HOMESTEAD EXEMPTIONS (CONTINUED)

The County Board of Tax Assessors, appointed by the county governing authority in all counties except one, is responsible for determining what property is taxable and seeing that properties are appraised and assessed fairly and equally so that each taxpayer pays as nearly as possible only such taxpayer's proportionate share of tax. The Board notifies taxpayers of their real property assessments annually and when changes are made to the value of personal property; they approve all exemption applications; and they receive, review, and process appeals filed by taxpayers.

HOMESTEAD EXEMPTIONS

- Homestead can be filed year round. The applicant must have owned and lived on the property as of January 1 and the application must be filed by April 1 to receive an exemption for the current year.
- Applicant must not claim homestead on more than one property (in or out of county or state)
- Applicant must permanently live in the home application is being applied for
- Applicant must own the land and dwellings they are claiming homestead on

****WHAT TO BRING FOR HOMESTEAD****

- A valid driver's license matching the address of property being applied for of *ALL* persons listed on the deed & their spouse to show permanent proof of residency as of January 1**
- Age 62 or older & 65 or older exemption: The applicant MUST be age 62 or 65 or older as of January 1.
- A tax return for ALL persons living in the house hold when applying for the ages 62-64 (**S3**) exemption and the ages 65 and older (**S4**) Homestead exemption (see types and income requirements on cont.)
- The official Department of Veterans Affairs form showing the applicant is 100% disabled Military Veteran or is paid at the 100% rate through the VA, with the date it took effect for the (**S5**) Veteran Exemption
- If property has a mobile home applicant must show proof of ownership for the mobile home title and the nd— * the names must match.*

ASSESSMENT A AL INFORMATION

ASSESSMENT APPEALS

The Board of Tax Assessors is required to issue a notice of assessment for taxable tangible real and personal property. Upon receipt of this notice, the property owner desiring to appeal the assessment may do so within 45 days. The appeal may be based on taxability, value, uniformity, and/or the denial of an exemption. The written appeal is filed initially with the Board of Tax Assessors. The state of Georgia provides a uniform appeal form for use by property owners. In that initial written dispute, the property owner must declare their chosen method of appeal.

The three methods of appeal include:

Board of Equalization: The appeal is filed by the property owner and reviewed by the Board of Assessors. The Board of Assessors may change the assessment and send a new notice. The property owner may appeal the amended notice within 30 days. The appeal of the amended notice or any initial appeal which is not amended by the Board of Assessors is automatically forwarded to the Board of Equalization. The **County Board of Equalization**, appointed by the Grand Jury, is the body charged by law with hearing and adjudicating administrative appeals to property assessments made by the board of tax assessors. A hearing is scheduled and conducted and the Board of Equalization renders its decision. If the taxpayer is still dissatisfied, an appeal to Superior Court may be made. Upon attending a BOE hearing the taxpayer is entitled to a 3 year freeze on their property valuation set at the hearing. This freeze will be for the tax year the appeal is filed and for consecutive years after.

Item V. 1.

***\$109,986**Tax Exemption
These values come from the Georgia Department of Revenue and change annually

ASSESSMENT APPEALS (CONTINUED)

Hearing Officer: The taxpayer may appeal to a Hearing Officer, who is a certified appraiser, when the issue of the appeal is the value or uniformity of assessment of non-homestead real property with a value greater than \$500,000. or certain wireless property with an aggregate value greater than \$500,000 as shown on the annual notice of current assessment. If the taxpayer is still dissatisfied, an appeal to Superior Court may be made.

Arbitration: An Arbitration appeal is filed with the Board of Assessors. The taxpayer must submit a certified appraisal of the subject property which the Board of Assessors may accept or reject. If the taxpayers appraisal is rejected, the Board of Assessors must certify the appeal to the Appeal Administrator of Superior Court for arbitration. The arbitrator will issue a decision at the conclusion of the hearing. If the taxpayer is still dissatisfied, an appeal to Superior Court may be made.

PREFERENTIAL and SPECIALIZED

ASSESSMENT PROGRAMS

The Agricultural Preferential Assessment program is available for certain property owners of agricultural property. The property is assessed at 30% of fair market value rather than 40% of fair market. The property owner must enter a 10-year covenant with the Board of Assessors and penalties may apply if the covenant is breached.

The Conservation Use Assessment (CUVA) program provides for an assessment based on a statutory 'use-value' as opposed to an assessment based on 'fair market value.' Qualified properties include certain agricultural land, timber land, environmentally sensitive property, or residential transitional property. The property owner must enter a 10-year covenant with the Board of Assessors and penalties may apply if the covenant is breached.

PREFERENTIAL and SPECIALIZED ASSESSMENT PROGRAMS (CONTINUED)

Forest Land Conservation Use Assessment (FLPA) provides for an ad valorem tax exemption for property primarily used for the production of trees, timber, or wood fiber products. The property may have secondary uses such as the promotion, preservation, or management of wildlife habitat; carbon sequestration; mitigation and conservation banking; or the production and maintenance of ecosystem products. This 10-year covenant agreement between the taxpayer and local Board of Assessors is limited to forest land tracts consisting of more than 200 acres. Penalties may apply if the covenant is breached.

Rehabilitated and Landmark Historic Assessment includes property that qualify for listing on the Georgia or National Register of Historic Places. This preferential assessment extends to the building and no more than two acres. Property under this special program must be certified by the Department of Natural Resources as rehabilitated historic property or landmark historic property. The exemption equals the difference between current fair market value and the higher of the acquisition cost or assessment of fair market value at the time the original 10-year covenant was entered.

Brownfield Property Assessment includes property which qualifies for participation in the State's Hazardous Site Reuse and Redevelopment Program and which has been designated as such by the Environmental Protection Division of the Department of Natural Resources. This program effectively freezes the taxable assessment for ten years as an incentive for developers to clean up contaminated property and return it to the tax rolls. It allows eligible owners to recoup the certain costs associated with the cleanup.

Dear Property Owner,

You are receiving this letter because of a breach **WITHOUT PENALTY** involving property in a Conservation Use covenant, due to the death of a previous owner, eminent domain, etc. It is recommended that the property is deeded over to any new owners before January 1st to avoid potential complications. Attached is an application to restart another ten-year covenant in the current owner(s) name(s), if you would like to keep the property in Conservation Use. The application deadline for Conservation Use applications is April 1st of each year. The application requires:

A **\$26.00 filing fee (per application)** in cash or check (made payable to Effingham County); signatures of **ALL** current property owners listed on the deed; **notarization** with all owners present; filling out of the back page of the application and questionnaire to the best of your knowledge; and the best phone number and/or email to reach you at if we have any concerns. If the new owner is an LLC or LLP, proof that 80% of income deriving from agricultural use and documentation of signing authority for the business is also required. If the new owner is in an estate or trust, the corresponding paperwork is required. Please also sign the attached release/copy of previous covenant filing at the bottom of the second page.

If you have any questions you can contact us by phone: 912-754-2125, or email Csarna@effinghamcounty.org.

HOMESTEAD EXEMPTIONS (CONTINUED)

The County Board of Tax Assessors, appointed by the county governing authority in all counties except one, is responsible for determining what property is taxable and seeing that properties are appraised and assessed fairly and equally so that each taxpayer pays as nearly as possible only such taxpayer's proportionate share of tax. The Board notifies taxpayers of their real property assessments annually and when changes are made to the value of personal property; they approve all exemption applications; and they receive, review, and process appeals filed by taxpayers.

HOMESTEAD EXEMPTIONS

- Homestead can be filed year round. The applicant must have owned and lived on the property as of January 1 and the application must be filed by April 1 to receive an exemption for the current year.
- Applicant must not claim homestead on more than one property (in or out of county or state)
- Applicant must permanently live in the home application is being applied for
- Applicant must own the land and dwellings they are claiming homestead on

- If property has a mobile home applicant must show proof of ownership for the mobile home title and the nd — * the names must match.*

ASSESSMENT & AL INFORMATION

ASSESSMENT APPEALS

The Board of Tax Assessors is required to issue a notice of assessment for taxable tangible real and personal property. Upon receipt of this notice, the property owner desiring to appeal the assessment may do so within 45 days. The appeal may be based on taxability, value, uniformity, and/or the denial of an exemption. The written appeal is filed initially with the Board of Tax Assessors. The state of Georgia provides a uniform appeal form for use by property owners. In that initial written dispute, the property owner must declare their chosen method of appeal.

The three methods of appeal include:

Board of Equalization: The appeal is filed by the property owner and reviewed by the Board of Assessors. The Board of Assessors may change the assessment and send a new notice. The property owner may appeal the amended notice within 30 days. The appeal of the amended notice or any initial appeal which is not amended by the Board of Assessors is automatically forwarded to the Board of Equalization. The **County Board of Equalization**, appointed by the Grand Jury, is the body charged by law with hearing and adjudicating administrative appeals to property assessments made by the board of tax assessors. A hearing is scheduled and conducted and the Board of Equalization renders its decision. If the taxpayer is still dissatisfied, an appeal to Superior Court may be made. Upon attending a BOE hearing the taxpayer is entitled to a 3 year freeze on their property valuation set at the hearing. This freeze will be for the tax year the appeal is filed and for consecutive years after.

***\$109,986**Tax Exemption
These values come from the Georgia Department of Revenue and change annually

ASSESSMENT APPEALS (CONTINUED)

Hearing Officer: The taxpayer may appeal to a Hearing Officer, who is a certified appraiser, when the issue of the appeal is the value or uniformity of assessment of non-homestead real property with a value greater than \$500,000. or certain wireless property with an aggregate value greater than \$500,000 as shown on the annual notice of current assessment. If the taxpayer is still dissatisfied, an appeal to Superior Court may be made.

Arbitration: An Arbitration appeal is filed with the Board of Assessors. The taxpayer must submit a certified appraisal of the subject property which the Board of Assessors may accept or reject. If the taxpayers appraisal is rejected, the Board of Assessors must certify the appeal to the Appeal Administrator of Superior Court for arbitration. The arbitrator will issue a decision at the conclusion of the hearing. If the taxpayer is still dissatisfied, an appeal to Superior Court may be made.

PREFERENTIAL and SPECIALIZED

ASSESSMENT PROGRAMS

The Agricultural Preferential Assessment program is available for certain property owners of agricultural property. The property is assessed at 30% of fair market value rather than 40% of fair market. The property owner must enter a 10-year covenant with the Board of Assessors and penalties may apply if the covenant is breached.

The Conservation Use Assessment (CUVA) program provides for an assessment based on a statutory 'use-value' as opposed to an assessment based on 'fair market value.' Qualified properties include certain agricultural land, timber land, environmentally sensitive property, or residential transitional property. The property owner must enter a 10-year covenant with the Board of Assessors and penalties may apply if the covenant is breached.

PREFERENTIAL and SPECIALIZED ASSESSMENT PROGRAMS (CONTINUED)

Forest Land Conservation Use Assessment (FLPA) provides for an ad valorem tax exemption for property primarily used for the production of trees, timber, or wood fiber products. The property may have secondary uses such as the promotion, preservation, or management of wildlife habitat; carbon sequestration; mitigation and conservation banking; or the production and maintenance of ecosystem products. This 10-year covenant agreement between the taxpayer and local Board of Assessors is limited to forest land tracts consisting of more than 200 acres. Penalties may apply if the covenant is breached.

Rehabilitated and Landmark Historic Assessment includes property that qualify for listing on the Georgia or National Register of Historic Places. This preferential assessment extends to the building and no more than two acres. Property under this special program must be certified by the Department of Natural Resources as rehabilitated historic property or landmark historic property. The exemption equals the difference between current fair market value and the higher of the acquisition cost or assessment of fair market value at the time the original 10-year covenant was entered.

Brownfield Property Assessment includes property which qualifies for participation in the State's Hazardous Site Reuse and Redevelopment Program and which has been designated as such by the Environmental Protection Division of the Department of Natural Resources. This program effectively freezes the taxable assessment for ten years as an incentive for developers to clean up contaminated property and return it to the tax rolls. It allows eligible owners to recoup the certain costs associated with the cleanup.

Request for Title Ad Valorem Tax Payment

What is the purpose of this letter?

The Department of Revenue's records show that you recently applied for a certificate of title for a 2014 FORD MUSTANG that was purchased on 15-Feb-2023 and has a Title Number of 770168271852907. The Department of Revenue cannot issue a title and the county tag office cannot issue a vehicle registration license plate until the Title Ad Valorem Tax (TAVT) has been paid. Based on the vehicle's fair market value of \$12,475.00, TAVT in the amount of \$873.25 is due by the date noted below to avoid penalty fees.

What action is required?

To resolve this matter, please deliver a copy of this letter and the applicable payment to:

EFFINGHAM COUNTY
901 N PINE ST SUITE 104
SPRINGFIELD GA 31329
(912) 754-2121

Payment to any county tag office may require certified funds. Failure to remit this payment to the county tag office by 05-Oct-2023 may result in a 10% TAVT penalty fee with an additional 1% due every 30 days thereafter.

Resurveying Property Under a Conservation Use Covenant

This policy addresses a property that is currently under a Conservation Use Covenant and has a new plat filed that is more or less acreage than what was originally recorded or returned at the time of entering into the ten-year covenant. Any parcels that are now more or less acreage than at the start of the ten-year covenant must be continued (by continuation application) by all current owners of the parcels. The parcels will now reflect this new acreage. If continuation applications are not filed, this will result in a breach of the Conservation Use Covenant.

Vehicle Use Policy

Policy Statement

It is the Board of Assessor's policy that vehicles used for County business be operated in a careful, safe, and prudent manner consistent with all policies, regulations, and procedures of the County and with all local and State laws. County vehicles will be maintained in a safe and cost-effective manner and will be used only for intended purposes. Employees are expected to display courteous and considerate driving habits when operating a County vehicle or a personal vehicle for County purposes.

Authorized Uses

Vehicles owned by or otherwise controlled by the County are authorized for use in performance of essential travel and transportation duties, including the following authorized uses:

1. When on official travel status, between place of business and place of temporary lodging.
2. When on official travel status and not within reasonable walking distance between either of the above places and: 1) places to obtain meals; 2) places to obtain medical assistance, including drugstore.
3. Transport of officers, officials, employees, clients or guests of the County, including transport of consultants, contractors, or commercial firm representatives when in direct interest of the County.
4. Transport of materials, supplies, equipment, parcels, baggage or other items belonging to or serving the interest of the County.
5. Transport of any person or item in an emergency situation.
6. Commute between place of dispatch or place of performance of official business to personal residence, if employee is assigned a vehicle with take home privileges.

7. “De minimis” personal use such as lunch or an occasional stop for a personal errand on the way between a business delivery location and the employee’s home.

Unauthorized Uses

Unless express permission has been otherwise granted by the Chief Appraiser in writing, use of a County vehicle is not authorized for unofficial travel duties or tasks, the transport of unauthorized persons or items, or the performance of tasks outside the rated capabilities of the vehicle. The following are considered unauthorized uses:

1. Travel for reasons of a personal nature and not connected with the accomplishment of official business, except for authorized commuting and “de minimis” personal use.
2. Travel or task performance beyond the stated capabilities of the vehicle.
3. Transport of family, friends, associates or other persons who are not employees of the County or serving the interest of the County, except for authorized commuting and “de minimis” personal use. An example of “de minimis” personal use is taking a child to school on the way to work.
4. Transport of items or cargo having no relation to the conduct of official business, except for “de minimis” transport.
5. Transport of any item, equipment or cargo projecting from the side, front or rear of the vehicle in such a manner as to constitute a hazard to safe driving.
6. Extending the length of dispatch beyond that required to complete the official business purpose of the trip.
7. Loan of vehicle for use in non-County functions, unless authorized by the Chief Appraiser.

Driver Disqualification

Employees and applicants will not be qualified to drive a County vehicle, nor a personal vehicle for County business, if the following has occurred within the prior 36 months. Any exception to this policy must be approved by the Board of Assessors

1. Conviction of an alcohol or drug-related offense while driving (includes Driving Under the Influence, Driving While Intoxicated, etc.);

Notification Requirements

Employees who operate vehicles in the course and scope of their employment must notify their supervisor:

1. When their driver's license becomes invalid or suspended for any reason. Such employees will immediately be prohibited from operating vehicles on County business.
2. When they receive a citation for any violation while operating a County vehicle. The employee will be responsible for paying any fine or penalty incurred and will be subject to corrective action, and disciplinary action. Failure to report a citation received may also be grounds for corrective action, and disciplinary action.
3. When they receive a citation, whether such citation occurred on-duty or off-duty, for Driving Under the Influence, Hit-and-Run, Reckless Driving, or other serious driving offense. This requirement applies regardless of whether the vehicle being driven is owned by the County, owned by the employee, or owned by a third party.

Operation of Vehicles

1. Employees shall operate any vehicle used for County business in a careful and prudent manner and shall obey the laws, policies, regulations, and procedures of the County and State pertaining to such operation.

2. County vehicles are to be used only as required for the performance of job duties. Under no other circumstances should County vehicles be used for personal benefit or to transport family members or other unauthorized persons.
3. County vehicles may be used to transport an employee to the doctor or hospital when an on-the-job injury occurs.
4. Employees who operate vehicles should inspect the vehicle weekly prior to driving. Any defective equipment shall be reported immediately to the driver's supervisor.
5. Drivers are responsible for the daily inside cleaning of vehicles; removal of drink cans, food wrappers, paper, and excessive soil; and for ensuring that vehicles are washed and waxed on a regular basis.
6. Smoking, vaping (the use of e-cigarettes), and other tobacco use in County-owned or leased vehicles is prohibited.
7. Vehicles left unattended will be locked with engine off and the key removed from the ignition and retained by the driver.
8. Drivers shall adhere to all County safety procedures for vehicle operation and also to any additional departmental procedures for vehicle operation.
9. Drivers must never operate a vehicle when physically impaired or otherwise unfit to do so. This includes operating a vehicle while using or under the influence of alcohol or drugs, or while taking prescription or over-the-counter medications that may alter the employee's ability to safely operate a vehicle or equipment.
10. Drivers must wear seat belts at all times and ensure that each passenger in the vehicle is also restrained by a seatbelt.

11. In the event of an accident involving a County vehicle, drivers must follow all established accident reporting procedures.

Duty Restrictions

A physical, mental, or driving skill impairment that cannot be reasonably accommodated that affects an employee's ability to safely operate a motor vehicle, or failure to comply with the driver qualifications outlined in this Section, precludes that employee from operating any vehicle for County business.
