The City Council recommended that the stakeholder group meetings occur at the same time as the Utility Commission meetings because they agreed that all of the Utility Commissioners should be involved in the process and that the stakeholder group should also include a water professional and resiliency professional who live in the City. Vice-Mayor YK Chalamcherla volunteered to be the City Council representative on the Stakeholder Group (if one was desired). Councilmember Sarah Aquino confirmed with staff that the funds used to pay for this process are Enterprise Funds and not General Fund.
