Mr. Simpson made a motion to give a one-time donation of \$5,000 to the American Civil War Museum. Motion died for lack of a second.

Mr. Simpson asked Mrs. Puckette what was her point? Mrs. Puckette stated she promised Mr. Jamerson she would bring it up.

Nathan A. Simpson – Asked about the status of the slate roof at the Train Depot to which Mr. McGhee replied that it is halfway complete.

Kim Ray-Provided the April 2023 financial report, which is 10 months into the fiscal year.

Mr. McGhee also reported on the following items:

1. Jeff Elder dropped off the contract for the land to Tiger Fuel.
2. Train depot update-the back deck is complete, entry deck is halfway complete, roofers separated the roof into six sections, and they have completed the removal of old material from one section.
3. To paint the building back to the historic colors would be between \$19,000-23,000. We will probably need to vote on this at the next meeting.

4. We received three generator bids. The low bidder didn't include a required item. They have been sent a notification that they may be a non-responsive bidder and given 10 days for rebuttal.
5. The Church St waterline project is still in limbo with the US Department of Agriculture. We are waiting for the acceptance of BABA (Build America, Buy America) program. It is likely they will provide us with an additional \$500,000 in grant money. Another loan is also a possibility.
6. A letter has been drafted for Urgent Care. Dr. Jeff Garrett has approved the letter and sent it to three regional urgent care facilities and the top ten national urgent care facilities.
7. Kim has called other localities asking how they handle external agency donations. Sample guidelines have been provided in the manager's report.
