The Mayor went on to thank Tina Wood for how great the 150th celebration turned out and thanked Town Manager Dusty Forbes and public works employee Zach Franklin for all their hard work opening the time capsule. He commented that they had to break through two feet of concrete in the heat. Fahringer announced that if anyone missed any of the ceremonies or opening of the time capsule, they can still watch on Facebook. The Mayor commented that Chase City will continue to oppose the current route of Dominion Power Lines, saying we won't just sit and take it.

Council Member Bohannon commended William Lowrant for speaking up for Chase City against Dominion at the Board of Supervisor's meeting. Bohannon congratulated Tina Wood on a job well done and reminded everyone of the July 22 fly in.

Council Member Whitaker extended compliments to Tina Wood and everyone that helped with the 150th celebration.

Council Member Keeton commented that the 150th celebration was very nice and kudos to all that helped.

Town Manager's Oral Report

He mentioned public works employee Chris Hudson and how hard he worked to get the bathrooms ready at the pavilion. Forbes said tourism dollars paid for materials and the shipping container. He spoke about the wastewater plant working on a five year permit. Mr. Forbes said the Up Town at the Lee group now has the rental agreement and we are waiting on them to sign it.
