## A FEW THOUGHTS FROM THE DIRECTOR...

Resiliency is the word that comes to mind when I think about this time last year and what unfolded in the weeks following the celebratory publication of Dripping Springs' first Parks and Community Services Activity Guide. Months of preparation, long days and collaborative planning had gone into producing an organized spring and summer program. A published pool schedule both in print and on-line, our return to providing a full-service summer day camp at Dripping Springs Ranch Park and a comprehensive aquatics program at Founders Memorial Pool all being offered with our new on-line registration system were all ready for a summer of fun! Alas, in the name of public safety, it was not meant to be.

This spring & summer the Parks & Community Services team is determined to deliver on our aspirational goals of 2020 with resiliency and creativity. The team's passion and drive behind a daily commitment toward improving quality of life for Dripping Springs community members will prevail! We understand the need to return to a sense of norm and believe we can provide that in a conscientious way that puts public safety as our top priority. During this new season of spring and the pending dog days of summer, we hope you take a wildflower hike, or score a glimpse of a pileated woodpecker or painted bunting at Charro Ranch Park or Dripping Springs Ranch Park. Join us for some fun and cool off at Founders Memorial Pool as well!

Your Activity Guide serves as a catalyst for the City's Parks & Community Services Department to share and organize in one reference booklet. Inside you'll find a summary of our amazing parks, sports fields, trails, natural resources, community programs, events, and more the City features during spring and summer and throughout the year. While the guide is by no means a detailed reference, it provides a tangible snapshot to complement the City's website, the Parks & Community Services web pages and our various social media outlets. If you would like more information about anything covered in this Activity Guide, please visit our web pages at [www.cityofdrippingsprings.com](http://www.cityofdrippingsprings.com) and click on the Parks and Community Services icon.

The Parks and Community Services staff would like to extend a heartfelt thank you to Carrin Lewis photography for providing some of the amazing images in this guide. Here's to a wonderful spring and summer in our beautiful town! We are looking forward to doing our best to improve your quality of life and serve you to the highest of standards.

# Community Services - Partners

Item 2.

It takes a village...Throughout the year the Parks and Community Services department relies heavily on partnerships with community non-profits and businesses to assist us with fulfilling our mission. Depicted below are partners that helped to elevate the PCS department's services in 2020. We are so thankful for their support.

## Destination Dripping Springs Visitors Bureau

Destination Dripping Springs partnered with the Parks and Community Services Department by serving on the Bird City Application Committee. The Visitors Bureau assists PCS in achieving our mission by dedicating staff to serve on the DSRP Board, serving as a liaison for the City's Film Friendly City designation, and working toward obtaining our Music Friendly designation.

## Dripping Springs Ag Boosters

Dripping Springs Ag Boosters is an essential partner of Dripping Springs Event Center. This organization is the key co-sponsor for the City of Dripping Springs' Annual Rodeo. Its mission is to preserve the cultural heritage of the Dripping Springs Community through our youth.

## Dripping Springs Lions Club

Christmas on Mercer is an annual event that was successfully held in 2020. The partnership between Lions Club and the City of Dripping Springs evolves each year to produce an even better event than the year prior and 2020 was no exception. While extra precautions were taken to adhere to CDC guidelines toward preventing the spread of Covid-19, the level of joy and Christmas spirit that the event created was not hindered this year.

## Dripping Springs Mountain Bike Team

Dripping Springs Ranch Park (DSRP) is training home to the Dripping Springs Youth Mountain Bike Team. Through a park use agreement, the club provides an outlet for the youth of Dripping Springs to learn how to mountain bike and become passionate about the sport. They also learn the importance of trail etiquette as the DSRP park trails are utilized by hikers and horseback riders alike. Over the year the team practices every Tuesday & Thursday on the trails at DSRP and donate volunteer hours to the upkeep and care of the trails.

## Dripping Springs Skate Park Initiative

Fundraising for community skate park and partnering with PCS for POSAC presentation and to host weekly skate night at Dripping Springs Ranch Park Event Center.

## Dripping Springs Youth Sports Association

Partners with the Parks and Community Services Department by using city parks to provide a competitive youth sports recreation program. Their offerings include youth baseball, football, flag football, cheerleading, volleyball, softball, lacrosse, basketball, and soccer.

## Hays County Livestock Board

Each year the Dripping Springs Ranch Park Event Center is home to the Hays County Livestock Show. This show and the Hays County Livestock Board is an essential partner for the Parks and Community Services Department. Not only does the event assist in the facilitation of the Department's mission for the Dripping Springs Community, it improves the quality of life for many families throughout Central Texas. The Hays County Livestock show educates Texas youth on how to responsibly raise market-ready animals. This process instills important life and business values that participants will have for a lifetime.

## Texas Master Naturalists (TMN) & Texas Master Gardeners (TMG)

Even during the first summer of Covid-19, TMN & TMG continued to devote much relied upon expertise and "boots on the ground" dedication to our parks and programs. TMN & TMG representatives served on the Bird City Application Committee and provided invaluable contributions. TMN held monthly workdays (when appropriate and restrictions permitted) at both Dripping Springs Ranch Park and at Charro Ranch Park. Site coordinator began providing monthly reports that allow the PCS Director to better record the volunteer hours being contributed each year and approve/track the work being done.

## Tiger Splash

Partners with PCS department to provide a Texas Amateur Athletic Federation Summer Recreational Swim Team program at Founders Memorial Pool. This program was canceled in 2020 due to Covid -19.

## Keep Dripping Springs Beautiful

~ A Keep Texas Beautiful ~

The Parks & Community Services department is proud to meet the annual commitments of being affiliated with KTB and our commitment to keeping Dripping Springs beautiful!

## Dripping Springs Night Sky

In 2014, Dripping Springs was the first city in Texas to be designated as an International Dark Sky Community, and the sixth one in the world, by the International Dark-Sky Association (IDA). The IDA is an organization that works to protect the night skies for present and future generations. You can learn more about the IDA below or via the IDA Texas Chapter website: <http://www.idatexas.org/>.

Dripping Springs has maintained its International Dark Sky Community designation for the past six years. We're proud of that distinction and work diligently to protect our skies through lighting ordinances, public education, and more.

To see all that we do to protect our night skies, you can view our annual report by visiting the Night Sky link on the City of Dripping Springs website.

## Farmers Market Board

*The mission of the Dripping Springs Farmers Market is to provide a community gathering place where...*

*Local agricultural and value-added product producers sell a variety directly to the consumer.*

*Consumers may learn the uses and benefits of quality, locally grown or prepared food products and access local services and hand-made crafts.*

Did you realize that every product in our market is grown or made by the vendors themselves here in Central Texas? Our Market Rules require that all vendors produce what they sell, within 150 miles of Dripping Springs (or, in some cases, within the state of Texas), and comply with all state and local health department rules. It takes a lot of time and diligence on our part to make sure all those requirements are met – but that’s part of our commitment to our shoppers and we take it very seriously.

## B3

## ENHANCING HABITAT BIRDS|BUTTERFLIES|BEES

It is our mission to foster community by preserving parks and open space, connecting people to our natural resources and history and by offering engaging programs and events. Join Dripping Springs Parks and Community Services team in achieving their mission by connecting people to their natural resources through expanding wildlife habitats in our community!

Did you know that your backyard and place of business with a little enhancement can expand viable wildlife habitat in Dripping Springs?

There are many efforts underway world-wide that incentivize enhancement and expansion of natural places to create wildlife corridors, habitats and waystations for migrating birds and other wildlife. The PCS team has decided to create our very own program; B3 -Birds|Butterflies|Bees and adopt the National Wildlife Federation's program to assist in our objective of creating more habitat and food resources for migrating birds and other pollinators in Dripping Springs and the Texas Hill Country.

The National Wildlife Federation Habitat Certification program is but one of dozens of certification programs out there. The City of Dripping Springs' utilization of the Habitat Program is not a formal endorsement but a tool the Parks and Community Services department is using to achieve the objective of enhancing and expanding wildlife habitats throughout the City. B3 participants are welcome to find a different program as well. The same documentation, submitted image of enhanced habitat to [parks@cityofdrippingsprings.com](mailto:parks@cityofdrippingsprings.com), and B3 registration are required to be counted toward the collaborative community efforts. Thank you for your interest and participation!

### HOW DO YOU GET INVOLVED?

- Go to City of Dripping Springs website click on the Parks & Community Services icon - Programs - B3.
- Click on the link for the World Wildlife Habitat certification Program - follow guidelines.
- Once you have certified your habitat (can be through any program) - register for B3 program (free) and email your Certified Habitat image to [parks@cityofdrippingsprings.com](mailto:parks@cityofdrippingsprings.com).

### WHAT ARE THE BENEFITS?

- Replenishing Bird|Butterfly | Bee resources from lost habitat locally and along migratory corridors.
- Beautification with native plant species adjacent to residential dwellings and local businesses.
- Participation in family friendly activity.
- We're creating community through our collaborative love of and care for, the natural world around us.

## City of Dripping Springs Receives \$5.7 Million Park Land Gift

**DRIPPING SPRINGS, TEXAS** – December 10, 2020 – The Dripping Springs City Council accepted a Donation Deed of 300 acres of land from Dick Rathgeber and Rathgeber Investment Company, LTD this week. This land is located adjacent to the Headwaters Subdivision and will be dedicated to the City as Rathgeber Natural Resource Park.

The future Rathgeber Natural Resource Park will not only protect 300 acres of pristine Texas Hill Country and the convergence zones of Barton Creek and Little Barton Creek, but it will provide public access to passively recreate, immerse in nature, and explore the Texas Night Sky. With the addition of this land, the City's public parkland increases from 271 to 571 acres.

According to Mayor Bill Foulds, Jr., "The City of Dripping Springs is extremely grateful to Dick Rathgeber for his generosity and incredible contribution to the City's current park system. As Dripping Springs continues to grapple with high rates of growth, access to, as well as conservation and proper management of public land, becomes vitally important to the health of the Texas Hill Country. The Rathgeber Natural Resource Park will not only protect and improve an indispensable piece of Hill Country habitat and watershed, it will also provide the Dripping Springs community with a one-of-a-kind opportunity to experience and learn from this majestic and endangered landscape."

The City of Dripping Springs directed an appraisal of the donated property and the appraisal was for \$5.7 million. The donation deed also contemplates a seasonal Use Agreement of a 66 acres area of the park for the Capital Area Boy Scouts of America Council, Dripping Springs.

Kelly Schmidt, Drippings Springs Parks & Community Services Director, says there's much excitement about the potential for the new park and its varied partners. The park project has already received letters of support from Dripping Springs Independent School District, Destination Dripping Springs, Capital Area Boys Scouts, and Hays County Master Naturalist organizations.

Per Schmidt, "While the Dripping Springs community is the biggest beneficiary of this gift, through the contemplated Use Agreement, the Capital Area Boy Scouts will be able to provide seasonal Boy Scout programs for generations to come. It's exciting to think about the many community connections and improved quality of life experiences the park will serve as catalyst for."

**STUDIO  
BALCONES**

Also a special thank you to Studio Balcones - Austin for the donation of their guidance, vision, and expertise in formulating and authoring the Rathgeber Natural Resource Park vision document for the Hays County Parks & Open Space Bond Project application.

**Council Meeting Date:** Wednesday, 4-7-2021

**Agenda Item Wording:** Discuss financial considerations of potential arena sponsorship of the Dripping Springs Ranch Park Arena.

**Agenda Item Requestor:**

---

**Summary/Background:** Staff has been procuring new partnerships to sponsor the Dripping Springs Ranch Park. The staff is unclear with donation amounts required for signage in the arena or to potentially name the arena. With the new interest and current discussions with potential corporate partnerships, it seems appropriate to revisit this item with the DSRP Board of Directors.

**PARKS**

**Charro Ranch Park:**

Charro Ranch Park had a total of nine volunteers at its monthly workday seven Master Naturalists and two members of the public. Many Cedar saplings were lopped off, and volunteers removed many rocks from the outer trail that were trip hazards. Tree roots across the outer trail and near the Solstice Circle were cut and removed, the oak wilt trenches were smoothed out, and at least four bags of trash were filled with litter from the shoulder of the road fronting FM150 along the Charro property line. We also replaced a broken horizontal fence post at the entrance to the park.

**Dripping Springs Ranch Park & Event Center -Submitted by: Tina Adams – Event Center Manager**

March was an incredible month at the Dripping Springs Ranch Park. We successfully recovered from the February "Snow Apocalypse" and jumped straight into Spring with an array of shopping events, horse shows, movie filming and a community trail ride. We kicked off our 1<sup>st</sup> Annual Poker Trail Ride for members, guests and equestrian riders from the all over central Texas joined in the fun. It was a huge hit and show cased our amazing Ranch Park and its many amenities. The event center will continue to be a host site for distribution of the COVID-19 vaccination. The DSRP team is looking forward to blossoming bluebonnets, wildlife babies and a very busy schedule that upcoming April is bringing.

### Founders Memorial Park & Pool:

Mackenzie Rusick has been hired as our new Programs and Aquatics Manager. Her first day is April 5. She will manage all aspects of hiring, training, scheduling aquatics staff as well as Founders Memorial Pool operations. Her office will be at the Founders Pool administrative office and she will serve as a key customer service interface and resource for Founders Memorial Park and pool guests. Mackenzie comes to us from Utah with an extensive background in municipal aquatics. Her scope will also include starting adult sports leagues through the Parks & Community Services department beginning with taking over the coordination and offering of Dripping Springs Adult Softball League in October.

Phase I pool deck expansion completed. Cool Deck will be budgeted and applied in the FY22 cycle to match the existing deck color and texture. For now, the substrate is brushed concrete. Luckily, the project timeline was not gravely impacted by the winter storm in February.

**Rathgeber Natural Resource Park:**

This excerpt taken from the newly published information introducing the POSAC 2.0 is concerning. It appears that perhaps there may be some uncertainty around the projects that had been recommended and supposedly were going to be funded by the passing bond measure. In light of this statement, it would be prudent to begin seeking alternative funding methods to support and develop Rathgeber Natural Resource Park. Staff will begin diving into and researching TPWD options for funding support and perhaps a capital campaign to achieve the objects set forth in the proposal.

---

**Proposed Projects**

Projects submitted to Hays County should be consistent with the goals and priorities set forth in the 2012 Hays County Parks, Open Space and Natural Areas MASTER PLAN. Applicants are highly encouraged to review the Master Plan and understand how your project fits within it.

**Hays County 2012  
Parks Master Plan**

The County currently has 16 recommended projects by the first Parks and Open Space Advisory Commission (POSAC) formed prior to the proposition passing. Additional project submissions are to be expected. This will require an in-depth reevaluation of the existing recommended projects, with this newly formed POSAC 2.0, so that all projects receiving funding from either the general bond sales or the CWSRF are vetted appropriately. The value of these projects ranges from \$75 million to \$150 million (and potentially in excess of that amount) with entities providing matching funds.

### **Marketing, Website, Social Media, Branding & Communications**

The PCS department continues to expand its website pages to encompass the resource as a tool to provide the full scope of services within the department's span of responsibility. Currently, the "Community Services" aspect of the department is lacking in web presence and ease of service access. Staff is in the process of creating an easier application process and information dissemination platform.

- Road closure requests
- Itinerant Vendor Permits
- Event Permit for events held on city property and events held within City Limits
- Co-Sponsorship applications that includes banners at the triangle requests
- Filming Permit (which tend to be last minute in nature – less than 48hrs notice)

It is a goal of the department to streamline operations and scope of the Programs & Events Coordinator position through renaming the position to serve comprehensively in the coordination of all aspects of community services and not just events and programming. The title change will be to that of Community Services Coordinator and the scope will expand to include the coordination of all such services in addition to events and programs will fall under the Programs & Aquatics Manager's scope entirely.

## DSRP MASTER PLAN UPDATE

RVI is moving forward with discussions with staff and the public regarding the Dripping Springs Ranch Park Master Plan. Internal stake holders & the committee will be completing walk through the first week of April.

## SPRING CLEAN & WILDFLOWER MARKET

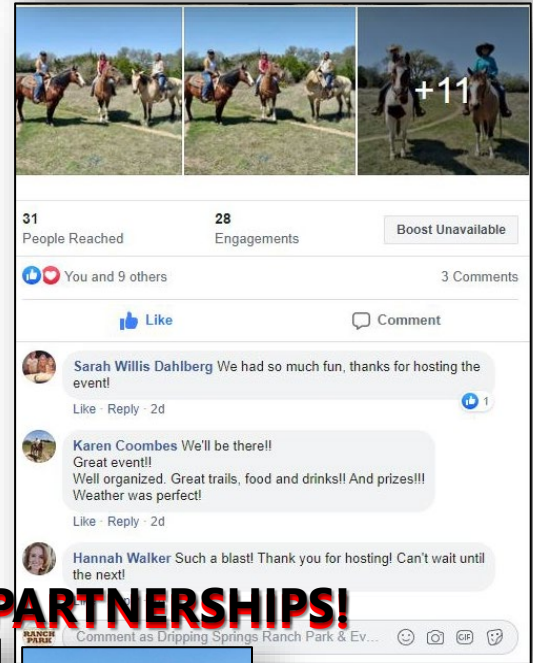

In preparation for March's Wildflower Market, the DSRP Ranch Hands were able to utilize the new heavy-duty vacuums to start the deep clean process of all the event spaces. Completion of this work and adding this new equipment made a huge difference in appearance and cleanliness of these spaces. The client was very vocal how impressed she was with the improvement and how professional the staff were at her event. She is a long-time client and took the time to give a raving review.

**1st ANNUAL POKER (THEMED) COMMUNITY TRAIL RIDE**

**Saturday, March 20th, 2021 | 10am-3pm**

The DSRP team was determined to host a spring event at the Ranch Park. We really felt our community was craving a way to engage and connect with others. We also knew hosting such a unique event would also bring new patrons to the Ranch Park and renew awareness of our facilities & trails. Obviously, this was challenging, considering we are still in a pandemic. However, Lily Sellers spear-headed this event and it was a huge success! Not only did our DSRP annual pass-holders participate, but they brought their friends & family! We had an outstanding turnout of enthusiastic equestrians that were amazed with the DSRP amenities and surprisingly, most had not heard of us. We gained several new clients and potentially 6 new memberships from this event. Tina & Lily procured new partnerships for this event and the participants enjoyed the prizes and after party. The social media posts for this event reached **ELEVEN THOUSAND** people! We propose for this to be an annual spring event and continue a new DSRP tradition!

A huge thank you to DSRP Board Member, Penny Reeves, for producing these outstanding events and working tirelessly with Lily to make these improvements.
