Memo

Dear Citizens:

I am pleased to present to you the Annual Operating and Capital Budget for the 2023 Fiscal Year. In accordance with Georgia Law and the Code of Ordinances for the City of Dacula, this budget is presented for adoption by the City Council on December 1, 2022, for Fiscal Year 2023 beginning January 1 and ending December 31.

Citizen input for this budget will be received at public hearings on November 3 and December 1, 2022.

The City Council and I have made a concentrated effort to look toward the future with the knowledge of the continued growth coming to Dacula. As such, this budget has strategic plans for progress and solutions for challenges which may arise.

Below are some of these plans:

- The property tax millage rate will remain at 4.806 mills as it has since 2017.
- Dacula's in-house recycling service will continue in its successful efforts to provide higher quality service at a lower cost to our citizenry.
- The Sanitation Department will order a Freightliner for the anticipated residential development in the City. Additionally, this department has a position open to fill when necessary.
- In-house real estate tax collection and sanitation billing services have begun and are successful.

The City has funding allotted for several capital projects. This includes upgrades to the stormwater system on McMillan Road funded through the American Rescue Plan Act (ARPA). Maple Creek Park is also scheduled to have extensive playground upgrades with money provided by an endowment received from former Mayor Jimmy Wilbanks' Estate.

A number of persons contributed many hours of effort in the development of the budget. My thanks go to every department for their input, as well as, the Acting City Administrator, and the Finance Department for their supportive efforts during the budget process.

My thanks also go to each member of the Council for their hard work, thoroughness, and thoughtful contributions during the development of the FY 2023 Budget.

Very truly yours,

Hugh D. King, III

5 - YEAR CAPITAL IMPROVEMENTS PROGRAM

(2022 - 2026)

5 - Year Capital Improvements Program (2022 – 2026)

A five-year capital improvements program (CIP) is a list of all capital improvements proposed and completed within a specified five-year period (2022 – 2026). The CIP contains project descriptions, need assessments, cost estimates, financing methods, projected time lines, and estimated annual maintenance for each listed project. Staff continually updates the City's CIP as projects progress and as the City's needs evolve. All future projects within the CIP are projections and are subject to revision based on need assessments.

Staff is presenting the current five-year capital improvements program concurrently with the FY-2023 Budget and FY-2022 Budget Adjustment as a tool to anticipate the future financial needs of upcoming projects.
