MEETING DATE: 06/05/2024

TITLE: Certify the Police Sergeant Final Eligibility List resulting from the Alternate Promotional System that was administered beginning on April 29, 2024, and which concluded on May 28, 2024

RECOMMENDED ACTION: Approve

ANALYSIS:

The Police Department has an Alternate Promotional System (APS) for the rank of Sergeant. This APS includes a written exam, an anonymous written exercise and an assessment panel, along with points for Seniority and Certification levels as shown on the attachment. Candidates who pass with 70 on the written examination are allowed to proceed on to the remaining sections of the APS. Assessors have criteria established in the Local Civil Service Rules to score both the anonymous written exercise and the panel interview.

This process for Sergeants began on April 29, 2024, with the written examination and concluded on May 28, 2024, with panel interviews. Assessors score the anonymous written exercise and the panel interviews independently. High and low scores for each candidate are thrown out leaving 3 assessor scores which are averaged. That average score, by candidate, is placed on the Eligibility list and is weighted. All scores (written exam, written exercise, panel interview, certification, and seniority points) are added together from their weighted score to create the final score as presented on the attached list. The eligibility list remains in effect for one year from the date of the written examination, unless exhausted prior to that date.
