### SANITARY SEWER AND WATER MAIN EASEMENT

THIS Easement Agreement made this d	ay of	20	between
Marala Investments LC	("Grantor") and the (	City of Mer	idian, an Idaho
Municipal Corporation ("Grantee");	` .	. •	•

WHEREAS, the Grantor desires to provide a sanitary sewer and water main right-of- way across the premises and property hereinafter particularly bounded and described; and

WHEREAS, the sanitary sewer and water is to be provided for through underground pipelines to be constructed by others; and

WHEREAS, it will be necessary to maintain and service said pipelines from time to time by the Grantee;

NOW, THEREFORE, in consideration of the benefits to be received by the Grantor, and other good and valuable consideration, the Grantor does hereby give, grant and convey unto the Grantee the right-of-way for an easement for the operation and maintenance of sanitary sewer and water mains over and across the following described property:

### (SEE ATTACHED EXHIBITS A and B)

The easement hereby granted is for the purpose of construction and operation of sanitary sewer and water mains and their allied facilities, together with their maintenance, repair and replacement at the convenience of the Grantee, with the free right of access to such facilities at any and all times.

TOHAVE AND TOHOLD, the said easement and right-of-way unto the said Grantee, its successors and assigns forever.

IT IS EXPRESSLY UNDERSTOOD AND AGREED, by and between the parties hereto, that after making repairs or performing other maintenance, Grantee shall restore the area of the easement and adjacent property to that existent prior to undertaking such repairs and maintenance. However, Grantee shall not be responsible for repairing, replacing or restoring anything placed within the area described in this easement that was placed there in violation of this easement.

THE GRANTOR covenants and agrees that Grantor shall not place or allow to be placed any permanent structures or obstructions within the easement area that would interfere with Grantee's use of said easement, including, but not limited to, buildings, trash enclosures, carports, sheds, fences, trees, or deep-rooted shrubs.

THE GRANTOR covenants and agrees with the Grantee that should any part of the right-ofway and easement hereby granted shall become part of, or lie within the boundaries of any public street, then, to such extent, such right-of-way and easement hereby granted which lies within such boundary thereof or which is a part thereof, shall cease and become null and void and of no further effect and shall be completely relinquished.

THE GRANTOR does hereby covenant with the Grantee that Grantor is lawfully seized and possessed of the aforementioned and described tract of land, and that Grantor has a good and lawful right to convey said easement, and that Grantor will warrant and forever defend the title and quiet possession thereof against the lawful claims of all persons whomsoever.

THE COVENANTS OF GRANTOR made herein shall be binding upon Grantor's successors, assigns, heirs, personal representatives, purchasers, or transferees of any kind.

IN WITNESS WHEREOF, the said parties of the first part have hereunto subscribed their signatures the day and year first herein above written.

### SANITARY SEWER AND WATER MAIN EASEMENT

THIS Easement Agreement made this <u>20th</u> day of <u>August</u> 2024, between Ten Mile West Commercial, LLC ("Grantor") and the City of Meridian, an Idaho Municipal Corporation ("Grantee");

WHEREAS, the Grantor desires to provide a sanitary sewer and water main right-of-way across the premises and property hereinafter particularly bounded and described; and

WHEREAS, the sanitary sewer and water is to be provided for through underground pipelines to be constructed by others; and

WHEREAS, it will be necessary to maintain and service said pipelines from time to time by the Grantee;

NOW, THEREFORE, in consideration of the benefits to be received by the Grantor, and other good and valuable consideration, the Grantor does hereby give, grant and convey unto the Grantee the right-of-way for an easement for the operation and maintenance of sanitary sewer and water mains over and across the following described property:

### (SEE ATTACHED EXHIBITS A AND B)

The easement hereby granted is for the purpose of construction and operation of sanitary sewer and water mains and their allied facilities together with their maintenance, repair and replacement at the convenience of the Grantee, with the free right of access to such facilities at any and all times.

TO HAVE AND TO HOLD, the said easement and right-of-way unto the said Grantee, its successors and assigns forever.

IT IS EXPRESSLY UNDERSTOOD AND AGREED, by and between the parties hereto, that after making repairs or performing other maintenance, Grantee shall restore the area of the easement and adjacent property to that existent prior to undertaking such repairs and maintenance. However, Grantee shall not be responsible for repairing, replacing or restoring anything placed within the area described in this easement that was placed there in violation of this easement.

THE GRANTOR covenants and agrees that Grantor shall not place or allow to be placed any permanent structures or obstructions within the easement area that would interfere with Grantee's use of said easement, including, but not limited to, buildings, trash enclosures, carports, sheds, fences, trees, or deep-rooted shrubs.

THE GRANTOR covenants and agrees with the Grantee that should any part of the right-of-way and easement hereby granted shall become part of, or lie within the boundaries of any public street, then, to such extent, such right-of-way and easement hereby granted which lies within such boundary thereof or which is a part thereof, shall cease and become null and void and of no further effect and shall be completely relinquished.

THE GRANTOR does hereby covenant and the Grantee that Grantor is lawfully seized and possessed of the aforementioned and described tract of land, and the Grantor has a good and lawful right to convey said easement, and that Grantor will warrant and forever defend the title and quiet possession thereof against the lawful claims of all persons whomsoever.

THE COVENANTS OF GRANTOR made herein shall be binding upon Grantor's successors, assigns, heirs, personal representatives, purchasers, or transferees of any kind.

IN WITNESS WHEREOF, the said parties of the first part have hereunto subscribed their signatures the day and year first herein above written.

#### III. **DESCRIPTION**

# A. Background

The City of Meridian was awarded a Hazard Mitigation Grant Program (HMGP) grant in the amount of \$130,000 for Phase 1 final design and permitting of the Ninemile Creek Flood Mitigation Project through the Idaho Office of Emergency Management and FEMA. The HMGP has a 10% local match that will be met through MDC funds already expended. The City will be eligible to apply for a Phase 2 grant that covers construction costs currently estimated at \$3.8 million.

# B. Proposed Project

The Phase 1 grant covers final design and environmental permitting of the Ninemile Creek Flood Mitigation Project from 75% to 100%.

# IV. **IMPACT**

A. <u>Strategic Impact</u>: The project is identified in the City Strategic Plan Strategy to proactively manage floodplain concerns to maximize development potential in affected community areas.

# B. Service/Delivery Impact:

The project when constructed will remove a large area of old town Meridian from the Special Flood Hazard area allowing it to develop or re-develop.

# C. Fiscal Impact:

Project Costs: Phase 1 final design and environmental permitting will be fully reimbursable through the grant.

# Standard Administrative Provisions for Hazard Mitigation Grant Program

# FEMA Region 10 - updated January 3, 2023

- The recipient agrees that all use of funds under this subaward will be in accordance with the **Hazard Mitigation Assistance Unified Guidance** in effect at the time of the Disaster Declaration, relevant Hazard Mitigation Grant Program (HMGP) guidance and policy memos and directives, as well as the HMGP in Code of Federal Regulations (CFR) Title 44 Part 206.
- The recipient may receive payment in advance from Payment Management System administered by U.S. Department of Health & Human Services' Program Support Center. The recipient may advance portions of the approved Federal share to the subrecipient provided the recipient maintain procedures to minimize the time elapsing between the transfer of funds from the U.S. Treasury and their disbursement to the subrecipient. Subrecipients must comply with the same payment requirement as the recipient and must comply with the requirements specified in the recipient's subaward agreement.
- The recipient shall follow regulations found in 2 CFR Part 200 and the FEMA/State/Tribe Agreement in effect for the subject Disaster Declaration.
- The Federal Funding Accountability and Transparency Act of 2006 (2 CFR Part 170) requires recipients to report their first tier subrecipients for each Federal award of \$30,000 or more awarded on or after October 1, 2010.
- The recipient must obtain prior approval from Region 10 before implementing changes to the approved project Scope of Work. FEMA must approve, in advance, a change in the Scope of Work regardless of the budget implications. Transfer of funds between total direct cost categories in the approved budget shall receive the prior approval of FEMA when such cumulative transfers among those direct cost categories exceed ten percent of the total budget. The recipient must fully document cost overrun requests; the project must remain cost-effective, and funds must be available within the HMGP ceiling for said disaster.
- The recipient must notify their assigned Regional Hazard Mitigation Assistance Specialist as soon as any significant developments become known.
- The recipient shall submit the Federal Financial Report (SF-425) to Region 10 Grant Programs Division within 30 days of the end of the first Federal quarter following the Award Letter. The recipient shall submit quarterly Federal Financial Reports thereafter until the grant ends. Reports are due at the end of each fiscal quarter. The recipient must submit a report for every quarter of the Period of Performance. Future awards and fund drawdowns withholdings may occur if these reports are delinquent.
- The recipient shall submit Quarterly Performance Reports in Excel format to the Regional Hazard Mitigation Assistant Specialist within 30 days of the end of each quarter. The Recipient shall submit Quarterly Performance Reports thereafter until the grant ends. Quarterly Performance Reports shall report the name, completion status, quarterly expenditures, and payment-to-date of each approved activity/subaward award under the Grant Award. Unless otherwise approved by Region 10, the recipient must submit a closeout package with all financial, performance, and other reports and required documentation within 180 days after subrecipient's notice of completion of the project, or expiration or termination of the project/sub-grant. The recipient must submit closeout documentation within the quarter following payment of the final reimbursement to the subrecipient.

- For closeout of this project, the Governor's Authorized Representative or Tribal Authorized Representative shall send a letter of request to the Region 10 Mitigation Division Director, to close the project programmatically and financially. The letter will include the following: 1. The date work on the project was fully completed, or for planning subawards, the date and copy of FEMA approval of the new or updated plan.
- 2. The date and a copy of the recipient's final site inspection for the project.
- 3. The final total project cost and Federal share, any cost underrun, or overrun, including a Final Cost Line-Item budget, to enable any closeout deobligation or obligation of additional funds in National Emergency Management Information System.
- 4. Certification that reported costs were incurred in the performance of eligible work, and that the approved work was completed, or if not, an explanation as to the final status of the project and why the project was not completed.
- 5. Confirmation that the mitigation measure is in compliance with the provisions of the FEMA/State/Tribe Agreement and this approval letter.
- 6. A memo from the subrecipient addressing how each required environmental and special programmatic condition was met (including attachment of any required documentation).
- 7. Submittal of all required documentation relative to the specific project type, for example, acquisition/demolition, or elevation, including all necessary data to close the project in the Property Site Inventory in FEMA's Hazard Mitigation Assistance grant systems.
- By acceptance of this subaward the recipient and subrecipient agree to abide by all laws and regulations required under the HMGP as outlined in 44 CFR 206.432 -.440, 44 CFR 80, 44 CFR 201, the Grants Management requirements contained in 44 CFR 13 and/or 2 CFR 200, and all applicable Federal, State, Tribal, or local laws.

# Environmental Conditions of Approval: May 2, 2023

## Project - 4534-7 - Phase I

- This review does not address all Federal, State, and local requirements. Acceptance of Federal funding requires recipient to comply with all Federal, State, and local laws. Failure to obtain all appropriate Federal, State, and local environmental permits and clearances may jeopardize Federal funding.
- Any change to the approved Scope of Work will require re-evaluation for compliance with the National Environmental Policy Act and other laws and Executive Orders.
- If ground disturbance occurs during construction, applicant will monitor ground disturbance and if any potential archaeological resources are discovered, will immediately cease construction in that area and notify the State and Federal Emergency Management Agency.
- The City of Meridian should coordinate with FEMA R10 EHP at the following project checkpoints. Skipping coordination at these checkpoints could result in delays and complications in the project development process.
- 1) 30 percent design. This stage gives preliminary information on the project impacts and may include coordination with the U.S. Fish and Wildlife Service and Idaho Fish and Game and pre-consultation with U.S. Army Corps of Engineers and Idaho Department of Environmental Quality.
- 2) 60 percent design. This is the point where Clean Water Act, Endangered Species Act, Special Flood Hazard Area public notice, floodplain development and/or National Historic

Preservation Act regulatory processes are initiated, when applicable. It should be noted that proposed project schedules may be needed for these.

3) 100 percent design/permitting completion. FEMA R10 EHP will review the deliverables from Phase I prior to project implementation. This would essentially complete the Phase I process.

ITEM **TOPIC:** Public Works Fiscal Year 2025 Republic Services Annual Rate Adjustment for Solid Waste Collection Services

# Sustainability in Action

#### MEMORANDUM

TO: Meridian City Council

FROM: Cord Stanley, General Manager, and Margaret Mingura, Finance Manager, Republic

Services of Idaho

DATE: August 20, 2024

SUBJECT: Annual Rate Adjustment for Solid Waste Collection Services

#### Introduction

Annually, solid waste collection rates are adjusted in accordance with Section 21 of our contract with the City of Meridian with an effective date of October 1.

# High-level Summary by Category:

- CPI Adjustment Methodology 3.387% increase, 90% of CPI
- Household Hazardous Waste (HHW) \$0.01 increase per household per month
- Recycling Service Charge 8.62% increase
- Volumetric Excise Tax Credit (VETC) (\$0.01) reduction to residential rates, (\$0.14) credit will carry over for FY2025
- Labor 1.6% increase

#### CPI Adjustment Methodology

Our contract allows non-disposal costs to be adjusted annually based upon Ninety (90) percent of the net percentage change for May in the Consumer Price Index (CPI) for Garbage Trash. This year's change in CPI (at 90%) is 3.387%. The average CPI adjustment is \$0.56 per household per month plus tax. The commercial and industrial impact varies and is based on container size and frequency of collection.

## Household Hazardous Waste

Residential 2024 rates include an amount for household hazardous waste (HHW) of \$0.23 per household per month. A reconciliation of actual HHW costs and the amount collected from residents was performed. The May 2024 trailing-twelve-month (TTM) net result is an amount due to Republic Services of \$17,136.74. This amount will remain on account and be included in the ongoing reconciliation. The current run rate is \$0.24 per household per month and supports an increase of \$0.01 in residential rates for FY2025.

# Recycling Service Charge

The recycling processing fee increased 8.62% (from \$112.14 to \$121.81) per ton and reflects the current economic impact on the recycling sector (i.e., increased transportation and labor costs). Republic Services sustained unreimbursed recycling cost of \$797,683.08 for Meridian City's residential recycling program over the prior 12 months (May 2024 TTM). Republic Services requests to increase the per household per month rate for residential by \$0.10. These charges include related Meridian City

# Sustainability in Action

franchise fees based on the total amount billed to customers and have been reviewed with the Meridian City staff.

# Volumetric Excise Tax Credit (VETC) on CNG Powered Trucks

The Federal Government once again awarded the alternative fuel tax credit for compressed natural gas as an alternative fuel source. This tax credit is shared with Meridian City residents as a credit to the monthly rate. The credit for the Meridian contract was \$72,641.00. This amount is reflected in the residential rate sheet as a credit of \$0.14 for 95-gallon, 65-gallon, and 48-gallon cart service. VETC was extended through December 31, 2023.

#### Labor Increase

Meridian City and the Treasure Valley continue to operate in a constrained labor environment. The costs of living and conducting business in our area has been exponential these last few years. Specifically, labor and maintenance costs have been challenging. We've internalized as much of these costs as we can. However, to continue providing Meridian with excellent service, we recognize that a labor adjustment is necessary to retain our employees and pay them a competitive market rate. Republic Services therefore requests and additional 1.6% increase, which is a blended cart size average of \$0.23 per household per month for residential service. The commercial and industrial impact varies and is based on container size and frequency of collection.

# Residential Impact Per Customer

The total proposed monthly increase for residential customers with 95-gallon carts is \$1.03 comprised of:

- CPI increased \$0.66
- HHW increased \$0.01
- Recycling processing fee pass through increased \$0.10
- VETC decreased (\$0.01)
- Sales tax increased \$0.01
- Labor increase of \$0.26
