**15. Approve Resolution 2022-101, Emergency Abatement for Hazardous Situation at 4201 7th Street NE.**

Assistant Fire Chief O'Brien gave an overview of the situation at 4201 7<sup>th</sup> Street NE and explained that the property owner is deceased and the property has been vacant. He stated it was brought to their attention that the water usage was very high and were able to find a distant relative that was able to go in and ensure the water was turned off but the City has not had regular contact with that individual since that time. He reviewed some of the issues that the City has dealt with such as a tree falling on the house, long grass, and various security issues. He stated that he had spoken with an attorney earlier today and found that they have finally filed for probate on the property and noted that he believed a representative for the property was online.

Mayor Márquez Simula asked if there was anyone on-line who has asked to speak.

Russell Stover explained that he was the uncle of the deceased individual, Martin Stover, who owned the house. He stated that he lives out of state and had applied for probate in August. He explained that he has a court date scheduled for February 7, 2023 and noted that he would not have the legal right to sell the house until a few weeks following that court date. He stated that he was at the property the week of November 2, 2022 and placed new locks on the doors, installed a security light in the back, and boarded up a few of the broken windows in the garage. He stated that he had also recently had all the brush cut back so the house is visible from the street. He explained that he wasn't sure what else he needed to do at this time.

Mayor Márquez Simula asked if it changed Assistant Fire Chief O'Brien's request now that he has heard from the lawyer and relative of the property owner.

Assistant Fire Chief O'Brien stated that because Mr. Stover cannot take legal custody of the home for a few months, his recommendation would still stand. He encouraged Mr. Stover to reach out to him so they can communicate about this issue and confirmed that the property is secure right now and everything that Mr. Stover listed off, has been done.

#### ITEMS FOR CONSIDERATION

**16. Resolution 2022-98, Conditional Use Permit to Allow Accessory Outdoor Storage at 660 39th Avenue NE.**

Community Development Director Aaron Chirpich introduced Planning Consultant, Bob Kirmis.

Bob Kirmis, NAC Consulting, gave an overview of the request by Bona Management for a Conditional Use Permit to allow for outdoor storage of vehicles in conjunction with automobile repair use at Din Auto. He explained that the vehicles to be stored outdoors would be those awaiting repairs or awaiting pick up after the repair work has been completed. He reviewed the site plan, zoning, permitted and conditional uses allowed in the district. He noted that this site is bordered on all sides by industrial uses with several of them also having outdoor storage. He stated that there will also be towing vehicles stored on the site as they are a component of the business operation. He reviewed the required conditions and staff recommendations related to outdoor storage; access; parking; signage; trash handling; and lighting. Staff feels this is a reasonable use of the property and, with conditions, will not negatively impact the surrounding properties. He stated that staff thinks this is a good step in regulating the use of the property and both staff and the Planning Commission recommend approval.

Councilmember Buesgens stated that she was happy to hear that they are cleaning up the back lot. She asked how the City would monitor compliance or if it would just be based on complaints.

Community Development Director Chirpich stated that the guardrails are put into place with this Conditional Use Permit, so, if a complaint is received or if the City has reason to believe that the conditions are being abused, then the City would seek to enforce at that

time. He stated that staff does not contemplate there being monthly check-ins and would only be enforced if there is an observable problem that arises. He noted that there has been a significant clean-up effort made by this new tenant.

*Motion by Councilmember Novitsky, second by Councilmember Murzyn, to waive the reading of Resolution 2022-98, there being ample copies available to the public. All Ayes, Motion Carried 4-0.*

*Motion by Councilmember Novitsky, second by Councilmember Murzyn, to approve Resolution 2022-98, a resolution approving a Conditional Use Permit for Accessory Outdoor Storage within the I-2, General Industrial District in the City of Columbia Heights, Minnesota. All Ayes, Motion Carried 4-0.*

**17. Approve Resolution 2022-105 Early Redemption of Taxable G.O. Housing Improvement Area Bonds, Series 2008A.**

Finance Director Joe Kloiber explained that this resolution kicks off the end of a 15 year project by the Sullivan Shores Townhomes Association. He stated that in 2008 they had widespread water damage and they reached out to the City for help coordinating their project to remedy that situation. He explained that they had the City issue bonds on their behalf, for a fee and noted that over the last fourteen years those bonds have been repaid by a special assessment on twenty-two of the townhomes. He stated that the assessments collected through 2022 are enough to pay off the future bonds at the end of the year. He explained that this is something that does not affect other taxpayers, property taxes, or the City budget, and is really a private transaction.

*Motion by Councilmember Murzyn, seconded by Councilmember Buesgens, to waive the reading of Resolution 2022-105, there being ample copies available to the public. All Ayes, Motion Carried 4-0.*

*Motion by Councilmember Murzyn, seconded by Councilmember Buesgens, to adopt Resolution 2022-105, being a resolution calling for redemption of Taxable General Obligation Housing Improvement Area Bonds, Series 2008A. All Ayes, Motion Carried 4-0.*

**18. Approve Resolution 2022-106 Appropriating \$600,000 of Existing Fund Balance for Use in the 2022 Budgets of the Governmental Operating Funds.**

Finance Director Joe Kloiber noted that staff is projecting that the original budget forecast for 2022 would be 1% over that can be attributed to the new employee pay scales following the City-wide compensation study, and much higher than expected workers compensation premiums. Staff is recommending increasing the legal level of the 2022 budget in the governmental operating funds by 3% to allow for any variance.

Councilmember Buesgens asked how much of an increase the City saw in the workers compensation premiums.

Finance Director Kloiber stated that between 2021 and 2023, the premiums tripled.

*Motion by Councilmember Buesgens, second by Councilmember Novitsky, to waive the reading of Resolution 2022-106, there being ample copies available to the public. All Ayes, Motion Carried 4-0.*

*Motion by Councilmember Buesgens, second by Councilmember Novitsky, to adopt Resolution 2022-105, being a resolution appropriating \$600,000 of existing fund balance for use in the 2022 budgets of the governmental operating funds. All Ayes, Motion Carried 4-0.*

## **CITY COUNCIL AND ADMINISTRATIVE REPORTS**

### **Report of the City Council**

Councilmember Murzyn noted that the Lions Club will hold their wrestling match at Murzyn Hall on November 19, 2022. He noted that the doors will open at 6:00 pm with the first match at 7:00 pm. The cost will be \$10 for adults and \$5 for kids.

Councilmember Buesgens noted that she had attended the Columbia Heights High School Alumni Foundation dinner and the Trunk or Treat event which was very well attended. She expressed her appreciation to the organizations and City staff who worked hard to make it a successful event. She stated that she also recently met U.S. Senator Tina Smith at an event in New Brighton. She explained that she was currently attending a Police Academy seminar where she was learning a lot of interesting information. She attended the MWMO Board meeting and the art gallery event at Homewood Studios and noted that they had displayed a work of art that Mayor Márquez Simula and Neil Granlund helped create from trash that was collected from the Mississippi River. She noted that she had also attended First Lutheran's Holiday Market.

Mayor Márquez Simula stated that since the last meeting she had met with some residents at the Hartlake Apartments, attended the Joint Law Enforcement Committee meeting in Blaine, the Trunk or Treat event, volunteered with Heights Next, attended the alumni dinner for the school at Jax Café. She noted that she had also had an awesome Bavarian dinner at St. Matthews Church, attended the Lions Halloween dance, and a wedding at Silverwood Park. She stated that she attended the Charter dinner, the Youth Commission meeting, a Public Safety meeting with other mayors, and the Community Ed Advisory Council meeting. She stated that, as Councilmember Buesgens shared, she was able to work on a piece of artwork created from the trash collected from the Mississippi River. She stated that if people are interested in seeing the piece, it can be viewed at Homewood Studios in North Minneapolis.

### **Report of the City Manager**

Manager Bourgeois stated that the City has gotten a lot of calls regarding yard waste and noted that yard waste should be collected throughout the entire City by the end of the week. She encouraged people to put out their bags and noted that even though there is snow on the ground, the bags will still be picked up. She noted that there were some missed pickups last week and customers will receive rebates for those zones, but noted that because of billing, they will not see them until February 2023. She stated that there were residents who came to talk about Gould Avenue and Peters Place at the last Council meeting and asked Public Works Director Hansen to update the Council.

Public Works Director Kevin Hansen gave an overview of his understanding of the concerns expressed by the residents at the last City Council meeting. He stated that following the Council meeting, he went back and revisited the area and asked the Assistant City Engineer to take a look at the condition of the roadways. He stated that, in terms of impacts from construction to those two roadways, for Gould Avenue, they do not really see any measurable or discernable impacts. He stated that for Peters Place, it does make sense to put No Parking signs up at the alley but was not sure if they had been installed yet. He stated that the only area that can be in question, from the City's perspective, is the 90-degree bend on Peters Place, so they will go back and fix that in the spring. He noted that they had checked aerial photos from 2011, 2019, and 2021 which clearly indicate a slow aging of the roadway in the type of distress that is there. He stated that the other thing they are seeing in this location is something that they are seeing throughout the City which is sealcoat stripping. He noted that this is an issue that they are seeing throughout the metro area and is part of the reason that they are not proposing sealcoating as part of their maintenance activity moving forward.

### COMMUNITY FORUM

At this time, individuals may address the City Council in a respectful manner. Individuals should address their comments to the City Council as a whole, not individual members. Speakers that are in person are requested to come to the podium. All speakers need to state their name and connection to Columbia Heights and limit their comments to five (5) minutes. All speakers are also asked to fill out this information as well as their address on a form for the Council Secretary's record. Those in attendance virtually should send this information in the chat function to the moderator and make sure to turn on their video and audio when they address the Council. The City Council will listen to brief remarks, ask clarifying questions, and if needed, request staff to follow up or direct the matter to be added to an upcoming agenda. Generally, the City Council will not take official action on items raised at the Community Forum at the meeting on which they are raised.

Ed Higgins stated that it was cold last night and the landlord for his neighbors at 4401 Jefferson did not fix their heat, so they have been without heat for two days. He stated that a child from that residence came over and asked if they could borrow his heater and when he went over to their house, he found that they had been heating the house with the stove. He stated that the 'Wall Street' landlords are not helping the people in the community and explained that this is the same landlord that got their permits taken away and then had to work to get them fixed. He stated that he was unsure what the City can do about this but reiterated that this was day two of this family having to use a heater to heat their whole house.

Mark Veronikas stated that Public Works Director Hansen had stated that there was just normal wear and tear on the roads near his home. He explained that there were cement trucks that were lined up on the road getting ready to go to the construction project and it destroyed the whole side of the road. He stated that the City had to come out and put in a new curb in that section because the road literally sunk in from the trucks sitting there. He stated that he would disagree with the statement that this was just normal wear and tear. He stated that there are weight limits on the roads of 15,000 and a fully loaded cement truck is 65,000 pounds and explained that they just wanted this information to be on the record.

Paul Edner stated that he also wanted to make sure that his comments were on the record and stated that there were many more concerns than the few shared by Mr. Veronikas. He stated that Mayor Márquez Simula was going to visit the new center and see the drop off and noted that there is still a rope that is blocking off part of the sidewalk. He stated that he feels that people will be falling off it and children will skateboard off of which is right into the curb near the parking for the City Council. He noted that he also believes that there is a lot of wear and tear on the streets that was due to two years of trucks constantly lifting tons of materials. He explained that his goal is to make sure that there is not another ancillary addition to his taxes that make him pay for more road work when the roads had already been resurfaced within the last few years. He noted that there was also handicapped parking that was completely cut off because of the entry way and believes this will create more accidents. He stated that he believes some of the City planning needs to be looked at again.

<b>AGENDA SECTION</b>	<b>CONSENT AGENDA</b>
<b>MEETING DATE</b>	<b>NOVEMBER 28, 2022</b>

ITEM:	Approve the Classification of Tax Forfeit Property		
DEPARTMENT: Community Development		BY/DATE: Mitchell Forney, 11/17/22	
<div>CITY STRATEGY:</div> <div><div><div>_ Safe Community</div><div>_ Economic Strength</div><div>_ Equity and Affordability</div><div>_ Opportunities for Play and Learning</div></div><div><div>_ Diverse, Welcoming “Small-Town” Feel</div><div><u>X</u> Excellent Housing/Neighborhoods</div><div>_ Strong Infrastructure/Public Services</div><div>_ Engaged, Multi-Generational, Multi-Cultural Population</div></div></div>			

**BACKGROUND:**

The properties identified in the attached letter from Anoka County are currently going through the tax forfeiture process. As part of the process, the Anoka County Board of Commissioners has passed Anoka County Resolution 2022-118 classifying certain forfeit lands throughout Anoka County as non-Conservation. Non-Conservation classification means that the properties will not be held by the State once the forfeiture process is complete. Non-Conservation properties are typically sold at auction to the highest bidder. It is the City’s role during this process to approve the classification and sale of the properties located within Columbia Heights.

As part of the tax forfeiture process, the City is usually given the opportunity to purchase the tax forfeit properties. Of the four properties three had been repurchased prior to the city receiving a chance to purchase them. Community Development staff have deemed the last available parcel as impractical to acquire. The parcel in question is 25-30-24-32-0169 and is a section of sidewalk in front of the Grand central lofts office that was never replatted during the redevelopment. Staff reached out to Grand Central Lofts to notify them that the parcel is in forfeiture and that it is in their best interest to purchase and replat the parcel.

Resolution 2022-109 confirms the classification of the subject properties and allows Anoka County to coordinate the sale of the property with the State.

RE: 2022 Classification List for Tax-Forfeited Property

25-30-24-32-0169	26-30-24-24-0195
25-30-24-41-0028	36-30-24-32-0237

Dear Kelli,

Enclosed you should find the following:

- A. Resolution #2022-118 dated September 27, 2022, classifying certain forfeit lands in Anoka County.
- B. A classification and sale approval form listing the lands classified in Resolution #2022-118 that lie within your jurisdiction, which is to be signed, sealed and returned to the county along with a copy of the motion or resolution of your governing body approving the classification and sale.
- C. A form for the forfeit parcels shown on the list of forfeit lands in your jurisdiction to help us analyze and appraise the parcel. We ask that you complete and return these form(s) to the county. If the parcel has already been acquired or repurchased, we do not need this form.
- D. A verification of special assessments form(s) that is to be completed, signed, sealed and returned to the county.

Chapter 282.01, Subdivision 1, of the Minnesota Statutes requires that the town board or governing body of a municipality must approve the classification and sale of forfeit parcels that lie within their jurisdiction. If disapproval of any parcel is not made within 60 days from the date of this letter, it is deemed that the town board or governing body has approved the classification and sale.

If the town board or governing body desires to acquire any parcel lying within the boundaries of the municipality, it shall, within 60 days of the request for classification and sale approval, file a written application with the county board to withhold the parcel from sale. The county board will then withhold the parcel from sale for six months.

If the town board or governing body fails to acquire the property within the withholding period, the county may offer it for sale upon expiration of the withholding period.

A municipality or township will have to pay maintenance costs incurred by the county (if any) during the six months the property is withheld from public sale, and if the parcel is not offered for public sale after the six-month period.

All parcels on the list are still within the repurchase period. If you desire to acquire any parcels still within the repurchase period, you can file an application which can be acted upon at the appropriate time, assuming the county board does not allow repurchase of the parcel.

If you have any parcels in your packet that are shown as withdrawn under Chapter 282.018, you can apply to acquire them or approve their sale, but a special bill will first have to be passed by the legislature before they could be sold to anyone. That is assuming the Department of Natural Resources (DNR) will support the sale and not require them to remain in public ownership as forfeit land.

We would like to have all the form(s) and paperwork returned by December 27, 2022 .

Thank you in advance for your assistance. If you have any questions, please do not hesitate to call me at 763-324-1121.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kristie Olson".

**BACKGROUND:**

The Anoka County Joint Law Enforcement Council (JLEC) is a group comprised of Elected Officials and Chief Law Enforcement Officers from across Anoka County. Mayor Márquez Simula and Chief Austin represent Columbia Heights in this group.

The JLEC works on countywide projects that impact public safety and does so in the spirit of cooperation in an effort to provide cohesion in a cost-effective manner that benefits all municipalities with economy of scale. One important piece of the Anoka County JLEC that was passed years ago was a state statute that authorizes a Public Safety Levy that can be used by the Anoka County Board for public safety projects that the JLEC first approves. That Public Safety Levy is drawn out separately on tax statements but is part of the County's overall Certified Levy. When that statute was passed by the State of Minnesota (with some discussion), it was set to expire at the end of 2023. At the time of the creation of the statute, all of the Cities and Townships in Anoka County passed resolutions of support for the statute to the State of Minnesota.

As that statute is set to expire at the end of 2023, we have had discussions at JLEC and at the Anoka County Chiefs Association about keeping that statute in place. The statute doesn't dictate how much we levy, rather just authorizes the levy to occur for approved projects. The Public Safety Levy has been used for various large projects in the past with Countywide implications, including 800-megahertz two-way radio implementation and the Anoka County Public Safety Data System (which is our CAD dispatch system, records system, etc.).

## RESOLUTION NO. 2022-113

Resolution In Support of Anoka County Joint Law Enforcement Council's Renewal of  
Legislation for Future Public Safety Projects

**Whereas**, the Anoka County Joint Law Enforcement Council (JLEC), a joint powers board, was formed in 1970 to benefit the public safety of the citizens of Anoka County; and

**Whereas**, the JLEC has over five decades of experience successfully creating and managing shared services for its member communities.

**Whereas**, the City of Columbia Heights has actively participated in the JLEC through the participation of our chief law enforcement officer and our elected officials; and

**Whereas**, the safety of the public and police and fire personnel will be enhanced by improvements from future county-wide projects; and

**Whereas**, both residents of and public safety agencies in Anoka County have benefited from improved public safety, increased effectiveness, and resource conservation due to the resulting economies of scale provided by shared and consolidated services; and

**Whereas**, the JLEC desires to implement future shared public safety projects to help law enforcement, fire, jail, dispatch, and emergency preparedness agencies render the highest quality of public safety services to the populations they serve; and

**Whereas**, Minn. Stat. 383E.21 has authorized the County of Anoka to levy property taxes for public safety improvements and equipment, and to issue capital improvement bonds and capital notes for such public safety projects as are approved by the JLEC until Dec. 31, 2023; and

**Whereas**, members of the JLEC supports a legislative change to allow the use of the bonding and capital notes issuance authority, provided in Minnesota Statute 383E.21, to fund countywide public safety projects until Dec. 31, 2033;

**Now, Therefore, be it resolved** that the City Council of the City of Columbia Heights does with this action, support and endorse the extension of the existing bonding and capital note issuance authority under Minn. Stat. 383E.21 until Dec. 31, 2033; and

**BACKGROUND:** On January 10, 2022 the City Council authorized staff to seek bids for the Water Main Lining and Rehabilitation Project. The City Council previously authorized the design for structurally lining the following water mains in 2022:

- 37th Avenue from Central Avenue to Lincoln Street
- Pierce Street from 37th Avenue to the cul-de-sac
- Lincoln Street from 37th Avenue to the cul-de-sac

The water lining construction was completed in July 2022 and in advance of the 37<sup>th</sup> Avenue road reconstruction scheduled for 2023. In total, 3,735 feet of 6" cast iron pipe was lined. Twenty-three gate valves were replaced or installed and six hydrants were moved and replaced. The engineers proposed cost of the water lining project for 2022 was \$1,890,000.00. Fer-Pal Construction USA LLC submitted a bid of \$998,851.00. The lower-than-expected bid allowed for an additional 6" watermain in front of the new City Hall to be lined. The additional watermain lining from Gould Avenue to 40<sup>th</sup> Avenue along Central Avenue was approved by the council on May 23, 2022 at a cost of \$98,622.38. Additional costs were incurred outside the original scope of work for the project, and a second compensating change order is required for water service connections along Gould Avenue. The cost of that work is \$8,615.25. Federal money through the American Rescue Plan Act (ARPA) offset much of the cost for Pierce and Lincoln Streets and allowed the city to rehabilitate nearly twice as much watermain. The bid price allowed for additional lining along Central Avenue. The final payment due is \$146,227.94. The final contract cost of the project was \$1,065,759.50.

**STAFF RECOMMENDATION:** Staff recommends payment to Fer-Pal Construction USA LLC and acceptance of the work. The Engineer's Report of Final Acceptance is attached.

<b>RECOMMENDED MOTION(S):</b>
MOTION: Move to approve the final compensating change order and accept the work for 37 <sup>th</sup> Avenue Water Main Rehabilitation, City Project 2203, and authorize final payment of \$146,227.94 to Fer-Pal Construction USA LLC.

**Description of Changes:**

The following work for additions, changes, or modifications to the contract documents was requested:

- Item 1: Additional watermain lining and valve installation between Gould Avenue NE and 40<sup>th</sup> Avenue NE along Central Avenue NE

An additional section of 6" cast iron pipe was added to the contract. The watermain broke during the demolition of the Northeast Bank Building and was left off for two years. The line was included in the contract after receiving bids and determining the cost of replacement. The lining of the watermain along Central required Gould Avenue NE to be closed for a period of time, and additional cost for traffic control was also included in the change order. Item 1 was approved by the City Council on May 23, 2022, at the regular City Council Meeting.

Items 2-5: Move the water services for properties near the corner of Gould Avenue and Central Avenue

The service connections and water lines near the new valve locations on Gould Avenue needed to be moved. The water service lines were relocated east of the new valves and reconnected to the water main on Gould Avenue NE.

**BACKGROUND:** The current refuse hauling contract ends December 31, 2022. One item that is part of the Refuse plan previously reviewed with the Council replacement of the 16,300 carts currently owned by the City.

City purchased carts in the field from Advanced Disposal/Veolia in 2017. Most of those carts were manufactured in 2009. We also have several carts provided by Waste Management, but still owned by the City. So we have a mix of cart brands and cart ages currently in use on the street. In the 2018 Solid Waste Operating Policy it was a stated goal to purchase city "branded" carts for residential use and that goal was reaffirmed in the 2022 update.

The price of carts depends on:

1. The price of plastic resin at the time the carts are bid.
2. The size of the carts.
3. Special cart add-ons (e.g.: QR code for multi-language & instructions, four-color City logo, recycling instructions permanently imbedded in the lid, etc.).
4. The size of the cart order (volume discount).
5. Services accompanying cart purchase (assembly of carts, placement of carts at homes, removal of the old cart, construction of a database with the address, cart ID, education of customers, etc.).

Staff evaluated carts from four manufacturers. Staff is recommending carts from Rehrig-Pacific which are available from the cooperative purchasing organization, Sourcewell. The first year of the five year replacement program is for \$200,700 to purchase carts and extra parts this year for distribution starting early 2023. We will need to amend our current 2022 budget to accommodate this purchase. The cart lids colors will be based on the MPCA color scheme for solid waste lines i.e. black for trash, blue for recycling, and green for organics. We assume blue cart body with white logo print on the sides is acceptable, although black body carts have the highest recycle content. The plan will be to phase in city branded carts as the current carts wear out or are exchanged for various reasons (worst-first). Staff plans to have all carts switched out over five years or approximately 3,300/year.

---

**STAFF RECOMMENDATION:** Authorize a purchase contract with Sourcewell for the purchase of 3,000 Rehrig-Pacific carts at cost of \$200,700 total, including delivery. Funding will be provided by the Refuse Fund.

<b>RECOMMENDED MOTION(S):</b>
MOTION: Move to approve the purchase of 3,000 carts through the Sourcewell Cooperative Purchasing Contract at a price of \$200,000 with funding from the Refuse Fund 603, and amending the 2023 Refuse Budget in the amount of \$200,000 and, furthermore, to authorize the Mayor and City Manager to enter into a contract for the same.

ITEM:	Renew Annual Audit Contract with Redpath and Company for 2022 at \$52,500 and for 2023 at \$56,000

**BACKGROUND:**

The City has used the CPA firm, Redpath and Company, for its annual financial audit for more than 20 years. With the 2021 renewal of their contract, Redpath requested and received a base fee increase for the first time since the audit was last publicly bid in 2012.

When the 2021 increase was requested, the unprecedented inflation experienced throughout the economy in 2022 was unforeseen. Also, certain state and federal mandates requiring additional audit testing are first effective for 2022 and 2023. Most critically, the difficulties hiring staff that many businesses are experiencing is particularly acute right now within CPA firms. For these reasons, Redpath is requesting a significant increase to renew the audit contract for 2022.

The staffing shortage within CPA firms is causing an unprecedented reduction of services available compared to prior years. For example, the firm KDV is a primary competitor of Redpath in Minnesota. For many years, KDV has performed the separate annual audit required for the City's paid-on-call (POC) firefighter retirement fund. Due to staffing shortages, KDV has recently decided that they will no longer be performing any fire retirement fund audits. Due to staffing shortages, Redpath and Co. has also declined to take on any new fire retirement fund audits. At this time, it is uncertain how the City's POC firefighter retirement fund will obtain a 2022 audit by the June 30, 2023, statutory deadline. This is the case for a number of fire retirement funds in Minnesota as well.

Staff finds Redpath's work to be well-planned. Their client base, which includes many area cities, contributes to this good planning. Their in-depth prior knowledge of the City's finances provides a certain stability to offset the significant change experienced by the City when it implemented new accounting software in 2021 and 2022, and when it will move to a new city hall in 2023.

Although the requested 2022 fee increase is significant, staff estimates that:

- A. Based on the current market, there likely would not be a reasonable number of competitive responses received if a formal request for proposals was publicly issued at this point in the 2022 audit cycle.

- B. We cannot be sure how long this current CPA staffing shortage will last or if it will get even worse next year. To reduce the risk of a worse situation next year, it is advisable to condition the City's acceptance of the increased fee on extending the agreement for two years rather than just one year.
- C. The increased fee proposed by Redpath for 2022 and 2023 is likely not significantly different than the responses the City will receive when it does eventually publicly issue a formal request for proposals for 2024 during the large window of time provided by a two-year agreement for 2022 and 2023.

Proposed Redpath & Company Engagement Letter FY2022 and FY2023

November 18, 2022

Joe Kloiber  
City of Columbia Heights  
590 40<sup>th</sup> Avenue Northeast  
Columbia Heights, MN 55421

This letter defines the agreement with respect to the terms and objectives of our engagement and the nature and limitations of the services Redpath and Company, Ltd. and affiliated entities (herein referred to as Redpath and Company) will provide to the City of Columbia Heights, Minnesota for the years ended December 31, 2022 and December 31, 2023.

### **Audit Scope and Objectives**

We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, and the disclosures, which collectively comprise the basic financial statements of the City of Columbia Heights, Minnesota as of and for the years ended December 31, 2022 and December 31, 2023. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City of Columbia Heights, Minnesota's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City of Columbia Heights, Minnesota's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- Management's Discussion and Analysis
- Budgetary Comparison Schedules presented as RSI
- Schedule of Changes in the Total OPEB Liability and Related Ratios
- Schedules of Proportionate Share of Net Pension Liability
- Schedules of Pension Contributions

We have also been engaged to report on supplementary information other than RSI that accompanies the City of Columbia Heights, Minnesota's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements:

- Combining and Individual Nonmajor Fund Financial Statements and Schedules
- Schedule of expenditures of federal awards (if applicable)

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

- Introductory Section
- Statistical Section

The objectives of our audit are to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

We will also issue a report on compliance based on the *Minnesota Legal Compliance Audit Guide for Cities*, promulgated by the State Auditor pursuant to Minnesota Statute 6.65.

### **Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit**

We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; the provisions of the Uniform Guidance; and the minimum procedures for auditors as prescribed by Minnesota Statute 6.65, and will include tests of your accounting records, a determination of major program(s) in accordance with Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or noncompliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will also conclude, based on the evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of certain assets and liabilities by correspondence with selected individuals, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

### **Audit Procedures – Internal Control**

We will obtain an understanding of the entity and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

### **Audit Procedures – Compliance**

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City of Columbia Heights, Minnesota's compliance with the provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of our audit will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the City of Columbia Heights, Minnesota's major programs. For federal programs that are included in the Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on the City of Columbia Heights, Minnesota's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

The *Minnesota Legal Compliance Audit Guide for Cities* requires that we test whether the entity has complied with certain provisions of Minnesota statutes. Our audit will include such tests of the accounting records and other procedures as we consider necessary in the circumstances.

### Other Services

We will also assist with the following other services based on information provided by you:

- Preparation of the financial statements, the schedule of expenditures of federal awards and related notes in conformity with accounting principles generally accepted in the United States of America and the Uniform Guidance
- Preparation of pension related workpapers and journal entries
- Preparation of OPEB related workpapers and journal entries

These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the services defined above. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements, the schedule of expenditures of federal awards, and related notes, the other services listed above, and any other nonattest services we provide. You will be required to acknowledge in the management representation letter our assistance with the nonaudit services listed above, that you have reviewed and approved those services prior to the issuance of the financial statements, and that you have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

## **Responsibilities of Management for the Financial Statements and Single Audit**

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal statutes) rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the entity received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, or grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review upon the commencement of our audit.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received, and COVID-19 related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon or make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with accounting principles generally accepted in the United States of America (GAAP). You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you

believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

With regard to publishing the financial statements on your website, you understand that websites are a means of distributing information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information on the website with the original document.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

### **Engagement Administration, Fees and Other**

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the City of Columbia Heights, Minnesota; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Redpath and Company and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to oversight agencies, regulators, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for the purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Redpath and Company personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend or decide to distribute the copies or information contained therein to others, including other governmental agencies.

Unless additional work is requested or required, our fee for these services will be as follows:

	2022	2023
Financial audit, including copying and binding of ACFR	\$39,000	\$42,000
Increased audit scope as a result of new GASB pronouncements	3,000	3,000
Single audit (assumes one major program)	7,000	7,000
Nonaudit services related to GASB 68 and 75 disclosures/calculations	3,500	4,000
Total	\$52,500	\$56,000

Out-of-pocket costs, such as confirmation and courier fees, will be billed in addition to the fees stated above. We bill our fees monthly as work progresses and expect payment within thirty (30) days. Each invoice includes a detailed description of the services provided. Amounts over thirty (30) days will be considered delinquent. We reserve the right to assess a 1.5% per month service charge on any balance older than thirty (30) days. In the event it becomes necessary to refer this account to an attorney for collection (whether or not suit is commenced), you will be responsible for payment of all reasonable costs of such collections, including reasonable attorney fees. Our policy is to suspend work if your account becomes overdue by sixty (60) days or more, and work will not be resumed until your account is paid in full. Should we elect to discontinue services, you will be responsible for all time and expenses incurred through the date of termination regardless of whether we have issued a report or other final product.

The above fees are based on the anticipated scope of services, anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered. The following circumstances may result in a change in scope of services and an increase in fees:

- Significant audit adjustments, internal control deficiencies or compliance findings,
- New accounting standards,
- Failure to complete the preparation work by the applicable due dates,
- Inaccurate records,
- Turnover in your staff,

- Significant unanticipated or undisclosed transactions, issues, or other such unforeseeable circumstances,
- Delays causing scheduling changes or disruption of previously scheduled timing of work (fieldwork),
- Circumstances requiring revisions to work previously completed or delays in resolution of issues that extend the period of time necessary to complete the audit
- Fraud or misuse of public funds

Our fees do not include bookkeeping or accounting assistance, preparation of audit workpapers, reconciliations or similar assistance (unless otherwise noted in the sections above). Our fees for such services will be dependent on the level of effort required.

Services requested by you that are not included in this engagement letter will be billed dependent on the level of effort required and will be subject to all the terms of this letter.

Our fees and rates are adjusted annually for general economic factors.

If we are requested or required to provide documents or testimony to support litigation proceedings as a professional service on your behalf (that is, litigation in which we are not a party as a result of our engagement), you will be billed for our time at the current standard rates and all out-of-pocket expenditures, including copying costs and legal fees.

The 2023 engagement may be terminated by either party by providing notice by September 30, 2023. Changes in the scope of the 2023 engagement, if any, would be addressed via engagement letter addendum(s). Generally, scope changes involve significant changes in your operations or new accounting or audit standards. If such changes result in a scope change, fees would be updated via an engagement letter addendum.

### **Record Keeping Responsibilities**

The AICPA Code of Professional Conduct requires Redpath and Company to maintain our independence with regards to certain attestation services provided to the City of Columbia Heights, Minnesota. These rules require the City of Columbia Heights, Minnesota to take responsibility for all nonattest services. Redpath and Company cannot serve as custodian for your data in such a way that your data is incomplete and accessible only through Redpath and Company or the Redpath portal. As such, any financial report, reconciliation, document, and calculation (depreciation schedules, journal entries, etc.) that we prepare or update on your behalf will be sent to you at the completion of each attest or nonattest service. You are responsible for downloading and maintaining these records as well as all supporting documents generated in the normal course of business until the retention period expires.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by oversight agencies, regulators, or pass-through entities. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

### **Confidentiality**

We may from time to time, and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

### **Privacy**

We have established policies and procedures to ensure that the entity's non-public information is private and secure at all times. We maintain physical, electronic and procedural controls to comply with standards in safeguarding your information from loss, misuse, alteration or destruction (unless the destruction is according to our records retention schedule). We do not sell information to third parties. We do not disclose non-public information except as necessary to provide our services (see Confidentiality above) and as required by law. We do not disclose non-public information we receive to our affiliates unless authorized.

### **Dispute Resolution**

In the event of a dispute over fees for our engagement, the City of Columbia Heights, Minnesota and our firm mutually agree to try in good faith to resolve the dispute through mediation by selecting a third-party to help reach an agreement, in accordance with the following paragraph (Mediation). If we are unable to resolve the fee dispute through mediation, then, with the consent of both parties, such disputes may be settled by binding arbitration. We both acknowledge that should a dispute over fees arise that cannot be resolved through mediation, each of us is giving up the right to have the dispute decided in a court of law before a judge or jury. Instead, we are accepting the use of arbitration for resolution.

We believe that most disagreements can be resolved to mutual satisfaction in a friendly, non-threatening environment. While we do not expect there to be any problems whatsoever with our relationship, misunderstandings can occur. Therefore, we agree that any dispute arising under this agreement (including the scope, nature and quality of services to be performed by us, our fees or other terms of the engagement) shall be submitted to mediation. A competent and impartial third-party, acceptable to both parties, shall be appointed to mediate, and each disputing party shall pay an equal percentage of the mediator's fees and expenses. No suit or arbitration proceeding shall be commenced under this agreement until at least sixty (60) days after the mediator's first meeting with the involved parties. If the dispute requires litigation, the court shall be authorized to impose all defense costs against any non-prevailing party found not to have participated in the mediation process in good faith.

### **Non-Solicitation of Employees**

In recognition of the importance of our employees, it is hereby agreed that the City of Columbia Heights, Minnesota will not solicit our employees for employment or enter into an independent contractor arrangement with any individual who is or was an employee of Redpath and Company for a period of twelve months following the date of the conclusion of this engagement. If the City of Columbia Heights, Minnesota violates this non-solicitation clause, the City of Columbia Heights, Minnesota agrees to pay Redpath and Company a fee equal to 25% of the hired person's last annual salary at Redpath and Company at the time of violation so as to reimburse Redpath and Company for the costs of hiring and training a replacement.

### **Reporting**

We will issue a written report upon completion of our Single Audit and our audit of the City of Columbia Heights, Minnesota's financial statements which will also address other information in accordance with AU-C 720, *The Auditor's Responsibilities Relating to Other Information Included in Annual Reports*. Our reports will be addressed to the Honorable Mayor and Members of the City Council of the City of Columbia Heights, Minnesota. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that (1) the purpose of the report is solely to describe the scope of testing on internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will state that the purpose of the report on internal

control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to the City of Columbia Heights, Minnesota and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign this letter and return it to us via email.

Sincerely,

REDPATH AND COMPANY

**BACKGROUND:**

The City has received a request from Reuter Walton Development to issue additional tax-exempt bonds on their behalf to support the construction of their 62-unit affordable housing development that is currently under construction on the vacant City owned development site just north of the Public Safety building.

On June 22, 2021, the City Council approved Resolution 2021-53, a resolution which authorized the preparation and submission of a Housing Program to the Metropolitan Council and granted the preliminary issuance of multi-family housing revenue bonds (tax-exempt bonds) to finance the Reuter Walton affordable housing project in an amount not to exceed \$11,000,000. Thus, the City submitted the Housing Program to the Metropolitan Council and submitted an allocation application to the Minnesota Department of Management and Budget (MMB) requesting the tax-exempt bonds.

On January 11, 2022, the MMB notified the City that the Reuter Walton project was allocated tax-exempt bonds in the amount of \$9,886,000, and the City closed on the sale and completed the issuance of the initial series 2022A bonds on June 28, 2022. Subsequent to this allocation, Reuter Walton requested that the City submit a second application for an additional allocation to MMB in the amount of \$560,000. The second allocation request was approved by MMB on July 5, 2022, bringing the total allocation for the project to \$10,426,000. Because the original authorizing resolution, and Housing Program approved by the City in 2021 had a limit of \$11,000,000, the second bond allocation can be authorized under the authority of the initial approval. This means that rather than repeat the entire bond authorization process, the City can amend the original bond closing and sales agreements to include the second allocation. To this end, the City's public finance counsel at Kennedy and Graven have prepared the attached amended and restated loan agreement, indenture, regulatory agreement, and purchase agreement to reflect the proposed second allocation.

Bonds of this type are not an obligation of the City or its taxpayers, rather an obligation of the developer. Only project revenues of the developer, in this case, rent collected after completion of the project would be pledged for repayment of the bonds. While the City must approve issuance of the bonds and all bond documents, the transaction is largely handled by the private borrower and the underwriter that serves as the initial purchaser of the bonds.

The City has previously issued tax-exempt bonds for other various developments, such as the Sullivan Shores townhomes, Crestview senior care facilities, the Legends of Columbia Heights, and Grand Central Flats. With the issuance of tax-exempt bonds, the City has required that the developer reimburse the City for all costs associated with the issuance of the bonds, as well as pay an issuance fee in the amount of 1% of the principal amount issued for the tax-exempt bonds. In the case of the second request by Reuter Walton, the City would realize an issuance fee in the amount of \$5,600.

**RECOMMENDATION:**

Staff recommend approval of Resolution 2022-110, a resolution which formally approves the issuance and delivery of the series 2022B housing revenue bonds.

**RECOMMENDED MOTION(S):**

**MOTION:** Move to waive the reading of Resolution 2022-110, there being ample copies available to the public.

**MOTION:** Move to approve Resolution 2022-110, a resolution authorizing the issuance, sale, and delivery of multifamily housing revenue bonds (42<sup>nd</sup> and Central Apartments Project), series 2022B to provide additional financing for the costs of a multifamily housing development; approving the forms of and authorizing the execution and delivery of the series 2022B bonds and related documents; providing for the security, rights, and remedies with respect to the series 2022B bonds; and taking certain other actions.

BE IT RESOLVED by the City Council (the “Council”) of the City of Columbia Heights, Minnesota (the “City” or “Issuer”), as follows:

Section 1. Recitals.

1.01. The City is a home rule charter city duly organized and existing under its Charter and the Constitution and laws of the State of Minnesota.

1.02. Pursuant to Minnesota Statutes, Chapter 462C, as amended (the “Act”), the City is authorized to carry out the public purposes described in the Act by providing for the issuance of revenue bonds or other obligations to finance or refinance multifamily housing developments located within the City, as, and as a condition to the issuance of such revenue bonds or other obligations under the Act, the Issuer must prepare and, adopt a housing program providing the information required by Section 462C.03, subdivision 1a of the Act after one publication of notice in a newspaper circulating generally in the City at least fifteen (15) days before the hearing.

1.03. 42 Central Limited Partnership, a Minnesota limited partnership (the “Borrower”) has requested that the Issuer issue its multifamily housing revenue bonds or other obligations, in one or more series, at one time or from time to time pursuant to the Act, in an aggregate amount not to exceed, in the aggregate principal amount not to exceed \$11,000,000 (the “Obligations”), under the terms of the Act and lend the proceeds thereof to the Borrower for application by the Borrower to finance the acquisition, construction and equipping of an approximately 62-unit workforce multifamily rental housing development and facilities functionally related and subordinate thereto, comprised of one four-story apartment building including one, two, and three-bedroom units, with both surface lot and below-ground parking, and other amenities, including multiple gathering spaces and an outdoor playground, to be located at 800 42nd Avenue NE in the City (825 41st Avenue prior to replatting) (the Project”).

1.04. In accordance with the Act, a Program for a Multifamily Housing Development (the “Housing Program”) was prepared on behalf of the Issuer with respect to the Project, and the Council of the Issuer held a public hearing on March 14, 2022 with respect to the Housing Program following one publication of a notice of public hearing in *The Life*, a newspaper of general circulation in the City, on February 25, 2022, a date at least fifteen (15) days before the public hearing. As required by the provisions of the Act, on or before the date the notice of public hearing was published, the Housing Program was submitted to the Metropolitan Council for review and comment. By letter dated March 7, 2022, the Metropolitan Council submitted comments to the Issuer with regard to the Housing Program. On March 14, 2022, the Council adopted the Housing Program and approved the issuance of the Obligations pursuant to Resolution No. 2022-35 (the “Original Bond Resolution”).

1.05. Pursuant to the Act and the Indenture of Trust, dated as of June 1, 2022 (the “Original Indenture”), between the Issuer and U.S. Bank Trust Company, National Association, a national banking association (the “Trustee”), the Issuer issued its Multifamily Housing Revenue Bonds (42nd & Central Apartments Project), Series 2022A, dated June 28, 2022, in the original aggregate principal amount of \$9,886,000 (the “Series A Bonds”), as a portion of the Obligations authorized under the Housing Program and the Original Bond Resolution. The proceeds derived from the sale of the Series A Bonds were loaned by the Issuer to the Borrower (the “Series A Loan”) pursuant to the Loan agreement, dated as of June 1, 2022 (the “Original Loan Agreement”), between the Issuer and the Borrower. The Series A Loan is evidenced by a Promissory Note, in the original principal amount of \$9,886,000 (the “Series A Note”), executed by the Borrower and delivered to the Issuer on the date of issuance of the Series A Bonds, and assigned by the Issuer to the Trustee.

1.06. Pursuant to Original Bond Resolution and for the purpose of financing all or a portion of the costs of the acquisition, construction, and equipping of the Project and related costs, the Issuer authorized the issuance of the Obligations in accordance with the terms and conditions of the Act, the Housing Program, and the Original Bond Resolution, in an aggregate principal amount not to exceed \$11,000,000, in any number of series, as determined in the discretion of the Mayor and the City Manager of the City (together, the “City Officials”), and the execution and delivery of the Original Indenture, the Original Loan Agreement, the Regulatory Agreement (the “Regulatory Agreement”) between the City, the Borrower, and the Trustee (the “Original Regulatory Agreement”), and such other documents and certificates necessary or appropriate in connection with the issuance, sale, and delivery of the Obligations.

1.07. The Series A Bonds were issued by the Issuer pursuant to volume cap (or bonding authority) allocated to the Issuer by the State of Minnesota Department of Management & Budget (“MMB”) pursuant to Certificate of Allocation No. 422, dated January 11, 2022, in accordance with the requirements of Section 146 of the Internal Revenue Code of 1986, as amended (the “Code”) and Minnesota Statutes, Chapter 474A, as amended (the “Allocation Act”).

1.08. Upon request of the Borrower, the Issuer submitted a subsequent application for an allocation of additional bonding authority to MMB in the amount of \$560,000. The Issuer received an additional allocation of the bonding authority of the State of Minnesota, in the amount of \$560,000 pursuant to Certificate of Allocation No. 431, dated July 5, 2022, to issue tax-exempt multifamily housing revenue obligations for the Project.

1.09. The Borrower has requested that the Issuer issue, sell, and deliver its Multifamily Housing Revenue Bonds (42nd & Central Apartments Project), Series 2022B (the “Series B Bonds”), in the original aggregate principal amount not to exceed \$560,000, as a portion of the Obligations authorized under the Housing Program and the Original Bond Resolution.

1.10. The Series B Bonds are proposed to be issued as “exempt facility bonds” the interest on which is not includable in gross income for federal income tax purposes under Sections 103 and 141(e)(1)(A) of the Code. Under the provisions of Section 147(f) of the Code and applicable Treasury Regulations, the Series B Bonds will not constitute exempt facility bonds unless the Series B Bonds are approved by the applicable elected representative of the governmental unit which issued the bond or on behalf of which the bond is issued after a public hearing following reasonable public notice.

1.11. Reasonable public notice includes publication in a newspaper of general circulation available to residents in the City no fewer than seven (7) calendar days before the public hearing. As provided in section 1.04 of this resolution, a notice of public hearing was published in *The Life*, a newspaper of general circulation in the City, at least seven (7) days before the public hearing held by the Council on

March 14, 2022. The notice stated the time and place of the public hearing, a general description of the Project, the address of the site of the Project, the initial legal owner or principal user of the Project, and the maximum principal amount of the tax-exempt obligations to be issued to finance the Project of 11,000,000. A reasonable opportunity was provided at the public hearing for interested individuals to express their views orally or in writing with respect to the Project and the proposed issuance of revenue obligations to finance the Project.

1.12. Resolution No. 2021-53, adopted by the Council on June 22, 2021 (the “Preliminary Resolution”) constitutes a reimbursement resolution and an official intent of the Issuer to reimburse expenditures with respect to the Project from the proceeds of tax-exempt revenue obligations in accordance with the provisions of Section 1.150-2 of the Regulations.

Section 2. Findings, Determinations, and Declarations. Based on representations made by the Borrower to the Issuer to date, the Council hereby makes the following findings, determinations, and declarations:

2.01. The Project constitutes a “qualified residential rental project” within the meaning of Section 142(d) of the Code, and a “multifamily housing development” authorized by the Act, and furthers the purposes of the Act. The purpose of the Project is, and the effect thereof will be, to promote the public welfare by the acquisition and construction of a facility for use as a multifamily housing development designed primarily for occupancy by persons of low and moderate income.

2.02. The Issuer hereby authorizes the Borrower, in accordance with the provisions of the Act to provide for the development of the Project and the payment of the costs of the Project by such means as shall be available to the Borrower and in the manner determined by the Borrower.

3.02. The Series B Bonds, substantially in the form set forth in an Amended and Restated Indenture of Trust, dated as of or after December 1, 2022 (the “Indenture”), between the City and the Trustee, now on file with the City, are hereby approved with the amendments referenced herein. The Series B Bonds shall not constitute a debt of the City within the meaning of any state constitutional provision or statutory limitation, the Series B Bonds shall not constitute or give rise to a charge against the general credit or taxing powers of the City, the Series B Bonds shall not constitute or give rise to a pecuniary liability of the City, and the Series B Bonds shall be payable solely out of any funds and properties expressly pledged as security therefor.

3.03. The Indenture is hereby approved, and the City Officials are hereby authorized to execute and deliver the Indenture on behalf of the City. All of the provisions of the Indenture, when executed and delivered as authorized herein, shall be deemed to be a part of this resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof. The Indenture shall be substantially in the form now on file with the City with such necessary and appropriate variations, omissions, and insertions as do not materially change the substance

thereof, as the City Officials in their discretion, shall determine, and the execution and delivery thereof by the City Officials shall be conclusive evidence of such determination.

3.04. The proceeds derived from the sale of the Series B Bonds are to be loaned by the City to the Borrower under the terms of an Amended and Restated Loan Agreement, dated as of or after December 1, 2022 (the “Loan Agreement”), between the City and the Borrower. The Loan Agreement is hereby approved, and the City Officials are hereby authorized to execute and deliver the Loan Agreement on behalf of the City. All of the provisions of the Loan Agreement, when executed and delivered as authorized herein, shall be deemed to be a part of this resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof. The Loan Agreement shall be substantially in the form now on file with the City with such necessary and appropriate variations, omissions, and insertions as do not materially change the substance thereof, as the City Officials, in their discretion, shall determine, and the execution and delivery thereof by the City Officials shall be conclusive evidence of such determination. The proceeds of the loan to be made under the terms of the Loan Agreement are hereby authorized to be applied to the payment of a portion of the costs of the acquisition, construction, and equipping of the Project and related costs, the financing of capitalized interest during construction of the Project, the funding of any required reserves, and the payment of costs of issuance.

3.05. The Borrower’s repayment obligations under the Loan Agreement will be evidenced by a Promissory Note delivered by the Borrower to the City (the “Series B Note”), which will be assigned by the City to the Trustee pursuant to an assignment thereof (the “Note Assignment”).

3.06. To ensure continuing compliance with certain rental and occupancy restrictions imposed by the Act, the Allocation Act, and Section 142(d) of the Code, and to ensure continuing compliance with certain restrictions imposed by the City, the City Officials are hereby authorized and directed to execute and deliver an Amended and Restated Regulatory Agreement, dated as of or after December 1, 2022 (the “Regulatory Agreement”) between the City, the Borrower, and the Trustee. The Regulatory Agreement shall be substantially in the form now on file with the City, which is hereby approved, with such omissions and insertions as do not materially change the substance thereof, as the City Officials, in their discretion, shall determine, and the execution thereof by the City Officials shall be conclusive evidence of such determination. All of the provisions of the Regulatory Agreement, when executed and delivered as authorized herein, shall be deemed to be a part of this resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof.

3.07. The City acknowledges, finds, determines, and declares that the issuance of the Series B Bonds is authorized by the Act and is consistent with the purposes of the Act and that the issuance of the Series B Bonds, and the other actions of the City under this resolution and the Loan Agreement constitute a public purpose and are in the interests of the City. In authorizing the issuance of the Series B Bonds for the financing of the Project and related costs, the City’s purpose is, and the effect thereof will be, to promote the public welfare of the City and its residents by providing multifamily housing developments for low and moderate-income residents of the City and otherwise furthering the purposes and policies of the Act.

3.08. The City hereby authorizes the Series B Bonds to be issued as “tax-exempt bonds” the interest on which is not includable in gross income for federal income tax purposes and net taxable income of individuals, trusts, and estates for State of Minnesota income tax purposes.

3.09. All of the provisions of the Series B Bonds, when executed as authorized herein, shall be deemed to be a part of this resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof. The Series B Bonds shall

bear interest at the rates, shall be designated, shall be numbered, shall be dated, shall mature, shall be issued in the aggregate principal amount, shall be subject to redemption prior to maturity, shall be in such form, and shall have such other terms, details, and provisions as are prescribed in the Indenture, in the form now on file with the City, which form is hereby approved, with such necessary and appropriate variations, omissions, and insertions (including changes to the aggregate principal amount of the Series B Bonds, the stated maturities of the Series B Bonds, the interest rates on the Series B Bonds, and the terms of redemption of the Series B Bonds) as the City Officials, in their discretion, shall determine. The execution of the Series B Bonds with the manual or facsimile signature of the City Officials and the delivery of the Series B Bonds by the City shall be conclusive evidence of such determination.

3.10. The Series B Bonds shall not constitute general or moral obligations of the City but shall be special, limited obligations of the City payable solely from the revenues provided by the Borrower under the terms of the Loan Agreement and from the revenues and security pledged, assigned, and granted under the terms of this resolution, the Series B Bonds, the Loan Agreement, and any other security documents provided by the Borrower or any other party to secure the timely payment of the principal of, premium, if any, and interest on the Series B Bonds. As provided in the Loan Agreement, the Series B Bonds shall not be payable from or charged upon any funds other than the revenue pledged to their payment, nor shall the City be subject to any liability thereon, except as otherwise provided in this paragraph. No holder of the Series B Bonds shall ever have the right to compel any exercise by the City of any taxing powers of the City to pay the Series B Bonds or the interest or premium thereon, or to enforce payment thereof against any property of the City except the interests of the City in the Loan Agreement and the revenues and assets thereunder, which will be assigned to the Trustee under the terms of the Indenture.

3.11. The City acknowledges and hereby approves any one or more security documents, including but not limited to the Series B Note. All such security documents, if any are delivered, shall be substantially in the forms authorized and approved by the Borrower.

3.12. The Series B Bonds, when executed and delivered, shall contain a recital that they are issued in accordance with the Act, and such recital shall be conclusive evidence of the validity of the Series B Bonds and the regularity of the issuance thereof, and that all acts, conditions, and things required by the laws of the State of Minnesota relating to the adoption of this resolution, to the issuance of the Series B Bonds, and to the execution of the aforementioned documents to happen, exist, and be performed precedent to the execution of the aforementioned documents have happened, exist, and have been performed as so required by law. The Series B Bonds shall also recite that the Series B Bonds, including interest and premium, if any, thereon, are payable solely from the revenues and assets pledged to the payment thereof, and the Series B Bonds shall not constitute a debt of the City within the meaning of any constitutional or statutory limitations.

3.13 The City Officials are hereby designated as the representatives of the City with respect to the issuance of the Series B Bonds and the transactions related thereto. The City Manager is authorized, upon request, to furnish certified copies of all proceedings and records of the City relating to the Series B Bonds, and such other affidavits and certificates as may be required to show the facts relating to the Series B Bonds as such facts appear from the books and records in the custody and control of the City; and all such certified copies, certificates, and affidavits, including any heretofore furnished, shall constitute representations of the City as to the truth of all statements contained therein. The City Officials are hereby further authorized to execute and deliver, on behalf of the City, all other certificates, instruments, and other written documents that may be requested by Kennedy & Graven, Chartered, as bond counsel to the City ("Bond Counsel"), the Trustee, the Borrower, or other persons or entities in conjunction with the issuance of the Series B Bonds and the expenditure of the proceeds of the Series B Bonds. Without imposing any limitations on the scope of the preceding sentence, the City Officials are specifically authorized to execute and deliver such other documents and certificates as are necessary or appropriate in connection with the

issuance, sale, and delivery of the Series B Bonds, including a Bond Purchase Agreement between the City, the Borrower, and Colliers Securities LLC, as original purchaser of one or more series of the Series B Bonds (the “Underwriter”), an assignment of Series B Note, if necessary, one or more general certificates of the City, an Information Return for Tax-Exempt Private Activity Bond Issues, Form 8038, with respect to the Series B Bonds, an endorsement to any tax certificates as to arbitrage, rebate, and other federal tax matters executed and delivered in connection with the issuance of the Series B Bonds, appropriate amendments to the Housing Program, and all other documents and certificates as the City Officials shall deem to be necessary or appropriate in connection with the issuance, sale, and delivery of the Series B Bonds (the “Financing Documents”). The City Officials are hereby further authorized and directed to execute and deliver all other instruments and documents necessary to accomplish the purposes for which the Series B Bonds are to be issued.

#### Section 4. Additional Findings and Certifications.

4.01 The City will not participate in the preparation or distribution of any official statements or other disclosure documents relating to the offer and sale of the Series B Bonds (the “Disclosure Documents”), except only for certain information relating specifically to the City as approved by the City Officials, and will make no independent investigation with respect to the information contained in the Disclosure Documents, including the appendices thereto, and the City assumes no responsibility for the sufficiency, accuracy, or completeness of such information. Subject to the foregoing, the City hereby consents to the distribution and the use by the Underwriter of the Disclosure Documents in connection with the offer and sale of the Series B Bonds to be offered and sold pursuant to such Disclosure Documents. The Disclosure Documents are the sole materials consented to by the City for use in connection with the offer and sale of the Series B Bonds.

4.02 The authority to approve, execute and deliver future amendments to the Financing Documents and consents required under the Financing Documents is hereby delegated to the City Officials, subject to the following conditions: (a) such amendments or consents do not materially adversely affect the interests of the City; (b) such amendments or consents do not contravene or violate any policy of the City, (c) such amendments or consents do not require the consent of the holder or such consent has been obtained; and (d) such amendments or consents are acceptable in form and substance to Bond Counsel and the City attorney. The authorization hereby given shall be further construed as authorization for the execution and delivery of such certificates and related items as may be required to demonstrate compliance with the agreements being amended and the terms of this resolution. The execution of any instrument by the City Manager shall be conclusive evidence of the approval of such instruments in accordance with the terms hereof. In the absence of the City Manager, any instrument authorized by this paragraph to be executed and delivered may be executed by the officer of the City authorized to act in his or her place and stead. The City Manager may impose any terms or conditions on the execution and delivery of any such amendment or supplement as the City Manager deems appropriate.

4.03 No covenant, stipulation, obligation, or agreement herein contained or contained in the aforementioned documents shall be deemed to be a covenant, stipulation, obligation, or agreement of any member of the Council of the City, or any officer, agent, or employee of the City in that person’s individual capacity, and neither the Council of the City nor any officer, agent, or employee executing the Series B Bonds or any such documents shall be personally liable on the Series B Bonds or such documents or be subject to any personal liability or accountability by reason of the issuance of the Series B Bonds or the execution and delivery of such documents. No provision, covenant, or agreement contained in the aforementioned documents, the Series B Bonds, or in any other document relating to the Series B Bonds, and no obligation therein or herein imposed upon the City or the breach thereof, shall constitute or give rise to a general or moral obligation of the City or any pecuniary liability of the City or any charge upon its general credit or taxing powers. In making the agreements, provisions, covenants, and representations set

forth in such documents, the City has not obligated itself to pay or remit any funds or revenues, other than funds and revenues derived from the Loan Agreement, which are to be applied to the payment of the Series B Bonds, as provided therein.

4.04 Except as herein otherwise expressly provided, nothing in this resolution or in the aforementioned documents expressed or implied, is intended or shall be construed to confer upon any person or firm or corporation, other than the City, and any holders of the Series B Bonds issued under the provisions of this resolution, any right, remedy or claim, legal or equitable, under and by reason of this resolution or any provisions hereof, this resolution, the aforementioned documents, and all of their provisions being intended to be and being for the sole and exclusive benefit of the City, the Borrower, the Underwriter, and any beneficial owners from time to time of the Series B Bonds issued under the provisions of this resolution.

4.05 In case any one or more of the provisions of this resolution, other than the provisions limiting the liability of the City, or of the aforementioned documents, or of the Series B Bonds issued hereunder shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this resolution, or of the aforementioned documents, or of the Series B Bonds, but this resolution, the aforementioned documents, and the Series B Bonds shall be construed and endorsed as if such illegal or invalid provisions had not been contained therein.

4.06 In anticipation of the issuance of the Series B Bonds to finance all or a portion of the Project, and in order that completion of the Project will not be unduly delayed when approved, the Borrower is hereby authorized to make such expenditures and advances toward payment of that portion of the costs of the Project to be financed from the proceeds of the Series B Bonds, as the Borrower considers necessary, including the use of interim, short-term financing, subject to reimbursement from the proceeds of the Series B Bonds if and when delivered but otherwise without liability on the part of the City.

4.07 The officers of the City, Bond Counsel, the City attorney, other attorneys, and other agents or employees of the City are hereby authorized to do all acts and things required of them by or in connection with this resolution, the aforementioned documents, or the Series B Bonds, for the full, punctual, and complete performance of all the terms, covenants, and agreements contained in the Series B Bonds, the aforementioned documents, and this resolution.

4.08 The staff of the City is hereby authorized, in cooperation with Bond Counsel, to take all steps necessary and desirable to proceed to develop the Housing Program and to issue the Series B Bonds.

4.09 The Borrower has agreed to pay the administrative fees of the City in accordance with the applicable policies and procedures of the City. It is hereby determined that any and all costs incurred by the City in connection with the financing of the Project will be paid by the Borrower.

4.10. It is understood and agreed by the Borrower that the Borrower shall indemnify the City against all liabilities, losses, damages, costs, and expenses (including attorneys' fees and expenses incurred by the City) arising with respect to the Project and the Series B Bonds, as provided for and agreed to by and between the Borrower and the City in the Loan Agreement.

4.11. The financing transaction represented by the Series B Bonds is subject to all existing policies and procedures of the City and is also subject to any conduit bond policies and procedures subsequently adopted by the City to the extent the provisions thereof are intended to be applied retroactively to conduit revenue obligations issued prior to the adoption of such conduit bond policies and procedures.

### REPRESENTATIONS AND COVENANTS

**Section 2.1. Representations of the Issuer.** The Issuer represents that:

- (a) The Issuer is a municipal corporation organized and existing under its Charter and the Constitution and laws of the State.
- (b) There is no pending or, to the Issuer's actual knowledge, without inquiry or investigation, threatened suit, action, or proceeding against the Issuer before any court, arbitrator, administrative agency, or other governmental authority that challenges the Issuer's execution and delivery of the Bonds, the Indenture, the Regulatory Agreement, or this Loan Agreement.
- (c) To the actual knowledge of the Issuer, without inquiry or investigation, the execution and delivery of the Bonds, the Indenture, the Regulatory Agreement and this Loan Agreement will not constitute a breach of or default under any existing (i) provision of any special legislative act or charter provision relating to the establishment of the Issuer; or (ii) agreement, indenture, mortgage, lease, or other instrument to which the Issuer is a party or by which it is bound.
- (d) No proceeding of the Issuer for the issuance, execution, or delivery of the Bonds, the Indenture, the Regulatory Agreement or this Loan Agreement has been repealed, rescinded, amended or revoked.

**Section 2.2. Representations and Covenants of the Borrower.** The Borrower represents, warrants and covenants that:

- (a) The Borrower is a Minnesota limited partnership duly organized under the laws of the State and is authorized to conduct its business in the State.
- (b) The Borrower has full power and authority to execute, deliver and perform the Borrower Documents and to enter into and carry out the transactions on its part contemplated by those documents. The execution, delivery and performance by it of the Borrower Documents do not, and will not, violate any provision of law applicable to the Borrower and do not, and will not, conflict with or result in a default under any agreement or instrument to which the Borrower is a party or by which it is bound. The Borrower Documents have, by proper action, been duly authorized, executed and delivered by the Borrower and all steps necessary have been taken to constitute the Borrower Documents valid and binding obligations of the Borrower.
- (c) The provision of financial assistance to be made available to it under this Loan Agreement and the commitments therefor made by the Issuer have induced the Borrower to undertake the transactions contemplated by this Loan Agreement.
- (d) The Borrower presently intends to use or operate the Project in a manner consistent with the Act and in accordance with the Regulatory Agreement and knows of no reason why the Project will not be so operated. If, in the future, there is a cessation of that operation, it will use its best efforts to resume that operation or accomplish an alternate use by the Borrower or others approved in writing by the Issuer which will be consistent with the Act and the Regulatory Agreement.

- (e) The acquisition, construction and equipping of the Project will be completed in accordance with the Plans and Specifications in all material respects and the portion of the Project funded with the

proceeds of the Bonds will constitute a qualified residential rental project within the meaning of Section 142(d) of the Code and will be operated and maintained in such manner as to conform in all material respects with all applicable zoning, planning, building, environmental and other applicable Governmental regulations and as to be consistent with the Act.

(f) The Project will be located entirely within the boundaries of the City.

(g) At least ninety-five percent (95%) of the net proceeds (as defined in Section 150 of the Code) of the Bonds will be used to provide a “qualified residential rental project” (as defined in Section 142(d) of the Code), and the Borrower will not request or authorize any disbursement from the Project Fund pursuant to Section 3.4 hereof, which, if paid, would result in less than ninety-five percent (95%) of the net proceeds of the Bonds being so used.

(h) The costs of issuance financed by the Bonds will not exceed two percent (2%) of the proceeds (within the meaning of Section 147(g) of the Code) of the Bonds, and the Borrower will not request or authorize any disbursement from the Project Fund pursuant to Section 3.4 hereof or otherwise, which, if paid, would result in more than two percent (2%) of the proceeds of the Bonds being so used. Except as permitted by Section 1.148-6(d)(3)(ii) of the Treasury Regulations, none of the proceeds of the Bonds will be used for working capital purposes.

(i) The proceeds of the Bonds shall be used exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the Treasury Regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code, and (ii) are made exclusively with respect to a “qualified residential rental project” within the meaning of Section 142(d) of the Code so that the Project and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code.

(j) Upon the execution and delivery thereof by the other parties thereto, each of the Borrower Documents will constitute valid and binding obligations of the Borrower, enforceable against the Borrower in accordance with their respective terms, except as limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws or judicial decisions affecting creditors’ rights generally and by judicial discretion in the exercise of equitable remedies.

(k) The Borrower acknowledges, represents and warrants that it understands the nature and structure of the Project; that it is familiar with the provisions of all of the documents and instruments relating to the financing of the Project to which it is a party; that it understands the risks inherent in such transactions, including without limitation the risk of loss of the Project; and that it has not relied on the Issuer for any guidance or expertise in analyzing the financial or other consequences of such financing transactions or otherwise relied on the Issuer in any manner except to issue the Bonds in order to provide funds for the Loan.

(l) The Borrower intends to hold the Project for its own account, has no current plans to sell and has not entered into any agreement to sell any of the units that comprise the Project. It is hereby acknowledged, however, that the Borrower’s partnership agreement may provide for certain rights of the General Partner or an Affiliate to acquire the Project, and for the possible acquisition of the Project following the fifteen (15) year tax credit compliance period as identified in the Borrower’s partnership agreement, and those provisions shall not result in a breach of this subsection. Nothing herein shall prohibit the General Partner’s acquisition of interest of the Investor Limited Partner in accordance with the Borrower’s partnership agreement.

(m) The Borrower shall use its best efforts to cause there to be deposited from time to time in the Collateral Fund, Available Money in such amount and at such times as may be necessary to allow the Trustee to disburse funds from the Project Fund pursuant to Section 5.03 of the Indenture upon the Trustee's receipt of a Disbursement Request from the Borrower to pay Project Costs.

(n) In the event the Loan proceeds are not sufficient to complete the acquisition, construction, and equipping of the Project and the payment of all costs of issuance of the Bonds, the Borrower will furnish any additional money from any source determined by the Borrower as necessary to complete the acquisition, construction and equipping of the Project and pay all costs of issuance of the Bonds.

(o) Less than twenty-five percent (25%) of the proceeds of the Bonds will be used to pay or reimburse the Borrower for the cost of land or any interest therein.

(p) The Borrower has not knowingly taken or permitted to be taken and will not knowingly take or permit to be taken any action which would have the effect, directly or indirectly, of causing interest on any of the Bonds to be included in the gross income of the owners thereof for purposes of federal income taxation.

(q) The Borrower shall not take, or knowingly permit or suffer to be taken by the Trustee or any party acting on its behalf, any action with respect to the proceeds of the Bonds which if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of Section 148(a) of the Code.

(r) The Borrower acknowledges that regulations of the Comptroller of the Currency grant the Borrower the right to receive brokerage confirmations of the security transactions as they occur and hereby specifically waives such notification to the extent permitted by law. The Borrower further acknowledges that it will receive periodic cash transaction statements that will detail all investment transactions.

The Borrower acknowledges that the representations and covenants herein made by the Borrower have been expressly and specifically relied upon by the Issuer in determining to make the Loan to the Borrower and the Loan would not have been made but for such representations and covenants.

### COMPLETION OF THE PROJECT; ISSUANCE OF THE BONDS

**Section 3.1. Acquisition, Installation, Equipment and Improvement.** The Borrower (a) has acquired the Project site and shall construct, install, improve and equip the Project with all reasonable dispatch and in substantial accordance with the Plans and Specifications; (b) shall pay when due all fees, costs and expenses incurred in connection with that acquisition, construction, installation, equipping and improving from funds made available therefor in accordance with this Loan Agreement or otherwise, except to the extent being contested in good faith; and (c) shall ask, demand, sue for, levy, recover and receive all those sums of money, debts and other demands whatsoever which may be due, owing and payable under the terms of any contract, order, receipt, writing and instruction in connection with the acquisition, construction, and equipping of the Project and shall enforce the provisions of any contract, agreement, obligation, bond or other performance security with respect thereto. It is understood that the Project is that of the Borrower and any contracts made by the Borrower with respect thereto, whether acquisition contracts, construction contracts, or otherwise, or any work to be done by the Borrower on the Project are made or done by the Borrower in its own behalf and not as agent or contractor for the Issuer. The Borrower agrees that it will compensate all workers employed in the construction and improvement of the Project as required by law.

**Section 3.2. Plans and Specifications.** The Borrower may revise the Plans and Specifications from time to time, provided that no revision shall be made which would change the Project Purposes to purposes other than those permitted by the Act and the Regulatory Agreement.

**Section 3.3. Issuance of the Bonds; Application of Proceeds.** To provide funds to make the Loan for purposes of assisting in paying the Project Costs, the Issuer has issued, sold, and delivered the Series A Bonds to the Underwriter, and will issue, sell and deliver the Series B Bonds to the Underwriter. The Bonds will be issued pursuant to the Indenture in the aggregate principal amount, will bear interest, will mature and will be subject to redemption, mandatory tender and remarketing as set forth therein. The Borrower hereby approves the terms and conditions of the Indenture and the Bonds, and of the terms and conditions under which the Bonds will be issued, sold and delivered.

The proceeds from the sale of the Series A Bonds in the amount of \$9,886,000 were loaned, and the proceeds from the sale of the Series B Bonds in the amount of \$560,000 shall be loaned, to the Borrower and paid over to the Trustee for the benefit of the Borrower and the Holders of the Bonds. The proceeds of the sale of the Series A Bonds (including without limitation premium, if any, and interest accrued thereon) in the amount of \$9,886,000, and the proceeds of the sale of the Series B Bonds (including without limitation premium, if any, and interest accrued thereon) in the amount of \$560,000, were deposited and shall be deposited by the Trustee on the Closing Date, respectively, to the Project Fund pursuant to Section 5.01 of the Indenture. Pending disbursement pursuant to Section 3.4 hereof, the proceeds of the Bonds deposited in the Project Fund, together with any investment earnings thereon, shall constitute a part of the Issuer Revenues assigned by the Issuer to the Trustee as security for the payment of Bond Debt Service Charges as provided in the Indenture.

**Section 3.4. Disbursements from the Project Fund.** Subject to the provisions below and so long as no Event of Default hereunder has occurred and is continuing for which the Loan Payments and principal amount of the Bonds has been declared to be immediately due and payable pursuant to Section 7.2 hereof and Section 7.03 of the Indenture, respectively, disbursements from the Project Fund shall be made only to pay any of the following Project Costs:

(a) Costs incurred directly or indirectly for or in connection with the acquisition, construction, and equipping of the Project, including costs incurred in respect of the Project for preliminary planning and studies; architectural, legal, engineering, accounting, consulting, supervisory and other services; labor, services and materials; and recording of documents and title work.

(b) Premiums attributable to any surety bonds and insurance required to be taken out and maintained during the Construction Period with respect to the Project.

(c) Taxes, assessments and other governmental charges in respect of the Project that may become due and payable during the Construction Period.

(d) Costs incurred directly or indirectly in seeking to enforce any remedy against any contractor or subcontractor in respect of any actual or claimed default under any contract relating to the Project.

(e) Any other costs, expenses, fees and charges properly chargeable to the cost of acquisition, construction, and equipping of the Project.

(f) Payment of interest on the Bonds during the Construction Period.

(g) Payments to the Rebate Fund.

Any disbursements from the Project Fund shall be made by the Trustee only as permitted pursuant to Section 5.03 of the Indenture and upon the written request of the Borrower in a disbursement request in substantially the form attached hereto as EXHIBIT E (a "Disbursement Request") in compliance with the provisions hereof and of the Disbursing Agreement. No disbursement shall be made by the Trustee upon the basis of any such Disbursement Request except upon satisfaction of the following conditions and pursuant to the following procedures:

(1) An executed Certificate of the FHA Lender substantially in the form attached hereto as EXHIBIT C, or an executed Certificate of the Borrower substantially in the form attached hereto as EXHIBIT D, in each case related to the deposit of Available Money into the Collateral Fund for the applicable Disbursement Request.

(2) All Loan Payments that are then due shall have been paid.

Each Disbursement Request for a disbursement of funds from the Project Fund shall be made in accordance with the Disbursing Agreement and shall be deemed a representation by the Borrower that:

(i) All items for which disbursement is requested thereunder either (A) are presently due and payable, constitute Project Costs properly incurred by the Borrower in connection with the Project being financed with the proceeds of the Loan, or are reimbursable Project Costs properly chargeable against the Loan; or (B) are to be deposited to an escrow fund to be disbursed therefrom solely for Project Costs properly incurred by the Borrower in connection with the Project; and in each case none of the items for which disbursement is requested has formed the basis for any disbursement heretofore made from said Project Fund.

(ii) Each such item is or was necessary in connection with the acquisition and construction of the Dwelling Units (as defined in the Regulatory Agreement) of the Project.

(iii) The costs specified in the Disbursement Request, when added to all previous disbursements under the Loan, will result in at least ninety-five percent (95%) of the aggregate amount of all disbursements having been used to pay costs properly chargeable to the capital account of a qualified residential rental project within the meaning of Section 142(d) of the Code and functionally related and subordinate property thereto.

(iv) To the knowledge of the Borrower, there is no current or existing event of default pursuant to the terms of the Loan Agreement or the Regulatory Agreement and no event exists which by notice or passage of time or both would constitute an event of default under any of the foregoing documents.

(v) No representation or warranty of the Borrower contained in the Loan Agreement or the Regulatory Agreement is materially incorrect or inaccurate, except as the Borrower has set forth in writing, and there has been no event of default under the terms of any of those documents and which is continuing and no event shall exist which by notice, passage of time or both would constitute an event of default under any of those documents.

(vi) Each expense for which disbursement is requested was or will be paid on or after the date of issuance of the Bonds. Notwithstanding the foregoing, the Borrower may be reimbursed for Project Costs incurred prior to the Closing Date of the Bonds in accordance with Section 1.150-2 of the Code.

(vii) The Borrower has received a notice to proceed from the Issuer.

Any money in the Project Fund remaining after the Completion Date and payment, or provision for payment, in full of the Project Costs, at the direction of the Authorized Borrower Representative, promptly shall be paid into the Bond Fund for payment of Bond Debt Service Charges.

All payments made from the Project Fund shall be presumed by the Trustee to be made for the purposes certified in said written requests, and the Trustee shall not be required to see to the application of any payments made from the Project Fund or to inquire into the purposes for which withdrawals are being made from the Project Fund. The Trustee shall not be bound to make an investigation into the facts or matters stated in any written request. The Trustee shall not be responsible for determining whether the funds on hand in the Project Fund are sufficient to complete the Project. The Trustee shall have no responsibility whatsoever to disburse or transfer funds absent written instructions from the Borrower.

### **Section 3.5. FHA Lender Funds.**

(a) The Borrower hereby acknowledges that the FHA Lender has determined to fund the FHA Insured Mortgage Loan, on the condition that the FHA Lender originate and service the FHA Insured Mortgage Loan in accordance with the FHA Loan Documents, the FHA Insurance Regulations and the GNMA Regulations, and the FHA Lender has further agreed pursuant to the related FHA Loan Documents to issue the GNMA Securities in accordance with the GNMA Regulations, based on and backed by the FHA Insured Mortgage Loan.

(b) The Borrower will direct the FHA Lender to deliver or cause to be delivered to the Trustee the FHA Lender Funds upon the FHA Lender's receipt and approval of a requisition from the Borrower requesting an advance under the FHA Insured Mortgage Loan for payments of Project Costs up to an amount equal to the proceeds of the Bonds to be disbursed from the Project Fund.

(c) The Borrower agrees to pay to the FHA Lender all amounts when due under the FHA Note and to abide by the provisions of the FHA Loan Documents and the GNMA Documents.

(d) Pursuant to the Disbursing Agreement, the Trustee shall, upon receipt from the FHA Lender of (i) the FHA Lender Funds and (ii) an approved requisition, disburse amounts from the Project Fund, in the exact same amount of the FHA Lender Funds received by the Trustee from the FHA Lender, to the Borrower, or to the Title Company by or at the direction of the FHA Lender for application to the payment of the Project Costs set forth in the approved requisition.

(e) The Borrower acknowledges that, to the extent that an advance of FHA Lender Funds as requested by the Borrower is approved by FHA Lender, the Borrower has directed the FHA Lender that all funds be wired by the FHA Lender directly to the Trustee and that such funds shall be disbursed and invested and applied by the Trustee in accordance with the provisions of Section 5.03 of the Indenture.

**Section 3.6. Borrower Required to Pay Costs in Event Project Fund Insufficient.** If money in the Project Fund is not sufficient to pay all Project Costs, the Borrower, nonetheless, will complete the Project in substantial accordance with the Plans and Specifications and shall pay all such additional Project Costs from its own funds (or from other public or private financing sources available to the Borrower). The Borrower shall pay all costs of issuing the Bonds. The Borrower shall not be entitled to any reimbursement for any such additional Project Costs or payment of issuance costs from the Issuer, the Trustee or any Holder, nor shall it be entitled to any abatement, diminution or postponement of the Loan Payments.

**Section 3.7. Completion Date.** The Borrower shall notify the Issuer and the Trustee of the Completion Date by the delivery of a Completion Certificate signed by the Authorized Borrower Representative substantially in the form of EXHIBIT B attached hereto. The Completion Certificate shall be delivered as promptly as practicable after the occurrence of the events and conditions referred to in paragraphs (a) through (d) of the Completion Certificate.

**Section 3.8. Investment of Fund Money; Valuation.** At the written direction of the Borrower, any money held as part of the Bond Fund, the Project Fund, the Collateral Fund and the Rebate Fund shall be invested or reinvested by the Trustee in Eligible Investments as provided in Section 5.05 of the Indenture. The Borrower covenants that it will restrict that investment and reinvestment and the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, after taking into account reasonable expectations at the time of delivery of and payment for the Bonds or subsequent intentional acts, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code. No provision of this Loan Agreement shall be construed to impose upon the Trustee any obligation or responsibility for compliance with arbitrage regulations.

The Borrower acknowledges that values shall be determined in accordance with the price provided by pricing services and sources relied upon by the Trustee, and the Trustee does not have any duty to independently value any asset or an obligation other than the price provided by pricing services and sources relied upon by the Trustee.

**Section 3.9. Rebate Fund.** The Borrower agrees to make such payments to the Trustee as are required of it under Section 5.09 of the Indenture as well as the expenses of any Independent certified public accounting firm or qualified rebate analyst engaged in accordance with that Section. The obligation of the Borrower to make such payments shall remain in effect and be binding upon the Borrower notwithstanding the release and discharge of the Indenture.

**Section 3.10. Remarketing of Bonds.** The Borrower is hereby granted the right to (a) request a remarketing of the Bonds in the manner and to the extent set forth in Section 4.05 of the Indenture; and (b) with the written consent of the Remarketing Agent (which consent shall not be unreasonably withheld), designate the length of the Remarketing Period and the related Mandatory Tender Date in the manner and to the extent set forth in Sections 4.03 and 4.05 of the Indenture.

**Section 4.1. Loan Repayment; Delivery of Note.** Upon the terms and conditions of this Loan Agreement and the Note, the Issuer will make the Loan to the Borrower. In consideration of and in repayment of the Loan, the Borrower shall deliver or cause to be delivered to the Trustee on or before each Loan Payment Date, Loan Payments, equal to the amount necessary to pay Bond Debt Service Charges due on the next Bond Payment Date for the Bonds. All such Loan Payments shall be paid to the Trustee in accordance with the terms of the Note for the account of the Issuer and shall be held and disbursed in accordance with the provisions of the Indenture and this Loan Agreement.

The Borrower shall be entitled to a credit against the Loan Payments required to be made hereunder, on any date, equal to the amounts, if any, transferred by the Trustee from the Interest Account of the Bond Fund, the Project Fund or the Collateral Fund on such date for the payment of Bond Debt Service Charges.

To secure the Borrower's performance of its obligations under this Loan Agreement, the Borrower shall execute and deliver, concurrently with the issuance and delivery of the Bonds, the Note and the Regulatory Agreement.

Unless the Borrower is entitled to a credit under express terms of this Loan Agreement or the Note, all payments on the Note shall be in the full amount required thereunder.

The Borrower and the Issuer each acknowledge that neither the Borrower nor the Issuer has any interest in the Bond Fund or the Collateral Fund and any money deposited therein shall be in the custody of and held by the Trustee in trust for the benefit of the Holders.

**Section 4.2. Additional Payments.** The Borrower shall pay to the Issuer or the Trustee, as the case may be, as Additional Payments hereunder the following:

(a) To the Issuer or the Trustee, as the case may be, whether or not an Event of Default has occurred hereunder, as payment for or reimbursement or prepayment of any and all costs, expenses, and liabilities (i) incurred or paid by the Issuer or the Trustee, as the case may be, in satisfaction of any obligations of the Borrower hereunder not performed by the Borrower in accordance with the provisions hereof; (ii) incurred as a result of a request by the Borrower or of a requirement of any Borrower Document or the Indenture and not otherwise required to be paid by the Borrower under this Loan Agreement; (iii) incurred in the defense of any action or proceeding with respect to the Project or any Borrower Document, or in enforcing any Borrower Document, or arising out of or based upon any other document related to the issuance of the Bonds; or (iv) any rebate amount required with respect to the Bonds as required by the Indenture or the Tax Certificate.

(d) To the Remarketing Agent, the Remarketing Agent's Fee and any Remarketing Expenses.

(e) To the Issuer in immediately available funds: upon demand, for all costs and expenses, including without limitation attorneys' fees, paid or incurred by the Issuer in connection with (i) the discussion, negotiation, preparation, approval, execution and delivery of the Bonds, the Indenture, this Loan Agreement, the Regulatory Agreement, and the documents and instruments related hereto or thereto; (ii) any amendments or modifications to any of the foregoing documents, instruments or agreements and the discussion, negotiation, preparation, approval, execution and delivery of any and all documents necessary or desirable to effect such amendments or modifications; (iii) the servicing and administration of the Loan during the term hereof or thereafter; and (iv) the enforcement by the Issuer during the term hereof or thereafter of any of the rights or remedies of the Issuer hereunder or under the foregoing documents, or any document, instrument or agreement related hereto or thereto, including, without limitation, costs and expenses of collection in the Event of Default, whether or not suit is filed with respect thereto.

(f) To the Issuer in immediately available funds a one-time administrative fee equal to one percent (1%) of the original aggregate principal amount of the Bonds, payable on the Closing Date. The administrative fee is not pledged to payment of the Bonds and may be used by the Issuer for any proper purpose of the Issuer.

Upon the payment, prepayment, or incurrence of any such cost, expense, or liability described in this Section by any such party, the Additional Payments in respect thereof shall be payable upon written demand to the Borrower, which demand shall be accompanied by invoices or other appropriate documentation concerning the nature, amount and incurrence of such cost, expense or liability. If the Additional Payments payable under this Section are not paid by the Borrower within ten (10) days of the Borrower's receipt of such demand, such Additional Payments shall bear interest from such tenth date at the Interest Rate for Advances until the amount due shall have been fully paid.

limitation, any defense, set-off, recoupment or counterclaim which the Borrower may have or assert against the Issuer, the Trustee or any other Person; provided that the Borrower may contest in good faith the necessity for any Extraordinary Services and Extraordinary Expenses and the amount of any Ordinary Services, Ordinary Expenses, Extraordinary Services or Extraordinary Expenses.

**Section 4.5. The Borrower hereby agrees and consents to those assignments. The Issuer shall not attempt to further assign, transfer or convey its interest in the Issuer Revenues or this Loan Agreement or create any pledge or Lien of any form or nature with respect to the Issuer Revenues or Loan Payments hereunder.

## ARTICLE V

### ADDITIONAL AGREEMENTS AND COVENANTS

**Section 5.1. Right of Inspection.** At all reasonable times and upon reasonable notice, the Borrower shall allow any duly authorized representative of the Issuer or the Trustee to visit and inspect the Project, to examine and make copies of and from its books of record and account, and to discuss its affairs, finances, and accounts with its officers, and shall furnish to the Issuer and the Trustee any information reasonably required regarding its business affairs and financial condition within a reasonable time after receipt of written request therefor.

**Section 5.2. Borrower to Maintain Its Existence; Sales of Assets or Mergers.** The Borrower shall maintain its existence, not dissolve or sell, transfer or otherwise dispose of all or substantially all of its assets, not consolidate with or merge into another entity or permit one (1) or more other entities to consolidate with or merge into it, and not sell or transfer the Project; provided, that it may do so if the surviving, resulting or transferee entity is other than the Borrower, it assumes in writing all of the obligations of the Borrower under this Loan Agreement and the Regulatory Agreement and it has a net worth equal to or greater than that of the Borrower immediately prior to such consolidation, merger, sale or transfer or if the Bonds are repaid in full. Nothing herein contained shall limit the rights of (a) any direct or indirect owners of interests in the Borrower to (i) transfer, convey, sell or otherwise dispose (a "Transfer") their ownership interests to any Affiliate of such owner or of any other owner of interests in the Borrower, or in connection with any estate planning, or by operation of law, or (ii) make Transfers among and between themselves; or (b) the Borrower to make Transfers as otherwise permitted by (or subject to the terms and conditions set forth in) the Regulatory Agreement.

Notwithstanding anything to the contrary contained herein or in any other Subordinate Bond Document and subject to the consent of HUD and the FHA Lender prior to each occurrence to the extent such consent is required under the FHA Loan Documents, the following shall be permitted and shall not require the prior written approval of the Issuer or the Trustee, (a) the transfer by the Investor Limited Partner of its interest in Borrower in accordance with the terms of Borrower's agreement of limited partnership, as it may be amended from time to time (the "Partnership Agreement"); (b) the removal of the General Partner of the Borrower in accordance with the Partnership Agreement and the replacement thereof with the Investor Limited Partner, or any of its affiliates; (c) the transfer of ownership interests in the Investor Limited Partner; (d) the transfer of the interests of the Investor Limited Partner in the Borrower to the Borrower's General Partner or any of its affiliates; and (e) any amendment to the Partnership Agreement to memorialize the transfers or removal described above.

Nothing herein shall prohibit the transfer, sale or assignment of the general partnership interest held by General Partner in the Borrower to the Equity Bridge Lender in connection with the Equity Bridge Loan, which shall be permitted and shall not require the prior written approval of the Issuer or the Trustee.

**Section 5.3. Indemnification.** The Borrower releases the Issuer and the Trustee from, agrees that the Issuer and the Trustee shall not be liable for, and indemnifies, defends and holds the Issuer and the Trustee harmless from and against, all liabilities, claims, costs and expenses and reasonable attorneys' fees imposed upon, incurred or asserted against the Issuer or the Trustee on account of: (i) any loss or damage to property or injury to or death of or loss by any person that may be occasioned by any cause whatsoever pertaining to the acquisition, financing, construction, occupation, possession, management, equipping, furnishing, maintenance, operation and use of the Project or from any work or thing done in or about the Project site, or any sidewalks, passageways, driveways, curbs, vaults and vault space, streets or parking areas on the Project site or adjacent thereto; (ii) any breach or default on the part of the Borrower in the performance of any covenant or agreement of the Borrower under this Loan Agreement, the Regulatory

Agreement, the Note or any related document, or arising from any act or failure to act by the Borrower, or any of its agents, contractors, servants, employees or licensees; (iii) the Borrower's failure to comply with any requirement of this Loan Agreement, including the covenant in Section 5.4 hereof; (iv) any action taken or omitted to be taken by the Issuer or the Trustee under this Loan Agreement, the Indenture or the Regulatory Agreement; (v) the issuance of the Bonds; and (vi) any claim, action or proceeding brought with respect to any matter set forth in clause (i), (ii), (iii), (iv) or (v) above, provided, however, that the indemnification provided in this Section shall not apply to any matter arising or resulting from the gross negligence or willful misconduct of the party proposed to be indemnified hereunder.

The Borrower agrees to indemnify the Trustee for and to hold it harmless against all liabilities, claims, costs and expenses incurred without gross negligence or willful misconduct on the part of the Trustee, on account of any action taken or omitted to be taken by the Trustee in accordance with the terms of this Loan Agreement, the Bonds, the Regulatory Agreement, the Note or the Indenture or any action taken at the request of or with the consent of the Borrower, including the costs and expenses of the Trustee in defending itself against any such claim, action or proceeding brought in connection with the exercise or performance of any of its powers or duties under this Loan Agreement, the Bonds, the Indenture, the Regulatory Agreement or the Note.

In case any action or proceeding is brought against the Issuer or the Trustee in respect of which indemnity may be sought hereunder, the party seeking indemnity promptly shall give notice of that action or proceeding to the Borrower, and the Borrower upon receipt of that notice shall have the obligation and the right to assume the defense of the action or proceeding; provided, that failure of a party to give that notice shall not relieve the Borrower from any of its obligations under this Section unless that failure prejudices the defense of the action or proceeding by the Borrower. The indemnified party shall have the right to employ separate counsel in any such action or proceedings and to participate in the defense thereof, but, unless such separate counsel is employed with the approval and consent of the Borrower, or because the indemnified party has been advised by counsel that there may be a conflict of interest between the Borrower and the indemnified party, the Borrower shall not be required to pay the fees and expenses of such separate counsel. The Borrower shall not be liable for any settlement made without its consent, which consent shall not be unreasonably withheld, conditioned or delayed.

The indemnification set forth above is intended to and shall include the indemnification of all affected officials, directors, officers, agents, representatives and employees of the Issuer and the Trustee, respectively. That indemnification is intended to and shall be enforceable by the Issuer and the Trustee, respectively, to the full extent permitted by law.

**Section 5.4. Borrower Not to Adversely Affect Exclusion from Gross Income of Interest on Bonds.** The Borrower hereby represents that it has taken and caused to be taken, and covenants that it will take and cause to be taken, all actions that may be required of it, alone or in conjunction with the Issuer, for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes (other than interest on the Bonds for any period during which the Bonds are held by a "substantial user" of any facility financed with the proceeds of the Bonds or a "related person," as such terms are used in Section 147(a) of the Code), and represents that it has not taken or permitted to be taken on its behalf, and covenants that it will not take or permit to be taken on its behalf, any actions that would adversely affect such exclusion under the provisions of the Code.

**Section 5.5. Affirmative Covenants.** Unless the Issuer or the FHA Lender shall otherwise consent in writing:

(a) **Maintenance of Properties.** The Borrower shall maintain and preserve in good working order and condition, ordinary wear and tear and casualty loss excepted, all of its properties which are

necessary or useful in the proper conduct of its business, and shall from time to time make all necessary repairs, renewals, replacements, additions and improvements to said properties. All damage to apartment units shall be repaired promptly and apartment units shall be maintained so as to be available at all times for habitation.

(b) Keeping of Records and Books of Account. The Borrower shall keep adequate records and books of account in which complete entries will be made in accordance with GAAP or indicating deviations therefrom, reflecting all financial transactions. The Borrower shall deliver to the Trustee annually, not later than one hundred twenty (120) days following the end of the Borrower's fiscal year, commencing with the fiscal year ending in 2022, its year-end financial statements accompanied by a written statement of the Borrower that the Borrower has not violated any of the terms, covenants or provisions of this Loan Agreement insofar as it relates to accounting matters. The Trustee shall have no duty to review or analyze any such financial statements. The Trustee shall not be deemed to have notice of any information contained therein or event of default which may be disclosed in any manner therein.

(c) Payment of Taxes, Etc. The Borrower shall promptly pay and discharge all taxes, assessments, fees, and other Government charges or levies imposed upon it or upon any of its properties, income or profits, before the same shall become delinquent; all lawful claims of materialmen, mechanics, carriers, warehousemen, landlords and other similar Persons for labor, materials, supplies and rentals, which if unpaid might by law become a Lien upon its properties; any Indebtedness heretofore or hereafter incurred by it when due, and discharge, perform and observe covenants, provisions and conditions to be discharged, performed and observed by it in connection therewith, or in connection with any agreement or other instrument relating thereto or in connection with any Lien existing at any time upon any of its properties; provided, however, that the Borrower shall not be required to pay any of the foregoing if (a) the amount, applicability or validity thereof shall currently be contested in good faith by appropriate proceedings; (b) the Borrower shall have set aside on its books adequate reserves with respect thereto; and (c) the title of the Borrower to, and its right to use, its properties is not materially and adversely affected thereby. The Borrower hereby agrees that, in the event it fails to pay or cause to be paid taxes, assessments, fees and other Government charges or levies or the premium on any required insurance and such failure constitutes a default under the FHA Loan Documents, the Trustee may make such payment, but is not obligated to do so, and the Trustee shall be reimbursed by the Borrower therefor with interest on the amount so advanced at the Interest Rate for Advances as provided in Section 4.2 hereof.

(d) Insurance. The Borrower shall at all times maintain, or cause to be maintained, insurance of such types and in such amounts as required by the FHA Loan Documents.

(e) Notice of Material Litigation. The Borrower shall promptly notify the Issuer and a Responsible Officer of the Trustee in writing of any litigation, arbitration proceeding or administrative investigation, inquiry or other proceeding to which it may hereafter become a party or be subject to which may result in a change in the business or assets or in the condition, financial or otherwise, of the Borrower which would materially impair the ability of the Borrower to perform this Loan Agreement, the Regulatory Agreement, the Borrower guaranties or the Note, or any other agreement or instrument herein or therein contemplated.

(f) Notice of Default. In the event that any Event of Default occurs under this Loan Agreement, the Borrower shall give prompt notice in writing of such happening to a Responsible Officer of the Trustee.

(g) Performance of Contracts, Etc. Except to the extent contested in good faith, the Borrower shall perform according to and shall comply with all of its Contractual Obligations and all Requirements of Law if nonperformance thereof would result in a change in the business or assets or in the condition,

financial or otherwise, of the Borrower which would materially impair the ability of the Borrower to perform this Loan Agreement, the Regulatory Agreement or the Note or any other agreement or instrument herein or therein contemplated.

(h) Notice of Other Matters. The Borrower shall promptly notify a Responsible Officer of the Trustee in writing of any of the following events:

(i) Any event with respect to the business or assets or in the condition, financial or otherwise, of the Borrower which would materially impair the ability of the Borrower to perform its obligations under this Loan Agreement, the Regulatory Agreement or the Note or any other agreement or instrument herein or therein contemplated.

(ii) A default by the Borrower in any material respect under any material agreement to which the Borrower is a party or by which the Borrower or its properties or assets may be bound which would materially impair the ability of the Borrower to repay the Loan, giving in each case the details thereof and specifying the action proposed to be taken with respect thereto.

(i) Cooperation in Perfecting Security Interests, Etc. The Borrower shall promptly perform such acts as may be necessary or advisable to perfect and maintain any Lien provided for in this Loan Agreement or in any agreement or document contemplated herein or therein, or otherwise to carry out the intent of this Loan Agreement. The Borrower shall promptly execute, deliver and perform or cause to be done, executed, delivered and performed all such documents, instruments, agreements, things and acts, including, without limitation, financing statements, continuation statements and mortgages as may be necessary or advisable to perfect or maintain a Lien on any and all assets or rights owned by the Borrower, or any interest of the Borrower therein.

(j) Environmental Matters. The Borrower will take and continue to take prompt action to remedy all environmental pollution and contamination, hazardous waste disposal and other environmental cleanup problems, if any, whether or not such cleanup problems have resulted from the order or request of a municipal, state, federal, administrative or judicial authority, or otherwise. The foregoing covenant shall not constitute or create a waiver of any rights the Borrower may have to pursue any legal rights or remedies against any third party for any environmental claims.

(k) Non-discrimination. The Borrower will not discriminate, and will require each contractor, subcontractor and commercial tenant of the Project to covenant that it will not discriminate by reason of race, creed, color, handicap, national origin or sex in the employment of any Person employed by it in connection with the Project or working in or on the Project. The Borrower will require each manager of the Project to covenant that in the leasing of the Project it will not discriminate by reason of race, creed, color, handicap, national origin or sex.

(l) Patriot Act. The Borrower covenants and agrees to provide documentation as reasonably requested or required by the Trustee to enable the Trustee to comply with the requirements of the USA Patriot Act as described in Section 13.13 of the Indenture.

**Section 5.6. Additional Indebtedness.** The FHA Insured Mortgage Loan, the LCDA Loan, and the Equity Bridge Loan (each, as defined in the Indenture) are permitted Indebtedness. In addition, so long as no Event of Default or default hereunder shall have occurred and be continuing, the Borrower shall be permitted to incur any additional Indebtedness for any Project Cost or other costs associated with the Project or other obligation or payment due under this Loan Agreement, the Indenture or the Regulatory Agreement.

**Section 5.7. Nature of Business.** The Borrower will not change the general character of its business as conducted at the date hereof, or engage in any type of business not reasonably related to its business as normally conducted.

**Section 5.8. Cooperation in Enforcement of Regulatory Agreement.** In order to maintain the exclusion from gross income under federal tax law of interest on the Bonds and to assure compliance with the laws of the State (including the Act), the Borrower hereby agrees that it shall, concurrently with or before the execution and delivery of the Bonds, execute and deliver and cause to be recorded the Regulatory Agreement. The Borrower hereby covenants and agrees as follows:

- (a) to comply with all provisions of the Regulatory Agreement;
- (b) to advise the Issuer in writing promptly upon learning of any default with respect to the covenants, obligations and agreements of the Borrower set forth in the Regulatory Agreement;
- (c) upon written direction by the Issuer, to cooperate fully and promptly with the Issuer in enforcing the terms and provisions of the Regulatory Agreement; and
- (d) to file in accordance with the time limits established by the Regulatory Agreement all reports and certificates required thereunder, and the annual certification to the Secretary of the Treasury required by the Regulatory Agreement.

The Issuer shall not incur any liability in the event of any breach or violation of the Regulatory Agreement by the Borrower, and the Borrower agrees to indemnify the Issuer from any claim or liability for such breach pursuant to Section 5.3 hereof.

**Section 5.9. Tax-Exempt Status of the Bonds.**

(a) It is the intention of the Issuer and the Borrower that interest on the Bonds shall be and remain excludable from gross income for federal income taxation purposes, and to that end the covenants and agreements of the Borrower in this Section 5.9 are for the benefit of the owners of the Bonds and the Issuer.

(b) The Borrower covenants and agrees that it will not (i) use or permit the use of any of the funds provided by the Issuer hereunder or any other funds of the Borrower, directly or indirectly, in such manner as would, or (ii) enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the Bonds that would, or (iii) take or omit to take any other action that would, in each case cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(c) In the event that at any time the Borrower is of the opinion or becomes otherwise aware that for purposes of this Section 5.9 it is necessary to restrict or to limit the yield on the investment of any money held under the Indenture or otherwise by the Trustee, the Borrower shall determine the limitations and so instruct the Trustee in writing and cause the Trustee to comply with those limitations under the Indenture.

(d) The Borrower will take such action or actions as may be necessary to fully comply with the Tax Certificate and with Section 148 of the Code as applicable to the Bonds.

(e) The Borrower further agrees that it shall not discriminate on the basis of race, creed, color, sex, sexual preference, source of income (e.g. AFDC, SSI), physical disability, national origin or marital

status in the lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project, to the extent required by applicable State or federal law.

(f) The Borrower further warrants and covenants that it has not executed and will not execute any other agreement, or any amendment or supplement to any other agreement, with provisions contradictory to, or in opposition to, the provisions, of this Loan Agreement and of the Regulatory Agreement, and that in any event, the requirements of this Loan Agreement and the Regulatory Agreement are paramount and controlling as to the rights and obligations herein set forth and supersede any other requirements in conflict herewith and therewith.

(g) The Borrower will use due diligence to complete the acquisition, construction, and equipping of all of the units comprising the Project and reasonably expects to fully expend the entire \$9,886,000 principal amount of the Loan by the Initial Mandatory Tender Date.

(h) The Borrower will take such action or actions as necessary to ensure compliance with Section 2.2(e), (g), (h), (i), (l), (o), (p), and (q) hereof.

**Section 5.10. Useful Life.** The Borrower hereby represents and warrants that, within the meaning of Section 147(b) of the Code, the average maturity of the Bonds does not exceed one hundred twenty percent (120%) of the average reasonably expected economic life of the facilities being financed with the proceeds of the Bonds.

**Section 5.11. Federal Guarantee Prohibition.** The Borrower shall take no action, nor permit nor suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

**Section 5.12. Prohibited Facilities.** The Borrower represents and warrants that no portion of the proceeds of the Loan shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Loan shall be used for an office unless (a) the office is located on the premises of facilities constituting a portion of the Project; and (b) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

## ARTICLE VII

### EVENTS OF DEFAULT AND REMEDIES

**Section 7.1. Events of Default.** Each of the following shall be an Event of Default:

(a) The Borrower shall fail to pay any Loan Payment on or prior to the date on which that Loan Payment is due and payable or within the Loan Payment Cure Period;

(b) The Borrower shall fail to observe and perform any other agreement, term or condition contained in this Loan Agreement and the continuation of such failure for a period of thirty (30) days after written notice thereof shall have been given to the Borrower and the Investor Limited Partner by the Issuer or the Trustee, or for such longer period as the Issuer may agree to in writing; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within one hundred eighty (180) days after the aforementioned notice; provided that the Trustee is provided with a certification from the Borrower to the effect that such default cannot through the exercise of diligence be wholly cured within such thirty (30) day period but can be wholly cured and the Borrower has commenced or will promptly commence with due diligence and dispatch the curing of such default and shall thereafter prosecute and complete the same with due diligence and dispatch;

(c) The Borrower shall (i) admit in writing its inability to pay its debts generally as they become due; (ii) have an order for relief entered in any case commenced by or against it under the federal bankruptcy laws, as now or hereafter in effect, which is not dismissed within ninety (90) days; (iii) voluntarily commence a proceeding under any other federal or state bankruptcy, insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for ninety (90) days; (iv) make an assignment for the benefit of creditors; or (v) have a receiver or trustee appointed for it or for the whole or any substantial part of its property which appointment is not vacated within a period of ninety (90) days;

(d) Any representation or warranty made by the Borrower herein or any statement in any report, certificate, financial statement or other instrument furnished in connection with this Loan Agreement or with the purchase of the Bonds shall at any time prove to have been false or misleading in any adverse material respect when made or given; and

(e) There shall occur an “Event of Default” as defined in the Indenture or the Regulatory Agreement.

Notwithstanding the foregoing, if, by reason of Force Majeure, the Borrower is unable to perform or observe any agreement, term or condition hereof which would give rise to an Event of Default under subsection (b) above, the Borrower shall not be deemed in default during the continuance of such inability. However, the Borrower shall promptly give notice in writing to the Trustee and the Issuer of the existence of an event of Force Majeure and shall use commercially reasonable efforts to remove the effects thereof; provided that the settlement of strikes or other industrial disturbances shall be entirely within its discretion.

The term “Force Majeure” shall mean, without limitation, the following:

(i) acts of God; strikes, lockouts or other industrial disturbances; acts of terrorism or of public enemies; orders or restraints of any kind of the government of the United States of America or of the State

or any of their departments, agencies, political subdivisions or officials, or any civil or military authority; insurrections; civil disturbances; riots; epidemics; landslides; lightning; earthquakes; fires; hurricanes; tornados; storms; droughts; floods; arrests; restraint of government and people; explosions; breakage, malfunction or accident to facilities, machinery, transmission pipes or canals; partial or entire failure of utilities; shortages of labor, materials, supplies or transportation; or

- (ii) any cause, circumstance or event not reasonably within the control of the Borrower.

The declaration of an Event of Default under subsection (c) above, and the exercise of remedies upon any such declaration, shall be subject to any applicable limitations of federal bankruptcy law affecting or precluding that declaration or exercise during the pendency of or immediately following any bankruptcy, liquidation or reorganization proceedings.

**Section 7.2. Remedies on Default.** Whenever an Event of Default shall have happened and be subsisting, any one (1) or more of the following remedial steps may be taken:

- (a) If acceleration of the principal amount of the Bonds has been declared pursuant to Section 7.03 of the Indenture, the Trustee shall declare all Loan Payments to be immediately due and payable together with any other amounts payable by the Borrower under this Loan Agreement and the Note whereupon the same shall become immediately due and payable.

- (b) The Trustee may exercise any or all or any combination of the remedies specified in this Loan Agreement.

- (c) The Issuer or the Trustee may have access to, inspect, examine and make copies of the books, records, accounts and financial data of the Borrower pertaining to the Project.

- (d) The Issuer or the Trustee may pursue all remedies now or hereafter existing at law or in equity to collect all amounts then due and thereafter to become due under this Loan Agreement, the Regulatory Agreement and the Note or to enforce the performance and observance of any other obligation or agreement of the Borrower under those instruments.

Notwithstanding the foregoing, neither the Issuer nor the Trustee, as assignee of the Issuer, shall be obligated to take any step which in its respective opinion will or might cause it to expend time or money or otherwise incur liability unless and until a satisfactory indemnity bond has been furnished to the Issuer or the Trustee, as applicable, at no cost or expense to the Issuer or the Trustee. Any amounts collected as Loan Payments or applicable to Loan Payments and any other amounts which would be applicable to payment of Bond Debt Service Charges collected pursuant to action taken under this Section shall be paid into the Bond Fund and applied in accordance with the provisions of the Indenture or, if the Outstanding Bonds have been paid and discharged in accordance with the provisions of the Indenture, shall be paid as provided in Section 5.08 of the Indenture for transfers of remaining amounts in the Bond Fund.

The provisions of this Section are subject to the further limitation that the rescission by the Trustee of its declaration that all of the Bonds are immediately due and payable also shall constitute an annulment of any corresponding declaration made pursuant to subsection (a) above and a waiver and rescission of the consequences of that declaration and of the Event of Default with respect to which that declaration has been made, provided that no such waiver or rescission shall extend to or affect any subsequent or other default or impair any right consequent thereon.

**Section 7.3. No Remedy Exclusive.** No remedy conferred upon or reserved to the Issuer or the Trustee by this Loan Agreement is intended to be exclusive of any other available remedy or remedies, but

each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement, the Regulatory Agreement or the Note, or now or hereafter existing at law, in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair that right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Issuer or the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than any notice required by law or for which express provision is made herein.

**Section 7.4. Agreement to Pay Attorneys' Fees and Expenses.** As further provided in Section 4.2, if the Issuer or the Trustee should incur expenses, including reasonable attorneys' fees, in connection with the enforcement of this Loan Agreement, the Regulatory Agreement or the Note or the collection of sums due thereunder, the Borrower shall reimburse the Issuer and the Trustee, as applicable, for the expenses so incurred upon demand.

**Section 7.5. No Waiver.** No failure by the Issuer or the Trustee to insist upon the strict performance by the Borrower of any provision hereof shall constitute a waiver of their right to strict performance and no express waiver shall be deemed to apply to any other existing or subsequent right to remedy the failure by the Borrower to observe or comply with any provision hereof.

**Section 7.6. Notice of Default.** The Borrower shall notify the Issuer and a Responsible Officer of the Trustee immediately if it becomes aware of the occurrence of any Event of Default hereunder or of any fact, condition or event which, with the giving of notice or passage of time or both, would become an Event of Default.

**Section 7.7. Investor Limited Partner's Cure Rights.** The Issuer hereby agrees that any cure of any Event of Default hereunder made or tendered by the Investor Limited Partner shall be deemed to be cured by the Borrower, and shall be accepted or rejected by the Issuer on the same basis as if made or tendered by the Borrower.

Term of Agreement.** This Loan Agreement shall be and remain in full force and effect from the date of delivery of the Bonds to the Holder until such time as all of the Bonds shall have been fully paid (or provision made for such payment) pursuant to the Indenture and all other sums payable by the Borrower under this Loan Agreement and the Note shall have been paid, except for obligations of the Borrower under Sections 3.9, 4.2 and 5.3 hereof, which shall survive any termination of this Loan Agreement.

**Section 8.2. With respect to that principal of and interest on the Bonds to be paid from money paid to the Borrower pursuant to the preceding sentence, the Holders of the Bonds entitled to such money shall look solely to the Borrower for the payment of such money. Further, any amounts remaining in the Bond Fund, the Project Fund and any other special funds or accounts created under this Loan Agreement, the Regulatory Agreement or the Indenture after all of the Outstanding Bonds shall be deemed to have been paid and discharged under the provisions of the Indenture and all other amounts required to be paid under this Loan Agreement, the Note, the Regulatory Agreement and the Indenture have been paid, shall be paid to the Borrower to the extent that such money is in excess of the amounts necessary to effect the payment and discharge of the Outstanding Bonds.

**Section 8.3. Notices.** All notices, certificates, requests or other communications hereunder shall be given in the same manner as notices, certificates, requests and other communications are to be given under Section 13.03 of the Indenture.

**Section 8.4. Extent of Covenants of the Issuer; No Personal Liability.** All covenants, obligations and agreements of the Issuer contained in this Loan Agreement and the Indenture shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future member, officer, agent or employee of the Issuer or the City Council of the Issuer in other than his official capacity, and neither the members of the City Council of the Issuer nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof or by reason of the covenants, obligations or agreements of the Issuer contained in this Loan Agreement or in the Indenture.

**Section 8.5. Binding Effect.** This Loan Agreement shall inure to the benefit of and shall be binding in accordance with its terms upon the Issuer, the Borrower and their respective permitted successors and assigns provided that this Loan Agreement may not be assigned by the Borrower (except in connection with a sale or transfer of assets pursuant to Section 5.2 hereof) and may not be assigned by the Issuer except to the Trustee pursuant to the Indenture or as otherwise may be necessary to enforce or secure payment of Bond Debt Service Charges. This Loan Agreement may be enforced only by the parties, their assignees and others who may, by law, stand in their respective places.

**Section 8.6. Amendments and Supplements.** Except as otherwise expressly provided in this Loan Agreement or the Indenture, subsequent to the issuance of the Bonds and prior to all conditions provided for in the Indenture for release of the Indenture having been met, this Loan Agreement, the

Regulatory Agreement and the Note may not be effectively amended, changed, modified, altered or terminated except in accordance with the provisions of Article XI of the Indenture, as applicable.

**Section 8.7. Execution Counterparts.** This Loan Agreement may be executed in any number of counterparts, each of which shall be regarded as an original and all of which shall constitute but one (1) and the same instrument.

**Section 8.8. Severability.** If any provision of this Loan Agreement, or any covenant, obligation or agreement contained herein is determined by a court to be invalid or unenforceable, that determination shall not affect any other provision, covenant, obligation or agreement, each of which shall be construed and enforced as if the invalid or unenforceable portion were not contained herein. That invalidity or unenforceability shall not affect any valid and enforceable application thereof, and each such provision, covenant, obligation or agreement shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

**Section 8.9. Governing Law.** This Loan Agreement shall be deemed to be a contract made under the laws of the State and for all purposes shall be governed by and construed in accordance with the laws of the State.

**Section 8.10. Non-Recourse Obligations.** Notwithstanding anything to the contrary set forth herein, in the Note and in any other document delivered in connection herewith, it is hereby expressly agreed and understood that the obligations of the Borrower hereunder, under the Note and under every document executed and delivered in connection herewith, are non-recourse. Neither the Borrower nor any partner, member, officer, director or employee of the Borrower (each, a “Related Party”) shall have any personal liability for the repayment of the Loan. In furtherance thereof, the Issuer and the Trustee shall be entitled to look solely and exclusively to the Issuer Revenues, the Project and any income derived therefrom for the payment and other obligations of the Borrower hereunder, under the Note and all evidences of indebtedness secured hereby, and shall not seek a personal judgment against any partner, member, officer, director, or stockholder of the Borrower, provided that nothing herein shall relieve any such Related Party from liability for any of the following:

- (a) rent collected for more than one (1) month in advance and received by such Related Party and not applied to the reasonable operating requirements of the Project;
- (b) misappropriation or misapplication by such Related Party of insurance or eminent domain proceeds;

**Section 8.11. HUD-Required Provisions.** The Borrower and the Issuer acknowledge that this Loan Agreement and all the Borrower’s obligations hereunder are subject and subordinate to the FHA Loan Documents and the Program Obligations. Notwithstanding any provisions of this Loan Agreement to the contrary, no obligations of the Borrower hereunder shall be payable except from (a) Surplus Cash; (b) funds that are not derived from (1) revenues of the Project (as defined in the FHA Mortgage), (2) the proceeds of the FHA Note, or (3) any reserve or deposit made with the FHA Lender or any other party as required by

HUD in connection with the FHA Loan Documents; or (c) FHA Lender Funds which have been deposited into the Collateral Fund by or at the direction of the FHA Lender (collectively, “Non-Project Sources”). No claims or actions shall be made (or payable) under this Loan Agreement against the Project, the FHA Lender, the proceeds of the FHA Note, or the assets of the Borrower, except from Non-Project Sources. In addition, the rights and obligations of the parties under this Loan Agreement and all other documents evidencing, implementing, or securing this Loan Agreement (collectively, the “Subordinate Bond Documents”) are and shall be subordinated in all respects to the rights and obligations of the parties to and under the FHA Loan Documents. In the event of any conflict between the provisions of (i) this Loan Agreement or the Subordinate Bond Documents and (ii) the provisions of the FHA Loan Documents or the Program Obligations, the provisions of the FHA Loan Documents or the Program Obligations shall control. The provisions of this Section 8.11 shall control over any inconsistent provisions in this Loan Agreement or the Subordinate Bond Documents. This Loan Agreement shall not be amended or modified without the prior written consent of HUD.

**Section 8.12. Limitation on Liability of the Issuer.** The Issuer shall not be obligated to pay the principal of or interest on the Bonds, except from money and assets received by the Trustee on behalf of the Issuer pursuant to this Loan Agreement, or from amounts held by the Trustee under the Indenture. Neither the faith and credit nor the taxing power of the State or any political subdivision thereof, nor the full faith and credit of the Issuer is pledged to the payment of the principal of or interest on the Bonds. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Loan Agreement, the Note, the Bonds, the Indenture or the Regulatory Agreements except only to the extent amounts are received for the payment thereof from the Borrower under this Loan Agreement, or from amounts held by the Trustee under the Indenture.

The Borrower hereby acknowledges that the Issuer’s sole source of money to repay the Bonds will be provided by the payments made by the Borrower pursuant to this Loan Agreement, and amounts in certain funds and accounts held by the Trustee under the Indenture, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal of and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal of or interest on the Bonds, including but not limited to any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the Issuer or any third party, subject to any right of reimbursement from the Trustee, the Issuer or any such third party, as the case may be, therefor.

**Section 8.13. Waiver of Personal Liability.** No commissioner, officer, agent or employee of the Issuer shall be individually or personally liable for the payment of any principal of or interest on the Bonds or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Loan Agreement, but nothing herein contained shall relieve any such commissioner, member, officer, agent or employee from the performance of any official duty provided by law or by this Loan Agreement.

**Section 8.14. Delivery of Reports, Etc.** The delivery of reports, information and documents to the Issuer as provided herein is for informational purposes only and the Issuer’s receipt of such shall not constitute constructive knowledge of any information contained therein or determinable from information contained therein. The Issuer shall have no duties or responsibilities except those that are specifically set forth herein, and no other duties or obligations shall be implied in this Loan Agreement against the Issuer.

**Section 8.15. Audit Expenses.** The Borrower agrees to pay any costs incurred by the Issuer, including fees of Issuer’s counsel, as a result of an audit by the Issuer or the Issuer’s compliance with an

audit or inquiry of any kind, random or otherwise, by the Internal Revenue Service, the Minnesota Department of Revenue, the Minnesota Office of the State Auditor, or any other governmental agency with respect to the Bonds or the Project.

**Section 8.16. Investor Rider.** The rider attached as Exhibit F is incorporated herein.

**Section 8.17. Amendment to Original Loan Agreement.** This Loan Agreement amends, replaces and restates the Original Loan Agreement, but does not extinguish or constitute a modification of the Series A Bonds, the proceeds of which funded the Series A Loan (the “Existing Indebtedness”), which is evidenced by the Series A Note, and the liens and security interests securing the Existing Indebtedness shall continue in effect and secure the Series A Loan.

Under the Loan Agreement, the Issuer has loaned the Borrower a portion of the principal proceeds received from the sale of the Issuer’s Multifamily Housing Revenue Bonds (42nd & Central Apartments Project), Series 2022A (the “Bonds”), in the original aggregate principal amount of \$9,886,000 dated as of the date hereof, to assist in the financing of the Project, and the Borrower has agreed to repay such loan by making payments (the “Loan Payments”) at the times and in the amounts set forth in this Note for application to the payment of Bond Debt Service Charges on the Bonds as and when due. The Bonds have been issued, concurrently with the execution and delivery of this Note, pursuant to, and are secured by, the Indenture, and the Indenture has been assigned by the Issuer to the Trustee to secure the repayment of principal and interest on the Bonds and other amounts under the Indenture.

To provide funds to pay the principal of and interest on the Bonds as and when due as specified herein, the Borrower hereby agrees to and shall make Loan Payments in United States Federal Reserve funds on the fifth Business Day immediately preceding each Interest Payment Date in an amount equal to the Bond Debt Service Charges on the Bonds payable on the next succeeding Interest Payment Date related thereto. In addition, to provide funds to pay the Bond Debt Service Charges on the Bonds as and when due at any other time, the Borrower hereby agrees to and shall make Loan Payments in United States Federal Reserve funds on the fifth Business Day immediately preceding any other date on which any Bond Debt Service Charges on the Bonds shall be due and payable, whether at maturity, upon redemption, mandatory tender, acceleration or otherwise, in an amount equal to those Bond Debt Service Charges.

If payment or provision for payment in accordance with the Indenture is made in respect of the Bond Debt Service Charges on the Bonds from money other than Loan Payments, this Note shall be deemed paid to the extent such payments or provision for payment of Bonds has been made. Consistent with the provisions of the immediately preceding sentence, the Borrower shall have credited against its obligation to make Loan Payments any amounts transferred from the Project Fund or the Collateral Fund to the Bond Fund. Subject to the foregoing, all Loan Payments shall be in the full amount required hereunder.

All Loan Payments shall be made to the Trustee at its designated corporate trust office for the account of the Issuer and deposited in the Bond Fund created by the Indenture. Except as otherwise provided in the Indenture, the Loan Payments shall be used by the Trustee to pay the Bond Debt Service Charges on the Bonds as and when due.

The obligation of the Borrower to make the payments required hereunder shall be absolute and unconditional and the Borrower shall make such payments without abatement, diminution or deduction regardless of any cause or circumstances whatsoever including, without limitation, any defense, set-off, recoupment or counterclaim which the Borrower may have or assert against the Issuer, the Trustee or any other person.

This Note is subject to optional prepayment by the Borrower on the terms stated in the Loan Agreement.

Whenever an Event of Default under Section 7.01 of the Indenture shall have occurred and, as a result thereof, the principal of and any premium on all Bonds then Outstanding, and interest accrued thereon, shall have been declared to be immediately due and payable pursuant to Section 7.03 of the Indenture, the unpaid principal amount of and any premium and accrued interest on this Note shall also be due and payable in Federal Reserve funds on the date on which the principal of and premium and interest on the Bonds shall have been declared due and payable; provided that the annulment of a declaration of acceleration with respect to the Bonds shall also constitute an annulment of any corresponding declaration with respect to this Note.

The payment obligations of this Note are non-recourse to the Borrower to the extent set forth in Sections 8.10 and 8.11 of the Loan Agreement.

The Borrower, Trustee and Issuer acknowledge that, after closing of the FHA Insured Mortgage Loan, this Note, and all Borrower's obligations hereunder, will be subject and subordinate to the FHA Loan Documents: (i) Note (Multistate), dated as of June 1, 2022, from Borrower to FHA Lender, initially endorsed for mortgage insurance by the United States Department of Housing and Urban Development ("HUD") pursuant to Section 221(d)(4) of the National Housing Act, as amended (the "FHA Note"); (ii) Multifamily Mortgage, Assignment of Leases and Rents, and Security Agreement (Minnesota), dated as of the date of the FHA Note, from Borrower for the benefit of FHA Lender to secure the FHA Note (the "FHA Mortgage"); (iii) Regulatory Agreement for Multifamily Projects, dated as of the date of the FHA Note, between Borrower and HUD (the "HUD Regulatory Agreement"); and (iv) any and all other documents, agreements, or instruments which evidence or secure the indebtedness evidenced by the FHA Note. Notwithstanding any provision in this Note to the contrary, this Note shall not be due and payable prior to the maturity date of the FHA Note, provided that it may be prepaid at any time from (A) Surplus Cash (as defined in the HUD Regulatory Agreement), (B) funds that are not derived from revenues of the Project (as defined in the FHA Mortgage), the proceeds of the FHA Note, or any reserve or deposit made with the FHA Lender or any other party as required by HUD in connection with the FHA Loan Documents, or (C) FHA Lender Funds which have been deposited into the Collateral Fund by or at the direction of the FHA Lender (collectively, "Non-Project Sources"), but provided further that no prepayment of this Note is permitted prior to "placement in service" of the Project as such term is used in Section 42 of the Internal Revenue

Code of 1986, as amended. Payments due under this Note may only be paid from Surplus Cash (but in no event greater than seventy-five percent (75%) of the total amount of Surplus Cash) or from Non-Project Sources; provided that this restriction on payment shall not excuse any default caused by the failure of the Borrower to pay the indebtedness evidenced by this Note. In addition, (1) the indebtedness evidenced by this Note and all other documents evidencing or securing this Note (collectively, the "Subordinate Loan Documents") are and shall be subordinated in right of payment, to the prior payment in full of the indebtedness evidenced by the FHA Loan Documents, and (2) the Subordinate Loan Documents are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the FHA Mortgage and the other FHA Loan Documents and to all advances heretofore made or which may hereafter be made pursuant to the FHA Mortgage and the other FHA Loan Documents (including but not limited to, all sums advanced for the purposes of (a) protecting or further securing the lien of the FHA Mortgage, curing defaults by Borrower under the FHA Loan Documents or for any other purpose expressly permitted by the FHA Mortgage, or (b) constructing, rehabilitating, renovating, repairing, furnishing, fixturing, or equipping the Project).

In the event of any conflict between the provisions of (i) this Note or the Subordinate Loan Documents and (ii) the provisions of the FHA Loan Documents or the Program Obligations (as defined in the FHA Mortgage), the provisions of the FHA Loan Documents or the Program Obligations shall control.

IN WITNESS WHEREOF, the Borrower has caused this Note to be executed in its name as of the date first above written.

42 Central Limited Partnership, a Minnesota limited partnership (the “Borrower”), for value received, promises to pay in installments to the City of Columbia Heights, Minnesota, as Issuer (the “Issuer”) under an Amended and Restated Indenture of Trust, dated as of December 1, 2022 (the “Indenture”), between the Issuer and U.S. Bank Trust Company, National Association, a national banking association (the “Trustee”), the principal sum of

**FIVE HUNDRED SIXTY THOUSDAND AND 00/100 DOLLARS**

and to pay interest on the unpaid balance of such principal sum from and after the date hereof at the rate of [\_\_\_\_\_] % per annum, to but not including the Initial Mandatory Tender Date, and thereafter at the applicable Remarketing Rate until the payment of such principal sum has been made or provided for. The principal amount stated above shall be paid on or before the fifth Business Day immediately preceding the Maturity Date. Interest shall be calculated on the basis of a three hundred sixty (360) day year of twelve (12) equal months. Interest on this Note shall be paid in Federal Reserve funds on the fifth Business Day next preceding each January 1 and July 1 (the “Interest Payment Dates”), commencing July 1, 2023.

This Note has been executed and delivered by the Borrower to the Issuer pursuant to a certain Amended and Restated Loan Agreement, dated as of December 1, 2022 (the “Loan Agreement”), between the Issuer and the Borrower. Terms used but not defined herein shall have the meanings ascribed to such terms in the Indenture.

Under the Loan Agreement, the Issuer has loaned the Borrower a portion of the principal proceeds received from the sale of the Issuer’s Multifamily Housing Revenue Bonds (42nd & Central Apartments Project), Series 2022B (the “Bonds”), in the original aggregate principal amount of \$560,000 dated as of the date hereof, to assist in the financing of the Project, and the Borrower has agreed to repay such loan by making payments (the “Loan Payments”) at the times and in the amounts set forth in this Note for application to the payment of Bond Debt Service Charges on the Bonds as and when due. The Bonds have been issued, concurrently with the execution and delivery of this Note, pursuant to, and are secured by, the Indenture, and the Indenture has been assigned by the Issuer to the Trustee to secure the repayment of principal and interest on the Bonds and other amounts under the Indenture.

To provide funds to pay the principal of and interest on the Bonds as and when due as specified herein, the Borrower hereby agrees to and shall make Loan Payments in United States Federal Reserve funds on the fifth Business Day immediately preceding each Interest Payment Date in an amount equal to the Bond Debt Service Charges on the Bonds payable on the next succeeding Interest Payment Date related thereto. In addition, to provide funds to pay the Bond Debt Service Charges on the Bonds as and when due at any other time, the Borrower hereby agrees to and shall make Loan Payments in United States Federal Reserve funds on the fifth Business Day immediately preceding any other date on which any Bond Debt Service Charges on the Bonds shall be due and payable, whether at maturity, upon redemption, mandatory tender, acceleration or otherwise, in an amount equal to those Bond Debt Service Charges.

If payment or provision for payment in accordance with the Indenture is made in respect of the Bond Debt Service Charges on the Bonds from money other than Loan Payments, this Note shall be deemed paid to the extent such payments or provision for payment of Bonds has been made. Consistent with the provisions of the immediately preceding sentence, the Borrower shall have credited against its obligation to make Loan Payments any amounts transferred from the Project Fund or the Collateral Fund to the Bond Fund. Subject to the foregoing, all Loan Payments shall be in the full amount required hereunder.

All Loan Payments shall be made to the Trustee at its designated corporate trust office for the account of the Issuer and deposited in the Bond Fund created by the Indenture. Except as otherwise provided in the Indenture, the Loan Payments shall be used by the Trustee to pay the Bond Debt Service Charges on the Bonds as and when due.

The obligation of the Borrower to make the payments required hereunder shall be absolute and unconditional and the Borrower shall make such payments without abatement, diminution or deduction regardless of any cause or circumstances whatsoever including, without limitation, any defense, set-off, recoupment or counterclaim which the Borrower may have or assert against the Issuer, the Trustee or any other person.

This Note is subject to optional prepayment by the Borrower on the terms stated in the Loan Agreement.

Whenever an Event of Default under Section 7.01 of the Indenture shall have occurred and, as a result thereof, the principal of and any premium on all Bonds then Outstanding, and interest accrued thereon, shall have been declared to be immediately due and payable pursuant to Section 7.03 of the Indenture, the unpaid principal amount of and any premium and accrued interest on this Note shall also be due and payable in Federal Reserve funds on the date on which the principal of and premium and interest on the Bonds shall have been declared due and payable; provided that the annulment of a declaration of acceleration with respect to the Bonds shall also constitute an annulment of any corresponding declaration with respect to this Note.

The payment obligations of this Note are non-recourse to the Borrower to the extent set forth in Sections 8.10 and 8.11 of the Loan Agreement.

The Borrower, Trustee and Issuer acknowledge that, after closing of the FHA Insured Mortgage Loan, this Note, and all Borrower's obligations hereunder, will be subject and subordinate to the FHA Loan Documents: (i) Note (Multistate), dated as of June 1, 2022, from Borrower to FHA Lender, initially endorsed for mortgage insurance by the United States Department of Housing and Urban Development ("HUD") pursuant to Section 221(d)(4) of the National Housing Act, as amended (the "FHA Note"); (ii) Multifamily Mortgage, Assignment of Leases and Rents, and Security Agreement (Minnesota), dated as of the date of the FHA Note, from Borrower for the benefit of FHA Lender to secure the FHA Note (the "FHA Mortgage"); (iii) Regulatory Agreement for Multifamily Projects, dated as of the date of the FHA Note, between Borrower and HUD (the "HUD Regulatory Agreement"); and (iv) any and all other documents, agreements, or instruments which evidence or secure the indebtedness evidenced by the FHA Note. Notwithstanding any provision in this Note to the contrary, this Note shall not be due and payable prior to the maturity date of the FHA Note, provided that it may be prepaid at any time from (A) Surplus Cash (as defined in the HUD Regulatory Agreement), (B) funds that are not derived from revenues of the Project (as defined in the FHA Mortgage), the proceeds of the FHA Note, or any reserve or deposit made with the FHA Lender or any other party as required by HUD in connection with the FHA Loan Documents, or (C) FHA Lender Funds which have been deposited into the Collateral Fund by or at the direction of the FHA Lender (collectively, "Non-Project Sources"), but provided further that no prepayment of this Note is permitted prior to "placement in service" of the Project as such term is used in Section 42 of the Internal Revenue

Code of 1986, as amended. Payments due under this Note may only be paid from Surplus Cash (but in no event greater than seventy-five percent (75%) of the total amount of Surplus Cash) or from Non-Project Sources; provided that this restriction on payment shall not excuse any default caused by the failure of the Borrower to pay the indebtedness evidenced by this Note. In addition, (1) the indebtedness evidenced by this Note and all other documents evidencing or securing this Note (collectively, the "Subordinate Loan Documents") are and shall be subordinated in right of payment, to the prior payment in full of the indebtedness evidenced by the FHA Loan Documents, and (2) the Subordinate Loan Documents are and shall be subject and subordinate in all respects to the liens, terms, covenants and conditions of the FHA Mortgage and the other FHA Loan Documents and to all advances heretofore made or which may hereafter be made pursuant to the FHA Mortgage and the other FHA Loan Documents (including but not limited to, all sums advanced for the purposes of (a) protecting or further securing the lien of the FHA Mortgage, curing defaults by Borrower under the FHA Loan Documents or for any other purpose expressly permitted by the FHA Mortgage, or (b) constructing, rehabilitating, renovating, repairing, furnishing, fixturing, or equipping the Project).

In the event of any conflict between the provisions of (i) this Note or the Subordinate Loan Documents and (ii) the provisions of the FHA Loan Documents or the Program Obligations (as defined in the FHA Mortgage), the provisions of the FHA Loan Documents or the Program Obligations shall control.

### INVESTOR RIDER

### MORTGAGE LOAN RIDER

**THIS RIDER** is attached to and made a part of the Amended and Restated Loan Agreement, dated as of December 1, 2022, or other document(s) evidencing, securing and governing a loan in the amount of Nine Million Eight Hundred Eighty-Six Thousand and No/100 Dollars (\$9,886,000.00) and a loan in the amount of Five Hundred Sixty Thousand and No/100 Dollars (\$560,000.00) (individually or collectively as the context may dictate, the “Loan”) made to **42 CENTRAL LIMITED PARTNERSHIP**, a Minnesota limited partnership (“Borrower”) by **CITY OF COLUMBIA HEIGHTS, MINNESOTA**, a municipal corporation, home rule city, and political subdivision of the State of Minnesota (“Lender”) for the construction of sixty-two (62) units of affordable housing for families located at 800 42<sup>nd</sup> Avenue NE, Columbia Heights, Anoka County, Minnesota (the “Project”). The Amended and Restated Limited Partnership Agreement continuing the Partnership is referred to herein as the “Partnership Agreement”.

The parties hereto agree that the following covenants, terms and conditions shall be part of and shall modify or supplement each of the documents evidencing or securing the disbursement of the Loan (the “Loan Documents”), and that in the event of any inconsistency or conflict between the covenants, terms, and conditions of the Loan Documents and this Rider, the following covenants, terms and conditions shall control and prevail:

**1. General Partner Change.** The withdrawal, removal, transfer and/or replacement of the general partner of Borrower pursuant to the terms of the [First Amendment to] Amended and Restated Agreement of Limited Partnership of Borrower (“**Borrower’s Partnership Agreement**”) shall not require the consent of Lender nor constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan; provided that Borrower agrees to notify the Lender of any proposed replacement general partner prior to replacement, and, upon replacement, shall notify the Lender of the name and contact information of the replacement general partner within seven (7) days after the change has occurred.

**2. Non-Recourse Obligation.** The Loan is a non-recourse obligation of Borrower and its General Partner and Limited Partner. Neither Borrower nor the General Partner or Limited Partner shall have any personal liability for repayment of the Loan. The sole recourse of Lender under the Loan Documents for repayment of the Loan shall be the exercise of its rights against the Project and related security thereunder.

**3. Transfer of Limited Partner Interests.** Nothing in the Loan Documents shall limit or restrict the ability of Borrower’s limited partner, Bridgewater Bank, its successors and assigns (the “**Limited Partner**”) to transfer, sell or assign its ownership interest in Borrower, from time to time, without the consent of or notice to Lender, provided that the Limited Partner remains liable for payment of any then unpaid capital contributions to Borrower, as and when payable, as set forth in Borrower’s Partnership Agreement, notwithstanding any such transfer, sale or assignment. In particular, Lender hereby consents to any transfers, sales or assignments of limited partnership interests in Borrower to any affiliate of the Limited Partner or any entity in which the Limited Partner, or an affiliate, is the manager, managing member, or general partner and agrees that such transfers shall not constitute a default under the Loan Documents. However, the General Partner agrees to deliver written notice of the change in Limited Partner to Lender within seven (7) days after the change has occurred.

**4. Replacement of Management Agent.** The Lender acknowledges that Borrower’s Limited Partner has the right, under the Borrower’s Partnership Agreement, to direct the general partner to remove the

Project's property management agent. Borrower agrees to give Lender notice of the proposed replacement property management agent, and the Lender agrees to consent to same, assuming that such replacement property management agent is acceptable to Borrower's Limited Partner and has experience in managing projects occupied by low-income households pursuant to Section 42 of the Internal Revenue Code.

**5. Notice.** All notices to Borrower's Limited Partner shall be sent in accordance with the procedures for delivering notices set forth in the Loan Documents to the following address or such alternate or additional contact names and/or addresses of which Lender is so notified in writing by the Limited Partner:

Limited Partner:                      Bridgewater Bank  
4450 Excelsior Boulevard, Suite 100  
St. Louis Park, MN 55416  
Attn: Ross Wieser

With a copy to:                      Faegre Drinker Biddle & Reath LLP  
2200 Wells Fargo Center  
90 South Seventh Street  
Minneapolis, MN 55402  
Attn: Angela M. Christy

**6. Notice and Cure Rights.** The Lender agrees to give the Limited Partner written notice of any and all defaults by the Borrower under the Loan Documents, and an opportunity, at the Limited Partner's option, to cause the cure of such default within the cure periods set forth below, prior to exercising any remedies under the Loan Documents. The Lender agrees to accept cure by the Limited Partner as if such cure were made by Borrower.

**7. Monetary Default.** If a monetary Event of Default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder, Lender shall give Borrower and the Limited Partner, simultaneous written notice of such Event of Default, Borrower shall have a period of ten (10) days after such notice is given within which to cure the Event of Default prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents.

**8. Non-Monetary Default.** If a non-monetary Event of Default occurs under the terms of any of the Loan Documents, prior to exercising any remedies thereunder, Lender shall give Borrower and the Limited Partner simultaneous written notice of such Event of Default. If the Event of Default is reasonable capable of being cured within thirty (30) days, Borrower shall have such period to effect a cure prior to exercise of remedies by Lender under the Loan Documents, or such longer period of time as may be specified in the Loan Documents. If the Event of Default is such that it is not reasonably capable of being cured within thirty (30) days or such longer period if so specified, and if Borrower (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the Event of Default prior to exercise of any remedies by Lender. If Borrower fails to take corrective action or to cure the Event of Default within a reasonable time, Lender shall give Borrower and the Limited Partner written notice thereof, whereupon the Limited Partner may remove and replace the General Partner with a substitute General Partner who shall effect a cure within a reasonable time thereafter in accordance with the foregoing provisions. In no event shall Lender be precluded from exercising remedies if its security becomes or is about to become materially jeopardized by any failure to cure an Event of Default or the Event of Default is not cured within sixty (60) days after the first notice of the Event of Default is given, or such longer period of time as may be specified in the Loan Documents. Notwithstanding the foregoing, it shall not be a non-monetary Event of Default under the terms of any of the Loan Documents if (y) Borrower

defaults on an obligation to a third party and the amount subject to default is less than \$50,000.00 and (z) any guarantor defaults on an obligation to a third party.

**9. Cross-Default.** Lender shall not have the right to take any action against Borrower for a default of any party relating to a financing which is not secured by the Project.

**10. Insecurity.** Lender shall not take any actions against Borrower solely related to a default for “insecurity”.

**11. Casualty Condemnation, Etc.** In the event of any fire or other casualty to the Project or eminent domain proceedings resulting in condemnation of the Project or any part thereof, Borrower shall have the right to rebuild the Project, and to use all available insurance or condemnation proceeds therefor, provided that (a) such proceeds are sufficient to keep the Loan in balance and rebuild the Project in a manner that provides adequate security to Lender for repayment of the Loan or if such proceeds are insufficient then Borrower shall have funded any deficiency, (b) Lender shall have the right to approve plans and specifications for any rebuilding and the right to approve disbursements of insurance or condemnation proceeds for rebuilding under a construction escrow or similar arrangement, and (c) no Event of Default then exists under the Loan Documents. If the casualty or condemnation affects only part of the Project and total rebuilding is infeasible, then proceeds may be used for partial rebuilding and partial repayment of the Loan in a manner that provides adequate security to Lender for repayment of the remaining balance of the Loan.

**12. Partial Subordination to Section 42 Extended Use Agreement.** Notwithstanding anything in the Loan Documents to the contrary, if the Lender takes title to the Project through foreclosure or deed in lieu of foreclosure, the Project shall remain subject to the provisions of Section 42(h)(6)(E)(ii) of the Internal Revenue Code of 1986 (“Code”) or any similar successor provision of the Code. The Bonds shall bear interest for each Interest Period at the Interest Rate all as more specifically set forth hereinafter. The rate of interest determined in accordance with the previous sentence shall be the Remarketing Rate for the specified Remarketing Period; provided that if the rate of interest so determined for such period would exceed the Maximum Interest Rate, the Bonds Outstanding shall be remarketed for the longest Remarketing Period for which the minimum rate of interest that would enable such Bonds to be remarketed at a price equal to one hundred percent (100%) of the principal amount of such Bonds that would not exceed the Maximum Interest Rate. (d) Notice of Remarketing Rate. The Remarketing Agent shall, upon determination of the Remarketing Rate and Remarketing Period, immediately (and in no event later than the Business Day following the day on which the Remarketing Agent makes its determination of the Remarketing Rate and the Remarketing Period) give notice of its determination by telephone, telecopy, or e-mail promptly confirmed in writing, to the Trustee, the Issuer and the Borrower. All Bonds, unless a Supplemental Indenture shall have been executed and delivered pursuant to Section 8.02 hereof, shall be in fully registered form, and, except as provided in Section 3.05 hereof, the Holder of a Bond shall be regarded as the absolute owner thereof for all purposes of this Indenture.

The Bonds shall be negotiable instruments in accordance with the Act, and shall express the purpose for which they are issued and any other statements or legends which may be required by law. Each Bond shall be of a single maturity.

**Section 3.02. Execution and Authentication of Bonds.** Each Bond shall be signed on behalf of the Issuer by the Mayor and City Manager, each in his or her official capacity (provided that the signature may be a facsimile). In case any officer whose signature or a facsimile of whose signature shall appear on any Bond shall cease to be that officer before the issuance of the Bond, his or her signature or the facsimile thereof nevertheless shall be valid and sufficient for all purposes, the same as if such officer had remained in office until that time. Any Bond may be executed on behalf of the Issuer by an officer who, on the date of execution is the proper officer, although on the date of the Bond that person was not the proper officer.

No Bond shall be valid or become obligatory for any purpose or shall be entitled to any security or benefit under this Indenture unless and until a certificate of authentication, substantially in the forms set forth in EXHIBIT A-1 and EXHIBIT A-2, respectively, attached hereto, has been signed by the Trustee. The authentication by the Trustee upon any Bond shall be conclusive evidence that the Bond so authenticated has been duly authenticated and delivered hereunder and is entitled to the security and benefit of this Indenture. The certificate of the Trustee may be executed by any person authorized by the Trustee, but it shall not be necessary that the same authorized person sign the certificates of authentication on all of the Bonds.

**Section 3.03. Source of Payment of Bonds.** To the extent provided in and except as otherwise permitted by this Indenture, (a) the Bonds shall be special, limited obligations of the Issuer and the Bond Debt Service Charges thereon shall be payable equally and ratably solely from the Issuer Revenues, including but not limited to money and investments in the Special Funds; (b) the payment of Bond Debt Service Charges on the Bonds shall be secured by the assignment of Issuer Revenues hereunder and by this Indenture; and (c) payments due on the Bonds also shall be secured by the Notes. Notwithstanding anything to the contrary in the Bond Resolution, the Series B Bond Resolution, the Bonds or this Indenture, the Bonds do not and shall not represent or constitute a debt or pledge of the faith and credit or the taxing power of the Issuer or of the State or of any political subdivision, municipality or other local agency thereof.

**Section 3.04. Payment and Ownership of Bonds.** Bond Debt Service Charges shall be payable in lawful money of the United States of America without deduction for the services of the Trustee or the Paying Agent. Subject to the provisions of Section 3.09 hereof, (i) the principal of any Bond shall be payable when due to a Holder upon presentation and surrender of such Bond at the designated corporate trust office of the Trustee or at the office, designated by the Trustee, of the Paying Agent; and (ii) interest on any Bond shall be paid on the applicable Interest Payment Date by check or draft which the Trustee shall cause to be mailed on that date to the Person in whose name the Bond is registered on the Register at the close of business on the Regular Record Date applicable to that Interest Payment Date, at such Holder's

address appearing therein. Notwithstanding anything to the contrary herein or in any of the Borrower Documents, the Trustee is authorized to use funds on deposit in the Special Funds, as and when provided, to pay principal and interest on the Bonds when due. Notwithstanding the foregoing, the Bonds issued under this Indenture are subject to the procedures of the Depository.

If and to the extent, however, that the Issuer shall fail to make payment or provision for payment of interest on any Bond on any Interest Payment Date, that interest shall cease to be payable to the Person who was the Holder of that Bond as of the applicable Regular Record Date. In that event, except as provided below in this Section, when money becomes available for payment of the interest, (i) the Trustee shall, pursuant to Section 7.06(d) hereof, establish a Special Record Date for the payment of that interest which shall be not more than fifteen (15) nor fewer than ten (10) days prior to the date of the proposed payment, and (ii) the Trustee shall cause notice of the proposed payment and of the Special Record Date to be mailed by first-class mail, postage prepaid, to each Holder at its address as it appears on the Register not fewer than ten (10) days prior to the Special Record Date and, thereafter, the interest shall be payable to the Persons who are the Holders of the Bonds at the close of business on the Special Record Date.

Subject to the foregoing, each Bond delivered under this Indenture upon transfer thereof, or in exchange for or in replacement of any other Bond, shall carry the rights to interest accrued and unpaid, and to accrue on that Bond, or which were carried by that Bond.

Except as provided in this Section and the first paragraph of Section 3.06 hereof, (1) the Holder of any Bond shall be deemed and regarded as the absolute owner thereof for all purposes of this Indenture; (2) payment of or on account of the Bond Debt Service Charges on any Bond shall be made only to or upon the order of that Holder or its duly authorized attorney in the manner permitted by this Indenture; and (3) none of the Issuer, the Trustee, the Registrar nor the Paying Agent shall, to the extent permitted by law, be affected by notice to the contrary. All of those payments shall be valid and effective to satisfy and discharge the liability upon that Bond, including without limitation the interest thereon, to the extent of the amount or amounts so paid. Notwithstanding anything to the contrary herein or in any of the Bond Documents, the Trustee is authorized to use funds on deposit in the Special Funds, as and when provided, to pay principal and interest on the Bonds when due.

**Section 3.05. Registration, Transfer and Exchange of Bonds.** The Trustee shall cause the Register to be kept for the registration of Bonds and the registration of transfers of Bonds. The registration of any Bond may be transferred only upon an assignment duly executed by the registered holder or his or her duly authorized representative in such form and with guaranty of signature as shall be satisfactory to the Trustee, and upon surrender of such Bond to the Trustee for cancellation. Whenever any Bond or Bonds shall be surrendered for registration of transfer, the Issuer shall execute and the Trustee shall authenticate and deliver to the transferee a new Bond or Bonds of the same series and of Authorized Denomination or Denominations and for the amount of such Bond or Bonds so surrendered.

Any Bond may be exchanged at the designated office of the Trustee, for a new Bond or Bonds of an Authorized Denomination and for the aggregate amount of such Bond then remaining Outstanding.

In all cases in which the registration of Bonds shall be transferred or Bonds shall be exchanged hereunder, the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer or exchange, and all such taxes, fees or charges shall be Ordinary Expenses payable as scheduled pursuant to Section 6.03 hereof. The Trustee shall not be required to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal of and premium and

interest on any such Bond shall be made only to or upon the order of the holder thereof, or its legal representative, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums to be paid.

Transfers are subject to the requirements of the Depository as long as the Bonds are held in Book-Entry Form. Neither the Trustee nor any agent shall have any responsibility or liability for any actions taken or not taken by the Depository.

**Section 3.06. Mutilated, Lost, Wrongfully Taken or Destroyed Bonds.** If any Bond is mutilated, lost, wrongfully taken or destroyed, in the absence of written notice to the Issuer or the Registrar that a lost, wrongfully taken or destroyed Bond has been acquired by a bona fide purchaser, the Issuer shall execute, and the Registrar shall authenticate and deliver, a new Bond of like date, maturity, and denomination as the Bond mutilated, lost, wrongfully taken or destroyed; provided, that (a) in the case of any mutilated Bond, the mutilated Bond first shall be surrendered to the Registrar; and (b) in the case of any lost, wrongfully taken or destroyed Bond, there first shall be furnished to the Registrar evidence of the loss, wrongful taking or destruction satisfactory to the Registrar, together with indemnity satisfactory to the Registrar for the Trustee, the Registrar and the Issuer.

If any lost, wrongfully taken or destroyed Bond shall have matured, instead of issuing a new Bond, the Trustee may pay that Bond without surrender thereof upon the furnishing of satisfactory evidence and indemnity as the Registrar may require, as in the case of issuance of a new Bond. The Issuer, the Registrar and the Trustee may charge the Holder of a mutilated, lost, wrongfully taken or destroyed Bond their reasonable fees and expenses in connection with their actions pursuant to this Section.

Every new Bond issued pursuant to this Section by reason of any Bond being mutilated, lost, wrongfully taken or destroyed (i) shall constitute, to the extent of the Outstanding principal amount of the Bond lost, mutilated, taken or destroyed, an additional contractual obligation of the Issuer, regardless of whether the mutilated, lost, wrongfully taken or destroyed Bond shall be enforceable at any time by anyone and (ii) shall be entitled to all of the benefits of this Indenture equally and proportionately with any and all other Bonds issued and Outstanding hereunder.

All Bonds shall be held and owned on the express condition that the foregoing provisions of this Section are exclusive with respect to the replacement or payment of mutilated, lost, wrongfully taken or destroyed Bonds and, to the extent permitted by law, shall preclude any and all other rights and remedies with respect to the replacement or payment of negotiable instruments or other investment securities without their surrender, notwithstanding any law or statute to the contrary now existing or enacted hereafter.

**Section 3.07. Cancellation of Bonds.** Any Bond surrendered pursuant to this Article for the purpose of payment or retirement or for exchange, replacement or transfer shall be cancelled upon presentation and surrender thereof to the Registrar, the Trustee or the Paying Agent. Any Bond cancelled by the Trustee or the Paying Agent shall be transmitted promptly to the Registrar by the Trustee or Paying Agent.

The Issuer, or the Borrower on behalf of the Issuer, may deliver at any time to the Registrar for cancellation any Bonds previously authenticated and delivered hereunder, which the Issuer or the Borrower may have acquired in any manner whatsoever. All Bonds so delivered shall be cancelled promptly by the Registrar. Certification of the surrender and cancellation shall be made to the Issuer and the Trustee by the Registrar upon written request to the Registrar. Unless otherwise directed by the Issuer, cancelled Bonds shall be retained and stored by the Registrar for a period of two (2) years after their cancellation. Those cancelled Bonds shall be destroyed by the Registrar in accordance with the customary practices of the

Registrar at that time or at any earlier time directed by the Issuer. The costs of such storage, shredding, incineration and certification shall constitute Ordinary Expenses payable as scheduled pursuant to Section 6.03 hereof.

**Section 3.08. Special Agreement with Holders.** Notwithstanding any provision of this Indenture or of any Bond to the contrary, with the written approval of the Borrower, the Trustee may enter into an agreement with any Holder providing for making all payments to that Holder of principal of and interest on that Bond or any part thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner other than as provided in this Indenture and in the Bond, without presentation or surrender of the Bond, upon any conditions which shall be satisfactory to the Trustee and the Borrower; provided, that payment in any event shall be made to the Person in whose name a Bond shall be registered on the Register, with respect to payment of principal, on the date such principal is due, and, with respect to the payment of interest, as of the applicable Regular Record Date or Special Record Date, as the case may be.

The Trustee will furnish a copy of each of those agreements, certified to be correct by an officer of the Trustee, to the Registrar, the Issuer and the Borrower. Any payment of principal or interest pursuant to such an agreement shall constitute payment thereof pursuant to, and for all purposes of, this Indenture.

Notwithstanding the foregoing, the Bonds issued under this Indenture are subject to the procedures of the Depository.

**Section 3.09. Book-Entry Only System.** Notwithstanding any provision of this Indenture to the contrary, all Bonds issued hereunder shall be initially issued in a Book-Entry System, registered in the name of a Depository or its nominee as registered owner of the Bonds, and held in the custody of that Depository. Unless otherwise requested by a Depository, a single certificate will be issued and delivered to the Depository for each maturity of Bonds. Beneficial owners of Bonds in a Book-Entry System will not receive physical delivery of Bond certificates except as provided hereinafter. For so long as a Depository shall continue to serve as securities depository for the Bonds as provided herein, all transfers of beneficial ownership interests will be made by book-entry only, and no investor or other party purchasing, selling or otherwise transferring beneficial ownership of Bonds is to receive, hold or deliver any Bond certificate; provided; that, if a Depository fails or refuses to act as securities depository for the Bonds, the Trustee shall take the actions necessary to provide for the issuance of Bond certificates to the Holders of such Bonds.

With respect to Bonds registered in the name of a Depository, the Issuer, the Borrower and the Trustee shall have no responsibility or obligation to any participant therein or to any Person on whose behalf any participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, none of the Issuer, the Borrower or the Trustee shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository or any participant therein or any other Person, other than a registered owner of the Bonds, as shown on the registration books, or (ii) any notice with respect to the Bonds or (iii) the payment to any participant in the Depository or any other Person, other than a registered owner of the Bonds, as shown in the registration books, of any amount with respect to principal of or interest on or purchase price of the Bonds.

Replacement Bonds may be issued directly to beneficial owners of Bonds other than a Depository, or its nominee, but only in the event that (a) the Depository determines not to continue to act as securities depository for the Bonds (which determination shall become effective no less than ninety (90) days after written notice to such effect to the Issuer and the Trustee); or (b) the Trustee has advised a Depository of its determination (which determination is conclusive as to the Depository and beneficial owners of the Bonds) that the Depository is incapable of discharging its duties as securities depository for the Bonds; or (c) the Trustee has determined (which determination is conclusive as to the Depository and the beneficial

owners of the Bonds) that the interests of the beneficial owners of the Bonds might be adversely affected if such book-entry only system of transfer is continued. Upon occurrence of any of the foregoing events, the Borrower shall use commercially reasonable efforts to attempt to locate another qualified securities depository. If the Borrower fails to locate another qualified securities depository to replace the Depository, the Borrower, at the Borrower's expense, shall cause to be authenticated and delivered replacement Bonds, in certificate form, to the beneficial owners of the Bonds. In the event that the Trustee makes the determination noted in subsection (b) or (c) above (provided that the Trustee undertakes no obligation to make any investigation to determine the occurrence of any events that would permit the Trustee to make any such determination), and has made provisions to notify the beneficial owners of Bonds of such determination by mailing an appropriate notice to the Depository, it and the Borrower shall cause to be issued replacement Bonds in certificate form to beneficial owners of the Bonds as shown on the records of the Depository provided to the Trustee.

Upon the written consent of one hundred percent (100%) of the beneficial owners of the Bonds, the Trustee shall withdraw the Bonds from any Depository and authenticate and deliver Bonds fully registered to the assignees of that Depository or its nominee. If the request for withdrawal is not the result of any action or inaction by the Issuer, Trustee, or Borrower, such withdrawal, authentication and delivery shall be at the cost and expense (including costs of printing, preparing and delivering such Bonds) of the persons requesting such withdrawal, authentication and delivery; otherwise such withdrawal, authentication and delivery shall be at the cost and expense of the Borrower.

Whenever, during the term of the Bonds, the beneficial ownership thereof is determined by a book entry at a Depository, (i) the requirements in this Indenture of holding, delivering or transferring Bonds shall be deemed modified to require the appropriate Person or entity to meet the requirements of the Depository as to registering or transferring the book entry to produce the same effect; and (ii) delivery of the Bonds will be in accordance with arrangements among the Issuer, the Trustee and the Depository notwithstanding any provision of this Indenture to the contrary.

The Trustee and the Issuer shall enter into any letter of representation with a Depository to implement the Book-Entry System of bond registration described above.

Neither the Trustee nor any of its agents shall have any responsibility or liability for any actions taken or not taken by DTC.

## ARTICLE IV

### REDEMPTION, MANDATORY TENDER AND REMARKETING OF BONDS

**Section 4.01. Redemption of Bonds.** The Bonds are subject to redemption prior to maturity as provided in this Section.

(a) **Optional Redemption.** The Bonds are subject to optional redemption, in whole but not in part, at a price equal to the principal amount thereof plus accrued interest to the date fixed for redemption, on any Business Day on and after the later to occur of (i) January 1, 2024, the Optional Redemption Date; or (ii) the date the Borrower has provided written notice to the Trustee that the Project has been placed in service under Section 42 of the Code, in the event the Borrower prepays the Note and amounts are paid from the proceeds of refunding bonds or otherwise from Available Money upon the written direction of the Borrower delivered to the Issuer and the Trustee. Notwithstanding the foregoing, the Bonds shall not be subject to optional redemption unless there shall be in place at the time the Trustee gives this notice of redemption pursuant to Section 4.02 hereof arrangements enabling the Trustee to liquidate, if needed, on or prior to the date of redemption the Eligible Investments on deposit in the Special Funds, without need for further investment, for an aggregate amount of money sufficient to pay the redemption price of the Bonds on the date fixed for redemption.

(b) **Mandatory Redemption.** The Bonds are subject to mandatory redemption in whole at a redemption price of one hundred percent (100%) of the Outstanding principal amount thereof, plus accrued interest to the Redemption Date, on any Mandatory Tender Date upon the occurrence of any of the following events: (i) the Borrower has previously elected not to cause the remarketing of the Bonds; (ii) the conditions to remarketing set forth in this Indenture have not been met by the dates and times set forth in Section 4.05(b) or (d) hereof; or (iii) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (1) amounts on deposit in the Collateral Fund; (2) amounts on deposit in the Interest Account of the Bond Fund; (3) amounts on deposit in the Project Fund; and (4) any other Available Money available or made available for such purpose at the direction of the Borrower.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Bonds shall relate, in the case of any Bond redeemed or to be redeemed only in part, to the portion of the principal of such Bond that has been or is to be redeemed, provided, however, that Bonds shall be redeemed in part only in such amounts that the Bonds remaining Outstanding after a redemption shall in all events be in Authorized Denominations.

On each redemption date the Trustee shall transfer to the Registrar, but only from and to the extent of funds held by the Trustee hereunder available for such purpose, an amount sufficient to pay the redemption price of all Bonds or portions thereof to be redeemed on such redemption date.

**Section 4.02. Notice of Redemption.**

(a) Not less than twenty (20) days prior to the redemption date, the Trustee shall give written notice of redemption to the Holders (with a copy to the Borrower, the Investor Limited Partner, and the Remarketing Agent) by first class mail, postage prepaid, at their respective addresses appearing on the Register. The notice shall state:

- (1) the redemption date;

- (2) the redemption price;
- (3) if less than all Outstanding Bonds are to be redeemed, the identification by designation, letters, numbers or other distinguishing marks (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed;
- (4) that on the redemption date the redemption price of each such Bond will become due and payable to the extent of funds on deposit with the Trustee for that purpose, and that interest on the principal amount of each such Bond to be redeemed shall cease to accrue on such date;
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the office of the Trustee designated in such notice; and
- (6) such additional information as the Issuer shall deem appropriate.

(b) In addition to the foregoing notice, further notice shall be given by the Trustee as set out below, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption and in addition (i) the complete official title, including series designation, delivery date, interest rate and maturity date of each Bond being redeemed; (ii) the certificate and CUSIP number of each such Bond, and, in the case of a partial redemption, the amount of the principal represented by each such certificate that is being redeemed; (iii) the date of mailing of official notice of redemption; and (iv) any other descriptive information needed to identify accurately the Bonds being redeemed. Further notices of redemption shall be sent by first-class mail.

(c) Further notices of redemption shall be sent by first-class mail or overnight delivery service to any Holder owning, on the date such notice is sent, Bonds in the aggregate principal amount of \$1,000,000 or more.

(d) If the Bonds are not then being held under a book-entry system, each further notice of redemption shall be sent at least twenty (20) days before the redemption date by first-class mail or overnight delivery service to the Securities Depositories and to the Information Services. This further notice of redemption sent to the Securities Depositories pursuant to the preceding sentence shall be sent at such time as shall insure that such notice is received at least two (2) Business Days before official notice of such redemption is received.

(e) In the event the Bonds are called for redemption under circumstances resulting in discharge of this Indenture under Section 9.02 hereof more than ninety (90) days before the redemption date, additional official and further notice of redemption satisfying the requirements of this Section shall be given not less than twenty (20) nor more than sixty (60) days prior to such redemption date.

(f) Failure to give any official or further notice or any defect therein shall not affect the validity of the proceedings for redemption of any Bond with respect to which no such failure or defect has occurred or exists.

Any notice of the redemption of Bonds may state that such notice is conditional and that if the conditions for redemption of such Bonds on the scheduled redemption date are not satisfied (including the availability of funds sufficient to redeem such Bonds), such Bonds will not be redeemed on such date and any Bonds tendered for payment on such date will be returned to the Holders thereof.

Notwithstanding the foregoing, as long as the Bonds are in book-entry form notice of redemption will be given in accordance with the requirements of DTC.

Notice of redemption having been given as aforesaid, except as provided below, the principal amount of the Bonds so to be redeemed shall become due and payable on the redemption date at the redemption price specified, and on and after such date (unless the Issuer shall default in the payment of the redemption price) such principal amount of the Bonds shall cease to bear interest. Upon surrender of any such Bond for redemption in accordance with such notice, such Bond shall be paid at the redemption price thereof to the extent that money is on deposit with the Registrar for that purpose. Neither the failure of a Holder to receive such notice nor any defect in any notice shall affect the sufficiency of the proceedings for such redemption. If any Bond called for redemption shall not be so paid on the redemption date upon proper surrender of the Bond for redemption, the redemption price and, to the extent lawful, interest thereon shall, until paid, bear interest from the redemption date at the rate borne by the Bond immediately before the redemption date.

If any Bond is to be redeemed only in part, it shall be surrendered to the Registrar (with, due endorsement by, or a written instrument of transfer in form satisfactory to the Registrar duly executed by, the Holder thereof or its attorney duly authorized in writing) and the appropriate officers of the Issuer shall execute and the Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds of the same interest rate and of any Authorized Denomination or Authorized Denominations, as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond surrendered.

#### **Section 4.03. Mandatory Tender.**

(a) Mandatory Tender for Purchase. All Outstanding Bonds shall be subject to mandatory tender by the Holders for purchase in whole and not in part on each Mandatory Tender Date. The purchase price for each such Bond shall be payable in lawful money of the United States of America by check or draft, shall equal one hundred percent (100%) of the principal amount to be purchased and accrued interest, if any, to the Mandatory Tender Date, and shall be paid in full on the applicable Mandatory Tender Date.

(b) Mandatory Tender Dates. The Mandatory Tender Dates shall consist of (i) the Initial Mandatory Tender Date; and (ii) any subsequent dates for mandatory tender of the Bonds established by the Borrower with the consent of the Remarketing Agent in connection with a remarketing of the Bonds pursuant to Section 4.05 hereof.

(c) Holding of Tendered Bonds. While tendered Bonds are in the custody of the Trustee pending purchase pursuant hereto, the tendering Holders thereof shall be deemed the owners thereof for all purposes, and interest accruing on tendered Bonds through the day preceding the applicable Mandatory Tender Date is to be paid as if such Bonds had not been tendered for purchase.

(d) Effect of Prior Redemption. Notwithstanding anything herein to the contrary, any Bond tendered under this Section 4.03 will not be purchased if such Bond matures or is redeemed on or prior to the applicable Mandatory Tender Date.

(e) Purchase of Tendered Bonds. The Trustee shall utilize the following sources of payments to pay the tender price of the Bonds not later than 2:30 p.m. Local Time on the Mandatory Tender Date in the following priority: (i) amounts representing proceeds of remarketed Bonds deposited in the Remarketing Proceeds Account, to pay the principal amount, plus accrued interest, of Bonds tendered for purchase; (ii) amounts on deposit in the Collateral Fund, to pay the principal amount of Bonds tendered for purchase; (iii) amounts on deposit in the Interest Account of the Bond Fund to pay the accrued interest, if

any, on Bonds tendered for purchase; (iv) amounts on deposit in the Project Fund to pay the accrued interest, if any, on the Bonds tendered for purchase; and (v) any other Available Money available or made available for such purpose at the written direction of the Borrower.

(f) Undelivered Bonds. Bonds shall be deemed to have been tendered for purposes of this Section 4.03 whether or not the Holders shall have delivered such Undelivered Bonds to the Trustee, and subject to the right of the Holders of such Undelivered Bonds to receive the purchase price of such Bonds and interest accrued thereon to the Mandatory Tender Date, such Undelivered Bonds shall be null and void. If such Undelivered Bonds are to be remarketed, the Trustee shall authenticate and deliver new Bonds in replacement thereof pursuant to the remarketing of such Undelivered Bonds.

#### **Section 4.04. Mandatory Tender Notice.**

(a) Notice to Holders. Not less than twenty (20) days preceding a Mandatory Tender Date, the Trustee shall give written notice of mandatory tender to the Holders of the Bonds then Outstanding (with a copy to the Borrower, the Investor Limited Partner, and the Remarketing Agent) as set forth in EXHIBIT B attached hereto by e-mail or first-class mail, postage prepaid, at their respective addresses appearing on the Register stating:

(i) the Mandatory Tender Date and that (1) all Outstanding Bonds are subject to mandatory tender for purchase on the Mandatory Tender Date; (2) all Outstanding Bonds must be tendered for purchase no later than 12:00 Noon Local Time on the Mandatory Tender Date; and (3) Holders will not have the right to elect to retain their Bonds;

(ii) the address of the designated office of the Trustee at which Holders should deliver their Bonds for purchase and the date of the required delivery;

(iii) that all Outstanding Bonds will be purchased on the Mandatory Tender Date at a price equal to the principal amount of the Outstanding Bonds plus interest accrued to the Mandatory Tender Date; and

(iv) any Bonds not tendered will nevertheless be deemed to have been tendered and will cease to bear interest from and after the Mandatory Tender Date.

(b) Second Notice. If the Bonds are not in the Book-Entry System and in the event that any Bond required to be delivered to the Trustee for payment of the purchase price of such Bond shall not have been delivered to the Trustee on or before the thirtieth day following a Mandatory Tender Date, the Trustee shall e-mail or mail a second notice to the Holder of the Bond at its address as shown on the Register setting forth the requirements set forth in this Indenture for delivery of the Bond to the Trustee and stating that delivery of the Bond to the Trustee (or compliance with the provisions of this Indenture concerning payment of lost, stolen or destroyed Bonds) must be accomplished as a condition to payment of the purchase price or redemption price applicable to the Bond.

(c) Failure to Give Notice. Neither failure to give or receive any notice described in this Section 4.04, nor the lack of timeliness of such notice or any defect in any notice (or in its content) shall affect the validity or sufficiency of any action required or provided for in this Section 4.04.

#### **Section 4.05. Remarketing of Bonds.**

(a) Notice of Mandatory Tender. No later than 11:00 a.m. Local Time on the thirty-fifth day prior to each Mandatory Tender Date, the Trustee shall give notice to the Borrower, the Investor Limited

Partner and the Remarketing Agent by telephone or telecopy, confirmed on the same day in writing, which states the aggregate principal amount of Bonds which are to be tendered or deemed to be tendered pursuant to Section 4.03 hereof.

(b) Preliminary Conditions to Remarketing. No later than 11:00 a.m. Local Time on the fifteenth day prior to the Mandatory Tender Date then in effect, the Borrower may give notice to the Remarketing Notice Parties by telephone or telecopy, confirmed on the same day in writing, that it elects to cause the Bonds to be remarketed. A remarketing of the Bonds shall be permitted only if the following conditions are satisfied no later than the time the foregoing election notice is given:

(i) Notice by the Borrower to the Remarketing Agent of the Remarketing Period pursuant to Section 3.10 of the Loan Agreement;

(ii) Delivery to the Trustee, the Rating Agency, and the Remarketing Agent of a preliminary Cash Flow Projection with respect to the proposed Remarketing Period; and

(iii) The Issuer and the Borrower shall each have notified the Trustee in writing that it has approved as to form and substance any disclosure document or offering materials which, in the Opinion of Counsel to the Remarketing Agent, is necessary to be used in connection with the remarketing of the Outstanding Bonds.

(c) Remarketing. Not less than ten (10) days before each Remarketing Date, the Remarketing Agent shall offer for sale and use its best efforts to sell the Bonds Outstanding on the Remarketing Date at a price equal to one hundred percent (100%) of the principal amount of such Bonds plus, if such Remarketing Date is a date other than an Interest Payment Date, accrued interest on such Bonds from the preceding Interest Payment Date to which interest has been paid. Not less than four (4) Business Days before each Remarketing Date, the Remarketing Agent shall give notice, by telephone or telecopy, promptly confirmed in writing, to the Remarketing Notice Parties specifying the principal amount of Bonds, if any, it has remarketed (including Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account), the Remarketing Rate(s) and the Remarketing Period applicable to the Bonds.

The Remarketing Agent shall have the right to remarket any Bond tendered pursuant to Section 4.03 hereof; provided, however, that no such Bond shall be remarketed at a price less than one hundred percent (100%) of the principal amount thereof plus accrued interest (if any) without the prior written consent of the Borrower; and provided, further, that the purchase price of any Bond paid to the tendering Holder allocable to such discount shall be paid with Available Money made available by the Borrower therefor and on deposit with the Trustee prior to the remarketing of such Bonds. The Remarketing Agent shall have the right to purchase any Bond tendered or deemed tendered pursuant to Section 4.03 hereof at one hundred percent (100%) of the principal amount thereof, and to thereafter sell such Bond. Any such purchase shall constitute a remarketing hereunder.

The Remarketing Agent shall not remarket any Bond to the Issuer, the Borrower, any guarantor of the Bonds or any person which is an “insider” of the Issuer, Borrower, or any such guarantor within the meaning of the Bankruptcy Code.

(d) Final Conditions to Remarketing.

(i) If, not less than four (4) Business Days preceding the Remarketing Date:

(1) the Remarketing Agent shall have notified the Trustee in writing of the remarketing of the Outstanding Bonds and that the proceeds from the remarketing (including

proceeds of remarketing of Outstanding Bonds to be purchased by the Remarketing Agent on the Remarketing Date for its own account) or other funds equal to the amount needed to purchase the remarketed Bonds on the Remarketing Date are expected to be available to the Trustee on the Remarketing Date for deposit into the Remarketing Proceeds Account;

(2) the Trustee shall have received written confirmation that the Rating Agency shall have received and approved a Cash Flow Projection based on the interest rate(s) to be in effect with respect to the Outstanding Bonds on and after the Remarketing Date;

(ii) If, not less than two (2) Business Days preceding the Remarketing Date:

(1) there shall be on deposit with the Trustee, from Available Money provided by the Borrower, an amount sufficient to pay the Extension Payment set forth in the Cash Flow Projection for deposit to the Interest Payment Account of the Bond Fund with respect to the payment of Bond Service Charges during the new Remarketing Period; and

(2) there shall either (A) be on deposit with the Trustee, from Available Money provided by the Borrower an amount sufficient to pay the estimated Remarketing Expenses as certified in writing to the Trustee by the Borrower for deposit in the Costs of Issuance Fund; or (B) the Remarketing Agent shall have certified in writing to the Trustee that provision for the payment of the estimated Remarketing Expenses shall have been made to the satisfaction of the Remarketing Agent;

then the Trustee shall promptly give notice, by telephone or telecopy, which notice shall be immediately confirmed in writing, to the Remarketing Agent, the Borrower and Investor Limited Partner that (1) all conditions precedent to the remarketing of the Outstanding Bonds have been satisfied; and (2) the sale and settlement of the Outstanding Bonds is expected to occur on the Remarketing Date. Following the Trustee's notice, the Outstanding Bonds shall be sold to the purchasers identified by the Remarketing Agent for delivery and settlement on the Remarketing Date, and the Trustee shall apply the funds in the Remarketing Proceeds Account of the Bond Fund on the Remarketing Date to payment of the purchase price of the Outstanding Bonds.

(e) Failure to Satisfy Final Conditions. If, not less than four (4) Business Days preceding a Remarketing Date, any condition set forth in subsection (d) above has not been satisfied, then, unless the Outstanding Bonds are otherwise purchased on the Remarketing Date the Remarketing Agent shall not sell any of the Outstanding Bonds on the Remarketing Date.

(f) Remarketing Proceeds. No later than 11:00 a.m. Local Time on each Remarketing Date, the Remarketing Agent shall pay to the Trustee, in immediately available funds, the proceeds theretofore received by the Remarketing Agent from the remarketing of Bonds tendered for purchase on such Remarketing Date; provided, that the Remarketing Agent may use its best efforts to cause the purchasers of the remarketed Bonds to pay the purchase price plus accrued interest (if any) to the Trustee in immediately available funds. The proceeds from the remarketing of the Bonds shall be segregated from any funds of the Borrower and the Issuer and shall in no case be considered to be or be assets of the Borrower or the Issuer. Funds representing remarketing proceeds received by the Remarketing Agent after 11:00 a.m. Local Time on each Remarketing Date shall be paid to the Trustee as soon as practicable upon such receipt.

(g) Delivery of Purchased Bonds. On or before the Business Day next preceding each Remarketing Date, the Remarketing Agent, by telephonic advice, shall notify the Trustee of (i) the principal amount of Bonds to be sold by the Remarketing Agent pursuant to this Section 4.05 and the purchase price,

and, unless the Bonds are then in the Book Entry System, the names, addresses and social security numbers or other tax identification numbers of the proposed purchasers thereof; and (ii) the principal amount of Bonds tendered for purchase on such Remarketing Date which will not be sold by the Remarketing Agent pursuant to this Section 4.05. Such telephonic advice shall be confirmed by written notice delivered or electronically communicated at the same time as the telephonic advice.

Bonds purchased by the Trustee on a Mandatory Tender Date that have been remarketed shall be delivered to the purchasers thereof as directed by the Remarketing Agent. Bonds delivered as provided in this Section shall be registered in the manner directed in writing by the recipient thereof.

**Section 4.06. Cancellation of Bonds.** The Trustee shall immediately cancel Bonds if the tender price of the Bonds is paid from amounts other than proceeds derived from the remarketing of the Bonds.

### PROVISIONS AS TO FUNDS, PAYMENTS, PROJECT AND AGREEMENT

#### **Section 5.01. Creation of Funds; Allocation of Bond Proceeds.**

(a) The funds and accounts described in this Section, designated as indicated are created by this Section 5.01. Each fund is to be maintained in the custody of the Trustee as a separate account. The funds and accounts are:

- (1) the Bond Fund designated “Bond Fund,” and therein, the “Interest Account,” the “Series A Account,” the “Series B Account,” and the “Remarketing Proceeds Account”;
- (2) the Project Fund designated “Project Fund”;
- (3) the Collateral Fund designated “Collateral Fund”;
- (4) the Costs of Issuance Fund designated “Costs of Issuance Fund”; and
- (5) the Rebate Fund designated “Rebate Fund.”

(b) The proceeds of the sale of the Series A Bonds (including without limitation, premium, if any, and interest accrued thereon) in the amount of \$9,886,000 shall be deposited with the Trustee on the Series A Closing Date for deposit to the Project Fund, and the proceeds of the sale of the Series B Bonds (including without limitation, premium, if any, and interest accrued thereon) in the amount of \$560,000 shall be deposited with the Trustee on the Series B Closing Date for deposit to the Project Fund. In addition, the Trustee shall cause the Initial Deposit (consisting of Available Moneys) to be deposited in the Interest Account of the Bond Fund.

**Section 5.02. Application of Loan Payments.** So long as there are any Outstanding Bonds, any payments made by the Borrower pursuant to the Note and the Loan Agreement shall be paid on each Loan Payment Date directly to the Trustee and deposited into the Bond Fund, to be used to pay the interest and principal (if any) on the Bonds on the next succeeding Interest Payment Date; provided that so long as there are amounts available therefor, for purposes of paying interest on the Loan when due the Trustee shall debit the Interest Account in the amount of interest due on the Bonds on each Interest Payment Date and transfer the same to the Bond Fund to pay interest due on the Bonds on each Interest Payment Date; and provided further that so long as there are amounts available therefor, for purposes of making principal payments on the Loan when due the Trustee shall debit the Collateral Fund and transfer the same to the Bond Fund to pay the principal of the Bonds on the date set for redemption of the Bonds or payment of the Bonds on the Maturity Date.

#### **Section 5.03. Disbursements from the Project Fund.**

(a) Requisitions. Subject to the provisions of this subsection (a) and subsection (b) below, the Trustee shall make disbursements from the Project Fund to pay Project Costs only upon the receipt of a written request of the Borrower in accordance with the Disbursing Agreement, the Loan Agreement and this Indenture substantially in the form attached as Exhibit F to the Loan Agreement (a “Disbursement Request”).

(b) Project Fund. When the Trustee receives a Disbursement Request for a disbursement from the Project Fund in accordance with the provisions of subsection (a) above and Sections 3.4 and 3.5 of the Loan Agreement and the Disbursing Agreement, subject to the following paragraph, the Trustee shall confirm that Available Money equal to or greater than the sum of (i) the amount set forth in the Disbursement Request and (ii) all prior disbursements made, is on deposit in the Collateral Fund. Upon confirmation of the items above, the Trustee shall thereafter disburse the funds from the Project Fund to pay Project Costs in the requested amount pursuant to the Disbursement Request directly to (a) the FHA Lender, or at the direction of the FHA Lender as provided in Section 3.5(d) of the Loan Agreement, to the extent the corresponding deposit of Available Money to the Collateral Fund was made by or at the direction of the FHA Lender (as confirmed in the Disbursement Request); or (b) the Borrower (or any other party designated in the Disbursement Request), to the extent the corresponding deposit of Available Money to the Collateral Fund was made by or at the direction of the Borrower or such other party. Any interest earnings on the Project Fund shall be credited to the Interest Account of the Bond Fund.

To the extent money on deposit in the Project Fund is invested in Eligible Investments, the Trustee is authorized to make the following allocations and exchanges, which allocations and exchanges shall occur prior to the disbursement of amounts on deposit in the Project Fund to pay Project Costs: (i) allocate all or a portion of the Eligible Investments in the Project Fund, in the amount specified in the Disbursement Request, to the Collateral Fund; and (ii) transfer a like amount from the Collateral Fund to the Project Fund.

There shall be deposited in the Collateral Fund Available Money in such amounts as may be necessary to allow the Trustee to disburse funds from the Project Fund, pursuant to this Section 5.03, upon the Trustee's receipt of a Disbursement Request from the Borrower to pay Project Costs.

For purposes of complying with the requirements of this Section, the Trustee may conclusively rely and shall be protected in acting or refraining from acting upon the form of Disbursement Request, which may be submitted by email (PDF) or facsimile. All payments made from the Project Fund shall be presumed by the Trustee to be made for the purposes certified in said written requests, and the Trustee shall not be required to see to the application of any payments made from the Project Fund or to inquire into the purposes for which withdrawals are being made from the Project Fund. The Trustee shall not be bound to make an investigation into the facts or matters stated in any form of Disbursement Request. The Trustee shall not be responsible for determining whether the funds on hand in the Project Fund are sufficient to complete the Project. The Trustee shall not be responsible to collect lien waivers. The Trustee shall have no responsibility whatsoever to disburse or transfer funds absent written instructions from the Borrower. The Trustee shall not be liable or accountable for the use or application by the Borrower of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this section.

Notwithstanding anything in this Indenture or in the Loan Agreement to the contrary, the Trustee may disburse funds from the Project Fund on the Closing Date pursuant to a closing memorandum signed by the Borrower and dated the Closing Date.

(c) Records. The Trustee shall cause to be kept and maintained adequate records pertaining to the Project Fund and all disbursements therefrom as herein provided. If requested by the Issuer or the Borrower, or the Investor Limited Partner, the Trustee shall file copies of the records pertaining to the Project Fund and disbursements therefrom with the Issuer and the Borrower and the Investor Limited Partner.

The proceeds of the Bonds shall be used exclusively to pay costs that (i) are (A) capital expenditures (as defined in Section 1.150-1(a) of the Treasury Regulations) and (B) not made for the acquisition of existing property, to the extent prohibited in Section 147(d) of the Code; and (ii) are made exclusively with

respect to a “qualified residential rental project” within the meaning of Section 142(d) of the Code so that the Project and the land on which it is located will have been financed fifty percent (50%) or more by the proceeds of the Bonds for the purpose of complying with Section 42(h)(4)(B) of the Code; provided, however, the foregoing representation, covenant and warranty is made for the benefit of the Borrower and its partners or member and neither the Trustee nor the Issuer shall have any obligation to enforce this covenant nor shall they incur any liability to any person, including without limitation, the Borrower, the partners or members of the Borrower, any other affiliate of the Borrower or the holders of the Bonds for any failure to meet the intent expressed in the foregoing representation, covenant and warranty; and provided further, that failure to comply with this representation, covenant and warranty shall not constitute a default or Event of Default under this Indenture.

Upon the occurrence and continuance of an Event of Default hereunder because of which the principal amount of the Bonds has been declared to be due and immediately payable pursuant to Section 7.03 hereof, any money remaining in the Project Fund shall be promptly transferred by the Trustee to the Bond Fund.

**Section 5.04. Bond Fund.** There shall be deposited in the Bond Fund (a) the amounts set forth in Section 5.01 hereof, if any; (b) interest earnings on the Project Fund and the Collateral Fund; and (c) amounts set forth under this Section 5.04.

The Bond Fund (and the Interest Account and Remarketing Proceeds Account therein) and the money and Eligible Investments therein shall be used solely and exclusively for the payment of Bond Debt Service Charges as they become due and at stated maturity, or upon redemption, mandatory tender, or acceleration, all as provided herein and in the Loan Agreement. Any Extension Payment received by the Trustee in connection with an extension of the Mandatory Tender Date pursuant to Section 4.05 hereof shall be deposited in the Interest Account of the Bond Fund.

The Trustee shall transmit to the Paying Agent, as appropriate, from money on deposit in the Bond Fund, amounts sufficient to make timely payments of Bond Debt Service Charges on the Bonds. The Issuer authorizes and directs the Trustee to cause withdrawal of money from the Bond Fund which is available for the purpose of paying, and is sufficient to pay, Bond Debt Service Charges on the Bonds as they become due and payable, for the purposes of paying or transferring money to the Paying Agent which is necessary to pay such Bond Debt Service Charges. Amounts credited to or on deposit in the Interest Account shall be transferred to the Bond Fund on each Loan Payment Date in order to provide for the payment of Bond Debt Service Charges on the next succeeding Bond Payment Date. To the extent available, the Trustee shall transfer money on deposit in the Remarketing Proceeds Account to the Bond Fund on the Mandatory Tender Date for the purpose of paying the purchase price of the Bonds.

In the event that amounts on deposit in the Bond Fund on any Loan Payment Date are insufficient to make the payment of Bond Debt Service Charges due on the next succeeding Bond Payment Date, the Trustee shall transfer funds in the following order to the Bond Fund and use such funds, together with amounts then on deposit in the Bond Fund, to pay the Bond Debt Service Charges due on the next succeeding Bond Payment Date:

- (1) first, from amounts on deposit in the Bond Fund (excluding the Interest Account of the Bond Fund);
- (2) second, from amounts on deposit in the Interest Account of the Bond Fund;
- (3) third, from money on deposit in the Collateral Fund and transferred as necessary to the Bond Fund; and

(4) fourth, from amounts on deposit in the Project Fund and transferred as necessary to the Bond Fund.

Upon receipt by the Trustee of a Cash Flow Projection provided on behalf of the Borrower, the Trustee is hereby authorized to release from the Interest Account the amount set forth in the Cash Flow Projection to be released to or at the written direction of the Borrower from such account.

**Section 5.05. Investment of Special Funds.**

(a) On the Closing Date, money on deposit in the Project Fund will be held by the Trustee uninvested until disbursed to the Borrower on the Closing Date in accordance with an approved Disbursement Request.

(b) Any amounts deposited in the Special Funds (including amounts, if any, remaining on deposit in the Project Fund after the Closing Date) shall be invested at all times in Eligible Investments as directed in writing by the Borrower except for de minimis periods of time necessary to effectuate disbursement of funds (which shall not exceed three hundred sixty-five (365) days) pursuant to an interest payment, disbursement from the Project Fund or redemption of the Bonds, unless a confirmation from the Rating Agency (a "Rating Confirmation") is obtained by the Borrower stating, in effect, that investing the amounts on deposit in the Special Funds other than in Eligible Investments will not result in a withdrawal, suspension, or downgrade of the rating then in effect on the Bonds. Following the Closing Date, at the direction of the Borrower, the Trustee is permitted to purchase, sell or exchange Eligible Investments with a Cash Flow Projection. Notwithstanding anything herein to the contrary, (i) earnings received by the Trustee with respect to Eligible Investments purchased for the purpose of paying Bond Debt Service Charges shall be held uninvested and (ii) Bond proceeds and the Initial Deposit shall be held uninvested until the Trustee has purchased, sold or exchanged Eligible Investments

(c) The Trustee is directed to purchase, on the Closing Date, a portfolio of Government Obligations in amounts and maturing on such dates as will provide sufficient money to pay principal of, premium, if any, and interest on the Bonds when due or the purchase price of the Bonds on the Mandatory Tender Date, in accordance with a Cash Flow Projection prepared in connection with the initial issuance and delivery of the Bonds, with respect to amounts on deposit in the Interest Account of the Bond Fund, the Collateral Fund, and the Project Fund. Except in connection with a redemption pursuant to Section 4.01 hereof, the Trustee shall not sell or otherwise dispose of the Eligible Investments unless the Trustee has received written directions from the Borrower, a Cash Flow Projection, and a Rating Confirmation stating, in effect, that such proposed change in the investments under this Indenture will not result in a withdrawal, suspension, or downgrade of the rating then in effect on the Bonds. The Trustee is permitted to invest in Eligible Investments that mature on or before the Initial Mandatory Tender Date but is not permitted to sell or otherwise dispose of such Eligible Investments prior to maturity at a price below par without first receiving from the Borrower, at the Borrower's Expense, (i) a Cash Flow Projection and (ii) Available Moneys (excluding, however, proceeds of the Bonds), if any, as set forth in the Cash Flow Projection. Notwithstanding anything herein to the contrary, earnings received by the Trustee with respect to Government Obligations purchased for the purpose of paying Bond Debt Service Charges shall be held uninvested.

(d) After the Initial Mandatory Tender Date, the Trustee shall invest any moneys held as part of the Special Fund in obligations specified in clause (b) of the definition of Eligible Investments or in an Eligible Investment as directed in writing by the Borrower. In the absence of written directions of Borrower as provided in this subsection (d), the Trustee shall be required to invest such funds in an investment described in clause (b) of the definition of Eligible Investments herein.

(e) Any investment hereunder shall not bear a yield which is in excess of the yield on the Bonds; provided that the Trustee has no duty to monitor the yield on any directed investment or any obligation to limit the yield on any investment the Borrower directs the Trustee to make. Investments permitted under this section may be purchased from the Trustee or from any of its affiliates. The Trustee shall have no liability whatsoever for any loss, fee, tax or other charge incurred in connection with any investment, reinvestment, sale or liquidation of an investment hereunder. The Trustee shall be entitled to rely on any written direction of the Borrower as to the suitability and legality of the directed investments and such written direction shall be deemed to be a certification that such directed investments constitute Eligible Investments. Ratings of Eligible Investments shall be determined at the time of initial purchase of such Eligible Investments and without regard to ratings subcategories and the Trustee shall have no responsibility to monitor the ratings of Eligible Investments including at the time of reinvestment of earnings thereof. The Trustee shall have no responsibility whatsoever to determine whether any investments made pursuant to this Indenture are or continue to be Eligible Investments. Any deposit or investment directed by the Borrower shall constitute a certification by the Borrower to the Trustee that the assets so deposited or to be purchased pursuant to such directions are Eligible Investments. In no event shall the Trustee be deemed an investment manager or adviser in respect of any selection of investments hereunder.

(f) As long as no Event of Default shall have occurred and be continuing, the Borrower shall have the right to designate the investments to be sold and to otherwise direct the Trustee in the sale or purchase of the investments or the conversion to cash of the investments made with the money in the Collateral Fund provided that the Trustee shall be entitled to conclusively assume the absence of any such Event of Default unless a Responsible Officer has notice thereof; if there has been an Event of Default, the Trustee shall have said right. In the absence of such directions from the Borrower, the Trustee shall invest the proceeds of maturing investments in the Collateral Fund in Eligible Investments having a maturity date not longer than the earlier of thirty (30) days from the date of purchase or the Maturity Date, as applicable; provided that if applicable, the Trustee shall invest in United States Treasury Obligations-State and Local Government Series ("SLGS") that are "Time Deposit" SLGS (and not in "Demand Deposit" SLGS).

(g) The investments described in this Section 5.05 shall be made by the Trustee pursuant to the written direction provided hereby and in accordance with the written direction of the Borrower to be provided on the Closing Date, which shall remain in effect unless and until further written direction is provided by the Borrower.

(h) Amounts, if any, on deposit in the Costs of Issuance Fund shall be invested at the direction of the Borrower in Eligible Investments until disbursed or returned to the Borrower pursuant to the provisions described under Section 5.13 hereof.

**Section 5.06. Money to Be Held in Trust.** Except where money has been deposited with or paid to the Trustee pursuant to an instrument restricting their application to particular Bonds, all money required or permitted to be deposited with or paid to the Trustee or the Paying Agent under any provision of this Indenture or the Note, and any investments thereof, shall be held by the Trustee or the Paying Agent in trust. Except for money held by the Trustee pursuant to Section 5.09 hereof, all money described in the preceding sentence held by the Trustee or the Paying Agent shall be subject to the lien hereof while so held.

**Section 5.07. Nonpresentment of Bonds.** In the event that any Bond shall not be presented for payment when the principal thereof becomes due, or a check or draft for interest is uncashed, if money sufficient to pay the principal then due of that Bond or of such check or draft shall have been made available to the Trustee for the benefit of its Holder, all liability of the Issuer to that Holder for such payment of the principal then due of the Bond or of such check or draft thereupon shall cease and be discharged completely. Thereupon, it shall be the duty of the Trustee to hold such money, without liability for interest thereon, in

a separate account in the Bond Fund for the exclusive benefit of the Holder, who shall be restricted thereafter exclusively to such money for any claim of whatever nature on its part under this Indenture or on, or with respect to, the principal then due of that Bond or of such check or draft. The Trustee shall notify the Borrower in writing of any Bond that has not been presented for payment when the principal thereof becomes due.

Any of such money which shall be so held by the Trustee, and which remains unclaimed by the Holder of a Bond not presented for payment or check or draft not cashed for a period of two (2) years after the due date thereof, shall be paid to the Borrower free of any trust or lien, upon a request of the Borrower in writing executed by an Authorized Borrower Representative. Thereafter, the Holder of that Bond shall look only to the Borrower for payment and then only to the amounts so received by the Borrower without any interest thereon, and the Trustee shall not have any responsibility with respect to such money.

**Section 5.08. Repayment to the Borrower from the Bond Fund.** Except as provided in Section 5.09 hereof, any amounts remaining in the Bond Fund (a) after all of the Outstanding Bonds shall be deemed paid and discharged under the provisions of this Indenture, and (b) after payment of all fees, charges and expenses of the Trustee, the Registrar, the Paying Agents and the Issuer, and of all other amounts required to be paid under this Indenture, the Loan Agreement, the Regulatory Agreement and the Note, shall be paid to the Borrower to the extent that those amounts are in excess of those necessary to effect the payment and discharge of the Outstanding Bonds.

**Section 5.09. Rebate Fund.** Any provision hereof to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder.

The Trustee shall furnish to the Borrower all information reasonably requested by the Borrower or its Rebate Analyst with respect to the Bonds and investments of the funds and accounts maintained by the Trustee hereunder. The Trustee shall make deposits to and disbursements from the Rebate Fund (including rebate payments to the United States required to be made as directed by the Tax Certificate), as well as investments of the amounts therein, in accordance with the written directions received from the Borrower and the Investor Limited Partner pursuant to the Tax Certificate.

All amounts on deposit at any time in the Rebate Fund shall be held by the Trustee in trust to the extent required to pay rebatable arbitrage to the United States of America. If required by Bond Counsel, the Rebate Analyst will calculate the rebate amount as provided in the Tax Certificate within sixty (60) days after the end of each bond year during which any Bonds remaining Outstanding (or any other date specified by the Rebate Analyst), and within sixty (60) days after the date of redemption of the last maturity constituting a portion of the Bonds, the Rebate Analyst shall calculate the rebate amount for the immediately preceding bond year. A copy of each rebate amount calculation shall be provided to the Trustee. The Trustee may conclusively rely upon the calculation made by the Rebate Analyst and shall not be liable or responsible therefor. All amounts in the Rebate Fund shall be used and withdrawn by the Trustee at the written instruction of the Rebate Analyst or the Borrower as required above solely for the purposes set forth in this Section. The Trustee shall withdraw money from the Rebate Fund and remit all required rebate installments and a final rebate payment to the United States. Neither the Trustee nor the Issuer shall have any obligation to pay any amounts required to be rebated pursuant to this Section and the Tax Certificate, other than from money held in the Rebate Fund as provided in this Indenture or from other moneys provided to it by the Issuer.

The Trustee shall not be responsible for any determination or calculation concerning arbitrage rebate with respect to the Bonds, or for determining whether the yield on any investments made in accordance with this Indenture would cause, or whether any other facts exist which would cause, any of the Bonds to become arbitrage bonds under Section 148 of the Code.

**Section 5.10. Valuation.** For the purpose of determining the amount on deposit to the credit of any fund or account, the value of obligations in which money in such fund or account shall have been invested shall be computed at the then market value thereof.

The Eligible Investments shall be valued by the Trustee at any time requested by the Borrower on reasonable notice to the Trustee (which period of notice may be waived or reduced by the Trustee); provided, however, that the Trustee shall not be required to value the Eligible Investments more than once in any calendar month.

The Borrower acknowledges that values shall be determined in accordance with the price provided by pricing services and sources relied upon by the Trustee, and the Trustee does not have any duty to independently value any asset or an obligation other than the price provided by pricing services and sources relied upon by the Trustee.

**Section 5.11. Completion of the Project.** The completion of the Project and payment of all costs and expenses incident thereto shall be evidenced by the filing with the Trustee of the Completion Certificate required by Section 3.7 of the Loan Agreement. As soon as practicable after the filing with the Trustee of the Completion Certificate, any balance remaining in the Project Fund (other than the amounts retained by the Trustee as described in the Completion Certificate) shall be deposited or applied in accordance with the written direction of the Borrower executed by an Authorized Borrower Representative pursuant to Section 3.4 of the Loan Agreement.

**Section 5.12. Collateral Fund.** There shall be deposited in the Collateral Fund Available Money in such amounts as may be necessary to allow the Trustee to transfer funds from the Project Fund, pursuant to Section 5.03 hereof, upon the Trustee's receipt of a Disbursement Request from the Borrower. Money in the Collateral Fund shall be invested as directed in writing by the Borrower in Eligible Investments.

The Collateral Fund shall only be used and applied for, and irrevocably committed to, the payment of (a) the Bond Debt Service Charges on the Bonds which are due and payable on any Interest Payment Date, Maturity Date, Mandatory Tender Date with respect to Bonds that are not remarketed, or on any date the Bonds are called for redemption prior to maturity; (b) the Bond Debt Service Charges on the Bonds as and when due at any other Bond Payment Date; and (c) the purchase price of the Bonds on the Mandatory Tender Date, to the extent amounts on deposit in the Remarketing Proceeds Account and the Interest Account of the Bond Fund are insufficient therefor. Any interest earnings on the Collateral Fund shall be credited to the Interest Account of the Bond Fund.

**Section 5.13. Costs of Issuance Fund.** The Trustee shall use money on deposit to the credit of the Costs of Issuance Fund to pay the costs of issuance of the Bonds on the Closing Date or as soon as practicable thereafter in accordance with written instructions to be given to the Trustee by the Borrower, as set forth in a certificate of the Borrower delivered to the Trustee on the Closing Date or as otherwise directed by the Borrower, upon delivery to the Trustee of appropriate invoices for such expenses. Amounts on deposit in the Costs of Issuance Fund shall also be used by the Trustee to pay the Remarketing Expenses, as directed in writing by the Borrower on the Remarketing Date. Investment earnings on amounts on deposit in the Costs of Issuance Fund shall be retained in such fund. Amounts remaining on deposit in the Costs of Issuance Fund sixty (60) days after the Closing Date, other than amounts deposited pursuant to Section 4.05(d)(iv) hereof, shall be deposited to the Bond Fund. Amounts deposited in the Costs of Issuance Fund pursuant to Section 4.05(d)(iv) hereof and remaining on deposit therein thirty (30) days after the Remarketing Date shall be deposited to the Bond Fund. Upon such final disbursement, the Trustee shall close the Costs of Issuance Fund.

**Section 5.14. Allocation and Reallocation of Government Obligations Deposited to the Collateral Fund and the Project Fund.** On the Closing Date, the Trustee shall allocate ownership of the Government Obligations acquired pursuant to Section 5.05 hereof and deposited for the benefit of the Project Fund and the Collateral Fund as follows: the Trustee shall allocate to the Collateral Fund a percentage of such Government Obligations equal to the amount of Available Money presented to the Trustee for deposit to the Collateral Fund on the Closing Date divided by the aggregate Outstanding principal amount of the Bonds and multiplied by one hundred (100) (the “Initial Collateral Fund Percentage”) and the remainder (i.e., one hundred percent (100%) minus the Initial Collateral Fund Percentage, referred to as the “Initial Project Fund Percentage”) shall be allocated to the Project Fund. On each subsequent month when additional Available Money is presented to the Trustee for deposit to the Collateral Fund (the “Subsequent Allocation Date”), the dollar amount of such Available Money shall be added to all prior Available Money so deposited, and the percentage of such Government Obligations allocated to the Collateral Fund shall be adjusted to that percentage equal to the aggregate Available Money so deposited through such date divided by the aggregate Outstanding principal amount of the Bonds and multiplied by one hundred (100) (the “Collateral Fund Percentage”) and the remainder (i.e., one hundred percent (100%) minus the Collateral Fund Percentage, referred to as the “Project Fund Percentage”) shall be allocated to the Project Fund. On each Subsequent Allocation Date, the Trustee shall be deemed to have liquidated that portion of the Government Obligations allocated to the Project Fund and purchased equivalent Government Obligations to be allocated to the Collateral Fund.

## ARTICLE VI

### THE TRUSTEE, REGISTRAR, PAYING AGENTS AND AUTHENTICATING AGENTS

**Section 6.01. Trustee's Acceptance and Responsibilities.** The Trustee accepts the trusts imposed upon it by this Indenture, and agrees to observe and perform those trusts, but only upon and subject to the terms and conditions set forth in this Article, to all of which the parties hereto and the Holders agree.

(a) Prior to the occurrence of a default or an Event of Default (as defined in Section 7.01 hereof) of which the Responsible Officer has been notified, as provided in 6.02(f) hereof, or of which by that paragraph the Trustee is deemed to have notice, and after the cure or waiver of all defaults or Events of Default which may have occurred,

(i) the Trustee undertakes to perform only those duties and obligations which are set forth specifically in this Indenture, permissive rights hereunder shall not be construed as duties, and no duties or obligations shall be implied to the Trustee;

(ii) in the absence of bad faith, willful misconduct, or gross negligence on its part, the Trustee may rely conclusively, as to the truth of the statements and the correctness of the opinions expressed therein, and shall be protected in acting upon any resolution, order, notice, request, consent, waiver, statement, affidavit, requisition, bond, certificates or opinions or other documents furnished to the Trustee and conforming to the requirements of this Indenture.

(b) In case a default or an Event of Default has occurred and is continuing hereunder (of which the Responsible Officer has been notified, or is deemed to have notice), the Trustee shall exercise those rights and powers vested in it by this Indenture and shall use the same degree of care and skill in their exercise, as a prudent person would ordinarily exercise or use under the circumstances in the conduct of such person's own affairs. The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties hereunder except for its own gross negligence or willful misconduct.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection shall not be construed to affect the limitation of the Trustee's duties and obligations provided in subsection (a)(i) above or the Trustee's right to rely on the truth of statements and the correctness of opinions as provided in subsection (a)(ii) above;

(ii) the Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, unless it shall be established that the Trustee was grossly negligent in ascertaining the pertinent facts;

(iii) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Majority of the Holders of the Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture; and

(iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that

repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(v) In no event shall the Trustee be liable for incidental, special, indirect, consequential or punitive damages or penalties (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such damages or penalty regardless of the form of action.

(d) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 6.01.

**Section 6.02. Certain Rights and Obligations of the Trustee.** Except as otherwise provided in Section 6.01 hereof:

(a) The Trustee (i) may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees (but shall be answerable therefor only in accordance with the standard specified above); (ii) shall be entitled to the advice of counsel concerning all matters of trusts hereof and duties hereunder; (iii) may pay reasonable compensation in all cases to all of those attorneys, agents, receivers and employees reasonably employed by it in connection with the trusts hereof (at its own expense or, if such attorneys, agents and receivers are reasonably employed by the Trustee to perform Extraordinary Services, at the expense of the Borrower as provided in Section 6.03 hereof); and (iv) may enforce, in its name or in the name of the Issuer, all rights of the Issuer for and on behalf of the Holders, except for Unassigned Issuer's Rights, and may enforce all covenants, agreements and obligations of the Borrower under and pursuant to the Loan Agreement, regardless of whether the Issuer is in default in the pursuit or enforcement of those rights, covenants, agreements or obligations. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Borrower). The Trustee shall not be responsible for any loss or damage resulting from any action taken or omitted to be taken in good faith in reliance upon that opinion or advice.

(b) The Trustee shall not be responsible for:

- (i) any recital in this Indenture;
- (ii) any of the contents of the offering documents with respect to the Bonds (with the exception of any information provided by or on behalf of the Trustee);
- (iii) the validity, priority, recording, re-recording, filing or re-filing of this Indenture or any Supplemental Indenture or the Regulatory Agreement;
- (iv) any instrument or document of further assurance or collateral assignment;
- (v) insurance of the Project or collection of insurance money;
- (vi) the validity of the execution by the Issuer of this Indenture, any Supplemental Indenture or instruments or documents of further assurance;
- (vii) the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby;
- (viii) the value of or title to the Project; or

(ix) the maintenance of the security hereof;

except that, in the event that the Trustee enters into possession of a part or all of the Project pursuant to any provision of the Regulatory Agreement or any other instrument or document collateral thereto, the Trustee shall use due diligence in preserving that property. The Trustee shall not be bound to ascertain or inquire as to the observance or performance of any covenants, agreements or obligations on the part of the Issuer or the Borrower under the Loan Agreement except as set forth hereinafter; but the Trustee may require of the Issuer or the Borrower full information and advice as to the observance or performance of those covenants, agreements and obligations. Except as otherwise provided in Section 7.04 hereof, the Trustee shall have no obligation to observe or perform any of the duties of the Issuer under the Loan Agreement.

(c) The Trustee shall not be accountable for the application by the Borrower or any other Person of the proceeds of any Bonds authenticated or delivered hereunder.

(d) The Trustee shall be protected, in the absence of bad faith on its part, in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the request, authority or consent of any Person who is the Holder of any Bonds at the time of making the request or giving the authority or consent, shall be conclusive and binding upon all future Holders of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or nonexistence of any fact for which the Issuer or the Borrower may be responsible or as to the sufficiency or validity of any instrument, document, report, paper or proceeding, the Trustee, in the absence of bad faith on its part, shall be entitled to rely upon a certificate signed on behalf of the Issuer or Borrower, as appropriate, by an authorized officer or representative thereof as sufficient evidence of the facts recited therein. Prior to the occurrence of a default or Event of Default hereunder of which the Responsible Officer has been notified, as provided in subsection (f) below, or of which by that paragraph the Responsible Officer is deemed to have notice, the Trustee may accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient; provided, that the Trustee may require and obtain any further evidence which it deems to be necessary or advisable; and, provided further, that the Trustee shall not be bound to secure any such further evidence.

(f) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default hereunder, except Events of Default described in Section 7.01(a), (b) and (d) hereof (but only with respect to Section 7.1(a) of the Loan Agreement), unless the Responsible Officer shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the Issuer or by the Holders of at least ten percent (10%) of the aggregate principal amount of Bonds then Outstanding. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no default or Event of Default, except as noted above.

(g) The Trustee shall not be required to give any bond or surety with respect to the execution of these trusts and powers or otherwise in respect of the premises.

(h) Notwithstanding anything contained elsewhere in this Indenture, the Trustee may demand any showings, certificates, reports, opinions, appraisals and other information, and any corporate action and evidence thereof, in addition to that required by the terms hereof, as a condition to the authentication of any Bonds or the taking of any action whatsoever within the purview of this Indenture, if the Trustee deems it to be desirable for the purpose of establishing the right of any Person to the taking of any other action by the Trustee; provided, that the Trustee shall not be required to make that demand.

(i) Before taking action hereunder pursuant to Section 6.04 or Article VII hereof (with the exception of any action required to be taken under Section 7.02 hereof), the Trustee may require that a satisfactory indemnity bond be furnished to it for the reimbursement of all expenses which it may incur and to protect it against all liability by reason of any action so taken, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct. The Trustee may take action without that indemnity, and in that case, the Borrower shall reimburse the Trustee for all of the Trustee's expenses pursuant to Section 6.03 hereof.

(j) Unless otherwise provided herein, all money received by the Trustee under this Indenture shall be held in trust for the purposes for which such money was received, until such money is used, applied or invested as provided herein; provided, that such money need not be segregated from other money, except to the extent required by this Indenture or by law. Absent written direction provided to the Trustee pursuant to Section 5.05 hereof, the Trustee shall not be responsible or liable for keeping money held by it hereunder invested in any particular investment, and the Trustee shall not have any liability for interest on any money received hereunder, except to the extent expressly provided herein.

(k) Any resolution by the City Council of the Issuer, and any opinions, certificates and other instruments and documents for which provision is made in this Indenture, may be accepted by the Trustee, in the absence of bad faith on its part, as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for its actions taken hereunder.

(l) The Trustee shall be entitled to file proofs of claim in bankruptcy at the direction of the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding. Trustee fees and expenses are intended to constitute administrative expenses in bankruptcy.

(m) The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture. No implied covenants or obligations shall be read into this Indenture against the Trustee. Notwithstanding any provision herein, the Trustee shall have no duty or obligation to the Borrower except as may be expressly set forth in this Indenture.

(n) In acting or omitting to act pursuant to this Indenture, the Loan Agreement or the Regulatory Agreement, the Trustee shall be entitled to all of the rights, immunities and indemnities accorded to it under this Indenture and the Loan Agreement, including but not limited to this Article V.

(o) Notwithstanding the effective date of this Indenture or anything to the contrary in this Indenture, the Trustee shall have no liability or responsibility for any act or event relating to this Indenture which occurs prior to the date the Trustee formally executes this Indenture and commences acting as Trustee hereunder (which shall be a date not later than the Closing Date).

(p) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising or caused, directly or indirectly by circumstances beyond its reasonable control including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions; loss or malfunctions of utilities, communications services; computer viruses or failures; power failures; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under any such circumstances.

(q) Notwithstanding anything contained herein to the contrary, upon the occurrence and continuance of an Event of Default, before taking any action which may subject the Trustee to liability

under any environmental law, statute, regulation or similar requirement relating to the environment, the Trustee may require that a satisfactory indemnity bond, indemnity or environmental impairment insurance be furnished for the payment or reimbursement of all costs and expenses to which it may be put (including reasonable attorney's fees, costs and expenses) and to protect it against all liability resulting from any claims, judgments, damages, losses, penalties, fines, liabilities (including strict liability) and costs and expenses which may result from such foreclosure or other action (including reasonable attorneys' fees, costs and expenses).

(r) Upon written request by the Rating Agency, the Trustee shall furnish to the Rating Agency the balance of funds on hand with the Trustee and other information as may be reasonably required to maintain the rating on the Bonds.

(s) The Trustee may consult with counsel and the written advise of such counsel or any Option of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

**Section 6.03. Fees, Charges and Expenses of Trustee, Registrar, Paying Agents and Authenticating Agents.** The Trustee, Registrar, Paying Agents and Authenticating Agents shall be entitled to payment or reimbursement by the Borrower, as provided in the Loan Agreement, for customary fees for their respective Ordinary Services rendered hereunder and for all advances, counsel fees and other Ordinary Expenses reasonably and necessarily paid or incurred by them in connection with the provision of Ordinary Services. For purposes hereof, fees for Ordinary Services provided for by their respective standard fee schedule shall be considered customary. Notwithstanding anything in this Indenture or the other FHA Loan Documents to the contrary, fees of the Trustee, Registrar, Paying Agents and Authenticating Agents for Ordinary Services and any fees for services of the Dissemination Agent under the Continuing Disclosure Agreement shall be paid directly by the Borrower to the Trustee as provided in Section 4.2(c) of the Loan Agreement. In the event that it should become necessary for any of them to perform Extraordinary Services, they shall be entitled to customary extra compensation therefor and to reimbursement for reasonable and necessary Extraordinary Expenses incurred in connection therewith. Unless and until such time as the Trustee resigns or is replaced, and a successor Trustee is appointed pursuant to Section 6.09 hereunder, the Trustee shall continue to perform its duties hereunder notwithstanding the Borrower's failure to timely pay such fees. The right of the Trustee to receive payment and the Borrower's obligation to make payment shall survive the termination of this Indenture or the resignation or removal of the Trustee.

Without creating a default or an Event of Default hereunder, however, the Borrower may contest in good faith the necessity for any Extraordinary Service and Extraordinary Expense and the amount of any fee, charge or expense except Ordinary Expenses.

The Trustee, Registrar, Paying Agents and Authenticating Agents shall not be entitled to compensation or reimbursement for Extraordinary Services or Extraordinary Expenses occasioned by their gross negligence or willful misconduct. The customary fees for their respective Ordinary Services and charges of the foregoing shall be entitled to payment and reimbursement only from (i) the Additional Payments made by the Borrower pursuant to the Loan Agreement; or (ii) from other money available therefor. Any amounts payable to the Trustee, the Registrar, the Paying Agents or the Authenticating Agents pursuant to this Section 6.03 shall be payable upon receipt of a detailed invoice from the Trustee, Registrar, Paying Agents or Authenticating Agents, as applicable, and shall bear interest beginning thirty (30) days following the provision of the respective invoice to the Borrower at the Interest Rate for Advances.

**Section 6.04. Intervention by Trustee.** The Trustee may intervene on behalf of the Holders, and shall intervene if requested to do so in writing by the Holders of at least twenty-five percent (25%) of the aggregate principal amount of Bonds then Outstanding, in any judicial proceeding to which the Issuer or the Borrower is a party and which in the opinion of the Trustee and its counsel has a substantial bearing on the interests of Holders of the Bonds. The rights and obligations of the Trustee under this Section are subject to the approval of that intervention by a court of competent jurisdiction. The Trustee shall be entitled to and may require that a satisfactory indemnity bond be provided to it in accordance with Sections 6.01 and 6.02 hereof before it takes action hereunder.

**Section 6.05. Successor Trustee.** Anything herein to the contrary notwithstanding,

(a) any corporation or association (i) into which the Trustee may be converted or merged, (ii) with which the Trustee or any successor to it may be consolidated, or (iii) to which it may sell or transfer its corporate trust assets and corporate trust business as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, merger, consolidation, sale or transfer, ipso facto, shall be and become successor Trustee hereunder and shall be vested with all of the title to the whole property or Trust Estate hereunder; and

(b) that corporation or association shall be vested further, as was its predecessor, with each and every trust, property, remedy, power, right, duty, obligation, discretion, privilege, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by, vested in or conveyed to the Trustee, without the execution or filing of any instrument or document or any further act on the part of any of the parties hereto.

Any successor Trustee, however, (i) shall be a trust company or a bank having the powers of a trust company; (ii) shall be in good standing within the State; (iii) shall be duly authorized to exercise trust powers within the State; (iv) shall have a reported capital, surplus and retained earnings of not less than \$100,000,000; and (v) shall have at least a Minimum Trustee Rating.

**Section 6.06. Appointment of Co-Trustee.** It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including without limitation, the laws of the State) denying or restricting the right of banks or trust companies to transact business as trustees in that jurisdiction. It is recognized that, (a) if there is litigation under this Indenture or other instruments or documents relating to the Bonds and the Project, and in particular, in case of the enforcement hereof or thereof upon a default or an Event of Default, or (b) if the Trustee should deem that, by reason of any present or future law of any jurisdiction, it may not (i) exercise any of the powers, rights or remedies granted herein to the Trustee, (ii) hold title to the properties, in trust, as granted herein, or (iii) take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an individual or additional institution as a co-Trustee. The following provisions of this Section are adapted to these ends.

In the event that the Trustee appoints an individual or additional institution as a co-Trustee, each and every trust, property, remedy, power, right, duty, obligation, discretion, privilege, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Indenture to be exercised by, vested in or conveyed to the Trustee shall be exercisable by, vest in and be conveyed to that co-Trustee, but only to the extent necessary for it to be so vested and conveyed and to enable that co-Trustee to exercise it. Every covenant, agreement and obligation necessary to the exercise thereof by that co-Trustee shall run to and be enforceable by it.

Should any instrument or document in writing from the Issuer reasonably be required by the co-Trustee so appointed by the Trustee for vesting and conveying more fully and certainly in and to that co-Trustee those trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges,

claims, demands, causes of action, immunities, estates, titles, interests and liens, that instrument or document shall be executed, acknowledged and delivered, but not prepared, by the Issuer. In case any co-Trustee or a successor to it shall die, become incapable of acting, resign or be removed, all of the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens of the co-Trustee shall be exercised by, vest in and be conveyed to the Trustee, to the extent permitted by law, until the appointment of a successor to the co-Trustee.

The total compensation of the Trustee and any co-Trustee or separate trustee shall be as, and may not exceed the amounts, provided in Section 6.03 hereof.

**Section 6.07. Resignation by the Trustee.** The Trustee may resign at any time from the trusts created hereby by giving written notice of the resignation to the Issuer, the Borrower, the Investor Limited Partner, the Registrar, the Paying Agents and Authenticating Agents, and by mailing written notice of the resignation to the Holders as their names and addresses appear on the Register at the close of business fifteen (15) days prior to the mailing. Notwithstanding the foregoing, if the Trustee no longer has a Minimum Trustee Rating, it shall resign within sixty (60) calendar days of the withdrawal or suspension of a former Minimum Trustee Rating or other event giving rise to its failure to maintain a Minimum Trustee Rating. The resignation shall take effect upon the appointment of a successor Trustee as provided for in Section 6.09 of this Indenture or an order of a court of competent jurisdiction allowing the Trustee to resign. The resigning trustee shall not be liable for the actions of the successor Trustee.

**Section 6.08. Removal of the Trustee.** The Trustee may be removed at any time upon thirty (30) days' written notice by an instrument or document or concurrent instruments or documents in writing delivered to the Trustee, with copies thereof mailed to the Issuer, the Registrar, the Paying Agents and Authenticating Agents and the Borrower, and signed by or on behalf of the Majority of the Holders of the Bonds.

The Trustee also may be removed at any time upon thirty (30) days' written notice for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding under this Indenture.

The removal of the Trustee under this Section 6.08 shall take effect upon the appointment of a successor Trustee as provided for in Section 6.09 hereof.

**Section 6.09. Appointment of Successor Trustee.** If (a) the Trustee shall resign, shall be removed, shall be dissolved, or shall become otherwise incapable of acting hereunder, (b) the Trustee shall be taken under the control of any public officer or officers, or (c) a receiver shall be appointed for the Trustee by a court, then a successor Trustee shall be appointed by the Issuer; provided, that if a successor Trustee is not so appointed within thirty (30) days after (i) a notice of resignation or an instrument or document of removal is received by the Issuer, as provided in Sections 6.07 and 6.08 hereof, respectively, or (ii) the Trustee is dissolved, taken under control, becomes otherwise incapable of acting or a receiver is appointed, in each case, as provided above, then, but only so long as the Issuer shall not have appointed a successor Trustee, the Majority of the Holders of the Bonds may designate a successor Trustee by an instrument or document or concurrent instruments or documents in writing signed by or on behalf of those Holders. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section, the Holder of any Bond Outstanding hereunder or any retiring Trustee may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Every successor Trustee appointed pursuant to this Section (1) shall be a trust company or a bank having the powers of a trust company; (2) shall be in good standing within the State; (3) shall be duly authorized to exercise trust powers within the State; (4) shall have a reported capital, surplus and retained earnings of not less than \$100,000,000; (5) shall be willing to accept the trusteeship under the terms and conditions of this Indenture; and (6) shall have a Minimum Trustee Rating.

Every successor Trustee appointed hereunder shall execute and acknowledge, and shall deliver to its predecessor, the Issuer and the Borrower an instrument or document in writing accepting the appointment. Thereupon, without any further act, the successor shall become vested with all of the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens of its predecessor. Upon the written request of its successor, the Issuer or the Borrower, and payment of all fees and expenses owed to it, the predecessor Trustee (A) shall execute and deliver an instrument or document transferring to its successor all of the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens of the predecessor Trustee hereunder; and (B) shall take any other action necessary to duly assign, transfer and deliver to its successor all property (including without limitation, all securities and money) held by it as Trustee. Should any instrument or document in writing from the Issuer be requested by any successor Trustee for vesting and conveying more fully and certainly in and to that successor the trusts, properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, estates, titles, interests and liens vested or conveyed or intended to be vested or conveyed hereby in or to the predecessor Trustee, the Issuer shall execute, acknowledge and deliver that instrument or document.

In the event of a change in the Trustee, the predecessor Trustee shall cease to be custodian of any money which it may hold pursuant to this Indenture and shall cease to be Registrar, Authenticating Agent and a Paying Agent for any of the Bonds, to the extent it served in any of those capacities.

**Section 6.10. Adoption of Authentication.** In case any of the Bonds shall have been authenticated, but shall not have been delivered, any successor Trustee, Registrar or Authenticating Agent may adopt the certificate of authentication of any predecessor Trustee, Registrar or Authenticating Agent and may deliver those Bonds so authenticated as provided herein. In case any Bonds shall not have been authenticated, any successor Trustee, Registrar or Authenticating Agent may authenticate those Bonds in its own name as successor Trustee. In all cases, the certificate of authentication shall have the same force and effect as provided in the Bonds or in this Indenture with respect to the certificate of authentication of the predecessor Trustee, Registrar or Authenticating Agent.

**Section 6.11. Registrars.**

(a) Succession. Anything herein to the contrary notwithstanding, any corporation or association (i) into which a Registrar may be converted or merged, (ii) with which a Registrar or any successor to it may be consolidated, or (iii) to which it may sell or transfer its assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, merger, consolidation, sale or transfer, ipso facto, shall be and become successor Registrar to that Registrar hereunder and shall be vested with each and every power, right, duty, obligation, discretion and privilege expressed or intended by this Indenture to be exercised by or vested in the predecessor Registrar, without the execution or filing of any instrument or document or any further act on the part of any of the parties hereto.

(b) Resignation. A Registrar may resign at any time by giving written notice of its resignation to the Issuer, the Borrower, the Trustee and to each Paying Agent and Authenticating Agent for the Bonds, at least thirty (30) days before the resignation is to take effect. The resignation shall take effect immediately,

however, upon the appointment of a successor Registrar, if the successor Registrar is appointed and accepts that appointment before the time stated in the notice.

(c) **Removal.** The Registrar may be removed at any time upon thirty (30) days' written notice by an instrument or document or concurrent instruments or documents in writing delivered to the Registrar, with copies thereof mailed to the Issuer, the Trustee and the Borrower, and signed by or on behalf of the Majority of the Holders of the Bonds.

(d) **Appointment of Successors.** If (i) a Registrar shall resign, shall be removed, shall be dissolved, or shall become otherwise completely incapable of acting hereunder, (ii) a Registrar shall be taken under the control of any public officer or officers, (iii) a receiver shall be appointed for a Registrar by a court, or (iv) a Registrar shall have an order for relief entered in any case commenced by or against it under the federal bankruptcy laws or commence a proceeding under any federal or state bankruptcy, insolvency, reorganization or similar law, or have such a proceeding commenced against it and either have an order of insolvency or reorganization entered against it or have the proceeding remain undismissed and unstayed for ninety (90) days, then a successor Registrar shall be appointed by the Trustee, with the written consent of the Borrower; provided, that if a successor Registrar is not so appointed within ten (10) days after (1) a notice of resignation or an instrument or document of removal is received by the Trustee, as provided above, or (2) the Registrar is dissolved, taken under control, becomes otherwise incapable of acting or a receiver is appointed, in each case, as provided above, then, if the Trustee shall not have appointed a successor Registrar, the Trustee shall be and become the Registrar.

Every successor Registrar appointed hereunder shall execute and acknowledge, and shall deliver to its predecessor, the Issuer, the Trustee and the Borrower, an instrument or document in writing accepting the appointment. Thereupon, without any further act, the successor shall become vested with all of the properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, titles and interests of its predecessor. Upon the written request of its successor, the Issuer or the Borrower, a predecessor Registrar (A) shall execute and deliver an instrument or document transferring to its successor all of the properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, titles and interests of it as predecessor Registrar hereunder; and (B) shall take any other action necessary to duly assign, transfer and deliver to its successor all property and records (including without limitation, the Register and any cancelled Bonds) held by it as Registrar. Should any instrument or document in writing from the Issuer be requested by any successor Registrar for vesting and conveying more fully and certainly in and to that successor the properties, remedies, powers, rights, duties, obligations, discretions, privileges, claims, demands, causes of action, immunities, titles and interests vested or conveyed or intended to be vested or conveyed hereby in or to a predecessor Registrar, the Issuer shall execute, acknowledge and deliver that instrument or document.

The Trustee shall cause the Borrower to pay pursuant to Section 4.2 of the Loan Agreement, to any Registrar customary compensation for its services from time to time, as authorized, but subject to the limitations set forth, in Section 6.03 hereof. The provisions of Sections 3.05, 3.06, 3.07 and 6.02(d) hereof shall be applicable to the Registrar.

**Section 6.12. Designation and Succession of Paying Agents.** The Trustee shall be a Paying Agent for the Bonds, and the Trustee may appoint a Paying Agent or Agents with power to act on its behalf and subject to its direction in the payment of Bond Debt Service Charges on the Bonds. It is the responsibility of the Trustee to establish the duties and responsibilities of the Paying Agent for the purposes of this Indenture, to the extent not specified herein.

Any corporation or association with or into which the Paying Agent may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger,

consolidation or conversion to which the Paying Agent shall be a party, or any corporation or association succeeding to the trust business of the Paying Agent, shall be the successor of that Paying Agent hereunder, if that successor corporation or association is otherwise eligible hereunder, without the execution or filing of any paper or any further act on the part of the parties hereto or the Paying Agent or that successor corporation or association.

The Paying Agent may at any time resign by giving written notice of resignation to the Trustee, to the Registrar and to the Borrower. The Trustee may at any time terminate the agency of the Paying Agent by giving written notice of termination to such Paying Agent, to the Registrar and to the Borrower. Upon receiving such a notice of resignation or upon such a termination, or in case at any time the Paying Agent shall cease to be eligible under this Section, the Trustee may appoint a successor Paying Agent. The Trustee shall give written notice of appointment of a successor Paying Agent to the Borrower, the Issuer and the Registrar and shall mail, within ten (10) days after that appointment, notice thereof to all Holders as their names and addresses appear on the Register on the date of that appointment.

The Trustee shall cause the Borrower to pay pursuant to Section 4.2 of the Loan Agreement, to the Paying Agent from time to time customary compensation as authorized, but subject to the limitations set forth, in Section 6.03 hereof for its services.

The provisions of Sections 3.05, 3.07 and 6.02(d) shall be applicable to the Paying Agent.

**Section 6.13. Designation and Succession of Authenticating Agents.** The Trustee may appoint an authenticating agent or agents (each referred to herein as an “Authenticating Agent”), in addition to the Registrar, with power to act on its behalf and subject to its direction in the authentication and delivery of Bonds in connection with transfers and exchanges under Sections 3.06 and 4.02 hereof. For all purposes of this Indenture, the authentication and delivery of Bonds by an Authenticating Agent pursuant to this Section shall be deemed to be authentication and delivery of those Bonds “by the Trustee.”

Any corporation or association with or into which any Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, consolidation or conversion to which any Authenticating Agent shall be a party, or any corporation or association succeeding to the trust business of any Authenticating Agent, shall be the successor of that Authenticating Agent hereunder, if that successor corporation or association is otherwise eligible hereunder, without the execution or filing of any paper or any further act on the part of the parties hereto or the Authenticating Agent or such successor corporation.

Any Authenticating Agent may at any time resign by giving written notice of resignation to the Trustee, to the Registrar and to the Borrower. The Trustee may at any time terminate the agency of any Authenticating Agent by giving written notice of termination to such Authenticating Agent, to the Registrar and to the Borrower. Upon receiving such a notice of resignation or upon such a termination, or in case at any time any Authenticating Agent shall cease to be eligible under this Section, the Trustee may appoint a successor Authenticating Agent. The Trustee shall give written notice of appointment of a successor Authenticating Agent to the Borrower, the Issuer and the Registrar and shall mail, within ten (10) days after that appointment, notice thereof to all Holders as their names and addresses appear on the Register on the date of that appointment.

The Trustee shall cause the Borrower to pay pursuant to Section 4.2 of the Loan Agreement, to any Authenticating Agent from time to time customary compensation for its services.

The provisions of Sections 3.05 and 6.02(b), (c), (d), (h) and (i) shall be applicable to any Authenticating Agent.

**Section 6.14. Dealing in Bonds.** The Trustee, a Registrar, a Paying Agent and an Authenticating Agent, their Affiliates, and any directors, officers, employees or agents thereof, in good faith, may become the owners of Bonds secured hereby with the same rights which it or they would have hereunder if the Trustee, the Registrar, Paying Agents and Authenticating Agents did not serve in those capacities.

**Section 6.15. Representations, Agreement and Covenants of Trustee.** The Trustee hereby represents that it is a national banking association duly organized and validly existing under the laws of the United States of America, in good standing and duly authorized to exercise corporate trust powers in the State, and that it has an unimpaired reported capital, surplus and retained earnings of not less than \$100,000,000. The Trustee covenants that it will take such action, if any, as is necessary to remain in good standing and duly authorized to exercise corporate trust powers in the State, and that it will maintain an unimpaired reported capital, surplus and retained earnings of not less than \$100,000,000. The Trustee accepts and agrees to observe and perform the duties and obligations of the Trustee to which reference is made in any other instrument or document providing security for any of the Bonds.

**Section 6.16. [Reserved].**

**Section 6.17. Interpleader.** In the event of a dispute between any of the parties hereto with respect to the disposition of any funds held by the Trustee hereunder, or the Trustee receives conflicting demands made upon the Trustee with respect to the Trustee's duties hereunder or any other document related to the Bonds, the Trustee shall be entitled to file a suit in interpleader in a court of competent jurisdiction seeking to require the parties to interplead and litigate in such court their several claims and rights among themselves. Upon the filing of such a suit and the deposit of the applicable funds to such court, the Trustee will ipso facto be fully released and discharged from all obligations to further perform any and all duties imposed hereunder or any other document related to the Bonds regarding such matter and/or such funds that are the subject of such interpleader suit. In the event that the Trustee remains as Trustee under this Indenture and receives a court order, directive or other request regarding the interpleader suit, the Trustee shall be entitled to rely upon such instruction without incurring any obligation or liability and the parties hereto release, hold harmless and indemnify the Trustee for any obligation or liability for so relying on such court instruction.

**Section 6.18. Survival of Certain Provisions.** The provisions of Sections 6.01 through 6.17 hereof shall survive the release, discharge and satisfaction of this Indenture.

**Section 6.19. Concerning the Remarketing Agent.** The Remarketing Agent identified in Section 1.01 hereof shall serve as the Remarketing Agent for the Bonds. The Remarketing Agent shall designate to the Trustee its designated office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument of acceptance delivered to the Issuer, the Borrower and the Trustee. In addition, the Remarketing Agent will agree particularly to:

- (a) keep such records relating to its computations of interest rates for the Bonds as shall be consistent with prudent industry practice and to make such records available for inspection by the Issuer, the Trustee and the Borrower at all reasonable times; and
- (b) perform all of its functions and duties under this Indenture.

The Remarketing Agent shall be entitled to advice of legal counsel on any matter relating to the Remarketing Agent's obligations hereunder and shall be entitled to act upon the opinion of such counsel in the exercise of reasonable care in fulfilling such obligations.

The Remarketing Agent shall be entitled to appoint additional co-Remarketing Agents to assist in the performance of the Remarketing Agent's obligations under this Indenture, and any such appointment shall be effective without any action by the Issuer or the Borrower being necessary; provided that any such co-Remarketing Agent, shall have a capitalization of at least \$5,000,000, or shall have a line of credit with a commercial bank in the amount of at least \$5,000,000, shall be in conformity with all standards and requirements of the Municipal Securities Rulemaking Board and the Securities and Exchange Commission, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. The Remarketing Agent shall take responsibility for any co-Remarketing Agent it appoints.

**Section 6.20. Qualification of Remarketing Agent.** The Remarketing Agent shall be a member in good standing of the Financial Industry Regulatory Authority having a capitalization of at least \$5,000,000, or shall have a line of credit with a commercial bank in the amount of at least \$5,000,000, and shall be authorized by law to perform all the duties imposed upon it by this Indenture. Subject to the terms of the Remarketing Agreement, the Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Indenture by giving at least thirty (30) days' notice of such resignation to the Issuer, the Borrower, the Investor Limited Partner and the Trustee. The Remarketing Agent may be removed, with prior notice to the Issuer, at any time by the Borrower, with at least thirty (30) days' notice of such removal to the Remarketing Agent.

Upon any resignation or removal of the Remarketing Agent, the departing Remarketing Agent shall pay over, assign and deliver any money and Bonds held by it in such capacity to its successor.

The Trustee, within thirty (30) days of the resignation or removal of the Remarketing Agent or the appointment of a successor Remarketing Agent, shall give notice thereof by registered or certified mail to the Rating Agency (if the Bonds are then rated) and to the Holders of the Bonds. The Trustee shall not, however, be subject to any liability to any Bondholder or any party to the transaction by reason of its failure to mail any such notice, and any such failure shall not affect the validity of actions which are the subject of such notice.

**Section 6.21. Notices to Rating Agency and Remarketing Notice Parties.** The Trustee shall notify the Rating Agency and the Remarketing Notice Parties in writing of (a) the occurrence of an Event of Default of which the Trustee has actual notice; (b) the occurrence of any monetary or other material default under the Loan of which the Trustee has actual notice; (c) any change in the identity of the Trustee; (d) any amendments, modifications, supplements or changes to this Indenture, the Loan Agreement, the Note or the Bonds, including any extension of principal or modification of interest or redemption premium due on any of the Bonds, in each case only in the event the Trustee has actual notice; (e) any change or proposed change in the structure or identity of the Borrower of which the Trustee has actual knowledge; (f) any change or notification of proposed change of the Mandatory Tender Date or Remarketing Date of which the Trustee has actual knowledge; (g) any partial prepayment of the Loan or the giving of notice of the call for redemption of any Bonds; (h) any change in the investment of funds subject to the lien of this Indenture; (i) any defeasance or acceleration of the Bonds hereunder; (j) any change in the Remarketing Agent of which its Trustee has actual knowledge; or (k) any sale of Eligible Investments below par, as shown in a Cash Flow Projection delivered to the Rating Agency prior to the sale date.

The Trustee shall not, however, be subject to any liability to any Bondholder or any party to the transaction by reason of its failure to mail any such notice, and any such failure shall not affect the validity of actions which are the subject of such notice

## ARTICLE VII

### DEFAULT PROVISIONS AND REMEDIES OF TRUSTEE AND HOLDERS

**Section 7.01. Defaults; Events of Default.** The occurrence of any of the following events is defined as and declared to be and to constitute an Event of Default hereunder:

(a) Payment of any interest on any Bond shall not be made when and as that interest shall become due and payable;

(b) Payment of the principal of any Bond shall not be made when and as that principal shall become due and payable, whether at stated maturity, upon acceleration or otherwise;

(c) Failure by the Issuer to observe or perform any other covenant, agreement or obligation on its part to be observed or performed contained in this Indenture or in the Bonds, which failure shall have continued for a period of thirty (30) days after written notice, by registered or certified mail, to the Issuer and the Borrower specifying the failure and requiring that it be remedied, which notice may be given by the Trustee and shall be given by the Trustee at the written request of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding; provided, that if the failure is other than the payment of money and is of such nature that it can be corrected but not within the applicable period, that failure shall not constitute an Event of Default so long as the Issuer or the Borrower institutes curative action within the applicable period and diligently pursues that action to completion, which must be resolved within one hundred eighty (180) days after the aforementioned notice and provides the Trustee with a certification to that effect; and

(d) The occurrence and continuance of an Event of Default as defined in Section 7.1 of the Loan Agreement.

The term “default” or “failure” as used in this Article means (i) a default or failure by the Issuer in the observance or performance of any of the covenants, agreements or obligations on its part to be observed or performed contained in this Indenture or in the Bonds; or (ii) a default or failure by the Borrower under the Loan Agreement, exclusive of any period of grace or notice required to constitute an Event of Default, as provided above or in the Loan Agreement.

**Section 7.02. Notice of Default.** If an Event of Default shall occur, the Trustee shall give written notice of the Event of Default, by registered or certified mail, to the Issuer, the Borrower, the Investor Limited Partner, the Registrar or the Paying Agent and Authenticating Agent, within five (5) days after the Trustee has actual notice of the Event of Default pursuant to Section 6.02(f) hereof. If an Event of Default occurs of which the Trustee has notice pursuant to this Indenture, the Trustee shall give written notice thereof, within thirty (30) days after the Trustee’s receipt of notice of its occurrence, to the Holders of all Bonds then Outstanding as shown by the Register at the close of business fifteen (15) days prior to the mailing of that notice.

The Investor Limited Partner shall be entitled to cure any Event of Default hereunder within the time frame provided to the Borrower hereunder. The Issuer and the Trustee agree that cure of any default or Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

**Section 7.03. Acceleration.** Upon the occurrence of an Event of Default described in Section 7.01(a) and (b) hereof, the Trustee may declare, and upon the written request of the Majority of the

Holders of the Bonds the Trustee shall declare, by a notice in writing delivered to the Issuer and the Borrower, the principal of all Bonds then Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately; provided however, if Available Money sufficient to pay the principal and interest of the Bonds then due and payable are on deposit with the Trustee, acceleration under this paragraph shall not occur and the Trustee shall promptly make payment to the Holders of all amounts then due and payable from such Available Money. Upon the occurrence of any Event of Default other than those described in Section 7.01(a) and (b) hereof, the Trustee, with the written consent of the Majority of the Holders of the Bonds, may declare by a notice in writing delivered to the Issuer and Borrower, the principal of all Bonds then Outstanding (if not then due and payable), and the interest accrued thereon, to be due and payable immediately. Following such declaration, interest on any unpaid principal of Bonds Outstanding shall continue to accrue from such date through but not including the tender of payment to the Holders of those Bonds.

The provisions of the preceding paragraph are subject, however, to the condition that if, at any time after declaration of acceleration and prior to the entry of a judgment in a court for enforcement hereunder (after an opportunity for hearing by the Issuer and the Borrower),

(a) all sums payable hereunder (except the principal of and interest on Bonds which have not reached their stated maturity dates but which are due and payable solely by reason of that declaration of acceleration), plus interest to the extent permitted by law on any overdue installments of interest at the rate borne by the Bonds in respect of which the default shall have occurred, shall have been duly paid or provision shall have been duly made therefor by deposit with the Trustee or Paying Agents, and

(b) all existing Events of Default shall have been cured, then and in every case, the Trustee shall waive the Event of Default and its consequences and shall rescind and annul that declaration. No waiver or rescission and annulment shall extend to or affect any subsequent Event of Default or shall impair any rights consequent thereon.

**Section 7.04. Other Remedies; Rights of Holders.** With or without taking action under Section 7.03 hereof, upon the occurrence and continuance of an Event of Default, the Trustee may pursue any available remedy, including without limitation actions at law or equity to enforce the payment of Bond Debt Service Charges or the observance and performance of any other covenant, agreement or obligation under this Indenture, the Loan Agreement, the Regulatory Agreement or the Note or any other instrument providing security, directly or indirectly, for the Bonds.

If, upon the occurrence and continuance of an Event of Default, the Trustee is requested to do so by the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding, the Trustee (subject to the provisions of Sections 6.01 and 6.02 hereof, and particularly Sections 6.01(c)(iv) and 6.02(j)), shall exercise any rights and powers conferred by this Section and by Section 7.03 hereof. However, (a) the Trustee may refuse to follow any direction that conflicts with law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other Holders or that may involve the Trustee in personal liability, and (b) the Trustee may take other action not inconsistent with such direction. Notwithstanding any provision to the contrary in this Indenture, the Trustee is under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holder unless such Holder shall offer to the Trustee security and indemnity satisfactory to the Trustee against any loss, liability or expense.

No remedy conferred upon or reserved to the Trustee (or to the Holders) by this Indenture is intended to be exclusive of any other remedy. Each remedy shall be cumulative and shall be in addition to every other remedy given hereunder or otherwise to the Trustee or to the Holders now or hereafter existing.

No delay in exercising or omission to exercise any remedy, right or power accruing upon any default or Event of Default shall impair that remedy, right or power or shall be construed to be a waiver of any default or Event of Default or acquiescence therein. Every remedy, right and power may be exercised from time to time and as often as may be deemed to be expedient.

No waiver of any default or Event of Default hereunder, whether by the Trustee or by the Holders, shall extend to or shall affect any subsequent default or Event of Default or shall impair any remedy, right or power consequent thereon.

As the assignee of all right, title and interest of the Issuer in and to the Loan Agreement (except for the Unassigned Issuer's Rights), the Trustee is empowered to enforce each remedy, right and power granted to the Issuer under the Loan Agreement. In exercising any remedy, right or power thereunder or hereunder, the Trustee shall take such action as may be directed by the requisite percentage of the Holders of the Bonds then Outstanding, applying the standards described in Sections 6.01 and 6.02 hereof.

**Section 7.05. Right of Holders to Direct Proceedings.** Anything to the contrary in this Indenture notwithstanding, the Majority of the Holders of the Bonds shall have the right at any time to direct, by an instrument or document in writing executed and delivered to the Trustee, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or any other proceedings hereunder; provided that (a) any direction shall not be other than in accordance with the provisions of law and of this Indenture; and (b) the Trustee shall be indemnified as provided in Sections 6.01 and 6.02 hereof.

**Section 7.06. Application of Money.** Following an event of default, after payment of any costs, expenses, liabilities and advances paid, incurred or made by the Trustee in the collection of money and to all fees of the Trustee for Ordinary and Extraordinary Expenses pursuant to any right given or action taken under the provisions of this Article or the provisions of the Loan Agreement, the Regulatory Agreement or the Note (including without limitation reasonable attorneys' fees and expenses, except as limited by law or judicial order or decision entered in any action taken under this Article VII), all money received by the Trustee, shall be applied as follows, subject to Section 3.04 hereof:

(a) Unless the principal of all of the Bonds shall have become, or shall have been declared to be, due and payable, all of such money shall be deposited in the Bond Fund and shall be applied:

First – To the payment to the Holders entitled thereto of all installments of interest then due on the Bonds, in the order of the dates of maturity of the installments of that interest, beginning with the earliest date of maturity and, if the amount available is not sufficient to pay in full any particular installment, then to the payment thereof ratably, according to the amounts due on that installment, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds; and

Second – To the payment to the Holders entitled thereto of the unpaid principal of any of the Bonds which shall have become due, in the order of their due dates, beginning with the earliest due date, with interest on those Bonds from the respective dates upon which they became due at the rates specified in those Bonds, and if the amount available is not sufficient to pay in full all Bonds due on any particular date, together with that interest, then to the payment thereof ratably, according to the amounts of principal due on that date, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(b) If the principal of all of the Bonds shall have become due or shall have been declared to be due and payable pursuant to this Article, all of such money shall be deposited into the Bond Fund and shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest, of interest over principal, of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Holders entitled thereto, without any discrimination or privilege, except as to any difference in the respective rates of interest specified in the Bonds.

(c) If the principal of all of the Bonds shall have been declared to be due and payable pursuant to this Article, and if that declaration thereafter shall have been rescinded and annulled under the provisions of Section 7.03 or 7.10 hereof, subject to the provisions of subsection (b) above in the event that the principal of all of the Bonds shall become due and payable later, the money shall be deposited in the Bond Fund and shall be applied in accordance with the provisions of Article III hereof.

(d) Whenever money is to be applied pursuant to the provisions of this Section, such money shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of money available for application and the likelihood of additional money becoming available for application in the future. Whenever the Trustee shall direct the application of such money, it shall fix the date upon which the application is to be made, and upon that date, interest shall cease to accrue on the amounts of principal, if any, to be paid on that date, provided the money is available therefor. The Trustee shall give notice of the deposit with it of any money and of the fixing of that date, all consistent with the requirements of Section 3.04 hereof for the establishment of, and for giving notice with respect to, a Special Record Date for the payment of overdue interest. The Trustee shall not be required to make payment of principal of a Bond to the Holder thereof, until the Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if it is paid fully.

**Section 7.07. Remedies Vested in Trustee.** All rights of action (including without limitation, the right to appear on behalf of the Issuer and the Holders of the Bonds in any bankruptcy or insolvency proceeding and to file proof of claims in any such proceeding) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining any Holders as plaintiffs or defendants. Any recovery of judgment shall be for the benefit of the Holders of the Outstanding Bonds, subject to the provisions of this Indenture.

**Section 7.08. Rights and Remedies of Holders.** A Holder shall not have any right to institute any suit, action or proceeding for the enforcement of this Indenture, for the execution of any trust hereof, or for the exercise of any other remedy hereunder, unless:

(a) there has occurred and is continuing an Event of Default of which the Trustee has been notified, as provided in Section 6.02(f) hereof, or of which it is deemed to have notice under that such subsection;

(b) the Holders of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have made written request to the Trustee and shall have afforded the Trustee reasonable opportunity to proceed to exercise the remedies, rights and powers granted herein or to institute the suit, action or proceeding in its own name, and shall have offered indemnity satisfactory to the Trustee as provided in Sections 6.01 and 6.02 hereof; and

(c) the Trustee thereafter shall have failed or refused to exercise the remedies, rights and powers granted herein or to institute the suit, action or proceeding in its own name.

Notification (or notice), request, opportunity and offer of indemnity (as set forth above) are conditions precedent in every case, to the institution of any suit, action or proceeding described above.

No one or more Holders of the Bonds shall have any right to affect, disturb or prejudice in any manner whatsoever the security or benefit of this Indenture by its or their action, or to enforce, except in the manner provided herein, any remedy, right or power hereunder. Any suit, action or proceedings shall be instituted, had and maintained in the manner provided herein for the benefit of the Holders of all Bonds then Outstanding. Nothing in this Indenture shall affect or impair, however, the right of any Holder to enforce the payment of the Bond Debt Service Charges on any Bond owned by that Holder at and after the maturity thereof, at the place, from the sources and in the manner expressed in that Bond.

**Section 7.09. Termination of Proceedings.** In case the Trustee shall have proceeded to enforce any remedy, right or power under this Indenture in any suit, action or proceedings, and the suit, action or proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, the Issuer, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee shall continue as if no suit, action or proceedings had been taken.

**Section 7.10. Waivers of Events of Default.** The Trustee shall waive any Event of Default hereunder and its consequences and may rescind and annul any declaration of maturity of principal or of interest on, the Bonds upon the written request of:

(a) the Majority Holders of the Bonds in respect of which an Event of Default in the payment of Bond Debt Service Charges exists; or

(b) the Holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then Outstanding, in the case of any other Event of Default.

There shall not be so waived, however, any Event of Default described in Section 7.01(a) or (b) hereof, nor shall any declaration of acceleration in connection therewith be rescinded or annulled, unless at the time of that waiver or rescission and annulment payments of the amounts provided in Section 7.03 hereof for waiver and rescission and annulment in connection with acceleration of maturity have been made or provision has been made therefor. In the case of the waiver or rescission and annulment, or in case any suit, action or proceedings taken by the Trustee on account of any Event of Default shall have been discontinued, abandoned or determined adversely to it, the Issuer, the Trustee and the Holders shall be restored to their former positions and rights hereunder, respectively. No waiver or rescission shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

## ARTICLE VIII

### SUPPLEMENTAL INDENTURES

**Section 8.01. Supplemental Indentures Generally.** The Issuer and the Trustee may enter into indentures supplemental to this Indenture, as provided in this Article and pursuant to the other provisions therefor in this Indenture. The Trustee shall deliver copies of all Supplemental Indentures to the Borrower and the Investor Limited Partner. Any subsequent amendment to this Indenture or the Loan Agreement is subject to prior written approval of HUD (so long as the Project is subject to a mortgage insured or held by HUD). No amendment to this Indenture or the Loan Agreement shall conflict with the provisions of the Program Obligations.

**Section 8.02. Supplemental Indentures Not Requiring Consent of Holders.** Without the written consent of, or notice to, any of the Holders, the Issuer and the Trustee may enter into indentures supplemental to this Indenture for any one (1) or more of the following purposes:

- (a) To cure any ambiguity, inconsistency or formal defect or omission in this Indenture;
- (b) To grant to or confer upon the Trustee for the benefit of the Holders any additional rights, remedies, powers or authority that lawfully may be granted to or conferred upon the Holders or the Trustee;
- (c) To assign additional revenues under this Indenture;
- (d) To accept additional security and instruments and documents of further assurance with respect to the Project;
- (e) To add to the covenants, agreements and obligations of the Issuer under this Indenture, other covenants, agreements and obligations to be observed for the protection of the Holders, or to surrender or limit any right, power or authority reserved to or conferred upon the Issuer in this Indenture;
- (f) To evidence any succession to the Issuer and the assumption by its successor of the covenants, agreements and obligations of the Issuer under this Indenture, the Loan Agreement and the Bonds;
- (g) To permit the Trustee to comply with any obligations imposed upon it by law;
- (h) To specify further the duties and responsibilities of, and to define further the relationship among, the Trustee, the Registrar and any Authenticating Agents or Paying Agents;
- (i) To achieve compliance of this Indenture with any applicable federal securities or tax law;
- (j) To make amendments to the provisions hereof relating to arbitrage matters under Section 148 of the Code, if, in the Opinion of Bond Counsel, those amendments would not cause the interest on the Bonds Outstanding to be included in gross income of the Holders for federal income tax purposes, which amendments may, among other things, change the responsibility for making the relevant calculations, provided that in no event shall such amendment delegate to the Trustee, without its consent, the obligation to make or perform the calculations required under Section 148 of the Code;
- (k) To maintain the rating then in effect on the Bonds; and

(l) To permit any other amendment which is not materially adverse to the Trustee or the Holders. However, Trustee shall not be responsible for determining if an amendment has an adverse effect on Bondholders.

The provisions of subsections (h) and (j) above shall not be deemed to constitute a waiver by the Trustee, the Registrar, the Issuer or any Holder of any right which it may have in the absence of those provisions to contest the application of any change in law to this Indenture or the Bonds.

**Section 8.03. Supplemental Indentures Requiring Consent of Holders.** Exclusive of Supplemental Indentures to which reference is made in Section 8.02 hereof and subject to the terms, provisions and limitations contained in this Section, and not otherwise, with the written consent of the Majority of the Holders of the Bonds, evidenced as provided in this Indenture, and with the consent of the Borrower if required by Section 8.04 hereof, the Issuer and the Trustee may execute and deliver Supplemental Indentures adding any provisions to, changing in any manner or eliminating any of the provisions of this Indenture or any Supplemental Indenture or restricting in any manner the rights of the Holders. Nothing in this Section or Section 8.02 hereof shall permit, however, or be construed as permitting:

(a) without the consent of the Holder of each Bond so affected, (i) an extension of the maturity of the principal of or the interest on any Bond or (ii) a reduction in the principal amount of any Bond or the rate of interest thereon; or

(b) without the consent of the Holders of all Bonds then Outstanding, (i) the creation of a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (ii) a reduction in the aggregate principal amount of the Bonds required for consent to a Supplemental Indenture.

If the Issuer and the Trustee shall execute and deliver any Supplemental Indenture for any of the purposes of this Section, upon (i) being satisfactorily indemnified with respect to its expenses in connection therewith, and (ii) if required by Section 8.04 hereof, receipt of the Borrower's consent to the proposed execution and delivery of the Supplemental Indenture, the Trustee shall cause notice of the proposed execution and delivery of the Supplemental Indenture to be mailed by first-class mail, postage prepaid, to all Holders of Bonds then Outstanding at their addresses as they appear on the Register at the close of business on the fifteenth day preceding that mailing.

The Trustee shall not be subject to any liability to any Holder by reason of the Trustee's failure to mail, or the failure of any Holder to receive, the notice required by this Section. Any failure of that nature shall not affect the validity of the Supplemental Indenture when there has been consent thereto as provided in this Section. The notice shall set forth briefly the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the designated corporate trust office of the Trustee for inspection by all Holders.

If the Trustee shall receive, within a period prescribed by the Borrower, of not less than sixty (60) days, but not exceeding one year, following the mailing of the notice, an instrument or document or instruments or documents, in form to which the Trustee does not reasonably object, purporting to be executed by the Majority of the Holders of the Bonds (which instrument or document or instruments or documents shall refer to the proposed Supplemental Indenture in the form described in the notice and specifically shall consent to the Supplemental Indenture in substantially that form), the Trustee shall, but shall not otherwise, execute and deliver the Supplemental Indenture in substantially the form to which reference is made in the notice as being on file with the Trustee, without liability or responsibility to any Holder, regardless of whether that Holder shall have consented thereto.

Any consent shall be binding upon the Holder of the Bond giving the consent and, anything herein to the contrary notwithstanding, upon any subsequent Holder of that Bond and of any Bond issued in exchange therefor (regardless of whether the subsequent Holder has notice of the consent to the Supplemental Indenture). At any time after the Holders of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the Trustee shall make and file with the Issuer a written statement that the Holders of the required percentage of Bonds have filed those consents. That written statement shall be conclusive evidence that the consents have been so filed.

If the Holders of the required percentage in aggregate principal amount of Bonds Outstanding shall have consented to the Supplemental Indenture, as provided in this Section, no Holder shall have any right (1) to object to (A) the execution or delivery of the Supplemental Indenture, (B) any of the terms and provisions contained therein, or (C) the operation thereof; (2) to question the propriety of the execution and delivery thereto; or (3) to enjoin or restrain the Trustee or the Issuer from that execution or delivery or from taking any action pursuant to the provisions thereof.

**Section 8.04. Consent of Borrower and Remarketing Agent.** Anything contained herein to the contrary notwithstanding, a Supplemental Indenture executed and delivered in accordance with this Article VIII which affects any rights or obligations of the Borrower shall not become effective unless and until the Borrower shall have consented in writing to the execution and delivery of that Supplemental Indenture. The Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture and a copy of the proposed Supplemental Indenture to be mailed to the Borrower, as provided in Section 13.03 hereof, (a) at least thirty (30) days (unless waived by the Borrower) before the date of the proposed execution and delivery in the case of a Supplemental Indenture to which reference is made in Section 8.02 hereof; and (b) at least thirty (30) days (unless waived by the Borrower) before the giving of the notice of the proposed execution and delivery in the case of a Supplemental Indenture for which provision is made in Section 8.03 hereof.

Anything contained herein to the contrary notwithstanding, a Supplemental Indenture executed and delivered in accordance with this Article VIII which affects any rights or obligations of the Remarketing Agent shall not become effective unless and until the Remarketing Agent shall have consented in writing to the execution and delivery of that Supplemental Indenture. The Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture and a copy of the proposed Supplemental Indenture to be mailed to the Remarketing Agent (i) at least thirty (30) days (unless waived by the Remarketing Agent) before the date of the proposed execution and delivery in the case of a Supplemental Indenture to which reference is made in Section 8.02 hereof; and (ii) at least thirty (30) days (unless waived by the Remarketing Agent) before the giving of the notice of the proposed execution and delivery in the case of a Supplemental Indenture for which provision is made in Section 8.03 hereof.

**Section 8.05. Authorization to Trustee; Effect of Supplement.** The Trustee is authorized to join with the Issuer in the execution and delivery of any Supplemental Indenture in accordance with this Article and to make the further agreements and stipulations which may be contained therein. Thereafter,

- (a) that Supplemental Indenture shall form a part of this Indenture;
- (b) all terms and conditions contained in that Supplemental Indenture as to any provision authorized to be contained therein shall be deemed to be a part of the terms and conditions of this Indenture for any and all purposes;
- (c) this Indenture shall be deemed to be modified and amended in accordance with the Supplemental Indenture; and

(d) the respective rights, duties and obligations under this Indenture of the Issuer, the Borrower, the Trustee, the Remarketing Agent, the Registrar, the Paying Agents, the Authenticating Agents and all Holders of Bonds then Outstanding shall be determined, exercised and enforced hereunder in a manner which is subject in all respects to those modifications and amendments made by the Supplemental Indenture.

Express reference to any executed and delivered Supplemental Indenture may be made in the text of any Bonds issued thereafter, if that reference is deemed necessary or desirable by the Trustee or the Issuer. A copy of any Supplemental Indenture for which provision is made in this Article, except a Supplemental Indenture described in Section 8.02(g) hereof, shall be mailed by the Trustee to the Registrar, each Authenticating Agent and Paying Agent. The Trustee shall not be required to execute any supplemental indenture containing provisions adverse to the Trustee.

**Section 8.06. Opinion of Counsel.** The Trustee shall receive, and shall be fully protected in relying upon, the opinion of any counsel approved by it as conclusive evidence that (a) any proposed Supplemental Indenture or amendment complies with the provisions of this Indenture; and (b) it is proper for the Trustee to join in the execution of that Supplemental Indenture under the provisions of this Article. That counsel may be counsel for the Issuer or the Borrower and shall be an expense of the Borrower.

**Section 8.07. Modification by Unanimous Consent.** Notwithstanding anything contained elsewhere in this Indenture, the rights and obligations of the Issuer and of the Holders, and the terms and provisions of the Bonds and this Indenture or any Supplemental Indenture, may be modified or altered in any respect with the consent of (a) the Issuer; (b) the Holders of all of the Bonds then Outstanding; (c) the Borrower; and (d) if such modification or alteration contains provisions adverse to the Trustee, the Trustee.

## ARTICLE IX

### DEFEASANCE

**Section 9.01. Release of Indenture.** If (a) the Issuer shall pay all of the Outstanding Bonds, or shall cause them to be paid and discharged, or if there otherwise shall be paid to the Holders of the Outstanding Bonds, all Bond Debt Service Charges due or to become due thereon, and (b) provision also shall be made for the payment of all other sums payable hereunder or under the Loan Agreement, the Regulatory Agreement and the Note, then this Indenture shall cease, determine and become null and void (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and the covenants, agreements and obligations of the Issuer hereunder shall be released, discharged and satisfied.

Thereupon, and subject to the provisions of Section 9.03 hereof if applicable, (i) the Trustee shall release this Indenture (except for those provisions surviving by reason of Section 9.03 hereof in the event the Bonds are deemed paid and discharged pursuant to Section 9.02 hereof), and shall execute and deliver to the Issuer any instruments or documents in writing as shall be requisite to evidence that release and discharge or as reasonably may be requested by the Issuer; and (ii) the Trustee and any other Paying Agents shall assign and deliver to the Issuer any property subject at the time to the lien of this Indenture which then may be in their possession, except amounts in the Bond Fund required (1) to be paid to the Borrower under Section 5.08 hereof; or (2) to be held by the Trustee and the Paying Agents under Section 5.09 hereof or otherwise for the payment of Bond Debt Service Charges.

**Section 9.02. Payment and Discharge of Bonds.** All or any part of the Bonds shall be deemed to have been paid and discharged within the meaning of this Indenture, including without limitation, Section 9.01 hereof, if:

(a) the Trustee, as paying agent, and the Paying Agents shall have received, in trust for and irrevocably committed thereto, sufficient money, or

(b) the Trustee shall have received, in trust for and irrevocably committed thereto, noncallable direct obligations of or obligations guaranteed as to full and timely payment by the United States of America which are certified by an Independent public accounting firm or such other firm experienced with such certifications of national reputation to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any money to which reference is made in subsection (a) above, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom (which earnings are to be held likewise in trust and so irrevocably committed, except as provided herein),

for the payment of all Bond Debt Service Charges on those Bonds at their maturity.

Any money held by the Trustee in accordance with the provisions of this Section may be invested by the Trustee only in noncallable direct obligations of or obligations guaranteed as to full and timely payment by the United States of America having maturity dates, or having redemption dates which, at the option of the Holder of those obligations, shall be not later than the date or dates at which money will be required for the purposes described above. To the extent that any income or interest earned by, or increment to, the investments held under this Section is determined from time to time by the Trustee to be in excess of the amount required to be held by the Trustee for the purposes of this Section, that income, interest or increment shall be transferred at the time of that determination in the manner provided in Section 5.08 hereof for transfers of amounts remaining in the Bond Fund.

If any Bonds shall be deemed paid and discharged pursuant to this Section 9.02, then within fifteen (15) days after such Bonds are so deemed paid and discharged the Trustee shall cause a written notice to be given to each Holder as shown on the Register on the date on which such Bonds are deemed paid and discharged. Such notice shall state the numbers of the Bonds deemed paid and discharged or state that all Bonds are deemed paid and discharged and shall set forth a description of the obligations held pursuant to subsection (b) above.

**Section 9.03. Survival of Certain Provisions.** Notwithstanding the foregoing, any provisions of the Bond Resolution, the Series B Bond Resolution and this Indenture which relate to the maturity of Bonds, interest payments and dates thereof, exchange, transfer and registration of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, the storage and shredding of cancelled Bonds, non-presentment of Bonds, the holding of money in trust, and repayments to the Borrower from the Bond Fund, the rebate of money to the United States in accordance with Section 5.09 hereof, and the rights and duties of the Trustee and the Registrar in connection with all of the foregoing, shall remain in effect and be binding upon the Trustee, the Registrar, the Authenticating Agents, Paying Agents and the Holders notwithstanding the release and discharge of this Indenture. The provisions of this Article shall survive the release, discharge and satisfaction of this Indenture. The obligations of the Borrower to pay the Trustee its fees and expenses hereunder shall survive the release, discharge and satisfaction of this Indenture.

The Trustee shall not be responsible for determining if an amendment has an adverse effect on Bondholders.

Any subsequent amendment to this Indenture or the Loan Agreement is subject to prior written approval of HUD (so long as the Project is subject to a mortgage insured or held by HUD). No amendment to this Indenture or the Loan Agreement shall conflict with the provisions of the Program Obligations.

**Section 11.02. Amendments Requiring Consent of Holders.** Except for the amendments, changes or modifications contemplated in Section 11.01 hereof, neither the Issuer nor the Trustee shall consent to:

(a) any amendment, change or modification of the Loan Agreement or the Note which would change the amount or time as of which Loan Payments are required to be paid, without the giving of notice as provided in this Section of the proposed amendment, change or modification and receipt of the written consent thereto of the Holders of all of the then Outstanding Bonds affected by such amendment, change or modification; or

(b) any other amendment, change or modification of the Loan Agreement, the Regulatory Agreement or the Note without the giving of notice as provided in this Section of the proposed amendment, change or modification and receipt of the written consent thereto of the Majority of the Holders of the Bonds affected by such amendment, change or modification.

**Section 13.01. Limitation of Rights.** With the exception of rights conferred expressly in this Indenture, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Registrar, the Authenticating Agents, the Paying Agents, the Borrower, the Investor Limited Partner and the Holders of the Bonds any legal or equitable right, remedy, power or claim under or with respect to this Indenture or any covenants, agreements, conditions and provisions contained herein. This Indenture and all of those covenants, agreements, conditions and provisions are intended to be, and are, for the sole and exclusive benefit of the parties hereto, the Registrar, the Paying Agent, the Authenticating Agent, the Borrower, the Investor Limited Partner and the Holders of the Bonds, as provided herein.

**Section 13.02. Severability.** In case any section or provision of this Indenture, or any covenant, agreement, stipulation, obligation, act or action, or part thereof, made, assumed, entered into or taken under this Indenture, or any application thereof, is held to be illegal or invalid for any reason, or is inoperable at any time, that illegality, invalidity or inoperability shall not affect the remainder thereof or any other section or provision of this Indenture or any other covenant, agreement, stipulation, obligation, act or action, or part thereof, made, assumed, entered into or taken under this Indenture, all of which shall be construed and enforced at the time as if the illegal, invalid or inoperable portion were not contained therein.

Such notice or other communication shall be deemed given on (a) the third Business Day following deposit thereof in the mail when mailed by registered or certified mail; (b) the Business Day immediately following deposit thereof with the overnight courier service when forwarded by an overnight courier service; and (c) the Business Day immediately following the date specified in the written evidence of electronic transmission. The Issuer, Trustee, the Borrower, the Investor Limited Partner may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

Notwithstanding the above, the Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent in writing or by electronic means by an Authorized Official of the Issuer or an Authorized Borrower Representative. If the Issuer or the Borrower elects to give the Trustee instructions by Electronic Notice, the Trustee’s understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Issuer agrees to assume all risks arising out of the use of such Electronic Notice to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Any notice given pursuant to Sections 6.09, 6.13, 7.02, 7.03, 8.02, 8.03, 9.02 and 11.02 hereof shall be simultaneously given to the Rating Agency, if and so long as the Bonds are rated. The foregoing parties may designate, by written notice given hereunder, any further or different addresses to which any subsequent notice, request, complaint, demand or other instrument or document shall be sent. In addition to the foregoing, the Trustee hereby agrees to send written notice to the Rating Agency, if and so long as the Bonds are rated, upon the occurrence of any of the following events: (i) any change in the Trustee; (ii) any amendment to the documents; (iii) a payment of all principal and interest on all of the Bonds; or (iv) any defeasance or acceleration of the Bonds. The Trustee shall not, however, be subject to any liability to any Bondholder or any party to the transaction by reason of its failure to mail any such notice and any such failure shall not affect the validity of actions which are the subject of such notice..

In connection with any notice mailed pursuant to the provisions of this Indenture, a certificate of the Trustee, the Issuer, the Registrar, the Authenticating Agents, the Borrower, the Investor Limited Partner or the Holders of the Bonds, whichever or whoever mailed that notice, that the notice was so mailed shall be conclusive evidence of the proper mailing of the notice.

**Section 13.04. Suspension of Mail and Courier Service.** If because of the suspension of delivery of registered or certified mail or delivery by overnight courier services, the Trustee shall be unable to mail by registered or certified mail or forward by overnight courier service any notice required to be given by the provisions of this Indenture, the Trustee shall use its best efforts to give such notice in such other manner as in the judgment of the Trustee shall most effectively approximate the required mailing or forwarding thereof, and the giving of that notice in that manner for all purposes of this Indenture shall be deemed to be in compliance with the requirements of Section 13.03 hereof. Except as otherwise provided herein, the mailing of any notice by first class mail, postage prepaid, shall be deemed given on the third Business Day after upon deposit of that notice in the mail and the giving of any notice by any other means of delivery shall be deemed complete upon receipt of the notice by the delivery service.

**Section 13.05. Payments Due on Saturdays, Sundays and Holidays.** If any Interest Payment Date or a date of maturity of the principal of any Bonds is a Saturday, Sunday or a day on which (a) the Trustee is required, or authorized or not prohibited, by law (including without limitation, executive orders) to close and is closed, then payment of interest and principal need not be made by the Trustee or the Paying Agent on that date, but that payment may be made on the next succeeding business day on which the Trustee and the Paying Agent are open for business with the same force and effect as if that payment were made on the Interest Payment Date or date of maturity, and no interest shall accrue for the period after that date; or (b) a Paying Agent is required, or authorized or not prohibited, by law (including without limitation, executive orders) to close and is closed, then payment of interest and principal need not be made by that Paying Agent on that date, but that payment may be made on the next succeeding business day on which that Paying Agent is open for business with the same force and effect as if that payment were made on the Interest Payment Date or date of maturity and no interest shall accrue for the period after that date; provided, that if the Trustee is open for business on the applicable Interest Payment Date or date of maturity, it shall make any payment required hereunder with respect to payment of interest on Outstanding Bonds and payment of principal of the Bonds presented to it for payment, regardless of whether the Paying Agent shall be open for business or closed on the applicable Interest Payment Date or date of maturity.

**Section 13.06. Instruments of Holders.** Any writing, including without limitation, any consent, request, direction, approval, objection or other instrument or document, required under this Indenture to be executed by any Holder may be in any number of concurrent writings of similar tenor and may be executed by that Holder in person or by an agent or attorney appointed in writing. Proof of (a) the execution of any writing, including without limitation, any consent, request, direction, approval, objection or other

instrument or document; (b) the execution of any writing appointing any agent or attorney; and (c) the ownership of Bonds, shall be sufficient for any of the purposes of this Indenture, if made in the following manner, and if so made, shall be conclusive in favor of the Trustee with regard to any action taken thereunder, namely:

- (i) The fact and date of the execution by any person of any writing may be proved by the certificate of any officer in any jurisdiction, who has power by law to take acknowledgments within that jurisdiction, that the person signing the writing acknowledged that execution before that officer, or by affidavit of any witness to that execution; and
- (ii) The fact of ownership of Bonds shall be proved by the Register maintained by the Registrar.

Nothing contained herein shall be construed to limit the Trustee to the foregoing proof, and the Trustee may accept any other evidence of the matters stated therein which it deems to be sufficient. Any writing, including without limitation, any consent, request, direction, approval, objection or other instrument or document, of the Holder of any Bond shall bind every future Holder of the same Bond, with respect to anything done or suffered to be done by the Issuer, the Borrower, the Trustee, the Registrar or the Paying Agent or Authenticating Agent pursuant to that writing.

**Section 13.07. Priority of this Indenture.** This Indenture shall be superior to any liens which may be placed upon the Issuer Revenues or any other funds or accounts created pursuant to this Indenture.

**Section 13.08. Extent of Covenants; No Personal Liability.** All covenants, stipulations, obligations and agreements of the Issuer contained in this Indenture are and shall be deemed to be covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized by the Act and permitted by the Constitution of the State. No covenant, stipulation, obligation or agreement of the Issuer contained in this Indenture shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future member, officer, agent or employee of the Issuer or the City Council of the Issuer in other than that person's official capacity. Neither the members of the City Council of the Issuer nor any official executing the Bonds, this Indenture, the Loan Agreement or any amendment or supplement hereto or thereto shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance or execution hereof or thereof.

**Section 13.09. Binding Effect.** This Indenture shall inure to the benefit of and shall be binding upon the Issuer and the Trustee and their respective successors and assigns, subject, however, to the limitations contained herein.

**Section 13.10. Counterparts.** This Indenture may be executed in any number of counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument.

**Section 13.11. Governing Law.** This Indenture and the Bonds shall be deemed to be contracts made under the laws of the State and for all purposes shall be governed by and construed in accordance with the laws of the State.

**Section 13.12. Security Advice Waiver.** The Issuer acknowledges that regulations of the Comptroller of the Currency grant the Borrower the right to receive brokerage confirmations of the security transactions as they occur. Pursuant to Section 2.2(r) of the Loan Agreement, the Borrower specifically waives such notification to the extent permitted by law and will receive periodic cash transaction statements that will detail all investment transactions.

**Section 13.13. Patriot Act.** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust or other legal entity the Trustee will request documentation to verify its formation and existence as a legal entity. Furthermore, if required by the Patriot Act, Trustee may request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation. The Issuer covenants and agrees to provide or cause to be provided documentation as reasonably requested or required by the Trustee to enable the Trustee to satisfy the requirements of the USA Patriot Act as described in this section.

**Section 13.14 FHA Federal Laws and Requirements Control.** Notwithstanding anything in this Indenture or the Loan Agreement to the contrary:

(a) The Borrower, the Trustee, and the Issuer acknowledge that this Indenture and the Loan Agreement, and any obligations of the Borrower under the Loan Agreement, are subject and subordinate to the FHA Loan Documents and the Program Obligations. Notwithstanding any provision in this Indenture or the Loan Agreement to the contrary, no obligations of the Borrower under the Loan Agreement shall be payable except from (1) Surplus Cash; (2) funds that are not derived from (i) revenues of the Project (as defined in the FHA Mortgage), (ii) the proceeds of the FHA Note, or (iii) any reserve or deposit made with the FHA Lender or any other party as required by HUD in connection with the FHA Loan Documents; or (3) FHA Lender Funds which have been deposited into the Collateral Fund by or at the direction of the FHA Lender (collectively, “Non-Project Sources”). No claims or actions shall be made (or payable) under this Indenture against the Project, the FHA Lender, the proceeds of the FHA Note, or the assets of the Borrower, except from Non-Project Sources. In addition, the rights and obligations of the parties under this Indenture and all other documents evidencing, implementing, or securing this Indenture (collectively, the “Subordinate Bond Documents”) are and shall be subordinated in all respects to the rights and obligations of the parties to and under the FHA Loan Documents. In the event of any conflict between the provisions of (A) this Indenture or the Subordinate Bond Documents and (B) the provisions of the FHA Loan Documents or the Program Obligations, the provisions of the FHA Loan Documents or the Program Obligations shall control. The provisions of this Section 13.14 shall control over any inconsistent provisions in this Indenture or the Subordinate Bond Documents.

(b) Any subsequent amendment to this Indenture or the Loan Agreement is subject to prior written approval of HUD (so long as the Project is subject to a mortgage insured or held by HUD). No amendment to this Indenture or the Loan Agreement shall conflict with the provisions of the Program Obligations.

(c) The Bonds are not a debt of the United States of America, HUD, FHA, GNMA or any other agency or instrumentality of the federal government, and are not guaranteed by the full faith and credit of the United States or any agency or instrumentality thereof.

(d) There is no pledge hereunder or under the Loan Agreement of the gross revenues or any of the assets of the Project.

(e) Neither a default under this Indenture nor under the Loan Agreement shall constitute a default under the FHA Loan Documents related to the Project.

(f) Nothing contained herein or in the Loan Agreement shall inhibit or impair the right of FHA to require or agree to any amendment, change or modification of any FHA Loan Documents related to the Project for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective or inconsistent provision contained therein, or in regard to matters or questions arising under said FHA Loan

Documents so long as any such amendment, change or modification shall not adversely affect the payment terms of the Bonds.

(g) Neither the Issuer, the Trustee, nor any of the Holders has or shall be entitled to assert any claim against the Project, any reserves or deposits required by HUD in connection with the Project, or the rents or deposits or other income of the Project.

(h) Proceeds from any condemnation award or from the payment of a claim under any hazard insurance policy relating to the Project will not be payable to the Trustee, but will be payable in accordance with the FHA Loan Documents.

(i) Nothing contained herein or in the Loan Agreement shall require the FHA Lender to take any actions to preserve the tax exemption of the interest on the low-income housing tax credits for the Project (the “Tax Credits”) or the Bonds, or prohibits the FHA Lender from taking any action that might jeopardize the tax exemption of the Bonds or the availability of the Tax Credits, except in strict accordance with the National Housing Act, applicable mortgage insurance regulations, the FHA Loan Documents, or, if applicable, Section 8 of the U.S. Housing Act of 1937 and the regulations thereunder.

(j) HUD requires the following be inserted into this Indenture:

“In the event of an assignment or conveyance of the mortgage to the Commissioner, subsequent to the issuance of the bonds, all money remaining in all funds and accounts other than the rebate fund, and any other funds remaining under the trust indenture after payment or provision for payment of debt service on the bonds and the fees and expenses of the credit enhancer, issuer, trustee, and other such parties unrelated to the mortgagor (other than funds originally deposited by the mortgagor or related parties on or before the date of issuance of the bonds) shall be returned to the mortgagee.”

It is understood that “mortgage” means the FHA Mortgage, “Commissioner” is defined in the FHA Loan Documents, “bonds” means the Bonds, “rebate fund” means the Rebate Fund, “the trust indenture” means this Indenture, there is no credit enhancer, “issuer” means the Issuer, “trustee” means Trustee, and “mortgagor” means the Borrower.

**Section 13.15 Amendment to Original Indenture.** This Indenture amends, replaces and restates the Original Indenture, but does not extinguish or constitute a modification of the Series A Bonds, the proceeds of which funded the Series A Loan (the “Existing Indebtedness”), which is evidenced by the Series A Note, and the liens and security interests securing the Existing Indebtedness shall continue in effect and secure the Series A Loan.

REGISTERED OWNER: CEDE &amp; CO.

PRINCIPAL AMOUNT: NINE MILLION EIGHT HUNDRED EIGHTY-SIX THOUSAND DOLLARS

The City of Columbia Heights, Minnesota, a municipal corporation, home rule city, and political subdivision of the State of Minnesota (the “Issuer”), for value received, promises to pay to the Registered Owner specified above or registered assigns, but solely from the sources and in the manner referred to herein, the principal amount on the maturity date specified above (subject to optional redemption as set forth herein), which shall be equal to \$9,886,000, and to pay from those sources interest thereon at the aforesaid interest rate on (a) each January 1 and July 1, commencing January 1, 2023; (b) any date the Bonds are called for redemption prior to maturity; (c) each Mandatory Tender Date; (d) the Maturity Date; and (e) the date of acceleration of the Bonds (each an “Interest Payment Date”) until the principal amount is paid or duly provided for. This Bond will bear interest from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from its date of delivery. Any capitalized terms not defined herein shall have the meanings given to them in the Indenture (hereinafter defined).

This Bond shall bear interest during each Interest Period at a rate per annum equal to the Interest Rate. Interest on the Bonds shall be calculated on the basis of a three hundred sixty (360) day year consisting of twelve (12) thirty (30) day months.

For purposes of calculating such interest:

“Interest Period” means, initially, the period from the Closing Date to and including January 1, 2023, and thereafter, the period commencing on each succeeding Interest Payment Date and ending on the last day of that month preceding the next Interest Payment Date.

“Interest Rate” means 2.70% to but not including the Initial Mandatory Tender Date and thereafter, the applicable Remarketing Rate.

The principal of this Bond is payable upon presentation and surrender hereof at the designated corporate trust office of the trustee, presently U.S. Bank Trust Company, National Association, a national banking association in Saint Paul, Minnesota (the “Trustee”). Interest is payable on each Interest Payment Date by check or draft mailed to the person in whose name this Bond (or one or more predecessor bonds) is registered (the “Holder”) at the close of business on the fifteenth day of the calendar month next preceding that Interest Payment Date (the “Regular Record Date”) on the registration books for this issue maintained by the Trustee, as Registrar, at the address appearing therein. Any interest which is not timely paid or duly provided for shall cease to be payable to the Holder hereof (or of one (1) or more predecessor bonds) as of the Regular Record Date, and shall be payable to the Holder hereof (or of one or more predecessor bonds) at the close of business on a Special Record Date to be fixed by the Trustee for the payment of that overdue interest. Notice of the Special Record Date shall be mailed to Holders not less than ten (10) days prior thereto. The principal of and interest on this Bond are payable in lawful money of the United States of America, without deduction for the services of the paying agent. While the Bonds are held in a book-entry system and in certain other circumstances, all as provided in the Indenture, principal of and interest on this Bond is required to be paid by wire transfer or other arrangement, other than any payment of the entire unpaid principal amount hereof.

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE TRUST ESTATE PLEDGED UNDER THE INDENTURE AND NOT FROM ANY OTHER REVENUES, FUNDS OR ASSETS OF THE ISSUER. THE BONDS ARE NOT GENERAL OBLIGATIONS, DEBT OR BONDED INDEBTEDNESS OF THE ISSUER OR THE STATE OF MINNESOTA (THE “STATE”) OR ANY POLITICAL SUBDIVISION THEREOF, AND THE HOLDER THEREOF DOES NOT HAVE THE RIGHT TO HAVE TAXES LEVIED BY THE ISSUER OR THE STATE OR ANY POLITICAL SUBDIVISION THEREOF FOR THE PAYMENT OF THE PRINCIPAL AND PREMIUM, IF ANY, AND INTEREST ON THE BONDS.

NO MEMBER, OFFICER, AGENT, EMPLOYEE OR ATTORNEY OF THE ISSUER, INCLUDING ANY PERSON EXECUTING THE INDENTURE OR THE BONDS, SHALL BE LIABLE PERSONALLY ON THE BONDS OR FOR ANY REASON RELATING TO THE ISSUANCE OF THE BONDS. NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR THE INTEREST ON THE BONDS, OR FOR ANY CLAIM BASED ON THE BONDS, OR OTHERWISE IN RESPECT OF THE BONDS, OR BASED ON OR IN RESPECT OF THE INDENTURE OR ANY SUPPLEMENTAL INDENTURE, AGAINST ANY MEMBER, OFFICER, EMPLOYEE OR AGENT, AS SUCH, OF THE ISSUER OR ANY SUCCESSOR, WHETHER BY VIRTUE OF ANY CONSTITUTION, STATUTE OR RULE OF LAW, OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, ALL SUCH LIABILITY BEING, BY THE ACCEPTANCE OF THIS BOND AND AS PART OF THE CONSIDERATION FOR THE ISSUE OF THE BONDS, EXPRESSLY WAIVED AND RELEASED.

This Bond is one of a duly authorized issue of Multifamily Housing Revenue Bonds (42nd & Central Apartments Project), Series 2022A (the “Bonds”), issuable under the Indenture of Trust, dated as of June 1, 2022 (the “Indenture”), between the Issuer and the Trustee, in the original aggregate principal amount of \$9,886,000, and issued for the purpose of making a loan (the “Loan”) to the Borrower described therein (the “Borrower”) to pay a portion of the costs of acquiring, constructing, and equipping the Project, as described in the Indenture and the Loan Agreement, dated as of June 1, 2022 (the “Loan Agreement”), between the Issuer and the Borrower. The Bonds are special, limited obligations of the Issuer, issued or to be issued under and are to be secured and entitled equally and ratably to the protection given by the Indenture. The Bonds are issued pursuant to, under authority of and in compliance with the laws of the

State, including without limitation Minnesota Statutes, Chapters 462C and 474A, as amended, and a resolution duly enacted by the City Council of the Issuer.

The Bonds are subject to optional redemption, in whole, at a price equal to the principal amount thereof plus accrued interest to the date fixed for redemption, on any Business Day on and after the later to occur of (i) the Optional Redemption Date; or (ii) the date the Borrower has provided written notice to the Trustee that the Project has been placed in service under Section 42 of the Code, in the event the Borrower prepays the Note and amounts are paid from the proceeds of refunding bonds or otherwise from Available Money upon the written direction of the Borrower delivered to the Issuer and the Trustee. Notwithstanding the foregoing, the Bonds shall not be subject to optional redemption unless there shall be in place at the time the Trustee gives the notice of redemption pursuant to the Indenture arrangements enabling the Trustee to liquidate, if needed, on or prior to the date of redemption the Eligible Investments on deposit in the Special Funds, without need for further investment, for an aggregate amount of money sufficient to pay the redemption price of the Bonds on the date fixed for redemption.

The Bonds shall be redeemed in whole at a redemption price of one hundred percent (100%) of the principal amount of such Bonds, plus accrued interest to the redemption date, on any Mandatory Tender Date upon the occurrence of any of the following events: (a) the Borrower has previously elected not to cause the remarketing of the Bonds; (b) the conditions to remarketing set forth in the Indenture have not been met by the dates and times set forth in the Indenture; or (c) the proceeds of a remarketing on deposit in the Remarketing Proceeds Account at 11:00 a.m. Local Time on the Mandatory Tender Date are insufficient to pay the purchase price of the Outstanding Bonds on such Mandatory Tender Date. Bonds subject to redemption in accordance with this paragraph shall be redeemed from (i) amounts on deposit in the Collateral Fund; (ii) amounts on deposit in the Interest Account of the Bond Fund; (iii) amounts on deposit in the Project Fund; and (iv) any other Available Money available or made available for such purpose at the direction of the Borrower.

The Bonds are subject to mandatory tender prior to their stated maturity in whole on each Mandatory Tender Date. Holders will not have the right to elect to retain their Bonds. Upon presentation and surrender of the Bonds by the Holder on the date fixed for tender, the Holder shall be paid the principal amount of the Bonds to be tendered, plus accrued interest on such Bonds to the tender date.

Reference is made to the Indenture for a more complete description of the Project, the provisions, among others, with respect to the nature and extent of the security for the Bonds, the rights, duties and obligations of the Issuer, the Trustee and the Holders of the Bonds, and the terms and conditions upon which the Bonds are issued and secured. Each Holder assents, by its acceptance hereof, to all of the provisions of the Indenture.

Pursuant to the Loan Agreement, the Borrower has executed and delivered to the Trustee the Borrower's promissory note, dated of even date herewith (the "Note"), in the principal amount up to \$9,886,000. The Borrower is required by the Loan Agreement and the Note to make payments to the Trustee in the amounts and at the times necessary to pay the principal of and interest (the "Bond Debt Service Charges") on the Bonds. In the Indenture, the Issuer has assigned to the Trustee, to provide for the payment of the Bond Debt Service Charges on the Bonds, the Issuer's right, title and interest in and to the Loan Agreement, except for Unassigned Issuer's Rights. To secure its compliance with certain covenants in the Loan Agreement, the Borrower has executed and delivered a Regulatory Agreement, dated as of June 1, 2022, but effective as of the date hereof (the "Regulatory Agreement"), between the Issuer, the Borrower, and the Trustee.

Copies of the Indenture, the Loan Agreement, the Regulatory Agreement and the Note are on file in the principal corporate trust office of the Trustee.

The Bond Debt Service Charges on the Bonds are payable solely from the Issuer Revenues, as provided in the Indenture (being, generally, the amounts payable under the Loan Agreement and the Note in repayment of the Loan, deposits to the Collateral Fund and any unexpended proceeds of the Bonds), and are an obligation of the Issuer only to the extent of the Issuer Revenues. The Bonds are not secured by an obligation or pledge of any money raised by taxation and do not represent or constitute a debt or pledge of the faith and credit of the Issuer.

The Bonds are issuable only as fully registered bonds and, except as hereinafter provided, in printed or typewritten form, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York ("DTC"), which shall be considered to be the Holder for all purposes of the Indenture, including, without limitation, payment by the Issuer of Bond Debt Service Charges, and receipt of notices to, giving of consents by and exercise of rights of, Holders. There shall be a single Bond representing each maturity, and all Bonds shall be immobilized in the custody of DTC with the owners of beneficial interests in those Bonds (the "book-entry interests") having no right to receive from the Issuer Bonds in the form of physical securities or certificates. Ownership of book-entry interests in the Bonds shall be shown by book entry on the system maintained and operated by DTC, its participants (the "Participants") and certain persons acting through the Participants, and transfers of ownership of book-entry interests shall be made only by that book-entry system, the Issuer and the Trustee having no responsibility therefor. DTC is to maintain records of the positions of Participants in the Bonds, and the Participants and persons acting through Participants are to maintain records of the purchasers and owners of book-entry interests in the Bonds. The Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Issuer and otherwise at the expense of the Borrower.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Issuer may attempt to have established a securities depository/book-entry system relationship with another qualified Depository under the Indenture. If the Issuer does not or is unable to do so, the Issuer and the Trustee, after the Trustee has made provision for notification of the owners of book-entry interests by the then Depository, shall permit withdrawal of the Bonds from the Depository, and authenticate and deliver Bond certificates in fully registered form (in denominations of \$5,000, or any integral multiple thereof) to the assignees of the Depository or its nominee, all at the cost and expense (including costs of printing or otherwise preparing and delivering replacement Bond certificates) of those persons requesting such authentication and delivery, if the event is not the result of Issuer action or inaction (including action at the request of the Borrower).

The Indenture permits certain amendments or supplements to the Indenture, the Loan Agreement, the Regulatory Agreement and the Note not prejudicial to the Holders to be made without the consent of or notice to the Holders, and certain other amendments or supplements thereto to be made with the consent of the Holders of not less than a Majority of the Holders of the Bonds.

The Holder of each Bond has only those remedies provided in the Indenture.

The Bonds shall not constitute the personal obligation, either jointly or severally, of the members of the City Council of the Issuer or of any other officer of the Issuer. No recourse shall be had for the payment of the Bonds against any elected or appointed officer, employee or agent of the Issuer, and no elected or appointed officer, employee or agent of the Issuer shall have any monetary liability arising out of the Issuer's obligations under the Bonds, or in connection with any covenant, representation or warranty made by the Issuer.

This Bond shall not be entitled to any security or benefit under the Indenture or be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed.

It is certified and recited that there have been performed and have happened in regular and due form, as required by law, all acts and conditions necessary to be done or performed by the Issuer or to have happened (a) precedent to and in the issuing of the Bonds in order to make them legal, valid and binding special limited obligations of the Issuer; and (b) precedent to and in the execution and delivery of the Indenture and the Loan Agreement; that payment in full for the Bonds has been received; and that the Bonds do not exceed or violate any constitutional or statutory limitation.

This Bond shall not be entitled to any security or benefit under the Indenture or be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed.

IN WITNESS WHEREOF, the City of Columbia Heights, Minnesota, by its governing body, has caused this Bond to be executed in its name by the facsimile signatures of its duly authorized officials and by the manual signature of a Responsible Agent of the Trustee acting as authenticating agent.

Each Holder assents, by its acceptance hereof, to all of the provisions of the Indenture.

Pursuant to the Loan Agreement, the Borrower has executed and delivered to the Trustee the Borrower's promissory note, dated of even date herewith (the "Note"), in the principal amount up to \$560,000. The Borrower is required by the Loan Agreement and the Note to make payments to the Trustee in the amounts and at the times necessary to pay the principal of and interest (the "Bond Debt Service Charges") on the Bonds. The Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Issuer and otherwise at the expense of the Borrower.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Issuer may attempt to have established a securities depository/book-entry system relationship with another qualified Depository under the Indenture. If the Issuer does not or is unable to do so, the Issuer and the Trustee, after the Trustee has made provision for notification of the owners of book-entry interests by the then Depository, shall permit withdrawal of the Bonds from the Depository, and authenticate and deliver Bond certificates in fully registered form (in denominations of \$5,000, or any integral multiple thereof) to the assignees of the Depository or its nominee, all at the cost and expense (including costs of printing or otherwise preparing and delivering replacement Bond certificates) of those persons requesting such authentication and delivery, if the event is not the result of Issuer action or inaction (including action at the request of the Borrower).

(i) units which are similar in quality and type of construction and amenities; and

(ii) property Functionally Related and Subordinate in purpose and size to the Project, *e.g.*, parking areas, laundries, swimming pools, tennis courts, and other recreational facilities (none of which may be unavailable to any person because such person is a Low Income Tenant) and other facilities which are reasonably required for the Project, *e.g.*, heating and cooling equipment, trash disposal equipment, or units for residential managers or maintenance personnel;

(g) that no portion of the Project shall be used to provide any health club facility, any facility primarily used for gambling, or any store the principal business of which is the sale of alcoholic beverages for consumption off premises;

(h) that the Project shall not include a Dwelling Unit in a building where all Dwelling Units in such building are not also included in the Project;

(i) that the Borrower shall not convert the Dwelling Units in the Project to condominium or cooperative ownership;

(j) that no Dwelling Unit in the Project shall be occupied by the Borrower (or any person related to the Borrower within the meaning of Section 147(a)(2) of the Code) at any time unless such person resides in a Dwelling Unit in a building or structure which contains at least five (5) Dwelling Units and unless the resident of such Dwelling Unit is a resident manager or other necessary employee (*e.g.*, maintenance and security personnel);

(k) that the Bonds will not be “federally guaranteed,” as defined in Section 149(b) of the Code;

(l) that the Project shall at all times be used and operated as a “multifamily housing development,” as defined in the Act; and

(m) that the Borrower shall not discriminate on the basis of race, creed, color, sex, sexual preference, source of income (*e.g.*, AFDC or SSI), physical disability, national origin, or marital status in the rental, lease, use, or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

**Section 4. Low Income Tenants.** Pursuant to the requirements of the Act and Section 142(d) of the Code, the Borrower hereby represents, warrants, and covenants as follows:

(a) Upon completion of the Project, at least twenty-five (25) of the Dwelling Units, which is equal to at least forty percent (40%) of the Dwelling Units, will be occupied or held for occupancy by Low Income Tenants. Throughout the Qualified Project Period, not less than forty percent (40%) of the completed Dwelling Units shall be continuously occupied or held for occupancy by Low Income Tenants. The Borrower will designate the Low Income Units and will make any revisions to such designations as necessary to comply with the applicable provisions of the Code and the Treasury Regulations. As set forth in subsection (e) below, the Borrower shall advise the Issuer and the Trustee by delivery of a certificate in writing of the status of the occupancy of the Project with respect to Low Income Tenants on an annual basis for the term of this Regulatory Agreement. An Annual Certification of a Residential Rental Project, Form 8703 (Rev. December 2021), or successor form, shall be prepared annually by the Borrower and filed with the United States Secretary of the Treasury pursuant to Section 142(d)(7) of the Code (currently with the Internal Revenue Service Center, Ogden, Utah 84201), with a copy to be filed by the Borrower with the Issuer and the Trustee. The percentage of units is measured by number of units, and not square footage of units.

For purposes of satisfying the occupancy requirements set forth above, a unit occupied by a person or family who at the commencement of their occupancy qualified as a Low Income Tenant shall be treated as occupied by a Low Income Tenant until such time as any recertification of such tenant's income in accordance with subsections (c) and (h) below demonstrates that such tenant's income exceeds one hundred forty percent (140%) of the income limitation applicable to Low Income Tenants.

A unit occupied by a Low Income Tenant shall be deemed, upon the termination of such tenant's occupancy, to be continuously occupied by a Low Income Tenant until reoccupied, other than for a temporary period (not to exceed sixty (60) days), at which time the character of the unit shall be redetermined.

(b) The Borrower will notify the Issuer on an annual basis of any vacancy of any Low Income Units.

(c) The Borrower will obtain, complete, and maintain on file income certifications from each Low Income Tenant, obtained immediately prior to the initial occupancy of such tenant in the Project, and thereafter re-obtain in any year in which a unit in the Project is occupied by a new resident whose income exceeds the applicable income limit, income certifications (based upon their then current income), from each Low Income Tenant, substantially in the form of the Income Certification set forth in EXHIBIT B attached hereto and will provide such additional information as may be required by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Treasury Regulations now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service applicable to the Bonds. Such Income Certification shall be obtained prior to initial occupancy. If requested in writing by the Issuer, a copy of such Income Certification shall be filed with the Issuer prior to occupancy by the tenant whenever possible but in no event more than one month after initial occupancy by the tenant. A copy of each recertification of income, if applicable, shall be attached to each report filed with the Issuer pursuant to subsection (a) above. The Borrower shall make a good-faith effort to verify that the income reported by an applicant in an income certification is accurate by taking at least one of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period; (2) obtain an income tax return for the most recent tax year; (3) conduct a credit or similar search; (4) obtain an income verification form from the applicant's current employer; (5) obtain an income verification form from the Social Security Administration if the applicant receives assistance from

such agency; or (6) if the applicant is unemployed and has no such tax return, obtain another form of independent verification. If the Low Income Tenant is a Section 8 Certificate Holder, the Borrower shall retain a copy of the certificate or voucher for verification of income in lieu of an income verification.

The Borrower understands that failure to file the Annual Certification of a Residential Rental Project, Form 8703 (Rev. December 2021), or successor form, as required by Section 142(d)(7) of the Code at the times stated therein may subject it to the penalty described in Section 6652(j) of the Code.

(d) The Borrower will maintain complete and accurate records pertaining to the Low Income Units and will permit, upon reasonable prior notice, any duly authorized representative of the Issuer, the Trustee, the Department of the Treasury, or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units. This section is not intended to create any additional duties to inspect records.

(e) The Borrower will prepare and submit to the Issuer and the Trustee, on or before March 1 of each year during the Qualified Project Period, beginning the first March 1 following commencement of the Qualified Project Period, a Continuing Program Compliance Certificate in the form of EXHIBIT C attached hereto and executed by the Borrower, and, if requested by the Trustee or the Issuer the Income Certifications described in subsection (c) above. The Trustee may rely solely on the Continuing Program Compliance Certificate as evidence of the Borrower's compliance with the terms and restrictions of this Section.

(f) The Borrower, upon becoming aware of an Event of Default, will notify the Issuer and a Responsible Officer of the Trustee, in writing, of the occurrence of any such Event of Default hereunder or any event which, with the passage of time or service of notice, or both, would constitute an Event of Default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. Such notice shall be given promptly and in no event longer than ten (10) Business Days after the Borrower receives notice or gains knowledge of the occurrence of any such event. The Borrower further agrees that it will give prompt written notice to the Issuer and the Trustee if insurance proceeds or condemnation awards in excess of \$50,000 are received with respect to the Project and are not used to repair or replace the Project, which notice shall state the amount of such proceeds or award.

(i) Except as provided in clause (ii) below, the Borrower shall accept as tenants on the same basis as all other prospective tenants Low Income Tenants who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act or its successor and shall not apply selection criteria to Section 8 Certificate Holders that are more burdensome than the criteria applied to all other prospective tenants.

(ii) The Borrower agrees to modify the leases for units in the Project as necessary to allow the rental of Low Income Units to Section 8 Certificate Holders.

(g) Each lease pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the income certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease.

(h) Throughout the Qualified Project Period, the Borrower shall recertify each Low Income Tenant's income on or before the anniversary of the Low Income Tenant's tenancy, in any year in which a unit in the Project is occupied by a new resident whose income exceeds the applicable income limit, by

obtaining a completed Income Certification. In the event the recertification demonstrates that any such tenant's household income exceeds one hundred forty percent (140%) of the applicable income limit, the Borrower shall hold the next available unit or units of comparable or smaller size in the Project available for rental by new Low Income Tenants.

The Borrower in its sole discretion may notify, in writing, each tenant who is no longer a Low Income Tenant of such fact, and that the rent of such tenant(s) is subject to increase thirty (30) days after receipt of such notice. The Borrower shall be entitled to so increase any such tenant's rent only if the Borrower complies with any law applicable thereto and only after the Borrower has rented the next available unit or units in the Project on a one-for-one basis to a Low Income Tenant, or holds units vacant and available for occupancy by Low Income Tenants.

The Borrower agrees to inform all prospective Low Income Tenants of the requirements for recertification of income and of the provisions of the preceding paragraph.

**Section 5. Restrictions Imposed by Minnesota Statutes, Chapter 474A.** Because the Bonds are issued by the Issuer as residential rental project bonds, as defined in Chapter 474A of the Act ("Chapter 474A"), and the Issuer has received an allocation of tax-exempt bonding authority pursuant to applicable provisions of Chapter 474A, the restrictions imposed by Chapter 474A apply to the Project as described below.

(a) In addition to any other restrictions on rent or the income of tenants set forth in this Regulatory Agreement, during the Qualified Project Period, the Borrower shall restrict rents on at least twenty percent (20%) of the units in the Project (which may consist of the same units as meet the requirements of Section 4 hereof) to an amount not exceeding the area fair market rents or exception fair market rents, as applicable, for existing housing, as established by the federal Department of Housing and Urban Development from time to time, which units shall be occupied, or held for occupancy, by Low Income Tenants. The rental rates of units in a residential rental project for which project-based federal assistance payments are made are deemed to be within the rent limitations of this clause.

(b) The annual certifications required to be made by the Borrower hereunder shall conform to the requirements of Section 474A.047, subdivision 2, and the Issuer shall have the authority to impose upon the Borrower any and all penalties described in Section 474A.047, subdivision 3, from time to time, in addition to any remedies otherwise available under this Regulatory Agreement.

(c) The Borrower must satisfy the requirements of Section 474A.047, subdivision 1(a), during the Qualified Project Period. The Borrower must annually certify to the Issuer over the term of this Regulatory Agreement that the rental rates for the rent-restricted units are within the limitations under Section 474A.047, subdivision 1(a). The Issuer may request individual certification of the income of residents of the income-restricted units. The Commissioner of Minnesota Management and Budget may request from the Issuer a copy of the annual certification prepared by the Borrower. The Commissioner of Minnesota Management and Budget may require the Issuer to request individual certification of all residents of the income-restricted units. Notwithstanding anything to the contrary contained in this Section 5, the rental rates of all units in the Project for which project-based federal assistance payments will be made under a Section 8 Housing Assistance Payment Contract, are deemed to be within the rent limitations of Section 474A.047, subdivision 1(a).

**Section 6. Covenants Run With the Land.** The Borrower hereby declares its express intent that the covenants, restrictions, charges, and easements set forth herein shall be deemed covenants running with the Land and shall, except as otherwise provided in this Regulatory Agreement, pass to and be binding upon the Borrower's successors in title including any purchaser, grantee, owner, or lessee of

any portion of the Project and any other person or entity having any right, title, or interest therein and upon the respective heirs, executors, administrators, devisees, successors, and assigns of any purchaser, grantee, owner, or lessee of any portion of the Project and any other person or entity having any right, title, or interest therein. Except as otherwise provided in this Regulatory Agreement, each and every contract, deed, or other instrument hereafter executed covering or conveying the Project or any portion thereof or interest therein shall contain an express provision making such conveyance subject to the covenants, restrictions, charges, and easements contained herein; provided, however, that any such contract, deed, or other instrument shall conclusively be held to have been executed, delivered, and accepted subject to such covenants, regardless of whether or not such covenants are set forth or incorporated by reference in such contract, deed, or other instrument.

**Section 7. Indemnification.** The Borrower hereby covenants and agrees that it shall indemnify and hold harmless the Issuer and the Trustee and their officers, agents, officials, directors, representatives and employees (the “Indemnified Parties”) as provided in the Loan Agreement. All provisions of the Loan Agreement relating to indemnification are incorporated by reference herein and are considered provisions of this Regulatory Agreement, as if expressly set out herein.

**Section 8. Consideration.** The Issuer has issued the Bonds in part to provide funds to make the Loan to finance the acquisition, construction, and equipping of the Project all for the purpose, among others, of inducing the Borrower to acquire, construct, equip, and operate the Project. In consideration of the issuance of the Bonds by the Issuer, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which the Project can be put on the terms and conditions set forth herein.

**Section 9. Reliance.** The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds and in the exemption from federal income taxation of the interest on the Bonds. In performing their duties and obligations hereunder and under the Indenture, the Issuer and the Trustee may conclusively rely upon statements and certificates of the Borrower and the tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Issuer and the Trustee may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any inaction or action taken or suffered by the Issuer or the Trustee hereunder in good faith and in conformity with such opinion. A copy of any such opinion shall be furnished by the Issuer or the Trustee to the Borrower upon written request. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Issuer or the Trustee shall not be required to conduct any investigation into or review of the operations or records of the Borrower and, absent any actual knowledge of any default or noncompliance, may assume compliance by the Borrower unless otherwise notified in writing.

The Trustee and the Issuer shall be under no duty to make any investigation or inquiry as to any statements or other matters contained or referred to in any documents or any instruments delivered to it in accordance with this Regulatory Agreement, but it may receive and accept the same as conclusive evidence of the truth and accuracy of such statements.

**Section 10. Sale or Transfer of the Project.** The Borrower hereby covenants and agrees not to sell, transfer, or otherwise dispose of the Project, or any portion thereof, except as permitted under the terms of the Loan Agreement. Any attempted sale, transfer, or disposition which would cause or result in the violation of any of these covenants, provisions, reservations, restrictions, charges, or easements shall be null and void ab initio and of no force and effect. Nothing herein shall prohibit the transfer, sale or assignment of the interests in the Borrower or any direct or indirect ownership interests in the Borrower’s partners (“Transfers”). The removal and replacement of the Borrower’s general partner (the “General Partner”), as provided in the Partnership Agreement, shall be allowed without Issuer or Trustee consent

("Replacement," and together with Transfers, "Permitted Transfers"). Nothing herein shall prohibit the transfer, sale or assignment of the general partnership interest held by General Partner in the Borrower to Bridgewater Bank, a Minnesota banking corporation (the "Equity Bridge Lender") in connection with the cashflow loan from the Equity Bridge Lender to the Borrower, which shall be permitted and shall not require Issuer or Trustee consent.

**Section 11. Term.** This Regulatory Agreement and the terms hereof shall become effective as of the Closing Date and shall remain in full force and effect for a term and period equal to the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds and termination of the Loan Agreement and the Loan if the Qualified Project Period has not expired at the time of such retirement and expiration. Notwithstanding anything in this Regulatory Agreement to the contrary:

(a) The Project may be transferred pursuant to a foreclosure, exercise of power of sale, or deed in lieu of foreclosure, or comparable proceedings without the consent of or fee of any kind payable to the Issuer or compliance with the provisions of this Regulatory Agreement. In connection with any such foreclosure, deed in lieu of foreclosure, or other proceedings, this Regulatory Agreement shall be terminated upon completion of the foreclosure and expiration of the applicable redemption period, or recording of a deed in lieu of foreclosure.

(b) The requirements of this Regulatory Agreement shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire or other casualty, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law, or an action of a federal agency after the date of this Regulatory Agreement, which prevents the Issuer and the Trustee from enforcing such provisions, or condemnation or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof (provided that this shall be deemed met if the Bonds have been previously retired); provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, or the delivery of a deed in lieu of foreclosure, or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Treasury Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure, or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes.

(c) This Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the Issuer and the Borrower, upon receipt of an opinion of Bond Counsel to the effect that such termination will not cause interest on the Bonds to become included in gross income for federal income tax purposes or cause interest on the Bonds to become included in the net taxable income of individuals, trusts, and estates for State income tax purposes.

Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver, and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

**Section 12. Burden and Benefit.** The Issuer and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the Land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Issuer and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch

and concern the Land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations, and restrictions, and by furthering the public purposes for which the Bonds were issued. Notwithstanding the foregoing, the Low Income Tenants are not intended to be third-party beneficiaries of this Regulatory Agreement and shall have no rights to enforce any provision herein.

**Section 13. Enforcement.** If the Borrower defaults in the performance or observance of any covenant, agreement, or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days after written notice thereof shall have been given by the Issuer or the Trustee to the Borrower, then the Issuer, or the Trustee, acting upon the direction of the holders of the Bonds pursuant to the Indenture, may declare an “Event of Default” to have occurred hereunder and, at its option, may take any one or more of the following steps:

(a) by mandamus or other suit, action, or proceeding at law or in equity require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer, the Trustee, or the holders of the Bonds hereunder;

(b) have access to and inspect, examine, and make copies of all the books and records of the Borrower pertaining to the Project;

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants, and agreements of the Borrower hereunder; or

Notwithstanding anything to the contrary contained herein, the Issuer and the Trustee hereby agree that any cure of any default made or tendered by one or more of Borrower’s partners shall be deemed to be a cure by Borrower and shall be accepted or rejected on the same basis as if made or tendered by Borrower.

All fees, costs, and expenses of the Trustee or the Issuer incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower and shall be paid to the Trustee or the Issuer, as the case may be, on demand.

After the Bonds have been discharged, the Issuer may act on its own behalf to declare an “Event of Default” to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Trustee at the direction of the holders of the Bonds.

**Section 14. The Trustee and the Issuer.** The Trustee is entering into this Regulatory Agreement in its capacity as the Trustee under the terms of the Bonds and the Indenture and the protections afforded the Trustee therein shall apply to its duties and obligations under this Regulatory Agreement. The Issuer may, at all times, assume the Borrower’s compliance with this Regulatory Agreement unless otherwise notified in writing by the Trustee (but the Trustee shall have no obligation to so notify the Issuer), or unless the Issuer has actual knowledge of noncompliance. The Trustee shall conclusively rely on the accuracy of any certificates, instruments, opinions, or reports delivered to it by the Borrower. It is expected that the Bonds will be discharged and the Indenture will terminate prior to the expiration of the Qualified Project Period. Following the payment in full and the discharge of the Bonds and the termination of the Indenture: (i) all obligations, rights, and duties of the Trustee under this Regulatory Agreement will terminate and be of no further force and effect; (ii) all actions required by the Trustee will instead be undertaken by the Issuer; (iii) all notices to be delivered to the Trustee will instead be delivered to the Issuer and all notices to be delivered by the Trustee will instead be delivered by the Issuer; and (iv) the Trustee shall no longer be a party to this Regulatory Agreement and shall be considered released from all obligations hereunder.

**Section 15. Amendment.** The provisions hereof shall not be amended or revised prior to the stated term hereof except by an instrument in writing duly executed by the Issuer and the Borrower, and consented to by the Trustee as may be required by the Loan Agreement, and duly recorded. The Issuer's and the Trustee's consent to any such amendment or revision shall be given only upon receipt of an opinion of Bond Counsel addressed to the Issuer and Trustee that such amendment or revision will not adversely affect the exemption from federal income taxation of interest on the Bonds. Neither the Issuer nor the Trustee shall have a duty to prepare any such consent, amendment, or revision.

**Section 16. Right of Access to the Project and Records.** The Borrower agrees that during the term of this Regulatory Agreement, the Issuer, the Trustee, and the duly authorized agents of either of them shall have the right at all reasonable times, and upon reasonable notice of at least twenty-four (24) hours, to enter upon the site of the Project during normal business hours to examine and inspect the Project and to have access to the books and records of the Borrower with respect to the Project, a copy of which shall be maintained at the site of the Project.

**Section 17. No Conflict with Other Documents.** The Borrower warrants that it has not executed and will not execute any other agreement with provisions contradictory to, or in opposition to, the provisions hereof.

**Section 18. Severability.** The invalidity of any clause, part, or provision of this Regulatory Agreement shall not affect the validity of the remaining portions thereof.

**Section 19. Notices.** All notices to be given pursuant to this Regulatory Agreement shall be in writing and shall be deemed given when sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods or when mailed by certified or registered mail, return receipt requested, to the parties hereto at the addresses set forth below, or to such other place as a party may from time to time designate in writing:

**Section 20. Governing Law.** This Regulatory Agreement shall be governed by and construed in accordance with the laws and judicial decisions of the State, except as such laws may be preempted by any federal rules, regulations, and laws.

**Section 21. Payment of Fees.** Notwithstanding payment of the Loan, the termination of the Loan Agreement, and the defeasance or discharge of the Bonds, throughout the term of the Qualified Project Period, the Borrower shall continue to pay:

(a) to the Issuer, reimbursement for all reasonable fees and expenses, including, but not limited to, financial advisory and legal fees and expenses necessary for the Issuer's reviewing and, if necessary, enforcing compliance by the Borrower with the terms of this Regulatory Agreement; and

(b) the fees and expenses of any entity or person designated by the Issuer to perform the review of the Borrower's compliance with this Regulatory Agreement; provided that such fees and expenses are not duplicative of any fees and expenses paid under subsection (a) above.

**Section 22. Limited Liability.** All obligations of the Issuer hereunder shall be special, limited obligations of the Issuer, payable solely and only from proceeds of the Bonds and amounts derived by the Issuer from the Loan and the Loan Agreement.

**Section 23. Actions of Issuer.** The Issuer shall be entitled to rely conclusively on an opinion of counsel in the exercise or non-exercise of any of the rights or powers vested in the Issuer by virtue of this Regulatory Agreement or any other agreement or instrument executed in connection with the issuance of the Bonds; it being the intent of the parties hereto that the Issuer, and any and all present and future trustees, members, commissioners, officers, employees, attorneys, and agents of the Issuer shall not incur any financial or pecuniary liability for the exercise or non-exercise of any rights or powers vested in the Issuer by this Regulatory Agreement or any other instrument or agreement executed in connection with

the issuance of the Bonds; or for the performance or nonperformance of any obligation under, or the failure to assert any right, power, or privilege under this Regulatory Agreement, the Bonds, the Loan Agreement, the Indenture or any other instrument or agreement executed in connection with the issuance of the Bonds. If the Issuer's consent or approval is required under this Regulatory Agreement, or any other agreement or instrument executed in connection with the issuance of the Bonds, the Issuer shall be entitled to rely conclusively on an opinion of counsel and shall not be responsible for any loss or damage resulting from any action or inaction in reliance upon such opinion.

**Section 24. Counterparts.** This Regulatory Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original; but such counterparts shall together constitute but one and the same Regulatory Agreement, and, in making proof of this Regulatory Agreement, it shall not be necessary to produce or account for more than one such counterpart.

**Section 25. Recording and Filing.** The Borrower shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto to be recorded and filed in the real property records of the County, the State, and in such other places as the Issuer may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

**Section 26. Additional Approvals.** Subsequent to the issuance of the Bonds, the officers of the Issuer are hereby authorized and directed to execute and provide all certified copies, certificates, affidavits, disclosures, representations, and reporting forms as may be required with respect to the continuing obligations of the parties hereunder.

**Section 27. HUD Rider to Regulatory Agreement.** The HUD Rider to Restrictive Covenants (the "HUD Rider") attached to this Regulatory Agreement is hereby made a part of this Regulatory Agreement. In the event of a conflict between the provisions of the HUD Rider and the provisions of this Regulatory Agreement, the provisions of the HUD Rider shall control.

IN WITNESS WHEREOF, the Issuer, the Borrower, and the Trustee have caused this Amended and Restated Regulatory Agreement to be executed by their respective duly authorized representatives as of the date and year first written above.

WHEREAS, Borrower has obtained financing from Colliers Mortgage LLC, a Delaware limited liability company (the “Lender”), for the benefit of the project to be known as 42nd & Central Apartments, on a site located at 800 42nd Avenue NE, Columbia Heights, Minnesota (the “Project”), which loan is secured by an Amended and Restated Multifamily Mortgage, Assignment of Leases and Rents, and Security Agreement (Minnesota), dated as of December 1, 2022 (the “Security Instrument”), and recorded in the office of the [County Recorder] [Registrar of Titles] of Anoka County, Minnesota (the “Records”) simultaneously herewith and is insured by the United States Department of Housing and Urban Development (“HUD”);

WHEREAS, Borrower has received tax-exempt bond financing from the Issuer, which Issuer is requiring certain restrictions be recorded against the Project; and

WHEREAS, HUD requires as a condition of its insuring Lender’s financing to the Project, that the lien and covenants of the Regulatory Agreement to which this Rider is attached (the “Restrictive Covenants”) be subordinated to the lien, covenants, and enforcement of the Security Instrument; and

NOW, THEREFORE, in consideration of the foregoing and for other consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

(a) In the event of any conflict between any provision contained elsewhere in the Restrictive Covenants and any provision contained in this Rider, the provision contained in this Rider shall govern and be controlling in all respects as set forth more fully herein.

Borrower covenants that it will not take or permit any action that would result in a violation of the Code, HUD Requirements or Restrictive Covenants. In the event of any conflict between the provisions of the Restrictive Covenants and the provisions of the HUD Requirements, HUD shall be and remains entitled to enforce the HUD Requirements. Notwithstanding the foregoing, nothing herein limits the Issuer’s ability to enforce the terms of the Restrictive Covenants, provided such terms do not conflict with statutory provisions of the National Housing Act or the regulations related thereto. (d) In the event of foreclosure (or deed in lieu of foreclosure), the Restrictive Covenants (including without limitation, any and all land use covenants and/or restrictions contained herein) shall automatically terminate.

(h) Subject to the HUD Regulatory Agreement, the Issuer may require the Borrower to indemnify and hold the Issuer harmless from all loss, cost, damage and expense arising from any claim or proceeding instituted against Issuer relating to the subordination and covenants set forth in the Restrictive Covenants, provided, however, that Borrower's obligation to indemnify and hold the Issuer harmless shall be limited to available surplus cash and/or residual receipts of the Borrower.

(i) No action shall be taken in accordance with the rights granted herein to preserve the tax exemption of the interest on the notes or bonds, or prohibiting the owner from taking any action that might jeopardize the tax-exemption, except in strict accord with Program Obligations.

5.1 The Issuer and the Borrower each hereby (a) confirms its consent to the use by the Underwriter of the Preliminary Official Statement dated December \_\_, 2022, relating to the Bonds (the

“*Preliminary Official Statement*”) in the marketing of the Bonds and (b) authorizes the Underwriter to prepare, use and distribute (at the expense of the Borrower) the Official Statement dated December \_\_\_, 2022, relating to the Bonds (the “*Official Statement*”) in final form in connection with the offering and sale of the Bonds.

5.2 The Issuer and the Borrower each agrees to the extent required and permitted by applicable law to cooperate (at the sole cost and expense of the Borrower) with the Underwriter so as to enable the Underwriter to comply with the requirements of Rule 15c2-12 (“*Rule 15c2-12*”) under the Securities Exchange Act of 1934, as amended (the “*1934 Act*”), and any other rules of the Securities and Exchange Commission (the “*SEC*”) and the Municipal Securities Rulemaking Board (the “*MSRB*”), in connection with the offer and sale of the Bonds.

5.3 The Borrower hereby certifies and agrees that the Preliminary Official Statement and the Official Statement have been “deemed final” by the Borrower as of their date, except for final information as to the offering prices, interest rates, selling compensation, amount of proceeds, delivery dates, other terms depending on such factors, and other information permitted to be omitted under part (b)(1) of Rule 15c2-12.

5.4 The Issuer and the Borrower hereby make the following representations in subsection (a) and (b), respectively:

(a) The Issuer has not participated in the preparation of the Preliminary Official Statement or the Official Statement relating to the Bonds and has made no independent investigation with respect to the information contained therein, including the appendices. The Issuer makes no representations or warranties with respect to the information contained in the Preliminary Official Statement or the Official Statement. The information contained in the Preliminary Official Statement and the Official Statement under the captions “THE ISSUER” and “NO LITIGATION – The Issuer” is true and correct in all material respects. Subject to the foregoing, the Issuer consents to the distribution of the Preliminary Official Statement and the Official Statement by the Underwriter in connection with the offering and sale of the Bonds.

(b) The Borrower hereby represents that it has reviewed the Preliminary Official Statement and the Official Statement, and without further inquiry, nothing has come to its attention that would lead it to believe that either document contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

5.5 The Borrower will, at the expense of the Borrower, supply to the Underwriter the Official Statement, in such quantity as may be requested by the Underwriter no later than the earlier of (i) seven (7) business days after the date of this Purchase Contract or (ii) one (1) business day prior to the Closing Date, in order to permit the Underwriter to comply with Rule 15c2-12, and the applicable rules of the MSRB, with respect to distribution of the Official Statement. The Borrower shall provide to the Underwriter the Official Statement, including any amendments thereto, in word-searchable PDF format as described in the MSRB’s Rule G-32 no later than one (1) business day prior to the Closing Date to enable the Underwriter to comply with MSRB Rule G-32.

5.6 During the period commencing on the date of this Purchase Contract and ending on the earlier of (a) 90 days from the End of the Underwriting Period or (b) the time when the Official Statement is available to any person from the MSRB, but in no case less than 25 days following the End of the Underwriting Period (the “*Update Period*”), if any event shall occur which would cause the Preliminary Official Statement or the Official Statement to contain any untrue statement of a material fact or to omit to

state any material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading, and in the judgment of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement or the Official Statement, the Issuer (to the extent of the provisions referred to in Section 5.4(a) hereof) and the Borrower will, at the expense of the Borrower, prepare or cooperate in the preparation of such supplement or amendment to the Preliminary Official Statement or the Official Statement in a form approved by the Underwriter and furnish or cooperate in the furnishing to the Underwriter (at the sole expense of the Borrower) a reasonable number of copies of an amendment of, or a supplement to, the Preliminary Official Statement or the Official Statement so that, as supplemented or amended, they will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. If the Preliminary Official Statement or the Official Statement are so supplemented or amended prior to the Closing, the approval by the Underwriter of a supplement or amendment to the Preliminary Official Statement or the Official Statement shall not preclude the Underwriter from thereafter terminating this Purchase Contract in accordance with the provisions of Section 12(c) hereof. The “*End of the Underwriting Period*” means the later of the delivery of the Bonds by the Issuer to the Underwriter or when the Underwriter no longer retains (directly or as a syndicate member) an unsold balance of the Bonds for sale to the public; provided, that the “*End of the Underwriting Period*” shall be deemed to be the Closing Date, unless the Underwriter otherwise notifies the Issuer and the Borrower in writing prior to such date that there is an unsold balance of the Bonds, in which case the End of the Underwriting Period shall be deemed to be extended for 30 days. The deemed End of the Underwriting Period may be extended for two additional periods of 30 days each upon receipt of an additional written notification from the Underwriter containing the same information as required in the initial written notice.

5.7 The Issuer shall promptly advise the Underwriter if, during the Update Period, the Issuer becomes aware of any event relating to the information concerning the Issuer under the captions “THE ISSUER” and “NO LITIGATION – The Issuer” of the Preliminary Official Statement or the Official Statement which would cause such portions of the Preliminary Official Statement or the Official Statement to contain any untrue statement of a material fact or omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

5.8 The Issuer shall promptly advise the Underwriter, during the Update Period, of any action, suit, proceeding, inquiry or investigation against the Issuer, of which the Issuer has actual knowledge, seeking to prohibit, restrain or otherwise affect the use of the Preliminary Official Statement or the Official Statement in connection with the offering, sale or distribution of the Bonds.

5.9 The Borrower shall promptly advise the Underwriter and the Issuer if, during the Update Period, the Borrower becomes aware of any event which would cause the Preliminary Official Statement or the Official Statement to contain any untrue statement of a material fact or to omit to state any material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading.

5.10 The Borrower shall promptly advise the Underwriter, during the Update Period, of any action, suit, proceeding, inquiry or investigation against the Borrower, of which they receive written or actual notice, seeking to prohibit, restrain or otherwise affect the use of the Preliminary Official Statement or the Official Statement in connection with the offering, sale or distribution of the Bond.

5.11 The Borrower represents and warrants to the Underwriter and the Issuer that neither the Borrower nor any affiliates thereof are in default under any undertakings with respect to continuing disclosure requirements designed to comply with Rule 15c2-12 in connection with any issue of municipal securities.

## **Section 6. Representations of the Issuer.**

6.1 The Issuer hereby makes the following representations to the Underwriter:

(a) The Issuer is a municipal corporation, home rule city and political subdivision of the State of Minnesota (the “State”) with full legal right, power and authority (i) to enter into this Purchase Contract and the other Issuer Documents, (ii) to adopt the Bond Resolution, (iii) to execute and deliver the Bonds, and the Issuer Documents (iv) to issue, sell and deliver the Bonds as provided herein, (v) to make the proceeds of the Bonds available to the Borrower as provided in the Loan Agreement, and (vi) to carry out the transactions contemplated by the Bonds and the Issuer Documents;

(b) By official action of the Issuer prior to or concurrently with the acceptance hereof, the Issuer has duly authorized and approved the execution and delivery of, and the performance by the Issuer of the obligations on its part contained in, the Bonds and the Issuer Documents and has duly authorized and approved the consummation of all other transactions to be performed by the Issuer as contemplated by this Purchase Contract and the other Issuer Documents;

(c) There is no pending or, to the Issuer’s actual knowledge, without inquiry or investigation, threatened suit, action, or proceeding against the Issuer before any court, arbitrator, administrative agency, or other governmental authority that challenges the Issuer’s execution and delivery of the Bonds, the Indenture, the Loan Agreement, the Regulatory Agreement, or this Purchase Contract;

(d) To the actual knowledge of the Issuer, without inquiry or investigation, the execution and delivery by the Issuer of the Bonds, the Indenture, the Loan Agreement, the Regulatory Agreement, and this Purchase Contract will not constitute a breach of or default under any existing (i) provision of any special legislative act or charter provision relating to the establishment of the Issuer; or (ii) agreement, indenture, mortgage, lease, or other instrument to which the Issuer is a party or by which it is bound;

(e) No proceeding for the Issuer for the issuance, execution, or delivery of the Bonds, the Indenture, the Loan Agreement, the Regulatory Agreement, or this Purchase Contract has been repealed, rescinded, amended, or revoked; and

(f) To the actual knowledge of the Issuer based on the advice of Bond Counsel, all approvals, consents and orders of any governmental authority, board, agency or commission having jurisdiction that would constitute a condition precedent to the performance by the Issuer of its obligations hereunder and under the other Issuer Documents have been obtained or will be obtained on or prior to the Closing Date; provided, however, that the Issuer makes no representation or warranty with respect to compliance with applicable state securities or Blue Sky laws or the registration of the Bonds or the Note under the 1933 Act, or the qualification of the Indenture under the 1939 Act.

6.2 The execution and delivery of this Purchase Contract by the Issuer shall constitute a representation by the Issuer to the Underwriter that the representations and agreements contained in this Section are true as of the date hereof; provided, however, that as to information furnished by the Borrower pursuant to this Purchase Contract, the Issuer is relying solely on such information in making the Issuer’s representations and agreements, and as to all matters of law the Issuer is relying on the advice of Bond Counsel; and provided further, that no member, officer, agent or employee of the Issuer shall be individually liable for the breach of any representation, or agreement contained herein.

6.3 It is understood that the representations and covenants of the Issuer contained in this Section 6 and elsewhere in this Purchase Contract shall not create any general obligation or liability of the Issuer, and that any obligation or liability of the Issuer hereunder or under the Issuer Documents is payable solely out of the Trust Estate established under the Indenture. It is further understood and agreed that the Issuer makes no representations, except as set forth in paragraph 5.4(a) above, as to the Official Statement, or as to (i) the financial condition, results of operation, business or prospects of the Borrower or the Project, (ii) any statements (financial or otherwise), representations, documents or certification provided or to be provided by the Borrower in connection with the offer or sale of the Bonds, or (iii) the correctness, completeness or accuracy of such statements, representations, documents or certifications.

## **Section 7. Representations and Warranties of the Borrower.**

7.1 The Borrower hereby makes the following representations and warranties to the Underwriter and the Issuer, all of which will continue in effect subsequent to the purchase of the Bonds:

(a) The Borrower is a limited partnership duly organized and existing under and pursuant to the laws of the State and is qualified to own the Project and conduct its business in the State.

(b) The Borrower has, and as of the Closing Date will have, full legal right, power and authority to (i) execute and deliver the Borrower Documents, (ii) assist in the preparation, distribution and use of the Preliminary Official Statement and the Official Statement, and (iii) otherwise consummate the transactions contemplated by the Borrower Documents.

(c) The Borrower has duly authorized the (i) execution and delivery of the Borrower Documents, (ii) performance by the Borrower of the obligations contained in the Borrower Documents, (iii) preparation of the Preliminary Official Statement and the Official Statement, and (iv) consummation by the Borrower of all of the transactions contemplated by the Borrower Documents.

(d) The Borrower Documents are, and, when executed and delivered by the Borrower and the other parties thereto, will be, the legal, valid and binding obligations of the Borrower, enforceable in accordance with their respective terms, except to the extent that enforcement thereof may be limited by bankruptcy, insolvency or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity.

(e) All consents, approvals, orders or authorizations of, notices to, or filings, registrations or declarations with any governmental authority, board, agency, commission or body having jurisdiction which are required on behalf of the Borrower for the execution and delivery by the Borrower of the Borrower Documents or the consummation by the Borrower of the transactions contemplated hereby or thereby, have been obtained or will be obtained prior to Closing.

(f) The execution and delivery by the Borrower of the Borrower Documents and the consummation by the Borrower of the transactions contemplated hereby and thereby are not prohibited by, do not violate any provision of, and will not result in the breach of or default under (i) the organizational documents of the Borrower, (ii) any applicable law, rule, regulation, judgment, decree, order or other requirement to which the Borrower is subject, or (iii) any contract, indenture, agreement, mortgage, lease, note, commitment or other obligation or instrument to which the Borrower is a party or by which the Borrower or its properties are bound.

(g) There is no legal action, suit, proceeding, investigation or inquiry at law or in equity, before or by any court, agency, arbitrator, public board or body or other entity or person, pending or, to the best knowledge of the Borrower, threatened against or affecting the Borrower or any partner of the Borrower, in their respective capacities as such, nor, to the knowledge of the Borrower, any basis therefor, (i) which would restrain or enjoin the issuance or delivery of the Bonds, the use of the Preliminary Official Statement or the Official Statement in the marketing of the Bonds or the collection of revenues pledged under or pursuant to the Borrower Documents or (ii) which would in any way contest or affect the organization or existence of the Borrower or the entitlement of any officer of the Borrower to its position or (iii) which would contest or have a material and adverse effect upon (A) the due performance by the Borrower of the transactions contemplated by the Preliminary Official Statement, the Official Statement or the Borrower Documents, (B) the validity or enforceability of the Bonds, the Borrower Documents or any other agreement or instrument to which the Borrower is a party and that is used or contemplated for use in the consummation of the transactions contemplated hereby and thereby, (C) the exclusion from gross income for federal income tax purposes of the interest on the Bonds or (D) the financial condition or operations of the Borrower, (iv) which contests in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement or (v) which questions the power or authority of the Borrower to carry out the transactions on its part contemplated by the Preliminary Official Statement, the Official Statement and the Borrower Documents, or the power of the Borrower to own or operate the Project. The Borrower is not subject to any judgment, decree or order entered in any lawsuit or proceeding brought against it that would have such an effect.

(h) On the Closing Date, the Borrower shall not have granted any interests in or rights or options to sell the Bonds to any other party.

(i) All permits (including building permits), licenses and authorizations necessary for the ownership and operation of its Project in the manner contemplated by the Preliminary Official Statement, the Official Statement and each of the Borrower Documents have been obtained or will be obtained, and said ownership and operation are not in conflict with any zoning or similar ordinance applicable to the Project. The Project conforms to all material environmental regulations.

(j) None of the Borrower, any guarantor of the Borrower or any “related person” to the Borrower within the meaning of Section 147 of the Code has acquired or shall acquire, pursuant to any arrangement, formal or informal, any Bonds.

(k) The Borrower has not taken or omitted to take on or prior to the date hereof any action that would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds.

(l) On the Closing Date, each of the representations and warranties of the Borrower contained in the Borrower Documents and all other documents executed by the Borrower in connection with the Bonds shall be true, correct and complete in all material respects.

(m) As of the Closing Date, the Borrower will not be in material default under any document, instrument or commitment to which the Borrower is a party or to which any of its property is subject which default would or could reasonably be expected to adversely affect the ability of the Borrower to carry out its obligations under the Borrower Documents. As of the Closing Date, the Borrower will be in compliance with all of its obligations under the Regulatory Agreement.

(n) The Borrower hereby represents that it has reviewed the Preliminary Official Statement and the Official Statement, and without further inquiry, nothing has come to its attention that would lead it to believe that either document contains any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(o) The Borrower is in compliance with all of its prior continuing disclosure undertakings entered into pursuant to Rule 15c2-12, if any.

7.2 Each of the representations and warranties set forth in this section will survive the Closing.

7.3 Any certificate signed by any officer of the Borrower and delivered to the Underwriter in connection with the delivery of the Bonds will be deemed to be a representation and warranty by the Borrower to the Underwriter as to the statements made therein.

## **Section 8. Covenants of the Issuer.**

8.1 The Issuer hereby makes the following covenants with the Underwriter:

(a) Prior to the Closing, the Issuer will not amend, terminate or rescind, and will not agree to any amendment, termination or rescission of the Issuer Documents without the prior written consent of the Underwriter.

(b) Prior to the Closing, except as provided in the Issuer Documents, the Issuer will not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the revenues, assets, properties, funds or interests which will be pledged pursuant to the Indenture, including, without limitation, the Bonds or the Issuer Documents.

(c) The Issuer will not take any action which will in any way cause the proceeds of the Bonds to be applied in a manner other than as provided in the Indenture or which would cause the interest on the Bonds to be includable in the gross income of the holders thereof for federal income tax purposes.

(d) Prior to the Closing, the Issuer will obtain all governmental consents, approvals, orders or authorizations of any governmental authority or agency that would constitute a condition precedent to the performance by it of its obligations under the Issuer Documents and the Bonds.

(e) The Issuer will reasonably cooperate with the Underwriter upon request, without cost to the Issuer, in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate; provided that the foregoing shall not require the Issuer to expend its own funds, execute a general or special consent to service of process or to qualify as a foreign corporation in connection with such qualification in any foreign jurisdiction.

(f) The Issuer will not agree to the adoption of any amendment or supplement to the Official Statement to which, after having been furnished a copy, the Underwriter shall reasonably object in writing, and if any event relating to or affecting the Issuer or the Borrower shall occur as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement so that it does not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading, the Issuer shall

(at the sole expense of the Borrower) furnish such information as the Underwriter may reasonably request to amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

**Section 9. Covenants of the Borrower.**

9.1 The Borrower hereby makes the following covenants with the Underwriter and the Issuer:

(a) The Borrower will not supplement or amend the Official Statement or cause the Official Statement to be supplemented or amended without providing reasonable notice of such proposed supplement or amendment to the Underwriter and the Issuer. It is understood pursuant to Section 12(c) that, in the event there arises an event or condition which, in the reasonable judgment of the Underwriter, requires the Official Statement to be amended or supplemented or has a material and adverse effect upon the marketability of the Bonds or the ability of the Underwriter to enforce contracts for the sale of the Bonds, the Underwriter shall have the right, pursuant to Section 12(c) hereof, to terminate this Purchase Contract without liability. Neither the receipt by the Underwriter of notice of a proposed supplement or amendment nor the consent by the Underwriter to such supplement or amendment shall abrogate the Underwriter's rights under Section 12(c) hereof.

(b) The Borrower will not adopt any amendment of or supplement to the Official Statement to which, after having been furnished a copy, the Underwriter shall reasonably object in writing and if any event relating to or affecting the Issuer or the Borrower shall occur as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to the Underwriter, the Borrower shall cause to be forthwith prepared and furnished (at the sole expense of the Borrower) to the Underwriter a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Issuer and the Underwriter) that will amend or supplement the Official Statement so that they will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(c) Prior to the Closing, the Borrower will not amend, terminate or rescind, and will not agree to any amendment, termination or rescission of the Borrower Documents without the prior written consent of the Underwriter.

(d) Prior to the Closing, the Borrower will not create, assume or guarantee any indebtedness payable from, or pledge or otherwise encumber, the revenues, assets, properties, funds or interests which will be pledged pursuant to the Indenture, including, without limitation, the Bonds or the Financing Documents.

(e) The Borrower will cooperate with the Issuer to cause the Bonds to be delivered to the address and at the time specified by the Underwriter in conjunction with the Closing.

(f) The Borrower will not take or omit to take any action which will in any way cause the proceeds of the Bonds, or other moneys on deposit in any fund or account in connection with the Bonds, to be applied in a manner as provided in the Indenture and described in the Preliminary Official Statement or the Official Statement and will not take or omit to take any action which

would cause the interest on the Bonds to be includable in the gross income of the holders thereof for federal income tax purposes.

(g) The Borrower will cooperate with the Underwriter in the qualification of the Bonds for offering and sale and the determination of their eligibility for investment under the laws of such jurisdictions as the Underwriter may designate.

(h) The Borrower agrees to cause the necessary amount to be paid to the Trustee on the Closing Date for deposit into the Costs of Issuance Fund as set forth in the Indenture to pay costs of issuance.

(i) The Borrower agrees to provide the Underwriter, at the Borrower's expense, a reasonable number of additional copies of the Financing Documents as the Underwriter shall request.

#### **Section 10. Conditions of Closing.**

10.1 The obligations of the Underwriter to consummate at the Closing the transactions contemplated hereby are subject to receipt by the Underwriter of the items described in Section 10.2 hereof and to the satisfaction of the following conditions:

(a) The Underwriter will not have discovered any material error, misstatement or omission in the representations and warranties made in this Purchase Contract, which representations and warranties will be deemed to have been made again at and as of the time of the Closing and will then be true in all material respects.

(b) The Issuer and the Borrower will have performed and complied with all agreements and conditions required by this Purchase Contract to be performed or complied with by such respective parties at or prior to Closing.

(c) The Bonds, the Financing Documents and the Official Statement shall each have been executed and delivered by each of the parties thereto, shall be in full force and effect on and as of the Closing Date and no circumstances exist that would cause there to be an event of default under any such documents.

(d) The Underwriter will have received orders for all of the Bonds (or such amount of the Bonds as is acceptable to the Underwriter), and such orders have not been withdrawn at the time of the Closing.

(e) Between the date hereof and the Closing Date, the market price or marketability, at the initial offering price set forth in the Official Statement, of the Bonds shall not have been adversely affected, in the judgment of the Underwriter.

(f) The Borrower shall have entered into the Continuing Disclosure Agreement containing covenants meeting the requirements of Rule 15c2-12 under the 1934 Act.

(e) Evidence that a public hearing has been duly held and the issuance of the Bonds has been duly approved as required by the Code.

(f) A certificate of the Borrower, dated the Closing Date and signed by its authorized representative, to the effect that:

(v) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, or before or by any court, public board or body pending or, to the best knowledge of the Borrower, threatened against or affecting the Borrower or any of its affiliates, nor, to the best knowledge of the Borrower, is there any basis therefor, wherein an unfavorable decision, ruling or finding would, in any way, adversely affect the transactions contemplated by the Loan Agreement or the operation and management of the Project, or that might result in any material adverse change in the business, operations, properties, assets, liabilities or condition (financial or other) of the Borrower or that affects the information in the Preliminary Official Statement and the Official Statement; and

(vi) Such other matters as the Underwriter may reasonably request.

(a) The Tax Certificate signed by the Borrower's authorized representative and endorsed by the Issuer, in form and substance satisfactory to the Underwriter, respecting certain tax matters as may be reasonably required by Bond Counsel to enable it to give its opinion.

(b) A certificate of the Trustee, dated the Closing Date and signed by an authorized officer of the Trustee, in form and substance satisfactory to the Underwriter.

10.3 If any of the conditions set forth in Section 10.1 or 10.2 hereof have not been met on the Closing Date, the Underwriter may, at its sole option, terminate this Purchase Contract or proceed to Closing upon waiving any rights under this Purchase Contract with respect to any such condition. If this

Purchase Contract is terminated pursuant to this Section, no party will have any rights or obligations to any other, except as provided in Section 13 hereof.

**Section 11. Actions and Events at the Closing.**

The following events will take place at the Closing:

(a) The Issuer will cause the Trustee to deliver the Bonds to the Underwriter. (b) The Issuer and the Borrower, as applicable, will deliver or cause to be delivered to the Underwriter at the offices of Bond Counsel, or at such other place or places as the Issuer, the Borrower and the Underwriter may mutually agree upon, the materials described in Section 10.1 and Section 10.2 hereof.

(c) The Underwriter will deliver to the Trustee, for the account of the Issuer, a wire, payable in immediately available funds, in an amount equal to the purchase price of the Bonds as set forth in Exhibit A hereto.

**Section 12. Termination of Agreement.**

The Underwriter may terminate this Purchase Contract, without liability therefor, by notifying the Issuer and the Borrower at any time prior to the Closing, if:

(a) Legislation is enacted or introduced in the Congress or recommended to the Congress for passage by the President of the United States, or favorably reported for passage to either house of the Congress of the United States by a committee of such house to which such legislation has been referred for consideration, or a decision is rendered by a court established under Article III of the Constitution of the United States or by the Tax Court of the United States, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice or official statement is issued or made: (i) by or on behalf of the President, the Treasury Department of the United States or the Internal Revenue Service with the purpose or effect, directly or indirectly, of imposing federal income taxation upon such interest as would be received by the owners of the Bonds, or (ii) by or on behalf of the SEC, or any other governmental entity having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds or any arrangements underlying the Bonds, are not exempt from registration under the 1933 Act, or that the Indenture is not exempt from qualification under the Trust Indenture Act of 1939, as amended;

(b) The declaration of a general banking moratorium by federal, New York or State authorities, or general suspension of trading in securities on the New York Stock Exchange any other national securities exchange, or the establishment by the New York Stock Exchange, by the SEC, by any federal or state agency or by the decision of any court, of any limitation on prices for such trading, or any outbreak or escalation of hostilities or occurrence of any other national or international calamity or crisis, or escalation of such calamity or crisis, the effect of which on the financial markets of the United States shall be such as to make it impracticable for the Underwriter to proceed with the purchase and offering of the Bonds;

(d) The imposition by the New York Stock Exchange or other national securities exchange, or any governmental entity, of any restrictions not now in force with respect to any of the Bonds or obligations of the general character of the Bonds or securities generally, or the increase of any such restrictions now in force, including those relating to the extension of credit by, or the charge to the net capital requirements of the Underwriter;

(e) An order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the SEC, or any other governmental entity having jurisdiction of the subject matter, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds or the issuance, offering or sale of the Bonds or any arrangements underlying the Bonds, as contemplated hereby or by the Preliminary Official Statement or the Official Statement, is or would be in violation of the federal securities laws as then in effect; or

(f) The rating of the Bonds shall have been downgraded or withdrawn by the Rating Agency; or

### **Section 13. Fees and Expenses.**

13.1 The Borrower shall pay to the Underwriter a fee in the amount of \$\_\_\_\_ (the “Underwriter’s Fee”), payable in immediately available funds on the Closing Date from which the Underwriter will pay certain expenses. The Underwriter’s Fee shall not include the fee of the Underwriter’s counsel. The Borrower acknowledges that it has had an opportunity, in consultation with such advisors as it may deem appropriate, if any, to evaluate and consider the fees and expenses being incurred in connection with the issuance of the Bonds. The Borrower has agreed to pay the Underwriter’s Fee set forth in this Section 13.1, and inclusive in the expense component of the Underwriter’s Fee are actual expenses incurred or paid for by the Underwriter on behalf of the Borrower in connection with the marketing, issuance, and delivery of the Bonds, including, but not limited to, advertising expenses, the costs of any preliminary and final blue sky memoranda, CUSIP fees, and transportation, lodging, and meals for the Borrower’s employees and representatives, if any.

13.2 The Borrower shall pay the costs of issuance of the Bonds, including all expenses incident to the performance of the Underwriter’s and the Issuer’s obligations hereunder, including, but not limited to, (i) the cost of the preparation, printing or other reproduction of this Purchase Contract, the Preliminary Official Statement and the Official Statement, as either may be supplemented or amended, the Indenture and the other Financing Documents in reasonable quantities for distribution; (ii) the cost of engraving, reproducing and signing the definitive Bonds; (iii) the reasonable fees and disbursements of all applicable legal counsel, including Bond Counsel, counsel to the Issuer, counsel to the Trustee (if any), and counsel to the Underwriter; (iv) the initial fees and costs of paying the Trustee and all paying agents, transfer agents

Notwithstanding anything to the contrary, in the event the transaction contemplated hereby does not close, the Borrower shall pay all fees and expenses incurred in connection with the transaction.

13.3 The Underwriter will pay all expenses (other than those described in Section 13.2) incurred by the Underwriter in connection with its public offering and sale of the Bonds.

13.4 In the event that the Issuer, the Borrower or the Underwriter shall have paid obligations of the other as set forth in this Section, appropriate adjustments will promptly be made.

13.5 In addition to the provisions set forth in Section 14 hereto, the Borrower shall indemnify the Issuer and the Underwriter with respect to the foregoing costs and expenses in the event that the purchase provided for herein is not consummated.

#### **Section 14. Indemnification.**

14.1 The Borrower will indemnify and hold harmless the Issuer and the Underwriter, and each of their officers, directors, employees, agents, officials, members, commissioners, board members and each person who "controls" (as such term is used in Section 15 of the 1933 Act and Section 20 of the 1934 Act) the Issuer and the Underwriter (each referred to individually as an "*Indemnified Party*" and collectively as the "*Indemnified Parties*") against any losses, claims, expenses (including, without limitation, to the extent permitted by law, reasonable attorneys' fees and expenses actually incurred), damages or liabilities, causes of action (whether in contract, tort or otherwise), suits, claims, demands and judgments of any kind, character and nature (collectively referred to herein as the "*Liabilities*"), joint or several, to which the Indemnified Parties may be threatened or become subject, caused by or directly or indirectly arising from or in any way relating to (i) the Bonds, the Project, the loan of the proceeds of the Bonds, this Purchase Contract or any document related to the Bonds, the Project or the loan of the proceeds of the Bonds or any transaction or agreement, written or oral, pertaining to the foregoing, (ii) any untrue statement or alleged untrue statement of any material fact contained in the Preliminary Official Statement or the Official Statement (excluding the sections entitled "THE ISSUER," "THE TRUSTEE," "NO LITIGATION – The Issuer," and "UNDERWRITING"), or any supplement or amendment thereto, or (iii) any omission or alleged omission to state in the Preliminary Official Statement or the Official Statement (excluding the sections entitled "THE ISSUER," "THE TRUSTEE," "NO LITIGATION – The Issuer," and "UNDERWRITING") a material fact necessary to be stated therein in order to make the statements contained therein, in light of the circumstances under which they were made, not misleading. This indemnification provision shall not be construed as a limitation on any other liability which the Borrower may otherwise have to any indemnified person, provided that in no event shall the Borrower be obligated for double indemnification, in that the Borrower shall not be required to indemnify an Indemnified Party more than once with respect to a specific indemnification obligation arising as the result of a specific event. Notwithstanding the foregoing, the Borrower shall not be required to indemnify the Indemnified Parties for the gross negligence or willful misconduct of the Indemnified Parties.

14.2 The indemnity agreements in Section 14.1 shall be in addition to any liability which the Borrower may otherwise have hereunder or under the other Borrower Documents, and shall extend on the same terms and conditions to each member, principal, official, officer, commissioner, board member, attorney or employee of the Borrower and to each person, if any, who “controls” (as such term is used in Section 15 of the 1933 Act and Section 20 of the 1934 Act) the Borrower.

14.3 Promptly after receipt by an Indemnified Party under Section 14.1 of notice of the commencement of any action against such Indemnified Party in respect of which indemnity or reimbursement may be sought against the Borrower under any such paragraph, such Indemnified Party will notify the Borrower in writing of the commencement thereof; provided that any delay or failure to give such notification shall be of no effect except to the extent that the Borrower is prejudiced thereby.

14.4 In case any action, claim or proceeding, as to which the Borrower is to provide indemnification hereunder, shall be brought against the Indemnified Party and the Indemnified Party notifies the Borrower of the commencement thereof, the Borrower may, or if so requested by the Indemnified Party shall, participate therein or assume the defense thereof, with counsel reasonably satisfactory to the Indemnified Party; provided that, except as provided below, the Borrower shall not be liable for the expenses of more than one separate counsel representing the Indemnified Parties in the action, claim or proceeding.

14.5 If the Borrower shall not have employed counsel to have charge of the defense of the action, claim or proceeding, or if any Indemnified Party shall have concluded reasonably that there may be a defense available to it or to any other Indemnified Party which is different from or in addition to those available to the Borrower or to any other Indemnified Party (hereinafter referred to as a “separate defense”), (i) the Borrower shall not have the right to direct the defense of the action, claim or proceeding on behalf of the Indemnified Party, and (ii) reasonable legal and other expenses incurred by the Indemnified Party (including without limitation, to the extent permitted by law, reasonable attorney’s fees and expenses actually incurred) shall be borne by the Borrower; provided, that the Borrower shall not be liable for the expenses of more than one additional separate counsel for each Indemnified Party with respect to such separate defenses. For the purpose of this paragraph, an Indemnified Party shall be deemed to have concluded reasonably that a separate defense is available to it or any other Indemnified Party if (a) such Indemnified Party shall have requested an unqualified written opinion from Independent Counsel to the effect that a separate defense exists, and such Independent Counsel shall have delivered such opinion to the Indemnified Party within ten (10) days after such request or (b) the Borrower agrees that a separate defense is so available. For purposes of this paragraph, Independent Counsel shall mean any attorney, or firm or association of attorneys, duly admitted to practice law before the supreme court of any state and not a full-time employee of any Indemnified Party. Nothing contained in this Section 14.5 will preclude any Indemnified Party, at its own expense, from retaining additional counsel to represent such party in any action with respect to which indemnity may be sought from the Borrower hereunder.

14.6 The Borrower agrees to reimburse any Indemnified Party for any reasonable expense (including reasonable fees and expenses of counsel) incurred as a result of producing documents, presenting testimony or evidence, or preparing to present testimony or evidence (based upon time expended by an Indemnified Party at its then current time charges), in connection with any court or administrative proceeding (including any investigation which may be preliminary thereto) arising out of or relating to any public distribution of the Bonds. The Borrower will not be required to reimburse any Indemnified Party if such court or administrative hearing arises out of the gross negligence of, willful misconduct or breach of, this Purchase Contract by an Indemnified Party.

14.7 In order to provide for just and equitable contribution in circumstances in which the indemnity provided for in Section 14.1 or 14.2 is for any reason held to be unavailable, the Borrower and

the Indemnified Party shall contribute proportionately to the aggregate Liabilities to which the Borrower and the Indemnified Party may be subject, so that the Indemnified Party is responsible for that portion represented by the percentage that the fees paid by the Borrower to the Indemnified Party in connection with the issuance and administration of the Bonds bears to the aggregate offering price of the Bonds, with the Borrower responsible for the balance; provided, however, that in no case shall the Indemnified Party be responsible for any amount in excess of the fees paid by the Borrower to the Indemnified Party in connection with the issuance and administration of the Bonds; and provided, further, that the foregoing limitation on an Indemnified Party's liability or responsibility shall not be applicable if the indemnity provided for in Section 14.1 or 14.2 is unavailable or inapplicable due to the gross negligence or willful misconduct of any Indemnified Party. No person guilty of fraudulent misrepresentation (within Section 10(b) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such misrepresentation.

14.8 The Indemnified Parties, other than the Underwriter and the Issuer, shall be considered to be third-party beneficiaries of this Purchase Contract for purposes of Section 14. The provisions of this Section 14 will be in addition to all liability which the Borrower may otherwise have and shall survive any termination and cancellation of this Purchase Contract, the offering and sale of the Bonds and the payment or provisions for payment of the Bonds.

14.9 Notwithstanding anything to the contrary in this Purchase Contract, the Issuer may employ its own counsel (whether one or more separate counsel) in any manner it deems appropriate and the Borrower shall indemnify the Issuer for fees and expenses of such counsel.

#### **Section 15. Limitation of Liability.**

Notwithstanding any provision herein to the contrary, any member, officer, director, partner, agent, commissioner, board members or employee of the Issuer, the Underwriter or the Borrower, including any person executing this Purchase Contract, shall not bear any liability as a result of any failure of the Issuer, the Underwriter or the Borrower to perform the obligations of each, respectively, set forth in this Purchase Contract.

In connection with the opinions hereinafter set forth, we have also examined such certificates of public officials, limited partnership documents, limited liability company documents and records and other certificates and instruments as we have deemed necessary for the purposes of the opinions herein expressed. As to various questions of fact material to our opinions, we have relied upon certificates and written statements of authorized representatives of Borrower, General Partner, Guarantor, and public officials. We have made no independent investigation of such certificates or written statements or of any warranties and representations made by Borrower, General Partner, and Guarantor in the Transaction Documents. We have not undertaken any independent investigation to determine the accuracy of the matters covered by any such certificates or written statements, warranties or representations and any limited inquiry undertaken by us during the preparation of this letter should not be regarded as such an investigation. No inference as to our knowledge of any matters bearing on the accuracy of the facts underlying any such certificates, written statements, warranties or representations should be drawn from the fact of our representation of Borrower, General Partner, or Guarantor. We have no reason to believe that any of the assumptions or the various

certificates, written statements and documents on which we have relied contain matters which are untrue, contrary to known facts or unreasonable.

## **ASSUMPTIONS**

For purposes of this letter, we have relied on customary assumptions, including the following assumptions:

- B1. The transactions contemplated by the Transaction Documents may reasonably be expected to benefit, directly or indirectly, the Guarantor, and the Guarantor has received adequate and sufficient consideration and will derive adequate and sufficient benefit in respect of his obligations under the Guaranty and any other Transaction Document to which he is a party.
- B2. The Tax-Exempt Loan are primarily for commercial or business purposes, and the Collateral described in the Security Instrument is not agricultural property or agricultural land or intended for agricultural use.
- B3. The personal property in which Lender is to acquire a security interest under the Transaction Documents is not “consumer goods,” as such term is defined in the Minnesota UCC, in the hands of the party granting such interest.
- B4. The Collateral is accurately and sufficiently described in the Transaction Documents and the Financing Statements (and any schedule thereto).
- B5. All Collateral is collateral as to which the creation of a security interest in the Collateral is governed by Article 9 of the Minnesota UCC.
- B6. All fixtures described in the Security Instrument are located in Hennepin County, Minnesota.
- B7. The Financing Statements contain the correct mailing address of Borrower and General Partner, as applicable.
- B8. Borrower has “rights” in the Collateral and “value” has been given, as such terms are defined in the Minnesota UCC.
- B9. All conditions precedent to closing the transactions contemplated by the Transaction Documents have been satisfied or waived.
- B10. The transactions contemplated by the Transaction Documents have been entered into by all of the parties thereto in good faith, and the conduct of all parties has conformed and will conform with all applicable express and implied covenants of good faith and fair dealing and the requirements of conscionability and commercial reasonableness applicable thereto; and none of Lender, Issuer, nor any agent acting on their behalf in connection with such transactions has notice of any defense against the enforcement of any rights created by the Transaction Documents.
- B11. All of the material terms, covenants, and conditions of the Tax-Exempt Loan are accurately recited in the Transaction Documents. All exhibits referred to in the Transaction Documents have been properly completed and attached. There has been no mutual mistake

of fact or misunderstanding, there exists no fraud, duress or undue influence with respect to the agreements and obligations contained in the Transaction Documents, and there is no document or other information which has not been furnished to us which would materially alter, modify or amend the Transaction Documents.

- B12. The parties to the Transaction Documents will comply with all requirements of applicable procedural and substantive law in exercising any rights or enforcing any remedies under the Transaction Documents.
- B13. Each natural person has sufficient legal capacity to enter into and perform, or to carry out that person's role in, the transaction effected by the Transaction Documents.
- B14. Without assuming the form of acknowledgement/notary block is proper for recording in Minnesota, the signature of Borrower on the Security Instrument and Regulatory Agreement have been properly acknowledged according to applicable law.
- B15. Borrower has a valid, current estate in the real property described in the Security Instrument and Regulatory Agreement at the time such instruments are delivered and recorded. We understand that with respect to title matters, you will be relying on one or more policies of title insurance. An instrument creating Borrower's estate in the Mortgaged Property is properly of record in the real property records of the county in which the Mortgaged Property is located.
- B16. The proper legal descriptions of the Project will be attached to the Security Instrument prior to recording.
- B17. The creation of a security interest in, or a lien or other encumbrance on, any of the Collateral that is described in any of the Transaction Documents and that consists of a governmental permit, license or other authorization is not prohibited or restricted by law or any other contract or encumbrance, and any assignment or pledge under any Transaction Document of, or the creation under any Transaction Document of a security interest in, any right under any contract is not prohibited by the terms of such contract.
- B18. Each party to the Transaction Documents, other than General Partner, Guarantor, and Borrower (and any person executing any of the Transaction Documents on behalf of General Partner, Guarantor, or Borrower), has satisfied all necessary legal requirements applicable to it and has all necessary corporate authority to enter into those documents and consummate the transactions contemplated by those documents.
- B19. Each party to the Transaction Documents, other than General Partner, Guarantor, or Borrower (and any person executing any of the Transaction Documents on behalf of General Partner, Guarantor, or Borrower), has duly authorized the execution and delivery of those documents.
- B20. Each party to the Transaction Documents, other than General Partner, Guarantor, or Borrower (and any person executing any of the Transaction Documents on behalf of General Partner, Guarantor, or Borrower), has duly and validly executed and delivered each document to which it is a signatory, and each such party's obligations set forth in those documents are its legal, valid, and binding obligations, enforceable in accordance with their respective terms.

- B21. All Documents submitted to us for review are authentic and complete; each such Document that is a copy conforms to an authentic original; and all signatures on each such Document are genuine.
- B22. The persons named in the Security Instrument as the beneficiary of the Security Instrument are the holders of the instruments or documents evidencing the obligations secured by the Security Instrument.
- B23. Each of the Security Instrument and all leases for terms of more than one year has been properly acknowledged, and all persons taking acknowledgements were qualified to do so.
- B24. The Security Instrument and Regulatory Agreement will be duly recorded and properly indexed in the real property records of Hennepin County, Minnesota, without change in form or content, and all applicable recording fees will be paid.
- B25. [Each of the Tax-Exempt Personalty Financing Statement and the Tax-Exempt Equity Interest Financing Statement have been properly filed and indexed in the Filing Office.]
- B26. Minnesota law (without regard to Minnesota law regarding conflicts of law) will apply to the interpretation, validity, and enforceability of the Transaction Documents.
- B27. All representations and warranties set forth in the Transaction Documents are true and correct without regard to knowledge or materiality as of the time made or deemed to be made, and all other material factual matters set forth in the Documents are true and correct to the extent those factual matters relate to any of the opinions set forth in this letter.

## OPINIONS

Based on the foregoing and subject to the assumptions, qualifications, limitations and exclusions set forth in this letter, we are of the opinion that:

- C1. Based solely on the [Borrower Status Certificate], Borrower is a limited partnership validly existing under the laws of the State of Minnesota.
- C2. Borrower is in good standing under the laws of the State of Minnesota, and has the necessary limited partnership power and limited partnership authority to enter into, and perform its obligations under, each of the Transaction Documents to which it is a party.
- C3. Borrower has authorized, by all necessary limited partnership action on the part of Borrower, the execution and delivery of, and the consummation of the transactions contemplated by, each of the Transaction Documents to which it is a party and Borrower has executed and delivered each of the Transaction Documents to which it is a party.
- C4. The Transaction Documents to which Borrower is a party constitute the valid and legally binding obligations of Borrower, enforceable against Borrower in accordance with their respective terms.
- C5. The Security Instrument is in form sufficient for recordation in the land records of the County of Hennepin, State of Minnesota. The Security Instrument is in form sufficient to create a lien or encumbrance on the interest of Borrower in and to the Mortgaged Property including fixtures described therein. Upon proper recording, the Security Instrument will

create a legal, valid and enforceable lien on the real property described therein, including the fixtures attached thereto.

- C6. The Security Instrument is in form sufficient to perfect the security interest in the Collateral described therein, but only to the extent that, under Article 9 of the Minnesota UCC, a security interest in each described fixture can be perfected by recording a financing statement as a fixture filing in the county real property records in the State of Minnesota. The proper place to record a financing statement filed as a fixture filing for collateral of the type described in the Security Instrument, to the extent that a security interest in such collateral may be perfected by the recording of a financing statement filed as a fixture filing in the State of Minnesota, is the real property records of Hennepin County, State of Minnesota.
- C7. Borrower may not plead the defense of usury or maintain an action for usury with respect to the Tax-Exempt Loan.

Based upon the foregoing and subject to the assumptions, qualifications, limitations and exclusions set forth in this letter, we confirm that:

- C8. The execution and delivery by Borrower, General Partner, and Guarantor of, and the consummation of the transactions contemplated by, each of the Transaction Documents to which it is a party, do not (a) violate its Organizational Documents (as applicable), (b) to our knowledge, breach, or result in a default under, any existing obligation of Borrower, General Partner, or Guarantor known to us under any agreement or instrument to which Borrower, General Partner, or Guarantor is a party, or (c) breach or otherwise violate any existing obligation of Borrower, General Partner, or Guarantor known to us under any court order that names Borrower, General Partner, or Guarantor and is specifically directed to it or its property, except as consented to or waived in writing by the parties to which such obligations are due.
- C9. Borrower has obtained all consents, approvals, authorizations, certificates and orders of any governmental or regulatory authority that are required to be obtained by it as a condition precedent to the execution and delivery of the Transaction Documents or the performance by Borrower of its obligations thereunder, except as may be required by federal or state securities laws or for the construction or operation of the Project.
- C10. To our knowledge, there is no action or suit pending before any court or administrative or other governmental body or agency, or overtly threatened against Borrower, General Partner, Guarantor, or the Project which, if adversely determined against Borrower, General Partner, Guarantor, or the Project, would reasonably be expected to have a material adverse effect on such party's performance of its obligations under the Transaction Documents or the ability of such party to carry on its business in the manner specified in the Transaction Documents.
- C11. To our knowledge, nothing has come to our attention during the scope of our representation of the Borrower that would lead us to believe that either the Preliminary Official Statement or the Official Statement contain any untrue statements of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

## QUALIFICATIONS, LIMITATIONS AND EXCLUSIONS

In addition to the assumptions set forth above, our opinions are subject to the following qualifications, limitations and exclusions:

- D1. We express no opinion concerning any federal or state land use, subdivision, zoning, building, health, safety, banking, employee benefit, pension, antitrust, trade, fair competition, discrimination, environmental, tax, intellectual property, racketeering, criminal, labor, or securities laws, rules, regulations, orders or directives.
- D2. We express no opinions with respect to (a) the value of any Collateral; (b) the adequacy of the consideration for the Tax-Exempt Loan or the Bond; (c) the accuracy or completeness of any financial, accounting, or statistical information furnished to any party; (d) the accuracy or completeness of any representations made by any party to the Transaction Documents; (e) the financial status of any party to the Transaction Documents; (f) the ability of any party to meet its obligations under the Transaction Documents; (g) the state of the title to any real property or personal property, ownership thereof, or the attachment, perfection, or priority of any liens thereon or security interests therein; or (h) the adequacy or accuracy of descriptions of real or personal property.
- D3. We express no opinion as to the presence or absence of any environmental contamination on any property.
- D4. We express no opinion as to any security interest in any Collateral other than Article 9 Collateral.
- D5. We call to your attention that (a) continuation of perfection in cash proceeds is subject to the limitations set forth in the Minnesota UCC; and (b) the continued perfection of the security interests will depend upon the filing of periodic continuation statements relating to the Financing Statements in accordance with the Minnesota UCC and may depend upon the continuation of (i) the debtor as a registered organization that is organized under the laws of the state of filing, and (ii) the present name of the debtor.
- D6. We express no opinion on the creation, perfection or enforcement of the security interest granted under the Deposit Account Control Agreement.
- D7. We call to your attention that Section 552 of the United States Bankruptcy Code, 11 U.S.C. § 552, limits the extent to which property acquired by a debtor after the commencement of a case under the United States Bankruptcy Code may be subject to a security interest arising from a security agreement entered into by the debtor before the commencement of such case.
- D8. The enforceability of any agreement may be limited by (i) equitable principles or by any applicable bankruptcy, reorganization, winding-up, insolvency, moratorium, fraudulent conveyance, fraudulent transfer, receivership, or other laws of general application affecting the enforcement of creditors' rights generally (including, without limitation, the effectiveness of waivers of defenses and legal rights); (ii) certain procedural requirements, such as the required format and timing of service of process, court filings, recordation and notices, and minimum statutory requirements and other rights and obligations that are subject to limitations or restrictions imposed by statute; and (iii) the concepts of notice, materiality, impairment of security, equitable subordination, mitigation of damages,

reasonableness, unconscionability, good faith and fair dealing, jurisdiction, service of process, venue, applicable statutes of limitation and other applicable law. In addition, no opinion is expressed herein as to indemnification provisions of the Transaction Documents to the extent any indemnification provided for therein is for the negligence of any indemnified person or any violation of law by the indemnified person or might otherwise be determined to violate public policy.

- D9. Certain provisions contained in the Transaction Documents may not be enforceable, but subject to the qualifications set forth in D8 above, such unenforceability will not render any of the Transaction Documents invalid as a whole or preclude: (i) judicial enforcement of Borrower's obligation to repay the principal amount of advances, together with interest thereon (to the extent not deemed a penalty), as provided in the Transaction Documents; or (ii) acceleration of Borrower's obligation to repay such principal, together with such interest, upon default in the payment of such principal or interest or upon a continuing material default by that Borrower in the performance of any other enforceable obligation under the Transaction Documents (to the extent the Transaction Documents provide for such acceleration); or (iii) foreclosure in accordance with applicable laws of the State of Minnesota of any lien or security interest created by the Security Instrument, either upon maturity or upon acceleration under circumstances described in clause (ii) above.
- D10. Without limiting the other assumptions, qualifications, limitations and exclusions set forth herein, we express no opinion with respect to:
- (a) self-help; rights of setoff; the right to possession of the real or personal property, or collection of rental or other income without appointment of a receiver; or the rights of, procedural requirements for, or powers of a receiver;
  - (b) provisions purporting to establish evidentiary standards, or stating that the determinations or records of a party shall be final, binding or conclusive;
  - (c) provisions relating to the waiver of statutory or common law rights, remedies or defenses, including without limitation rights of redemption, to establish "fair value," to receive notice, to marshaling of assets, to enjoin a foreclosure sale or to avoid a deficiency judgment in connection with enforcement of a security instrument;
  - (d) provisions relating to venue;
  - (e) to the extent such amounts exceed actual damages, provisions that permit Lender, or Issuer to collect a late charge, an increased interest rate after default or maturity, or a yield maintenance or prepayment premium;
  - (f) any reservation of the right to pursue inconsistent or cumulative remedies;
  - (g) any "due on sale" clause to the extent that enforcement is not mandated by applicable federal law and that the security for the Tax-Exempt Loan or the Bond would not be impaired;
  - (h) any "due on encumbrance" clause in any circumstance in which the security for the Tax-Exempt Loan or the Bond would not be impaired;

- (i) provisions that may violate the “anti-deficiency” statutory restrictions set forth in Minnesota Mortgage Laws (as hereinafter defined);
- (j) provisions for payment or reimbursement of costs, expenses or attorney fees in connection with the indemnification for claims, losses or liabilities for the negligent or wrongful acts of the indemnified party;
- (k) provisions purporting to grant a power of attorney;
- (l) provisions that purport to establish or maintain priority of a lien;
- (m) provisions for charging interest on interest;
- (n) provisions in conflict with any statutory provisions that permit a debtor to pay indebtedness or redeem property after commencement of judicial or non-judicial foreclosure proceedings;
- (o) provisions purporting to allow Lender or Issuer to determine the method or order of sale of property in a foreclosure action;
- (p) provisions purporting to waive or modify court rules or statutes regarding litigation;
- (q) provisions allowing for severability of clauses or provisions of a Transaction Document;
- (r) provisions fixing, establishing, eliminating, or prohibiting the rights or remedies of non-parties;
- (s) provisions purporting to prevent a non-party from exercising its rights or remedies;
- (t) provisions purporting to make a party to a Document a beneficiary of the undertakings or agreements of a non-party to that Document;
- (u) provisions requiring parties to arbitrate disputes;
- (v) provisions purporting to prevent a party from becoming a mortgagee in possession or allowing a party to enter into, control or collect rents from a property without appointment of a receiver;
- (w) provisions warranting the existence of future facts or circumstances;
- (x) provisions in the nature of a penalty; and
- (y) provisions purporting to allow independent action to collect a debt and foreclose a mortgage in violation of Minnesota Mortgage Laws or to grant possession of real property collateral to a mortgagee prior to termination of the redemption period.

D11. We express no opinion as to the enforceability of any obligation of a borrower or a guarantor under any Transaction Document after a foreclosure sale under a security instrument if and to the extent that the obligation or its substantial equivalent is secured by that security instrument.

- D12. Notwithstanding any provisions in the Transaction Documents to the effect that the Transaction Documents reflect the entire understanding of the parties with respect to the matters described therein, the courts of the State of Minnesota may consider extrinsic evidence of the circumstances surrounding the negotiation and execution of the Transaction Documents to ascertain the intent of the parties in using the language employed in the Transaction Documents, regardless of whether or not the meaning of the language used in the Documents is plain and unambiguous on its face, and may determine that additional or supplemental terms can be incorporated into the Transaction Documents. We express no opinion on whether a court's interpretation of the written contract will be consistent with the understanding of any particular party to the contract.
- D13. The existence, continuation and scope of any security interest that may be created by the Transaction Documents are subject to limitations set forth in the Minnesota UCC, and to lien avoidance powers available under the United States Bankruptcy Code, as amended, and with respect to any collateral acquired by a lender subsequent to the commencement of a case by or against such lender under the United States Bankruptcy Code, as amended.
- D14. The rights of a secured party to enforce a security interest in proceeds may be limited under certain circumstances described in the Minnesota UCC, and a security interest will continue in collateral after its sale, lease, license, exchange or other disposition only to the extent provided in the Minnesota UCC.
- D15. Restrictions in the Transaction Documents on the voluntary or involuntary transfer of a person's rights in collateral or other property may be limited as provided in the Minnesota UCC.
- D16. The rights of debtors and other obligors, and the duties of secured parties, that are identified directly or by reference in Section 336.9-602 of the Minnesota UCC may not be waived or varied other than as provided in Section 336.9-624 of the Minnesota UCC.
- D17. We note that the assignments of rents set forth in the Security Instrument purport to be absolute conveyances of Borrower's interest in the leases and rents described therein. We offer no opinions on the effectiveness of such documents to convey or create any interest other than a security interest in such leases and rents.
- D18. Whenever the phrase "to our knowledge" or any variation thereof is used in this letter, (a) the subject modified by that phrase is limited to matters within the present actual knowledge of Joseph McCarthy, Sallie Lin and Scott Rosenthal, the attorneys in this firm actively engaged in the representation of Borrower, General Partner, and Guarantor, (b) those words mean only the conscious awareness of facts or other information by such attorneys, and (c) those words do not include any knowledge that may be imputed to those attorneys by constructive notice or other means or imply that those individuals have undertaken any inquiry with respect to any such matters except to the extent that facts and circumstances presented to those individuals would compel a prudent attorney to make further inquiry when presented with the same facts and circumstances.
- D19. We express no opinion as to the laws of any jurisdiction other than the laws of the State of Minnesota, as currently in effect. If a court determined that the Documents were not legal, valid, binding or enforceable under governing laws other than the law of the State of Minnesota, such determination may affect the status and enforceability of the Documents under the laws of the State of Minnesota, even though such Documents would otherwise

have been legal, valid, binding and enforceable under the laws of the State of Minnesota. In addition, our opinions herein are based upon our consideration of only those statutes, rules and regulations which in our experience are normally applicable to transactions of the type provided for in the Documents.

- D20. We call your attention to the Minnesota Uniform Limited Partnership Act 2001 (Minn. Stat. Chapter 321) which limits the remedies available to a creditor of a partner to obtaining a charging order, limits the rights of a creditor to those of a transferee, and allows redemption by the debtor, its partners or the partnership. We also call your attention to the terms of the Borrower's Organizational Documents. The enforceability of certain Transaction Documents may be affected by these facts.
- D21. We call your attention to the Minnesota Uniform Limited Partnership Act 2001 (Minn. Stat. Chapter 321) which limits the types of interests in a partnership that may be transferred. As stated in Minn. Stat. Section 321.0702, a transfer of an interest in a partnership gives the transferee an interest in distributions, but transferor retains the duties and obligations of a partner. We express no opinion as to the enforceability of the Pledge Agreement and the Collateral Assignment, to the extent that they purport to transfer more than a right to receive distributions from Borrower.
- D22. We express no opinion with respect to the Torrens Act in the State of Minnesota known as the Minnesota Land Registration Act, Minn. Stat. Chapter 508.
- D23. We express no opinion with respect to whether Lender is required to file a Notice of Business Activities Report under Minn. Stat. Section 290.371. Any party who is so required and does not file such a report has no cause of action upon which it may bring suit under Minnesota law, except for issues related to its Minnesota tax liability, unless and until it pays any taxes, interest or civil penalties due the State of Minnesota for all periods, or provides for their payment by security or bond.
- D24. Mortgage foreclosures are governed primarily and generally by Minn. Stat. Chapters 580 (nonjudicial foreclosure by advertisement), 581 (foreclosure by judicial action) and 582 (general foreclosure provisions) (herein referred to collectively as the "**Minnesota Mortgage Laws**"). Minnesota Mortgage Laws place severe restrictions upon the right of a mortgagee to gain possession of mortgaged property prior to foreclosure and expiration of the applicable rights of redemption, and the rights of a lender or any receiver to possession or control over the mortgaged property or the rents as income therefrom are subject to Minn. Stat. Sections 559.17 and 576.25 and the Minnesota Mortgage Laws.
- D25. The Minnesota Mortgage Laws limit, provide for, allow, and/or require certain notices, redemption periods, cure and reinstatement periods, and/or deficiency judgments, including, by way of example and not in limitation thereof, the following:
  - (a) No action or proceeding to recover any indebtedness secured hereby shall have been instituted or then continuing as a condition for the mortgagee to foreclose by advertisement. *See* Minn. Stat. Section 580.02(2).
  - (b) The amount received from foreclosure sale by advertisement is full satisfaction of the mortgage indebtedness secured hereby, except as provided in Minn. Stat. Section 582.30. *See* Minn. Stat. Section 580.225.

Deficiency judgments may be allowed under specific conditions from foreclosure by judicial action. *See* Minn. Stat. Section 582.30.

- (c) A mortgagor may be entitled to redeem after foreclosure for up to twelve (12) months after foreclosure sale under certain specified circumstances. *See* Minn. Stat. Sections 580.23 and 582.032.
  - (d) A mortgagee's right of acceleration may be limited by mortgagor's right of reinstatement if mortgagor pays the amount actually then due (without acceleration) on the mortgage plus other sums required under Minn. Stat. Section 580.30 prior to the foreclosure sale.
  - (e) Any waiver of rights of redemption contained in the Security Instrument is not enforceable.
  - (f) Separate parcels must be sold separately.
- D26. Attorney's fees for foreclosing the Security Instrument may be limited by Minn. Stat. Section 582.01.
- D27. Minnesota Statutes Section 581.10 provides that the rate of interest following a foreclosure by court action will be six percent (6%) per annum unless another rate is specified in the certificate of sale.
- D28. We express no opinion with respect to the payment of any mortgage registration tax necessary to record or enforce the transactions contemplated by the Transaction Documents.
- D29. We have not reviewed and do not opine as to existing or future compliance by the property subject to the Security Instrument with applicable zoning, health, safety, building, environmental, land use or subdivision laws, ordinances, codes, rules or regulations, or as to whether Borrower has obtained or will obtain all necessary licenses, permits, approvals and authorizations to maintain, occupy or operate such property and perform their obligations under the Transaction Documents.

**CERTIFICATE OF THE UNDERWRITER****December \_\_, 2022**

The undersigned, for and on behalf of Colliers Securities LLC (the “Underwriter”), with respect to the sale and issuance of the Multifamily Housing Revenue Bonds (42nd & Central Apartments Project), Series 2022B (the “Bonds”), by the City of Columbia Heights, Minnesota (the “Issuer”), in the original aggregate principal amount of \$560,000, certifies as follows:

1. Sale of Bonds. As of the date of this Certificate of the Underwriter (the “Certificate”), for each Maturity of the Bonds, the first price at which at least ten percent (10%) of such Maturity of the Bonds was sold to the Public is the price provided in EXHIBIT A attached hereto. Capitalized terms used herein that are otherwise not defined shall have the meanings assigned such terms in Section 5 hereof.

2. Purchase Price and Receipt. The Bonds were purchased by the Underwriter at a purchase price (the “Purchase Price”) of \$560,000. Receipt of the executed and authenticated Bonds from U.S. Bank Trust Company, National Association, as trustee, is hereby acknowledged by the Underwriter.

3. Yield. According to Kennedy & Graven, Chartered (“Bond Counsel”), the yield on the Bonds is the discount rate that, when used in computing the present value, as of \_\_, 2022, of all unconditionally payable payments of principal of and interest on the Bonds, produces an amount equal to the present value, using the same discount rate, of the aggregate issue price of the Bonds as of \_\_, 2022. Based on the foregoing, the Underwriter has calculated a yield on the Bonds (calculated to the Initial Mandatory Tender Date) of \_\_%, as set forth in EXHIBIT B attached hereto.

4. Weighted Average Maturity. The Underwriter hereby certifies that the weighted average maturity of the Bonds, calculated in accordance with instructions provided by Bond Counsel, is \_\_ years, as set forth in EXHIBIT B attached hereto.

5. Defined Terms. Capitalized terms used herein shall have the following meanings:

(a) “Maturity” means Bonds with the same credit and payment terms. Bonds with different maturity dates, or Bonds with the same maturity date but different stated interest rates, are treated as separate Maturities.

(b) “Public” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than an Underwriter or a related party to an Underwriter. The term “related party” for purposes of this Certificate means, with respect to a

purchaser of the Bonds, if the Underwriter and the purchaser are subject, directly or indirectly, to (i) more than fifty percent (50%) common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another); (ii) more than fifty percent (50%) common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another); or (iii) more than fifty percent (50%) common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(c) “Underwriter” means (i) any person that agrees pursuant to a written contract with the Issuer (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the Public, and (ii) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (i) of this paragraph to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the Public). The Underwriter of the Bonds is Colliers Securities LLC.

6. Representations. The representations set forth in this Certificate are limited to factual matters only. Nothing in this Certificate represents the interpretation by the Underwriter of any laws, including specifically Sections 103 and 148 of the Internal Revenue Code of 1986, as amended, and the Treasury Regulations promulgated thereunder. The undersigned understands that the foregoing information will be relied upon by: (i) the Issuer and 42 Central Limited Partnership, a Minnesota limited partnership (the “Borrower”), with respect to certain of the representations set forth in a tax certificate of the Borrower executed on the date hereof with respect to compliance with the federal income tax rules affecting the Bonds; and (ii) Bond Counsel, in connection with rendering its opinion that the interest on the Bonds is excluded from gross income for federal income tax purposes, the preparation of Information Return for Tax-Exempt Private Activity Bond Issues, Form 8038 (Rev. October 2021), and other federal income tax advice that it may give to the Issuer and the Borrower from time to time relating to the Bonds.

(The remainder of this page is intentionally left blank.)
