## PUBLIC IMPROVEMENT DISTRICT (PID) PURPOSE

## State Law – Ch. 372 TX. Loc. Gov. Code allows creation

## Why the City likes this mechanism

- Single family developments started adding more common areas to be maintained by city
- > Existing developments in GP where HOAs quit maintaining amenities
- > Parks and enhanced landscaping are typically HOA development-specific

## What can they be used for

Maintenance and improvements

## PID BENEFITS

- Neighborhood-based
- Pays for improvements and maintenance for property value growth and sustainment
- •Pays for a higher level of maintenance than city will provide
- •Reduced insurance costs for PID (substantially less than HOA insurance cost)
- •Reduced water rates for PID maintenance (governmental rate vs. commercial rates)
- •Consistent collections delinquency rate lower than HOA (collection of payment is done with property taxes)
- •City reimbursement to PID for basic level of maintenance (\$81,830 annually)
- •No sales tax for PID
- •Leverage economies of scale for larger PIDs

## **HOW DOES A PID OPERATE?**

- Assessment amounts 19 cents per \$100 of appraised value
- Assessments collected along with Grand Prairie city property taxes (collected by Dallas County); usually escrowed with mortgage
- Funds can only be used for cost of maintenance within the PID boundary and not for HOA owned common areas (pools & amenity centers)
- Budget prepared by citizens/PID Advisory Board and approved by City Council
- Contributions from builders and homeowners (improved lots only) and commercial lots as improved
- PID Board Homeowner Representatives selected by homeowners for 3 year terms
- Management of PID oversees the day-to-day maintenance of the PID improvements. Reports to the Advisory Board and City of Grand Prairie.
- City of Grand Prairie Website: <u>www.gptx.org/pid</u>
- Note: The PID mailing list/assessment roll is based on Tarrant Appraisal District's (<u>www.tad.org</u>) and Dallas Central Appraisal District's (<u>www.dallascad.org</u>) records. You may check your property information by logging on to the appraisal district's website

## **PID Manager Role & Responsibilities**

- •Serve as a strategic community partner focused on homeowner value preservation and community enhancement
- Liaison for City, homeowners, vendors and various community partners on PID related items
- •Conduct routine quality control and assurance inspections related to contract services and projects
- Develop appropriate scopes of work and execute request for proposals to ensure competitive
- Develop and oversee preventive maintenance schedules
- •Negotiate contract terms and pricing for goods and services
- Procure vendor proposals for repairs, enhancements, and annual contracts
- Review and approve vendor invoices
- •Monitor the PID build-out revenue and expenses to be considered by the Advisory Board to be included in the annual budget & five-year plan
