CITY COUNCIL HYBRID MEETING MINUTES

Wednesday, February 5, 2025

The weekly meeting of the City Council of the City of Bremerton was called to order Wednesday, February 5, 2025, at 5:00 PM in Council Conference Room 603 of the NORM DICKS GOVERNMENT CENTER, 345 6th Street, Bremerton, Washington, with Council President Eric Younger presiding. Council Members present were Anna Mockler, Michael Goodnow (5:30 PM remotely), Jane Rebelowski, Jeff Coughlin (5:30 PM), Denise Frey, and Jennifer Chamberlin. At 5:30 PM, the meeting moved to the First Floor Meeting Chambers. Also present were Assistant City Attorney Brett Jette; City Clerk Angela Hoover; Legal Assistant Lindsey Vector; Legislative Assistant Christine Grenier; and IT Manager Dave Sorensen.

President Younger announced the City Council is conducting the Council Meeting in-person, and because community involvement is encouraged, the public is invited to also join the meeting in person, or participate via a remote option through Zoom or view on BKAT; and that tonight's agenda was amended 1) to add Item 4K under the Consent Agenda which has since been moved to General Business and 2) to add an Executive Session under Item 9A .

MAYOR'S REPORT – *Mayor Wheeler provided highlights of the following:*

- City of Bremerton's Inclement Weather Response
- Well 7A Drilling Project
- Read a statement in response to community concerns regarding the Executive Order that may directly impact grant funding and the recruitment of the Diversity, Equity, and Inclusion (DEI) Position; and will provide an update to Council at the February 12 Study Session.

CONSENT AGENDA

- 4A –** Check Numbers 409739 through 409980 and Electronic Fund Transfers V42637 through V42820 in the grand total amount of \$7,114,816.52; Regular Payroll Payout for pay period ending December 31, 2024 in the amount of \$47,151.65; Regular Payroll for pay period ending January 15, 2025 in the amount of \$1,888,462.56; Regular Payroll Correction for pay period ending January 15, 2025 in the amount of \$3,848.27; Regular Payroll Payout for pay period ending January 15, 2025 in the amount of \$4,292.15; and Retiree Payroll for pay period ending January 31, 2025 in the amount of \$38,133.64.
- 4B –** Minutes of Meeting – January 15, 2025
- 4C –** Minutes of Study Session – January 22, 2025
- 4D –** Approval for Fire Department to apply for FEMA Assistance to Firefighter Grant
- 4E –** Approval for Police Department to apply for Edward Byrne Memorial Justice Assistance Grant
- 4F –** Agreement with Schneider Water Services for the Well 9A Drilling Project
- 4G –** Contract Modification No. 6 with Parametrix, Inc. for Engineering Services during Construction of Kitsap Lake Park Renovation Project
- 4H –** Contract Modification No. 3 with Parametrix, Inc. for Engineering Services during Construction of Haddon Park Renovation Project
- 4I –** Amendment No. 3 to Claims Administration Agreement with Helmsman Management Services LLC dba Eberle Vivian, Inc.
- 4J –** Ordinance No. 5507 to amend BMC Chapter 2.09 relating to the Department of Financial Services

4K – ~~Confirm Appointment of Mike Miller to the Planning Commission~~ *Moved to General Business*

Questions or comments from the public were submitted by Mike Simpson (Item 4H); Mary Lou Long (Items 4G & 4H); with a response provided by Parks & Recreation Director Tim Barker.

5:43 PM M/S/C/U (Chamberlin/Mockler) Move to approve the CONSENT AGENDA as presented.
Motion carried unanimously.

President Younger announced that as indicated on the Agenda, Public Recognition provides an opportunity for attendees to address the Council on any issue not already on tonight's Agenda, and there will be no public comments accepted via Zoom, unless prior arrangements were made through the City Clerk by calling (360) 473-5323 at least 24-hours prior to the meeting. We only ask that you state your name for the record and please limit your comments to 3-minutes or less. A timer system will be used so that everyone is treated fairly.

PUBLIC RECOGNITION – *Questions and comments from the public were submitted by Martitha May; Promise Partner; Adrian Wright; Sarah van Gelder; Allister James; Hanna Address; Kyle Simons; Ms. Levine; Jo Walter; Zann Jacobbrown; Joslyn Snow; Debby Haase; Claire Menard; Mary Lou Long; Lance Byrd; Alden Bradford; Mike Simpson; Roy Runyon*

PUBLIC HEARING

6A – ORDINANCE NO. 5508 TO CORRECT LEGISLATIVE MARKUP ERRORS IN ORDINANCE

NO. 5506: Planning Manager Garrett Jackson summarized that on December 18th, 2024 the City Council held a public hearing and adopted Ordinance No. 5506 related to BMC Title 20 permit procedures. Since that time clerical errors have been identified in the legislative markup of the adopted ordinance. The attached ordinance amends only the portions of Ordinance No. 5506 in need of correction, not the entirety of the Ordinance.

President Younger explained the purpose of this Public Hearing is to accept public comment.

With no further questions or comments received, President Younger closed the hearing to the public.

6:09 PM Motion was made by Mockler; and seconded by Chamberlin.

Questions and comments were provided by Mockler; With a response provided by Mr. Jackson.

6:40 PM M/S/C/U (Mockler/Chamberlin) Move to pass Ordinance No. 5508 to correct clerical errors found in Ordinance No. 5506 related to BMC Title 20 permit procedures. ***Motion carried unanimously***

City Clerk Angela Hoover announced the change in item order...

GENERAL BUSINESS

7A – CONFIRM APPOINTMENT OF MIKE MILLER TO THE PLANNING COMMISSION: Mayor

Wheeler is seeking confirmation for the appointment of Mike Miller to Position 3 of the Planning Commission. This appointment is proposed for the remainder of the current term (December 31, 2027). This appointment is proposed to fill the vacancy left due to a resignation of a Commissioner that moved out of the City.

The selection of Mr. Miller to serve on the Commission was arrived at after a wide advertisement seeking volunteers and interview invitation of all candidates that were City residents.

There were no comments from the public.

6:42 PM Motion was made by Frey; and seconded by Younger.

Questions and comments were provided by Frey, Rebelowski, Coughlin, Mockler, Younger; With responses provided by Mayor Wheeler, Community Development Director Andrea Spencer, President Younger, and Mr. Miller.

6:49 PM M/S/C/U (Frey/Younger) Move to confirm the appointment of Mike Miller to Position 3 of the Planning Commission with term date of December 31, 2027. ***Motion carried unanimously***

7B – SUPPLEMENTAL AGREEMENT NO. 4 WITH HDR ENGINEERING, INC. FOR THE NAVAL AVENUE: 1ST STREET TO 15TH STREET PEDESTRIAN & BICYCLE ENHANCEMENTS

PROJECT: Engineering Project Manager Vicki Grover explained that in December of 2019, the City executed a contract (#6063) with HDR for the design of the Naval Ave: 1st Street to 15th Street Pedestrian and Bicycle Enhancements Project in the amount of \$614,400. Supplement No. 01 through No. 03 have been executed; extending the contract term to December 31, 2026, and increasing the contract value to \$853,324. This proposed Supplement No. 4 is for the Right Of Way Phase of the project; scope of work is for time and expenses related to Real Estate Services. These work tasks include but are not limited to, services to support property acquisition and documentation, extension of time for project management and design services to incorporate changes from Right of Way acquisition. This Supplement will increase the contract amount by \$1,460,952 (Total \$2,314,276) and extend the contract term to December 31, 2030. In addition, the contract amount for this Supplement also includes escalation costs from 2020 to 2024 for HDR and 3 sub-consultants.

Questions and comments from the public were received by Mark Layton, Jessica Torez-Riley, and Christopher Lux.

7:03 PM Motion was made by Goodnow; and seconded by Younger.

Questions and comments were provided by Goodnow, Rebelowski, Coughlin, Chamberlin, Frey, Mockler; With responses provided by Ms. Grover.

7:12 PM M/S/C (Goodnow/Younger) Move to approve Supplemental Agreement No. 4 with HDR Engineering, Inc. for the Naval Ave: 1st Street – 15th Street Pedestrian and Bicycle Enhancements Project; and to authorize the Mayor to finalize and execute the agreement with substantially the same terms and conditions as presented.

Voted in Favor of Motion: Rebelowski, Goodnow, Mockler, Chamberlin, Coughlin, Younger

Voted Opposed to Motion: Frey

Motion Carried: 6-Yes; 1-No

COUNCIL MEMBER REPORTS

Jennifer Chamberlin invited members of the community to the next District 1 Community Meeting for a Presentation from new Parks Director Tim Barker on the “Stephenson Canyon ~ The Hidden Gem of District 1” on Tuesday, February 18, 2025 from 5:30 to 7:00 PM at Heathens Bakery; and announced the Warren Avenue Bridge Clean Up events would start again February 15th, and then every 3rd Saturday of the month, with volunteers meeting at Caffe Perfetto at 8:30 AM; acknowledged comments made tonight and looked forward to continuing a commitment to DEI; and hoped to address pedestrian safety issues on Pine Road.

Denise Frey was excited about plans for the View Ridge Elementary School that were shared

during a recent Open House; emphasized the importance of “staying in your lane” ;and hoped that communication between Council and the Administration would be civil and respectful.

Jeff Coughlin also thanked everyone who spoke tonight; emphasized the importance of stability and clear communication between the Mayor and Council; welcomed at least 2 fellow Council Members to work with him on a statement in support of equity and inclusion; and announced a Volunteer Summit on Sunday, February 23 from 1:00 to 3:00 PM at the Roxy Theatre.

Jane Rebelowski was disappointed that people who commented against DEI did not stay to hear responses from Council or they could have had an opportunity to clarify their comments; and hoped that Bremerton Police Department can reissue their policy (and translated) so the community can be assured in this difficult time.

Michael Goodnow emphasized that DEI is what brings us together and during this pause we will figure this out; and provided his support for a statement to the immigrant community.

Anna Mockler asked constituents to submit their 3 top issues or concerns; announced the next District 6 Townhall Meeting on Monday, February 10 beginning at 5:00 PM at the Bremerton Public Works Facility located at 100 Oyster Bay Avenue North and the program will include a Status Update on the Hybrid Shelter from guest speaker Joe Crain of the Affordable Housing Consortium; acknowledged comments made tonight; looked forward to a discussion on DEI at the next Study Session; thanked President Younger for his commitment to the 1st Amendment during Public Recognition; and encouraged anyone in need may take a Kitsap Transit Bus to a Winter Weather Shelter.

Eric Younger clarified that as Council President he would continue to ensure the process to hear public input would be respectful; and that information and perspectives would be considered before moving forward.

EXECUTIVE SESSION

At 7:41 PM, **President Younger** announced the Council would meet for 5-minutes to discuss to discuss “Pending Litigation” pursuant under RCW 42.30.110 (1) (i), and that no action was anticipated...

President Younger called the meeting back to order at 7:47 PM.

President Younger announced that following adjournment, the Council would be meeting for an “Exempt Closed Session to Discuss Labor Negotiations as allowed under RCW 42.30.140(4)(b)”. He also announced the Annual Joint Planning Session with Mayor Wheeler and Department Directors on Saturday, February 8 from 9:00 AM to 3:30 PM at Gold Mountain Golf Course; and the next Study Session on Wednesday, February 12 beginning at 5:00 PM in the Council Conference Room. The public is welcome to attend these meetings in-person or remotely via Zoom, but there will be no opportunity to comment and no action will be taken.

With no further business, **President Younger** adjourned the Council Meeting at 7:48 PM.

CITY COUNCIL STUDY SESSION MINUTES

Wednesday, February 12, 2025

A Study Session of the City Council of the City of Bremerton was called to order on Wednesday, February 12, 2025 at 5:00 PM in Council Conference Room 603 located in the Norm Dicks Government Center at 345 6th Street, with Council President Eric Younger presiding. Other Council Members present were Jennifer Chamberlin, Denise Frey, Jeff Coughlin, Jane Rebelowski, Michael Goodnow, and Anna Mockler. Legislative Assistant Christine Grenier provided staff support.

President Younger announced that Study Sessions are always open for the public to attend in-person or view remotely, and that any of the items approved for action by the Council tonight will be placed on the February 19, 2025 Council Meeting Agenda (or as otherwise determined); and that tonight's agenda was amended to add Item A1 under Information Only Briefing.

It was further established that questions or comments by the public may be submitted on any item at any time by email to City.Council@ci.bremerton.wa.us. And reminded everyone that audio recordings will be available online within a few days following the meeting.

A. **INFORMATION ONLY BRIEFING**

1. Update on Executive Order Impacts to City Operations – Mayor Greg Wheeler; City Attorney Kylie Finnell; and Financial Services Director Mike Riley

B. **AGENDA BILL BRIEFINGS**

1. Purchase of 2025 Excess Workers' Compensation Insurance from Safety National Casualty Corporation **Consent Agenda**
2. Conservation Grant Agreement with Puget Sound Energy for LED Retrofit Phase 3 & 4 **Consent Agenda**

C. **INFORMATION ONLY PRESENTATIONS**

1. Update on the 2026 – 2030 CDBG/HOME Consolidated Plan Process **General Business**
(A presentation will be provided at the February 12, 2025 City Council Meeting to receive Public Comment only with no action by the Council)
2. Overview of 2024 Comprehensive Plan Transportation Element **General Business**
(A presentation will be provided at the February 12, 2025 City Council Meeting to receive Public Comment only with no action by the Council)

President Younger called a break from 6:30 to 6:42 PM.

D. **GENERAL COUNCIL BUSINESS**

1. Review 2025 Legislative Priorities prior to AWC Action Days Conference on February 19 & 20 – Council President Eric Younger
2. Briefing on February 8 Joint Planning Session – Council President Eric Younger
Council Goals & Priorities discussion continued to February 26 Study Session
3. Discussion on a Proposal to amend BMC Title 20 to expand Public Notice on Land Use Action – Council Member Anna Mockler **Continued to a future Study Session to be determined**
4. Audit Committee Briefing (Last Meeting 1/27/25) – Chair Anna Mockler
5. Finance, Invest & Parking Committee Briefing (Last Meeting 1/28/25) – Chair Jeff Coughlin
6. Public Safety Committee Briefing (Last Meeting 2/6/25) – '24 Chair Denise Frey

At 7:53 PM, due to appearance of fairness, Council Members Jeff Coughlin and Michael Goodnow recused themselves from the following discussion...

7. Lodging Tax Advisory Committee Briefing (*Last Meeting 2/7/25*) – Chair Jennifer Chamberlin
Recommendations to be presented at February 26 Study Session

At 8:05 PM, Council Members Jeff Coughlin and Michael Goodnow returned...then due to appearance of fairness, recused themselves at 8:17 PM and returned at 8:20 PM...

8. Regional and Other Committee/Board Briefings
9. Other General Council Business was discussed.

President Younger announced the next Council Meeting will be on February 19, 2025 beginning at 5:30 PM in the First Floor Meeting Chambers of the Norm Dicks Government Center. He further established that the public is invited to attend in person or remotely, but anyone wishing to speak during Public Recognition via Zoom must submit their request through the City Clerk by calling (360) 473-5323 at least 24-hours prior to the meeting.

With no further business, the Study Session was adjourned at 8:29 PM.

Purchase of 2025 Excess Workers'
Compensation Insurance with Safety
National Casualty Corporation

Study Session Date:	<u>February 12, 2025</u>
COUNCIL MEETING Date:	<u>February 19, 2025</u>
Department:	<u>City Attorney's Office / Risk Management</u>
Presenter:	<u>Kylie Finnell / Melisa Folmer</u>
Phone:	<u>(360) 473-5302</u>

SUMMARY: The Bremerton Municipal Code authorizes the Risk Management Specialist, with the approval of the City Attorney, to bind insurance and requires City Council approval for the continuation of any bound coverage that exceeds an annual premium of \$25,000. Excess Workers' Compensation for 2025 has been bound with Safety National Casualty Corporation at an annual premium of \$150,523. The self-insured retention ("SIR") for first responders is \$1,000,000 and for all other employees \$500,000. There are no changes in retentions from last year. The only change is the insurance carrier (prior insurance carrier was Midwest Employers Casualty Company).

COUNCIL MEETING Date: February 19, 2025

Department: Public Works

Presenter: Ron Moore

Phone: (360) 473-5333

SUMMARY:

In 2022 Puget Sound Energy (PSE) and the City of Bremerton entered into an agreement for PSE to convert streetlights to LED lighting for the entire City. The project was broken into fifteen phases and originally planned to take up to fifteen years to complete. Due to a change in the Tariff agreement with PSE the costs have dramatically reduced, such that the grants are currently covering nearly 100% of the conversion costs.

These grant agreements are for Phases Three and Four which were completed in late 2024. The invoice from PSE for the project in Phase Three was \$1,862.96, and the grant will pay \$1,862.00 for a net cost to the City of \$0.96 for the 92 lights. The invoice from PSE for the project in Phase Four was also \$1,862.96 and the grant will also pay \$1,862.00 for a net cost to the City of \$0.96 for those 81 lights.

Phases five, six and seven are expected to be completed in early 2025, and staff are working with PSE to try to expedite the full conversion.

ATTACHMENTS:

Street Lighting Conservation Grant Agreement #3 Project P_1511687
Street Lighting Conservation Grant Agreement #4 Project P_1509755
Project Map

FISCAL IMPACTS (Include Budgeted Amount): City of Bremerton funded amount is \$20,000 per year from the REET funds that have been set aside for the project. Phase three and four were completed for \$3,725.92 and the grant will reimburse \$3,724.00 for a net cost of \$1.92.

STUDY SESSION ACTION: ☒ Consent Agenda ☐ General Business ☐ Public Hearing

RECOMMENDED MOTION: Move to approve conservation grant from Puget Sound Energy and authorize the Mayor to finalize and execute the agreement with substantially the same terms and conditions as presented.

COUNCIL ACTION: ☐ Approve ☐ Deny ☐ Table ☐ Continue ☐ No Action

Conservation Program: **Business Lighting**
Agreement No.: **1**
Project No.: **P_1511687**

CONSERVATION GRANT AGREEMENT

This AGREEMENT is made this 31 day of December, 2024, by and between **PUGET SOUND ENERGY** ("PSE") and **CITY OF BREMERTON** ("Participant").

RECITALS

- A. Under PSE's Electric Schedule 83 and Gas Schedule 183, as currently in effect and on file with the Washington Utilities and Transportation Commission (collectively, "Tariffs"), PSE offers grants for certain conservation measures installed or implemented at facilities that receive electric or natural gas service from PSE.
- B. Participant intends to install or implement conservation measures and is requesting a grant from PSE.

AGREEMENTS

PSE and Participant agree as follows:

1. **PROJECT PREMISES/METER LOCATION ADDRESS: LED PHASE 3 ST LIGHTS BREMERTON WA 98310 - CITY OF BREMERTON PHASE 3 - POLE SERVICES** *(Please note: meter location/address may differ from the site mailing address)*. Participant will install or implement the conservation measures listed in paragraph 2 ("Conservation Measures") at the above located facilities (the "Premises"). Participant represents either (a) that it is the owner or otherwise has the lawful authority to make the statements herein on behalf of the owner of the Premises, or (b) that it is the lawful tenant of the Premises and that it has obtained written authorization from the owner of the Premises.
2. **Conservation Measures.** Participant represents that it will purchase equipment or materials or has entered or will enter into an agreement with one or more contractors (the "Contractor") for the purchase and installation or implementation at the Premises of the Conservation Measures which may be detailed in **Attachment C: Attachment to Conservation Grant**, at the following costs:

	Conservation Measures	Measure Life	Total Cost	Eligible Grant
1.	Lighting - Street - Custom	20	\$1,862.00	\$1,862.00
	TOTAL (includes sales tax)		\$1,862.00	\$1,862.00

Participant represents that the total cost of the Conservation Measures is the net amount of its obligation with respect thereto.

3. **Grant.** Upon the execution by all parties and PSE's receipt of this Conservation Grant Agreement within **90 days** of the agreement date, PSE agrees to grant the Participant, after installation by Participant and confirmation by PSE of the Conservation Measures, an amount equal to the Eligible Conservation Grant ("the Grant") set forth in Attachment C.
- The parties agree that the Conservation Measures must be installed and the Grant paid **within 12 months** for projects saving less than 100,000 kWh or **24 months** for projects saving 100,000 kWh or more of the signing of this Conservation Grant Agreement. Savings are shown on Attachment C-Lighting Installations.
- If for any reason the installed cost of the Conservation Measures is less than the amount shown above and on Attachment C-Lighting Installations, PSE may decrease pro rata the amount of the Grant. The Participant shall be responsible for paying any amount in excess of the amount of the Grant.
4. **Separate Contract.** Participant acknowledges and agrees that PSE is not, and shall not be deemed to be, a party to any purchase or installation contract relating to Conservation Measures, which shall be installed pursuant to a contract between Participant and its Contractor(s). Participant expressly acknowledges that PSE's involvement with respect to any aspect of the Conservation Measures is limited to the furnishing of the Grant. **PSE HAS NOT MADE AND DOES NOT MAKE (AND PARTICIPANT ACKNOWLEDGES THAT PSE DOES NOT MAKE) ANY IMPLIED OR EXPRESS WARRANTY (INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS) REPRESENTATION, OR PROMISE WITH RESPECT TO EITHER (A) THE CONSERVATION MEASURES, (B) ANY MATERIALS AND LABOR REQUIRED FOR OR USED IN THE INSTALLATION OF THE CONSERVATION MEASURES, OR (C) THE INSTALLATION OF THE CONSERVATION MEASURES.**
5. **Final Cost Documentation, Access & Inspection:** Participant agrees to promptly provide PSE, upon request, and for a period no shorter than the longest applicable measure life: (1) documentation verifying equipment purchased and/or work performed in connection with the Conservation Measures installed; (2) reasonable access to and inspection of the Facility and Conservation Measures installed therein before, during and/or after implementation; and (3) reasonable access to, inspection and use of energy usage data related to the Conservation Measures including release of utility bills and Facility energy consumption information following implementation.
6. **Release.** Participant releases PSE from any and all claims, losses, harm, costs, liabilities, damages and expenses directly or indirectly resulting from or in connection with (a) the Conservation Measures, (b) any materials and labor required for or used in the installation of the Conservation Measures, (c) the installation of the Conservation Measures, or (d) the identification, handling and disposal of any associated hazardous waste materials.
7. **Disclaimer.** PSE conducts energy analyses at the request of its customers to determine the extent to which conservation measures are cost-effective. Any estimate of energy savings made by PSE in connection with any such analyses is solely for the purpose of determining the cost-effectiveness of the particular conservation measures and not to be used for any other purpose. PSE has not and does not make any promise, warranty or representation with respect to any savings in energy consumption from Conservation Measures.
8. **Termination.** In the event a Participant's contribution to PSE's recovery of energy efficiency program costs is affected by all or a portion of Participant's electric and/or gas delivery service being provided by a party other than PSE, then Participant shall refund to PSE an amount equal to the ratio of the unused Measure Life of the measure(s) to the total Measure Life of such Conservation Measure(s) multiplied by the dollar amount of the Grant with respect to such Conservation Measure(s).
9. **Incorporation of tariffs by reference.** This Agreement and the *Attachment To Conservation Grant* are subject to the terms of the Tariffs, incorporated herein by reference. Specific terms and conditions from one or more conservation schedules from similar filed tariffs may also apply, as determined by PSE at its sole discretion, based on various criteria. A complete list of conservation schedules is available at:

https://www.pse.com/-/media/Project/PSE/Portal/Rate-documents/Electric/elec_sch_250.pdf

Conservation Program: **Business Lighting**
Agreement No.: **1**
Project No.: **P_1511687**

10. **Entire Agreement.** This Agreement and its attachments set forth the entire agreement between the parties and supersede any and all prior agreements with respect to the Conservation Measures. No change, amendment or modification of any provision of this Agreement shall be valid unless set forth in writing and signed by both parties.

ATTACHMENT C TO CONSERVATION GRANT

Conservation Measure(s) shall consist of the following:

This project shall implement the Business Standard Lighting project defined in the attached "Grant Attachment C - Lighting Installations" of the PSE Business Lighting Incentive Program Application.

At a minimum the project shall follow these specifications:

- 1) LED Fixtures and Lamps: All Fixtures and Lamps must be UL or ETL listed, have a Power Factor 90% or greater, and have a Manufacturer's Warranty of five years or greater. Data shall be listed on the required manufacturer's specification sheet and the sheet shall include the Total Input watts (LED module plus driver) of the fixture or lamp.
- 2) Advanced Controls (LLLC, NLC & AELC): All Advanced Controls are defined and shall meet the requirements listed on the Terms page of the Lighting Application. All Advanced controls shall be approved by PSE prior to installation.

The above specifications are solely for the purpose of defining energy-related components of Conservation Measure(s) for which the Grant is offered. Puget Sound Energy is not responsible for ensuring the health, safety, comfort, or well-being of workers or facility occupants or the suitability of equipment selected for the intended application. It is the responsibility of the grant Participant and the Participant's hired designers, contractors, consultants to ensure compliance of the Conservation Measure(s) with Participant's needs and all applicable codes and standards.

The following shall be submitted by Participant prior to Grant payment:

- ☒ Completed Request for Taxpayer I.D. Number ("W-9").
- ☒ Copies of invoicing (no purchase orders, quotes, or estimates) for all expenses, including but not limited to equipment, materials, and labor associated with installation of Conservation Measure(s).
- ☐ Other (specify):

ATTACHMENT C TO CONSERVATION GRANT

Conservation Measure(s) shall be verified as follows prior to Grant payment:

PSE shall conduct the following as the verification process:

- 1) A final site visit may be conducted by a PSE Representative to verify as built fixture types and quantities. PSE reserves the right to conduct onsite verifications for Projects with 25,000 kWh or less.
- 2) Projects may require additional back-up documentation as requested by PSE Representative.
- 3) All Advanced Controls shall require an onsite verification after the controls are installed and operational for at least 30 days.

If intended energy savings are not being achieved by Conservation Measure(s) because specified equipment efficiency parameters or performance parameters defined above are not used, Participant shall be required to correct such deficiencies prior to Grant payment. Failure to comply with specified equipment efficiency or performance parameters may result in forfeiture or reduction of Grant payment.

CONSERVATION GRANT AGREEMENT

This AGREEMENT is made this 31 day of December, 2024, by and between **PUGET SOUND ENERGY** ("PSE") and **CITY OF BREMERTON** ("Participant").

RECITALS

- A. Under PSE's Electric Schedule 83 and Gas Schedule 183, as currently in effect and on file with the Washington Utilities and Transportation Commission (collectively, "Tariffs"), PSE offers grants for certain conservation measures installed or implemented at facilities that receive electric or natural gas service from PSE.
- B. Participant intends to install or implement conservation measures and is requesting a grant from PSE.

AGREEMENTS

PSE and Participant agree as follows:

1. **PROJECT PREMISES/METER LOCATION ADDRESS: LED PHASE 4 ST LIGHTS BREMERTON WA 98310 - CITY OF BREMERTON PHASE 4 - POLE SERVICES** (Please note: meter location/address may differ from the site mailing address). Participant will install or implement the conservation measures listed in paragraph 2 ("Conservation Measures") at the above located facilities (the "Premises"). Participant represents either (a) that it is the owner or otherwise has the lawful authority to make the statements herein on behalf of the owner of the Premises, or (b) that it is the lawful tenant of the Premises and that it has obtained written authorization from the owner of the Premises.
2. **Conservation Measures.** Participant represents that it will purchase equipment or materials or has entered or will enter into an agreement with one or more contractors (the "Contractor") for the purchase and installation or implementation at the Premises of the Conservation Measures which may be detailed in **Attachment C: Attachment to Conservation Grant**, at the following costs:

	Conservation Measures	Measure Life	Total Cost	Eligible Grant
1.	Lighting - Street - Custom	20	\$1,862.00	\$1,862.00
	TOTAL (includes sales tax)		\$1,862.00	\$1,862.00

Participant represents that the total cost of the Conservation Measures is the net amount of its obligation with respect thereto.

3. **Grant.** Upon the execution by all parties and PSE's receipt of this Conservation Grant Agreement within **90 days** of the agreement date, PSE agrees to grant the Participant, after installation by Participant and confirmation by PSE of the Conservation Measures, an amount equal to the Eligible Conservation Grant ("the Grant") set forth in Attachment C.

The parties agree that the Conservation Measures must be installed and the Grant paid **within 12 months** for projects saving less than 100,000 kWh or **24 months** for projects saving 100,000 kWh or more of the signing of this Conservation Grant Agreement. Savings are shown on Attachment C-Lighting Installations.

If for any reason the installed cost of the Conservation Measures is less than the amount shown above and on Attachment C-Lighting Installations, PSE may decrease pro rata the amount of the Grant. The Participant shall be responsible for paying any amount in excess of the amount of the Grant.

4. **Separate Contract.** Participant acknowledges and agrees that PSE is not, and shall not be deemed to be, a party to any purchase or installation contract relating to Conservation Measures, which shall be installed pursuant to a contract between Participant and its Contractor(s). Participant expressly acknowledges that PSE's involvement with respect to any aspect of the Conservation Measures is limited to the furnishing of the Grant. **PSE HAS NOT MADE AND DOES NOT MAKE (AND PARTICIPANT ACKNOWLEDGES THAT PSE DOES NOT MAKE) ANY IMPLIED OR EXPRESS WARRANTY (INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS) REPRESENTATION, OR PROMISE WITH RESPECT TO EITHER (A) THE CONSERVATION MEASURES, (B) ANY MATERIALS AND LABOR REQUIRED FOR OR USED IN THE INSTALLATION OF THE CONSERVATION MEASURES, OR (C) THE INSTALLATION OF THE CONSERVATION MEASURES.**
5. **Final Cost Documentation, Access & Inspection:** Participant agrees to promptly provide PSE, upon request, and for a period no shorter than the longest applicable measure life: (1) documentation verifying equipment purchased and/or work performed in connection with the Conservation Measures installed; (2) reasonable access to and inspection of the Facility and Conservation Measures installed therein before, during and/or after implementation; and (3) reasonable access to, inspection and use of energy usage data related to the Conservation Measures including release of utility bills and Facility energy consumption information following implementation.
6. **Release.** Participant releases PSE from any and all claims, losses, harm, costs, liabilities, damages and expenses directly or indirectly resulting from or in connection with (a) the Conservation Measures, (b) any materials and labor required for or used in the installation of the Conservation Measures, (c) the installation of the Conservation Measures, or (d) the identification, handling and disposal of any associated hazardous waste materials.
7. **Disclaimer.** PSE conducts energy analyses at the request of its customers to determine the extent to which conservation measures are cost-effective. Any estimate of energy savings made by PSE in connection with any such analyses is solely for the purpose of determining the cost-effectiveness of the particular conservation measures and not to be used for any other purpose. PSE has not and does not make any promise, warranty or representation with respect to any savings in energy consumption from Conservation Measures.
8. **Termination.** In the event a Participant's contribution to PSE's recovery of energy efficiency program costs is affected by all or a portion of Participant's electric and/or gas delivery service being provided by a party other than PSE, then Participant shall refund to PSE an amount equal to the ratio of the unused Measure Life of the measure(s) to the total Measure Life of such Conservation Measure(s) multiplied by the dollar amount of the Grant with respect to such Conservation Measure(s).
9. **Incorporation of tariffs by reference.** This Agreement and the *Attachment To Conservation Grant* are subject to the terms of the Tariffs, incorporated herein by reference. Specific terms and conditions from one or more conservation schedules from similar filed tariffs may also apply, as determined by PSE at its sole discretion, based on various criteria. A complete list of conservation schedules is available at:

AGENDA BILL
CITY OF BREMERTON
CITY COUNCIL

7A

SUBJECT: Update on the 2026-2030
CDBG/HOME Consolidated Plan Process

Study Session Date: February 12, 2025
COUNCIL MEETING Date: February 19, 2025
Department: DCD-CDBG
Presenter: Sarah Lynam
Phone: (360) 473-5375

SUMMARY: CDBG staff have begun the process of updating the 5 year Consolidated Plan. The Consolidated Plan sets funding priorities for the City's Block Grant program. Included in this process is a community needs survey. At this time, we are coming to Council to share our process and timeline for the Consolidated Plan update and encourage public participation with the community survey which will be included in the presentation.

DEPARTMENT OF COMMUNITY DEVELOPMENT

MEMORANDUM

To: Bremerton City Council

From: Sarah Lynam, Community Development Block Grant Administrator

Date: January 31, 2025

Re: 2026-2030 Consolidated Plan

Kitsap County and the City of Bremerton receive Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funding each year from the US Department of Housing and Urban Development (HUD). These funds, along with the County's Community Investments in Affordable Housing (CIAH) funds, are used to provide housing, economic opportunity, public facilities and infrastructure principally for low and moderate-income households and neighborhoods.

In compliance with the U.S. Department of Housing and Urban Development (HUD) regulations (found at 24 CFR Part 91), a Consolidated Plan is adopted and submitted every five years. The City of Bremerton and Kitsap County Block Grant Programs began a joint planning process in late 2024 to update the Consolidated Plan. The Consolidated Plan is an overall strategy for housing and community development addressing the needs of primarily low- and moderate-income persons in Kitsap County and the City of Bremerton. The Plan further guides the City in its strategy for appropriating these funds.

The planning process involves the assessment of current housing and population needs through the analysis of available data, public meetings, an online survey, and consultations with service providers and key stakeholders. The online survey for community members and other interested parties, including local non profits and service providers, can be found here:

[2026-2030 ConPlan Community Needs Survey](#)

Please feel free to complete the survey and to pass the survey along to anyone who may be interested. The more feedback the better to help us in this process. The City will be releasing its Strategic Plan in May 2025 to help guide the 2026 funding process. The Consolidated Planning process will take place throughout 2025 and will culminate in the adoption of the plan in November of 2025. This plan along with the year 1 Action Plan will be due to HUD on November 15, 2025.

Should you have any questions or concerns, please contact me by email at sarah.lynam@ci.bremerton.wa.us or by phone at (360) 473-5375.

Thank you for your time,

Sarah Lynam
CDBG Administrator

2026-2030 Consolidated Plan

City of Bremerton
Community Development
Block Grant Program

CDBG

What is the Consolidated Plan?

- ◆ The Consolidated Plan is designed to help local jurisdictions assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions of federal dollars.
- ◆ HUD Requirement – 5-Year Plan
 - ◆ Created in coordination with Kitsap County
 - ◆ Utilize available data and community input to identify needs and create a strategic plan to meet those needs.
 - ◆ Funds primarily benefit low-income individuals and families.

Consolidated Plan Components

Timeline

Funds Included – Coordinated Grant Process

- ◆ CDBG - Community Development Block Grant (HUD)
 - ◆ \$400,000 annually, decreasing
 - ◆ Housing rehabilitation, Public service, Public Facilities, Economic Development Microenterprise
- ◆ HOME - HOME Investment Partnership (HUD)
 - ◆ About \$250,000 annually
 - ◆ Affordable housing
- ◆ CIAH - Community Investments in Affordable Housing
 - ◆ \$5.5M Annually County-wide
 - ◆ Affordable housing + flexible housing/facility related projects

Community Outreach Plan

- ◆ Agency Consultations
 - ◆ Service & Housing provider Meetings
 - ◆ Regional Org Meeting
- ◆ Government Input
 - ◆ City Council Meetings
 - ◆ Council District Meetings
(March 10th District 6)
 - ◆ BOCC Presentations
- ◆ Community At-Large
 - ◆ Survey & public comments

Community Survey

- ◆ Receive input from community members and service providers on what types of funding priorities they feel are most important.
- ◆ Consists of 6 categories, within each category are various types of eligible projects.
- ◆ Survey respondents are asked to rank each project type by need on a 1-5 scale:
 - ◆ 1 = No need
 - ◆ 3 = Moderate Need
 - ◆ 5 = High Need

2026-2030 ConPlan Community Needs Survey

We are gathering community information for the 2026-2030 Consolidated Plan, and we need your input!

Kitsap County and the City of Bremerton receive Community Development Block Grant (CDBG) and HOME Investment Partnership (HOME) funding each year from the US Department of Housing and Urban Development (HUD). These funds, along with the County's Community Investments in Affordable Housing (CIAH) funds, are used to provide housing, economic opportunity, public facilities and infrastructure principally for low and moderate-income households and neighborhoods.

Every 5 years the City and County work together to gather data, statistics and feedback from the community to develop a set of priorities to guide the allocation of funds for the next five years. We need YOUR input to ensure the new 5-Year Consolidated Plan reflects the knowledge and perspective of our community. Please take a few minutes to complete this survey.

The Needs Survey is seeking perspective from both community members at-large and agencies that provide services.

Identify how you are taking this survey:

SUBJECT:

Overview of 2024 Comprehensive Plan
Transportation Element

Study Session Date: February 12, 2025

COUNCIL MEETING Date: February 19, 2025

Department: DCD

Presenter: V. Grover

Phone: (360) 473-5289

SUMMARY:

As part of the ongoing 2024 Comprehensive Plan Update, this discussion is intended to gather feedback from the City Council on the Transportation Element of the City's Comprehensive Plan. Policies within the Transportation Element are intended to promote, manage, and maintain a safe, efficient, and integrated multi-modal transportation system that is consistent with the City's overall vision and adequately serves anticipated growth. The Draft Transportation Element (TE), Draft Transportation Element Technical Appendices (TTA), and Draft Active Transportation Plan (ATP) are available for review and comment. Council should note, at the January 27, 2025 Planning Commission Workshop, the Planning Commission recommend the Public Works Department separate the ATP adoption from the Comprehensive Plan update timeline, and continue work on completion of the ATP following Comprehensive Plan adoption. The attached Memo contains resources documenting review of this Element that has occurred thus far.

DEPARTMENT OF COMMUNITY DEVELOPMENT

MEMORANDUM

To: City Council
From: Garrett Jackson
Date: February 19, 2025
Subject: Comprehensive Plan Update Review

SUMMARY

As part of the ongoing 2024 Comprehensive Plan Update, this discussion is intended to gather feedback from the City Council on the Transportation Element of the City's Comprehensive Plan. This Memo contains resources documenting review of the Transportation Element that has occurred thus far. A presentation providing a full overview will be provided at the meeting by Public Works Engineering Project Manager Vicki Grover, P.E.

BACKGROUND

The Comprehensive Plan update is required by the Washington State Growth Management Act (GMA) in order to demonstrate that Bremerton has the capacity to absorb population and employment increases forecast to the year 2044. Population estimates indicate that the City will grow to 63,757 persons and 58,258 jobs by 2044; this means the City is forecast to increase its population by over 46%, with a 32% increase in the number of jobs. The Bremerton Comprehensive Plan must conform to the Washington State [Growth Management Act](#), Puget Sound Regional Council (PSRC) [Vision 2050](#), and the Kitsap Regional Coordinating Council (KRCC) [Countywide Planning Policies](#). More information about the Bremerton Comprehensive Planning process can be found at Bremerton2044.com.

TRANSPORTATION ELEMENT, REVIEW RESOURCES

Policies within the Transportation Element are intended to promote, manage, and maintain a safe, efficient, and integrated multi-modal transportation system that is consistent with the City's overall vision and adequately serves anticipated growth. The links below will provide information packets from individual workshops where the Transportation Element was discussed.

- [June 26, 2023 Planning Commission Workshop](#) and [video link](#)
- [November 20, 2023 Planning Commission Workshop](#) and [video link](#)
- [August 19, 2024 Planning Commission Workshop](#), and [video link](#)
- [January 27, 2025 Planning Commission Workshop](#) and [video link](#)

DRAFT TRANSPORTATION DOCUMENTS

Draft documents available for City Council review include the Draft Transportation Element (TE), Draft Transportation Element Technical Appendices (TTA), and Draft Active Transportation Plan (ATP). Council should note, at the January 27, 2025 Planning Commission Workshop, the Planning Commission recommend the Public Works Department separate the ATP adoption from the Comprehensive Plan update timeline, and continue work on completion of the ATP following Comprehensive Plan adoption. The Public Works Department will continue to analyze addressing individual transportation comments before final drafts are presented to the Planning Commission and City Council at a later date. Note, dates for scheduled public meetings and all public comments are posted on Bremerton2044.com. A description of available draft transportation documents is found below.

DRAFT TRANSPORTATION ELEMENT

The Draft Transportation Element is included in the published [June 17, 2024 Draft Comprehensive Plan](#) (pages 73 – 86). This document contains the Vision, Goals, and Policies of each element of the Comprehensive Plan which was discussed at the February 7, 2024 City Council meeting ([video link](#)).

DRAFT TRANSPORTATION ELEMENT TECHNICAL APPENDICES (TTA)

The transportation appendices contain the technical information analyzed and compiled to support the goals and policies of the Transportation Element. Draft documents are available on the Transportation Plan Update [webpage](#); a list of documents are provided below.

- *Bremerton2044 Transportation Technical Appendix (PDF)*
- *TTA Attachment A Project Summaries and Conceptual Design (PDF)*
- *TTA Attachment B 2023 LOS Results Memo (PDF)*
- *TTA Attachment C Future LOS Memo (PDF)*
- *TTA Attachment D Cost Estimate Methodology Memo and PLCE Spreadsheet (PDF)*
- *TTA Attachment E Summary of Public Engagement (PDF)*
- *TTA Attachment F Transportation Concurrency System Development (PDF)*

DRAFT ACTIVE TRANSPORTATION PLAN (ATP)

Active transportation refers to how the City plans for human-scaled methods of travel, such as walking, riding a bike, using a scooter, or rolling with an assistive mobility device such as a wheelchair. This document is separate from the Comprehensive Plan, and is not required to be adopted concurrently. Draft documents are available on the Transportation Plan Update [webpage](#); a list of documents are provided below.

- *Bremerton2044 Active Transportation Plan (PDF)*
- *ATP Attachment A Existing Conditions (PDF)*
- *ATP Attachment B Facility Types (PDF)*
- *ATP Attachment C Summary of Public Engagement (PDF)*
- *ATP Attachment D New AT Projects (PDF)*

CITY COUNCIL STUDY SESSION

DRAFT Transportation Element & DRAFT Active Transportation Plan

Parametrix

February 2025

- Transportation Element of the Comprehensive Plan adopted in 2016
- Active Transportation Plan (formerly known as the Non-Motorized Transportation Plan) adopted in 2007
- Draft **Transportation Element** with proposed policy revisions was published for comment in June 2024.

Responses: 605 total responses, 12.7% response rate

Survey Goals: **(1)** current travel behavior, **(2)** opportunities and barriers for different travel modes, **(3)** priorities for transportation improvements.

Key Findings: Respondents reported a lack of or incomplete bicycle (93%) and pedestrian (76%) facilities as the biggest barriers to biking and walking.

- Dangerous driver behavior was a common issue identified by people biking (83%) and driving (64%).
- There was a strong desire for new sidewalks and crosswalks (55%) and new bike facilities (42%), as well as support for adaptive “smart” systems to help manage congestion (67%) and more frequent ferry service (64%).
- The highest priority improvements for respondents were pedestrian (48%) and ferry (48%) improvements, and there was also broad support for traffic, biking, and transit improvements.

Responses: 225 comments, 8 emails and letters from the public

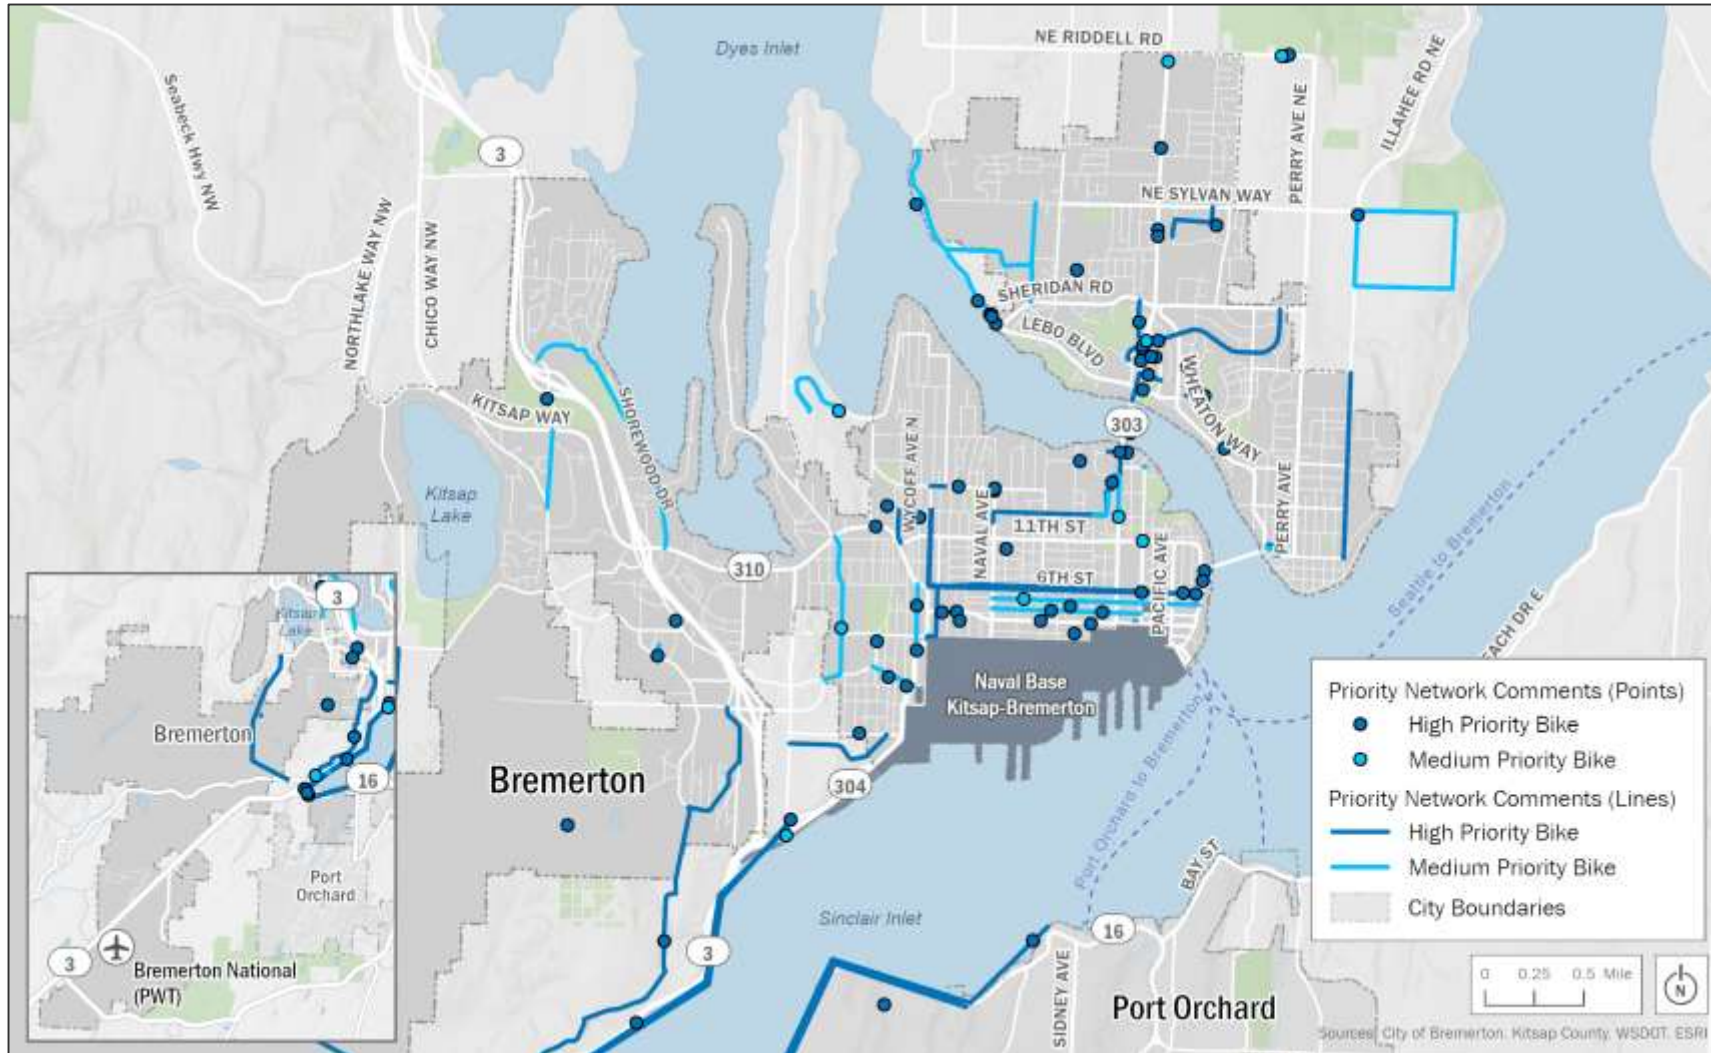

Web Map Content: a draft pedestrian priority network from the 2007 Non-Motorized Transportation Plan with some changes. We were seeking public input on preferred corridors for traveling on foot or on wheels. The draft priority network will help to prioritize future investments in the transportation system.

Findings:

- 68% of feedback focused on the bike priority network and shows strong community support for new and improved bicycle infrastructure.
- 36% of comments requested new facilities or raised concerns about existing conditions.
- Other comments related to preferred locations/corridors related to either walking or biking.

WEBMAP ENGAGEMENT

Public Comments on Bicycle Priority Network

- 68% focused on the bike priority network.
- Strong community support for new and improved bicycle infrastructure.
- 1/3 of all comments requested new facilities or raised concerns about existing conditions.

Two key documents that support the Transportation Element were available for public comment on January 13th thru January 27th, 2025.

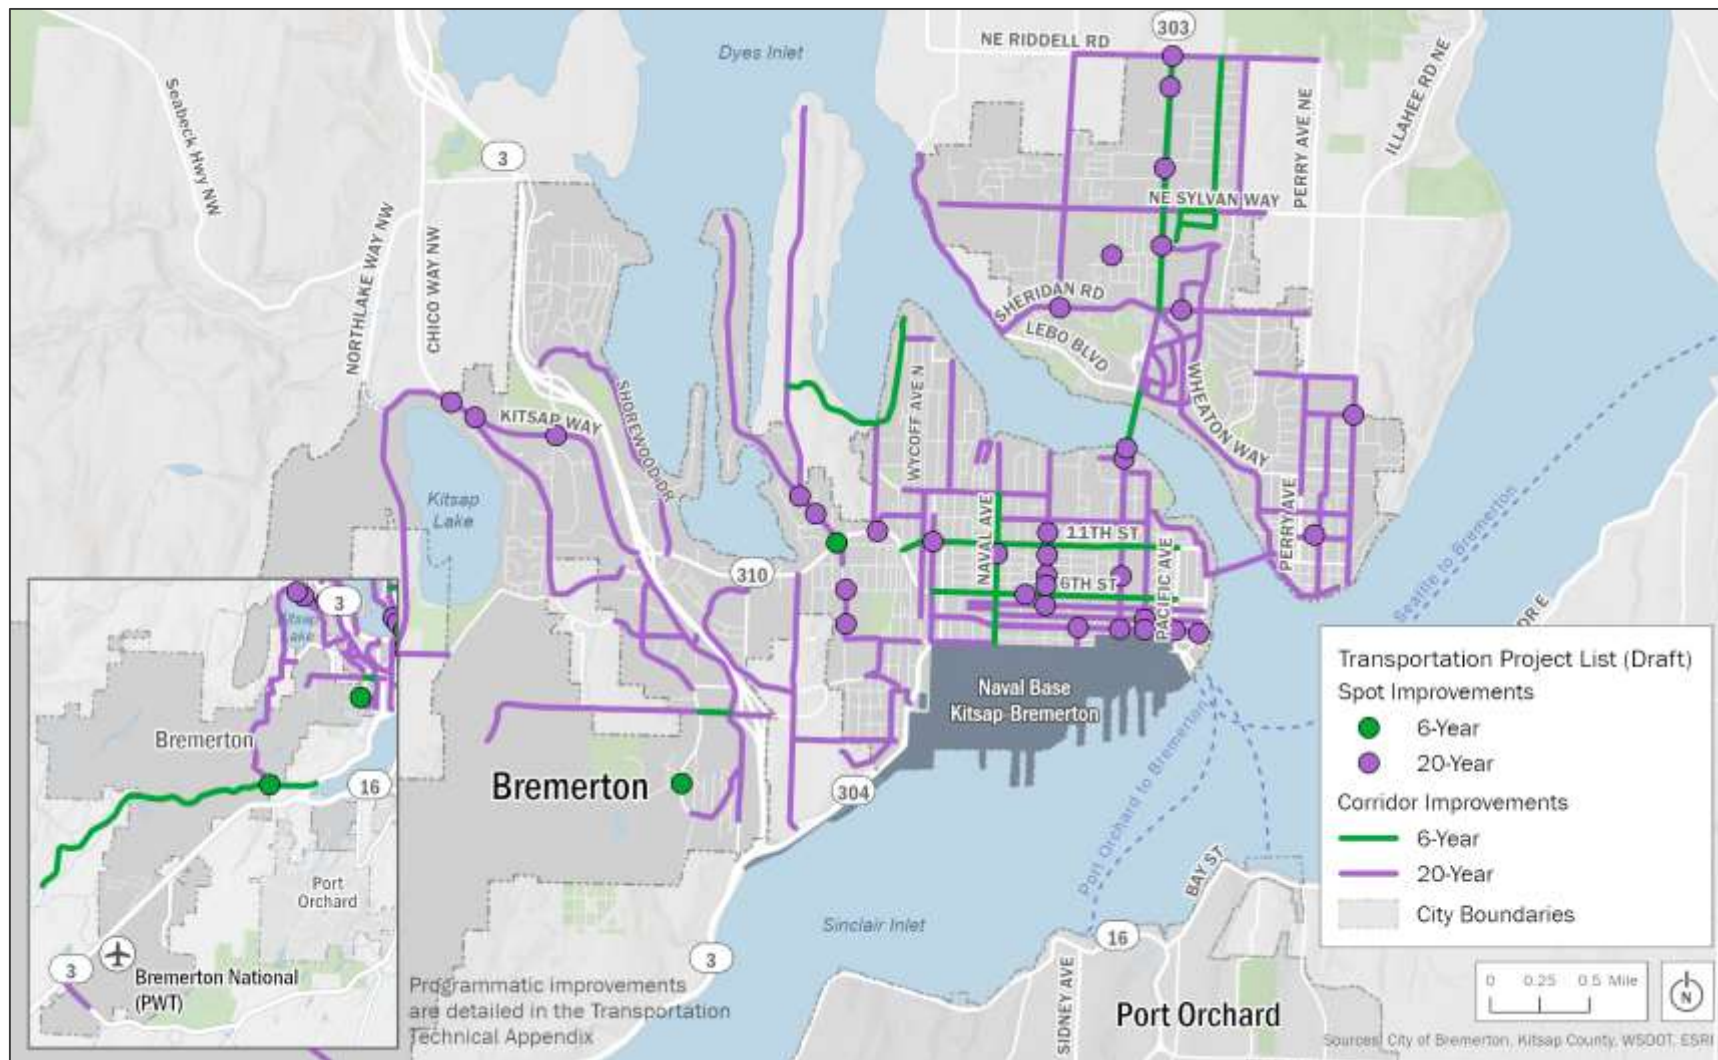

- The **Transportation Technical Appendix** includes technical analysis of existing and future level of service condition for 80 plus intersections, limited conceptual design of projects, a short-term and long-term project list, and a planning level cost estimate for the projects on the list. These documents were produced to support the Transportation Element.
- The **Active Transportation Plan** includes a vision for the future of active transportation. Includes a map of conceptual corridors/networks for potential future project development.

Plan Overview

1. **Existing Conditions:** summarizes current active transportation facilities, roadway and traffic conditions, transit network, and recent safety data.
2. **Coordinated Plans:** overview of City Plans and related efforts, County and Kitsap Transit Plans, PSRC regional plans, and WSDOT projects in Gorst and on SR 3.
3. **Community Engagement:** summary of engagement efforts to date including open houses, survey and web map engagement.
4. **Future Transportation Needs:** analysis of gaps in pedestrian and bike networks, future traffic operations, and mode share goals.
5. **Projects and Implementation:** capital project, financial forecasts (in progress), and 6-year and 20-year project lists

TRANSPORTATION TECHNICAL APPENDIX

Capital Improvement Plan (Future) Transportation Projects

- Short-term (6-yr) and long-term (20-yr) future transportation projects.

- Updated and built upon the 2007 Bremerton Non-Motorized Transportation Plan
- Compiled a comprehensive list of near- and long-term active transportation projects to be included in the Transportation Technical Appendix.
- Identified new projects through network analysis, priority locations, and integration of previous planning efforts

Active transportation refers to **human-scaled** methods of travel, such as walking, riding a bike, using a scooter, or rolling with an assistive mobility device such as a wheelchair.

At the *January 27th, Planning Commission Workshop*, Planning Commission made a recommendation to separate the Active Transportation Plan adoption from the Comprehensive Plan adoption timeline. By completing the work on the Active Transportation Plan following the Comprehensive Plan adoption, sufficient time will be available to review and consider comments before the final Transportation Element documents are presented to the Planning Commission and City Council at later dates.

ENGAGEMENT TO DATE

Key Engagement Events and Methods

- Planning Commission Workshop June 26, 2023
- Planning Commission Workshop November 20, 2023
- Public Survey: January 19 – February 15, 2024
- Open House #1: online open house from January 19 – February 15, 2024
- Planning Commission Workshop August 19, 2024
- Web Map Engagement: August 19 – September 9, 2024
- Open House #2: online from October 2 – 16, 2024, in-person Open House October 8, 2024
- DRAFT Transportation Element Technical Appendices & Active Transportation Plan: online from January 13 – 27, 2025
- Planning Commission Workshop January 27, 2025
- Other public outreach events - Friday Night Art Walks, St Patrick's Day Parade, Armed Forces Parade, Island Fest, Kitsap Mesa Redonda, Kitsap Public Health Equity Collaborative Meeting, 7 District Meetings

Executive Order Impacts to City Operations

Office of the City Attorney
Kylie Finnell, City Attorney

Memorandum

To: Bremerton City Council
From: Kylie Finnell, City Attorney
Mike Riley, Director of Finance and Administration
Re: Executive Order Impacts to City operations
Date: February 12, 2025

Timeline – Last Three Weeks

- Week of January 20 – 24: President Trump was inaugurated on January 20 and began issuing Executive Orders some of which related to Diversity, Equity and Inclusion practices. The City was in process of filling the Diversity and Community Engagement Manager position. Candidate interviews with the Mayor, staff and Councilmembers Chamberlin and Goodnow occurred on January 23 and 24.
- Week of January 27 – 31: City staff continued to work towards filling the position while monitoring activity at the federal level with growing concern. On January 28 the web portals for federal funding were closed. Mike Riley and I advised the Mayor to pause filling the position so we could advise the City Council of the potential risks to federal funding. On January 28 we provided a briefing to the Finance Committee and Council President Eric Younger. On January 29 the access to federal funds were restored but emphasis on the federal government reviewing programs remained. Mike Riley contacted Finance Committee Chair Jeff Coughlin and Council President Eric Younger with an update.
- Week of February 3 – Present: The Mayor and City staff have continued to gather information, and we are sharing an overview of what we are learning with Council tonight.

Targeted Practices

- Use of protected characteristics in any employment action. This includes but is not limited to hiring quotas, tiebreaker decision-making, specific group internships or other opportunities, and tying manager compensation or evaluations to meeting diversity quotas. The City has not engaged in these practices.

Executive Order Impacts to City Operations

MEMORANDUM
February 12, 2025
Page: 2

Practices that do not appear to be Targeted

- Actions that are identity-neutral that remove bias from the workplace and create equal opportunity. Think "level" not "lift".

Bremerton Human Resources practices support equal opportunity

- In 2021, to protect civil rights and eliminate opportunities for discrimination the City expanded recruitment distribution lists to a wider audience, redacted employment applications, and standardized interview processes.
- In 2024, the Washington Cities Insurance Authority reviewed the City's personnel policies and procedures as a part of a voluntary audit and the City received a stellar review.
- No current practices in Human Resources appear to be in violation of any interpretations of federal or state law.
- We will continue to monitor relevant legal authority and update our practices as necessary so they continue to identify and eliminate discrimination, support equal opportunity, and protect civil rights.

Funding that is threatened

- The most immediate issue is likely to be answering grant certifications. 2025 awards contracts are already including language that require grant recipients to agree that they comply in all respects with all applicable Federal anti-discrimination laws and certify that they "do not operate any programs promoting DEI that violate any applicable Federal anti-discrimination laws."
- The attached table shows funding that might be at risk.

Mayor and Council Roles under the City Charter

- As the chief executive and administrative officer of the City, the Mayor is vested by Article IV (19)(1) with general supervision of the administrative forces of the city "and all city interests." Article IV (19)(3).
- In situations where the Mayor ascertains changes in circumstances or new concerns, such as these threats to the federal funding the City receives, it is appropriate for the Mayor to pause and report his concerns to the City Council for its consideration.
- The City Council is vested by virtue of Article III, Section 12 of the Charter with the power to adopt and enforce ordinances relating "to...and regulating its local or municipal affairs and appropriate to the good government of the city..."
- The Charter also authorizes the City Council "to define the functions, power, and duties of the City's officers and employees." *Ibid*.

Executive Order Impacts to City Operations

MEMORANDUM
February 12, 2025
Page: 3

- These broad powers authorize the City Council to adopt an ordinance directing the Mayor to fill the Diversity and Community Engagement Manager position.
- While the ordinance would be subject to Mayoral veto, a supermajority of the Council could require the administration to take such an action.

Next Steps

- City Administration will continue to collaborate with our partners at the local, state, and federal levels and keep Council up to date on developments through communication with the Council President and the Finance Committee Chair.

Executive Order Impacts to City Operations

FOR IMMEDIATE RELEASE

Revision of release dated January 29, 2025

January 30, 2025

The memo issued by the Office of Management and Budget dated January 27, 2025 requires Federal agencies to identify and review all Federal financial assistance programs.

"To implement these orders, each agency must complete a comprehensive analysis of all of their Federal financial assistance programs to identify programs, projects, and activities that may be implicated by any of the President's executive orders. In the interim, to the extent permissible under applicable law, Federal agencies must temporarily pause all activities related to obligation or disbursement of all Federal financial assistance, and other relevant agency activities that may be implicated by the executive orders..."¹

This freeze may impact various programs, including those designed to support local governments that may have already incurred eligible expenses but have not yet submitted claims for reimbursement.

The federal funds awarded to the City of Bremerton that could be affected by this memorandum are detailed below:
