Subject: Johnny's Pizza in Entertainment District

To whom it may concern:

My name is Maury Seitel and I have been the owner of the Fayetteville Johnny's Pizza for over a year now. I'm writing to ask that we be added to the entertainment district in Fayetteville. We have been sponsors of The Ville last season and the upcoming season. I think we'd be a great addition to the entertainment district because we already serve beer and wine, and we are within walking distance to downtown Fayetteville and The Ville. I have asked many people including those serving on city council and the mayor. These fine folks have said they would love to add us. Not only would it benefit us, but Frozen Rooster, who also serves alcohol, and the other restaurants that get foot traffic. We also have ample parking which would alleviate some downtown parking. People could start their night with us and head downtown or to The Ville. Please let me know if you need anything from us. I hope we are added and appreciate the time. We look forward to being Fayetteville's pizzeria. Thank you!

SUBJECT: Possible expansion of the Entertainment District boundary limits.

Staff received a request from The Ville sponsor Johnny's Pizza requesting to be included within the Downtown Entertainment District boundaries.

With the continued growth of Downtown Fayetteville and the proposed addition of a new Arts District that will ultimately enhance the quality of life for our residents and visitors, staff is seeking guidance from council if there is any desire to expand beyond the current boundaries of the Downtown Entertainment District.
