## DOUGHERTY COUNTY COMMISSION

DRAFT

## REGULAR MEETING MINUTES

May 17, 2021

The Dougherty County Commission met in Room 100 of the Albany-Dougherty Government Center on May 17, 2021. Chairman Christopher Cohilas presided. Commissioners present were Victor Edwards, Gloria Gaines, Russell Gray, Clinton Johnson, Anthony Jones, and Ed Newsome. Also present were County Administrator Michael McCoy, Assistant County Administrator Scott Addison, County Attorney Spencer Lee, County Clerk Jawahn Ware, and other staff. The public and representatives of the media participated in person and via live streaming of the meeting on the County's Facebook page and the government public access channel.

After the invocation and Pledge of Allegiance, the Chairman called for approval of the April 19th Regular Meeting and April 26th Special Called Meeting minutes.

Commissioner Gray moved for approval. Upon a second by Commissioner Johnson, the minutes were unanimously approved.

The Chairman recognized Georgia Department of Community Affairs (DCA) Commissioner Christopher Nunn to provide a DCA update as well as discuss the new Georgia Rental Assistance Program. Commissioner Nunn shared that the state has over \$550 million to distribute for landowners and tenants with the emergency rental assistance program. He stated that aggressive marketing will be done in our area because very few applications have been received. Interested individuals can get information from [www.garentalassistance.ga.gov](http://www.garentalassistance.ga.gov). Commissioner Nunn also presented Chairman Cohilas a check for \$282,215 for the Community Development Block Grant-Mitigation Planning for the County to use for mapping the parcels for future infrastructure development. He answered the questions of Commissioner Johnson about broadband and being a broadband-ready community.

The Chairman recognized Public Works Director Larry Cook to accept the proclamation recognizing May 16-23, 2021 as National Public Works Week in Dougherty County. Laborer, Cindy Willis – Employee of the Year and Administrative Supervisor, Benita Dyes – Manager of the Year were present. Mr. Cook shared that Assistant Public Works Director Chuck Mathis is the District Director on the state board and other managers were introduced. The Commission was thanked for their support and was invited to the upcoming recognition event sponsored by some community advocates. The proclamation read as follows:

DOUGHERTY COUNTY, GEORGIA**

**BY:** \_\_\_\_\_  
**Christopher S. Cohilas, Chairman**

The Chairman recognized EMS Director Sam Allen to accept the proclamation recognizing May 16-23, 2021 as Emergency Medical Services Week in Dougherty County and to recognize the entire staff of Dougherty County EMS for an outstanding job done in providing the highest level of medical care during the COVID-19 pandemic. All EMS staff will be receiving special recognition from the department for the medical care given to the citizens that worked above and beyond during this time. He shared that the department never backed down to serve and transported over 900 COVID patients. Lastly, Mr. Allen wanted to thank the Commission for their support. The proclamation read as follows:

**WHEREAS,** emergency medical services are a vital public service; and

**WHEREAS,** the members of emergency medical services teams are ready to provide lifesaving care to those in need 24 hours a day, seven days a week, and

**WHEREAS,** access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

**WHEREAS,** the emergency medical care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

**WHEREAS,** the emergency medical services system consists of emergency physicians, emergency nurses, emergency medical technicians, paramedics, firefighters, educators, administrators, and others; and

**WHEREAS,** the members of emergency medical services teams, whether career or volunteer, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

**WHEREAS,** it is appropriate to recognize the value and the accomplishments of emergency medical services providers by designating Emergency Medical Services Week; now

**THEREFORE,** we, the Board of Commissioners of Dougherty County, Georgia in recognition of this event does hereby proclaim the week of May 17-23,2021 as

### **EMERGENCY MEDICAL SERVICES WEEK**

**IN WITNESS WHEREOF,** I have hereunto set my hand and caused to be affixed the Great Seal of the County of Dougherty on this 17th day of May in the year of our Lord two-thousand and twenty-one.

**BOARD OF COMMISSIONERS  
DOUGHERTY COUNTY, GEORGIA**

---

**Christopher S. Cohilas, Chairman**

The Chairman recognized William Wright, representative of AFRAM Tech, Inc. to discuss disaster-related services by a Louisiana firm. Mr. Wright provided information alleging that the County is violating the Civil Rights Act of 1964. He asked to delay the presentation because the person he was speaking on behalf of was not present.

The Chairman recognized citizen Art Brown who spoke to the Board upon the request of Commissioner Edwards. He presented concerns on behalf of the South Dougherty County League. His first concern was regarding speeding and asked that speed bumps and cameras be installed. Mr. McCoy shared that due to the type of road, Lily Pond does not meet the criteria for speed bumps. Mr. McCoy also shared that a presentation will be made to the Commissioners at the next Work Session requesting to purchase mobile speed detection trailers in school safety zones. His second concern was about truckers using their lots against code violations. The Chairman asked Mr. McCoy to advise Code Enforcement.

The Chairman called for consideration of the resolution providing for the acceptance and execution of the contract to accept the bid from the lowest responsive and responsible bidder LRA Constructors, Inc. (Albany, Georgia) to rehab the Historic Spring Run Bridge in Radium Springs for a total expenditure of \$679,100. Funding will be provided by TSPLOST and reimbursed with a Department of Natural Resources (DNR) State Grant.

Commissioner Newsome moved for approval. Upon a second by Commissioner Gray, the motion for approval passed unanimously. Resolution 21-025 is entitled:

A RESOLUTION  
ENTITLED  
A RESOLUTION PROVIDING FOR THE ACCEPTANCE AND EXECUTION  
OF A CONTRACT BETWEEN DOUGHERTY COUNTY AND LRA  
CONSTRUCTORS, INC. TO REHABILITATE THE HISTORIC SPRING  
RUN BRIDGE IN RADIUM SPRINGS FOR A TOTAL EXPENDITURE OF  
\$679,100.00; REPEALING RESOLUTIONS OR PARTS OF RESOLUTIONS  
IN CONFLICT HEREWITH;  
AND FOR OTHER PURPOSES.

The Chairman called for consideration of the resolution providing for the acceptance and execution of the contract to accept the proposal from Edge Aquatic Services (Soperton, GA) for the chemical treatment & management of hydrilla in Radium Springs for an annual price of \$12,800, with the

option to renew the services for consecutive one-year periods for two additional years. Funding is available in the General Fund.

Commissioner Jones moved for approval. Upon a second by Commissioner Edwards, the motion for approval passed unanimously. Resolution 21-026 is entitled:

A RESOLUTION  
ENTITLED  
A RESOLUTION PROVIDING FOR THE ACCEPTANCE AND  
EXECUTION OF A PROPOSAL FROM EDGE AQUATIC SERVICES  
PROVIDING FOR THE CHEMICAL TREATMENT AND  
MANAGEMENT OF HYDRILLA IN RADIUM SPRINGS FOR AN  
ANNUAL PRICE OF \$12,800.00 WITH THE OPTION TO RENEW  
THE SERVICES FOR CONSECUTIVE ONE YEAR PERIODS FOR  
TWO (2) ADDITIONAL YEARS; REPEALING RESOLUTIONS OR  
PARTS OF RESOLUTIONS IN CONFLICT HEREWITH;  
AND FOR OTHER PURPOSES.

The Chairman called for consideration of the purchase of a six-inch compressor-assisted, trailer-mounted pump for Public Works from the Sourcewell Contract holder Thompson Pump (Port Orange, FL) in the amount of \$39,779. The equipment will be used during flooding events. Funding is budgeted in SPLOST VI.

Commissioner Jones moved for approval. Upon a second by Commissioner Johnson, the motion for approval passed unanimously.

The Chairman called for consideration of the resolution providing for the acceptance and execution of the Task Order for Solid Waste for the Site Acceptability Study and Report and D&O Plans for the expansion of the MSW and C&D landfills at the Fleming/Gaissert Road Landfill with the current vendor Atlantic Coast Consulting (Savannah, GA) in the amount not to exceed \$500,000. Funding is available in the Solid Waste Capital Outlay.

Commissioner Jones moved for approval. Upon a second by Commissioner Johnson, the motion for approval passed unanimously. Resolution 21-027 is entitled:

A RESOLUTION  
ENTITLED  
A RESOLUTION PROVIDING FOR THE ACCEPTANCE AND  
EXECUTION OF A TASK ORDER FOR SOLID WASTE FOR THE SITE  
ACCEPTABILITY STUDY AND REPORT AND D & O PLANS FOR THE  
EXPANSION OF THE MUNICIPAL SOLID WASTE AND C & D  
LANDFILL AT THE FLEMING/GAISSERT ROAD LANDFILL WITH THE  
CURRENT VENDOR ATLANTIC COAST CONSULTING IN AN

AMOUNT NOT TO EXCEED \$500,000.00; REPEALING RESOLUTIONS  
OR PARTS OF RESOLUTIONS IN CONFLICT HEREWITH;  
AND FOR OTHER PURPOSES.

The Chairman called for consideration of the resolution providing for the acceptance and execution of the proposal in the amount of \$100,080 from Dewberry Engineers Inc. (Atlanta, GA) to provide professional engineering services. The services will assess the potential effectiveness of modifying the operations of the Flint River Hydro Project, Muckafoonee Dam, and Crisp Power Dam at Lake Blackshear on the Flint River to mitigate flooding on Lake Chehaw and Lake Worth. Funding is available in SPLOST VII. The Commission tabled the discussion on the topic in the February 8, 2021 Work Session. Assistant Administrator Scott Addison addressed. Public Works Director Larry Cook, Project Engineer Jeremy Brown and Associate Vice President Sam Fleming, P.E. were present. Citizen Billups “Bo” Johnson provided a presentation. Commissioner Gray confirmed upon the question of Commissioner Edwards that the cost for the study will be paid by Dougherty County. He added that the other entities will not share in the cost. Mr. McCoy shared that SPLOST VII stormwater is the funding source and clarified questions from Commissioner Gaines. Commissioner Gaines asked Mr. Addison for a copy of the 100-year flood map. Mr. Bo Johnson shared pictures and maps to help the Commissioners understand the concern. He shared how the different power companies respond to water levels and how the creeks and other criteria impact the concern. He urged the Commission to accept the study by outlining questions/items that need to be addressed. The possible financial impact of properties coming off the digest was mentioned. Commissioner Gray shared that the data from the study can help provide information for a financial ask to other entities. Chairman Cohilas is concerned about the funding without a consensus of payment by other entities. Chairman Cohilas called for a motion to continue the discussion at the next work session so he can vet the topic with the engineers.

The motion to continue the discussion at the next work session was provided by Commissioner Jones. Commissioner Johnson seconded the motion. There were six ayes and one nay by Commissioner Edwards. Commissioner Gray asked that the Chairman provided his concern to Mr. McCoy so engineers could respond.

The Chairman called for consideration of the acceptance and execution of a resolution on behalf of the District Attorney's Office for the County to receive a supplement for State paid employees. A resolution is now required for the FY 2022 State Paid County Reimbursed (SPCR) Contract.

Commissioner Johnson moved for approval. Upon a second by Commissioner Edwards, the motion for approval passed unanimously. Resolution 21-028 is entitled:

A RESOLUTION  
ENTITLED  
A RESOLUTION PROVIDING FOR THE ACCEPTANCE AND  
EXECUTION OF A RESOLUTION ON BEHALF OF THE  
DISTRICT ATTORNEY’S OFFICE FOR DOUGHERTY COUNTY

DOUGHERTY COUNTY COMMISSION  
WORK SESSION MEETING MINUTES

DRAFT

May 24, 2021

The Dougherty County Commission met in Room 100 of the Albany-Dougherty Government Center on May 24, 2021. Chairman Christopher Cohilas presided and called the meeting to order at 10:00 am. Commissioners present were Victor Edwards, Gloria Gaines, Russell Gray, Clinton Johnson, Anthony Jones, and Ed Newsome. Also present were County Administrator Michael McCoy, Assistant County Administrator Scott Addison, County Clerk Jawahn Ware, and other staff. The public and representatives of the media participated in person, via live streaming of the meeting on the County's Facebook page and the government public access channel. County Attorney Spencer Lee was absent.

The Chairman asked the Commission to review the minutes of the May 10th Work Session.

The Chairman recognized Scott Steiner, President & CEO, Phoebe Putney Health System, to provide a check in the amount of \$5,000 to the 2021 Albany-Dougherty Youth Unit Summer Camp. Capt. Ted Thomas (Sheriff's Office), Chief Kenneth Johnson, Asst. Chief Tateshea Irving (Dougherty County Police) and Asst. Chief Derrell Smith (Albany Police Department) were present to accept the award. Commissioner Johnson thanked Mr. Steiner for helping to move the City of Albany from a good life city to a great life city. Mr. Steiner shared sentiments and the importance of supporting the community.

The Chairman recognized Greg Parks with Red Speed USA to discuss an Automated School Zone Safety Program in Dougherty County. Mr. Parks shared that there are no out-of-pocket costs to the County to provide valuable technology tools for the police departments. The specific use of the signs will occur when school is in session. GDOT and DCSS will need to also approve the request. He mentioned that the funds revenue must be used by the police department and not be placed in the general fund. The current program is being used in 50 jurisdictions and is a revenue share (65% County and 35% vendor) that takes about 60-90 days for implementation. He mentioned that the City of Albany will participate in the program and that 97% of individuals have not received a second ticket so it has been proven to be a great behavior modification tool. The law only allows automatic ticketing /citations to be issued in the school zones and funding can be used for other law enforcement items. This tool is a compliment to live officers and is not a replacement (of officers) in the school zones. The Chairman shared that he would like to digest this information and hear from Chief Johnson. Commissioners Edwards and Gray shared that this company does not solve the issue of the concern of the tractor-trailer on Lily Pond, but the Chairman will still follow up with Mr. McCoy.

The Chairman called for a discussion of the recommendation to purchase two-speed display signs for the Dougherty County Police Department from the lowest quoted vendor RU2 Systems, Inc. (Mesa, AZ) in the amount of \$24,002.70. The speed display signs will be used to reduce speeding in the unincorporated area of the county. Funding is available in the Special Services District. County Administrator Michael McCoy addressed. Assistant Chief Tateshea Irving and Chief Kenneth Johnson were present. This technology will be used for enforcement in the unincorporated area due to the number of complaints received. Assistant Chief Irving shared that additional features can be selected based on the Commissioner's desire. The Board is in more favor of using live officers as deterrent options. The Chairman asked that there be a presentation at the next Regular Meeting on the recommendations to consider. Commissioner Edwards asked the police staff to inform the Commission if there is a need for additional officers to cover roads. Mr. McCoy shared that staff provided a more cost-effective solution. After hearing this discussion, an option more comparable with the selection made by City would possibly be better.

The Chairman called for a discussion of the recommendation to accept the quote to install a new HVAC System as part of the SPLOST Renovation Project for the Facilities Management Department from Safe Aire Heating and Cooling (Albany, GA) in the amount of \$47,132. Three quotes were received with the highest being \$49,939.56. Funding is budgeted in SPLOST VI and VII. Assistant County Administrator Scott Addison addressed. Assistant Facilities Management Director Donald Hood was present.

The Chairman called for a discussion of the recommendation to declare the listed equipment as surplus and authorize the disposal of same. This is the first listing of furniture and equipment damaged by water in the Judicial Building. Assistant County Administrator Scott Addison addressed. Assistant Facilities Management Director Donald Hood was present.

The Chairman called for a discussion of the recommendation to accept the resolution declaring a 2014 Ford F250 (from the Dougherty County Police Department) as surplus and authorize the sale through Underwriters Safety & Claims. Assistant County Administrator Scott Addison addressed. He stated that this was a standard procedure to be able to get insurance proceeds to buy a new truck.

The Chairman called for a discussion of the recommendation from the Finance Committee to amend the Coroner's budget by \$24,475. The amended budget will increase to \$236,006 from \$211,531. Chairman Newsome, County Administrator Michael McCoy and Coroner Fowler addressed. Commissioner Newsome shared that this is a pattern and the Coroner needed to be held accountable for his budget. Coroner Fowler rebutted that when he took office, he promised to take the office to the next level. He alluded that this year he is over budget due to the pandemic, and he needs help to serve the areas. The Coroner noted that he does have a full-time deputy like in other areas and he spoke about the budget request for FY22.

Chairman Cohilas recognized the recent cleanup program in District 6 and Commissioner Johnson's daughter graduating. Commissioner Jones gave additional information on the cleanup event and thanked the Commissioner for their support. He also shared that he did a communication piece on promoting the landfill and personally thanked Solid Waste. Commissioner Johnson congratulated all the 2021 graduates in the Dougherty County School System.

There being no further business to come before the Commission, the meeting adjourned at 11:21 a.m.

Re: BOD Meeting of June 14, 2021; Lack of Diversity, Inclusion or Fair Opportunities in Procurement Process

Need for workshop Request on DCC/Staff lack of economic opportunities For our local "Small/Minority-Disenfranchised Firms

Greetings MrCohilas, Mr. McCoy, Madam Clerk, Board, Mr Lee and Related Staff

We hereby will provide an update on the local small business that we have directly contributed to receiving financing via the 2 1 trillion dollars SBA-Paycheck Protection Program. through our Not-for-Profit entity "Conseedco, Inc.", we assisted approximately 2,500 MBE/SBE receive funding via the SBA PPP Program. Therefore, we are going to provide you with approximately 100-200 each quarter as we move forward.

In addition, we will provide information on the Re-opening of the MBE office that was cloesed without any reasoning or concern for a school district with a majority-minority population of .80% Afraican-American/Black and geopolitical population of. 80 Afraicn-American/Black

Keep in mind that the City of Albany-Dougherty County collect some \$ 60 million dollars annually and yet have never assisted a African-American "Entity" with any such SPLOST funding. Instead, teh same fund "Chehaw, Thronateeska, Convention-Visitor Bureau, Riverquarium," and of course getting ready for SPLOST VIII, and we

will be prepared for you just as we were on the T-SPLOST.

Please recognize that the Chamber of Commerce (Albany-Dougherty), SBDC, EDC, PDA, EDA, DDA, Et Al did not contribute some 2,500 jobs directly. as well as other four authorities can provide where they (these) entities assisted some 2,500 MBE firms receiving a mere \$ 20k,

for your next scheduled meetings with the Budget/Finance Committee Meetings in June 2021. It is anticipated that the BOD meetings will occur on or before June 30, 2021. Obivously, the Budget/Finance Committee may meet intermittingly in/between the monthly shcedule meetings. We have reviewed the calendar of events and will advise when it become clear that such a meeeting will occur as we move forward.

We will provide an update on the local small business that we have directly contributed to receiving financing via the 5 billion dollars EIDL Program. In addition, we will provide information on the Re-opening of the MBE office that was cloesed without any reasoning or concern for a MBE Office reopening not another Disparity Study.

Of course we will deal directly with the issue of teh single department head in the "Coroners," office. Keep in mind that the coroner is a constitutional officer, and you cannot dictate what the same need to operate the office as long as such needs are obviously needed.

We also raise the question, that how can the City of Albany, GA, Dougherty County School System, and the Dougherty County Commission receive federal funding under the guise of ARP, CARES and others funding mechanicism while overtly discriminating against a majority-minority population.

Keep in mind that the same will began to question the other independent offices that we do not question such as the legal department, Mr. Ed Wall receiving some \$ 300/hour when he leaves the city limit performing services that we have already performed with demonstrated results.

**Keep in mind that Mr. Wall receives \$ 300/hour from his departure and we have not evidence that he has delivers 2,500 jobs, as well as the EDC, Chamber of Commerce, PDA, EDC, Chehaw, Thronateeska, River-Qquarium.**

**In addition, we are providng for your consideration our performance on the Atlanta, GA Federal Reserve Bank "Inflation Panel" Of course we brought to you the "Mainstreet Lending (5 tiers) lending program from \$ 100,000- 250 million dollars that was wministrade via the Federal Rederve Bank.**

**As a bonus, we are providing the information of the continuing story of the negatav image from the Wall Street Journal Release of the ten (10) Fastest shrinking cities in America with the City of Albany being in tehemiddle. FYI tehis report from teh ACS of te U S Census Bureau annual survey as presented by Dr. Daniel MCintyre of Harvard University.**

# America's 10 Fastest Shrinking Cities

*Douglas A. McIntyre*

Last Updated: June 3, 2020 9:53 am

They are mostly old American manufacturing hubs that have lost their manufacturing employers. In a period of modest population growth, where many cities grew at a pace of over 10% between 2010 and 2019, these cities shrank by more than 6%.

The U.S. Census Bureau's recently released "City and Town Population Totals: 2010–2019" report covers what the agency called "places" with populations over 50,000 in 2010. These essentially are

cities, in layperson's terms. The data covers the period from April 1, 2010, until July 1, 2019.

4.

Only two of the cities that shrank had populations over 100,000.

Several of the balance had populations closer to the 50,000 cutoff.

The fastest shrinking city was Charleston, the state capital of West Virginia. Its population fell 9.4% to 46,536 over the nine-year period.

The city is the largest in the state and was in the center of what was once the thriving coal industry. Its population began to drop in 1970.

The second-fastest shrinking city for the period was Jackson, Mississippi. The population declined 7.4% to 160,628. It is the state's capital and its largest city. After a period of rapid growth that began

in 1930, it started to shrink rapidly in 1990. The economy of the city and area around it are dominated by manufacturing and agriculture.

The third-fastest shrinking city is Decatur, Illinois. Located in the center of the state, it had a population decline of 7.1% to 70,746. Caterpillar, once a pillar of American manufacturing, has its largest manufacturing facility there.

In fourth place, Shreveport, Louisiana, had a population fall off of 6.9% to 187,112. It was once a major hub of America's largest oil companies. Its tourism business was badly damaged by Hurricane Katrina.

The fifth-fastest shrinking city was Albany, Georgia, where the population fell 6.9% to 72,130. One of its largest employers, Cooper Tire company, pulled out a decade ago.

Also on the list are manufacturing cities that were once the centers of the car industry. These include Flint and Saginaw in Michigan. Detroit was 11th among America's fastest shrink cities, barely missing this list.

These are the 10 fastest shrinking cities in America:

# THE PLAN

## A STEP-BY-STEP, START TO-FINISH-HOW-TO-DO-IT Plan Workbook

### INTRODUCTION

Planning is your map to success in the business world. You need to write a business plan if you are:

- **starting or buying a business financing or refinancing your business**

Much money is made then lost because one area of a business failed, dragging the positive parts down with it. **THE PLAN** helps you find hidden business flaws and makes you think carefully about each phase of your business.

It is important that *you* write your business plan. Why? You will gain in-depth knowledge about your business which will make it easy to answer lenders' questions. The process of writing your business plan will show you what is involved in making your business work successfully

**PROCUREMENT RECOMMENDATION**

DATE: June 7, 2021

TITLE: Dougherty County Health Dept. Paint Project

DEPARTMENT: DOCO Facilities

REFERENCE NUMBER: 21-055R

ACCOUNT: SPLOST VII

OPENING DATE: 5/21/2021

BUDGET AMOUNT: \$200,000.00

BUYER: Kimberly M. Allen

DEPARTMENT CONTACTS: Heidi Minnick

*Yvette Fields*  
Yvette Fields, Director

**RECOMMENDATION:**

Recommend contracting with Affordable Painting & Remodeling, Leesburg, Georgia for the interior painting of the entire DOCO Health Department located at 1710 South Slaphey Blvd. Albany, Ga, for a total expenditure of \$190,000.00.

**BACKGROUND INFORMATION:**

This bid was advertised in the local paper, on the access channel, and the Georgia Procurement Registry. The bid opening was May 21, 2021. Twelve (12) contractors were solicited. Three (3) submitted a bid.

The apparent low bid (Flint River Construction) was rejected because they did not submit the required documents.

Affordable Painting & Remodeling has met all the requirements for contract award. The contract time for this project is two hundred and fifty (250) calendar days.

Affordable Painting & Remodeling has performed satisfactory work on previous paint projects for Dougherty County.

Heidi Minnick, Facilities Director concurs with this recommendation.

**RECOMMENDATION:**

Recommend contracting with **The Surface Masters, Inc. of Marietta, Georgia** for seal coating at the Dougherty County Jail located at 1302 Evelyn Avenue in Albany, Georgia for a total expenditure of **\$54,875.00.**

**BACKGROUND INFORMATION:**

Bid Ref. #21-070 was advertised in the local paper, on the local access channel, and on the Georgia Procurement Registry. The bid opening was May 13, 2021. Two (2) contractors submitted a bid.

This is a project to apply a seal coat to the jail parking lot and perimeter road. This will include filling any cracks larger than ¼ inch wide, repairing any potholes, temporary removal and re-installation of signage (i.e., handicap parking) if necessary, and re-striping the parking lot at the DOCO Jail located at Entry/Exit Drive and Evelyn Avenue. Including the repair of an area measuring approximately 10 feet by 26 feet directly outside of the main entrance gate located at the rear of the facility. This area must be patched and leveled.

Three (3) references were checked on behalf of The Surface Masters, Inc., with all references providing exceptional feedback on the company's previous work.

The contract time for this project is sixty (60) calendar days.

Chief John Ostrander, Jail Director, concurs with this recommendation.

**RE: CHANGE ORDER #2 JUDICIAL BLD EXT WALL & HARDSCAPE RESTORE 20DCCJ15WP229**

Mrs. Minnick,

As you recall, a change order #01 on this project for some additional testing performed on 222 Pine Ave to verify watertightness of phase one of the project, for \$1,000.00. The work passed and the testing was certainly worthwhile.

Attached please find **proposed Change Order #02**. This proposed change order is comprised of two parts.

**Work Item #1: Additional Pre-Cast Repairs** – Demo, prep, and patch loose precast located on specified precast panels. This is for additional repairs over the anticipated 800 SF of repairs. It is anticipated that a total of 1200 additional SF of repairs are going to be necessary. This comes to a sum of 2000 SF total of repairs. This price includes additional labor, equipment, and material costs associated with the extra repairs. We have encountered 1,645 SF over (11) drops. There are (5) additional drops left with the pre-cast panels and we are anticipating +/- 90-95 SF per drop based on visual analysis.

*Waterproofing Contractors, Inc.'s price for work item #1:*

The sum of: **One Hundred Six Thousand Four Hundred Fifty-Five Dollars \$ 106,455.00**

Contract Time will be increased by   40   Days

**Work Item #2: Sandstone Coating** – Prime specified sandstone areas as necessary with SIKA 552W and apply two coats of SIKA 550W. Specified areas are pictured below for reference. This includes all 3 entry ways and roof level penthouse windows.

*Waterproofing Contractors, Inc.'s price for work item #2:*

The sum of: **Seventeen Thousand One Hundred Ninety-Two Dollars \$ 17,192.00**

We evaluated both work items per **the following criteria** to protect and serve the interest of Dougherty County:

- Was/is the work necessary?
- Was/is the work performed?
- Is the pricing fair to all concerned?

### In the case of Work order #1

- **Initiated by:** The discovery during demolition and surface preparation of deterioration deeper than anticipated in the tilt up panels resulting in additional work.
- **The work was necessary.** The precast tilt up panels, which are customarily formed in a factory setting under optimal conditions then transported to the job site and “Tilted up” into place, do not typically suffer from deep deterioration and failure to the concrete as many of these panels did. The surface preparation of the surface spalls and fractures revealed deep failures in the panels, and it became necessary to change the scope from simple isolated surface repairs with formable trowel grade materials to the construction of metal forms and a poured material used to rebuild large sections of the fins of the panels.
- **The work has been performed** on the completed 11 of 16 drops that involve tilt up panel construction, [witnessed](#) by Edifice Consulting Inspectors and the staff of the D.C. facilities management department. The remaining 5 drops are forecast based on experience and history derived from the previous 11 drops and visual observation. The breakdown is as follows:
  - Completed work constitute 70% of the change.
  - Anticipate work, forecasted from information gained from the work to date is 30% of the total.
- **The pricing was reviewed and verified** by examination of the time and materials presented, and independently verified by securing a hypothetical quotation from a trusted secondary source.

### In the case of Work order #2

- **Initiated by:** The Dougherty County Facilities Dept.
- **The additional coating will provide a more aesthetically pleasing outcome than the specified approach.** The degree of repair necessary on the entrance and architectural feature archways exceeded original expectation, and while the work itself is covered by the original scope, the degree of necessary repairs make some additional coating desirable for aesthetic purposes and would also add a degree of protection to prevent degradation in the future. The coating also allows for superior materials in some of the larger repairs, since color match would no longer be a factor.
- **None of this work has yet been performed** but would rather be undertaken upon approval since it did not need to be finished to restore structural integrity.
- When compared the square foot cost of the coating of the tilt up panel and adjusted for scale and multiple staging resets, **the pricing appears fair to all concerned.**

The original project budget was \$975,000.00. Assuming award of the proposed change orders the total project will be completed for \$653,795.00 which is approximately 33% under the original budget.

Best Regards,

Jody Usry
