COLUMBIA GORGE COMMUNITY COLLEGE COMMERCIAL KITCHEN

HOOD RIVER, OREGON

Columbia Gorge Community College Commercial Kitchen in Hood River, Oregon (population 7,162) charges **$15 per hour** for use of its 2,000 square foot facility fully equipped with convection ovens, mixers, food processor, and 60-gallon cooker/mixer, refrigerators, freezers, coolers, and dry storage, space for food preparation, processing, and sanitizing, as well as a packaging area with labeling machine and package sealers. The kitchen operates as a business incubator serving new and existing food businesses by providing inexpensive processing space and professional business counseling services.

The kitchen remodel and equipment was funded through grants by the US Forest Service and US Dept of Agriculture and Rural Development and the facility pays **$300 a month** for someone to supervise the kitchen and train new users.

PLACEHOLDERS FOR GRAPHICS + TEXT HIGHLIGHTING A PRECEDENT PROJECT

PASCO COMMUNITY KITCHEN

PASCO, WASHINGTON

The Pasco Specialty Kitchen is owned by the City of Pasco and operated by the Pasco Downtown Development Association as an incubator for small businesses to manufacture and market food products. The fully equipped kitchen also trains high school students in food processing and culinary careers through a partnership with the Pasco School District

As of 2019, it had more than 40 users, 23 of which are high-use, 12 are seasonal, and a few are hobbyists. Similar to those of other community kitchens, hourly rental rates range from **$12 per hour to $17 per hour,** with lower rates for evening use and discounts for frequent users (over 20 hours per month). Freezer/cooler space, dry storage, pallet space, and drawer space are available for an additional fee(s). Tenants are also charged a **$50 annual marketing fee**, which includes associate memberships in area Chambers of Commerce and Visitor Bureau, as well as a listing on the Pasco Specialty Kitchen website. The kitchen also features a walk-up window through which entrepreneurs can serve customers.

The Pasco Specialty Kitchen has an annual budget of **$96,000** and rental fees cover less than 50% of the cost of operations, in part due to the full-time kitchen staff. Other funding comes from a variety of sources including the Pasco School District and the City of Pasco community and economic development funds. Unlike other kitchen models that are run by non-profit organizations, public agencies, or part-time staff, the kitchen has a full-time staff, accounting for 40% of its expenses.

EXECUTIVE SUMMARY

BACKGROUND AND PURPOSE

In 2019, most City of Coachella governmental operations moved to a new building, presenting an opportunity to re-imagine the historic City Hall as **a new kind of civic hub** for the city and neighboring Eastern Coachella Valley communities. The City of Coachella is growing much faster and has a much younger population than neighboring cities in the region and across the state, presenting a unique opportunity to develop new and innovative uses to meet the needs of the city's growing community. The historic City Hall building and grounds, located in the heart of Downtown Coachella, are uniquely positioned to serve as a literal community *center* that reflects and serves Coachella community members.

The Coachella Community Center (CCC) Feasibility Study reimagines the potential of the traditional civic center from a home for municipal office into a dynamic, multi-use building that serves and reflects all Coachella residents, meeting community needs while bolstering existing assets.

PROJECT GOALS

The CCC Feasibility Study project was driven by the following goals:

Serve community priorities and needs: The CCC should provide the programs and spaces Coachella community members prioritized during engagment.

Reimagine City Hall as multi-purpose community hub: The design, look, and feel of the CCC should reflect community member preferences shared during engagement.

Build on existing community strengths and assets: The CCC should improve the viability of existing small businesses and entrepreneurs and encourage growth of new small businesses, especially in Downtown Coachella and along the 6th Street corridor.

Support local public art and culture: New investments in arts and cultural programs and spaces can help make Downtown Coachella the cultural and commercial heart of the city and the Eastern Coachella Valley.

Foster community-focused economic development: The CCC should support the local economy through investing in the overall wellbeing of residents, including by improving health and wellness, educational attainment, access to social services, and arts and cultural programming.

FEASIBILITY STUDY OVERVIEW

BACKGROUND — Throughout all stages of the CCC project, KDI and the City of Coachella engaged 21 local business owners and 20 youth in small focus groups, interviewed 11 local non-profit organizations and 3 local artists, and engaged 447 community members at-large. This Feasibility Study builds off work KDI has done in partnership with the City of Coachella and The California Endownment since 2018 and presents community priorities for a hub that can serve as a commercial and cultural anchor for the city and region.

Community members want a variety of services and resources in the CCC, including:

- Programming for youth
- Health and wellness services
- Arts and cultural classes and events
- Support for small businesses and local entrepreneurs
- Social services and resources

MARKET STUDY — The CCC will support local economic growth by investing in **opportunities for** and the overall **wellbeing of** Coachella's communities, including by improving educational attainment, access to health services, small business support, and celebration of local culture. Programming in different indoor and outdoor spaces of the CCC will provide diverse revenue streams for the City.

Potential users of the CCC include:

1. Existing Coachella residents
2. Reidents in unincorporated Riverside County near Coachella
3. Future Coachella residents
4. Visitors

CONCEPT DESIGN — The CCC is a multi-use building to meet the community's needs. With new massing, extensive new glazing, new façade materials and redesigned entry points, the CCC building combines its history with the contemporary future residents envisioned. The style of the building, an updated and contemporary Spanish Colonial, is consistent with the architectural preferences of the community and takes inspiration from the Library across Sixth Street; sustainable measures such as cool roofs, solar panels and completely new HVAC and plumbing systems modernize this building into an efficient and striking home for its new program.

RECOMMENDATIONS — The City and local partner organizations and agencies should conduct additional community engagement, develop the design, and create a strategic funding and building management plan to bring the CCC to life.

PROJECT OVERVIEW

PURPOSE

Kounkuey Design Initiative (KDI) is committed to equitable development in the City of Coachella and the Eastern Coachella Valley. KDI partnered with the City of Coachella and The California Endowment to conduct a Feasibility Study of potential new uses for the city's historic City Hall.

In 2019, most City governmental operations moved to a new building, presenting an opportunity to re-imagine the historic City Hall as a new kind of civic hub for the city and neighboring Eastern Coachella Valley communities. City Hall has historically been an important node of city life and now has the opportunity to become a center of civic activity in a broader sense. The first step of reimagining the historic City Hall as a new Community Center was the Existing Conditions Report, prepared and submitted by KDI to the City of Coachella in May 2020. This Existing Conditions report identified the key topics most important to Coachella residents: youth, health and wellness, small business support, arts and culture, and resources and services. KDI conducted further community engagement and research to develop the building program and design proposed in this Feasibility Study.

Throughout this Feasibility Study, the term "City Hall" will refer to the existing City Hall building, while the term "Coachella Community Center" (CCC) will refer to the future spaces and uses proposed at that location. Determining the name of the CCC should be part of a community engagement process.

This Feasibility Study reimagines the potential of the traditional civic center from a home for municipal office into a dynamic, multi-use building that serves and reflects all Coachella residents, meeting community needs while bolstering existing assets. The CCC preserves the existing historic architecture, murals, and landscape residents value, while adding new spaces and uses that reflect the community's growing young population, love of arts and culture, value of community wellness, and entrepreneurial spirit.

WHY NOW?

The City of Coachella is growing faster and has a younger population than neighboring cities in the region and across the state. This presents a unique opportunity to develop new and innovative uses to meet the needs of the city's growing community. The historic City Hall building and grounds, located in the heart of Downtown Coachella, are uniquely positioned to serve as a literal community *center* that reflects and serves Coachella community members.

The site of the future CCC is also of regional importance. Downtown Coachella, or Pueblo Viejo, draws residents from around the region. Residents from nearby cities and unincorporated Riverside County travel to Downtown to shop at local businesses, visit the Coachella Library, access services, and contribute to the city's social and cultural life by participating in community events, gathering in public spaces, and more. Howevever, the building and surrounding landscape could better serve Coachella community members and those vising the city from neighboring cities like Indio and unincorporated Riverside County. The CCC will be a regional economic and social hub.

Community members want to see more public events and festivals

Coachella residents value local art and culture

Residents value local business

METHODOLOGY

KDI employed a variety of research methods to develop this Feasibility Study, including analysis of existing data and engagement with Coachella community members. Findings from KDI's analysis of existing sources will be written as such, while original findings from KDI's engagement with Coachella community members and interviews with practitioners in fields related to proposed programming at the CCC will be written in blue. KDI engaged Coachella residents to better understand specific needs and opportunities in five focus areas that emerged from engagement to develop the CCC Existing Conditions Report, including:

WHAT PROGRAMS DO YOU WANT TO SEE IN DOWNTOWN COACHELLA?

"I WANT MY MONEY TO STAY IN COACHELLA...

I WANT TO CONTINUE TO SUPPORT MY CITY"

— Rosa, long-time Coachella resident interviewed by KDI staff

ARTS AND CULTURE

RESIDENTS WANT MORE FESTIVALS AND PUBLIC EVENTS IN COACHELLA

Residents and business leaders alike want more arts and cultural programming, both in the form of large public events and festivals and smaller classes and workshops.

PUBLIC SERVICES AND RESOURCES

Residents want a central hub where they can find many social services in one building.

Non-profit organizations want shared office space to increase their impact and reach.

"I WANT TO SHOW KIDS YOU DON'T HAVE TO LEAVE COACHELLA TO DO SOMETHING...I WANT THEM TO SEE ART BY AND FOR THE PEOPLE THEY KNOW"

Local artist and art educator

HEALTH AND WELLNESS

"WELLNESS MEANS HAVING COMFORT, HAVING MORE ACTIVITIES FOR KIDS, AND TO HAVE HEALTH SERVICES"

Coachella resident

Community members identified a need for increased access to affordable and diverse services, especially holistic and mental health services like body work, yoga, nutrition, and mental health counseling.

SMALL BUSINESS AND ECONOMIC DEVELOPMENT

Coachella residents want more support for small businesses, including home-based entrepreneurs and street vendors.

VIBRANT PUBLIC SPACES, EVENTS AND PROGRAMS, AND NON-PROFIT SERVICES WILL HELP BRING MORE PEOPLE DOWNTOWN

Business owners in focus group

YOUTH SERVICES

"THERE IS A LONG WAIT-LIST OF CHILDREN FOR AFTER SCHOOL PROGRAMS"

Evelyn, local artist and art educator

Youth in Coachella lack dedicated spaces and activities. Demand for after-school activities far exceeds supply in Coachella—residents want to see youth programming and child-care services.

ENGAGEMENT FINDINGS

To better understand how the CCC can best serve existing needs, KDI engaged Coachella community members to understand the demand for specific services within each program area. Due to the COVID-19 pandemic and in accordance with state and local public health guidelines, engagement was limited to virtual and socially-distanced methods. Coachella residents shared their visions for the CCC through 2 main methods: a digital and paper survey and socially-distanced design engagements. The survey data is not intended to provide a statistically significant sample, but instead it is a snapshot of the preferences and priorities of Coachella residents to inform the programming design proposals in this Feasibility Study.

SURVEY

Coachella residents shared their vision for the CCC through an online and paper survey with questions about preferred uses, resources, services and initial design concepts. The survey captured both programmatic and spatial preferences. See pages 16 and 17 for survey results.

KDI engaged residents in public spaces like parks, flyered local businesses, and advertised on the City of Coachella's Facebook page. KDI advertised the online survey through emails to contact lists provided by the City and local non-profit organizations.

KDI collected **110 surveys** between September 7 and November 18, 2020.

"WE ARE EXCITED THAT THE CITY IS CONSIDERING A PROJECT LIKE THIS ONE"

Artemisa, Coachella resident and design engagement participant

DESIGN ENGAGEMENTS

In accordance with state and local public health guidelines and protocols to ensure the safety of all participants, KDI organized three socially-distant, outdoor design engagements to garner community member feedback on the CCC concept design.

DESIGN ENGAGEMENT 1 — VETERAN'S MEMORIAL PARK

OCTOBER 24 9 AM - NOON

KDI invited Coachella residents and engaged pedestrians in the Downtown area to create their individual site plan of the CCC, choosing their preferred programs and selecting the size and location of each program in the building and surrounding outdoor areas. **15 residents participated.**

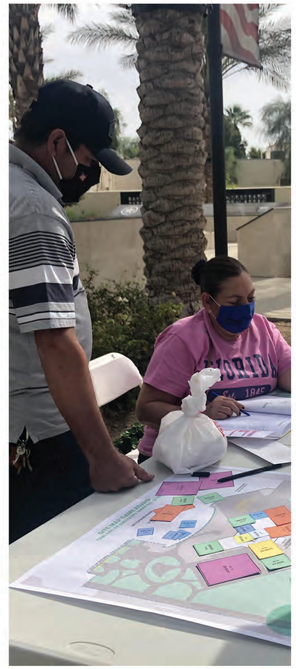
DESIGN ENGAGEMENT 2 — 6TH STREET, OUTSIDE COACHELLA PUBLIC LIBRARY

NOVEMBER 13 4-6 PM
NOVEMBER 17 3 - 5 PM
NOVEMBER 19 3 - 5 PM

KDI engaged community members shopping, running errands, and walking in the Downtown Coachella area along 6th Street in front of the Coachella Public Library to get their feedback on three initial concept designs for the CCC building. Community members shared what they liked and disliked about the designs and completed a visual survey to provide feedback on potential building and landscaping materials and aesthetics. KDI set up this mobile, pop-up engagement three times during busy times in Downtown and **16 community members participated.**

DESIGN ENGAGEMENT 3: REPORT BACK — FORTHCOMING IN JANUARY 2021

KDI will share the final concept design and recommendations from the Feasibility Report at a pop-up engagement event in January 2021, or when public health guidelines allow.



KEY SURVEY RESULTS — *PROGRAMS*

WHAT SERVICES WOULD YOU LIKE TO USE, BUT CURRENTLY LACK ACCESS TO?

WHAT ARE THE BARRIERS TO SERVICES YOU'D LIKE TO USE?

ARTS AND CULTURE

- 91.7% — *They do not exist in Coachella*
- 52.1% — *They are too far away*
- 30.1% — *They are too expensive*

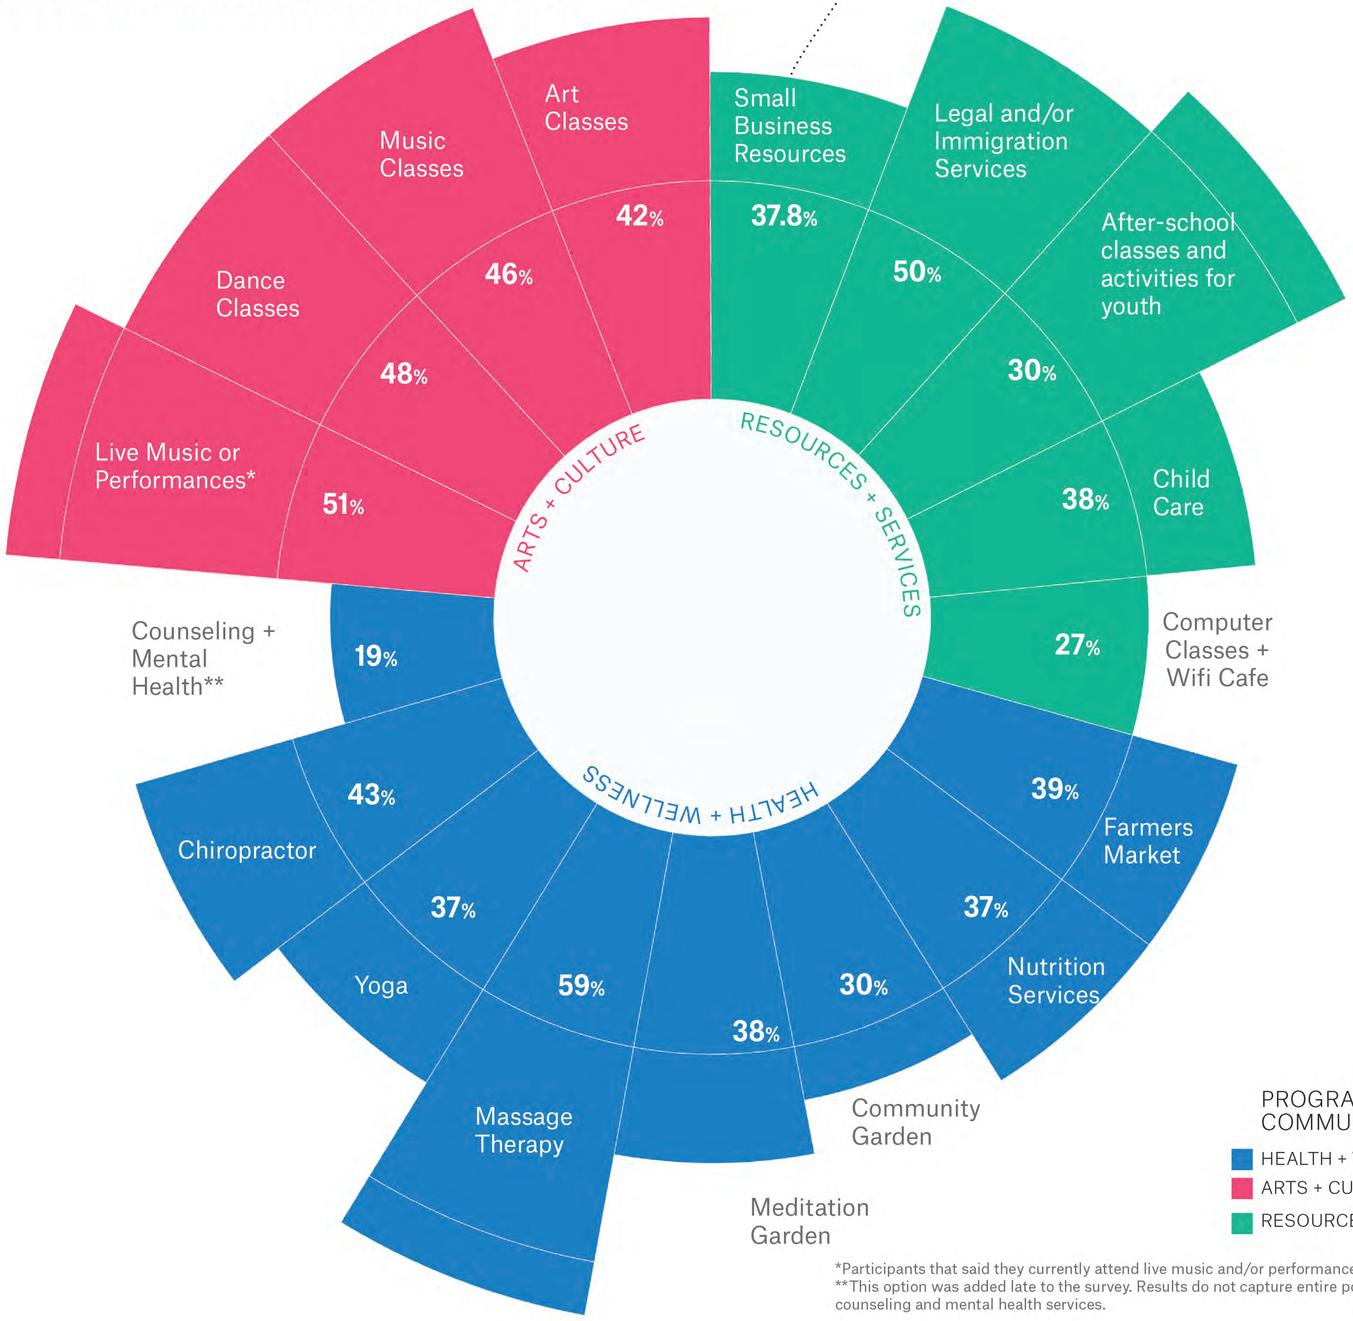
HEALTH AND WELLNESS

- 67.7% — *They don't exist in Coachella or are too far way*
- 19.5% — *They are too expensive*
- 16.3% — *They are not available when I can use them*

HOW DO COMMUNITY MEMBERS SUPPORT EACHOTHER?

RESOURCES AND SERVICES

- 40.9% — *Rely on neighbors for child care*
- 23.5% — *Rely on neighbors for youth education*
- 57.7% — *Purchase food from street vendors for neighbors*



PROGRAMS SELECTED BY COMMUNITY MEMBERS

- HEALTH + WELLNESS PROGRAMS
- ARTS + CULTURE PROGRAMS
- RESOURCES + SERVICES

*Participants that said they currently attend live music and/or performances.
**This option was added late to the survey. Results do not capture entire population who desire counseling and mental health services.

COACHELLA IS ENTREPRENEURIAL

25.7% of households surveyed have a small business or income generating venture

What services would help you or a family member grow your/their business?

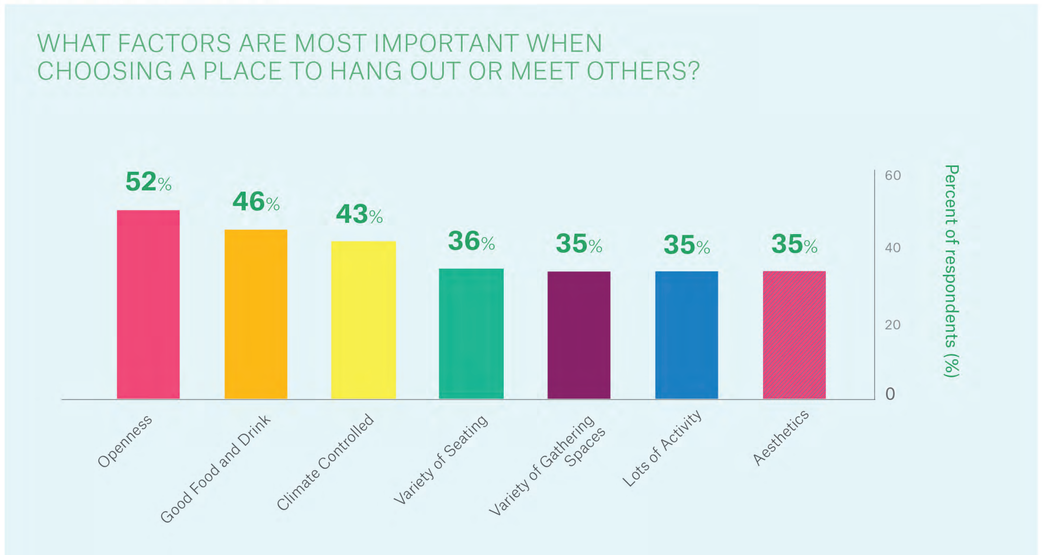
- 64.7% — Permanent Space in Downtown
- 61.7% — Education and Training for Business Owners
- 41.2% — Financial Assistance Programs
- 35.3% — Shared Space with other Businesses

KEY SURVEY RESULTS — *SPATIAL PREFERENCES*

The concept design for the CCC building and landscape is based on preferences Coachella residents shared about the kinds of spaces they like to send time in and how they want the CCC to look and feel. Coachella residents shared their design preferences in two main ways:

- **Survey**: 83 Coachella residents answered the survey question, "*What factors are most important when choosing a place to hang out or meet up with friends and family?*" Respondents valued openness, good food and drink options, climate control like shade, variety of seating and gathering spaces, activity, and quality aesthetics (see graph below for more detail). These and other spatial preference shared by community members led the building and landscape design process.
- **Design engagements**: In design engagements 1 and 2, 31 total residents answered more specific spatial questions about building and landscape look and feel. Participants value a mix of old and new — complementing traditional architecture with new modern, bright, colorful spaces.

SPATIAL QUALITY



ARCHITECTURAL PREFERENCES

Coachella residents prefer a mix of traditional California mission style architecture with open and modern interiors.

LANDSCAPE PREFERENCES

Coachella residents prefer formal landscapes that highlight local art and cultural heritage, while creating opportunity for commercial enterprise like farmer's markets and food vending.

MARKET STUDY

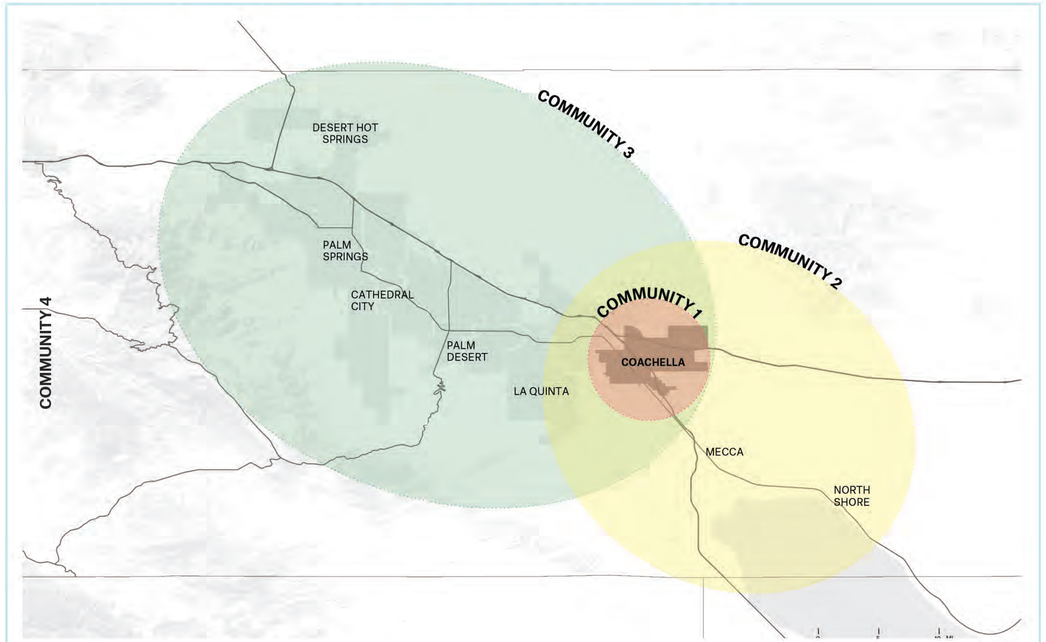
Goals and Context 20

Market Feasibility 22

GOALS AND CONTEXT

The programs and spaces provided by the CCC will help support local economic growth. Not only will the CCC produce revenue for the City and support small businesses and entrepreneurs, it will provide services and resources that improve opportunity and quality of life for all residents, a cornerstone of sustainable and equitable economic growth. The CCC will bring new spaces and programs to build on the economic assets that already exist in Coachella and reflect the local community — deep community ties, value of health and wellness, appreciation of arts and culture, and entrepreneurship.

WHAT COMMUNITIES WILL USE AND BENEFIT FROM THE CCC?



The CCC will support revenue generation and economic development by serving **4 main communities**:

COMMUNITY 1

EXISTING COACHELLA RESIDENTS

Currently, Coachella residents must leave the city for services that do not exist closer to home (for example, mental health services or arts and cultural programs like live music performances). The CCC will capture resident spending by offering desirable programs and services within Coachella.

COMMUNITY 2

RESIDENTS IN UNINCORPORATED COMMUNITIES NEAR COACHELLA

Residents of unincorporated Riverside County near Coachella already come to the city to shop and recreate. The CCC will make Coachella a greater commercial and cultural destination for these residents and increase spending within the city.

COMMUNITY 3

FUTURE COACHELLA RESIDENTS

Residents from the region are moving to Coachella from cities where housing is becoming more expensive, especially young people and young families. The CCC will help serve this growing population and make Coachella a more desirable destination for residents in other parts of the Coachella Valley considering a move.

COMMUNITY 4

VISITORS

One of the largest current economic drivers in the region is tourism and the majority of the employers in this sector are employed in parts of the hospitality industry that largely serve visitors from other parts of the state and nation (for example, hotels, resorts, and casinos). Public programs and cultural events at the CCC like farmer's markets and festivals in CCC's Event Plaza facing 6th Street will bring visitors to Downtown **largely from within the Coachella Valley region** and at a price-point that is accessible to existing residents in and near Coachella. Building and serving a regional market will help ensure the programs offered at the CCC are more resilient to economic downturns than those dependent on

MARKET FEASIBILITY

This section will highlight some of the potential **costs and revenue generation opportunities** of different spaces in the CCC. Each space meets different needs and priorities identified through community engagement and will serve different communities, denoted by the following icons:

COMMUNITY NEED AND PRIORITIES

- YOUTH DEVELOPMENT AND ACTIVITIES
- HEALTH AND WELLNESS
- SMALL BUSINESS AND ECONOMIC DEVELOPMENT
- ARTS AND CULTURE
- PUBLIC SERVICES AND RESOURCES

COMMUNITIES SERVED

1. EXISTING COACHELLA RESIDENTS
2. UNINCORPORATED COMMUNITIES IN RIVERSIDE COUNTY
3. FUTURE COACHELLA RESIDENTS
4. VISITORS

NON-PROFIT HUB (1) (2) (3)

Services and resources provided by local non-profit organizations, like legal and immigration services, after-school and youth programming, college counseling and application assistance, health and wellness services, and computer literacy are high priorities for Coachella residents. Co-locating these and other diverse services in the CCC will provide a one-stop-shop for residents and expand community members' access to services that can support them and their family. For example, a community member coming to the CCC for a legal aid appointment with a tenant non-profit organization may stop into a nutrition class hosted by a different organization down the hall, or a community member using the commercial kitchen to support their catering business may see an after-school dance class for their children in one of the building's multi-purpose rooms.

The ability of local non-profit organizations to offer critical social services to Coachella residents is greatly determined by their access to the necessary infrastructure to support their operations, like office supplies, work space, and workshop and meeting rooms. A Non-profit Hub in the CCC would allow these organizations to share resources and lower overhead costs. Office space in the CCC would also increase the visibility of services offered by tenants: organizations KDI interviewed are eager to leverage the CCC's Downtown location and shared space with other uses to expand their reach.

Ten of the 11 organizations KDI interviewed, two of which are already renting space in the building, are interested in renting permanent workspace for their employees in a Non-Profit Hub for between approximately **$.75 and $1.50 per square foot per month**. These rates are competitive with current commercial rental rates in the Coachella and Indio area, as well as some commercial office buildings in Palm Spring and Palm Desert.[2] Approximately 37% of the CCC is dedicated to non-profit office space, producing an estimated **$5,912 of monthly revenue** for the City (figure based on $1 per square foot rental rate). A nearby non-profit office space in Palm Desert owned and operated by the RAP Foundation provides a local precedent: the Foundation rents cubicles and offices to other non-profit organizations for **$125 and $200-650 per month**, respectively.

Another successful precedent from outside the Coachella Valley is Midland Shared Spaces (MSS) in Midland, Texas (population 135,134).[3] MSS is a shared office space for non-profit and philanthropic organizations that provides critical infrastructure like break rooms, conference rooms, and printers and copiers, to lower costs for mission-driven organizations to expand their impact. MSS has 16 non-profit tenants, including administrative staff that maintain the facility, and hosts a gallery of work by local artists.

CONFERENCE ROOMS

Conference rooms in the Non-profit Hub should also be available for rent by outside organizations. This will provide additional revenue to the City, while meeting the critical need for meeting spaces expressed by members of the local business community and non-profit organizations. All the non-profit organizations KDI interviewed in Coachella expressed the need for more centrally-located, shared meeting space for professionals in the area. They agreed that meeting rooms in the Coachella Branch Library are

A 2011 STUDY OF NON-PROFIT ORGANIZATIONS THAT RELOCATED TO SHARED OFFICE SPACE WITH OTHER NON-PROFIT ORGANIZATIONS FOUND THE FOLLOWING BENEFITS[1]:

- **72**% reported significant improvements in community awareness
- **59**% reported increase in visibility to funders
- **86**% reported significant improvements in overall effectiveness and efficiency
- **58**% reported improvements in the size and scope of their programs
- **7**% saved on average annual operating costs

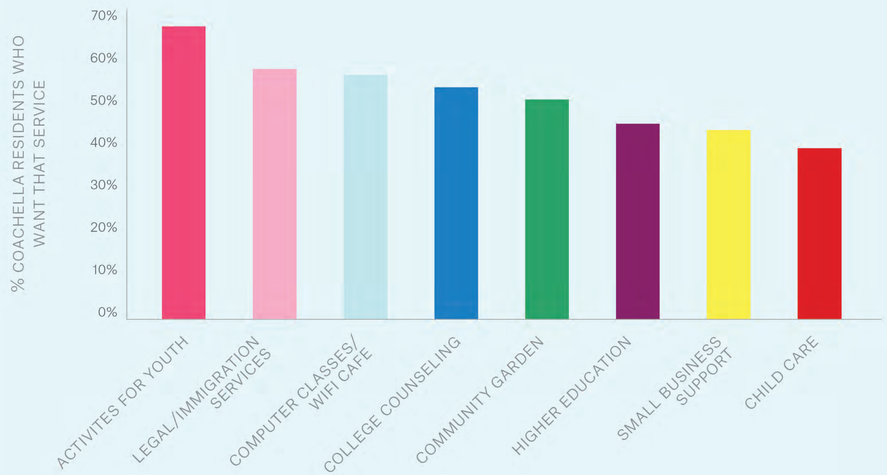
an excellent resource, but that they are in high demand and have limited availability. Access to conference and meeting rooms in the Non-profit Hub should be included in monthly rent for tenants of the Non-Profit Hub and available on a fee-for-use basis for outside organizations renting space for meetings, conferences, or community workshops and events.

Local precedents support the viability of meeting room rental as a revenue stream for the City. The RAP Foundation rents four meeting rooms to outside organizations for up to 10 hours per month per organization. Organizations who use the rooms for 10 hours a month or less do so for free, but pay **$25 or $30 per hour** for use above this limit on weekdays and weekends, respectively. Additionally, organizations that rent office space from the RAP Foundation have priority access to meeting rooms and can reserve spaces up to 6 months in advance, as opposed to 2 months in advance for outside organizations. A co-working space operated by the Palm Springs Chamber of Commerce offers another precedent: the Chamber rents their boardroom for groups seeking meeting space for **$100 per day**.[4]

The City could adapt these models: CCC tenants could have priority access to reservations and make meeting room reservations for free under a set threshold, while outside organizations and tenants that exceed the threshold would pay for use. The City could adapt a hybrid pricing model, charging an hourly rate to tenants renting the meeting rooms for short meetings, 2 hours for example, and charging a daily flat rate to tenants who rent meeting rooms for longer periods of time.

AN NGO HUB CAN HELP RESIDENTS ACCESS RESOURCES THEY NEED

WHAT SERVICES WOULD YOU LIKE TO BE ABLE TO ACCESS IN ONE BUILDING?



CO-WORKING SPACES AND MEETING ROOMS PROVIDE REVENUE THROUGH ONE-TIME USE FEES, AS WELL THROUGH AS DAILY, MONTHLY, AND ANNUAL LEASES

CO-WORKING CENTER 1 2 3 4

While conference and meeting rooms in the Non-profit Hub provide larger meeting spaces, the Co-working Center offers more intimate work spaces for small groups and individuals. Coachella Valley Economic Partnership (CVEP) CEO Joe Wallace shared that one of the important draws to co-working space for tenants is proximity to other amenities in a Downtown environment. Tenants are attracted to spaces that provide the opportunity to walk next door and grab a coffee, meet a client down the block for lunch, or drop into a nearby store after the workday. As an active, multi-use building along Coachella's 6th Street commercial corridor, the Co-working Center will offer these amenities. The City and partner organizations can also provide business development programming for tenants to help incubate small businesses and proximity to the Community Kitchen will provide nearby workspace for food entrepreneurs (see next section for more information about the Community Kitchen).

A business incubator and co-working space about 2 hours away from Coachella provides

A COMMUNITY KITCHEN CAN HELP REMOVE ONE OF THE LARGEST BARRIERS TO FOOD ENTREPREUERS FACE WHEN TRYING TO SCALE THEIR BUSINESSES: ACCESS TO FACILITIES AND EQUIPMENT

a model and rate structure that could be adapted to the Co-working Center. The Temecula Valley Entrepreneurs Exchange offers co-working space in the city's former city hall building for start-up businesses with shared meeting rooms, facilities like kitchens, office supplies (printer, copier, etc), building/janitorial services, and utilities like wifi. Tenants rent work stations for **$100 per month** or **$250 to 450 per month** for private offices depending on size. All co-working tenants are on flexible, month-to-month leases. The CCC could also rent co-working space by the day or week to provide greater flexibility. For example, The Hive co-working space in Palm Springs offers **$25 daily drop-in rates**, in addition to monthly plans. The Palm Springs iHub and Accelerator Campus, a business incubator focused on tech and green energy operated by the CVEP, has had similar success renting meeting space to outside organizations.

The Co-working Center should also help incubate and support local small businesses and entrepreneurs by providing business development programs and services. See Business Development Programming description on page 37 for a more detailed description of potential programs.

COMMUNITY KITCHEN

Food-based culture and support for local food entrepreneurs is strong in Coachella. Many Coachella residents make and sell food out of their homes. In fact, nearly 40% of survey respondents buy food from a community member that cooks or caters out of their home and nearly 60% of respondents buy food or other items from street vendors.

Despite widespread food entrepreneurship, many home- and street-based food vendors in Coachella face barriers to growing their business. The CEO of the CVEP shared that many entrepreneurs in the Coachella Valley are looking for help expanding their business to increase annual earnings around $30,000—near the city's median household income—to closer to $70,000 a year, an increase that can open significant doors to opportunities for entire families, like providing renters the opportunity to eventually purchase a home. Support for home- and street-based food entrepreneurs in Coachella is an important way the city can help local businesses unique to Coachella and raise household incomes.

Chefs teach healthy eating classes to university students at a Midway, NC community kitchen // Source: Chapel Hill Magazine

In 2019, Riverside County became the first California County to authorize the sale of foods cooked in home kitchens. However, County requirements limit home-based food entrepreneurs to the sale of 30 cooked meals per day and 60 per week, limiting the scale at which vendors can grow their business from home. Most significantly, food sold by licensed home-based vendors must be prepared in a food facility that meets County inspection guidelines. KDI interviewed leaders from two organizations that provide technical and financial assistance to street vendors in Southern California and learned that the greatest barrier many vendors face to growing their business is access to capital to purchase equipment and facilities that meet inspection requirements and allow them to scale up production. Many are low-income, lack the required credit, record-keeping or business documents necessary, and/or are unbanked.[6] In fact, a January 2020 study found that only 43.5% of Coachella residents did any banking in the last 12 months and only 41.6% have a checking account. [7] Additionally, individual applicants must pay a $651 permit fee, which can be burdensome for low-income entrepreneurs.[8]

A commercial kitchen at the CCC would provide a pathway to business growth for food entrepreneurs by providing a pre-permitted, fully-equipped production space. Entrepreneurs could then sell their products at a wider variety of locations: at public events, in local stores, out of their home, and more. For example, access to the commercial kitchen would open up numerous new business opportunities for a home-based tamale vendor

A food entreprenuer uses The Hood Kitchen commercial kitchen in Costa Mesa, CA // Source: Orange County Register

in Coachella. The vendor could rent the commercial kitchen before a large community event like the annual Dia de los Muertos celebration in Coachella and, as a result, sell to a much wider market than they would otherwise be able to reach. Over time, access to the Community Kitchen could help incubate small businesses by allowing vendors to sufficiently scale their production and sales and eventually access financing for their own brick and mortar facility.

The Community Kitchen also creates opportunities for more than just home- and street-based food entrepreneurs. Community groups like Boy or Girl Scout troops, church groups, clubs and civic organizations like Rotary, and non-profit organizations rent commercial kitchens to make items sold as fundraisers.

The Community Kitchen would be a valuable amenity within the broader ecosystem of small business support and programming at the CCC. The strategic co-location of the commercial kitchen with business support programming in other spaces of the building like the Multipurpose Center, Event Hall, and/or Co-working Center will help local food entrepreneurs get connected to the tools they need to grow their business. For example, a taco vendor could prepare their tortillas in the commercial kitchen on a Tuesday afternoon before selling at an evening event and return on Thursday for a business counseling drop-in session they saw a flyer for in the CCC earlier that week. In another scenario, a home-based jam and jelly maker that attends a workshop about business plan development or financing in the Multipurpose Center might walk past the commercial kitchen and learn about a new resource to scale up their production.

The Community Kitchen would also provide pop-up opportunities for home- and street-based businesses during events in Veteran's Memorial Park and the CCC event plaza. For example, different Coachella vendors could have a tent at a weekly farmer's market in the Event Plaza on 6th Street or as a pop-up in the Event Patio outside the Kitchen where they sell their food. Doing so would showcase local entrepreneurs and help local food businesses expand sales.

REVENUE GENERATION OPPORTUNITES

The Community Kitchen is a revenue-generation opportunity for the City. Average national rental rates for commercial kitchens are between **$15 and $45 per hour**. Rates vary by location, type of space and equipment, and time of day. Non-profit community kitchens like those owned and managed by nonprofit organizations and public agencies tend to offer rates on the lower end of the spectrum, often between **$15 and $20 per hour**. Other revenue sources include storage fees and classes. Shelf, freezer, or refrigerator storage fees range in cost, could be around **$30 a month** for 3 feet of storage.[9]

The City could also earn revenue through rental fees to third-party organizations and individuals teaching classes or leading workshops in the kitchen.[10] The commercial kitchen would be available for rent by individuals and organizations providing food and nutrition programming. Over 36% of Coachella residents surveyed were interested in using nutrition services at the CCC and access to healthy foods was a priority for participants in all engagement activities.

RENOVATION COSTS

The cost to renovate existing spaces into small commercial kitchens varies greatly depending on the size, quantity, and quality of equipment purchased, but can run between **$100-$300 per square foot**, resulting in minimum renovation costs for the CCC's 1,094 square foot kitchen of around **$100,000**.[11] Equipment is often the largest investment in a commercial kitchen renovation project. The range of equipment offered in commercial kitchens varies, but may include:

» Food preparation and cooking: Oven, range, fryer, grill, mixers, and food processors, gas stovetop, convection ovens, steam kettle, steam and/or hold oven, mixers, food processor, microwave and meat/cheese/vegetable slicer

» Small wares: cutting boards, knives, pans, pots, and cutlery

» Refrigeration: Refrigerators, freezers

» Storage: Shelving units, drying racks, and food storage containers

PROGRAMS AT THE COMMUNITY KITCHEN

Potential programs in the community kitchen could include:

- **Cooking and baking classes**
- **Food preservation classes like canning or pickling**
- **Healthy cooking and eating classes**
- **Youth and teen cooking classes**
- **Ayurvedic and other holistic cooking and eating classes**
- **Event catering classes**
- **Culinary career training for high-school youth in partnership with local schools**
- **Cooking locally and from the garden (tied with gardening classes in the community and herb gardens on CCC grounds**

PRECEDENT STUDIES[12]

COLUMBIA GORGE COMMUNITY COLLEGE COMMERCIAL KITCHEN
HOOD RIVER, OREGON

Columbia Gorge Community College Commercial Kitchen in Hood River, Oregon (population 7,162) charges **$15 per hour** for use of its 2,000 square foot facility fully equipped with convection ovens, mixers, food processor, and 60-gallon cooker/mixer, refrigerators, freezers, coolers, and dry storage, space for food preparation, processing, and sanitizing, as well as a packaging area with labeling machine and package sealers. The kitchen operates as a business incubator serving new and existing food businesses by providing inexpensive processing space and professional business counseling services.

The kitchen remodel and equipment was funded through grants by the US Forest Service and US Dept of Agriculture and Rural Development and the facility pays **$300 a month** for someone to supervise the kitchen and train new users.

PASCO COMMUNITY KITCHEN
PASCO, WASHINGTON

In the city of Pasco, Washington (population 56,300, slightly larger than Coachella), the Pasco Specialty Kitchen is owned by the City of Pasco and operated by the Pasco Downtown Development Association as an incubator for small businesses to manufacture and market food products. The fully equipped kitchen also trains high school students in food processing and culinary careers through a partnership with the Pasco School District

As of 2019, it had more than 40 users, 23 of which are high-use, 12 are seasonal, and a few are hobbyists. Similar to those of other community kitchens, hourly rental rates range from **$12 per hour to $17 per hour,** with lower rates for evening use and discounts for frequent users (over 20 hours per month). Freezer/cooler space, dry storage, pallet space, and drawer space are available for an additional fee(s). Tenants are also charged a **$50 annual marketing fee**, which includes associate memberships in area Chambers of Commerce and Visitor Bureau, as well as a listing on the Pasco Specialty Kitchen website. The kitchen also features a walk-up window through which entrepreneurs can serve customers.

The Pasco Specialty Kitchen has an annual budget of **$96,000** and rental fees cover less than 50% of the cost of operations, in part due to the full-time kitchen staff. Other funding comes from a variety of sources including the Pasco School District and the City of Pasco community and economic development funds. Unlike other kitchen models that are run by non-profit organizations, public agencies, or part-time staff, the kitchen has a full-time staff, accounting for 40% of its expenses.

HEALTH AND WELLNESS CENTER 1 2 3

PUBLIC HEALTH IS ECONOMIC HEALTH

Investments in public health have been shown to improve key drivers of economic development at the household and national level by:

- Increasing life expectancy
- Improving workforce productivty
- Raising household income
- Improving educational outcomes
- Reducing overall healthcare spending through improved preventative care

The Health and Wellness Center can provide an additional revenue source for the City while meeting community members' need for more holistic and mental health services. Throughout engagement for the Existing Conditions report and Feasibility Study, Coachella residents repeatedly highlighted their current lack of access to health and wellness services like nutrition, body work like massage therapy or acupuncture, yoga and meditation, and counseling and mental health services. Coachella residents shared that there are few of these health and wellness services nearby and that those that do exist are prohibitively priced for many. The Health and Wellness Center would help meet both these needs: larger open space offeres space for organizations and practitioners providing workshops on health and wellness topics like nutrition or meditation, while smaller, private spaces are suited to more intimate, one-on-one services like bodywork or mental health counseling. The CCC is also uniquely positioned to address the affordability barrier many residents face to accessing health and wellness services: because the building is already publicly-owned, the city can provide affordable rental rates to health and wellness practitioners while still earning revenue to cover costs.

In addition to offering affordable rental rates to practitioners, the City can lease space to health and wellness practitioners who use models of practice that keep rates affordable for community members. For example, many community-based health centers use a sliding scale to adjust rates depending on a patient's income, such as a community-based acupuncture clinic in Cambridge, Massachusetts that offers one-hour sessions from **$25 to $60** dollars depending on a patient's income. Many mental health practitioners also use a sliding scale model.

The City could also consider offering space in the Health and Wellness Center to local practitioners interested in providing pro-bono services as an additional way to provide affordable services. For example, many physical and mental healthcare professionals like therapists dedicate a set number of hours per month or year to pro-bono service to reach folks who would otherwise be unable to afford their services. The Health and Wellness Center could provide a home for this work with weekly or monthly pro-bono hours community members could sign up for or drop-in to use.

More broadly, improving access to affordable health and wellness services in Coachella is a critical investment in long-term economic health and growth. While the current COVID-19 pandemic has put in stark relief the deep interconnections between the economy and public health, data has long demonstrated investments in the health sector yield economic returns. For example, a 2018 study found that improved health contributes more to a country's wealth than any other factor, surpassing education, natural resources, physical capital, and climate.[12] The CCC Health and Wellness Center will help meet existing gaps in access to affordable health and wellness services near home for Coachella residents and promote overall community wellbeing and economic prosperity.

Indoor spaces in the Health and Wellness Center will be complimented by wellness-focused ourdoor spaces like the Community Garden and Meditation Garden community members prioritized during engagement.

*What does **wellness** mean to you?*

"WELLNESS MEANS HAVING COMFORT, HAVING MORE ACTIVITIES FOR KIDS, AND TO HAVE HEALTH SERVICES"

Coachella resident, 2018

YOUTH SPACES 1 2 3

TEEN CENTER

"KIDS NEED SOMEWHERE TO BE AND SOMETHING TO DO"

"THERE IS A LONG WAIT-LIST OF CHILDREN FOR AFTER SCHOOL PROGRAMS"

"MY SON COMES HOME FROM SCHOOL AND HAS NO WHERE TO GO, SO HE STAYS HOME"

Engagement to develop the Existing Conditions and Feasibility Study found that after school programming is a priority for youth and adults alike. Existing after-school programming is over-burdened and almost 60% of respondents to KDI's survey want to see after-school classes and activities for youth in the CCC, including college counseling and application assistance. The Teen Center will provide space for youth-focused programming. For example, Alianza, a local non-profit organization interested in renting office space in the Non-profit Hub, regularly engages youth and could use space in the Teen Center for after-school programming. Other organizations offering arts and culture, health and wellness, technology, and other kinds of programming could also rent out space in the Teen Center to provide classes and activities.

While the Teen Center will be available for rental to organizations offering teen-centered services, most Teen Centers are funded through grants, donations, and public funding. For example, the My Place Teen Center in a suburb of Portland, Maine, is almost 70% funded by grants by foundations and corporations, 18% by individual gifts, and 13% by public funding streams. The vast majority (81%) of the Center's expenses go directly to their programs. The City of Coachella could replicate this model through federal, state, and foundation grants, as well as corporate and individual gifts.[14]

CHILDREN'S CORNER

While the link between child care and the ability of parents to earn income is obvious for so many families, the current COVID-19 pandemic and resulting school and daycare closures have unserscored the fundamental role of child care to economic health. Furthermore, early childhood education levels are a strong determinent of overall economic growth and health—research shows that every dollar invested in high-quality early childhood education results in **$7.30 in long-term economic returns**.[15]

Thirty-four percent of survey participants want child care services in the CCC, in addition to the 59% who want after-school classes and activites for youth. One way community members meet the current gap in child care is by supporting one another-41% of those surveyed rely on neighbors or other community members for child care.

Child care in the Children's Corner should be affordable for all Coachella families to remove existing barriers to child care families need. Child care services offered in the Children's Corner could adapt existing models of affordable child care in the region. For example, the Local Migrant Head Start program provides free child care for youth aged six weeks to five years for farmworker families under a set annual income.[16] Child care at the CCC could be free for qualifying families, while charging affordable rates to those able to pay, similar to the sliding scale model possible for services offered at the Health and Wellness Center.

FLEXIBLE GATHERING SPACES: MULTIPURPOSE CENTER AND EVENT HALL

1 2 3 4

The Multipurpose Center and Event Hall will provide space for public programs and private gatherings. Located at the heart of the building, the 2,202 square foot Multipurpose center provides space for community classes, workshops, and celebrations community gatherings, like exercise classes, health and wellness seminars, and community festivals and parties. The Event Hall, a more intimate space, is well-suited to private events like Quinceañeras and or wedding receptions. Both spaces have an open, flexible layout that can be adapted to diverse revenue-generating public programs, including:

ARTS AND CULTURE PROGRAMMING

In addition to arts and cultural programming offered in the Event Plaza, the CCC's Multipurpose Center and Event Hall provides space for arts and cultural classes and workshops Coachella residents want, but currently do not have access to. For Coachella residents, the two greatest barriers to participation in arts and cultural classes are lack of access nearby and cost. As a centrally located non-profit facility owned by the city, the CCC can help remove these barriers by providing affordable rental rates to artists and arts organizations offering classes, while still earning revenue to help cover operations costs. For example, KDI interviewed artists in Coachella who earn supplemental income by teaching affordable group lessons at other community members' homes. Large meeting spaces in the CCC like the Meeting Center and Event Hall would provide artists larger meeting rooms that would allow them to expand their impact and income.

The Richmond Art Center in Richmond, California, a city in the East San Francisco Bay area with around double the population of Coachella, provides a potential model for community-based, affordable art classes that support local teaching artists. Richmond-based artists, many of whom were born and raised in the area, offer classes in drawing, ceramics, painting, dance, sewing, collage, and other mediums at two different price points: adult and youth students can enroll in semester-long courses or pay for a one-time drop-in session. For example, adult students can sign up for a once-weekly, 10-week drawing class for **$45 or pay a $25 drop-in rate** to join a single class of their choosing.[17] Classes for teens are priced similarly, but some children's classes offer slightly lower rates, offering students 10 weekly sessions for around **$30 to $50** in total or a single drop-in session for around **$18**. Classes for youth and teens are offered after school and on Saturday mornings. The Richmond Art Center's pricing model provides affordability and flexibility for student artists of all levels and ages, in addition to providing teaching opportunities and additional income for local artists.

BUSINESS DEVELOPMENT PROGRAMMING

In KDI's survey of Coachella residents, almost 40% of participants wanted services for small businesses, including home- and street-based entrepreneurs like food vendors. Coachella residents are entrepreneurial: over a quarter (26%) of Coachella residents surveyed run or have a household member who runs a small business or income-producing endeavor. On top of that, almost 100% of survey respondents said that space in Downtown Coachella would help them or someone in their household grow their business.

THE EVENT HALL AND MULTIPURPOSE CENTER OFFER POTENTIAL REVENUE STREAMS THROUGH RENTAL FOR USES INCLUDING:

- Private celebrations like Quinceañeras and weddings
- Corporate conferences
- Private meetings by NGOs and businesses
- Arts and cultural classes and workshops by local artists, including music, dance, and visual arts
- Health and wellness seminars, classes, and workshops, including meditation, zumba, yoga, and more
- Business development courses for local small businesess
- Local NGOs hosting events and fesivals

Adult exercise classes // Source: YMCA

The City offers an existing network of small business support programs. Meeting and workshop space in the Co-working Center and Non-profit Hub would allow the city to grow its offerings, as well as invite programming by outside organizations that provide technical assistance and business training. Existing business incubators in the region, most notably the Palm Springs iHub and Accelerator Campus managed by the CVEP, are concentrated in the western side of the Coachella Valley and mainly draw businesses from elsewhere in the state.

Technical assistance and programming for small businesses offered at the CCC should be focused on supporting the entrepreneurs that already live and work in Coachella. The CEO of CVEP and director of the Palm Spring iHub and Accelerator Campus shared that drop-in hours and on-demand business coaching are the most successful and utilized resources they offer, compared to scheduled workshops or training sessions. In the CCC's meeting rooms or flexible Multipurpose Center space, the City's Economic Development Department and potential partners like SCORE, an organization that provides technical assistance to entrepreneurs, could offer regular drop-in business counseling to help local entrepreneurs with their specific business needs, like developing business plans, applying for financing, identifying new revenue generation opportunities, and more. Programming for small businesses and entrepreneurs will help grow the local economy in the long-run by supporting the expansion of home-grown businesses that reflect and serve the local community.

HEALTH AND WELLNESS PROGRAMMING

The Event Hall and Multipurpose Center also provide space for health and wellness programming Coachella residents want to see like yoga, dance, or zumba classes, in addition to public classes or workshops on topics like nutrition or meditation. These spaces could generate revenue through rental to organizations and practitioners offering wellness services. See the Health and Wellness Center section for a more detailed description of the revenue generation potential of health and wellness programming at the CCC.

PRIVATE EVENTS

In addition to offering space for public programs, the Event Hall and Multipurpose Center can provide additional revenue through private rental. The spaces can be rented for events like weddings, Quinceañeras, family reunions, and other large, private events. Additionally, both rooms open onto outdoor areas, creating potential for indoor-outdoor events at the CCC.

Dia de los Muertos celebration in the MRCA atrium

Individuals rent the indoor and outdoor spaces for private events like weddings

PRECEDENT STUDY: LA RIVER CENTER AND ATRIUM

The Los Angeles River Center and Gardens, managed by the Mountains Recreation and Conservation Authority (MRCA) offers flexible, multipurpose spaces for private and public organizations and individuals. An indoor atrium offers space for conferences or public festivals like a Dia de los Muertos celebration (top left), while outdoors gardens and patios like those surrounding the CCC have been used for events like weddings (bottom left).

MRCA rents the facility to public agencies free of charge, with specific approval requirements for meetings over 100 attendees.

Private parties rent the indoor and outdoor facilities for gatherings like weddings, conferences, meetings, and receptions for between **$7,500 and $13,000**. Non-profit organizations are offered a heavily discounted rate for gatherings up to 150 guests.

EVENT PLAZA 1 2 3 4

Arts and cultural events and activities are a key source of economic flows, with the potential to increase employment, income, and tax revenue. Additionally, the arts and cultural sector provides unique opportunities for public sector intervention because arts and cultural programs are public goods and often are run, promoted, or authorized by local public authorities. The CCC's Event Plaza along 6th Street can help strengthen the local economy by providing a space for public arts and cultural programming like public events, festivals, performances, and a farmer's market, all of which Coachella residents prioritized throughout engagement.[18]

FARMER'S MARKET

A weekly farmer's market in the CCC event plaza can be a driver of economic growth. The primary economic benefits of a farmer's market include direct profits to vendors, job creation for employees working the event, sales tax revenue, and any fees paid to the city by vendors or event organizations. Indirect benefits include stimulating Downtown revitalization, enhancing the CCC, Veteran's Memorial Park, and 6th Street Corridor as a destination, and other spillover effects. A study by the Project for Public Spaces found that in a city the size of Coachella with a population under 70,000, expenditures by vendors at a farmer's market have an average regional economic multiplier of 1.13, meaning for every $1.00 of total expenditures made by vendors in the farmers market, **$1.13** will be created in the region.[17] As an example, a 2011 study of the downtown farmer's market in Saginaw, Michigan, which has a population almost exactly the size of Coachella's, demonstrated the market had an over **$200,000 spillover effect** and resulted in more than **$1.5 million in annual economic impact.**[19] Proximity to the farmer's market also provides opportunities for new and start-up food businesses to test their products.

A regular farmer's market in the event plaza would also help meet residents' desire for improved access to healthy foods and nutrition and community-wide cultural events. Farmer's markets can also often serve as an important social gathering space and way to reach residents and connect them with other services like free health screenings or food assistance.

Farmer's markets are drivers of economic and community development // Source: TimeOut

A WEEKLY FARMERS MARKET IN THE EVENT PLAZA CAN CREATE SPILLOVER EFFECTS, GROWING THE LOCAL ECONOMY,

IN ADDITION TO INCREASING COACHELLA'S DESIRABILITY TO NEW RESIDENTS

AND IMPROVING QUALITY OF LIFE FOR COMMUNITY MEMBERS

PUBLIC EVENTS, FESTIVALS, AND PERFORMANCES

Public cultural events like festivals or live music performances also drive economic benefits to local economies and cities through creating jobs, tax revenue, and expanding tourism and local purchasing. Investment in arts and cultural events also has secondary impacts: it enhances quality of life for residents, can strengthen community ties and sense of belonging, and is a strong driver in attracting new and young residents.[20] A variety of arts and cultural offerings may be particularly important in retaining Coachella's growing young, working-age population.

Furthermore, the creative sector can be a strong contributor to the local economy, particularly in rural areas and small cities where artists are likely to work locally and be deeply embedded in local communities.[22] Other small and mid-sized California cities have seen growth in their local economy as a result of public investment in the creative sector. A new performing arts complex in Grass Valley, a city in the Sierra Foothills of Northern California, has resulted in increased spending at local businesses like restaurants, hotels, shops, and galleries, and has increased the city's attractiveness to working-age residents.[23] Closer to Coachella, businesses in the Culver City area of Los Angeles have seen increased revenue since the opening of a performing arts space and, in recognition of the positive impact of arts and culture on economic growth, the city adjusted its public art ordinance to allow for contributions for developers. Prevalence of arts and cultural activities is also related to lower rates of undesirable outcomes in US communities, like crime level.[24]

The success of the Coachella Food Truck Park, a pop-up food truck event on 4th Street in Downtown Coachella in the spring of 2019, proves the potential benefits of similar public cultural events. The event featuring local musicians, artists, and food entrepreneurs drew nearly 10,000 visitors in its first weekend--more than doubling the event organizer's expectations. The city helped make the festival possible by renting the 4th Street lot to the organizer for **$1**. Admission was free for attendees--visitors only paid for the food, beverages, and merchandise they purchased. The Coachella Food Truck Park provided a space for local entrepreneurs and artists to grow their audience and reach large numbers of consumers at a single location. New and established businesses both benefited—for entrepreneurs starting out, the pop-up event provided a testing ground for their product, while more established businesses like Downtown's Coachella Bar sold merchandise like beer mugs, baseball caps, and T-shirts.

The event has since relocated to Indio, but its inception in Coachella proves the viability and economic benefit of large arts and cultural events in the city.[25]

CONCEPT DESIGN

Concept Drawings 50

Cost Estimates 78

CONCEPT DRAWINGS

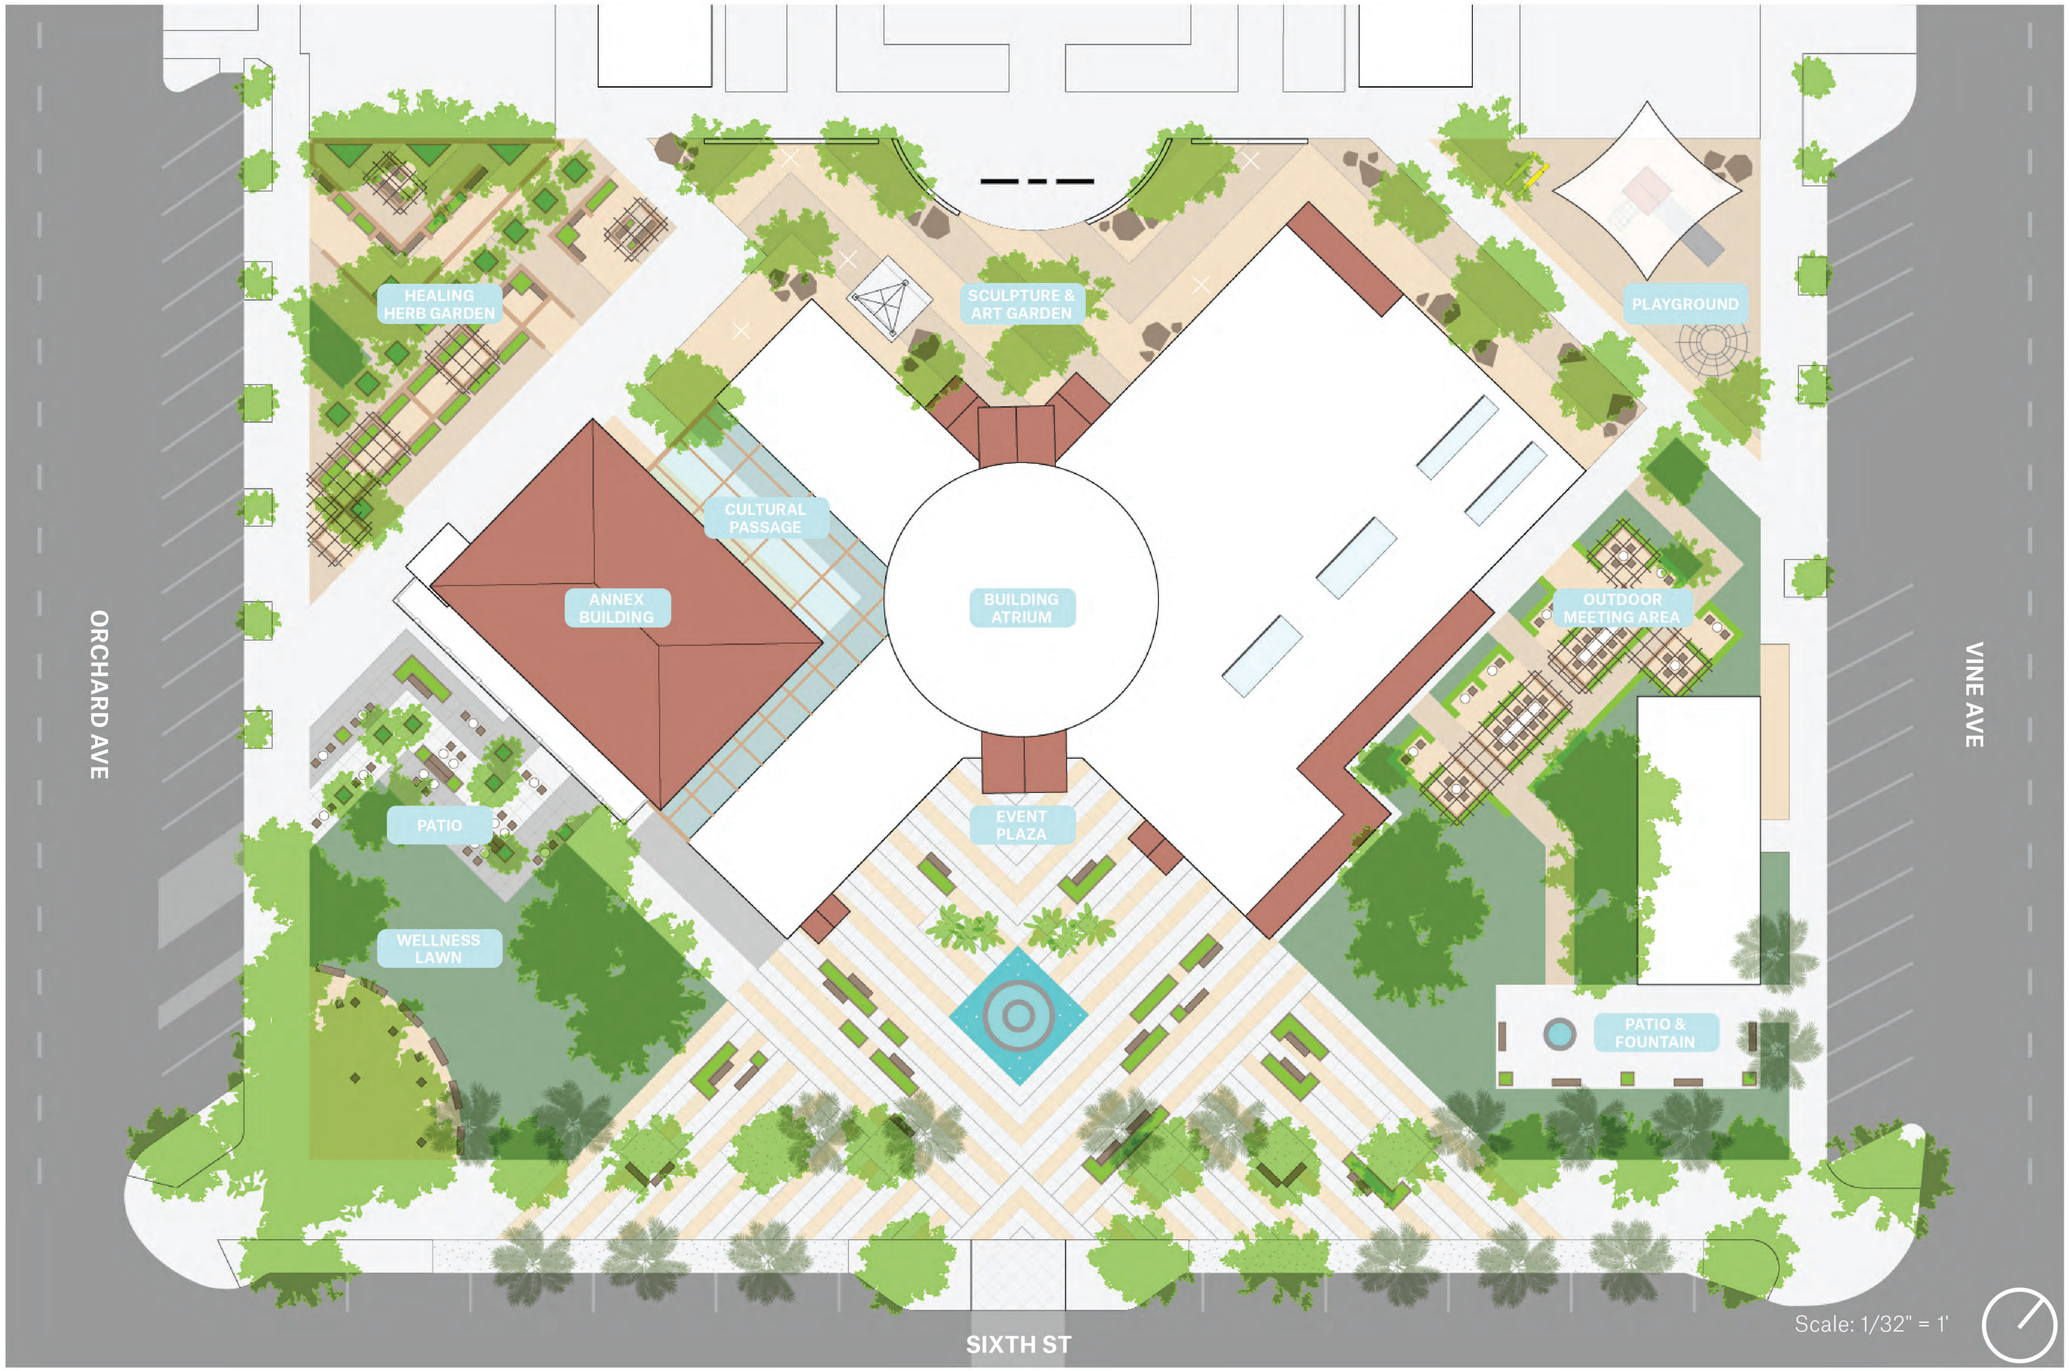
CONTEXT & SITE ORGANIZATION

Coachella City Hall is situated within the lower half of the block created by the intersections of Sixth Street, Orchard Avenue, Fourth Street, and Vine Avenue. Veterans Park, a recently constructed public space project, occupies the top half of the block. The latter half of the block, when cut in half by the extension of Fifth St, comprises the site boundaries for this project.

The existing grounds and landscaping has potential to better accommodate many of the amenities and features Coachella community members want in the CCC.

The reinterpretation of the building and grounds helps meet community needs. The original semi-circular motif - seen in the original entrance and Veterans Park pathways - hsa been replaced with triangular and trapezoidal shapes to encourages movement from the edges of the grounds to the center.

The axis connecting Veterans Park with the CCC is reinforced by removing the walls that originally bisected the block. The axis, filled with arts and cultural programming, extends through the Atrium of the CCC and the Event Plaza to the Library across Sixth Street.



SITE PLAN

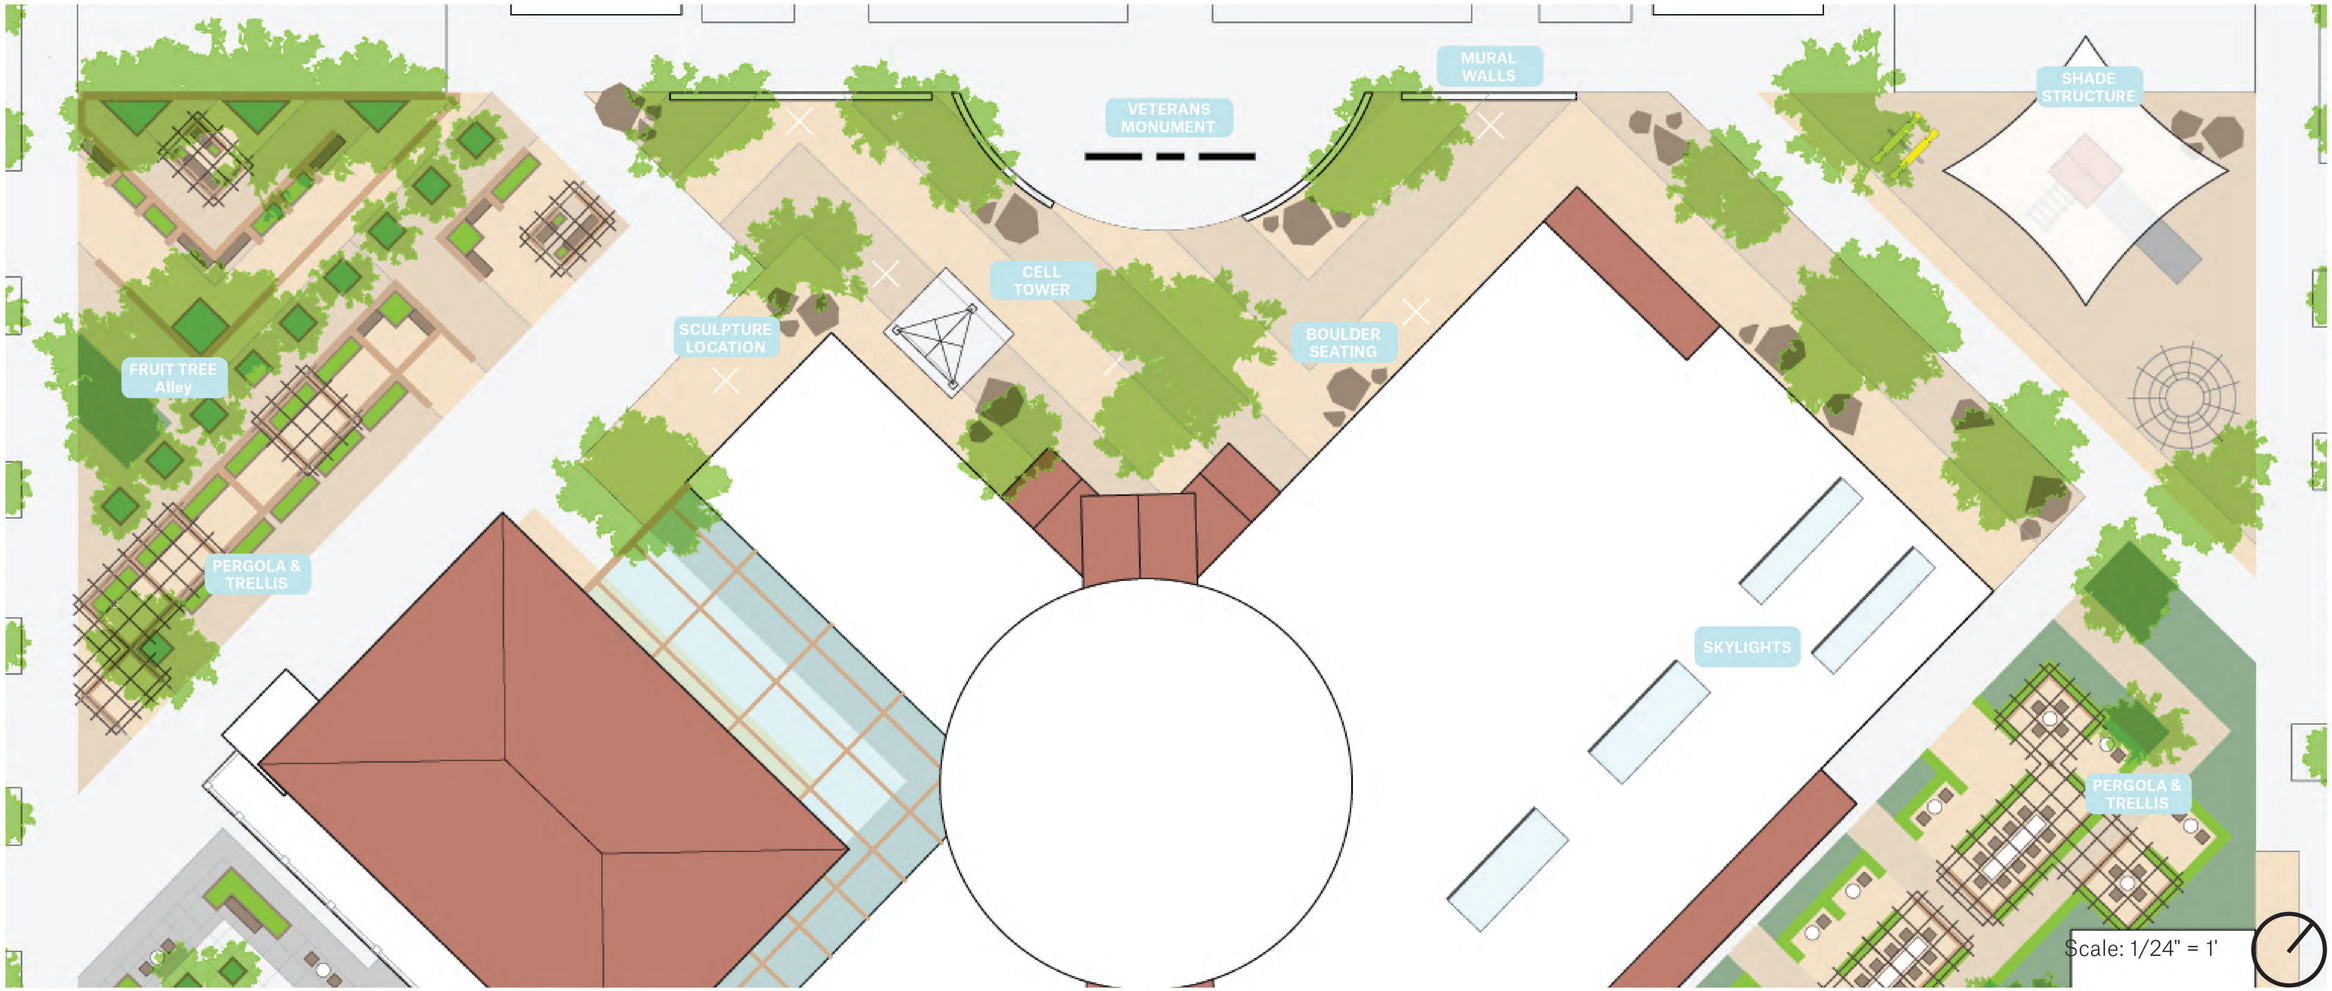
By extending the circulation along the building's edges, diagonal pathways cut establish the four corners that anchor the site. These corners act as programmatic zones that serve different demographics within Coachella's community. Each zone features a unique program, in addition to a variety of natural and constructed shading (e.g. grove of trees and pergolas) and seating (e.g. boulders and benches) options.

All corners point to the heart of the site where the CCC building sits in between the Event Plaza and Sculpture Garden. Although both of these outdoor spaces are important arts and cultural anchors, each cultivates a different atmosphere. The Sculpture Garden offers space for more quiet, contemplative reflection and relaxation, while the Event Plaza encourages larger, active gatherings.

SITE PLAN (CONT.)

In the easternmost corner, visitors will find the Herb Gardens, a shaded and aromatic addition to the grounds. Here, wooden pergolas mix with vine-covered trellises and Corten steel raised beds where community members can cultivate a variety of edible plants and herbs endemic to Southern California. Residents are also encouraged to pick and eat fruit from the Fruit Tree Alley that bisects the gardens. These gardens can also serve as an active learning space for youth that visit the CCC.

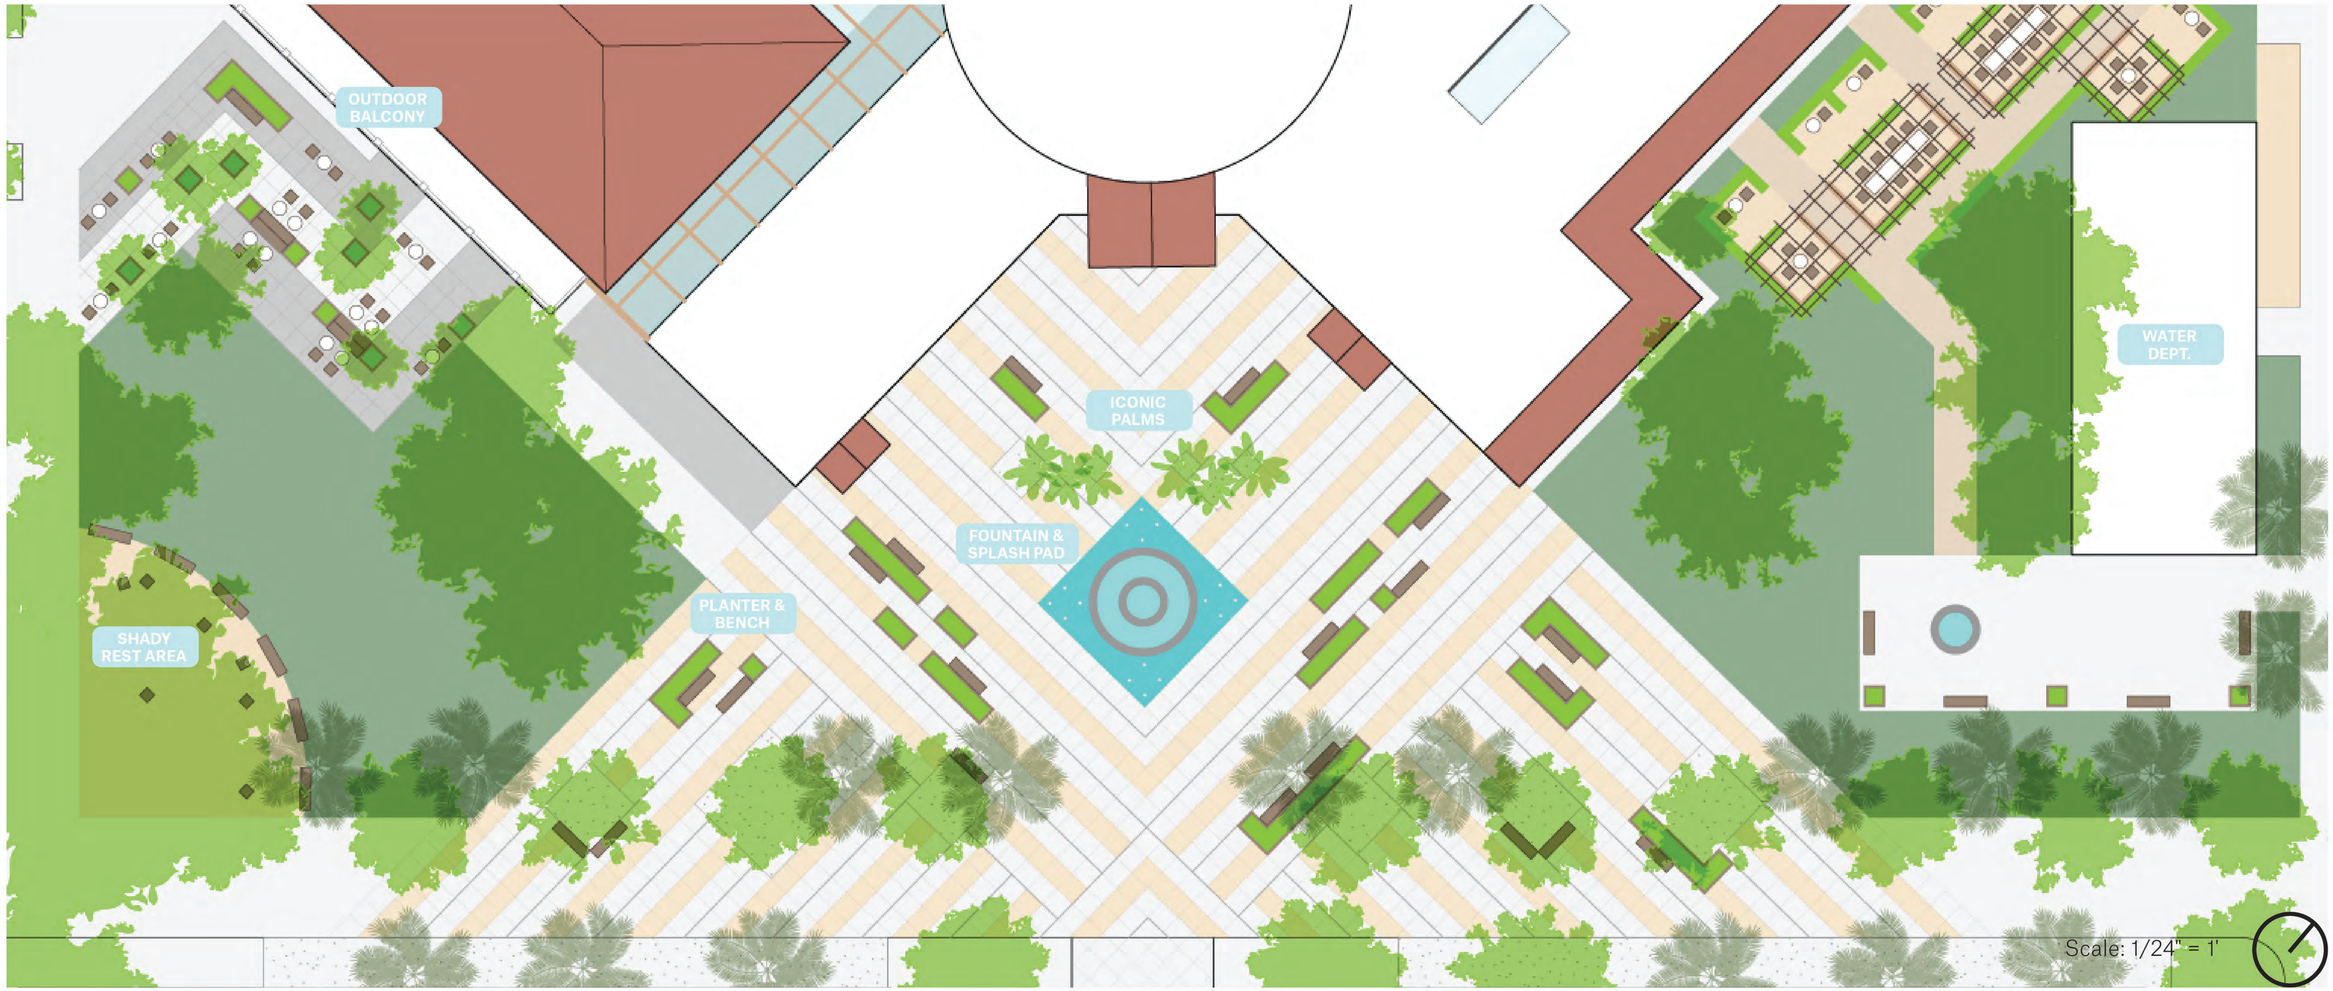
In the North corner underneath an existing shade structure is the revamped playground for children. During community engagement, many residents indicated their desire for new playground infrastructure (existing slides and a playing platform in the shape of a military tank likely pay homage to the Veterans Park and memorial). In response to community feedback, the design team replaced the tank with other play equipment and included several boulders for scrambling and sitting.



SITE PLAN (CONT.)

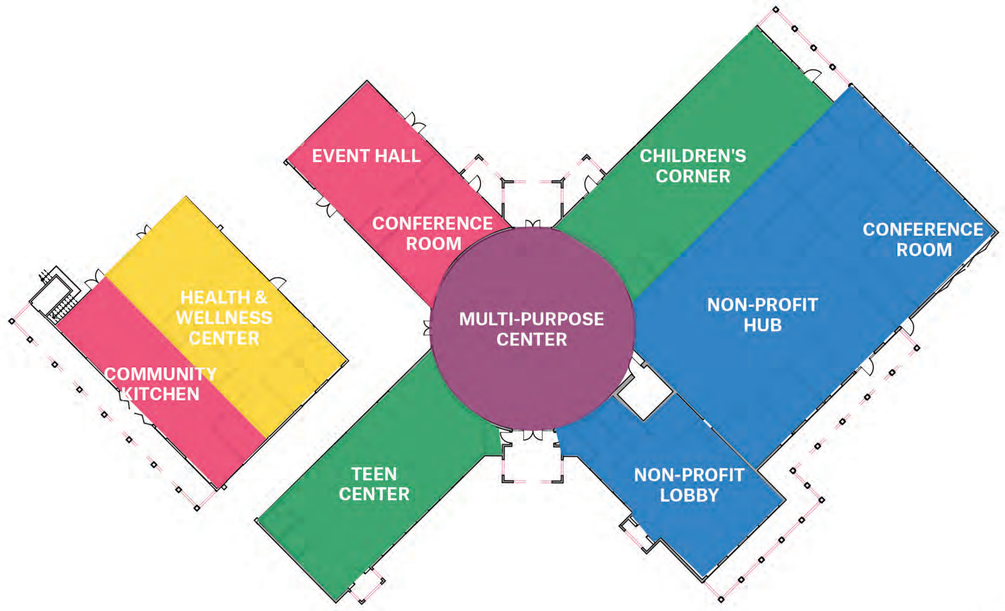
To the south are the Patio and Wellness Lawn. This corner retains all of the large shade trees original to the site, with several seating options dispersed throughout. Tiled pavers create a zig-zag pattern to draw passersby along the sidewalk into the site and onto the Patio. The Patio continues onto the colonnade of the Annex building, crossing the threshold into the Community Kitchen and connecting to the entrance of the Cultural Passage. Visitors on the second floor of the Annex can look out to the Patio and Wellness Lawn from the new outdoor balcony.

In the western corner is the Outdoor Meeting Area and existing Water Department Building. This corner also retains all of the existing large shade trees, while replicating the pergola and trellis shade structures from the Herb Gardens. During the design workshops with the community, many participants expressed interest in additional conference rooms and meeting spaces, so the indoor conference area extends to the outdoors, using natural planting and shading devices as partitions.



BUILDING PROGRAM

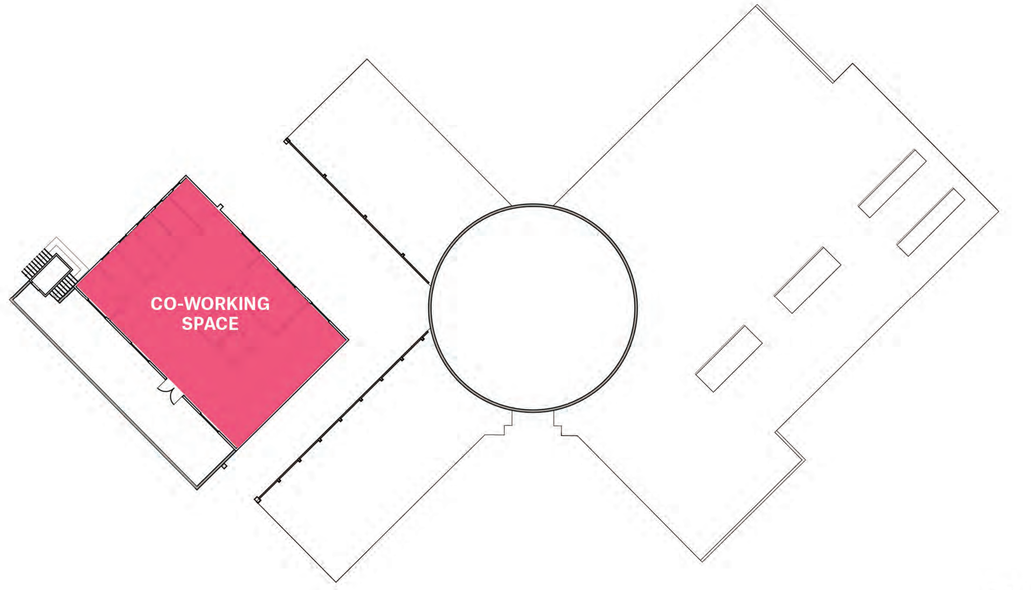
Utilizing the existing architecture, which allows for a multitude of uses to retain privacy while maintaining easy access, the proposed program, chosen by the Coachella community members, has been allocated to the different “spokes” of the building. Greeting the community and anchoring the project is the Atrium, a multi-purpose room at the center of the main building. The Non-Profit Hub occupies the southeastern spoke, which has expanded in floor area. Opposite of each other, to the Northeast and to the Southwest, are the Children’s Center for younger children and the Teen Center for young adults.



TOTAL PROGRAM SQ FT

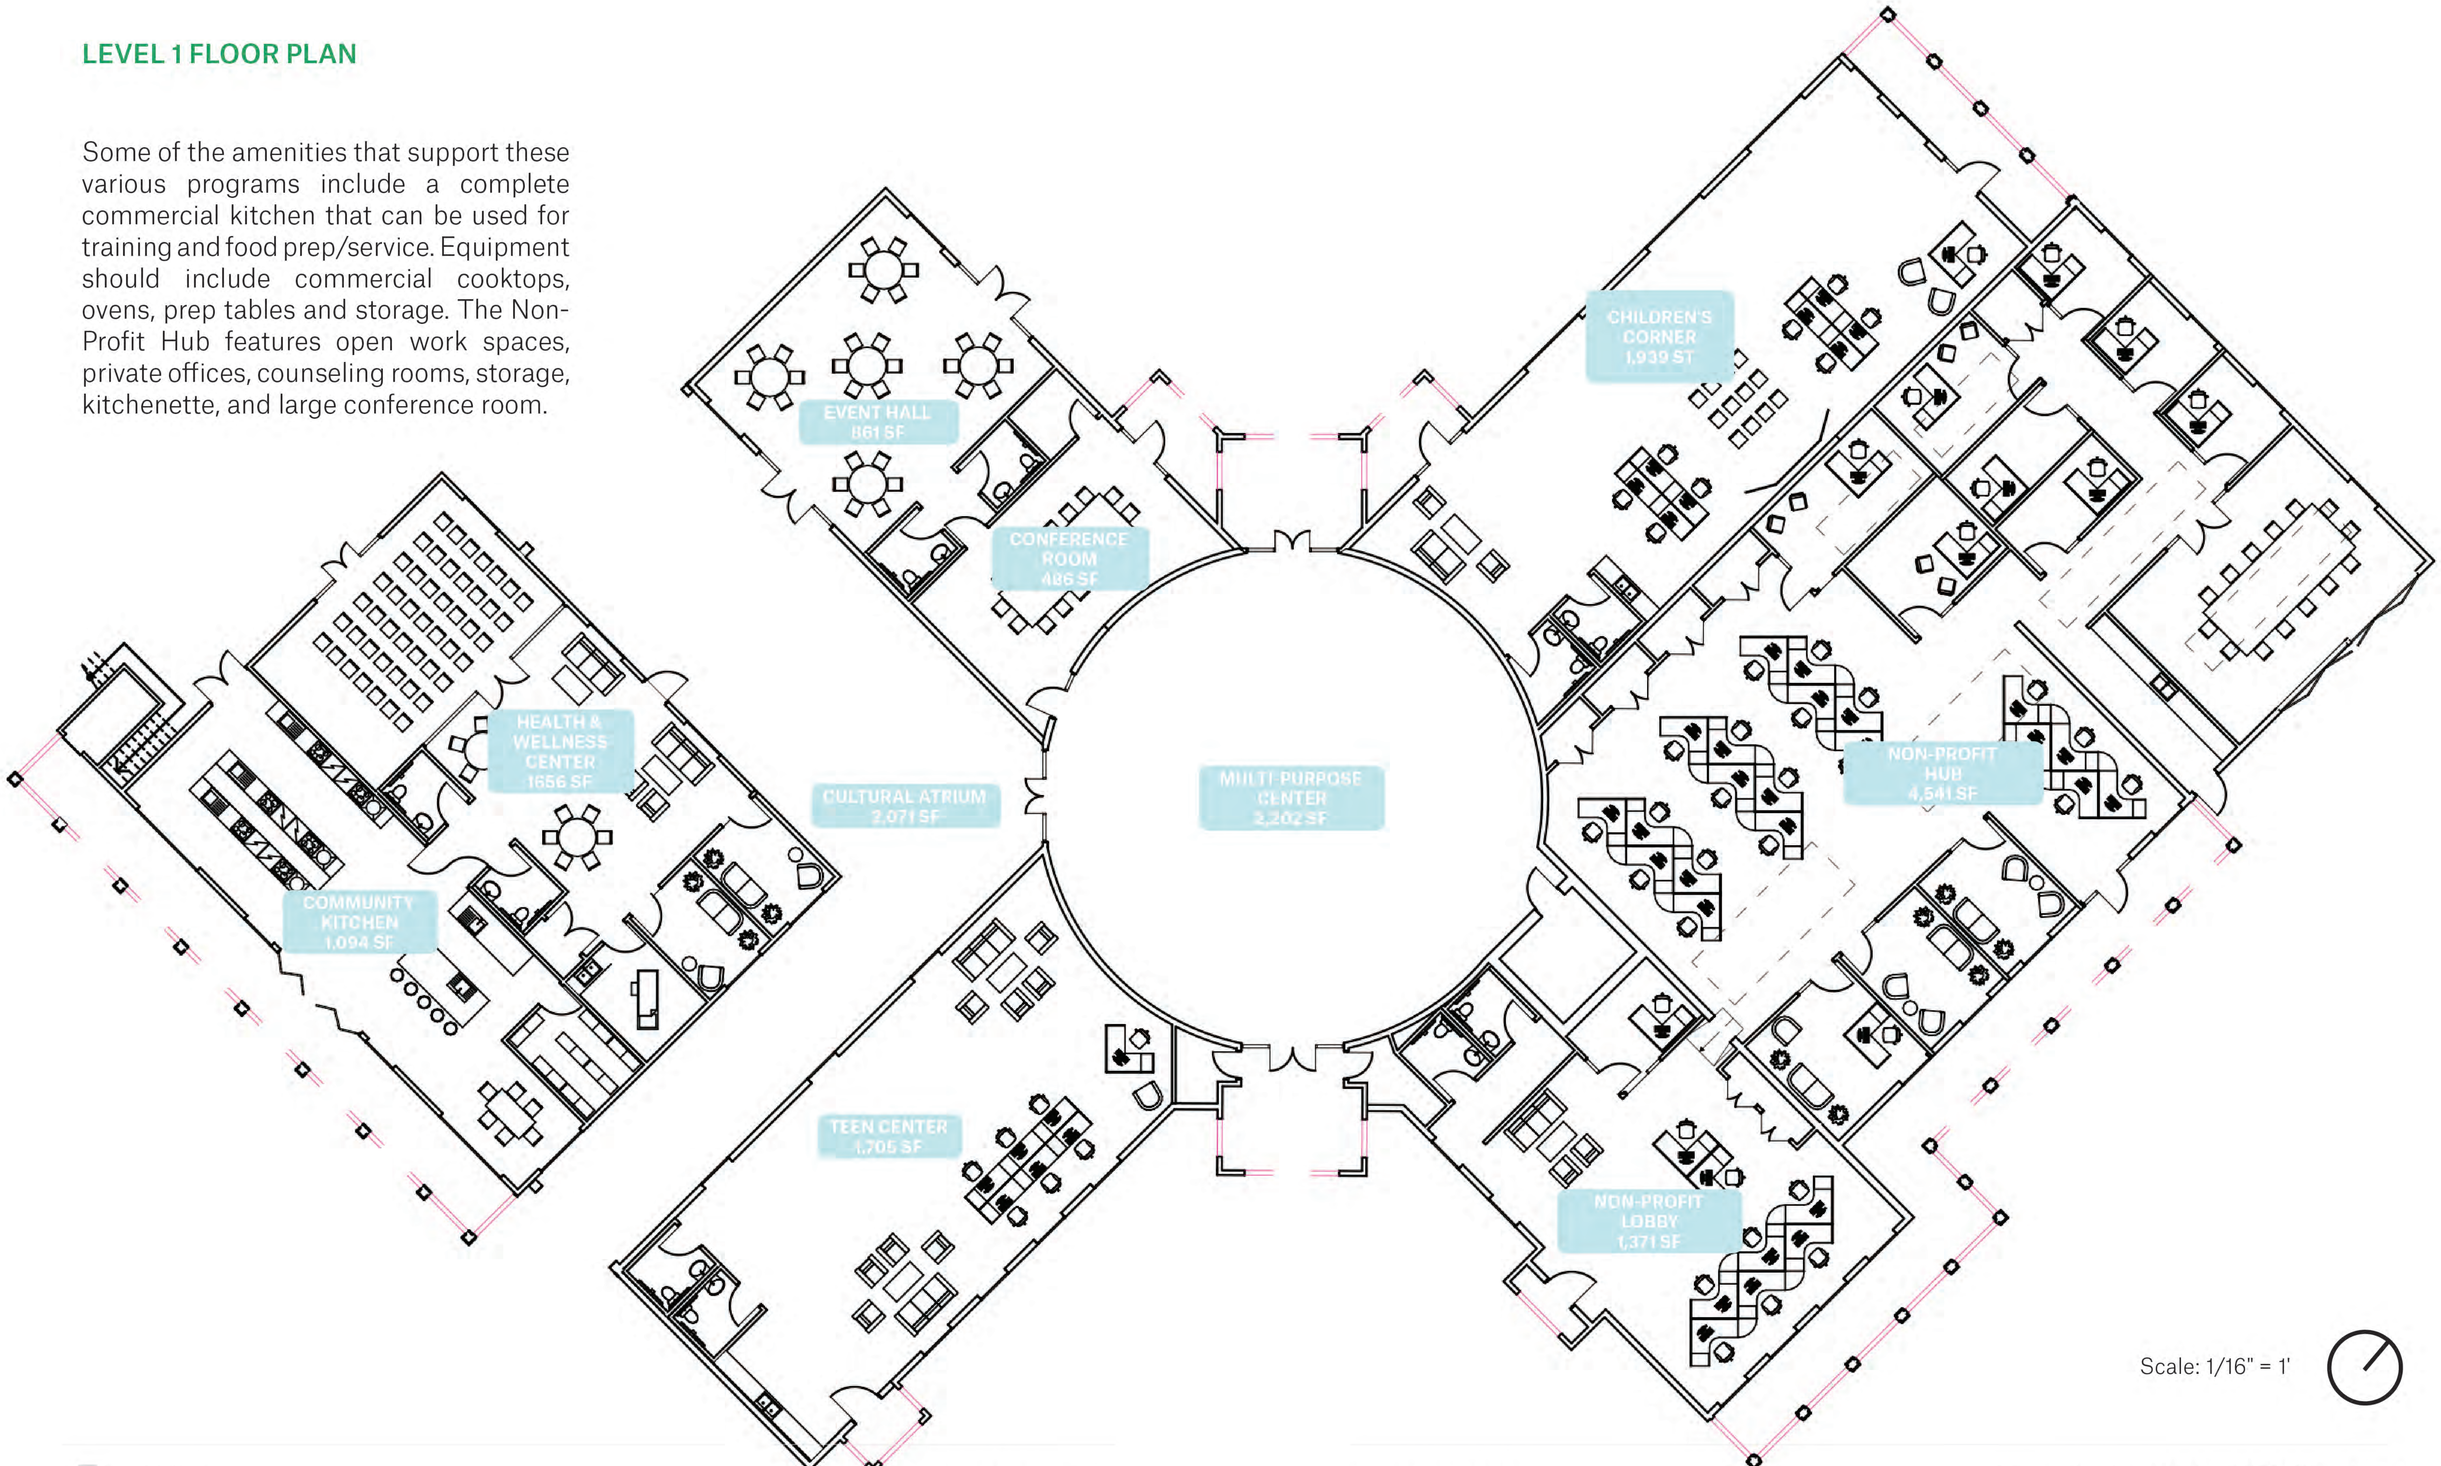
2,202 SF	ARTS AND CULTURE
1,656 SF	HEALTH AND WELLNESS
5,912 SF	PUBLIC SERVICES AND RESOURCES
3,644 SF	YOUTH DEVELOPMENT AND ACTIVITIES
4,081 SF	SMALL BUSINESS AND ECONOMIC DEVELOPMENT

The northwest spoke hosts a large conference room that connects to the Event Hall via the Atrium. Both spaces which can be rented for public and private uses by the community. The Event Hall opens up to the Sculpture Garden and Cultural Passage — a covered, open-air space filled with planting and cultural arts. The Health & Wellness Center and the Community Kitchen is on the ground floor. Coachella residents were enthusiastic about the CCC offering different, but complementary, programmatic elements. The Herb Garden, Community Kitchen, and Patio are one of many examples of reciprocal spaces in the CCC building and grounds. A second floor has been added on top of the existing Annex Building to house co-working space.



LEVEL 1 FLOOR PLAN

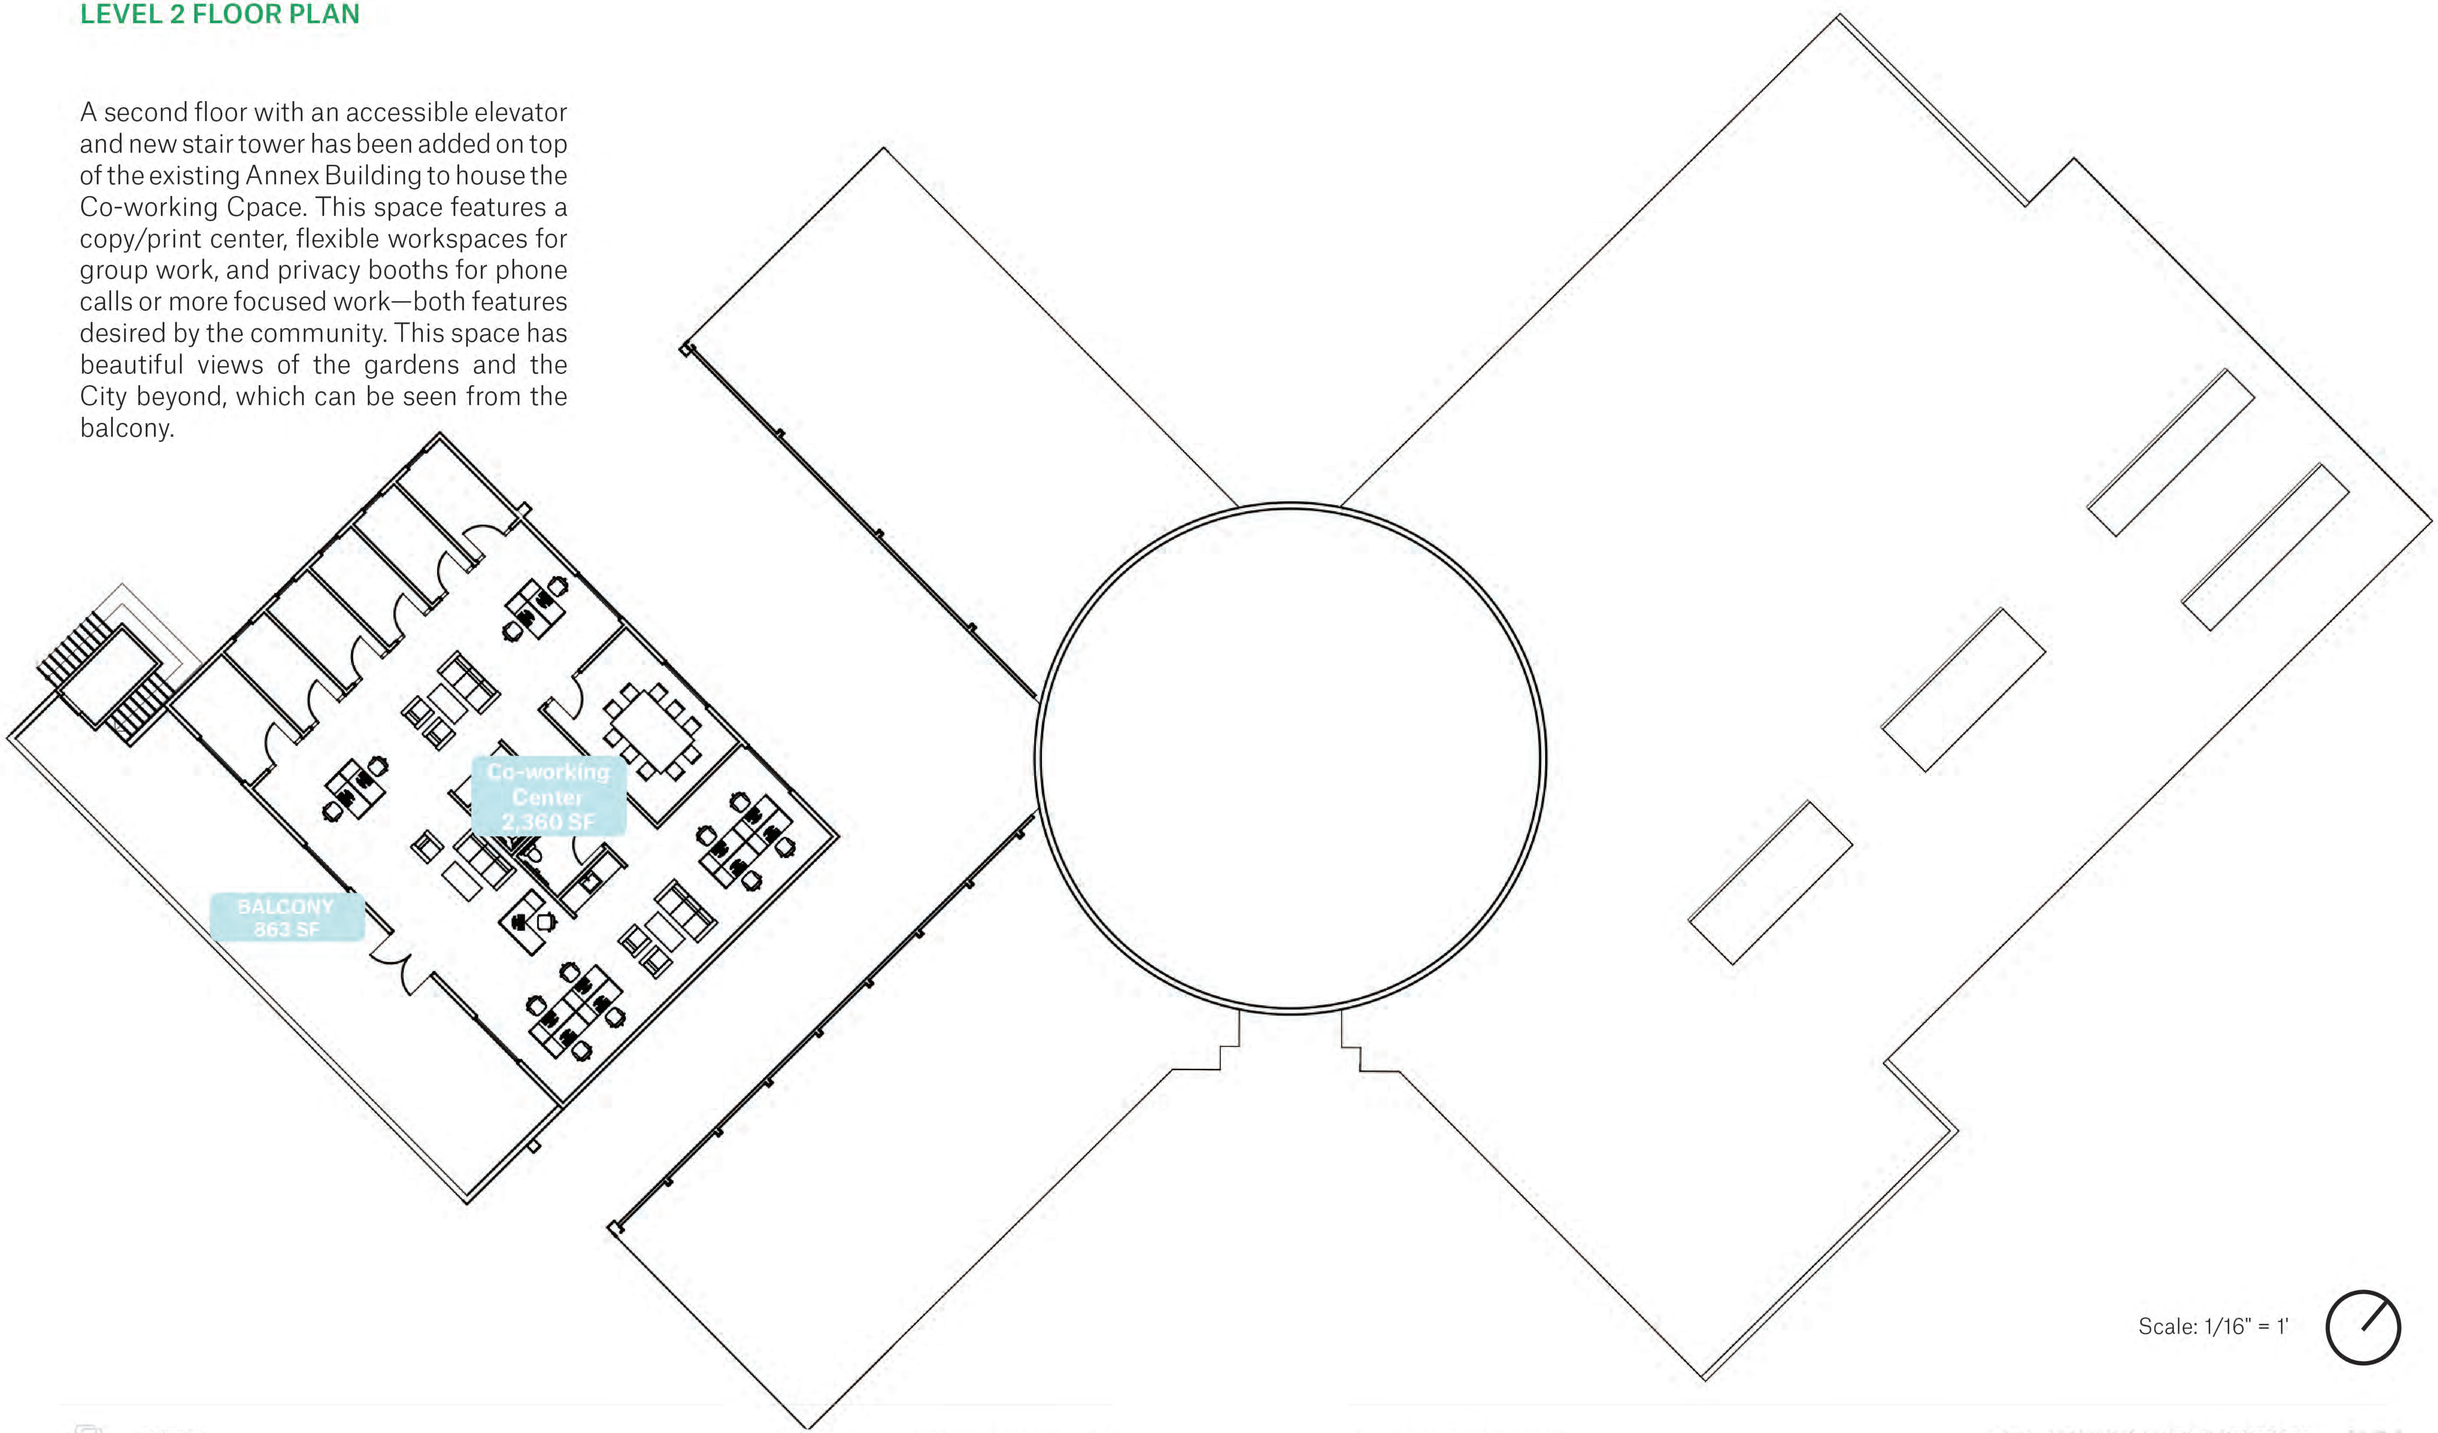
Some of the amenities that support these various programs include a complete commercial kitchen that can be used for training and food prep/service. Equipment should include commercial cooktops, ovens, prep tables and storage. The Non-Profit Hub features open work spaces, private offices, counseling rooms, storage, kitchenette, and large conference room.



Scale: 1/16" = 1'

LEVEL 2 FLOOR PLAN

A second floor with an accessible elevator and new stair tower has been added on top of the existing Annex Building to house the Co-working Cpace. This space features a copy/print center, flexible workspaces for group work, and privacy booths for phone calls or more focused work—both features desired by the community. This space has beautiful views of the gardens and the City beyond, which can be seen from the balcony.



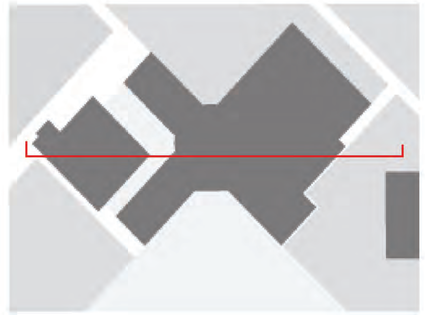
Scale: 1/16" = 1'

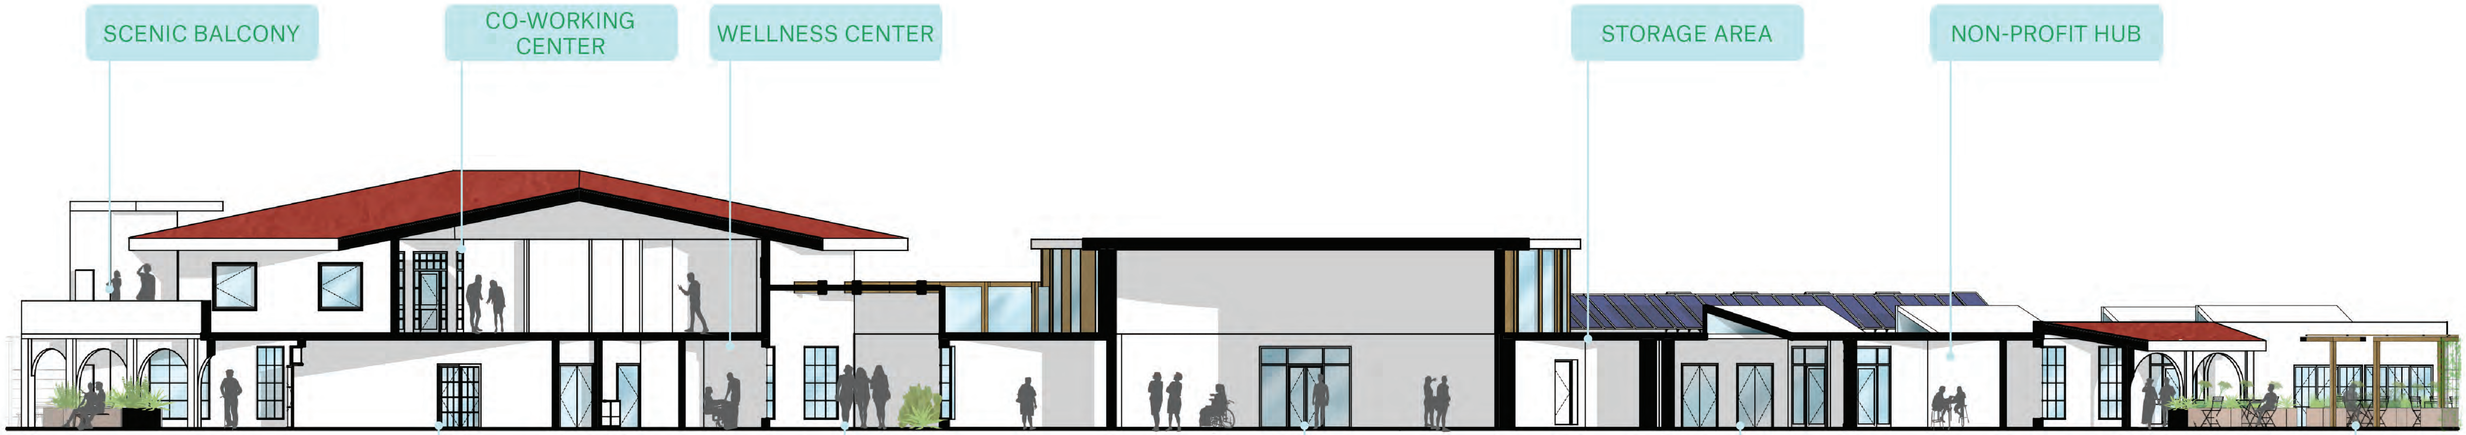
Coachella City Hall, a unique and iconic building in the heart of the City, has been reimagined into a beautiful, functional and sustainable Coachella Community Center. With new massing, extensive new glazing, new façade materials and redesigned entry points, the building combines its history with a contemporary future. The style of the building, an updated and contemporary Spanish Colonial, is consistent with the architectural preferences of the community and takes inspiration from the Library across Sixth Street; sustainable measures such as cool roofs, solar panels and completely new HVAC and Plumbing systems modernize this building into an efficient and striking home for its new program.

LONGITUDINAL SECTION

One of the key moves in reimagining this structure was to elevate its height. Adding a permanent version of the Annex building and including a second story allows for more floor area without dominating the site. Lifting the roof of the central atrium creates a new Multi-purpose Center with the qualities of an open gallery or gymnasium. Skylights further improve the quality of the work environment in the Non-Profit Hub.

KEY PLAN

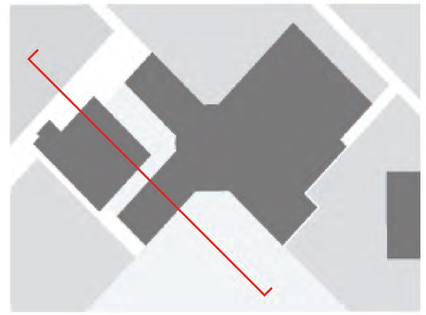


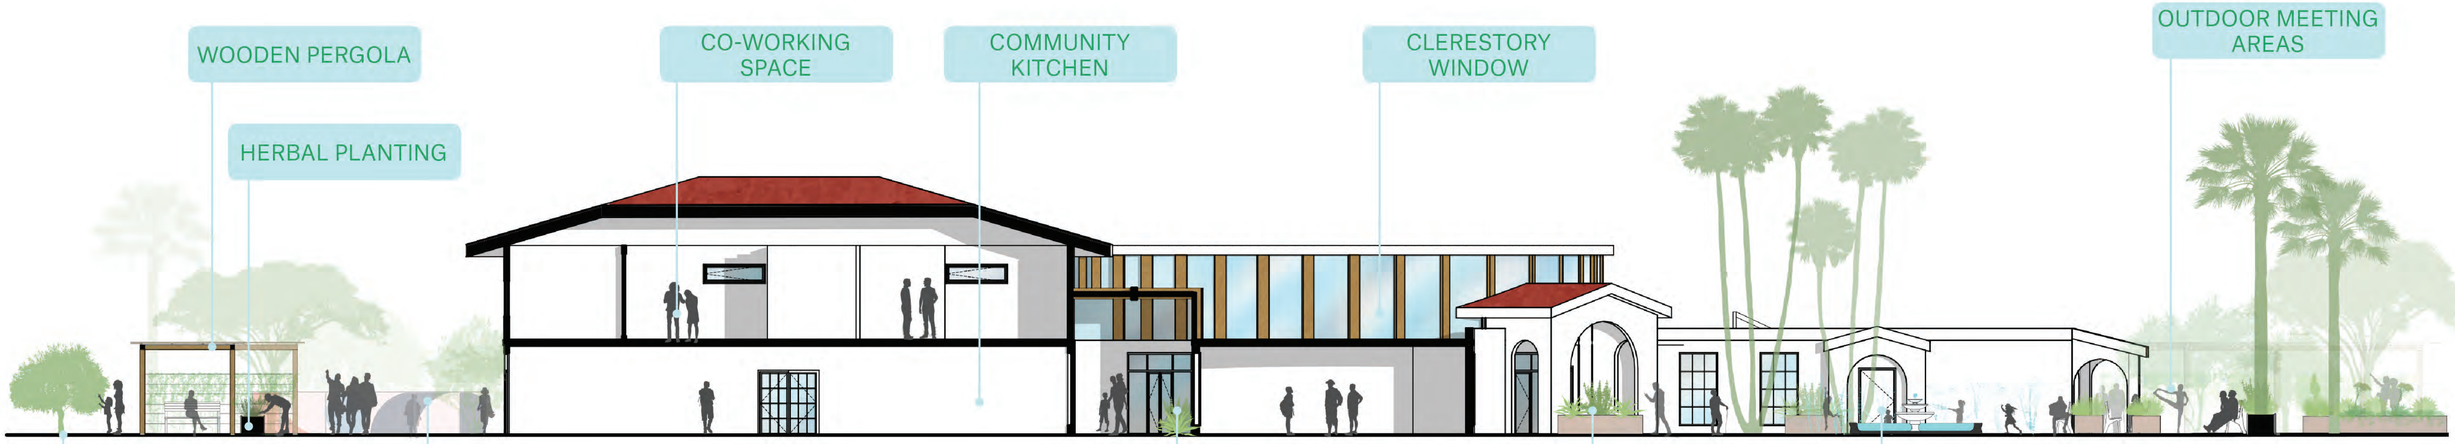


DIAGONAL SECTION

Connectivity was key in redeveloping the old City Hall into the CCC. The original building required users to walk long distances outsde in order to get to another part of the building. By filling in the existing “alley” with a canopy, and opening the adjacent programs into that space, it is much easier to move between the Multi-Purpose Center, where one might take a dance class, and into the Health & Wellness Center, where one might join a group session or have an appointment. The Teen Center and Event Hall also open into this passage, allowing family membesr of all generations to comfortably and safely participate in different programs at the same time.

KEY PLAN





MULTI-PURPOSE ATRIUM

This 2,200 square foot space at the heart of the building complets the arts and cultural axis between the Library and Veterans Memorial Park. The roof has been elevated and a new clerestory of windows with vertical shading devices bring natural light and height to the room. With connections to the Sculpture Garden, Event Plaza, Cultural Atrium and a Conference Room and Storage, the potential uses include health and wellness classes and workshops, cultural events and festivals, businesses development seminars and job fairs, private events like Quinceañeras and more.

KEY PLAN

CULTURAL PASSAGE

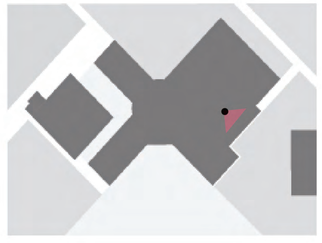
Connecting the main building and the new, two-story annex is an indoor-outdoor passage that is covered by a glazed canopy with shading devices. Plants, art, sculpture and other artifacts that reflect the history and the culture of Coachella fill the passage. This will become a peaceful place for people to gather before and after classes, a colorful place for photography of weddings/engagements or Quinceañeras, and a place of pride for the community to showcase its heritage.

KEY PLAN

CONFERENCE ROOM

One of the main features of the Non-Profit Hub is the Conference Room. This 500 square foot room allows for small and large gatherings. With skylights and lots of windows, this is an ideal place to conduct training, have meetings and conduct presentations. Doors open to the wi-fi-equipped Outdoor Meeting Area that helps provide healthy work environments.

KEY PLAN



PATIO

The Community Kitchen is designed to be an active hub of training and service. A shaded colonnade connects the kitchen to an outdoor dining and gathering space, offering opportunity for food entrepreneurs using the Community Kitchen to host pop-events to test new products and build their business.

KEY PLAN

COST ESTIMATES

This is a high-level, rough order of magnitude (ROM) estimate that KDI and Relativity Architects assembled for construction and development costs associated with the proposed renovation and expansion of Coachella City Hall into a multi-use Community Center with new outdoor landscaping and programming. This ROM estimate is at a conceptual design level and is based on an average of similar project costs from 2018-2020 in Los Angeles County. Escalation, existing conditions, abatement, local construction rates, off-site improvements and any processes or approvals outside of the typical development process are not reflected. The accuracy of these numbers is not guaranteed.

It is strongly recommended that a general contractor from the Coachella Valley be engaged in a formal cost estimation scope in order to determine an accurate project budget.

ESTIMATE BREAKDOWN

DESCRIPTION	QUANTITY (SF)	UNIT COST	ESTIMATE
DEMOLITION			$50,000
RENOVATED AREAS (FFE INCLUDED)	13,500 SF	$285	$3,847,500
NEW CONSTRUCTION (FFE INCLUDED)	5,450 SF	$345	$1,880,250
SITE WORK & LANDSCAPING	60,000 SF	$55	$3,300,000
BUILDER COSTS		15%	$1,361,663
SUBTOTAL HARD COSTS			**$10,439,413**
CONTINGENCY			$3,131,824
TOTAL HARD COSTS		30%	**$13,521,236**
SOFT COSTS		15%	$2,028,185
CIVIL ENGINEERING, SOILS, ENVIRONMENTAL REPORTS, SURVEYS			
ARCHITECT, LANDSCAPE ARCHITECT, MEP & STRUCTURAL ENGINEERING			
ENTITLEMENTS & PERMIT FEES			
TOTAL SOFT COSTS			**$2,028,185**

RECOMMENDATIONS

Next Steps 82

NEXT STEPS

This Feasibility Study demonstrates the need, market, and potential design of the CCC. However, additional community engagement, design development, and a strategic funding and building management plan are necessary to bring the project to life. The following list is not comprehensive, but instead lays out a few of the important next steps to translate this Study into a built project:

1 ENGAGE PARTNER ORGANIZATIONS AND FORM CCC STEERING COMMITTEE

The City of Coachella should engage partner organizations and agencies to identify the organizations that would offer programs identified in this Study. The City should invite partner organizations to join a CCC Steering Committee to provide feedback on next steps. The CCC Steering Committee should also include Coachella residents that represent a diversity of age and background.

2 DEVELOP FUNDING STRATEGY AND PROJECT BUDGET

The City, in partnership with the CCC Steering Committee, should develop a budget for building and landscape design and construction, as well as an ongoing maintenance and operations budget. Funding sources could include government (federal, state, and local), foundation, and corporate grants, rental revenues, New Market Tax Credits, and more.

3 FINALIZE BUILDING DESIGN THROUGH COMMUNITY-LED PROCESS

The City, in partnership with KDI and Relativity Architects, should engage community members in a community-led design process to finalize detailed building and landscape design.

4 CREATE FACILITY MANAGEMENT PLAN

The City, in partnership with the CCC Steering Committee, should develop a Facility Management Plan. The CCC could be managed by City staff in a new or existing department or the City could consider hiring a local non-profit organization to manage then CCC.

APPENDIX II: POTENCIAL FUNDING RESOURCES

GENERAL

Riverside County- Community Development Block Grant. The Community Development Block Grant (CDBG) is a Federally funded block grant program created by Congress in 1974, with the overall goal to develop viable urban communities by providing decent housing and a suitable living environment primarily for low-mod income persons. Available Online.

SMALL BUSINESS AND ECONOMIC DEVELOPMENT

California Employment Training Panel Grant. $75,000-$750,000; Cycle continuous. The Employment Training Panel (ETP) provides funding to employers to assist in upgrading the skills of their workers through training that leads to good paying, long-term jobs, including groups of employers such as Chambers of Commerce, Joint Apprenticeship Training Committees, Trade Associations or Economic Development Corporations. Available Online.

The Small Business Administration works with different organizations to provide federal financial assistance (grants) community resources for certain small businesses. If you can't find any grants that fit your profile, you can see if you qualify for any of our funding programs, or schedule to meet with a counselor to talk about financing your business. Available Online.

SCORE's mission is to foster vibrant small business communities through mentoring and education. With the nation's largest network of volunteer, expert business mentors, SCORE has helped more than 11 million entrepreneurs since 1964. Available Online.

GREEN SPACE AND INFRASTRUCTURE

CalEPA- Environmental Justice Small Grants. $50,000 (Max); Anticipate solicitation in May 2021. Grants are awarded on a competitive basis for projects that are based in communities with the most significant exposure to pollution. Available Online.

California Natural Resources Agency- Urban Greening. $28.5 million left to be awarded; Application postponed. Eligible urban greening projects will reduce GHG emissions and provide multiple additional benefits, including, but not limited to, a decrease in air and water pollution or a reduction in the consumption of natural resources and energy. Eligible projects will result in the conversion of an existing built environment into green space that uses natural and green infrastructure approaches to create sustainable and vibrant communities. Available Online.

California Natural Resources Agency- Green Infrastructure Program. $50,000-$3 million; New cycle TBD. All projects must achieve measurable benefits by a) acquiring, creating, enhancing or expanding community parks and green spaces, or b) use natural systems, or systems that mimic natural systems to achieve multiple benefits to create sustainable and vibrant communities. Available Online

California Department of Parks and Recreation-Rural Recreation, Tourism and Economic Enrichment Investment Program. Maximum and minimum grant amounts to be determined through public hearing process; TBD. Based on future state budget appropriation. The program will fund projects that provide new recreational opportunities in rural communities that have demonstrated deficiencies and lack of outdoor infrastructure in support of economic and health- related goals. Available Online

California Department of Parks and Recreation-Statewide Park Development and Community Revitalization Program (SPP). $200,000-$2 million; Anticipate solicitation early 2021. SPP will fund acquisition and development construction projects to create new parks and new recreation opportunities in underserved communities across California. Available Online.

Coachella Valley Mountains Conservancy- Coachella Valley Proposition 68 Parks, Conservation Land Access and Climate Change Response Grant Program. $6.7 million left to award; Cycle continuous. Expand recreational and educational use of conservation lands and improve sustainability in the Coachella Valley. Available Online.

CN EcoConnexions From the Ground Up

CN EcoConnexions From the Ground Up supports collaborative community greening projects that enhance landscapes in communities neighboring CN rail lines to meet the following objectives: Enhance the quality of life in cities, villages, and townships. Promote public health benefits through the proper planting and care of trees and plants. Ensure that community landscapes provide ecosystem services – clean air and water, increased property values, reduced erosion and stormwater runoff, wildlife habitat, moderated temperatures, lessened energy demands, and year-round enjoyment. Enhance community tree canopy by properly planting diverse, quality trees for long-term sustainability and resistance to future pests. Beautify community gateways and create significant landscapes demonstrating the contribution of flowers and plants to growing community pride and economic vitality. Leverage CN EcoConnexions From the Ground Up grant support to catalyze strong and enduring community partnerships to undertake and sustain community greening efforts. Provide opportunities for CN and its neighbors to work together towards shared goals of environmental stewardship. Support long-term community greening through ongoing involvement in America in Bloom. Available Online

Transformative Climate Communities Program (Implementation Grants). $28.2 million (Max); 3rd round of funding opens June 2020. The Transformative Climate Communities (TCC) Program funds development and infrastructure projects that achieve major environmental, health, and economic benefits in California's most disadvantaged communities. Available Online.

TEEN CENTER

Anderson Children's Foundation. $3,000-40,000 Grant; Application opens 2/01/2020. Must be (1) serving youth under age 18 in the Coachella Valley of Riverside County, California; (2)Non-profit with official 501c3 or other tax exempt status. Available Online

California Natural Resources Agency- Youth Community Access. $50,000-$300,000; Public comment period has been extended. This program is a competitive grant program to support small capital asset projects, public programs, educational programs, job training programs, and outreach programs to support youth access to natural and cultural resources. Available Online.

Kinder Morgan Foundation Education Grants

In an effort to support tomorrow's leaders, the Kinder Morgan Foundation funds programs that support the academic and artistic growth of young people. Eligible programs must benefit K-12 youth in communities where Kinder Morgan operates. Areas of focus are academic programming (including tutoring) and arts education, and grant amounts range from $1,000 to $5,000. Deadline: the 10th of every month. Available Online

My Brother's Keeper Community Challenge Competition

The Obama Foundation recently announced that it will launch a competition for community-based organizations who want to reduce youth violence and increase the kind of mentoring that can change lives for young men of color. Winners will work with teams of experts to support planning, implementation, and infrastructure development, and they'll also get matching funds to hire a local project lead and planning grants of up to $500,000 to help jump-start initiatives and raise additional resources. The RFP is open to organizations in the 250 communities who accepted President Obama's My Brother's Keeper Community Challenge. Deadline: TBA. Available online

Mazda Foundation Education Grants

The Mazda Foundation is offering grants to nonprofits with programs emphasizing education and literacy, environmental conservation, cultural education, social justice, or scientific research. Mazda prioritizes organizations in areas where they have offices (Irvine, CA; Bridgewater, NJ; Chicago, IL; Sugarland, TX; and Jacksonville, FL). Applicants who submit a project of interest to Mazda will need to send a formal proposal. If interested, Mazda may schedule a meeting for further discussion. Applications accepted May 1 to July 1, annually. Available Online

Oriental Trading Company Education Grants

The Oriental Trading Company Giving program aims to enrich the lives of children through education, youth programming, and healthcare and human services. Eligible organizations include 501(c)(3) tax exempt organizations and public schools, colleges, and universities. Deadline: Rolling. Available Online

SPIE Education Outreach and Sustaining Grants

The International Society for Optics and Photonics (SPIE) provides grants to projects relating to optics and photonics, as well as STEM projects involving optics and photonics. Applicants must display "potential to impact students and increase optics and photonics awareness" and will be judged on that criteria among others. Organizations that receive Education Outreach Grants twice in five years may only apply for a Sustaining Grant. SPIE grants have limits on what they can be used for. Deadline: May 31, annually. Available Online

The Barney Family Foundation Grants

The Barney Family Foundation makes grants of up to $50,000 in the educational field, particularly those that benefit children in grades K-8, with emphasis on creating opportunities for better education. The Foundation seeks original ideas with well-outlined plans for project implementation that will lead to tangible, replicable improvements in children's experiences. Grant-seeking organizations may work directly with children and families or may work on research, policy, and advocacy that demonstrably improves the lives of young people. Deadline: September 30, annually. Available Online

CHILD CARE

Child Care and Development Fund

CCDF is administered by the Office of Child Care (OCC) within the Administration for Children and Families (ACF), HHS and provides grants to States, Territories, and Tribes to assist low-income families, families receiving temporary public assistance, and those transitioning from public assistance in obtaining child care so they can work or attend education and training programs. Grantees must serve children younger than 13 years, however, some grantees may also elect to serve children ages 13 to 19 who are physically or mentally incapacitated or under court supervision. Available Online

Head Start/Early Head Start

The Office of Head Start, within HHS, provides grants to local public and private nonprofit and for-profit agencies to administer Head Start and Early Head Start programs. These programs provide child-focused services to children from birth to age 5, pregnant women and their families, and have the overall goal of increasing the school readiness of young children from low-income families. Available Online

Preschool Development Grant Program

These grants will help States, local education agencies, and local governments build the fundamental components of a high-quality preschool system or expand proven early learning programs. To be eligible for funding, prospective grantees must describe how

they will expand access to children from low- to moderate-income families, ensure an adequate supply of high-quality preschool slots and qualified teachers, monitor for continuous improvement, partner with local education agencies and other providers, and sustain high-quality services after the grant period. Available Online

COMMUNITY/COMMERCIAL KITCHEN

Annie's Grants for Gardens

Grants to develop edible garden projects that help connect kids to nutritious food. Geographic coverage: Nationwide. Application Deadline: Nov 2, annually. Sponsor: Annie's Homegrown, Inc. Available Online

Farmers Market Promotion Program

The Farmers Market Promotion Program (FMPP) funds projects that develop, coordinate and expand direct producer-to-consumer markets to help increase access to and availability of locally and regionally produced agricultural products by developing, coordinating, expanding, and providing outreach, training, and technical assistance to domestic farmers markets, roadside stands, community-supported agriculture programs, agritourism activities, online sales or other direct producer-to-consumer (including direct producer-to-retail, direct producer-to-restaurant and direct producer-to-institutional marketing) market opportunities.

Healthy Food Financing Initiative Technical Assistance

Technical assistance for early stage healthy food access projects in underserved areas with a focus on management, financial health, and operations. Geographic coverage: Nationwide. Applications accepted on an ongoing basis. Sponsors: Reinvestment Fund, U.S. Department of Agriculture. Available Online

Robert Wood Johnson Foundation Pioneering Ideas Brief Proposals

Grants for innovative projects that are working to build a culture of health, ensuring that everyone has access to the care they need and all families have the opportunity to make healthier choices. Geographic coverage: Nationwide. Applications accepted on an ongoing basis. Sponsor: Robert Wood Johnson Foundation. Available Online

Walmart Foundation Community Grant Program

Grants to support the needs of local communities in the areas of hunger relief and healthy eating, health and human services, quality of life, education, community and economic development, diversity and inclusion, public safety, and environmental sustainability. Geographic coverage: Nationwide. Application Deadline: Dec 31, annually. Sponsor: Walmart Foundation. Available Online

HEALTH AND WELLNESS CENTER

Advancing Wellness Grants

The California Wellness Foundation invests to advance wellness in California communities, cities and counties, and statewide. To get a grant, work must fit into one or more of their specific priority areas: Health Care, Healthy and Safe Neighborhoods, Education and Employment, Health Policy and Strengthening the Sector. Application process begins with an LOI. Available Online

Community Access to Child Health (CATCH) Planning and Implementation Grants

Funding to support pediatricians and fellowship trainees in the initial planning and/or pilot stage of implementing innovative, community-based projects to increase children's access to optimal health and well-being and address unmet child health needs. Offers up to 7 rural-focused awards in 2021. Geographic coverage: Nationwide and U.S. Territories. Application Deadline: Jan 27, annually. Sponsor: American Academy of Pediatrics. Available Online

Kaiser Permanente-Riverside Service Area's Community Health Grant Program. $5,000-$25,000. TBD. Kaiser Permanente Riverside Service Area's Community Health Grant Program aims to assist organizations with capacity building and program support that address critical needs in our culturally diverse communities with an emphasis on under-resourced populations. Available Online.

Robert Wood Johnson Foundation Pioneering Ideas Brief Proposals

Grants for innovative projects that are working to build a culture of health, ensuring that everyone has access to the care they need and all families have the opportunity to make healthier choices. Geographic coverage: Nationwide. Applications accepted on an ongoing basis. Sponsor: Robert Wood Johnson Foundation. Available Online

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Gabriel Perez, Assistant Community Development Director

SUBJECT: Ordinance No. 1171 amending various provisions of the Coachella Municipal Code regarding Interim Outdoor Commercial Cannabis Cultivation in the City's Agricultural Sector. City-Initiated. *(2nd Reading)*

STAFF RECOMMENDATION:

Staff recommends that the City Council adopt Ordinance No. 1171 to amend various provisions of the Coachella Municipal Code regarding interim outdoor commercial cannabis cultivation in the City's agricultural sectors.

BACKGROUND:

On July 14, 2021 the City Council introduced for first reading, by title only, the attached Ordinance No. 1171 which will amend the City's Municipal Code in order to regulate "interim outdoor cannabis cultivation" uses in the City's agricultural sector located in the geographic area bounded by Vista del Sur on the north, Tyler Street and 86-S Expressway on the west, Avenue 52 on the south, and the All-American Canal on the east. At the meeting, the Council identified that the proposed distance restrictions would significantly reduce the opportunity for the proposed interim cultivation use in the targeted geographic area and removed the proposed distance restrictions of five hundred (500) feet from another interim outdoor commercial cannabis cultivation use and six hundred (600) feet from any residentially-zoned lot. A conditional use permit with a term of years will be required in order to establish one of these new cannabis businesses.

DISCUSSION/ANALYSIS:

Ordinance No. 1171 will allow "interim outdoor commercial cannabis cultivation" uses in the agricultural and remote areas of the City with a conditional use permit and subject to certain property development standards. Additionally, there will be a durational time element for this activity, which effectively terminates the CUP, restricting the use to the sooner of 48 months or the construction of the first phase of development on the site. A covenant may be recorded on the property to put successors in interest on notice of this limitation on the entitlement.

The Planning Commission and City Council both reviewed and approved the draft ordinance and have voted to approve the necessary amendments to the Coachella Municipal Code. The ordinance

will amend various provisions of the Zoning Code, and the Cannabis Regulatory Permitting procedures contained in the City's Business Licenses and Regulations Code.

FISCAL IMPACT:

None.

ALTERNATIVES:

1) Adopt Ordinance No. 1171.
2) Take no action.
3) Continue this item and provide staff with direction.

RECOMMENDED ALTERNATIVE(S):

Staff recommends Alternative #1 above.

Attachments: Ordinance No. 1171 – 2nd Reading

ORDINANCE NO. 1171

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, AMENDING VARIOUS PROVISIONS OF THE COACHELLA MUNICIPAL CODE REGARDING INTERIM OUTDOOR COMMERCIAL CANNABIS CULTIVATION IN THE CITY'S AGRICULTURAL SECTOR. CITY-INITIATED.

WHEREAS, pursuant to the authority granted to the City of Coachella ("City") by Article XI, Section 7 of the California Constitution, the City has the police power to regulate the use of land and property within the City in a manner designed to promote public convenience and general prosperity, as well as public health, welfare, and safety; and,

WHEREAS, adoption and enforcement of comprehensive zoning regulations and business license regulations lies within the City's police power; and,

WHEREAS, on November 8, 2016, California voters passed Proposition 64, the Control, Regulate and Tax Adult Use of Marijuana Act ("AUMA"), legalizing the use and possession of cannabis and cannabis products by adults aged 21 years and older; and,

WHEREAS, on June 27, 2017, Governor Brown signed into law Senate Bill 94, which created a single regulatory scheme for both medicinal and non-medicinal cannabis known as the Medicinal and Adult-Use Cannabis Regulation and Safety Act ("MAUCRSA"); and,

WHEREAS, MAUCRSA allows local jurisdictions to allow or prohibit the various commercial cannabis activities which are allowed by the State, including outdoor cannabis cultivation; and,

WHEREAS, the proposed Ordinance would amend Title 5 (Business Licenses and Regulations), Chapter 5.68 to (i) allow outdoor commercial cultivation; (ii) provide additional application and operational requirements for outdoor commercial cultivation; and (iii) comply with current City policies and State law; and,

WHEREAS, the proposed Ordinance would also amend Title 17 (Zoning), Chapters 17.10, 17.12, 17.14, and 17.85 to (i) allow outdoor commercial cultivation in certain City zones and subject to certain property development standards, and (ii) comply with current City policies and State law; and,

WHEREAS, the subject Municipal Code Amendment is not subject to the California Environmental Quality Act ("CEQA") pursuant to Sections 15060(c)(2), 15060(c)(3), and 15061(b)(3). The activity is not subject to CEQA because it will not result in a direct or reasonably foreseeable indirect physical change in the environment; the activity is not a project as defined in Section 15378 of the California Public Resources Code, and the activity is covered by the general rule that CEQA applies only to projects, which have the potential for causing a significant impact on the environment. Where it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment, the activity is not subject to CEQA; and,

WHEREAS, on February 26, 2020 the City Council of the City of Coachella ("City Council") conducted a study session which included a discussion item on the possibility of allowing outdoor cannabis cultivation uses in the City's remote agricultural areas bounded by Vista del Sur on the north, Tyler Street on the west, the All-American Canal on the east, and Avenue 52 on the south; and,

WHEREAS, at the February 26, 2020 the City Council provided staff direction to work on a draft ordinance that would allow for "interim agricultural uses" for outdoor cannabis cultivation on properties that are: 1) remotely located and removed from sensitive odor receptors; 2) have land use entitlements for future development but wish to include an interim agricultural use to cultivate cannabis for three to five years prior to construction of the first phase of urban development; and,

WHEREAS, the Planning Commission of the City of Coachella ("Planning Commission") conducted a properly noticed public hearing on June 16, 2020 at which members of the public were afforded an opportunity to comment upon this Ordinance, the recommendations of staff, and other public testimony; and,

WHEREAS, after said public hearing, the Planning Commission recommended that the City Council approve this Ordinance with modifications; and,

WHEREAS, the City Council conducted a properly noticed public hearing on July 14, 2021 at which members of the public were afforded an opportunity to comment on this Ordinance, the recommendations of staff, and other public testimony.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHELLA DOES ORDAIN AS FOLLOWS:

SECTION 1. Incorporation of Recitals. The City Council of the City of Coachella, California, hereby finds that the foregoing recitals are true and correct and are incorporated herein as substantive findings of this Ordinance.

SECTION 2. Amendment to Coachella Municipal Code. Section 5.68.030 *Regulatory permit required* of Chapter 5.68 *Commercial Cannabis Activity Regulatory Permit* of the Coachella Municipal Code is hereby amended to add underlined text as follows:

"**5.68.030 - Regulatory permit required.**

Commercial cannabis activity permitted under this chapter includes indoor and interim outdoor cultivation, manufacture (including shared-use facilities), distribution, testing, and non-retail microbusinesses (including possession, processing, storing, and labeling incidental to such activity). Prior to initiating operations and as a continuing requisite to operating a commercial cannabis activity, the legal representative of the persons wishing to operate and/or lease out a facility for commercial cannabis activity shall obtain both a conditional use permit and a regulatory permit from the city manager and shall pay an application fee as established by resolution adopted by the city council as amended from time to time. Regulatory permit requirements for retail cannabis businesses can be found in Chapter 5.69."

SECTION 3. Amendment to Municipal Code. Section 5.68.040 *Regulatory permit application* of Chapter 5.68 *Commercial Cannabis Activity Regulatory Permit* is hereby amended to include underlined text and delete stricken text as follows:

"**5.68.040 - Regulatory permit application.**

…

M. A complete and detailed diagram of the proposed premises showing the boundaries of the property and the proposed premises to be permitted, showing all boundaries, dimensions, entrances and exits, interior partitions, walls, rooms, windows, doorways, and common or shared entryways, storage areas and exterior lighting. The diagram must show the areas in which all commercial cannabis activity will take place, including but not limited to, limited-access areas. All construction, including but not limited to, buildings, fences, security systems, light blocking apparatuses, signs and outdoor lighting fixtures, shall be designed to blend in with the character of the surrounding area.

N. For cultivation applicants, a detailed water management plan including the proposed water supply, proposed conservation measures, and any water offset requirements; information regarding stormwater control and wastewater discharge; a list of all pesticides, fertilizers, and any other hazardous materials that are expected to be used in the cultivation process; a storage and hazard response plan for all pesticides, fertilizers, and any other hazardous materials kept on the cultivator's site; all power sources proposed to be used.

~~N~~O. A detailed security plan outlining the measures that will be taken to ensure the safety of persons and property on the premises. As part of the security plan, a lighting plan is required that shows existing and proposed exterior and interior lighting that will provide adequate security lighting for the commercial cannabis activity and premises. The security plan must be prepared by a qualified professional and include provisions in compliance with the following:

1. Security cameras shall be installed and maintained in good condition, and used in an on-going manner with at least two hundred forty (240) concurrent hours of digitally recorded documentation in a format approved by the city manager. The cameras shall be in use twenty-four (24) hours per day, seven days per week. The areas to be covered by the security cameras shall include, but are not limited to, the public areas, storage areas, employee areas, all doors and windows, and any other areas as determined to be necessary by the city manager.

2. The premises shall be alarmed with an audible interior and exterior alarm system, unless waived for extenuating circumstances by the city manager that is operated and monitored by a recognized security company, deemed acceptable by the city manager. Any change in the security company shall be subject to the approval of the city manager. All current contact information regarding the security company shall be provided to the city manager.

3. Entrance to the cultivation, manufacturing, and testing areas and any storage areas shall be locked at all times, and under the control of cannabis facility staff.

4. All cannabis shall be securely stored, and a reliable, commercial alarm system shall be installed and maintained where the cannabis is secured.

5. A licensed security guard, licensed by the California Department of Consumer Affairs, shall be present at the premises during all hours of operation. If the security guard is to be armed, then the security guard shall possess at all times a valid security guard card and firearms permit issued by the California Department of Consumer Affairs.

6. A heavy-gauge chain-link (or other material as approved by the ~~city manager~~ planning commission) fence a minimum of eight-feet in height (or as otherwise approved by the city manager) shall be constructed around the perimeter of the premises to prevent public access and obscure the cannabis cultivation facility from public view. Screening can include landscaping or vinyl slats, as permitted by law enforcement.

~~O~~ P. An odor control plan that describes the air treatment system or other methods that will be implemented to prevent odors generated by the commercial cannabis activity from being detected outside the building(s) on the premises. This section is not intended to prohibit the use of Polyethylene Plastic Film, Polycarbonate Sheeting, and Shade Cloth Fabrics for use in temporary greenhouses and temporary hoop houses as part of an approved "interim outdoor cannabis cultivation uses" allowed under Title 17.

~~P~~ Q. A comprehensive business operations plan that includes the following:

1. Business plan. A plan describing how the commercial cannabis activity business will operate in accordance with this code, state law, and other applicable regulations. The business plan must include plans for handling cash and transporting cannabis and cannabis products to and from the premises, if applicable.

2. Community relations plan. A plan describing who is designated as being responsible for outreach and communication with the surrounding community, including the neighborhood and businesses, and how the designee can be contacted.

3. Neighborhood responsibility plan. A plan addressing any adverse impacts of the proposed commercial cannabis activity on the surrounding area.

4. Insurance. The applicant's certificate of commercial general liability insurance and endorsements and certificates of all other insurance related to the operation of the commercial cannabis activity.

5. Budget. A copy of the applicant's most recent annual budget for operations.

~~Q~~ R. The name and address of the owner and lessor of the real property upon which the commercial cannabis activity is to be operated. In the event the applicant is not the legal owner of the property, the application must be accompanied with a notarized acknowledgement from the owner of the property that a commercial cannabis activity will be operated on his or her property.

~~R~~ S. Authorization for the city manager to seek verification of the information contained within the application.

~~S~~ T. A statement in writing by the applicant that he or she certifies under penalty of perjury that all the information contained in the application is true and correct.

~~T~~ U. A full and complete copy of the applicant's most current application submitted to and approved by the applicable state licensing authority.

~~U~~ V. Any such additional and further information as is deemed necessary by the city manager to administer this chapter."

SECTION 4. Amendment to Coachella Municipal Code. Section 5.68.130 *Operating standards* of Chapter 5.68 *Commercial Cannabis Activity Regulatory Permit* of the Coachella Municipal Code is hereby amended to add underlined text and delete stricken text as follows:

"**5.68.130 - Operating standards.**

A. Indoor cultivation ~~only~~. An indoor cultivation permittee shall only cultivate cannabis in a fully enclosed and secure building. An indoor cultivation permittee shall not allow cannabis or cannabis products on the premises to be visible from the public right of way, the unsecured areas surrounding the buildings on the premises, or the premises' main entrance and lobby.

B. Interim Outdoor Cultivation. Cannabis plants shall not be easily visible from offsite. All interim outdoor commercial cultivation sites should have a minimum twenty-foot (20 ft.) setback with an opaque fencing material to screen the outdoor cannabis grow areas from vuew to the public streets. All interim outdoor commercial cultivation activities shall occur within a secure fence at least six (6) feet in height that fully encloses the cultivation area(s) and prevents access to the cultivation area(s). The fence must include a lockable gate(s) that is locked at all times, except for during times of active ingress and egress. Outdoor lighting shall be used for the purpose of illumination only. Outdoor lighting shall not be located within the canopy area, used for photosynthesis, mixed-light processes, other purposes intended to manipulate cannabis plant growth. Temporary lighting, whether powered by a portable generator or permitted electrical service, is prohibited.

~~B~~ C. Odor control. A permittee shall comply with the odor control plan that is submitted during the application process and approved by the city manager. Commercial cannabis activity premises shall provide a sufficient odor absorbing ventilation and exhaust system so that odor generated inside the building(s) that is distinctive to its operation is not detected outside the premises, anywhere on adjacent property or public rights-of-way, on or about any exterior or interior common area walkways, hallways, breezeways, foyers, lobby areas, or any other areas available for common use by tenants or the visiting public, or within any other unit located within the same building as the commercial cannabis activity. As such, applicants must install and maintain the following equipment or any other equipment which the city manager or designee determines has the same or better effectiveness:

1. An exhaust air filtration system with odor control that prevents internal odors from being emitted externally; or

2. An air system that creates negative air pressure between the cannabis facility's interior and exterior so that the odors generated inside the cannabis facility are not detectable outside the cannabis facility.

3. Should compliance with the odor control plan fail to properly control odor, the city manager may impose additional or modified plan restrictions.

~~C~~ D. 'Track and trace'. Commercial cannabis activity businesses shall have an electronic 'track and trace' system that produces historical transactional data for review by the city manager for auditing purposes.

~~D~~ E. Records. A commercial cannabis activity business shall maintain the following records in printed format for at least three years on the premises and shall produce them to the city within twenty-four (24) hours after receipt of the city's request:

1. The name, address, and telephone numbers of the owner and landlord of the property.

2. The name, date of birth, address, and telephone number of each manager and staff of the commercial cannabis activity business; the date each was hired; and the nature of each manager's and staff's participation in the business.

3. A written accounting of all income and expenditures of the commercial cannabis activity business, including, but not limited to, cash and in-kind transactions.

4. A copy of the commercial cannabis activity business' commercial general liability insurance policy and all other insurance policies related to the operation of the business.

5. A copy of the commercial cannabis activity business' most recent year's financial statement and tax return.

6. An inventory record documenting the dates and amounts of cannabis received at the premises, the daily amounts of cannabis on the premises, and the daily amounts of cannabis transported from the premises.

A commercial cannabis activity business shall report any loss, damage, or destruction of these records to the city manager within twenty-four (24) hours of the loss, damage, or destruction.

~~E~~ F. Security. A permittee shall comply with the security plan that is submitted during the application process as approved by the city manager. A permittee shall report to the Coachella Police Department all criminal activity occurring on the premises. Should compliance with the security plan fail to properly secure the commercial cannabis activity premises, the city manager may impose additional or modified plan restrictions.

~~F~~ G. Retail sales prohibited. No person shall conduct any retail sales of any good or services on or from a permitted commercial cannabis activity premises that is regulated under this chapter.

~~G~~ H. Cannabis consumption prohibited. No person shall smoke, ingest, or otherwise consume cannabis in any form on, or within twenty (20) feet of, a commercial cannabis activity premises regulated under this chapter.

~~H~~ I. Alcohol prohibited. No person shall possess, consume, or store any alcoholic beverage on any commercial cannabis activity premises.

~~I~~ J. Juveniles prohibited. No one under the age of eighteen (18) shall be on the commercial cannabis activity premises or operate a commercial cannabis activity in any capacity, including, but not limited to, as a manager, staff, employee, contractor, or volunteer."

SECTION 5. Amendment to Municipal Code. Section 17.10.020 *Permitted uses* of Chapter 17.10 *A-R Agricultural Reserve Zone* is hereby amended to include underlined text and delete stricken text as follows:

"**17.10.020 - Permitted uses.**

The following uses are permitted in the A-R zone subject to all provisions of this chapter:

…

C. Conditional Uses. The following may be permitted in the A-R zone, subject to obtaining a conditional use permit as specified in Section 17.74.010.

1. Public parks;

2. One temporary stand, of temporary construction, for the display and sale of agricultural products produced on the premises, and placed not less than twenty-five (25) feet from any street or highway upon which such property fronts. When granting approval for such a temporary stand, the planning commission shall set a maximum time limit not to exceed one year on each such stand. Said time limit may be renewed at the option of the commission;

3. Cemeteries, crematories, columbariums, and mausoleums;

4. Reserved;

5. Reserved;

6. Farms or establishments for the selective or experimental breeding of cattle or horses, or the raising and training of horses or show cattle;

7. Dairy farms;

8. Kennels;

9. Animal raising, commercial; small animals, such as poultry, birds, fish, fowl, rabbits, chinchilla, mice, frogs, earthworms, bees, and others of similar nature, form and size, including hatching and fattening, and involving eggs or similar products derived therefrom;

10. Reserved;

11. Fruit and vegetable packing houses; ~~and~~

12. Farm labor camps~~.~~; and

13. Interim outdoor commercial cannabis cultivation, pursuant to Chapter 17.85."

SECTION 6. Amendment to Municipal Code. Section 17.12.020 *Permitted uses* of Chapter 17.12 *A-T Agricultural Transition Zone* is hereby amended to include underlined text and delete stricken text as follows:

"**17.12.020 - Permitted uses.**

The following uses are permitted in the A-T zone subject to all provisions of this chapter:

…

C. Conditional Uses. The following may be permitted in the A-T zone, subject to obtaining a conditional use permit as specified in Section 17.74.010.

1. Public and private parks; golf courses; swimming, polo and country clubs;

2. One temporary stand, of temporary construction, for the display and sale of agricultural products produced on the premises, and placed not less than twenty-five (25) feet from any street or highway upon which such property fronts. When granting approval for such a temporary stand, the planning commission shall set a maximum time limit not to exceed one year on each such stand. Said time limit may be renewed at the option of the commission;

3. Cemeteries, crematories, columbariums, and mausoleums;

4. Equestrian establishments, provided that in no case shall permanent maintenance or stabling of horses, storage of feed, riding arenas, or storage or maintenance of equipment be permitted within three hundred feet of the boundary of any R-S or RM;

5. Borrow pits, gravel pits, and other recovery of natural mineral resources;

6. Farms or establishments for the selective or experimental breeding of cattle or horses, or the raising and training of horses or show cattle;

7. Dairy farms;

8. Kennels;

9. Animal Raising, Commercial. Small animals, such as, poultry, birds, fish, fowl, rabbits, chinchilla, mice, frogs, earthworms, bees, and others of similar nature, form and size, including hatching and fattening, and involving eggs or similar products derived therefrom;

10. Campgrounds, private, containing picnic areas, overnight camping facilities and temporary parking for travel trailers and camper trucks;

11. Fruit and vegetable packing houses; ~~and~~

12. Farm labor camps~~.~~; and,

13. Interim outdoor commercial cannabis cultivation, pursuant to Chapter 17.85."

SECTION 7. Amendment to Municipal Code. Section 17.14.020 *Permitted uses* of Chapter 17.14 *R-E Residential Estate Zone* is hereby amended to include underlined text and delete stricken text as follows:

"**17.14.020 - Permitted uses.**

The following uses are permitted in the R-E zone subject to all provisions of this chapter.

…

C. Conditional Uses. The following uses may be permitted in the RE zone, subject to obtaining a conditional use permit as specified in Section 17.74.010.

1. Clubs and lodges, private, nonprofit when site fronting on an arterial street;

2. Public and private golf courses; ~~and~~

3. School, private, nonprofit~~.~~; and,

4. Interim outdoor commercial cannabis cultivation, pursuant to Chapter 17.85."

SECTION 8. Amendment to the Coachella Municipal Code. Section 17.85.030 *Commercial cannabis activity permitted* of Chapter 17.85 *Commercial Cannabis Activity* is hereby amended to include the underlined text and delete the stricken text as follows:

"**17.85.030 - Commercial cannabis activity permitted.**

Commercial cannabis activity permitted under this chapter includes indoor cultivation, interim outdoor cultivation, manufacture (including shared-use facilities), distribution, ~~and~~ testing, and non-retail microbusinesses (including possession, processing, storing, and labeling incidental to such activity). Prior to engaging in any such commercial cannabis activity in the city, one must obtain either a development agreement or conditional use permit (CUP), and a regulatory permit as required by this code, subject to the provisions of the CUA, MMP, MAUCRSA, and any other state laws pertaining to cannabis."

SECTION 9. Amendment to the Coachella Municipal Code. Section 17.85.040 *Conditional use permit or development agreement required* of Chapter 17.85 *Commercial Cannabis Activity* is hereby amended to include the underlined text as follows:

"**17.85.040 - Conditional use permit or development agreement required.**

Prior to initiating operations and as a continuing requisite to operating a commercial cannabis activity, the applicant shall obtain a validly issued CUP as provided in Chapter 17.74 entitled "Conditional Uses" of this municipal code or enter into a fully executed development agreement agreed to by the city council. If any provision of this chapter conflicts with any provision of Chapter 17.74 of this code, the provision in this chapter shall control. An applicant must obtain a separate CUP for each commercial cannabis activity the applicant wishes to operate. Separate CUPs may be issued for indoor cannabis cultivation versus interim outdoor cannabis cultivation. Each CUP will include a condition of approval requiring that the permittee also obtain and maintain an indoor cultivation, interim outdoor cultivation, manufacture, distribution, non-retail microbusiness, or testing laboratory regulatory permit required by this code. Each CUP for interim outdoor cultivation may include a condition of approval that limits outdoor cultivation activities to a specified duration not to exceed the sooner of forty eight (48) months, or the first phase of construction establishing a new residential or commercial use. If the condition is accepted by the applicant, the City may thereafter record a covenant memorializing this restriction against the property, which shall include a reference to the approved CUP."

SECTION 10. Amendment to the Coachella Municipal Code. Section 17.85.050 *Commercial cannabis activity—Permitted locations and standards* of Chapter 17.85 *Commercial Cannabis Activity* is hereby deleted in its entirety and amended to include the underlined text as follows:

17.85.050 - Commercial cannabis activity—Permitted locations and standards.

A. Indoor commercial cultivation, manufacturing, testing laboratory, and distribution activities.

1. Location. Permitted uses be located in any wrecking yard zone (M-W) or manufacturing service - industrial park overlay zone (IP) in the city, upon issuance of a CUP and a regulatory permit.

2. Property development standards.

(a) In M-W zone – Permitted uses should be restricted to a site having a minimum of five (5) acres in size, with a minimum paved street frontage of two hundred fifty (250) feet. Permitted uses may not be established in the M-W zone on a multi-tenant industrial park or business park site existing on the effective date of this ordinance. A CUP to develop a new stand-alone commercial cannabis activity facility or a multi-tenant facility within a minimum site area of five acres may be pursued.

(b) In MS-IP Overlay zone – Permitted uses should be restricted to sites having a minimum project area of ten (10) acres and a minimum lot size or grouping of lots of at least five (5) acres.

3. Indoor only. All uses shall be conducted only in the interior of enclosed structures, facilities, and buildings. All indoor cultivation operations, including all cannabis plants, at any stage of growth, shall not be visible from the exterior of any structure, facility or building containing cultivation. All indoor cultivation, manufacturing, testing and processing must take place indoors, within a permanent structure that is enclosed on all sides. Outdoor manufacturing, testing, and processing are prohibited. Portable greenhouses and/or non-permanent enclosures shall not be used for cultivation unless they are placed inside of a permanent structure that is enclosed on all sides.

4. Odor control. Uses shall not result in the creation of any odors detectable from anywhere off the property boundaries. The use of carbon filtration systems and other mitigation measures shall be used on all commercial cannabis activities that cause such odors.

B. Interim outdoor commercial cannabis cultivation.

1. Location. Interim outdoor commercial cannabis cultivation be located in any agricultural reserve (A-R) zone, agricultural transition (A-T) zone, residential single-family (R-S) zone, multiple-family residential (R-M) zone, and general commercial (C-G) zone that is located within the geographic area bounded by Vista Del Sur on the north, the All-American Canal on the east, Avenue 52 on the south, and the 86 Expressway on the west, upon issuance of a CUP and a regulatory permit.

2. Property development standards. All interim outdoor commercial cannabis cultivation sites:

(a) shall be located on a site having a minimum of one (1) acre in size.

b) shall have a maximum canopy size equal to the lesser of two (2) acres or the maximum size authorized by the State license for that business.

(c) shall provide a minimum twenty-foot (20 ft.) setback on all sides with an opaque fencing material, subject to review and approval by the Planning Director, to screen the outdoor grow areas from view to public streets.

3. Distance Restrictions. No interim outdoor commercial cannabis cultivation shall be located within:

(a) one thousand (1,000) feet of any public or private school (K-12), day care center or youth center. The distance shall be measured from the nearest point between the property line containing the interim outdoor commercial cannabis cultivation use to any lot line of the other use. “Day care center” means any child day care facility other than a family day care home, and includes infant centers, preschools, extended day care facilities and school age child care centers. “Youth center” means any public or private facility that is primarily used to house recreational or social activities for minors, including, but not limited to, private youth membership organizations or clubs, social service teenage club facilities, video arcades, or similar amusement park facilities.

C. Indoor commercial cannabis activity must be served by municipal water and sewer services. Interim outdoor cannabis cultivation uses need only be served by a private water well or municipal water.

D. Testing laboratories may be located in the general commercial (C-G) zone in addition to the M-W zone and IP overlay zone with a CUP, but are not required to meet the two hundred fifty-foot paved street frontage requirement in subsections (A)(2)(a) and (A)(2)(b) of this section."

SECTION 11. Amendment to the Coachella Municipal Code. Section 17.85.090 *Commercial cannabis cultivation, manufacturing, testing, processing—Interior only* of Chapter 17.85 *Commercial Cannabis Activity* is hereby removed and reserved. The text from this Section has been added to Section 17.85.050. The Municipal Code text shall read as follows:

"**17.85.090 – [RESERVED]** ~~Commercial cannabis cultivation, manufacturing, testing, processing – Interior only.~~"

SECTION 12. CEQA. The City Council finds that this Ordinance is not subject to the California Environmental Quality Act ("CEQA") pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonable foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly.

SECTION 13. Effective Date. This Ordinance shall take effect thirty (30) days after its adoption.

SECTION 14. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance, or any part thereof is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of this Ordinance or any part thereof. The City Council hereby declares that it would have passed section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more section, subsection, subdivision, paragraph, sentence, clause or phrase be declared unconstitutional.

SECTION 15. Certification. The City Clerk shall certify the passage of this Ordinance and shall cause the same to be entered in the book of original ordinances of said City; shall make a minute passage and adoption thereof in the records of the meeting at which time the same is passed and adopted; and shall, within fifteen (15) days after the passage and adoption thereof, cause the same to be published as required by law, in a local newspaper of general circulation and which is hereby designated for that purpose.

PASSED, APPROVED and ADOPTED this 28th day of July 2021.

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Gabriel Martin, City Manager

SUBJECT: Ordinance No. 1182, Updates to the Hotel Operations Incentive Program *(Second Reading)*

RECOMMENDED ACTION:

Staff recommends that the Mayor and City Council review the updated draft Hotel Operations Incentive Program ("Program") policy document and Ordinance No. 1182, extending the sunset period of the Program for an additional three years, provide staff with guidance and direction, and consider approval of the policy and adoption of the ordinance as proposed.

BACKGROUND:

As a result of the COVID-19 pandemic and larger economic trends, the City of Coachella is currently suffering from one of the highest unemployment rates in the County: 13.8% as of late March 2021, per a report by the California Employment Development Department. The City is continuing to work to attract and retain business, to encourage the creation of jobs for its residents, and to improve the quality of life of its workers and their families. City staff has determined that an update to the existing Hotel Operations Incentive Program policy, and the ordinance that codified such policy, is needed to further pursue these goals as the City recovers from an economic downturn that particularly impacted the travel and leisure sector.

On May 26, 2021, the City Council approved the first reading of the attached Ordinance No. 1182 amending Section 4.49.020 of the Coachella Municipal Code. On June 23, 2021, the City Council continued the item to allow more research on comparing the City's Program to other similar hotel incentive programs in the region.

DISCUSSION:

Currently, the Hotel Operations Incentive Program is expired and needs to be updated with a new expiration date in the future, if the City Council wishes to continue to implement its provisions. Likewise, the proposed ordinance amends Section 4.49.020 of the Municipal Code to bring its dates into accordance with the updated Program. The revised policy document will extend the date by which a developer can enter into an agreement with the City to develop a compliant hotel project to June 1, 2023. The revised policy document will also extend the deadline for a project to be fully entitled to be no later than December 31, 2025, to be under construction no later than June 30,

2026, and for construction to be completed, a Certificate of Occupancy issued, and the hotel open and operational no later than June 30, 2027. In accordance with these suggested changes, the revised Section 4.49.020 of the Coachella Municipal Code will now define "new hotel," "first class new hotel," and "comfort new hotel" to include hotels fully entitled after January 1, 2018 but before December 31, 2025. No other changes are suggested at this time.

ALTERNATIVES:

1) Recommend approval of Hotel Operations Incentive Program and Ordinance No. 1182 as presented. (Recommended by staff.)

2) Continue this item and provide staff with direction.

FISCAL IMPACTS

There are no fiscal impacts associated with this action in that it merely modifies Coachella Municipal Code to extend the existing Hotel Operations Incentive Program until the end of 2025.

ATTACHMENTS

1. Ordinance No. 1182: An Ordinance of the City Council of the City of Coachella, California, Amending Section 4.49.020 of the Coachella Municipal Code Regarding the Hotel Operations Incentive Program

2. Draft Revised Hotel Incentive Program policy document (in redline)

ORDINANCE NO. 1182

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, AMENDING SECTION 4.49.020 OF THE COACHELLA MUNICIPAL CODE REGARDING THE HOTEL OPERATIONS INCENTIVE PROGRAM

WHEREAS, the City Council previously adopted a Hotel Operations Incentive Program by Ordinance No. 1106 on May 24, 2017; and

WHEREAS, the City Council wishes to extend the sunset period of the Hotel Operations Incentive Program for an additional three years, which requires minor modifications to the language of Section 4.49.020 of the Coachella Municipal Code.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHELLA DOES ORDAIN AS FOLLOWS:

Section 1. **Recitals**. The above recitals are hereby adopted by the City Council and incorporated as set forth in this section.

Section 2. **Amendment to Coachella Municipal Code.** Coachella Municipal Code Chapter 4.49, *Hotel Operations Incentive Program*, Section 4.49.020 is hereby amended and restated to read as follows (deleted text in ~~strikethrough~~, new text in **bold underline**):

"4.49.020 - Definitions.

For the provisions of this chapter, the following definitions shall apply:

"Adjusted tax rate" means the hotel operations incentive program tax rates which shall be exclusively utilized for the calculation of the operating assistance to be paid by the city to qualified operators of hotels participating in the hotel performance incentive program.

"Comfort hotel" means a hotel which provides appropriate standards of physical features and operational services established for hotels by the American Automobile Association, J.D. Power & Associates, Forbes, or Smith's Travel Research Service.

"Existing hotel" means a property that was constructed, occupied, and used as a hotel on or before January 1, 2018.

"First class hotel" means a hotel which provides standards of physical features and operational services which meet or exceed the higher rating criteria established for hotels by the American Automobile Association, J.D. Power & Associates, Forbes, or Smith's Travel Research Service.

"First class hotel standard" means standards of physical features and operation which qualify a hotel as a first class hotel and which include operation of the hotel on a twenty-four (24) hours per day/seven days a week basis with housekeeping services, food and beverage services, room services, banquet and meeting services, concierge and bellman services, and parking services.

"Fully entitled" means a hotel that has received and/or been issued all discretionary permits and entitlements from the city required for the construction of a new hotel.

"Hotel" means any property containing four or more guest rooms used by four or more guests for compensation and where the guest rooms are designed and intended as transient occupancy accommodations.

"New hotel," "first class new hotel," and "comfort new hotel" means a first class hotel or comfort hotel that is or was fully entitled as a hotel after January 1, 2018, but before December 31, ~~2020~~ **2025**. The term "new hotel" does not include all, or any portion of, or addition to, an existing hotel.

"Operating covenants" means the covenants described in Section 4.49.050 of this Code.

"Operator" means the person who is proprietor of a hotel, whether in the capacity of owner, lessee, sub-lessee, mortgagee in possession, licensee, franchisee, or any other capacity, or the assignee or designee of such proprietor.

"Transient occupancy" means an uninterrupted stay of no more than twenty-eight (28) consecutive calendar days.

"Transient occupancy tax base" means the existing transient occupancy rate in place at the adoption of this ordinance, nine percent."

SECTION 3. CEQA. The City Council finds that this Ordinance is not subject to the California Environmental Quality Act ("CEQA") pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonable foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly.

SECTION 4. Effective Date. This Ordinance shall take effect thirty (30) days after its adoption.

SECTION 5. Severability. If any provision or clause of this Ordinance or any application of it to any person, firm, organization, partnership, or corporation is held invalid, such invalidity shall not affect other provisions of this Ordinance which can be given effect without the invalid provision or application. To this end, the provisions of this Ordinance are declared to be severable.

SECTION 6. Certification. The City Clerk shall certify the passage of this Ordinance and shall cause the same to be entered in the book of original ordinances of said City; shall make a minute passage and adoption thereof in the records of the meeting at which time the same is passed and adopted; and shall, within fifteen (15) days after the passage and adoption thereof, cause the same to be published as required by law, in a local newspaper of general circulation and which is hereby designated for that purpose.

PASSED, APPROVED and ADOPTED this 28th day of July 2021.

Hotel Incentive Program (HIP)

Much of the Coachella Valley depends on the growth and expansion of the tourism and travel industries. The City of Coachella intends to participate more fully in the tourism, travel industry, and aggressively encourage hotel development in Coachella's municipal boundaries. The Hotel Incentive Program (HIP) is designed to encourage the first hotel developments in the City of Coachella.

Hotels would provide visitors a convenient and enjoyable experience, enabling visitors to spend more time in the city, exploring the many cultural, entertainment and outdoor attractions unique to this region in the Coachella Valley. The HIP will help diversify our local economy by incentivizing the creation of a new business sector within the City. It will increase the employment options for residents currently employed in this well-established valley industry sector and will provide new employment opportunities for residents of the City of Coachella.

The HIP is a benefit to the Hotel Operator with the intention being to provide an incentive that will assist the operator in offering a competitive room rate as they establish their new hotel in the market.

TRANSIENT OCCUPANCY TAX (TOT) RATE

The City of Coachella continues to maintain a Transient Occupancy Tax (TOT) rate that is lower than the average TOT rate of neighboring municipalities and is currently the lowest TOT in the Coachella Valley at 9%. This low TOT rate provides the Hotel Operator the ability to offer gross room rates at several percentage points below (approx. 2-4% lower) neighboring municipalities. The low TOT likely would be an inducement to encourage development of new hotels in the City of Coachella.

TOT OPERATOR INCENTIVE

The City shall provide the following TOT Incentive based on the type of hotel product proposed:

A. First Class New Hotels. The city shall pay to an operator of a first class new hotel an amount equal to fifty (50) percent of the adjusted tax rate. Such payments shall be made for twenty (20) years from the certificate of occupancy for the hotel or until the operator has been paid twenty-five million dollars ($25,000,000.00), whichever event occurs first.

The city and a qualified participant under this section may enter into an agreement, at the sole discretion of the city, to receive an increase in the percent of the adjusted tax rate, for no longer

than the first two years of the qualified participant's incentive program. Without regard to any preceding conditions of this section, the program shall terminate at any point the first class new hotel is not operated as a first class hotel.

A. Comfort New Hotels:

a. The city shall pay to an operator of a comfort hotel with one hundred twenty-five (125) or more rooms an amount equal to fifty (50) percent of the adjusted tax rate and such payments shall be made for twenty (20) years from the certificate of occupancy for the hotel or until the operator has received twenty-five million dollars ($25,000,000.00), whichever event occurs first.

b. The city shall pay to an operator of a comfort hotel with fifty-one (51) to one hundred twenty-four (124) rooms an amount equal to fifty (50) percent of the adjusted tax rate and such payments shall be made for ten (10) years or until the operator has received ten million dollars ($10,000,000.00), whichever event occurs first.

c. The city shall pay to an operator of a comfort hotel with fifty (50) or fewer rooms an amount equal to fifty (50) percent of the adjusted tax rate and such payments shall be made for five years or until the Operator has received five million dollars ($5,000,000.00), whichever event occurs first. Without regard to any preceding conditions of this section, the program shall terminate at any point the hotel is not operated as a comfort hotel.

Each operator eligible to participate in the city's hotel operations incentive program shall execute operating covenants approved by the city council, and recorded with the county of Riverside recorder's office.

AGREEMENT ACCEPTANCE PERIOD

As time is of the essence, a developer must enter into an agreement with the City on or before June 1, 2025 to qualify for this program.

PROJECT COMPLETION PERIOD

The project must be fully entitled as a hotel no later than December 31, 2025 and be under construction no later than June 30, 2026 with the project completed, Certificate of Occupancy issued, hotel open and operational no later than June 30, 2027.

OTHER QUALIFICATIONS AND CONDITIONS

1. The program shall terminate at any point the covenanted property ceases to operate as a hotel.

2. An Operating Covenant, covering a ten (10) year period, will be executed, reviewed and approved by the City Council and recorded with the County of Riverside.

HOTEL CLASS & RATING SYSTEM

The Hotel class is identified by the specific amenities offered at the property. Forbes Travel Guide, formerly Mobil Travel Guide, launched its star rating system in 1958 and the "Hotel Stars Union" was established in 2010 in Europe to differentiate the classes of hotel accommodations and their respective levels of service. The AAA auto association uses a similar rating system with diamonds, rather than stars, to express hotel and restaurant rating lever. The Hotel.com is a popular hotel reservation website, which uses star rating descriptions to draw distinctions between accommodations and the services expected. The rating system classifies the differences between "First Class" (4 Star), "Superior Comfort" (3 Star +) and "Comfort" (3 Star) Hotels. The star rating system noted below is a combination of components from both Hotels.com and Hotel Stars Union.

"STAR" RATING SYSTEM:

5 Star = Luxury

These are hotels that offer the highest level of accommodations and services with a high degree of personal service. Although most five star hotels are large properties, sometimes the small independent (non-chain) property offers an elegant intimacy that cannot be achieved in the larger setting. The hotel locations can vary from the very exclusive locations of a suburban area, to the heart of downtown. The hotel lobbies are sumptuous, the rooms complete with stylish furnishing and quality linens. The amenities often include: in room video/movie libraries, DVD′s, CD stereos, garden tubs or Jacuzzis, heated pools and more. The hotels feature full service restaurants with exquisite menus. Room service is usually available 24 hours a day. Fitness Centers and valet and/or garage parking are typically available. A concierge is also available to assist you.

Typical National Chains: Ritz Carlton, Four Seasons.

Offering:

- Reception opened 24 hours, multilingual staff
- Doorman-service or valet parking
- Concierge
- Spacious reception hall with seating and beverage service
- Personalized greeting for each guest with fresh flowers or a present in the room
- Minibar and food and beverage offered via room service 24 hours
- Personal care products
- Internet-PC in the room
- Safe in the room
- Ironing and shoe polish service
- Turndown service in the evening
- Mystery guesting

4 Star + = First Class Superior

The Superior flag is provided when the first class hotel has a proven high quality not only in the rooms. The superior hotels provide for additional facilities in the hotel like a sauna or a workout room. The quality is checked regularly by mystery guesting by an external inspection service.

4 Star = First Class

Mostly large, formal hotels with reception areas, front desk service and bellhop service. The hotels are most often located near other hotels of the same caliber and are usually found near shopping, dining and other major attractions. The level of service is well above average and the rooms are well lit and well furnished. Restaurant dining is usually available and may include more than one choice. Some properties will offer continental breakfast and/or happy hours. Room service is usually available during most hours. Valet parking and/or garage service is also usually available. Concierge services, fitness centers and one or more pools are often provided.

Typical National Chains: Hyatt, Hilton and Marriot.

Offering:

- Reception opened 18 hours, accessible by phone 24 hours from inside and outside
- Lobby with seats and beverage service
- Breakfast buffet or breakfast menu card via room service
- Minibar or 24 hours beverages via room service
- Upholstered chair/couch with side table
- Bath robe and slippers on demand
- Cosmetic products (e.g. shower cap, nail file, cotton swabs), vanity mirror, scale in the bathroom
- Internet access
- "À la carte"-restaurant

3 Star + = Superior Comfort

The Superior flag is provided when the additional service and accommodation provisions are not sufficient for the next star. The accommodation facilities for a superior hotel need to be on a modern level and fully renovated, which is checked regularly.

3 Star = Comfort

Typically, these hotels offer more spacious accommodations that include well-appointed rooms and decorated lobbies. Bellhop service is usually not available. They are often located near major expressways or business areas, convenient to shopping and moderate to high priced attractions. The hotels usually feature medium-sized restaurants that typically offer service breakfast through

dinner. Room service availability may vary. Valet parking, fitness centers and pools are often provided.

Typical National Chains: Holiday Inn, Radisson.

Offering:

- Breakfast buffet
- Reading light next to the bed
- Bath essence or shower gel
- Bath towels
- Linen shelves
- Offer of sanitary products (e.g. toothbrush, toothpaste, shaving kit)
- Reception opened 14 hours, accessible by phone 24 hours from inside and outside, bilingual staff
- Luggage service
- Beverage offer in the room
- Telephone in the room
- Internet access in the room or in the public area
- Heating facility in the bathroom, hair-dryer, cleansing tissue
- Dressing mirror, place to put the luggage/suitcase
- Sewing kit, shoe polish utensils, laundry and ironing service
  Additional pillow and additional blanket on demand
- Systematic complaint management system

2 Star + = Superior Standard

The Superior flag is provided when the additional service and accommodation provisions are not sufficient for the next star. The Standard-Superior does usually offer the same service level as three-star hotels, but the interiors of the hotel are smaller and cheaper so that the three stars were not to be awarded by the inspection body. A two-star superior does not require mystery guesting.

2 Star = Standard

Typically smaller hotels managed by the proprietor. The hotel is often 2 - 4 stories high and usually has a more personal atmosphere. It′s usually located near affordable attractions, major intersections and convenient to public transportation. Furnishings and facilities are clean but basic. Most will not have a restaurant on site but are usually within walking distance to some good low-priced dining. Public access, past certain hours, may be restricted.

Typical National Chains: Days Inn, Quality Inn and La Quinta Inn.

In addition to the single star hotels offering:

- Breakfast buffet

- Reading light next to the bed
- Bath essence or shower gel
- Bath towels
- Linen shelves
- Offer of sanitary products (e.g. toothbrush, toothpaste, shaving kit)

1 Star + = Superior Tourist

The Superior flag is provided when the additional service and accommodation provisions are not sufficient for the next star. The bathroom facilities are usually at the same level as for two stars hotels but built from cheaper materials.

1 Star = Tourist

Usually denotes independent and name brand hotel chains with a reputation for offering consistent quality amenities. The hotel is usually small to medium-sized and conveniently located to moderately priced attractions. The facilities are typically basic with telephones and TV′s in the bedroom. Some hotels offer limited restaurant service, however room service and bellhop service is usually not provided.

Typical National Chains: Econolodge, Motel 6.

Offering:

- 100% of the rooms with shower or bath tub
- Daily room cleaning
- 100% of the rooms with TV and remote control
- Table and chair
- Soap or body wash
- Reception service
- Facsimile at the reception
- Publicly available telephone for guests
- Extended breakfast
- Beverage offer in the hotel
- Deposit possibility

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Dr. Gabriel Martin, City Manager

SUBJECT: Resolution 2021-51 Approving the Creation and Funding for a Full-Time Construction Project Coordinator

---

STAFF RECOMMENDATION:

Staff recommends that the City Council approve Resolution No. 2021-51 approving and funding a full-time Construction Project Coordinator Position that will focus on Water, Waste Water and Storm Water Project coordination tasks.

BACKGROUND:

Currently, the City has more than 12 million dollars in Utility related projects programmed into the Capital Improvement Program. In The past, the Utilities department had a separate devoted staff member that helped coordination efforts to advance and deliver these Utility projects. Looking forward, City Staff anticipate increased funding opportunities for utility related projects due to increased Federal and State infrastructure funding and Economic Stimulus funding. City Staff also anticipate increased demand to advance and deliver utility projects in association with projected growth. Therefore, in order to place the Utility department in the best position to respond to growing grant opportunities, manage multiple projects and serve the citizenry with future development projects, a new Construction Project Coordinator specifically assigned to the Water, Sanitation and Storm Water areas is needed. This Construction Project Coordinator position will place the Utility department in an advantageous position to take advantage of all federal and state funding resources while better serving our community.

The Construction Project Coordinator position falls under Sanitary/Miscellaneous Employees and would report to the Utilities Manager. This position would be added to the existing Salary Schedule, with a Pay Grade of $78,582.40 to $95,513.60 annually.

ALTERNATIVES:

1. Approve staff's recommendation to approve Resolution No. 2021-51 approving and funding a full-time Construction Project Coordinator position.
2. Do not approve staff's recommendation.

FISCAL IMPACT:

If approved, funding for this position will be appropriated from unrestricted fund balance in the City's general fund (101) for $22,000 and unrestricted net position in the water authority fund (178) for $66,000 and sanitary district fund (361) for $22,000. This represents an additional appropriation in fiscal year 2022 of $110,000.

Approved Position Description (included for reference)

RESOLUTION NO. 2021-51

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, APPROVING THE CREATION AND FUNDING FOR A FULL-TIME CONSTRUCTION PROJECT COORDINATOR POSITION

WHEREAS, Currently, the City has more than 12 million dollars in Utility related projects programmed into the Capital Improvement Program, and; City Staff anticipate increased funding opportunities for utility related projects due to increased Federal and State infrastructure funding and Economic Stimulus funding, and; City Staff anticipate increased demand to advance and deliver utility projects in association with projected growth, and; The Construction Project Coordinator position will place the utility department in an advantageous position to take advantage of all federal and state funding resources while better serving our community.

WHEREAS, The Construction Project Coordinator position falls under Sanitary/Miscellaneous Employees and would report to the Utilities Manager. This position would be added to the approved organizational structure and is currently included in the City's approved salary schedule, with a Pay Grade of $78,582.40 to $95,513.60 annually.

NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED by the City Council of the City of Coachella, as follows:

Section 1. Incorporation of Recitals. The City Council hereby finds and determines that the foregoing Recitals of this Resolution are true and correct and hereby incorporated into this Resolution as though fully set forth herein.

Section 2. Title. Adopt Resolution No. 2021-51, a Resolution of the City Council of Coachella, California, Approving and Funding a Full-Time Construction Project Coordinator Position.

PASSED, APPROVED and **ADOPTED** this 28th day of July, 2021.

NOES:

ABSENT:

ABSTAIN:

_____
Andrea J. Carranza, MMC
Deputy City Clerk

Construction Project Coordinator

Class Code: 0371

Bargaining Unit: Sanitary and Miscellaneous

CITY OF COACHELLA
Established Date: Jul 13, 2016
Revision Date: Mar 15, 2021

SALARY RANGE

$37.78 - $45.92 Hourly
$6,548.53 - $7,959.47 Monthly
$78,582.36 - $95,513.64 Annually

DEFINITION:

Under general direction, coordinates, oversees, and participates in the work involved in the coordination and management of a variety of development, public works and Capital Improvement Projects (CIP) of City infrastructure, including coordinating the bid process, contract administration, and inspecting workmanship and materials used for projects; plans, organizes, and coordinates construction activities on City projects; performs design and constructability reviews and provides relevant recommendations; provides technical and specialized assistance to assigned subordinate staff; and performs related work as required.

SUPERVISION RECEIVED AND EXERCISED
Receives general direction from the City Engineer. Exercises technical and functional direction over and provides training to lower-level staff.

CLASS CHARACTERISTICS
This is a journey-level class that performs duties related to the coordination of construction and CIP projects. Incumbents are responsible for contract coordination, project and construction coordination, and inspecting and attending to assigned areas in a timely manner. Responsibilities require knowledge of the development and provision of construction projects, the ability to organize and oversee the work of staff and/or contractors, and the ability to execute various administrative responsibilities of assigned projects. This classification is distinguished from the Construction Manager in that the latter is responsible for larger, more complex projects that are completed by c actors.

EXAMPLES OF DUTIES:

Management reserves the right to add, modify, change or rescind the work assignments of different positions and to make reasonable accommodations so that qualified employees can perform the essential functions of the job.

- Coordinates construction projects as assigned; reviews construction plans, design, and construction progress for projects; performs project constructability reviews; reviews project plans and specifications and recommends revisions as necessary.
- Prepares, files and organizes correspondence and compliance forms for state and federal grant funded projects, ensuring that assigned projects are completed within the guidelines and timetables established by local, state, and federal laws, regulations, standards, and/or policies.
- Reviews plans and specifications of assigned projects including streets, curbs, gutters, sidewalks, storm drainage, streetlights and related facilities and appurtenances, and water and wastewater distribution, collection and treatment systems installation, and repair construction projects.
- Plans, schedules, prioritizes, and coordinates contractors involved in assigned projects in consultation with the supervisor; communicates status of repairs to appropriate personnel, working cooperatively to schedule inspections in accordance with established and special operational priorities.
- Coordinates, oversees, and personally participates in all assigned projects including inspecting all phases of a variety of public works, infrastructure, capital improvement, and other assigned construction projects for conformance with, plans, specifications, contract provisions, and safe work practices in accordance with Federal, State, and local codes; inspects materials for identification; performs routine field tests.
- Confers with contractors and developers regarding conformance to standards, plans, specifications and codes; explains requirements and evaluates alternatives.
- Consults with engineering staff regarding problems and change alternatives; prepares change orders for assigned projects.
- Records amounts of materials used and work performed; prepares and maintains daily inspection reports, progress payments, change orders, claims, and other written documentation.
- Inspects sites and reviews plans and specifications prior to the bidding or development process of assigned projects; attends bid openings for in-house projects.
- Conducts pre-bid and pre-construction conferences for in-house projects.
- Reviews requests for progress payments related to work performed and materials supplies.
- Observes safe work methods and makes appropriate use of related safety equipment as required.
- Responds to requests and complaints from the public and answers questions or refers to supervisor, as necessary.
- Stays current on the status of new and pending regulatory legislation; attends continuing education courses and seminars as required.

- Maintains accurate records and logs of daily activities, using appropriate computer software applications.
- Acts as liaison between the City, contractors, other agencies and businesses and residents affected by projects and programs; maintains communication among the parties and responds to and resolves issues and complaints or refers them to the proper office for resolution.
- Performs duties of a disaster services worker in event of an emergency.
- Performs related duties as assigned.

QUALIFICATIONS:

Knowledge of:

- Materials, methods, principles and practices used in public works construction, including streets, curbs, gutters, sidewalks, storm drainage, streetlights and related facilities and appurtenances, and water and wastewater distribution, collection and treatment systems installation, and repair construction projects.
- Principles and practices of public works construction inspection.
- Basic practices of construction contract administration and project management in a public agency setting.
- Applicable Federal, State, and local laws, codes, regulations and departmental policies governing the construction of assigned projects.
- Technical principles and practices of engineering design, specification and cost estimate preparation.
- Defects and faults in construction.
- Mathematical principles applicable to construction.
- Traffic control requirements.
- Technical report writing and preparation of correspondence.
- Principles and procedures of record keeping.
- Modern office practices, methods, and computer equipment and applications related to the work.
- English usage, grammar, spelling, vocabulary, and punctuation.
- Techniques for effectively representing the City in contacts with governmental agencies, community groups, and various business, professional, educational, regulatory, and legislative organizations.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and City staff.

Ability to:

- Plan, schedule, and oversee activities of contractors and City staff on a project basis.
- Inspect the work of others and maintain established quality control standards.
- Identify and implement effective course of action to complete assigned work.
- Oversee and participate in inspection and related projects in the assigned functional area(s).

- Inspect standard capital improvement and public works projects to ensure compliance with plans and specifications.
- Interpret, apply, explain, and ensure compliance with Federal, State, and local policies, procedures, laws, and regulations, technical written material, and departmental policies governing public works construction.
- Review change orders, claims and progress payments within specific procedural guidelines.
- Coordinate activities with multiple contractors, engineers and property owners.
- Inspect assigned areas for a wide variety of maintenance, repair, and risk management issues.
- Respond to complaints or inquiries from citizens, staff, and outside organizations.
- Prepare clear and concise technical reports and maintain accurate and complete records.
- Read and interpret maps, plans, and legal descriptions.
- Make accurate mathematical and statistical computations.
- Make sound, independent decisions within established policy and procedural guidelines.
- Organize and prioritize a variety of projects and multiple tasks in an effective and timely manner; organize own work, set priorities, and meet critical time deadlines.
- Operate modern office equipment including computer equipment and specialized software applications programs.
- Use English effectively to communicate in person, over the telephone, and in writing.
- Use tact, initiative, prudence, and independent judgment within general policy, procedural, and legal guidelines.
- Establish, maintain, and foster positive and harmonious working relationships with those contacted in the course of work.

Education and Experience:
Any combination of training and experience, which would provide the required knowledge, skills, and abilities, is qualifying. A typical way to obtain the required qualifications would be:

- Equivalent to Associate's degree from an accredited college or university with major coursework in construction management, engineering, contract administration, or inspection, and five (5) years of public works infrastructure construction, public agency inspection, engineering, or related experience. A Bachelor's degree in one of the above fields is desirable.

Licenses and Certifications:
Valid California class C driver's license with satisfactory driving record and automobile insurance.

PHYSICAL DEMANDS/ENVIRONMENTAL ELEMENTS/WORKING CONDITIONS:

PHYSICAL DEMANDS

Must possess mobility to work in the field and in a standard office setting and use standard office equipment, including a computer, to operate a motor vehicle, drive on surface streets, and make inspections; strength, stamina, and mobility to perform light physical work; vision to read printed materials and a computer screen; and hearing and speech to communicate in person and over the telephone or radio. The job involves fieldwork requiring frequent walking uneven terrain and landscapes when performing inspections. Finger dexterity is needed to access, enter, and retrieve data using a computer keyboard or calculator and to operate above-mentioned tools and equipment. Positions in this classification bend, stoop, kneel, reach and climb to perform work and inspect work sites. Employees must possess the ability to lift, carry, push and pull materials and objects weighing up to 50 pounds.

ENVIRONMENTAL ELEMENTS

Employees partly work in the office and partly in the field and are occasionally exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, road hazards, mechanical and/or electrical hazards, and hazardous physical substances and fumes. Employees may interact with upset staff and/or public and private representatives, and contractors in interpreting and enforcing departmental policies and procedures.

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Nathan Statham, Finance Director

SUBJECT: Reimbursement Agreement between City of Coachella and Paul Pavao for procurement of city consultants for the proposed annexation and development of 38.68 acres (APN 603-090-008).

STAFF RECOMMENDATION:

Staff recommends that the City Council authorize the City Manager to execute the attached Reimbursement Agreement with Paul Pavao subject to final minor modifications by the City Attorney.

BACKGROUND:

The applicant proposes an owner-initiated annexation of 38.68 acres of vacant land currently in the City of Indio to the City of Coachella. The project includes the subdivision of 38.68 acres of vacant land into 25 industrial lots ranging in size from .077 acres to 4.60 acres with all the off-site improvements.

DISCUSSION/ANALYSIS:

Attached to this staff report is a Reimbursement Agreement that would allow the City to begin procuring consultants to assist with annexation and development of the 38.68 acre property currently in the City of Indio to the City of Coachella. This will be the beginning of land use entitlement process that will include, but not be limited to:

- General Plan Amendment
- Pre-Annexation Zone Change
- Development Agreement
- Conditional Use Permits
- Tentative Subdivisions

The Draft Reimbursement Agreement is an "at-cost" reimbursement and is an estimate of probable consultant costs. The agreement may be amended to include additional services through mutual written consent of the parties. The City and Applicant will work together to finalize cost recovery items from the beginning stages until project completion.

FISCAL IMPACT:

This reimbursement agreement is intended to recover all related costs for the use of city consultants. The City will not incur any unreimbursed costs as a result of this agreement. As a result of this action, Council appropriates expenditures as outlined under the term of the agreement and corresponding revenues in the City's General Fund. This agreement is subject to an initial $22,200 deposit to be replenished at the request of the City to reasonably maintain minimal liability balances for the City.

Attachments: Draft Reimbursement Agreement with Paul Pavao

REIMBURSEMENT AGREEMENT

Between

CITY OF COACHELLA
a California municipal corporation

and

Paul Pavao, Applicant

REIMBURSEMENT AGREEMENT

This Reimbursement Agreement ("Agreement") is made this 28TH day of July 2021, by and between the City of Coachella, a California municipal corporation (the "City"), and Paul Pavao (the "Applicant").

RECITALS

This Agreement is made with respect to the following facts.

A. The Applicant is the owner of that certain real property ("Property") located within the City of Indio (proposed for annexation into the City of Coachella), County of Riverside, California. The Property is more particularly described in the legal description attached hereto as Exhibit "A".

B. The Applicant is contemplating the development of the Property as an owner-initiated Annexation of 38.68 acres of vacant land currently in the City of Indio to the City of Coachella, in order to subdivide the land into 25 industrial lots ranging in size from .077 acres to 4.60 acres with all the off-site improvements. The Applicant will pursue applications for various pre-incorporation legislative and discretionary land use approvals for development of the Property including, without limitation, General Plan Amendment (IL/UEC), Pre-Annexation Zone Change (CG-PD/MSIP), Development Agreement, Conditional Use Permits, Tentative Subdivision Maps (Industrial Park Overlay Zone amendment and zoning map amendment for cannabis uses, Hotel, Work Force Development, Substation), Architectural Reviews, and the related Mitigated Negative Declaration with technical documents pursuant to the California Environmental Quality Act ("CEQA") as outlined as part of Pre-Application Review No. 17-06. All of the above shall be referred to collectively as the "Project."

C. To provide the City with the planning, environmental and legal services, and other expertise and information necessary to the City's review process concerning the development of the Property, it is necessary for the City to access the services of planning / environmental peer review consultant Ron Goldman, LAFCO Consultant Kathleen Rollings-McDonald, TKE Engineering traffic consultant, NRO Engineering land surveyor/plan checker, and City Attorney for the Project ("Consultants").

D. As a condition to the City's completion of the review process, the Applicant has agreed to reimburse the City for the Consultants' costs and expenses related to the City's review process in the manner and amounts set forth in this Agreement. The Applicant's reimbursement of City under this Agreement will ensure that the City has the necessary resources to diligently and efficiently process the Applicant's Project.

AGREEMENT

NOW, THEREFORE, in consideration of the following mutual promises and agreements, City and Applicant agree as follows:

1 Incorporation of Recitals. The parties agree that the Recitals constitute the factual basis upon which the City and the Applicant have entered into this Agreement. The City and the Applicant each acknowledge the accuracy of the Recitals and agree that the Recitals are incorporated into this Agreement as though fully set forth at length.

2. City to Retain Consultants. As a necessary and indispensable part of its fact finding process relating to the review and processing of the Applicant's proposed Project, the City shall retain the services of Consultants as set forth in Section 4 of this Agreement to provide advice as the City may deem necessary in its reasonable and sole discretion. The scope of work of each Consultant for the Project is attached hereto as Exhibit "B". The City reserves the right, in its reasonable and sole discretion, to amend the scope of work as it deems necessary and appropriate where such amendments are reasonably necessary and related to the City's proper review and consideration of the Applicant's Project.

The Applicant agrees that, notwithstanding the Applicant's reimbursement obligations under this Agreement, Consultants shall be the contractors exclusively of the City and not of the Applicant. Except for those disclosures required by law including, without limitation, the California Public Records Act, all conversations, notes, memoranda, correspondence and other forms of communication by and between the City and its Consultants shall be, to the extent permissible by law, privileged and confidential and not subject to disclosure to the Applicant. The Applicant agrees that it shall have no claim to, nor shall it assert any right in any reports, correspondence, plans, maps, drawings, news releases or any and all other documents or work product produced by the Consultants.

3. Applicant to Cooperate with Consultants. The Applicant agrees to cooperate in good faith with the Consultants. The Applicant agrees that it will instruct its agents, employees, consultants, contractors and attorneys to reasonably cooperate with the Consultants and to provide all necessary documents or information reasonably requested of them by the City and/or the Consultants; provided, however, that the foregoing shall not require the disclosure of any documents or information of the Applicant which by law is privileged, proprietary, confidential, and exempt from disclosure under the Public Records Act.

4. City's Selection of Consultants. The City intends to retain the following as Consultants pursuant to this Agreement:

(i) Planning / Environmental Peer Review Consultant

(ii) LAFCO Consultant – Kathleen Rollings-McDonald

(iii) Traffic Consultant – TKE Engineering

(iv) Land Surveyor/Plan Checker – NRO Engineering

(v) Legal Counsel – Best Best & Krieger LLP

5. Applicant's Reimbursement of Costs and Expenditures. The Applicant shall reimburse the City for one hundred percent (100%) only of the actual costs and expenditures incurred by the City for identified Consultant costs ("Costs".) The City has preliminarily reviewed the scope of work required and has estimated the Costs to be approximately Twelve Thousand Dollars ($12,000.00) for planning / environmental consultant work, Three Thousand Five Hundred Dollars ($3,500) for LAFCO Consultant services, Five Thousand Five Hundred Dollars ($5,500) for Traffic Consultant services, Three Thousand Five Hundred ($3,500) for Land Surveyor/Plan Checker services, in addition to legal counsel's fees based on attached scope and hourly fees ("Estimated Costs"). before the City enters into any contractual obligation with or retains the services of any identified consultants, the Applicant shall submit the initial deposit in the amount of Twenty-Two Thousand Two Hundred dollars ($22,200.00) to cover 50% of the planning/environmental consultant, LAFCO consultant, traffic consultant, land surveyor/plan checker costs, plus $10,000 as an initial deposit for legal counsel (summary invoices only) costs. The City shall provide copies of monthly invoices prepared by consultants and legal counsel, and the applicant shall make additional deposits when requested by the City with the deposit balance to remain consistent with the initial deposit amount or remaining consultant contract/agreement balances whichever is less to adequately cover the anticipated consultant costs. The City will only enter into contractual obligations under this section once the City of Indio has approved or given a clear indication of approval of the project related annexation. In the event that the services specified in this section are necessary to determine the City of Indio's intent regarding the annexation, the City will consult the applicant before entering into any agreements under this section.

City shall not exceed the Estimated Consultants Costs without Applicant's prior written approval. The City may incur aggregate Costs up to the Estimated Costs, subject to the reasonable approval of the Applicant. The City shall use reasonable good faith efforts to consult with the Applicant prior to amending the scope of services to be provided by the Consultants and incurring Costs that exceed the Estimated Costs ("Excess Costs"). The Applicant's obligation to reimburse the City for Excess Costs which exceed the Estimated Costs shall be contingent upon, the City's providing the Applicant with written notice of the amendment of the scope of work to be performed by Consultants and the estimated Excess Costs prior to the commencement of work. The City shall not incur Excess Costs without the prior written approval of the Applicant.

For purposes of this Section, the City shall be deemed to have consulted with the Applicant when the City has provided written notice to the Applicant that the City reasonably anticipates that it will incur, or has incurred, Excess Costs. If, after consultation, the Applicant disagrees with the City's incurring of Excess Costs, then the Applicant's sole and exclusive remedy will be to terminate this Agreement pursuant to Section 9 of this Agreement, subject to the Applicant's obligation to reimburse the City for all Costs incurred by the City prior to the date of termination, whether or not yet paid by the City to the Consultants.

6. Evidence of Payment of Consultant Costs Immediately following the City's disbursement of funds to Consultant pursuant to an approved Professional Services Agreement or similar retainer agreement with the Consultant(s), the City shall provide the Applicant with such

reasonable documentation as the Applicant may request to substantiate any demands for payment by Consultant(s).

7. Applicant understands and agrees that City reserves complete discretion and authority regarding the (a) outcome of the Project, (b) contents, scope, analysis and conclusions of the Consultant(s) and Consultant documents, including plans, staff reports, ordinances, resolutions, maps, conditions, mitigation measures, and environmental review documents and findings, (c) and City determinations and decisions on the Project Nothing in this Agreement shall in any way commit or obligate City to approve any particular development project application or to support the development of the project site or any part of it.

8. Term. The term of this Agreement shall commence on the date that this Agreement is approved by the City Council and the City of Indio's approval of the resolution to allow the deannexation of project from the City of Indio and annexation to the City of Coachella fully executed by the parties and shall terminate when all work required has been completed to the City's reasonable satisfaction and the Applicant has satisfied all of its obligations under this Agreement including, without limitation, the obligation to reimburse the City for Estimated Costs and Excess Costs, whether or not paid by the City to Consultant(s) prior to the date of termination. The Applicant's obligation to reimburse the City as provided in this Agreement shall survive the termination of this Agreement pursuant to Section 9.

9. Early Termination. The City may terminate this Agreement prior to the term set forth in Section 8 above, without cost or liability to the City, upon thirty (30) days prior written notice to the Applicant. The Applicant may in its reasonable and sole discretion terminate this Agreement prior to the end of the term set forth in Section 8 above upon thirty (30) days' prior written notice to the City; provided, however, that the Applicant has satisfied all of its obligations under this Agreement to the date of termination regarding reimbursement to the City of both Estimated Costs and Excess Costs and, furthermore, that the Applicant has given City written notice withdrawing its application(s) for the Project.

Within two (2) City working days following either the City's decision to terminate this Agreement or the City's receipt of written notice indicating the Applicant's decision to terminate this Agreement, the City shall notify the Consultant(s) and instruct them to cease work. Consultant(s) shall be instructed to bill the City for any work completed prior to the date of termination.

10. Assignability. This Agreement may not be assigned by either party without the prior and express written consent of the other party, which consent shall not be unreasonably withheld. In determining whether to approve a request by the Applicant to assign this Agreement, the City may consider, among other things, the proposed assignee's financial status and commitment to the Project. Any attempted assignment of this Agreement not in compliance with the terms of this Agreement shall be null and void and shall confer no rights or benefits upon the assignee.

11. No Oral Modifications. This Agreement represents the entire understanding of the City and the Applicant and supersedes all other prior or contemporaneous written or oral agreements pertaining to the subject matter of this Agreement. This Agreement may be modified, only by a writing signed by both the authorized representatives of both the City and the Applicant. All modifications to this Agreement must be approved by the City Council of the City of Coachella.

12. Binding Upon Successors. This Agreement and each of its terms shall be binding upon the City, the Applicant and their respective officers, elected officials, employees, agents, contractors, and permitted successors and assigns.

13. Legal Challenges. Nothing herein shall be construed to require City to defend any third party claims and suits challenging any action taken by the City with regard to any procedural or substantive aspect of the City's approval of development of the Property, the environmental process, or the proposed uses of the Property. The Applicant may, however, in its sole and absolute discretion appear as real party in interest in any such third party action or proceeding, and in such event, it and the City shall defend such action or proceeding and the Applicant shall be responsible and reimburse the City for whatever legal fees and costs, in their entirety, including actual attorneys' fees, which may be incurred by the City in defense of such action or proceeding. This City shall have the absolute right to retain such legal counsel as the City deems necessary and appropriate and the Applicant shall reimburse the City for any and all attorneys' fees and costs incurred by the City as a result of such third party action or proceeding; provided, however, Applicant may, at any time, notify City in writing of its decision to terminate such reimbursement obligation and, thereafter, in the event that the City decides to continue the defense of such third party action or proceeding, Applicant shall have no further obligation to reimburse City for its attorney fees and costs.

14. Attorneys' Fees. In the event that any action or proceeding, including arbitration, is commenced by either the City or the Applicant against the other to establish the validity of this Agreement or to enforce any one or more of its terms, the prevailing party in any such action or proceeding shall be entitled to recover from the other, in addition to all other legal and equitable remedies available to it, its actual attorneys' fees and costs of litigation, including, without limitation, filing fees, service fees, deposition costs, arbitration costs and expert witness fees, including actual costs and attorneys' fees on appeal.

15. Jurisdiction and Venue. This Agreement is executed and is to be performed in the City of Coachella, Riverside County, California, and any action or proceeding brought relative to this Agreement shall be heard in the appropriate court in the County of Riverside, California. The City and the Applicant each consent to the personal jurisdiction of the court in any such action or proceeding.

16. Severability. If any term or provision of this Agreement is found to be invalid or unenforceable, the City and the Applicant both agree that they would have executed this Agreement notwithstanding the invalidity of such term or provision. The invalid term or provision may be severed from the Agreement and the remainder of the Agreement may be enforced in its entirety.

17. Headings. The headings of each Section of this Agreement are for the purposes of convenience only and shall not be construed to either expand or limit the express terms and language of each Section.

18. Representations of Authority. Each party signing this Agreement on behalf of a party which is not a natural person hereby represents and warrants to the other party that all necessary legal prerequisites to that party's execution of this Agreement have been satisfied and that he or she has been authorized to sign this Agreement and bind the party on whose behalf he or she signs.

19. Notices. Notices required under this Agreement shall be sent to the following:

If to the City:
Development Services Director
City of Coachella
53-990 Enterprise Way
Coachella, CA 92236

If to the Applicant:
Paul Pavao
84-851 Avenue 48
Coachella, CA 92236

Notices given pursuant to this Agreement shall be deemed received as follows:

(1) If sent by United States Mail - five (5) calendar days after deposit into the United States Mail, first class postage prepaid.

(2) If by facsimile - upon transmission and actual receipt by the receiving party.

(3) If by express courier service or hand delivery - on the date of receipt by the receiving party.

The addresses for notices set forth in this Section 19 may be changed upon written notice of such change to either the City or the Applicant, as appropriate.

Scope of Services

Best Best & Krieger LLP – Legal Counsel

Best Best & Krieger LLP ("BBK") proposes to provide legal review services to the City of Coachella to assist the City in reviewing and processing the application by Paul Pavao to annex territory into the City of Coachella and procure entitlements and a Development Agreement to develop a 38-acre industrial park on the Property with up to 25 lots and a variety of commercial and industrial buildings, roadways, and related infrastructure. All legal review services shall be billed at BBK's current standard private client rates, minus ten percent (10%).

The attorneys anticipated to provide legal review services are as follows:

Amanda Daams	$365/hour less 10 percent (10%)
Carlos Campos	$465/hour less 10 percent (10%)
Charity Schiller	$530/hour less 10 percent (10%)

Other attorneys may also be used, provided their billing rates are less than those identified above.

Exhibit "B-1"
Scope of Services

Contract Planner Services (Hourly Rate - $150/hr)

The Services to be provided include the following:

1. Assist City of Coachella staff in a lead project management capacity with review, processing, and formulation of recommendations for applications for Pre-Annexation Zoning, General Plan Amendment, subdivision maps, and other related land use entitlements for the “Emerald Park” commercial/industrial project, located at the northwest corner of Avenue 48 and Harrison Street in the City of Coachella, California.

2. Attendance at project meetings with the project proponents and City staff as needed. Attendance at Planning Commission and City Council public hearings, and other meetings as directed by the City Manager or designee.

3. Completion of written reports and inter-departmental communications, as needed, to carry out the tasks of “project manager” for the Project. This includes but is not limited to, preparation of written memorandums, staff reports, public notices, notice of city actions, City Council resolutions and ordinances, for completion by City staff.

4. Assist city staff with proof-reading and editing of draft documents including the Emerald Park Design Guidelines and Draft CEQA documents.

Exhibit "B-2"
Scope of Services

TKE Engineering – Traffic Consultant

The Services to be provided include the following:

1) Scoping review of traffic impact analysis to be procured by the City's CEQA consultant on the project.

2) Peer review of the traffic impact analysis in the draft CEQA documents and preparation of written recommendations to the City of Coachella.

Exhibit "B-3"
Scope of Services

Kathleen Rollings-McDonald – LAFCO Consultant (Hourly Rate $125)

The Services to be provided include the following:

1) Assist with the City of Indio De-Annexation, concurrent Amendment to City of Indio / City of Coachella Sphere of Influence plans, and review of LAFCO Annexation documents and related resolutions and staff reports.

SIGNIFICANT EVENT

4/30/21 – Fire units from Indio, La Quinta, Thermal, and Mecca responded to a reported structure fire in the area of Avenue 54 at the cross of Grapefruit Blvd. The first arriving Engine Company reported several large refuse piles approximately 30'x30' wide by 15' tall, well involved with fire. Along with an additional 100 pallets of baking products. The fire was located at the Imperial Western Products processing plant located at 86-600 Ave 54 in the City of Coachella. The property manager allowed firefighters to utilize skip loaders found on site that assisted with the breakdown of the burning piles and helped to clear a path between the unburned piles. Total Lost: $150,000.00 Total Saved: $375,000.00

5/13/21 – Firefighters responded to a reported traffic collision Southbound of Highway 86 Expressway at the cross of Avenue 50. The first arriving Battalion Chief reported a two-vehicle traffic collision with extrication involving a passenger vehicle and a semi-truck that rolled over. The occupants of the semi-truck were self-extricated with minor to moderate injuries and transported by an American Medical Response ground ambulance to Desert Regional Medical Center. The two occupants of the passenger vehicle unfortunately perished on scene. All units remained committed to the incident to assist the Coroner with extrication. Imperial Irrigation

District technicians arrived on scene to assist with damaged power poles. Both lanes of Southbound Highway 86 Expressway would remain closed between Avenue 50 and Avenue 52 for a duration of 2-3 hours while the Riverside County Sheriff's Department conducted their investigation.

6/6/21 – Fire units from Coachella, Indio, La Quinta, Thermal, Bermuda Dunes, and Thousand Palms responded to reports of multiple trash trucks on fire at the Burrtec Waste and Recycling Maintenance yard. Upon arrival is was reported that multiple natural gas-powered trash trucks were on fire. The trucks were parked close together causing the fire to spread and explode the natural gas tanks. Fire was threatening the nearby office and repair shop. An aggressive coordinated fire attack contained the fire to six trash trucks. No civilian or firefighter injuries were reported. Cause of the fire is under investigation. (see photo below)
Total Lost: $3000,000.00 Total Saved: $4,000,000.00

6/8/21 – Fire crews from Coachella, Indio, La Quinta, and Thermal were dispatched to a residential structure fire in the area of Guitron Street at the cross of Frederick Street in the City of Coachella. Firefighters arrived on scene and found a shed on fire to the rear of 84-631 Romero Street. The fire was being pushed by a 10-15 mph winds threatening four homes. Quick action by firefighters minimized damages, however, the fire did cause minor damage to two residence (1) 84-631 Romero Street and (2) 84-638 Guitron Street: both homes will remain habitable. No injuries were reported. Total Lost: $25,000.00 Total Saved: $1,500,000.00

COMMUNITY

6/9/21 – The crew at Fire Station #79 received a special delivery from some very caring Girl Scouts. Thank you for keeping our first responders in your thoughts! (See photo below)

ADMINISTRATION

Administration continues to keep busy scheduling business inspections/re-inspections as well as station tours and fire prevention presentations at various local schools/businesses. Clerical administration duties continue to audit and reconcile the station's Data/Response Records as well as overhaul files and recordkeeping systems. Clerical administrative duties have continued to look for ways to improve office efficiency and customer service and looks forward to attending upcoming training sponsored by the County of Riverside.

FIRE PREVENTION

The Coachella Fire Department continues to assist the public with code inquiries; conducts hazard reduction inspections and assists Code Enforcement with issues within the city. In closing, our Engine Company personnel continue to conduct multiple inspections and re-inspections helping keep local businesses up to code.

Public Works Department
2021 4th Quarter Report

TO: Honorable Mayor and Council

FROM: Maritza Martinez, Public Works Director

DATE: July 19, 2021

SUBJECT: Quarterly Report

Departmental Mission:

In a balanced effort to maintain cost effective operations and provide maintenance and emergency response services in a reasonable and efficient manner, it is the mission of the Public Works Department to provide quality maintenance and repair of facilities and infrastructure for the City of Coachella community and its city departments.

Executive Summary:

The Public Works Department is responsible for the operations of our: facilities, fleet, landscape, lighting and maintenance districts, parks, and streets. The Department is also the home to our Emergency Services Division and Recreation Division. As reflected below the Public Works Department staff responded to a myriad of requests as reflected below between April 2021 to June 2021.

	Acres	Feet/Sq Feet	Miles/Sq Miles	Quantity
Streets Division				
Illegal Dumping				43 removals 206 tires removed 1 homeless camps removed
Weed/brush Abatement				15 jobs
Disaster Council /Quarterly OAPC/ COVID Meetings				15 meetings
Potholes/Street Repairs				3200 Potholes 8 water line street cut repairs
Sidewalk Repairs				4

Street Sign Main.				Replaced 113; Repaired 60
Street Light Repair				112 repaired
Storm Drain Main				5 storm drains
Traffic Control				12 assignments
	Acres	Feet/Sq Feet	Miles/Sq Miles	Quantity
Parks/LLMD				
Citations Issued				0
Facility Use Permits				17 permits
Overseeding /Fertilization	35 acres			
Park Lighting **Holiday Lighting Removed**				13 Fixture Repairs 0
Sprinkler/Irrigation Repairs				83 Heads; 3 valves; 1 Main Lines; 57 drip line;
Tree/Plant Replacement				3 trees / 157 plants
Building Maintenance				
HVAC Systems Serviced / Repaired				7 repairs/services
Building Repairs				22
Floor Maintenance		35,500 sq ft		

ENGINEERING:

Capital Improvement Projects
April 2021-June 2021

ST-67 Ave 50/I-10 Interchange
100% complete plans were reviewed by CalTrans. The City's consultant made the required revisions and is working with the appropriate utility companies to complete the engineering work. Offer letters have been provided to property owners on the north and south side of Interstate 10. Project meetings continue with CalTrans Management to review the Interchange Grading and finalize plans for construction.

ST-69 Ave 50 Bridge over Whitewater Channel / ST-81 New Interchange @ Avenue 50 and 86 South Expressway
Environmental document was approved and finalized in February 2019. Final authorization for reimbursement for design phase of the project has been approved by CVAG and City Council. Project meeting with CalTrans to review technical studies on the project continues. Request for Authorization has been submitted to Caltrans HBP.

ST-93 Avenue 50 Widening Project (Calhoun to Harrison)
Professional agreement with KOA Corporation has been approved by City Council on 10/9/2019 for Final Construction PS&E. City Staff coordinating with KOA to complete design PS&E. KOA has submitted 60% design PS&E for review.

ST-98 Avenue 50 Extension PS&E (All American Canal to I-10 Interchange)

Engineering Staff is awaiting responses to acquisition offers; Right-of-way acquisitions under negotiations with five property owners located west of the All-American Canal. City Council approved two purchase agreements for 2 of the 5 parcels. Bureau of Reclamation (BOR) has approved the environmental document for the work within the canal area. Hydrologic and hydraulics models are being reconciled with Coachella Valley Water District and Riverside County Flood Control District engineers.

ST-109 Dillon Road Bridge Interstate I-10 Interchange & SR 86 Interchange

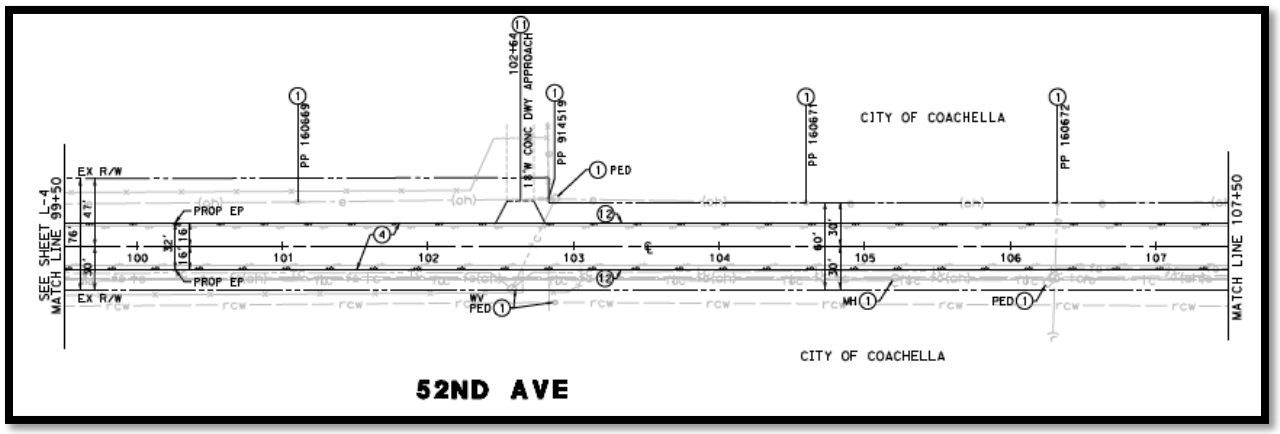
CalTrans bridge inspections on behalf of FHWA, weight limit restrictions were implemented on the existing bridge. Due to the scour critical condition of the bridge, a Plan of Action was filed with FHWA. An application for the current round of the federal Build Grant funding has been submitted.

ST-123 Grapefruit Blvd. Urban Greening Project

A construction contract was awarded to C.S. Legacy Construction as the lowest, responsive bidder on December 17, 2020. Construction started on January 11, 2021 and is scheduled to be completed by July 2021. Grading for sidewalk, bike path, driveways and ADA ramps continues on west and east side of Grapefruit. Bioswales and landscaping continue to be constructed. Shade shelters and site furniture have started to be installed.

ST-129 Avenue 52 and Calhoun

City Staff is coordinating with the County of Riverside and City of Indio on Plans, Specifications and Engineer's Estimate (PS&E) package. PS&E package is currently 100% complete and is currently out to bid. Project will resurface Avenue 52 from Calhoun to Van Buren within city limits.



ST-130 Pueblo Viejo Sustainable Transportation Project

A Request for Proposals (RFP) to design Plans, Specifications and Engineer's Estimate (PS&E) package for the Pueblo Viejo Sustainable Transportation Project were submitted January 13, 2021. Egan Civil was selected as the consultant and awarded a Professional Service Agreement to complete the PS&E package. The project will add over two miles of class II bikeways, pedestrian and landscaping improvements in the Pueblo Viejo downtown area.

ST-131 Avenue 48 Widening from Van Buren to Dillon Road

Environmental documents have been completed and final design for Plans, Specifications and Engineer's Estimates are being made. The project will add two lanes east bound and one lane west bound with bicycle and pedestrian facilities as well. Riverside County is lead agency on this project. Construction is expected to begin Summer 2021.

Private Development Projects

49751 Oates Ln. Luxor RV Parking & Storage:

Storm drain and fire private systems have been installed. Project has been connected to City water system. V- Gutter, half of Parking Lot and two driveways have been completed. Contractor continues grading the rest of parking lot. Temporary COO has been issued. City Staff continues to inspect.

Red Moon Development at the Villas at the Vineyards:

Project is currently on hold.

Escondida Pointe D.R. Horton:

Construction continues as scheduled on Phases 26-28. Phases 1-25 are complete and finals for sewer, water and Engineering have been granted. Staff continues to inspect.

Valencia:

City Staff issued Encroachment Permit for Hydrant, Water services and Meter boxes replacements. Grading Plans and all submittals have been approved. PM10 sign has been installed. Model homes have been completed. Phase 1, 2 and 3 have been completed. Phase 4 and 5 are under construction. Model homes are now open.

Staff continues to inspect.

Palm View Elementary School Rehabilitation:

Site Grading continues inside the project. Water and Sewer permits have been issued. New Water Services has been connected to City Water main lane & new fire hydrant has been installed. A contractor has installed three sewer MH and have been connected to city sewer lines. Irrigation has been connected to main line with backflow for landscape medians. Street lightings and Landscape have been completed. City staff continues to inspect.

Kismet:
Applicant was granted a Sewer line installation permit. Civil improvement Project continues on hold.

54101 Enterprise Way Armando Bravo
PM10 and Utilities Plan have been approved. Construction of Water and Sewer have been hold until SWPPP gets approved and register with State. Grading permit has been paid.

84650 Ave. 49 Mosque
Grading permit has been issued. On-site grading has started and Storm Drain System has been completed. Pre-construction meeting for Sewer Improvements on 12/08/2020. Contractor completed installing Sewer main line at 49th avenue and Las Cruces Street. Sewer laterals have been installed and pressure test has passed inspection. City staff continues to inspect.

84851 Ave. 48th Del Grow:

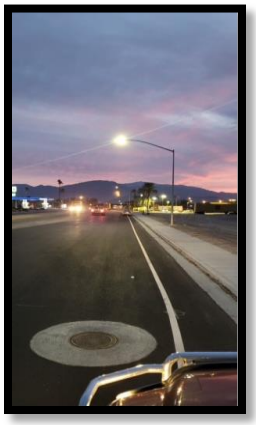
Project has been granted various certificates of occupancies on multiple suites. Master project construction continues.

49869 Calhoun Street. Borrego Health Medical Facility:

Engineering & Building Departments along with Contractor have been held a pre-construction meeting on 4/22/20. Grading plans have been approved & permits have been paid. Aggregates Materials, Concrete design & Traffic Control Plans have been submitted. Storm Drain lines, Headwalls have been completed. Water Improvements have been pressure tested, and Chlorination test has been completed. Contractor completed curb and gutter and Lights footings on Parking lot area. Parking lot base course paving has been completed. City staff continues to inspect.

45761 Dillon Rd. Loves Truck Stop

Parking lot has been completed per approved Grading Plans. Water and Sewer have been completed and connected to our system. Dillon Rd street improvement have been completed including street lights. Project has been completed.



1279 6th Street Pueblo Viejo Villas Apts.

Engineering Department and Contractor held a pre-construction meeting on 11/03/20. Grading plans have been approved & permits have been paid. Erosion Control Plan and PM10 have been set up. Storm Drain Lines and Retention Chambers for Pueblo Viejo Apts. and Mario Lazcano Court have been completed. Sewer line has been completed and connected to existing sewer system. Contractor has completed water line connection on Cesar Chavez, completed curbs in parking lot and portion of C & G and Mario Lazcano and Storm drain apron. Asphalt base course have been completed on Parking lot area and Mario Lazcano Court. City Staff continues to inspect.

1694 9th Street Pueblo Viejo Plaza.

Engineering Department and Contractor held a pre-construction meeting on 02/04/21. Grading plans have been approved & permits have been paid. Erosion Control Plan and PM10 have been set up. Contractor has started the over excavation. City Staff continues to inspect

Spotlight 29 Casino Temporary Parking lot

Temporary Parking lot for 410 parking spaces with an asphalt Driveway has been approved and constructed. Pm 10 plans have been installed and permit has been paid. SWPPP has been submitted and approved. Code enforcement case has been opened for violations.

84805 48th Avenue Nursery Incubator Park.

Engineering Department and Contractor held a meeting. On-site Water Improvements plans have been approved & permits have been paid. Contractor installed Fire line and has water has been connected to City system. City Staff continues to inspect.

Utilities Department
Memorandum

TO: Dr. Gabriel Martin, City Manager

FROM: Cástulo R. Estrada, Utilities Manager

DATE: July 21, 2021

SUBJECT: Quarterly Activity Report (March 2021 to June 2021)

The City of Coachella Utilities Department is submitting the Quarterly Activity report for March through June 2021. The following report summarizes activities and significant achievements for the Coachella Sanitary District and Coachella Water Authority divisions of the Utilities department.

Coachella Sanitary District:
The Utilities Department, Sanitary Division, provides for all the collection, treatment, and disposal of residential, commercial, and industrial wastewater for the more than 8,000 service connections within the City and more than 400,000 lineal feet of sewer collection system, four (2) sewage pump stations, and over 1,580 manholes.

For the Fourth Quarter of April, May, & June 2021, almost 242.554 MG of wastewater was received at the wastewater plant or average daily flow of 2.665 MGD. The plant treated a total of 201.593 MG. A total of 263 samples were collected at the plant for monitoring.

Water Reclamation Facility – 87075 Avenue 54	
Description	*Value*
Total Influent per month (MG)	80.853
Influent Ave. Daily Flow (MGD)	2.665
Total Effluent per month (MG)	67.197
Effluent Ave. Daily Flow (MGD)	2.214
Plant Permitted Capacity (MGD)	4.5
Operational Upsets	None
Permit Violations	None
Hypochlorite consumption (Gallon)	9,600
Sodium Bisulfite consumption (Gallon)	10,900
Odor complaints	0
Samples collected this quarter (Plant)-	263
State Report completed/submitted	Yes

Collection System & Pump Stations Highlights	
Description	*Value*
Underground Service Alert	101

Environmental/Regulatory Division:
The Environmental/Regulatory Division of the Utilities Department is responsible for areas relating directly to water, wastewater, stormwater, and air quality protection. Initial focus is aimed at the National Pollutant Discharge Elimination System (NPDES) Industrial Wastewater Pretreatment program – known as Source Control. This program provides for the auditing and or permitting, monitoring, and enforcement of our local City Ordinance. The following quarterly report will detail activities for the previous quarter. The following list of activities and or tasks assigned:

Coachella Water Tasks

- Turf Program- Sent out news release for Prop 1 Grant for conservation program – turf and conservation rebates available– revised application and website have been updated;
- **Rebates Completed since relaunch:**
  - 16 turf projects
  - 2 toilets
  - 1 smart controller
- Updated the outreach materials for rebate programs and
- Attended via WebEx, the CVRWMG Business Meeting– discussions included status updates for Coachella Valley IRWM Program; specifically Stormwater Resource Plan and Prop 1 Stormwater Grant
- Continued review of CV Water Counts campaign; online and print ads for both English and Spanish language outlets;
- 2020 CCR is online https://www.conservecoachella.com/2020-ccr/ and hard copies are available upon request.
- Attended various DWR webinars for water conservation.
- Completed CWA's America's Water Infrastructure Act (AWIA) Assessment–certification needed to complete the report
- Attended via teleconference the Coachella Valley SWRP Implementation meeting to get updates for Plan;

Coachella Sanitary Tasks

- Continuing data entry from survey(s) and site inspections information into Source Control database
- Review and comments for various RAC from Planning Dept.;
- Attended the Kickoff Meeting: Coachella Valley SNMP Development Workplan
- Environmental Compliance has postponed all onsite inspection until further notice but will respond to all urgent compliance issues; windshield inspection will be scheduled as needed; onsite sampling also suspended;

Public Works Tasks

- Attended monthly Desert Task MS4 NPDES meetings in Via Zoom meeting – discussions included Regional Board's permit renewal updates and new regulation that may be implemented in the WWR NPDES permit
- Reviewed/commented various WQMP for construction projects;
- Drafting the Annual Report FY 20-21 for WWR NPDES – coordinating with Engineering and Streets for data
- Attended monthly Coachella Valley Environmental Justice Enforcement Task Force Meetings;

Intern Program:
The Utilities Department Intern Program was established on December 2012. The program assigns responsibility to provide expertise and guidance to the incumbent and technical assistance to the various divisions within the Department and the public. Incumbent is assigned tasks accordingly to promote career growth and is under the general supervision of the Utilities Manager.

- Program is currently suspended

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Gabriel Perez, Assistant Community Development Director

SUBJECT: Ordinance No. 1178 approving Change of Zone No. 20-04 to add the R-C (Retail Cannabis) Overlay Zone to the existing C-G (General Commercial) Zone on property located at 46-156 Dillon Road. Coachella Can, LLC (Armen Paronyan), Applicant. *(2nd Reading)*.

STAFF RECOMMENDATION:

Due to the registered concerns, staff recommends that the City Council invite additional public testimony, and consider adoption of Ordinance No. 1178 approving Change of Zone No. 20-04 to add the RC (Retail Cannabis) Overlay Zone to the existing C-G (General Commercial) zone on property located at 46-156 Dillon Road.

BACKGROUND:

On May 26, 2021 the City Council continued the second reading of Ordinance No. 1178 due to correspondence received from the 29 Palms Band of Mission Indians tribal government (Tribe), attached to this staff report. Staff and the applicant have reached out to the Tribe in order to get a better understanding of the reasons for their concerns with respect to allowing the R-C (Retail Cannabis) zoning on the subject property. The Tribe did not oppose Conditional Use Permit No.'s 330 and 331 which entitled the cannabis dispensary and a take-out restaurant on the subject site. However, the zone change is a necessary entitlement for the retail cannabis business. The City Council continued the second reading of Ordinance No. 1178 from the June 23, 2021 and requested that staff obtain feedback from the Tribe regarding outstanding concerns about the proposed use.

DISCUSSION/ANALYSIS:

Staff was aware of one electronic mail correspondence submitted by the Tribe on May 11, 2021 to the City Clerk, but directed towards "Councilmember Galarza" as shown below.

From: Anthony Madrigal <amadrigal@29palmsbomi-nsn.gov>
Sent: Tuesday, May 11, 2021 6:36 PM
To: City Clerk <cityclerk@coachella.org>
Cc: BOC <BOC@29palmsbomi-nsn.gov>
Subject: Agenda Item #11 Opposition to City of Coachella Ordinance No. 1178

Good evening Councilman Galarza,

The Twenty-Nine Palms Band of Mission Indians would like to express its opposition to Ordinance No. 1178 approving Change of Zone No. 20-04 to add the R-C (Retail Cannabis) Overlay Zone to the existing C-G (General Commercial) Zone on property located at 46-156 Dillon Road. The Tribe believes that the Dillon Corridor is the gateway to the City and should not have establishments that offer cannabis products to the public in this area. Approving Ordinance No. 1178 will have an adverse impact on the Coachella Crossroads Youth Multi-Sport Event Center that the Tribe hosts nearby (less than 1,000 feet away).

Respectfully,

Anthony Madrigal | Tribal Administrator

Twenty-Nine Palms Band of Mission Indians
46-200 Harrison Place, Coachella, CA 92236
Phone: 760-775-3259 | Mobile: 760-625-7872

NOTICE: All information in and attached to this and or the e-mails below may be proprietary, confidential, privileged and otherwise protected from improper or erroneous disclosure. If you are not the sender's intended recipient, you are not authorized to intercept, read, print, retain, copy, forward, or disseminate this message. If you have erroneously received this communication, please notify the sender immediately by phone (760-775-5566) or by e-mail and destroy all copies of this message electronic, paper, or otherwise.

The above e-mail registers a concern regarding the land use compatibility of the proposed retail cannabis business because it is in close proximity to the Coachella Crossroads Youth Multisport Event Center within 1,000 feet. There is no City of Coachella Municipal Code regulation requiring

any minimum distance between a commercial entertainment complex (i.e, spectator sports center, concert venue) to a retail cannabis business or take-out restaurant (the proposed businesses).

Additionally, the proposed dispensary will be located in the rear portion of the existing building, and will have a front-facing take-out restaurant with specialty chicken sandwiches and trimmings. The landlord has further indicated that if the dispensary is successful, he intends to build a freestanding commercial building to bring a specialty taco shop from the San Diego area to this location. As such, the appearance of the commercial property as viewed from the street, will be in keeping with the other uses in the immediate vicinity (i.e., Popeye's Chicken, Del Taco, etc.) and does not raise an incompatibility issue with the Tribal entertainment/sports complex.

Furthermore, the Tribe has not submitted any new information regarding their specific concerns, or whether there are acceptable mitigation measures that would allow them to co-exist with a commercial cannabis business in their neighborhood. Denial of the retail cannabis business zoning would be to the detriment of a bona-fide business venture that has been expected by the applicant/investors and one that is based on good-faith efforts to bring new businesses to the City of Coachella. While the CUP is a discretionary action, the Tribe did not previously register any opposition to the CUP for the dispensary.

The City Council approved the Coachella Canna Club cannabis dispensary and indoor cannabis consumption lounge project on April 28, 2021. The applicant intends to license the existing one-story commercial building tenant space for a retail cannabis business to include a 7,170 square foot retail cannabis business and consumption lounge and a commercial kitchen with take-out restaurant (Chick Next Door) along with indoor and outdoor seating.

Applicant Correspondence:

Attached to this staff report is a letter received from the applicant on June 3, 2021 outlining his counter arguments to the concerns registered by the Tribe, and the letter expresses concern over delays and a perceived lack of business-friendly demeanor by the City. There is an attachment to the letter consisting of the mailing list of all property owners within 300 feet that were notified about the public hearings for this project. Staff reached out the Tribe since the June 23, 2021 City Council meeting and has not received any further feedback about outstanding concerns regarding the proposed use.

ALTERNATIVES:

1) Adopt Ordinance No. 1178 approving Change of Zone No. 20-04.
2) Deny Ordinance No. 1178 with findings.
3) Continue this matter and provide staff with direction.

FISCAL IMPACT:

There are no fiscal impacts associated with this action in that it merely creates the proper zoning to allow the operation of a retail cannabis dispensary on the subject site, subject to the conditions of approval previously imposed on the business through Conditional Use Permit No. 330.

RECOMMENDED ALTERNATIVE(S):

Staff recommends Alternative #1 above.

Attachments: Ordinance No. 1178 - 2nd Reading
Applicant's Letter of June 3, 2021
300-ft Radius Property Owner Mailing Labels

ORDINANCE NO. 1178

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COACHELLA APPROVING CHANGE OF ZONE 20-04 TO ADD THE R-C (RETAIL CANNABIS OVERLAY) ZONE TO THE EXISTING C-G (GENERAL COMMERCIAL) ZONE ON PROPERTY LOCATED AT 46-156 DILLON ROAD, COACHELLA CAN LLC (ARMEN PARONYAN), APPLICANT.

WHEREAS, Armen Paronyan (on behalf of Coachella Can LLC) filed an application for Change of Zone 20-04 on property located at 46-156 Dillon Road, and attendant applications Conditional Use Permit 330 and 331 (Property known as Assessor's Parcel No.603-102-024) ("Project"); and,

WHEREAS, the Planning Commission conducted a duly noticed public hearing on Change of Zone 20-04 and CUP 330 and CUP 331 on March 3, 2021 at the Coachella Permit Center, 53-990 Enterprise Way, Coachella, California and recommended that the City Council approve Change of Zone 20-04 and CUP 330 and CUP 331; and,

WHEREAS, at the Planning Commission hearing the Applicant and members of the public were present and were afforded an opportunity to testify regarding the Project; and,

WHEREAS, the Project is permitted pursuant to Chapter 17.47 of the Coachella Municipal Code, and the attendant application for a Conditional Use Permit to allow the Project; and,

WHEREAS, the proposed use is necessary or desirable for the development of the community, is consistent with the objectives of the City's General Plan, and is not detrimental to the existing uses or the uses specifically permitted in the zone in which the proposed use is to be located; and,

WHEREAS, the proposed site is adequate in size and shape to accommodate the proposed development; and,

WHEREAS, the site for proposed use relates properly to streets which are designed to carry the type and quantity of traffic to be generated by the proposed use; and,

WHEREAS, the Project is exempt from the provisions of the California Environmental Quality Act, as amended; and,

WHEREAS the City Council conducted a duly noticed public hearing on Change of Zone 20-04 and CUP 330 and CUP 331 on April 28, 2021 at the Coachella City Hall, 1515 6th Street, Coachella, California and the applicant and the public were afforded an opportunity to testify regarding the Project; and,

WHEREAS, the conditions as stipulated by the City are necessary to protect the public health, safety and welfare of the community.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHLLA CALIFORNIA, DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. That the City of Coachella Official Zoning Map be amended as shown on the attached Change of Zone 20-04 map marked "Exhibit A" from C-G (General Commercial to CG-RC (General Commercial-Retail Cannabis Overlay Zone) on property located at 46-156 Dillon Road, with the findings listed below:

Findings for Change of Zone 20-08:

1. The Project is consistent with the goals, objectives, policies, and implementation measures of the Coachella General Plan 2035. The site has a Regional Retail District land use designation that allows for the proposed development. The proposed change of zone is in keeping with the policies of the Regional Retail District land use classification and the Project is internally consistent with other General Plan policies for this type of development.

2. The Project is in compliance with the applicable land use regulations and development standards of the City's Zoning Code. The site plan proposes a retail cannabis business, consumption lounge, commercial kitchen and take out window including indoor and outdoor seating areas. The Project complies with applicable C-G (General Commercial) and Section 17.47.020 property development standards as proposed.

3. Every use, development of land and application of architectural guidelines and development standards shall be considered on the basis of the suitability of the site for a particular use or development intended, and the total development, including the prescribed development standards, shall be so arranged as to avoid traffic congestion, ensure the protection of public health, safety and general welfare, prevent adverse effects on neighboring property and shall be in accord with all elements of the general plan. The proposed change of zone is compatible with existing surrounding land uses that include commercial land uses.

4. The Project will be compatible with neighboring properties with respect to land development patterns and application of architectural treatments. The plans submitted for this Project propose a cannabis business with a consumption lounge and a fast food restaurant with an indoor and outside seating areas that are permitted in the C-G (General Commercial) zone pursuant approved Conditional Use Permits. Surrounding properties to the project site include commercial and vacant land uses. As such, the Project will be in keeping with the scale, massing, and aesthetic appeal of the existing area and future development

5. The Project is exempt from the California Environmental Quality Act pursuant to CEQA Guidelines Section 15303 (C) that exempts the conversion of existing small structures from one use to another where only minor modifications are made to the interior and exterior of the structure.

Section 2. SEVERABILITY. The City Council declares that, should any provision, section, paragraph, sentence or word of this ordinance be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation the remaining provisions, sections, paragraphs, sentences or words of this ordinance as hereby adopted shall remain in full force and effect.

Section 3. EFFECTIVE DATE. This ordinance shall take effect thirty (30) days after it's second reading by the City Council.

Section 4. CERTIFICATION. The City Clerk shall certify to the adoption of this Ordinance and shall cause it to be published and circulated in the City of Coachella.

PASSED, APPROVED and ADOPTED this 28th day of July 2021.

City of Coachella Council
53990 Enterprise Way
Coachella, CA 92236
understand the Tribe to

Dear Coachella Councilmembers,

I am writing to help clarify a few issues of concern that were brought up at the last council meeting of May 26, 2021.

Councilmember Galarza expressed concern with regards to the letter of opposition from the Twenty-Nine Band of Mission Indians. The Tribe claims to be opposed due to concerns about the distance to their multi-sport youth center, which by their admission is 1,000 feet away from our project site. The City requires 600 feet from any school, park or youth center. The State of California also requires 600 feet from any school, park or youth center. The odd thing about their opposition is that they would bring any youth related activity near a casino and a sexually oriented business but now have a sudden concern for legal cannabis related business. Our intention is not to impose a threat to neighboring businesses by maintaining a safe and welcoming environment.

The other issue that came up during the last council meeting was the concern for properly notifying neighboring property owners. The instructions set by the City and County of Riverside require that we notify all property owners within 300 feet of the project. All property owners within that range were notified. We provided a certified list of property owners with 3 sets of mailing labels as requested. We understand the Twenty-Nine Band of Mission Indians to the north of Dillon Road has purchased land to the south of Dillon Road and were also notified. The Certification was provided by Lawyers Title Company on August 19, 2020. Please see attached copy of Property Owner Certification as evidence of proper notification. The Twenty-Nine Band of Mission Indians had plenty of time during which to make their opposition known.

An issue that has not been discussed and that the council has failed to take into consideration is how difficult council has been to work with. Our goal was not only to bring an exemplary cannabis business to the city, but to bring additional non-cannabis related businesses to the city. Our enterprises provide well-paying jobs for locals and tax revenue for the city. Unfortunately, the city has been inconsistent in their cannabis processing, undecisive with their goals, constant delays, which makes for bad business. Essentially the City has given the impression that they do not want to work with new developers. Either way, we feel we have been unfavorably treated. We followed all the rules and guidelines set by the City and still we are delayed. We see no reason to further delay this project. Please reconsider your concerns and pass the second reading.

We would like to have a healthy long working relationship with the city moving forward.

Sincerely,

Armen Paronyan
CannaClub

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Gabriel Martin, City Manager
Best Best & Krieger LLP, City Attorney

SUBJECT: Ordinance No. 1185 Regarding Labor Peace Agreement Requirements for Cannabis Businesses

---

RECOMMENDATION (BY COUNCIL MEMBERS DELGADO AND BEAMAN JACINTO)

Introduce by title and waive first reading of an ordinance entitled "An Ordinance of the City Council of the City of Coachella, California Adding Coachella Municipal Code Sections 5.68.040 and 5.69.030 to Require Cannabis Businesses with Five or More Employees to Enter into Labor Peace Agreements as a Condition of Cannabis Business Regulatory Permit Issuance or Renewal.

BACKGROUND

A Labor Peace Agreement, as defined by California cannabis law, is defined as an agreement between a cannabis licensee and any bona fide labor organization that, at a minimum, prohibits labor organizations and members from engaging in picketing, work stoppages, boycotts, and any other economic interference with the applicant's business. (Bus. & Prof. Code, § 26001(x).) This agreement must include a provision that the cannabis business has agreed not to disrupt efforts by the bona fide labor organization to communicate with, and attempt to organize and represent, the business' employees. The agreement must also provide a bona fide labor organization access at reasonable times to areas in which the business' employees work, for the purpose of meeting with employees to discuss their right to representation, employment rights under state law, and terms and conditions of employment. Finally, under state law, the agreement need not mandate any particular method of election or certification of the bona fide labor organization.

DISCUSSION

California's Assembly Bill 1291, which went into effect on January 1, 2020, mandates that all cannabis license applicants employing more than 20 employees must enter into a "labor peace agreement," as defined by Business and Professions Code Section 26001(x), that prohibits a union from engaging in strikes, work stoppages and other economic interferences. Employers without a qualifying labor peace agreement do not qualify for a state cannabis license.

The four key elements of a Labor Peace Agreement (Bus. & Prof. Code, § 26001(x)) are as follows:

- prohibits labor organizations and members from engaging in picketing, work stoppages, boycotts, and any other economic interference with the cannabis business' operations;

- the cannabis business agrees not to disrupt efforts by the bona fide labor organization to communicate with, and attempt to organize and represent, the business' employees;

- a bona fide labor organization must have access at reasonable times to areas in which the business' employees work, for the purpose of meeting with employees to discuss their right to representation, employment rights under state law, and terms and conditions of employment; and

- the Labor Peace Agreement need not mandate any particular method of election or certification of the bona fide labor organization.

Some cities have adopted ordinances that reduce the minimum number of employees of cannabis businesses from twenty (20) employees to a lower number. For instance, Cathedral City adopted an ordinance that requires cannabis operators with ten (10) or more employees to enter into a Labor Peace Agreement. Likewise, Pomona and Palm Springs have adopted ordinances that requires cannabis permittees with five (5) or more employees to enter into, and abide by, a labor peace agreement. The City of Corona requires cannabis businesses to enter into Labor Peace Agreements, regardless of the number of employees.

In addition to the number of employees, different cities apply the labor peace agreement requirement to different categories of employees. For instance, Cathedral City's ordinance only applies when ten (10) "full-time equivalent non-supervisorial employees" are employed. Pomona's ordinance applies when five (5) or more employees, regardless of category, are employed. Corona's ordinance similarly does not require the employees to be of any particular category.

The proposed Ordinance would amend Coachella Municipal Code Sections 5.68.040 and 5.69.030 to add a requirement for all cannabis business applicants/permittees seeking renewal with 5 or more employees to provide proof, satisfactory to the City Manager, that the applicant or permittee has entered into and will abide by the terms of a labor peace agreement. For applicants/permittees who have not yet entered into a labor peace agreement, the applicant/permittee would be required to provide a notarized statement indicating the applicant/permittee will enter into and abide by the terms of a labor peace agreement as soon as reasonably practicable after issuance or renewal of the regulatory permit, but in no event later than one hundred eighty (180) days following the issuance or renewal. Once the applicant has entered into the labor peace agreement, the applicant must provide the City Manager with a copy of the page of the labor peace agreement that contains the signatures of the union representative and the applicant.

Labor Peace Agreements have withstood legal challenges when the public agency imposing them is doing so to protect a proprietary, as opposed to a regulatory interest. At the state level, the State of California is asserting a proprietary interest in the significant sums of tax revenue that are expected to be received from the cannabis industry. Again, as the application of Labor Peace

Agreements moves away from the City's proprietary interests and towards its regulatory interests, the legal issues become less clear.

Therefore, the City Council is being asked to consider conducting a first reading/introduction of the proposed ordinance, requiring Labor Peace Agreements by cannabis businesses with five (5) or more employees. Should the City Council conduct this first reading/introduction, the ordinance would need to come back for a second reading. After the second reading, the ordinance would become effective in 30 days.

FISCAL IMPACT

It is expected that expanding the requirement of Labor Peace Agreements will have a positive fiscal impact to the City, in that such agreements prohibit labor organizations and members from engaging in picketing, work stoppages, boycotts, and any other economic interference with the cannabis businesses. Those activities have a negative impact on the cannabis industry within the City. As such, by reducing those negative impacts on cannabis business' activities, the City would be expected to realize additional tax revenue from those cannabis businesses.

ATTACHMENT

Ordinance 1185

ORDINANCE 1185

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, AMENDING COACHELLA MUNICIPAL CODE SECTIONS 5.68.040 AND 5.69.030 REGARDING CANNABIS BUSINESS LABOR PEACE AGREEMENTS

WHEREAS, California Business and Professions Code section 26051.5 requires every cannabis business with 20 or more employees seeking a license to operate from the State to enter into a labor peace agreement; and

WHEREAS, because of the significant tax revenue derived from cannabis businesses, the City has a proprietary interest in prohibiting labor organizations and members from engaging in picketing, work stoppages, boycotts, and any other economic interference with cannabis business' operations; and

WHEREAS, the City Council desires to make a labor peace agreement a requirement of obtaining a City cannabis regulatory permit or renewal permit for all cannabis businesses with five (5) or more employees.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF COACHELLA DOES ORDAIN AS FOLLOWS:

SECTION 1. Recitals. The City Council hereby finds and determines that the recitals set forth above are true and correct and are hereby incorporated and adopted as findings and determinations by the City Council as if fully set forth herein.

SECTION 2. Amendment to Coachella Municipal Code. Coachella Municipal Code Section 5.68.040 *Regulatory permit application* of Chapter 5.68 *Commercial Cannabis Activity Regulatory Permit* is hereby amended as follows:

"R. For applicants or permittees that have five (5) or more employees, the applicant for a new regulatory permit, or for a renewal, shall provide proof, satisfactory to the City Manager, that the applicant or permittee has entered into and will abide by the terms of a labor peace agreement. Such proof shall be a condition to the issuance by the City of any new permit or for the renewal of any such permit. For applicants/permittees who have not yet entered into a labor peace agreement, the applicant/permittee shall provide a notarized statement indicating the applicant/permittee will enter into and abide by the terms of a labor peace agreement as soon as reasonably practicable after issuance or renewal of the regulatory permit, but in no event later than one hundred eighty (180) days following the issuance or renewal. Once the applicant has entered into the labor peace agreement, the applicant shall provide the City Manager with a copy of the page of the labor peace agreement that contains the signatures of the union representative and the applicant.

~~R.~~ S. Authorization for the city manager to seek verification of the information contained within the application.

~~S~~. T. A statement in writing by the applicant that he or she certifies under penalty of perjury that all the information contained in the application is true and correct.

~~T~~. U. A full and complete copy of the applicant's most current application submitted to and approved by the applicable state licensing authority.

~~U~~. V. Any such additional and further information as is deemed necessary by the city manager to administer this chapter."

SECTION 3. Amendment to Coachella Municipal Code. Coachella Municipal Code Section 5.69.030 *Regulatory permit application* of Chapter 5.69 *Cannabis Retailer and Retail Microbusiness Regulatory Permit* is hereby amended as follows:

"Q. For applicants or permittees that have five (5) or more employees, the applicant for a new regulatory permit, or for a renewal, shall provide proof, satisfactory to the City Manager, that the applicant or permittee has entered into and will abide by the terms of a labor peace agreement. Such proof shall be a condition to the issuance by the City of any new permit or for the renewal of any such permit. For applicants/permittees who have not yet entered into a labor peace agreement, the applicant/permittee shall provide a notarized statement indicating the applicant/permittee will enter into and abide by the terms of a labor peace agreement as soon as reasonably practicable after issuance or renewal of the regulatory permit, but in no event later than one hundred eighty (180) days following the issuance or renewal. Once the applicant has entered into the labor peace agreement, the applicant shall provide the City Manager with a copy of the page of the labor peace agreement that contains the signatures of the union representative and the applicant.

~~Q~~. R. Authorization for the city manager to seek verification of the information contained within the application.

~~R~~. S. A statement in writing by the applicant that he or she certifies under penalty of perjury that all the information contained in the application is true and correct.

~~S~~. T. A full and complete copy of the applicant's most current application submitted to and approved by the applicable State licensing authority.

~~T~~. U. Any such additional and further information as is deemed necessary by the city manager to administer this chapter.

SECTION 4. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance, or any part thereof, is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portion of this Ordinance or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more section, subsection, subdivision, paragraph, sentence, clause or phrase be declared unconstitutional. If for any reason any portion of this Ordinance is found to be invalid by a court of competent jurisdiction, the balance of this Ordinance shall not be affected.

SECTION 5. Certification and Publication. The City Clerk of the City of Coachella shall certify to the adoption of this Ordinance and cause publication to occur in a newspaper of general circulation and published and circulated in the City in a manner permitted under California Government Code Section 36933.

SECTION 6. CEQA. The City Council finds that adoption of this Ordinance is not a "project," as defined in the California Environmental Quality Act because it does not have a potential for resulting in either a direct physical change in the environment or a reasonably foreseeable indirect physical change in the environment and concerns general policy and procedure making.

PASSED, APPROVED, AND ADOPTED at a regular meeting of the City Council of the City of Coachella on the _____ day of _____, 2021, by the following vote.

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Andrea J. Carranza, Deputy City Clerk

SUBJECT: Designation of Voting Delegate and Alternates to the League of California Cities Annual Conference & Expo.

STAFF RECOMMENDATION:

It is recommended that the City Council designate a voting member and two alternates to attend the Friday, September 24, 2021, League of California Cities Annual Business Meeting. The voting delegate is required to register and attend the League Conference.

BACKGROUND:

The League of California Cities is one of the primary lobbying organizations for municipalities at the State level. A number of key policy decisions are made in order to support cities and represent municipal interests to the Assembly and the Governor. In order to ensure that the views of the City of Coachella are represented to the League in formulating their policies, we must designate a delegate to represent us at the League Conference and the Annual Business Meeting.

DISCUSSION/ANALYSIS:

The League's 2021 Annual Conference & Expo is scheduled for September 22-24, 2021, in Sacramento. An important part of the Annual Conference is the Annual Business Meeting (during General Assembly). The General Assembly will be held on Friday, September 24. At this meeting, the League membership considers and takes action on resolutions that establish League policy.

The City of Coachella must designate a voting delegate to represent the City at the Annual Business Meeting. We are also asked to appoint up to two alternate voting delegates. One of these delegates may represent the City in the event that the designated voting delegate is unable to attend the conference.

The designation of a voting delegate and alternates must be done by City Council action and a copy of the Council action reflecting the Council's selection must be forwarded to the League no later than September 15, 2021. The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only.

ALTERNATIVES:

The only alternative action is for the Council to choose not to designate a representative for the City at the Annual Conference and Business Meeting of the League of California Cities.

FISCAL IMPACT:

The voting delegate is required to register and attend the League Conference. The City will incur any expenses necessary for this registration for the delegate to attend the conference during this period.

Attachment: Annual Conference Voting Procedures
2021 Schedule

Annual Conference and Expo

September 22 — 24, 2021
SAFE Credit Union Convention Center
1400 J Street, Sacramento, CA

Cal Cities is thrilled to announce that registration is now open for our 2021 Annual Conference and Expo! We can't wait to see our city officials in person after 18 months of virtual meetings and events. The programming for this year's annual conference will feature a variety of exciting speakers and timely presentations on key topics for local leaders, plus numerous networking opportunities. The always popular Expo floor will be back this year, filled with new and familiar faces, and brimming with opportunities to engage with companies and organizations that provide services to cities.

As we all know too well, the pandemic is not over. Our number one priority will continue to be the health and safety of participants. We are working closely with the convention center to ensure that important protocols and cleaning procedures continue, and if necessary, are strengthened. A special webpage outlining these procedures and other important health and safety information for attendees will be available in plenty of time to prepare for the conference.

Schedule

LEAGUE OF CALIFORNIA CITIES

Council Action Advised by August 31, 2021

June 16, 2021

TO: City Managers and City Clerks

RE: DESIGNATION OF VOTING DELEGATES AND ALTERNATES
League of California Cities Annual Conference & Expo – September 22-24, 2021

Cal Cities 2021 Annual Conference & Expo is scheduled for September 22-24, 2021 in Sacramento. An important part of the Annual Conference is the Annual Business Meeting (during General Assembly) on Friday, September 24. At this meeting, Cal Cities membership considers and acts on resolutions that establish Cal Cities policy.

In order to vote at the Annual Business Meeting, your city council must designate a voting delegate. Your city may also appoint up to two alternate voting delegates, one of whom may vote if the designated voting delegate is unable to serve in that capacity.

Please complete the attached Voting Delegate form and return it to Cal Cities office no later than Wednesday, September 15. This will allow us time to establish voting delegate/alternate records prior to the conference.

Please note: Our number one priority will continue to be the health and safety of participants. We are working closely with the Sacramento Convention Center to ensure that important protocols and cleaning procedures continue, and if necessary, are strengthened. Attendees can anticipate updates as the conference approaches.

- **Action by Council Required.** Consistent with Cal Cities bylaws, a city's voting delegate and up to two alternates must be designated by the city council. When completing the attached Voting Delegate form, please attach either a copy of the council resolution that reflects the council action taken, or have your city clerk or mayor sign the form affirming that the names provided are those selected by the city council. Please note that designating the voting delegate and alternates **must** be done by city council action and cannot be accomplished by individual action of the mayor or city manager alone.

- **Conference Registration Required.** The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only. Conference registration will open mid-June at www.cacities.org. In order to cast a vote, at least one voter must be present at the Business Meeting and in possession of the voting delegate card. Voting delegates and alternates need to pick up their conference badges before signing in and picking up the voting delegate card at the Voting Delegate Desk. This will enable them to receive the special sticker on their name badges that will admit them into the voting area during the Business Meeting.

- **Transferring Voting Card to Non-Designated Individuals Not Allowed.** The voting delegate card may be transferred freely between the voting delegate and alternates, but

1400 K Street, Suite 400, Sacramento, CA 95814-3916 | www.cacities.org | (916) 658-8200

only between the voting delegate and alternates. If the voting delegate and alternates find themselves unable to attend the Business Meeting, they may *not* transfer the voting card to another city official.

- **Seating Protocol during General Assembly.** At the Business Meeting, individuals with the voting card will sit in a separate area. Admission to this area will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate. If the voting delegate and alternates wish to sit together, they must sign in at the Voting Delegate Desk and obtain the special sticker on their badges.

The Voting Delegate Desk, located in the conference registration area of the Sacramento Convention Center, will be open at the following times: Wednesday, September 22, 8:00 a.m. – 6:00 p.m.; Thursday, September 23, 7:00 a.m. – 4:00 p.m.; and Friday, September 24, 7:30 a.m.– 11:30 a.m. The Voting Delegate Desk will also be open at the Business Meeting on Friday, but will be closed during roll calls and voting.

The voting procedures that will be used at the conference are attached to this memo. Please share these procedures and this memo with your council and especially with the individuals that your council designates as your city's voting delegate and alternates.

Once again, thank you for completing the voting delegate and alternate form and returning it to the League's office by Wednesday, September 15. If you have questions, please call Darla Yacub at (916) 658-8254.

CITY:_____

2021 ANNUAL CONFERENCE
VOTING DELEGATE/ALTERNATE FORM

Please complete this form and return it to Cal Cities office by Wednesday, September 15, 2021. Forms not sent by this deadline may be submitted to the Voting Delegate Desk located in the Annual Conference Registration Area. Your city council may designate one voting delegate and up to two alternates.

To vote at the Annual Business Meeting (General Assembly), voting delegates and alternates must be designated by your city council. Please attach the council resolution as proof of designation. As an alternative, the Mayor or City Clerk may sign this form, affirming that the designation reflects the action taken by the council.

Please note: Voting delegates and alternates will be seated in a separate area at the Annual Business Meeting. Admission to this designated area will be limited to individuals (voting delegates and alternates) who are identified with a special sticker on their conference badge. This sticker can be obtained only at the Voting Delegate Desk.

LEAGUE OF CALIFORNIA CITIES

Annual Conference Voting Procedures

1. **One City One Vote.** Each member city has a right to cast one vote on matters pertaining to Cal Cities policy.

2. **Designating a City Voting Representative.** Prior to the Annual Conference, each city council may designate a voting delegate and up to two alternates; these individuals are identified on the Voting Delegate Form provided to the Cal Cities Credentials Committee.

3. **Registering with the Credentials Committee.** The voting delegate, or alternates, may pick up the city's voting card at the Voting Delegate Desk in the conference registration area. Voting delegates and alternates must sign in at the Voting Delegate Desk. Here they will receive a special sticker on their name badge and thus be admitted to the voting area at the Business Meeting.

4. **Signing Initiated Resolution Petitions**. Only those individuals who are voting delegates (or alternates), and who have picked up their city's voting card by providing a signature to the Credentials Committee at the Voting Delegate Desk, may sign petitions to initiate a resolution.

5. **Voting.** To cast the city's vote, a city official must have in their possession the city's voting card and be registered with the Credentials Committee. The voting card may be transferred freely between the voting delegate and alternates, but may not be transferred to another city official who is neither a voting delegate or alternate.

6. **Voting Area at Business Meeting.** At the Business Meeting, individuals with a voting card will sit in a designated area. Admission will be limited to those individuals with a special sticker on their name badge identifying them as a voting delegate or alternate.

7. **Resolving Disputes**. In case of dispute, the Credentials Committee will determine the validity of signatures on petitioned resolutions and the right of a city official to vote at the Business Meeting.

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Maritza Martinez, Public Works Director

SUBJECT: Approval of El Grito Event: authorize appropriation of $20,000 to the El Grito event budget; authorize execution of Letter Agreement with SDC Sound Co. for sound, lighting and stage costs for event; authorize operation of a beer garden at Rancho Las Flores Park for this event.

STAFF RECOMMENDATION:

Approval of El Grito Event: authorize appropriation of $20,000 to the El Grito event budget; authorize execution of Letter Agreement with SDC Sound Co. for sound, lighting and stage costs for event; authorize operation of a beer garden at Rancho Las Flores Park for this event.

EXECUTIVE SUMMARY:

As directed by Council during the July 14, 2021 meeting, staff has begun planning the city's El Grito event for 2021. The planning for this event usually starts in February of the event year; due to circumstances posed by the pandemic the event planning for this event did not occur as has been the norm. Staff has reached out to the City's partners in delivery of this event (Telemundo, Greater Coachella Valley Chamber of Commerce and the Mexican Consulado) and all identified they can commit to the delivery of a 2021 event; however they cannot all participate at the same financial levels.

Due to the short time frame to deliver this event Telemundo has advised they can contribute all event marketing and some artist costs but not all; Telemundo anticipates they may fall short of their standard sponsorship amounts by $20,000 due to the current economic conditions and limited timeframe to secure sponsorships. Staff is requesting an additional appropriation of $20,000 to to the event budget to allow for these expenses; the marketing and artist cost contributions by Telemundo to this event are estimated at $50,000 for this year.

The largest cost after the marketing and artist costs is the sound//stage costs. The city has historically paid for the stage, lighting, and sound costs for this event. In past, the Chamber has contributed 25% of these costs and this year has advised they are not able to contribute towards these expenses. Staff has solicited a proposal from SDC Sound Co whom has provided these services at the El Grito event several years based on informal bid processes. Due to the short time frame to deliver this event staff is recommending award of the attached Letter Agreement to SDC Sound, Co. for $27,798.00.

Finally, staff has had to re-evaluate the event date several times due to conflicting events announced for September 17th and September 18th. Based on feedback provided by this event's partners staff is recommending moving this event to Saturday, October 9 in celebration of Dia de La Raza (October 12). Staff is also requesting authorization to operate a beer garden at Rancho Las Flores Park on the event date from 4pm to 10pm.

FISCAL IMPACT:

The recommended action would require an additional appropriation from undesignated general fund reserves to the El Grito event expenditure account 101-11-160-10-801-006 of $20,000, bringing the city's budgeted total appropriation for this event to $85,000.

CONTRACT AGREEMENT
BY AND BETWEEN
THE CITY OF COACHELLA
AND
SDC SOUND COMPANY

July 22, 2021

SDC Sound Company
82413 Painted Canyon Ave
Indio, CA. 92201

Re: Letter of Agreement for Sound, Stage, and Lighting for 2021 El Grito Fiestas Patrias

SDC Sound Company,

This letter shall be our Agreement to provide sound, stage, lighting, and video screen wall described below ("Services") by SDC Sound Company (Contractor") as an independent contractor to the City of Coachella for the City's 2021 El Grito Fiestas Patrias celebration ("Project") at Rancho Las Flores Park.

The Services to be provided include the following: The Services to be provided are more particularly described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference.

Contractor shall perform all Services under this Letter of Agreement in a skillful and competent manner, consistent with the standards generally recognized as being employed by professionals in the same discipline in the State of California, and consistent with all applicable laws. Contractor represents that it, its employees and subcontractors have all licenses, permits, qualifications, and approvals of whatever nature that are legally required to perform the Services, including a City Business License, and that such licenses and approvals shall be maintained throughout the term of this Agreement. Compensation for the above services shall be based on the actual amount of time spent in adequately performing the Services. However, unless expressly agreed in writing in advance by the City, the cost to the City for the Services shall not exceed $27,798.00.

Contractor is aware of the requirements of California Labor Code Section 1720, et seq., and 1770, et seq., as well as California Code of Regulations, Title 8, Section 1600, et seq., ("Prevailing Wage Laws"), which require the payment of prevailing wage rates and the performance of other

requirements on "public works" and "maintenance" projects. Since the Services are being performed as part of an applicable "public works" or "maintenance" project, as defined by the Prevailing Wage Laws, and since the total compensation is $1,000 or more, Contractor agrees to fully comply with such Prevailing Wage Laws. City shall provide Contractor with a copy of the prevailing rates of per diem wages in effect at the commencement of this Agreement. Contractor shall make copies of the prevailing rates of per diem wages for each craft; classification or type of worker needed to execute the Services available to interested parties upon request, and shall post copies at the Contractor's principal place of business and at the project site. Contractor shall defend, indemnify and hold the City, its elected officials, officers, employees and agents free and harmless from any claim or liability arising out of any failure or alleged failure to comply with the Prevailing Wage Law.

Contractor shall provide proof of commercial general liability and automobile insurance to the City in amounts and with policies, endorsements and conditions required by the City for the Services. If Contractor is an employer or otherwise hires one or more employees during the term of this Project, Contractor shall also provide proof of workers' compensation coverage for such employees which meet all requirements of state law.

Invoices shall be submitted to the City monthly as performance of the Services progresses. City shall review and pay the approved charges on such invoices in a timely manner. Services on the Project shall begin immediately and be completed by October 9, 2021 unless extended by the City in writing. The City may terminate this Letter of Agreement at any time with or without cause. If the City finds it necessary to terminate this Letter of Agreement without cause before Project completion, Contractor shall be entitled to be paid in full for those Services adequately completed prior to the notification of termination. Contractor may terminate this Letter of Agreement for cause only.

Contractor shall defend, indemnify and hold the City, its officials, officers, employees, agents, and volunteers free and harmless from any and all claims, demands, causes of action, expenses, liabilities, losses, damages, and injuries to property or persons, including wrongful death, in any manner arising out of or incident to any alleged negligent acts, omissions or willful misconduct of Contractor, its officials, officers, employees, agents, consultants, and contractors arising out of or in connection with the performance of the Services or this Agreement, including, without limitation, the payment of all consequential damages, attorney's fees and other related costs and expenses to the fullest extent permitted by law. Contractor shall defend, indemnify and hold the City, its officials, officers, employees, volunteers, and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury, in law or equity, to property or persons, including wrongful death, in any manner arising out of, pertaining to, or relating to any negligence, errors or omissions, recklessness, or willful misconduct of Contractor, its officials, officers, employees, agents, consultants, and contractors arising out of or in connection with the performance of the Contractor's Services, including without limitation the payment of all consequential damages, expert witness fees, and attorney's fees and other related costs and expenses. Contractor shall defend, at Contractor's own cost, expense and risk, any and all such aforesaid suits, actions or other legal proceedings of every kind that may be brought or instituted against City, its directors, officials, officers, employees, agents, or volunteers. Contractor shall pay and satisfy any judgment, award or decree that may be rendered against City or its directors, officials, officers, employees, agents, or volunteers, in any such suit, action or other legal proceeding. Contractor shall reimburse City and its directors, officials, officers, employees, agents, and/or volunteers, for any and all legal expenses and costs incurred by each of them in connection therewith or in enforcing the indemnity herein provided. Contractor's obligation to indemnify shall not be restricted to insurance proceeds, if any, received by the City, its directors, official's officers, employees, agents, or volunteers.

If you agree with the terms of this Letter of Agreement, please indicate by signing and dating where indicated below. An original, executed copy of this Letter of Agreement is enclosed for your records.

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Maritza Martinez, Public Works Director

SUBJECT: Approve execution of lease between City of Coachella and Desert Community College District for property located at 1538 Seventh Street; authorize non-substantive changes as authorized by City Attorney.

STAFF RECOMMENDATION:

Approve execution of lease between City of Coachella and Desert Community College District for property located at 1538 Seventh Street; authorize non-substantive changes as authorized by City Attorney.

EXECUTIVE SUMMARY:

The City of Coachella owns a vacant property at 1538 Seventh Street, Coachella. This property was previously the location of the city's library. The Desert Community College District (COD) has approached the city and advised it is interested in using this property to provide college courses and other educational programs.

COD has identified improvements would be needed and is committed to making building improvements totaling up to $80,000 to address the following: installation of acoustical sound panels, installation of a public address system, installation of new flooring, and general aesthetic upgrades of the facility restroom. As COD will be making an investment of up to $80,000 to complete said improvements the recommended rent for the proposed lease is $1.00 per year.

The facility at 1538 Seventh Street is approximately 3,000 square feet. Based upon the identified investment amount to be made by the lessee, the per month, per square foot lease investment is $1.90 (based upon the term of the lease). As requested by COD, the term of the agreement is fourteen months from August 1, 2021 through September 30, 2022. Overall, the proposed lease identifies the below lease terms:

- Term = fourteen months; August 1, 2021 – September 30, 2022.
- Utilities = to be paid by Lessee for said property
- Maintenance/Janitorial = to be completed by Lessee for said property.
- Insurance = coverage to be provided be Lessee for said property.
- Rent = $1.00 per year.
- Building Improvements = $80,000 to be completed by Lessee.

FISCAL IMPACT:

The recommended action would have a positive fiscal impact overall as the lessee will be making needed improvements to the city owned property at 1538 Seventh Street.

Attachment:

Proposed Lease

CITY OF COACHELLA

LEASE AGREEMENT

THIS LEASE AGREEMENT (the "Lease") is made as of August 1, 2021 by and between THE CITY OF COACHELLA, a California municipal corporation (the "Lessor"), and DESERT COMMUNITY COLLEGE DISTRICT, a California public education institution (the "Lessee"), with reference to the following facts:

RECITALS

A. Lessor is the owner of certain real property located at 1538 Seventh Street, in the City of Coachella, County of Riverside, described in more detail in attached Exhibit "A" incorporated herein by this reference (the "Property"); and

B. Lessee desires to lease from Lessor the Property referenced in more detail in the attached Exhibit "A" for purposes of operating general education courses and programs to the community; and

C. Lessee's lease of the Premises will provide educational services in Coachella; and

D. Pursuant to the terms set forth herein, Lessor will not be liable or responsible for any damage or injury occurring on the Premises.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

AGREEMENT

1. Recitals. Lessor and Lessee acknowledge the Recitals set forth above which are incorporated herein by this reference together with the Exhibits attached hereto.

2. Leasehold. Lessor hereby leases to Lessee, and Lessee hereby leases from Lessor, the Premises, for the term, at the rent and upon the conditions set forth herein. Lessee accepts the Premises, including the appurtenant improvements, structures, and facilities, if any, in "AS IS" condition.

3. Premises. The Premises described in Exhibit "A" amounts to an area of approximately 3,000 square feet. Upon execution of this Lease, Lessor grants to Lessee the right to survey the Premises (the "Survey") and such Survey, if performed, shall replace Exhibit "A" as the description of the Premises and shall be attached and incorporated herein as Exhibit "B." If performed, the Survey attached as Exhibit "B" shall control the description of the Premises thereafter.

4. Term of Lease.

4.1 Term. The original term of the Lease shall be for fourteen (14) months commencing on August 1, 2021 and terminating on October 31, 2022 (the "Term"). During the Term, Lessee agrees to make the following tenant improvements to the Premises totaling an investment of eighty thousand dollars ($80,000.00) (the “Improvement Costs”): installation of acoustical sound panels, installation of public address system, installation of new flooring, and general aesthetic upgrades of facility restroom (the “Required Improvements”). All Required Improvements shall be approved by Lessor pursuant to Section 11 and issued a City Building Permit (as needed).

5. Rent.

5.1 Rent. Lessee shall pay to the Lessor as rent the sum of One Dollar and Zero Cents ($1.00) per year, this rental rate will allow for the Lessee to recover the agreed upon tenant improvement to the Property.

5.2 Where to Pay Rent. All rent shall be paid to Lessor at the address specified below in Section 21.

6. Utilities, Maintenance and Insurance.

6.1 Utilities. Lessee shall make all arrangements for and shall pay for all utilities and services furnished to the Premises or used by Lessee on the Premises, including, without limitation: cable, electricity, telephone, internet, water, sewer and trash removal services as described in Exhibit "C", and Lessee shall pay for any and all charges for establishment or connection of utility services to the Premises.

6.2 Maintenance. Lessee shall provide all maintenance and repairs, at Lessee's sole cost and expense, to keep the Premises in good order and condition, including, without limitation, all maintenance of the Premises building, including any improvements installed or constructed by Lessee during the term of this Lease. Lessor shall be responsible for the maintenance of the area outside of the Premises building, including fencing, gates, and landscaping.

6.3 Insurance. The insurance requirements set forth under this section may be satisfied by a self- insurance program approved by the Lessee’s Governing Board of Education. As of the execution of this Agreement, Lessee is self-insured. . Lessee shall carry and maintain, during the entire term hereof, at Lessee's sole cost and expense, the following types of insurance in the amounts specified and in the form provided for in this section:

a. Public Liability and Property Damage. Broad-form comprehensive public liability insurance with limits of not less than One Million Dollars ($1,000,000) per person and One Million Dollars ($1,000,000) each occurrence, insuring against any and all liability of Lessee with respect to the Premises or arising out of the maintenance, use or occupancy thereof, and property damage liability insurance with a limit of not less than One Million Dollars ($1,000,000) each accident, or One Million Dollars ($1,000,000) combined single limit.

b. Property Insurance. Lessee shall obtain and maintain in force a policy or policies of insurance in the name of Lessee, with any loss payable to Lessee, and any lender of Lessor insuring against loss or damage to the improvements on the Premises, including, without limitation, any improvements installed or constructed by Lessee. The amount of such insurance shall be equal to the full insurable replacement cost of such improvements, as the same shall exist from time to time, or the amount required by any lender of Lessor, but in no event more than the commercially reasonable

and available insurance value thereof. If the coverage is available and commercially appropriate, such policy or policies shall insure against all risk of direct loss or physical damage (except the perils of flood and earthquake unless required by a lender of Lessor). If such insurance coverage has a deductible clause, the deductible amount shall not exceed the amount permitted by a lender of Lessor. In the event any casualty results in damage to the improvements on the Premises which are the property of Lessor (and not constructed or installed by Lessee in accordance with the provisions hereof), Lessee shall either (i) use the proceeds of insurance to cause the restoration of such property of Lessor or (ii) pay or cause payment to Lessor or any lender of Lessor in an amount of the proportionate share of insurance proceeds attributable to damage to such property of Lessor.

c. Delivery of Certificate of Insurance. Lessee shall deliver to Lessor certificates of insurance evidencing the insurance procured by Lessee, which certificates shall name Lessor as an additional insured together with any lender of Lessor. The Certificates of Insurance shall be delivered by Lessee to Lessor at the time of the execution of the Lease and shall be monitored regularly.

d. Notice of Cancellation. All insurance policies shall contain a provision that such policies shall not be canceled or terminated without thirty (30) days' prior notice from the insurance company to Lessor. Lessee agrees that on or before thirty (30) days prior to expiration of any insurance policy, Lessee will deliver to Lessor written notification in the form of a receipt or other similar document from the applicable insurance company that said policy or policies have been renewed, or deliver certificates of coverage from another good and solvent insurance company for such coverage.

7. Janitorial Services. The Lessee agrees to provide at its sole cost and expense janitorial services for the leased Premises.

8. Security Alarm Monitoring Services. The Lessor agrees to provide and maintain at its sole cost and expense security alarm monitoring services for the leased Premises.

9. Use. Lessee shall use and occupy the Premises for purposes of operating Desert Community College District educational courses and programming. Lessee shall not use the Premises for the purposes of storing, manufacturing or selling any inherently dangerous substance, chemical, thing, or device.

10. Hazardous Substances and Hazardous Materials.

10.1 Defined. For purposes of this Lease, the term "Hazardous Substances" shall be as defined in the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§ 9601 et seq., and any regulations promulgated pursuant thereto, and as used to define "Hazardous Wastes" in the Resource Conservation and Recovery Act, 42 U.S.C. §§ 6901 et seq., and any regulations promulgated thereto, or as may be identified or defined by any federal, state or local law or regulation.

10.2 Prohibition and Indemnity. Lessee shall not (either with or without negligence) cause or permit the use, storage, generation, escape, disposal or release of any Hazardous Substances or Hazardous Wastes in any manner not sanctioned by law. In all events, Lessee shall indemnify and hold Lessor harmless from any and all claims, damages, fines, judgments, penalties, costs, liabilities or losses (including, without limitation, any and all sums paid for settlement of claims, attorneys' fees,

and consultants' and experts' fees) (collectively "Claims") from the presence or release of any Hazardous Substances or Hazardous Wastes on the Premises if caused by Lessee or persons acting under Lessee. In the event of such contributory negligence or other fault of the indemnified party, then the indemnified party shall not be indemnified hereunder in the proportion that the indemnified party's negligence or other fault caused any such Claims. Lessee shall execute such affidavits, representations or other documents from time to time as Lessor may reasonably request concerning Lessee's best knowledge and belief as to the presence of Hazardous Substances or Hazardous Wastes on the Premises. This paragraph shall survive the termination of this Lease.

11. Improvements.

11.1 Consent of Lessor. With respect to the Required Improvements, as defined in Section 4.1 above, Lessee shall submit a description of the specific Required Improvements to be installed by Lessee during the Lease Term as described in Section 4.1 above for Lessor's prior written approval, which shall not be unreasonably delayed or denied. If Lessor has any questions about the planned Required Improvements, the Parties shall meet in good faith to address such questions. In no event shall Lessee be required to incur costs above the Improvement Cost as set forth in Section 4.1 above, to complete the Required Improvements. The Lessee, at is sole discretion, may hire outside parties to construct and complete the Requirement Improvements. For any other improvements contemplated by Lessee beyond the Required Improvements, Lessee shall not construct or make any installations, additions, improvements or alterations in or to the Premises, without the prior written consent of Lessor.

11.2 Lessee to Pay Improvement Cost. All installations, additions, improvements, or alterations constructed or made to the Premises, with the consent of Lessor, shall be made at the sole cost and expense of Lessee.

11.3 Removal of Improvements. All installations, additions, improvements, or alterations constructed or made to the Premises by Lessee shall be deemed improvements to Lessor's Premises and may not be removed from the Premises by Lessee upon termination of this Lease. Notwithstanding the foregoing, upon termination of this Lease, Lessor may require Lessee to remove some or all of Lessee's installations, additions, improvements and alterations, at Lessee's sole cost and expense. Further, upon termination of this Lease and following removal of Lessee's property, the Premises shall be restored to substantially the same condition as the Premises was provided to Lessee at the commencement of the Lease, normal wear excepted, along with any improvements made by Lessee pursuant to this provision. Any of Lessee's property, as aforesaid, not removed from the Premises upon termination of this Lease shall become the property of Lessor.

11.4 Mechanic's Liens. Lessee agrees to pay promptly for all labor or materials furnished for any work of construction, improvements, alterations, additions, repairs or maintenance performed by Lessee in connection with the Premises, and to keep and to hold the Premises free, clear, and harmless of and from all liens that could arise by reason of any such work.

12. Termination. Within ninety (90) days prior to expiration of the Term, either Lessor or Lessee may terminate this Lease, without cause, by serving the other party with thirty (30) days' prior written notice of such termination (a "Notice of Termination"). Upon termination of this Lease, Lessee shall return the Premises in good condition in substantially the same condition as the Premises was provided to Lessee at the commencement of the Lease, normal wear excepted, along with any improvements made by Lessee pursuant to this provision.

13. Signs. Lessee shall not install any signs on the Premises without the prior written consent of Lessor.

14. Lessor's Consent Required. Lessee shall not assign, mortgage, or hypothecate this Lease in whole or in part, nor sublet all or any part of the Premises, without the prior written consent of Lessor in each instance, which consent may be granted or denied in Lessor's sole discretion.

15. Assignment and Subleasing. Lessee shall not assign, mortgage, or hypothecate this Lease in whole or in part, nor sublet all or any part of the Premises, without the prior written consent of Lessor in each instance, which consent may be granted or denied in Lessor's sole discretion. This prohibition against assigning or subletting shall be construed to include a prohibition against any assignment or subletting by operation of law. In the event that Lessor's written consent is granted, Lessee shall pay all expenses in connection with such assignment and Lessee shall remain primarily obligated to Lessor for performance of all provisions of this Lease.

16. Use of Premises by another Party. The Premises may not be used by any person or party other than the Lessee, its officers, employees, guests, and agents.

17. Entry and Inspection. Lessee shall permit Lessor or Lessor's agents to enter upon the Premises at reasonable times and upon reasonable notice, for the purpose of inspecting the same.

18. Indemnification. To the extent permitted by law, Lessor shall not be liable for any damage or injury to Lessee, or any other person, or to any property, occurring on the Premises or any part thereof in connection with this Lease, unless caused by the acts or omissions of Lessor. Lessee agrees to indemnify and hold Lessor harmless from any claims for damages which arise in connection with any such occurrence. Lessor agrees to indemnify and hold Lessee harmless from any claims for damages which arise from the acts or omissions of Lessor in connection with the Premises or this Lease. Said indemnifications shall include indemnity from any reasonable costs or fees which the indemnified party may incur in defending any such claim. The provisions of this Section shall survive termination of this Lease.

19. Lessor's Remedies on Default. If Lessee defaults in the payment of rent or defaults in the performance of any of the other covenants or conditions hereof, Lessor may give Lessee notice of such default and if Lessee does not cure any such default within thirty (30) days after the giving of such notice (or if the default is of a nature that it cannot be completely cured within such period, if Lessee does not commence such cure within such thirty (30) days and thereafter proceed with reasonable diligence and in good faith to cure such default), then Lessor may terminate this Lease on not less than thirty (30) days' notice to Lessee. On the date specified in such notice, the term of this Lease shall terminate and Lessee shall then quit and surrender the Premises to Lessor, without extinguishing Lessee's liability. If this Lease shall have been so terminated by Lessor, Lessor may at any time thereafter resume possession of the Premises by any lawful means and remove Lessee or other occupants and their effects.

20. Waiver. No failure of Lessor to enforce any term hereof shall be deemed to be a waiver.

21. Notices. Any notice, request, demand, or other communication which either party may or is required to give, shall be in writing and shall be delivered in person or sent to the address set forth herein below by registered or certified mail, return receipt requested with postage prepaid,

by commercial overnight courier, with written verification of receipt, or by telecopy. A notice shall be deemed given: (a) when delivered by personal delivery (as evidenced by the receipt); (b) three (3) days after deposit in the mail if sent by registered or certified mail or (c) one (1) business day after having been sent by commercial overnight courier as evidenced by the written verification of receipt. Either party may change its address for receiving notice by written notice given to the other in accordance with the provisions of this Notices section.

22. No Agency/Employment. In performing the terms of this Lease, the Lessor and Lessee each remain an autonomous and separate entity, solely responsible for its own actions and those of its officers, employees, agents and volunteers. No relationship of employment, agency, partnership or Joint venture is to be created by or implied from this Lease.

23. Time of Essence. Time is of the essence of this Lease.

24. Entire Agreement. This instrument constitutes the entire agreement between the parties and may be modified only by a writing signed by both parties.

25. Governing Law. This Lease shall be governed by and construed in accordance with the laws of the State of California.

IN WITNESS WHEREOF, the parties have executed this Lease as of the date first written above.

DESCRIPTION OF PREMISES

The City of Coachella (Lessor) owns real property located at 1538 Seventh Street, in the City of Coachella, County of Riverside, State of California. The total area of the three parcels is approximately 0.48 acres.

EXHIBIT "B"

SURVEY OF LEASED PREMISES

No survey was completed by the Lessee.

EXHIBIT "C"

Lessor's real property is located at 1538 Seventh Street. The property is approximately 0.48 acres.

Lessee shall establish utility accounts for the property under Lessee's name for all utilities. Lessee will maintain current all utility billing for the property.

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Maritza Martinez, Public Works Director

SUBJECT: Sponsorship of Run with Los Muertos Event:

1) Sponsorship request from Eventscape International, Inc. for $25,000.00 for the 2021 Run With Los Muertos Event;
2) Approval for operation of a beer garden by Eventscape International Inc. on November 6, 2021, in Downtown on Sixth Street from 5:00 p.m. to midnight; and
3) Authorize appropriation of Run With Los Muertos event budget of $40,000.00 from undesignated City General Fund Reserves.

STAFF RECOMMENDATION:

Provide staff direction regarding: 1) sponsorship request from Eventscape International, Inc. for $25,000.00 for the 2021 Run With Los Muertos Event, 2) approval for operation of a beer garden by Eventscape International Inc. on November 6th in Downtown on Sixth Street from 5pm to midnight and 3) authorize appropriation of Run With Los Muertos event budget of $40,000.00 from undesignated City General Fund Reserves.

EXECUTIVE SUMMARY:

On July 20, 2021, staff received the attached $25,000.00 sponsorship request by Eventscape International, Inc., (Eventscape) for the 2021 Run With Los Muertos Event. This year's event has been submitted to occur on Saturday, November 6th. Eventscape has identified the event will include a beer garden, which is proposed to operate in Downtown Sixth Street from 5pm to midnight. This event has been a City co-sponsored event since 2013. Annually this event has been provided city in-kind services for traffic control, public safety and funded the actual costs of all traffic control and lighting rental expenses; these hard costs total $15,000.

The last year this event took place was in 2019, due to COVID. In 2019, Eventscape International Inc. requested a sponsorship from the City, in the amount of $25,000 and Council approved the sponsorship request. If City Council approves the requested sponsorship for a 2021 event, the event budget will need to be appropriated totaling $40,000 ($15,000 city's hard costs and $25,000 sponsorship request).

FISCAL IMPACT:

If Council approves the request as submitted, an appropriation of $40,000 from undesignated General Fund reserves will be required to allow for: 1) sponsorship award in the requested amount of $25,000 and 2) the city's hard costs to deliver the event of $15,000. If approved the appropriation will be made to the event expenditure account 101-11-160-90-801-013.

Attachment: Sponsorship Request

Honorable Mayor and City Council,

It is with great excitement and hopefulness that the RWLM Team will present the **8th Annual Run with Los Muertos 5k and Block Party** to be held in **Downtown Coachella on Saturday, November 6th**.

As an organization whose mission it is to promote the arts, culture, health and wellness, the pandemic provided obstacles to the community building programming we work so hard to produce. At a time when health and wellness was front and center and without the ability to host large gatherings, we still found ways to bring runners together in a safe manner to encourage a culture of fitness.

Now that restrictions have been lifted, we look forward to once again bringing a unique and popular event to the streets of Old Town Coachella.

As an organization, we take pride in creating an inclusive environment that welcomes a diverse audience from throughout the US, Canada, and Mexico.

Our field of runners has gotten more accomplished every year, and the team component has stirred friendly and competitive rivalries.

We create space for local artists and musicians to share their talents before thousands of spectators.

Along with our event partner **Raices Cultura**, as part of **CV Days of Los Muertos**, and through a community centered approach, we have been able to cultivate and sustain strong partnerships and collaborations throughout the Coachella Valley.

With the help of volunteers and local contributors, we are able to produce an event with an approximate value of $200,000.

For so many, Run with Los Muertos has become an honored tradition. In typically beautiful fall weather, families and friends come to Coachella to celebrate and remember those that have passed.

None of this would be possible without the continued support of the City of Coachella. With the pandemic hitting events and event companies particularly hard we are grateful to be able to bring this event back to Coachella.

While production costs have risen across the board, we are hopeful this City's contribution can remain at the level it was in 2019. That support was $25,000 cash plus in-kind services on street closures, sanitation services, as well as Sheriff and staff time.

With this level of support, we are confident in being able to produce the most exciting event yet. The value of your contribution will be multiplied in the marketing, promotion, and visitors we bring to 6th street.

Should you have any questions, suggestions, or need any additional information please do not hesitate to reach out to us at your convenience.

Who will you run for?

Sincerely,

Tizoc DeAztlan, Race Director
Run with Los Muertos

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Gabriel Perez, Community Development Director

SUBJECT: Receive and file, Cannabis Social Equity Assessment

STAFF RECOMMENDATION:

Receive and file the Cannabis Social Equity Assessment prepared by BOTEC Analysis for the City of Coachella.

Executive Summary:

On March 27, 2019 City Council approved Resolution 2019-15 adopting a Cannabis Social Equity Program in the City of Coachella. The program is dedicated to aiding individuals and businesses that were negatively or disproportionately impacted by cannabis criminalization within the City with a stated program goal to allow participants to gain entry and successfully operate in the State of California's regulated cannabis marketplace and economy. In an effort to improve the program and increase funding opportunities, City staff has taken steps to prepare a Cannabis Social Equity Assessment (the "Study").

On March 9, 2020, the City of Coachella submitted an application to the Governor's Office of Business and Economic Development (also known as GO-Biz) and proposed to commission the study under a Go-Biz Cannabis Equity Grants Program for Local Jurisdictions. The purpose of the study is to determine if and which demographic groups have been arrested at a disproportionate rate to their population within the City of Coachella. The study will help determine what the various barriers to entry to begin a cannabis business are, these barriers could include access to capital, access to real estate, regulatory fees and banking among others.

GO-Biz awarded the City a grant and on April 22, 2020, the City Council authorized the City Manager to execute a Grant Agreement with the GO-Biz in the amount of $94,784 with a stated purpose of doing a cannabis social equity assessment.

On January 28, 2021, the City released a Request for Proposals (RFP) to complete the Study for the purposes of revising and augmenting its existing Cannabis Social Equity Program. The purpose of the RFP is to produce a report analyzing available data related to disparities in the cannabis industry, and provide recommendations regarding policy options to foster equitable access to participation in the industry, mitigate the adverse effects of drug enforcement policies that have

disproportionately affected those communities, and prioritize individuals who have been previously arrested or convicted for marijuana-related offenses.

Based on the outcomes of this Study City staff intends to recommend revisions and updates to the City's existing Cannabis Social Equity Program to support those impacted by cannabis enforcement.

Financial Impact:

This action will have not financial impact.

ALTERNATIVES:

1. Receive and file the Cannabis Social Equity Assessment as presented.
2. Receive and file the Cannabis Social Equity Assessment as presented with direction to staff to obtain additional analysis.
3. Provide alternative recommendation.

Introduction

Legalization of adult-use cannabis in California has brought about numerous benefits. Business opportunities are generally abundant, although capital requirements and a cumbersome regulatory environment limit opportunity, particularly for people of color and disadvantaged minorities. Inadequate infrastructure, unequal access to banking, and exclusionary policies toward those with prior drug-related felonies further limit the ability of individuals to enter the growing cannabis market in California. While arrest rates related to cannabis have decreased, racial disparities still exist, and in some areas, are growing. As a result of these historic disparities, the State of California, and many of its counties and cities have recognized the importance of providing for a high-quality social equity program to aid individuals who have faced these disparities in becoming involved in the cannabis market.

The City of Coachella first approved adult-use cannabis business operations in 2019. Shortly thereafter, the city launched its Cannabis Social Equity Program (CSEP) to "assist individuals who have been negatively impacted by the disproportionate enforcement of cannabis-related crimes by providing them assistance and opportunity to participate in the cannabis industry." The program is also meant to revitalize neighborhoods with new business development through the reinvestment of funds. To date, successful applicants to the CSEP are in varying stages of the process to launch their cannabis business.

The purpose of this study is to analyze available data related to disparities in the cannabis industry and provide recommendations regarding policy options that could (A) foster equitable access to participation in the industry, including promotion of ownership and stable employment opportunities in the industry, (B) invest City tax revenues in economic infrastructure for communities that have historically been disenfranchised, (C) mitigate the adverse effects of drug enforcement policies that have disproportionately impacted those communities, and (D) prioritize individuals who have been previously arrested or convicted for cannabis-related offenses. Through our analysis, we have identified multiple barriers to entry and have provided corresponding recommendations meant to augment the City's Cannabis Social Equity Program and the outcomes of those individuals that participate in it.

Cannabis Social Equity Analysis

The following section examines the change in cannabis policy at the federal, state, and local level over time. We then describe the arrest rates for drug-related offenses in Coachella. Using census data, we identify low-income areas in the City of Coachella and then overlay historic cannabis arrests with the identified low-income areas. Finally, we identify the areas of the city that contain both a high number of low-income households and cannabis-related arrests. Also included in this section is a discussion of the two community engagement events that took place and the findings derived from those events.

United States Cannabis Policy

Cannabis policy in this country has been more closely aligned with politics than medicine from the beginning. Cannabis was not mentioned in the first federal prohibition on recreational drug use; the Opium Exclusion Act (1909), which prohibited non-medical use of opium and its derivatives. Before then, opium and cocaine had been traded and used in the United States with few restrictions.

Five years later, the Harrison Narcotics Act (1914) tightened restrictions on medical use of opiates and cocaine, leading to the imprisonment of doctors who prescribed these drugs to habitual users. Ultimately, the arrest of physicians and closure of state and city clinics prescribing cocaine and opiates drove the creation of an illicit drug market. At the same time, the U.S. was moving into Prohibition (1920 – 1933) and it was during this period that cannabis use gained popularity, perhaps due to decreasing availability of alcohol, cocaine, and opiates.

At the tail end of the prohibition era, federal enforcement of the alcohol ban moved into the Department of Justice, while narcotics went to the newly established (1930) Federal Bureau of Narcotics (FBN). The first commissioner of the FBN was Henry Anslinger, who remained in that position through the Kennedy administration. Anslinger is generally understood to have originated the hyperbolic anti-drug propaganda that was so inconsistent with reality that an entire generation of American youth developed an amused disdain for public health efforts regarding recreational drug use. Anslinger relentlessly campaigned for legislation that would criminalize cannabis production and use, using racism so overt as to shock the conscience.[1]

Budget considerations in the FBN during the 1930s limited the number of employed narcotics agents, relegating the agency's role to public information campaigns rather than actual enforcement efforts. Issuing warnings regarding the dangers of cannabis and narcotics became a common tactic of the FBN. In 1932, Congress adopted the Uniform State Narcotics Act, which mandated States to adopt Federal narcotics laws and promoted collaboration between the Federal government and States around narcotics control. Efforts to curb drug use, particularly cannabis, continued. In testimony before Congress, Anslinger

[1] David E. Newton (2017). *Marijuana: A Reference Handbook, 2nd Edition (Contemporary World Issues) 2nd Edition*. ABC-CLIO. p. 183. ISBN 978-1440850516.

claimed to know that cannabis use brought about insanity and criminal violence, despite sharp dissent from the AMA. Ultimately, Congress passed the Marihuana Tax Act of 1937, making it illegal to sell cannabis without an expensive tax stamp. The law effectively banned cannabis. Shortly thereafter, states began criminalizing possession of cannabis.

In 1951, Congress passed the Boggs Act, which established mandatory prison sentences for named drug offenses. Three years later, President Eisenhower appointed an interdepartmental committee representing the Departments of State, Treasury, Defense, Justice, and Health, Education & Welfare to survey the extent of narcotic addiction and review local, state, and national narcotics programs. In 1956, the Narcotic Control Act increased penalties for drug offenses and established the death penalty as punishment for selling heroin to youth. In the same year, a report from the Interdepartmental Committee on Narcotics indicated that cannabis use was particularly harmful to youth and to American communities generally, without much scientific evaluation of these claims.

Cannabis became a lightning rod during the 1960s, when its use by the surging counterculture movement, produced evidence that contradicted claims linking it to crime and mental illness. President Kennedy's 1963 Advisory Committee on Narcotic and Drug Abuse found that "drugs were not grouped together legally based on the risk of addiction or level of health effects," but the Johnson administration took no action on the committee's findings.

Battle lines between liberal and conservative views on cannabis were firmly drawn when Nixon came to power. In an address to Congress in 1969, Nixon declared cannabis a national threat, and soon implemented Operation Intercept, which effectively shut down the border crossings between Mexico and the United States to stop the flow of cannabis into the country. At the same time, the Supreme Court voided the Marihuana Tax Act, leaving a vacuum at the federal level regarding cannabis policy. Against a rising tide of opposition, the Controlled Substances Act of 1970 replaced all federal drug laws with the current schedule of controlled substances, placing cannabis in in Schedule 1,[2] which virtually eliminated the ability of scientists to conduct cannabis research.

Nixon's war on drugs is now understood to have been a way to target anti-war activists and African Americans.[3] Nixon's final act in his war on drugs was to lend his support to the Reorganization Plan 2 of 1973, establishing the Drug Enforcement Agency under the auspices of the Department of Justice. President Ford continued the tough rhetoric from the previous administration, though he was a stronger proponent of treatment and prevention efforts.

[2] Reserved for drugs with no currently accepted medical use and a high potential for abuse.
[3] "The Nixon campaign in 1968, and the Nixon White House after that, had two enemies: the antiwar left and black people. You understand what I'm saying? We knew we couldn't make it illegal to be either against the war or blacks, but by getting the public to associate the hippies with marijuana and blacks with heroin, and then criminalizing both heavily, we could disrupt those communities. We could arrest their leaders, raid their homes, break up their meetings, and vilify them night after night on the evening news. Did we know we were lying about the drugs? Of course we did."

Carter's Drug Abuse Message to the Congress in 1977 indicated his interest in research efforts and expanding federal funding for treatment and prevention programs. Unfortunately, Carter's visions never came to fruition. His stance on cannabis policy was much softer than his predecessors, though political will was not in his favor. As a result, most of the policies put forward under Nixon's war on drugs remained in place. Internationally, Carter supported cannabis eradication programs in Mexico.

President Reagan picked up where Nixon left, creating the Drug Abuse Policy Office by executive action. New federal laws increased the criminal punishments for drug-related offenses.[4] One such law, the Anti-Drug Abuse Act of 1988, increased funding for education and other drug-related programs, though limited evidence exists suggesting this funding had any success in reducing cannabis or drug use among youth. Regan, who famously insisted that government should stay out of people's lives, ushered in the era of workplace drug testing. Upon the election of President H.W. Bush, the Office of the National Drug Control Policy replaced the Drug Abuse Policy Office.[5]

The Clinton administration continued to enhance criminal sanctions related to drug use and distribution. The most notable legislation to this end was the Violent Crime Control and Law Enforcement Act of 1994, which introduced the "three strikes" provision and increased funding for prisons and local law enforcement. Arrests for cannabis possession and distribution increased drastically in the 90s, though favorable public opinion regarding cannabis also surged during this time. During this time, several states legalized cannabis for medical use, pitting federal enforcement priorities against states' rights.

Although President George W. Bush campaigned on a slate supporting states' rights, particularly in the area of cannabis policy, his policies as implemented more closely aligned with Nixon, Reagan, and H.W. Bush. During his term, medical cannabis dispensaries, including those authorized under state laws, were frequently raided by federal law enforcement. This practice quickly changed under the Obama administration though, when Attorney General Holder issued a memo to the United States Attorneys, indicating an end to raids on cannabis distributors whose actions were "in clear and unambiguous compliance with existing state laws providing for the medical use of marijuana." Holder, however, opposed adult-use cannabis, and voiced his opposition to the California ballot initiative in 2010 that would have legalized adult-use cannabis. In 2013, following cannabis legalization in Colorado and Washington, US Attorney General Cole issued a memorandum (known as the Cole Memo) further deprioritizing the use of federal law enforcement resources to enforce cannabis prohibition. Since then, cannabis has been legalized for adult-use in 17 states and the District of Columbia.

Today, polls indicate some two-thirds of adults favor legalizing cannabis for medical and adult-use.[6] Federal action is hard to predict. The Biden administration has signaled its

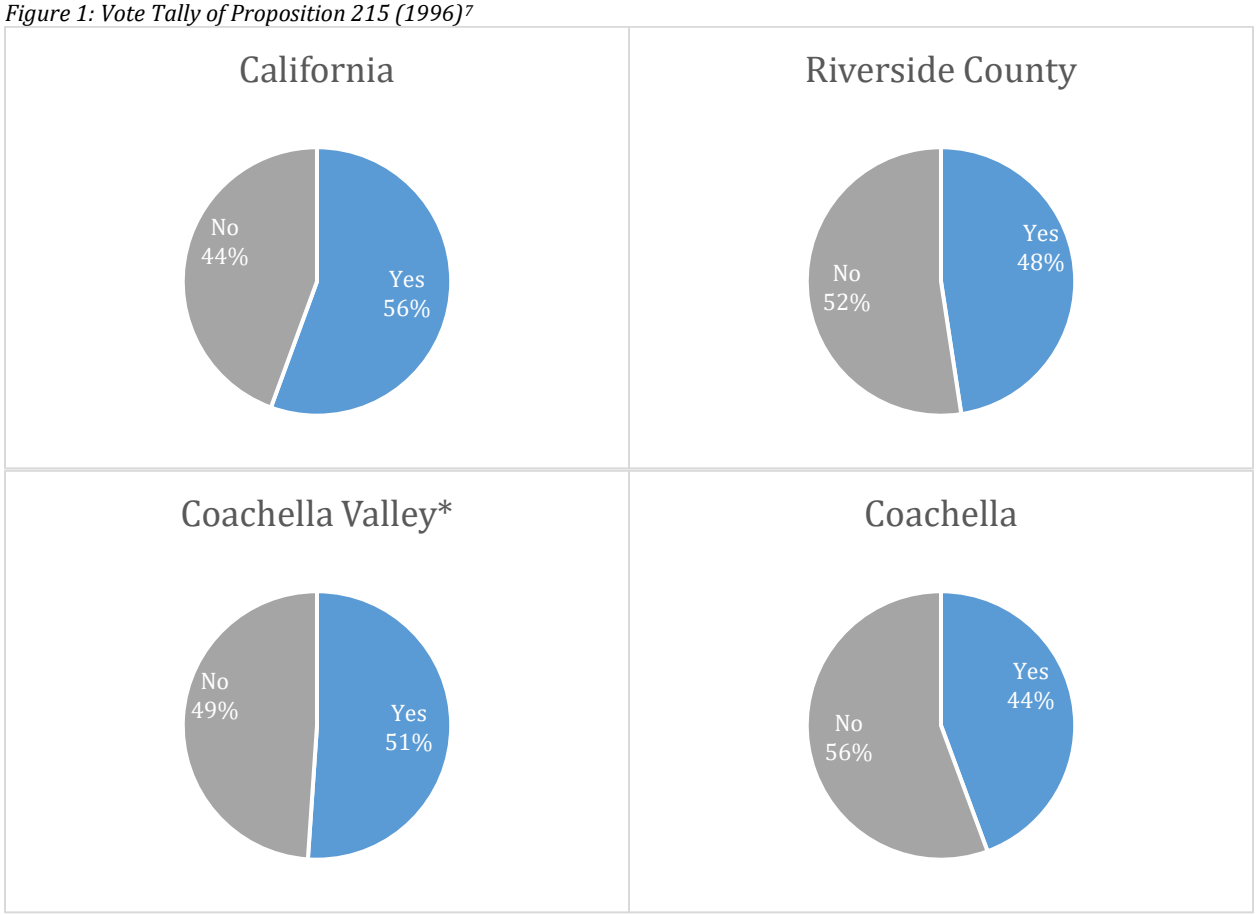
[4] Comprehensive Crime Control Act of 1984, Anti-Drug Abuse Act of 1986, Anti-Drug Abuse Act of 1988.
[5] The Director of this office is informally known as the "Drug Czar."
[6] https://www.pewresearch.org/fact-tank/2021/04/16/americans-overwhelmingly-say-marijuana-should-be-legal-for-recreational-or-medical-use/

willingness to decriminalize cannabis use, though it has not committed to full-scale legalization of cannabis or a de-scheduling of the substance.

California Cannabis Policy

California has been an early mover in cannabis legislation, first criminalized the drug in 1913, by amending the Poison and Pharmacy Act of 1907, to include it in the list of prohibited drugs, and then legalizing it for medical use by referendum in 1996. Notably, while statewide the Proposition passed by a large margin, voters in Riverside County and the City of Coachella predominantly voted against it. Valley-wide, the proposition passed by a narrow margin.

Figure 1: Vote Tally of Proposition 215 (1996)[7]



Proposition 215 did not provide a regulatory structure for the medical cannabis market causing many cities and counties to struggle with regulating an expanding market. To remedy this, the legislature passed Senate Bill 420 in 2003, creating an identification card program for qualified patients. This program was not without its faults though. The requirements to become a qualified patient to use medical cannabis were lax, allowing for

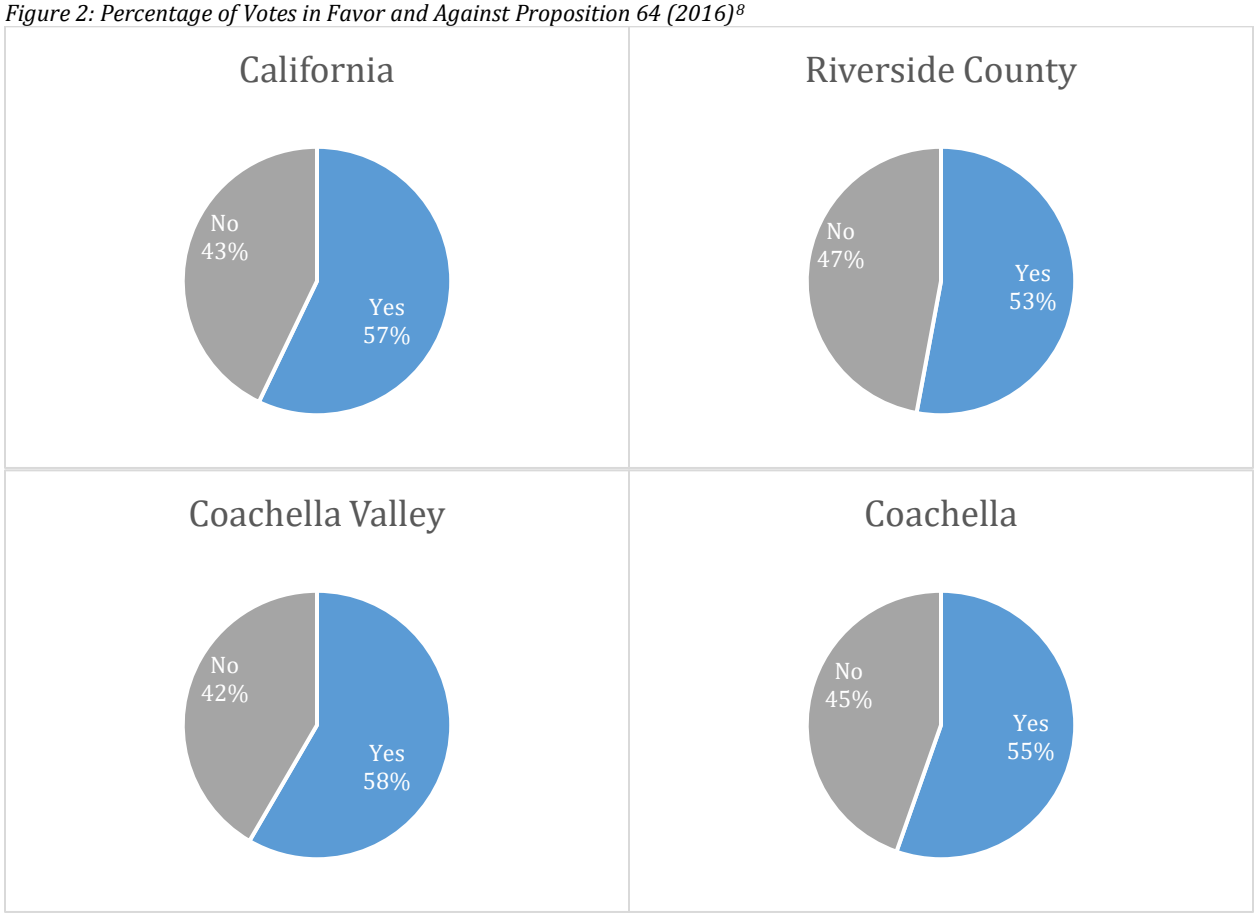
[7] The Coachella Valley comprises Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage

just about anyone to receive a qualified patient designation. As a result, access to cannabis increased.

California's efforts to regulate cannabis use and perhaps decrease the severity of punishments associated with drug use and possession progressed in fits and starts. In 1999, the legislature allowed a law that mandated driver's license revocation for any individual found guilty of possession of drugs to expire. In 2000, California passed the Substance Abuse and Crime Prevention Act, meant to allow individuals convicted of drug use or possession to enter treatment in lieu of prison or jail time. Ten years later, Senate Bill 1449 was passed, making the possession of one ounce or less of cannabis a civil infraction, rather than a misdemeanor.

In 2010, California residents voted down Proposition 19, which would have legalized cannabis-related activities, including allowing for local regulation of adult-use cannabis markets. The margin was narrow, with 53.6% of voters voting against it, and in 2016, the voters passed Proposition 64, legalizing the adult-use cannabis market.

Figure 2: Percentage of Votes in Favor and Against Proposition 64 (2016)[8]



[8] The Coachella Valley comprises Cathedral City, Coachella, Desert Hot Springs, Indian Wells, Indio, La Quinta, Palm Desert, Palm Springs, and Rancho Mirage

Coachella Cannabis Policy

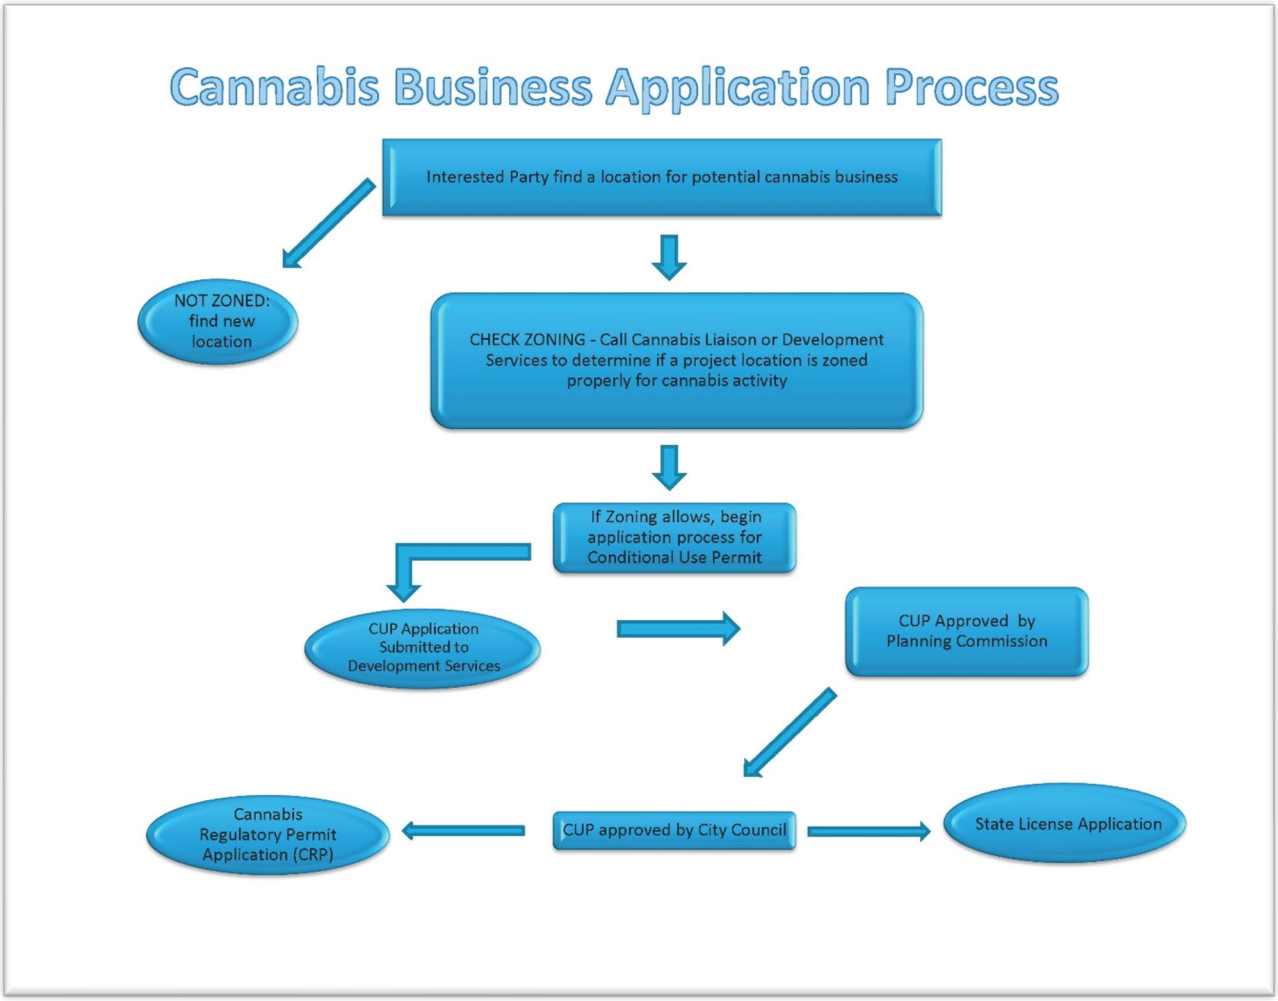
The City of Coachella, incorporated in 1946, is located on the eastern edge of the Coachella Valley and is home to nearly 50,000 residents. Over 90% of the city's residents are Hispanic. Its growth in population has been fueled primarily by Mexican immigrants and their descendants, though a significant number of Japanese, Portuguese, and Turkish immigrants have also contributed to its growth. These individuals make up a significant portion of the work force not only in the city, but also across the Coachella Valley. Being in one of the of the largest crop-growing regions in California, the City of Coachella contains a significant portion of farmland. In recent years though, the city has experienced significant growth in commercial and industrial development. What follows is a brief description of the history of cannabis policies in the city.

Although medical cannabis was legalized in California in 1996, the City of Coachella did not allow for medical cannabis businesses to operate until 2016. In 2007, City Council adopted a temporary moratorium on medical cannabis businesses, which was extended twice more. By 2009, Ordinance 1008 was passed, prohibiting the establishment of medical cannabis dispensaries. Seven years later, Ordinance 1083 permitted cannabis business activities, including cultivation, manufacturing, distribution, transportation, and testing, although it maintained the ban on establishing medical dispensaries and delivering medical cannabis directly to patients. This ordinance also established zoning regulations such that medical cannabis businesses would be permitted to operate in the M-W zone of the city.

Following legalization of adult-use cannabis in California, the City Council passed Ordinance 1108 in 2017, providing for the regulation of medical and adult-use cannabis businesses and expanding the zones in which commercial cannabis activity could take place. Today, cannabis businesses other than retail outlets are permitted in three areas of the city: the Wrecking Yard Area, the Coachella Industrial Park, and Peter Rabbit Farms. [9] Ordinance 1109, adopted in 2017, updated the pre-existing regulatory permit scheme. The current business application process is pictured in Figure 3.

[9] See Appendix A for a copy of the current zoning maps.

Figure 3: Coachella Cannabis Business Application Process



Today, two storefront retail dispensaries are in operation, with several more planned. Authorized cannabis businesses in the city include indoor cultivation, outdoor cultivation, manufacturing, distribution, testing, microbusiness, non-storefront delivery, retail, temporary cannabis events, and onsite consumption (with a retail license). Notably, some of these business opportunities are less capital-intensive than others and may be of interest to individuals just starting out in the cannabis industry. The city is well-situated to support various cannabis businesses and can encourage the growth of this emerging market through thoughtful policies designed to improve the well-being of its residents and provide new opportunities for economic development.

Social Equity Analysis in the City of Coachella

Coachella's Program

The Cannabis Social Equity Program in Coachella, launched in 2019 is a two-year pilot program meant to "assist individuals who have been negatively impacted by the disproportionate enforcement of cannabis-related crimes by providing them assistance and opportunity to participate in the cannabis industry." The program also seeks to revitalize neighborhoods with new business development through the reinvestment of funds. To date,

successful applicants to the CSEP are in varying stages of the process to launch their cannabis business. Three applicants to the program were approved and received funding from the city to support cannabis-business related activities.

Eligibility for the program was separated into four classification categories, as follows:

- **Classification 1.** A current or former resident of the City of Coachella who previously resided or currently resides in a low-income household and was either: a) arrested or convicted for a cannabis related crime in the City of Coachella between the years of 1980 and 2011; or is b) an immediate family member of an individual in subsection a of Classification 1 or Classification 2.
- **Classification 2.** A current or former resident of the City of Coachella who has lived in a low-income household for at least five (5) years, between the years of 1908 and 2018. Annual family income must be at or below 80 percent of the Area Median Income (AMI) and net worth below $250,000.
- **Classification 3.** A cannabis business with not less than 51% ownership by individuals meeting Classification 1 or 2 criteria that their business resides within the City of Coachella. If no such individual exists, individuals meeting Classification 1 or 2 criteria from other applicable areas may be utilized.
- **Classification 4.** A Cannabis Incubator Business or a Cannabis Social Enterprise with not less than 51% ownership by individuals meeting Classification 1 or 2 criteria.

Although the criteria for eligibility are relatively straightforward, applicants may have struggled to provide appropriate documentation establishing their eligibility. In particular, records of arrest that did not lead to conviction are very hard to obtain, as are older records of prosecution. Similarly, individuals with inconsistent or undocumented income sources may have had a difficult time pulling together necessary and appropriate financial records, particularly for a period of five years. Nevertheless, the eligibility requirements are reasonably broad to capture a large portion of individuals who may have been previously harmed by the war on drugs.

Community Outreach Events

In order to better understand the community perspective of the current CSEP and how it may be improved, two community outreach events took place in May of 2021. Due to COVID-19 gathering restrictions, these events were in a digital format. The first was a community wide survey, with results discussed below. The second was a virtual cannabis business event hosted by the Development Services Department from the City of Coachella. Findings from the event are discussed below.

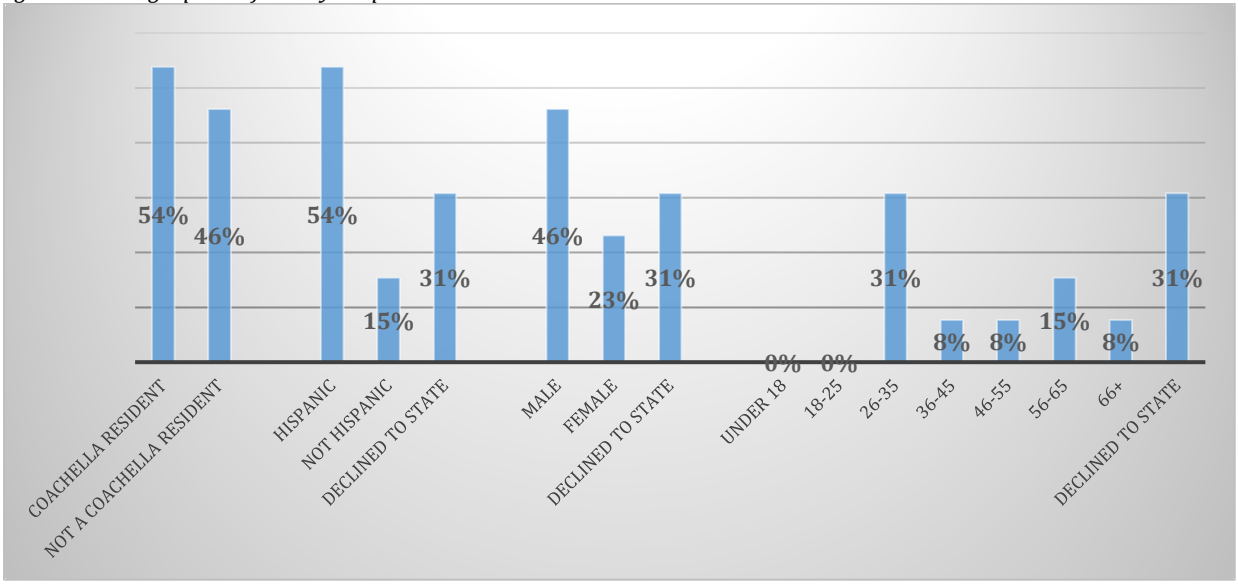
Results of the Community-Wide Survey

On May 6, 2021, the community survey regarding the Cannabis Social Equity Program in Coachella was launched.[10] Outreach efforts to promote the survey included distributing flyers regarding the survey to local businesses in Coachella. In addition to these in-person

[10] See Appendix B for a copy of the survey in English and in Spanish.

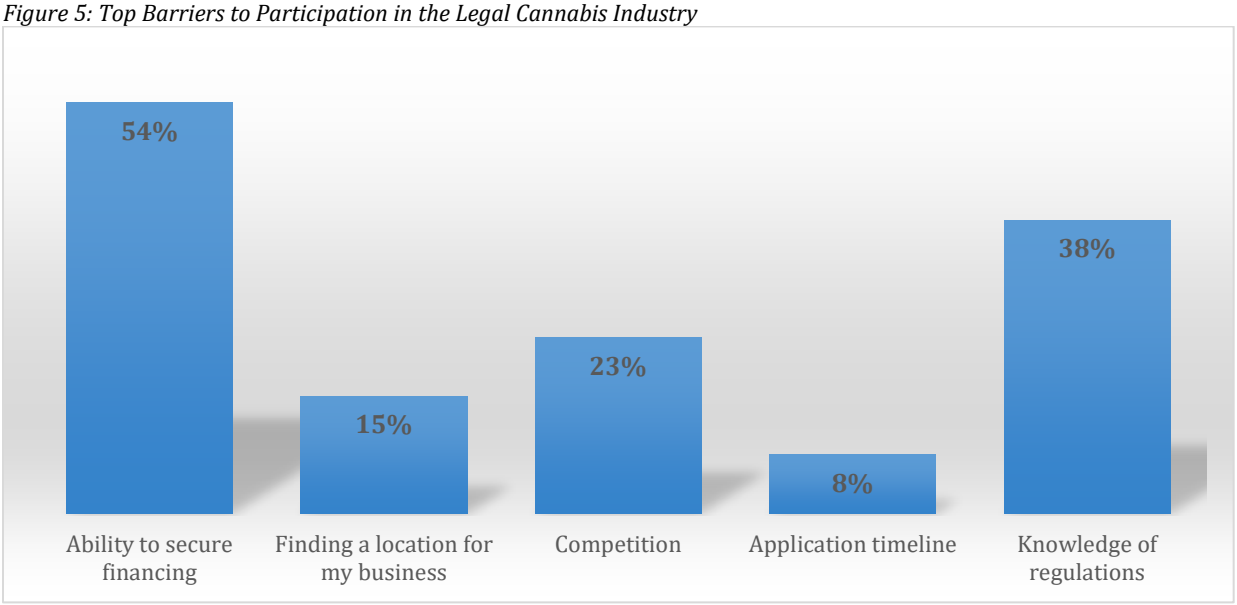
efforts, outreach to the College of the Desert to promote the survey and subsequent targeted meeting that occurred. Ultimately, 13 individuals responded to the survey. Their demographics are listed in the figure below.

Figure 4: Demographics of Survey Respondents



When asked to identify the top barriers to participation in the legal cannabis industry, over half of the individuals surveyed (54%) indicated ability to secure financing, and nearly 40% cited knowledge of the regulations. Only 23% suggested that competition was a top barrier, 15% cited finding a location, and 8% suggested the application timeline as the chief hurdle.

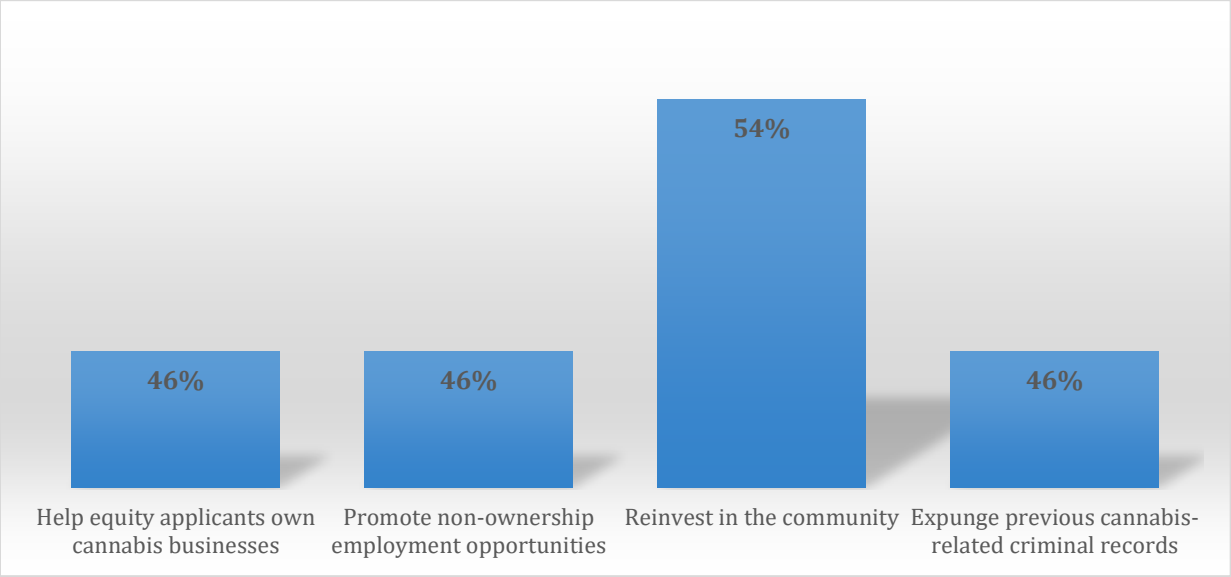
Figure 5: Top Barriers to Participation in the Legal Cannabis Industry



When asked to suggest the appropriate goals for a cannabis social equity program, nearly half of the respondents identified helping equity applicants own cannabis businesses,

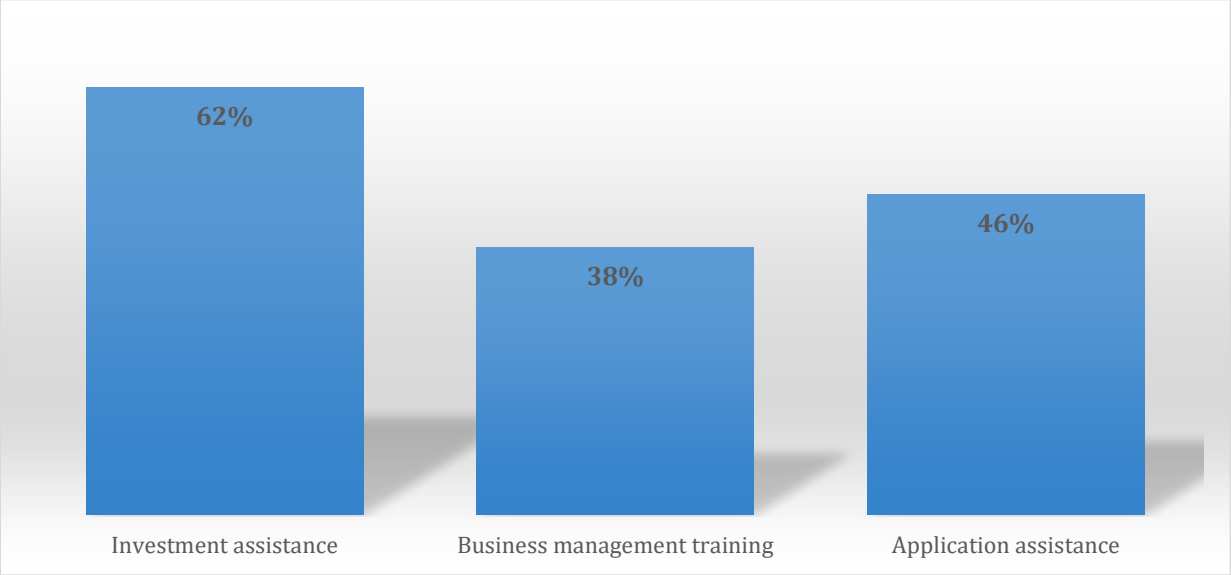
promoting non-ownership employment opportunities, reinvesting in the community, and expunging previous cannabis-related criminal records.

Figure 6: Goals for the Cannabis Social Equity Program



Respondents were also asked what services they believe would be most useful to them from a Cannabis Social Equity program. Most people indicated investment assistance would be useful, though respondents also indicated assistance with their applications and business management training would be useful.

Figure 7: Most Useful Services of a Cannabis Social Equity Program



Coachella Cannabis Business Virtual Event

On May 20, 2021, we held the Cannabis Business Virtual Event, during which attendees heard from city representatives regarding the cannabis business opportunities in Coachella and the Social Equity Program. This event provided attendees with an opportunity

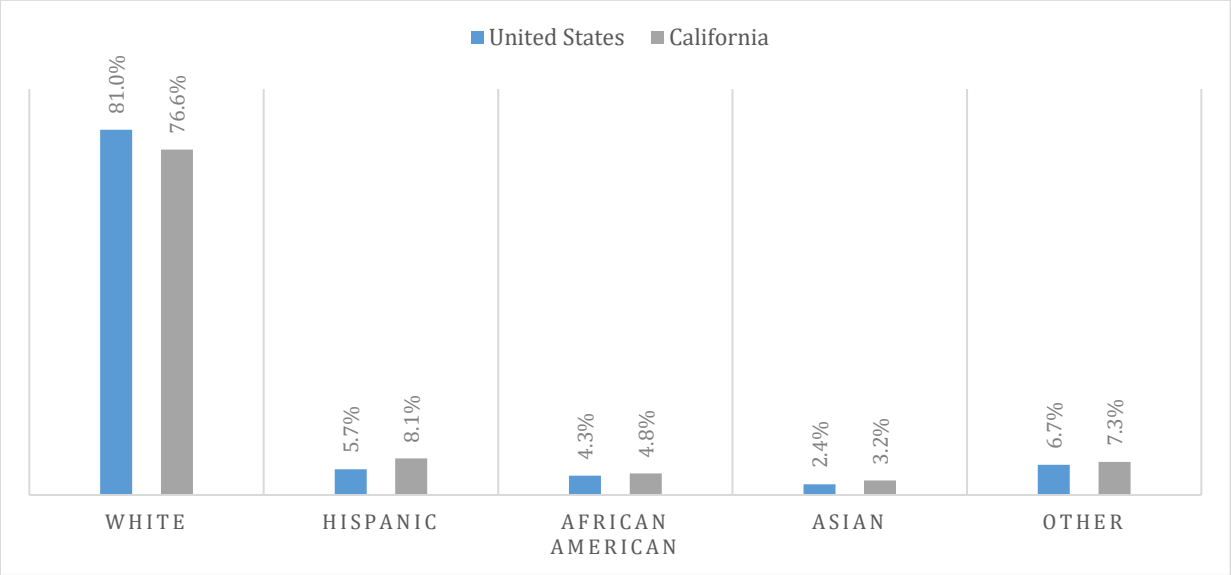
to ask questions of city representatives as well, and the engagement suggested community residents are interested in learning more about and engaging with the cannabis business industry in Coachella.

At the event, city representatives unveiled the newly developed Coachella Cannabis website (coachellacannabis.org) where individuals can go to find more about cannabis businesses and business opportunities in the City of Coachella.

Participation in the Cannabis Industry

In 2017, Marijuana Business Daily conducted an online poll of 567 self-identified cannabis business owners to determine the racial composition of owners across the country. Perhaps not surprising, the survey shows that Hispanics, African Americans, and Asians are underrepresented. Across the United States and in California, cannabis business owners are predominantly white. Collectively, non-white cannabis business owners make up about 20% of the total cannabis business owners across the United States and about 25% in California.

Figure 8: Percent of Cannabis Industry Owners & Founders by Race[11]



Identifying Disadvantaged Communities

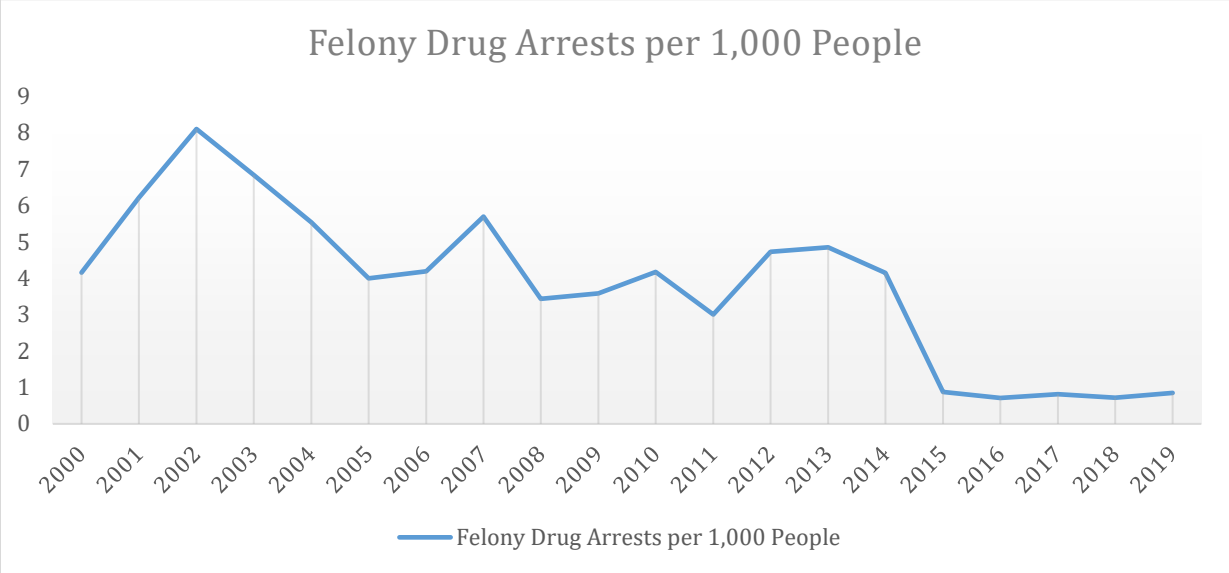
The community outreach events provided valuable insight from members of the community regarding the current Cannabis Social Equity Program and what services would be most useful to them as the program grows. Nevertheless, a key component of many social equity programs has been to address the criminalization of cannabis use. The following section explores the drug arrest rate of individuals in Coachella and seeks to identify communities within the city that have historically high drug arrest rates and a high percentage of low-income households.

[11] Source: Marijuana Business Daily, August 2017 Reader Survey

Historical Arrest Rates

Data provided by the Riverside County Sheriff's Office of arrests in the Coachella Valley from 2000 through 2019 are used to demonstrate historical trends in drug arrests.[12] Figure 8, below, depicts the felony drug arrest rate per 1,000 people in Coachella. In Figure 9, felony and misdemeanor drug-related arrest rates per 1,000 people are shown, primarily to demonstrate that the decrease in felony drug-related arrests observed in 2015 was due to the effects of Proposition 47, which reclassified many property and drug crimes from felonies to misdemeanors.

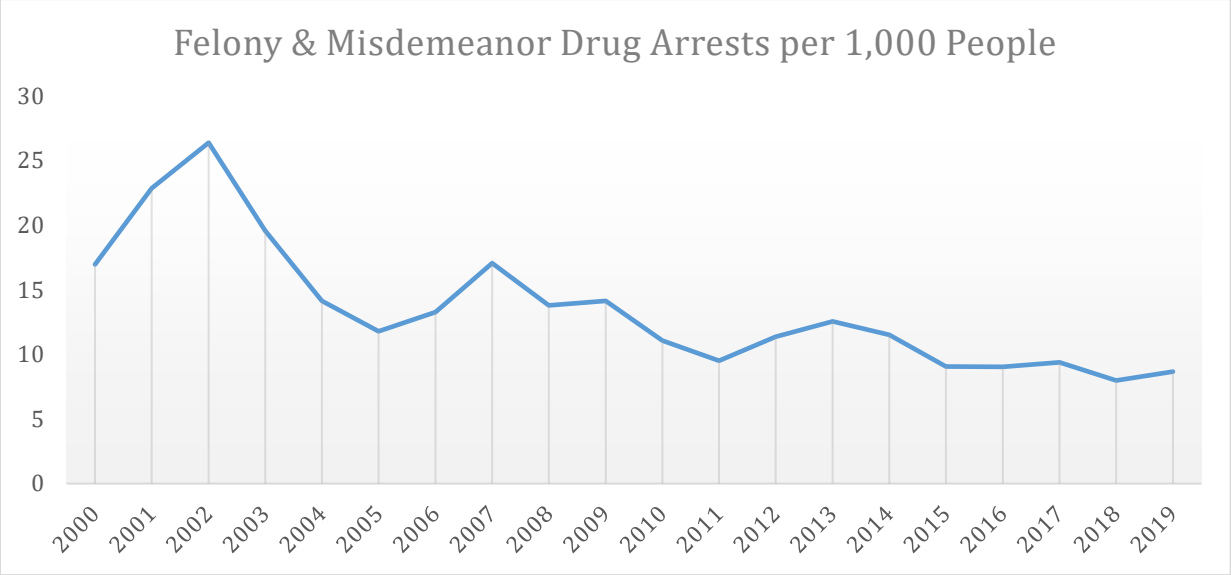
Figure 9: Felony Drug Arrests per 1,000 people (2000 - 2019)[13]



[12] The arrests shown here encompasses drug-related charges, not necessarily only those related to cannabis possession, use, cultivation, or distribution.

[13] Although felony drug arrests appear to decrease significantly in 2015, this is due to a change in state-level policy rather than an actual significant decrease in felony drug arrests. Due to the passage of Proposition 47, numerous drug and property crimes were re-classified from felonies to misdemeanors. Figure 9 demonstrates that although there was a slight decline in drug-related arrests between 2014 and 2015, the significant decline in felony arrests is most likely related to the reclassification of charges than actual declines in arrests.

Figure 10: Felony and Misdemeanor Drug Arrests per 1,000 people (2000 – 2019)



Evaluating Historical Arrests Rates and Median Household Income

According to the California Department of Housing and Community Development, the Area Median Income (AMI) of Riverside County in 2020 was $75,300. Table 1, below, indicates the income thresholds for Riverside County by number of persons in the household.[14] However, the median household income in Coachella is $34,224, far lower than in Riverside County. For the purposes of this analysis, a low-income household is any household with a total income less than $35,000, roughly the median income of the city.

Table 1: 2020 Riverside County Income Thresholds by Number of Persons in Household[15]

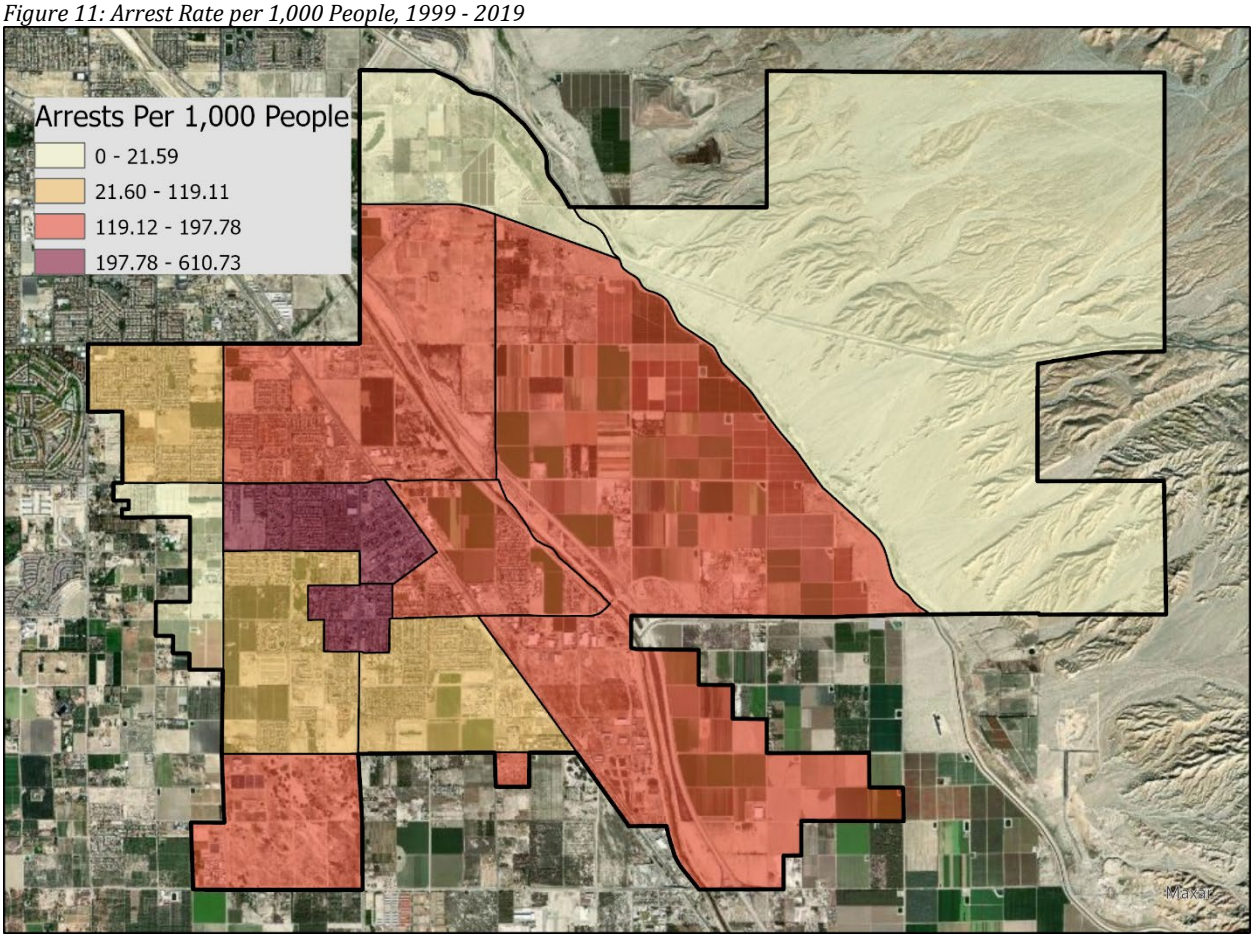
	1	2	3	4	5	6	7	8
EXTREMELY LOW INCOME	$15,850	$18,100	$21,720	$26,200	$30,680	$35,160	$39,640	$44,120
VERY LOW INCOME	$26,400	$30,150	$33,900	$37,650	$40,700	$43,700	$46,700	$49,700
LOW INCOME	$42,200	$48,200	$54,250	$60,250	$65,100	$69,900	$74,750	$79,550

[14] From the California Department of Housing and Community Development: "State Income Limits apply to designated programs, are used to determine applicant eligibility (based on the level of household income) and may be used to calculate affordable housing costs for applicable housing assistance programs. Use of State Income Limits are subject to a particular program's definition of income, family, family size, effective dates, and other factors. In addition, definitions applicable to income categories, criteria, and geographic areas sometimes differ depending on the funding source and program, resulting in some programs using other income limits."

[15] Source: https://www.hcd.ca.gov/grants-funding/income-limits/state-and-federal-income-limits/docs/income-limits-2020.pdf

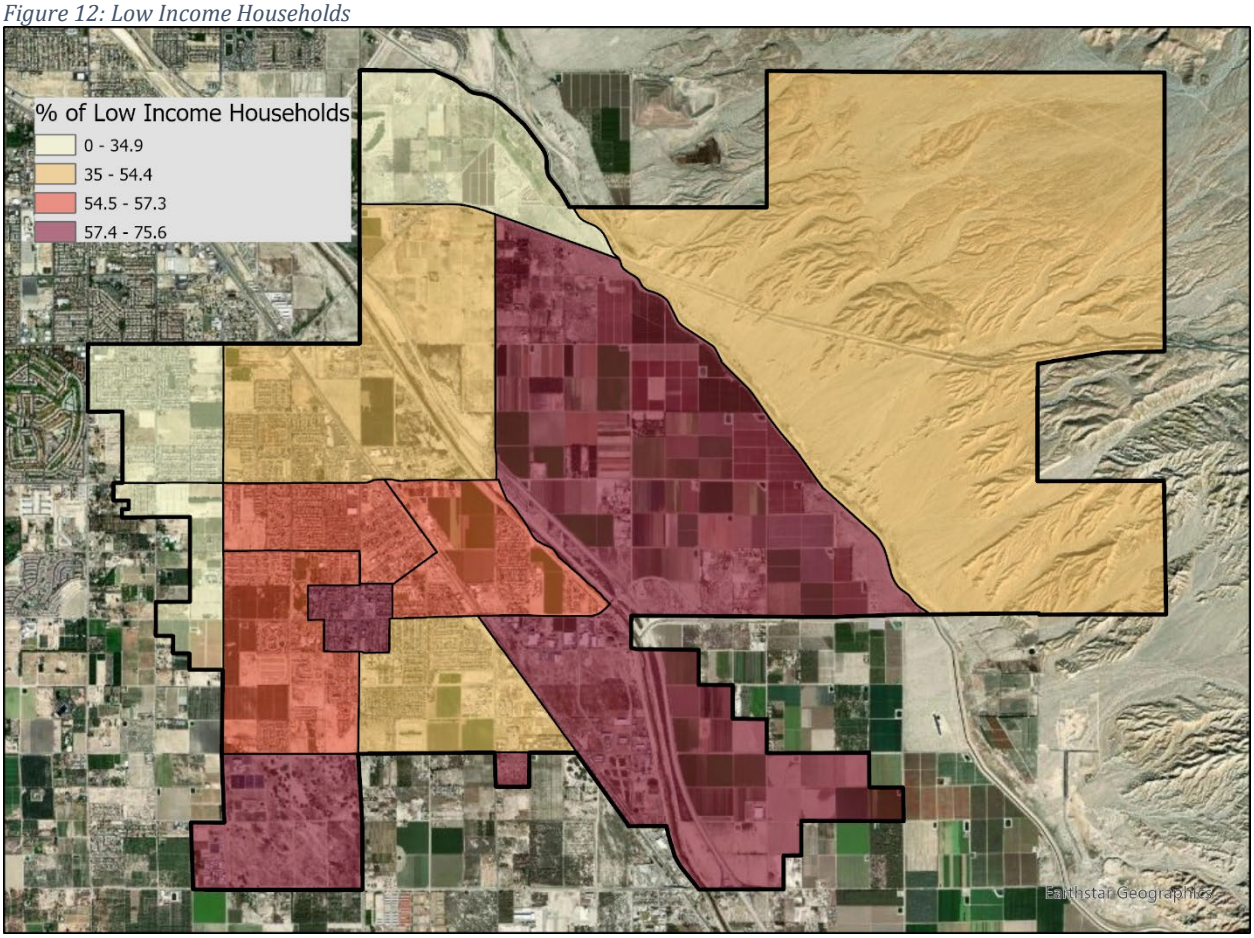
Figure 10 (below) shows the arrest rate per 1,000 people within each census tract in the city. Census tracts within the city with the highest arrest rates are outlined in red. The city center has the highest arrest rate per 1,000 people.

Figure 11: Arrest Rate per 1,000 People, 1999 - 2019



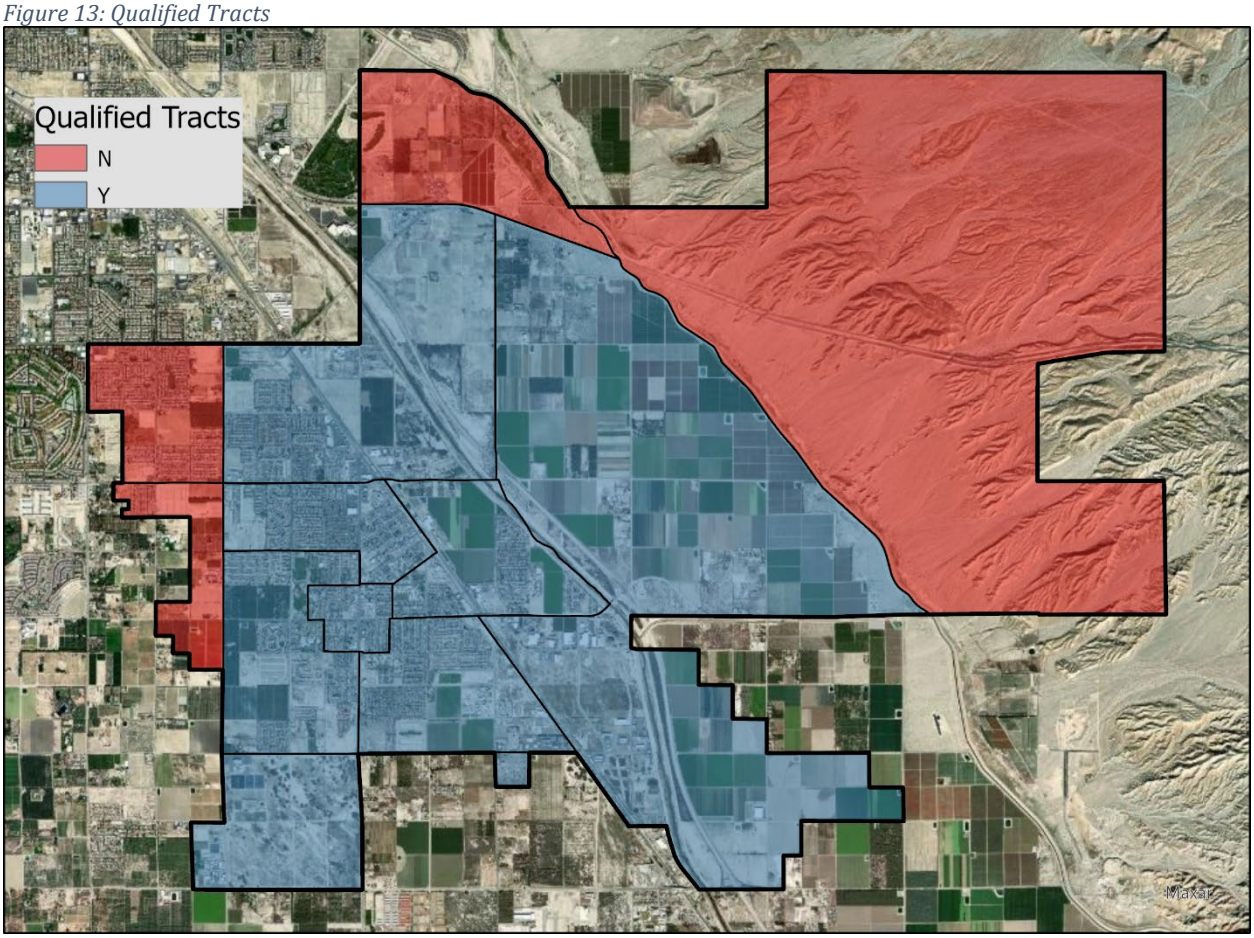
The following figure shows the current areas of the City of Coachella with the highest percentage of low-income populations by census tract according to the American Community Survey 5-year estimates from 2019. Again, the city center contains the highest percentage of households whose total income was less than $35,000.

Figure 12: Low Income Households



To identify communities within the city with disproportionately high rates of drug-related arrests *and* low-income households, Figure 12 highlights those tracts where 30% or more households have income less than $35,000 and a significant number of cannabis arrests. Of the 11 possible census tracts, five met both criteria and are represented in blue in Figure 12, below.

Figure 13: Qualified Tracts



Cannabis Market Analysis

The goal of both public and private revenue generation has been an undeniable driver of cannabis legalization initiatives. Advocates of legalization contend cannabis revenues can be used to fund various social programs to redress some of the structural drivers of inequality that contribute to disparities associated with the failed war on drugs. For example, half of Alaska's cannabis revenues are spent on programs to reduce recidivism. Colorado's revenues are ear-marked for education and California spends its excess cannabis revenues to fund programs related to drug-use education, academic studies, and economic empowerment.

However, the trade-offs between maximizing revenue generation on the one hand, and public health and social equity considerations on the other should be considered. A smaller number of large producers capable of moving large volumes of product at low cost, with cannabis sales taxed at the point of sale on an ad valorem basis, is likely to be the easiest model to license and regulate. But lower product prices will likely exacerbate problem consumption and may incentivize out-of-state trafficking, which continues to carry the risk of prosecution. While easier to license and regulate, a smaller number of large producers necessarily reduces opportunities for market participation except for all but the best-capitalized entrepreneurs. Less well-capitalized applicants may struggle to enter the market and realize any profit. Unfortunately, it is most likely that well-capitalized entrepreneurs will not frequently come from communities that have been historically disadvantaged by the former prohibition and the related disparities in enforcement. Regulators therefore need to balance the goals of revenue generation against considerations for social equity and public health.

Achieving that balance would be easier if there were concrete forecasts for demand and supply of cannabis within a given jurisdiction. However, history has demonstrated that modeling supply and demand and the resulting product prices is easier said than done. Many complex analyses conducted to date have proven wildly inaccurate. In that uncertain environment the best advice to regulators today is the same as it was at the start of cannabis legalization: do not spend revenues before they have been collected and retain within the regulatory infrastructure sufficient dynamism that regulations might respond to inevitable market shocks.

The following paragraphs provide an overview of the historic and emerging trends in cannabis supply and demand, accounting for local, regional, and national influences.

Comparative Tax Analysis

As adult-use cannabis markets continue to emerge in states, various taxation models have been introduced. California charges an excise tax of 15%, as well as a sales tax of 7.25%. Cities and counties also can impose local sales tax, and indeed many jurisdictions that permit cannabis businesses have opted to do so. Table 2 details the adult-use cannabis retail excise and sales taxes imposed by State. Washington has one of the highest excise tax rates, though at the outset of its market, a 25% tax was levied at three points (sales to processors, retailers, and customers). New York will levy taxes based on THC content, rather than price or weight of the product.

Table 2: State Adult-use Cannabis Retail Taxes

Jurisdiction	Specific Excise	State Sales Tax	Local Tax Options
Alaska	N/A, excise tax is paid by cultivator/processor.	No state tax	Local excise tax and local sales taxes may apply.
Arizona	16%	5.6%	
California	15%	7.25%	Local excise tax and local sales taxes may apply.
Colorado	15%		Local excise tax and local sales taxes may apply.
Illinois	10% on flower 20% on cannabis-infused products of up to 35% potency 25% for cannabis-infused products above 35% potency.	6.25%	Local taxes up to 3% may apply.
Maine	10%	5.5%	
Massachusetts	10.75%	6.25%	Local excise tax of up to 3% may apply.
Michigan	10%	6.0%	
Montana (projected to start 2022)	20%	0.0%	
Nevada	10%	4.6%	Retail sales tax applies to purchases of cannabis at the local rate: 6.850% – 8.10% Wholesale excise tax of 15%
New Jersey (Projected from late 2021)	None	6.625%	Local municipalities will be permitted to add an additional 2% sales tax.
New York	9%		
Oregon	17%	0.0%	Local excise tax up to 3%.
South Dakota (Pending litigation)	15% (If implemented)	4.5%	
Vermont	14%	6.0%	
Virginia (Projected from 2024)	21%	5.3%	An extra 3% tax may be added by the local municipality.
Washington	37.5%	6.5%	Local sales taxes apply (0.5-3.1%).

California City and County Adult-use Cannabis Business Taxes

In addition to the 15% excise tax California collects at the point of sale, cities and counties may apply sales taxes, typically ranging between 7% and 10%, varying by location. These are calculated inclusive of excise taxes. A product's cost is therefore calculated as follows:

Retail Price + 15% Excise Tax = Subtotal
Subtotal + Sales Tax = Cost

In addition to the taxes imposed on retail sales and delivery, cities and counties impose taxes on other cannabis businesses, including manufacturing, cultivation, distribution, and testing. The figures that follow show the cultivation, manufacture, and retail tax rates imposed by the five cities across the Coachella Valley that permit cannabis businesses to operate. Most notable, there is a significant range in the types and levels of taxes imposed. While Palm Springs charges less per square foot for cultivation space than the City of Coachella, their retail tax rate on gross receipts is nearly double that of Coachella. Also notable, the City of Coachella is the only jurisdiction that levies taxes on distribution and testing (2% and 1%, respectively).

Figure 14: Adult-use Cannabis Business Taxes of Cities in the Coachella Valley

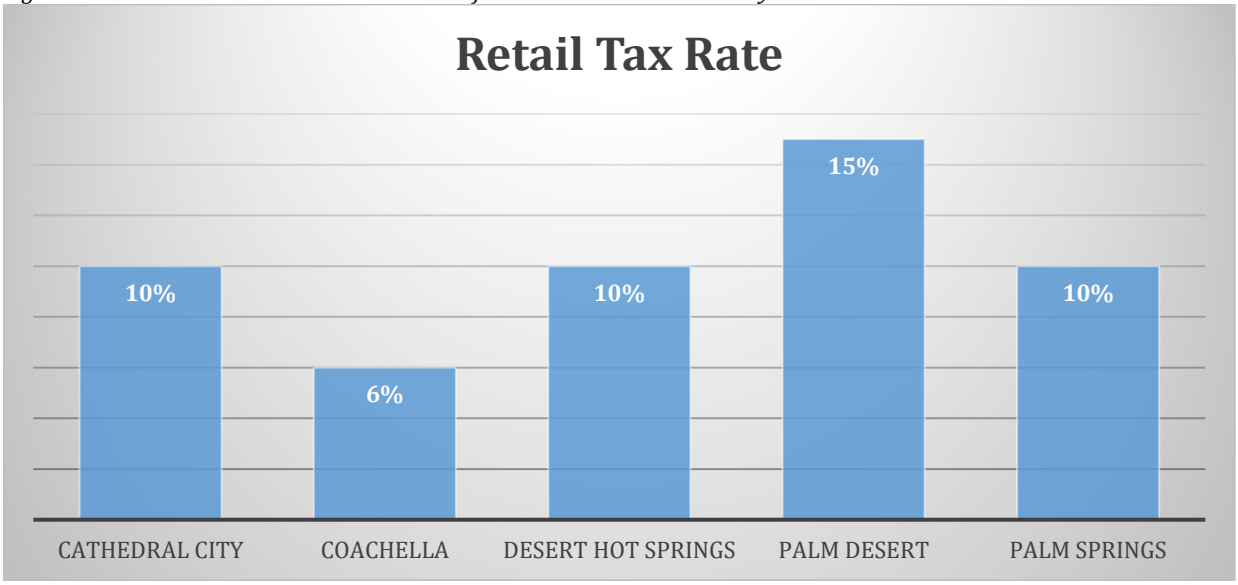


Figure 15: Cultivation Charge per Square Foot

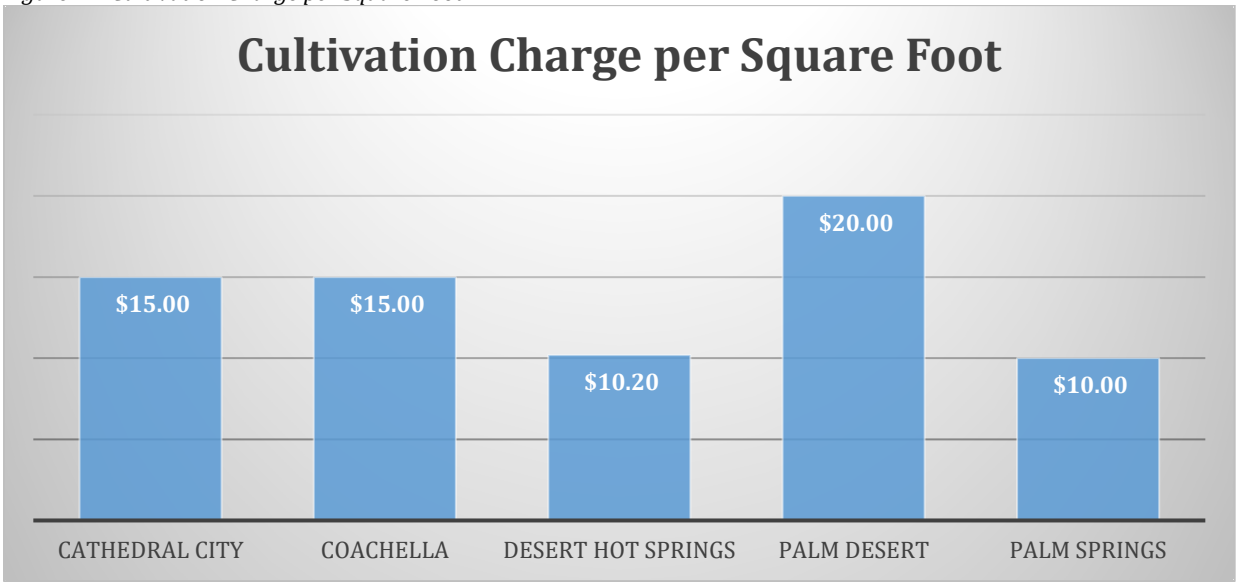
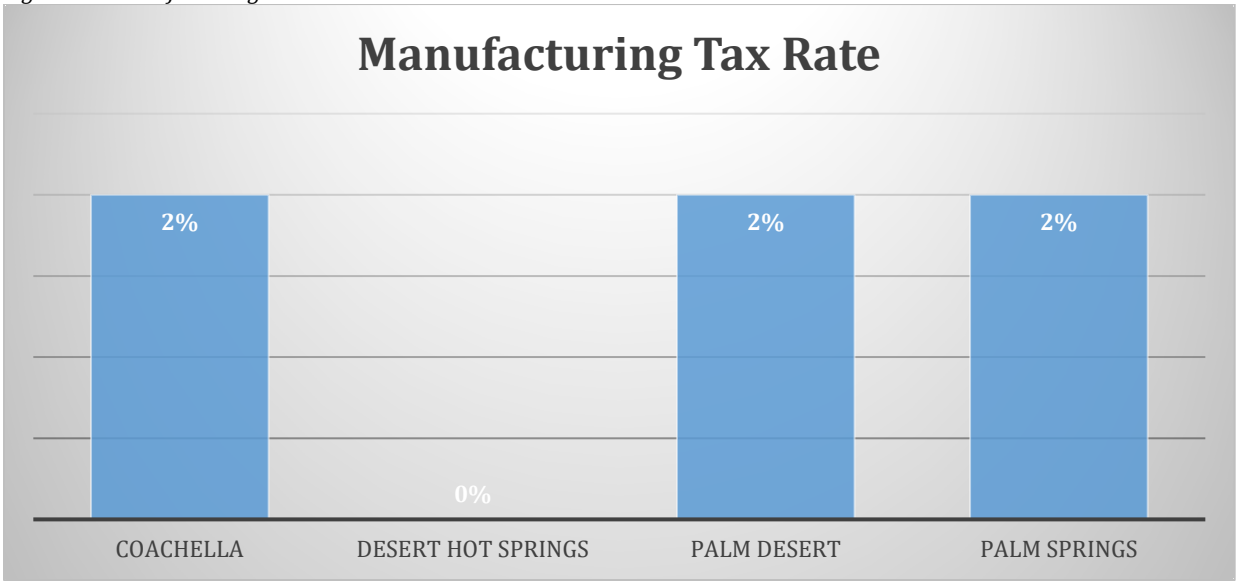


*Coachella charges $7.50 per sq. ft. after 20,000 sq. ft.
**Desert Hot Springs charges this rate bi-annually

Figure 16: Manufacturing Tax Rate



*Note: Cathedral City collects product-specific manufacturing taxes: $0.40 of each cannabis product other than concentrate; $0.05/g of crude concentrate; $0.10/g of distillate; $.40/g exotic/boutique concentrate; $15/sq ft on cultivation space

It should be noted that significantly different tax rates across the Coachella Valley may be a key driver of the business decisions of individuals interested in entering the cannabis market. Tax rates in one city that are significantly lower than the others may drive business into that city in lieu of others. In the long term, cooperation across the five cities in the Coachella Valley that permit cannabis businesses may be necessary to avoid a situation in which the cities needlessly undercut one another in the design of their cannabis regulations, even at the expense of capturing funds necessary to efficiently run the regulatory authority and provide necessary community reinvestment. That being said, the tax rates in Coachella

Valley are not unlike the tax rates imposed by other cities and counties in California, as shown in Table 3, below.

Table 3: Adult-use Cannabis Business Taxes in Select California Cities and Counties

Los Angeles	10% city tax; 9.5% local sales tax
San Francisco	2.5% for up to $1 million in gross receipts for retail 5% for gross receipts in excess of $1 million for retail 1% for up to $1 million in gross receipts for businesses other than retail 1.5% on gross receipts over $1 million for business other than retail
Long Beach	8% of gross receipts of retail sales and delivery 1% of gross receipts for manufacturing, distribution, and testing $13.20/sq ft of cultivation space
San Diego	8% of gross receipts
Adelanto	3% of gross receipts for retail and special events 1% of gross receipts for manufacturing, testing, and distribution $0.415/ sq ft of cultivation space
Riverside County	0.25% plus 1% plus 0.5% local sales tax
Los Angeles County	10% on gross receipts for retail sales 1% on gross receipts for transportation and testing 2% on gross receipts for cultivation and all other activities
Imperial County	8% of gross receipts received by retailers 5% on gross receipts received by manufacturers $3.50/sq ft of cultivation space
San Bernardino County	4% of retail gross receipts (including microbusinesses) 2% on distribution (including microbusinesses) 2.5% on manufacturing 1% on testing $7/sq ft of canopy cultivation space

State Cannabis Business Taxes

In addition to the retail excise and sales taxes applied to cannabis retail and delivery businesses, some states impose additional taxes on other types of cannabis businesses. Table 4 details the types and rates of taxes imposed on cannabis cultivation and processing businesses.

Table 4: State Adult-use Cannabis Business Taxes

Jurisdiction	Cultivation	Processing
Alaska	$50/oz for mature flowers $25/oz for immature flowers $15/oz for stems and leaves $1/clone	Excise tax of $50/ounce for flowers, $15/ounce for stems and leaves, $25/ounce for immature flowers/buds and $1/clone.
Arizona	N/A	N/A
California	Cultivation Tax of $9.65/oz for flowers, $2.87/oz for trim; $1.35/oz. for fresh plant	0%
Colorado	Cultivators and qualifying cannabis product manufacturers must pay a 15% excise tax on the first sale or transfer from a retail cannabis cultivation facility to a retail cannabis store, retail cannabis product manufacturing facility or to another retail cannabis cultivation facility.	
Illinois	7% sales tax applied to sale from cultivator	
Maine	Wholesale Excise tax of $335/lb – flower, $94/lb trim, $1.50/seedling. $0.35/seed.	
Massachusetts	N/A	N/A
Michigan	N/A	N/A
Montana (projected to start 2022)		
Nevada	Wholesale Excise Tax 15% [Fair Market Value determined by DOT]	Wholesale Excise Tax 15% [Fair Market Value determined by DOT]
New Jersey (Projected from 2021)	33% of average retail price/oz for first nine months of legal sales Then, $10/oz if average retail price/oz is above $350 $30/oz if average retail price/oz is between $250 and $350 $40/oz if average retail price/oz is between $200 and $250 $60/oz if average retail price/oz is below $200	
New York	$0.005/mg of THC in flower $0.008/mg of THC in concentrates $0.03/mg of THC in edibles	
Oregon	N/A	N/A
South Dakota (Pending litigation)	N/A	N/A
Vermont	N/A	N/A
Virginia (Projected from 2024)	N/A	N/A
Washington	N/A	N/A

Methods for forecasting cannabis tax revenue

Conceptually, estimating cannabis tax revenue from retail sales should be relatively simple. Revenues will be equal to the tax collected per unit sold in local markets times the projected sales volume in that market, plus taxes and fees assessed throughout the supply chain. Start with the number of cannabis consumers, including both resident and transitory. Multiply by the average rate of consumption. Then subtract the quantity provided by home-grown and illicit producers to calculate the total consumption. Multiply total consumption by the product price/unit. Finally multiply that by the rate of tax.

Uncertainties, both internal and external, obfuscate the ability to accurately predict the values at each intermediary point in this process. How will policy changes of neighboring counties and cities affect competition, and therefore local product prices? Will federal de-scheduling of cannabis create new out-of-state markets for California's licensees to capitalize on? Or will new-found competition from out-of-state producers suppress prices further? How will the continuing normalization of cannabis use, and changing demand for different cannabis products affect demand for wholesale cannabis?

The extant uncertainties can be categorized as structural, parametric and dynamic. Structural uncertainties include questions about the likelihood and impact of federal regulatory changes, and neighboring jurisdictions (both regional and national) implementing competing markets. The timeline, scale and conditions of those changes is unknowable. Parametric uncertainties include for example questions about how demand for products will change over time. Will competition between licensees suppress prices? Will demand shift towards edibles and other concentrates that might fetch a greater mark-up? How willing will local consumers be to source product from other markets legal or proximate legal markets. Finally, there are dynamic uncertainties: How will licensee productivity and demand for those products change over time? How will changes in supply interact with changes in demand? On the one hand, declining prices might reduce tax revenue per unit sold; on the other, increased total sales could expand the taxable sales base.

Understanding the dynamics of supply and demand, and being able to project these dynamics forward, is vital if regulators are to get this balance right. However, market dynamics depend largely on the decisions of local and regional regulators, as well as the conditions in other neighboring markets and the parallel illicit market. Further, under the right circumstances, regulatory changes at the national and even international level will also inform local market conditions. This means that models should be considered dynamic and should be revised regularly to accommodate for the rapidly changing details of the cannabis regulatory landscape.

Factors Affecting Demand

Growth has been one of the defining features of each state following Cannabis legalization. According to one study[16] the US Cannabis market will generate $85 billion in

[16] Cowen. "Themes 2020: Cannabis." Accessed May 21, 2021

sales by 2030. New frontier Data famously estimated that legal cannabis sales will reach $41.5 billion by 2025.[17]

Optimistic predictions such as this point to the growing use of cannabis products as Cannabis products and use becomes increasingly normalized. For example, according to Pew Research, the portion of Americans who believes that Cannabis should be legal has doubled since 2000[18], and is now 67%. The normalization of cannabis use is reflected in the demographics of consumers and growth is particularly marked among older consumers. For example, use of cannabis among individuals 50-64 years old has doubled since 2012, while use by adults over 65 has increased seven-fold.[19]

As a relative early-mover to embrace adult-use cannabis, and as the most populous US state it is perhaps unsurprising that California has reaped the greatest share of cannabis tax revenues of any state with more than $2 billion in gross revenue by the end of 2020, despite other states such as Colorado and Washington having a multi-year head-start on legal sales. It is projected that medical cannabis will lose market share to the adult-use market, while illicit cannabis sales will continue to compete with the regulated market. Home to some of the highest Cannabis taxes in the nation it was widely assumed that California's adult use market would continue to lose out to the illicit market, however recent tax figures released by the state show revenues increasing, despite the pandemic. Regulatory fine-tuning and the resolution of supply-chain chokepoints appear to be resulting in greater convenience and falling product prices, both of which help make the regulated market competitive against the illicit one.

COVID-19

Despite Covid-19-related lockdowns in second quarter of 2020, cannabis sales appear to have weathered the pandemic well, and growth was sustained through the third quarter. A possible reason for this growth may be that consumption increased as consumers tried to deal with the boredom and isolation of the lockdown, and those gains may have off-set any reductions associated with social distancing restrictions. The designation of cannabis businesses by the state as 'essential businesses' helped reinforce the normalization of cannabis use in the state.

The availability of delivery may have played an important role in driving demand as well. The retail and delivery app Ease, which bills itself as "California's largest legal cannabis marketplace" analyzed over 400,000 customers who used their platform in 2020. Their data suggests that COVID drove more frequent and larger deliveries, including a 44% increase in first-time deliveries, and a 13% increase in total order value. Demand for social equity product also increased – especially in customers over the age of 30. Ease reports that 9.5% of all customers bought SE brands. The purchase of SE brands appears to be associated with

[17] https://newfrontierdata.com/product/cannabis-in-america-for-2021-and-beyond/
[18] Pew Research Center. "Two-Thirds of Americans Support Marijuana Legalization." Accessed May 21, 2021
[19] New York University. "Marijuana Use Continues to Grow Among Baby Boomers." Accessed May 21, 2021

age and sex, with males and those over 31 being more likely to purchase SE brands. However, the fourth quarter of 2020 recorded the first quarterly decline in cannabis revenues. This may also be due to the pandemic-related effect on supply. It is also possible that consumers stockpiled products in Q3 in anticipation of a second lock-down and therefore purchased less product in the fourth quarter as they used up stockpiled supplies. It remains to be seen whether the Q1 2021 revenues bounced back but it is likely that the COVID-effect will be short-lived.

Product Trends

Flower once dominated the cannabis market and continues to hold a significant portion of market share. However, it appears that increasing interest in concentrates and edibles has followed legalization in multiple contexts. On the demand side, an increasing proportion of cannabis consumers are opting for oils and 'vaping' or 'dabbing' over smoking. This effect might be driven in part by the increasing hostility towards combustible tobacco, and the emergence of e-cigarettes as an alternative method of consuming nicotine. On the supply side, in areas where there has been a supply-demand imbalance, producers who are unable to sell their harvest have often opted to process flower into more durable concentrates. Eaze's 2020 State of Cannabis Report reported that Edibles accounted for 22% of overall sales and are the most popular method of consumption in large urban areas including San Francisco, Los Angeles, Oakland and San Diego. While vaping remains the most popular method of consumption among Gen-Zs, every other age group appears to prefer edibles. During the pandemic, within the edibles category, cannabis beverages have increased in popularity, perhaps replacing (if temporarily) the role of social drinking in restaurants, bars and clubs.

Increasing awareness of reported medical benefits, and increased acceptability of use will likely continue to drive growth. These dynamics may be compounded especially as more states legalize medical and adult-use cannabis. However, change at the federal level, including the possible legalization of medical cannabis by the Biden administration may bring about significant changes.

Factors Affecting Supply

Out-of-state competition

California will likely remain the largest cannabis market in the medium term (Illinois, Florida, and Michigan follow). New state-level markets will serve as a catalyst of normalization of regulated cannabis. However, those states will not contribute to the demand for California-produced cannabis due to the legal status of cannabis at the federal level. Until cannabis is de-scheduled, the transportation of product across state boundaries will remain a criminal act, meaning Californian producers must compete with others in their state to supply to residents and visitors to their state.

There are two important exceptions to this. The 2018 Farm Bill made the cultivation of hemp (with THC values equal or less than 0.3%) legal. Hemp can be used to make CBD products, the transportation of which across state boundaries is legal. This puts producers from different states in direct competition. However, since CBD products that do not contain THC are not broadly substitutes for THC products (even those that may contain CBD) the

cultivation of hemp for the purposes of isolating CBD does not put cultivators of high-THC cannabis at a competitive disadvantage.

The emergence of Delta-8 THC, psycho-active compound similar to the delta-9 tetrahydrocannabinol in medical and adult use cannabis, changes this dynamic. Delta-8 may be a substitute for conventional THC products. Further since it may be produced from hemp-derived CBD, delta-8 products are technically legal under federal law, though a pending ruling by the DEA might classify delta-8 as a Schedule 1 controlled substance. Twelve states have specific laws banning delta-8 but in the absence of state law, and until the DEA ruling is delivered, Delta-8 may present a legal competitor to traditional THC. In the absence of state and federal prohibitions, Delta-8 products might have a significant competitive advantage over traditional THC products in that the burden of regulatory compliance associated with their production would be significantly less. That might make them cheaper and, eventually, more ubiquitous than conventional THC.

Federal legalization

Federal legalization would affect the local cannabis market in a number of ways. By repealing the federal prohibition on cannabis production and distribution, cannabis businesses would no longer be subject to clause 280E of the federal tax code which prevents them from writing off their operating expenses. This would likely increase profitability, and/or drive prices down. Federal legalization would also halt government restrictions on Cannabis research which would make it easier to study the risks and benefits of use, and would likely normalize both adult and medical cannabis use, leading to some increase in demand. Those jurisdictions with pre-existing regulated supply chains would be well-positioned to take advantage of new markets on other states (assuming those states do not implement specific restrictions), and could legally transport products across state lines for the first time (again, assuming there are no novel restrictions on inter-state commerce).

However, along with these opportunities there is also risk. Federal legalization would put state markets in competition with each other. States with high taxes on producers and/or low production costs are likely to be at an advantage. Consider for example the discrepancy between California's minimum wage, which will be $15/hr in 2023, and costs for electricity (20c/KWH in 2018) and water compared with those of states such as Mississippi which had no minimum wage other than the federally mandated $7.25/hr), where energy costs are below 10c/KWH (9.28c/KWH in 2019[20]).

Legalization in Mexico

Our experience suggests that legalization reduces product prices, since producers no longer need to compensate themselves for the risk of prosecution and can benefit from larger economies of scale. However, while cannabis legalization in Mexico may disrupt the illicit markets south of the border, the trafficking of product over the US/Mexico border would remain illegal until Federal legalization occurs. The dynamics of both illicit and legal cannabis markets in Mexico will likely have consequences for the US, particularly in states proximate to the international boarder. Given that production costs (labor, water and

[20] https://www.eia.gov/electricity/state/mississippi/

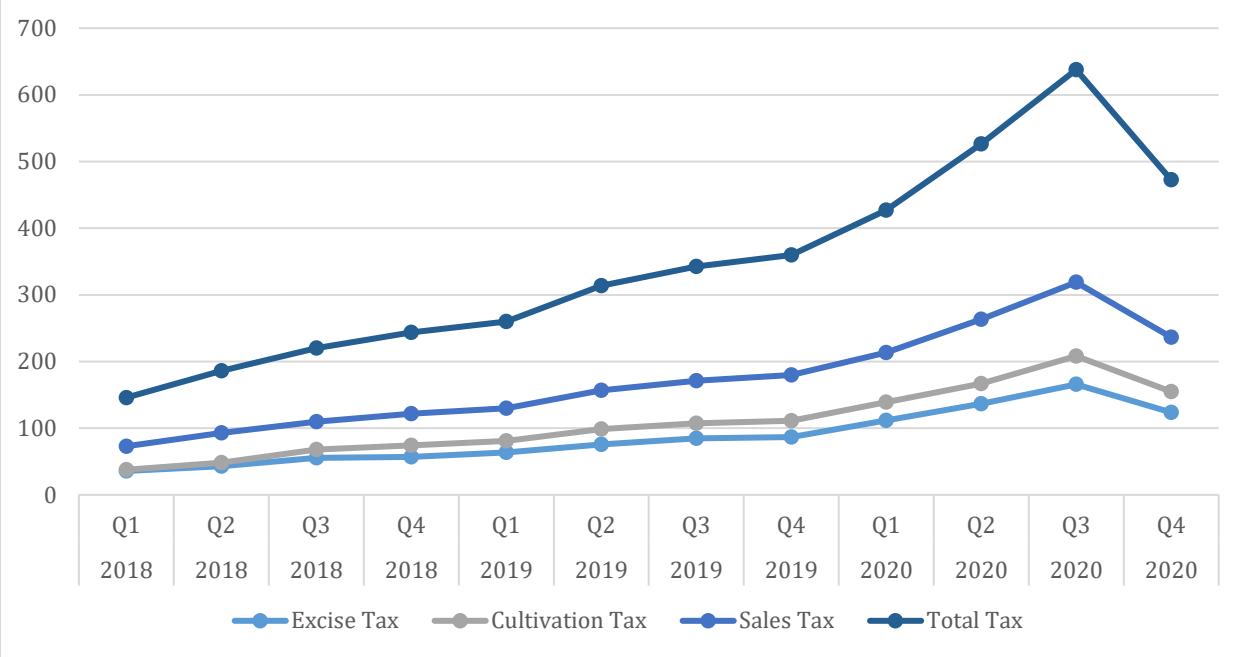
electricity) are likely less in Mexico than in the US, the production of cannabis is likely to be less expensive there. Our experience of legalization suggests that post-regulation excess supply further decreases product prices. If the differential between prices for regulated cannabis in Mexico and the prices for illicit cannabis in the US is significant that will incentivize cross boarder trafficking. The likely effect is that illicit prices on the US will drop. Any resulting gain in illicit market share would threaten local licensed production. Conversely if the regulated cannabis prices in Mexico are sufficiently low enough, they will likely gain market share from illicit producers and suppliers south of the boarder. That may incentivize those actors to traffic their product across the US border. Again, any increase in illicit market sales would undermine the local regulated market.

Cannabis Tax Revenues

Revenues by State

In recent years, California has seen significant growth in its tax revenue, as shown in the figure below. Notably, California saw significant growth in its tax revenue in quarter 3 of 2020, perhaps due to the ongoing COVID-19 pandemic driving both increased consumption among current users and encouraging new consumers to enter the market. The unprecedented revenues observed in quarter 3 did not carry over to the following quarter though.

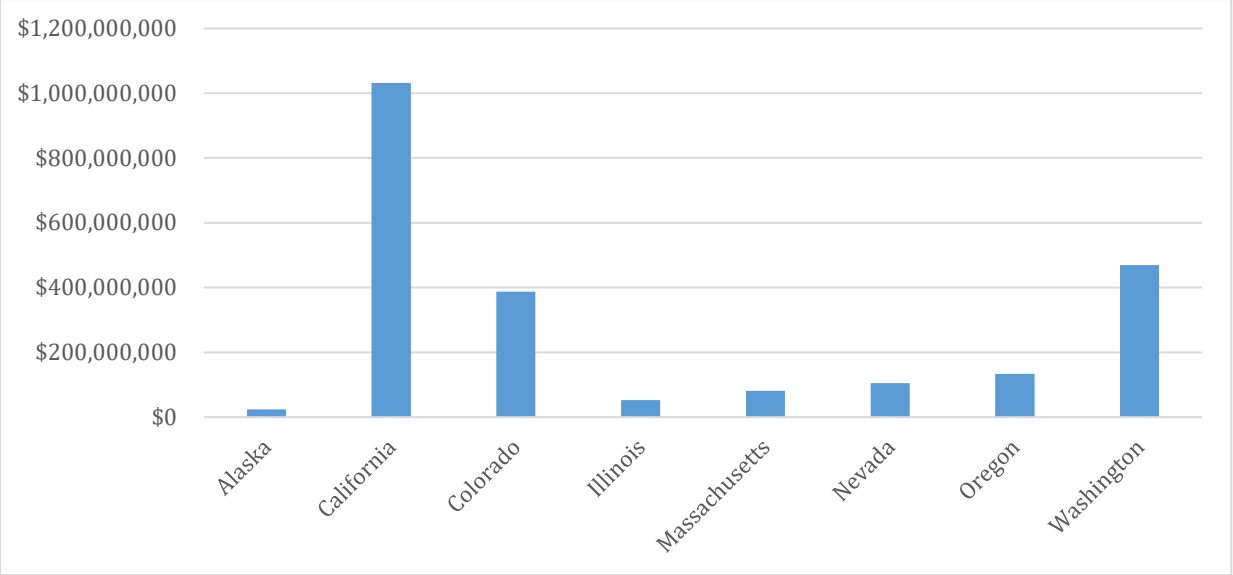
Figure 17: Historic Cannabis Tax Revenue for California in Millions (2018 – 2020)[21]



In 2020, California tax revenue from cannabis surpassed all other states.

[21] Source: California Department of Tax and Fee Administration (https://www.cdtfa.ca.gov/dataportal/dataset.htm?url=CannabisTaxRevenues)

Figure 18: Cannabis Tax Revenue by State (2020)[22]



Since the launch of its cannabis market in 2018, California has seen enormous growth in its tax revenue, as demonstrated in Figure 19, below.

Barriers to Entry & Recommendations

This section provides an overview of barriers to entry in Coachella's adult-use cannabis market that Equity Applicants currently face. Nested within each barrier are key recommendations that could foster equitable access to Coachella's legal cannabis industry, development of community reinvestment for communities that have historically been disenfranchised, and mitigate the adverse effects of cannabis criminalization and poverty that have disproportionately impacted those communities. The recommendations included are intended to inform decision makers concerning the continuation of a Coachella Social Equity Program (CSEP).

After careful consideration of community engagement data, stakeholder interviews, and key insights from data from the City of Coachella, we have identified the following key barriers to entry and recommend short- and long-term approaches to address these barriers:

Table 5: Barriers to Entry & Recommendations

Barriers to Entry & Recommendations	
Barrier	**Recommendation**
Eligibility	1. Adapt current Business Classifications for program participation to reflect lower ownership percentages
Permit Process	1. Evaluate permitting process to identify unnecessary roadblocks 2. Directly invest in infrastructure development or provide incentives for outside investors
Workforce Development	1. Require Cannabis Businesses to Provide Equitable Employment 2. Expand Access to Workforce Services 3. Require Training or Similar Workforce Development Experience
Financial Assistance	1. Provide Loans or Investment Matching Opportunities 2. Institute Fee Waivers for First Year of Operation 3. Assistance Securing Capital Investments through Banking Access
Technical Assistance	1. Leverage Existing Resources 2. Hire Full-Time City Personnel with Industry Experience 3. Create a Simple Compliance Process
Coachella Valley Stakeholder Outreach	1. Create Formal Relationships: Task Force Membership 2. Create & Support Informal Relationships

Public Awareness & Education	1. De-stigmatize Cannabis Business Ownership 2. Launch Public Education Campaign
Community Reinvestment	1. Community Benefit & Business Equity Plan 2. Seek funding from the Governor's Office of Business and Economic Development community reinvestment grants program. 3. Creation of a Community Reinvestment Fund
Effectiveness & Accountability Measures	1. Facilitate quarterly or annual meetings among CSEP Grant Recipients to gather baseline data 2. Require Report from CSEP Grant Recipients to gather baseline data 3. Create Strategic Data Plan to measure effectiveness of CSEP

Eligibility

Current eligibility criteria mirrors many California municipality criteria. Inclusion of applicant or immediate family member with a conviction history associated with cannabis related crimes, holding low-income status, is a current or previous resident of The City, and baseline ownership requirements are all common practices for a social equity program. The parity between The City and other localities' eligibility criteria continues to ensure The City is a competitive location for social equity businesses. Only one recommendation is made in this report for adaptation to current eligibility criteria.

> **RECOMMENDATION:** The City should consider lower ownership percentage thresholds. Ownership structures are common in California's social equity programs and set a baseline to ensure applicants maintain decision making power and profit sharing. The City's current percentage of ownership ensures that cannabis operators eligible for the social equity program benefit from operations, though the percentage requirement for 51% equity applicant ownership may have an unintended impact of shrinking the field of potential investors. With decreased interest from outside investors, the current ownership structure is creating a significant barrier to accessing appropriate capital. As an example, San Francisco recently lowered their equity applicant ownership stake from 51% to 40% ownership stake.

Permitting

Licensees face several hurdles in the permitting phase. While the City maintains a simple flow chart indicating how interested parties would go about securing the necessary permits to operate a cannabis business, the process itself is cumbersome. Potential licensees are required first to secure a Conditional Use Permit on a property that is zoned properly. Once the CUP is approved by the Planning Commission and City Council, a licensee must secure both a Cannabis Regulatory Permit and State License. Often, applications to launch a cannabis business fail at the land-use approval phase.

It is known that the City faces infrastructure problems impeding the ability of interested parties to operate a cannabis business, despite attempts to ameliorate these

issues. As a result, interested parties are often unable to obtain the necessary CUP to progress in the licensing process.

RECOMMENDATION: Evaluate the applicability of current requirements to obtain a Conditional use Permit as they pertain to cannabis businesses.

The requirement to acquire a CUP is necessary to protect the health, safety, and welfare of residents of the City of Coachella. Nevertheless, the process by which interested parties go about obtaining a CUP may be unnecessarily difficult and impede business development as a result. The City should conduct an evaluation of its current requirements to determine if the process produces unnecessary roadblocks that can be addressed.

RECOMMENDATION: Invest in infrastructure improvements through direct investments or via incentives provided to potential outside investors.

Workforce Development

A common barrier to success in Coachella's cannabis industry is a lack of training for high-quality, well-paying jobs within the cannabis industry and other similar industries. Recruitment, training, and retention of knowledgeable employees is an issue nationwide, and no less so in Coachella. In order for an Equity Applicant to grow their business, they need workforce ready employees that are skilled on specific techniques, best practices, and compliance efforts. Dedicated workforce development efforts are needed to provide current and future businesses with skilled and local employees.

RECOMMENDATION: Require Cannabis Businesses to Provide Equitable Employment

All cannabis operators should promote and/or be required to offer local, equitable employment opportunities. These opportunities should include hiring formerly-incarcerated individuals, hiring racial minorities, and paying living wages.

RECOMMENDATION: Expand Access to Workforce Services

The City should consider partnerships with current curriculum developers to support new workforce and entrepreneurship services for individuals seeking ownership or employment across industries. Examples include, but are not limited to:

- Creation of an "Accelerated Cannabis Training Program" or similar program for entry level workforce and/or entrepreneurs through the College of the Desert.
- Leverage existing cannabis training programs through Oaksterdam University, Cannabis Tech, Cannabis Industry Institute, Cannabis Training University or similar industry-specific training programs.

- Leverage existing training programs for entrepreneur and business skills which can also be applied in other industries, like California State University - San Bernadino Reentry Initiative in Indio or local community college business/financial/marketing certificates. While this example is not specific to creation of a cannabis business, supporting training programs for individuals disproportionately impacted by the War on Drugs aligns with The City's broader goals to promote equitable opportunities for its community.

RECOMMENDATION: Require Training or Similar Workforce Development Experience

The City should consider job skills training curriculum completion as a requirement of CSEP fund recipients, as included in the grant/loan award.

Financial Assistance

Lack of capital or financial assistance is an oft cited barrier to entry for many BIPOC individuals. Compounding this issue is the lack of banking available to cannabis industry, and with it a dearth of small business loans for otherwise eligible applicants. Indeed, the most common focus of any social equity program is to include financial assistance to applicants to ensure equitable access to cannabis business ownership. Creating fee, permit or other remuneration waivers can also significantly reduce barriers to business ownership.

RECOMMENDATION: Provide Loans or Investment Matching Opportunities

The City should consider creation of a fund to provide low- or no-interest loans to Equity Applicants. Alternatively, The City should consider creation of a program to match financial or in-kind private investments to Equity Applicants.

Multiple models exist to address financial barriers for BIPOC applicants.

1. Incubator Programs: This model grants cannabis permits to non-equity applicants in return for those applicants providing assistance to equity applicants. Options include, but are not limited to, facility lease assistance, partial ownership of existing firm, and business development mentorship.

2. Investment Assistance: This model increases the incentive for investors or supports equity applicant in attracting investors.

3. Direct Funding: This model uses funds drawn from non-equity permit fees, cannabis taxes, and State grant programs to directly loan or fund start-up costs to equity applicants.

Given the high financial and administrative cost of incubator models, the low certainty of success for a fledging industry in a rural city, and the lack of regional expertise for social equity applicants, we do not recommend an incubator model. Additionally, given the competing market in nearby Palm Springs with an abundance of regional investors and the low level of knowledge about investment

on the part of current equity applicants, we do not recommend an investment assistance model. With one exception: lowering the qualified applicant ownership stake in the firm, as referenced in the Eligibility section of this report.

After evaluating multiple studies on financial assistance models, we recommend creating a loan or investment matching opportunity through direct funding. Though the initial costs for this model are high, another application for State grant dollars can be sought to fund this model. This model is highly effective in achieving social equity as it directs funds into the hands of those that were directly affected by inequitable laws and enforcement. The City of Oakland offers a similar direct loan program, setting aside $3,000,000 for zero-interest four-year loans to Equity Applicants.[23] Using a tiered structure, the loan size is dependent on the stage in which the business is operating, i.e. "Establish the Business", "Get Compliant", "Grow the Business." According to the City of Seattle's Cannabis Equity Survey and Analysis interview with Oakland operators, current loans are "based on a $1,000 square foot estimate for necessary operating space."

RECOMMENDATION: Institute Fee Waivers for First Year of Operation

The City should consider waiving application, permit, and related inspection fees for eligible Equity Applicants to lower financial barriers of entry. Many cities offer this benefit to Equity Applicants including nearby Palm Springs, Long Beach, and Los Angeles.

The City should consider maintaining funds to assist Equity Applicants in paying State regulatory fees.

RECOMMENDATION: Assistance Securing Capital Investments through financial facilities.

The City should consider leading regional efforts with the State Treasurer to provide more opportunities for applicants to access banking services through Coachella Valley credit unions so that they may serve as a resource to local operators.

Technical Assistance

Multiple barriers to cannabis business ownership or employment and entry into CSEP exist currently, including business planning, operations, and awareness of available resources.

RECOMMENDATION: Leverage Existing Resources

The learning curve to starting a new business is steep, no matter the venture. Though many locales offer business classes, personalized coaching, and contracting

[23] City of Oakland, Loan & Grant Program Elevate Impact Oakland, https://www.oaklandca.gov/services/elevate-impact-oakland-loan-grant-progam#equity-loan-grant-programs

specialized work, the target audience for CSEP likely cannot afford paying for these services and approach business ownership at a disadvantage.

Cannabis businesses have additional layers of technical expertise needed, including closely held industry practices, techniques, and networks of support. Additionally, compliance with local and state regulation is a complex process that requires specialized expertise.

Therefore, The City should consider creating a partnership with Coachella Valley Small Business Development Office and/or SBA Small Business Administration and steering Equity Program participants in need of business technical assistance and mentorship to services currently available. The City can decide to contract for services directly on as-needed basis available for all CSEP recipients or can include costs of any fees, course tuition, or coaching expenditures as allowable expenses for Equity Applicants.

Coachella Valley Small Business Development Office offers the following consultation services[24]:

- **Marketing** including audience segmentation, pricing strategy development, digital marketing strategy development, branding development, and public relations.
- **Funding** including loan packaging assistance, bank plan preparation, and connection to a network of more than 100 funding institutions.
- **Management** including accounting, financial strategy development, creating operations benchmark goals, cash flow management, and technology optimization.
- **Business Planning** including lease negotiation, business plan development, business formation, and permit guidance.

RECOMMENDATION: Hire additional City personnel with industry experience

The need is clear for direct technical assistance, support navigating the city and state regulatory systems, and insight into cannabis industry in Coachella Valley. In response to that need, The City should consider creating a full-time position with cannabis business-related experience within the department to manage technical assistance, entrepreneurship and workforce services, community outreach, and stakeholder engagement.

RECOMMENDATION: Streamline the City's compliance process

Legal and regulatory compliance includes a myriad of requirements, many of which are specific to cannabis-related business. In emerging cannabis markets, such as California's, the complex and fluctuating systems of government create a significant barrier to Equity Applicants. As the cannabis regulatory structure in California

[24] Orange County Inland Empire SBDC Network, Coachella Valley SBDC https://ociesmallbusiness.org/coachella-valley/

matures, requirements for operations, grow locations, environmental controls, monitoring product tracking, liability insurance, and cultivation and testing standards, among others, will fluctuate. These barriers are compounded for entrepreneurs and disadvantaged populations that may have not owned or operated businesses under highly regulated conditions involved in legal cannabis.

Therefore, as part of a long-term strategy The City should consider simplifying the compliance process for all applicants, so individuals are knowledgeable about expectations and are prepared to meet them. A simpler compliance process can include:

- Creation of a step-by-step toolkit or road map from initial application to a business opening its doors. A comprehensive and categorized process guide will help all cannabis business owners understand the sequence of steps to be taken, regulatory and legal requirements to expect, and resources needed to accomplish the applicant's goal.

- Create publicly available compliance check lists for specific cannabis businesses that include compliance requirements from both Coachella and California. This should include a calendar of compliance activities and associated fees (i.e. initial permitting officer checks, annual lab testing, 5-year employee certifications).

- Fast track the local permitting process that involves communication between land use development office, City Council, and business owner (as noted in the Permitting Recommendations in this report).

Coachella Valley Stakeholder Outreach

A significant barrier to transition from an illicit to a legal cannabis market lies in distrust in government to act in the community's best interest. The role of government is to serve, protect, and ensure healthy futures for its citizens. In order to do so, government must understand the current climate surrounding cannabis, legalization, and the role of equity in this work. The ambiguity surrounding cannabis business ownership and the lack of awareness of CSEP resources, particularly for those that have been victimized by those enforcing government laws, must be addressed through transparent engagement, communication, and targeted outreach.

To establish a thriving local and legal market, The City must consider the regional context in which it operates. The City of Coachella resides in an economically diverse valley, which includes rural agricultural lands, tourist centers, and resort communities, and low-income residential areas. While few cities in Coachella Valley have allowed legal cultivation and sales, the regional competition for retail sales is high- primarily in the Palm Springs saturated market. Coachella's unique offerings present viable a niche and specialized opportunities. Coachella itself has relatively low tourism rates compared to some of its neighboring cities, but the popularity of the annual Coachella music festival brings significant brand cache. Additionally, the availability of cultivation and processing land and facilities could foster a thriving growers market, if infrastructure issues are addressed. The City could

likely find great success pivoting to facilitation of a cultivation and processing hub in Coachella that feeds neighboring Palm Springs' and Desert Hot Springs' retail market. A regional coordination approach can ensure a mutually beneficial and thriving marketplace that supports local employment and increased tax revenue from land ownership and industry fees.

RECOMMENDATION: Create Formal Relationships: Task Force Membership

Establishing regional coordination can support The City's goal of creating a thriving market led by Equity Applicants and entrepreneurs. Therefore, The City should establish a Coachella Valley Task Force inclusive of representatives from regulatory, governmental, legal, industry, and social equity eligible participants to craft a regional plan for cannabis business and regulation. Coordination amongst these groups can reduce competition amongst municipalities through negotiation of similar tax rates, applicant requirements, and zoning for specialized business.

RECOMMENDATION: Create & Support Informal Relationships

Creating relationships built on trust between government and BIPOC communities remains essential. The additional strain of stigmatized cannabis use and lack of access to legal business ownership by those victimized by the War on Drugs creates an environment that can drive individuals to remain in the illicit market rather than the regulated market. To increase access to the legal marketplace, build awareness of CSEP, and demystify regulatory schemes, The City should consider prioritizing creation of informal relationships such as listening sessions or Town Hall meetings between The City and a stakeholder group that includes equity-eligible community members. Increased communication with stakeholders can build trust in government, strengthen policy that reflects consumer and business needs, and ensure effective regulation of a legal market.

Public Awareness & Education

Interviews with existing Cannabis Social Equity Program participants and data from the City of Coachella community survey revealed that the broader community, and potential applicants to the CSEP, were unaware of the existence of the program or the added value the program could provide. Indeed, many current CSEP participants could not recall how they learned about the program except, "through a friend", nor were they aware that additional resources were available to them through The City.

RECOMMENDATION: De-stigmatize Cannabis Business Ownership

The City should consider a public outreach and education campaign to de-stigmatize cannabis business ownership. After decades of the War on Drugs, cannabis remains stigmatized. Hispanic adults are less likely than their peers to engage in cannabis business ownership due to lack of access to reliable information about the health and legal impacts of cannabis consumption, decades of over-policing of minority communities, and lingering stigma about cannabis consumption or business ownership. As a result, Hispanics are less likely to engage in information seeking or

business licensure in this industry. A public education campaign to de-stigmatize cannabis business ownership targeted to Hispanic business owners and entrepreneurs is needed for CSEP to attract successful applicants.

RECOMMENDATION: Public Education Campaign
The City should consider a public outreach and education campaign to communicate the value of cannabis business and CSEP to the community at large. Cannabis business, and particularly businesses owned, operated, and staffed by Coachella residents and individuals disproportionately impacted by the War on Drugs could increase local employment rates, increase land ownership and subsequent tax revenue, increase generational wealth among lower income populations, and reduce cycles of poverty amongst families of formerly-incarcerated individuals. Currently, the residents of Coachella are unaware of the benefits of CSEP has the potential to bring to their families and communities.

If additional funding is secured to continue and expand CSEP, the array of available resources for cannabis entrepreneurs should be included in the campaign messaging.

Community Reinvestment

Communities that have been disproportionately impacted by the War on Drugs and over-policing bear long term impacts including neighborhood disorganization, low neighborhood attachment, decreased generational wealth, decreased lifetime earnings, discrimination in the workforce, and a number of other individual, family, and community impacts. Decades of these impacts result in a dearth of community and personal resources to support healthy environments and families. Community reinvestment programs from cannabis revenue provide targeted funding to address this disparity and support thriving communities.

RECOMMENDATION: Community Benefit & Business Equity Plan
The City should consider requiring or incentivizing inclusion of a Community Benefit Agreement for all cannabis business applicants to include an Equity Plan and strategy to benefit local community organizations. A Community Benefit Agreement can include:

- Noise and odor mitigation strategies to promote good relations with existing neighboring businesses.
- Environmental stewardship plans for indoor cultivation operations including water conservation, electricity conservation, and greenhouse gas emission mitigation procedures.
- Local neighborhood or community letter of support
- Equity Plan inclusive of local hire commitments, workforce development criteria, and partnerships with local community organizations that serve populations disproportionately impacted by the War on Drugs. Examples include:

- Commitment to hiring 50% of employees from Coachella, including formerly incarcerated individuals.
- Commitment to requiring annual workforce training for employees, to include Responsible Vendor Training, attending College of the Desert workshops, certifications from "Oaksterdam" or other cannabis training providers.
- Sponsoring local community events: Hidden Harvest food drives, Coachella Valley Boxing Club or Soccer League fundraisers, or local faith organization events.

RECOMMENDATION: Seek funding from the Governor's Office of Business and Economic Development community reinvestment grants program.

RECOMMENDATION: Creation of a Community Reinvestment Fund for grants to Coachella community organizations that address priority social equity concerns. Illinois offers a similar community reinvestment approach, earmarking 20 percent of tax funds for mental health and substance abuse programs, and 25 percent to treatment and recovery programs. Examples of Coachella fund recipients could include, but are not limited to:

- Organizations that support re-entry programs for incarcerated individuals.
- Organizations that increase legal, medical, education, or financial access to low-income individuals.
- Organizations that support the families of agricultural workers, including those in the cannabis industry.
- Organizations that address root causes of systemic racism, poverty, and stigma.
- Organizations that increase positive community norms, neighborhood attachment, and school achievement success.
- Organizations that increase positive youth development or substance abuse disorder prevention.

Effectiveness & Accountability Measures

Effectiveness and accountability measures should be included in any City or State initiative to better understand the impact, success, and economic impact of the program as well as inform future development through the identification and management of barriers or constraints. Common measures include qualitative and quantitative data. Quantitative data often includes: number of equity applicants, number of equity awards, amount awarded, number of businesses successfully launched, number of new jobs created, application response times between submission and approval, economic impact of new industry to The City, and population growth due to local industry enticement. Qualitative data often includes: quality of technical assistance as various stages of business development, launch, and growth; quality of business plans presented to CSEP; business acumen of Coachella entrepreneurs; impact of community reinvestment and engagement; perception of access to city support services; and perception of navigability of compliance process. Many of these

measures take years to see progress, but baseline measures are essential to capture at the outset.

RECOMMENDATION: Facilitate quarterly or annual meetings among CSEP Grant Recipients to gather baseline data

The City should consider facilitating a meeting, no less than annually, of CSEP grant recipients to network, learn, engage, and provide meaningful feedback for CSEP to ensure program success. Meeting structures could range from small, private learning communities to support local business knowledge or a large, public summit with regional cannabis and business leaders.

RECOMMENDATION: Require Report from CSEP Grant Recipients to gather baseline data

The City should consider an annual financial and business report from CSEP grant recipients for three years from initial funds distribution to ensure good fund stewardship. The report should include:

- Ownership status of business (if applicable),
- Demographic data on program recipients, including staff (if applicable)
- Progress update on individual applicant goals, including license status (if applicable)
- Financial statement to include investor and/or matching funds (if applicable),
- Business plan projection,
- Indication of need for additional City or State support.

RECOMMENDATION: Create Strategic Data Plan to measure effectiveness of CSEP

In order to measure effectiveness and analyze the outcomes of CSEP, data must be gathered at regular intervals. We have included a number of sample measures which correspond with report recommendations to create a comprehensive picture of the impact of equitably owned cannabis business and CSEP effectiveness in Coachella.

The CSEP Measures section includes data specific to Coachella Social Equity Program which can be collected through engagement with Equity Applicants and internal data tracking. Measures one (1) through six (6) are accountability indicators of appropriate use of social equity funds. Measures seven (7) through seventeen (17) correspond to recommendations made in this report. As recommendations are adopted, the corresponding measurement should be as well.

The Industry Measures section includes data specific to cannabis-related business that are either required to be reported to the State or could be included in local business surveys. These measures indicate the relative health of the cannabis marketplace, with a focus on equity indicators including impact on local

employment, adequate employee compensation, and additional outside investment brought to The City.

The Community Level Measures include a more sophisticated analysis of the broader social impact that cannabis business may have on Coachella. Measures include long term impacts on economic growth, employment, and associated harms ascribed to a mature cannabis market.

Appendix B – Community-wide Survey

Survey Questions[25]

1. Are you a resident of the City of Coachella?*
    a. Yes
    b. No
2. Did you attend the Coachella Cannabis Business Virtual Event on 5/20/2021?*
    a. Yes
    b. No
3. What are the top barriers you see for participating in the legal cannabis market?
    a. Ability to secure financing.
    b. Finding a location for my business.
    c. Competition.
    d. Application timeline.
    e. Knowledge of regulations.
    f. Other (please specify)
4. What goals do you believe a cannabis social equity program should have?
    a. Help equity applicants own cannabis businesses.
    b. Promote non-ownership employment opportunities.
    c. Reinvest in the community.
    d. Expunge previous cannabis-related criminal records.
    e. Other (please specify)
5. What types of services would be most useful in a social equity program?
    a. Investment assistance.
    b. Business management training.
    c. Application assistance.
    d. Other (please specify)
6. Have you heard of the Cannabis Social Equity Program in Coachella?*
    a. Yes
    b. No
7. Do you believe you would qualify for the program?
    a. Yes
    b. No
    c. I'm not sure.
8. Are you interested in learning more about the Cannabis Social Equity Program in Coachella?*
    a. Yes
    b. No
9. Is there any additional feedback about the Cannabis Social Equity Program you would like to provide?

[25] Questions marked with an * were required to be answered.

Demographic Questions (optional)

10. How old are you?
    a. Under 18 years old
    b. 18 – 25
    c. 26 – 35
    d. 36 – 45
    e. 46 – 55
    f. 56 – 65
    g. 66 years or older
11. What gender do you identify as?
    a. Male
    b. Female
    c. Other
12. Are you Hispanic?
    a. Yes
    b. No
13. How would you best describe yourself?
    a. American Indian or Alaska Native
    b. Asian
    c. Black or African American
    d. Native Hawaiian
    e. Pacific Islander
    f. White
    g. Other (please specify)
14. What is your current employment status?
    a. Employed
    b. Self-employed
    c. Out of work and currently looking.
    d. Out of work and not currently looking.
    e. A homemaker
    f. A student
    g. Military
    h. Retired

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Cástulo R. Estrada

SUBJECT: Adopt Resolution No. SD-2021-06 Authorizing the Collection of Residential Sanitary Sewer Rates for Fiscal Year 2020/2021 Through the County of Riverside Tax Roll

---

STAFF RECOMMENDATION:

Adopt Resolution No. SD-2021-06 Authorizing the Collection of Residential Sanitary Sewer Rates for Fiscal Year 2020/2021 through the County of Riverside Tax Roll

EXECUTIVE SUMMARY:

On June 10, 2015, the Board adopted Resolution No. SD 2015-04 which approved the placement of the sewer charges on the Riverside County tax roll. On February 28, 2018, the Board approved Ordinance No. SD-06 adopting new or increased rates for its sewer charges commencing July 1, 2018.

Each single family residential parcel in the City that receives sewer service shall each year pay the City a charge to fund operation, maintenance, and capital costs associated with the city's sewer system. This Sewer Charge shall remain in effect until repealed or modified by Ordinance of the Board.

For Fiscal Year 2021/2022, 6,683 parcels are currently eligible for the sewer service charge for a total preliminary levy amount of $3,988,949.04. The rates in effect for the Fiscal Year 2021/2022 are 4.0% higher than the rates for Fiscal Year 2020/2021, as authorized under Ordinance No. SD-06.

Residential sewer charges are collected across the Coachella Valley on the County Tax Roll by all agencies providing service: Coachella Sanitary District, Valley Sanitary District, which also serves a portion of Coachella, Coachella Valley Water District and the City of Palm Springs.

Attached to this item is the Fiscal Year 2021/2022 preliminary sewer charge roll.

FISCAL IMPACT:

No Fiscal Impact

RESOLUTION NO. SD-2021-06

RESOLUTION OF THE BOARD OF DIRECTORS OF THE COACHELLA SANITARY DISTRICT, CALIFORNIA, AUTHORIZING THE COLLECTION OF RESIDENTIAL SANITARY SEWER RATES FOR FISCAL YEAR 2021/2022 THROUGH THE COUNTY OF RIVERSIDE TAX ROLL, AT THE SAME TIME AND MANNER AS GENERAL TAXES.

WHEREAS, Coachella Sanitary District (District) is a sanitary district duly organized and existing under and pursuant to the Sanitary District Act of 1923, Park 1 of Division 6 of the California Health and Safety Code (the "Act"); and

WHEREAS, June 10, 2015, the Board of Directors of the Coachella Sanitary District, pursuant to California Health and Safety Code Sections 5473 *et seq.*, adopted an ordinance by two-thirds vote of the District revising its Municipal Code to allow for the collection of such residential sanitary sewer charges on the tax roll, in the same manner and at the same time as general taxes;

WHEREAS, pursuant to California Health and Safety Code Section 5473 *et seq.*, a written report (the 'Report'), a copy of which is attached hereto and by this reference incorporated herein, has been filed with the Secretary of the District describing each parcel of real property subject to said sanitary sewer rate charges and the amount of said sanitary sewer charges to be imposed thereon for Fiscal Year 2021-2022; and

WHEREAS, the District has caused notice of the filing of the Report to be published and has given notice of the hearing to consider such Report in accordance with California Health and Safety Code Section 5473.1; and

WHEREAS, the District has determined to adopt the Report and collect said sanitary sewer charges on the tax roll, which sanitary sewer charges shall constitute a lien against the parcels or parcels of land described in the Report in accordance with California Health and Safety Code Sections 5473 *et seq.*

NOW, THEREFORE, BE IT RESOLVED, BY THE BOARD OF DIRECTORS OF THE COACHELLA SANITARY DISTRICT, COACHELLA, CALIFORNIA, AS FOLLOWS:

Section 1. The above recitals are true and correct.

Section 2. The Board of Directors of the Coachella Sanitary District hereby adopts the Report as presented.

Section 3. The Secretary is hereby directed to file a copy of the Report with the Riverside County Recorder's Office, together with a statement endorsed thereon over his/her signature that the Report has been adopted by the Board of Directorsl and shall request that said sanitary sewer charges and utility users tax be entered against the respective lots and parcels of land as they appear on the current assessment roll pursuant to California Health and Safety Code Sections 5473 *et seq.*

PASSED, APPROVED and **ADOPTED** this 28th day of July 2021.

I. OVERVIEW

A. INTRODUCTION

The Coachella Sanitary District is a sanitary district duly organized and existing under and pursuant to the Sanitary District Act of 1923, Part 1 of Division 6 of the California Health and Safety Code. On May 28, 2008, the Board of Directors of the Coachella Sanitary District (the "Board") adopted Ordinance No. 5 establishing the sewer charge pursuant to Article XIIID, section 6(a). The City Council adopted Chapter 4.10 of the Coachella Municipal Code imposing an annual charge for sewer service to each parcel in the City. On June 10, 2015, the Board adopted Resolution No. SD 2015-04 which approved the placement of the sewer charges on the Riverside County tax roll. On February 28, 2018, the Board approved Ordinance No. SD-06 adopting new or increased rates for its sewer charges commencing July 1, 2018.

Pursuant to section 5473 of the Health and Safety Code, this report is a yearly requirement, which contains a description of each parcel subject to the sewer charge and the amount of the charge for each parcel for the fiscal year. It shall be on file with the City Clerk of the City of Coachella and available for public inspection prior to the yearly noticed public hearing. At the conclusion of the public hearing, the City Council may adopt a resolution confirming the sewer charges for the fiscal year.

II. DESCRIPTION OF THE DISTRICT

A. DISTRICT INFORMATION

Currently, the City owns and operates a wastewater collection and treatment plant. The District provides sewer service to approximately 7,000 customers. Monthly rates for sewer service charges charged to system users are the primary source of revenue to operate the sewer system. Sewer service charges fund costs related to system operations, maintenance, capital projects, debt service, administration, as well as costs related to prudent long-term operational or financial management of the utilities, such as maintaining adequate fund reserves and planning for contingencies. Revenues received from sewer service charges are used solely to fund the sewer enterprise.

The existing rates for sewer service charges are based on a comprehensive rate study prepared by an independent consultant. The City of Coachella will annually review revenues and expenditures for the sewer fund to ensure that sufficient and appropriate revenues are collected to effectively provide for the short and long-term sewer service needs of the community. Any new or increased charges above the previously approved rates and levied by City Council are subject to the procedural requirements of Article XIIID.

III. ANNUAL CHARGE

A. CALCULATION OF SEWER CHARGE

Each single family residential parcel in the City that receives sewer service shall each year pay the City a charge to fund operation, maintenance, and capital costs associated with the city's sewer system. This Sewer Charge shall remain in effect until repealed or modified by Ordinance of the City Council.

The Fiscal Year 2021/2022 charges for each customer class are as follows:

Class	Number of Units	Monthly Charge per Unit
Single Family Residential	1	$49.74

This land use is assessed 1.0 unit per lot or parcel. Each parcel's customer class is determined by its assigned land use code per the records of the County of Riverside. The sewer service charge imposed on single family property is applied to and collected annually on the County property tax bill.

B. PRELIMINARY LEVY 2021/2022

The following table shows the preliminary number of parcels that can be levied along with the preliminary levy amount for Fiscal Year 2021/2022.

District	Number of Parcels Levied	2021/2022 Preliminary Levy
Sewer Charge Ordinance	6,683	$3,988,949.04

For Fiscal Year 2021/2022, 6,683 parcels are currently eligible for the sewer service charge for a total preliminary levy amount of $3,988,949.04. The rates in effect for the Fiscal Year 2021/2022 are 4.0% higher than the rates for Fiscal Year 2020/2021, as authorized under Ordinance No. SD-06.

C. PRELIMINARY SEWER CHARGE ROLL

CITY OF COACHELLA
PUBLIC HEARING NOTICE OF
SANITARY SEWER RATE CHARGES
TO BE PLACED ON THE RIVERSIDE COUNTY TAX ROLL

This meeting will be conducted by teleconference as provided in the meeting agenda and in-person with public access at Coachella City Hall, Council Chamber 1515 Sixth Street, Coachella, CA.

NOTICE IS HEREBY GIVEN that the Coachella Sanitary District proposes to place Fiscal Year 2021/2022 Residential Sanitary Sewer rate charges on the Riverside County tax roll for the forthcoming fiscal year. A report describing each parcel subject to the charges, and the proposed assessments to be imposed on such parcels, has been filed with the City Clerk and is available for review; residential sanitary sewer rates are available for review on the city's website www.coachella.org.

On Wednesday, July 28, 2021, the City Council will hold a public hearing to receive public comments, hear and consider all testimony at the City of Coachella Council Meeting. Written comments can be submitted by email cityclerk@coachella.org or by leaving a message at (760) 262-6240 before 6:00 p.m. on the day of the meeting. Comments will be read into the record.
Said meeting will be available to the public live through the City's website at www.coachella.org.

Questions regarding the public hearing or the Fiscal Year 2021/2022 Residential Sanitary Sewer assessments should be directed to the Utilities Manager at (760) 501-8100.

STAFF REPORT
7/28/2021

TO: Honorable Mayor and City Council Members

FROM: Maritza Martinez, Public Works Director

SUBJECT: Adopt resolution authorizing the collection of residential solid waste rates for fiscal year 2021/2022 through the County of Riverside Tax Roll, at the same time and manner as general taxes, and approve fiscal year 2021/2022 Solid Waste Rates.

STAFF RECOMMENDATION:

Adopt resolution authorizing the collection of residential solid waste rates for fiscal year 2021/2022 through the County of Riverside Tax Roll, at the same time and manner as general taxes, and approve fiscal year 2021/2022 Solid Waste Rates.

BACKGROUND:

The City of Coachella entered into a franchise agreement with Burrtec Waste and Recycling Services (Burrtec) in May 2006. Since 2006, Burrtec has been the provider for all solid waste disposal services for Coachella residents and businesses. City Council approved a first amendment to this agreement on May 27, 2009, which established the solid waste charges for residential customers would be collected through the county tax roll; commercial customers continue to be billed directly by Burrtec. City Council approved a second amendment on June 19, 2013 extending the term of the agreement through May 30, 2023 and third amendment was approved on January 17, 2018.

DISCUSSION/ANALYSIS:

The agreement allows for rate increases based on two components of the rate 1) service component and 2) disposal component. The proposed rate increase is based on the following increases to those two components and includes a second monthly street sweeping service cost:

1) 10.8% increase to the service component
    a. (based on increased published Consumer Price Index and includes the additional second monthly street sweeping service)
2) 17.7% increase to the disposal component

The current monthly residential rate is $24.59. The proposed increase to the 2021/22 residential rate total $3.58; the new proposed residential rate is $28.17. As approved by voters on June 8,

2010, this rate is subject to a 5% Utilities Users Tax, which will bring the monthly charged rate to $29.58.

The most common commercial service is a three-yard cubic bin, with one pick up per week. Currently, the commercial rate for this service is $137.16. Based on the same factors noted above, the increase for fiscal year 2021/2022 totals $14.13; the new proposed rate for fiscal year 2021/2022 is $151.29. As noted above, a 5% Utility Users Tax will be applied to this monthly service, which will bring the rate for a standard three cubic yard bin, with one pickup per week, to $158.85.

Staff is recommending approval of the attached resolution approving the fiscal year 2021/2022 Solid Waste Rates and authorizing the collection of residential solid waste rates through the County of Riverside Tax Roll for fiscal year 2021/2022.

FISCAL IMPACT:

The recommended action will increase revenues in the general fund proportionate to the per component rate increase.

Attachment:
Resolution

RESOLUTION NO. 2021-50

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA APPROVING MUNICIPAL SOLID WASTE AND DISPOSAL SERVICE RATES FOR FISCAL YEAR 2021/2022 AND ADOPTING THE REPORT PROPOSING TO COLLECT RESIDENTIAL SOLID WASTE RATES ON THE TAX ROLL FOR FISCAL YEAR 2021/2022.

WHEREAS, California Health and Safety Code Sections 5473 et seq., authorizes the City of Coachella to adopt an ordinance by two-thirds of the City Council to collect solid waste rates on the tax roll, in the same manner and at the same time as the general taxes;

WHEREAS, on May 30, 2006, the City Council has entered into a service agreement with Burrtec Waste and Recycling Services, LLC for the collection and disposal of residential and commercial waste within the City of Coachella;

WHEREAS, the City Council approved an amendment to the franchise agreement with Burrtec Waste and Recycling Services, LLC on May 27, 2009 authorizing to bill the residential customers for solid waste services through the County Tax Roll instead of monthly billing;

WHEREAS, July 8, 2009, the City Council of the City of Coachella, pursuant to California Health and Safety Code Sections 5473 *et seq.*, adopted an ordinance by two-thirds vote of the City Council revising its Municipal Code to allow for the collection of such solid waste charges on the tax roll, in the same manner and at the same time as general taxes;

WHEREAS, annual rates are adjusted to include any increases in the local CPI and County Waste Management Department;

WHEREAS, the service rates for fiscal year 2021/2022 have been included as Exhibit A to this Resolution.

NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF COACHELLA, CALIFORNIA, AS FOLLOWS:

1. The above recitals are true and correct.
2. The City Council of the City of Coachella hereby adopts the Report as presented attached as Exhibit B.
3. The City Clerk is hereby directed to file a copy of the Report with the Riverside County Recorder's Office, together with a statement endorsed thereon over his/her signature that the Report has been adopted by the City Council and shall request that said solid waste charges and utility users tax be entered against the respective residential lots and parcels of land as the appear on the current assessment roll pursuant to California Health and Safety Code Sections 5473 *et seq.*

PASSED, APPROVED and **ADOPTED** this 28th day of July 2021.
