CITY COUNCIL BUDGET WORK SESSION

Wednesday, March 20, 2024 at 1:00 PM

City Hall – Council Chambers, 7358 Market St., Mackinac Island, Michigan

I. Call to Order

Mayor Doud called the Budget Work Session to order at 1:10 p.m.

II. Roll Call

Present

- Richard Chambers
- Tom Corrigan
- Anneke Myers
- Alan Sehoan

Absent:

- Brian Bailey
- Steven Moskwa

VI. New Business

Discussion of the FY 2024 / 2025 Budget - City of Mackinac Island

- Fiscal year budget 2023 - 2024 has been balanced as of the time of this meeting.
- Received another \$5,000.00 request from Buildings and Grounds to obtain pea stone for the bike parking area by the Library / Windermere Point.
- City staff raises have been suggested at 3.4% (same as DPW).
 - Police Department contract entered into last year negotiated the Police Department's wage increase at 2.5% per year for this year and next year.
 - Councilman Corrigan voiced concerns that the 3.4% raise was too low. Believes the percentage should be at least double, around 7% increase as the cost of living on Mackinac Island is much higher than other places.
 - Mayor's Assistant Trista France noted to keep in mind the additional \$200,000 that was budgeted for the Winter Service Contract, and next year an additional \$220,000.00 for phase 3 of the Forest Way Townhomes (\$75,000.00 spending this year).
 - Councilman Corrigan commented that there should be a fund balance like last year and that should be able to hold up to a 7% increase for City wages.
 - Councilwoman Myers inquired where Councilman Corrigan thought the money to cover the wage increase should come from?
 - Mayor Doud noted that they have a session with the accountant on Thursday and can look into the fund balance
 - Councilwoman Myers noted that things, such as monies collected for vehicle permits, are coming in much higher this year and may not come in as high next year
 - As of March 31, 2023 \$118,690 collected from vehicle permits
 - Councilman Corrigan voiced the opinion that, in the end, there should be enough money left over from last year to cover a 7% raise
 - Mayor's Assistant Trista France inquired where Councilman Corrigan felt the additional \$55,000.00 would come from?
 - Councilman Corrigan suggested the Local and Major Street Funds
 - Councilwoman Myers noted that those are contracted funds and money cannot be cut from there
 - Councilman Corrigan again suggested that the additional money should come out of the fund balance. Money to cover the raises does not have to be pulled from this fund, or the same fund, every year.
 - Councilwoman Myers noted that legal costs will be going up next year with the re-working of the Franchise Agreement among other things. Some of that has been accounted for, but not all.
 - Councilman Sehoan noted that the increase of fringe benefits need to kept in mind if a higher raise is given

- Councilwoman Myers noted that the suggestion of a 3.4% raise comes from the current CPI
- Councilman Corrigan noted that the Social Security CPI is currently at 3.8%
- Councilwoman Myers noted that the City gave a 6% raise last year
- Councilman Corrigan again voiced the fact that it is more expensive to live on the Island and therefore the City should be paying their employees a premium wage to account for that higher cost of living.
- Allen Burt, Dept. of Public Works (DPW) Director, noted that the DPW can help keep their employee living costs down by providing housing, and charge everyone the same fee for housing rent.
 - Noted that he is also not disagreeing with Councilman Corrigan
- Rent collection
 - Hoping to collect some money from renting out the the St. Martin building over the winter
 - DPW will continue to house construction employees for the Wastewater Treatment Plant project during the winter.
- Will be increasing the amount of money requested from the County for sand since the areas covered were increased this year.
 - Allen Burt noted that he has gravel from project at the Wastewater Plant that could save the City from purchasing gravel. Allen has put Mike Ruddle and Ken Peterson in touch to discuss use of gravel for City needs.
- Do receive some funds from the County towards police officer wages.
- City Hall budget
 - Additional cost of new contract with Presidio for phones
 - Receive partial reimbursement from DPW for their portion
- Restroom cleaning contract
 - Have requested that they begin cleaning one week early this year (April 26th) this incurs an additional charge to the contract.
- Police Dept.
 - Have hired an additional officer this past winter, budgeting for that going forward
- Capital Funds - Police Department Chief has requested a new truck
 - Councilman Sehoyan suggested looking at energy alternative vehicles. Could reduce amount spent on gas.
 - Allen Burt suggested looking in to purchasing bulk gas like the DPW
- EMS contracted services
 - Have budgeted \$300,000.00 from the millage in the past, but the numbers have been coming in under that which has given the opportunity to redistribute funds.
 - Currently coming in at \$278,880.00
- Public Works
 - Would like to hire a total of 6 workers
 - Requested to purchase a new sand spreader
- Dennis Dombroski suggested purchasing new freezers for the Community Hall as the current ones are older and have been leaking.
- Parks & Recreation
 - Pickleball court - \$95,633, but offset by grants
- Stuart House - Do have 2 employees lined up for this summer
- Fire Truck debt, Forestway Townhome debt, and Coal Dock debt are all paid directly from taxes and are no longer listed in the General Fund budget.

- Library
 - Addition to the Country Cleaning contract for restroom cleaning
 - \$5,000.00 additional - 5 days per week, 1 cleaning per day
- MDOT Major Street Fund / Trunkline funding may be decreasing. Trista will be calling MDOT to find out more.
- Grand Hotel contract for street cleaning
 - Still need to work out the contract going forward
 - Budgeting for \$65,000.00.
- Cemetery
 - Perpetual Care Fund money held at the Community Foundation where it makes better revenue
 - Trista will add in \$1,000.00 grant received from the Community Foundation for grass seed for the cemeteries.
- Councilwoman Myers noted that the proposed 7% wage increase needed to be negotiated.
- Doesn't think 7% is feasible, but inquired how the other Council members felt
- Chambers & Sehoan both stated that they were comfortable with the 3.4% that was budgeted.
 - Councilwoman Myers noted she felt that things were good at 3.4%, but could see some room for a bit more of an increase, maybe 5%. The City has been trying over time to raise employee wages.
 - Councilman Corrigan does not believe 3.4% is staying with the environment / cost of living
 - Councilman Corrigan inquired about retirement benefits for City employees
 - Police Department payments include a 1 for 1 match up to \$1,500.00 annually as well as a 13% contribution based off their bi-weekly gross income. Other employees (aside from contracted) receive a one time annual payment of \$1,000.00 - \$1,250.00.
 - Councilman Corrigan again voiced that he strongly disagreed with the 3.4% increase
 - Councilwoman Myers noted that she could agree with a 5% increase, but doesn't think it should go higher than that
 - Councilman Corrigan stated that he would agree with a 5% increase
 - Councilman Sehoan stated that he doesn't think we should go higher than the proposed 3.4%

A final decision on the percentage of the wage increase needs to be decided before the Special Budget Meeting on March 27th so that the fiscal year 24-25 budget can be reworked if needed.

VIII. Adjournment

There being no further business, motion by Myers, second by Chambers to adjourn the meeting 2:26 pm.

Voting Yea: Chambers, Corrigan, Myers, Sehoan

IX. Correspondence

a. A letter was received from Shepler's Ferry on March 11, 2024 regarding their luggage program for the 2024 season

- Letter officially notified the City that Shepler's is suspending their luggage program for the 2024 navigational season.

- This information was also posted on their website and Facebook page by March 11, 2024.

Motion made by Corrigan, Seconded by Chambers, to place the letter on file.

Voting Yea: Chambers, Corrigan, Myers, Sehoan

b. A letter was received from the Planning Commission on March 12, 2024 regarding Cloverland Electric's current electrical capacity for Mackinac Island

- Mayor Doud noted that she had recently spoken with Pete Postula for updates on this issue.

Motion made by Corrigan, Seconded by Chambers, to place the letter on file.

Voting Yea: Chambers, Corrigan, Myers, Sehoan

X. Old Business

a. Approval of (3) Right of Way Permits submitted by AT&T for Fiber placement at Market & Fort St., 1256 Truscott St., & Murdick's & Northwinds – 7363 Main St. / DeLanglade building – 7389 Main St.

- Dennis Dombroski informed the Council that AT&T has more planned for Main St. but they are waiting until fall for those projects

- Above locations will be taking place this Spring. Market Street project is being run into current conduit. Shouldn't be much digging for the 3 locations.

- Dennis had a meeting with AT&T and will share some correspondence from that with the Clerk.

- AT&T will provide extra length of fiber in sidewalks so that if we have to dig around it the fiber can be pulled out to accommodate.

- Dennis is comfortable with these 3 projects proceeding

Motion made by Sehoan, Seconded by Myers to approve the Streets and ROW permits.

Voting Yea: Chambers, Corrigan, Myers, Sehoan

- b. 2024 Rates, Fees, and Schedules for Mackinac Island Ferry Company
- Received new packet covering items and changes discussed at the last meeting.
 - Cut-off date for the regular sale of passes is May 27th
 - Councilman Corrigan noted that the new submission does not list the criteria necessary for getting a resident pass. Councilman Corrigan found some criteria listed on Star Line's website, but it does not match up with what Star Line has been requesting in the past.
 - o Clarified last time that only one piece of documentation is required to get a resident pass
 - o Council would like a formal declaration from Star Line stating what forms of ID are acceptable
 - o Sid Hawkins of Star Line noted that he will discuss this with Mr. Fetty and have him send a letter to the City
 - o Councilman Sehoyan stated that what Star Line requires to obtain a resident pass needs to be consistent throughout all of their offices
 - o Councilwoman Myers clarified that if a person attempts to purchase a resident pass after the May 27th cut-off date, all they need to do is submit their information and it will be reviewed?
 - Mr. Hawkins stated that that is correct
 - Mayor Doud noted that Mayor's Assistant Trista France has been working with Mr. Fetty in regards to essential worker passes
 - Councilwoman Myers inquired about the free child passes for kids under age of 5 (free ticket)
 - o Mr. Hawkins noted that Star Line has not discussed this, but he will discuss it further with Mr. Fetty and have him include that in his letter to the Council.
 - Councilwoman Myers stated that she believes that everything the City asked for at the last meeting has been addressed.

Motion made by Myers, Seconded by Sehoyan, to approve Mackinac Island Ferry Company's rates, fees, and schedules for the 2024 season.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

- c. 2024 Dray Service Agreement with the Mackinac Island Service Company

- Contract price did increase from 2023

Motion made by Myers, Seconded by Sehoyan, to approve the 2024 Dray Service Agreement.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

- d. Request for approval of (2) vehicle permits submitted by CentiMark for Grand Hotel roofing projects

- Emails were submitted to the Clerk's office stating that the vehicle permits were necessary to keep power tools, generators, and other equipment safe on site as needed.

Motion made by Myers, Seconded by Sehoyan, to deny both vehicle permits on basis that the Council does not issue vehicle permits for convenience.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

- e. Discussion and / or action regarding the transfer of 35 rental bike licenses to the new owners of the Harbour View Inn

Motion made by Myers, Seconded by Sehoyan, to table for more information from the Clerk and Treasurer.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

XI. New Business

- a. Discussion and / or action regarding the quote for Country Cleaning to clean the Public Library restroom

Motion made by Myers, Seconded by Chambers, to approve the quote from Country Cleaning, adding another \$5,000.00 to the City's restroom cleaning contract.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

- b. Discussion and / or action regarding the proposed rental of the Community Hall to the Mackinac Island Bible Church

- Committee agreed with the exception that if there is a wedding or certain event that needed the hall for the weekend, the church would need to cancel their use.
- Councilwoman Myers inquired that if the church want a standing reservation, how far in advance does someone have to book for the church to be cancelled?
- Councilman Corrigan noted that the church was informed that the rental would be determined on a week by week basis.

- Mayor's Assistant Trista France noted that she had already have gone over booked weekends with the church and marked them down for potentially available dates. Motion made by Chambers, Seconded by Corrigan, to approve with the caveat that if an event were to book for the weekend, the Bible Church would have to cancel for that particular Sunday.

Voting Yea: Chambers, Corrigan, Myers

Voting Nay: Sehoyan

- c. Discussion and / or action regarding proposed street paving
- Looking for approval to allocate a minimum of \$250,000.00 from the Capital Funds for road paving
 - May be able to work with the State Park who as they may have a batch plant here for their road paving project
 - o Myron Johnson of the State Park noted that last he heard, they would be trucking in the materials for their project, but will know more after their meeting next week
 - Councilwoman Myers commented that this is an ongoing issue either way and asked Mr. Dombroski to keep the Council up to date on what work can and needs to be done.
 - Mr. Dombroski noted that the City is in a better position this year than they have been in the last few years.
 - Councilman Corrigan inquired if Mayor Doud had been in contact with Brad Chambers yet for further conversations from the Committee meeting?
 - o Mayor Doud stated that Mr. Chambers would be back from vacation next week and she will speak with him then.

Motion made by Corrigan, Seconded by Sehoyan, to authorize the allocation of \$250,000.00 from the Capital Funds for road paving.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

- e. Discussion and / or approval of the 2024 Fare Schedule submitted by Shepler's Ferry
- Councilwoman Myers asked for clarification on when the luggage cart fee would be charged?
 - o Jason Wiley of Shepler's stated that the luggage cart fee would only be charged if an item is considered freight or if someone requests that only their items are put on one (1) cart.
 - o If someone fills up a cart and there is no room for other things, then they would not be charged.
 - Councilwoman Myers requested that this be listed for clarification on the fee schedule
 - o Mr. Wiley stated that they would clarify this on their schedule.
 - Councilwoman Myers also commented that the employee ticket price of \$30.00 is not much of a discount. Mackinac Island Ferry Company is charging \$25.00.
 - o Would like some consideration going forward. Military price is less than the employee rate.
 - Inquiry on if the employee ticket rate has increase from last year?
 - o Mr. Wiley responded that, yes, the employee ticket price has increased.
 - o Shepler's encourages those who are eligible to purchase the 20 one-way commuter book
 - Anyone who lives and works on the island
 - \$260.00 purchase price
 - o Councilwoman Myers commented that this was a steep price for when employees first arrive to the island
 - Councilwoman Myers also commented on the bike and bike attachment rates (\$21.00 each)
 - o Mr. Wiley noted that the \$21.00 charge would be applied to anything that is attached to the bike that can carry another individual
 - o Utility carts
 - Mr. Wiley noted that those are included with strollers and wagons and are free – attachments that are not intended to to haul individuals

Motion made by Myers, Seconded by Chambers, to accept Shepler's 2024 Fee Schedule with the condition that clarification on additional wording for private luggage cart is provided.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

Motion by Myers, second by Sehoyan, to cancel the March 26, 2024 hearing to discuss Shepler's proposed baggage fee.

Voting Yea: Chambers, Corrigan, Myers, Sehoyan

- e. Discussion and / or action regarding the FY 24/25 Estimate from Clear Impression Window Cleaning
Motion made by Sehoyan, Seconded by Corrigan, to accept the estimate from Clear Impression Window Cleaning.
Voting Yea: Chambers, Corrigan, Myers, Sehoyan
- f. Approval of tent and banner requests submitted by the Chicago Yacht Club for the 2024 yacht race
- Dennis Dombroski stated that he was ok with what was presented. Very similar to last year's submission.
Motion made by Sehoyan, Seconded by Chambers.
Voting Yea: Chambers, Corrigan, Myers, Sehoyan
- g. Approval of the 2023 annual report from Mackinac Marine Rescue
Motion made by Corrigan, Seconded by Chambers, to accept the report and place it on file.
Voting Yea: Chambers, Corrigan, Myers, Sehoyan
- h. Discussion and / or action regarding the quote from Northern Power Electric (NPE) for work on the new alarm system at the Forest Way Townhomes
- Clerk received email from NPE with cost of \$1,855.29.
- John E. Green (JEG) ordered the materials and NPE is doing the wiring. NPE started project, currently about 3/4 of the way through and have hit \$5,000.00 with NPE alone with no current payments to JEG for any materials or work.
- Councilwoman Myers inquired how much more money will be needed?
o Emma Motz, property manager, noted that the project seems larger than NPE thought it would be
o Two-man job, so paying (2) wages on top of everything else
o Have paid \$4,000.00, and have an additional \$1,000.00 bill to be paid
o Emma noted that the JEG invoice was for \$1,600.00
o Councilwoman Myers suggested authorizing another \$5,000.00
▪ Emma believes this should cover the rest of the project
- Councilwoman Myers noted that this is a cost that should be include ahead of time with phase three
o Mr. Dombroski agrees
- Councilman Sehoyan noted that the alarm system installation may invoke a discount from the insurance company
o Councilwoman Myers noted that this should be mentioned to KMG (management company)
Motion made by Myers, Seconded by Sehoyan, to authorize the additional \$5,000.00.
Voting Yea: Chambers, Corrigan, Myers, Sehoyan
- i. Cheboygan Life Support 4th Quarter 2023 report
Motion made by Sehoyan, Seconded by Corrigan, to pay the 2023 4th Quarter Cheboygan Life Support
Voting Yea: Chambers, Corrigan, Myers, Sehoyan
- j. Use Permit with the State Park Commission for use of the Visitor Center for Marine Rescue's equipment storage

Motion made by Myers, Seconded by Chambers, to approve the license application.
Voting Yea: Chambers, Corrigan, Myers, Sehoyan
- m. Streets & Right of Way Permit for the Dept. of Public Works to excavate and identify service lines for water filtration DSMI requirements.
Motion made by Corrigan, Seconded by Chambers, to approve the permit and waive the fees.
Voting Yea: Chambers, Corrigan, Myers, Sehoyan

- n. Trailer permit for John Huibregtse to move household goods from 2767 Trillium Dr. Trailer will arrive on April 25th and will be in use for 3 days.
Motion made by Myers, Seconded by Chambers, to approve the trailer permit.
Voting Yea: Chambers, Corrigan, Myers, Sehoan
- o. Trailer permit submitted by Advanced, Inc. for awning work at the Grand Hotel. Trailer will arrive March 21st and will be in use for 13 days.
Motion made by Myers, Seconded by Chambers, to approve the trailer permit.
Voting Yea: Chambers, Corrigan, Myers, Sehoan
- p. Two (2) trailer permits submitted by Mackinac Island Scout Service Troop to haul gear and kitchen equipment to the Scout Barracks. Trailers will arrive on May 28th and will be in use for six (6) days.
Motion made by Corrigan, Seconded by Sehoan, to approve the two (2) trailer permits.
Voting Yea: Chambers, Corrigan, Myers, Sehoan
- q. 11 trailer and 6 vehicle permits submitted by Dickinson Homes for work at Hoban Hill
- Councilwoman Myers pointed out that the proposed route listed is not what was presented to the Planning Commission.
 - Ryan Spencer of Dickinson Homes noted that he had spoken with Myron Johnson (State Park) and did a route check. The old route would not work and therefore had to go with new route plan.
 - o British Landing Road--> State Road --> Annex Road --> Cadotte Ave. (coming up Cadotte and turning left into the property)
 - Dennis Dombroski has spoken with Myron Johnson previously about using the gravel pit access road to avoid the use of M-185 and British Landing Road.
 - Mr. Johnson noted that the State Park was willing to look in to that for future use, but cannot get things together in time for these proposed dates
 - Councilwoman Myers question the need for the trusses to be hauled on a trailer pulled by a vehicle – trusses have been hauled by the dray before
 - o Mr. Spence replied that a flat-bed trailer will be used to deliver the trusses that vary in size - some 28 ft long & some 32 ft long
 - o Mr. Dombroski felt that the Service Company was capable of hauling trusses of those sizes. Have a special trailer set up to haul trusses those size.
 - Councilwoman Myers noted that she understands that the modular units cannot be hauled by the dray, but stated that the trusses could be.
 - o Dickinson either needs to arrange for the trusses to be hauled by the dray, or they need to obtain a letter from the Service Company stating that they cannot haul the trusses, and bring the trailer permit back for approval.
 - o Mr. Spencer stated that he will reach out to the Service Company Corporate Office regarding the trusses.
 - Proposed hauling dates for modular sections
 - o Nephew Building – week of April 8th
 - o Chippewa Building – week of April 29th
 - o Trusses (if hauled by truck) – prior to modular deliveries – week of April 1st
 - o Planning to be working on the Island April 1st through May 10th
- Motion made by Myers, Seconded by Corrigan, to approve the vehicle and trailer permits with the noted change in travel route to include State Road rather than British Landing Road, and that, if necessary, Dickinson Homes must obtain a letter from the Service Company Corporate Office regarding the hauling of the trusses by dray rather than truck. If Dickinson cannot make the proposed hauling dates, they need to be in contact with the Police Department and the Clerk's office. Reminder that the vehicle use cut-off date for Zone 2 is May 23rd.
Voting Yea: Chambers, Corrigan, Myers, Sehoan
- r. Vehicle and trailer permit submitted by Cummins Sales & Services for annual generator maintenance at the Iroquois Hotel. Truck and trailer will arrive on April 8th and will be in use for (2) days.
Motion made by Corrigan, Seconded by Chambers, to approve the vehicle and trailer permit.
Voting Yea: Chambers, Corrigan, Myers, Sehoan

- s. Vehicle and trailer permit submitted by Cummings Sales & Services for annual generator maintenance at the Municipal Complex, DPW, & Medical Center. Truck and trailer will arrive on April 8th and will be in use for two (2) days.
Motion made by Corrigan, Seconded by Chambers, to approve the permits and waive the fee.
Voting Yea: Chambers, Corrigan, Myers, Sehoan
- t. Vehicle permit submitted by Tim Maxwell Paving for paver work at Jim Murray's residence located at 6859 Main St. Vehicle will arrive on April 25th and will be in use for 1 to 3 days.
Motion made by Myers, Seconded by Chambers, to approve the vehicle permit.
Voting Yea: Chambers, Corrigan, Myers, Sehoan
- u. Vehicle and 2 trailer permits submitted by Enterprise Vending to haul arcade games to Mission Point Resort. Vehicle and trailers will arrive on April 22nd and will be in use for (5) days.
- Hoping to come in at the Beaver Dock, but Arnold Freight notified that the water may be too low there to dock and may have to come in at the Coal Dock. Will keep updated.
Motion made by Sehoan, Seconded by Corrigan, to approve the vehicle and trailer permits.
Voting Yea: Chambers, Corrigan, Myers, Sehoan

- aa. Three (3) vehicle & 1 trailer permit submitted by Cupps Masonry & Chippewa Hotel for concrete work at Hoban Hill.
- Councilwoman Myers has asked for clarification from Brad Chambers of Mackinac Island Service Company on their ability to haul the foundation materials from Preston Feather.
o Council would like the Clerk to contact the Service Company regarding this as well
- Councilwoman Myers suggested tabling the truck and trailer permits from Preston Feather, ok with the permit for the telehandler
- The use of a concrete pump truck was questioned.
o Mr. Dombroski noted that Cupps Masonry was going to form the walls on site and will need the pumper truck to pump the concrete into the forms
▪ Have had these types of trucks on the Island before. Used at the Grand Hotel pool project to fill forms around the pool. Believes there is currently one at the Wastewater Treatment Plant project as well.
▪ This is a better way to fill the forms, more uniform.
Motion made by Myers, seconded by Sehoan, to table vehicle permit 24-053 & trailer permit T24-036 for clarification from the Service Company regarding the hauling of the foundation materials. And to approve vehicle permits 24-054 & 24-055 as presented.

BUDGET HEARING**

Section IV, Itemc.

Wednesday, March 27, 2024 at 1:45 PM

City Hall – Council Chambers, 7358 Market St., Mackinac Island, Michigan

I. Call to Order

Mayor Doud called the Budget Hearing to order at 1:48 pm

II. Roll Call

Present:

- | | |
|------------------------------------|--------------|
| - B. Bailey | - S. Moskwa |
| - R. Chambers – arrived at 1:50 pm | - A. Myers |
| - T. Corrigan | - A. Sehoyan |

VII. New Business

Mayor Doud inquired if anyone had any questions regarding the closing of the fiscal year 2023 – 2024 budget, or the upcoming fiscal year 2024 – 2025 budget.

- Councilman Corrigan inquired if the Council would like to discuss salaries at the hearing, or wait until the meeting
 - o Noted that this should be discussed in the Special Budget Meeting

Department of Public Works (DPW) Budget for fiscal year 2023 – 2024 & 2024 – 2025

- Councilman Moskwa stated that the DPW adopted the budget for fiscal year ending March 31, 2025 at their meeting on Friday, March 22, 2024
 - o Overall the numbers came in close to what was budgeted for
 - o Landfill
 - Some costs with bulk item removal came in higher than expected (more items shipped off island and incurred increased costs from Arnold Freight and Mackinac Island Service Company
 - Service Company did add a driver and truck to move items quicker
 - o Biddle Point lift station re-work
 - Project is mostly complete
 - Budgeted at \$4.1 million, but costs have come in more around \$3.4 million
 - o None of this budget includes the Wastewater Treatment Plant project, will come back in December 2024 to amend with actual numbers of what has come in and what has gone out, per recommendation of the accountants
 - \$15 million grant from the Clean Water State revolving fund
 - Used \$13 million of that grant as of today
 - \$39.7 million grant through the State
 - \$24 million loan
 - Bonding rate 1.875%
 - In all, \$53.8 million in grants
 - o Councilwoman Myers inquired if, within this budget, the DPW will still be needing the 1.1 mils on the property tax
 - Councilman Moskwa noted that the DPW will still need the 1.1 mils
 - Split between Solid Waste and Wastewater Treatment
 - o Water Treatment
 - Water Revenues – no millage fees collected here, supported through usage fees
 - Capital Improvements – updating water filtration units
 - \$1.75 million federal grant that has a 20% match required – money will be going towards replacing components on the filters that are end of life and in some cases unexpected damages. Have also attempted to patch the upper reservoir, but that has failed and will need to be patched professionally.
 - o Each department has to be standalone – they cannot comingle funds
 - o Director Allen Burt noted that, all things on their budgeted list are not optional, they are all things that must be done. The DPW will never be able to do these projects cheaper than they are able to do them now with all of the grant money received and good bond interest rates.

- DPW Board recently adopted an updated rate schedule and fee structure
 - o Water bill
 - Residential increase of 10%
 - Commercial increase of 20%
 - o Sewer bill
 - Residential increase of 5%
 - Commercial increase of 25%
 - o Usage of water system
 - Residential usage is 28.5%
 - Commercial usage is 71%
 - o Usage of Sewer system
 - Residential usage is 19.6%
 - Commercial usage is 80%
 - o Yes, these are substantial increases, but there are many upgrades that need to be done, and these upgrades will benefit everyone
 - o Housing falls under the residential increase
 - o Dave Jurcak of the Grand Hotel has multiple questions about how the rate increases were calculated and believes other large companies on the Island may have questions too
 - Councilman Moskwa inquired if the DPW could delay putting this in place for one (1) month to discuss further with business owners?
 - Mayor Doud felt that this was as good idea
 - Director Burt noted that the needed rate increase was recommended by financial advisor Warren Creamer and it was based on the budget available at that point
 - Councilwoman Myers noted that, when higher increases had been proposed in the past, there was a plan to phase the increase in – will that be happening with this, or is it a one-time adjustment that will be left in place for at least a few years?
 - Director Burt noted that this is a do it now increase to start building up money for the anticipated repayment of the \$24 million bonds and the expected matching funds for grants that have been applied for for next year
 - Councilman Moskwa commented that any municipality that does a major restructuring of their infrastructure faces rate increases similar to this
 - Trying to find revenue in other areas, but need to make up for what cannot be find through rates
 - o Councilwoman Myers inquired if the DPW Board would be willing to set a hearing in April to explain the rate increase with residents and business owners
 - Budget does need to be passed today before the end of the fiscal year, but thinks it would be a good idea to have a hearing of some sort
 - Councilman Sehoyan agrees that this would be a good idea
 - Understands that these recommendations came from professionals, but believes it should be laid out with some examples. Maybe have some meetings with the larger stakeholders.
 - Councilman Moskwa noted that he does not believe the DPW Board would be opposed to holding a hearing to explain and discuss the increases further with residents and the business owners
 - o Mayor Doud suggested holding the rates for 60 days for time to speak with the larger commercial users and to check any possible discrepancies, then once the numbers are worked out the DPW can bring their budget back to the Council with the updated numbers
 - Councilman Moskwa noted that this would cause two (2) months of missed revenue
 - Councilwoman Myers suggested holding the increased fees for 30 days
 - o Mark Ware of Mission Point voiced concerns about the increased rates
 - Would really appreciate the chance to meet with the DPW Board to better understand the rate breakdown
 - Understands that these increased rates are important for the infrastructure updates, but they also make it very difficult on the businesses, especially those who have already done their budgets for the upcoming year
 - Councilman Moskwa stated that, going forward, this will ensure that the Island has a secure and sustainable system

- Mayor Doud suggested passing the budget today, but holding off on the charge of the increased rates for 30 days, giving the DPW time to speak with people and get a consensus on how to move forward with the rate increase
- Liz Ware of Mission Point did note that the State Park is also one of the top water user, so the DPW may want to reach out to them as well
 - Councilman Moskwa noted that the State Park sprinkles Marquette Park with treated water, but that Grand Hotel and Mission Point try to use lake water to sprinkle their lawns, which helps keep costs down. Maybe this is something the State Park should look in to as well.
- Councilman Moskwa noted that everyone should be looking at implementing low volume flush toilets, lower volume shower heads, as well as taps – these will all help keep your water usage down.
 - Keep an eye on hidden leaks / increase in water usage.

There being no further business, motion by Moskwa, seconded by Corrigan, to leave the hearing at 2:30 pm.

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

Voting Yea: Bailey, Chambers, Corrigan, Moskwa, Myers, Sehoyan

b. Resolution and operating budget for the 2024 - 2025 fiscal year

- Councilman Corrigan brought up the discussion of the wage increase
 - o Current proposed increase of 3.4%, but would like to discuss a 7% increase
 - o Did discuss raising the increase to 5% at the Budget Work Session
 - o FY 23/24 budget has a projected net revenue of \$55,000.00
 - o Cost of increasing from 3.4% to 5% is roughly \$12,000.00
 - Amended budget has a projected revenue of about \$11,000.00
 - o City subsidizes many other things for other people, such as the Forest Way Townhomes
 - Councilman Moskwa pointed out that the tax payers subsidize that cost

- o Councilman Corrigan noted that the Dept. of Public Works (DPW) provides housing at lower rate, the Police Department gets significant retirement benefits, and therefore believes the 5% increase is important for our other employees

Motion by Corrigan, Second by Bailey, to change the raise increase from 3.4% to 5%.

Attn: Mayor Doud and City Council Members
P.O. Box 455
Mackinac Island, MI 49757

Dear Mayor Doud and City Council Members,

Wanted to clarify Shepler's **Private Luggage Cart Fee of \$40.00** listed on our 2024 Fare Schedule. This would only be applied if the following situations:

- Items being shipped are considered *freight* (*luggage, groceries, and household goods* would be shipped free of charge for all guests).
- A guest would like no other items placed on the luggage cart.
 - If there is room for additional items to be stacked on the cart and the guest is okay with this, then there is no charge.
 - If there is room for additional items to be stacked on the cart and the guest is NOT okay with this, then the guest is subject to the Private Luggage Cart Fee \$40.00.
 - If the guest takes up the entire cart and no additional items can be added to the cart, then there is no charge.

If you have any questions, please let me know.

Best Regards,

Hello Chris & Jason,

At today's Council meeting, Shepler's 2024 Fare Schedule was approved on the condition that further clarification on the fare sheet is provided in regards to when the private luggage cart fee would be charged.

If you could please get that to me no later than Monday, April 1, 2024 by 12:00 noon, I would greatly appreciate it.

Have a great evening!

Subject: Letter to City Council - Starline Issue

Dear City Council,

My name is Dr. Jennifer Pool, and I am a Mackinac Island resident. My husband, Yuri Pool, our three kids (ages 6 and 4 years old, and a newborn), and I went to get our Starline ferry passes last Thursday on the first day they went on sale. I was anxious to get our passes early as I've heard how hard it can be to get them. In the past, Starline has run out of passes, refused to sell passes past a certain date, and/or different staff members enforce completely different rules for resident passes. We've had no issues the last two years getting our passes, but I didn't want to take any chances.

I had our year round housing lease agreement, our bank statements for paid island utilities, and of course, our current ferry passes that expire in a month - all ready to show as proof of residence. Our daughter is enrolled at the school, I work there as a substitute teacher when needed, and our band, The McCartney Years, is under contract with Mission Point for a full time residency this upcoming season.

Our whole life is 100% here, on Mackinac Island.

So I was surprised when, despite all of that paperwork (which is also outlined on the website as being acceptable proof), we were told by the ticket office that none of it mattered if we didn't also have Michigan drivers licenses with our island addresses listed on them. As dual citizens of US and Canada, our Canadian drivers licenses are recognized in both countries. The drivers license policy seems discriminatory against immigrants, especially when we could prove our primary address is the island, as our US government social security cards have the island as our primary address. We tried to explain all this, but we just got yelled at instead and were told there were no exceptions. And never mind that we were all issued ferry passes the last two years with no problem.

All the employees at the ticket office know our names - they know we live and work here and we have undeniable proof to back that up. Yet, we were still denied. And that's highly stressful and alarming to two working parents of 3 kids, one of which is a newborn that has required several off island appointments since being born. We need to be able to get to doctors appointments, we need to be able to get to the pharmacy and grocery stores - how can Starline deny people the ability to freely access those things just because of an arbitrary drivers license rule, which is not stated anywhere online as a requirement and does not in any way dictate or determine one's ability to live and work on the island full time...because we already live and work here and have for the last two years!

It's arbitrary discrimination.

I also asked how the ferry would work for our five employees coming to live and work on the island for us this spring, summer, and fall. We will be performing 5+ shows a week at Mission Point, every Wednesday through Sunday, from May until September, with the potential to extend shows until the end of the season in October. As a growing business, we have also been recruited for tours into the late fall and winter, but the island would continue to be home base for our employees, especially since our residency is on going and will hopefully continue again at Mission Point next year. Furthermore, one day a week will be reserved for band meetings and rehearsals, so that really only leaves our employees with 1 free day off per week.

Starline told us that unless we can prove we have a business on the island, our employees would not be eligible for commuter passes. I tried to explain that the island does not issue business licenses for entertainment enterprises, but

that we could show our island business bank account as proof instead, and Starline said that wasn't acceptable. We were told we would have to buy \$1000 non-resident passes, which is quite an expensive startup cost (\$5000 in total, since we have 5 employees) for our business, which doesn't even really pay for itself against a regular tourist ticket unless the pass is used more than 1 time a week, and in our case, it likely wouldn't be because we only have 1 day off per week. We would be paying the same price for our employees to get on and off the island that tourists pay for the same service. Commuter passes are quite expensive, too. Even if we were issued commuter passes, it will still cost us \$200 just to get 5 employees on and off the island one single time...for basic needs, like groceries or the pharmacy.

I asked Starline how people like us can afford that. What if our employees need to make multiple trips a week to the pharmacy or to get groceries or food outside of what we provide for their room and board, or heaven forbid, what if they want to take a day off island to go visit their families or need regular access to specialty healthcare?

Why are we being forced to pay the same or close to the same prices to get them on and off the island for basic, essential needs as tourists pay for their non-essential vacations?

Starline then stated that our only "obligation" as employers is to get our employees to the island, and that once they are here, it's up to the employees to get themselves on and off as that's how many other businesses do it on the island.

I don't know if that's true about other businesses here or not, but I replied that if we, as employers, can't afford Starline's rates for ferry travel, certainly our employees can't, either. And how is that mentality not dangerously approaching the line of human trafficking? Are some businesses having to knowingly trap their employees on the island because ferry passes and prices are too expensive?

Why would the island condone or support or allow a ferry company to uphold prices and policies that make it financially impossible for employees to make it back and forth from the island? It's like they are being punished and penalized for not being residents, but there is no extra housing available on the island for most employees to be residents, and if it wasn't for ALL island employees, the island wouldn't exist. Especially the employees working in the tourist industry, which is the only thing keeping the ferry company in existence. If anything, employee passes should be less than resident passes because not all residents work on the island. By having employee passes at the same or lower rate as resident passes, you wouldn't have Starline gatekeeping resident passes. I've heard of employees illegally changing or applying for paperwork, like voter registrations, to try to qualify for resident passes. And it's not because they want to break the law, it's because they are trying to make a living, which is tough anywhere, but especially on the island, and paying hundreds or thousands of extra dollars for a non-resident pass just to work on the island takes food off their families' tables. Like...where is the humanity? This is an essential ferry service, not a luxury or lazy or exclusive non-essential limousine service. There is no economical way on or off the island besides the ferry.

We, as an island business, are committed to providing a safe, happy environment for our employees so of course we will absorb the ferry costs for them, so that they are able to travel freely. However, \$5000 is an enormous up front expense for a small business like us to absorb, especially when it really has nothing to do with our actual business - and it's an expense that matches what tourists pay. Starline makes no concessions for people in our situation and literally stated that they don't care if their prices mean that hard, honest workers are trapped on the island as a default of their service to the island. Meanwhile, our show, powered by our employees, are hopefully attracting thousands of visitors to the island who will be using their ferry service.

I find this appalling. And I bet none of you find this surprising, because even though we are new here, we've quickly become acclimated to the history and corruption Starline has been getting away with here for years.

Why is their corruption allowed to continue?

We, as newcomers, have been told from the beginning that it can be very hard if not impossible to "make it" on Mackinac Island, but it doesn't seem like it needs to be that way. If essential-to-life-on-Mackinac details like this are dealt with, they wouldn't all add up to make things so impossible for people like us wanting to work hard and make an

honest living here. We want to take good care of our talented employees who we feel are adding to island show is a world class show - it's toured the world, we are family friendly entertainment, and we are purposely keeping ticket prices low (\$25) so that it's affordable and accessible to entire families and large groups. But shouldn't it also be affordable for us to operate this way? From a strictly public health and ethical standpoint, if the city allows essential services like the ferry to be unaccessible for employees, employers will be forced to cut corners in other ways, in order to offset the expense, and that's not good or safe business for anyone.

Furthermore, everyone - tourists, residents, locals, and islanders alike - are all concerned about big corporations pushing out the "little guys" and taking away the small town charm and mentality of the island. Only big corporations can afford mass visa employee programs that come with commuter ferry passes and other privileges.

People like us and businesses like ours don't qualify for those programs. We are and always will be the little guys on the island. We are employing 4 Americans and 1 Canadian. We are a new family here who has given up everything to move to the island so we can live and raise our family here. We absolutely love it here, and we are fully immersed in the community, because we know and love that community must go both ways. But we also need to be able to make a living and we need to be able to provide a safe, inviting, quality environment for our employees, which does not include trapping them here because the ferry service, which is considered an essential service, is unobtainable, financially for both them and us.

If we all know it's next to impossible for new families and small entrepreneurs to make it here, then why not do something about it? If you break the problem down, it's details like this ferry issue that add up to make things so hard.

It doesn't have to be this way.

Accessible and affordable ferry travel is essential to residents and workers/employees, and besides horses, the island's residents and employees are who keep the island living and breathing year round. If residents and workers cease to exist, there would be no island for tourists visit and then Starline wouldn't exist.

In response to this qualm, I've heard people say, "well it's a privilege to live and work on Mackinac Island, if you're committed enough, you'll make it work."

And that's true, it is absolutely a privilege to be here. And we are fully committed. So much so, we were literally homeless for 8 weeks when we first moved here because our original housing situation fell through. We have given up everything to live and make a living here with our family.

But that doesn't mean the island should ask or require people to give up their basic human rights to access basic human services. If you live and/or work on the island, being able to take the ferry is both a need and a right because it's the gateway to everything essential that the island can't offer - like a pharmacy, groceries, specialty health care, etc. The ferry is also the gateway to a living working wage. Hundreds of people get on and off the ferry every day simply to work here for the island's benefit. The ferry should not be able to take such a huge cut of the average island worker's living wage just because they return home to the mainland every night.

You cannot appreciate a privilege if your basic needs aren't met, and there is absolutely no reason why we can't make the ferry a more accessible and supportive entity to fulfill those basic needs for our people - good people - who live and work here and who are what make Mackinac Island such a privileged place to be a part of.

Therefore, I urge you to hold Starline accountable as the essential public service that it is. It's time for its corruption to end. Everyone who lives on Mackinac Island has an exciting and busy season ahead with plenty of challenges that are inherent to the tourism industry and island life - however, affordable and accessible ferry service should not be one of them.

Thank you,

Erin

I did not see a transfer or commercial bike license application on the website so I am assuming making application can just mean sending in a letter. I wanted to run by you what I am thinking to make sure it lines up with your expectation. Let me know your thoughts and I can put it all together for the City.

On your license history search Anneka talked about, please let me know what you find. I talked to Michelle Dean as she has been at HVI for over 17 years and they have been there the whole time. They probably originated back when Doc Bacon owned the HVI very early on. They also have not increased in number for the time she has been there.

Harbour View Rental Bike License Transfer

- Information was compiled April 3, 2024 for the discussion of (35) rental bicycle licenses being transferred from Harbour View Inn, LLC to new owners, Harbour View Mackinac, LLC
- Harbour View Mackinac, LLC and related companies acquired the business assets and real estate of Harbour View Inn, LLC as of March 12, 2024
- Going back to the minutes of the March 29, 1995 meeting of the Mackinac Island City Council, a request is recorded from Harbour View for 30 new rental bicycle licenses
 - o As of this date (and possibly before) LaChance Cottage or LaChance Bed & Breakfast held 35 rental bicycle licenses issued to the location of 6860 Main Street
 - o 1995 was the beginning of the research for Harbour View as this was the year the property began being operated as a hotel (per their website)

The following is what I could find regarding any restrictions being applied to rental bicycle licenses and the “transfer” of the 35 rental bicycle licenses from LaChance Bed and Breakfast to Harbour View Inn, both listed with the location of 6860 Main Street.

2005 (application of restrictions on rental bicycle licenses begin to appear)

- From the Minutes of the April 13, 2005 Redetermination Hearing
 - o Mackinac Wheels is submitted as a new business requesting 10 – 25 rental bike licenses
 - The minutes note that Mr. Fisher “said that he would be willing to revert any licenses back to the City of Mackinac Island if he no longer owned the business if there would be consideration for his new venture.”
 - o Also noted in these minutes that David Zeilinger “said that for eleven years the **Harbour View** has requested bike licenses to no avail.”
- From the Minutes of the April 13, 2005 Regular Meeting – “Motion by Putnam, second to the motion by Hart, to award James Fisher’s new business, Mackinac Wheels, 15 bicycle licenses, with the stipulation that should he abandon or sell or relinquish Mackinac Wheels at any time, the 15 bicycle licenses would revert back to the City of Mackinac Island. All in favor. Motion carried.”

2011 (the last year the 35 license were listed as issued to LaChance Bed & Breakfast)

- Ordinance No. 456 – Rental Bicycle License, approved May 18, 2011
 - o 35 Rental Bike Licenses, numbers 1190 – 1224, issued to LaChance Bed & Breakfast at the location of 6860 Main Street
- From the minutes of the April 25, 2011 Special Meeting Minutes – Mackinac Wheels is the only bike rental company listed to have restrictions applied

2012 (the first year the 35 licenses were listed as issued to Harbour View Inn)

- Minutes of the Public Hearing of the City of Mackinac Island held on April 4, 2012 states, “Letter dated March 27, 2012 received from Michelle Dean requesting a renewal of their 35-bike licenses.”
 - o Ordinance No. 462 – Rental Bicycle Licenses, approved April 18, 2012
 - 35 Rental Bike Licenses, numbers 1190 – 1224, issued to “Harbourview” at the location of 6860 Main Street
- From the minutes of the April 18, 2012 Special Meeting Minutes – Mackinac Wheels is the only bike rental company listed to have restrictions applied

Hi Brad,

Anneke asked me to reach out to you as well regarding a vehicle and trailer permit she sent you, submitted by Cupps Masonry, to haul a foundation package to the Hoban Hill project.

Council is looking for a letter from you stating that the Service Company is either unable to or unwilling to haul this material.

Any information you could provide would be helpful.

Dear Danielle,

As you are aware, we are supplying Industrial Concrete Forms for a construction project of the Chippewa Housing to be constructed by Cupps Masonry. We are requesting permission to send a Preston Feather pickup truck and trailer along with a driver and unloading assistant to the jobsite to facilitate a smooth, damage-free delivery. (Pictures of the equipment below.)

The Nudura brand ICF product we are supplying comes in 18" tall by 8' long foam billets with delicate plastic inserts and are packaged 3 per bundle, weighing approximately 50 lbs. per bundle. They are easily damaged and there is no efficient way to handle this product – it must be hand-loaded and hand-unloaded and cannot be handled by forklift.

In addition to the fragile nature of this product, it has a 4 week lead time from out of state and would cause significant delays and costs to the project should any replacement product need to be ordered due to damage.

To reduce the risk of damage caused by the additional handling (unloading at ferry dock, transloading to drayage, risk of wind damage, etc.) associated with typical deliveries to the island using the ferry and drayage process, we feel that it is in everyone's best interest to permit us to deliver this product directly to the jobsite.

Based on the project schedule we are intending to deliver the materials on Thursday, April 4th. We anticipate the total time that our equipment would need to be on the island would be approximately 1 hour with our trained & experienced team handling the delivery.

Sincerely,

Nate Morrow

Good evening,

The department is hoping to suspend senior transportation on April 13th and 14th (Saturday and Sunday) so that two officers may attend TECC training hosted by the Island Medical Center. This training will help our ready response for critical incidents and working with the other island entities for large scale operations. If you need any other information, feel to get in touch with me.

Thank you for your time,

-Justin

Good Afternoon Danielle,

Attached are the diagrams for three events that we will have on the Front Lawn at Mission Point this year involving alcohol:

- July 16 - CYC (Chicago Yacht Club) - Front Lawn - 3,000 guests
- July 23 - BYC (Bayview Yacht Club) - Front Lawn - 5,000 guests
- Aug 18 - Mackinac Island Swim - Front Lawn - 500 guests

I believe the City Council has to approve them each year before I can get the police chief to sign and approve of the events and prior to submitting documents for a temporarily alcohol service permit from the state. If I'm not mistaken, getting city council approval is the first step. Can you please add this to the agenda?

Hello Becky,

Yes, I believe you are correct that Council's approval of the events is the first step so I will get them added to our April 3rd agenda.

For the Bayview party, I see a Jeep listed – if there are plans to bring jeeps and trailered boats in again, special permission will need to be obtained for that from Council and temporary vehicle and trailer permits will need to be submitted and approved as they were last year.

If you have any questions or need anything further in the meantime, please let me know!

2024 INSIDE|OUT Installation Agreement

This letter of agreement will confirm the participating site owner and DIA's commitment to the conditions of installation.

- a) A full-sized, framed reproduction of a work from the DIA's permanent collection will be produced at the museum's expense, using materials that are weatherproof and lightfast. Installation onto buildings will be performed by a licensed and insured sign contractor at the museum's expense, installation onto free-standing sign posts will be by DIA staff.
- b) Installations by sign contractor onto buildings will require anchoring the reproduction substrate with appropriate hardware. De-installation will also be performed by the same contractor, and includes remediation of mounting holes with materials specified by site owner in this agreement. The de-installed reproduction will remain the property of the DIA.
- c) Commercial general liability insurance during the period of exhibition will be covered by DIA underwriter (Lyman and Sheets Insurance Agency) with limits of insurance of \$1,000,000. each occurrence and \$2,000,000 annual aggregate.
- d) In the event of theft or vandalism, as budget allows, the DIA will replace or remove the reproduction at the museum's expense. Replacement will require approximately fourteen days from request to reinstallation. If for any reason the owner or municipality requests removal before the date specified in this agreement, the DIA will comply within five days, at the museum's expense.
- e) Cities and businesses involved in the project will be featured on a map on the DIA's website (www.dia.org). They will also be connected to the DIA through our social networks, including our Facebook, Flickr and Twitter accounts. The project will receive recognition through our newsletter and various printed and electronic communications.
- f) The duration of installation is approximately from **May** through **October**, although individual installation/de-installation dates may vary based on owner's arrangements with DIA site manager.

Grand 9- 32 golf carts, 1 utility cart, + 1 beverage ~~card~~ cart
Woods 9- 30 golf carts, 1 utility cart, + 1 beverage cart

Subject: Re: Annual Permits

Geez... I knew something was off with that form since there wasn't a spot to fill in the dates requested!! lol

- I changed the permit for the tractor to install the lake line pumps from an annual to a temporary
 - Perfect, thanks! the tractor was already on the annual permit list and I believe I put the dates I am requesting in the upper left corner.
- I am assuming that one beverage cart and one utility cart go to each the Woods and Grand 9?
- How are the golf cart numbers split between courses?
 - That is correct. (They will be arriving April 26th and 29th if I did not list that) Our normal breakdown is as follow:
 - Grand 9- 32 golf carts, 1 beverage, 1 utility
 - Woods 9- 30 golf carts, 1 beverage, 1 utility

Thanks!!

Danielle,

Attached are permits for this weeks meeting.
The Skytrak and Hoffman permits are extensions until the end of the project.
I reached out to Brad Chambers last week for a letter from corporate offices for two of the permits as Annekke requested. I will send letter as soon as I receive.
The last invoice you sent will be pd with two separate checks. One from Schulte Management for the annuals and the foundation will be issuing a check for the boom truck and trencher used on the project. I submitted these last week so you should be receiving payment soon. Thank you.

Good Morning,

I imagine you might be off for the weekend, hopefully 😊

The Biddle Point permits might be a tad confusing.

We need to go there on 4/8 for the hatches, and the skid steer will stay a few more days to unload materials.

We need to do some cleanup at the end of April. The exact date will be determined when GT construction finishes.

Happy Easter!
