## **AGENDA**

---

**CALL TO ORDER**

**PUBLIC COMMENT**

**AGENDA ADOPTION**

**REVIEW OF EEL CREEK CULVERT OPTIONS**

1. Eel Creek Culvert Memo

**ADJOURN**

# Town of Chincoteague, Inc.

TO: Chairwoman Richardson and Members of Committee

FROM: Michael Tolbert, Town Manager

DATE: January 7, 2025

SUBJECT: Eel Creek Culvert @ Maddox Blvd.

The single culvert crossing Maddox Blvd. has settled after years of service and has developed leaks due to the resulting separated joints. These leaks are causing sporadic holes in the new pavement as base material is siphoned into the culvert. The list of repair options include replacement of the culvert with a reinforced precast box structure or repair of the existing pipe by slip lining.

As with most solutions, each option has its own distinctive attributes and disadvantages. While we are still evaluating these solutions, we will brief the committee on progress as well as the advantages of each.
