### **Urban Residential- Conditional District (NR-CD) 05-2024| North 12th Street | Parkview Commons**

City Manager Josh Ross informed the Board that this rezoning request was tabled at their last meeting in January 2025. Kenny Draffen of Bluepoint Properties, LLC is requesting a rezoning application for a 9.8-acre parcel of land currently zoned Neighborhood Residential (NR) to Urban Residential- Conditional District (UR-CD). The intent of the property owner is to develop this site as a Major Subdivision, Parkview Commons (41 multifamily townhomes).

Light discussion was held amongst the engineer and Board members regarding new additions to the project. Per the developer, new schematics had been included for the board’s review. Additionally, Mr. Draffen stated that 23 parking spaces have been added. Now all homes will feature 1 vehicle in the garage, and 2 on the parking pad by the home. City Planner, Jamie Watkins also provided information about how to calculate density and design standards that could and could not be regulated by the zoning board.

Additionally, the board discussed the purpose and need for relief from setback requirements.

By motion of Bryan Hoffman and 4-2 vote, with Pamela Gladney and Wendy Burgess in opposition, the rezoning request was recommended to be presented to City Council for consideration at their next Regular Meeting. The recommended areas of relief and conditions are:
