Proposed Zoning Ordinance Amendment - Medical Marijuana

The proposed ordinance amends the zoning ordinance to add provisions and regulations for Medical Marijuana Facilities. The definition section now includes definitions for an “Academic Clinical Research Center”, “Medical Marijuana Dispensary” and “Medical Marijuana Grower/Processor”. It also includes a statement that that all definitions in the Medical Marijuana Act, Act 16 of 2016, are incorporated by reference. The ordinance would permit a Medical Marijuana Dispensary (under 4,000 square feet) in the C-1 zone, Academic Clinical Research Centers in the C-2, C-3 and C-4 zones, and Medical Marijuana Grower/Processors in the MLI zone.
