Inspections and Landlord's Right to Enter

23. The Landlord and the Tenant will complete, sign and date an inspection report at the beginning and at the end of this tenancy.

All terms of the renewed lease will be the same except for any signing incentives/inducements and this renewal clause and the amount of the rent. If the Landlord and the Tenant cannot agree as to the amount of the Rent, the amount of the Rent will be determined by mediation. The Rent should be determined taking into consideration the market rent of similarly improved premises in the market, as well as the location, use, age, and size of premises.

Insurance

30. The Tenant is hereby advised and understands that the personal property of the Tenant is not insured by the Landlord for either damage or loss, and the Landlord assumes no liability for any such loss. The Tenant is advised that, if insurance coverage is desired by the Tenant, the Tenant should inquire of Tenant's insurance agent regarding a Tenant's policy of insurance.

33. The Tenant is responsible for insuring the Premises for liability insurance for the benefit of the Tenant and the Landlord.
34. The Tenant will provide proof of such insurance to the Landlord upon request.

Abandonment

35. If at any time during the Term, the Tenant abandons the Premises or any part of the Premises, the Landlord may, at its option, enter the Premises by any means without being liable for any prosecution for such entering, and without becoming liable to the Tenant for damages or for any payment of any kind whatever, and may, at the Landlord's discretion, as agent for the Tenant, relet the Premises, or any part of the Premises, for the whole or any part of the then unexpired Term, and may receive and collect all rent payable by virtue of such reletting, and, at the Landlord's option, hold the Tenant liable for any difference between the Rent that would have been payable under this Lease during the balance of the unexpired Term, if this Lease had continued in force, and the net rent for such period realized by the Landlord by means of the reletting. If the Landlord's right of reentry is exercised following abandonment of the premises by the Tenant, then the Landlord may consider any personal property

belonging to the Tenant and left on the Premises to also have been abandoned, in which case the Landlord may dispose of all such personal property in any manner the Landlord will deem proper and is relieved of all liability for doing so.

36. All costs, expenses and expenditures including and without limitation, complete legal costs incurred by the Landlord on a solicitor/client basis as a result of unlawful detainer of the Premises, the recovery of any rent due under the Lease, or any breach by the Tenant of any other condition contained in the Lease, will forthwith upon demand be paid by the Tenant as Additional Rent. All rents including the Base Rent and Additional Rent will bear interest at the rate of twelve (12%) per cent per annum from the due date until paid.

Governing Law

37. It is the intention of the Parties to this Lease that the tenancy created by this Lease and the performance under this Lease, and all suits and special proceedings under this Lease, be construed in accordance with and governed, to the exclusion of the law of any other forum, by the laws of the State of Alabama, without regard to the jurisdiction in which any action or special proceeding may be instituted.

Severability

38. If there is a conflict between any provision of this Lease and the applicable legislation of the State of Alabama (the 'Act'), the Act will prevail and such provisions of the Lease will be amended or deleted as necessary in order to comply with the Act. Further, any provisions that are required by the Act are incorporated into this Lease.

Assignment and Subletting

39. The Tenant will not assign this Lease in whole or in part, nor sublet all or any part of the Premises, nor grant any license or part with possession of the Premises or transfer to any other person in whole or in part or any other right or interest under this Lease (except to a parent, subsidiary or affiliate of the Tenant), without the prior written consent of the Landlord in each instance, which consent will not be unreasonably withheld so long as the proposed assignment or sublease complies with the provisions of this Lease.
40. Notwithstanding any assignment or sublease, the Tenant will remain fully liable on this Lease and will not be released from performing any of the terms, covenants and conditions of this Lease.
41. If the Lease is assigned or if the Premises or any part of the Premises are sublet or occupied by anyone other than the Tenant, the Landlord may collect rent directly from

the assignee, subtenant or occupant, and apply the net amount collected, or the necessary portion of that amount, to the rent owing under this Lease.

42. The prohibition against assigning or subletting without the consent required by this Lease will be constructed to include a prohibition against any assignment or sublease by operation of law.
43. The consent by the Landlord to any assignment or sublease will not constitute a waiver of the necessity of such consent to any subsequent assignment or sublease.

Bulk Sale

44. No bulk sale of goods and assets of the Tenant may take place without first obtaining the written consent of the Landlord, which consent will not be unreasonably withheld so long as the Tenant and the Purchaser are able to provide the Landlord with assurances, in a form satisfactory to the Landlord, that the Tenant's obligations in this Lease will continue to be performed and respected, in the manner satisfactory to the Landlord, after completion of the said bulk sale.

Maintenance

45. The Tenant will, at its sole expense, keep and maintain the Premises and appurtenances in good and sanitary condition and repair during the Term and any renewal of this Lease.
46. In particular, the Tenant will keep the fixtures in the Premises in good order and repair. The Tenant will, at Tenant's sole expense, make all required repairs to the plumbing, range, heating apparatus, and electric and gas fixtures whenever damage to such items will have resulted from the Tenant's misuse, waste, or neglect or that of the Tenant's employee, family, agent, or visitor.
47. The Tenant will be responsible at its own expense to replace all electric light bulbs, tubes, ballasts or fixtures serving the Premises.
48. Where the Premises has its own sidewalk, footpath, entrance, driveway or carpark which is for the exclusive use of the Tenant and its guests, the Tenant will keep the footpath, entrance, driveway or parking space clean, tidy and free of objectionable material including dirt, debris, snow and ice.
49. Where the Premises has its own garden or grass area which is for the exclusive use of the Tenant and its guests, the Tenant will water, fertilize, weed, cut and otherwise maintain the garden or grass area in a reasonable condition including any trees or shrubs in or about the Premises.
50. The Tenant will also perform the following maintenance in respect to the Premises:
Property Upkeep.

Care and Use of Premises

51. The Tenant will promptly notify the Landlord of any damage, or of any situation that may significantly interfere with the normal use of the Premises.
52. Vehicles which the Landlord reasonably considers unsightly, noisy, dangerous, improperly insured, inoperable or unlicensed are not permitted in the Tenant's parking stall(s), and such vehicles may be towed away at the Tenant's expense. Parking facilities are provided at the Tenant's own risk. The Tenant is required to park in only the space allotted to them.
53. The Tenant will not make (or allow to be made) any noise or nuisance which, in the reasonable opinion of the Landlord, disturbs the comfort or convenience of other tenants.
54. The Tenant will not engage in any illegal trade or activity on or about the Premises.
55. The Landlord and Tenant will comply with standards of health, sanitation, fire, housing and safety as required by law.

Surrender of Premises

56. At the expiration of the lease term, the Tenant will quit and surrender the Premises in as good a state and condition as they were at the commencement of this Lease, reasonable use and wear and damages by the elements excepted.

Hazardous Materials

57. The Tenant will not keep or have on the Premises any article or thing of a dangerous, flammable, or explosive character that might unreasonably increase the danger of fire on the Premises or that might be considered hazardous by any responsible insurance company.

Rules and Regulations

58. The Tenant will obey all rules and regulations posted by the Landlord regarding the use and care of the Building, parking lot and other common facilities that are provided for the use of the Tenant in and around the Building on the Premises.

General Provisions

59. Any waiver by the Landlord of any failure by the Tenant to perform or observe the provisions of this Lease will not operate as a waiver of the Landlord's rights under this Lease in respect of any subsequent defaults, breaches or nonperformance and will not defeat or affect in any way the Landlord's rights in respect of any subsequent default or breach.

60. This Lease will extend to and be binding upon and inure to the benefit of the respective heirs, executors, administrators, successors and assigns, as the case may be, of each party to this Lease. All covenants are to be construed as conditions of this Lease.
61. All sums payable by the Tenant to the Landlord pursuant to any provision of this Lease will be deemed to be Additional Rent and will be recoverable by the Landlord as rental arrears.
62. Where there is more than one Tenant executing this Lease, all Tenants are jointly and severally liable for each other's acts, omissions and liabilities pursuant to this Lease.
63. Time is of the essence in this Lease.
64. This Lease will constitute the entire agreement between the Landlord and the Tenant. Any prior understanding or representation of any kind preceding the date of this Lease will not be binding on either party to this Lease except to the extent incorporated in this Lease. In particular, no warranties of the Landlord not expressed in this Lease are to be implied.

IN WITNESS WHEREOF the Parties to this Lease have duly affixed their signatures under hand and seal, or by a duly authorized officer under seal, on this 12th day of October, 2022.

IF YOU WRITE, ATTACH THE
STUB AT THE END OF THIS NOTICE.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 88-4167339. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

Based on the information received from you or your representative, you must file the following forms by the dates shown.

Form 940	01/31/2024
Form 944	01/31/2024

If you have questions about the forms or the due dates shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification (corporation, partnership, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

IMPORTANT INFORMATION FOR S CORPORATION ELECTION:

If you intend to elect to file your return as a small business corporation, an election to file a Form 1120-S, U.S. Income Tax Return for an S Corporation, must be made within certain timeframes and the corporation must meet certain tests. All of this information is included in the instructions for Form 2553, Election by a Small Business Corporation.

If you are required to deposit for employment taxes (Forms 941, 943, 940, 944, 945, CT-1, or 1042), excise taxes (Form 720), or income taxes (Form 1120), you will receive a Welcome Package shortly, which includes instructions for making your deposits electronically through the Electronic Federal Tax Payment System (EFTPS). A Personal Identification Number (PIN) for EFTPS will also be sent to you under separate cover. Please activate the PIN once you receive it, even if you have requested the services of a tax professional or representative. For more information about EFTPS, refer to Publication 966, *Electronic Choices to Pay All Your Federal Taxes*. If you need to make a deposit immediately, you will need to make arrangements with your Financial Institution to complete a wire transfer.

The IRS is committed to helping all taxpayers comply with their tax filing obligations. If you need help completing your returns or meeting your tax obligations, Authorized e-file Providers, such as Reporting Agents or other payroll service providers, are available to assist you. Visit www.irs.gov/mefbusproviders for a list of companies that offer IRS e-file for business products and services.

IMPORTANT REMINDERS:

- * Keep a copy of this notice in your permanent records. This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.
- * Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.
- * Refer to this EIN on your tax-related correspondence and documents.
- * Provide future officers of your organization with a copy of this notice.

Your name control associated with this EIN is SOUT. You will need to provide this information along with your EIN, if you file your returns electronically.

Safeguard your EIN by referring to Publication 4557, *Safeguarding Taxpayer Data: A Guide for Your Business*.

You can get any of the forms or publications mentioned in this letter by visiting our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions about your EIN, you can contact us at the phone number or address listed at the top of this notice. If you write, please tear off the stub at the bottom of this notice and include it with your letter.

5 Year Loss Summary Attached

Mr. Griggs,

The police liability had a significant increase this year. Our company had research done and our rates were significantly lower than the industry standards. With the current climate with law enforcement, we have been told that we need to charge at least \$1,000 for each employee of law enforcement. I asked for permission to get to that rate in 2 years in lieu of just one year and am only charging \$800 per employee on the quote. Also, there will be no dividend at this time. We have a new Board of Directors and they want to review an entire year of financials before they make their decision. That meeting will be in July. We will know at that time if or what the dividends will be.

Thank you,

Michele Warhurst, CIC

**CITY OF ALABASTER
WORK COMP BILLING COMPARISON
2022 V 2023**

TOTAL PAYROLL INCREASE

The initial item I see as the I reason for the increase from 2022 to 2023 is tha the total payrolls have increased \$4.7m from the 2022 Estimated to the 2023 Estimated billings. MWCF uses the latest audited payrolls (2021 year) payrolls to estimate the renewal billings. Alabaster may want to review and provide budgeted payrolls for 2023 so that these are more accurate. They may also want to review the sub-contract labor reflected, as again, these are from 2021 and may no longer be applicable for 2023. Payrolls can be updated at any time and it is as easy as sending me an e-mail to let me know what needs to be changed. Once updated, we issue a revised Estimated Billing.

INDIVIDUAL CLASS CODE PAYROLL INCREASE

Below are the Individual Class Codes tha reflect a substantial increase over 2022.

7380 Drivers & Chauffeurs	Increased	\$71,056
7710 Firefighters	Increased	\$494,305
7720 Police	Increased	\$369,024
8810 Clerical	Increased	\$3,634,016

This list does not include sub-contract labor.

The issue that clerical increased over \$3.6m is very concerning and should be reviewed.

NOTE: MWCF had an overall rate decrease for the 2023 year, so rates are a non-issue.

EXPERIENCE MODIFICATION RATING

Alabaster's 2022 EMR is .88. For 2023, the EMR is .99, an increase of 11%.

The increase in the EMR is due to an increase in the claims used to calculate the EMR.

For the 2022 EMR, the 2018, 2019 and 2020 Fund Years are used and the Total claims are \$502,028.

For the 2023 EMR, the 2019, 2020 and 2021 Fund Years are used and the Total claims are \$690,385.

There is a large claim in the 2021 year. Michael Strickland with a Total Incurred of \$245,125.

The EMR increase is also driving some of the premium increase.

LOSS OF THE MANAGED CARE DISCOUNT

I do see that Alabaster should still be receivig the 10% Managed Care Discount, and this is not on the invoice.

I have added back the 10% Managed Care Discount and attached the Revised Billing along with this review.

NOTE: At 2/1/24, this discount will drop off, but Alabaster will be eligible to participate in Renewal Dividends.

**CITY OF ALABASTER
WORK COMP BILLING COMPARISON
2021 V 2022**

Firefighter rate increase.

This was due to the increase in the Advisory Loss Costs (ALC) from the National Council of Compensation Insurance (NCCI).

For 2021, the ALC for Class Code 7710 was 2.18 and for 2022, the ALC for Class Code 7710 is 2.46.

All work comp carriers in the State of Alabama are required to begin their rates with the ALC from NCCI. The individual carrier's actuary then does a rate study, looking at premiums and losses for all class codes to determine the modifier for the year that is used to "modify" the ALC for each specific group. MWCF had an overall rate change of -2% for 2022, but when NCCI increases the ACL, the effect is an increased rate for all work comp carriers.

Experience Modification Rating (EMR) increase.

Alabaster's 2021 EMR is .85. For 2022, the EMR is .90, an increase of 5%.

The increase in the EMR was due to an increase in the claims used to calculate the EMR.

For the 2021 EMR, the 2017, 2018 and 2019 Fund Years were used and the Total claims were \$319,721.

For the 2022 EMR, the 2018, 2019 and 2020 Fund Years are used and the Total claims are \$502,028, an increase of \$182,307.

There are two larger claims in the 2020 year. William Rigney with a Total Incurred of \$281,271 and James Crocker with a Total Incurred of \$86,284. These two claims are driving the majority of the EMR increase.

The EMR increase is what is driving the premium increase.

Loss of the Volume Discount

To qualify to receive the Volume Discount, the Loss Ratio for the last audited Fund Year must be less than 75%.

Alabaster's 2020 Volume Discount at the time of underwriting was 159% and is mainly due to the two claims listed above.

However, during our Underwriting, we noticed the loss of the Volume Discount and gave additional discounts to help with this.

The original calculated Scheduled Discount for the City of Alabaster for 2022 was 18%. Our Underwriting team provided an additional 7% in Scheduled Discounts to help account for the loss of the Volume Discount and the increase in the EMR.

NOTE: The 2022 Volume Discount would have been around 4.6%.
