay for such Services and related

incidental expenses authorized by the Act (the “Special Tax” or “Special Taxes”), secured by recordation of a continuing lien against all non-exempt real property in the CFD, will be levied annually within the boundaries of the CFD. Under no circumstances will the Special Tax authorized to be levied within the CFD be increased as a consequence of delinquency or default by the owner of any other parcel or parcels used for private residential purposes and located within the CFD by more than 10 percent. For further particulars as to the rate and method of apportionment of the Special Tax proposed to be levied within the CFD, reference is made to the attached and incorporated Exhibit B, which sets forth in sufficient detail the rate and method of apportionment of the Special Tax among parcels of real property in the CFD (the “Rate and Method”) to allow each landowner or resident within the CFD to clearly estimate the maximum amount that such person will have to pay for such Services. The City Council hereby determines the Rate and Method set forth in Exhibit B to be reasonable.

The Special Taxes herein authorized, to the extent possible, shall be collected in the same manner as ad valorem property taxes and shall be subject to the same penalties, procedure, sale and lien priority in any case of delinquency as applicable for ad valorem taxes, or shall be collected in such other manner as may be provided by the City Council. Any Special Taxes that may not be collected on the County tax roll shall be collected through a direct billing procedure by the City’s Finance Director or duly appointed officer or agent of the City of Coachella, as appointed by the City Council.

7. Public Hearing. Notice is given that on September 11, 2024, at the hour of 6:00 p.m. (or as soon thereafter as practical), in the regular meeting place of the City Council being the City Hall Council Chambers, located at 1515 Sixth Street, Coachella CA 92236, a public hearing will be held where this City Council will consider the establishment of the proposed CFD, the extent of the CFD, the furnishing of the Services within the CFD, and the proposed Rate and Method, and all other matters as set forth in this resolution of intention. At the above-mentioned time and place for public hearing any persons interested, including taxpayers, persons registered to vote within the CFD, and property owners, may appear and be heard. The testimony of all interested persons for or against the establishment of the CFD, the extent of the CFD, or the furnishing of the Services will be heard and considered. Any protests may be made orally or in writing. However, any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and clearly set forth the irregularities and defects to which the objection is made. All written protests shall be filed with the City Clerk of the City Council on or before the time fixed for the public hearing. Written protests may be withdrawn in writing at any time before the conclusion of the public hearing.

If a written majority protest against the establishment of the CFD is filed (as determined in accordance with Section 53324 of the Act), the proceedings shall be abandoned. If such majority protest is limited to certain services or portions of the Special Tax, those services or that tax shall be eliminated by the City Council.

The public hearing may be continued from time to time, but shall be completed within 30 days, except that if the City Council finds that the complexity of the CFD or the need for

public participation requires additional time, the public hearing may be continued from time to time for a period not to exceed 6 months.

At the public hearing, the City Council may modify this resolution by eliminating any of the Services, or by changing the method of apportionment of the special tax so as to reduce the maximum special tax for all or a portion of the owners of property within the CFD, or by removing any territory from the CFD. At the conclusion of the public hearing, the City Council may abandon these proceedings or may, after passing upon all protests, determine to proceed with establishing the CFD.

8. Election. If, following the public hearing described in Section 7 above, the City Council determines to establish the CFD and proposes to levy the Special Tax within the CFD, the City Council shall then submit the levy of the Special Taxes to the qualified electors of the CFD. The vote shall be by the landowners of the CFD with each landowner or the authorized representative thereof, having one (1) vote for each acre or portion of an acre of land owned within the CFD.

The election shall be conducted by the City Clerk, and shall be held on a date selected by the City Council in conformance with the provisions of Section 53326 of the California Government Code and pursuant to the provisions of the California Elections Code, insofar as they may be applicable. Pursuant to said Section 53326 the ballots for the election shall be distributed to the qualified electors of the CFD by mail with return postage prepaid or by personal service, and the special election shall be conducted as a mail ballot election.

A successful election relating to the Special Tax authorization shall, as applicable, establish the appropriations limit as authorized by Article XIII B of the California Constitution as it is applicable to the CFD.

9. Notice. Notice of the time and place of the public hearing shall be given by the City Clerk by causing a Notice of Public Hearing to be published in the legally designated newspaper of general circulation, such publication pursuant to Section 6061 of the Government Code, with such publication to be completed at least seven (7) days prior to the date set for the public hearing. In addition, notice of the time and place of said hearing shall also be given by first-class mail to each registered voter and to each landowner within the proposed CFD as prescribed by Section 53322.4 of said Act. Said notice shall be published at least seven (7) days [and mailed at least fifteen (15) days before the date of the hearing,] and shall contain the information required by said Section 53322 of the Act.
10. Exempt Properties. Except as provided in Section 53340.1 of the Act and except for properties that a local agency is a landowner of within the meaning of subdivision (f) of Section 53317 of the Act, pursuant to Section 53340 of the California Government Code, properties of entities of the state, federal, and local governments shall be exempt from the levy of Special Taxes for the financing of the Services of the proposed CFD. Reference is hereby made to the Rate and Method for a description of other properties or entities that are expressly exempted from the levy of the Special Taxes.

11. Necessity. The City Council finds that the proposed Services described in Section 5 hereof are necessary to meet increased demands placed upon the City as a result of new development occurring within the boundaries of the proposed CFD.
12. Annexation of Territory. Other property may be annexed into the CFD pursuant to the provisions of the Act.
13. Public Interest. Pursuant to Section 53329.5(c) of the Act, the City Council finds, in its opinion, the public interest will not be served by allowing property owners in the CFD to enter into a contract pursuant to Section 53329.5(a) of the Act.
14. Advances. The City or CFD may accept advances of funds or work-in-kind from any source, including, but not limited to, private persons or private entities, and is authorized and directed to use such funds or that work-in-kind for any authorized purpose, including, but not limited to, paying any cost incurred by the City in creating the CFD. The City or CFD may enter into an agreement with the person or entity advancing the funds or work-in-kind, to repay all or a portion of the funds advanced, or to reimburse the person or entity for the value, or cost, whichever is less, of the work-in-kind, as determined by the City Council, with or without interest.
15. Reports. A report (the “CFD Report”) shall be prepared and presented to the City Council, containing a full and complete description of the public services proposed to be financed from the levy of special taxes, a general cost estimate setting forth costs of providing such services, and further information regarding the implementation of the rate and method of apportionment of the special tax proposed to be levied. The Report, upon its preparation, shall be submitted to the City Council for review, and the Report shall be made a part of the record of the public hearing.

### City of Coachella Community Facilities District No. 2024-1 (Public Services) Rate and Method of Apportionment

A Special Tax of City of Coachella Community Facilities District No. 2024-1 (Public Services) (“CFD”) shall be levied on all Assessor's Parcels within the CFD and collected each Fiscal Year commencing in Fiscal Year 2024/25 in an amount determined by the Special Tax Administrator through the application of the rate and method of apportionment of the Special Tax set forth below. All of the real property in the CFD, unless exempted by law or by the provisions hereof, shall be taxed for the purposes, to the extent and in the manner herein provided.

#### A. *DEFINITIONS*

The terms hereinafter set forth have the following meanings:

“**Act**” means the Mello-Roos Community Facilities Act of 1982, being Chapter 2.5, Part 1, Division 2 of Title 5 of the Government Code of the State of California, as amended.

“**Administrative Expenses**” means the following actual or reasonably estimated costs incurred by the City as administrator of the CFD, provided that such costs are directly related to administration of the CFD: costs to determine, levy and collect the Special Taxes, including an allocable share of the salaries and benefits of City employees, the fees of consultants, and legal counsel; the costs of collecting installments of the Special Taxes upon the general tax rolls, including any charges levied by County departments; and the preparation of required reports and any other costs required to administer the CFD in accordance with the Act, as determined by the City.

“**Affordable Housing**” means for each Fiscal Year, any Residential Unit(s) located on an Assessor’s Parcel of Developed Property that is available at an affordable housing cost due to a regulatory agreement of no less than 15 years, restricting 100% of the Residential Unit(s) on the Assessor’s Parcel of Developed Property to be affordable to households that are extremely low to low income, as defined in Health and Safety Code Section 50079.5. The City will have the authority to approve and establish policies regarding Affordable Housing and their status.

“**Annual Escalation Factor**” means the greater of (i) two percent (2%) or (ii) the Annual percentage increase in the Consumer Price Index for All Urban Consumers for Riverside-San Bernardino-Ontario, CA Area (not seasonally adjusted) as determined by the Bureau of Labor Statistics. If said index is discontinued, then an alternative index may be used as determined by the Special Tax Administrator.

“**Assessor's Parcel**” means a Lot or parcel of land shown on an Assessor's Parcel Map with a parcel number assigned by the Assessor of the County that corresponds to a number shown on the County Assessor’s roll.

**“Assessor's Parcel Map”** means an official map of the Assessor of the County designating parcels by Assessor's Parcel number.

**“Attached Residential”** means an Assessor’s Parcel of Developed Property, which is not Affordable Housing Property, within the CFD for which a Building Permit has been issued for purposes of constructing a residential structure or structures sharing common walls and/or common spaces, qualified as Attached Residential at the City’s discretion, consisting of two or more Dwelling Units, including, but not limited to duplexes, triplexes, and apartment units, as of June 30th preceding the Fiscal Year in which the Special Tax is being levied.

**“Base Year”** means Fiscal Year ending June 30, 2025.

**“Building Permit”** means a permit issued for new construction of a residential or non-residential structure. For purposes of this definition, “Building Permit” shall not include permits issued solely for grading, utility improvements, or other such improvements that are constructed and installed and are not intended for human occupancy.

**“CFD”** means City of Coachella Community Facilities District No. 2024-1 (Public Services).

**“City”** means the City of Coachella.

**“City Clerk”** means the City Clerk for the City or his or her designee.

**“Council”** means the City Council of the City, acting as the legislative body of the CFD.

**“County”** means the County of Riverside, California.

**“Detached Residential”** means an Assessors’ Parcel of Developed Property within the CFD, which is not Affordable Housing Property, for which a Building Permit has been issued for purposes of constructing a residential structure consisting of one single-family detached Dwelling Unit, including Mobile Homes, as of June 30th preceding the Fiscal Year in which the Special Tax is being levied.

**“Developed Property”** means, for Detached Residential, Attached Residential, or Affordable Housing Property, an Assessor’s Parcel within the CFD for which a Building Permit was issued on or prior to June 30<sup>th</sup> preceding the Fiscal Year in which the Special Tax is being levied, based on the number of Dwelling Units or Building Square Footage, as applicable, per City or County records for that Assessor’s Parcel.

**“Drainage Maintenance Requirement”** means for any Fiscal Year in which the Special Taxes are levied, the amount equal to the budgeted costs for providing the labor, material, testing, reporting, remediation, permitting, general administration, personnel, equipment and utilities necessary to maintain public drainage improvements for, within, or associated with the CFD, including drain inlets, filters, detention basin, storm drain pipeline, and associated appurtenant facilities located within, or associated with, the CFD.

**“Dwelling Unit”** means each separate residential unit that comprises an independent facility capable of conveyance or rental separate from adjacent residential units, in which a person or persons may live, which comprises an independent facility and is not considered to be for non-residential use only, and as defined in the City of Coachella's Municipal Code.

**“Exempt Property”** means for each Fiscal Year, an Assessor's Parcel within the CFD not subject to the Special Tax. Exempt Property includes: (i) Public Property, (ii) Property Owner Association Property, (iii) Assessor’s Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement such as railroad parcels, roads and landscape lots, (iv) property reasonably designated by the City or Special Tax Administrator as Exempt Property due to deed restrictions, conservation easement, or similar factors that may make development of such property impractical for human occupancy, and (v) Welfare Exemption Property.

**“Final Map”** means an Assessor’s Parcel Map, a Final Subdivision Map, parcel map, condominium plan, or any other map functionally considered to be an equivalent development map that has been recorded in the Office of the County Recorder.

**“Fiscal Year”** means the period starting July 1 and ending on the following June 30.

**“Landscaping and Lighting Maintenance Requirement”** means for any Fiscal Year in which the Special Taxes are levied, the amount equal to the budgeted costs for providing landscaping and lighting maintenance within, or associated with the CFD, including the labor, material, administration, personnel, equipment and utilities (i.e., water and power) necessary to maintain public landscaping and lighting improvements for, within, or associated with the CFD, including trees, turf, ground cover, shrubs, weed removal, irrigation systems, sidewalk, drainage facilities, lighting, signs, monuments, graffiti removal, walkways, and associated appurtenant facilities located within, or associated with, the CFD.

**“Land Use Class”** means any of the classes listed in Table 1 and defined herein.

**“Lot”** means an individual legal lot created by an Assessor’s Parcel Map or Final Map.

**“Maximum Special Tax”** means the maximum Special Tax, determined in accordance with Section C below, that can be levied by the CFD in any Fiscal Year on any Assessor’s Parcel.

**“Mobile Home”** means a vehicle designed and equipped for human habitation as defined by the California Health & Safety Code § 18008.

**“Park”** means a public park, open space, trail, dog park dedicated to and/or managed by the City of Coachella.

**“Park Maintenance Requirement”** means, for any Fiscal means, for any Fiscal Year in which the Special Taxes are levied, the amount equal to the budgeted costs for providing park maintenance services within, or associated with the CFD, including but not limited to (i) the costs of contracting for park maintenance services, including trees, plant material, restrooms, irrigation systems, sidewalks, drainage facilities, weed control, lighting, and

parking lot maintenance, (ii) the salaries and benefits of City staff, including maintenance staff, that directly provide park maintenance services, (iii) the expense related to equipment, apparatus, and supplies related to these services and authorized by the Act, (iv) utility costs such as water, sewer, lighting and power and (v) City overhead costs associated with providing such services.

**“Property Owner Association Property”** means, for each Fiscal Year, any property within the CFD that is owned by, or irrevocably dedicated as indicated in an instrument recorded with the County Recorder, to a property owner association, including any master or sub-association, which consists of property owned in common by owners of surrounding properties and it is intended for use for community purposes.

**“Proportionately”** means, for Developed Property, that the ratio of the actual Special Tax levied per Assessor’s Parcel of Developed Property to the Maximum Special Tax per Assessor’s Parcel of Developed Property is equal for all Assessor’s Parcels of Developed Property. **“Proportionately”** means, for Undeveloped Property, that the ratio of the actual Special Tax levied per Assessor’s Parcel of Undeveloped Property to the Maximum Special Tax per Assessor’s Parcel of Undeveloped Property is equal for all Assessor’s Parcels of Undeveloped Property.

**“Public Property”** means, in any Fiscal Year: (i) all Parcels within the boundaries of the CFD that are owned by or irrevocably offered for dedication to the federal government, the State of California, the City or any other public agency; provided, however, that Taxable City Property shall not be categorized as Public Property, and any property leased by a public agency to a private entity and subject to taxation under Section 53340.1 of the Act (as such section may be amended or replaced) shall be taxed and classified in accordance with its use; and (ii) all Parcels within the boundaries of the CFD that are encumbered by an unmanned utility easement making impractical its utilization for other than the purpose set forth in the easement.

**“Reserve Fund”** means a fund that shall be created and maintained for the CFD for each Fiscal Year to provide necessary cash flow to cover maintenance and operational cost overruns, and delinquencies in the payment of Special Taxes.

**“Special Tax”** means the Special Tax to be levied in each Fiscal Year on each Assessor’s Parcel of Taxable Property to fund the Special Tax Requirement, and shall include Special Taxes levied or to be levied under Sections C and D, below.

**“Special Tax Administrator”** means an official of the City, or designee thereof, responsible for determining the Special Tax Requirement and providing for the levy and collection of the Special Taxes.

**“Special Tax Requirement”** means the sum of (i) Streetscape and Landscape Maintenance Requirement, (ii) Administrative Expenses of the CFD, and (iii) and any amounts required to establish or replenish a Reserve Fund for that Fiscal Year.

**“State”** means the State of California.

**“Street Maintenance Requirement”** means, for any Fiscal Year in which the Special Taxes are levied, the amount equal to the budgeted costs for providing the labor, material, administration, personnel, equipment and utilities necessary to maintain public streets, streetlights and associated appurtenant facilities for, within, or associated with the CFD, including City overhead costs associated with providing such services within the CFD.

**“Streetscape and Landscape Maintenance Requirement”** means the sum of the Landscaping and Lighting Maintenance Requirement, the Park Maintenance Requirement, the Street Maintenance Requirement, and the Drainage Maintenance Requirement.

**“Taxable Property”** means all Assessor’s Parcels of Developed Property and Undeveloped Property within the CFD that are not Exempt from the Special Tax pursuant to law or as defined herein.

**“Undeveloped Property”** means, for each Fiscal Year, an Assessor’s Parcel within the CFD for which a Building Permit has not been issued on or prior to June 30th preceding the Fiscal Year in which the Special Tax is being levied and is not classified as Exempt Property.

**“Welfare Exemption Property”** means, in any Fiscal Year, any Parcels that have received a welfare exemption under subdivision (g) of Section 214 of the Revenue and Taxation Code and for which such welfare exemption is still in place.

***B. ASSIGNMENT TO LAND USE CATEGORIES***

For each Fiscal Year, commencing with Fiscal Year 2024/25, using the definitions above, each Assessor’s Parcel within the CFD shall be classified as Taxable Property or Exempt Property. In addition, each Fiscal Year, beginning with Fiscal Year 2024/25, Taxable Property shall be further classified as Attached Residential, Detached Residential, Affordable Housing Property, or Undeveloped Property.

***C. MAXIMUM SPECIAL TAX RATES***

Land Use Class	Land Use Description	Fiscal Year 2024/25 Maximum Special Tax Rate
1	Detached Residential	\$655 per Dwelling Unit
2	Attached Residential	\$524 per Dwelling Unit
3	Affordable Housing Property	\$306 per Dwelling Unit
4	Undeveloped Property	\$4,247 per Lot acre

For each Fiscal Year following the Base Year, the Maximum Special Tax rates shall be increased by the Annual Escalation Factor. A different Maximum Special Tax may be added to the CFD as a result of future annexations or if future annexations involve a new Land Use Class.

***D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX***

Commencing with Fiscal Year 2024/25, and for each subsequent Fiscal Year, the Special Tax Administrator shall calculate the Special Tax Requirement based on the definitions in Section A and levy the Special Tax as follows until the amount of the Special Tax levied equals the Special Tax Requirement:

Step 1: The Special Tax shall be Proportionately levied each Fiscal Year on each Assessor's Parcel of Developed Property up to 100% of the applicable Maximum Special Tax to meet the Special Tax Requirement. The applicable Maximum Special Tax shall be based on the Developed Property's classification as Detached Residential, Attached Residential, or Affordable Housing Property.

Step 2: If after applying the method of apportionment in Step 1, if additional funds are needed to satisfy the Special Tax Requirement, the Special Tax shall be Proportionately levied each Fiscal Year on each Assessor's Parcel of Undeveloped Property up to 100% of the applicable Maximum Special Tax to meet the remainder of the Special Tax Requirement needed. The applicable Maximum Special Tax shall be based on the Undeveloped Property's classification.

***E. Exempt Property***

No Special Tax shall be levied on Exempt Property as defined in Section A.

For each Fiscal Year, if the use or ownership of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in Section A, therefore making such Assessor's Parcel no longer eligible to be classified as Exempt Property, such Assessor's Parcel shall be deemed to be Taxable Property and shall be taxed pursuant to the provisions of Sections B, C, and D.

***F. APPEALS***

Any landowner who pays the Special Tax and believes that the amount of the Special Tax levied on their Assessor's Parcel is in error shall first consult with the Special Tax Administrator regarding such error. If following such consultation, the Special Tax Administrator determines that an error has occurred, the Special Tax Administrator may amend the amount of the Special Tax levied on such Assessor's Parcel. If following such consultation and action, if any, the landowner believes such error still exists, such person may file a written notice with the City Clerk of the City appealing the amount of the Special Tax levied on such Assessor's Parcel. Upon the receipt of any such written notice, the City Clerk shall forward a copy of such notice to the City Finance Director, who shall either (1) refer the matter to the City's existing hearing board for administrative appeals; or (2) establish as part of the proceedings and administration of the CFD, a special three-member Review/Appeal Committee. The Review/Appeal Committee may establish such procedures, as it deems necessary to undertake the review of any such appeal. The hearing board or Review/Appeal Committee shall interpret this Rate and Method of Apportionment and make determinations relative to the annual administration of the Special Tax and any landowner appeals, as herein specified.

The decision of the hearing board or Review/Appeal Committee shall be final and binding to all persons.

***G. MANNER OF COLLECTION***

Special Taxes levied pursuant to Section D above shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided however that (i) the CFD may directly bill the Special Tax, and (ii) the CFD may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD or as otherwise determined appropriate by the City Council.

***H. TERM OF SPECIAL TAX***

Taxable Property in the CFD shall remain subject to the Special Tax in perpetuity or until the City Council takes appropriate actions to terminate the Special Tax pursuant to the Act.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Andrew Simmons, P.E., City Engineer

**SUBJECT:** Authorization to file a Notice of Completion for the Fire Station #79 Expansion and Rehabilitation Project, City Project No. F-7.

---

**STAFF RECOMMENDATION:**

Accept the Fire Station #79 Expansion and Rehabilitation Project, City Project No. F-7, as complete and direct the City Clerk to file a Notice of Completion attached hereto with the County of Riverside.

**BACKGROUND:**

On December 8<sup>th</sup>, 2021, City Council authorized staff to advertise the Fire Station #79 Rehabilitation and Expansion Project to seek competitive construction bids and appropriated \$6,800,000 in funding for the project's completion including \$5,000,000 in ARPA funding and \$1.8 million in Fire DIF funding.

The City requested public bids in accordance with City standards and in compliance with the California Public Contract Code. Four bids were received and the lowest, responsive bidder was Dalke & Sons Construction, Inc. On July 13, 2022 City Council authorized a construction contract with Dalke & Sons Construction, Inc. for the construction of the Fire Station #79 Rehabilitation and Expansion Project and appropriated an additional \$491,400.10 to cover additional construction costs.

**DISCUSSION/ANALYSIS:**

City Staff has inspected the Project and found the improvements to be in accordance with the plans, specifications, and applicable standards. Staff recommends the acceptance of this project and that the City Council authorizes the filing of a Notice of Completion. Upon acceptance by City Council, the Project will enter a one-year warranty period as prescribed by the project contract agreement.

**FISCAL IMPACT:**

No Fiscal Impact to General Fund. Construction was executed using American Rescue Plan Act (ARPA) in the amount of \$5,491,400.10 and Fire DIF (Fund 130) in the amount of \$1,781,183.26. Original contract amounts and final costs are listed below. The project was constructed within budget including all quantities totaling \$7,272,583.36.

<b>Project Item:</b>	<b>Project Award:</b>	<b>Project Final Costs:</b>
Construction Contract (Dalke)	\$6,253,955.00	\$6,647,473.83
Construction Contingency (10%)	\$625,396	\$118,065.72
Temporary Housing - Willscot	\$162,049.10	\$265,337.06
ATLAS Engineering materials testing	\$50,000	\$41,706.75
Construction Engineering – Cannon Design	\$200,000	\$200,000
<b>TOTAL CONSTRUCTION PROJECT COST:</b>	<b>\$7,291,400.10</b>	<b>\$7,272,583.36</b>

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Andrew Simmons, P.E., City Engineer

**SUBJECT:** Authorize direct Purchase of Sports Lighting for an amount not to exceed \$180,000, execute Change Order #1 to Three Peaks for an amount not-to-exceed \$120,000, and authorize appropriation of \$300,000 from General Fund for the Bagdouma Park Misc. Site Improvements, City Project Numbers P-30 & P-32.

**STAFF RECOMMENDATION:**

- Authorize the City Manager to purchase four (4) Musco 70' Galvanized steel poles and LED sports lighting for an amount not-to-exceed \$180,000;
- Authorize the City Manager to execute Change Order #1 to Three Peaks for the installation of the Musco Light Poles for an amount not-to-exceed \$120,000;
- Authorize appropriations from General Fund in an amount of \$300,000 for the Bagdouma Park Misc. Site Improvements, City Project Number P-30 & P-32.

**BACKGROUND:**

On December 13, 2023 City Council authorized a contract with Public Restroom Company for the purchase of two pre-fabricated restroom buildings and one concession stand for Bagdouma Park. The buildings are currently in production and are scheduled to be delivered in October. We are now awarding the site improvements that include the removal of an existing restroom, utility connections and site preparation for the buildings. Once completed the project will add a restroom and concession stand by the soccer fields located on the southeast corner of Avenue 51 and Frederick Street and replace an existing restroom next to the sports courts located on the northeast corner of Avenue 52 and Frederick Street at Bagdouma Park.

On July 26, 2023 entered into an agreement with Alliance Building Solutions to design and construction of energy conservation measures throughout the City, including sports lighting at Bagdouma Park. On July 10, 2024 City Council authorized a contract with Three Peaks Corp. for \$272,272.00 plus 15% construction contingency. The awarded contract will provide site work for the restroom buildings and concession stand that have been purchased from Public Restroom Company.

**DISCUSSION/ANALYSIS:**

The City is currently making upgrades to Bagdouma Park sports lighting through an energy efficiency project and the Bagdouma Park Misc. Site Improvements Project. In order to not duplicate efforts we evaluated and coordinated which project would provide the needed sports lighting for fields 1 & 2. The energy efficiency project provided the retrofit of the existing lights on the current Musco system. Now that the retrofit has been completed we have evaluated the photometrics and determined to provide four (4) new Musco Lights rather than another sports light to match the existing controller system in place at the Park.

In an effort to expedite the delivery of the lights that have long lead times, staff is recommending that the City purchase these items directly from Musco. This will result in 15% savings as well as expedite the product delivery. Staff is recommending the installation be completed by the Contractor, Three Peaks, who has been awarded the contract for misc. site improvements at Bagdouma Park.

**FISCAL IMPACT:**

With this action, City Council will be appropriating \$300,000 from the General Fund (Fund 101) to the CIP project Fund (Fund 182) for the purchase and installation of the sports lighting for Bagdouma Park Misc. Site Improvements, City Projects P-30 & P-32.

**FROM:** Andrew Simmons, P.E., City Engineer

**SUBJECT:** Authorization to file a Notice of Completion and appropriation of \$234,272.99 from General Fund for City Project No. ST-130, Pueblo Viejo Sustainable Transportation Project

**STAFF RECOMMENDATION:**

- Accept the City Project No. ST-130, Pueblo Viejo Sustainable Transportation Project as complete and direct the City Clerk to file a Notice of Completion attached hereto with the County of Riverside.
- Authorize appropriation from General Fund in an amount of \$234,272.99 for the Pueblo Viejo Sustainable Transportation Project, ST-130.

**BACKGROUND:**

In October of 2020, the City entered into a grant agreement with an Infill Infrastructure Grant (IIG) program, which also supplements an Affordable Housing and Sustainable Communities (AHSC) program grant. These two grants provide approximately 3.4 million in funding and are allocated under City project number ST-130. These grant funds are to be used on infill infrastructure improvements in the downtown Pueblo Viejo District. Improvements included in the grant funding include curbs, gutters, sidewalks, bike lanes, lighting, electrical undergrounding, public plaza improvements, landscaping and ADA improvements.

On January 27, 2021, the City Council approved a professional services agreement with Egan Civil, Inc. to develop final plans, specifications and estimates for the Pueblo Viejo Sustainable Transportation Project in the amount of \$182,000.

During the design process, it was determined that portions of the Pueblo Viejo Sustainable Transportation project overlapped portions of the Fire Station #79 Rehabilitation and Expansion project (F-7). As a result, the design and bid documents intentionally included \$250,000 of additional improvements that are portions of the Fire Station project. These additional improvements include additional undergrounding of overhead electrical on Palm Ave, full removal and reinstallation of the driveways and flat work at the fire station frontage and installation of electrical transformers, switch gear and building upgrades to accommodate the new underground service. Staff determined that this work could be performed at a more cost effective price point if performed in connection with the Pueblo Viejo Sustainable Transportation Project.

On January 26, 2022 the City entered into an agreement with Desert Concepts for the construction of the Pueblo Viejo Sustainable Transportation Project.

**DISCUSSION/ANALYSIS:**

City Staff has inspected the Project and found the improvements to be in accordance with the plans, specifications, and applicable standards. Staff recommends the acceptance of this project and that the City Council authorizes the filing of a Notice of Completion. Upon acceptance by City Council, the Project will enter a one-year warranty period as prescribed by the project contract agreement.

**FISCAL IMPACT:**

The total cost for land acquisition, design, and construction including all fees was \$5,197,585.99. This project was executed using grant funds from IIG and AHSC, Fire DIF, SB1 and General Fund in an amount of \$4,963,313.00. With this action, council appropriates \$234,272.99 from General Fund for the project for the additional costs.

**TO:** Honorable Mayor and City Council Members

**FROM:** Maritza Martinez, Public Works Director

**SUBJECT:** Approve execution of a maintenance agreement to Brisas Air Conditioning & Heating, in the amount of \$43,375.00, for replacement of a 15-ton commercial package heating, ventilation and air conditioning unit for the Senior Center facility; authorize allocation of \$43,375.00 from unallocated general funds to finance the replacement unit.

**STAFF RECOMMENDATION:**

Approve execution of a maintenance agreement to Brisas Air Conditioning & Heating, in the amount of \$43,375.00, for replacement of a 15-ton commercial package heating, ventilation and air conditioning unit for the Senior Center facility; authorize allocation of \$43,375.00 from unallocated general funds to finance the replacement unit.

**EXECUTIVE SUMMARY:**

The senior center has recently experienced several challenges with the primary heating, ventilation and air conditioning unit that services the dining room in the senior center facility. The unit has been repaired and is operational but the unit’s compressor is also in need of replacement. As the unit is over ten years old, rather than continuing to replace parts that are no longer under warranty, staff recommends replacement of the unit. This facility also serves as the City’s Cooling Center and staff recommending a pro-active approach to ensuring the facility is not negatively impacted through the remaining summer months.

Staff has informally bid the replacement of this unit and received the below four bid responses. Due to the urgency of ensuring an operating cooling system for the senior center dining room space, staff is recommending award of a maintenance agreement for the replacement of the 15-ton unit serving the senior center facility, in the amount of \$43,375.00.

- 1. Brisas Air Conditioning & Heating \$43,375.00
- 2. Extreme Air Conditioning \$46,675.00
- 3. J/G Air Conditioning \$49,775.00

**FISCAL IMPACT:**

The recommended action will require approval of an allocation from undesignated general fund funds, in the amount of \$43,375.00.

In order to facilitate Contractor's conformance with the Schedule, City shall respond to Contractor's submittals in a timely manner. Upon request of City, Contractor shall provide a more detailed schedule of anticipated performance to meet the Schedule of Services.

3.2.3 Conformance to Applicable Requirements. All work prepared by Contractor shall be subject to the approval of City.

3.2.4 Substitution of Key Personnel. Contractor has represented to City that certain key personnel will perform and coordinate the Services under this Agreement. Should one or more of such personnel become unavailable, Contractor may substitute other personnel of at least equal competence upon written approval of City. In the event

that City and Contractor cannot agree as to the substitution of key personnel, City shall be entitled to terminate this Agreement for cause. As discussed below, any personnel who fail or refuse to perform the Services in a manner acceptable to the City, or who are determined by the City to be uncooperative, incompetent, a threat to the adequate or timely completion of the Project or a threat to the safety of persons or property, shall be promptly removed from the Project by the Contractor at the request of the City.

3.2.5 City's Representative. The City hereby designates the City Manager, or his or her designee, to act as its representative for the performance of this Agreement ("City's Representative"). City's Representative shall have the power to act on behalf of the City for all purposes under this Contract. Contractor shall not accept direction or orders from any person other than the City's Representative or his or her designee.

3.2.6 Contractor's Representative. Contractor's Representative shall have full authority to represent and act on behalf of the Contractor for all purposes under this Agreement. The Contractor's Representative shall supervise and direct the Services, using his best skill and attention, and shall be responsible for all means, methods, techniques, sequences, and procedures and for the satisfactory coordination of all portions of the Services under this Agreement.

3.2.7 Coordination of Services. Contractor agrees to work closely with City staff in the performance of Services and shall be available to City's staff, Contractors and other staff at all reasonable times.

3.2.8 Standard of Care; Performance of Employees. Contractor shall perform all Services under this Agreement in a skillful and competent manner, consistent with the standards generally recognized as being employed by professionals in the same discipline in the State of California. Contractor represents and maintains that it is skilled in the professional calling necessary to perform the Services. Contractor warrants that all employees and subcontractors shall have sufficient skill and experience to perform the Services assigned to them. Finally, Contractor represents that it, its employees and

subcontractors have all licenses, permits, qualifications and approvals of whatever nature that are legally required to perform the Services, including a City Business License, and that such licenses and approvals shall be maintained throughout the term of this Agreement. As provided for in the indemnification provisions of this Agreement, Contractor shall perform, at its own cost and expense and without reimbursement from the City, any services necessary to correct errors or omissions which are caused by the Contractor's failure to comply with the standard of care provided for herein. Any employee of the Contractor or its sub-Contractors who is determined by the City to be uncooperative, incompetent, a threat to the adequate or timely completion of the Project, a threat to the safety of persons or property, or any employee who fails or refuses to perform the Services in a manner acceptable to the City, shall be promptly removed from the Project by the Contractor and shall not be re-employed to perform any of the Services or to work on the Project.

#### 3.2.8.1 Period of Performance and Liquidated Damages.

Contractor shall perform and complete all Services under this Agreement within the term set forth in Section 3.1.2 above ("Performance Time"). Contractor shall also perform the Services in strict accordance with any completion schedule or Project milestones described in Exhibits "A" or "B" attached hereto, or which may be separately agreed upon in writing by the City and Contractor ("Performance Milestones"). Contractor agrees that if the Services are not completed within the aforementioned Performance Time and/or pursuant to any such Project Milestones developed pursuant to provisions of this Agreement, it is understood, acknowledged and agreed that the City will suffer damage. Pursuant to Government Code Section 53069.85, Contractor shall pay to the City as fixed and liquidated damages the sum of **two hundred dollars (\$200.00) per day** for each and every calendar day of delay beyond the Performance Time or beyond any Project Milestones established pursuant to this Agreement.

3.2.9 Laws and Regulations. Contractor shall keep itself fully informed of and in compliance with all local, state and federal laws, rules and regulations in any manner affecting the performance of the Project or the Services, including all Cal/OSHA requirements, and shall give all notices required by law. Contractor shall be liable for all

violations of such laws and regulations in connection with Services. If the Contractor performs any work knowing it to be contrary to such laws, rules and regulations and without giving written notice to the City, Contractor shall be solely responsible for all costs arising therefrom. Contractor shall defend, indemnify and hold City, its officials, directors, officers, employees, and agents free and harmless, pursuant to the indemnification provisions of this Agreement, from any claim or liability arising out of any failure or alleged failure to comply with such laws, rules or regulations.

### 3.2.10 Insurance.

3.2.10.1 Time for Compliance. Contractor shall not commence Work under this Agreement until it has provided evidence satisfactory to the City that it has secured all insurance required under this section. In addition, Contractor shall not allow any subcontractor to commence work on any subcontract until it has provided evidence satisfactory to the City that the subcontractor has secured all insurance required under this section.

3.2.10.2 Minimum Requirements. Contractor shall, at its expense, procure and maintain for the duration of the Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the Agreement by the Contractor, its agents, representatives, employees or subcontractors. Contractor shall also require all of its subcontractors to procure and maintain the same insurance for the duration of the Agreement. Such insurance shall meet at least the following minimum levels of coverage:

(A) Minimum Scope of Insurance. Coverage shall be at least as broad as the latest version of the following: (1) *General Liability*: Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001); (2) *Automobile Liability*: Insurance Services Office Business Auto Coverage form number CA 0001, code 1 (any auto); and (3) *Workers' Compensation and Employer's Liability*: Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

(B) Minimum Limits of Insurance. Contractor shall maintain limits no less than: (1) *General Liability*: **\$1,000,000**; per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with general aggregate limit is used including, but not limited to, form CG 2503, either the general aggregate limit shall apply separately to this Agreement/location or the general aggregate limit shall be twice the required occurrence limit; (2) *Automobile Liability*: **\$1,000,000**; per accident for bodily injury and property damage; and (3) *Workers' Compensation and Employer's Liability*: Workers' Compensation limits as required by the Labor Code of the State of California. Employer's Liability limits of \$1,000,000 per accident for bodily injury or disease.

3.2.10.3 Insurance Endorsements. The insurance policies shall contain the following provisions, or Contractor shall provide endorsements on forms supplied or approved by the City to add the following provisions to the insurance policies:

(A) General Liability. The general liability policy shall be endorsed to state that: (1) the City, its directors, officials, officers, employees, agents, and volunteers shall be covered as additional insured with respect to the Work or operations performed by or on behalf of the Contractor, including materials, parts or equipment furnished in connection with such work; and (2) the insurance coverage shall be primary insurance as respects the City, its directors, officials, officers, employees, agents, and volunteers, or if excess, shall stand in an unbroken chain of coverage excess of the Contractor's scheduled underlying coverage. Any insurance or self-insurance maintained by the City, its directors, officials, officers, employees, agents, and volunteers shall be excess of the Contractor's insurance and shall not be called upon to contribute with it in any way.

(B) Automobile Liability. The automobile liability policy shall be endorsed to state that: (1) the City, its directors, officials, officers, employees, agents, and volunteers shall be covered as additional insureds with respect to the ownership, operation, maintenance, use, loading or unloading of any auto owned, leased, hired or borrowed by the Contractor or for which the Contractor is responsible; and (2)

the insurance coverage shall be primary insurance as respects the City, its directors, officials, officers, employees, agents, and volunteers, or if excess, shall stand in an unbroken chain of coverage excess of the Contractor's scheduled underlying coverage. Any insurance or self-insurance maintained by the City, its directors, officials, officers, employees, agents, and volunteers shall be excess of the Contractor's insurance and shall not be called upon to contribute with it in any way.

(C) Workers' Compensation and Employer's Liability Coverage. The insurer shall agree to waive all rights of subrogation against the City, its directors, officials, officers, employees, agents, and volunteers for losses paid under the terms of the insurance policy which arise from work performed by the Contractor.

(D) All Coverages. Each insurance policy required by this Agreement shall be endorsed to state that: (A) coverage shall not be suspended, voided, reduced or canceled except after thirty (30) days prior written notice by certified mail, return receipt requested, has been given to the City; and (B) any failure to comply with reporting or other provisions of the policies, including breaches of warranties, shall not affect coverage provided to the City, its directors, officials, officers, employees, agents, and volunteers.

3.2.10.4 Separation of Insureds; No Special Limitations. All insurance required by this Section shall contain standard separation of insureds provisions. In addition, such insurance shall not contain any special limitations on the scope of protection afforded to the City, its directors, officials, officers, employees, agents, and volunteers.

3.2.10.5 Deductibles and Self-Insurance Retentions. Any deductibles or self-insured retentions must be declared to and approved by the City. Contractor shall guarantee that, at the option of the City, either: (1) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its directors, officials, officers, employees, agents, and volunteers; or (2) the Contractor shall procure a bond guaranteeing payment of losses and related investigation costs, claims, and administrative and defense expenses.

3.2.10.6 Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best's rating no less than A:VIII, licensed to do business in California, and satisfactory to the City.

3.2.10.7 Verification of Coverage. Contractor shall furnish City with original certificates of insurance and endorsements effecting coverage required by this Agreement on forms satisfactory to the City. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf, and shall be on forms provided by the City if requested. All certificates and endorsements must be received and approved by the City before work commences. The City reserves the right to require complete, certified copies of all required insurance policies, at any time.

3.2.10.8 Reporting of Claims. Contractor shall report to the City, in addition to Contractor's insurer, any and all insurance claims submitted by Contractor in connection with the Services under this Agreement.

3.2.11 Safety. Contractor shall execute and maintain its work so as to avoid injury or damage to any person or property. In carrying out its Services, the Contractor shall at all times be in compliance with all applicable local, state and federal laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed. Safety precautions as applicable shall include, but shall not be limited to: (A) adequate life protection and life saving equipment and procedures; (B) instructions in accident prevention for all employees and subContractors, such as safe walkways, scaffolds, fall protection ladders, bridges, gang planks, confined space procedures, trenching and shoring, equipment and other safety devices, equipment and wearing apparel as are necessary or lawfully required to prevent accidents or injuries; and (C) adequate facilities for the proper inspection and maintenance of all safety measures.

### 3.3 Fees and Payments.

3.3.1 Compensation. Contractor shall receive compensation, including authorized reimbursements, for all Services rendered under this Agreement at the rates set forth in Exhibit "C" attached hereto and incorporated herein by reference. The total compensation shall not exceed **forty-three thousand three hundred seventy-five dollars (\$43,375.00)** without written approval of City's City Council. Extra Work may be authorized, as described below, and if authorized, will be compensated at the rates and manner set forth in this Agreement.

3.3.2 Payment of Compensation. Contractor shall submit to City a monthly itemized statement which indicates work completed and hours of Services rendered by Contractor. The statement shall describe the amount of Services and supplies provided since the initial commencement date, or since the start of the subsequent billing periods, as appropriate, through the date of the statement. City shall, within 45 days of receiving such statement, review the statement and pay all approved charges thereon.

3.3.3 Reimbursement for Expenses. Contractor shall not be reimbursed for any expenses unless authorized in writing by City.

3.3.4 Extra Work. At any time during the term of this Agreement, City may request that Contractor perform Extra Work. As used herein, "Extra Work" means any work which is determined by City to be necessary for the proper completion of the Project, but which the parties did not reasonably anticipate would be necessary at the execution of this Agreement. Contractor shall not perform, nor be compensated for, Extra Work without written authorization from City's Representative.

3.3.5 Prevailing Wages. Contractor is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq., as well as California Code of Regulations, Title 8, Section 1600, et seq., ("Prevailing Wage Laws"), which require, if applicable, the payment of prevailing wage rates and the performance of other requirements on "public works" and "maintenance" projects. If applicable the Services are being performed as part of an applicable "public works" or "maintenance" project, as

defined by the Prevailing Wage Laws, and if applicable the total compensation is \$1,000 or more, Contractor agrees to fully comply with such Prevailing Wage Laws. City shall provide Contractor with a copy of the prevailing rates of per diem wages in effect at the commencement of this Agreement. Contractor shall make copies of the prevailing rates of per diem wages for each craft, classification or type of worker needed to execute the Services available to interested parties upon request, and shall post copies at the Contractor's principal place of business and at the project site. Contractor shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Laws.

### **3.4 Accounting Records.**

3.4.1 Maintenance and Inspection. Contractor shall maintain complete and accurate records with respect to all costs and expenses incurred under this Agreement. All such records shall be clearly identifiable. Contractor shall allow a representative of City during normal business hours to examine, audit, and make transcripts or copies of such records and any other documents created pursuant to this Agreement. Contractor shall allow inspection of all work, data, documents, proceedings, and activities related to the Agreement for a period of three (3) years from the date of final payment under this Agreement.

### **3.5 General Provisions.**

#### 3.5.1 Termination of Agreement.

3.5.1.1 Grounds for Termination. City may, by written notice to Contractor, terminate the whole or any part of this Agreement at any time and without cause by giving written notice to Contractor of such termination, and specifying the effective date thereof, at least seven (7) days before the effective date of such termination. Upon termination, Contractor shall be compensated only for those services which have been adequately rendered to City, and Contractor shall be entitled to no further compensation. Contractor may not terminate this Agreement except for cause.

3.5.1.2 Effect of Termination. If this Agreement is terminated as provided herein, City may require Contractor to provide all finished or unfinished Documents and Data and other information of any kind prepared by Contractor in connection with the performance of Services under this Agreement. Contractor shall be required to provide such document and other information within fifteen (15) days of the request.

3.5.1.3 Additional Services. In the event this Agreement is terminated in whole or in part as provided herein, City may procure, upon such terms and in such manner as it may determine appropriate, services similar to those terminated.

3.5.2 Delivery of Notices. All notices permitted or required under this Agreement shall be given to the respective parties at the following address, or at such other address as the respective parties may provide in writing for this purpose:

**Contractor:**

Brisas Air Conditioning & Heating Inc.  
82-375 Market Street, Unit 20  
Indio, CA 92203

**City:**

City of Coachella  
53462 Enterprise Way  
Coachella, CA 92236  
Attn: Maritza Martinez, Public Works Department

Such notice shall be deemed made when personally delivered or when mailed, forty-eight (48) hours after deposit in the U.S. Mail, first class postage prepaid and addressed to the party at its applicable address. Actual notice shall be deemed adequate notice on the date actual notice occurred, regardless of the method of service.

### 3.5.3 Ownership of Materials and Confidentiality.

#### 3.5.3.1 Documents & Data; Licensing of Intellectual Property.

This Agreement creates a non-exclusive and perpetual license for City to copy, use, modify, reuse, or sublicense any and all copyrights, designs, and other intellectual property embodied in plans, specifications, studies, drawings, estimates, and other documents or works of authorship fixed in any tangible medium of expression, including but not limited to, physical drawings or data magnetically or otherwise recorded on computer diskettes, which are prepared or caused to be prepared by Contractor under this Agreement (“Documents & Data”). Contractor shall require all subcontractors to agree in writing that City is granted a non-exclusive and perpetual license for any Documents & Data the subcontractor prepares under this Agreement. Contractor represents and warrants that Contractor has the legal right to license any and all Documents & Data. Contractor makes no such representation and warranty in regard to Documents & Data which were prepared by design professionals other than Contractor or provided to Contractor by the City. City shall not be limited in any way in its use of the Documents and Data at any time, provided that any such use not within the purposes intended by this Agreement shall be at City’s sole risk.

3.5.3.2 Confidentiality. All ideas, memoranda, specifications, plans, procedures, drawings, descriptions, computer program data, input record data, written information, and other Documents and Data either created by or provided to Contractor in connection with the performance of this Agreement shall be held confidential by Contractor. Such materials shall not, without the prior written consent of City, be used by Contractor for any purposes other than the performance of the Services. Nor shall such materials be disclosed to any person or entity not connected with the performance of the Services or the Project. Nothing furnished to Contractor which is otherwise known to Contractor or is generally known, or has become known, to the related industry shall be deemed confidential. Contractor shall not use City’s name or insignia, photographs of the Project, or any publicity pertaining to the Services or the Project in any magazine, trade paper, newspaper, television or radio production or other similar medium without the prior written consent of City.

3.5.4 Cooperation; Further Acts. The Parties shall fully cooperate with one another, and shall take any additional acts or sign any additional documents as may be necessary, appropriate or convenient to attain the purposes of this Agreement.

3.5.5 Attorney's Fees. If either party commences an action against the other party, either legal, administrative or otherwise, arising out of or in connection with this Agreement, the prevailing party in such litigation shall be entitled to have and recover from the losing party reasonable attorney's fees and all other costs of such action.

3.5.6 Indemnification. Contractor shall defend, indemnify and hold the City, its officials, officers, employees, volunteers, and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury, in law or equity, to property or persons, including wrongful death, in any manner arising out of or incident to any alleged acts, omissions or willful misconduct of Contractor, its officials, officers, employees, agents, Contractors, and contractors arising out of or in connection with the performance of the Services, the Project or this Agreement, including without limitation the payment of all consequential damages and attorneys fees and other related costs and expenses. Contractor shall defend, at Contractor's own cost, expense and risk, any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against City, its directors, officials, officers, employees, agents, or volunteers. Contractor shall pay and satisfy any judgment, award or decree that may be rendered against City or its directors, officials, officers, employees, agents, or volunteers, in any such suit, action or other legal proceeding. Contractor shall reimburse City and its directors, officials, officers, employees, agents, and/or volunteers, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by the City, its directors, officials officers, employees, agents, or volunteers.

3.5.7 Entire Agreement. This Agreement contains the entire Agreement of the parties with respect to the subject matter hereof, and supersedes all prior

negotiations, understandings or agreements. This Agreement may only be modified by a writing signed by both parties.

3.5.8 Governing Law. This Agreement shall be governed by the laws of the State of California. Venue shall be in Riverside County.

3.5.9 Time of Essence. Time is of the essence for each and every provision of this Agreement.

3.5.10 City's Right to Employ Other Contractors. City reserves right to employ other Contractors in connection with this Project.

3.5.11 Successors and Assigns. This Agreement shall be binding on the successors and assigns of the parties.

3.5.12 Assignment or Transfer. Contractor shall not assign, hypothecate or transfer, either directly or by operation of law, this Agreement or any interest herein without the prior written consent of the City. Any attempt to do so shall be null and void, and any assignees, hypothecates or transferees shall acquire no right or interest by reason of such attempted assignment, hypothecation or transfer.

3.5.13 Construction; References; Captions. Since the Parties or their agents have participated fully in the preparation of this Agreement, the language of this Agreement shall be construed simply, according to its fair meaning, and not strictly for or against any Party. Any term referencing time, days or period for performance shall be deemed calendar days and not work days. All references to Contractor include all personnel, employees, agents, and subcontractors of Contractor, except as otherwise specified in this Agreement. All references to City include its elected officials, officers, employees, agents, and volunteers except as otherwise specified in this Agreement. The captions of the various articles and paragraphs are for convenience and ease of reference only, and do not define, limit, augment, or describe the scope, content or intent of this Agreement.

3.5.14 Amendment; Modification. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing and signed by both Parties.

3.5.15 Waiver. No waiver of any default shall constitute a waiver of any other default or breach, whether of the same or other covenant or condition. No waiver, benefit, privilege, or service voluntarily given or performed by a Party shall give the other Party any contractual rights by custom, estoppel or otherwise.

3.5.16 No Third Party Beneficiaries. There are no intended third party beneficiaries of any right or obligation assumed by the Parties.

3.5.17 Invalidity; Severability. If any portion of this Agreement is declared invalid, illegal, or otherwise unenforceable by a court of competent jurisdiction, the remaining provisions shall continue in full force and effect.

3.5.18 Prohibited Interests. Contractor maintains and warrants that it has not employed nor retained any company or person, other than a bona fide employee working solely for Contractor, to solicit or secure this Agreement. Further, Contractor warrants that it has not paid nor has it agreed to pay any company or person, other than a bona fide employee working solely for Contractor, any fee, commission, percentage, brokerage fee, gift or other consideration contingent upon or resulting from the award or making of this Agreement. Contractor further agrees to file, or shall cause its employees or subcontractors to file, a Statement of Economic Interest with the City's Filing Officer as required under state law in the performance of the Services. For breach or violation of this warranty, City shall have the right to rescind this Agreement without liability. For the term of this Agreement, no member, officer or employee of City, during the term of his or her service with City, shall have any direct interest in this Agreement, or obtain any present or anticipated material benefit arising therefrom.

3.5.19 Equal Opportunity Employment. Contractor represents that it is an equal opportunity employer and it shall not discriminate against any subcontractor, employee or applicant for employment because of race, religion, color, national origin,

handicap, ancestry, sex or age. Such non-discrimination shall include, but not be limited to, all activities related to initial employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination. Contractor shall also comply with all relevant provisions of City's Minority Business Enterprise program, Affirmative Action Plan or other related programs or guidelines currently in effect or hereinafter enacted.

3.5.20 Labor Certification. By its signature hereunder, Contractor certifies that it is aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and agrees to comply with such provisions before commencing the performance of the Services.

3.5.21 Authority to Enter Agreement. Contractor has all requisite power and authority to conduct its business and to execute, deliver, and perform the Agreement. Each Party warrants that the individuals who have signed this Agreement have the legal power, right, and authority to make this Agreement and bind each respective Party.

3.5.22 Counterparts. This Agreement may be signed in counterparts, each of which shall constitute an original.

### **3.6 Subcontracting.**

3.6.1 Prior Approval Required. Contractor shall not subcontract any portion of the work required by this Agreement, except as expressly stated herein, without prior written approval of City. Subcontracts, if any, shall contain a provision making them subject to all provisions stipulated in this Agreement.

**TO:** Honorable Mayor and City Council Members

**FROM:** Lt. Randy Vasquez, Sheriff's Department  
Dr. Gabriel Martin, City Manager

**SUBJECT:** Ordinance No. 1212 - An Ordinance Adding Chapter 9.28 to Title 9 of the Coachella Municipal Code Establishing Regulations Prohibiting the Unlawful Possession of Catalytic Converters in the City

**STAFF RECOMMENDATION:**

Staff recommends that the City Council conduct a first reading, by title only, of Ordinance No. 1212, Adding Chapter 9.28 to Title 9 of the Coachella Municipal Code Establishing Regulations Prohibiting the Unlawful Possession of Catalytic Converters in the City.

**BACKGROUND:**

Catalytic converters are an external component of a vehicle, accessible from the underside of a parked car. They convert most of a vehicle's emissions into less harmful forms, improving air quality and vehicle performance. As part of their construction, catalytic converters contain valuable materials such as platinum and palladium, rare metals that command ever-increasing prices on the recyclables market.

Catalytic converter thefts are on the rise because individuals are incentivized to commit catalytic converter thefts for multiple reasons. These reasons include: (1) the ease and undetectable nature of committing such thefts, potentially in a matter of seconds and through the use of common tools such as a reciprocating saw; (2) the ability to recycle catalytic converters at scrap metal yards for high dollar returns ranging from \$200 to \$1,200 per catalytic converter; and (3) loopholes in legislation protecting criminals from prosecution unless a victim can be identified.

**DISCUSSION/ANALYSIS:**

There is currently no City legislation applicable within the City of Coachella to directly define and punish catalytic converter thefts absent an identifiable victim. Additionally, there is currently no City, State, or Federal legislation applicable within the City of Coachella requiring individuals to provide proof to law enforcement as to how they obtained catalytic converters in their possession. This limits law enforcement's ability to (1) protect the public by preventing catalytic converter thefts and (2) seize suspected stolen catalytic converters when there is no identifiable victim

present. As a result, preventing and punishing these crimes at present is nearly impossible due to the ease and speed with which catalytic converter thefts can be committed and the difficulty of tracing a particular catalytic converter back to its prior owner (the victim), because catalytic converters typically have no identifying markers.

The Legislature has enacted, and the Governor has signed into law, Senate Bill (SB) 1087 and Assembly Bill (AB) 1740, which generally prohibit (1) individuals from purchasing a used catalytic converter from anyone other than certain specified sellers, including automobile dismantlers, automotive repair dealers, or an individual possessing documentation, as specified, that they are the lawful owner of the catalytic converter; and (2) requires core recyclers to keep a detailed written record, including the year, make, and model of the car from which a catalytic converter was removed, as well as a copy of the vehicle's title, prior to purchasing a catalytic converter from a seller.

The Legislature has not expressed its intent, whether explicitly or impliedly, to occupy the field of catalytic converter theft legislation. Pursuant to Article XI, Section 7 of the California Constitution, the City has broad discretionary power to make and enforce within its limits all local, police, sanitary, and other ordinances and regulations not in conflict with general laws.

Individuals in possession of stolen catalytic converters are able to recycle them for substantial profit at relatively low risk, while victims are forced to commit to costly repairs. By criminalizing the mere possession of an unattached catalytic converter absent proof of ownership or lawful possession, this ordinance would combat this criminal practice by: (1) achieving deterrence by establishing zero-tolerance for catalytic converter thefts; (2) establishing sanctions for possessing stolen catalytic converters; (3) prohibiting the falsification of information in documents and records used to verify ownership or lawful possession of a catalytic converter; (4) preventing criminals from profiting from the sale and recycling of stolen catalytic converters; (5) providing indirect justice to the victims of catalytic converter theft cases that have gone or will go unsolved for the reasons discussed above; and (6) minimizing the fiscal and personnel impact on the City of Coachella and the Riverside County Sheriff's Department by reducing the time invested in deterring and investigating catalytic converter thefts.

**ALTERNATIVES:**

1. Decline Staff recommendation and not approve this item.
2. Continue this item and provide staff with direction.

**FISCAL IMPACT:**

There is no fiscal impact to the General Fund

**WHEREAS**, the citizens of the City of Coachella (the “City”) have experienced rising catalytic converter thefts from automobiles over the past several years; and

**WHEREAS**, there is currently no City legislation yet applicable within the City of Coachella to define and punish catalytic converter thefts absent an identifiable victim; and

**WHEREAS**, there is currently no City, State, or Federal legislation applicable within the City of Coachella requiring individuals discovered to be in possession of detached catalytic converters to provide proof to law enforcement as to how they obtained catalytic converters, thus limiting law enforcement’s ability to (1) protect the public by preventing catalytic converter thefts; and (2) seize suspected stolen catalytic converters when no victim is present; and

**WHEREAS**, the Legislature has enacted, and the Governor has signed into law, Senate Bill (SB) 1087 and Assembly Bill (AB) 1740, which generally prohibit (1) individuals from purchasing a used catalytic converter from anyone other than certain specified sellers, including automobile dismantlers, automotive repair dealers, or an individual possessing documentation, as specified, that they are the lawful owner of the catalytic converter; and (2) requires core recyclers to keep a detailed written record, including the year, make, and model of the car from which a catalytic converter was removed, as well as a copy of the vehicle’s title, prior to purchasing a catalytic converter from a seller; and

**WHEREAS**, the Legislature has not expressed its intent, whether explicitly or impliedly, to occupy the field of catalytic converter theft legislation; and

**WHEREAS**, pursuant to Article XI, Section 7 of the California Constitution, the City has broad discretionary power to make and enforce within its limits all local, police, sanitary, and other ordinances and regulations not in conflict with general laws; and

**WHEREAS**, catalytic converter thefts are on the rise because individuals are incentivized to commit catalytic converter thefts for multiple reasons including, but not limited to: (1) the ease and undetectable nature of committing such thefts, potentially in a matter of seconds and through the use of common tools such as a reciprocating saw; (2) the ability to recycle catalytic converters at scrap metal yards for high dollar returns ranging from \$200 to \$1,200 per catalytic converter; and (3) loopholes in legislation protecting criminals from prosecution unless a victim can be identified; and

**WHEREAS**, preventing these crimes at present is nearly impossible due to the ease and speed with which catalytic converter thefts can be committed and the difficulty of tracing a

particular catalytic converter back to its prior owner (the victim), because catalytic converters typically have no identifying markers; and

**WHEREAS**, the citizens of Coachella and the Riverside County Sheriff’s Department are in need of legislation criminalizing mere possession of catalytic converters absent proof of ownership or lawful possession, for multiple reasons including, but not limited to: (1) achieving deterrence by establishing zero-tolerance for catalytic converter thefts; (2) establishing sanctions for possessing stolen catalytic converters; (3) preventing criminals from profiting from the sale and recycling of stolen catalytic converters; (4) providing indirect justice to the victims of catalytic converter theft cases that have gone or will go unsolved for the reasons discussed above; and (5) minimizing the fiscal and personnel impact on the City of Coachella and the Riverside County Sheriff’s Department by reducing the time invested in deterring and investigating catalytic converter thefts; and

**WHEREAS**, individuals who are in possession of stolen catalytic converters recycle them for substantial profit while victims of these thefts suffer tremendous consequences in the form of costly repairs, inconvenience, and feelings of a lack of safety in the community; and

**WHEREAS**, the City desires to regulate the possession of detached catalytic converters within its jurisdiction in order to better protect its citizens, their property, and their community; and

**WHEREAS**, regulating possession of detached catalytic converters neither contradicts nor duplicates the statutes adopted by the Legislature on the topic of catalytic converters; and

**WHEREAS**, this Ordinance is necessary to provide the City of Coachella and the Riverside County Sheriff’s Department clear legal authority to better protect the public and deter this criminal activity

**WHEREAS**, this item was taken to the Building/Code Enforcement/Public Safety Sub-Committee on July 4, 2024 with the Sub-Committee supporting and recommending it move forward to City Council for consideration; and

**WHEREAS**, all other legal prerequisites to the adoption of this Ordinance have occurred.

**NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHELLA DOES ORDAIN AS FOLLOWS:**

**SECTION 1.** Incorporation of Recitals. The Recitals set forth above are true and correct and are incorporated into this Ordinance.

**SECTION 2.** Creation of Chapter 9.28 in Title 9 of the Coachella Municipal Code. Chapter 9.28 is hereby added to Title 9 (Public Peace and Welfare) of the Coachella Municipal Code to read in its entirety as follows:

**“Chapter 9.28 (Unlawful Possession of a Catalytic Converter Prohibited) of Title 9 (Public Peace and Welfare)**

**9.28.010 Purpose.**

The purpose of this chapter is to regulate the possession of detached catalytic converters absent proof of ownership or lawful possession, to assist in deterring future thefts, establish sanctions for possessing stolen catalytic converters, and minimize the fiscal and personnel impact on the City of Coachella and the Riverside County Sheriff's Department by reducing the time invested in deterring and investigating catalytic converter thefts.

### **9.28.020 Definitions.**

For the purposes of this chapter, the following meanings shall apply:

- (a) "Lawful possession" includes (1) being the lawful owner of the catalytic converter or (2) in possession of the catalytic converter with the lawful owner's written consent. It is not required to prove the catalytic converter was stolen to establish the possession is not a "lawful possession."
- (b) "Documentation or other proof" means written document(s) that clearly identify the vehicle from which the catalytic converter originated based on the totality of the circumstances, and includes, but is not limited to, the following types of documents:
  - (1) Bill of sale from the original owner with the signature of the vehicle owner authorizing removal of the catalytic converter, as well as the name, address, and telephone number of the vehicle owner.
  - (2) Documentation from an auto-body shop or similar business proving that the owner relinquished the catalytic converter to the auto-body shop or similar business.
  - (3) Verifiable electronic communication from the previous owner to the possessor relinquishing ownership of the catalytic converter.
  - (4) Photographs of the vehicle from which the catalytic converter originated clearly showing the license plate number and vehicle identification number (VIN) of the car from which the catalytic converter was removed.

### **9.28.030 Unlawful possession of a catalytic converter prohibited.**

- (a) It shall be unlawful to possess any catalytic converter that is not attached to a vehicle, unless the possessor has valid documentation or other proof to verify that they are in lawful possession of the catalytic converter.

It is unlawful for any person to falsify or cause to be falsified any information in any documentation or other proof intended to show valid proof of ownership or possession of a catalytic converter.

### **9.28.040 Violations – Misdemeanor**

- (a) Each and every violation of this section shall constitute a separate violation and shall be subject to all remedies and enforcement measures authorized by the Coachella Municipal Code. Each and every catalytic converter unlawfully possessed is a separate violation of this section.

- (b) It is unlawful and a misdemeanor subject to punishment in accordance with Chapter 1.08 of Title 1 of this Code, for any person to violate any provision of this section.

The remedies provided herein are not to be construed as exclusive remedies. The City is authorized to pursue any proceedings or remedies provided by law.”

**SECTION 3. CEQA.** The City Council finds that adoption of this Ordinance is exempt from the California Environmental Quality Act (“CEQA”) pursuant to Section 15358 (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly. Moreover, the City Council finds that this Ordinance is also exempt under CEQA pursuant to Guidelines Section 15061(b)(3) (there exists no possibility that the activity will have a significant adverse effect on the environment).

**SECTION 4. Severability.** If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance, or any part thereof, is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance, or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more section, subsection, subdivision, paragraph, sentence, clause or phrase would be subsequently declared invalid or unconstitutional.

**SECTION 5. Publication and Effective Date.** The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause this Ordinance to be published or posted as required by law, which shall take full force and effect thirty (30) days from its adoption.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Dr. Gabriel Martin, City Manager

**SUBJECT:** Resolution No. 2024-44 - A Resolution Formally Expressing Opposition to the Desert Healthcare District's Proposed Hospital Lease Agreement's "Non-Compete" Provision and Directing the Mayor to Send a Letter to the Desert Healthcare District Board Expressing this Opposition

**STAFF RECOMMENDATION:**

Staff recommends that the City Council consider adoption of Resolution No. 2024-44, formally expressing opposition to the Desert Healthcare District's proposed hospital lease agreement's "non-compete" provision and directing the Mayor to send a letter to the Desert Healthcare District Board expressing this opposition.

**BACKGROUND:**

On May 28, 2024, the Desert Healthcare District ("District") Board of Directors received a presentation from Tenet Healthcare ("Tenet") regarding a new Hospital Lease Agreement for Desert Regional Medical Center (the "Lease"). This presentation referenced a new thirty (30) year lease, which would allow Tenet, a Dallas based corporation, to take ownership of Desert Regional Medical Center at the end of the Lease. Additionally, the new Lease would also include a "non-compete" provision similar to one in the current lease. If approved by the District Board of Directors, this item would be put on the November 5, 2024 ballot for District voters to weigh in on.

As mentioned above, the current lease includes a "non-compete" clause, which is generally outlined in Article XIII of the May 30, 1997, Hospital Lease Agreement between the District ("Lessor") and Tenet Health System Desert, Inc. ("Lessee"). This "non-compete" clause currently restricts the use of taxpayer funds within the District's boundaries, requiring Tenet's prior written consent prior to doing so, which Tenet may withhold in its sole and absolute discretion. Due to the expansion of the District's boundaries during the term of the current lease, certain ambiguity has arisen pertaining to the District's ability to engage in potentially competing activities within the District's expanded boundaries. Consequently, the new Lease would restrict such activities within the entirety of the District's boundaries.

**DISCUSSION/ANALYSIS:**

Staff recommends that the City Council consider directing the Mayor, on behalf of the City and with the assistance of the City Manager, to send a letter to the District Board of Directors detailing the City's objections and concerns to any "non-compete" provision within the new Lease with Tenet. Staff has drafted a resolution setting forth the potential grounds for objecting to any "non-compete" provision in the new Lease as follows:

- 1) The Lease would restrict the activities of the District within its own boundaries;
- 2) The Lease would restrict the use of taxpayer funds within District boundaries and would require Tenet's prior written consent, which Tenet may withhold in its sole and absolute discretion;
- 3) The "non-compete" provision harms communities that lack adequate medical services the most;
- 4) Allowing Tenet, a for profit corporation, to restrict both District activities and the use of taxpayer funds for the next thirty (30) years is unacceptable;
- 5) Future District Board members should be allowed to determine how to best use taxpayer funds;
- 6) The District should be accountable to desert residents, not Tenant's shareholders;
- 7) Any "non-compete" provision in the Lease would raise necessary questions pertaining to what the District will do with taxpayer funds if it is restricted from using them pursuant to the Lease;
- 8) The "non-compete" provision stifles both competition and innovation in healthcare services within the District;
- 9) The "non-compete" provision may result in adverse economic impacts on the community by limiting potential new healthcare facilities and related businesses;
- 10) Restricting the District's ability to develop and support additional healthcare facilities and services could adversely affect public health and safety; and
- 11) The "non-compete" provision of the Lease raises both legal and ethical concerns pertaining to the use of taxpayer funds and the District's obligation to serve the public interest.

Furthermore, on April 9, 2018, the Desert Healthcare District passed Amendment No. 5 to the Hospital Lease Agreement which states in Article XIII – Additional Covenant of Lessor that the restrictions on the Lessor shall not apply to the activities that solely relate to the Expanded Boundaries, which include the City of Coachella.

**ALTERNATIVES:**

1. Not approve Staff recommendation and decline to act on this item.
2. Continue this item and provide staff with direction.

**FISCAL IMPACT:**

There will be no impact to the General Fund.

**WHEREAS**, the new Lease would restrict such activities within the entirety of the District's boundaries.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Coachella as follows:

**SECTION 1. Incorporation of Recitals.** That the Recitals set forth above are true and correct and are incorporated into this Resolution.

**SECTION 2. Direction to Mayor to send a Letter to the District Board.** That the City Council hereby directs the Mayor, on behalf of the City and with the assistance of the City Manager, to send a letter to the District Board of Directors detailing the City’s objections and concerns to any “non-compete” provision within the new Lease with Tenet.

**SECTION 3. Objection to any “Non-Compete” Provision in the new Lease.** That the City objects to any “non-compete” provision of the Lease, based on the following grounds:

- 1.) The Lease would restrict the activities of the District within its own boundaries;
- 2.) The Lease would restrict the use of taxpayer funds within District boundaries and would require Tenet's prior written consent, which Tenet may withhold in its sole and absolute discretion;

**SECTION 4. Severability.** If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or

applications of the Resolution which can be given effect without the invalid provision or application, and to this end the provisions of this Resolution are severable. The City Council hereby declares that it would have adopted this Resolution irrespective of the invalidity of any particular portion thereof.

**SECTION 5. Effective Date.** This Resolution shall take effect immediately upon its adoption.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Gabriel Perez, Development Services Director

**SUBJECT:** Adopt Resolution No. 2024-40 Declaring its Intention to Annex Property into City of Coachella Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services) and to Authorize the Levy of a Special Tax Within Annexation Area No. 36 (Sevilla II – Pyramid Ranch).

**STAFF RECOMMENDATION:**

Staff recommends that the City Council adopt the attached Resolution No. 2024-40 stating the intention to annex property located generally west of Van Buren Street and south of Avenue 50 into Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services) and setting a public hearing date.

**BACKGROUND:**

On September 14, 2005, the City Council of the City of Coachella (the “City”) adopted Resolution No. 2005-93 establishing the Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services) (“CFD 2005-1”) pursuant to the Mello-Roos Community Facilities Act of 1982, as amended. Over the past 19 years, the CFD has annexed 35 new subdivisions and multi-family residential developments.

**DISCUSSION/ANALYSIS:**

The Planning Commission and City Council approved the Pyramid Ranch project (previously known as Sevilla II), which includes construction of a new 204 single family residential community on 39.35 acres generally located west of Van Buren Street and south of Avenue 50. The developer is Pulte Home Company, LLC. The conditions of development of the project requires it to be annexed into CFD 2005-1 to provide funding to offset the increased cost of police services, fire and paramedic services.

Attached to this staff report is the Resolution of Intention setting a future public hearing date on September 11, 2024 for Annexation No. 36 final actions, which will include a special election, canvassing of the results, and an ordinance authorizing the levy of the special tax within Annexation No. 36. The other attachment to this report is a copy of the CFD Annexation Map for the subject property and the “Rate and Method” for the CFD.

**ALTERNATIVES:**

1. Adopt Resolution No. 2024-40 stating the intention to annex property into Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services) and setting a public hearing date.
2. Take no action.
3. Continue this item and provide staff with direction.

**FISCAL IMPACT:**

The City expects to collect an annual special tax of \$1,516.52 plus CPI per dwelling unit within the CFD beginning the fiscal year after they are issued a building permit in accordance with the Rate and Method of Apportionment. This Annexation will result in a new annual special tax of \$309,370.08 for 204 single family residential parcels, subject to annual inflationary adjustment, for the project.

**RECOMMENDED ALTERNATIVE(S):**

Staff recommends Alternative #1 as stated above.

**Attachments:**

**RESOLUTION NO. 2024-40**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COACHELLA DELCARING ITS INTENTION TO ANNEX PROPERTY INTO CITY OF COACHELLA COMMUNITY FACILITIES DISTRICT NO. 2005-1 (LAW ENFORCEMENT, FIRE AND PARAMEDIC SERVICES) AND TO AUTHORIZE THE LEVY OF A SPECIAL TAX WITHIN ANNEXATION AREA NO. 36 (SEVILLA II – PYRAMID RANCH).**

**WHEREAS**, the City Council (the “Council”) of the City of Coachella (the “City”) has established City of Coachella Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services) (the “CFD”) pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53321 of the Government Code of the State of California (the “Act”); and,

**WHEREAS**, the CFD will finance law enforcement, fire and paramedic services that are in addition to those provided in the territory within the CFD prior to the formation of the CFD and do not supplant services already available within the territory included in the CFD subject to the levy of a special tax to pay for such services, approved at an election held within the boundaries of the CFD; and,

**WHEREAS**, the Council has provided for the annexation in the future of territory (the “Future Annexation Area”) to the CFD pursuant to the terms and provisions of the Act; and,

**WHEREAS**, the Sevilla II (Pyramid Ranch) project was conditioned to annex into the City’s Community Facilities District No. 2005-1 as part of Tentative Tract Map No. 38557; and,

**WHEREAS**, the Council has determined pursuant to Section 53339.2 of the Act that public convenience and necessity require that territory be added to the CFD upon its formation;

**NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF COACHELLA AS FOLLOWS:**

Section 1. The above recitals are true and correct.

Section 2. The Council hereby determines to initiate proceedings for the annexation of certain territory into the proposed CFD under the terms of the Act. The exterior boundaries of the area to be annexed (“Annexation Area No. 36”) are hereby specified and described to be as shown on that certain map now on file in the office of the City Clerk entitled “Annexation Map No. 36 - Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services)” which map indicates by a boundary line the extent of the territory included in Annexation Area No. 36 and shall govern for all details as to the extent of Annexation Area No. 36. On the original and one copy of the map of such Annexation Area No. 36 on file in the City Clerk’s office, the City Clerk shall endorse the certificate evidencing the date and adoption of this Resolution. The City Clerk shall file the original of such map in her office and, within fifteen (15) days after the adoption of this Resolution, the City Clerk shall file a copy of such map.

Section 3. Except where funds are otherwise available, it is the intention of the City Council to levy annually in accordance with procedures contained in the Act a special tax (the “Special Tax”) sufficient to finance law enforcement, fire and paramedic services that are in addition to those provided in the territory within Annexation Area No. 36 prior to the annexation of Annexation Area No. 36 into the CFD and do not supplant services already available within the territory proposed to be annexed into the CFD, the costs of administering the levy and collection of the Special Tax and all other costs of the levy of the Special Tax, including any foreclosure proceedings, legal, fiscal, and financial consultant fees, election costs, and all other administrative costs of the tax levy. The Special Tax will be secured by recordation of a continuing lien against all real property in the proposed Annexation Area No. 36. The schedule of the rate and method of apportionment and manner of collection of the Special Tax is described in detail in Exhibit “A” attached hereto and by this reference incorporated herein. The annexation of Annexation Area No. 36 will not result in any change to the special tax rates levied in the CFD prior to such annexation.

The Special Tax is apportioned to each parcel on the foregoing basis pursuant to Section 53325.3 of the Act.

The maximum Special Tax applicable to a parcel to be used for private residential purposes, as set forth in Exhibit A, is specified as a dollar amount which shall be calculated and established not later than the date on which the parcel is first subject to tax because of its use for private residential purposes, and such amount shall not be increased over time by an amount in excess of 2 percent per year. Under no circumstances will the Special Tax to be levied against any parcel used for private residential purposes be increased as a consequence of delinquency or default by the owner of any other parcel or parcels within the proposed Annexation Area No. 36. As specified by the Act, for purposes of this paragraph, a parcel shall be considered “used for private residential purposes” not later than the date on which an occupancy permit for private residential use is issued.

Section 4. A public hearing (the “Hearing”) on the annexation of Annexation Area No. 36 and the proposed rate and method of apportionment of the Special Tax shall be held on September 11, 2024, at 6:00 o’clock p.m., or as soon thereafter as practicable, at the chambers of the City Council of the City of Coachella, 1515 Sixth Street, Coachella, California 92236.

Section 5. At the time and place set forth above for the hearing, any interested person for or against the annexation of Annexation Area No. 36 to the CFD or the levying of special taxes within the proposed Annexation Area No. 36 will be heard.

Section 7. Each City officer who is or will be responsible Annexation Area No. 36, if they are annexed, is hereby directed to study the proposed Annexation Area No. 36 and, at or before the time of the above-mentioned Hearing, file a report with the City Council, and which is to be made a part of the record of the Hearing, containing a brief description of Annexation Area No. 36, and his or her estimate of the cost of providing additional law enforcement, fire and paramedic services within the boundary of Annexation Area No. 36. The City Manager is directed to estimate the fair and reasonable cost of all incidental expenses, including all costs associated with the annexation of Annexation Area No. 36, determination of the amount of any special taxes, collection of any special taxes, or costs otherwise incurred in order to carry out the authorized purposes of the City with respect to Annexation Area No. 36.

Section 6. The City may accept advances of funds from any sources, including private persons or private entities, and is authorized and directed to use such funds for any authorized purpose, including any cost incurred by the City in annexing the proposed Annexation Area No. 36. The City may enter into an agreement to repay all of such funds as are not expended or committed for any authorized purpose at the time of the election on the levy of the Special Tax, if the proposal to levy such tax should fail, and to repay all of such funds advanced if the levy of the Special Tax shall be approved by the qualified electors of Annexation Area No. 36.

Section 7. The City Clerk is hereby directed to publish a notice (“Notice”) of the Hearing pursuant to Section 6061 of the Government Code in a newspaper of general circulation published in the area of the proposed Annexation Area No. 36. Such Notice shall contain the text of this Resolution, state the time and place of the Hearing, a statement that the testimony of all interested persons or taxpayers will be heard, a description of the protest rights of the registered voters and landowners in the proposed Annexation Area No. 36 as provided in Section 53339.5 of the Act and a description of the proposed voting procedure for the election required by the Act. Such publication shall be completed at least 7 days prior to the date of the Hearing.

Section 8. The voting procedure with respect to the annexation of the Annexation Area No. 36 and the imposition of the special tax shall be by hand delivered or mailed ballot election.

**“Undeveloped Property”** means, for each Fiscal Year, all Assessor’s Parcels not classified as Developed Property or Commercial or Industrial Property.

## **B. ASSIGNMENT TO LAND USE CLASSES**

Each Fiscal Year, all Taxable Property within the CFD classified as Developed Single-Family Residential Property or Developed Multi-Family Residential Property shall be subject to Special Taxes in accordance with the rate and method of apportionment determined pursuant to Sections C and D below.

## **C. MAXIMUM SPECIAL TAX**

### **1. Developed Single-Family Residential Property**

#### **a. Maximum Special Tax**

The Maximum Special Tax for each Assessor’s Parcel classified as Developed Single-Family Residential Property shall be \$846.76 for Police Services and \$511.34 for Fire/Paramedic Services.

#### **b. Increase in the Maximum Special Tax**

On each July 1, commencing on July 1, 2015, the Maximum Special Tax shall be increased by an amount equal to the percentage increase in the U.S. Department of Labor Statistics, Consumer Price Index, for Los Angeles-Riverside-Orange County, California, for the 12 month period ending the preceding December 31, of the amount in effect for the previous Fiscal Year.

## **2. Developed Multi-Family Residential Property**

### **a. Maximum Special Tax**

The Maximum Special Tax for each Assessor's Parcel classified as Developed Multi-Family Residential Property shall be \$846.76 for Police Services and \$511.34 for Fire/Paramedic Services multiplied by the number of separate dwelling units applicable to such Assessor's Parcel.

### **b. Increase in the Maximum Special Tax**

On each July 1, commencing on July 1, 2015, the Maximum Special Tax shall be increased by an amount equal to the percentage increase in the U.S. Department of Labor Statistics, Consumer Price Index, for Los Angeles-Riverside-Orange County, California, for the 12 month period ending the preceding December 31, of the amount in effect for the previous Fiscal Year.

## **D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

Commencing with Fiscal Year 2005-06 and for each following Fiscal Year, the City Council shall levy the Special Tax at the Maximum Special Tax on all Developed Single-Family Residential Property and Developed Multi-Family Residential Property.

## **E. EXEMPTIONS: EXCLUSIONS**

No Special Tax shall be levied on Undeveloped Property, Commercial or Industrial Property or for Developed Property developed as part of a development with less than 4 units. In the event that a Developed Multi-Family Residential Property that has been excluded from a levy of the Special Tax by reason of the payment by the property owner of Transient Occupancy Tax, and should that payment be terminated, such Assessor Parcel shall not longer be excluded from Developed Multi-Family Residential Property and will be subject to the Special Tax.

## **F. APPEALS AND INTERPRETATIONS**

Any taxpayer may file a written appeal of the Special Tax on his/her property with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During the pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the calculation of the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall eliminate or reduce the Special Tax on the appellant's property and/or provide

a refund to the appellant. If the CFD Administrator disagrees with the appellant and the appellant is dissatisfied with the determination, the appellant then has 30 days in which to appeal to the Board by filing a written notice of appeal with the Board Secretary, provided that the appellant is current in his/her payments of Special Taxes. The second appeal must specify the reasons for its disagreement with the CFD Administrator's determination.

#### **G. MANNER OF COLLECTION**

The Special Tax will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes; provided, however, that the CFD may directly bill the Special Tax, may collect Special Taxes at different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on delinquent Assessor's Parcels as permitted by the Act.

#### **H. PREPAYMENT OF THE SPECIAL TAX**

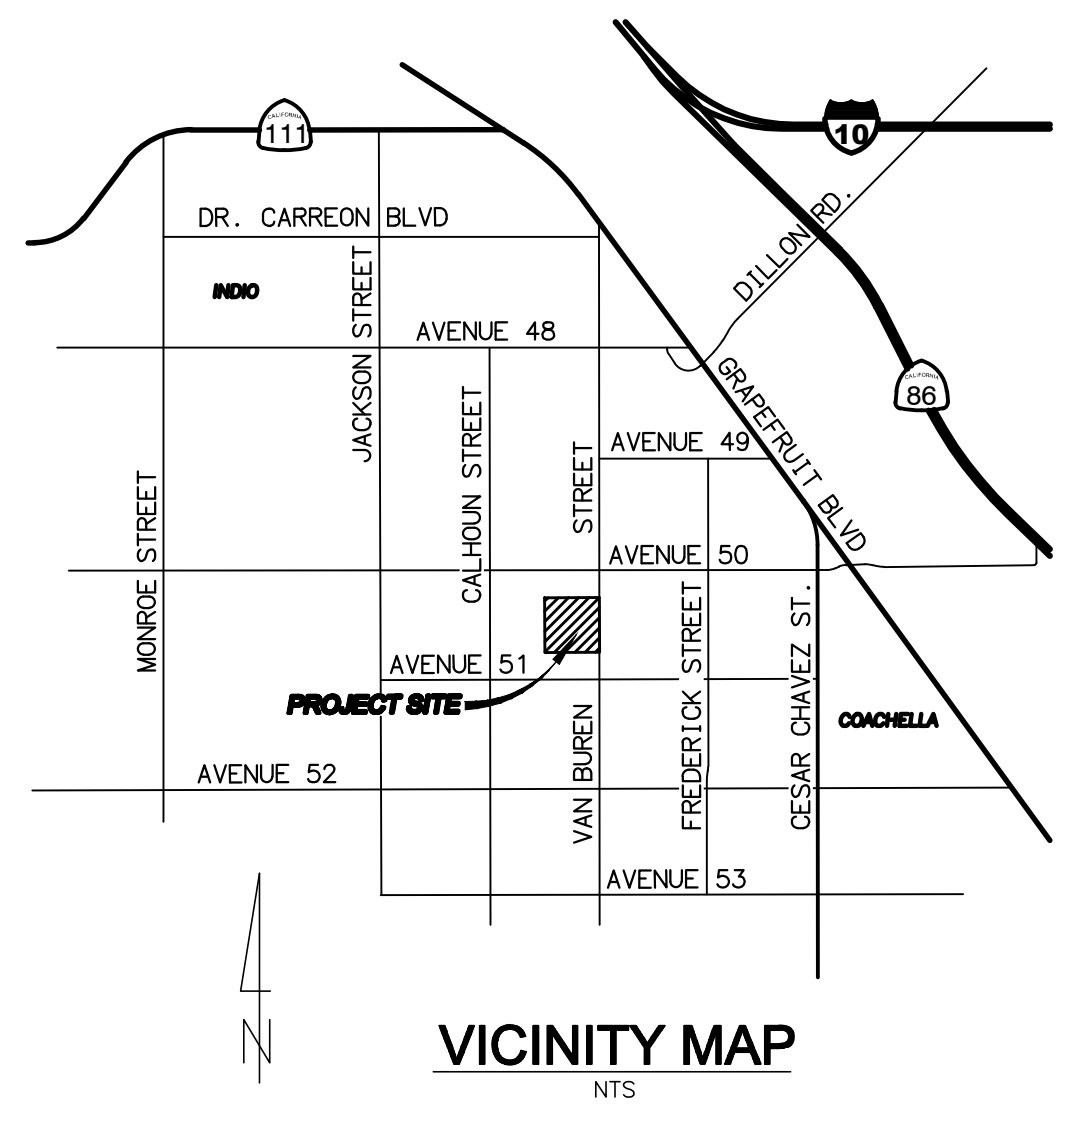

The Special Tax may not be prepaid.

#### **I. TERM OF THE SPECIAL TAX**

The Annual Maximum Special Tax shall be levied in perpetuity or until Law Enforcement, Fire and Paramedic Services are no longer being provided by the City within the CFD, whichever is earlier.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Anahi Fernandez, Management Analyst

**SUBJECT:** City of Coachella Resident Engagement Academy

---

**STAFF RECOMMENDATION:**

Staff recommends that the City Council review the 2024 Coachella Resident Engagement Academy (Academy) plan and provide staff feedback.

**BACKGROUND:**

The City of Coachella General Plan encourages active community engagement with City of Coachella residents as a “high priority” with a short implementation timeframe of 2 to 4 years after Plan adoption. The General Plan encourages the City to work with partner agencies to create minimum protocols for community outreach and engagement processes for different types of municipal decisions so community members can easily learn about input opportunities and know how to best contribute in the City.

On October 3, 2023, the City of Coachella implemented its first Coachella Resident Engagement Academy, in which the City created a space where residents had the opportunity to learn about the decision-making process and the City’s functions and operations. The Academy consisted of seven (7) sessions for seven (7) weeks with twenty-three (23) residents successfully completing all sessions. Residents were informed of the importance of their contributions and how they can continue their involvement in the City. Evaluation survey responses from last year, indicated that the majority of participants had a high knowledge level of the City after completion of the Academy and a very high likelihood of playing a volunteer role in the City after participating in the Academy. The first Academy fulfilled its mission in educating Coachella residents on City operations and encouraging them to be more engaged in the City.

**DISCUSSION/ANALYSIS:**

Staff plans to establish a 2024 Resident Engagement Academy in which the City can continue the implementation of the General Plan and keep informing Coachella residents of the City’s roles and functions, ultimately increasing civic engagement in the City. The goals and purpose of the Academy are as follows:

1. Inform the community regarding city government and the decision-making process
2. Provide residents with input opportunities
3. Generate active citizens and promote civic leadership

The Academy will commence on October 1, 2024 with a group of up to 25 Coachella residents. Outreach would begin in the summer through the City's social media platform and flier postings in both English and Spanish. The following Academy modules are proposed and were identified discussion between local nonprofit, county and local government entities:

1. City Manager's Office and Economic Development
2. Public Works and Engineering
3. Wastewater and Water
4. Development Services
5. Finance and Public Safety
6. Community Health and Wellness
7. Community Engagement.

City Directors and Managers will facilitate each module based on their discipline, which will also include a cooperative project among residents and staff. At the conclusion of the Academy, participants will receive a closing ceremony and an award in recognition of their participation. Participants who attend all seven (7) sessions will receive a \$250 stipend. The Riverside County Department of Public Health will provide evaluation services for the program to determine the program's effectiveness in increasing civic engagement and awareness of City government.

Staff seeks additional feedback and direction from the City Council for the 2024 Academy.

**FISCAL IMPACT:**

The provision of meals, shirts, and stipends are included in the Fiscal Year 2024/2025 budget for the Development Services Department for a total of \$8,450. An additional \$1,550 for recognitions will be appropriated from the General Fund. The program is designed to minimize the use of City resources and will be hosted in the conference rooms of the Coachella Library.

# 12 | IMPLEMENTATION ACTIONS

## IMPLEMENTATION PROGRAM

For some topics in this General Plan, the new adopted policies are sufficient to realize certain goals. However, most goals will require additional implementation actions to help make those operational. This section ties together the goals and policies in the General Plan. The following pages contain actions organized under each of the General Plan Elements (except for Housing) to realize the vision for Coachella's future. These are generally one-time actions needed to mobilize and execute specific policies within the General Plan, such as creating an ordinance or updating a master plan. The actions are in the following order:

1. Land Use + Community Design (LU)
2. Mobility (M)
3. Community Health + Wellness (CHW)
4. Sustainability + Natural Environment (SNE)
5. Safety (S)
6. Infrastructure + Public Services (IPS)
7. Noise (N)

## COMMUNITY COLLABORATION

Coachella is a smaller city, with big ideas and a clear vision of its future. The City staff and elected officials welcome and encourage community organizations, the business community, other public agencies, neighborhood groups and passionate individuals to help implement many of these actions. The City and community members have endorsed all of the action items below. While, some items are marked as “low” priority, that should not preclude any partner organization or individual from making it a “high” priority in their own work in collaboration with the City.

## MATRIX ORGANIZATION

In the matrix that follows, each implementation action includes the following information:

#	ACTION DESCRIPTION	PRIORITY	TIME FRAME	RESPONSIBILITY	RELEVANT GOALS
Each action is numbered as a comprehensive list for each element	An actionable description of the implementation action. Some actions include end-note references to supportive background material or example projects.	Action items are marked as “High”, “Medium”, or “Low” depending on community and staff input throughout the process. Some of the criteria that helped determine priority included: <ul style="list-style-type: none"> <li>• Cost.</li> <li>• Feasibility.</li> <li>• Whether the action would help engage and empower residents.</li> <li>• Whether action could improve or enhance existing programs/infrastructure (instead of create something new).</li> </ul>	A broad timeframe that refers to when the action should be implemented. The timeframes are as follows: <ul style="list-style-type: none"> <li>• <u>Immediate</u> – Current/ongoing projects or within one year of Plan adoption.</li> <li>• <u>Short</u> – Within 2 to 4 years of Plan adoption.</li> <li>• <u>Medium</u> – Between approximately 5 and 7 years of Plan adoption.</li> <li>• <u>Long</u> – 10+ years after Plan adoption.</li> <li>• <u>Ongoing</u> – Reoccurring or immediate action.</li> </ul>	Identification of the agency or department responsible for implementing the action.	List of goal(s) that the action item will help implement. Goals will be listed with the Element title acronym and the goal number. For example an action that implements Goal 3 from the Land Use + Community Design Element and Goal 2 from the Community Health + Wellness Element, this column would contain “LU-3, CHW-2”.

3. <b>Healthy development review.</b> Work with the Riverside County Department of Public Health to create a development review process to analyze the health and social equity impacts of development proposals prior to the beginning of the CEQA review process. This could include the creation of a checklist that includes a key set of high priority questions related to how the project affects the food, recreation, and active transportation environments; affordability and access; pollution and toxics exposure; local wealth creation and other topics deemed relevant. The City can choose to integrate this review into the approval process. For larger or more complex projects the City may partner with others (the County Public Health Department, community groups, independent consultants, universities, etc.) to compile a more extensive health impact assessment. **TO:** Honorable Mayor and City Council Members

**FROM:** Maritza Martinez, Public Works Director

**SUBJECT:** Authorize City Manager to approve Change Order No. 1 for the Multi-Site Energy Improvement Project awarded to Alliance Building Solutions, Inc. for an additional amount of \$242,144.00 to install smart controls to city owned street light fixtures improving maintenance repair response times; authorize allocation from undesignated general funds revenue in the amount of \$242,144.00.

**STAFF RECOMMENDATION:**

Authorize City Manager to approve Change Order No. 1 for the Multi-Site Energy Improvement Project awarded to Alliance Building Solutions, Inc. for an additional amount of \$242,144.00 to install smart controls to city owned street light fixtures improving maintenance repair response times; authorize allocation from undesignated general funds revenue in the amount of \$242,144.00 and find that bidding the work would not produce an advantage and be impractical.

**BACKGROUND:**

On July 26, 2023, the City Council (“Council”) of the City of Coachella (“City”) adopted Resolution No. 2023-53, approving that certain Contract For Design and Construction of Energy Conservation Measures – Lump Sum (Gov. Code, § 4217, *et seq.*) (Multi-Site Energy Improvement Project) (the “DB Contract”) with Alliance Building Solutions, Inc. (“Alliance”). The DB Contract requires Alliance to design and construct several different types of energy conservation measures within the City (collectively, the “City Scope”), including, the following scope of work that the City agreed to construct on behalf of the Coachella Sanitary District (“District”) at the Wastewater Treatment Plant: (i) solar photovoltaic panels; and (ii) process optimization improvements (collectively, the “District Scope” and together with the City Scope, the “Project”). The City has proposed to finance the Project, and has obtained a rate lock of 4.344% for the financing from Banc of America Public Capital Corp (the “Lender” or “Bank”) which the Bank has agreed to extend through November 9, 2023.

On October 25, 2023, the Council adopted Resolution No. 2023-72 approving the financing for the Project and the execution and delivery of the Equipment Lease/Purchase Agreement and related documents with the Bank. In connection with approval of Resolution No. 2023-72, the Council placed a condition on said resolution directing staff to finance the entire Project, including the District Scope, or alternatively not finance any of the Project.

On November 8, 2023, the City Council approved Resolution No. 2023-72, allowing staff to execute and deliver financing documents to finance the Project without the process optimization improvements at the Wastewater Treatment Plant. The total awarded project improvements with this final adjustment in scope totaled \$7,157,601.

**DISCUSSION/ANALYSIS:**

The Project is currently seventy percent complete. The energy improvements at Bagdouma Park, Rancho Las Flores Park, Public Works Building and Bagdouma Park Community Center have been completed. Improvements at the following sites are still ongoing: City-wide, Civic Center and the Wastewater Treatment Plant.

The City-Wide improvements include installation of decorative lighting along 6<sup>th</sup> Street and upgrading city street lights from HPS (high pressure sodium) to LED (light emitting diode) fixtures. These improvements will provide both energy and maintenance operations savings. Staff is recommending installing smart controls to the new fixtures, which was not original to the scope of work. The added smart controls would provide real time information to staff when street light fixtures are not operating due to power/sensor/bulb failures; this access to information of the city street light assets will allow staff to repair non-operable street lights more responsively. It is timely to include this additional work now as the smart controls can be installed at the same time as the new fixtures, thus not requiring additional costs to be incurred at a later time for installation. It is estimated the city will see additional operations and maintenance savings over the next 10-15 years of \$136,562 by including these smart controls to its street light fixtures.

A public entity is exempted from competitively bidding a public project when the governing body finds that “the nature of the subject of the contract is such that competitive proposals would be unavailing or would not produce an advantage, and the advertisement for competitive bid would thus be undesirable, impractical, or impossible.” (*Graydon v. Pasadena Redevelopment Agency* (1980) 104 Cal.App.3d 631, 637.) Here, Alliance is already mobilized and performing work on the installation of the lighting fixtures. Bidding the work would not produce an advantage because Alliance is already mobilized and a separate contractor would have to uncover work performed by Alliance; Alliance can install the controls while performing its current work. This produces cost efficiencies that support a finding that there would be no advantage to the City generated by the City’s competitive bidding of the work in the change order and that competitively bidding would be impractical.

**FISCAL IMPACT:**

The recommended action will require an allocation from undesignated general fund in the amount of \$242,144 as the financing has not finalized.

**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Delia Granados, Deputy City Clerk

**SUBJECT:** Designate a Voting Delegate and Alternates to the League of California Cities Annual Conference & Expo.

**STAFF RECOMMENDATION:**

Staff recommends that the City Council designate a voting member and two alternates to attend the Friday, October 18, 2024, League of California Cities Annual Business Meeting. The voting delegate is required to register and attend the League Conference.

**BACKGROUND:**

The League of California Cities is one of the primary lobbying organizations for municipalities at the State level. A number of key policy decisions are made in order to support cities and represent municipal interests to the Assembly and the Governor. In order to ensure that the views of the City of Coachella are represented to the League in formulating their policies, the Council must designate a delegate to represent the City at the League Conference and the Annual Business Meeting.

**DISCUSSION/ANALYSIS:**

The League's 2024 Annual Conference & Expo is scheduled for October 16-18, 2024, in Long Beach, California. An important part of the Annual Conference is the Annual Business Meeting (during General Assembly). The General Assembly will be held on Friday, October 18, 2024. At this meeting, the League membership considers and takes action on resolutions that establish League policy.

The City of Coachella must designate a voting delegate to represent the City at the Annual Business Meeting. Staff is requesting the Council also appoint up to two alternate voting delegates. One of these delegates may represent the City in the event that the designated voting delegate is unable to attend the conference.

The designation of a voting delegate and alternates must be done by City Council action and a copy of the Council action reflecting the Council's selection must be forwarded to the League no

later than September 25, 2024. The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only.

**ALTERNATIVES:**

The only alternative action is for the Council to choose not to designate a representative for the City at the Annual Conference and Business Meeting of the League of California Cities.

**FISCAL IMPACT:**

The voting delegate is required to register and attend the League Conference. The City will incur any expenses necessary for this registration for the delegate to attend the conference during this period.

**RE: DESIGNATION OF VOTING DELEGATES AND ALTERNATES  
League of California Cities Annual Conference and Expo, Oct. 16-18, 2024  
Long Beach Convention Center**

Every year, the League of California Cities convenes a member-driven General Assembly at the [Cal Cities Annual Conference and Expo](#). The General Assembly is an important opportunity where city officials can directly participate in the development of Cal Cities policy.

Taking place on Oct. 18, the General Assembly is comprised of voting delegates appointed by each member city; every city has one voting delegate. Your appointed voting delegate plays an important role during the General Assembly by representing your city and voting on resolutions.

To cast a vote during the General Assembly, your city must designate a voting delegate and up to two alternate voting delegates, one of whom may vote if the designated voting delegate is unable to serve in that capacity. Voting delegates may either be an elected or appointed official.

**Action by Council Required.** Consistent with Cal Cities bylaws, a city's voting delegate and up to two alternates must be designated by the city council. Please note that designating the voting delegate and alternates **must** be done by city council action and cannot be accomplished by individual action of the mayor or city manager alone.

**Following council action, please submit your city's delegates through [the online submission portal](#) by Wed., Sept. 25.** When completing the Voting Delegate submission form, you will be asked to attest that council action was taken. You will need to be signed in to your My Cal Cities account when submitting the form.

Submitting your voting delegate form by the deadline will allow us time to establish voting delegate/alternate records prior to the conference and provide pre-conference communications with voting delegates.

**Conference Registration Required.** The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only. Conference registration is open on the [Cal Cities](#) website.

For a city to cast a vote, one voter must be present at the General Assembly and in possession of the voting delegate card and voting tool. Voting delegates and alternates need to pick up their conference badges before signing in and picking up the voting delegate card at the voting delegate desk. This will enable them to receive the special sticker on their name badges that will admit the voting delegate into the voting area during the General Assembly.

Please view Cal Cities' [event and meeting policy](#) in advance of the conference.

**Transferring Voting Card to Non-Designated Individuals Not Allowed.** The voting delegate card may be transferred freely between the voting delegate and alternates, but *only* between the voting delegate and alternates. If the voting delegate and alternates find themselves unable to attend the General Assembly, they may *not* transfer the voting card to another city official.

**Seating Protocol during General Assembly.** At the General Assembly, individuals with a voting card will sit in a designated area. Admission to the voting area will be limited to the individual in possession of the voting card and with a special sticker on their name badge identifying them as a voting delegate.

The voting delegate desk, located in the conference registration area of the Long Beach Convention Center in Long Beach, will be open at the following times: Wednesday, Oct. 16, 8:00 a.m.-6:00 p.m. and Thursday, Oct. 17, 7:30 a.m.-4:00 p.m. On Friday, Oct. 18, the voting delegate desk will be open at the General Assembly, starting at 7:30 a.m., but will be closed during roll calls and voting.

The voting procedures that will be used at the conference are attached to this memo. Please share these procedures and this memo with your council and especially with the individuals that your council designates as your city's voting delegate and alternates.

Once again, thank you for submitting your voting delegate and alternates by Wednesday, Sept. 25. If you have questions, please contact Zach Seals at [zseals@calcities.org](mailto:zseals@calcities.org).

## General Assembly Voting Guidelines

1. **One City One Vote.** Each member city has a right to cast one vote on matters pertaining to Cal Cities policy.
2. **Designating a City Voting Representative.** Prior to the Cal Cities Annual Conference and Expo, each city council may designate a voting delegate and up to two alternates; these individuals are identified on the voting delegate form provided to the Cal Cities Credentials Committee.
3. **Registering with the Credentials Committee.** The voting delegate, or alternates, may pick up the city's voting card at the voting delegate desk in the conference registration area. Voting delegates and alternates must sign in at the voting delegate desk. Here they will receive a special sticker on their name badge and thus be admitted to the voting area at the General Assembly.
4. **Signing Initiated Resolution Petitions.** Only those individuals who are voting delegates (or alternates), and who have picked up their city's voting card by providing a signature to the credentials committee at the voting delegate desk, may sign petitions to initiate a resolution.
5. **Voting.** To cast the city's vote, a city official must have in their possession the city's voting card and voting tool; and be registered with the credentials committee. The voting card may be transferred freely between the voting delegate and alternates but may not be transferred to another city official who is neither a voting delegate nor alternate.
6. **Voting Area at General Assembly.** At the General Assembly, individuals with a voting card will sit in a designated area. Admission to the voting area will be limited to the individual in possession of the voting card and with a special sticker on their name badge identifying them as a voting delegate.
7. **Resolving Disputes.** In case of dispute, the credentials committee will determine the validity of signatures on petitioned resolutions and the right of a city official to vote at the General Assembly.

Developing League of California Cities policy is a dynamic process that engages a wide range of members to ensure Cal Cities represents cities with one voice. These policies directly guide Cal Cities' advocacy to promote local decision-making, and lobby against statewide policies that erode local control.

The resolutions process and General Assembly is one way that city officials can directly participate in the development of Cal Cities policy. If a resolution is approved at the General Assembly, it becomes official Cal Cities policy. Here's how resolutions and the General Assembly work.

## Prior to the Annual Conference and Expo

### General Resolutions

Sixty days before the Annual Conference and Expo, Cal Cities members may submit policy proposals on issues of importance

to cities. The resolution must have the concurrence of at least five additional member cities or individual members.

### Policy Committees

The Cal Cities President assigns general resolutions to policy committees where members

review, debate, and recommend positions for each policy proposal. Recommendations are forwarded to the Resolutions Committee.

## During the Annual Conference and Expo

### Petitioned Resolutions

The petitioned resolution is an alternate method to introduce policy proposals during

the annual conference. The petition must be signed by voting delegates from 10% of member cities, and submitted to the Cal Cities President at least 24 hours before the beginning of the General Assembly.

### Resolutions Committee

The Resolutions Committee considers all resolutions. General Resolutions approved<sup>1</sup> by either a policy committee

or the Resolutions Committee are next considered by the General Assembly. General resolutions not approved, or referred for further study by both a policy committee and the Resolutions Committee do not go to the General Assembly. All Petitioned Resolutions are considered by the General Assembly, unless disqualified.<sup>2</sup>

### General Assembly

During the General Assembly, voting delegates debate and consider general and petitioned resolutions forwarded by the Resolutions Committee. Potential Cal Cities bylaws amendments are also considered at this meeting.

## Who's who

Cal Cities policy development is a member-informed process, grounded in the voices and experiences of city officials throughout the state.

The **Resolutions Committee** includes representatives from each Cal Cities diversity caucus, regional division, municipal department, and policy committee, as well as individuals appointed by the Cal Cities president.

**Voting delegates** are appointed by each member city; every city has one voting delegate.

The **General Assembly** is a meeting of the collective body of all voting delegates—one from every member city.

Seven **policy committees** meet throughout the year to review and recommend positions to take on bills and regulatory proposals. Policy committees include members from each Cal Cities diversity caucus, regional division, and municipal department, as well as individuals appointed by the Cal Cities president.

<sup>1</sup> The Resolution Committee can amend a general resolution prior to sending it to the General Assembly.

<sup>2</sup> Petitioned Resolutions may be disqualified by the Resolutions Committee. Cal Cities Bylaws Article VI, Sec. 5(f).

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Celina Jimenez, Director of Economic Development  
Dr. Gabriel Martin, City Manager

**SUBJECT:** Adopt Resolution No. 2024-43 Calling for the Placement of a General Tax Measure on the November 5, 2024 General Municipal Election Ballot Amending the City’s Transient Occupancy Tax from 9% to 13%, Updating the Ordinance’s Terms to Address Third Party Bookings and Making Other Conforming Updates.

**STAFF RECOMMENDATION:**

Staff recommends that the City Council adopt Resolution No. 2024-43 calling for the placement of a General Tax Measure on the November 5, 2024 General Municipal Election Ballot amending the City’s Transient Occupancy Tax rate from 9% to 13%, and updating the ordinance to address online travel company and other third party bookings and making other conforming changes; requesting the County of Riverside to consolidate said election with the statewide general election of even date; and setting rules and deadlines for arguments and rebuttals for and against the measure.

**BACKGROUND:**

At the July 10, 2024 Study Session, staff was directed to return with a resolution to place a measure on the November 5, 2024 ballot that would increase the City’s transient occupancy tax (TOT) on hotel accommodations with the city. The term “hotel” means any structure or any portion of any structure including mobile home spaces or trailer spaces which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, single family residential home or house, tourist home or house, motel, studio hotel, bachelor hotel, lodging house, rooming house, apartment house, dormitory, public or private club, mobile home or house trailer at a fixed location, or other similar structures or portion thereof. This direction follows previous discussions on TOT rates at the December 6, 2023 Planning Commission meeting.

The City Council also desires to modernize the Coachella Municipal Code to allow for the imposition and collection of the TOT on the full rent charged to a guest for hotel occupancy, whether the occupancy is booked directly by the guest, through online travel companies which enable guests to purchase occupancy via the Internet, or through online short term rental companies

operating to facilitate connections in the rental market or otherwise broker short term rentals between a host and a guest, or by similar electronic means.

**DISCUSSION/ANALYSIS:**

Following discussion at these meetings, the Council has elected to move forward to consider an increase in the City's TOT rate from 9% to 13% as proposed in the Resolution shown as Attachment 1. The City's TOT rate has not been raised previously and generates approximately \$822,617 in TOT revenue through hotel and other lodging establishments. The proposed increase would generate additional general revenue for City services identified by the Council including, but not limited to, fire, police, paramedic services, street operations and maintenance, library services, parks and recreation services, and general municipal services to the public, and as such the measure would require majority approval from voters.

The Resolution in Exhibit "A" includes Ordinance No. 2024-1211, which would formalize this increase in the TOT rate if voters approve the ballot measure. The Council may make revisions to the Ordinance following voter approval as long as such revisions do not increase the tax amount or the methodology for imposing the tax beyond that which was approved by the voters. Given the timing of working with the County Registrar of Voter's office in placing the tax measure on the ballot, staff is recommending that the Council adopt this Resolution as proposed or with revisions at this meeting in order to meet the timeframe of the County Clerk's deadline of August 9, 2024 for receiving materials for the November 2024 ballot.

**FISCAL IMPACT:**

The cost of placing the measure on the ballot is estimated at \$15,000. If passed, this measure would possibly generate an approximate \$350,000 for the General Fund.

**ALTERNATIVES:**

The City Council has the following alternatives to consider:

1. Adopt the Resolution placing the proposed tax measure on the ballot;
2. Provide staff with revisions to the Resolution and draft Ordinance and then adopt the document; or
3. Provide alternate direction to staff.

**ATTACHMENTS:**

1. Resolution No. 2024-43 - Adopt Resolution No. 2024-43 Calling for the Placement of a General Tax Measure on the November 5, 2024 General Municipal Election Ballot Amending the City's Transient Occupancy Tax from 9% to 13%, Updating the Ordinance's Terms to Address Third Party Bookings and Making Other Conforming Updates.

2. Exhibit A – Ordinance No. 2024-1211- Amending Chapter 4.28 of Title 4 (Revenue and Finance) of the Coachella Municipal Code Increasing the Maximum Rate of the City’s Transient Occupancy (Hotel) Tax from 9% to 13%, Addressing Online Travel Company and Other Third Party Bookings and Making Other Conforming Changes.

**RESOLUTION NO. 2024 -43**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA CALLING FOR THE PLACEMENT OF A GENERAL TAX MEASURE ON THE NOVEMBER 5, 2024 GENERAL MUNICIPAL ELECTION BALLOT FOR THE SUBMISSION TO THE QUALIFIED VOTERS OF A PROPOSED ORDINANCE AMENDING THE CITY'S TRANSIENT OCCUPANCY (HOTEL) TAX CODE BY INCREASING THE MAXIMUM RATE FROM 9% TO 13%, ADDRESSING ONLINE TRAVEL COMPANY AND OTHER THIRD PARTY BOOKINGS AND MAKING OTHER CONFORMING CHANGES; REQUESTING THE COUNTY OF RIVERSIDE TO CONSOLIDATE SAID ELECTION WITH THE STATEWIDE GENERAL ELECTION OF EVEN DATE; AND SETTING RULES AND DEADLINES FOR ARGUMENTS AND REBUTTALS FOR AND AGAINST THE MEASURE.**

**WHEREAS**, pursuant to Chapter 4.28 of Title 4 (Revenue and Finance) of the Coachella Municipal Code (C.M.C. Sections 4.18.010 through 4.18.140), the City currently imposes a Transient Occupancy (Hotel) Tax ("TOT") at the maximum rate of nine percent (9%) upon guests of hotels and other transient accommodations within the City; and

**WHEREAS**, the City Council desires to propose an amendment to the Coachella Municipal Code to increase the maximum rate of the TOT from nine percent (9%) to thirteen percent (13%); and

**WHEREAS**, the City Council also desires to modernize the Coachella Municipal Code to allow for the imposition and collection of the TOT on the full rent charged to a guest for hotel occupancy, whether the occupancy is booked directly by the guest, through online travel companies which enable guests to purchase occupancy via the Internet, or through online short term rental companies operating to facilitate connections in the rental market or otherwise broker short term rentals between a host and a guest, or by similar electronic means; and

**WHEREAS**, pursuant to Section 9222 of the California Elections Code and Sections 7280 and 7281 of the California Revenue and Taxation Code, the City Council has the authority to place a measure on the ballot regarding the imposition, extension or increase in a local transient occupancy tax to be considered by the voters at a Municipal Election; and

**WHEREAS**, the TOT is a general tax the proceeds of which are deposited into the City's general fund and which pay for City services such as police, fire and paramedic services, street operations and maintenance, library services, parks and recreation services and general municipal services to the public; and

**WHEREAS**, on November 6, 1996, the voters of the State of California approved Proposition 218 (California Constitution, Article XIIC), an amendment to the State Constitution which requires that all general taxes which are imposed, extended or increased must be submitted to the electorate and approved by a majority vote of the qualified electors voting in the election; and

**WHEREAS**, the proposed amendments which increase the rate of the TOT constitute a tax "increase" subject to Proposition 218; and

**WHEREAS**, the proposed amendments which apply the TOT rate to the total rent charged to a guest for transient occupancy in a hotel (including any retail markup and other charges

imposed through purchase of occupancy through an agent, on-line travel company, or online short term rental company) may also be characterized as an “increase” in the TOT under Proposition 218; and

**WHEREAS**, pursuant to Proposition 218 (California Constitution Article XIII C, §2(b)), the general rule is that any local election for the approval of an increase to a general tax must be consolidated with a regularly scheduled general election for members of the governing body of the local government; and

**WHEREAS**, the City’s general municipal elections for officers are held on the first Tuesday after the first Monday in November of each even-numbered year. Therefore, the next regularly scheduled General Municipal Election for the election of members of the City Council will be held on Tuesday, November 5, 2024; and

**WHEREAS**, based on the above, the City Council desires to submit a measure to the voters at the November 5, 2024 General Municipal Election seeking approval of the proposed TOT rate increase from 9% to 13% and modernizing the ordinance to address online travel company and other third party bookings (the “Measure”). The specific terms relating to the Measure are provided for in the ordinance to be considered by the qualified voters, attached hereto as Exhibit “A” and by this reference made an operative part hereof, and in accordance with all applicable laws; and

**WHEREAS**, pursuant to Proposition 62 (Government Code Section 53724), a two-thirds (2/3) vote of the City Council membership is required to place the measure on the November 5, 2024 ballot; and

**WHEREAS**, it is desirable that the General Municipal Election be consolidated with the Statewide General Election to be held on the same date and that within the City the precincts, polling places, voting centers and election officers of the two elections be the same, and that the Riverside County election department canvass the returns of the General Municipal Election and that the election be held in all respects as if there were only one election; and

**WHEREAS**, it is also desirable to establish deadlines and rules for the submission of written arguments and rebuttals for and against the Measure in accordance with applicable California Elections Code procedures.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, DOES RESOLVE, DECLARE, DETERMINE AND ORDER AS FOLLOWS:**

**SECTION 1. Recitals.** The City Council hereby finds and determines that the foregoing recitals are true and correct, are incorporated herein and by this reference are made an operative part hereof.

**SECTION 2. Submission of Ballot Measure.** Pursuant to California Government Code Section 53724, Elections Code Section 9222, Revenue and Taxation Code Sections 7280 and 7281, and any other applicable requirements of the laws of the State of California relating to the City, the City Council, **by a two-thirds (2/3) vote of its membership**, hereby orders the Measure to be submitted to the voters of the City at the General Municipal Election to be held on **Tuesday, November 5, 2024.**

**SECTION 3. Ballot Question.** The City Council, pursuant to its right and authority, does hereby order that the Measure shall be presented and printed upon the ballot submitted to the qualified voters in the manner and form set forth in this Section 3. On the ballot to be submitted to the qualified voters at the General Municipal Election to be held on Tuesday, November 5, 2024, in addition to any other matters required by law, there shall be printed substantially the following ballot question:

"Shall the measure to increase the rate of the City's Transient Occupancy (Hotel) Tax from 9% to a maximum of 13%, providing approximately \$350,000 annually until ended by voters for general City services such as City parks, streets and public safety, and applying the tax to all rent charged to hotel guests, including by online travel and short term rental companies, for transient occupancy of any hotel, be adopted?"	<b>YES</b>	
	<b>NO</b>	

**SECTION 4. Election Procedures.**

- A. The ballots to be used at the election shall be in the form and content as required by law.
- B. Pursuant to the requirements of Section 10403 of the Elections Code, the Board of Supervisors of the County of Riverside is hereby requested to consent and agree to the consolidation of a General Municipal Election with the Statewide General Election on Tuesday, November 5, 2024, for the purpose of submitting to the voters the question relating to the City's Measure.
- C. The election services which the City of Coachella requests the Registrar of Voters, or such other official as may be appropriate, to perform and which such officer is hereby authorized and directed to perform, if said Board of Supervisors consents, include: the preparation, printing and mailing of sample ballots; the establishment or appointment of precincts, polling places, voting centers, and election officers, the preparation, printing, mailing and furnishing of vote-by-mail ballots, making such publications as are required by law in connection therewith; the furnishing of ballots, voting booths and other necessary supplies or materials for polling places and voting centers; the canvassing of the returns of the election and the furnishing of the results of such canvassing to the City Clerk of the City of Coachella; and the performance of such other election services as may be requested by the City Clerk.
- D. The City Clerk is authorized, instructed and directed to procure and furnish, or cause to be procured and furnished through the County of Riverside, any and all official ballots, notices, printed matter and all supplies, equipment and paraphernalia that may be necessary in order to properly and lawfully conduct the election.
- E. The polls, vote centers and/or vote-by-mail drop-off boxes shall be open and the procedures for submitting votes-by-mail or votes at polls and vote centers shall be in accordance with those times and procedures established by the County of Riverside, except as otherwise provided in the Elections Code of the State of California.
- F. In all particulars not recited in this Resolution, the election shall be held and conducted as provided by law for holding municipal elections in the City.

- G. Notice of the time and place of holding the election is given and the City Clerk is authorized, instructed and directed to give further or additional notice of the election, in time, form, and manner as required by law.
- H. All ballots shall be tallied at a central counting place and not at the precincts. Said central counting place shall be at a County center as designated by the Registrar of Voters.
- I. The Riverside County Registrar of Voters is hereby authorized to canvass the returns of said election.
- J. The City Clerk of the City of Coachella shall receive the canvass from the County as it pertains to the election on the Measures, and shall certify the results to the City Council, as required by law.

**SECTION 5. Arguments and Impartial Analysis.**

- A. The City Council authorizes (i) the City Council or any member(s) of the City Council, (ii) any individual voter eligible to vote on the above measure, (iii) a bona fide association of such citizens or (iv) any combination of voters and associations, to file a written argument in favor of or against the Measure, in accordance with Article 4, Chapter 3, Division 9 of the Elections Code of the State of California, which arguments may be changed until and including **Monday, August 19, 2024**, after which no arguments for or against the Measure may be submitted to the City Clerk. Arguments in favor of or against the Measure shall each not exceed 300 words in length. Each argument shall be filed with the City Clerk, signed, and include the printed name(s) and signature(s) of the author(s) submitting it, or if submitted on behalf of an organization, the name of the organization, and the printed name and signature of at least one of its principal officers who is the author of the argument.
- B. The City Clerk shall comply with all provisions of law establishing priority of arguments for printing and distribution to the voters, and shall take all necessary actions to cause the selected arguments to be printed and distributed to the voters.
- C. Pursuant to Section 9280 of the Elections Code, the City Council directs the City Clerk to transmit a copy of the Measure to the City Attorney. The City Attorney shall prepare an impartial analysis of the Measure, not to exceed 500 words in length, showing the effect of the Measure on the existing law and the operation of the Measure. The City Attorney shall transmit such impartial analysis to the City Clerk, who shall cause the analysis to be published in the voter information guide along with the Measure as provided by law. The Impartial Analysis shall be filed by the deadline set for filing of primary arguments as set forth in subsection (A) above. The impartial analysis shall include a statement indicating whether the Measure was placed on the ballot by a petition signed by the requisite number of voters or by the City Council. In the event the entire text of the Measure is not printed on the ballot, nor in the voter information portion of the sample ballot, there shall be printed immediately below the impartial analysis, in no less than 10-font bold type, the following: **“The above statement is an impartial analysis of Measure \_\_\_\_\_. If you desire a copy of the Measure, please call the election official’s office at (760) 398-3502 and a copy will be mailed at no cost to you.”**

- D. That the provisions of this Section 5 herein shall apply only to the election to be held on November 5, 2024, and shall then be repealed.

**SECTION 6. Rebuttals.**

- A. Pursuant to Section 9285 of the Elections Code of the State of California, when the Clerk has selected the arguments for and against the various City initiated measures which will be printed and distributed to the voters, the Clerk shall send copies of the argument in favor of the measures to the authors of the argument against, and copies of the argument against to the authors of the argument in favor. The authors or persons designated by them may prepare and submit rebuttal arguments not exceeding 250 words. The rebuttal arguments shall be filed with the City Clerk not later than **Thursday, August 29, 2024**. Rebuttal arguments shall be printed in the same manner as the direct arguments. Each rebuttal argument shall immediately follow the direct argument which it seeks to rebut.
- B. The provisions of this Section 6 herein shall apply only to the election to be held on November 5, 2024, and shall then be repealed.

**SECTION 7. Placement on the Ballot.** The full text of the Measure shall not be printed in the voter information guide, and a statement shall be printed in the ballot pursuant to Section 9223 of the Elections Code advising voters that they may obtain a copy of the Measure at no cost, upon request made to the City Clerk.

**SECTION 8. Delivery of Resolution to County.** The City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original resolutions. The City Council directs the City Clerk to deliver copies of this Resolution, including the Measure attached hereto as Exhibit "A", to the Clerk of the Board of Supervisors of Riverside County and to the Registrar of Voters of Riverside County.

**SECTION 9. Public Examination.** Pursuant to California Elections Code section 9295, the Measure will be available for public examination for no fewer than ten (10) calendar days prior to being submitted for printing in the voter information guide. The Clerk shall post notice in the Clerk's office of the specific dates that the examination period will run.

**SECTION 10. CEQA.** The City Council hereby finds and determines that the ballot Measure relates to organizational or administrative activities of governments that will not result in direct or indirect physical changes in the environment, and therefore is not a project within the meaning of the California Environmental Quality Act ("CEQA") and the State CEQA Guidelines, section 15378(b)(5).

**SECTION 11. Severability.** If any provision of this Resolution or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the Resolution which can be given effect without the invalid provision or application, and to this end the provisions of this Resolution are severable. The City Council hereby declares that it would have adopted this Resolution irrespective of the invalidity of any particular portion thereof.

**SECTION 12. Effective Date of Resolution.** This Resolution shall take effect immediately upon its adoption.

**APPROVED AND ADOPTED** this \_\_\_\_ day of \_\_\_\_\_, 2024.

**EXHIBIT "A"**

**ORDINANCE NO. 2024-1211**

**AN ORDINANCE OF THE PEOPLE OF THE CITY OF COACHELLA, CALIFORNIA, AMENDING CHAPTER 4.28 OF TITLE 4 (REVENUE AND FINANCE) OF THE COACHELLA MUNICIPAL CODE INCREASING THE MAXIMUM RATE OF THE CITY'S TRANSIENT OCCUPANCY (HOTEL) TAX FROM 9% TO 13%, ADDRESSING ONLINE TRAVEL COMPANY AND OTHER THIRD PARTY BOOKINGS AND MAKING OTHER CONFORMING CHANGES.**

(NOTE: Additions are highlighted in ***bold italics*** and deletions are highlighted in ~~strikeout~~)

**THE PEOPLE OF THE CITY OF COACHELLA DO ORDAIN AS FOLLOWS:**

**SECTION 1.** Subject to the approval of a majority of the voters of the City of Coachella at the General Municipal Election so designated by the City Council in a separate resolution placing the proposal on the ballot for such election, Chapter 4.28 of Title 4 of the Coachella Municipal Code is hereby amended to read as follows:

**"Chapter 4.28 – TRANSIENT OCCUPANCY TAX**

**4.28.010 - Title.**

This chapter shall be known as the "Uniform Transient Occupancy Tax Ordinance of the City of Coachella."

**4.28.020 - Definitions.**

Except where the context otherwise requires, the definitions given in this section govern the construction of this chapter:

"Hotel" means any structure or any portion of any structure including mobile home spaces or trailer spaces which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes, and includes any hotel, inn, ***single family residential home or house***, tourist home or house, motel, studio hotel, bachelor hotel, lodging house, rooming house, apartment house, dormitory, public or private club, mobile home or house trailer at a fixed location, or other similar structures or portion thereof.

"Occupancy" means the use or possession, or the right to use or possession of any room or rooms or portion thereof, in any hotel for dwelling, lodging or sleeping purposes.

"Operator" means the person who is the proprietor of a hotel, ***or any other person who has the right to rent rooms within the hotel to customers or to facilitate the rental of rooms***, whether in the capacity of owner, lessee, sublessee, mortgagee in possession, licensee, ***seller, reseller***, or any other capacity. Where the operator performs his or her functions through a managing agent of any type or character other than an employee, the managing agent shall also be deemed an operator for the purpose of this chapter and shall have the same duties and liabilities as his or her principal. ***Full*** ~~C~~compliance with the provisions of this chapter by either the principal or the managing agent shall, however, be considered to be compliance by both.

**“Online Short Term Rental Company” shall mean any person, whether operating for profit or not for profit, which facilitates the connection between transients aiming to purchase occupancy in any hotel via the Internet, or by similar electronic means.**

**“Online Travel Company” shall mean any person, whether operating for profit or not for profit, which enables transients to purchase occupancy in a hotel via the Internet, or by similar electronic means.**

"Person" means any individual, firm, partnership, joint venture, association, social club, fraternal organization, joint stock company, corporation, estate, trust, business trust, receiver, trustee, syndicate, or any other group or combination acting as a unit.

"Rent" means the **total** consideration charged **to the transient, (including but not limited to, room rates, service charges, parking fees, purchase price, advance registration, block or group reservation charges, assessments, retail markup, commission, processing fees, cancellation charges, attrition fees, or online booking or broker fees),** whether or not received, for the occupancy of space in a hotel valued in money, whether to be received in money, goods, labor or otherwise, including all receipts, cash, credits and property and services of any kind or nature, without any deduction therefrom whatsoever. **Nothing in this definition shall be construed to mean that rent is charged directly or indirectly for occupancy in a hotel when a room is provided to the transient as a compliment for the operator and where no consideration is charged to or received from any other person. Further, bona fide charges for food and beverages which are subject to tax under the California Sales and Use Tax Law (Revenue and Taxation Code Sections 6001 et. seq.) shall not be deemed rent subject to the tax imposed by this chapter.**

"Tax administrator" means the **City’s** director of finance **who shall be charged with administration of the tax under this chapter.**

"Transient" means any and all persons who exercise occupancy or are entitled to occupancy by reason of concession, permit, right of access, license or other agreement, for a period of ~~the first~~ thirty (30) consecutive calendar days or less, counting portions of calendar days as full days. **The following rules shall apply to this definition:**

1. Any such person so occupying **or entitled to occupy** space in a hotel shall be deemed to be a transient until the period of thirty (30) **calendar** days has expired. **Any person who exercises or is entitled to occupancy for a period of thirty (30) consecutive calendar days or less shall be deemed to be a transient, regardless of whether the reservation and payment or payment for occupancy is made directly by the person exercising or entitled to occupancy or by another person or entity. The intent is to tax the person occupying or having the entitlement to occupy the hotel room.**
2. **In determining whether a person is a transient, uninterrupted periods of time extending both prior and subsequent to the effective date of this chapter may be considered.**
3. ~~The fact that a person continues to occupy the hotel subsequent to the thirty (30) day period does not alter his status as a transient for the first thirty (30) days.~~ **In the event a person exercises or is entitled to occupancy for a continuous and uninterrupted period of longer than thirty (30) calendar days, he or she shall be deemed a transient and subject to the tax for only for the first thirty**

***(30) calendar days of occupancy. The person shall cease being a transient and the tax shall not apply to the thirty-first (31st) calendar day and each following calendar day of continuous and uninterrupted occupancy. However, any break or interruption in occupancy shall start a new thirty (30) calendar day period subject to the tax.***

**4.28.030 - Imposed—Payment.**

A.—For the privilege of ***transient*** occupancy in any hotel, a transient is subject to and shall pay a ***maximum*** tax in the amount of ~~nine~~ ***thirteen*** percent of the rent charged ***paid*** by the operator ~~***transient***~~ for any period of time up to thirty (30) days, save and except such occupancy is for a term longer than thirty (30) days. Such tax constitutes a debt owed by the transient to the city, which is extinguished only by payment to the operator, ***a rental agent pursuant to Section 4.28.055 of this chapter***, or to the city. The transient shall pay the tax to the operator ~~of the hotel~~ ***or rental agent*** at the time the rent is paid. If the rent is paid in installments, a proportionate share of the tax shall be paid with each installment. The unpaid tax shall be due upon the transient's ceasing to occupy space in the hotel. If for any reason the tax is not paid to the operator ~~of the hotel~~ ***or rental agent***, the tax administrator may require that such tax be paid direct***ly*** to the tax administrator.

~~B. In the case of time sharing uses, the transient occupancy tax shall be computed by averaging the daily room rates for conventionally utilized transient living facilities of the same approximate size and within the same zone in the city as defined by the finance director and applying the tax rate under this chapter thereto. Upon computation of such daily average room rates, the taxes may be increased every year in an amount equivalent to the percentage increase in the Los Angeles Consumer Price Index and the applicable tax computed therefrom. The daily average room rate, as computed and adjusted in this section, shall also be collected for each day time sharing units are rented on a conventional basis.~~

**4.28.040 - Exemptions.**

No tax shall be imposed upon:

- A. Any person as to whom, or any occupancy as to which, it is beyond the power of the city to impose the tax provided in this section;
- B. Any federal or state of California officer or employee when ***occupying a room while*** on official business; and
- C. Any officer or employee of a foreign government who is exempt by reason of express provision of federal law or international treaty.

No exemption shall be granted except upon a claim therefor made at the time rent is collected and under penalty of perjury upon a form prescribed by the tax administrator. ***Any officer or employee when on official government business claiming such an exemption shall provide to the operator or rental agent as conclusive evidence that his or her occupancy is for the official business of his or her employer:***

- 1. ***Travel orders from his or her government employer; or a government warrant issued by his or her employer to pay for the occupancy; or a government credit card issued by his or her employer to pay for the occupancy; and***

2. ***Proof of his or her governmental employment as an employee or officer, and proof, consistent with these provisions, that his or her occupancy is for the official business of his or her governmental employer.***

***It shall be the duty of an operator or rental agent to keep and maintain for a period of three (3) years written documentation in support of each exemption granted under this Section.***

**4.28.050 - Operator's duties—Absorbing tax prohibited.**

Each operator shall collect the tax imposed by this chapter to the same extent and at the same time as the rent is collected from every transient. The amount of tax shall be separately stated from the amount of the rent charged, and each transient shall receive a receipt for payment from the operator. No operator of a hotel shall advertise or state in any manner, whether directly or indirectly, that the tax or any part thereof will be assumed or absorbed by the operator, or that it will not be added to the rent, or that, if added, any part will be refunded except in the manner hereinafter provided.

**4.28.055. Third Party Rental Transactions.**

- A. ***Any transient who pays rent to an online short term rental company, an online travel company, or similar agent (collectively a “rental agent”) instead of to an operator shall, at the time the rent is paid, pay the tax to the rental agent in the manner required by section 4.28.030. If for any reason the tax is not paid to the rental agent, it shall be paid to the operator before the transient has ceased occupancy in the hotel or paid directly to the tax administrator pursuant to section 4.28.030. Any transient seeking a refund under section 4.28.120 of taxes paid to a rental agent must establish that the transient has been unable to obtain a refund from the rental agent who collected the tax.***
- B. ***Any rental agent who collects rent shall comply with all obligations of the operator set forth in sections 4.28.050 and 4.28.110 of this chapter. The rental agent shall remit all collected taxes to the operator before the deadline for the operator to remit the taxes to the tax administrator under section 4.28.070 and the rental agent shall provide the operator with copies of all records required to be maintained by the operator pursuant to section 4.28.110 of this chapter, including records necessary for the operator to comply with its obligations under this chapter.***
- C. ***If the tax administrator determines that a rental agent has failed to collect, remit, or report any tax, the tax administrator may take any action against the rental agent that he or she may take against an operator under sections 4.28.080 and 4.28.090 of this chapter subject to the requirements of those sections. If the tax administrator assesses unremitted taxes and penalties against the rental agent, the rental agent shall be subject to the provisions of sections 4.28.090, 4.28.100, 4.28.120 and 4.28.130 of this chapter as if it were an operator. Nothing in this section shall prohibit the tax administrator from assessing the full amount of any unremitted taxes and penalties solely against the operator in lieu of assessing some or all of those taxes and penalties against the rental agent.***

**4.28.060 - Registration required—Certificate.**

Within thirty (30) days after commencing business, each operator of any hotel renting occupancy to transients shall register the hotel with the ~~city clerk~~ **tax administrator** and obtain from him or her a "Transient Occupancy Registration Certificate" to be at all times posted in a conspicuous place on the premises. Such certificate shall, among other things, state the following:

- A. The name of the operator;
- B. The address of the hotel;
- C. The date upon which the certificate was issued;
- D. A statement that:

"This Transient Occupancy Registration Certificate signifies that the person named on the face hereof has fulfilled the requirements of the Uniform Transient Occupancy Tax Ordinance by registering with the tax administrator for the purpose of collecting from transients the transient occupancy tax and remitting said tax to the tax administrator. This certificate does not authorize any person to conduct any unlawful business or to conduct any lawful business in an unlawful manner, nor to operate a hotel without strictly complying with all local applicable laws, including but not limited to those requiring a permit from any board, commission, department or office of this city. This certificate does not constitute a permit."

**4.28.070 - Reporting and remitting tax.**

Each operator shall, on or before the last day of the month following the close of each calendar quarter, or at the close of any shorter reporting period which may be established by the tax administrator, make a return to the tax administrator, on forms provided by him or her, of the total rents charged and received and the amount of tax collected for transient occupancies. At the time the return is filed, the full amount of the tax collected shall be remitted to the ~~city clerk~~ **tax administrator**. The tax administrator may establish shorter reporting periods for any certificate holder if he or she deems it necessary in order to insure collection of the tax and he or she may further require information in the return. Returns and payments are due immediately upon cessation of business for any reason. All taxes collected by operators pursuant to this chapter shall be held in trust for the account of the city until payment thereof is made to the tax administrator.

**4.28.080 - Penalties and interest.**

- A. Original Delinquency. Any operator who fails to remit any tax imposed by this chapter within the time required shall pay a penalty of ten (10) percent of the amount of the tax in addition to the amount of the tax.
- B. Continued Delinquency. Any operator who fails to remit any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second delinquent penalty of ten (10) percent of the amount of the tax in addition to the amount of the tax and the ten (10) percent penalty first imposed.

- C. Fraud. If the tax administrator determines that the nonpayment of any remittance due under this chapter is due to fraud, a penalty of twenty-five (25) percent of the amount of the tax is added thereto in addition to the penalties stated in subsections A and B of this section.
- D. Interest. In addition to the penalties imposed, any operator who fails to remit any tax imposed by this chapter shall pay interest at the rate of one percent per month or a fraction thereof on the amount of the tax, exclusive of penalties, from the date on which the remittance first became delinquent until paid.
- E. Penalties Merged with Tax. Every penalty imposed and such interest as accrues under the provisions of this section shall become a part of the tax in this section required to be paid.

**4.28.090 - Failure to collect and report tax—Determination of tax by tax administrator.**

If any operator shall fail or refuse to collect such tax and to make, within the time provided in this chapter, any report and remittance of such tax or any portion thereof required by this chapter, the ~~city clerk~~ **tax administrator** shall proceed in such manner as he or she may deem best to obtain facts and information on which to base his or her estimate of the tax due. As soon as the ~~city clerk~~ **tax administrator** shall procure such facts and information as he or she is able to obtain upon which to base the assessment of any tax imposed by this chapter and payable by any operator who has failed or refused to collect the same and to make such report and remittance, he or she shall proceed to determine and assess against such operator the tax, interest and penalties provided for by this chapter. In case such determination is made, the ~~city clerk~~ **tax administrator** shall give a notice of the amount so assessed by serving it personally or by depositing it in the United States mail, postage prepaid, addressed to the operator so assessed at his or her last known place of address. Such operator may within ten (10) days after the serving or mailing of such notice make application in writing to the ~~city clerk~~ **tax administrator** for a hearing on the amount assessed. If application by the operator for a hearing is not made within the time prescribed, the tax, interest and penalties, if any, determined by the tax administrator shall become final and conclusive and immediately due and payable. If such application is made, the tax administrator shall give not less than five days' written notice in the manner prescribed in this chapter to the operator to show cause at a time and place fixed in such notice why the amount specified therein should not be fixed for such tax, interest and penalties. At such hearing the operator may appear and offer evidence why the specified tax, interest and penalties should not be so fixed. After such hearing the tax administrator shall determine the proper tax to be remitted and shall thereafter give written notice to the person in the manner prescribed in this chapter of such determination and the amount of such tax, interest and penalties. The amount determined to be due shall be payable after fifteen (15) days unless an appeal is taken as provided in Section 4.28.100.

**4.28.100 - Appeals.**

Any operator aggrieved by any decision of the tax administrator with respect to the amount of such tax, interest and penalties, if any, may appeal **the decision** to the ~~council~~ **city manager** by filing a notice of appeal with the tax administrator within fifteen (15) days of the serving or mailing of the determination of tax due. The ~~council~~ **city manager** shall fix a time and place for hearing such appeal, and the tax administrator shall give notice in writing **by mail** to such operator at his or her last known place of address. The findings of the ~~council~~ **city manager** shall be final and conclusive and shall be served upon the appellant in the manner prescribed above for service of

notice of hearing. Any amount found to be due shall be immediately due and payable upon the service of notice **the city manager's findings.**

**4.28.110 - Records required—Right to inspect**

It shall be the duty of every operator liable for the collection and payment to the city of any tax imposed by this chapter to keep and preserve, for a period of three years, all such records as may be necessary to determine the amount of such tax as he or she may have been liable for the collection of and payment to the city, which records the tax administrator shall have the right to inspect at all reasonable times.

**4.28.120 - Refunds.**

- A. Whenever the amount of any tax, interest or penalty has been overpaid or paid more than once or has been erroneously or illegally collected or received by the city under this chapter it may be refunded as provided in subsections B and C of this section. ~~provided a claim in writing therefor, stating under penalty of perjury the specific grounds upon which the claim is founded, is filed with the city clerk within three years of the date of payment. The claim shall be on forms furnished by the tax administrator.~~
- B. ~~An operator may claim a refund or take as credit against taxes collected and remitted the amount overpaid, paid more than once or erroneously or illegally collected or received when it is established in a manner prescribed by the tax administrator that the person from whom the tax has been collected was not a transient; provided, however, that neither a refund nor a credit shall be allowed unless the amount of the tax so collected has either been refunded to the transient or credited to rent subsequently payable by the transient to the operator.~~ **No refund may be made except upon a written claim verified by the person who paid the tax, or by his or her guardian or conservator, or by the executor or administrator of his or her will or estate. The written claim must be presented to the tax administrator within one (1) year after the payment of the amount sought to be refunded, and must state the grounds upon which the claim is made. An operator may claim a refund or claim a credit against taxes collected but not yet remitted to the City of the amount overpaid, paid more than once, or erroneously or illegally collected. However, in the case of a tax erroneously or illegally collected by the Operator but not yet remitted to the City, no refund shall be allowed unless a written, verified claim has been submitted to the operator, in the form prescribed above, by the person who paid the tax, and the amount thereof has either been refunded by the operator to the person who paid the tax, or credited against rent subsequently payable by such person.**
- C. ~~A transient may obtain a refund of taxes overpaid or paid more than once or erroneously or illegally collected or received by the city by filing a claim in the manner provided in subsection A of this section, but only when the tax was paid by the transient directly to the tax administrator, or when the transient having paid the tax to the operator, establishes to the satisfaction of the tax administrator that the transient has been unable to obtain a refund from the operator who collected the tax.~~ **No refund shall be paid under the provisions of this section unless a written claim for refund is presented according to this section. No suit for money, damages, or a refund may be brought against the City until a written claim for the refund has been presented to the City and has been acted upon or has been deemed to be rejected by the City, in accordance with this**

**section. Only the person who filed the claim may bring such a suit, and if another person should do so, judgment shall not be rendered for the plaintiff. .**

- D. No refund shall be paid under the provisions of this section unless the claimant establishes his or her right thereto by written records showing entitlement thereto.

**4.28.130 - Actions to collect.**

Any tax required to be paid by any transient under the provisions of this chapter shall be deemed a debt owed by the transient to the city. Any such tax collected by an operator which has not been paid to the city shall be deemed a debt owed by the operator to the city. Any person owing money to the city under the provisions of this chapter shall be liable to an action brought in the name of the city for the recovery of such amount.

**4.28.140 – Additional Powers and Duties of the Tax Administrator.**

- A. **The tax administrator shall have the power and duty, and is hereby directed to enforce each and all provisions of this chapter.**
- B. **The tax administrator shall have the power to adopt rules and regulations not inconsistent with the provisions of this chapter for the purpose of carrying out and enforcing the payment, collection and remittance of the taxes herein imposed. A copy of such rules and regulations shall be on file in the tax administrator’s office.**
- C. **The tax administrator shall review all claims for exemption and shall determine the eligibility of any such claim.**

**4.28.150 – Repeal of Amendment of Chapter.**

**This chapter may be repealed or amended by the city council without a vote of the people of the City of Coachella. However, as required by California Constitution Article XIII C (Proposition 218), voter approval is required for any amendment or provision that would increase the maximum rate or methodology of any tax levied pursuant to this chapter. The people of the City of Coachella affirm that the following actions shall not constitute an increase of the rate or methodology of the transient occupancy tax requiring subsequent voter approval:**

- A. **The restoration of the rate of the tax to a rate that is no higher than the maximum set by this voter-approved chapter, if the city council has previously acted to reduce the rate of the tax;**
- B. **An action that interprets or clarifies the methodology of the tax, or any definition applicable to the tax, so long as interpretation or clarification (even if contrary to some prior interpretation or clarification) is not inconsistent with the language of this chapter;**
- C. **The establishment of a class of person or service that is exempt or excepted from the tax or the discontinuation of any such exemption or exception (other than the discontinuation of an exemption or exception explicitly set forth in this chapter); and**

***D. Resuming collection of the tax imposed by this chapter, even if the City had, for some period of time, either suspended collection of the tax or otherwise failed to collect the tax, in whole or in part.***

**4.28.140160 - Violations.**

Any person violating any of the provisions of this chapter shall be guilty of a misdemeanor and shall be punishable therefor as provided by Section 1.08.010.

Any operator or other person who fails or refuses to register as required in this chapter, or to furnish any return required to be made, or who fails or refuses to furnish a supplemental return or other data required by the city clerk, or who renders a false or fraudulent return or claim, is guilty of a misdemeanor, and is punishable as aforesaid. Any person required to make, render, sign or verify any report or claim, or who makes any false or fraudulent report or claim with intent to defeat or evade the determination of any amount due required by this chapter to be made, is guilty of a misdemeanor and is punishable as aforesaid."

**SECTION 2.** If any portion of this ordinance is declared invalid by a court of law or other legal body with applicable authority, the invalidity shall not affect or prohibit the force and effect of any other provision or application of the ordinance that is not deemed invalid. The voters of the City hereby declare that they would have circulated for qualification and/or voted for the adoption of this Section, and each portion thereof, regardless of the fact that any portion of the initiative may be subsequently deemed invalid.

**SECTION 3.** Pursuant to California Constitution Article XIIC §(2)(b) and California Elections Code §9217, this ordinance shall take effect only if approved by a majority of the eligible voters of the City of Coachella voting at the General Municipal Election to be held on November 5, 2024. The new maximum taxing rate shall go into effect January 1, 2025.

**SECTION 4.** The Mayor is hereby authorized to attest to the adoption of this Ordinance by the People voting thereon on November 5, 2024, by signing where indicated below.

I hereby certify that the foregoing Ordinance was **PASSED, APPROVED AND ADOPTED** by the People of the City of Coachella on the 5<sup>th</sup> day of November, 2024.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Anahi Fernandez, Management Analyst

**SUBJECT:** Adopt Resolution No. 2024-39 authorizing the establishment of an annual special tax for City of Coachella Community Facilities District No. 2005-01 (Law Enforcement, Fire and Paramedic Services) and annexation areas thereto for Fiscal Year 2024/2025.

**STAFF RECOMMENDATION:**

Staff recommends that the City Council open the public hearing, take any testimony, and adopt Resolution No. 2024-39.

**EXECUTIVE SUMMARY:**

Resolution No. 2024-39 establishes an updated levy of the special taxes in the Community Facilities District (CFD) 2005-1 and the Annexation Areas in the current tax year at the new rate reflecting the annual Consumer Price Index adjustment for the special taxes. This an annual City Council action item which triggers the certified list of all parcels in the CFD 2005-1 and the Annexation Areas subject to the levy with updated amounts to be levied on each parcel. These will be compiled by the City’s consultant and the levy for the current tax year will be sent to the County Auditor-Controller in order for the City to collect the assessments for the 2024/2025 fiscal year.

Through adoption of Resolution No. 2024-39, the City Manager is authorized to determine the specific rates and amounts of the special tax to be collected from taxable parcels within the CFD 2005-1 and the Annexation areas for Fiscal Year 2024/2025. Additionally, the City Manager is authorized to prepare the Fiscal Year 2024/2025 Certified List and to submit such list to the County Auditor on or before August 10, 2024.

**BACKGROUND:**

The City Council initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors to authorize the levy of special taxes in City of Coachella Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services), Annexation Area Nos. 1, 2, 3, 4, 5, 6, 7, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 28, 29, 30, 31, 32, 33, 34 and 35 of the 2005-1 CFD, all as authorized pursuant to the terms and provisions of the “Mello-Roos Community Facilities Act of 1982.”

Commencing with Fiscal Year 2005/2006 and for each following Fiscal Year, the City Council has levied the Special Tax at the Maximum Special Tax on all Developed Single-Family Residential Property and Developed Multi-Family Residential Property for which a building permit for the construction of residential units are issued prior to June 30 of the prior fiscal year.

**DISCUSSION/ANALYSIS:**

A review of new building permits issued by the City's Building Division for the current Fiscal Year 2023/2024 reveals that there were 34 new qualifying single-family dwelling units and 108 new qualifying multifamily unit permits issued within the Community Facility District 2005-01 boundaries or annexation areas, compared to one hundred ninety-eight (198) single family units and zero (0) multifamily units for Fiscal Year 2022/2023. The City issued permits for homes inside Bellissima (Tract No. 31978) by developer Pulte Homes and for the Tripoli Apartments by developer Chelsea Investment Corporation.

Accordingly, there will be 142 new properties added to the Fiscal Year 2024/2025 assessment. Additionally, the Consumer Price Index adjustment will increase the annual assessment by 4.65% based on the U.S. Department of Labor Statistics for Riverside-San Bernardino-Ontario, California. Therefore, the new annual assessment will increase from \$1,449.08 to \$1,516.52. This equates to a change in total anticipated levy from \$2,908,303.86 to \$3,259,002.62 or an increase of \$350,698.76. The final special tax roll for the new assessments will be sent to the County Assessor prior to August 10, 2024.

**ALTERNATIVES:**

1. Approve Resolution No. 2024- 39 as requested.
2. Take no action.
3. Continue this item and provide staff with direction.

**FISCAL IMPACT:**

The total projected levy for the City of Coachella Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services) in Fiscal Year 2024/25 is \$3,259,002.62 and funds are used for police, fire and paramedic services. The CFD term runs in perpetuity, and for the 2024/2025 fiscal year the annual assessments will include a 4.65% CPI escalator to adjust for inflation as compared to the 2023/2024 assessment.

**RECOMMENDED ALTERNATIVE(S):**

Staff recommends alternative #1.

**RESOLUTION NO. 2024-39**

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, AUTHORIZING THE ESTABLISHMENT OF AN ANNUAL SPECIAL TAX FOR CITY OF COACHELLA COMMUNITY FACILITIES DISTRICT NO. 2005-1 (LAW ENFORCEMENT, FIRE AND PARAMEDIC SERVICES) AND ANNEXATION AREAS THERETO FOR FISCAL YEAR 2024/25.**

**WHEREAS**, the City Council (the “Council”) of the City of Coachella (the “City”) had previously initiated proceedings, held a public hearing, conducted an election and received a favorable vote from the qualified electors to authorize the levy of special taxes in City of Coachella Community Facilities District No. 2005-1 (Law Enforcement, Fire and Paramedic Services) (the “CFD 2005-1”), Annexation Area Nos. 1, 2, 3, 4, 5, 6, 7, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 28, 29, 30, 31, 32, 33, 34 and 35 of the 2005-1 CFD (collectively, the “Annexation Areas”), all as authorized pursuant to the terms and provisions of the “Mello-Roos Community Facilities Act of 1982,” being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California (the “Act”); and,

**WHEREAS**, this Council, by the adoption of applicable ordinances, as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of such special taxes in the CFD 2005-1 and the Annexation Areas; and,

**WHEREAS**, Government Code Section 53340 provides that this Council may provide, by resolution, for the levy of the special taxes in the CFD 2005-1 and the Annexation Areas in the current tax year and future tax years at the same rates or at a lower rate than the rate provided for in the ordinance levying such special taxes if such resolution is adopted and a certified list of all parcels in the CFD 2005-1 and the Annexation Areas subject to the special tax levy including the amount of the special tax to be levied on each parcel in the CFD 2005-1 and the Annexation Areas for the current tax year (the “Fiscal Year 2023/2024 Certified List”) and future tax years, is timely filed by the clerk or other official designated by this Council with the Auditor of the County of Riverside (the “County Auditor”).

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHELLA DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:**

**Section 1.** The above recitals are all true and correct.

**Section 2.** The City Manager is hereby authorized and directed to determine or cause to be determined the specific rates and amounts of the special tax to be collected from taxable parcels within the CFD 2005-1 and the Annexation areas for Fiscal Year 2024/2025.

**Section 3.** The City Manager is hereby authorized and directed to prepare or cause the preparation of the Fiscal Year 2024/2025 Certified List and to submit such list to the County Auditor on or before August 10, 2024 or such later date to which the County Auditor may agree.

**Section 4.** The special tax shall be collected in the same manner as ordinary ad valorem property taxes are collected, and shall be subject to the same penalties and same procedure and sale in cases of any delinquency for ad valorem taxes, and the Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said special tax.

**Section 5.** It is hereby further directed that a certified copy of this Resolution, together with the Certified List for Fiscal Year 2024/2025, also be filed with the County Auditor.

**Section 6.** The County Auditor is hereby directed to enter in the next County assessment roll on which taxes will become due, opposite each lot or parcel of land effected in a space marked “public improvements, special tax” or by any other suitable designation, the installment of the special tax.

**Section 7.** The County Auditor shall then, at the close of the tax collection period, promptly render to the City a detailed report showing the amount and/or amounts of such special tax installments, interest, penalties and percentages so collected and from what property collected, and also provide a statement of any percentages retained for the expense of making any such collection.

**Section 8.** This resolution shall become effective upon its adoption.

**PASSED, APPROVED and ADOPTED** this 24<sup>th</sup> day of July, 2024.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Maritza Martinez, Public Works Director

**SUBJECT:** Public Hearing for Resolution No. 2024-41 Confirming the Assessment and Diagram and Ordering the Levy and Collection of Assessments for the City of Coachella Landscaping and Lighting Maintenance District No. 1 through 40 for Fiscal Year 2024/2025

**STAFF RECOMMENDATION:**

The City Council adopts Resolution No. 2024-41:

- I. Confirming the Diagram and Assessments and Ordering the Levy and Collection of Assessments for the City of Coachella Landscaping and Lighting Maintenance District 1 through 40 for Fiscal Year 2024/2025, pursuant to the provisions of Part 2 Division 15 of the California Streets and Highways Code.
- II. Authorize and Direct the City Clerk to file the diagram and assessment with the Riverside County Assessor/ County Clerk-Recorder's Office

**EXECUTIVE SUMMARY:**

In accordance with the "Landscaping and Lighting Act of 1972" of the Streets and Highways Code, on July 10, 2024, the City Council adopted Resolution No. 2024-23, and initiated proceedings to update the Districts for the next Fiscal year declaring its Intention to Levy and Collect Assessments and Ordered the preparation of the Engineer's Report. On July 10, 2024 the City Council adopted Resolution No. 2022-23 giving Preliminary Approval of the Engineer's and setting a time and place for the Public hearing to Levy and Collect Assessments. A map displaying the Districts is attached herewith as Exhibit "A".

Resolution No. 2024-41, if approved, will confirm the assessments for the Fiscal Year 2024/2025 for the City of Coachella Landscaping and Lighting Maintenance District Number 1 through 40, shown on the attached Exhibit "A" and "B". A notice of Public Hearing was posted in the local newspaper on the attached Exhibit "C".

**FISCAL IMPACT:**

Approval of the assessments would have no adverse impact to the General Fund. The proposed assessments for each District has been prepared based upon the improvements and maintenance expenses necessary to maintain the common areas within each District. The revenues and expenditures are accounted for within separate 160 fund accounts within each District.

 correct.  
 SECTION 2. The Engineer's  
 Report as presented, consists  
 of the following:  
 the  
 The Plans and Specifications

which describe the boundaries of the Districts and the improvements associated therewith that provide special benefits to parcels therein.

The Method of Apportionment that details the method of calculating proportional special benefit and the annual assessment obligation for each affected parcel.

The Estimate of Improvement Costs including the calculation of the assessments and the the estimated annual funding (Budget) required for the annual maintenance, servicing, and operation of the landscaping and lighting improvements and specifically the costs associated with the improvements determined to be of special benefit to parcels within the Districts, establishing the proposed maximum assessment and the assessment for fiscal year 2024/2025.

The Assessment Range Formula (Annual Inflationary Adjustment) to be applied to the proposed Maximum Assessment Rate per Equivalent Benefit Unit. A District Diagram outlining the boundaries of the Districts for fiscal year 2024/2025.

An Assessment Roll containing the proposed maximum assessment for fiscal year 2024/2025 for each Assessor Parcel Number within the Districts.

SECTION 3. The City Council hereby approves the Engineer's Report on a preliminary basis as submitted or amended by direction of this City Council, and orders said Report to be filed to in the Office of the City Clerk as a permanent record and

remain open to public inspection, and by reference the Engineer's Report is made part of this resolution. SECTION 4. The City Council hereby declares its intention to levy and collect special assessments within the boundaries of the City of Coachella Landscaping and Lighting fiscal Maintenance District No. 1 through 40 for year 2024/2025, pursuant to the Landscape and Lighting Act of 1972 to pay the costs of the improvements and maintenance described in Sections 5 and 6, below, that are within budget. The proposed assessments will not increase above the maximum levy allowed by Proposition 218. SECTION 5. The City Council hereby finds that the territory within the Districts as identified in the Engineer's Report consists of and includes those lots, parcels and subdivisions of land that will receive special benefits from the improvements to be provided. SECTION 6. The improvements and services for the District as identified in the Engineer's Report, include, but are not limited to, the maintenance, operation and servicing of various landscaping improvements established in connection with development of the properties within the District, and which shall be maintained for the special benefit of those properties. The maintenance and servicing of the improvements generally include, but are not limited to turf, ground cover, shrubs, and plants; vines, trees; irrigation and drainage

systems; masonry walls, retaining walls, or other fencing; monuments; hard-scapes; concrete, gravel, or decomposed granite trails, pathways and/or access roads; and other related appurtenant facilities within the District. The proposed local street lighting improvements include operation of lights only, not maintenance. Engineer's Report prepared and filed with the City Clerk provides a more detailed description of the improvements and services to be provided and for which properties shall be assessed.

SECTION 7. The City Council hereby determines that to provide the improvements described in section 6 of this resolution, it is necessary to levy and collect assessments against lots and parcels within the District commencing in fiscal year 2024/2025. Engineer's Report referred to in Section 2 of this resolution establishes the fiscal year 2024/2025 proposed maximum assessment for the District including the annual inflationary adjustment to the maximum assessment rates.

The SECTION 8. The City Council hereby authorizes and directs the City Clerk shall give notice of public meeting and public hearing follows:

as

a) The City Clerk shall cause

<sup>(1)</sup> District No. 5 dissolved March 2013 and District No. 26 dissolved June 2013.

<sup>(2)</sup> District No. 37 tract map not recorded, therefore not developed and no levy as of Fiscal Year 2024/2025.

The Engineer's Report (the "Report") has been prepared pursuant to Chapter 1, Article 4 and Chapter 3 of the 1972 Act, and presented to the City Council for their consideration and approval of the proposed improvements and services to be provided within the District and the levy and collection of annual assessments for fiscal year 2024/2025.

This Report describes the District, the improvements, and the proposed assessments to be levied against properties in connection with the benefits the properties will receive from the maintenance and servicing of the District improvements for fiscal year 2024/2025. The annual assessments to be levied on properties within the District provide a funding source for the continued operation and maintenance of local landscape improvements installed in connection with the development of properties within the District. Each fiscal year, the City establishes the District's assessments based on an estimate of the costs to maintain, operate and service the landscape improvements and based upon available revenues including fund balances, City contributions and assessment limits. The costs of the improvements and the proposed annual assessments budgeted and assessed against properties within the District may include: the estimated expenditures for regular annual maintenance and repairs; incidental expenditures related to the operation and administration of the District; deficits or surpluses from prior years; revenues from other sources; and the collection of adequate funds for operational reserves or periodic expenditures including installments collected for long-term improvement projects. Each parcel is assessed proportionately for only those

improvements, services, and expenses for which the parcel will receive special benefit.

The word “parcel,” for the purposes of this Report, refers to an individual property assigned its own Assessor’s Parcel Number (APN) by the Riverside County Assessor’s Office. The Riverside County Auditor-Controller uses Assessor’s Parcel Numbers and specific Fund Numbers to identify properties to be assessed on the tax roll for the special benefit assessments.

Following consideration of all public comments and written protests at a noticed public hearing, the City Council may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and confirmation of the assessments, the Council may order the levy and collection of assessments for fiscal year 2024/2025 pursuant to the 1972 Act. In such case, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll for each benefiting parcel in fiscal year 2024/2025.

## **B. COMPLIANCE WITH CURRENT LEGISLATION**

On November 5, 1996, California voters approved Proposition 218 (The Right to Vote on Taxes Act) that established specific requirements for the ongoing imposition of taxes, assessments, and fees. The provisions of this proposition are now contained in the California Constitution as Articles XIIC and XIID. can be summarized in four general areas:

1. Strengthens the general and special tax provisions of Proposition 13 and Proposition 62.
2. Extends the initiative process to all local taxes, assessments, fees, and charges.
3. Adds substantive and procedural requirements to assessments.
4. Adds substantive and procedural requirements to property-related.

The District assessments were presented to the property owners and approved through a protest ballot proceeding in compliance with the provisions of Proposition 218.

## **C. IMPROVEMENTS AUTHORIZED BY THE 1972 ACT**

As applicable or may be applicable to the Districts, the 1972 Act defines improvements to mean one or any combination of the following:

- The installation or planting of landscaping.
- The installation or construction of statuary, fountains, and other ornamental structures and facilities.

- The installation or construction of public lighting facilities.
- The installation or construction of any facilities which are appurtenant to any of the foregoing, or which are necessary or convenient for the maintenance or servicing thereof, including, but not limited to, grading, clearing, removal of debris, the installation or construction of curbs, gutters, walls, sidewalks, or paving, or water, irrigation, drainage, or electrical facilities.
- The maintenance or servicing, or both, of any of the foregoing.
- The acquisition of any existing improvement otherwise authorized pursuant to this section.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the Report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting and mailing of notices;
- Compensation payable to the County of Riverside (the "County") for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.
- Costs associated with any elections held for the approval of a new or increased assessment.

The 1972 Act defines "Maintain" or "Maintenance" to mean furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- Repair, removal, or replacement of all or any part of any improvement.
- Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury.
- The removal of trimmings, rubbish, debris, and other solid waste.
- The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.

## **II. PLANS AND SPECIFICATIONS**

---

### **A. DISTRICTS OVERVIEW**

The territory within the Districts consists of all lots or parcels of land within the City of Coachella. The purpose of the Districts is to provide in part through annual assessments, funding for the ongoing operation, maintenance, and servicing of landscaping, streetlighting, traffic signal improvements and related facilities and services in various areas throughout the City. Improvements that can be provided within the Districts generally include but are not limited to:

- Landscape improvements within the street medians and parkway side-panels, including parkways, slopes and entryways; and various non-street landscape areas including greenbelts, slopes, local trails, and open space areas within various landscape zones. These landscaped improvements and areas may include but are not limited to various combinations of trees; turf; ground cover; shrubs, plantings and other amenities including retaining walls, monuments, fencing, sidewalks, stamped concrete or pavers; irrigation and drainage systems; and related appurtenances.
- Local Lighting facilities on the public streets within the City. These lighting improvements may include but are not limited to streetlights located on the City's arterial streets, traffic signals located throughout the City and local streetlights within or adjacent to the various developments and subdivisions.

## B. DESCRIPTION OF DISTRICTS

The Districts therein provide the continued maintenance, servicing, administration, and operation of various landscape improvements and associated appurtenant landscape structures located within the public rights-of-way and dedicated landscape easements associated with the various tracts and on individual parcels located within the Districts. Each tract or parcel is identified within a designated District with differing costs and benefits to the parcels within that District. The spreading of the improvement costs is based upon the total cost of the improvements within each District and is proportionately spread among all benefiting properties within the District based on either land use and acreage or number of parcels.

As of fiscal year 2024/2025, the following are descriptions of the Districts therein:

### III. METHOD OF APPORTIONMENT

---

The 1972 Act permits the establishment of assessment districts by agencies for the purpose of providing certain public improvements, including the acquisition, construction, installation and servicing of landscape improvements and related facilities. The 1972 Act requires that the cost of these improvements be levied according to benefit rather than assessed value:

Section 22573 defines the net amount to be assessed as follows:

*“The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.”*

The formula used for calculating assessments reflect the composition of parcels within the Districts and the improvements and activities to be provided and have been designed to fairly apportion the cost of providing those improvements based on a determination of the proportional special benefits to each parcel, consistent with the requirements of the 1972 Act and the provisions of Proposition 218 and Article XIII D of the California Constitution.

#### A. CALIFORNIA CONSTITUTION

The costs to operate and maintain the Districts improvements are identified and allocated to properties on the special benefits conferred. The improvements provided and for which properties within the Districts are to be assessed are identified as local improvements and related amenities that were installed in connection with the development of the properties and/or would otherwise be required for the development of properties within the Districts and consistent with the provisions of the 1972 Act. The assessments and method of apportionment described herein are based on the premise that these improvements would otherwise not have been installed and maintained by the County. The improvements were installed as part of the development or planned development of the parcels within the Districts and the level of maintenance required for the improvements is greater than what the County would otherwise install, maintain, and fund elsewhere in the County.

Article XIII D Section 2(d) defines District as follows:

*“District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service.”*

Article XIII D Section 2(i) defines special benefit as follows:

*“Special benefit” means a particular and distinct benefit over, and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute “special benefit.”*

Article XIII D Section 4(a) defines proportional special benefit assessments as follows:

*“An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.”*

## **B. BENEFIT ANALYSIS**

The improvements provided within the Districts, for which properties will be assessed have been identified as necessary, desired and/or required for the orderly development of the properties within the Districts to their full potential, consistent with the development plans.

### **SPECIAL BENEFITS**

The ongoing maintenance of landscaped areas within the Districts will provide aesthetic benefits to the properties and are intended to provide a more pleasant environment to walk, drive, live, and work. The primary function of these improvements and related amenities is to serve as an aesthetically pleasing enhancement and open space area for the benefit of the immediate surrounding properties and development for which the improvements were constructed and installed, and/or were facilitated by the development or potential development of properties within the Districts. These improvements are an integral part of the physical environment associated with the parcels in the Districts and while these improvements may in part be visible to properties outside the Districts and/or occasionally accessed by the general public, if these improvements are not properly maintained, it is the parcels within the District that would be aesthetically burdened and/or impacted directly by potential environmental issues such as dust, debris, pests, water runoff, erosion, and fire hazards. Thus, the maintenance of these improvements provides advantages to the assessed properties that affect the assessed parcels in a way that is particular and distinct from their effect on other parcels and that real property in general and the public at large do not share.

Collectively these improvements, related amenities, and services which will be funded by the special benefit assessments, enhance the overall use, presentation, enjoyment, recreational access, and marketability of the properties, and ensure the long-term cost-efficiency of services that are obtained through the County provided maintenance (economy of scale).

### **GENERAL BENEFIT**

In reviewing the location and extent of the specific landscaped areas and improvements to be funded by the Districts assessments and the proximity and

relationship to properties to be assessed, it is evident these improvements have been installed as part of the development of properties within the Districts or are improvements that would otherwise be shared by and/or required for development of those properties. Although the improvements are largely located on the north side of Avenue 51, including the entrance at Via Prado as well as the corners of Calle Perez and Calle Larriva of the development and may be visible and/or accessible to the general public, it is evident that the ongoing maintenance of these improvements are only necessary for the appearance and advantage of the properties within the Districts. It is also evident that these improvements were not required nor necessarily desired by any properties or developments outside of the Districts' boundaries.

Ongoing maintenance of improvements are additionally located on the south side of Avenue 50, east side of Calhoun Street and Calle Frontera as well as the corner of Avenida San Domingo and Calle Xavier. It is evident that the ongoing maintenance of these improvements is only necessary for the appearance and advantage of the properties within the Districts. It is also evident that these improvements were not required nor necessarily desired by any properties or developments outside of the Districts' boundaries.

In the absence of a special funding, these types of improvements would not have been installed by the developer per the City's conditions and the City's maintenance of these improvements would for the most part, be limited to weed abatement (fuel modification areas), rodent control, and erosion control services only. This basic or baseline level of service would typically provide for periodic servicing of the open space areas on an as-needed basis. This baseline level of service would only provide a level of service that was necessary to ensure public safety, essential property protection and potential property damage. However, this baseline level of service results in a far less visually pleasing environment than is created with the enhanced levels of services associated with the regular landscape maintenance that can be provided through the Districts assessments.

In addition to this baseline level of service, it is recognized that there are indirect or incidental benefits to properties within the Districts as well as the general public that are associated with regular landscape maintenance services, including minimization of dust and debris, and decreased potential water runoff from the open space areas.

It is also recognized that with the regular maintenance of the improvements, the effort and cost to monitor and address these more indirect issues are reduced to isolated areas and/or less frequent servicing, and these activities generally represent less than two percent (2%) of the overall maintenance costs. Therefore, conservatively, we estimate that the costs associated with these indirect and incidental benefits (General Benefit) do not exceed five percent (5%) of the combined annual expenses for General Maintenance identified in the annual maintenance budget contained in "Part IV –Districts Budget" of this Report.

### **C. ASSESSMENT METHODOLOGY**

To assess benefits equitably it is necessary to calculate each property's relative share of the special benefits conferred by the funded improvements and service. The Equivalent Benefit Unit (EBU) method of assessment apportionment is utilized for the Districts and establishes a basic unit (base value) of benefit and then calculates the benefit derived by each assessed parcel as a multiple (or a fraction) of that basic unit. The EBU method of apportioning special benefits is typically seen as the most appropriate and equitable assessment methodology for assessment districts, as the benefit to each parcel from the improvements are apportioned as a function of comparable property characteristics which may include but is not limited to land use and property size.

Pursuant to the 1972 Act, the costs of the Districts may be apportioned by any formula or method that fairly distributes the net amount to be assessed, among all assessable parcels in proportion to the estimated benefits to be received by each parcel from the improvements. The benefit formula used for the Districts should reflect the composition of the parcels, and the improvements and services provided, to fairly apportion the costs based on special benefit to each parcel.

## EBU APPLICATION

**Single Family Residential** — This land use is defined as a fully subdivided residential home site with or without a structure and the improvements and services associated with the parcel has been accepted or will be accepted by the City for maintenance in the fiscal year. This land use is assessed at 1.0 EBU per lot or parcel.

**Planned -Residential Development** — This land use is defined as any property that specific number of proposed single-family residential lots has been approved for development (not fully subdivided). This land use type shall be assigned 1.0 EBU per lot at build-out.

**Vacant** — This is defined as property that has been identified as parcels with no development but has development potential. Although it is recognized that the improvements provided within the Districts were primarily constructed and installed as the result of property development, it is also recognized that the majority of these improvements were constructed in part to support the overall development of properties within the District and/or Development to their full and best use, including vacant undeveloped properties.

## ASSESSMENT CALCULATIONS

The benefit formula applied to parcels within each District is based on the preceding Equivalent Benefit Unit (EBU) discussion. Each parcel's EBU correlates the parcel's special benefit received as compared to all other parcels benefiting from the improvements. The following formula is used to calculate each parcel's EBU (proportional benefit).

$$\text{Parcel Type EBU} \times \text{Units} = \text{Parcel EBU}$$

For each District, the total number of Equivalent Benefit Units (EBU's) for the fiscal year equals the sum of all individual EBU's applied to parcels in that District. An assessment amount per EBU (Rate) for the improvements is established by taking the total cost of the improvements (amount budgeted) and dividing that amount by the total number of EBU's of all parcels to be assessed. This Rate is then applied back to each parcel's individual EBU to determine the parcel's proportionate benefit and assessment obligation for the improvements.

$$\text{Total Balance to Levy (for the District)} / \text{Total EBU (to be assessed)} = \text{Levy per EBU}$$

$$\text{Levy per EBU} \times \text{Parcel EBU} = \text{Parcel Levy Amount}$$

## D. ASSESSMENT RANGE FORMULA

Any new or increased assessment requires certain noticing and meeting requirements by law. Prior to the passage of Proposition 218 (California Constitution Articles XIII C and XIII D), legislative changes in the Brown Act defined a "new or increased assessment" to exclude certain conditions. These conditions included "any assessment that does not exceed an assessment formula or range of assessments previously adopted by the agency or approved by the voters in the area where the assessment is imposed." This definition and conditions were later confirmed through Senate Bill 919 (the Proposition 218 implementing legislation).

The purpose of establishing an assessment range formula is to provide for reasonable increases and inflationary adjustment to annual assessments without requiring costly noticing and mailing procedures, which could add to the Districts costs and assessments. As part of the Districts formation, balloting of property owners is required pursuant to the Article XIII D Section 4. The property owner ballots include an Assessment to be approved, as well as the approval of an assessment range formula.

**District No.'s 1 through 4, and 6 through 11, and 38** – The maximum assessment rates do not increase and will remain the same from FY 2023/2024.

**District No.'s 12 through 25, and 27 through 36** – The maximum assessment rate may increase by the percentage increase of the Consumer Price Index ("CPI") or three percent (3%). The CPI used shall be as determined by the Bureau of Labor Statistics for a similar period of time.

Each Fiscal Year, the Engineer shall compute the percentage difference between the CPI. By approval of the City Council, the assessment rate that may be levied for each EBU may be increased in each year in accordance with the U.S. Bureau of Labor Statistics Data, All Urban Consumers, Riverside-San Bernardino-Ontario CPI index. Such assessment adjustments shall not be considered an increase in assessment. A proposed assessment that exceeds the adjusted assessment rate will require property owner balloting approval before the increase may be imposed. For Fiscal Year 2024/2025, the change in the Annual CPI for the All Urban Consumers, Riverside-San Bernardino-Ontario CPI index is 2.88% therefore the assessment rate will be adjusted by 3.00%.

**District No.'s 39 and 40** – The maximum assessment rate may increase by the greater of three percent (3.00%) or the annual percent increase of the Consumer Price Index ("CPI") determined by the Bureau of Labor Statistics.

If the proposed assessment (levy per unit or rate) for the current fiscal year is less than or equal to, the prior year's maximum assessment rate plus the adjustments described in the following, then the proposed assessment is not considered an increased assessment. The purpose of establishing an assessment range formula

is to provide for reasonable inflationary adjustment to the assessment amounts without requiring costly noticing, balloting and mailing procedures, which would be added to the Districts' costs and assessments.

The Maximum Assessment is adjusted annually and is calculated independent of the annual budget and proposed annual assessment. Any proposed annual assessment (rate per EBU less than or equal to this Maximum Assessment) is not considered an increased assessment, even if the proposed assessment is greater than the assessment applied in the prior fiscal year.

Although the Maximum Assessment will increase each year, the actual assessment may remain unchanged. The Maximum Assessment adjustment is designed to establish a reasonable limit on assessments. The Maximum Assessment calculated each year does not require or facilitate an increase to the annual assessment and neither does it restrict assessments to the adjusted maximum amount. If the budget and assessment for the fiscal year do not require an increase, or the increase is less than the adjusted Maximum Assessment, then the required budget and assessment may be applied without additional property owner balloting. If the budget and assessments calculated requires an increase greater than the adjusted Maximum Assessment, then the assessment is considered an increased assessment and would be subject to balloting.

#### **IV. DISTRICT BUDGETS**

---

The 1972 Act provides that the estimated costs of the improvements shall include the total cost of the improvements, including incidental expenses.

The 1972 Act also provides that the amount of any surplus, deficit, or contribution be included in the estimated cost of improvements. The net amount to be assessed on the lots or parcels within the Districts is the total cost of maintenance, and servicing with adjustments either positive or negative for reserves, surpluses, deficits, and/or contributions.

## **APPENDIX B – 2024/2025 PRELIMINARY ASSESSMENT ROLL**

Parcel identification, for each lot or parcel within the Districts, shall be the parcel as shown on the County Assessor Parcel Maps and/or the Riverside County Secured Tax Roll for the year in which this Report is prepared.

Non-assessable lots or parcels may include government owned land; public utility owned property, land principally encumbered with public right-of-way's or easements and dedicated common areas. These parcels will not be assessed.

A listing of parcels within the Districts, along with the proposed assessment amounts, has been submitted to the City Clerk, and by reference, are made part of this Report.

Upon approval of the Report, and confirmation of the assessments, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll in Fiscal Year 2024/2025. If the parcels or assessment numbers within the Districts and referenced in this Report, are re-numbered, re-apportioned or changed by the County Assessor's Office after approval of the Report, the new parcel or assessment numbers with the appropriate assessment amount will be submitted to the County Auditor/Controller. If the parcel change made by the County includes a parcel split, parcel merger or tax status change, the assessment amount submitted on the new parcels or assessment numbers will be based on the method of apportionment and levy amount approved in this Report by the City Council.

**STAFF REPORT**  
**7/24/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Cástulo R. Estrada, Utilities Manager

**SUBJECT:** Adopt Resolution No. SD-2024-04 Authorizing the Collection of Residential Sanitary Sewer Rates for Fiscal Year 2024/2025 Through the County of Riverside Tax Roll

**STAFF RECOMMENDATION:**

Adopt Resolution No. SD-2024-04 Authorizing the Collection of Residential Sanitary Sewer Rates for Fiscal Year 2024/2025 Through the County of Riverside Tax Roll

**EXECUTIVE SUMMARY:**

On June 10, 2015, the Board adopted Resolution No. SD 2015-04 which approved the placement of the sewer charges on the Riverside County tax roll. On February 28, 2018, the Board approved Ordinance No. SD-06 adopting new or increased rates for its sewer charges commencing July 1, 2018. Rates however have not increased.

Each single family residential parcel in the City that receives sewer service shall each year pay the City a charge to fund operation, maintenance, and capital costs associated with the city's sewer system. This Sewer Charge shall remain in effect until repealed or modified by Ordinance of the Board.

For Fiscal Year 2024/2025, 7,208 parcels are currently eligible for the sewer service charge for a total preliminary levy amount of \$4,302,311.04. 7,023 parcels are eligible for the UUT for a total primary levy amount of \$209,566.32

Residential sewer charges are collected across the Coachella Valley on the County Tax Roll by all agencies providing service: Coachella Sanitary District, Valley Sanitary District, which also serves a portion of Coachella, Coachella Valley Water District and the City of Palm Springs.

Attached to this item is the Fiscal Year 2024/2025 Preliminary Sewer Charge and Utility Users Tax Report.

**FISCAL IMPACT:**

No Fiscal Impact

**RESOLUTION NO. SD-2024-04**

**RESOLUTION OF THE BOARD OF DIRECTORS OF THE COACHELLA SANITARY DISTRICT, CALIFORNIA, AUTHORIZING THE COLLECTION OF RESIDENTIAL SANITARY SEWER RATES FOR FISCAL YEAR 2024/2025 THROUGH THE COUNTY OF RIVERSIDE TAX ROLL, AT THE SAME TIME AND MANNER AS GENERAL TAXES.**

**WHEREAS**, Coachella Sanitary District (District) is a sanitary district duly organized and existing under and pursuant to the Sanitary District Act of 1923, Part 1 of Division 6 of the California Health and Safety Code (the “Act”); and

**WHEREAS**, June 10, 2015, the Board of Directors of the Coachella Sanitary District, pursuant to California Health and Safety Code Sections 5473 *et seq.*, adopted an ordinance by two-thirds vote of the District revising its Municipal Code to allow for the collection of such residential sanitary sewer charges on the tax roll, in the same manner and at the same time as general taxes;

**WHEREAS**, pursuant to California Health and Safety Code Section 5473 *et seq.*, a written report (the ‘Report’), a copy of which is attached hereto and by this reference incorporated herein, has been filed with the Secretary of the District describing each parcel of real property subject to said sanitary sewer rate charges and the amount of said sanitary sewer charges to be imposed thereon for Fiscal Year 2024-2025; and

**WHEREAS**, the District has caused notice of the filing of the Report to be published and has given notice of the hearing to consider such Report in accordance with California Health and Safety Code Section 5473.1; and

**WHEREAS**, the District has determined to adopt the Report and collect said sanitary sewer charges on the tax roll, which sanitary sewer charges shall constitute a lien against the parcels or parcels of land described in the Report in accordance with California Health and Safety Code Sections 5473 *et seq.*

**NOW, THEREFORE, BE IT RESOLVED, BY THE BOARD OF DIRECTORS OF THE COACHELLA SANITARY DISTRICT, COACHELLA, CALIFORNIA, AS FOLLOWS:**

Section 1. The above recitals are true and correct.

Section 2. The Board of Directors of the Coachella Sanitary District hereby adopts the Report as presented.

Section 3. The Secretary is hereby directed to file a copy of the Report with the Riverside County Recorder’s Office, together with a statement endorsed thereon over his/her signature that the Report has been adopted by the Board of Directors and shall request that said sanitary sewer charges and utility users tax be entered against the respective lots and parcels of land as they appear on the current assessment roll pursuant to California Health and Safety Code Sections 5473 *et seq.*

## ***I. OVERVIEW***

---

### **A. INTRODUCTION**

The Coachella Sanitary District (the “District”) is a sanitary district duly organized and existing under and pursuant to the Sanitary District Act of 1923, Part 1 of Division 6 of the California Health and Safety Code. On May 28, 2008, the Board of Directors of the Coachella Sanitary District (the “Board”) adopted Ordinance No. 5 establishing the sewer charge pursuant to Article XIID, section 6(a). The City Council of the City of Coachella (the “City”) adopted Chapter 4.10 of the Coachella Municipal Code imposing an annual charge for sewer service to each parcel in the City. On June 10, 2015, the Board adopted Resolution No. SD 2015-04 which approved the placement of the sewer charges on the Riverside County tax roll. On February 28, 2018, the Board approved Ordinance No. SD-06 adopting new or increased rates for its sewer charges commencing July 1, 2018.

Pursuant to section 5473 of the Health and Safety Code, this report is a yearly requirement, which contains a description of each parcel subject to the sewer charge and the amount of the charge for each parcel for the fiscal year. It shall be on file with the City Clerk of the City and available for public inspection prior to the yearly noticed public hearing. At the conclusion of the public hearing, the City Council may adopt a resolution confirming the sewer charges for the fiscal year.

## ***II. DESCRIPTION OF THE DISTRICT***

---

### **A. DISTRICT INFORMATION**

Currently, the City owns and operates a wastewater collection and treatment plant. The District provides sewer service to approximately 7,000 customers. Monthly rates for sewer service charges charged to system users are the primary source of revenue to operate the sewer system. Sewer service charges fund costs related to system operations, maintenance, capital projects, debt service, administration, as well as costs related to prudent long-term operational or financial management of the utilities, such as maintaining adequate fund reserves and planning for contingencies. Revenues received from sewer service charges are used solely to fund the sewer enterprise.

The existing rates for sewer service charges are based on a comprehensive rate study prepared by an independent consultant. The City will annually review revenues and expenditures for the sewer fund to ensure that sufficient and appropriate revenues are collected to effectively provide for the short and long-term sewer service needs of the community. Any new or increased charges above the previously approved rates and levied by City Council are subject to the procedural requirements of Article XIID.

### III. ANNUAL CHARGE

#### A. CALCULATION OF SEWER CHARGE

Each single-family residential parcel in the City that receives sewer service shall each year pay the City a charge to fund operation, maintenance, and capital costs associated with the city’s sewer system. This Sewer Charge shall remain in effect until repealed or modified by Ordinance of the City Council. The monthly charge per unit for Fiscal Year 2024/2025 is \$49.74, or \$596.88 on an annual basis.

Pursuant to section 4.30.090 of the City of Coachella’s Ordinance No. 1017 that was approved by City Council on March 24, 2010, there is a five percent (5%) utility users tax imposed on the City’s sewer services. Therefore, the total annual charge per unit is determined as follows:

Class	Number of Units	Monthly Charge per Unit	Months per Year	Annual Sewer Charge	5% Utility Users Tax	Total Annual Charge
Single Family Residential	1	\$49.74	x 12	= \$596.88	+ \$29.84	= \$626.72

This land use is assessed 1.0 unit per lot or parcel. Each parcel’s customer class is determined by its assigned land use code per the records of the County of Riverside. The sewer service charge imposed on single family property is applied to and collected annually on the County property tax bill.

#### B. PRELIMINARY LEVY 2024/2025

The following table shows the preliminary number of units that can be levied along with the preliminary levy amount for Fiscal Year 2024/2025.

District	Number of Units Levied	2024/2025 Preliminary Levy
Sewer Charge	7,208	\$4,302,311.04
UUT Tax <sup>(1)</sup>	7,023	209,566.32
<b>Total</b>		<b>\$4,511,877.36</b>

<sup>(1)</sup> Utility User Tax does not apply to parcels not within the City of Coachella.

For Fiscal Year 2024/2025, 7,208 units are currently eligible for the sewer service charge for a total preliminary levy amount of \$4,511,877.36. The pre-tax rates in effect for the Fiscal Year 2024/2025 are unchanged from the rates for Fiscal Year 2023/2024.

**CITY OF COACHELLA  
PUBLIC HEARING  
NOTICE OF  
SANITARY SEWER RATE  
CHARGES  
TO BE PLACED ON THE  
RIVERSIDE COUNTY TAX  
ROLL**

This meeting will be conducted by teleconference as provided in the meeting agenda and in-person with public access at Coachella City Hall, Council Chamber 1515 Sixth Street, Coachella, CA.

NOTICE IS HEREBY GIVEN that the Coachella Sanitary District proposes to place Fiscal Year 2024/2025 Residential Sanitary Sewer rate charges on the Riverside County tax roll for the forthcoming fiscal year. A report describing each parcel subject to the charges, and the proposed assessments to be imposed on such parcels, has been filed with the City Clerk and is available for review; residential sanitary sewer rates are available for review on the city's website [www.coachella.org](http://www.coachella.org).

On Wednesday, July 24, 2024, the City Council will hold a public hearing to receive public comments, hear and consider all testimony at the City of Coachella Council Meeting. Written comments can be submitted by email [cityclerk@coachella.org](mailto:cityclerk@coachella.org) or by leaving a message at (760) 262-6240 before 6:00 p.m. on the day of the meeting. Comments will be read into the record.

Said meeting will be available to the public live through the City's website at [www.coachella.org](http://www.coachella.org).

Questions regarding the public hearing or the Fiscal Year 2024/2025 Residential Sanitary Sewer assessments should be directed to the Utilities Manager at (760) 501-8100.

**STAFF REPORT**  
**7/10/2024**

**TO:** Honorable Mayor and City Council Members

**FROM:** Gabriel Perez, Development Services Director

**SUBJECT:** Coachella Valley Event Center

**SPECIFICS:** Adopt Resolution No. 2024-37 approving Entertainment Permit No. 22-04 for the Coachella Valley Event Center, an entertainment venue located on a 20-acre site at 46600 Tyler Street (APN# 603-130-001). Applicant: Edwart Rostamian

**STAFF RECOMMENDATION:**

Staff recommends Council adopt Resolution No. PC 2024-37 approving Entertainment Permit No. 22-04, pursuant to the findings and conditions of approval contained in the attached resolution.

**BACKGROUND:**

The subject site is a 20-acre property 46600 Tyler Street located on a site that was formerly operated as the Corona Yacht Club, which includes on-site improvements that include an existing single-family residence, large covered structures for the event center, restrooms, lake, and an elevated walking path all located towards the northeast portion of the parcel. The Corona Yacht Club previously operated as an outdoor event venue that hosted weddings, quinceañeras, birthdays, and Coachella Festival related events. The site is also the location of a palm tree farm which also was the location of a fire incident in 2022.

The property ownership has shifted and the current owner/applicant, Edwart Rostamian, is interested in securing entitlements that allow special event operations to resume once again at the site and is awaiting City approval of the entertainment permit. Staff has met several times since the entertainment permit was submitted to the City to inspect the site and consistently observed unpermitted site, structural and electrical improvements during each visit. Furthermore, several unpermitted RVs were observed on-site and occupied for living purposes. The applicant is working with the City Building Official to ensure improvements at the site are permitted and inspected.

The subject property is in the Urban Neighborhood District of the General Plan, which includes allowed uses of residential at a density of 20-38 du/acre. The proposed use is consistent with the General Plan Vision of Subarea 11 Commercial Entertainment District that will contain much of the new development that attracts visitors to Coachella, including destination retail, hotels and resorts, and entertainment uses. The policies of the subarea encourage the City to act with strong discretion when approving projects, seeking unique, destination-oriented and visitor-serving entertainment and retail uses that would be enhanced by the subarea's location. The proposed

special event venue would create a destination-oriented use. The applicant expressed future plans for multi-family residential and hotel development on the site.

Entertainment permits are permitted under Chapter 5.24 of the Coachella Municipal Code under Title 5 (Business Licenses and Regulations). Application for an entertainment permit require an investigation of the application by the City Manager and consideration of the proposal at a public hearing by the City Council. If the City elects to grant the entertainment permit, it may impose conditions that include:

1. The days and hours during which the entertainment establishment may operate.
2. The total number of persons including employees and entertainers allowed during its operation.
3. Traffic control measures including the number of parking spaces required for the entertainment establishment.
4. Noise control measures required in the entertainment establishment.
5. Security or safety measures of the patrons, employees, neighbors and general public of the entertainment establishment, including the number of security personnel which may be altered by the chief of police.
6. The placement and utilization of hand-held metal detectors at each entrance to the entertainment establishment for the purpose of ascertaining and removal of weapons from each and every person entering the entertainment establishment to the satisfaction of the chief of police.

### **DISCUSSION/ANALYSIS:**

The applicant, Edwart Rostamian, submitted a request for an entertainment permit to allow the operation of an outdoor entertainment venue on a 20-acre site at 46600 Tyler Street. The zoning designation of the commercial center where the store is proposed is within the U-N (Urban Neighborhood) zone. The entertainment venue would accommodate a range of events that would be proposed to operate Monday-Thursday 9 a.m. to 12 p.m. and Friday-Sunday 10 a.m. to 2:00 a.m. and accommodate up to 500 guests.

Staff contacted the Lieutenant Vasquez with the Riverside County Sheriff regarding any concerns for the proposed business that the City Council may want to consider when making findings or including conditions of approval for the entertainment permit. Lieutenant Vasquez expressed concern about late night events on Sunday.

Hours of Operation:

The applicant has indicated event operating hours would be Monday-Thursday 9 a.m. to 12 p.m. and Friday-Sunday 10 a.m. to 2:00 a.m.

Environmental Setting:

The subject site is a vacant site that is substantially surrounded by urban uses, with adjoining zoning and land uses as follows:

North: General Commercial and Vista Del Agua Specific Plan Commercial Uses/  
Residential uses.

South: Urban Neighborhood/ estate residential uses

East: Vista del Agua Specific Plan and vacant land

West: Vacant/ (R-C, Regional Commercial)

Site Plan / Parking and Circulation:

The site is accessed Tyler Street which is a Collector Street on the City's circulation plan, which at full construction would accommodate 4 vehicular lanes and bike lanes. The existing Tyler Street is in good condition with two vehicular lanes and an improved roadway about 25 feet wide with unpaved shoulders. Vehicular access to the subject site would occur from a 692-foot long driveway and is required to be improved to 30' wide. The driveway provides circulation around the event venue located toward the northeast portion of the parcel. A secondary driveway Tyler Street entrance exists on-site and is required for emergency purposes. There are two areas proposed parking areas a smaller one at the north side of the property for 10 parking spaces including 5 ADA spaces and a larger parking area that accommodates 122 parking spaces. The parking ordinance requires 150 parking spaces based on the assembly standards of one space for every 21 sq. ft. of assembly area. The total assembly area is assumed at 3,150 sq. ft.

The event area is largely elevated and centralized around an existing lake with existing improvements that include a covered patio (3,150 sq. ft.), deck (3,000 sq. ft.), walkways that circulate around the lake, restroom buildings, and an existing bridge to an island on the lake. A new 6,740 sq. ft. deck is proposed at the southside of the lake. Large ceremonies would be held on an existing turf area (2,563 sq. ft.) to the west of the elevated areas. The applicant identified a maximum occupancy of 500 guests. Due to the parking constraints on the proposed site plan, City staff will limit maximum occupancy to 275 persons.

**Figure 1: Event Area around existing lake**

Security:

The applicant proposes the use of on-site licensed security for all events and proposed to include 1 security guard for every 50 people. All private events that lease from the applicant will be required to use licensed security. The applicant is required to increase security personnel based on recommendations by the City Manager or Coachella Police.

Noise

The special event activities with use of amplified music are proposed and would generate noise on-site and therefore the applicant engaged Noise Monitoring Services to prepare a noise analysis. The noise analysis was prepared to determine the maximum noise level that can be generated by the event venue to be consistent with the City of Coachella Municipal Code noise standards by identifying the noise impact to existing receptors that include residences to the north zoned General Commercial and residences to the south zoned Urban Neighborhood. The analysis assumed a maximum of 25 loudspeakers distributed around the edge of the lake and a noise model that accounts for factors such as the location, noise sources, terrain, buildings and barriers at the site. The study concluded that the amplified sound from loudspeakers at the event venue could generate a maximum noise level of 76 dBA before 10:00 pm and no higher than 66 dBA after 10 p.m. when measured 25 feet in front of the loudspeakers for compliance with the City’s noise ordinance. Recommendations from the study have been added as conditions of approval of the project. A condition of approval requires amplified sound for events under this permit to end by 10 p.m.

**ENVIRONMENTAL REVIEW:**

A determination was made by the Development Services Department that the project will not have a significant impact on the environment and determined that the proposed project is categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act as an “Existing Facilities” project (CEQA Guidelines, Section 15301a). The proposed project consists of the operation, licensing and minor alteration of an existing location involving no expansion of existing or former commercial use on the property. The subject site has been used as a special event venue and no expansions of floor area are proposed.

**FISCAL IMPACT:**

As conditioned, the proposed Entertainment Permit would not have any fiscal impacts upon the City of Coachella finances. There are no additional fees collected for this type of business other than normal licensing fees for the business. Visitor serving facilities such as the special event venue would support the local economy and small businesses that provide services for the special event venue.

**ALTERNATIVES:**

- 1) Adopt Resolution No. 2022-37 approving Entertainment Permit 22-04 with the staff recommendations.
- 2) Adopt Resolution No. 2022-37 with new or modified conditions of approval.
- 3) Make findings and Deny the Entertainment Permit.
- 4) Continue the item and provide staff direction.

**RECOMMENDED ALTERNATIVE**

Based on the analysis contained herein and the findings listed below, staff is recommending that the City Council approve Alternative #1.

**RESOLUTION NO. PC 2024-37**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, APPROVING OF ENTERTAINMENT PERMIT NO. 22-04 FOR THE COACHELLA VALLEY EVENT CENTER LOCATED ON A 20 ACRE SITE AT 46600 TYLER STREET (APN# 603-130-001). APPLICANT: EDWART ROSTAMIAN**

**WHEREAS**, Edwart Rostamian filed an application for Entertainment Permit No. 22-04 to allow a 20-acre entertainment venue where alcohol is served on a vacant site located at 46600 Tyler Street; Assessor's Parcel No. 603-130-001 ("Project"); and,

**WHEREAS**, the City Council conducted a duly noticed public hearing on Entertainment Permit No. 22-04 on July 24, 2024 at the 1515 6<sup>th</sup> Street, Coachella, California regarding the proposed Project; and,

**WHEREAS**, at the City Council hearing, the Applicant and members of the public were present and were afforded an opportunity to testify regarding the Project; and,

**WHEREAS**, the Project is permitted pursuant to Chapter 15.24 of the Coachella Municipal Code.

**WHEREAS**, the proposed use is necessary or desirable for the development of the community, is consistent with the objectives of the City's General Plan, and is not detrimental to the existing uses or the uses specifically permitted in the zone in which the proposed use is to be located; and,

**WHEREAS**, the proposed site is adequate in size and shape to accommodate the proposed outdoor entertainment venue with where alcohol is served; and,

**WHEREAS**, the site for proposed use relates properly to streets which are designed to carry the type and quantity of traffic to be generated by the proposed use; and,

**WHEREAS**, the proposed project is exempt from the California Environmental Quality Act, as amended; and,

**WHEREAS**, the conditions as stipulated by the City are necessary to protect the public health, safety and welfare of the community.

**NOW, THEREFORE, BE IT RESOLVED**, that the City Council of the City of Coachella, California hereby approves Entertainment Permit No. 22-04, subject to the following findings listed below and the conditions of approval listed in Exhibit A.

**FINDINGS FOR APPROVAL OF ENTERTAINMENT PERMIT NO 22-04:**

1. The information provided in the application is accurate, complete and truthful, as evidenced by staff and there are no known violations of any laws, ordinances, or regulations related to the applicant's fitness to manage or operate the proposed entertainment venue.
2. The applicant possesses the required moral character to comply with the requirements of Chapter 5.24 and the conditions of approval imposed herein. As conditioned, the proposed added security measures will ensure that the public safety for the business will be maintained to the satisfaction of the Chief of Police.
3. The applicant has sufficient resources and expertise to operate the proposed entertainment venue in a safe, professional and effective manner in accordance with the City's Municipal Code. The Coachella Police and Fire Department reviewed the project and expressed no concerns regarding the ability of the owner and the project to operate the venue in a safe, professional and effective manner.
4. The proposed use will not be in conflict with, but will be in harmony with and in accordance with the objectives of the general plan because the proposed entertainment venue is in the Urban Neighborhood District of the General Plan, which includes allowed uses of high-intensity, walkable, transit-ready neighborhood intended primarily for multi-family residential but may include support retail, office, civic and recreational uses. The proposed use is consistent with the General Plan Vision of the area as a place for a range of entertainment and destination uses that requires a large amount of land and draw visitors to the City.
6. The City of Coachella has determined that the proposed project is categorically exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act as an "Existing Facilities" project (CEQA Guidelines, Section 15301a). The proposed project consists of the operation, licensing and minor alteration of an existing location involving no expansion of existing or former commercial use on the property. The subject site has been used as a special event venue and no expansions of floor area are proposed.

**CONDITIONS OF APPROVAL**  
**ENTERTAINMENT PERMIT NO. 22-04 COACHELLA VALLEY**  
**ENTERTAINMENT CENTER**

**CONDITIONS OF APPROVAL:**

1. Entertainment Permit No. 22-04 is an approval for an entertainment venue where alcohol may be served. This approval is based on the site plan submitted for the proposed project and subject to revision pursuant to conditions of approval, State Law, and Fire Department approval. Violation of any of the conditions of approval shall be cause for revocation of the Entertainment Permit No. 22-04.
2. Any break in service, meaning the closure of the event venue for a period of 180 consecutive days, will result in the expiration of this Entertainment Permit.
3. The applicant will agree to defend and indemnify the City of Coachella against all claims, actions, damages, and losses, including attorney fees and costs, in the event that anyone files legal challenges to the approval of this project on the basis of the California Environmental Quality Act (CEQA). The applicant shall execute a standard indemnification agreement subject to review by the City Attorney before any event is held subject to this permit.
4. The use shall meet the standards within the limits established by the Coachella Municipal Code as related to emissions of noise, odor, dust, vibration, wastes, fumes, or any public nuisances arising or occurring incidental to the establishment or operation.
5. Hours of operation for event venue may be from 9:00 a.m. to 6:00 p.m. Monday through Friday, and 10 a.m. to 2:00 a.m. Friday through Sunday. Amplified sound shall conclude by 10 p.m. The City reserves the right to modify the hours of business operation after 12 months of continuous Entertainment establishment use has lapsed, based on information provided by the Coachella Police regarding calls for service.
6. The applicant shall comply with all requirements imposed by the State Department of Alcoholic Beverage Control.
7. A maximum of 275 guests are permitted on-site for events at any given time. The applicant shall maintain a count of all event participants on-site at all times during events. Event counts shall be maintained by event staff at the main entrance and made available upon request by the Coachella Police or City Staff.
8. The applicant shall obtain all other applicable permits, if required, from the appropriate agencies (i.e. Fire Department, Building Division, Sheriffs Department, Department of Public Health etc.).
9. Any large scale events that involve more than 275 guests shall require consultation with the City Manager or designee to determine if a special event permit will be required through the City Manager's office. Said application and applicable fees shall be submitted a minimum of

twenty (20) working days, not including days when City Hall is closed, prior to the event. Any special event permit for more than 275 guests shall demonstrate that sufficient parking can be accommodated through valet or other parking strategies approved by the Development Services Director. Long-term expansion of the approved maximum occupancy for Entertainment Permit No. 22-04 requires City Manager approval and shall require a permanent expansion of parking or use of alternative parking strategies with proper engineering and building permits obtained and inspections performed.

10. The applicant shall revise the site plan to provide expand parking capacity beyond the 122 parking spaces illustrated on the site plan to accommodate 150 vehicles, unless alternative parking strategies are provided approved by the Development Services Director and City Engineer. The expanded parking area shall satisfy all City requirements.
11. The applicant upon development of residential or lodging uses on-site, whether developed on the same parcel or a future subdivision of the property, shall record CC&Rs that acknowledge that the special events that may result in discernable amplified noise related to events held at such special event facility.
12. Any signs displayed shall comply with the City of Coachella Sign Ordinance.
13. Signs advertising brands of alcoholic beverages or the availability of alcoholic beverages at the subject site shall not be visible from the exterior of the building or anywhere off the site.
14. Licensed security guards shall be required for events with 50 guests or more or when alcohol is served. These guards must possess State of California guard cards issues through the California Department of Consumer Affairs. Additional guards shall be used as needed to adequately patrol the parking areas. The City Manager, Code Enforcement Manager or Chief of Police may modify the entertainment permit security plan as deemed necessary to preserve the safety and welfare of guests and the public.
15. The following preventative measures shall be undertaken to reduce the potential for alcohol-related problems:
  - Food service shall remain available during all hours of operation;
  - Taxicab phone numbers shall be posted in visible locations at all times in the area(s) where alcohol is served;
  - All employees selling or serving alcohol shall be required to participate in an alcohol management training program prior to the operation of selling/serving alcohol; and
  - The availability of a variety of non-alcoholic beverages shall be made known and offered to customers.
16. Management shall patrol the business premises, parking areas, and the surrounding vicinity during the entertainment venue operation and until patrons have left the parking area after operation hours. Management shall ensure that no littering, loitering, or consumption of alcohol occurs in and around the property.

17. No parking for events is permitted to occur on Tyler Street or Vista Del Norte. The applicant shall display temporary no parking signs on the Tyler Street shoulder during events.
18. Any and all weapons shall be prohibited at the premises or on the parking lot of the premises except by those individuals lawfully permitted to possess such.
19. The Chief of Police shall have the authority and power to temporarily close the establishment when it becomes apparent that a situation exists wherein there is a probability that the general welfare and safety of the patrons or of the public may be in jeopardy. If closed under this condition, the premises will not be allowed to reopen before the beginning of regular business hours on the date following the closure.
20. The applicant shall comply with Municipal Code requirements of Chapter 5.24.
21. The applicant shall employ the use of hand-held metal detectors at all entrances if deemed necessary by the Chief of Police to protect the safety and general welfare of patrons or of the public.
22. Entertainment Establishment Permit No. 22-04 shall be valid for 12 months. The permit shall commence on the first day after an inspection occurs on-site by City staff and Fire Department that includes an official verification by the Development Services Director that conditions of approval related to on-site conditions have been satisfied. A request for renewal must be submitted by the applicant in order to extend the term of the Permit after the initial term of 12 months has lapsed, at which time the City Council will review compliance with the conditions of approval and consider granting up to a 36-month renewal of the entertainment permit. Relinquishment of the entertainment permit will require an amendment to this resolution, subject to review by the City Council.
23. Any violation of the above conditions may result in the issuance of citations and fines, and may result in revocation of the Entertainment Establishment Permit.
24. If determined necessary by the Chief of Police or City Manager, the permittee shall implement and maintain a system by which the permittee separately identifies each and every adult in the entertainment establishment so as to distinguish each adult from any and all minors within the entertainment establishment in the service of alcohol. At a minimum, such system of adult identification shall require the permittee to place a bracelet on either hand of each adult in the entertainment establishment. In addition, the Chief of Police is hereby authorized to require other methods and procedures to be implemented and maintained by any permittee to assure compliance with the requirement that each adult remain separately identified from any minor at the entertainment establishment.
25. ADA accessible restrooms shall be provided and available to use by all guests on-site during events and shall require inspection by the Building Official prior to commencement of events under this entertainment permit.
26. All structures, including stages, tenants, cabanas, and bleachers shall be installed, used and taken down per the engineered specifications stamped by a licensed engineer and on file with the City of Coachella.

27. The applicant shall ensure adequate dust control measures are in place to the satisfaction of the Code Enforcement Manager and the City Engineer. The City Manager, Code Enforcement Manager, or City Engineer may require additional dust control measures as may be deemed necessary.
28. On-site event lighting shall be directed away from vehicle and pedestrian traffic on Tyler Street and away from surrounding properties. Event operations shall include protocols to avoid light glare onto adjacent properties.
29. The performance and safety plan of Attachment 3 shall be revised for consistency with the conditions of approval for Entertainment Permit No. 22-04.

### **Noise**

30. The applicant shall comply with Noise Control standards of the Municipal Code (Chapter 7.04). Any amplified sound equipment shall be oriented to reduce noise impacts off-site with consultation from the Code Enforcement Manager. The applicant shall utilize a noise decibel meter on-site during events to monitor noise levels for compliance with the City Noise Ordinance. If noise nuisances are observed by the Chief of Police or Code Enforcement Manager, the City Manager or designee may require that the applicant use electronic noise sensors on-site for all events and that noise measurement data from the noise sensors be available to the Code Enforcement Manager.
31. The City Manager may upon excessive calls for service or observed noise concerns may require the owner/operator apply noise reduction measures that shall be implemented upon a timeline provided by the City Manager. Inability to reduce any validated noise concerns within the timeline to the satisfaction of the City Manager will result in permit revocation proceedings.
32. The sound level of the music sound system at the stage should be adjusted so that the sound level is no higher than 76 dBA before 10 pm and no higher than 66 dBA after 10 pm when measured at a distance of 25 feet in front of the speakers. The sound system level control should be set so that the speaker sound level cannot exceed this requirement.
33. The sound level of the distributed ambient music sound system around the lake should be adjusted so that the sound level is no higher than 65 dBA at a distance of 5 feet in front of any single loudspeaker. The sound system level control should be set so that the loudspeaker sound level cannot exceed this requirement. The loudspeakers should be oriented so that they are directed towards the center of the lake.
34. Sound levels should be measured during an event to verify that the City's noise limits are not exceeded. At a minimum, sound levels should be measured at the two measurement locations identified in Figure 1. If the event extends beyond 10 pm, measurements should be obtained after this time. If an exceedance of the noise limit is measured, the loudspeaker level limiters should be adjusted down to ensure that the noise limit is achieved. The measurements should be made in accordance with the requirements of the City of Coachella Municipal Code.

**Fire Department Conditions:**

35. Applicant shall indicate material being proposed for the fire lane, along with dimensions of said fire lane. shall comply with RVC Fire Guide OFM-01.
36. The applicant shall provide a fire lane that can provide access to within 150' of all portions of the building.
37. Fire department turn around shall be provided at the end of the southeast parking lot.
38. Applicant shall provide fire hydrant locations to meet the California Fire Code specifics. Please provide existing hydrants as well as proposed.

**Building Division Conditions:**

39. The following plans will be required prior to obtaining a building permit:
  - a. Grading plans and permit from the City of Coachella Engineering Department.
  - b. Accessibility plans showing accessible site circulation and path of travel to all the amenities include material and slopes at walk ways.
  - c. Electrical plans for the proposed modifications with calculations and single line diagram. The current electrical system at the venue does not comply with the National Electrical Code and poses a significant safety risk to visitors and the venue.
  - d. Provide plans for all structures and improvements include a site plan, floorplan and use for each room.
40. All “field verify” notes will need to be field verified by the licensed professional and incorporated into the building documents and building plan submittal.
41. Existing structures and improvements shall be in compliance with the 2022 California Building Codes prior to a Certificate of Occupancy being issued.
42. Proposed plan must incorporate Electrical Vehicle chargers. (CGBSC Tbl.5.106.5.3.1)
43. Landscaping plans shall meet the requirements of the CGBSC 106.12- Shade Trees.
44. Provide accessible path of travel from the parking lots to the venue. Both routes must be accessible.
45. Obtain all necessary permits from all agencies as required for the use of the facility. Such as but not limited to the following:
  - a. Riverside County Fire Department
  - b. Riverside County Health Department
  - c. City of Coachella Engineering Department
  - d. Building Permits

46. The venue underwent multiple improvements over the years, some with permits from the City and some without. Before a Certificate of Occupancy can be issued, all buildings and improvements must meet current building and state code requirements. It is essential to engage a licensed design professional to conduct a site inspection and identify all the necessary improvements to ensure compliance with the current building codes.

**Engineering Conditions:**

**PRIOR TO APPROVAL OF ENGINEERING PLANS or ISSUANCE OF ENGINEERING PERMITS:**

**GENERAL:**

47. A focused Traffic Analysis (TA) shall be prepared for the project by an appropriately licensed professional engineer. Prior to the preparation of the TA, the engineer shall submit a scoping letter for the TA for the City Engineer's approval. The TA shall include but not limited to identification of trip generation, traffic distribution and impact on existing transportation facilities and at time of General Plan build-out, all relevant, ingress and egress movements, lines of sight, queuing analysis, and alignment studies (preliminary signing and striping plan). Applicant shall obtain approval of site access and circulation from the Fire Marshall.
48. A preliminary soils report shall be prepared for the project by an appropriately licensed professional engineer. At a minimum, the soils report shall provide specific analyses and recommendations for grading, pavement structural sections, and infiltration.
49. A comprehensive drainage report, prepared by California Registered Civil Engineer, shall be submitted for review and approval by the City Engineer prior to issuance of any permits. The report shall contain pre- and post-development hydrology maps showing on-site and off-site tributary drainage areas and shall be prepared in accordance with the requirements of the Riverside County Flood Control District. Adequate provisions shall be made to accept and conduct the existing tributary drainage flows around or through the site in a manner which will not adversely affect adjacent or downstream properties. If the design of the project includes a retention basin, it shall be sized to contain the runoff resulting from a 10-year storm event and the runoff from a 100-year storm event shall be contained within basin with shallow ponding (3.5' max.). The basin shall be designed to evacuate a 10-year storm event within 72 hours. The size of the retention basin(s) shall be determined by the hydrology report and be approved by the City Engineer. Retention basin shall be provided with a minimum of 2.00 feet sandy soil if determined to contain silt or clay materials. Maximum allowable percolation rate for design shall be 10 gal./s.f./day unless otherwise approved by the City Engineer. A percolation test for this site is required to be submitted. A combination drywell vertical drain field shall be constructed at all points where runoff enters the retention basin. Drywell & vertical drain field design shall be based on soils borings made at the proposed drywell locations after the retention basins have been rough graded. Minimum depth shall be 45-feet. A log that includes sieve analysis for each strata of the borings shall be submitted to the City Engineer for confirmation of depth of the vertical drain fields. Underground retention under the proposed parking area will be considered as an alternative to surface retention subject to the approval of the City Engineer.

50. Prepare and record necessary drainage easements to implement the project in accordance with drainage law.
51. A storm water quality management plan shall be prepared for the project by California Registered Civil Engineer in compliance with NPDES and State Water Quality Control Board regulations. The project shall be designed to specify preferential use of Low Impact Development Best Management Practices that reduce pollutants and runoff volume.
52. Applicant shall comply with the valley wide NPDES permit requirements including but not limited to submittal of a WQMP for plan review accompanied by a \$3,000 plan check deposit for approval including executed maintenance agreement. All unused plan check fees will be refunded to the applicant upon approval of the Final WQMP.
53. The developer shall submit a Fugitive Dust Control and Erosion Control plan in accordance with Guidelines set forth by CMC and SCAQMD to maintain wind and drainage erosion and dust control for all areas disturbed by grading. Exact method(s) of such control shall be subject to review and approval by the City Engineer. No sediment is to leave the site. Additional securities, in bond form, in amount of \$2,000.00 per acre of gross area, and a one-time cash deposit of \$2,000.00 are required to insure compliance with this requirement. No work may be started on or off site unless the PM-10 plan has been approved, the original plans, and executed dust control agreement, are filed in the engineering department at the City of Coachella.
54. Applicant shall submit for review and approval by the City Engineer all documents related to any existing and proposed on-site and off-site easements that may affect the development of the site. All easements shall be identified on the engineering plans.
55. Site access improvements shall be in conformance with the requirements of Title 24 of the California Administrative Code. This shall include access ramps for off-site and on-site streets as required.
56. Applicant shall obtain approval of site access and circulation from Fire Marshall.
57. The applicant shall pay all necessary plan check, permit and inspection fees. Fees will be determined when plans are submitted to the City Engineering Department for plan check.

**ROUGH GRADING:**

58. Prepare and submit rough grading and erosion control plans for the project.
59. The project's soils engineer shall certify to the adequacy of the grading plan.
60. All projects developing one (1) acre or more of total land area, or which are part of a larger phased development that will disturb one acre of land, are required to obtain coverage under the State Water Resources Control Board's (SWRCB) General Permit for storm water discharges associated with construction activity. Proof of filing a Notice of Intent (NOI) with the SWRCB for coverage under this permit is required. The Waste Discharger's Identification Number (WDID), issued by the SWRCB, must be shown on the grading plans. The project's

Storm Water Pollution Prevention Plan shall be submitted for the City's review and approval.

**PRECISE GRADING:**

61. A precise grading/improvement plan, prepared by a California Registered Civil Engineer, showing building footprints, pad elevations, finished grades, drainage routes, retaining walls, erosion control, slope easements, and all other pertinent information shall be submitted for review and approval by the City Engineer.
62. Rough grading shall be certified by the project soils engineer prior to issuance of a permit for precise grading or building construction.
63. The project shall provide hard surfaces (such as asphalt, concrete or engineered pavers) for all primary and secondary access aisles, ADA parking surfaces and ADA pathways. All areas with vehicular access shall have engineered surfaces with permanent drainage, erosion control and dust control measures in place.
64. If applicant is planning to build a garden wall, separate permits shall be required for wall construction. The maximum height of any perimeter garden wall shall be limited to six (6) feet as measured from an average of the ground elevations on either side.

**STREET IMPROVEMENTS:**

65. Street improvement plans prepared by a California Registered Civil Engineer shall be submitted for review and approval by the City Engineer. All street improvements including street lights shall be designed and constructed in conformance with City Municipal Code, General Plan, and Standards and Specifications. Street flow line grade shall have a minimum slope of 0.35 %.
66. Applicant shall construct all off-site and on-site improvements including street pavement, curb, gutter, sidewalk, street trees, perimeter walls, perimeter landscaping and irrigation, storm drain, street lights, and any other incidental works necessary to complete the improvements. Driveways shall conform to City of Coachella standards for commercial driveways with a minimum width of 24.00 feet and curbed radius entrances.
67. Applicant shall construct and dedicate the following streets and street improvements to conform to the General Plan and/or requirements of Traffic Study.
  - 1) Tyler Street- Public Roadway as shown on the RAC and per these comments shall include the following:
    - a. Dedication of land along within project limits is required. This street is classified as Collector with Bicycle Lanes with 90 feet of right-of-way as per City of Coachella General Plan.
    - b. Street measured at Center line to westerly curb shall have a width of 35-foot.

- c. Applicant shall construct street along Coachella Valley Center Event project's Tyler Street frontage to the satisfaction of the City Engineer prior to the issuance of the first COO.
- d. Applicant shall install all sidewalk and curb and gutter transitions to uniformly connect to existing adjacent improvements and coordinate installation and/or relocation of fire hydrants, water meters, storm drain, wells, street lights and all other appurtenances required to the satisfaction of the City Engineer.
- e. Applicant shall construct all appurtenant roadway components on Tyler Street northbound lane within project limits such as, but not limited to: curb and gutter, sidewalk, Landscaping, Street Lights, ADA ramps, Traffic control striping, legends and Traffic control signs to the satisfaction of the City Engineer.

**SEWER and WATER IMPROVEMENTS:**

- 68. Sewer & Water Improvement Plans prepared by a California Registered Civil Engineer shall be submitted for engineering plan check and City Engineer approval.
- 69. Applicant shall construct all off-site and on-site water improvements and any other incidental works necessary to complete the improvements. Size and location of sewer and water improvements shall be approved by the City Engineer.

**PRIOR TO ISSUANCE OF BUILDING PERMITS:**

- 70. A final soils report, compaction report and rough grading certificate shall be submitted and approved prior to issuance of any building permits.
- 71. Prior to issuance of building permits, all required public improvements, including landscaping and lighting of the retention basins, and landscaped areas along the exterior streets, shall be completed or secured with appropriate sureties to the satisfaction of the City Engineer. An engineering final inspection is required. "As-built" plans shall be submitted to and approved by the City Engineer. Prior to acceptance of the improvements by the City, such plans, once approved, shall be given to the city on compact disk in AutoCad format. All off-site and on-site improvements shall be completed to the satisfaction of the City Engineer prior to acceptance of improvements for maintenance by the City.
- 72. The applicant's Civil Engineer shall field verify and certify that all BMPs are designed, constructed, and functional in accordance with the approved WQMP.

**PRIOR TO RELEASE OF OCCUPANCY PERMITS/ACCEPTANCE OF PUBLIC IMPROVEMENTS:**

- 73. Prior to issuance of certificate of occupancy, all public improvements, including landscaping and lighting of the retention basins, and landscaped areas along the exterior streets, shall be completed to the satisfaction of the City Engineer. An engineering final inspection is required. "As-built" plans shall be submitted to and approved by the City Engineer. Prior to acceptance of the improvements by the City, such plans, once approved, shall be given to the city on compact disk in AutoCad format. All off-site and on-site improvements shall be

completed to the satisfaction of the City Engineer prior to acceptance of improvements for maintenance by the City.

## COACHELLA VALLEY EVENT CENTER PERFORMANCE PLAN

### OBJECTIVE:

The primary goal of our temporary event plan is to drive foot traffic to our facility, and increase brand awareness.

We aim to establish our center as a destination for quality services and exceptional experiences.

### TARGET GROUP:

Variety groups are welcome to our facility, and we will also focus on attracting new customers by offering enticing promotions and services.

### KEY STRATEGIES:

- Offer exclusive services to the customers, including services and discounts.
- Collaborate with social media influencers, bloggers and platforms to endorse our services and generate excitement among their followers.
- Provide the best services throughout the event to increase customer satisfaction.
- Create interactive zones within the facility where customers can participate in activities related to the event.

### EVENT EXECUTION PLAN:

- Pre-Event Preparation: Finalize event logistics, and train staff to ensure seamless execution.
- Event Launch: Kick off the ceremony with a pre-scheduled activities and/or media coverage to attract attention.
- Activities: Implement scheduled activities to keep attendance engaged throughout the event.
- Post-Event Follow-Up: Collect feedback from customers, analyze event performance metrics, and follow up with customers to thank them for their choice and loyalty.

### MEASUREMENT AND EVALUATION:

Measure the success of the events through key performance indicators such as foot traffic, sales revenue, social media engagement, and customer feedback. Analyze the data to identify areas of improvement and inform future marketing initiatives.

The temporary event presents opportunity to showcase our facility offering, connect with customers, and drive business growth. By implementing a comprehensive strategy and plan, we are confident in achieving our objectives and establishing a strong presence in the community.

## COACHELLA VALLEY EVENT CENTER PERFORMANCE PLAN

### DAYS AND HOURS OF OPERATION:

Office hours	Monday - Friday	9:00 A.M. to 6:00 P.M.
Event hours	Monday - Thursday	9:00 A.M. to 12:00 P.M.
Event hours	Friday - Sunday	10:00 A.M. to 2:00 A.M.

Event hours including minimum 2:00 hours for setup and minimum 1:30 hours for cleanup. Depends on the event and customer request, setup and cleanup will be done by Event Center personnel or the third party organization (see the Event Safety & Planning Check List for more details).

### PEAK HOURS OF PERSON AT THE SITE:

The busiest peak hours will be Saturday evening between 6:00 P.M. and 12:00 A.M. The maximum number of events will be two venues and the maximum number of attendance will be 500 person totally.

### TRAFFIC CONTROL MEASURES:

The traffic control measures such as parking areas, traffic flow directions and signage has been provided; In addition the Event Center trained personnel directing traffic flow during peak hours (see the Event Safety Plan & Check List for more details).

### NOISE CONTROL MEASURES:

The Noise Analysis report has been provided and all the equipments have been set up based on the report (number of equipment, sound level, etc.).

### SECURITY MEASURES:

The standard security protocols and measures will be followed to ensure the safety of individuals and property. Depends on the event, this might include the presence of security personnel, surveillance cameras, bag checks or restricted access areas. In special cases the third party organization will investigate (see the Event Safety Plan & Check List for more details).

### SYSTEM TO SEPARATELY IDENTIFY ADULTS FROM MINORS:

In the special events that different rules or permissions apply to adults and minors, the implemented system can easily distinguish between different groups. This could involve wristbands, different ticket colors, ID check, etc.

## COACHELLA VALLEY EVENT CENTER PERFORMANCE PLAN

### **USE OF EXISTING FACILITIES FOR SPECIAL EVENTS:**

Existing facilities will be for the purpose of holding indoor and outdoor reception and parties, and will be upgraded to be applicable with the new codes; All the requirements will be provided based on the new building codes (such as ADA parking, accessible routes, ramps, toilets, ... ).

### **AMPLIFIED SOUND PROPOSAL:**

The facility will be equipped by sound system and speakers, and the installation of the sound system would be based on the Sound Analysis Report which has been provided by professional sound engineer to prevent disturbance to the neighborhood residential areas.

### **DESIGNATED AREAS FOR DANCING:**

There are two specially intended spaces for dancing activities during the event. This could be open areas, dance floors, or stages allocated for performances that encourage dancing.

### **PROPOSED STAGES:**

At this time there are no plans to incorporate any stages for performances or presentations on any of the proposed locations.

### **TYPES OF EVENTS:**

The type of events proposed would depend on the specifics of the plan or proposal. It could include a wide range of events such as concerts, conferences, exhibitions, festivals, sport events, community gatherings, corporate functions, weddings, private parties.

### **FREQUENCY OF EVENTS:**

Regarding the frequency of proposed events, we anticipate the schedule or frequency to include daily, weekly, monthly, seasonal, or on a sporadic basis.

### **BUSINESSES OWNED BY APPLICANT:**

The property owner has demonstrated a history of prosperous business ownership, specifically within the hospitality and real estate industries. Furthermore, they have made significant contributions to the community by participating on numerous boards responsible for orchestrating large-scale events.

## COACHELLA VALLEY EVENT CENTER SECURITY SAFETY PLAN

### **PARKING LOT AND FACILITY ACCESS CONTROL:**

Depends on the event, one or two Patrol Officer(s) will be in the parking lot and access route at least one hour prior to the beginning of the event for pre-screening purposes.

At the time of guest arrival, the officers shall monitor the parking lot for visible security on site. It's very important that the Patrol Officers make sure they do not loiter at the parking lot.

The officers shall make a uniform line, keeping the guest away from the vehicle traffic, and the guest will be directed to the main entrance.

### **ACCESS TO THE EVENT:**

The guest will be greeted by two Security Officers at the main entrance, and will be thoroughly searched with a metal detector (by hand) including female purses.

Also, the guest will be asked for the age check by Government Issue ID or DL at the main entrance (if needed based on the event). Officers have a counter to control the building capacity of guests.

Once the peak hours of the event hit and the outside traffic has slowed down, one of the main entrance officers will go inside the building to assist in crowd control and prevention of any incident inside the event.

This will leave the Patrol Officer(s) monitoring the parking lots with emergency amber light and one main Officer to control access and monitor guest leaving the building to prevent any alcoholic beverages outside the building.

### **INTERIOR SECURITY:**

Depends on the event, two or three Security Officers will present inside the building, roving the building floor, monitoring the emergency exists and entrance to control guest and prevent any unwanted or unmonitored access to the building. Also, they will monitor quest activities in the building floor as well as the restrooms. There will be a total of 3-4 Officers roving the interior of the event.

### **POST EVENT:**

At the closing time, Security Officers will assist the guests to leave the building, and the Patrol Officers will monitor the parking lots and the traffic with amber emergency lights. They will be urging the guests to leave the property as soon as possible to prevent them from loitering in the parking lot and to prevent any further incident at the location.

The rest of the Officers will be in the front of the building, monitoring guest activities and urging guest to leave as soon as possible and to assist Patrol Officers in case of any incident.

## COACHELLA VALLEY EVENT CENTER SECURITY SAFETY PLAN

### **EMERGENCY CASES:**

In case of any non-life-threatening emergency, the Security Officers are trained to do their best at deescalating any situation the fastest way possible. Also, they are aware where each one of them will be located to back each other up and prevent any incident.

In case of a life-threatening or significant emergency, one of the Officers has the duty of contacting 911 and relaying all the information as it is happening to the correct authorities until Law Enforcement, Cal Fire and/or EMS arrive.

During this time the rest of the Officers will be trying to deescalate any situation and assisting with crowd control. Once Law Enforcement, Cal Fire and/or EMS arrive, the Security Officers will assist them in whatever they need.

In the event of any negative issues by the guest and/or staff then they will be denied access after that. The main objective is to keep the guest and staff safe and the location free of any negative incidents.

**ACCESSIBILITY NOTES FOR PARKING**

WHERE ACCESSIBLE PARKING IS REQUIRED:

Where parking spaces are provided, parking spaces shall be provided in accordance with Section 11B-208.

Exception: Parking spaces used exclusively for buses, trucks, other delivery vehicles, or vehicular impound shall not be required to comply with Section 11B-208 provided that lots accessed by the public are provided with a passenger drop-off and loading zone complying with Section 11B-503.

Minimum number. Parking spaces complying with Section 11B-502 shall be provided in accordance with Table 11B-208.2 except as required by Sections 11B-208.2.1, 11B-208.2.2, and 11B-208.2.3. Where more than one parking facility is provided on a site, the number of accessible spaces provided on the site shall be calculated according to the number of spaces required for each parking facility.

Hospital outpatient facilities. Ten percent of patient and visitor parking spaces provided to serve hospital outpatient facilities, and free-standing buildings providing outpatient clinical services of a hospital, shall comply with Section 11B-502.

Rehabilitation facilities and outpatient physical therapy facilities. Twenty percent of patient and visitor parking spaces provided to serve rehabilitation facilities specializing in treating conditions that affect mobility and outpatient physical therapy facilities shall comply with Section 11B-502.

Residential facilities. Parking spaces provided to serve residential facilities shall comply with Section 11B-208.2.3.

Parking for guests, employees, and other non-residents. Where parking spaces are provided for persons other than residents, parking shall be provided in accordance with Table 11B-208.2.

Requests for accessible parking spaces. When assigned parking is provided, designated accessible parking for the adaptable residential dwelling units shall be provided on requests of residents with disabilities on the same terms and with the full range of choices (e.g., off-street parking, carport or garage) that are available to other residents.

Van parking spaces. For every six or fraction of six parking spaces required by Section 11B-208.2 to comply with Section 11B-502, at least one shall be a van parking space complying with Section 11B-502.

Location. Parking facilities shall comply with Section 11B-208.3.

General. Parking spaces complying with Section 11B-502 that serve a particular building or facility shall be located on the shortest accessible route from parking to an entrance complying with Section 11B-206.4.

Where parking serves more than one accessible entrance, parking spaces complying with Section 11B-502 shall be dispersed and located on the shortest accessible route to the accessible entrances. In parking facilities that do not serve a particular building or facility, parking spaces complying with Section 11B-502 shall be located on the shortest accessible route to an accessible pedestrian entrance of the parking facility.

Exceptions:

- All van parking spaces shall be permitted to be grouped on one level within a multi-story parking facility.
- Parking spaces shall be permitted to be located in different parking facilities if substantially equivalent or greater accessibility is provided in terms of distance from an accessible entrance or entrances, parking fee, and user convenience.

PASSENGER DROP-OFF AND LOADING ZONES

General. Passenger drop-off and loading zones shall comply with Section 11B-503.

Vehicle pull-up space. Passenger drop-off and loading zones shall provide a vehicular pull-up space 96 inches wide minimum and 20 feet long minimum.

Access aisle. Passenger drop-off and loading zones shall provide access aisles complying with Section 11B-503 adjacent and parallel to the vehicle pull-up space. Access aisles shall adjoin an accessible route and shall not overlap the vehicular way.

Width. Access aisles serving vehicle pull-up spaces shall be 60 inches wide minimum.

Length. Access aisles shall extend the full length of the vehicle pull-up spaces they serve.

Marking. Access aisles shall be marked with a painted borderline around their perimeter. The area within the borderlines shall be marked with hatched lines a maximum of 36 inches on center in a color contrasting with that of the aisle surface.

Floor and ground surfaces. Vehicle pull-up spaces and access aisles serving them shall comply with Section 11B-302. Access aisles shall be at the same level as the vehicle pull-up space they serve. Changes in level are not permitted.

Exception: Slopes not steeper than 1:48 shall be permitted.

Vertical clearance. Vehicle pull-up spaces, access aisles serving them, and a vehicular route from an entrance to the passenger loading zone and from the passenger drop-off and loading zone to a vehicular exit shall provide a vertical clearance of 114 inches minimum.

Identification. Each passenger loading zone designated for persons with disabilities shall be identified with a reflectorized sign complying with Section 11B-703.5. It shall be permanently posted immediately adjacent to and visible from the passenger loading zone stating "Passenger Loading Zone Only" and including the International Symbol of Accessibility complying with Section 11B-703.7.2.1 in white on a dark blue background.

Medical care and long-term care facilities. At least one passenger drop-off and loading zone complying with Section 11B-503 shall be provided at an accessible entrance to licensed medical care and licensed long-term care facilities where the period of stay may exceed twenty-four hours.

Valet parking. Parking facilities that provide valet parking services shall provide at least one passenger loading zone complying with Section 11B-503. The parking requirements of Section 11B-208.1 apply to facilities with valet parking.

Mechanical access parking garages. Mechanical access parking garages shall provide at least one passenger loading zone complying with Section 11B-503 at vehicle drop-off and vehicle pick-up areas.

PARKING SPACES

General. Car and van parking spaces shall comply with Section 11B-502. Where parking spaces are marked with lines, width measurements of parking spaces and access aisles shall be made from the centerline of the markings.

Exception: Where parking spaces or access aisles are not adjacent to another parking space or access aisle, measurements shall be permitted to include the full width of the line defining the parking space or access aisle.

Vehicle spaces. Car and van parking spaces shall be 216 inches (18 feet) long minimum. Car parking spaces shall be 108 inches (9 feet) wide minimum and van parking spaces shall be 144 inches (12 feet) wide minimum, shall be marked to define the width, and shall have an adjacent access aisle complying with Section 11B-502.3.

Exception: Van parking spaces shall be permitted to be 108 inches (9 feet) wide minimum where the access aisle is 96 inches (8 feet) wide minimum.

Access aisle. Access aisles serving parking spaces shall comply with Section 11B-502.3. Access aisles shall adjoin an accessible route. Two parking spaces shall be permitted to share a common access aisle.

Width. Access aisles serving car and van parking spaces shall be 60 inches (5 feet) wide minimum.

Length. Access aisles shall extend the full required length of the parking spaces they serve.

Marking. Access aisles shall be marked with a blue painted borderline around their perimeter. The area within the blue borderlines shall be marked with hatched lines a maximum of 36 inches (3 feet) on center in a color contrasting with that of the aisle surface, preferably blue or white. The words "NO PARKING" shall be painted on the surface within each access aisle in white letters a minimum of 12 inches (1 foot) in height and located to be visible from the adjacent vehicular way. Access aisle markings may extend beyond the minimum required length.

Location. Access aisles shall not overlap the vehicular way. Access aisles shall be permitted to be placed on either side of the parking space except for van parking spaces which shall have access aisles located on the passenger side of the parking spaces.

Floor or ground surfaces. Parking spaces and access aisles serving them shall comply with Section 11B-302. Access aisles shall be at the same level as the parking spaces they serve. Changes in level are not permitted.

Exception: Slopes not steeper than 1:48 shall be permitted.

Vertical clearance. Parking spaces, access aisles and vehicular routes serving them shall provide a vertical clearance of 98 inches (2489 mm) minimum.

Identification. Parking space identification signs shall include the International Symbol of Accessibility complying with Section 11B-703.7.2.1

Signs identifying van parking spaces shall contain additional language or an additional sign with the designation "van accessible." Signs shall be 60 inches (5 feet) minimum above the finish floor or ground surface measured to the bottom of the sign.

Exception: Signs located within an accessible route shall be a minimum of 80 inches (6 feet, 8 inches) above the finish floor or ground surface measured to the bottom of the sign.

Finish and size. Parking identification signs shall be reflectorized with a minimum area of 70 square inches.

Minimum fine. Additional language or an additional sign below the International Symbol of Accessibility shall state "Minimum Fine \$250."

Location. A parking space identification sign shall be visible from each parking space. Signs shall be permanently posted either immediately adjacent to the parking space or within the projected parking space width at the head end of the parking space. Signs may also be permanently posted on a wall at the interior end of the parking space.

Marking. Each accessible car and van space shall have surface identification complying with either Sections 11B-502.6.4.1 or 11B-502.6.4.2.

The parking space shall be marked with an International Symbol of Accessibility complying with Section 11B-703.7.2.1 in white on a blue background a minimum 36 inches wide by 36 inches high. The centerline of the International Symbol of Accessibility shall be a maximum of 6 inches from the centerline of the parking space, its sides parallel to the length of the parking space and its lower corner at, or lower side aligned with, the end of the parking space length.

The parking space shall be outlined or painted blue and shall be marked with an International Symbol of Accessibility complying with Section 11B-703.7.2.1 a minimum 36 inches wide by 36 inches high in white or a suitable contrasting color. The centerline of the International Symbol of Accessibility shall be a maximum of 6 inches from the centerline of the parking space, its sides parallel to the length of the parking space and its lower corner at, or lower side aligned with, the end of the parking space.

Relationship to accessible routes. Parking spaces and access aisles shall be designed so that cars and vans, when parked, cannot obstruct the required clear width of adjacent accessible routes.

11B-502.7.1 Arrangement. Parking spaces and access aisles shall be designed so that persons using them are not required to travel behind parking spaces other than to pass behind the parking space in which they parked.

11B-502.7.2 Wheel stops. A curb or wheel stop shall be provided if required to prevent encroachment of vehicles over the required clear width of adjacent accessible routes.

11B-502.8 Additional signage. An additional sign shall be posted either:  
1) In a conspicuous place at each entrance to an off-street parking facility or  
2) Immediately adjacent to on-site accessible parking and visible from each parking space.

11B-502.8.1 Size. The additional sign shall not be less than 17 inches wide by 22 inches high.

11B-502.8.2 Lettering. The additional sign shall clearly state in letters with a minimum height of 1 inch the following:  
"Unauthorized vehicles parked in designated accessible spaces not displaying distinguishing placards or special license plates issued for persons with disabilities will be towed away at the owner's expense. Towed vehicles maybe reclaimed at \_\_\_\_\_ or by telephoning \_\_\_\_\_"  
Blank spaces shall be filled in with appropriate information as a permanent part of the sign. (NOTE: Towing Co.'s Name and Telephone Number must be noted on the detail sheet/s on the plans).

Electrical Vehicle Charging Stations  
Electric vehicle charging stations (EVCS) shall comply with Section 11B-812 as required by Section 11B-228.3. Where vehicle spaces and access aisles are marked with lines, measurements shall be made from the centerline of the markings.

Exception: 11B-812.1

Operable parts shall comply with Section 11B-309.

Future installation of Electric Vehicle (EV) Chargers serving Covered Multi-Family Dwellings shall be on accessible route per 1113A and shall be in compliance with section 1138A reach range requirements

Floor or ground surfaces. Vehicle spaces and access aisles serving them shall comply with Section 11B-302. Access aisles shall be at the same level as the vehicle space they serve. Changes in level, slopes exceeding 1:48, and detectable warnings shall not be permitted in vehicle spaces and access aisles.

Vertical clearance. Vehicle spaces, access aisles serving them, and vehicular routes serving them shall provide a vertical clearance of 98 inches (2489 mm) minimum. Where provided, overhead cable management systems shall not obstruct required vertical clearance.

Accessible route to building or facility. EVCS complying with Section 11B-812 that serve a particular building or facility shall be located on an accessible route to an entrance complying with Section 11B-206.4. Where EVCS do not serve a particular building or facility, EVCS complying with Section 11B-812 shall be located on an accessible route to an accessible pedestrian entrance of the EV charging facility.

Exception: 11B-812.5.1

Accessible route to EV charger. An accessible route complying with Section 11B-402 shall connect the vehicle space and the EV charger which serves it.

Relationship to accessible routes. Vehicle spaces and access aisles shall be designed so that when the vehicle space is occupied the required clear width of adjacent accessible routes is not obstructed. A curb, wheel stop, bollards, or other barrier shall be provided if required to prevent encroachment of vehicles over the required clear width of adjacent accessible routes.

Arrangement. Vehicle spaces and access aisles shall be designed so that persons using them are not required to travel behind vehicle spaces or parking spaces other than the vehicle space in which their vehicle has been left to charge.

Exceptions: 11B-812.5.4

Obstructions. EVCS shall be designed so accessible routes are not obstructed by cables or other elements.

Vehicle spaces. Vehicle spaces serving van accessible, standard accessible, ambulatory and drive-up EVCS shall be 216 inches (5486 mm) long minimum and shall comply with Sections 11B-812.6.1 through 11B-812.6.4 as applicable. All vehicle spaces shall be marked to define their width.

Exceptions: 11B-812.6

Van accessible. Vehicle spaces serving van accessible EVCS shall be 144 inches (3658 mm) wide minimum and shall have an adjacent access aisle complying with Section 11B-812.7.

Standard accessible. Vehicle spaces serving standard accessible EVCS shall be 108 inches (2743 mm) wide minimum and shall have an adjacent access aisle complying with Section 11B-812.7.

Ambulatory. Vehicle spaces serving ambulatory EVCS shall be 120 inches (3048 mm) wide minimum and shall not be required to have an adjacent access aisle.

Drive-up. Vehicle spaces serving drive-up EVCS shall be 204 inches (5182 mm) wide minimum and shall not be required to have an adjacent access aisle.

Access aisle. Access aisles shall adjoin an accessible route. Two vehicle spaces shall be permitted to share a common access aisle. Access aisles shall be 60 inches (1524 mm) wide minimum and shall extend the full required length of the vehicle spaces they serve.

Location. Access aisles at vehicle spaces shall not overlap the vehicular way and may be placed on either side of the vehicle space they serve except for van accessible spaces which shall have access aisles located on the passenger side of the vehicle spaces.

Marking. Access aisles at vehicle spaces shall be marked with a painted borderline around their perimeter. The area within the borderlines shall be marked with hatched lines a maximum of 36 inches (914 mm) on center. The color of the borderlines, hatched lines, and letters shall contrast with that of the surface of the access aisle. The blue color required for identification of access aisles for accessible parking shall not be used. Access aisle markings may extend beyond the minimum required length.

Lettering. The words "NO PARKING" shall be painted on the surface within each access aisle in letters a minimum of 12 inches (305 mm) in height and located to be visible from the adjacent vehicular way.

Identification signs. EVCS identification signs shall be provided in compliance with Section 11B-812.8.

Four or fewer. Where four or fewer total EVCS are provided, identification with an International Symbol of Accessibility (ISA) and sign identifying van accessible spaces shall not be required.

Five to twenty-five. Where five to twenty-five total EVCS are provided, one van accessible EVCS shall be identified by an ISA complying with Section 11B-703.7.2.1. The required standard accessible EVCS shall not be required to be identified with an ISA.

Twenty-six or more. Where twenty-six or more total EVCS are provided, all required van accessible and all required standard accessible EVCS shall be identified by an ISA complying with Section 11B-703.7.2.1.

Ambulatory. Ambulatory EVCS shall not be required to be identified by an ISA.

Drive-up. Drive-up EVCS shall not be required to be identified by an ISA.

Finish and size. Identification signs shall be reflectorized with a minimum area of 70 square inches (45 161 mm<sup>2</sup>).

Location. Required identification signs shall be visible from the EVCS it serves. Signs shall be permanently posted either immediately adjacent to the vehicle space or within the projected vehicle space width at the head end of the vehicle space. Signs identifying van accessible vehicle spaces shall contain the designation "van accessible." Signs shall be 60 inches (1525 mm) minimum above the finish floor or ground surface measured to the bottom of the sign. FLOOR OR GROUND SURFACES

- 1. Floor and ground surfaces shall be stable, firm, and slip resistant.
2. Carpet or carpet tile shall be securely attached and shall have a firm cushion, pad, or backing or no cushion or pad. Carpet or carpet tile shall have a level top, textured top, level cut pile, or level cut/pile pile texture. Pile height shall be 1/4 inch maximum.

CHANGES IN LEVEL

- 3. Vertical changes in level for floor or ground surfaces may be 1/4 inch high maximum and without edge treatment. Changes in level greater than 1/4 inch and not exceeding 1/2 inch in height shall be beveled with a slope not steeper than 1:2.
4. Changes in level greater than 1/2 inch in height shall be ramped and shall comply with the requirements of 11B-405 Ramps or 11B-406 Curb Ramps as applicable.

TURNING SPACE

- 6. Circular turning spaces shall be a space of 60 inches diameter minimum and may include knee and toe clearance complying with 11B-306 Knee and Toe Clearance.
7. T-shaped turning spaces shall be a 7-foot square minimum with arms and base 36 inches wide minimum.

KNEE AND TOE CLEARANCE

- 9. For lavatories and built-in dining and work surfaces required to be accessible, toe clearance shall be provided that is 30 inches in width and 9 inches in height above the finish floor or ground for a depth of 19 inches minimum.
10. Toe clearance shall extend 19 inches maximum under lavatories for toilet and bathing facilities and 25 inches maximum under other elements.

PROTRUDING OBJECTS

- 12. Except for handrails, objects with leading edges more than 27 inches and less than 80 inches above the finish floor or ground shall protrude no more than 4 inches horizontally into the circulation path.
13. Freestanding objects mounted on posts or pylons shall overhang circulation paths no more than 12 inches when located from 27 to 80 inches above the finish floor or ground.

REACH RANGES

- 19. Electrical controls and switches intended to be used by the occupant of a room or area to control lighting and receptacle outlets, appliances or cooling, heating and ventilating equipment shall be located within allowable reach ranges.
20. Electrical receptacle outlets on branch circuits of 30 amperes or less and communication system receptacles shall be located within allowable reach ranges.

OPERABLE PARTS

- 26. Operable parts shall be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. Force required to activate operable parts shall be 5 pounds maximum.

C. ACCESSIBLE ROUTES

DETECTABLE WARNINGS AND DETECTABLE DIRECTIONAL TEXTURE

- 1. Detectable warning surfaces shall be yellow and approximate FS 35356 of Federal Standard 595C.
2. Detectable warning surfaces shall provide a 70 percent minimum visual contrast with adjacent walking surfaces.

DOORS, DOORWAYS, AND GATES

- 3. Doors, doorways, and gates providing user passage shall be provided in accordance with 11B-206.5 Doors, Doorways, and Gates.
4. Doors, doorways and gates that are part of an accessible route shall comply with 11B-403 Doors, Doorways, and Gates.
5. Door openings shall provide a clear width of 32 inches minimum.

RAMPS

- 13. Ramp runs shall have a running slope not steeper than 1:12 (8.33%).
14. Cross slope of ramp runs shall not be steeper than 1:48 (2.083%).
15. Floor or ground surfaces of ramp runs shall comply with 11B-302 Floor or Ground Surfaces.

HANDRAILS

- 30. Handrails shall be provided on both sides of stairs and ramps.
31. Handrails shall be continuous within the full length of each stair flight or ramp run.
32. Top of gripping surfaces of handrails shall be 34 inches minimum and 38 inches maximum vertically above walking surfaces, stair nosings, and ramp surfaces.

STAIRWAYS

- 41. A stair is defined as a change in elevation, consisting of one or more risers.
42. All steps on a flight of stairs shall have uniform riser heights and uniform tread depths.

- 45. The radius of curvature at the leading edge of the tread shall be 1/4 inch maximum.
46. Stairs shall have handrails complying with Section 11B-505 Handrails.
47. Stair treads and landings subject to wet conditions shall be designed to prevent the accumulation of water.

CURB RAMPS, BLENDED TRANSITIONS AND ISLANDS

- 48. Perpendicular ramp runs shall have a running slope not steeper than 1:12 (8.33%).
49. Perpendicular ramps, where provided, curb ramp fares shall not be steeper than 1:10.
50. The running slope of the curb ramp segments shall be in-line with the direction of sidewalk travel.

D. GENERAL SITE AND BUILDING ELEMENTS

- 1. Where parking spaces are provided, accessible parking spaces shall be provided in number and kind required per Section 11B-208 Parking Spaces.
2. Where passenger loading zones, drop-off zones, and/or bus stops are provided, accessible passenger loading zones, drop-off zones, and/or bus stops are required.

E. PLUMBING FIXTURES AND FACILITIES

DRINKING FOUNTAINS

- 1. Drinking fountains shall comply with Sections 11B-307 Protruding Objects and 11B-602 General Requirements.
2. Units shall have a clear floor or ground space complying with Section 11B-305 Clear Floor or Ground Space positioned for a forward approach and centered on the unit.

**FLUSH MOUNT DOOR:** optional, includes electric strike interlock (ESI) which releases door only when platform is at door landing; electronic sensors stop platform from operating unless door is closed; offered as an oak door with steel frame (in the rating) or a steel door with steel frame (10' min. free rating including a viewing window); delay action hydraulic closer; keyed ESI for bypass entry; also available in an aluminum frame and door with clear or bronze panels

**STATIONARY RAMP (Hoistway):** optional, 24" L x 36" W x 3" H (610 mm L x 914 mm W x 76 mm H) aluminum stationary ramp with anti-skid graphite gray powder coat  
(3-Gate): standard, 24" L x 41" W x 3" H (610 mm L x 1041 mm W x 76 mm H) aluminum stationary ramp with anti-skid graphite gray powder coat  
(Enclosure - 30" Door): standard, 24" L x 42" W x 3" H (610 mm L x 1067 mm W x 76 mm H) steel stationary ramp with E-coated anti-skid graphite gray powder coat  
(Enclosure - 45" Door): standard, 24" L x 51" W x 3" H (610 mm L x 1295 mm W x 76 mm H) steel stationary ramp with E-coated anti-skid graphite gray powder coat

**WEIGHT OF UNIT:**  
DC battery-powered units:  
• Model VPL-3303B: 867 lb (388 kg) (without batteries) (with batteries - 440 to 80 lb / 198 to 36 kg)  
• Model VPL-3312B: 920 lb (417 kg) (without batteries) (with batteries - 440 to 80 lb / 198 to 36 kg)  
• Model VPL-3310B: 1210 lb (549 kg) (with batteries)  
• Model VPL-3312B: 1304 lb (591 kg) (with batteries)  
• Model VPL-3314B: 1400 lb (635 kg) (with batteries)

All Models:  
• Top Landing Gate Option: 99 lb (45 kg)  
• Top Landing Wide Gate Option: 108 lb (49 kg)

3-Gate:  
• Lower Landing Gate and Walls: 130 lb (59 kg)

Enclosure (used with a Gate on the top landing):  
• Enclosure Walls, Full Height Door, and Ramp: 520 lb (236 kg) (model VPL-3303B)  
• 600 lb (272 kg) (model VPL-3312B)  
• 600 lb (268 kg) (model VPL-3310B)  
• 700 lb (315 kg) (model VPL-3312B)  
• 840 lb (381 kg) (model VPL-3314B)

**TESTING PERFORMED:**  
1) life cycle test performed at manufacturer's location  
2) ASME A18.1-2017 (Sec. 2) and CSA B335-15 code tests performed at manufacturer's location

**OPTIONS:**  
1) tool for manual lowering device  
2) telephone kit (ADA compliant with battery backup)  
3) battery package upgrade - 3A AH battery package (VPL-3303B and VPL-3312B)  
4) cold-weather package [recommended if operating temperature is below 20°F (-7°C)]  
5) 90 switch  
6) door/gate operator (used for power-assisted top landing door/gate, lower landing gate on 3-Gate, and lower landing door on enclosure)  
7) platform gate operator (used for power-assisted platform gate on unenclosed models)  
8) single trimmer (used with electric strike interlocks on 3-stop middle landing)  
9) floor zone leveler (electronics and batteries located on top section of lower)

**NUMBER OF LANDINGS:** 2-Stop (VPL-3303B, VPL-3312B, VPL-3310B, VPL-3312B, and VPL-3314B)  
3-Stop (optional for VPL-3310B, VPL-3312B, and VPL-3314B)

**MAIN FRAME CONSTRUCTION:** welded steel tubular guide construction with formed sheet steel guarding

**CARRIAGE CONSTRUCTION:** welded carriage with 2.25" (57 mm) diameter front and back sealed dual-ball-bearing wheels and adjustable low-friction plastic side stabilizer guide pads

**LIFTING HEIGHT:**  
Model VPL-3303B (Unenclosed, Enclosure, Hoistway and 3-Gate): 53" (1346 mm) maximum floor-to-floor height and 11" (279 mm) minimum floor-to-floor height  
Model VPL-3312B (Unenclosed): 60" (1524 mm) maximum floor-to-floor height and 32" (813 mm) minimum floor-to-floor height  
Model VPL-3310B (Enclosure and Hoistway): 70" (1753 mm) maximum floor-to-floor height and 32" (813 mm) minimum floor-to-floor height  
Model VPL-3312B (Enclosure and Hoistway): 123" (3124 mm) maximum floor-to-floor height  
Model VPL-3314B (Enclosure and Hoistway): 147" (3734 mm) maximum floor-to-floor height  
Model VPL-3314B (Enclosure and Hoistway): 171" (4343 mm) maximum floor-to-floor height

For all applications, maximum floor-to-floor is measured from the bottom of the pit to the upper landing. [Check local codes for maximum lifting height for unenclosed applications; ASME A18.1 (Sec. 2.7.1) limits maximum floor-to-floor to 90" (1524 mm)]

**PLATFORM CONSTRUCTION:** totally enclosed side walls consisting of 1" (25 mm) tubular framing and sheet metal siding

**ENCLOSURE CONSTRUCTION:** aluminum frame with Plexiglas and steel panels

**UNDER CARRIAGE SAFETY:** totally enclosed bottom formed steel safety pans for unenclosed applications only

**AUTOMATIC LOWER RAMP:** 16" (406 mm) long self-lowering ramp (standard on unenclosed applications)

**EMERGENCY LOWERING:** external lockable keyed switch for lowering platform by means of a separate battery located inside the electrical enclosure (models VPL-3310B, VPL-3312B, and VPL-3314B)

**FINISH:** exterior grade powder coat paint (standard color is champagne with anti-skid graphite gray platform floor and ramp)  
E-coated legs, platform and landing gate parts  
E-coated enclosure parts made of steel

**LIMIT SWITCHES:** adjustable upper and lower limit switches, upper and lower final limit switches

**MANUAL LOWER DEVICE:** optional; manual hand crank to lower device available; access to adaptive shaft via safety interlocked top cap

**REMOTE CONTROL:** optional; station includes a separate landing call/send rocker switch or paddle controls and a keyed on/off switch

**LOWER LANDING GATE (2-Gate):** standard; includes Bruno mechanical interlock which releases door, only when platform is at lower landing stop platform from operating unless door is closed; also includes call/send rocker switch or paddle controls and keyed on/off switch mounted into gate frame or remote mount

**TOP LANDING GATE:** optional; includes Bruno electrical mechanical interlock (EMI) or electric strike interlock (ESI) which releases door, only when platform is at upper landing; electronic sensors stop platform from operating unless door is closed; also includes call/send rocker switch or paddle controls and keyed on/off switch mounted into gate frame or remote mount; steel, clear Plexiglas, or bronze Plexiglas insert panels

**PLATFORM GATE (Unenclosed & 3-Gate):** standard; includes Bruno electrical mechanical interlock which releases door, only when platform is at lower landing. Electronic sensors stop platform from operating unless door is closed

**VPL Job Site Preparation**

The following is a list of general operations designed to prepare the job site for installation of the VPL. This list is provided as a guide to help the installer. For a complete list of requirements check the installation site's applicable local codes.

**Electrical Requirements:**  
DC battery-powered units: Check applicable local codes for all electrical and wiring requirements. If it is determined that a GFI (Ground Fault Interrupter) outlet is required, use a GFI 120V, 15A, 80' single phase circuit to operate the internal battery charger (charger draws 3A max.). National Electrical Code requires a GFI is used in all outdoor or wet environment applications.

**Platform Pathway Requirements:**  
Make sure the pathway that the platform runs in is clear of any electrical conduit and wire ways. Make sure no liquids, steam or gas piping discharge into the pathway, and make sure that there is sufficient headroom clearance (minimum of 80" - 2032 mm) throughout floor-to-floor travel. Make sure the area is sufficiently lit.

**Floor Recommendations:**  
4" (102 mm) thick, 3000 PSI minimum compressive strength, reinforced concrete slab. Refer to technical drawings for minimum slab dimensions. If the minimum can fall below freezing, it is recommended that you insert an insulation sheet between the concrete slab and the compacted rock.

**Floor Attachment:**  
VPL must be fastened to concrete slab using four (4) 1/2" (38'') bolt x minimum 2-1/2" long concrete anchors suitable for the environment. Refer to technical drawings for mounting hole locations. Follow selected concrete anchor manufacturer's guidelines and applicable codes.

**Housing Attachment:**  
Unenclosed: None required. Can use 5/16-18 tapped holes on lower frame work to fasten the lower housing to a vertical wall for additional stability. Note: Housing must remain intact.  
3-Gate: Lower landing walls must be secured to the house (fascia) with the brackets provided. Note: Housing must remain intact.  
Hoistway (by other): Use 5/16-18 tapped holes on lower frame work to fasten the lower housing to a vertical wall near or above the upper landing (200 lb/91 kg wall loading). Mounting brackets are supplied with unit.

**Lower Landing Gate Attachment (3-Gate):**  
Refer to 3-Gate technical drawing (see below).

**Top Landing Gate Attachment:**  
Refer to VPL gate technical drawing (see below).

**Flush Mount Door Attachment:**  
Refer to VPL flush mount door detail drawing (see below).

**Space Requirements:**  
Refer to technical drawings (see below).

**Platform-to-Top Landing Sill Clearance:**  
ASME code indicates the platform floor-to-sill clearance at the upper landing shall not be less than 38" (9.5 mm) nor exceed 34" (19 mm). Follow applicable local codes.

**Fascia Wall Requirements:**  
ASME code indicates that fascia should be smooth and non-perforated that guards the full length and width of the platform. The fascia shall be securely fastened from the upper landing sill down to the lower landing sill. It should also be able to withstand a 125-pound side load over any 4-inch square area. Follow applicable local codes.

## Introduction

This report details the noise analysis performed for the Coachella Valley Events Center at 46600 Tyler Street in Coachella. The events center is an existing facility that is undergoing remodeling. The facility currently includes various guest congregation areas, a covered deck, patio, a lake, a stage an onsite building and offices. The remodeled facility will include the addition of parking areas, a loading zone and bathrooms. It is proposed that amplified music will be played at the stage and a distributed speaker system will be installed around the lake, which will play ambient music during events. The maximum capacity of the facility will be 750 people and the proposed operating hours are 11 am to 2 am. The noise study was performed to estimate noise levels of events and to determine the noise control measures required for compliance with the City’s noise ordinance. This report provides the City of Coachella Municipal Code noise standards, the existing noise levels at the site, estimated noise levels during an event, an assessment of impact, and recommendations to ensure compliance with the noise standards. The location of the project site is shown in Figure 1.

**Figure 1 Project location and ambient noise measurement, and nearest residence locations**

## City of Coachella Noise Standards

Chapter 7.04 of the City of Coachella Municipal Code contains exterior sound limits that apply to the project. These limits are provided below:

7.04.030 - Sound level limits as related to fixed noise sources.

- A. Regardless of whether an objective measurement by sound level meter is involved, it shall be unlawful for any person to make, continue, or cause to be made or continued, within the city limits any disturbing excessive or offensive noise or vibration which causes discomfort or annoyance to any reasonable person of normal sensitivity residing in the area or that is plainly audible at a distance greater than fifty (50) feet from the sources point for any purpose. The following ten-minute average sound level limits, unless otherwise specifically indicated, shall apply as indicated in the following table as it relates to a fixed noise source or leaf blowers pursuant to Section 7.04.075.

Zone	Time	Applicable Ten-Minute Average Decibel Limit (A-weighted)
Residential—All zones	6:00 a.m. to 10:00 p.m.	55
	10:00 p.m. to 6:00 a.m.	45
Commercial—All zones	6:00 a.m. to 10:00 p.m.	65
	10:00 p.m. to 6:00 a.m.	55

- B. If the measured ambient noise level exceeds the applicable limit as noted in the table in subsection (A) of this section, the allowable average sound level shall be the ambient noise level. The ambient noise level shall be measured when the alleged noise violation sources are not operating.
- C. The sound level limit between two zoning districts shall be measured at the higher allowable district.

7.05.020 - Loud or unruly gatherings—Public nuisance.

It shall be unlawful and a public nuisance to conduct a gathering of ten (10) or more persons on any private property in a manner which constitutes a substantial disturbance of the quiet enjoyment of private or public property in a significant segment of a neighborhood, as a result of conduct constituting a violation of law. Illustrative of such unlawful conduct is excessive noise or traffic, obstruction of public streets by crowds or vehicles, public drunkenness, the service of alcohol to minors, fights, disturbances of the peace, litter. A gathering constituting a public nuisance may be abated by the city by all reasonable means including, but not limited to, an order requiring the

---

gathering to be disbanded and citation and/or arrest of any law violators under any applicable local laws and state statutes.

Noise measurements conducted to determine compliance with the above noise limits are performed at the property line of the property affected by the noise.

In addition to the objective noise limits above, the Municipal Code provides the following subjective noise regulations:

7.04.040 - Prohibited noise generally.

- A. It is unlawful for any person or property owner within the city of Coachella to make, cause, or continue to make or cause, loud, excessive, impulsive or intrusive sound or noise that annoys or disturbs persons of ordinary sensibilities.
- B. The factors, standards, and conditions that may be considered in determining whether a violation of the provisions of this section has been committed, include, but are not limited to, the following:
  - 1. The level of the noise;
  - 2. The level and intensity of the background (ambient) noise, if any;
  - 3. The proximity of the noise to residential or commercial sleeping areas;
  - 4. The nature, density and zoning of the area within which the noise emanates;
  - 5. The density of inhabitation of the area within which the noise emanates;
  - 6. The time of day and night the noise occurs;
  - 7. The duration of the noise;
  - 8. Whether the nature of the noise is natural or unnatural;
  - 9. Whether the noise is constant, recurrent or intermittent; and
  - 10. Whether the noise is produced by a commercial or noncommercial activity.

The City provides an exemption for outdoor gatherings, public dances, shows and sporting and entertainment events; provided the events are authorized by the city.

To ensure a conservative analysis, and to reduce the possibility of noise disturbances at nearby residences, our analysis assumes that the events center must comply with the residential noise limits at all nearby residences even though the residential properties to the north are within a commercial zone.

It should be noted that this study considers only whether the project complies with the objective noise limits provided in the code.

## Existing Noise Environment

Ambient noise in the area is primarily due to traffic on I-10 and nearby surface streets, aircraft and wildlife. Two 24-hour ambient noise measurements were obtained at the north and south property boundaries of the site, at locations representative of the nearest residences.

The measurements were obtained with model SVAN 971 type 1 precision sound level meters manufactured by Svantek, which were calibrated before the measurements. The locations of the measurement are provided in Figure 1. The measurements were obtained from 3:00 pm on April 13, 2024 for a period of 24-hours. Figure 3 provide the 10 minute average noise levels measured at each location for the entire measurement period. Table 3 provides a summary of the results. This table provides the range of measured sound levels for the daytime and nighttime operational hours.

**Table 1 Summary of ambient noise measurement results**

Location	Time period	Range of 10-minute A-weighted average sound levels (dBA)
<b>Location 1</b>	Daytime operation (11 am to 10 pm)	46.3 to 59.9
	Nighttime operation (10 pm to 2 am)	47.3 to 59.6
<b>Location 2</b>	Daytime operation (11 am to 10 pm)	43.6 to 59.5
	Nighttime operation (10 pm to 2 am)	46.3 to 58.7

Based on the sound measurement data presented in Table 1, an increase to the nighttime noise limits at the nearby residences is permitted. The revised nighttime noise limits are 47.3 dBA at the residences to the north of the site, and 46.3 dBA at the residences to the south of the site. The daytime noise limit remains at 55 dBA.

## Events Center Noise Analysis

The sound sources associated with the project include guests talking at the various onsite congregation areas, amplified music at the stage, and music played through the distributed speaker system around the lake. A computer noise model of the events center was generated to estimate the worst-case noise levels produced by the facility. The worst-case noise levels would occur during a full-capacity event, with guests generating noise through talking and shouting, amplified music at the stage and ambient music played through the speaker system around the lake. It was assumed there will be a maximum of 25 loudspeakers distributed around the edge of the lake (each directed towards the center of the lake) and two loudspeakers at the stage (directed west).

The noise model was constructed using SoundPlan three-dimensional noise modeling software, which takes into account the locations, levels and frequency spectra of the noise sources, and the terrain, buildings and barriers at the site. The model utilized reference sound measurements conducted at similar facilities.

Based on our analysis it was determined that the loudspeakers at the stage will be the greatest contributor of offsite noise. While the noise from guests and distributed speaker system will contribute to overall noise levels, compliance with the City's noise limits can be achieved by controlling noise from the stage alone. Our analysis involved determining maximum sound levels of loudspeakers to ensure compliance with the City's noise limits. The loudspeakers at the stage must produce a sound level no higher than 76 dBA before 10 pm, and no higher than 66 dBA after 10 pm, when measured 25 ft in front of the loudspeakers.

A summary of the results of exterior noise level analysis is provided in Table 2. The data provided in the table demonstrates compliance with the noise limits at all nearby properties during a worst-case event. A noise map showing the worst-case noise levels of an event during the daytime hours (before 10 pm), with implementation of the 76 dBA daytime stage loudspeaker sound level limit, is provided in Figure 4. A noise map showing the worst-case noise levels of an event during the nighttime hours (after 10 pm), with implementation of the 66 dBA nighttime stage loudspeaker sound level limit, is provided in Figure 5.

**Table 2 Results of exterior noise level analysis**

Location	Daytime Noise Limit (dBA)	Worst-case daytime event noise level (dBA)	Nighttime Noise Limit (dBA)	Worst-case nighttime event noise level (dBA)	City Noise Ordinance Compliance
General commercial zone to north (contains residences)	55	54	47.3	46	Yes
Suburban retail zone to north	65	56	55	51	Yes
Suburban retail zone to east	65	49	55	46	Yes
Multifamily zone to southeast	55	46	46.3	42	Yes
Urban neighborhood zone to south (contains residence)	55	48	46.3	44	Yes
Regional commercial zone to west	65	47	55	38	Yes

## Assessment of Impact

With implementation of the noise control measures determined as part of our analysis, the worst-case project operational noise levels will comply with the City’s the daytime and nighttime noise limits at all nearby properties.

## Recommendations

The following noise control recommendations are provided to ensure compliance with the City of Coachella exterior noise limits:

1. The sound level of the music sound system at the stage should be adjusted so that the sound level is no higher than 76 dBA before 10 pm and no higher than 66 dBA after 10 pm when measured at a distance of 25 feet in front of the speakers. The sound system level control should be set so that the speaker sound level cannot exceed this requirement.
2. The sound level of the distributed ambient music sound system around the lake should be adjusted so that the sound level is no higher than 65 dBA at a distance of 5 feet in front of any single loudspeaker. The sound system level control should be set so that the loudspeaker sound level cannot exceed this requirement. The loudspeakers should be oriented so that they are directed towards the center of the lake.
3. Sound levels should be measured during an event to verify that the City's noise limits are not exceeded. At a minimum, sound levels should be measured at the two measurement locations identified in Figure 1. If the event extends beyond 10 pm, measurements should be obtained after this time. If an exceedance of the noise limit is measured, the loudspeaker level limiters should be adjusted down to ensure that the noise limit is achieved. The measurements should be made in accordance with the requirements of the City of Coachella Municipal Code.

## Conclusion

This report provides an analysis of the noise levels associated with the proposed Coachella Valley Events Center. Our analysis indicates that, with the implementation of the recommendations included in this report, the operational noise levels will comply with the City's daytime and nighttime Municipal Code noise limits at all nearby properties. Furthermore, the noise levels will be lower than the existing ambient background noise levels in the area.

## Glossary of Terms

The following is a list of definitions of terms commonly used in the field of acoustics. Some, or all, of these terms may have been used in the preceding report:

**Ambient Noise:** The all-encompassing noise associated with a given environment at a specified time, usually a composite of sound from many sources both near and far.

**Average Sound Level:** See Equivalent-Continuous Sound Level.

**A-Weighted Sound Level, dB(A):** The sound level obtained by use of A-weighting. Weighting systems were developed to measure sound in a way that more closely mimics the ear's natural sensitivity. The A-weighting system is incorporated into the sound level meter to alter its sensitivity relative to frequency so that the instrument is less sensitive to noise at frequencies where the human ear is less sensitive and more sensitive at frequencies where the human ear is more sensitive. (Refer to Figure I-1 for typical noise source levels.)

**Community Noise Equivalent Level (CNEL):** A 24-hour A-weighted average sound level which takes into account the fact that a given level of noise may be more or less tolerable depending on when it occurs. The CNEL measure of noise exposure weights average hourly noise levels by 5 dB for the evening hours (between 7:00 p.m. and 10:00 p.m.), and 10 dB between 10:00 p.m. and 7:00 a.m., then combines the results with the daytime levels to produce the final CNEL value. It is measured in decibels, dB. (Refer to Figure I-2 for typical noise exposure levels.)

**CNEL:** See Community Noise Equivalent Level.

**Day-Night Average Sound Level (DNL or Ldn):** A measure of noise exposure level that is similar to CNEL except that there is no weighting applied to the evening hours of 7:00 p.m. to 10:00 p.m. It is measured in decibels, dB. (Refer to Figure I-2 for typical noise exposure levels.)

**Daytime Average Sound Level (Leq(12)):** The time-averaged A-weighted sound level measured between the hours of 7:00 am to 7:00 pm. It is measured in decibels, dB.

**Decay Rate:** The time taken for the sound pressure level at a given frequency to decrease in a room. It is measured in decibels per second, dB/s.

**Decibel (dB):** The basic unit of measure for sound level.

**Direct Sound:** Sound that reaches a given location in a direct line from the source without any reflections.

**Divergence:** The spreading of sound waves from a source in a free field, resulting in a reduction in sound pressure level with increasing distance from the source.

**Energy Basis:** This refers to the procedure of summing or averaging sound pressure levels on the basis of their squared pressures. This method involves the conversion of decibels to pressures, then performing the necessary arithmetic calculations, and finally changing the pressures back to decibels.

**Equivalent-Continuous Sound Level (Leq):** The average sound level measured over a specified time period. It is a single-number measure of time-varying noise over a specified time period. It is the level of a steady sound that, in a stated time period and at a stated location, has the same A-weighted sound energy as the time-varying sound.

---

For example, a person who experiences an Leq of 60 dB(A) for a period of 10 minutes standing next to a busy street is exposed to the same amount of sound energy as if he had experienced a constant noise level of 60 dB(A) for 10 minutes rather than the time varying traffic noise level. It is measured in decibels, dB.

**Fast Response:** A setting on the sound level meter that determines how sound levels are averaged over time. A first sound level is always more strongly influenced by recent sounds, and less influenced by sounds occurring in the distant past, than the corresponding slow sound level. For the same non-steady sound, the maximum first sound level is generally greater than the corresponding maximum slow sound level. Fast response is typically used to measure impact sound levels.

**Field Impact Insulation Class (IIC):** A single number rating similar to the impact insulation class except that the impact sound pressure levels are measured in the field.

**Field Sound Transmission Class (FSTC):** A single number rating similar to sound transmission class except that the transmission loss values used to derive this class are measured in the field.

**FIIC:** See Field Impact Insulation Class.

**Flanking Sound Transmission:** The transmission of sound from a room in which a source is located to an adjacent receiving room by paths other than through the common partition. Also, the diffraction of noise around the ends of a barrier.

**Frequency:** The number of oscillations per second of a sound wave (i.e., the number of cycles per second). It is measured in hertz, Hz.

**FSTC:** See Field Sound Transmission Class.

**Hertz (Hz):** See Frequency.

**Hourly Average Sound Level (HNL):** The equivalent-continuous sound level, Leq, over a 1-hour time period. It is measured in decibels.

**Impact Insulation Class (IIC):** A single number rating used to compare the effectiveness of floor/ceiling assemblies in providing reduction of impact-generated sounds such as the sound of a person walking across the upstairs floor.

**Impact Noise:** The noise that results when two objects collide.

**Impulse Noise:** Noise of a transient nature due to a sudden impulse of pressure like that created by a gunshot or a balloon bursting.

**Insertion Loss:** The decrease in sound power level measured at the location of the receiver when an element (e.g., a noise barrier) is inserted in the transmission path between the sound source and the receiver. It is measured in decibels.

**Inverse Square Law:** A rule by which the sound intensity varies inversely with the square of the distance from the source. This results in a 6 dB decrease in sound pressure level for each doubling of distance from the source.

**L<sub>2</sub>, L<sub>8</sub>, L<sub>25</sub>, L<sub>50</sub>:** See X-Percentile-Exceeded Sound Level.

---

**Ldn:** See Day-Night Average Sound Level.

**Leq:** See Equivalent-Continuous Sound Level.

**Leq(12):** See Daytime Average Sound Level.

**Lmax:** See Maximum Sound Level.

**Ln:** See X-Percentile-Exceeded Sound Level.

**Lpk:** See Peak Sound Level.

**Masking:** The process by which the threshold of hearing for one sound is raised by the presence of another sound.

**Maximum Sound Level (Lmax):** The greatest sound level measured on a sound level meter during a designated time interval or event. It is measured in decibels.

**NC Curves (Noise Criterion Curves):** A system for rating the noisiness of an occupied indoor space. An actual octave-band spectrum is compared with a set of standard NC curves to determine the NC level of the space.

**NIC:** See Noise Isolation Class.

**NNIC:** See Normalized Noise Isolation Class.

**Noise:** Any unwanted or disagreeable sound.

**Noise Criterion Curves:** See NC Curves.

**Noise Isolation Class (NIC):** A single number rating derived from measured values of noise reduction between two enclosed spaces that are connected by one or more partitions. Unlike STC or NNIC, this rating is not adjusted or normalized to a measured or standard reverberation time.

**Noise Reduction:** The difference in sound pressure level between any two points.

**Noise Reduction Coefficient (NRC):** A single number rating of the sound absorption properties of a material. It is the average of the sound absorption coefficients at 250, 500, 1000, and 2000 Hz, rounded to the nearest multiple of 0.05.

**Normalized Noise Isolation Class (NNIC):** A single number rating similar to the noise isolation class except that the measured noise reduction values are normalized to a reverberation time of 0.5 seconds.

**NRC:** See Noise Reduction Coefficient.

**Octave:** The frequency interval between two sounds whose frequency ratio is 2. For example, the frequency interval between 500 Hz and 1,000 Hz is one octave.

**Octave-Band Sound Level (Octave-Band Level):** For an octave frequency band, the sound pressure level of the sound contained within that band. It is measured in decibels.

**One-Third Octave:** The frequency interval between two sounds whose frequency ratio is  $2^{1/3}$  (1.26). For example, the frequency interval between 200 Hz and 250 Hz is one-third octave.

---

**One-Third-Octave-Band Sound Level (One-Third-Octave-Band Level):** For a one-third-octave frequency band, the sound pressure level of the sound contained within that band. It is measured in decibels.

**Outdoor-Indoor Transmission Class (OITC):** A single number rating used to compare the sound insulation properties of building facade elements. This rating is designed to correlate with subjective impressions of the ability of facade elements to reduce the overall loudness of ground and air transportation noise.

**Peak Sound Level (Lpk):** The maximum instantaneous sound level during a stated time period or event. It is measured in decibels.

**Pink Noise:** Noise that has approximately equal intensities at each octave or one-third-octave band.

**Point Source:** A source that radiates sound as if from a single point.

**RC Curves (Room Criterion Curves):** A system for rating the noisiness of an occupied indoor space. An actual octave-band spectrum is compared with a set of standard RC curves to determine the RC level of the space.

**Real-Time Analyzer (RTA):** An instrument for the determination of a sound spectrum.

**Receiver:** A person (or persons) or equipment which is affected by noise.

**Reflected Sound:** Sound that persists in an enclosed space as a result of repeated reflections or scattering. It does not include sound that travels directly from the source without reflections.

**Reverberation:** The persistence of a sound in an enclosed or partially enclosed space after the source of the sound has stopped, due to the repeated reflection of the sound waves.

**Reverberation Time (T<sub>60</sub>):** The time required for the sound pressure level of a given frequency in an enclosed or partially enclosed space to decrease by 60 dB after the source of the sound has stopped. It is measured in seconds.

**Room Absorption:** The total absorption within a room due to all objects, surfaces and air absorption within the room. It is measured in Sabins or metric Sabins.

**Room Criterion Curves:** See RC Curves.

**RTA:** See Real-Time Analyzer.

**SLM:** See Sound Level Meter.

**Slow Response:** A setting on the sound level meter that determines how measured sound levels are averaged over time. A slow sound level is more influenced by sounds occurring in the distant past than the corresponding fast sound level.

**Sound:** A physical disturbance in a medium (e.g., air) that is capable of being detected by the human ear.

**Sound Absorption:** The process of dissipation of sound energy, and the property of materials and structures to dissipate sound energy.

**Sound Absorption Coefficient ( $\alpha$ ):** A measure of the sound-absorptive property of a material.

---

**Sound Insulation:** The capacity of a structure or element to prevent sound from reaching a receiver room either by absorption or reflection.

**Sound Level:** See Sound Pressure Level.

**Sound Level Meter (SLM):** An instrument used for the measurement of sound level, with a standard frequency-weighting and standard exponentially weighted time averaging.

**Sound Power Level:** A physical measure of the amount of power a sound source radiates into the surrounding air. It is measured in decibels.

**Sound Pressure Level:** A physical measure of the magnitude of a sound. It is related to the sound's energy. The terms sound pressure level and sound level are often used interchangeably. It is measured in decibels.

**Sound Transmission Class (STC):** A single number rating used to compare the sound insulation properties of walls, floors, ceilings, windows, or doors. This rating is designed to correlate with subjective impressions of the ability of building elements to reduce the overall loudness of speech, radio, television, and similar noise sources in offices and buildings.

**Source Room:** A room that contains a noise source or sources.

**Spectrum:** The spectrum of a sound wave is a description of its resolution into components, each of different frequency and usually different amplitude (level).

**STC:** See Sound Transmission Class.

**T<sub>60</sub>:** See Reverberation Time.

**Tapping Machine:** A device used in rating different floor constructions against impacts. It produces a series of impacts on the floor under test, 10 times per second.

**Tone:** A sound with a distinct pitch (i.e., a dominant frequency).

**Transmission Loss (TL):** A property of a material or structure describing its ability to reduce the transmission of sound at a particular frequency from one space to another. The higher the TL value the more effective the material or structure is in reducing sound between two spaces. It is measured in decibels.

**White Noise:** Noise that has approximately equal intensities at all frequencies. (White noise need not be random noise.)

**Windscreen:** A porous covering for a microphone, designed to reduce the noise generated by the passage of wind over the microphone.

**X-Percentile-Exceeded Sound Level (L<sub>n</sub>):** The A-weighted sound level equaled or exceeded by a fluctuating sound level x percent of a stated time period. E.g., the letter symbol L<sub>10</sub>, represents the sound level which is exceeded 10 percent of the stated time period. For a 1-hour measurement, L<sub>50</sub>, is the sound level exceeded for more than 30 minutes in an hour, L<sub>25</sub> is the sound level exceeded for more than 15 minutes in an hour. L<sub>8</sub> is the sound level exceeded for more than 5 minutes in an hour, and L<sub>2</sub> is the sound level exceeded for more than 1 minute in an hour.
