WHEREAS, the Contract includes additional costs to recycle material hauler and these additional costs cause a reduction in recycling material being properly processed; and

WHEREAS, the County desires to construct a Materials Recovery Facility (“MRF”) to gain a greater control of solid waste and recycling, and optimize efficient solid waste disposal, increase recycling tonnage, and collect organic composting materials, all of which have financial advantages to the County; and

WHEREAS, the Town of Hilton Head Island (“Town”) supports the County’s desires and intends to have its recycling materials sent to the County’s MRF once constructed and operational; and

WHEREAS, following construction of the MRF, the Town agrees to work with the County to procure contracts with single haulers in geographical areas of the Town, instead of multiple haulers, which would support the County’s goals to “optimize efficient solid waste disposal, increase recycling tonnage, and collect organic composting”; and

WHEREAS, the Town’s Convenience Center should be expanded to allow for the greater collection of residential single-stream recycled materials and to include organic materials, and allowing residential haulers serving the Town a place to off-load their trucks, further saving money by eliminating daily trips from the Town to the MRF; and

WHEREAS, a MRF and/or an improved and expanded Town Convenience Center would allow for more favorable terms in negotiating with single-stream recycling and organic waste haulers who would no longer have to make long, expensive and fuel consuming trips to the WM landfill or the MRF; and

WHEREAS, the County and Town believe by working cooperatively and with the same goals, the County and Town can successfully develop a viable long-term solid waste, recycling, and organic waste management strategy.

NOW, THEREFORE, BE IT RESOLVED, by Beaufort County Council, duly assembled, the County recommends working with the Town to achieve a viable, long-term solid waste, recycling, and organic waste solutions and as previously described herein.

MEETING NAME AND DATE:
Public Facilities and Safety Committee – February 27, 2023
PRESENTER INFORMATION
Jared Fralix, P.E. – Assistant County Administrator Dave Thomas, – Procurement Services Director (backup) (10 min)
ITEM BACKGROUND:
Public Works Fleet Management is requesting approval to replace asset-23214, 2008 Freightliner M2 Tractor Truck, VIN: 1FUNC5CV68HZ57546 with the Day-Cab Low-Boy Tractor 2024HX620.
PROJECT / ITEM NARRATIVE:
Asset No. 23214, 2008 Freightliner M2 Tractor Truck, has a blown motor and rendered obsolete to the Public Work’s General Support department. FISCAL IMPACT:
Fiscal impacts for FY23 are \$190,006.70. Funds will be used from account: 50000011-54000 to fund the Vehicle Purchase.
STAFF RECOMMENDATIONS TO COUNCIL:
Approve the transfer of funds to purchase a HX620 Tractor Truck as an emergency replacement of critically required equipment to support the Public Works General Support mission.
OPTIONS FOR COUNCIL MOTION:
Motion to approve/deny a budget transfer of \$190,006.70 to purchase the HX620 Tractor Truck. (Next Step – Upon approval, send to County Council for First Reading)
