**District 1 Supervisor Report**

Supervisor Tarr stated that when you receive your County real estate tax bills in May there is an average increase in assessment of 24.3%, Chincoteague's increase is 29.3%. However, the Supervisors reduced the tax rate to offset the increase. He added that there is no change in personal property tax rates. He advised of a request for a letter of support from the Town. This is to get Rt.175 on the list to be widened. He advised that VDOT would only agree to widen from T's Corner to Royal Farms. They are trying to get on the Smart Scale funding. They asked why they weren't getting an approval on extending the widening along the Causeway in the past.

He was advised there aren't enough letters of support from other entities. Which is why they are going to the entities to get support. He hopes they'll approve 3 lanes and is in hope of more pull-offs along the Causeway. He stated that they also advised that they didn't include the Causeway because it hasn't finished settling.

Councilwoman Bowden commented on accidents on the Causeway. She advised that she is in favor of this, but it shows her just how unimportant the Town of Chincoteague is. She referred to the tax revenue that the Town brings in, she feels that the Town has to fight and call for every single thing. She further commented on the number of accidents and tragedies on the Causeway over the years, adding that the Town deserves better. She requested that in the letter of support there be a statement added that the Town needs help as well.

Supervisor Tarr stated that 3 or 4 years ago the Town bought a piece of equipment for the State Police. He added that he is with the Town and Chincoteague is easy to represent.

There were further comments about lower tax rates, conducting VDOT surveys during the busy seasons, and skipping Suffolk and going straight to Richmond for the Town's needs regarding VDOT and the Causeway.

The program allows either 50% or 100% reimbursement for each project depending on the applicant's income. They are now working on the program application form and will get that posted as soon as it is finished. The program will require a committee to review and approve the applications and select projects for inclusion in the grant.

Town Manager Tolbert advised that the Local Assistance Division of VDOT operates a program entitled Ready Set Go. RSG is designed to provide localities with free planning support to develop eligible Transportation Alternative Program applications for a grant. The project submitted was for 1 mile of new sidewalk on South Main Street connecting the existing sidewalk
