1. Should read it stays the same as the current ordinance.

PG/GS Motion passed.

2. CIP – Joel Fobes – (AXON is the camera system)

Went line by line through the CIP. Spoke about details of our current leases (Officer Safety Plan)

Joel Fobes and Shawn Gillen spoke about leases for vehicles.

Connectivity cost – Shawn Gillen- it's worth it. We aren't stuck in it. We think it's good to stay in it because they do come in handy.

Ammunition – ammo keep it in operations

Drones –

Monty Parks - Radios –

Matt Harrell explained the cost threshold

A completely different telephone system that dispatch has is what Joel is talking about. We will need upgrades.

SG – hundreds of thousands of dollars for dispatch (check tape) JF is having pros come and check out the equipment and help form a plan for five-year spending

Fire –

All new AEDs for the city – will have screens.

Public Safety Boat - \$50,000

Shawn Gillen – we will set aside dollars 2:38
