#### Consideration of an Ordinance Beaufort County Business License Tax Standardization

**Discussion:** Edra Stephens, Business License Department, spoke regarding the SC Business License Standardization Act, signed into law by Governor Henry McMaster. This requires all licensing bodies to accept the act. Rate Class 8 is divided into sub-categories; rates will need to be established. This gives a standardization due date across the state to comply with the new law.

Council Member Rodman stated that at one point there was talk of one government body collecting for everyone instead of multiple collections, and was this something similar.

Ms. Stephenson stated that once everyone has standardized, the data will be uploaded to fiscal affairs and all business licenses will be able to renew at state level and then the state would distribute the funds to the County.

Council Member Flewelling asked when in 2022 must this be completed.

Ms. Stephenson stated January 1, 2022.

Council Member Flewelling also asked if there was anything in this legislation that would prevent the County from lowering the rates.

Ms. Stephens replied that as of right now, yes. This is because the County's rates are the lowest in the state and right now the County must stay revenue neutral. Going forward the classes will change based on the IRS index change. They will fluctuate every two years.

Council Member Flewelling then enquired if there was a change in the taxable income.

Ms. Stephenson stated no, it is still calculated by gross income.

Committee Chairman Hervochon asked what type of business fell under class 8.

Ms. Stephenson provided examples such as; automobile dealerships, contractors, drinking establishments, pawnbrokers, junk/metal scrappers.

Committee Chairman Hervochon stated at some point he would like for the committee to discuss breaking out class 8 businesses.

Council Member Coverts questioned if unilaterally are the rates per unit higher and/or did they levy the tax.

Ms. Stephens responded that the rates did change a bit based on the MEGS index and those rates can be adjusted if Council chooses to do so after the first year.

Council Member Coverts asked what would happen if the County votes no to this Ordinance.

Ms. Stephenson stated that by law the County has to standardize and that the vote would be to include other municipalities within Beaufort County.

**Motion:** It was moved by Council Member Flewelling, seconded by Council Member Rodman to adopt the changes and approve the Beaufort County Business License Tax Standardization. The Vote: Unanimous without objection. The motion passed. 11:0.

#### **DISCUSSION ITEMS**

Update on the Internal Auditor- Raymond Williams, Interim Chief Financial Officer.

**Discussion:** Mr. Williams stated that representatives from Beaufort County met with Baker Tilly and Elliot Davis to discuss the scope of work needed to complete to internal audit. Both companies are still interested, they will work to provide Beaufort County updated pricing for their services. Bid should be ready by the next finance meeting.

#### **Update on State Accommodation Tax Awards.**

**Discussion:** Mr. Williams stated Beaufort County is awarding \$260,000 in State Accommodations Tax Funding. The awards will be substantially less than prior years due to unknown COVID 19 impacts. The State Tax Committee has twenty-seven applications totaling \$1.5 Million. The Committee is meeting on October 21<sup>st</sup> in Council Chambers to review applications and make recommendations to County Council for funding. The Tax Chairman will appear before the Finance Committee on November 16, 2020, to make recommendations.

#### Discussion on the RFP for State Accommodations Tax and Local Accommodations Tax to the DMO's and Chambers.

**Discussion:** Mr. Hayes stated the Finance Committee voted unanimously on September 21, 2020, to have an RFP for qualifying DMO's and Chambers. The County is in the process of preparing an RFP for the marketing services related to State Accommodations Tax and Local Accommodations Tax. GBCVB has already planned on using this money for marketing and would like some of it to be distributed and is the Finance Department is requesting the Council's guidance.

Committee Chairman Hervochon stated that an RFP was established and believes that it is something that needs to be followed through with but doesn't think at this particular point funding should be delayed.

Council Member Sommerville mentioned that GBCVB has been a continued vendor and are in their current fiscal year and are not being funded to do what they are needing to do and should at least give them half of the year.

Council Member Flewelling asked if there was something standing in the way from this money being released.

Mr. Hayes stated that there isn't anything standing in the way but the Finance Department didn't want to release any funds with an RFP in progress

Council Member Flewelling made a motion to go ahead and release the full years DMO money, Council Member Howard Seconded the motion.

Committee Chairman Hervochon stated this was a discussion item and did not require a motion.

Council Member Flewelling withdrew his motion.

Council Member Howard stated she agreed to fund the award for the full year and have the RFP ready to go for June.

Council Member Passiment mentioned that the DMO's and Chambers prepare their budget based on the idea of receiving these funds for the full year and support releasing the full funds.

#### **CAFR Audit Discussion**

**Discussion:** Mr. Williams stated there was a discussion with the audit partner for the engagement. Tentatively Mauldin and Jenkins should begin their fieldwork in mid-November. They project that best-case scenario that they could have a draft audit report by December 31. There are factors that could cause delay such as staff changes, and unknown COVID 19 issues.

Council Member Glover asked if the auditors were doing the audit virtually.

Mr. Williams stated that yes, they are trying to do as much as possible virtually due to COVID concerns.

#### **Update on Carryover Budget 2021 Expenditures.**

Mr. Williams stated that the DNA lab has requisitions and from his understanding that it is moving forward.

#### Discussion on real life savings due to pandemic.

**Discussion**: Committee Chairman Hervochon brought up this discussion due to the change in cost of operation due to the pandemic, which was mentioned by the School Board. He was wanting to inquire if the County had any such savings due to the decrease in operational expenses due to COVID.

CFO, Whitney Richland stated that she reached out to Ms. Crosby with the school district and the school district had savings due to the closing at the mid of last school year. Due to the freeze or deferring of expenditures they were able to provide substantial savings. Ms. Richland stated that she does not have a hard figure at the moment for the County and hopes to have an updated analysis at the net meeting.

Council Member Flewelling stated that he feels that because the County was still operational that there wouldn't be much savings except for utilities.

RE: Military Installation Resilience Project Local Match

Dear Ashley:

As you have heard, LCOG is pleased to announce that we are receiving a grant from the Department of Defense to do some work that is even more crucial now to the area than it seemed a short time ago.

We are embarking on a Military Installation Resilience project for Marine Corps Air Station Beaufort, Marine Corps Recruit Depot Parris Island, and the surrounding communities, of which you are a very important part.

The primary goal of the LCOG project is to determine what changes and improvements to the area's infrastructure are needed, and then how to feasibly and realistically implement those recommendations in order to ensure that MCAS Beaufort and MCRD Parris Island are able to continue their operations successfully. Although it may not be possible to contain natural disasters and long-term conditions such as sea level rise, it is possible to plan and make changes in physical structures and in procedures in order to safely accommodate and prevent damage, and even potential loss of mission, which could ultimately result in closure.

The total cost of this project will be \$475,128 of which the Defense Department's Office of Economic Adjustment will provide 90 percent. A local match of 10 percent, or \$47,513 is required. In the past Beaufort County, the City of Beaufort and the Town of Port Royal have together very generously contributed the 10 percent match for the OEA projects undertaken in the Lowcountry, and have also provided active guidance as members of the project Steering and Technical Committees.

# Serving Beaufort • Colleton • Hampton • Jasper Counties

We recommend the local match be divided with the County contributing 50 percent or \$23,757 and the City and Town each 25 percent, or \$11,878. Because the project is budgeted for 18 months, these amounts can be spread over two fiscal years.

We are looking forward to working with you on this timely and necessary project. If you have any questions, please contact me at 843-473-3974 or Stephanie Rossi, Planning Director, at 843-473-3958.

Motion to approve the local grant match for \$11,878.50 for the LCOG Military Installation Resilience Project Grant.

# RESOLUTION NO.

# A RESOLUTION CONTRIBUTING FUNDS TO MILITARY INSTALLATION RESILINCE PROJECT

**WHEREAS,** the Marine Corps Air Station Beaufort and Marine Corps Recruit Depot Parris Island are long standing and vital members of the Beaufort Community; and

WHEREAS, the Lowcountry Council of Governments is embarking on a Military Installation Resilience Project for the Marine Corps Air Station Beaufort and the Marine Corps Recruit Depot Parris Island and the surrounding communities the primary purpose of which is to determine what changes and improvements to the area's infrastructure are needed/recommended and how to implement those improvements in a feasible and realistic manner in order to ensure that both installations are able to continue their operations in Beaufort successfully; and

**WHEREAS**, the Military Installation Resilience Project is expected to last approximately 18 months and is anticipated to cost \$475,128, and

**WHEREAS,** the Department of Defense, Office of Economic Adjustment, has agreed to fund 90 percent of the cost and has asked local governments to fund the remaining 10 percent (\$47,513); and

**WHEREAS**, further the Lowcountry Council of Governments has asked Beaufort County to fund 50 percent (\$23,757) of the local match over the next two years and has asked the City of Beaufort and the Town of Port Royal to fund the balance over that same period.

PRESENTER INFORMATION:
Dick Farmer, Chairman, Accommodations Tax (State 2%) Board
20 minutes
ITEM BACKGROUND:
See attached.
PROJECT / ITEM NARRATIVE:
See attached.
FISCAL IMPACT:
State ATAX funds in the budgeted amount of \$260,000 will be awarded to grant applicants as per the attached. The Chairman of the State Accommodations Tax is requesting an additional \$240,000 in funding for a total amount to award for FY 2021 of \$500,000. The reasoning behind the increase is due to the first quarter payment from South Carolina was \$416,300 which was slightly less than the original \$425,000 budgeted for State A Tax revenues for the entire year. Finance staff believes State Accommodations tax revenue will be comparable to the amount received last FY of approximately \$800,000.
STAFF RECOMMENDATIONS TO COUNCIL:
Staff recommendation is to approve budgeted amount and the additional award of \$240,000.
OPTIONS FOR COLINCIL MOTION:

Motion to approve the distribution of the State ATAX funds as recommended by the Accommodations Tax

(State 2%) Board.

## PRESENTER INFORMATION:

Whitney Richland CFO

10 Minutes

# **ITEM BACKGROUND:**

During November 2019 the bank accounts were converted from BB&T to Wells Fargo. During the conversion eight highly complex bank accounts were combined into one bank account. Monthly reconciliations became increasingly difficult for staff to process on a timely basis. The issues were discussed with the County's current auditor and they recommended Holland, Bromley, Barnhill & Brett LLP. Holland and Bromley was engaged by the County Administrator to assist the Finance Staff with reconciliations through June 30, 2020 and they were to provide recommendations and best practices to avoid any issues in the future.

# **PROJECT / ITEM NARRATIVE:**

The project evolved into a much larger and complex engagement than originally intended. The County Administrator's threshold has been exceeded and an additional \$10,400 is needed to finalize the engagement. Currently Finance and the Treasurer are working together to make improvements to the system in order for an easier reconciliation process. The Treasurer will be opening new accounts in order to make the reconciliation process easier. Finance staff and Treasurer's staff are having weekly meetings to discuss and identify reporting issues. Preventative measures are being implemented so this does not recur.

#### **FISCAL IMPACT:**

Due to staffing vacancies, the \$10,400 could be allocated to the Finance Department's budget without exceeding the total budgeted amount for FY2021.

# STAFF RECOMMENDATIONS TO COUNCIL:

The Finance Committee may authorize expenditures under \$100,000. We recommend this expenditure be approved by the Finance Committee.

# **OPTIONS FOR COUNCIL MOTION:**

Motion to approve the additional expenditure of \$10,400 to complete the engagement.

# PRESENTER INFORMATION:

Whitney Richland

10 Minutes

# **ITEM BACKGROUND:**

On 11/06/2020 representatives from Debt Book software presented the software to the CFO and Finance Director. The software takes information on bond obligations, operating leases, and capital leases and allows the users to prepare complex analyses for the related information. The software will help with transaction posting, financial reporting, and transparency issues.

# **PROJECT / ITEM NARRATIVE:**

The software would be a significant help with the reporting of bond issuances. It would serve as a repository for bond documents, and lease documents. It will help with current disclosures for the CAFR. It will also be ready for the GASB 87 documentation.

# **FISCAL IMPACT:**

There is a \$3,000 fee for onboarding, then the first year would be free. The current fee for succeeding years would be \$12,000 and would be budgeted for in the FY 2022 budget.

# STAFF RECOMMENDATIONS TO COUNCIL:

Staff recommends that Beaufort County purchase this software.

# **OPTIONS FOR COUNCIL MOTION:**

Motion for the Finance Committee to approve the purchase of Debt Book Software.

# **CITIZEN COMMENT**

Comment from Facebook - Ann Ubelis - It is INSANITY to consider mail-in ballotting at this late date. There is no way you can comply with Federal Law and certify all ballots within the 35 days required. Thousands upon thousands of mail-in ballots will be discarded. Furthermore, how will you verify the the actual voter sent it in and how will you require a affirming signature as witness to the voter's signature? You are on a fools errand if you consider this. And what about complying with state laws and regulations? Will even they allow it?
