- [y.](#) Request for approval of (2) vehicle permits submitted by Soils & Structures for the Huron Road retaining wall project

## **XII. Miscellaneous / General Council Discussion / Additional Agenda Items**

## **XIII. Adjournment**

## CITY COUNCIL REGULAR MEETING MINUTES

Wednesday, April 03, 2024 at 3:00 PM

City Hall, Council Chambers, 7358 Market St., Mackinac Island, Michigan

**I. Call to Order**

Mayor Doud called the meeting to order at 3:00 pm

**II. Roll Call**

PRESENT

- Brian Bailey
- Richard Chambers
- Tom Corrigan
- Steven Moskwa
- Anneke Myers
- Alan Sehoyan
- Richard Linn, Treasure

ABSENT

- Doug Topolski, Chief of Police

**IV. Approval of Minutes**

- a. Budget Work Session Minutes, held on March 20, 2024  
Mayor Doud stated that the minutes stood approved as presented.
- b. Minutes of the Regular City Council meeting, held on March 20, 2024  
Mayor Doud stated that the minutes stood approved as presented.
- c. Minutes of the Budget Hearing, held on March 27, 2024  
Mayor Doud stated that the minutes stood approved as presented.
- d. Minutes of the Special Budget Meeting, held on March 27, 2024  
Mayor Doud stated that the minutes stood approved as presented.

**V. Approval of the Treasurer's Report**

- a. April 3, 2024 Treasurer's Report
  - Received county "pay-off" acquired from delinquent taxes on real property - \$35,000.00
 Motion made by Moskwa, Seconded by Corrigan, to accept the report as presented.  
 Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

**VI. Approval of Payments for:**

Motion made by Moskwa, Seconded by Corrigan, to approve the bills and payroll as presented.  
 Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

**VII. Additions to / Adoption of Agenda**

Motion made by Bailey, Seconded by Chambers, to accept the agenda as presented.  
 Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

**IX. Correspondence**

- a. Letter from Shepler's Ferry regarding the clarification on luggage cart charges
  - Councilman Moskwa noted that the \$40.00 fee was only applied if someone asks for a private cart.
  - Councilwoman Myers noted that if someone has a cart and fills it up completely, they will not get charged the \$40.00 fee.
 Motion made by Moskwa, Seconded by Bailey, to place Mr. Shepler's letter on file.  
 Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
  
- b. Letter from Dr. Jennifer Pool regarding Star Line resident & employee passes
  - Mayor Doud noted that Bill & Mary Jo Border were unable to obtain their boat passes as they have Indiana driver's licenses, which Star Line would not accept.
    - o Mayor Doud spoke to Jerry Fetty, who resolved the issue
    - o As to the Pool situation - they have dual citizenship in Canada and therefore have Canadian driver's licenses. Situation should be resolved.
  - Councilman Corrigan commented that the issue is that Star Line continues to think that they can specifically require a driver's license, when the Winter Service Contract states that a driver's license is simply one form of acceptable identification
  - Councilman Bailey noted that Jerry Fetty attended a meeting in person and acknowledged that only one form of identification was required.
  - Councilwoman Myers inquired why it is still necessary to submit an "essential worker" list to Star Line? Dr. Hessler was listed on the essential worker list, submitted by the Mayor's Assistant, and he was still denied a pass.

- Attorney Evashevski stated that the way the winter service contract is written and how Star Line determines an island resident allows for proof beyond the optional documents listed in the contract. If a purchaser can prove that they are a year-round resident, there is no need to have the essential worker classification
- Councilwoman Myers noted that at the time of the original need for the "essential worker pass" the City did not have a contract with Star Line. However, there is a contract in place now with language that covers this issue, and therefore these people should be able to obtain a pass without issue.
- McCartney Years business license application
  - Councilwoman Myers did not see any reason why they could not obtain a license if they want to.
    - Not required, but they can apply for one if they want. Can get them into the CVB.

Motion by Myers, second to the motion by Corrigan, to issue a NEW business license for The McCartney Years. All in favor. Motion carried.

Motion by Moskwa, second to the motion by Corrigan, to place Dr. Jennifer Pool's letter on file. All in favor. Motion carried.

## X. Old Business

- Councilman Bailey inquired if Star Line had gotten back to the City regarding the issuance of free passes for children under (5)?
  - Nothing has been received at this time
  - It was suggested that the Mayor's Assistant reach out to Mr. Fetty regarding this
- a. Transfer of 35 rental bike licenses to the new owners of the Harbour View Inn
  - City Clerk researched the origin of Harbour View bike licenses and did not find any restrictions placed
  - Based off research, believes the restrictions have only been applied to newly issued bike license (like those to James Fisher & Jason St. Onge) and not to existing licenses that are being transferred between new and old owners of a property

Motion made by Myers, Seconded by Sehoyan, to authorize the transfer of the existing 35 bike licenses from Harbour View Inn, LLC, to the new owners Harbour View Mackinac, LLC. Rental bicycle licenses will remain in use at the location of 6860 Main Street.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- b. Discussion and / or action regarding the vehicle and trailer permit for Cupps Masonry to haul a foundation system and materials to the Hoban Hill project
  - Brad Chambers of Mackinac Island Carriage Tours / Service Company stated to the Clerk that they were capable of hauling the materials
  - Nate Morrow of Preston Feather noted that they would be having Mackinac Island Service Company and Arnold Freight sign letters of liability before they take possession of the product.
    - Arnold Freight would like to keep the product on the truck and trailer, ship it over on the boat, and unload the product on the Coal Dock to the dray.
    - Product is not readily available to re-order.
      - (3) to (4) week lead time for replacement, so if needed it will delay the project significantly
  - Dennis Dombroski noted that the Medical Center was built with this same product when Jim Bond started it with the first phase. When Maverick Construction continued, they used the same product and didn't have any issues.
  - Councilman Bailey noted that bringing the truck and trailer over to dock would help with less handling.
  - Mr. Morrow, his driver, plus John Cupps & his masonry crew would be needed to unload the product on site if they were allowed to bring the truck and trailer. Should be able to unload and be back to the boat within an hour.
  - Councilwoman Myers noted that she would have concerns with on and off loading on dock with forklift as well - fragile materials
  - Councilman Moskwa suggested making a frame that would help lessen the damage during shipping.
  - Councilman Sehoyan acknowledged that this is a fragile product and needs to be handled according.
  - Attorney Evashevski inquired if there was a letter on file from the Service Company stating they can haul the product?
    - City Clerk noted that she was waiting to receive the letter from Mr. Morrow

- Councilwoman Myers suggested making an exception this time, but noted that Preston Feather needs to find a different way to ship this product in the future to avoid needing a truck and trailer.
  - Mr. Morrow confirmed that, going forward, they will find a different way to haul the product to avoid these complications
- Trailer is 52 ft long – Council expressed concerns about this making it around Chamber’s Corner
- Councilman Bailey inquired about hauling the product from the State Dock?
  - Councilwoman Myers felt that State Road would destroy the product due to its current state

Motion made by Corrigan, Seconded by Moskwa, to deny the truck and trailer permit due to the length.

Voting Yea: Chambers, Corrigan, Moskwa, Myers, Sehoyan

Voting Abstaining: Bailey

## XI. New Business

- a. Approval of a banner at the Community Hall for the Bible Church Sunday Service
- Banner would only hang the day of service

Motion made by Myers, Seconded by Moskwa, to approve the banner request for the Mackinac Island Bible Church.

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

- b. Police Department Senior Transports
- Police Department is receiving special training on April 13th and 14th, and are requesting to suspend transports on those days so that the officers are able to attend the training. (Transports technically end on the April 15<sup>th</sup>)
  - Mayor Doud will contact Chief Topolski to ask him to take transport requests on April 13th and 14th to still end on the 15th, but may have to end transports on the 12th.
  - Council agreed to this plan.
- c. Purchase and delivery of topsoil to the Cemetery by Belonga Excavating (Cemetery budgeted item)
- Receiving 100 yards total
    - 20 yards will go to Turtle Par for work on the soccer field
  - Remainder is for burials at the cemetery

Motion made by Moskwa, Seconded by Bailey, to approve the purchase of the top soil, and to waive the associated permit fees for Belonga Excavating.

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

- d. Purchase and delivery of stone to the Library by Belonga Excavating (Library budgeted item)
- Stone to place along side the library where the trees were ripped out after Gilmer's purchased McIntire's and crushed stone for bike parking out front to replace woodchips. Stone will stay better than the woodchips.

Motion made by Myers, Seconded by Sehoyan, to approve and waive the associated vehicle permit fees.

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

- e. Maintenance Department purchase of (2) new shop bikes (shop budgeted item)
- Bikes are for employees working in town during the summer
  - Ordering directly from Worksman
  - Councilman Moskwa inquired if these were price checked at local shops?
    - Foreman Mike Ruddle noted that he went directly to Worksman for a heavier duty bike.
  - Councilwoman Myers asked that the bikes be labeled for the City

Motion made by Sehoyan, Seconded by Corrigan, to approve the purchase of (2) shop bikes.

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

- f. 2024 events involving alcohol at Mission Point Resort on the Great Lawn
- Chicago Yacht Club party – July 16, 2024 – front lawn – 3,000 guests
  - Bayview Yacht Club party – July 23, 2024 – front lawn – 5,000 guests
    - If Jeep will be sponsoring again this year, appropriate permits will need to be applied for
  - Mackinac Island Swim – August 18, 2024 – front lawn – 500 guests

Motion made by Myers, Seconded by Sehoyan, to approve the 2024 events for Mission Point

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

- g. Discussion with Power Construction Group regarding the schedule of further work proposed use of vehicles after May 1st for the Grand Hotel earth retention project  
Dennis Bradley
- Retention wall is up and in the process of pouring the cap on top (will be in multiple stages)
  - Once the wall is completed they will have to haul in fill which will need to be compacted
  - Frost laws are still on, and until those come off paving cannot be completed
    - Bacco will be doing the paving - may be the first week of May before that can be done due to frost laws
  - Site clean-up has started and once this is done the rest of the equipment will need to be moved off island
  - Councilwoman Myers inquired if Mr. Bradley felt that most of the work, besides paving would be done by May 1<sup>st</sup>?
    - Mr. Bradley stated that he was hoping so, but there is still cement work to be done and the timeframe for that will all depend on the weather
      - All of that work is on site and materials will be hauled by the dray.
  - Councilman Moskwa noted that the wait for paving was certainly understandable.
  - Mayor Doud stated that when Power Construction knows what they will need and when they will need it, permits need to be submitted as soon as possible.
- h. Installation Agreement with the Detroit Institute of Art for the installation of a painting outside the Mackinac Island Public Library
- Approved by the Historic District Commission at their March 2024 meeting
- Motion made by Moskwa, Seconded by Bailey, to approve the installation and to authorize the document to be signed.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- i. Purchase four (4) sets of Viking Warrior turnout great for the Mackinac Island Fire Department – budgeted item for the fiscal year 2023 / 2024  
Motion made by Myers, Seconded by Chambers, to approve the purchase.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- j. Parade permit submitted by Michigan Knights of Columbus for a parade from St. Anne’s Church to the Grand Hotel on Wednesday, May 22, 2024.  
Motion made by Myers, Seconded by Corrigan, to approve the permit.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- k. Temporary trailer permit for Irene & Tom Horn to remove items from their property located off of 7th Street. Trailer will arrive on May 15<sup>th</sup> and will be removed some time in June.  
Motion made by Moskwa, Seconded by Sehoyan, to approve the trailer permit.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- l. Vehicle permit submitted by Grand Traverse Construction to use a vac truck at the Biddle Point Pump Station to clean inground fuel tanks. Truck will arrive on April 8<sup>th</sup> and will be in use for (1).  
Motion made by Myers, Seconded by Moskwa, to approve the permit and waive the fee.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- m. Vehicle and trailer permit submitted by Belonga Plumbing & Heating to remove a tool trailer from the Inn at Stonecliffe. Truck will arrive for one day of use between April 16<sup>th</sup> and 18<sup>th</sup>.  
Motion made by Myers, Seconded by Bailey, to approve the vehicle & trailer permit.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- n. Vehicle permit submitted by Tietema Painting for painting at the Police Department  
- Part of the grant obtained last year for the roofing repairs at the Police Department  
Motion made by Myers, Seconded by Moskwa, to approve the lift permit and waive the fee.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- o. Vehicle permit submitted by Grant Hotel to install the pump station intake at the Woods golf course lake line pump station. Work will take place between April 12<sup>th</sup> and 14<sup>th</sup>.  
Motion made by Moskwa, Seconded by Bailey, to approve the permit.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- p. Four (4) annual vehicle permits submitted by the Grand Hotel for Woods 9 and Grand 9 golf courses  
- One beverage cart and utility cart at both the Woods 9 & Grand 9  
Motion made by Moskwa, Seconded by Bailey, to approve the annual permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

- q. Request for approval of 62 golf cart permits submitted by the Grand Hotel for Woods 9 and Grand 9 golf courses
- 32 golf carts to the Grand 9
  - 30 golf carts to the Woods 9
  - Golf carts will be arriving on April 26<sup>th</sup> and 29<sup>th</sup>
- r. Vehicle permit submitted by Designer Furniture to transport antiques and art to the Inn at Stonecliffe. Vehicle will arrive on April 17<sup>th</sup> and will be in use for (7) days.
- Letter from Mackinac Island Service Company stating that they will not haul the items.
- Motion made by Sehoyan, Seconded by Moskwa, to approve the vehicle permit.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- s. Vehicle & trailer permit submitted by North Anchor Property Management to move items to the Inn at Stonecliffe. Vehicle and trailer will arrive on April 3<sup>rd</sup> and will be in use for (7) days.
- Letter from Mackinac Island Service Company stating that they will not haul the items.
- Motion made by Sehoyan, Seconded by Moskwa, to approve the vehicle & trailer permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- t. Vehicle permit submitted by the Iroquois hotel for exterior painting. Lift will arrive on April 19<sup>th</sup> and be in use for 14 days (weather dependent).
- Motion made by Myers, Seconded by Corrigan, to approve the vehicle permit.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- u. Vehicle permit submitted by R&R Fire Truck Service for the annual maintenance and pump testing of the Island fire trucks
- Motion made by Moskwa, Seconded by Corrigan, to approve the permit and waive the fee.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- v. 37-day extension of a vehicle permit submitted by Harborview Custom Builders for continued work at the Inn at Stonecliffe
- Ben Horn noted that most of the equipment will be leaving at the end of April.
  - May 23<sup>rd</sup> is the cut-off date for vehicles in Zone 2
- Motion made by Myers, Seconded by Sehoyan, to approve the extension through May 23<sup>rd</sup>.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- w. 37-day extension of (5) vehicle permits submitted by Hoffman Landscaping for continued landscaping work at the Inn at Stonecliffe
- Motion made by Myers, Seconded by Sehoyan, to approve the extensions through May 23<sup>rd</sup>  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- x. (4) vehicle & (1) trailer permit submitted by Belonga Excavating for work at the Biddle Point Pump Station. Vehicles and trailers will arrive on April 8<sup>th</sup> and will be in use for (1) day. Skid Steer will remain for a few more days to unload materials and clean up the jobsite.
- Allen Burt, DPW Director noted that the project is mostly complete. Old fuel tank in the ground still needs to be filled as it is not being removed. Will restore grass once outdoor work is completed.
- Motion made by Moskwa, Seconded by Myers, to approve the permits and waive the fees.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- y. Vehicle & trailer permit submitted by Belonga Excavating for work at Doud's Market – 7200 Main Street. Vehicle and trailer will arrive the week of April 15<sup>th</sup> and will be in use for (1) to (3) days.
- Boring in new electrical for T-Mobile on top of building
  - Less of a risk to dig with a VAC truck as there is already a lot buried in that area
  - HDC approved the replacement of the equipment
- Motion made by Moskwa, Seconded by Corrigan, to approve the permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- z. (2) vehicle permits submitted by Belonga Excavating for the installation of water & sewer at the Hammon's – Stonecliffe Manor #1, Lot #14. Vehicles will arrive the week of April 22<sup>nd</sup> and will be in use for (3) days.
- Motion made by Myers, Seconded by Moskwa, to approve the permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

- aa. (2) vehicle permits submitted by Belonga Excavating for the installation of water & sewer at the Ledtke residence – 6880 Huron Rd. Vehicles will arrive the week of April 15<sup>th</sup> and will be in use for (3) days.  
Motion made by Myers, Seconded by Moskwa, to approve the permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- bb. (3) vehicle & (3) trailer permits submitted by DVM Utilities for repair and correction work at the Yacht Club for AT&T – 7006 Main St. Vehicles & trailers will arrive on April 8<sup>th</sup> and will be in use for (6) days.  
- Dennis Dombroski noted that this is a solid project that need to get done.  
- Rework of what was done last fall with the concrete, actually replacing a little more sidewalk and cleaning up mess that was left.  
Motion made by Myers, Seconded by Bailey, to approve the permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- cc. (3) vehicle & (3) trailer permits submitted by DVM Utilities to install new service for AT&T at 1256 Truscott St. Vehicles and trailers will arrive on April 8<sup>th</sup> and will be in use for (6) days  
o Street and Right of Way Permit was approved in March 2024.  
Motion made by Moskwa, Seconded by Corrigan.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- dd. Vehicle permit submitted by Cloverland Electric for the dielectric testing of their trucks  
Motion made by Myers, Seconded by Moskwa, to approve the permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- ee. Off-Island Business License for CertaPro Painters of Grand Rapids  
Motion made by Myers, Seconded by Moskwa, to approve the business license.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- ff. Temporary trailer permit submitted by CertaPro Painters of Grand Rapids. Trailer will arrive on April 4<sup>th</sup> and will be in use through the end of May.  
Motion made by Myers, Seconded by Moskwa, to approve the permit.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- gg. Off-Island Business License for Herbst Seamless Gutters  
Motion made by Moskwa, Seconded by Bailey, to approve the business license.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- hh. Vehicle & trailer permit submitted by Herbst Seamless Gutters for gutter installation at Parker Housing (Market Street) & Grand Hotel  
o Ken Peterson noted that work at the Parker Housing was pending next week's Historic District Commission (HDC) meeting. Adding gutters to front side of the building. Rick Neumann gave go-ahead.  
o Gutter trailer is between 5,000 to 6,000 pounds  
o Councilwoman Myers inquired if the load could be broken down into smaller loads and hauled by the dray?  
o Mr. Peterson noted that the sections are generally too long to be hauled on the dray or broken down  
Motion made by Myers, Seconded by Corrigan, to approve the permits for gutter work at Parker contingent on HDC approval. Grand hotel work approved and not subject to HDC.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- ii. (7) annual vehicle and (1) annual trailer permit submitted by Cloverland Electric  
Motion made by Moskwa, Seconded by Corrigan, to approve the permits.  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan
- jj. Request for approval to enter into closed session to discuss a written legal opinion  
Motion made by Myers, Seconded by Bailey, to enter into closed session to discuss a written legal opinion at 4:23 pm  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan  
  
Motion by Myers, second to the motion by Moskwa to leave closed session at 5:19 pm  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan  
  
Motion by Chambers, second by Moskwa, to enter into open session at 5:20 pm  
Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

**XII. Miscellaneous / General Council Discussion / Additional Agenda Items**

- Councilwoman Myers noted that there are a lot of dumpsters around and hopes they're permitted. Would like to set up meeting with Council, Dept. of Public Works, Service Co, and City Clerk to discuss - maybe need to have a ticketing process?
  - o Sam Barnwell thought that it would be a good idea to sit down and discuss the need for dumpsters and how to handle them
  - o Mayor Doud stated that there will be a meeting set up to discuss vehicle permits and dumpsters and how the permits are handled and any other related systems
- Councilwoman Myers inquired if there was any update on paving
  - o Dennis Dombroski noted that he had not met with Myron as of this meeting, but that he will follow Myron's lead on how and when the State Park is doing their paving
  - o Mr. Johnson stated that he would get with Dennis to discuss further. Weather permitting, hoping to get an earlier start. Still planning on trucking in the materials rather than having a batch plant.
- Mayor's Assistant Trista France announced that the Michigan Secretary of State mobile office will be at the Community Hall on April 29<sup>th</sup>, 30<sup>th</sup>, & May 1<sup>st</sup> from 10:00 am to 3:00 pm.
  - o Received grant from the Mackinac Island Community Foundation to cover some of their costs to provide this service on the Island
- Councilwoman Myers inquired how court went with Mackinac Island Ferry Company regarding the Main Dock.
  - o Attorney Evashevski noted that they had a hearing today on the temporary restraining order and preliminary injunction - do not have decision at this time, but should hear from the judge by end of day tomorrow. Will have another hearing on May 2nd to hear all evidence from both sides as to whether or not an injunction will continue on through the rest of the court hearing / lawsuit.
  - o Councilwoman Myers requested that all documents filed be sent to the Council to review
- Councilman Corrigan noted that, with respect to Star Line, if the Council does not get a positive reaction from Mr. Fetty about the resident passes, what is our recourse?
  - o Attorney Evashevski commented that the City could find Star Line in violation of the winter service contract and potentially the franchise agreement. City should keep a complaint file as Star Line handles these on a case by case basis.
    - The City Clerk and Mayor's Assistant will work on compiling a file of what is submitted to the City offices.
  - o Councilman Corrigan would like to make the comment that the City cannot let this continue on a case to case basis.
  - o Councilman Moskwa noted that these complaints from our residents have been disheartening, and that it was frustrating to hear that the Island's doctor was denied a pass
    - Councilman Sehoyan commented that the situation was embarrassing.

Motion by Myers, second to the motion by Bailey, to schedule a joint meeting with the Historic District Committee (HDC) to discuss the HDC Ordinance and to discuss increasing the number of members on the board from (5) to (7). All in favor. Motion carried.

**XIII. Adjournment**

Motion made by Myers, Seconded by Sehoyan, to adjourn the meeting at 5:27 p.m.

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

---

Margaret Doud, Mayor

PLANNING COMMISSION ★ HISTORIC DISTRICT COMMISSION ★ BUILDING DEPARTMENT

April 12, 2024

Mayor Doud and City Council  
City of Mackinac Island  
PO Box 455  
Mackinac Island, MI 49757

Dear Mayor and City Council:

At the regular meeting of the Planning Commission on April 9, 2024, a letter was read from Mike Heise, Cloverland, regarding the monthly breakdown of usage, for the last two years. The Planning Commission asked that I forward this letter to you, as promised, last month.

Sincerely,

Katie Pereny  
Secretary, City of Mackinac Island Planning Commission

enclosures

March 21, 2024

Mr. Michael Straus  
Chairman – Planning Commission  
City of Mackinac Island  
7538 Market Street, PO Box 455  
Mackinac Island, MI 49757

Dear Mr. Straus,

This letter is in response to your letter of March 13, 2024 asking on behalf of the City of Mackinac Island Planning Commission for a 2-year monthly breakdown/usage information for the island, usage data from the 2000 timeframe, the use/integrity of the cable from the 2000 incident, the longevity of the current system, and plans to update or expand service on Mackinac Island.

Attached to this letter are two documents (tables) that provide the usage information for; a) past 2-years monthly and b) the monthly data available from the 2002 timeframe (load data began being recorded in 2002).

Presently the cable system that failed from the 2000 incident remains in place, energized, although disconnected from the electrical network on Mackinac Island, yet quickly and efficiently available to be connected if system conditions warrant or would benefit service connection to the island. This cable has been identified to be retired and removed from the system at a future time that has yet to be determined. There currently are 2 other circuits (cables) that were subsequently installed in the 2000 timeframe (2000 and 2001) that provide electrical service to Mackinac Island. The longevity of the current cable system is expected to be a minimum of 40-50 years under normal conditions. Life/longevity of such modern cable systems of the time are understood to extended beyond this time with the fact that the cables are in freshwater vs saltwater, use of thermal sand for buried portions, exist within naturally cooler water/soil temperatures, and sustain normal electrical loading during their operational life.

Current plans to update or expand service on Mackinac Island are minimal presently, although we have a couple projects in developmental states that have not yet entered our construction work plan cycle. One is to update and expand the Pat Chambers switching station on Mackinac Island with modern switching equipment and electrical buss connectivity that can be remotely controlled in conjunction with system voltage upgrades. We just recently completed

improvements during 2023 replacing existing equipment controls with our standard (modern) control units that have greater remote control and communications of data from the station. While not on the island, there are multiple projects we are currently in the design stages of involving St. Ignace mainland electrical network that improve the reliability and the resiliency to serve Mackinac Island from alternative sources. These projects have been identified to be budgeted and enter our next construction work plan cycle. This is not to say that other improvements on the island will not be occurring. There are a select number of which will be primarily driven by existing member system improvements/requests directly related to those specific members that we are not permitted to share. Some of these projects further support the need for improvements at Pat Chambers and system voltage that were mentioned above.

Again, as requested in our letter in February, we would certainly appreciate any information such as a community/commission 'master plan' that can be shared with us in return.

Sincerely,

Mike Heise

April 11, 2024

City of Mackinac Island  
Attn: Mayor Doud and City Council Members  
P.O. Box 455  
Mackinac Island, MI 49757

Dear Mayor Doud and City Council Members,

Recently, our safety and security panels were approved by both the Planning Commission and Historic District Commission of Mackinac Island on April 9<sup>th</sup>, as the Mackinac Island City Council noted Shepler's had skipped those approval processes prior to equipment installation. Again, we apologize for this overstep. Shepler's would like to continue the discussion with transparent communication on establishing our 2025 rates and services as it pertains to our proposed luggage fee.

Prior to postponing the implementation of the \$4.00 luggage fee per item for the 2024 season we had introduced changes to which guests would be affected by said fee. To recap, the following Luggage Policy would apply to Shepler's Resident, Season and Commuter Card pass holders.

The Pass Holders mentioned above will have their luggage fee waived and bypass the ticket office facility if all three of the following criteria are met:

- a) Items being shipped fall under the definition of ***luggage or grocery and household goods***.
- b) All belongings are packed into a closed sealed container (i.e., Suitcase, duffle bag, tote) and can be loaded onto Shepler's luggage cart by one cast member.
- c) Each item is labeled with the owner's name and contact number.
  - o This will suffice our Homeland Security Goal

We understand there is some apprehension, and rightfully so, by allowing this fee to be established and then Shepler's changing how and who this fee applies to for future seasons. To ease this concern, Shepler's will not alter the proposed rate or Luggage Policy while operating under the current franchise. As many are aware the current franchise expires in June of 2027. We appreciate the feedback, suggestions, and conversations we have received since our initial press release and feel the above changes fairly address those concerns. Previous comments made by the City Council expressed a desire to participate in the establishment of the Luggage Policy and we are asking for your involvement moving forward.

Best Regards,

Jason Wiley  
Director of Operations

**Luggage:** Suitcases or other bags in which to pack personal belongings for travel.

**Grocery and household goods:** Food and foodstuffs, groceries, beverages, and household goods, prepackaged or measured into quantities for household use only. Such items must be reasonable in size and easily lifted by an individual.

**Freight:** Any item that does not fit the definition of "luggage" or "grocery and household goods." Any item including grocery and household goods intended for non-households or business purposes, is subject to the non-pass holder luggage fees.

**City Clerk**

**Item A:**  
**Resolution from Study**  
**Committee re:**  
**Proposed East End**  
**Mission Historic**  
**District**

**AMENDED RESOLUTION OF CITY OF MACKINAC ISLAND  
HISTORIC DISTRICT STUDY COMMITTEE REGARDING THE PROPOSED  
EAST END MISSION HISTORIC DISTRICT**

**WHEREAS:**

1. The City of Mackinac Island City Council had designated a historic district study committee (the "Committee") whose members are:
  - Nancy May
  - Sam Barnwell
  - Brad Chambers
  - Mary McCourt-Dufina
  - Brian Findley
2. The City Council on August 3, 2022 by Resolution No. 2022.004, charged the Committee to study a proposed East End Misson Historic District as more fully set forth in that Resolution.
3. The Committee has over the past several months studied a proposed historic district area for an area described in City Council Resolution No. 2022.004.
4. The Study Committee working with its historic consultant, Past Perfect, Inc., has developed a Study Report for this area, which includes a narrative of the proposed historic district together with a Map identifying the proposed area and identifying contributing and non-contributing resources as shown on the map and discussed in the Study Report. A copy of the Map dated December 2023 is attached and made a part of this Resolution and is marked **Exhibit A**; and the Report entitled "Historic District Study Committee Report/East End Mission Historic District/City of Mackinac Island, Michigan/February 2024," is made a part of this Resolution and is marked **Exhibit B**.
5. Pursuant to the required notice as set forth in MCL 399.203(2) and Sec. 4 of Ordinance No. 443, the Study Committee held a public hearing on the proposed district on November 2, 2023, and received comments from those in attendance and from those who wrote a letter concerning the proposed district; the hearing was held in person and was made available to the public via Zoom.

6. The Study Committee met on November 10, 2023, on January 16, 2024, and on February 9, 2024 to discuss the Preliminary Historic District Study Committee Report and Map and to consider comments received concerning the proposed Report and Map.

**NOW THEREFORE BE IT RESOLVED:**

The Study Committee hereby adopts **Exhibit A** and **Exhibit B** attached to this Resolution as its “Final Report” and recommends that the Mackinac Island City Council establish by ordinance a historic district as set forth in the Final Report to be called the “East End Mission Historic District.”

A copy of a proposed Ordinance to create the proposed Historic District is attached hereto as **Exhibit C**. The Study Committee recommends that the City include an additional alternate description of the area described in section 1 of the draft ordinance, using the platted lot numbers from the respective plats and parcel identification numbers for those properties within the proposed historic district.

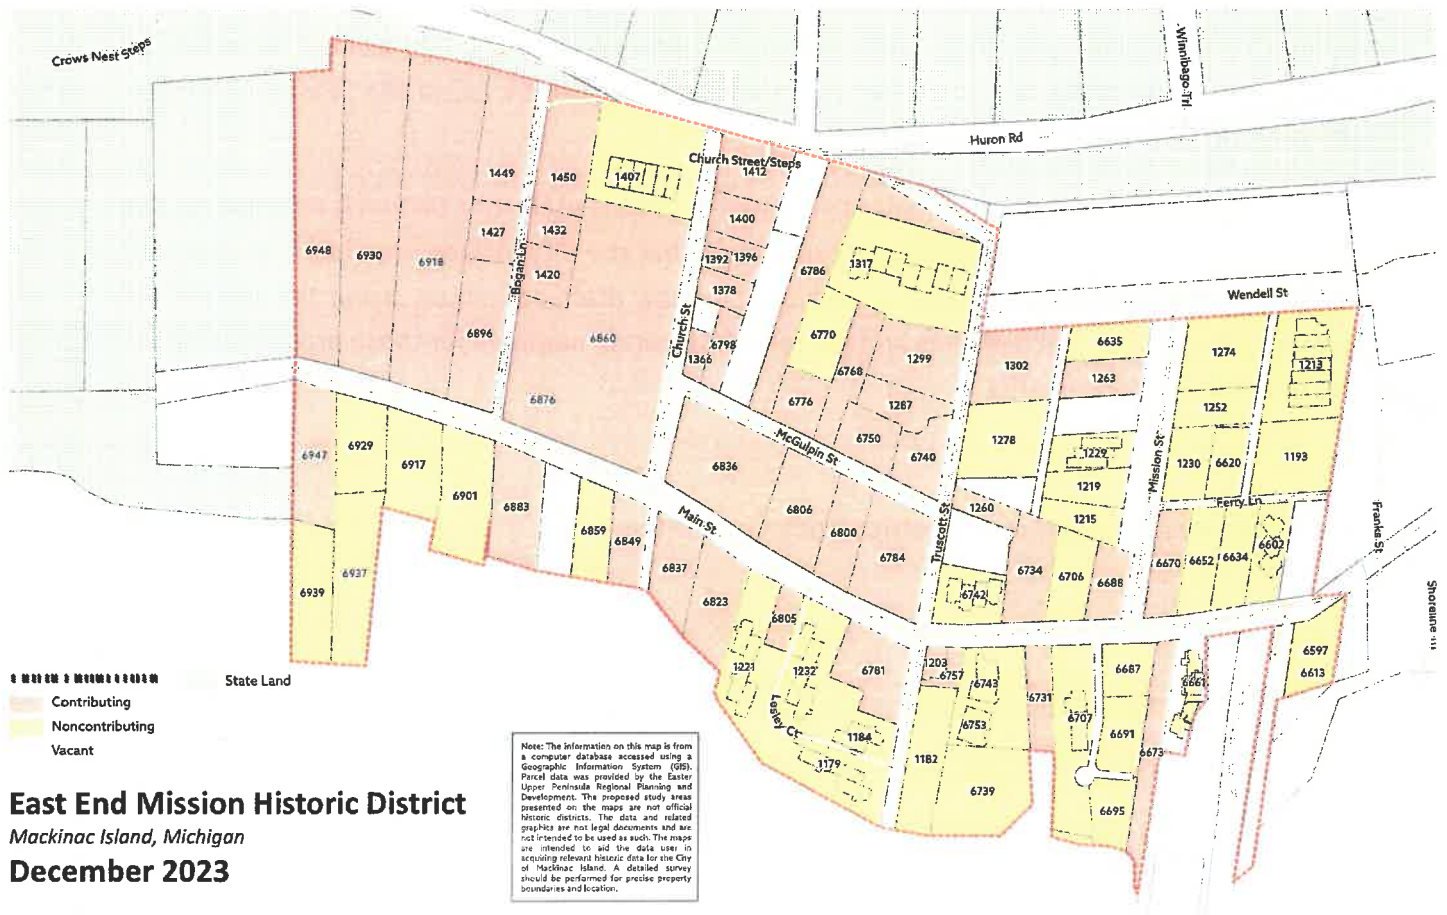

City of Mackinac Island Historic District Study Committee

By its Chair \_\_\_\_\_  
Nancy May

Date: February \_\_\_\_\_, 2024

EXHIBIT A

- State Land
- Contributing
- Noncontributing
- Vacant

**East End Mission Historic District**  
*Mackinac Island, Michigan*  
**December 2023**

Note: The information on this map is from a computer database accessed using a Geographic Information System (GIS). Parcel data was provided by the Eastern Upper Peninsula Regional Planning and Development. The proposed study areas presented on the maps are not official historic districts. The data and related graphics are not legal documents and are not intended to be used as such. The maps are intended to aid the data user in acquiring relevant historic data for the City of Mackinac Island. A detailed survey should be performed for precise property boundaries and location.

**HISTORIC DISTRICT STUDY COMMITTEE REPORT****EAST END MISSION HISTORIC DISTRICT****CITY OF MACKINAC ISLAND, MICHIGAN****February 2024****CHARGE OF THE HISTORIC DISTRICT STUDY COMMITTEE**

On August 3, 2022, the Mackinac Island City Council appointed a committee to study a proposed East End/Mission Historic District. The study area is defined as follows:

On the west, the proposed boundary is the westernmost boundary of the property immediately adjacent to and east of the Island House Hotel property (which is on state-leased land), then proceeding south across Main Street and along the eastern boundary of the state-owned marina property to the water of Haldimand Bay, then proceeding east along the water's edge of Haldimand Bay including docks south of Main Street (M-185/Lakeshore/Huron Street) extending into the bay, to the westernmost boundary of state-owned land located along the water's edge, then continuing northerly along the western boundary of state-owned land and crossing Main Street to follow the western boundary of non-Mission Point owned land just west of Franks Street, north to Wendall Street, then proceeding west along the south side of Wendall Street, then north along the east side of Truscott Street, then proceeding west along the north side of Truscott Street, then west along the south side of Huron Road until Huron Road intersects with state-owned land, then proceeding west along the southern boundary of state-owned land to the point of beginning at the eastern boundary of the property where the Island House Hotel is located (excluding from the above description any state-owned property and the property commonly known as the "Beaver Dock" owned by D and S North Real Estate, LLC). Properties included in the proposed district would include those on both sides of a portion of Main Street, Bogan Lane, Church Street, a portion of Truscott Street, McGulpin Street, Mission Street, Ferry Lane, those properties on the west side of Franks Street, the south side of Wendell Street, a portion of the west and south sides of Truscott Street, and a portion of the south side of Huron Road, as well as properties on both sides of alleys or court streets that are encompassed within these boundaries.

## STUDY COMMITTEE MEMBERS

Sam Barnwell, resident of an existing historic district, and part of a management company as Chief Development Officer for properties within the proposed historic district

Brad Chambers, long time property owner and resident of Mackinac Island

Mary Dufina, year-round resident and business owner for 50 plus years, currently serving on the Planning Commission, Historic District Study Committee and owner of a historic home in West End Historic District.

Brian Findley, former hotel executive and current owner and manager of a bed and breakfast on Mackinac Island, with deep roots in Mackinac Island since childhood, involved in the arts on the island

Nancy May, third generation, life-long resident of Mackinac Island and lives and owns property in the proposed district

Consultants to the Committee - Past Perfect, Inc.

Jennifer Metz, Principal (36 CFR 61, Architectural History)

Rebecca Smith-Hoffman, Principal (36 CFR 61, History)

## INVENTORY

A photographic inventory of the proposed district was conducted between May and August 2022 for the City of Mackinac Island Building Inventory and Reconnaissance Historic Resource Inventory. Additional photographs and reshoots were taken in 2023.

## DESCRIPTION OF THE DISTRICT

The proposed East End Mission Historic District, as described above, located at the eastern end of Mackinac Island, is bordered at the north by the East Bluff, at the west by State Park-owned land, at the east by the Mission Point Resort, and at the south by Lake Huron. The streets in the district generally form a grid. Main Street is the major east-west artery, with five north-south side streets – Bogan Lane, Church, Truscott, Mission and Franks Streets. McGulpin, Wendall, and Ferry Streets are short east-west streets north of Main Street, with Lesley Court curving between Main and Truscott Streets at the south.

The proposed district is a largely intact, cohesive neighborhood and the resources and buildings as a group reflect various periods of development of historic Mackinac Island. The majority date from the nineteenth century and relate to the eras of resort and early National Park tourism. Those buildings constructed after the period of significance generally fit the scale of the historic structures around them and do not substantially detract from the historic character of the area.

The district contains eighty-seven resources representing a variety of uses – hotels, bed and breakfast inns, apartment and condominium buildings, private residences, and three churches. Barns and other out buildings, though few in number, are a distinctive part of the landscape. Important natural features of the district are its extensive canopy of mature trees, the ubiquitous

lilac bushes that are distinctive to the island, colorfully landscaped gardens, and the impressive view scape looking toward Haldimand Bay of Lake Huron.

Although a majority of the historic resources in the district date from the early nineteenth century to the early decades of the twentieth century, there is evidence of eighteenth-century development. The William McGulpin House, built in 1790-91 and now located on Fort and Market Streets, was moved from McGulpin Street in 1982. A sided log house at 6768 McGulpin Street, known as the McGulpin Family House, likely dates from the late eighteenth century as well. It is possible that additional eighteenth-century structures could be discovered underneath nineteenth and twentieth century alterations and siding.

There are seven small to medium-sized hotels and bed and breakfast inns: Bay View Bed and Breakfast (6947 Main Street), Inn on Mackinac (6896 Main Street), Harbour View Inn (6860 Main Street), Haan's 1830 Inn (6806 Main Street), the Jacob Wendell House Bed & Breakfast (6734 Main Street), Bogan Lane Inn (1420 Bogan Lane), and the Pine Cottage Bed & Breakfast (1427 Bogan Lane).

There are four small businesses: Mackinac Wheels (6929 Main Street), a bicycle rental and repair shop; Fleurish & Bloom, (6673 Main Street), a flower shop; the Butterfly House and Insect World (6750 McGulpin Street); and the Watercolor Café (6939 Main Street).

Three of the island's five churches are located in the district: The Mission Church (6670 Main Street), Ste. Anne Roman Catholic Church (6836 Main Street), and Mackinac Island Bible Church (6688 Main Street), which is located in a house converted for use as a church.

## ARCHITECTURAL STYLES

The dominant historic styles of architecture of the district relate to the era of the National Park (1875-1895) and resort and early tourism from about 1840 to the halt of construction nationwide in 1941, the year the United States entered into World War II. The majority of the nineteenth century buildings are of frame construction, with gable roofs and front porches.

Facing Main Street, the district's largest and most high-style structures are private residences and tourist hotels, a number of which originally were larger private houses that have been expanded to accommodate a changed use. The houses on the side streets, which are generally smaller and simpler in design, are a mixture of private residences and bed and breakfast inns, particularly on Bogan Lane. Examples of architectural styles popular in the United States from the early nineteenth to the early decades of the twentieth century can be found in the district – Colonial, Greek Revival, Gothic Revival, Queen Anne, and Colonial Revival, as well as vernacular interpretations of these styles. The predominant vernacular house types dating from the 1840s are front-gabled, gable and wing, side-gabled, and cross-gabled, almost always with a front porch (sometimes enclosed). Occasionally houses have simple Queen Anne or Italianate detailing, but most often decorative detail is minimal.

Mission Church (6670 Main Street), completed in 1829, reflects the Colonial style common to New England churches at that time, a heritage brought to Mackinac Island by the Reverend William Ferry, a Presbyterian minister. Ferry and his wife, Amanda, came to the island from Massachusetts as missionaries with the American Board of Commissioners for Foreign Missions in 1823 to establish a school for indigenous children from around the Great Lakes. Ferry’s work inspired the founding of a congregation and subsequently the construction of the Mission Church. The restoration of Mission Church in the late 1890s was Mackinac Island’s first historic restoration project.

The Lafayette Davis House, now Haan’s 1830 Inn (6806 Main Street), and the Jacob Wendell House (6734 Main Street) are fine examples of the Greek Revival style, which was so popular between 1840 and 1860 that it was often known as the “National” style. Another interpretation of the style is the house at 6784 Main Street.

The tower and soaring spire of Ste. Anne Roman Catholic Church (6836 Main Street) provides a distinct visual landmark in the district. The Gothic Revival detailing of this building – its steeply pitched roof, the tall, narrow stained-glass windows, delicate turrets at each corner, and the massive pedimented entry – emphasize the verticality of the Gothic Revival style typical to churches of this period.

Although there are no high-style Italianate Revival buildings in the district, a few vernacular houses have features associated with the style. Thuya Cottage (6948 Main Street) is a vernacular house that has simple Italianate features – overhanging eaves with brackets, window hoods with decorative detailing, and segmental-arch windows at the bay. Another vernacular example is the house at 1412 Church Street, which has changed over time, yet retains the simple Italianate detail of hipped roof with overhanging bracketed eaves.

The Queen Anne style, which came into vogue in the United States in the 1880s, is widely represented in the district, for example: Bay View Bed & Breakfast (6947 Main Street), Bonnie Doone Cottage (6883 Main Street), the Bennett Hotel (6781 Main Street), the Inn on Mackinac (6896 Main Street), LaChance Cottage (6876 Main Street), now part of Harbour View Inn (6860 Main Street), and a Queen Anne style residence (6823 Main Street), as well as the vernacular examples having round porch columns (1420 Bogan Lane), and wrap-around porches (1427 Bogan Lane),

The Colonial Revival style is represented in The Madame LaFramboise House (6860 Main Street), with a two-story Colonial Revival portico added in the 1890s. Ste. Anne Rectory (6837 Main Street) is a smaller example of the Colonial Revival style.

The Great Depression of the 1930s and gas rationing during World War II were not conducive to tourism and devastated the island economy. The hotels, cottages, and most island businesses were closed and there was essentially no construction during this period.

There are examples of mid-twentieth century architecture built after World War II consisting of three ranch houses, two one-story utility-style buildings along the lakeshore (one is now a one-story café and a one-story utility ferry storage building), a former public bathroom (now converted to a bicycle shop), and the four condominium housing buildings along Lesley Court associated with Mackinac College. Lesley Court, consisting of four multi-family buildings, was originally used as facility housing for Mackinac College (now Mission Point Resort). The historic contribution Lesley Court may provide should be determined in conjunction with a any future historic study focusing on the Mission Point Resort campus (formerly Moral Re-Armament and/or Mackinac College).

There are the nine Victorian Revival multiunit apartment/condominiums buildings constructed from the 1960s to the 2000s. One large historic building converted to a condominium building has been so substantially altered that is considered non-contributing (Mapleview, 6661 Main Street).

While the historic buildings in the proposed district have sustained changes over time, some more than others, the majority of the structures retain a relatively high degree of architectural integrity, contributing to the historic sense of place that permeates the island. The post-World War II structures are generally in keeping with the scale, massing, and fenestration detail of their historic neighbors and do not negatively impact those structures.

The vacant lots in the district are indicated on the map as such. While the vacant lots have not been identified in this report as being historically contributing, care should be taken with their development as many were likely previously used by native people and settlers as open lawn or landscapes. Although open area at the water's edge may have once had commercial fishing structures located on them, these were small in scale and did not obstruct the views of the water. Development of these open spaces, many previously on land containing a contributing structure, needs to develop in a manner that is compatible with that structure and the surrounding district.

#### RESOURCE LIST - PLEASE SEE SPREADSHEET ATTACHED AT END

Please note that Main Street is variously referred to as Huron Street, Lakeshore Drive, and M-185. For the purposes of this report Main Street is used.

COUNT AND PERCENTAGE OF HISTORIC AND NON-HISTORIC RESOURCES

Total Resources - 87

Contributing - 47– Contributing resources account for 54% of the total

Non-Contributing – 40 – 46% of the total

*Please note: the inventory counts single building apartment/condo/rowhouse buildings as one resource (so multiunit buildings are counted as one count per separate building footprint); properties with multiple buildings on one parcel under the same ownership are counted as one resource unless two separate large residences (such as LaChance Cottage and Madame LaFramboise Residence, but a barn or shed is included with the house it is associated with, but even though counted as one resource in the count, there may be multiple contributing resources, structures, landscapes or landscape features, or elements on that property. Historic landscape features of the district are counted as one resource. Generally, the map includes an address number, that is counted as one resource.*

BOUNDARY DESCRIPTION

On the west, the proposed boundary is the westernmost boundary of the property immediately adjacent to and east of the Island House Hotel property (which is on state-leased land), then proceeding south across Main Street and along the eastern boundary of the state-owned marina property to the water of Haldimand Bay, then proceeding east along the water’s edge of Haldimand Bay including docks south of Main Street (M-185/Lakeshore/Huron Street) extending into the bay, to the westernmost boundary of state-owned land located along the water’s edge, then continuing northerly along the western boundary of state-owned land and crossing Main Street to follow the western boundary of non-Mission Point owned land just west of Franks Street, north to Wendall Street, then proceeding west along the south side of Wendall Street, then north along the east side of Truscott Street, then proceeding west along the north side of Truscott Street, then west along the south side of Huron Road until Huron Road intersects with state-owned land, then proceeding west along the southern boundary of state-owned land to the point of beginning at the eastern boundary of the property where the Island House Hotel is located (excluding from the above description any state-owned property and the property commonly known as the “Beaver Dock” owned by D and S North Real Estate, LLC associated with Mission Point Resort). Properties included in the proposed district would include those on both sides of a portion of Main Street, Bogan Lane, Church Street, a portion of Truscott Street, McGulpin Street, Mission Street, Ferry Lane, those properties on the west side of Franks Street, the south side of Wendell Street, a portion of the west and south sides of Truscott Street, and a portion of the south side of Huron Road, as well as properties on both sides of alleys or court streets that are encompassed within these boundaries.

## BOUNDARY JUSTIFICATION

The boundary is the area of the island to the east of downtown beginning after the Mackinac State Historic Parks-owned protected leased land, south to the water, and east to the multi-building campus of Mission Point Resort, and north to protected state-owned leased land. The proposed district began to develop in the late eighteenth century and continued to grow as the village spread beyond its original boundaries. The district contains eighty-six (87) resources representing a variety of uses – hotels, bed and breakfast inns, apartment and condominium buildings, private residences, three churches, historic landscapes, and three small commercial structures.

To the north of the district is Mackinac State Historic Parks land, to the south is the Lake Huron shore, which is an inseparable part of the district due to its traditional use related to fishing, tourism, and recreation; therefore the boundary extends to the water's edge. To the west is Mackinac State Historic Parks land occupied by the Island House Hotel and to the east is Franks Street, the last north/south street before the Mission Point Resort. Franks Street provides a natural eastern boundary delineating the district from the resort complex, which was originally developed by Moral Re-Armament and later occupied by Mackinac College, prior to its conversion into the Mission Point Resort. The Mission Point Resort is potentially eligible in its own right as a district, as are the island's other large hotel complexes – The Grand Hotel and Stonecliff Hotel. These complexes are defined by various historic contexts and each contains multiple resources.

## HISTORY OF THE DISTRICT

*Major sources and direct portions for the history include sections from the previous reports on the islands historic contexts taken from the National Historic Landmark update of 1999 (Jane Busch) and the Market and Main (Huron) Historic District Study Report (Jane Busch, Past Perfect, 2011), as well as the Mackinac Island Historic Context Report (Eric Gollanek, Past Perfect, 2011). Please see the bibliography for details.*

Before the first Europeans saw Mackinac Island, it was an important gathering place for the Native Americans, who came there to fish and imbued the island's limestone formations and cliffs with sacred significance. Historical and archaeological evidence suggests that the island's inhabitants have always clustered near Haldimand Bay. In the late seventeenth century, French fur traders and Jesuit missionaries came to the Straits of Mackinac because of its strategic location and because it was already an Indian gathering place. Father Jacques Marquette, accompanying a refugee Huron band, established the first mission on Mackinac Island in 1671. Because the Hurons found the soil was unsuitable for their crops, within the year they moved to the north shore of the straits at Fort DuBuade (later known as St. Ignace) where Marquette reestablished the Jesuit mission.

By the 1680s, St. Ignace was a center of activity for the Jesuits, fur traders, and French soldiers who built Fort DuBuade. The fur traders established a trading pattern that made the Straits of Mackinac the heart of the upper Great Lakes fur trade for 150 years. In 1697, the French government abandoned Fort DuBuade in response to a glut in the European fur market. When

French soldiers returned to the straits in 1714, the Jesuits and their followers had moved to the south shore of the straits, and there the soldiers built Fort Michilimackinac. In 1761 the British took command of Fort Michilimackinac as a result of the Seven Years War.

With the outbreak of the American Revolution, British officials became concerned that the accessible, wood palisade Fort Michilimackinac would not withstand an American attack. In October 1779, the new commander of Michilimackinac, Lieutenant Governor Patrick Sinclair, developed plans to move the fort to Mackinac Island and began negotiations to purchase the island from the Ojibwa and the move began in the winter of 1779–80. As the location for the fort, Sinclair chose the 150-foot bluff overlooking the harbor and south shore, where he located the village. Sinclair knew this left the fort vulnerable to attack from the higher bluff to the north, but it allowed him to protect the village and harbor. The location of the village outside the fort walls, a departure from the situation at Michilimackinac, was intended to enhance military security. Nevertheless, the village had wooden palisade walls of its own on the south, north, and west sides; the bay was on the east. To entice the villagers to move to the island, Sinclair ordered Ste. Anne Catholic Church to be shipped over the ice by oxen-drawn sleds. The church was then located at what is now the corner of Market and Hoban streets, but was later relocated farther west on Haldimand Bay. Other buildings were moved across the ice as well; the William McGulpin House (1575 Fort Street) may have been one of them. Although the British were in command, the civilian population in the village consisted predominantly of French fur traders, their Odawa and Ojibwa wives, and the Métis (mixed-Native and European) offspring.

Although the 1783 Treaty of Paris placed Mackinac Island under the ownership of the United States, American soldiers did not occupy Fort Mackinac until 1796. During this time the population of Mackinac Island grew, expanding beyond the palisade walls of the original village. Reports of the number of buildings in the village between 1796 and 1802 are erratic, ranging from about fifty to eighty-nine. In the winter only about half of the houses were occupied, but the summer population of a thousand or more filled all of the houses and spilled over into teepees. Even after 1796, British merchants continued to control the fur trade, while French and Métis traders conducted most of the actual trading.

Not surprisingly, the early architecture of the village was French colonial in form and construction. Seven of these French colonial log buildings survive on the island today. In 1811, John Jacob Astor's American Fur Company merged with the Montreal Michilimackinac Company, making Astor the first American with a share of the Great Lakes fur trade. Then in July 1812, in the first land action of the War of 1812, the British captured Fort Mackinac. As the westernmost of a line of forts on the border between the United States and Canada, the northernmost fort on the western frontier, and the grand depot for the fur trade, Fort Mackinac was a key defensive post. In December 1814 the Treaty of Ghent ended the war, returning Fort Mackinac to the Americans, who reoccupied the fort in July 1815.

After the war, Astor reestablished Mackinac Island as the American Fur Company's center for interior operations and quickly came to dominate the flourishing fur trade. The scale and complexity of Astor's trading empire was unprecedented. Ramsey Crooks, Astor's partner and general manager, and Robert Stuart, resident manager, supervised the American Fur Company's Mackinac Island operation. Stuart's Federal-style house (7342 Market Street) functioned as the

company's administrative headquarters and was an important venue in the social life of Mackinac Island's upper class. Some independent traders—including Michael Dousman and partners Edward Biddle and John Drew—had headquarters on Mackinac Island as well. The trading pattern was much the same as in the late seventeenth century. During the winter, French Canadian and Métis traders spread through the Great Lakes region trading for furs with Indian trappers. In the summer, traders returned with their pelts to the American Fur Company warehouse (7358 Market Street) on Mackinac Island, where company clerks counted, sorted, graded, and packed the pelts to ship back to New York City. The traders obtained a new supply of trade goods for the next winter's trading. During this summer rendezvous, the island's permanent population of about five hundred grew to about two thousand with visiting traders and trappers as well as Native Americans from many nations who came to do business with the United States Indian Agent.<sup>1</sup>

In the 1830s the decline of the fur trade ushered in a time of change for Mackinac Island. In 1834 Astor sold the American Fur Company to a group of investors led by Ramsey Crooks, who moved the company's inland headquarters west to LaPointe, Wisconsin, reducing though not eliminating, Mackinac's role in the fur trade. Crooks was successful at first, but in 1842 a combination of factors led him to declare bankruptcy. During this time, commercial fishing emerged as the island's primary industry. The 1825 opening of the Erie Canal and the introduction of steamboats on the Great Lakes made travel to the region faster and easier, fostering permanent settlement in the region. Mackinac Island became a fish processing and shipping center for the northern Lake Michigan and Lake Huron region. Schooners and steamers transported the fish to markets in the region's growing villages and cities. Although the island never had the prominence in fishing that it had in the fur trade, the fishing industry provided a strong economic basis for Mackinac until at least the Civil War. A dozen or more new docks were built in the 1840s and 1850s. Leading fish merchants included Michael Dousman, Biddle and Drew, William Scott, Toll and Rice, Bromilow and Bates, and James Bennett. The Bromilow & Bates building (7330 Huron Street) is one of few tangible remnants of the industry. Barrel-making and repair became an important subsidiary industry; more than thirty coopers—many of them from Scotland, Ireland, and Canada—worked on the island in 1850.<sup>2</sup> Among them was the Doud family of coopers from Ireland. The fishermen themselves were mostly Native American and Métis.

Furs and fish were not the only goods shipped through the Straits of Mackinac. It was the primary Great Lakes shipping lane until the development of railroads across Ohio and the water route was the only way for people and goods to get to the growing upper Midwest. Mackinac Island was the key stopping point and freight of all kinds was transshipped from the port on Haldimand Bay. As steamboats became more common, Mackinac functioned as a fueling station, selling wood at first and later coal. As commerce and industry expanded, it remained concentrated in the original village.

Another boost to the island's economy came from the 1836 Treaty of Washington. Under the terms of this treaty, Ojibwa and Odawa Indians sold fifteen million acres of land in Michigan to

<sup>2</sup> Porter, *Mackinac: An Island Famous in These Regions*, pg. 35.

the United State government in exchange for money, goods, and provisions to be paid over the next twenty years. The American Fur Company and other island merchants successfully convinced the government to make these distributions on Mackinac Island. Thus each year in late summer approximately four thousand Ojibwa and Odawa came to Mackinac Island to receive their annuities in cash, goods, and provisions. The construction of the county courthouse on Market Street in 1839 testifies to Mackinac Island’s continuing importance as the county seat for all of the Upper Peninsula and the northern part of the Lower Peninsula.

The arrival of Mackinac Island’s first tourists in the 1830s contributed to the diversification of the island’s economy. Travelers were beginning to seek resorts that offered scenic beauty, not just healthy water and air as was the custom earlier. The Romantic Movement introduced a new appreciation for the beauty of nature and wilderness landscapes, bringing tourists to places like Niagara Falls and the Catskill Mountains. Mackinac Island combined the health advantages of the lakeshore with the rugged beauty of the wilderness. A number of writers visited the island in the 1830s and 1840s, including Harriet Martineau, Alexis DeTocqueville, Anna Jameson, Margaret Fuller, and William Cullen Bryant. Their published descriptions of Mackinac Island helped to popularize the island as a tourist destination. The steamboats that were being used to transport fish and furs made it easier for visitors to come to Mackinac Island, although it was still a journey, and island businesses were just beginning to cater to the tourist trade. In 1837, the Mission House (just outside the East End Mission District) was converted into the island’s first hotel; the Island House (adjacent to the East End Mission District at the west) was built in 1852; and the Lake View House (downtown) opened in 1858. A horse-drawn omnibus offered tours of natural and historic sites as early as the 1840s, and shops in town began carrying “Indian curiosities” such as baskets, corn husk dolls, woven mats, and birch bark containers of maple sugar. The East End Mission District saw private housing and rooming house development increase during this era.

By 1850, Mackinac Island’s permanent population had grown to 956. Immigrants came from New England and New York. Twelve African-Americans (some formerly enslaved) came from Kentucky and Virginia. A growing number of islanders were foreign-born, coming from England, Scotland, Canada, Belgium, Prussia, Germany, and Holland. The largest group of immigrants came from Ireland—pushed by the potato famine that brought more than one million Irish to America and pulled by the opportunities in the island’s fishing industry. By 1850 the Irish constituted almost 20 percent of the island’s population.<sup>3</sup>

After the Civil War, Mackinac Island quickly rose to prominence as one of the most popular resorts in the Midwest. Improved transportation was the key to bringing more visitors to the island. In 1875 the Grand Rapids and Indiana Railroad completed a railroad line to Petoskey, where travelers could board a steamer to Mackinac Island. In 1882 both the Grand Rapids and Indiana Railroad and the Michigan Central Railroad completed railroad lines to Mackinaw City, where ferry boats were available to complete the short trip to the island. In the same year, the Detroit and Cleveland Steam Navigation Company began regular service to Mackinac Island. Vacationers in this era continued to seek a healthy and inspiring environment, but there was an increasing emphasis on recreation. Scenic views and limestone formations, historic sites from the War of 1812, the harbor that still sheltered sailboats and Indian canoes, the quaint old French

---

<sup>3</sup> Porter, *Mackinac: An Island Famous in These Regions*, pg. 41.

houses in the village, and Fort Mackinac itself all offered diversions for tourists. In his 1875 guide book to Mackinac Island, John Disturnell described the village as “a perfect curiosity.” Disturnell recounted many of the island’s Indian legends, an important part of Mackinac’s attraction. In the guidebook’s business directory, four stores list Indian curiosities along with their dry goods, groceries, and provisions.<sup>4</sup> There was a growing compliment of boarding houses and hotels to accommodate the increased tourism at this time as well.

The island’s importance as a resort was solidified with the establishment of America’s second national park on Mackinac Island in 1875. The national park, which encompassed about fifty percent of the island (generally inland and north of downtown), gave new purpose to Fort Mackinac, which had long ceased to have strategic importance as a frontier or border post. Now the fort commandant served as the park superintendent, responsible for enforcing rules and regulations, building roads and trails, collecting and disbursing park funds, and leasing lots for cottages. On the west side of the island, Hubbard’s Annex was platted in 1882 as Mackinac Island’s first cottage resort community, followed by the first cottages on the east and west bluffs. The increased services required by visitors and wealthy cottagers alike aided the growth of the island’s overall economy. When a partnership of railroad and steamship lines built the Grand Hotel in 1887, Mackinac Island entered the category of fashionable resort where Newport, Rhode Island, and Saratoga Springs, New York, set the standard. The wealthy elite of Chicago, Detroit, and other cities came to stay at the Grand; others built large and elaborate cottages on the bluffs. The east bluff cottages, on state-leased land, are located on the bluff rising behind the proposed East End Mission District.

Mackinac Island faced a crisis in the 1890s when the army decided to close Fort Mackinac and sell the national park. Secretary of War Daniel Lamont believed that the government should not be responsible for maintaining a summer resort for wealthy people. Islanders successfully lobbied Congress to transfer the national park to the state of Michigan, and in 1895 the country’s second national park became Michigan’s first state park, administered by the newly appointed Mackinac Island State Park Commission. Mackinac Island continued to grow and prosper as a resort, as evidenced by the predominance of late nineteenth- and early twentieth-century buildings on the island today. The village experienced substantial development to the northeast and west of its original boundaries, but that development consisted of private residences, as well as a few hotels and large boardinghouses. Commercial buildings were confined to the original village limits, where restaurants, gift shops, hotels, and candy stores replaced the quaint French buildings that had enchanted earlier visitors. Private homes were increasingly converted to boardinghouses and hotels.

The island was modernized with electricity, running water, and telephones, along with telephone poles, a coal-burning electric plant, and a water-pumping station. When the first automobile appeared in the village in 1898, the islanders drew the line. The village council banned automobiles on village streets, and in 1901 the park commission banned automobiles in the park. As is often the case, the disappearance of the island’s historic buildings generated interest in their history. Residents and cottagers wrote books on Mackinac Island history and erected historical monuments. In 1895, a group of islanders restored the Mission Church (located in the Mission District), recognizing its importance for its age and history to the island. In 1905, the Park

Commission opened Marquette Park in the former soldiers' garden below the fort, and in 1909 dedicated the bronze statue of Father Marquette that still stands in the park.

The tourism-based prosperity that began on Mackinac Island in the late nineteenth century continued through the 1920s. During World War I, however, new construction slowed, and it diminished further in the 1920s. The Grand Hotel was an exception—an addition was built in 1912, a golf course in 1917, and in the 1920s a fifth floor was added and an outdoor swimming pool constructed. Certainly, this was evidence of wealth continuing to flow to Mackinac Island. Another indicator was Mackinac Island State Park's acquisition of several hundred acres during the 1920s. After World War I, a steadily growing number of visitors travelled to the island by auto instead of by railroad or steamboat. Two of Michigan's improved highways, the East and West Michigan Pikes, met in Mackinaw City in 1922. The following year the state began operating an automobile ferry across the straits from Mackinaw City to St. Ignace, although road development had a greater impact on mainland tourism than on the island. In an effort to lure more auto tourists from the mainland, state park Superintendent Frank Kenyon proposed an auto garage on Mackinac Island where people could leave their cars while they toured the island, but it never came to fruition. Although illegal automobiles occasionally appeared on the island, and the ordinances prohibiting automobiles were challenged, they were not overturned.

The Great Depression slowed resort life on Mackinac Island. In the 1930s, tourism dwindled to a trickle, stores on Huron Street were vacant, some cottages on the bluffs were boarded up and overgrown, and the Grand Hotel came close to bankruptcy. A measure of relief came from federal and local public programs. The Civilian Conservation Corps undertook landscaping projects, repaired buildings at Fort Mackinac, reconstructed Fort Holmes, and built the Boy Scout barracks. Under the Federal Public Works Act, an airport landing strip was built near the center of the island. Works Projects Administration (WPA) funds were used to hire Grand Rapids architect Warren Rindge to prepare a detailed historical and architectural report on the island's historic buildings.

The City of Mackinac Island initiated a local public works program when it created the Park and Harbor Commission in 1941. By selling revenue bonds, the Park and Harbor Commission raised funds to promote tourism and to undertake a number of civic improvements. These included buying and restoring the American Fur Company warehouse and Stuart House, building public bathrooms, and resurfacing the Arnold Line dock. The Depression extended through World War II on Mackinac Island, as wartime travel restrictions continued to limit tourism, and the relief provided by New Deal projects came to a halt.

When tourism recovered after World War II, it took on a different character than in the years before the Depression. The summer resort of the 1920s essentially continued a late Victorian lifestyle in late Victorian buildings, but the lifestyle of the 1950s was different. The United States economy was booming, and Michigan—led by the auto industry—was especially prosperous. A new state tourism campaign was designed to draw vacationers to northern Michigan. Automobiles were now the most common mode of travel to Mackinac Island, though the final stretch was still by ferry (or occasionally airplane), and on the island transportation was by foot, bicycle, or horse. When the Mackinac Bridge opened in 1957, it brought even more automobile tourists to the straits region. It was so much faster and easier to reach the island that

day trips became popular. Economic recovery meant that empty stores, homes, and hotels were reoccupied.

Mackinac Island’s tourist-based economy has continued to grow since the 1960s – today sources indicate approximately one to 1.2 million people visit the island each year. There has been infill development in the village and some large-scale development on other parts of the island, including new construction in the Mission District area. Yet history, more than ever, is a key element in Mackinac Island’s appeal. Today the state park encompasses at least 83 percent of the island. Fort Mackinac, which has been systematically restored to its late nineteenth-century appearance, is a premier attraction. The state park commission has acquired and restored many of the island’s most important historic buildings, including the Edward Biddle House, the Mission Church, the Indian Dormitory, the Mission House, and the William McGulpin House. The hotels and cottages that once were modern and fashionable are now historic and fashionable. The East End/Mission District still retains a high-level of historic integrity and sense of place. The proposed East End Mission Historic District flanks the downtown to the east as a compliment to the West End Historic District at the west of downtown Mackinac Island.

### **SIGNIFICANCE OF THE DISTRICT**

Michigan’s Local Historic District Act, PA 169 of 1970, as amended, requires local historic district study committees to be guided by the evaluation criteria for the National Register of Historic Places in evaluating the significance of historic resources. The act also requires study committees to be guided by criteria established or approved by the Michigan State Historic Preservation Office (Section 3(1)(c)). In 2022, the State Historic Preservation Office issued criteria that elaborate on historic district boundary determinations and single resource districts.

In accordance with these legal documents and guidelines, the study committee has determined that the East End/Mission Historic District is significant under National Register Criterion A, for its association with historical events that have contributed significantly to the history of Mackinac Island, the State of Michigan, and the United States; and under Criterion C, for its embodiment of the distinctive characteristics of architectural types, periods, and method of construction. The areas of significance are architecture, entertainment/recreation, ethnic heritage, and religion.

### **PERIOD OF SIGNIFICANCE**

The period of significance is from 1790, the likely date of the known log structures in existence in the district to 1941 and the commencement of the United States involvement in World War II. While there are mid-twentieth century buildings over fifty years old in the historic district the Study Committee does not feel they represent the predominant era of the development and identity of the east end of the island or the historic character of the island. The majority of the historic properties in the proposed district are multi-storied nineteenth century houses, large rooming houses and hotels with similar materials and architectural elements - wood siding, gabled roofs, and front porches.

**The National Register Criteria**

The quality of significance in American history, architecture, archeology, engineering, and culture is present in districts, sites, buildings, structures, and objects that possess integrity of location, design, setting, materials, workmanship, feeling and association, and:

**Criteria A: That are associated with events that have made a significant contribution to the broad patterns of our history.**

Mackinac Island as a whole has been designated a National Historic Landmark for its outstanding significance as a military outpost, fur trade depot, and - since the mid-nineteenth century – one of the country’s premier tourist destinations. The development of the East End/ Mission District has been overshadowed by more conspicuous development in the original village and the cottages of the west and east bluffs, yet the East End/Mission District plays an integral role in the history of Mackinac Island as a densely-developed area that contains a large percentage of the island’s historic resources. The major themes of Mackinac Island history are reflected in the district’s buildings, from the log houses of the fur traders and the simple vernacular houses of the workers in the fishing industry, to the fine large houses, cottages, hotels and rooming houses developed during the tourism era of the late nineteenth century to the Great Depression. There are examples of structures associated with equestrian activity so important to the island, as well as two significant historic church buildings.

Select examples include: (please see inventory forms as well)

- 6768 McGulpin Street - McGulpin Family House, Fur Trade/log construction, c. 1790
- 6670 Main Street - Mission Church, Religion, 1829
- 6836 Main Street - Sainte Anne Catholic Church, Religion, 1874/1890
- 1260 Truscott Street – Barn, Equestrian Use, c. 1860
- 6781 Main Street - Bennett Hotel, Tourism, c. 1890
- 6860 Main Street – Madame LaFramboise House, Fur Trade, 1842
- 1427 Brogan Lane - Pine Cottage Inn, Commerce, 1870
- 6734 Main Street - Jacob Wendell House, Commerce, 1846

**Criteria C: That embody the distinctive characteristics of a type, period, or method of construction, or that represent the work of a master, or that possess high artistic values, or that represent a significant and distinguishable entity whose components may lack individual distinction.**

The East End/Mission Historic District contains representative types of the island’s residential architecture. At least one French colonial log building survives in the district on McGulpin Street. These rare, historic structures contribute to Mackinac’s national significance. The William McGulpin House (moved from McGulpin Street to Fort Street in 1982) dates from 1790-91; as does likely its former neighboring log house at 6768 McGulpin Street, known as the McGulpin Family house. An original portion of the Madame La Framboise House, now Harbour View Inn, (6860 Main Street) built in 1820 is of sided log construction.

The Mission Church (6670 Main Street) and Ste. Anne's Church (6836 Main Street) and Rectory (6837 Main Street) represent religious architecture of the nineteenth century. A fine Greek Revival example is the Lafayette Davis House (6806 Main Street), now Haan's 1830 Inn.

There are many examples of well-preserved two-story, front-gabled vernacular houses – the most common type of early nineteenth century house on the island. Bayview Bed and Breakfast (6947 Main Street), Bonnie Doone Cottage (6883 Main Street), the Bennett Hotel (6781 Main Street) are representative of the Queen Anne style. Other architectural styles popular during the period can be found in the Italianate Vernacular of Thuya Cottage (6948 Main Street), and the Colonial Revival portico added in the 1890s to the Madame LaFramboise House/Harbour View Inn (6860 Main Street), and Sainte Anne's Rectory (6837 Main Street).

As a group, the East End Mission Historic District is a dense neighborhood that includes examples of nineteenth century cottages, year-round homes, boarding/rooming houses, hotels, and churches of historic significance that flanks the island and the downtown to the east end of downtown as the West End Historic District neighborhood does to the west.

**ORDINANCE NO. \_\_\_\_\_**  
**EAST END MISSION HISTORIC DISTRICT**  
**CITY OF MACKINAC ISLAND**

**THE CITY OF MACKINAC ISLAND ORDAINS:**

**Section 1.**

Pursuant to Public Act 169 of 1970 (MCLA 399.201, *et seq.*), as amended, and City of Mackinac Island Ordinance No. 443, as amended, a historic district to be known as the East End Mission Historic District is hereby created. This historic district shall include the area located within the following boundary description:

On the west, the proposed boundary is the westernmost boundary of the property immediately adjacent to and east of the Island House Hotel property (which is on state-leased land), then proceeding south across Main Street and along the eastern boundary of the state-owned marina property to the water of Haldimand Bay, then proceeding east along the water's edge of Haldimand Bay including docks south of Main Street (M-185/Lakeshore/Huron Street) extending into the bay, to the westernmost boundary of state-owned land located along the water's edge, then continuing northerly along the western boundary of state-owned land and crossing Main Street to follow the western boundary of non-Mission Point owned land just west of Franks Street, north to Wendall Street, then proceeding west along the south side of Wendall Street, then north along the east side of Truscott Street, then proceeding west along the north side of Truscott Street, then west along the south side of Huron Road until Huron Road intersects with state-owned land, then proceeding west along the southern boundary of state-owned land to the point of beginning at the eastern boundary of the property where the Island House Hotel is located (excluding from the above description any state-owned property and the property commonly known as the "Beaver Dock" owned by D and S North Real Estate, LLC). Properties included in the proposed district would include those on both sides of a portion of Main Street, Bogan Lane, Church Street, a portion of Truscott Street, McGulpin Street, Mission Street, Ferry Lane, those properties on the west side of Franks Street, the south side of Wendell Street, a portion of the west and south sides of Truscott Street, and a portion of the south side of Huron Road, as well as properties on both sides of alleys or court streets that are encompassed within these boundaries.

Which area and boundary description are also described as follows:

[THE CITY MAY INCLUDE AN ADDITIONAL ALTERNATIVE DESCRIPTION OF THE AREA DESCRIBED ABOVE, USING THE PLATTED LOT NUMBERS FROM THE RESPECTIVE PLATS AND PARCEL IDENTIFICATION NUMBERS FOR THOSE PROPERTIES WITHIN THE PROPOSED HISTORIC DISTRICT.]

**Section 2.**

This ordinance shall become effective twenty (20) days after passage.

**To:** City Clerk  
**Subject:** Mission District Historic Preservation

**Follow Up Flag:** Flag for follow up  
**Flag Status:** Flagged

Name: Mary Jane Barnwell and Mark Bearss  
Email: markbearss@icloud.com

Message: Dear Ms. Leach, It is our understanding that the City Council will meet tomorrow (4-17-24) and may address the issue of the Historic Preservation designation for the Mission District. Although we cannot attend the City Council meeting tomorrow (4-17-24), we would like the Council to be aware that, as residents of the Mission District, we are very much in favor of this designation. Our understanding is that our neighbors are in favor of this designation as well, and are very much aware that this is a decision that the City Council is about to make. We look forward to the decision regarding this issue, and hope that the City council will make every effort to seriously consider our position. Please make this letter a part of the official record regarding this issue. Thank you.

Hi Trista,

I just wanted to let you know that Mackinac Island Carriage Tours is on board with the proposed rouye change Monday morning, April 29th from 9:30 to 10:30. We will be avoiding the use of Astor Street and a market Street from the police station to the post office at that time.

Thank you,

Mike Beaudoin

**Subject:** Secretary of State Visit/Community Hall

Good morning all,

Secretary of State is coming to the Island with their new mobile unit to service the residents and workers. They are wanting to do their grand opening and ribbon cutting on Monday, April 29<sup>th</sup> from 9:30 am – 10:30 am in front of the Community Hall. We are hoping it will be possible to have your drays and taxies re-routed from using Astor street and Market Street from in front of the Post Office to the Police Station. We will have an officer redirecting other bike and foot traffic. I also want to make you aware that they will be wheeling equipment up from the coal dock to the Community Hall between 8:00am and 8:30am that same morning. This should not take very long to move equipment.

Please let me know if you are onboard with this plan and if this works for your company, so I can send this to Council for approvals tomorrow.

Thanking you in advance,

**Northern Shirt Company**

**From:** Ken Straight <kenstraight@mibc.org>  
**Sent:** Monday, April 15, 2024 8:19 AM  
**To:** Mayor's Assistant  
**Subject:** Additional Banner for Community Hall - MIBC

Hello Trista,

Thanks for all your help and work so far with us at Community Hall - you are the best.

I have a couple things here - but don't want to bug you. First off, we definitely want to get a "pull-down" screen for the Hall - if someone could hang it. Could I stop in and talk to you or someone about what we were thinking (placement, installation, etc)? It's a long room so it will be pretty big (I think 120" diagonal measurement). Let me know if I can meet up with you downstairs for that..

Next, I'll be bringing in a portable screen each week until the pull-down is approved and installed. But, I was wondering if I could come into the Hall at some point to figure out our projector & screen setup BEFORE May 5th. Not sure how far our projector will throw the graphics or if we need to use another one, etc. If you would be so kind to let me know if I could spend an hour sometime in the Hall, prior to May 5th?

Finally, we may be having a group meeting on Sunday nights at the Hall (probably not every week - we have an Intern who will be leading, but I will be around to make sure things are AOK). We would like to put up a banner after our morning Worship Services on the railing, so it would be the same size with the following wording and will possibly include a Round Island Lighthouse pic or background:

- (96"X 30" Horizontal - 12 grommets)
- "Lighthouse Life Group"
- "Sunday Nights 7:00pm"
- "Come and See" (in the left corner)
- "www.MIBC.org" in one corner

-Hoping this can make it for the April 17th meeting?

Thanks Trista!  
Ken Straight

**From:** Mayor's Assistant  
**Sent:** Monday, April 15, 2024 9:15 AM  
**To:** City Clerk  
**Cc:** Dennis Dombroski  
**Subject:** Agenda Item  
**Attachments:** SKM\_C36824041509400.pdf

Good Morning Danielle,

Could you please add this 2<sup>nd</sup> banner to the Agenda for the Bible church as they may use the hall on the same day as church from time to time for employee gatherings.

Thank you,

*Trista L. Franco*

**To:** City Clerk  
**Cc:** Jennifer Callewaert; Dennis Dombroski  
**Subject:** Mackinac Connect Banner 2024 Season

Good morning Danielle,

Could you please put the Mackinac Connect Banner on the agenda for approval. They use the hall Monday evenings during the Summer. Banner is the same as the last two seasons, no changes previously ok'd by Dennis D. They hang the banner for their event and then remove the same day.

Thank you,

*Frista L. Franco*

**To:** City Clerk  
**Subject:** Yacht Club Permit  
**Attachments:** Yacht Club.pdf

Hello,

See the attached permits for the DPW water service repair at the yacht club. Chad is unable to look over the job today so we have requested permits for several pieces of equipment. Once he looks over the job we can let you know what equipment will actually be used.

Let me know if you have any questions.

Thanks,

Tanya Johnston

**Subject:** Mackinac Island Huron Road - Retaining Wall  
**Attachments:** Mackinac Island Huron Road-Retaining Wall\_Mobilization Letter.pdf

Good morning Danielle,

Attached is a letter detailing our boring plan, routes, scope, etc. to be presented for the meeting tonight, similar to the one presented for the West Bluff Road Retaining Wall project in September.

Included in the letter is our vehicle permits for approval, please let me know if there is anything else you need.

Thank you,

Hanna Barton

Attention: Mr. Travis Kilpela

Regarding: Mackinac Island Huron Road - Retaining Wall  
Mackinac Island, Mackinac County, Michigan  
Project No. 2024.0689

Soils & Structures is pleased to present this letter regarding the anticipated geotechnical investigation for the Mackinac Island Huron Road - Retaining Wall project located along the southeast portion of Huron Road on Mackinac Island, Mackinac County, Michigan.

#### Scope and Geotechnical Services

The mobilization to the site is currently scheduled for May 15<sup>th</sup>, 2024. The soil borings are estimated to be completed by Friday, May 17<sup>th</sup>. However, actual drilling conditions on-site may alter the estimated timeline.

Currently, four soil borings are planned to proposed depths of 30.0 feet. The planned boring locations are shown on the Boring Location Plan located in the Appendix.

If/When bedrock is encountered, rock coring will be performed at two predetermined locations for up to 10 feet of rock coring. A total of 20 feet of rock coring is estimated.

Soil borings will be backfilled with cuttings and bentonite chips. Soil borings performed in asphalt or concrete will be patched with appropriate material. Excess cuttings will be disposed on site. All rock cores will be backfilled with grout. We assume no other restoration will be necessary. If bedrock is encountered, the boring will be terminated on borings not designated for rock coring. Rock coring will be performed utilizing a [NQ] core bit yielding a (1.875) Inch diameter core sample for further laboratory analysis.

#### Drill Rig & Auxiliary Vehicle Details

The soil borings and rock coring will be performed utilizing a B-57 truck mounted drill rig. A F-550 truck will be required to transport coring materials to the boring locations.

### Qualification

Soils & Structures currently holds a business license for Mackinac Island that was approved in April, 2024. Additionally, two vehicle permits will be submitted, please refer to the appendix for the vehicle permits.

### Safety

The safety of our crew and others is our utmost priority. Safety inspections are performed on the drill rig by the crew members each day prior to drilling. The safety inspections include, but are not limited to, rig and tooling equipment, personal protection equipment, proper procedures in case of emergency checks, etc.

### Traffic Control

The immediate work area will be cordoned off to avoid all traffic including pedestrians and carriages. Caution signs and traffic cones will be used to note the site boundaries.

### Transportation of Equipment and Drill Rig

The drill rig will remain at the designated site during the entirety of the project, including overnight. The drill rig may remain inoperable when not in use or when the crew is not onsite. If necessary, the rig may be transported to the predetermined area, near the site, when not in use to allow for carriage traffic to resume.

### **Option A:**

The crew and drill rig will be transported to the Island via Arnold Freight. The planned route includes transporting the rig from British Landing to British Landing Road, British Landing Road south to Garrish Road, Garrish Road southeast to Huron Road, Huron Road southeast to the site.

### **Option B:**

The crew and drill rig will be transported to the Island via Arnold Freight. The planned route includes transporting the rig from British Landing to British Landing Road, British Landing Road south to Forest Road, Forest Road south to Stonecliffe Rd/Lousignon Trail, Stonecliffe Rd/Lousignon Trail southeast to Huron Road, Huron Road east to the site.

### **Option C:**

The crew and drill rig will be transported to the Island via Arnold Freight. The planned route includes transporting the rig from dock to Main Street, heading east on Main Street to Truscott Street, north along Truscott Street to Huron Road. Please refer to the Anticipated Route Map located in the Appendix.

### Utility

A MISS Dig ticket will be submitted prior to the mobilization to the site for the marking of the public utilities in the area of the site.

We appreciate the opportunity to provide engineering services to OHM. If you have any questions regarding this letter or if we can be of any further assistance, please contact our office.

Sincerely,  
Soils & Structures, Inc.

Hanna Barton  
Senior Staff Geologist
