## Staff Report

TO: Finance and Audit Committee
FROM: Jeff Mohlenkamp, Finance Director
DATE May 11, 2020
SUBJECT: Independent Auditor Selection

#### Background and Analysis:

The City Council has assigned the Finance and Audit Committee the responsibility to prepare a request for proposal (RFP) and to recommend an auditor for the City's financial statements.

For the past three years, the City has contracted with the Pun Group, LLP to perform both the independent audit of the City financial statements and to complete the review of internal controls and a single audit report. While the contract provides the option for two 1-year extensions, best practice for governmental entities is to secure competitive bids.

The Finance and Audit Committee assigned two members Baron Ginnetti (Chair) and Steve Cooley (Member) to work with staff on the preparation of an RFP and evaluation of responses. The other two members of the RFP committee were Jeff Mohlenkamp, Finance Director and Lisa Leach, Senior Accountant. The City issued an RFP on March 6, 2020. The RFP is included as Attachment A. Three CPA firms responded to the RFP as follows:

- Rogers, Anderson, Malody and Scott, LLP (RAMS)
- Eadie and Payne, LLP (Eadie and Payne)
- The PUN Group, LLP

After review and scoring of the RFP submissions, RAMS and Eadie and Payne were selected to move forward to an interview. Interviews were conducted on May 7, 2020. After deliberation, the RFP committee is recommending RAMS be selected as the next independent auditor for the City.

Contributing factors to the recommendation that RAMS be selected include the following:

- RAMS has direct expertise with many cities that are similar in size to Beaumont
- RAMS has strong local connections with headquarters in San Bernardino and many clients in the Inland Empire and surrounding areas.

- RAMS has a clear focus on governmental auditing and consulting with this constituting over 80% of their business activity
- RAMS was able to demonstrate a strong background in community financing districts, development impact fees and other areas very important to our City.
- RAMS provided the lowest bid price

While the other proposals were also solid and the firms very capable, the review Committee recommends RAMS as the selection for our next auditor.

#### **Fiscal Impact:**

There is no fiscal impact associated with this item.

#### **Recommended Action:**

It is recommended that the Finance and Audit Committee recommend that the City Council select RAMS as the next independent auditor for the City of Beaumont beginning with the audit of FY 2020.

#### CITY OF BEAUMONT REQUEST FOR PROPOSAL PROFESSIONAL AUDITING SERVICES

#### **INTRODUCTION**

The City of Beaumont is requesting qualified public accounting firms to submit proposals to audit the City's financial statements for the three (3) fiscal years beginning with the year ending June 30, 2020, with the option of extending the contract for two (2) additional one-year periods, at the City's sole discretion. These audits are to be performed in accordance with generally accepted auditing standards, *Governmental Auditing Standards* issued by the Comptroller General of the United States, and U.S. Office of Management and Budget (OMB) Circular A-133 *Audits of States, Local Governments, and Non-Profit Organizations*. Additional information is found in the Scopes of Services (Attachment II).

#### **Background Information**

The City of Beaumont is a general law city incorporated in 1912 currently serving a population of approximately 49,000, located in Western Riverside County. The City operates under a council-manager format of government which consists of a Mayor, Mayor Pro-Tem, three Councilmembers and the City Manager. The positions of Mayor and Mayor Pro-Tem are rotated among the elected Councilmembers. A City Clerk and Treasurer are elected positions, each for a four-year term.

In addition to its function as the governing body of the City, the City Council acts as the governing body for other separate entities: Beaumont Financing Authority, Beaumont Transit System, and Beaumont Utility Authority. The City's management also has custodial, accounting and financial reporting responsibilities for the Successor Agency to the City of Beaumont Redevelopment Agency. There is no requirement for separate financial reporting for these separate entities with one exception (Beaumont Transit System).

Official accounting records are on-site in the Finance Department, while some supporting information may be located in other departments within the City. Beaumont uses the Tyler Incode 10 accounting software and Tyler Incode 9 centralized cashiering system for receipts and sewer utility billing. Payroll is processed through Paychex. We are in the process of upgrading the cashiering system to Incode 10 and should be complete by June 30, 2020.

Relevant operational detail for conducting the independent financial audit is provided as follows:

1. The Finance Department consists of the Finance Director, and five (5) staff members responsible for accounting and financial reporting, budgeting, payroll, accounts payable, revenue recording, banking and treasury investment, purchase order and project accounting tracking. Revenues are collected at various locations throughout the City and recorded into Tyler Incode 9 by non-finance department personnel.

#### Item No.4.

- 2. City Funds and Account Groups are as follows:
  - a. General Fund (1)
  - b. Internal Service Funds (2)
  - c. Special Revenue Funds (9)
  - d. Debt Service Fund (1)
  - e. Capital Project Funds (17)
  - f. Enterprise Funds (7)
  - g. Agency Funds (4)
- 3. The City, organized into eight departments (Administration, Finance and Budget, IT, Risk and Human Resources, Community Development, Community Services, Public Safety, Public Works), provides a full range of municipal services. In addition, the City has component units including the Successor Agency, Beaumont Utility Authority, Beaumont Financing Authority, and Beaumont Transit System. Public Safety Fire services are contracted with Cal Fire, but Animal Control, Code Enforcement, Police and Dispatch are performed by City employees.
- 4. The City's total expected payroll for the year ended June 30, 2020 is approximately \$18 million, covering 143 budgeted full-time and part-time positions. The total municipal budget for the 2019-20 fiscal year is approximately \$60 million.

For further information, City's past two years AFRs' and current and last year adopted budget are located on the City's website at: <u>https://beaumontca.gov/921/Audits-and-Reports</u>

The PUN Group, LLC served as the City's auditor in the past years.

The CITY shall not be obligated to pay any invoice that is submitted more than sixty (60) days after the due date of such invoice. a. Determination that any hourly fee charged is consistent with this Agreement's approved hourly rate schedule;

b. Determination that the multiplication of the hours billed times the approved rate schedule dollars is correct;

c. Determination that each item charged is the usual, customary, and reasonable charge for the particular item. If CITY determines an item charged is greater than usual, customary, or reasonable, or is duplicative, ambiguous, excessive, or inappropriate, CITY shall either return the bill to CONTRACTOR with a request for explanation or adjust the payment accordingly, and give notice to CONTRACTOR of the adjustment.

4.04 If the work is satisfactorily completed, CITY shall pay such invoice within thirty (30) days of its receipt. Should CITY dispute any portion of any invoice, CITY shall pay the undisputed portion within the time stated above, and at the same time advise CONTRACTOR in writing of the disputed portion.

#### 5. <u>Obligations of CONTRACTOR</u>.

5.01 CONTRACTOR agrees to perform all Services in accordance with the terms and conditions of this Agreement and the Proposal. CONTRACTOR shall not make any reductions in scope of coverage (e.g. elimination of contractual liability or reduction of discovery period) that may affect CITY's protection without CITY's prior written consent.

7.06 CONTRACTOR agrees to provide immediate notice to CITY of any claim or loss against CONTRACTOR or arising out of the Services performed under this Agreement. CITY assumes no obligation or liability by such notice, but has the right (but not the duty) to monitor the handling of any such claim or claims if they are likely to involve CITY.

#### 8. <u>Indemnification</u>.

8.01 CONTRACTOR and CITY agree that CITY, its employees, agents and officials should, to the extent permitted by law, be fully protected from any loss, injury, damage, claim, lawsuit, cost, expense, attorneys' fees, litigation costs, defense costs, court costs or any other costs arising out of or in any way related to the performance of this Agreement by CONTRACTOR or any subcontractor or agent of either as set forth herein. Accordingly, the provisions of this indemnity are intended by the parties to be interpreted and construed to provide the fullest protection possible under the law to CITY. CONTRACTOR acknowledges that CITY would not enter into this Agreement in the absence of the commitment of CONTRACTOR to indemnify and protect CITY as set forth herein.

a. To the fullest extent permitted by law, CONTRACTOR shall defend, indemnify and hold harmless CITY, its employees, agents and officials, from any liability, claims, suits, actions, arbitration proceedings, administrative proceedings, regulatory proceedings, losses, expenses, damages or costs of any kind, whether actual, alleged or threatened, actual attorneys' fees incurred by CITY, court costs, interest, defense costs, including expert witness fees and any other costs or expenses of any kind whatsoever without restriction or limitation incurred in relation to, as a consequence of or arising out of, or in any way attributable actually, allegedly or impliedly, in whole or in part to the performance of this Agreement. CONTRACTOR's obligation to defend, indemnify and hold harmless shall include any and all claims, suits and proceedings in which CONTRACTOR (and/or CONTRACTOR's agents and/or employees) is alleged to be an employee of CITY. All obligations under this provision are to be paid by CONTRACTOR as they are incurred by CITY.

b. Without affecting the rights of CITY under any provision of this Agreement or this Section, CONTRACTOR shall not be required to indemnify and hold harmless CITY as set forth above for liability attributable solely to the fault of CITY, provided such fault is determined by agreement between the parties or the findings of a court of competent jurisdiction.

#### 9. <u>Additional Services, Changes and Deletions</u>.

9.01 In the event CONTRACTOR performs additional or different services than those described herein without the prior written approval of the City Manager and/or City Council of CITY, CONTRACTOR shall not be compensated for such services. CONTRACTOR expressly waives any right to be compensated for services and materials not covered by the scope of this Agreement or authorized by the CITY in writing.

CONTRACTOR is responsible for providing, at its own expense, disability, unemployment, workers' compensation and other insurance, training, permits, and licenses for itself and its

employees and subcontractors.

11.03 CONTRACTOR hereby specifically represents and warrants to CITY that it possesses the qualifications and skills necessary to perform the Services under this Agreement in a competent, professional manner, without the advice or direction of CITY and that the Services to be rendered pursuant to this Agreement shall be performed in accordance with the standards customarily applicable to an experienced and competent professional rendering the same or similar services in the same geographic area where the CITY is located. Further, CONTRACTOR represents and warrants that the individual signing this Agreement on behalf of CONTRACTOR has the full authority to bind CONTRACTOR to this Agreement.

At the CITY's sole discretion, CONTRACTOR may be permitted to retain original documents, and furnish reproductions to CITY upon request, at no cost to CITY.

12.02 Subject to applicable federal and state laws, rules and regulations, CITY shall hold all intellectual property rights to any materials developed pursuant to this Agreement. CONTRACTOR shall not such use data or documents for purposes other than the performance of this Agreement, nor shall CONTRACTOR release, reproduce, distribute, publish, adapt for future use or any other purposes, or otherwise use, any data or other materials first produced in the performance of this Agreement, nor authorize others to do so, without the prior written consent of CITY.

12.03 CONTRACTOR shall retain and maintain, for a period not less than four years following termination of this Agreement, all time records, accounting records and vouchers and all other records with respect to all matters concerning Services performed, compensation paid and expenses reimbursed. Any modification of this Agreement will be effective only if it is in writing signed by both parties.

13.06 CONTRACTOR covenants that neither it nor any officer or principal of its firm has any interest, nor shall they acquire any interest, either directly or indirectly, which will conflict in any manner or degree with the performance of their Services hereunder. CONTRACTOR further covenants that in the performance of this Agreement, no person having such interest shall be employed by it as an officer, employee, agent, or subcontractor.

13.07 CONTRACTOR has read and is aware of the provisions of Section 1090 et seq. and Section 87100 et seq. of the Government Code relating to conflicts of interest of public officers and employees. CONTRACTOR agrees that they are unaware of any financial or economic interest of any public officer or employee of the CITY relating to this Agreement. It is further understood and agreed that if such a financial interest does exist at the inception of this Agreement, the CITY may immediately terminate this Agreement by giving notice thereof. CONTRACTOR shall comply with the requirements of Government Code section 87100 et seq. and section 1090 in the performance of and during the term of this Agreement.

The CITY, by notice, may immediately terminate this Agreement if it determines that any improper consideration as described in the preceding sentence was offered to any officer, employee or agent of the CITY with respect to the proposal and award process of this Agreement or any CITY contract. This prohibition shall apply to any amendment, extension or evaluation process once this Agreement or any CITY contract has been awarded. CONTRACTOR shall immediately report any attempt by any CITY officer, employee or agent to solicit (either directly or through an intermediary) improper consideration from CONTRACTOR.

13.09 Severability. If any portion of this Agreement is declared invalid, illegal or otherwise unenforceable by a court of competent jurisdiction, the entire balance of this

Agreement not so affected shall remain in full force and effect.

## **Staff Report**

TO: Finance and Audit Committee
FROM: Jeff Mohlenkamp, Finance Director
DATE May 11, 2020
SUBJECT: FY 2020-21 Budget Preparation Status

#### Background and Analysis:

The City Council met on April 21, 2020, to receive an overview of the City's financial condition and the projected budget deficit for the upcoming fiscal year 2020-21. At that meeting the Council agreed with staff's plan to prepare budget reductions to balance the General Fund and Wastewater Fund budgets with a goal to limit the use of reserves.

On May 5, 2020, the City Council reviewed the FY 2020-21 budget that included the necessary budget reductions to balance the budgets. The Council agreed with the proposed reductions and directed staff to move forward with finalization of the budget for Council consideration and possible approval at the June 2, 2020, meeting.

Attached is the staff report and summary attachments that were considered by the City Council at the May 5, 2020, meeting.

## Staff Report

TO: Mayor and City Council Members
FROM: Jeff Mohlenkamp, Finance Director
DATE May 5, 2020
SUBJECT: FY 2020-21 Budget Discussion

#### Background and Analysis:

On April 21, 2020, the City Council reviewed the initial estimates of the General Fund and Wastewater Fund budgets for FY 2020-21. City Council affirmed basic assumptions regarding the negative impacts of the COVID-19 pandemic that should be incorporated into the revenue projections and directed that appropriate budgeting adjustments be made to achieve a balanced budget. City Council also affirmed that existing unobligated revenue balances remain untouched due to the fact that the full effects of the COVID-19 pandemic are unknown.

Attached to this report is a draft balanced budget which provides the City Council an initial review of reductions and their impacts.

#### **General Fund Budget Adjustments**

The projected General Fund deficit presented to City Council on April 21, 2020, for FY 2020-21 was \$2.8 million. Since that time, staff refined budget assumptions and cost recovery estimates and have revised that projected deficit to \$2.6 million. Management has developed a package of both personnel cost reductions and operating cost reductions that eliminate the \$2.6 million projected deficit as follows:

- Personnel Cost reductions \$ 1.6 million
- Operating Cost reductions <u>\$ 1.0 million</u>
   Total Reductions **\$ 2.6 million**

#### Personnel Cost Reductions

Management's overall objective was to maintain existing service levels to the greatest extent possible at the maximum level possible while minimizing the need to implement significant furloughs and lay-offs. In order to achieve this objective, the following strategies are recommended:

- Hold position vacancies:
  - Full Time (6 FTE):
    - Police Officers (4),
    - Maintenance Workers (2), and
  - Part Time (7.5 PTE):
    - Lifeguards (all part-time/seasonal).

These vacancies provide estimated annual savings of approximately **\$934,000**. It should be noted that sustaining vacancies in the Police Department where 4 of 29 officer positions are vacant, is a short-term solution designed to keep costs low while the City evaluates the breadth and depth of this economic recession.

- Reduce wage increases this entails reducing or freezing cost of living increases for staff resulting in estimated savings of **\$239,000**,
- Build in a health cost savings factor. Typically, the health cost budget assumes that each employee uses the maximum possible allocation (including spouse and children). This adjustment budgets at the actual estimated cost based upon true usage of health care plus 10%. The budgeted cost adjustment from this change is approximately \$416,000. Note this does not produce any actual savings, but instead is a budget balancing tool, and
- Staff is currently eligible for a reimbursement of \$50 per month for health related costs (gym memberships, etc.). Similar to the health insurance costs above, Staff has determined the savings resulting from the percentage of staff that do not use this benefit. While not a true cost savings, this lowers this portion of the budget by **\$50,000**.

Total budgeted expense reductions from personnel cost adjustments is **\$1,639,000**. This provides for essentially a flat personnel budget for the General Fund.

#### **Operating Cost Reductions**

Each department reviewed its operating budget to identify reductions that could be completed with the least impact on service delivery. The City Manager placed an

emphasis on reductions that would not immediately degrade the ability to perform the existing duties and responsibilities. Reductions vary by department as each department head evaluated options carefully and made specific recommendations based upon their individual service delivery model.

Overall operating cost reductions are approximately 6.5% of the initial budget submission. The reductions total **\$923,000**.

While care has been taken to recommend reductions that will have the least impact on service delivery, it is impossible to make expense reductions at this level without incurring service reductions or delays. A high-level summary of the budget that demonstrates the impacts of expense reductions on the General Fund is included as Attachment A.

Operating cost reductions focus primarily on 4 major areas:

- Reduction in use of contractual services this involves having staff perform some functions currently performed by outside contractors and the reduction of some service levels.
- Reduction in plan check and inspection costs this represents a reduction in the need for outside parties to assist the City in performing inspections and plan checks related to development activity. Part of this reduction results from projected reduction in development activity. The other part of this is the City's intention to complete more of this work internally and rely less on outside vendors.
- **Reduction in utilities** staff is projecting lower utility costs. This is driven by lower usage of facilities in the first quarter of FY 2021 and in estimated decreases in fuel costs.
- **Travel/ training** staff has reduced training and travel and will rely almost exclusively on training that is provided online and cheaper alternatives.

A summary schedule for each department demonstrating the operating cost reductions is included as Attachment B.

The reductions made to personnel and operating costs are sufficient to address the projected budget deficit. If these reductions are completed, General Fund reserves will not be required to balance the budget.

#### Wastewater Fund Budget Adjustments

After further evaluation, Staff has adjusted expected sewer rate fees up from \$10.2 million to \$10.8 million. This is due to growth incurred during the second half of FY 2020 and growth (residential and commercial) expected during FY 2021. Due to this adjustment, staff has added in capital costs estimated at \$200,000 that had been deleted from the initial budget submission. This will allow for completion of the first phase of the Inflow and Infiltration Rehabilitation Project that has become necessary and is included as a project within the proposed capital improvement project budget.

The estimated transfer from development impact fees to support debt service payments has been reduced from \$700,000 to \$280,000. This is a positive development as programmed use of DIF for debt service has been significantly reduced.

A revised budget summary for the Wastewater Fund is included as Attachment C.

#### Fiscal Impact:

There is no fiscal impact associated with this item.

#### **Recommended Action:**

Review the revised budgets for the General Fund and the Wastewater Fund Provide guidance to Staff regarding proposed budget reductions Identify any changes required in the General Fund and Wastewater Fund budget prior to finalization.

The Wastewater operating fund is a relatively new operation to the City as it was contracted out in the past. Capital costs and repairs have been significant and the true costs of operating the system are still being determined. The budget and actual for FY 2020 provides that \$1 million of debt service was paid using development impact fees (DIF). This process will be followed again for FY 2021, with the transfer for debt service payments reduced to the amount of \$180,000. Without this transfer the fund would have a deficit of approximately (\$180K). The City plans to re-evalutate rates and will have a better undertstanding of operating costs by the end of FY 2021. This will allow the development of a plan to move away from using DIF to support debt payments, which is not sustainable in the long term.
