MEETING DATE:	07/12/2022
AGENDA SECTION:	Consent Calendar
SUBJECT:	Appointment of Representatives to the Sacramento Central Groundwater Authority (SCGA) Governing Board
FROM:	City Clerk's Department

RECOMMENDATION / CITY COUNCIL ACTION

Staff recommends that the City Council appoint Environmental and Water Resources Development Director Marcus Yasutake as the City of Folsom's primary representative, with Mayor Kerri Howell and Utilities Section Manager Todd Eising serving as the alternate representatives to the Sacramento Central Groundwater Authority (SCGA) Governing Board for four-year terms.

BACKGROUND / ISSUE

The City of Folsom was involved as a stakeholder in the Sacramento Area Water Forum and the subsequent Water Forum Successor Effort. City staff participated in the development of the Central Sacramento Groundwater Management Plan and recommendations as to how the basin would be managed. In 2006, the City Council authorized a newly updated Joint Powers Agreement between the Cities of Elk Grove, Folsom, Sacramento and Rancho Cordova and the County of Sacramento creating the Sacramento Central Groundwater Authority. Pursuant to the 2006 Joint Powers Agreement, the City of Folsom's representative on the SCGA's Governing Board shall be appointed by the City Council and shall serve a four-year term.

ANALYSIS

Continued participation on the SCGA Governing Board will help ensure that the City of Folsom remains an active participant in the groundwater planning efforts in the region. Environmental and Water Resources Development Director Marcus Yasutake has served as the City of Folsom's primary representative, with Mayor Kerri Howell and Utilities Section Manager Todd Eising serving as the alternate representatives to the SCGA Governing Board.

FROM:	City Clerk's Department

RECOMMENDATION / CITY COUNCIL ACTION

Staff requests that the Mayor appoint Ajit Natu (with approval from the City Council) to the Folsom Landscaping and Lighting District Advisory Committee to represent the Willow Springs District for the term ending in December 2024.

BACKGROUND / ISSUE

Folsom Municipal Code Chapter 16.56 establishes the Landscaping and Lighting District Advisory Committee (L&L Committee) and defines the Committee's purpose as helping to enhance the line of communication between city staff and elected/appointed city bodies. The citizens' committee may also make recommendations to the Landscaping and Lighting District Manager, the Community Development Director and the Public Works Director concerning the maintenance and associated costs to maintain and improve landscaping and lighting districts. The Committee is comprised of one person from each landscaping and lighting district. The members shall be registered voters and residents or owners within their respective landscaping and lighting district and serve for a period of four years.

POLICY/ RULE

Folsom Municipal Code Section 16.56.030(B) states that the mayor shall appoint each of the members, subject to the approval of the City Council.

ANALYSIS

The L&L Committee continues to have vacancies for certain districts, and staff maintains an open recruitment for these vacancies. One application has recently been received for the Willow Springs District vacant seat:

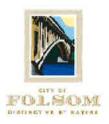

Staff has confirmed that the applicant's address is within the Willow Springs District and that the applicant is a registered voter and they are therefore eligible to be appointed.

FOLSOM COMMISSION AND COMMITTEE APPLICATION

Applicant Name:

Ajit Natu

Informational Questions: (you must answer all four questions, for all commissions or committees you are applying for):

1. Why do you want to serve on this commission or committee:

I am a Folsom Residence for last 15 years and I love Folsom. My goal is to help my city to be clean, beautiful, and improve the living of its residence and also importantly be mindful about the cost saving, unnecessary waste of energy and overall decor and functioning of the city, roads, road lighting that help traffic. Optimum lighting of the roads reduces risk of accidents. At the same time, the City and neighborhoods should be clean where residents look forward to be on the road, feel pleasant while driving and walking, especially when children are accompanied. We teach children through our own action - and cleanliness, tidiness of roads is an indirect teaching.

- 2. What do you think is(are) the top issue(s) facing this commission or committee:
- 1. Optimum Road Lighting When I go for a walk, agreed that City has taken lot of efforts to have roads lighted but still we encounter sudden portion of a longer road section that is dark which could be a risk to residents. It may due to light bulb worn out, damaged or not in place. Sometimes, I do observe that.
- 2. Adequate lighting and proper signals and stop signs, speed breakers help the traffic flow but more importantly the safety of residents and reducing the accidents. I understand the analysis must be done to evaluate if a STOP sign is needed or signal is needed or a speed breaker is needed but depending on the traffic, location, it proves to be a safety and a good investment because even one life saved is worth the expenses.
- 3. Landscaping is very important though not many people realize it. A broken sprinkler can waste lot of water and can cause annoyance to the people who walk by. City workers may not be able to cover every small area for such observation and this is where the Activist or volunteers help as they can report such occurrences more easily and promptly. In today's day and age where water is scarce and fear of drought is around. such local help is advisable and it is a great initiative by City to name such volunteers. Some residents have sprinklers every day, multiple times and over watering is done which also can be reported back.

FOLSOM COMMISSION AND COMMITTEE APPLICATION

Applicant Name: Ajit Natu

3. Briefly describe how your experiences qualify you to serve on the commission or committee:

I am very active in social life; I have been involved in the local Indian Association of Sacramento (IAS) for last 17 years and was its President and currently the Chairman, board of trustee. We serve the local community, invite local civil leadership to our events and I have attended several city meetings to see how the working is. Why I am saying this? To show that I am a concerned US citizen, a proud Folsom resident who have been doing work in social arena and want to improve the living standards of the locality. From time to time, I observe few items that I described above (such as lights not adequate or sprinkler issues etc), and I always wanted to do something about it. With this position, I will be able to be the medium to take the local issues to the city, I will be the 'can-do-it' for the local neighborhood residents if they want to report any issues. I want to help them and the city. My experience in social arena and also my mindset, character to help entities where we live will come in handy and it does qualify me for this position.

4. Which commission or committee meetings have you attended?

I have attended several City consul meetings at the City Hall. I was/am impressed how Folsom city consul works, very systematic, with all due diligence and mainly I enjoyed the question by citizens (I think each Tuesday). One of the meeting had one issue discussed about the need for Signals on Empire Ranch road. City had done such a thorough analysis, data-driven, accident records, money required and so on due to which the city leaders were able to judge the issue not just qualitatively but also quantitatively and take the decision based on real data. Today, when I drive on that road, I see why it was important to have signals (people used to drive at crazy speeds before). Though this is one example that has stuck in my mind but I enjoyed several such meetings. I attended such meetings out of self interest and to be a responsible Folsomite!

It is recommended that the City Council adopt Resolution No. 10883 – A Resolution Electing the Population and Inflation Factors and Establishing the FY 2022-23 Appropriations Limit.

BACKGROUND / ISSUE

The Gann Spending Limitation Initiative (Article XIII B of the State Constitution) adopted as Proposition 4 in June 1979 (and subsequently modified by Proposition 111 in June 1990), requires the City to annually adopt a resolution setting an appropriations limit for the upcoming fiscal year. The Gann Spending Limitation was intended to provide citizen control of government spending and taxation.

The City Manager's Fiscal Year 2022-23 Operating Budget and Capital Improvement Plan (CIP) was adopted by the City Council on June 14, 2022.

POLICY / RULE

<u>California Government Code, Section 7910 (a)</u> "each year the governing body of each local jurisdiction shall, by resolution, establish its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIII B of the California Constitution at a regularly scheduled meeting or noticed special meeting..."

<u>California Constitution</u>, <u>Article XIIIB</u>, <u>Sec. 1</u>. "The total annual appropriations subject to limitation of the State and of each local government shall not exceed the appropriations limit of the entity of government for the prior year adjusted for the change in the cost of living and the change in population, except as otherwise provided in this article.

Folsom Municipal Code, Section 3.02.030, Budget

"An Annual Budget shall be prepared by the City Manager, with the assistance of the Finance Director. . . . (G) The City Council shall adopt the annual budget by Resolution by fund and program by affirmative vote of at least three members, on or before the last working day of the last month of the current fiscal year. If the City Council fails to adopt the budget by the last working day of the current fiscal year, the budget as presented by the City Manager shall be deemed adopted."

ANALYSIS

Information from the California Department of Finance regarding population and per capita personal income has now been received and the calculation for the Gann Spending Limitation The establishment of the 2022-23 Appropriations Limit ("Gann Limit") is necessary to comply with Article XIIIB of the State Constitution. The Gann Limit limits the amount of revenue classified as proceeds of taxes that can be appropriated in any fiscal year by a government entity. Certain exclusions are allowed including transfers, capital outlay and payments for debt service. The maximum allowable appropriation of revenues subject to limitations for Fiscal Year 2022-23 is \$123,204,502, and the FY 2022-23 Budget with the exclusions, referenced above, is within this limit. This maximum amount increases or decreases each year depending on the percentage change in the per capita personal income (7.55%) and the percentage change in population (1.33%). The California Department of Finance has estimated the total population for the City of Folsom as of January 1, 2022 as 84,592, and after deducting prison population the estimated population is 79,758. The formula for calculating the limits was based on the Fiscal Year 1978-79 "base year" revenues. For Fiscal Year 2022-23 the budgeted revenues subject to limitation total \$78,987,577, which is \$44,216,925 less than the maximum allowed.

BACKGROUND / ISSUE

On May 24, 2022, the City Council approved Resolution No. 10860, which authorized the City Manager to execute a construction agreement with Cooper Oats Air Conditioning (COAC) for the Folsom City Hall Boiler and HVAC Replacement Design-Build Project. Due to a discrepancy, the bidders were not specifically notified that the contract was being considered for award by the City Council at its meeting on May 24, 2022.

POLICY / RULE

In accordance with Chapter 2.36 of the <u>Folsom Municipal Code</u>, City Council approval is required for contracts in excess of \$66,141.

In accordance with Section 2.18 of the City of Folsom's Standard Construction Specifications and as stated in the Request for Proposals on this project, all bidders must be provided with notice of the date and time of the City Council meeting at which the award of the contract for the project will be considered. All bidders must be provided with an opportunity to bring to the City Council's attention disputes and/or protests regarding the bidding process.

ANALYSIS

Staff will bring this item back to the City Council at its regular meeting on July 26, 2022, for consideration of the award of the contract for this project after providing proper notice of that meeting to all bidders.

On June 20, 2022, COAC was notified in writing that the City suspended the award of the contract pending further action by the City Council.

Also on June 20, 2022, all bidders were notified that the Council will consider award of the contract on July 26, 2022.

On June 27, 2022, a bid protest was received on this project. Any protesting bidder will be given the opportunity to bring its disputes and protests to the City Council for consideration on July 26, 2022.

FINANCIAL IMPACT

There is no financial impact on the general fund.

AGENDA SECTION:	Consent Calendar
SUBJECT:	Resolution No. 10888 - A Resolution Acknowledging Receipt of Completed Annual State Mandated Fire Inspections
FROM:	Fire Department

RECOMMENDATION / CITY COUNCIL ACTION

The Fire Department recommends that the City Council pass and adopt Resolution No. 10888 - A Resolution Acknowledging Receipt of Completed Annual State Mandated Fire Inspections.

BACKGROUND / ISSUE

Existing law (CA Health & Safety Code § 13146.3) requires the Chief of Folsom Fire Department and/or their authorized representatives to inspect every building used as a public or private school within the City of Folsom not less than once each year, for the purpose of enforcing California fire code building standards.

Existing law (CA Health & Safety Code § 13146.2) requires the City of Folsom Fire Department to annually inspect certain structures, including hotels, motels, lodging houses, and apartment houses, for compliance with fire code building standards.

Senate Bill 1205 requires that the mandated annual inspections be reported to the "administering authority" (City of Folsom City Council).

POLICY / RULE

Section 13146.4 has been added to the California Health & Safety Code requiring the City of Folsom Fire Department to report its compliance with Sections 13146.2 and 13146.3 annually to the City Council.

ANALYSIS

Fire Department Prevention Division has completed all initial inspections pursuant to Sections 13146.2 and 13146.3 of the California Health and Safety Code as outlined in Attachment 2. Those occupancies found to be in violation of the Folsom Fire Code have either made the necessary corrections or are in the process of correcting applicable Fire Code violations; reinspections will continue until all Fire Code violations are corrected.

FINANCIAL IMPACT

There is nominal fiscal impact as fire prevention staff are required, through state mandates, to inspect the specified buildings as described.

ENVIRONMENTAL REVIEW

This action is not considered a project under Section 15061(b)(3) of the California Environmental Quality Act Guidelines, and as such is exempt from environmental review.

RECOMMENDATION / CITY COUNCIL ACTION

Staff recommends the City Council adopt Resolution No. 10887 - A Resolution Approving the Final Engineer's Report for the following Landscaping and Lighting Districts for Fiscal Year 2022-2023 American River Canyon North, American River Canyon North No. 2, American River Canyon North No. 3, Blue Ravine Oaks, Blue Ravine Oaks No. 2, Briggs Ranch, Broadstone, Broadstone No. 4, Broadstone Unit No. 3, Cobble Ridge, Cobble Hills Ridge II/Reflections II, Folsom Heights, Folsom Heights No. 2, Hannaford Cross, Lake Natoma Shores, Los Cerros, Natoma Station, Natoma Valley, Prairie Oaks Ranch, Prairie Oaks Ranch No. 2, Prospect Ridge, Sierra Estates, Silverbrook, Steeplechase, The Residences at American River Canyon, The Residences at American River Canyon II, Willow Creek Estates East, Willow Creek Estates East No. 2, Willow Creek Estates South, and Willow Springs.

BACKGROUND / ISSUE

07/12/2022 Item No.8.

On May 10, 2022, the City Council adopted Resolution No. 10844 – Resolution No. 10 Resolution Approving the Preliminary Engineer's Report for the following Landscaping and Lighting Districts for Fiscal Year 2022-2023 and Setting Public Hearing for American River Canyon North, American River Canyon North No. 2, American River Canyon North No. 3, Blue Ravine Oaks, Blue Ravine Oaks No. 2, Briggs Ranch, Broadstone, Broadstone No. 4, Broadstone Unit No. 3, Cobble Ridge, Cobble Hills Ridge II/Reflections II, Folsom Heights, Folsom Heights No. 2, Hannaford Cross, Lake Natoma Shores, Los Cerros, Natoma Station, Natoma Valley, Prairie Oaks Ranch, Prairie Oaks Ranch No. 2, Prospect Ridge, Sierra Estates, Silverbrook, Steeplechase, The Residences at American River Canyon, The Residences at American River Canyon II, Willow Creek Estates East, Willow Creek Estates East No. 2, Willow Creek Estates South, and Willow Springs. The Engineer's Report for the City of Folsom Landscaping and Lighting (L&L) Districts addresses the annual assessment for each of the City's 30 existing Landscaping and Lighting Districts.

As was the case in Fiscal Year 2021-2022, Natoma Station-Union Square L&L will not be assessed for Fiscal Year 2022-2023 since the Homeowners' Association has elected to cover maintenance costs at this time. In addition, Silverbrook L&L is receiving a credit as was the case last year due to available funds in the fund balance.

POLICY / RULE

Pursuant to Streets and Highways Code Section 22586, an annual Engineer's Report shall be filed with the City Clerk. The City Council is also required to adopt a resolution confirming the diagram and assessment pursuant to Section 22631 of the Streets and Highway Code.

ANALYSIS

The Preliminary Engineer's Report approved by Resolution No. 10844 described the maintenance and servicing to be performed in the City's 30 Landscaping and Lighting Districts for Fiscal Year 2022-2023. The establishment of annual assessments for each of the L&L Districts requires a resolution confirming the diagram and assessment. The Engineer's Report is in compliance with the Landscaping and Lighting Act of 1972; including but not limited to Sections 22565 et seq (preparing a report that complies with the article); and Sections 22660 and 22662 (regarding annual installments procedures/process). Budgetary adjustments were made between the Preliminary and Final Engineers Report as a result of increased scheduled landscape maintenance costs stemming from negotiations of a new landscape maintenance contract.

Assessment to Properties

Assessments to properties within each district are the same as FY 2021-22, with the exception of two districts; Willow Creek Estates East No. 2, and Broadstone 4, both of which had CPI's incorporated into the district when they were formed. Willow Creek Estates East No. 2 has 3 zones, zones A & B have an increase of \$3.98 from \$99.53 last year to \$103.51 this year. Zone C has an increase of \$3.66 over last year bringing their rate from \$91.49 last year to \$95.15 this year. Broadstone 4 has 4 zones, zone A has an increase of \$1.17 this year from \$38.81 last year to \$39.98 this year. Zone B has an increase of \$1.10 over last years rate and increased from 36.96 last year to \$36.06 this year. Zone C has an increase of \$1.10 over last years rate and increased from \$36.42 to \$37.52. Zone D had an increase of \$1.06 this year and increased from \$35.74 last year to \$36.80 this year. There are another ten districts that have escalators and are eligible for CPI increases that will not be utilized this year as they have an ample fund balance and do not need to capture the CPI. Those districts are Americ Canyon North No. 3, Blue Ravine

Oaks No. 2, Broadstone 3, Cobble Ridge, Folsom Heights No.2, Natoma Valley, Prospe The Residences, The Residences II, and Sierra Estates.

Installment Summary

The installment summaries describe short-term installments collected pursuant to Section 22660 of the Streets and Highways Code to meet the districts' future repair and replacement needs anticipated to occur within an approximate five-year time frame, as well as long-term installments collected to meet those future needs anticipated to occur within 5 to 30-year time frames.

Comparison to Last Year

District budgets for this upcoming year will continue focusing on improvements and restorations that enhance each district's commitment to water conservation, prolonging assets life, drought tolerant landscaping improvements, fire safety, and tree stewardship. As such, some districts will be retrofitting and centralizing irrigation controllers, inventorying street trees, changing out plant materials to water wise varietals, and converting over to LED Streetlights. Many of the City's districts are over 20 years old and do not have escalators built into their rates to track with cost-of-living increases and economic changes. As such, districts being monitored for future outreach regarding a new assessment overlay district are Briggs Ranch (31 years old), Hannaford Cross (31 years old), and Cobble Ridge II / Reflections II (28 years old). Lastly the City started the first stages of outreach for an increase in Natoma Station in the 2021-22 Fiscal Year, and will continue in the 2022-2023 Fiscal Years.

FINANCIAL IMPACT

Each Landscaping and Lighting District levies and collects funds to cover operating and maintenance costs. There is no fiscal impact to the City of Folsom General Fund. Below is a summary of the proposed assessments for FY 2022-23. There are twenty-eight (28) districts in which the assessments remain the same, two (2) districts with increased assessments, and two (2) districts that are being removed from the tax roll (Union Square because it has an HOA that manages the landscape areas and Silverbrook because there is capacity in the fund balance).

Pursuant to the approved Resolution No. 10873-A Resolution Authorizing the City Manager to Execute an Agreement with BrightView Landscape Services for Landscaping and Lighting Districts, Community Facilities Districts and Folsom Plan Area Landscapes for the City of Folsom and Appropriation of Funds, this Final Engineer's Report is re-allocating funds within 21 districts/CFD's as noted in the table below. The assessments shown above do not change. The funds were derived from fund balances in the district or from other budgeted areas within that district with the capacity to fund the additional maintenance costs as shown below. The following district's scheduled maintenance line items will be adjusted by the amounts shown below. This adjustment is also included within each district's budget as shown in the attached Final Engineer's Report.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines \$15061(bX3)). The Ferguson Group's contract work scope does not include the potential for a significant environmental effect, and therefore is not subject to CEQA.

These assessments were established in previous fiscal years. In each subsequent year for which the assessments will be continued, the City Council ("Council") must direct the preparation of an Engineer's Report, budgets and proposed assessments for the upcoming fiscal year. The Engineer's Report also identifies future planned projects. After the Engineer's Report is completed, the Council may preliminarily approve the Engineer's Report and proposed assessments and establish the date for a public hearing on the continuation of the assessments. This Engineer's Report ("Report") was prepared pursuant to the direction of the Council.

This Report was prepared to establish the budget for the improvements that would be funded by the proposed 2022-23 assessments and to define the benefits received from the improvements by property within the Districts and the method of assessment apportionment to lots and parcels. This Report and the proposed assessments have been made pursuant to the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code (the "Act") and Article XIIID of the California Constitution (the "Article").

If the Council approves this Engineer's Report and the proposed assessments by resolution, a notice of the proposed assessment levies must be published in a local paper at least 10 days prior to the date of the public hearing. The resolution preliminarily approving the Engineer's Report and establishing the date for a public hearing typically directs that this notice be published.

Following the minimum 10-day time period after publishing the notice, a public hearing is held for the purpose of allowing public testimony about the proposed continuation of the assessments. This hearing is currently scheduled for July 12, 2022. At this hearing, the Council would consider approval of a resolution confirming the assessments for fiscal year 2022-23. If so confirmed and approved, the assessments would be submitted to the County Auditor/Controller for inclusion on the property tax rolls for Fiscal Year 2022-23.

Included is a separate but integral tool: the City of Folsom Landscaping and Lighting District Improvement Plan ("Improvement Plan"). It is a separate planning document that identifies the type of upcoming improvement (e.g. re-landscaping a corridor or painting a wall); the estimated cost; any installments required for short-term (less than five years) and/or long term (not greater than 30 years) improvements, and the approximate schedule for completion of the improvement. The City intends to continually update and revise the Improvement Plan throughout each year to reflect the current status of improvement projects, budget updates and/or changes in priorities.

The concept of the Improvement Plan arose from the City's commitment to comply with the requirements of the Act as well as produce a valuable instrument that enables the City to schedule, prioritize, and plan for needed maintenance and servicing improvements in the districts. It also serves as a user-friendly means for members of the public to review and understand the use of the assessment revenues generated from each district.

Legal Analysis

Silicon Valley Taxpayers Association, Inc. v Santa Clara County Open Space Authority

In July of 2008, the California Supreme Court issued its ruling on the Silicon Valley Taxpayers Association, Inc. v. Santa Clara County Open Space Authority ("SVTA vs. SCCOSA"). This ruling is the most significant court case in further legally clarifying the substantive assessment requirements of Proposition 218 which was approved by California voters in 1996. Several of the most important elements of the ruling included further emphasis that:

- Benefit assessments are for special, not general, benefit
- The services and/or improvements funded by assessments must be clearly defined
- Special benefits are directly received by and provide a direct advantage to property in each district

This Engineer's Report is consistent with the SVTA vs. SCCOSA decision and with the requirements of Article XIIIC and XIIID of the California Constitution based on the following factors:

- Most of the Districts were formed prior to the passage of Proposition 218 and/or with unanimous approval of property owners. Although these assessments are consistent with Proposition 218, the California judiciary has generally referred to pre-Proposition 218 assessments as "grandfathered assessments" and held them to a different standard than post Proposition 218 assessments.
- 2. The Districts are narrowly drawn to only include the specially benefiting parcels, and the assessment revenue derived from real property in each District is expended only on specifically identified improvements and/or maintenance and servicing of those improvements in that District that confer special benefits to property in that District.
- 3. The use of unique and narrowly drawn Districts ensures that the improvements constructed and maintained with assessment proceeds are located in close proximity to the real property subject to the assessment, and that such improvements provide direct and special benefit to the property in that District.
- 4. Due to their proximity to the assessed parcels, the improvements and maintenance thereof financed with assessment revenues in the District provide a direct advantage to properties in that District, and the benefits conferred on such property in each District are more extensive and direct than a general increase in property values.
- 5. The assessments paid in each District are proportional to the special benefit that each parcel within that District receives from such improvements and the maintenance thereof because:

- a. The specific improvements and maintenance and utility costs thereof in each District and their respective costs are specified in this Engineer's Report; and
- b. Such improvement and maintenance costs in each District are allocated among different types of property located within each District, and equally among those properties which have similar characteristics and receive similar special benefits.

Therefore, given the factors highlighted above, this Engineer's Report is consistent with the SVTA vs. SCCOSA decision and with the requirements of Article XIIIC & XIIID of the California Constitution.

Dahms v. Downtown Pomona Property

On June 8, 2009, the 4th District Court of Appeal upheld a benefit assessment for property in the downtown area of the City of Pomona. On July 22, 2009, the California Supreme Court denied review. In Dahms the court upheld an assessment that was 100% special benefit (i.e. 0% general benefit) on the rationale that the services and improvements funded by the assessments were directly provided to property in the assessment district. The Court also upheld discounts and exemptions from the assessment for certain properties.

Bonander v. Town of Tiburon

On December 31, 2009, the 1st District Court of Appeal overturned a benefit assessment approved by property owners to pay for placing overhead utility lines underground in an area of the Town of Tiburon. The Court invalidated the assessments on the grounds that the assessments had been apportioned to assessed property based in part on relative costs within sub-areas of the assessment district instead of proportional special benefits.

Beutz v. County of Riverside

On May 26, 2010 the 4th District Court of Appeals issued a decision on the Steven Beutz v. County of Riverside ("Beutz") appeal. This decision overturned an assessment for park maintenance in Wildomar, California, primarily because the general benefit associated with improvements and services were not explicitly calculated and quantified and separated from the special benefits.

Golden Hill Neighborhood Association v. City of San Diego

On September 22, 2011, the Court of Appeal issued a decision on the Golden Hill Neighborhood Association V. City of San Diego appeal. This decision overturned an assessment for street and landscaping maintenance in the Greater Golden Hill neighborhood of San Diego, California. The court described two primary reasons for its decision. First, like in Beutz, the court found the general benefits associated with services were not explicitly calculated, quantified and separated from the special benefits. Second, the court found that the City had failed to record the basis for the assessment on its own parcels.

Compliance with Current Law

This Engineer's Report is consistent with the requirements of Article XIIIC and XIIID of the California Constitution and with the SVTA decision because the Improvements to be funded are clearly defined; the Improvements are directly available to and will directly benefit property in the Assessment Districts; and the Improvements provide a direct advantage to property in each of the Assessment Districts that would not be received in absence of the Assessments.

This Engineer's Report is consistent with *Beutz, Dahms and Greater Golden Hill* because the Improvements will directly benefit property in each of the Assessment Districts and the general benefits have been explicitly calculated and quantified and excluded from the Assessments. The Engineer's Report is consistent with *Bonander* because the Assessments have been apportioned based on the overall cost of the Improvements and proportional special benefit to each property.

Impact of Recent Proposition 218 Decisions

This Engineer's Report is consistent with the SVTA vs. SCCOSA, Dahms, Bonander – Beutz and Greater Golden Hill decisions and with the requirements of Article XIIIC and XIIID of the California Constitution based on the following factors:

- 1. The assessment revenue derived from real property in each assessment District within the City of Folsom is extended only on specific landscaping and other improvements and/or maintenance and servicing of those improvements in that assessment district
- 2. The use of various assessment districts ensures that the landscaping and other improvements constructed and maintained with assessment proceeds are located in close proximity to the real property subject to the assessment, and that such improvements provide a direct advantage to the property in the assessment district.

- 3. Due to their proximity to the assessed parcels, the improvements and maintenance thereof financed with assessment revenues in each assessment district benefits the properties in that assessment district in a manner different in kind from the benefit that other parcels of real property in the City of Folsom derive from such improvements, and the benefits conferred on such property in each assessment district are more extensive and direct than a general increase in property values.
- 4. The assessments paid in each assessment district are proportional to the special benefit that each parcel within that assessment district receives from such improvements and the maintenance thereof because:
 - a. The specific landscaping and other improvements and maintenance and utility costs thereof in each assessment district and the costs thereof are specified in this Engineer's Report; and
 - b. Such improvement and maintenance costs in each assessment district are allocated among different types of property located within each assessment district, and equally among those properties which have similar characteristics and receive similar special benefits.

There have been a number of clarifications made to the analysis, findings and supporting text in this Report to ensure that this consistency is well communicated.

Plans & Specification

The work and improvements proposed to be undertaken by the City of Folsom Landscaping and Lighting Districts (the "Districts") and the cost thereof paid from the continuation of the annual assessment provide special benefit to parcels within the Districts defined in the Method of Assessment herein. Consistent with the Landscaping and Lighting Act of 1972, (the "Act") the work and improvements (the "Improvements") are generally described as follows:

Within these districts, the existing and proposed improvements are generally described as the installation, maintenance and servicing of turf, ground cover, shrubs and trees, irrigation systems, drainage systems, street lighting, fencing, soundwalls, sidewalks, monuments, statuary, fountains, water quality ponds, park facilities, open space, bike trails, walkways, drainage swales and other ornamental structures and facilities, entry signage, street pavers, art work, and monuments and all necessary appurtenances, and labor, materials, supplies, utilities and equipment, as applicable, for property owned or maintained by the City of Folsom. Any plans and specifications for these improvements have been filed with the City of Folsom and are incorporated herein by reference.

"Maintain" or "maintenance" means the furnishing of services and materials for the ordinary and usual maintenance, operation, and servicing of any improvement, including:

- (a) Repair, removal, or replacement of all or any part of any improvement.
- (b) Providing for the life, growth, health, and beauty of landscaping, including cultivation, irrigation, trimming, spraying, fertilizing, or treating for disease or injury.
 - (c) The removal of trimmings, rubbish, debris, and other solid waste.
- (d) The cleaning, sandblasting, and painting of walls and other improvements to remove or cover graffiti.
- "Service" or "servicing" means the furnishing of:
- (a) Electric current or energy, gas, or other illuminating agent for any public lighting facilities or for the lighting or operation of any other improvements.
- (b) Water for the irrigation of any landscaping, the operation of any fountains, or the maintenance of any other improvements.

The assessment proceeds from each District will be exclusively used for Improvements within that District plus Incidental expenses. Reference is made to the Estimate of Cost and Budget, Appendix A and to the additional plans and specifications, including specific expenditure and improvement plans by District, which are on file with the City.

Method of Apportionment

This section of the Engineer's Report includes an explanation of the benefits to be derived from the installation, maintenance and servicing of the Improvements throughout the Districts, and the methodology used to apportion the total assessment to properties within the City of Folsom Landscaping and Lighting Districts.

The City of Folsom Landscaping and Lighting Districts consist of all Assessor Parcels within the boundaries of each District defined as defined by Assessment Diagram included within this report and the Assessor Parcel Numbers listed within the included Levy roll. The parcels include all privately or publicly owned parcels within said boundaries. The method used for apportioning the assessment is based upon the proportional special benefits to be derived by the properties in the City of Folsom Landscaping and Lighting Districts over and above general benefits conferred on real property or to the public at large. The apportionment of special benefit is a two-step process: the first step is to identify the types of special benefit arising from the improvements, and the second step is to allocate the assessments to property based on the estimated relative special benefit for each type of property.

Discussion of Benefit

In summary, the assessments can only be levied based on the special benefit to property. This benefit is received by property over and above any general benefits. With reference to the requirements for assessments, Section 22573 of the Landscaping and Lighting Act of 1972 states:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements."

Proposition 218, as codified in Article XIIID of the California Constitution, has confirmed that assessments must be based on the special benefit to property and the assessment must not exceed the reasonable cost of the proportional benefit upon the assessed parcel:

"No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

The following benefit categories summarize the types of special benefit to residential, commercial, industrial and other lots and parcels resulting from the Improvements to be provided with the assessment proceeds. These categories of special benefit are supported by various California legislation and supporting studies which describe the types of special benefit received by property from Improvements such as those proposed by the City of Folsom Landscaping and Lighting Districts. These types of special benefit are summarized as follows:

- Proximity to improved landscaped areas within each District.
- Access to improved landscaped areas within each District.
- Improved Views within each District.
- Extension of a property's outdoor areas and green spaces for properties within close proximity to the Improvements.
- Creation of individual lots for residential and commercial use that, in absence of the District and the services provided by the District, would not have been created.

In this regard, the recent the SVTA v. SCCOSA decision provides enhanced clarity to the definitions of special benefits to properties in three distinct areas:

- Proximity
- Expanded or improved access
- Views

The SVTA v. SCCOSA decision also clarifies that a special benefit is a service or improvement that provides a direct advantage to a parcel, and that indirect or derivative advantages resulting from the overall public benefits from a service or improvement are general benefits. The SVTA v. SCCOSA decision also provides specific guidance that park improvements are a direct advantage and special benefit to property that is proximate to a park improved by an assessment:

The characterization of a benefit may depend on whether the parcel receives a direct advantage from the improvement (e.g. proximity to a park) or receives an indirect, derivative advantage resulting from the overall public benefits of the improvement (e.g. general enhancement of the district's property values).

Proximity, improved access and views, in addition to the other special benefits listed above further strengthen the basis of these assessments.

Benefit Factors

The special benefits from the Improvements are further detailed below:

Proximity to improved landscaped areas within the District

Only the specific properties within close proximity to the Improvements are included in each District. Therefore, property in the Districts enjoys unique and valuable proximity and access to the Improvements that the public at large and property outside the Districts do not share.

In absence of the assessments, the Improvements would not be provided and the landscaping areas in the Districts would be degraded due to insufficient funding for maintenance, upkeep and repair. Therefore, the assessments provide Improvements that are over and above what otherwise would be provided. Improvements that are over and above what otherwise would be provided do not by themselves translate into special benefits but when combined with the unique proximity and access enjoyed by parcels in the Districts, they provide a direct advantage and special benefit to property in the Districts.

Access to improved landscaped areas within the District

Since the parcels in each District are the only parcels that enjoy close access to the Improvements, they directly benefit from the unique close access to improved landscaping areas that are provided by the Assessments. This is a direct advantage and special benefit to property in that District.

Improved views within the District

The District, by maintaining these landscaped areas, provides improved views to properties in each District. The properties in a District enjoy close and unique proximity, access and views of the Improvements; therefore, the improved and protected views provided by the Assessments are another direct and tangible advantage that is uniquely conferred upon property in a District.

Extension of a property's outdoor areas and green spaces for properties within close proximity to the Improvements

In large part because it is generally cost prohibitive to provide large open land areas in development projects, the residential, commercial and other benefiting properties in each District do not have large outdoor areas and green spaces. The landscaped areas within each District provide additional outdoor areas that serve as an effective extension of the land area for properties that are in close proximity to the Improvements. The Improvements, therefore, provide an important, valuable and desirable extension of usable land area, which confers a direct advantage and special benefit to properties in close proximity to the Improvements.

Creation of individual lots for residential and commercial use that, in absence of the assessments, would not have been created

Typically, the original owner/developer of the property within the Districts can petition the City to establish the assessment districts. As parcels were sold, new owners were informed of the assessments through the title reports, and in some cases, through Department of Real Estate "White Paper" reports that the parcels were subject to assessment. Purchase of property was also an "agreement" to pay the assessment. In absence of the assessments, the lots within the Districts would probably not have been subdivided and created. These lots, and the improvements they support, are a special benefit to the property owners.

General versus Special Benefit

The assessments from the City of Folsom Landscaping and Lighting Districts are used to fund improvements and increased levels of maintenance to the grounds adjoining the properties in the Districts. In absence of those Districts, such Improvements would not be provided and the properties would not have been subdivided and improved to the same extent. The Districts were specifically proposed for formation to provide additional and improved improvements, and services in the Districts. In absence of the assessments, these public resources could not be created and revenues would not be available for their continued maintenance and improvement. Therefore, the assessments solely provide special benefit to property in the Districts over and above the general benefits conferred by the general facilities of the City.

Although these Improvements may be available to the general public at large because the Districts are accessible by members of the public, the Improvements within each District were specifically designed, located and created to provide additional and improved public resources for property inside the Districts, and not the public at large. Other properties that are either outside the Districts or within the Districts and not assessed, do not enjoy the unique proximity, access, views and other special benefit factors described previously. These Improvements are of special benefit to properties located within the Districts because they provide a direct advantage to properties in the Districts that would not be provided in absence of the assessments.

Although the analysis used to support these assessments concludes that the benefits are solely special, as described above, consideration is made for the suggestion that a portion of the benefits are general. General benefits cannot be funded by these assessments - the funding must come from other sources.

The maintenance and servicing of these improvements is also partially funded, directly and indirectly from other sources including City of Folsom, the County of Sacramento and the State of California. This funding comes in the form of grants, development fees, special programs, and general funds, as well as direct maintenance and servicing of facilities (e.g. curbs, gutters, streets, drainage systems, and other infrastructure maintenance items such as pond clean outs and street sweeping, etc.) This funding from other sources more than compensates for general benefits, if any, received by the properties within the districts.

In the 2009 Dahms case, the court upheld an assessment that was 100% special benefit on the rationale that the services funded by the assessments were directly provided within the assessment district over and above the services already provided by the City within the boundaries of the assessment district. It is also important to note that certain services funded by the assessments in Pomona are similar to the services funded by the Assessments described in this Engineer's Report and the Court found these services to be 100% special benefit. Similar to the assessments in Pomona, the Assessments described in this Engineer's Report fund improvements and services directly provided within the Assessment District to benefit properties within the assessment district and not to the public at large, and these properties enjoy close proximity and access to the Improvements. Therefore, Dahms establishes a basis for minimal or zero general benefits from the Assessments.

Step 1: Calculation of the General Benefit

The general benefits from this assessment may be quantified as illustrated in the following table.

Benefit Factor	Relative Weight	General Benefit Contribution	Relative General Benefit
Creation of parcels	90	0%	0
mproved views	5	10%	0.5
mproved nighttime visibility and safety from streetlights	5	20%	1
	100		1.5
	Total Calculate	d General Benefit =	1,5%

As a result, the City of Folsom will contribute at least 1.5% of the total budget from sources other than the assessment. The contribution offsets any general benefits from the Assessment Services.

Step 2: Calculation of Current General Benefit Contribution from City

The general benefit contribution is satisfied from the sum of the following components:

The City of Folsom owns, maintains, rehabilitates and replaces curb and gutter along the border of the Assessment Districts improvements. This curb and gutter serves to support, contain, retain, manage irrigation flow and growth, and provide a boundary for the improvements. The contribution from the City of Folsom toward general benefit from the maintenance, rehabilitation and replacement of the curb gutter is conservatively estimated to be 1%.

The City of Folsom owns and maintains storm drainage systems along the border of the Assessment Districts improvements. This system serves to prevent flooding and associated damage to the improvements, and manage urban runoff including local pollutants loading from the improvements. The contribution from the City of Folsom towards general benefit from the maintenance, and operation of the local storm drainage systems are conservatively estimated to be 1%.

The City of Folsom owns and maintains local public streets along the border of the Assessment District improvements. These public streets proved access to the improvements for its enjoyment as well as efficient maintenance. The contribution from the City of Folsom towards general benefit from the maintenance of local public streets is conservatively estimated to contribute 1%.

The Improvements were constructed by the original owner/developer(s) as a condition of development. The value of the construction of the improvements can be quantified and monetized as an annuity. Since this construction was performed and paid by non-assessment funds, this "annuity" can be used to offset general benefit costs, and is conservatively estimated to contribute 25%.

Therefore, the total General Benefit that is conservatively quantified at 1.5% is more than offset by the total non-assessment contribution towards general benefit of 28%.

Method of Assessment

The second step in apportioning assessments is to determine the relative special benefit for each property. This process involves determining the relative benefit received by each property in relation to a single family home, or, in other words, on the basis of Single Family Equivalents (SFE). This SFE methodology is commonly used to distribute assessments in proportion to estimated special benefit and is generally recognized as providing the basis for a fair and appropriate distribution of assessments. For the purposes of this Engineer's Report, all properties are designated a SFE value, which is each property's relative benefit in relation to a single family home on one parcel. In this case, the "benchmark" property is the single family detached dwelling which is one Single Family Equivalent or one SFE.

Assessment Apportionment

The improved properties within the Districts consist of primarily of single family, multi-family, commercial and non-assessed parcels, with the vast majority being single family. Since all single family residential parcels in the Districts are deemed to have good proximity to the improvements, such single family properties receive similar benefit from the proposed improvements and are assigned 1.0 SFE units. The benefits for other types of properties are further defined as follows.

General Case

Many of the City of Folsom Districts contain only single family residences and non-assessed properties such as parks and green spaces. These districts are:

American River Canyon North

There are 410.124 acres in American River Canyon North. There are 1006 residential lots and each one is assigned 1 benefit unit (SFE.) The 2.00 acres of currently undeveloped property is assigned 2.63 SFEs per acre from a rate determined at the time of formation of this district:

American River Canyon North properties are assessed per Assessment Table 2, below, as per the original formation documents:

Non Assessed (e.g. open space, park land etc.)	0.00

American River Canyon North No. 2

There are 130.805 acres in American River Canyon North No. 2. American River Canyon No. 2 lies completely within American River Canyon North. There are 161 residential lots and each one is assigned 1 benefit unit (SFE).

American River Canyon North No. 2 properties are assessed per Assessment Table 3, below, as per the original formation documents:

Assessment Table 3

Description	SFEs
Single Family Parcel	1.0000

American River Canyon North No 3

There are 410.124 acres in American River Canyon North. There are 1006 residential lots.

Each assessable parcel in the Assessment District receives a special and direct benefit from the improvements in the Assessment District. Since the Assessment District is comprised of residential single family improved properties and all properties have good proximity to the improvements, all assessable parcels within the Assessment District are estimated to benefit equally from the improvements associated with the Assessment District, and the costs associated with the improvements are apportioned equally to all parcels on the basis of current or proposed dwelling units. Each parcel is assigned SFE units relative to the number of current or proposed dwelling units on the parcel.

The procedure used to arrive at each parcel's annual levy amount is:

Balance to Levy / Total SFE Benefit Units in District = Assessment Amount Per Benefit Unit

There are three Zones of Benefit. In Zone A each parcel is assigned 1 benefit unit (SFE), in Zone B, each parcel is assigned 0.83 benefit unit (SFE) and Zone C each parcel is assigned 0.50 benefit unit (SFE.) Properties in Zone B and Zone C receive lower benefit units because they currently pay for common open space areas within their zone. In 2007, when the American River Canyon North District No. 3 was formed, an analysis of the associated landscaping improvements was performed to determine the relative benefit to each zone from this new assessment. It was estimated that Zone B receives 17% of the special benefit, and Zone C receives 50% of the special benefit. Therefore, the SFE units for Zone B and Zone C have been adjusted accordingly.

American River Canyon North properties are assessed per Assessment Table 4, below:

Description	SFEs
Zone A – Original ARCN Area	1.0000
Zone B – Canyon Falls Village Area	0.8300
Zone C – ARCN No. 2 Area	0.5000

Broadstone

According to the Broadstone Landscaping and Lighting "Method of Spread," there are 895.301 assessable acres in Broadstone. Of these, 416.1455 acres are divided into 1,682 single family residential lots (4.2 lots per acre average) and 479.156 acres are divided into multi-family and commercial lots. The multi-family parcels are APN 0721070002 through APN 0721070100 are known as Bentley Square West (99 units); and APN 0721610001 through APN 072161053 are known as Bentley Square East (53 units). [In addition to these properties listed in the "Method of Spread," other multi-family complexes are also assessed, including Vessona, Sherwood, Haildon.] Although these projects were designed as single family small lot divisions, the density is consistent with the multi-family land use designation. These projects are consistent with both the Multi-Family Low Density General Plan Land Use Designation (MLD) and the Multi-Family zoning (R-M_PD) of the project site. There are 1530 single family residential lots and each one is assigned 1 SFEs. There are 312.555 developed, non-single family acres and each is assigned 2.1 SFEs per acre [This is the rate applied to commercial properties, as implicitly indicated in the Method of Spread]. (4.2 units * 0.5). Unrecorded single family residential lots are assigned .65 SFEs.

There are 134.387undeveloped, non-single family residential acres and each one with be assigned 0.704 SFEs per acre. (4.2 units *.0.5 * 0.335). There are 152 lots with Bentley Square East and West and each is assigned .0962 SFEs per lot.

Broadstone properties are assessed per Assessment Table 5, below, as per the original formation documents:

Broadstone No. 3

There are 559.36 acres in Broadstone No. 3. Of these, 325 acres are single family residential lots (2.034 lots per acre average) and 11.48 acres are divided into multi-family residential and 26.93 acres are non-assessed for use as parks, open space, etc. There are 382 single family residential lots and each one is assigned 1 SFE. There are 28.09 developed, non-single family residential acres and each one is assigned 2.034 SFEs per acre. There are 283 undeveloped, single family lots and each one is assigned 0.326 SFEs. There are 171.71 undeveloped, non-single family residential acres and each one is assigned 0.326 x 2.034 SFEs.

Broadstone No. 4

Residential

Certain residential properties in the Assessment District that contain a single residential dwelling unit are assigned one Single Family Equivalent or 1.0 SFE. Detached or attached houses, zero-lot line houses and town homes are included in this category of single family residential property. If there is more than one single family detached dwelling on a parcel, it will be charged one SFE per single family detached dwelling.

Properties with more than one residential unit (other than parcels with more than one detached single family dwelling as described above) are designated as multi-family residential properties. These properties benefit from the Improvements in proportion to the number of dwelling units that occupy each property, the average number of people who reside in multi-family residential units versus the average number of people who reside in a single family home and the relative size of each type of residential dwelling unit. The population density factors for the area in Sacramento County encompassing the Assessment District, as depicted in the following table, provide the basis for determining the SFE factors for residential properties. Using the total population in a certain property type in the area from the 2010 Census and dividing it by the total number of such households, finds that approximately 2.91 persons occupy each single family residence, whereas an average of 2.12 persons occupy each condominium. The ratio of 2.91 people on average for a single family residence and 2.12 people per dwelling unit in a condominium unit results in a population density equivalent of 0.73 for condominiums. Next, the relative building areas are factored into the analysis because special benefits are related to the average size of a property, in addition to average population densities. For a condominium, this calculation results in an SFE factor of 0.40 per dwelling unit. A similar calculation is used for the SFE Rates for other residential property types.

Commercial

SFE values for commercial and industrial land uses are based on the equivalence of special benefit on a land area basis between single family residential property and the average commercial/industrial property. The SFE values for various commercial and industrial land uses are further defined by using average employee densities because the special benefit factors described previously can be measured by the average number of people who work at commercial/industrial properties.

In order to determine employee density factors, the findings from the San Diego Association of Governments Traffic Generators Study (the "SANDAG Study") are used because these findings were approved by the State Legislature as being a good representation of the average number of employees per acre of land area for commercial and industrial properties. As determined by the SANDAG Study, the average number of employees per acre for commercial and industrial property is 24.

In comparison, the average number of people residing in a single family home in the area is 2.91. Since the average lot size for a single family home in the Assessment District is approximately 0.20 acres, the average number of residents per acre of residential property is 14.55.

The employee density per acre is generally 1.65 times the population density of single family residential property per acre (24 employees per acre / 14.55 residents per acre). Therefore, the average employee density can be used as the basis for allocating benefit to commercial or industrial property since a commercial/industrial property with 4.8 employees receives generally similar special benefit to a residential property with 1 resident. This factor of equivalence of benefit between 1 resident to 4.8 employees is the basis for allocating commercial/industrial benefit. Table 2 below shows the average employees per acre of land area or portion thereof for commercial and industrial properties and lists the relative SFE factors per quarter acre for properties in each land use category.

Commercial and industrial properties in excess of 5 acres generally involve uses that are more land intensive relative to building areas and number of employees (lower coverage ratios). As a result, the benefit factors for commercial and industrial property land area in excess of 5 acres is determined to be the SFE rate per quarter acre for the first 5 acres and the relevant SFE rate per each additional acre over 5 acres.

Institutional properties that are used for residential, commercial or industrial purposes are also assessed at the appropriate residential, commercial or industrial rate.

Vacant

The benefit to vacant properties is determined to be proportional to the corresponding benefits for similar type developed properties; however, at a lower rate due to the lack of improvements on the property. A measure of the benefits accruing to the underlying land is the average value of land in relation to Improvements for developed property. The SFE factor for vacant/undeveloped parcels is 0.25 per parcel.

The benefit to undeveloped properties is determined to be proportional to the corresponding benefits for similar type developed properties, but at a lower rate due to the lack of improvements on the property. A measure of the benefits accruing to the underlying land is the average value of land in relation to Improvements for developed property. An analysis of the assessed valuation data from the County of Sacramento found that approximately 25% of the assessed value of improved properties is classified as the land value. It is reasonable to assume, therefore, that approximately 25% of the benefits are related to the underlying land and 75% are related to the improvements and the day-to-day use of the property. Using this ratio, the SFE factor for vacant/undeveloped parcels is 0.25 per parcel.

Other Properties

Article XIIID stipulates that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment.

All properties that are specially benefited are assessed. Other publicly owned property that is used for purposes similar to private residential, commercial, industrial or institutional uses is benefited and assessed at the same rate as such privately owned property.

Miscellaneous, public right-of-way parcels, well, reservoir or other water rights parcels, limited access open space parcels, watershed parcels and common area parcels typically do not generate employees, residents, customers or guests. Moreover, many of these parcels have limited economic value and, therefore, do not benefit from specific enhancement of property value. Such parcels are, therefore, not specially benefited and are not assessed.

In 2015, when the Broadstone No. 4 was formed, an analysis was performed of the associated lighting and landscaping improvements to determine the relative benefit to each zone from this new assessment. As a result, four Zones of Benefit were created within Broadstone No. 4. Parcels in Zone B are determined to receive 95.25% of the level of special benefit of those within Zone A, parcels in Zone C are determined to receive 93.87% of the level of special benefit of those within Zone A, and parcels in Zone D are determined to receive 92.23% of the level of special benefit of those within Zone A.

Prospect Ridge

The assessments provide comprehensive Improvements that will clearly confer special benefits to properties in the Assessment District. The allocation of special benefits to property is partially based on the type of property and the size of property. These benefits can also partially be measured by the occupants on property in the Assessment District because such parcel population density is a measure of the relative benefit a parcel receives from the Improvements. It should be noted that many other types of "traditional" assessments also use parcel population densities to apportion the assessments. For example, the assessments for sewer systems, roads and water systems are typically allocated based on the population density of the parcels assessed. Therefore, the apportionment of benefit is reasonably based the type of parcel, the size of parcels ad the population density of parcels.

The primary step in apportioning assessments is to determine the relative special benefit for each property. This process involves determining the relative benefit received by each property in relation to a single family home, or, in other words, on the basis of Single Family Equivalents (SFE). This SFE methodology is commonly used to distribute assessments in proportion to estimated special benefit and is generally recognized as providing the basis for a fair and appropriate distribution of assessments. For the purposes of this Engineer's Report, all properties are designated a SFE value, which is each property's relative benefit in relation to a single family home on one parcel. In this case, the "benchmark" property is the single family detached dwelling which is one Single Family Equivalent or one SFE.

In the process of determining the appropriate method of assessment, the Engineer considered various alternatives. For example, an assessment only for all residential improved property was considered but was determined to be inappropriate because commercial, industrial and other properties also receive direct benefits from the Improvements.

Moreover, a fixed or flat assessment for all properties of similar type was deemed to be inappropriate because larger properties receive a higher degree of benefit than other similarly used properties that are significantly smaller. (For two properties used for commercial purposes, there is clearly a higher benefit provided to the larger property in comparison to a smaller commercial property because the larger property generally supports a larger building and has higher numbers of employees, customers and guests that would benefit from proximity and improved access to well maintained and improved landscaped areas. So the potential population of employees or residents is a measure of the special benefits received by the property.) Larger parcels, therefore, receive an increased benefit from the assessments.

Finally, the special benefits to be derived from the proposed assessments will be conferred on property and are not based on a specific property owner's use of the improvements, or a specific property owner's occupancy of property or the property owner's demographic status such as age or number of dependents. However, it is ultimately people who value the special benefits described above and use and enjoy the Assessment District's landscaped areas. In other words, the benefits derived to property are related to the average number of people who could potentially live on, work at, or otherwise could use a property, not how the property is currently used by the present owner. Therefore, the number of people who could or potentially live on, work at or otherwise use a property is one indicator of the relative level of benefit received by a property.

In conclusion, the Assessment Engineer determined that the appropriate method of assessment apportionment should be based on the type and use of property, the relative size of the property, its relative population and usage potential and its proximity to landscaped areas. This method is further described below.

Vacant Properties

The benefit to vacant properties is determined to be proportional to the corresponding benefits for similar type developed properties; however, at a lower rate due to the lack of improvements on the property. A measure of the benefits accruing to the underlying land is the average value of land in relation to Improvements for developed property. The SFE factor for vacant/undeveloped parcels is 0.25 per parcel.

The benefit to undeveloped properties is determined to be proportional to the corresponding benefits for similar type developed properties, but at a lower rate due to the lack of improvements on the property. A measure of the benefits accruing to the underlying land is the average value of land in relation to Improvements for developed property. An analysis of the assessed valuation data from the County of Sacramento found that approximately 25% of the assessed value of improved properties is classified as the land value. It is reasonable to assume, therefore, that approximately 25% of the benefits are related to the underlying land and 75% are related to the improvements and the day-to-day use of the property. Using this ratio, the SFE factor for vacant/undeveloped parcels is 0.25 per parcel.

Other Properties

Article XIIID stipulates that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment.

All properties that are specially benefited are assessed. Other publicly owned property that is used for purposes similar to private residential, commercial, industrial or institutional uses is benefited and assessed at the same rate as such privately owned property.

Moreover, many of these parcels have limited economic value and, therefore, do not benefit from specific enhancement of property value. Such parcels are, therefore, not specially benefited and are not assessed.

Prairie Oaks Ranch

There are 856 residential lots and each one is assigned 1 benefit unit (SFE). There is one multifamily parcel and it is being assessed 57 SFEs. There is one proposed school site and it is being assessed 5.62 SFEs, or the cost of maintaining its' frontage.

Prairie Oaks Ranch properties are assessed per Assessment Table 13, below, as per the original formation documents:

Prairie Oaks Ranch No. 2

The proposed assessments will provide additional maintenance and servicing of existing improvements that will clearly confer special benefits to properties in the Assessment District. The allocation of special benefits to property is partially based on the type of property and the size of property. These benefits can also partially be measured by the occupants on property in the Assessment District because such parcel population density is a measure of the relative benefit a parcel receives from the improvements. It should be noted that many other types of "traditional" assessments also use parcel population densities to apportion the assessments. For example, the assessments for sewer systems, roads and water systems are typically allocated based on the population density of the parcels assessed. Therefore, the apportionment of benefit is reasonably based the type of parcel, the size of parcels and the population density of parcels.

The primary step in apportioning assessments is to determine the relative special benefit for each property. This process involves determining the relative benefit received by each property in relation to a single-family home, or, in other words, on the basis of Single Family Equivalents (SFE). This SFE methodology is commonly used to distribute assessments in proportion to estimated special benefit and is generally recognized as providing the basis for a fair and appropriate distribution of assessments. For the purposes of this Engineer's Report, all properties are designated an SFE value, which is each property's relative benefit in relation to a single-family home on one parcel. In this case, the "benchmark" property is the single-family detached dwelling which is one Single Family Equivalent or one SFE that currently total to 899.4.

Moreover, a fixed or flat assessment for all commercial properties of similar type was deemed to be inappropriate because larger commercial properties receive a higher degree of benefit than other similarly used properties that are significantly smaller. (For two properties used for commercial purposes, there is clearly a higher benefit provided to the larger property in comparison to a smaller commercial property because the larger property generally supports a larger building and has higher numbers of employees, customers and guests that would benefit from proximity and improved access to well maintained and improved landscaped areas. So the potential population of employees or residents is a measure of the special benefits received by the property.) Larger parcels, therefore, receive an increased benefit from the assessments.

Finally, the special benefits to be derived from the proposed assessments will be conferred on property and are not based on a specific property owner's use of the improvements, or a specific property owner's occupancy of property or the property owner's demographic status such as age or number of dependents. However, it is ultimately people who value the special benefits described above and use and enjoy the Assessment District's landscaped areas. In other words, the benefits derived to property are related to the average number of people who could potentially live on, work at, or otherwise could use a property, not how the property is currently used by the present owner. Therefore, the number of people who could or potentially live on, work at or otherwise use a property is one indicator of the relative level of benefit received by a property.

In conclusion, the Assessment Engineer determined that the appropriate method of assessment apportionment should be based on the type and use of property, the relative size of the property, its relative population and usage potential and its proximity to landscaped areas. This method is further described on the next page.

Vacant Properties

The benefit to undeveloped properties is determined to be proportional to the corresponding benefits for similar type developed properties, but at a lower rate due to the lack of improvements on the property. A measure of the benefits accruing to the underlying land is the average value of land in relation to improvements for developed property. An analysis of the assessed valuation data from the County of Sacramento found that approximately 25% of the assessed value of improved properties is classified as the land value. It is reasonable to assume, therefore, that approximately 25% of the benefits are related to the underlying land and 75% are related to the improvements and the day-to-day use of the property. Using this ratio, the SFE factor for vacant/undeveloped parcels is 0.25 per parcel.

Willow Creek Estates East No. 2

Zones of Benefit

As part of the engineering work for this assessment, an analysis was conducted on the relationship (including proximity, level of service, etc.), between properties and the primary improvements located throughout the Assessment District. Parcels in Zone A (on Garrett Drive, Ferrera Drive and Whitmer Drive) receive direct special benefit from the proximate landscaping and trees adjacent to the properties as well as less proximate streetlighting. Parcels in Zone B receive direct special benefit from the proximate streetlighting as well as landscaping particularly along the street entrances into the neighborhood. Zone C receive direct special benefit from the proximate streetlighting but lees benefit from the landscaping because they are less proximate to the landscaped areas.

Thus, three zones (A, B, and C) were created as shown on the assessment diagram. Parcels in Zone A are determined to receive same level of the level of special benefit of those within Zone B and parcels in Zone C are determined to receive 92.08% of the level of special benefit of those within Zone A and Zone B.

The SVTA decision indicates:

In a well-drawn district — limited to only parcels receiving special benefits from the improvement — every parcel within that district receives a shared special benefit. Under section 2, subdivision (i), these benefits can be construed as being general benefits since they are not "particular and distinct" and are not "over and above" the benefits received by other properties "located in the district."

We do not believe that the voters intended to invalidate an assessment district that is narrowly drawn to include only properties directly benefiting from an improvement. Indeed, the ballot materials reflect otherwise. Thus, if an assessment district is narrowly drawn, the fact that a benefit is conferred throughout the district does not make it general rather than special. In that circumstance, the characterization of a benefit may depend on whether the parcel receives a direct advantage from the improvement (e.g., proximity to park) or receives an indirect, derivative advantage resulting from the overall public benefits of the improvement (e.g., general enhancement of the district's property values).

In the Assessment District, the advantage that each parcel receives from the Improvements is direct, and the boundaries are narrowly drawn to include only parcels that benefit from the assessment. Therefore, the even spread of assessment throughout each narrowly drawn Zone of Benefit is indeed consistent with the SVTA decision and satisfies the "direct relationship to the "locality of the improvement" standard.

Vacant Properties

The benefit to vacant properties is determined to be proportional to the corresponding benefits for similar type developed properties; however, at a lower rate due to the lack of improvements on the property. A measure of the benefits accruing to the underlying land is the average value of land in relation to Improvements for developed property. The SFE factor for vacant/undeveloped parcels is 0.25 per parcel.

Other Properties

Article XIIID stipulates that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment.

All properties that are specially benefited are assessed. Other publicly owned property that is used for purposes similar to private residential, commercial, industrial or institutional uses is benefited and assessed at the same rate as such privately owned property.

Miscellaneous, public right-of-way parcels, well, reservoir or other water rights parcels, limited access open space parcels, watershed parcels and common area parcels typically do not generate employees, residents, customers or guests. Moreover, many of these parcels have limited economic value and, therefore, do not benefit from specific enhancement of property value. Such parcels are, therefore, not specially benefited and are not assessed.

Willow Creek Estates South

There are 1102 residential lots in Village 1, 2, 3 (lots 41-93 and 155-165), 4-7 and 9A and each one is assigned 1 benefit unit (SFE.) Appendix A -- Budgets

The attached budgets for Fiscal Year 2022-23 are included for each of the Districts.

Category Descriptions

Fund Balance Calculation:

This calculation determines funds available in a district. This calculation includes the included funds remaining after being allocated to the estimated reserve.

Estimated Reserves

Estimated Reserve to finance approximately 6 months of the following year: This is approximately 45% of the operating and incidental costs of a Landscaping and Lighting District to fund the operations until collected revenue is received from the County.

Short-Term Installments

Funds listed here are monies collected in prior years and set aside for future proposed improvements projected to be completed within the next five years.

Long-Term Installments

Funds listed here are monies collected in prior years and set aside for future proposed improvements projected to be completed within five to thirty years.

Improvement Costs

General Maintenance Costs

- Scheduled: monthly landscape maintenance and service
- Unscheduled: unscheduled but potential costs for repairs (i.e. broken sprinklers and irrigation systems), replacements (i.e. remove and replace dead tree or irrigation controller), and other services (i.e. repair fence post or treat for a specific pest) not included in monthly maintenance and service costs
- Streetlights: repair and replace bulbs and ballasts in streetlights

Service Costs

- Electrical: electric costs for streetlight maintenance and power to irrigation controllers
- Water: water costs to irrigate landscaping

Current Year Improvement Projects

Funded improvements planned to occur in the upcoming fiscal year

Incidental Costs

- Professional Services: consultant cost for Engineer's Report and Improvement Plan
- Contract Services: other contracts or professional services such as backflow testing (yearly tests), vector control, graffiti removal, and streetlight pole replacement
- Publications/Mailings/Communications: yearly notices in public hearings, mailings to
 Advisory Committee Members, and telephone expenses
- Staff: Landscaping and Lighting District Manager and/or inspector, clerical support, and/or other city staff.
- Overhead: General overhead (Landscaping and Lighting Districts' share of general overhead categories such as City Clerk, City Attorney, City Manager, etc.) and Department overhead (Landscaping and Lighting Districts' share of department overhead categories such as City Attorney, City Clerk and Finance Dept. Costs).
- County Auditor Fee: Per Parcel Fee charged by County to put levy on tax bills

Total Improvement Costs

This is the total of all improvement costs budgeted for the upcoming year. This cost includes current improvements that are funded by fund balance monies. Fund balance monies are monies that have been collected in prior years in anticipation of being used for specific improvements and/or intended for replacement or improvement of capital items within a district.

Assessment to Property (Current)

This calculation takes the number of single-family equivalent benefit units and multiplies it by the amount that each property within a district is will be assessed for the upcoming year. This is the total assessment amount that will be generated by the properties within the District.

District Balance

The purpose of this calculation is to describe all costs expected to occur in the upcoming year, any installments being collected as part of the upcoming year's assessment and contributions from other sources. The outcome of the calculation is the total assessment for the district. A surplus would be applied and/or credited to the upcoming year's assessment. If there are insufficient funds in the fund balance to cover the 6-month reserve, or the current and/or proposed improvements, then a deficit would exist. A deficit generally indicates that an increase in assessment may be necessary (requiring voter approval with a simple majority), however there may be a one-time reason for the deficit and an increase may not be necessary. Deficit situations are reviewed and analyzed on a case-by-case basis.

Net Assessment Calculation

This calculation determines the net assessment after the surplus or deficit is factored into the calculation. If a deficit exists, the net assessment will indicate that the assessment for the district might be too low. If a surplus exists, the net assessment will indicate that the assessment for the district might be too high. Any increased adjustments require voter approval (simple majority).

Allocated Net Assessment to Property

This calculation takes the net assessment for the district that was calculated above (i.e. factoring in a surplus or deficit) and divides it by the number of single-family equivalent benefit units. The outcome of the calculation is the total allocated net assessment per single-family equivalent benefit unit. This calculation is generally the same as the allocated assessment however if there is a deficit it will indicate the revised amount that would be required to eliminate the deficit. Conversely if there is a surplus the calculation would show the amount that the assessment could be reduced by and still cover the anticipated costs for current and future years.

Comparison of Net Assessment and Assessment

Shows a comparison of the net assessment and the current assessment and indicates a per parcel deficit or surplus.

BACKGROUND / ISSUE

Community Facilities District No. 23 (Folsom Ranch) (CFD No. 23) is a community facilities district organized by the City Council under the Mello-Roos Act for the purpose of providing for the construction and acquisition of certain public improvements and the financing of certain services to serve property within CFD No. 23. The City established CFD No. 23 on May 26, 2020 and designated six separate improvement areas at that time, including Improvement Area No. 3. In December 2021, a seventh improvement area was designated within CFD No. 23 and change proceedings for Improvement Area No. 3 amended the boundaries and Rate and Method of Apportionment for Improvement Area No. 3. Improvement Area No. 3 consists of a gross area of approximately 272 acres and is located wholly within the City of Folsom, west of East Bidwell Street, north of Mangini Parkway and south of U.S. Highway 50.

Development within Improvement Area No. 3 is planned to include 751 single-family/single-family high density units and 168 multi-family low density units, for a total of 919 units. Property within Improvement Area No. 3 is in varying stages of development, including partially-improved lots, improved lots, homes under construction and completed homes. Improvement Area No. 3 is expected to include five separate product lines of homes, ranging from typical lot sizes of 3,440 square feet to 6,175 square feet, with three separate floor plans for each product line. All of the units within Improvement Area No. 3 are expected to be constructed as age-restricted (55+) residential homes.

The cost to construct all the facilities necessary to service property within Improvement Area No. 3 is estimated at approximately \$173,193,653 and is comprised of backbone infrastructure, soft costs and subdivision infrastructure. Backbone facilities infrastructure improvements for Improvement Area No. 3 are expected to include transportation improvements, water system improvements, recycled water system improvements, drainage system improvements, wastewater system improvements, and park, parkway and open space improvements. Subdivision infrastructure improvements for development of Improvement Area No. 3 includes, among other things, intract infrastructure such as underground utilities, subdivision roadways, street lighting, soundwalls and landscaping improvements. The table below summarizes the budgeted construction costs for development within Improvement Area No. 3.

POLICY / RULE

Resolution No. 9282 – A Resolution of the City Council of the City of Folsom Approving Goals and Policies for Community Facilities Districts

Chapter 3.110, "Community Facilities Financing", of the Folsom Municipal Code

Mello-Roos Community Facilities Act of 1982

Marks-Roos Local Bond Pooling Act of 1985

ANALYSIS

The Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Revenue Bonds, Series 2022 (Series 2022 Revenue Bonds) are being issued by the Folsom Ranch Financing Authority (FRFA) in a not to exceed amount of \$12,000,000 to finance the purchase of the limited obligation special tax bonds (Local Obligations), issued by CFD No. 23 (Folsom Ranch). The purchase price of the Local Obligations will be used to finance the acquisition and construction of certain public facilities, fund a debt service reserve account, fund capitalized interest to September 1, 2022, and pay certain costs of issuance of the Local Obligations and Series 2022 Revenue Bonds.

A special tax will be levied and collected annually to service the Local Obligations. Every year, CFD No. 23 shall determine the annual special tax requirement relating to Improvement Area No. 3. The annual special tax requirement is that amount of special tax revenue required in any fiscal year for Improvement Area No. 3 to:

- Pay administrative expenses
- Pay annual debt service on all outstanding bonds for Improvement Area No. 3
- Pay other periodic costs on outstanding bonds, including credit enhancement or rebate payments, if applicable
- Pay any amounts required to replenish the reserve fund
- Pay for reasonably anticipated delinquent special taxes
- Fund Improvement Area No. 3 PAYGO costs
- Pay for authorized services
- Pay other associated costs as listed in the Amended Rate and Method of Apportionment

The special tax shall be levied each fiscal year proportionately on each Sacramento County assessor's parcel of taxable property within Improvement Area No. 3 at a rate up to 100% of the applicable maximum special tax to satisfy the annual special tax requirement. As of the most current appraisal, the appraised value for the property within Improvement Area No. 3 is \$110,464,000 and the value-to-lien ratio is 8.2:1, which is in compliance with the City's CFD policy. The total projected residential property tax level for both developed single-family/single-family high-density property and developed multi-family low-density property within Improvement Area No. 3 is approximately 1.68% and approximately 1.65%, respectively, and shall not exceed 2.0% of the estimated sales price of the respective homes to be constructed in Improvement Area No. 3.

Upon the conclusion of the noticed public hearing, and by adopting the proposed City Council Resolution, the City Council is taking the following actions in connection with the Local Obligations:

- 1. Determining that there are significant public benefits to the City from the proposed financing and approving the Series 2022 Revenue Bonds

SECTION 2.02. <u>Form of Authority Bonds</u>. The Authority Bonds and the forms of the certificate of authentication, the assignment and the DTC endorsement to appear thereon shall be substantially as set forth in Exhibit A hereto, with such variations, insertions or omissions as are appropriate and not inconsistent herewith.

SECTION 2.03. <u>Authority Bonds Mutilated, Destroyed, Stolen or Lost</u>. In the event any Authority Bond is mutilated, lost, stolen or destroyed, the Authority may execute and, upon its request in writing, the Trustee shall authenticate and deliver a substitute Authority Bond of the same principal amount and maturity as the mutilated, lost, stolen or destroyed Authority Bond in exchange and substitution for such mutilated Authority Bond, or in lieu of and substitution for such lost, stolen or destroyed Authority Bond.

Application for exchange and substitution of mutilated, lost, stolen or destroyed Authority Bonds shall be made to the Trustee at its Corporate Trust Office. In every case the

applicant for a substitute Authority Bond shall furnish to the Trustee indemnification to its satisfaction, and in every case of loss, theft or destruction of an Authority Bond, the applicant shall also furnish to the Authority and the Trustee evidence to their satisfaction of such loss, theft or destruction and of the identity of the applicant, and in every case of mutilation of an Authority Bond, the applicant shall surrender the mutilated Authority Bond to the Trustee.

Notwithstanding the foregoing provisions of this Section, in the event any such Authority Bond shall have matured, and no default has occurred which is then continuing in the payment of the interest on or principal of or redemption premiums, if any, on the Authority Bonds, the Trustee shall, upon written direction from the Authority, pay the same (without surrender thereof except in the case of a mutilated Authority Bond) instead of issuing a substitute Authority Bond so long as indemnification is furnished as above provided.

Upon the issuance of any substitute Authority Bond, the Trustee may charge the Owner of such Authority Bond for its reasonable fees and expenses in connection therewith. Every substitute Authority Bond issued pursuant to the provisions of this Section by virtue of the fact that any Authority Bond is lost, stolen or destroyed shall constitute an original additional contractual obligation of the Authority, whether or not the lost, stolen or destroyed Authority Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits hereof equally and proportionally with any and all other Authority Bonds duly issued hereunder to the same extent as the Authority Bonds in substitution for which such substitute Authority Bonds were issued.

SECTION 2.04. <u>Execution of Authority Bonds</u>. All Authority Bonds shall, from time to time, be executed on behalf of the Authority by the manual or facsimile signature of the Treasurer and attested by the manual or facsimile signature of the Secretary.

If any of the officers who shall have signed any Authority Bond shall cease to be such officer of the Authority before the Authority Bond so signed shall have been actually authenticated by the Trustee or delivered, such Authority Bond nevertheless may be authenticated, issued and delivered with the same force and effect as though the person or persons who signed such Authority Bond had not ceased to be such officer of the Authority, and any such Authority Bond may be signed on behalf of the Authority by those persons who, at the actual date of the execution of such Authority Bond, shall be the proper officers of the Authority, although on the date of such Authority Bond any such person shall not have been such officer of the Authority.

SECTION 2.05. Transfer and Registration of Authority Bonds. The Authority Bonds shall be transferred or exchanged and title thereto shall pass only in the manner provided herein, and the Trustee shall keep books constituting the Bond Register for the registration and transfer of the Authority Bonds as provided herein. All Authority Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the Owner or by his or her attorney duly authorized in writing, and all such Authority Bonds shall be surrendered to the Trustee and canceled by the Trustee pursuant to Section 2.08. The Authority and the Trustee shall be entitled to conclusively treat the Owner as the absolute owner of such Authority Bond for the purpose of receiving any payment of the interest on or principal of or redemption premium, if any, on such Authority Bond and for all other purposes hereof, whether

such Authority Bond shall be overdue or not, and neither the Authority nor the Trustee shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Authority Bond to the extent of the sum or sums so paid.

SECTION 2.06. Regulations with Respect to Exchange or Transfer of Authority Bonds.

In all cases in which the privilege of exchanging or registering the transfer of Authority Bonds is exercised, the Authority shall execute and the Trustee shall authenticate and deliver Authority Bonds in accordance with the provisions hereof. There shall be no charge to the Owner for any such exchange or registration of transfer of Authority Bonds, but the Authority may require the payment of a sum sufficient to pay any tax or other governmental charge required to be paid with respect to any such exchange or registration of transfer. Neither the Authority nor the Trustee shall be required to register the transfer or exchange of any Authority Bond during the period established by the Trustee for selection of Authority Bonds for redemption or to register the transfer or exchange of any Authority Bond selected for redemption.

Upon surrender for exchange or transfer of any Authority Bond at the Corporate Trust Office of the Trustee, the Authority shall execute and the Trustee shall authenticate and deliver in the name of the Owner (in the case of transfers) a new Authority Bond or Authority Bonds, of Authorized Denominations, in the aggregate principal amount which the registered Owner is entitled to receive.

All new Authority Bonds delivered upon any transfer or exchange shall be valid obligations of the Authority, evidencing the same debt as the Authority Bonds surrendered, shall be secured hereby and shall be entitled to all of the security and benefits hereof to the same extent as the Authority Bonds surrendered.

SECTION 2.07. <u>Authentication of Authority Bonds</u>. No Authority Bond shall be secured hereby or entitled to the benefits hereof or shall be valid or obligatory for any purpose unless there shall be endorsed on such Authority Bond the Trustee's certificate of authentication, substantially in the form prescribed herein, executed by the manual signature of a duly authorized signatory of the Trustee; and such certificate on any Authority Bond issued by the Authority hereunder shall be conclusive evidence and the only competent evidence that such Authority Bond has been duly authenticated and delivered hereunder.

SECTION 2.08. <u>Cancellation of Authority Bonds</u>. Upon the surrender to the Trustee of any mutilated Authority Bond, or any Authority Bond surrendered for transfer or exchange, or any Authority Bond redeemed or paid at maturity, the same shall forthwith be canceled and the Trustee shall destroy such Authority Bonds and the Trustee shall deliver a certificate of destruction with respect thereto to the Authority.

SECTION 2.09. <u>Authority Bonds as Special Obligations</u>. The Authority Bonds are special, limited obligations of the Authority, payable from the Trust Estate and secured as to the payment of the interest on and principal of and redemption premiums, if any, thereon in accordance with their terms and the terms hereof, solely by the Trust Estate. The Authority Bonds do not constitute a charge against the general credit of the Authority or any of its members, and under no

circumstances shall the Authority be obligated to pay the interest on or principal of or redemption premiums, if any, on the Authority Bonds except from the Trust Estate. None of the Community Facilities District, the City, the State, any public agency (other than the Authority) or any member of the Community Facilities District or the Authority is obligated to pay the interest on or principal of or redemption premiums, if any, on the Authority Bonds, and neither the faith and credit nor the taxing power of the Community Facilities District, the City, the State or any public agency thereof or any member of the Authority or the Community Facilities District is pledged to the payment of the interest on or principal of or redemption premiums, if any, on the Authority Bonds does not constitute a debt, liability or obligation of the Community Facilities District, the City, the State or any public agency (other than the Authority) or any member of the Authority.

No agreement or covenant contained in any Authority Bond or herein shall be deemed to be an agreement or covenant of any officer, member, agent or employee of the Authority in his or her individual capacity, and neither the members of the Authority nor any officer or employee thereof executing the Authority Bonds shall be liable personally on any Authority Bond or be subject to any personal liability or accountability by reason of the issuance of the Authority Bonds.

SECTION 2.10. Special Covenants as to Book-Entry Only System for Authority Bonds.

- (a) Except as otherwise provided in subsections (b) and (c) of this Section, all of the Authority Bonds initially issued shall be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), or such other nominee as DTC shall request pursuant to the Letter of Representation. Payment of the interest on any Authority Bond registered in the name of Cede & Co. shall be made on each Interest Payment Date for such Authority Bonds to the account, in the manner and at the address indicated in or pursuant to the Letter of Representation.
- The Authority Bonds initially shall be issued in the form of a single authenticated fully registered Authority Bond for each stated maturity of such Authority Bonds, representing the aggregate principal amount of the Authority Bonds of such maturity. Upon initial issuance, the ownership of all such Authority Bonds shall be registered in the registration records maintained by the Trustee pursuant to Section 2.05 in the name of Cede & Co., as nominee of DTC, or such other nominee as DTC shall request pursuant to the Letter of Representation. The Trustee and any paying agent may conclusively treat DTC (or its nominee) as the sole and exclusive owner of the Authority Bonds registered in its name for the purposes of payment of the principal or redemption price of and interest on such Authority Bonds, selecting the Authority Bonds or portions thereof to be redeemed, giving any notice permitted or required to be given to Owners hereunder, registering the transfer of Authority Bonds, obtaining any consent or other action to be taken by Owners of the Authority Bonds and for all other purposes whatsoever; and neither the Trustee nor the Trustee or any paying agent shall be affected by any notice to the contrary. Neither the Trustee nor any paying agent shall have any responsibility or obligation to any Participant (which shall mean, for purposes of this Section, securities brokers and dealers, banks, trust companies, clearing corporations and other entities, some of whom directly or indirectly own DTC), any person claiming a beneficial ownership interest in the Authority Bonds under or through DTC or any

Participant, or any other person which is not shown on the registration records as being an Owner, with respect to (i) the accuracy of any records maintained by DTC or any Participant, (ii) the payment by DTC or any Participant of any amount in respect of the principal or redemption price of or interest on the Authority Bonds, (iii) any notice which is permitted or required to be given to Owners of Authority Bonds hereunder, (iv) the selection by DTC or any Participant of any person to receive payment in the event of a partial redemption of the Authority Bonds, or (v) any consent given or other action taken by DTC as Owner of Authority Bonds. The Trustee shall pay all principal of and premium, if any, and interest on the Authority Bonds only at the times, to the accounts, at the addresses and otherwise in accordance with the Letter of Representation, and all such payments shall be valid and effective to satisfy fully and discharge the Trustee's obligations with respect to the principal of and premium, if any, and interest on the Authority Bonds to the extent of the sum or sums so paid. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of its then existing nominee, the Authority Bonds will be transferable to such new nominee in accordance with subsection (e) of this Section.

- (c) In the event that the Authority determines that the beneficial owners of the Authority Bonds shall be able to obtain Authority Bond certificates, the Trustee shall, upon the written instruction from the Authority, so notify DTC, whereupon DTC shall notify the Participants of the availability through DTC of Authority Bond certificates. In such event, the Authority Bonds will be transferable in accordance with subsection (e) of this Section. DTC may determine to discontinue providing its services with respect to the Authority Bonds at any time by giving written notice of such discontinuance to the Trustee and discharging its responsibilities with respect thereto under applicable law. In such event, the Authority Bonds will be transferable in accordance with subsection (e) of this Section. Whenever DTC requests the Trustee to do so, the Trustee will cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of all certificates evidencing the Authority Bonds then Outstanding. In such event, the Authority Bonds will be transferable to such securities depository in accordance with subsection (e) of this Section, and thereafter, all references in this Trust Agreement to DTC or its nominee shall be deemed to refer to such successor securities depository and its nominee, as appropriate.
- (d) Notwithstanding any other provision of this Trust Agreement to the contrary, so long as all Authority Bonds Outstanding are registered in the name of any nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on each such Authority Bond and all notices with respect to each such Authority Bond shall be made and given, respectively, to DTC as provided in the Letter of Representation.
- (e) In the event that any transfer or exchange of Authority Bonds is authorized under subsection (b) or (c) of this Section, such transfer or exchange shall be accomplished upon receipt by the Trustee from the registered owner thereof of the Authority Bonds to be transferred or exchanged and appropriate instruments of transfer to the permitted transferee, all in accordance with the applicable provisions of Sections 2.05 and 2.06. In the event Authority Bond certificates are issued to Owners other than Cede & Co., its successor as nominee for DTC as Owner of all the Authority Bonds, another securities depository as Owner of all the Authority Bonds, or the nominee of such successor securities depository, the provisions of Sections 2.05 and 2.06 shall

also apply to, among other things, the registration, exchange and transfer of the Authority Bonds and the method of payment of principal of, premium, if any, and interest on the Authority Bonds.

SECTION 2.11. <u>CUSIP Numbers</u>. The Authority in issuing the Authority Bonds may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Owners; provided that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Authority Bond, notice or elsewhere, and, provided further that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Authority Bonds or as contained in any notice of redemption and that reliance may be placed only on the other identification numbers printed on the securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Authority shall promptly notify the Trustee in writing of any change in CUSIP numbers.

ARTICLE III

In no event shall Authority Bonds be redeemed if upon such redemption the principal amount of the Local Obligations remaining outstanding will be less than the total principal amount of Outstanding Authority Bonds. Such Written Order of the Authority may specify that optional redemption of the Authority Bonds will be conditioned upon receipt of funds or other events.

Any notice of optional redemption hereunder may be rescinded by written notice given by the Authority to the Trustee no later than three (3) Business Days prior to the date specified for redemption, instructing the Trustee to send such notice of rescission. which Investment Securities are to be invested in, and all investment earnings with respect thereto shall be deposited in the Rebate Fund.

Upon receipt of the Rebate Instructions required by the Tax Certificate to be delivered to the Trustee, the Trustee will remit part or all of the balance held in the Rebate Fund to the United States of America as so directed. In addition, if the Rebate Instructions so direct, the Trustee will deposit money into or transfer money out of the Rebate Fund from or into such Funds as the Rebate Instructions shall direct. The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Authority including supplying all necessary information in the manner provided in the Tax Certificate to the extent such information is reasonably available to the Trustee, and shall have no liability or responsibility to monitor or enforce compliance by the Authority with the terms of the Tax Certificate.

The Trustee shall have no obligation to rebate any amounts required to be rebated pursuant to this Section, other than from money held in the Rebate Fund or from other money provided to it by the Authority. The Trustee shall not be responsible for computing the Rebate Requirement, and computations of the Rebate Requirement shall be furnished to the Trustee or on behalf of the Authority in accordance with the Tax Certificate.

Notwithstanding any other provision hereof, including in particular Article XII pertaining to defeasance, the obligation to remit the rebate amounts to the United States of America and to comply with all other requirements of this Section and the Tax Certificate shall survive the defeasance or payment in full of the Authority Bonds.

The Trustee shall notify the Authority in writing prior to the date money held hereunder will be

The Authority, in issuing such written instructions, shall comply with the provisions of the Tax Certificate. In the absence of written instructions from the Authority regarding investment, such money shall be held uninvested. The Trustee (or any affiliate thereof) may act as principal or agent in the acquisition or disposition of any investments.

Money on deposit in the Proceeds Fund, if any, shall be invested in Investment Securities pursuant to a Written Order specifying which Investment Securities to be invested in, and such money may not be reinvested in any other Investment Securities unless the Trustee receives, at the time of such reinvestment, a further written certification to the effect that, after such reinvestment, the Revenues will be sufficient to pay principal and interest on the Authority Bonds when due.

ARTICLE VII

COVENANTS OF THE AUTHORITY AND THE COMMUNITY FACILITIES DISTRICT

SECTION 7.01. Payment of Authority Bonds; No Encumbrances. The Authority shall cause the Trustee to promptly pay, from Revenues and other funds derived from the Trust Estate pledged hereunder, the interest on and principal of and redemption premium, if any, on every Authority Bond issued under and secured hereby at the place, on the dates and in the manner specified herein and in such Authority Bonds according to the true intent and meaning thereof. The Authority shall not issue any bonds, notes or other evidences of indebtedness or incur any obligations payable from or secured by the Trust Estate, other than the Authority Bonds.

SECTION 7.02. <u>Enforcement and Amendment of Local Obligations</u>. The Authority, the Community Facilities District and the Trustee (subject to Article IX hereof) shall enforce all of their rights with respect to the Local Obligations to the fullest extent necessary to preserve the rights and protect the security of the Owners hereunder.

The Authority, the Community Facilities District and the Trustee may, without the consent of or notice to the Owners of the Authority Bonds, consent to any amendment, change or modification of any Local Obligation that may be required (a) to conform to the provisions hereof (including any modifications or changes contained in any Supplemental Trust Agreement), (b) for the purpose of curing any ambiguity or inconsistency or formal defect or omission, (c) to add additional rights acquired in accordance with the provisions of such Local Obligation, (d) in connection with any other change therein that is not to the material prejudice of the Owners of the Authority Bonds, or (e) in the Opinion of Bond Counsel, to preserve or assure the exemption of interest on the Local Obligations or Authority Bonds from federal income taxes or the exemption of such interest from State personal income taxes.

Except for the amendments, changes or modifications provided for in the preceding paragraph, neither the Authority, the Community Facilities District nor the Trustee shall consent to any amendment, change or modification of any Local Obligation without the written approval or consent of the Owners of not less than a majority in aggregate principal amount of Authority Bonds at the time Outstanding given and procured as provided in this Section. If at any time the Authority and the Community Facilities District, as the case may be, shall request the consent of the Trustee to any such proposed amendment, change or modification of a Local Obligation, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice, prepared by the Authority, of such proposed amendment, change or modification to be mailed in the same manner as provided by Section 13.03. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file with the Trustee for inspection by all Owners.

SECTION 7.03. <u>Further Documents</u>. The Authority covenants that it will from time to time execute and deliver such further instruments and take such further action as may be reasonable and as may be required to carry out the purpose hereof; <u>provided</u>, that no such instruments or actions shall pledge the faith and credit or the taxing power of the State or any political subdivision of the State.

SECTION 7.04. Tax Covenants for the Authority Bonds.

- (a) The Authority and the Community Facilities District will not take any action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of interest on the Authority Bonds under Section 103 of the Code. The Authority and the Community Facilities District will not directly or indirectly use or permit the use of any proceeds of the Authority Bonds or any other funds of the Authority or take or omit to take any action that would cause the Authority Bonds to be "private activity bonds" within the meaning of Section 141(a) of the Code or obligations which are "federally guaranteed" within the meaning of Section 149(b) of the Code. The Authority will not allow ten percent (10%) or more of the proceeds of the Authority Bonds to be used in the trade or business of any nongovernmental units and will not lend five percent (5%) or more of the proceeds of the Authority Bonds to any nongovernmental units.
- (b) The Authority and the Community Facilities District will not directly or indirectly use or permit the use of any proceeds of the Authority Bonds or any other funds of the Authority or take or omit to take any action that would cause the Authority Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code. To that end, the Authority and the Community Facilities District will comply with all requirements of Section 148 of the Code to the extent applicable to the Authority Bonds. In the event that at any time the Authority is of the opinion that for purposes of this Section it is necessary to restrict or to limit the yield on the investment of any money held by the Trustee hereunder, the Authority will so instruct the Trustee in writing, and the Trustee will take such actions as directed by such instructions.
- (c) The Authority will pay or cause to be paid the Rebate Requirement as provided in the Tax Certificate. This covenant shall survive payment in full or defeasance of the Authority Bonds. The Authority will cause the Rebate Requirement to be deposited in the Rebate Fund as provided in the Tax Certificate (which is incorporated herein by reference).
- (d) The Trustee will conclusively be deemed to have complied with the provisions of this Section and the provisions of the Tax Certificate and shall incur no liability if it follows the directions of the Authority set forth in the Tax Certificate and the Rebate Instructions and shall not be required to take any actions hereunder in the absence of Rebate Instructions from the Authority.
- (e) Notwithstanding any provision of this Section, if the Authority shall provide to the Trustee an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from gross income for federal income tax purposes of interest with respect to the Authority Bonds, the Trustee and the Authority and the Community Facilities District may conclusively rely on such opinion in complying with the requirements of this Section, and the covenants hereunder shall be deemed to be modified to that extent.
 - (f) The provisions of this Section shall survive the defeasance of the Authority Bonds.
- SECTION 7.05. <u>Maintenance of Existence</u>. The Authority shall maintain the existence, powers and authority of the Authority as a joint exercise of powers authority under the laws of the State.

SECTION 7.06. Continuing Disclosure. The Community Facilities District has undertaken all responsibility for compliance with continuing disclosure requirements, and the Authority shall have no liability to the Owners of the Authority Bonds or any other person with respect to S.E.C. Rule 15c2-12. Notwithstanding any other provision hereof, failure of the Community Facilities District to comply with any continuing disclosure obligation shall not be considered an Event of Default; provided, that any Owners of the Authority Bonds or beneficial owner may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Community Facilities District to comply with its continuing disclosure obligations.

SECTION 7.07. Redemption Fund for the Local Obligations.

- (a) The Community Facilities District expressly acknowledges that, pursuant to the Local Obligations Indenture, the Community Facilities District is to establish and maintain a separate redemption fund for the Local Obligations (the "Local Obligations Redemption Fund") and, so long as the Local Obligations remain outstanding, to deposit into such Local Obligations Redemption Fund, upon receipt, any and all Special Tax Revenues received by the Community Facilities District in connection with the Local Obligations. The Community Facilities District further acknowledges that no temporary loan or other use whatsoever may be made of Special Tax Revenues, and that the Local Obligations Redemption Fund constitutes a trust fund for the benefit of the owners of the Local Obligations.
- (b) The Community Facilities District hereby covenants for the benefit of the Authority, as owner of the Local Obligations, the Trustee, as assignee of the Authority with respect to the Revenues, and the Owners from time to time of the Authority Bonds, that it will establish, maintain and administer the Local Obligations Redemption Fund and the Special Tax Revenues in accordance with their status as trust funds as prescribed by the Act, the Local Obligations Indenture and this Trust Agreement.
- (c) The Community Facilities District further covenants that, no later than one (1) Business Day prior to each Interest Payment Date and Principal Payment Date of the Authority Bonds, the Community Facilities District will advance to the Trustee against payment on the Local Obligations, as assignee of the Authority with respect to the Local Obligations, the interest due on the Local Obligations on such Interest Payment Date and the principal of all Local Obligations maturing on such Principal Payment Date, respectively, and upon receipt by the Trustee, such amounts shall constitute Revenues. For so long as Authority Bonds remain Outstanding, the Trustee shall provide written notice to the Authority no later than fifteen (15) days prior to each Interest Payment Date specifying the amount required to be paid to the Trustee pursuant to this subsection in the month subsequent thereto.

SECTION 7.08. <u>Concerning the Trust Estate</u>. The Authority hereby represents and warrants as follows:

(a) This Trust Agreement creates a valid and binding pledge of and security interest in the Trust Estate in favor of the Trustee in order to secure the payment of the interest on and principal of and redemption premiums, if any, on all Authority Bonds Outstanding hereunder, enforceable by the Trustee in accordance with the terms hereof.

- (b) Under the laws of the State of California, (1) such pledge of and security interest in the Trust Estate and (2) each pledge, assignment, lien, or other security interest made to secure any prior obligations of Authority which, by the terms hereof, ranks on parity with or prior to the pledge of and security interest granted hereby, are and shall be prior to any judicial lien hereafter imposed on such collateral to enforce a judgment against the Authority on a simple contract.
- (c) The Authority has not heretofore made a pledge of, granted a lien on or security interest in, or made an assignment or sale of the Trust Estate that ranks on parity with or prior to the pledge and security interest granted hereby, except for the pledge and security interest granted to secure the Authority Bonds. The Authority shall not hereafter make or suffer to exist any pledge or assignment of, lien on, or security interest in such collateral that ranks prior to or on parity with the pledge and security interest granted hereby, or file any financing statement describing any such pledge, assignment, lien or security interest, except as expressly permitted hereby.

The Trustee may refuse to follow any direction that conflicts with law or herewith or that the Trustee determines would subject the Trustee to personal liability without adequate indemnification therefor.

SECTION 8.05. Restriction on Owner's Action. In addition to the other restrictions on the rights of Owners to request action upon the occurrence of an Event of Default and to enforce remedies set forth in this Article, no Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any trust hereunder, or any other remedy hereunder or in the Authority Bonds, unless such Owner previously shall have given to the Trustee written notice of an Event of Default as hereinabove provided and unless the Owners of not less than fifty percent (50%) in aggregate principal amount of the Authority Bonds then Outstanding shall have made written request of the Trustee to institute any such suit, action, proceeding or other remedy, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted herein, or to institute such action, suit or proceeding in its or their name; nor unless there also shall have been offered to the Trustee security and indemnity reasonably

All rights of action hereunder or under any of the Authority Bonds secured hereby which are enforceable by the Trustee may be enforced by it without the possession of any of the Authority Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceedings instituted by the Trustee shall be brought in its own name, as Trustee, for the equal and ratable benefit of the Owners subject to the provisions hereof.

SECTION 8.07. <u>Remedies Not Exclusive</u>. No remedy herein conferred upon or reserved to the Trustee or to the Owners is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 8.08. Waiver of Events of Default; Effect of Waiver. Upon the written request of the Owners of at least a majority in aggregate principal amount of all Outstanding Authority Bonds, the Trustee shall waive any Event of Default hereunder and its consequences. If any Event of Default shall have been waived as herein provided, the Trustee shall promptly give written notice of such waiver to the Authority and the Community Facilities District and shall give notice thereof by first class mail, postage prepaid, to all Owners of Outstanding Authority Bonds if such Owners had not previously been given notice of such Event of Default; but no such waiver, rescission and annulment shall extend to or affect any subsequent Event of Default, or impair any right or remedy consequent thereon.

No delay or omission of the Trustee or of any Owner to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default, or an acquiescence therein; and every power and remedy given by this Article to the Trustee and to the Owners may be exercised from time to time and as often as may be deemed expedient.

SECTION 8.09. <u>Application of Money upon Event of Default</u>. Any money received by the Trustee pursuant to this Article shall, after payment of all fees and expenses of the Trustee, and the fees and expenses of its counsel incurred in representing the Owners, be applied as follows:

The Trustee shall be entitled to rely conclusively on the covenants, representations and warranties of each obligor on any Local Obligation and in the documents and certificates delivered in connection therewith and each Written Order.

SECTION 9.05. <u>Liability of Trustee</u>. The recitals of facts herein and in the Authority Bonds contained shall be taken as statements of the Authority or the Community Facilities District, and the Trustee does not assume any responsibility for the correctness of the same, and does not make any representations as to the validity or sufficiency hereof or of the Authority Bonds, and shall not incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Authority Bonds assigned to or imposed upon it; <u>provided</u>, that the Trustee shall be responsible for its representations contained in its certificate of authentication on

The Trustee may consult with counsel of its selection, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered or omitted by it hereunder in good faith and in accordance therewith.

Whenever in the administration of the trusts imposed upon it hereby the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by an Officer's Certificate, and such Officer's Certificate shall be full warrant to the Trustee for any action taken or suffered or omitted in good faith under the provisions hereof in reliance upon such Officer's Certificate, but the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

Each such notice, statement, demand, consent, approval, authorization, offer, designation, request or other communication hereunder shall be deemed delivered to the party to whom it is addressed (a) if personally served or delivered, upon delivery, (b) if given by electronic communication, upon the sender's receipt of an appropriate answer back or other written acknowledgment or confirmation of receipt of the entire notice, approval, demand, report or other communication, (c) if given by first class mail deposited with the United States mail postage prepaid, seventy-two (72) hours after such notice is deposited with the United States mail, (d) if given by overnight courier, with courier charges prepaid, twenty-four (24) hours after delivery to

The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Trust Agreement and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: email, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder); provided, however, that the Authority shall provide to the Trustee an incumbency certificate listing officers with the Authority to provide such Instructions and containing specimen signatures of such officers, which incumbency certificate shall be amended by the Authority whenever a person is to be added or deleted from the listing. The Authority shall be responsible for ensuring that only officers transmit such Instructions to the Trustee and that the Authority and all officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Authority. The Trustee shall not be liable for any losses, costs claims, or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding the fact that such directions conflict or are inconsistent with a subsequent written instruction. The Authority agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Authority; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee in writing immediately upon learning of any compromise or unauthorized use of the security procedures.

SECTION 13.04. <u>Holidays</u>. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided herein, shall not be a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day with the same force and effect as if done on the nominal date provided in this Trust Agreement, and no interest shall accrue for the period from and after such nominal date.

SECTION 13.05. <u>Limitation of Liability</u>. If any clause, provision or section hereof is held illegal or invalid by any court, the invalidity of such clause, provision or section shall not affect any of the remaining clauses, provisions or sections hereof, and this Trust Agreement shall be construed and enforced as if such illegal or invalid clause, provision or section had not been contained herein.

SECTION 13.09. Counterparts and Electronic Execution. This Trust Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original; but all of which such counterparts shall together constitute but one and the same instrument. Each party agrees that the electronic signatures, whether digital or encrypted, of the parties included in this Trust Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means any electronic sound, symbol, or process attached to or logically associated with a record and executed and adopted by a party with the intent to sign such record, including facsimile or email electronic signatures.

SECTION 13.10. <u>U.S.A. Patriot Act.</u> The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Trust Agreement agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

SECTION 13.11. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, pandemics, epidemics, quarantine restrictions, recognized public emergencies, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

All such Minimum Sinking Fund Account Payments shall be deposited in the Sinking Fund Subaccount, which subaccount is hereby established and which subaccount the Community Facilities District hereby agrees and covenants to cause to be maintained by the Trustee so long as any of the Term Bonds are Outstanding. All money in the Sinking Fund Subaccount shall be used and withdrawn by the Trustee (upon receipt of a Written Request of the Community Facilities District) at any time for the purchase of the Term Bonds at public or private sales as and when and at such prices (including brokerage and other charges) as the Community Facilities District may in its discretion determine, but not to exceed the principal amount of such Term Bonds. All money in the Sinking Fund Subaccount on September 1 of each year during the period beginning on September 1, 20[__], and ending on September 1, 20[__], both dates inclusive, shall be used and withdrawn by the Trustee on such September 1 for the mandatory redemption or payment of the Term Bonds of the 2022 Bonds maturing on September 1, 20[__]; and all money in the Sinking Fund Subaccount on September 1 of each year during the period beginning on September 1, 20[], and ending on September 1, 20[], both dates inclusive, shall be used and withdrawn by the Trustee on such September 1 for the mandatory redemption or payment of the Term Bonds of the 2022 Bonds maturing on September 1, 20[], and the Community Facilities District hereby agrees and covenants with the Holders of the Term Bonds to call and redeem in accordance with Article III or pay the Term Bonds from the Minimum Sinking Fund Account Payments deposited in the Sinking Fund Subaccount pursuant to this paragraph whenever on September 1 of any year there is money in the Sinking Fund Subaccount available for such purpose.

Section 2.05. Interest Payment Dates of Bonds. Interest on the Bonds shall be computed on the basis of a 360-day year of twelve (12) 30-day calendar months, and shall be payable on [September 1, 2022], and semiannually thereafter on September 1 and March 1 in each year until the principal sum of the Bonds has been paid. The Bonds shall bear interest from the interest payment date next preceding the date of registration thereof, unless they are registered on a day during the period from the sixteenth (16th) day of the month next preceding an interest payment date to such interest payment date, both inclusive, in which event they shall bear interest from such interest payment date, or unless they are registered on a day on or before the fifteenth (15th) day of the month next preceding the first (1st) interest payment date, in which event they shall bear interest from their dated date; provided, that if at the time of registration of any Bond interest is then in default on the Outstanding Bonds, such Bond shall bear interest from the interest payment date to which interest has previously been paid or made available for payment on the Outstanding Bonds.

Section 2.06. <u>Form of Bonds</u>. The Bonds and the authentication and registration endorsement and assignment to appear thereon shall be substantially in the form appearing in Exhibit A.

Section 2.07. <u>Payment of Bonds</u>. The interest on and principal of and redemption premiums, if any, on the Bonds shall be payable in lawful money of the United States of America at the Corporate Trust Office of the Trustee, and the Community Facilities District and the Trustee shall be entitled to conclusively treat the registered owner of any Bond as the absolute owner of such Bond for all purposes hereof, whether such Bond shall be overdue or not, and neither the Community Facilities District nor the Trustee shall be affected by any notice or knowledge to the contrary. Payment of interest on the Bonds due on or before the maturity or prior redemption

thereof shall be made only to the person whose name appears in the registration books required to be kept by the Trustee pursuant to Section 2.09 as the registered owner thereof at the close of business as of the fifteenth (15th) day of the month next preceding each interest payment date, such interest to be paid by check mailed by first class mail on each such interest payment date to such registered owner at his or her address as it appears on such books, except that in the case of a Holder of one million dollars (\$1,000,000) or more in principal amount of Bonds then Outstanding, payment shall be made at such Holder's option by wire transfer on each such interest payment date of immediately available funds to an account in a bank or trust company or savings bank that is a member of the Federal Reserve System and is located in the continental United States of America according to written instructions provided by such Holder to the Trustee at least fifteen (15) days before such interest payment date. Payment of the principal of and redemption premiums, if any, on the Bonds shall be made only to the person whose name appears in the registration books required to be kept by the Trustee pursuant to Section 2.09 as the registered owner thereof, such principal and redemption premiums, if any, to be paid only on the surrender of the Bonds at the Corporate Trust Office of the Trustee at maturity or on redemption prior to maturity. All such payments of interest and principal and redemption premiums, if any, on any Bond shall be valid and effectual to satisfy and discharge the liability on such Bond to the extent of the sum or sums so paid.

Notwithstanding the foregoing, a Holder of any Bond may, in lieu of surrendering the same for a new Bond, endorse on such Bond a record of partial payment of the principal of such Bond in the form set forth below (which shall be typed or printed on such Bond):

PAYMENTS ON ACCOUNT OF PRINCIPAL

Payment Date	Principal Amount Paid	Balance of Principal Amount Unpaid	Signature of Registered Holder
-			
		-	

The Trustee shall maintain a record of each such partial payment made in accordance with the foregoing agreement and such record of the Trustee shall be conclusive. Such partial payment shall be valid upon payment of the amount thereof to the Registered Holder of such Bond, and the Community Facilities District and the Trustee shall be fully released and discharged from all liability to the extent of such payment regardless of whether such endorsement shall or shall not have been made upon such Bond by the Holder thereof and regardless of any error or omission in such endorsement.

Section 2.08. Execution of Bonds. The Bonds shall be signed on behalf of the Community Facilities District by the manual or facsimile signature of the Mayor and countersigned by the manual or facsimile signature of the City Clerk, and any Bond may be signed on behalf of the Community Facilities District by any person who, on the actual date of the execution of such Bond, shall be the proper officer of the City and member of the City Council, as legislative body of the Community Facilities District, although on the nominal date of such Bond such person shall

not have been such officer of the City. In case any such officer, who shall have signed any of the Bonds, shall cease to be such officer before the Bonds so signed shall have been delivered to the purchaser by the Trustee, such Bonds may nevertheless be delivered and issued and, upon such delivery and issuance, shall be as binding upon the Community Facilities District as though such officer who signed the same had continued to be such officer until such delivery and issuance. Only those Bonds that bear thereon a certificate of authentication executed by the Trustee shall be entitled to any benefit, protection or security hereunder or be valid or obligatory for any purpose, and such certificate of the Trustee shall be conclusive evidence that the Bonds so authenticated have been duly authorized, sold, executed, authenticated and delivered hereunder and are entitled to the benefits hereof.

Section 2.09. Transfer and Exchange of Bonds. The Trustee shall keep at its Corporate Trust Office sufficient books for the transfer and exchange of the Bonds, which books shall at all times during normal business hours with reasonable prior written notice be open to inspection by the Community Facilities District or by any Holder (or his representative authorized in writing). Any Bond may, in accordance with its terms, be transferred or exchanged on such books by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon payment by the Holder requesting such transfer or exchange of any tax or other governmental charge required to be paid with respect to such transfer or exchange and upon surrender of such Bond for cancellation accompanied by delivery of a duly executed written instrument of transfer or exchange in a form approved by the Trustee. Whenever any Bond or Bonds shall be surrendered for transfer or exchange, the Community Facilities District shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds of the same series and maturity date for the same aggregate principal amount, except that neither the Community Facilities District nor the Trustee shall be required (i) to transfer or exchange any Bonds during the fifteen-day period prior to the selection of any Bonds for redemption under Article III, or (ii) to transfer or exchange any Bond which has been selected for redemption in whole or in part, except the unredeemed portion of such Bond selected for redemption in part, from and after the day that such Bond has been selected for redemption in whole or in part under Article III.

Section 2.10. Mutilated, Destroyed, Stolen or Lost Bonds. In case any Bond shall become mutilated in respect of the body of such Bond or shall be believed by the Community Facilities District to have been destroyed, stolen or lost, upon proof of ownership satisfactory to the Community Facilities District and the Trustee and upon the surrender of such mutilated Bond at the Corporate Trust Office of the Trustee, or upon the receipt of evidence satisfactory to the Community Facilities District and the Trustee of such destruction, theft or loss and upon receipt of indemnity satisfactory to the Community Facilities District and the Trustee, and also upon payment of all expenses incurred by the Community Facilities District and the Trustee in the premises and receipt of each of indemnity satisfactory to them, the Community Facilities District shall execute and the Trustee shall authenticate and deliver at the Corporate Trust Office a new Bond or Bonds of the same series and maturity date for the same aggregate principal amount of like tenor and date and bearing such numbers and notations as shall be appropriate in exchange and substitution for and upon cancellation of the mutilated Bond or in lieu of and in substitution for the Bond so destroyed, stolen or lost.

If any such destroyed, stolen or lost Bond shall have matured or shall have been called for redemption, payment of the amount due thereon shall be made by the Trustee, at the

written direction of the Community Facilities District, upon receipt of like proof, indemnity and payment of expenses.

Any replacement Bonds issued pursuant to this Section shall be entitled to equal and proportionate benefits with all other Bonds issued hereunder, and the Community Facilities District and the Trustee shall not be required to treat both the original Bond and any replacement Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be issued hereunder or for the purpose of determining any percentage of Bonds Outstanding hereunder, but both the original and the replacement Bond shall be treated as one and the same.

Section 2.11. <u>Registration of the Bonds</u>. The Bonds shall be registered in the name of the Authority and delivered to the Authority Trustee upon the issuance thereof in accordance with the provisions of the Local Obligation Purchase Contract.

Section 2.12. <u>CUSIP Numbers</u>. The Community Facilities District in issuing the Bonds may, but shall not be required to, use "CUSIP" numbers (if then generally in use), and, if used, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that the Trustee shall have no liability for any defect in the "CUSIP" numbers as they appear on any Bond, notice or elsewhere, and, provided further that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Bonds or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Bonds, and any such redemption shall not be affected by any defect in or omission of such numbers. The Community Facilities District shall promptly notify the Trustee in writing of any change in "CUSIP" numbers, if any. The Community Facilities District does not expect to use "CUSIP" numbers for the 2022 Bonds.

Section 2.13. <u>Application of Proceeds of Sale of 2022 Bonds</u>. Upon the receipt of payment of the purchase price of the 2022 Bonds when the 2022 Bonds shall have been duly sold by the Community Facilities District, the Trustee shall deposit such proceeds of sale of the 2022 Bonds into a temporary account called the Proceeds Fund which the Trustee shall establish, maintain and hold in trust, and which shall be disbursed in full on the date of receipt (whereupon said temporary account shall be closed) in the following order:

On each of the following dates, the Trustee shall transfer the respective amounts from the Capitalized Interest Account to the Redemption Account for the payment of interest due on the 2022 Bonds:

If at any time the Trustee is required by a Supplemental Indenture to deposit any amount of funds therein, the Trustee shall reestablish and maintain a fund to be known as the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Bonds Capitalized Interest Account. On each of the dates set forth in any table set forth in a Supplemental Indenture, the amount set forth shall be transferred from the Capitalized Interest Account to the Redemption Account for the payment of interest due on the Bonds. All money in the Acquisition and Construction Fund shall be used by the Trustee for payment of the costs of the acquisition and construction of the Facilities, including the repayment of funds advanced by the City for the Community Facilities District and the repayment under any agreement of advances of funds or reimbursement for the lesser of the value or cost of work in-kind provided by any person for the Community Facilities District, upon receipt of a Written Request of the Community Facilities District filed with the Trustee, each of which shall be sequentially numbered and shall state the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against such fund; provided, that any remaining amount therein after the completion of such purpose (as set forth in a Certificate of the Community Facilities District so determining filed with the Trustee) shall be transferred by the Trustee to the Redemption Account. The Acquisition and Construction Fund will be closed following the last date of transfer.

If less than all the Outstanding Bonds are to be redeemed as a result of prepayments of the Special Tax at any one time, the Bonds shall be redeemed pro rata by maturity. If less than all the Outstanding Bonds are to be redeemed at the option of the Community Facilities District at any one time, the Bonds of the latest maturity date or dates shall be redeemed prior to or simultaneously with the redemption of the Bonds maturing prior thereto, and if less than all the Outstanding Bonds of any one maturity date are to be redeemed at any one time, the Trustee shall select the Bonds or the portions thereof of such maturity date to be redeemed in integral multiples of five thousand dollars (\$5,000) in a manner that it deems appropriate and fair.

Section 3.03. Notice of Redemption of Bonds. At the Written Request of and at the sole cost and expense of the Community Facilities District, received by the Trustee at least ten (10) days in advance of so sending, such Written Request to contain the information to be contained in the notice of redemption to be sent to Holders, as set forth below, the Trustee shall mail at least twenty (20) and not more than sixty (60) days prior to the date fixed for redemption, notice of redemption pursuant to Section 10.14 to the respective Holders of all Bonds selected for redemption in whole or in part and to all securities depositories and securities information services selected by the Community Facilities District to comply with custom or the rules of any securities exchange or commission or brokerage board or otherwise as may be determined by the Community Facilities District in its sole discretion, but neither failure to receive any such mailed notice nor any immaterial defect contained therein shall affect the sufficiency or the validity of such proceedings for redemption; provided, that no notice of redemption need be given to the Authority for any Bonds for which the Authority is the Holder. Such notice shall state the date of such notice, the Bonds to be redeemed, the date of issue of such Bonds, the redemption date, the redemption price, the place of redemption (including the name and appropriate address of the Trustee), and, if less than all of any such maturity, the numbers of the Bonds of such maturity to be redeemed and, in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed, and shall give notice that further interest on such Bonds or the portions thereof to be redeemed will not accrue from and after the redemption date, and shall require that such Bonds be then surrendered for redemption at the address of the Trustee so designated. If any Bond so chosen for redemption shall not be redeemable in whole, such notice shall also state that such Bond is to be redeemed in part only and that upon presentation of such Bond for redemption there will be issued in lieu of the unredeemed portion of principal thereof a new Bond or Bonds of the same series and maturity date equal in aggregate principal amount to such unredeemed portion.

ARTICLE IV

SPECIAL TAX

Fund and Transfer to the Special Tax Fund. The Community Facilities District agrees and covenants that it will deposit the Special Tax proceeds in the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Community Facilities Fund, which fund is hereby established in the treasury of the City, for and on behalf of the Community Facilities District, and which fund the Community Facilities District hereby agrees and covenants to maintain so long as any Bonds are Outstanding hereunder. All money in the Community Facilities Fund shall be used and withdrawn by the Community Facilities District solely for the benefit of the Community Facilities District in accordance with the Law, including payment of Expenses.

The Community Facilities District agrees and covenants that, after payment of its Priority Administrative Expenses, it will transfer to the Trustee from the Community Facilities Fund amounts sufficient and in sufficient time for the Trustee to make the transfers required by Section 4.02 (less any amounts to be transferred pursuant to Section 2.14), and the Trustee shall deposit such proceeds as and when received in the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Fund, which fund the Trustee shall establish and maintain so long as Bonds remain Outstanding hereunder, and all money in such fund shall be held by the Trustee in trust hereunder and shall be disbursed, allocated and applied solely to the uses and purposes hereinafter set forth in this Article.

Section 4.02. <u>Allocation of Money in the Special Tax Fund</u>. All money in the Special Tax Fund shall be set aside by the Trustee in the following respective special accounts and fund within the Special Tax Fund (each of which accounts and fund is hereby created) in the following order of priority, and all money in each of such accounts and fund shall be applied, used and withdrawn only for the purposes hereinafter authorized in this Section, namely:

- (1) Redemption Account; and
- (2) Bond Reserve Fund.
- Redemption Account. On or before September 1 and March 1 in (a) each year, beginning on September 1, 2022, the Trustee shall, from the money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of interest becoming due and payable on all Outstanding Bonds on such March 1 or September 1, as the case may be, and on or before September 1 in each year, beginning on September 1, 2022, the Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of principal becoming due and payable on all Outstanding Serial Bonds on such September 1 plus all Minimum Sinking Fund Account Payments required to be made on such September 1 into the Sinking Fund Subaccount; provided, that all of the aforesaid payments shall be made without priority of any payment over any other payment, and in the event that money in the Special Tax Fund on any March 1 or September 1 is not equal to the amount of interest becoming due on all Bonds on such date, or in the event that the money in the Special Tax Fund on any September 1 is not equal to the amount of principal of the Bonds becoming due on such date, as the case may be, then such money shall be applied pro rata in such proportion as such interest and principal and Minimum Sinking Fund Account Payments bear to each other.

No deposit need be made into the Redemption Account if the amount of money contained therein is at least equal to the amount required by the terms of the preceding paragraph to be deposited therein at the times and in the amounts herein provided.

All money in the Redemption Account shall be used and withdrawn by the Trustee to pay the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity) plus the principal of and redemption premiums, if any, on the Bonds as they shall mature or upon the prior

redemption thereof, except that any money in the Sinking Fund Subaccount shall be used only to purchase or redeem or retire the Term Bonds as provided herein.

Bond Reserve Fund. On or before March 1 and September 1 in each year, beginning on September 1, 2022, the Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in each Bond Reserve Account within the Bond Reserve Fund such amount of money as shall be required to restore each such Bond Reserve Account to a sum equal to the Required Bond Reserve for the applicable series of Bonds, pro rata, to the extent that amounts are available in the Special Tax Fund for such purpose; and for this purpose all investments in each Bond Reserve Account shall (beginning on September 1, 2022) be valued on March 1 and September 1 of each year at the face value thereof if such investments mature within twelve (12) months from the date of valuation, or if such investments mature more than twelve (12) months after the date of valuation, at the price at which such investments are redeemable by the Holder at his or her option, if so redeemable, or if not so redeemable, at the lesser of (i) the cost of such investments plus the amortization of any premium or minus the amortization of any discount, or (ii) the market value of such investments. For purposes of allocating remaining money in the Special Tax Fund between more than one Bond Reserve Account, any such transfers to and deposits in each Bond Reserve Account shall be made equally and ratably in proportion to the Required Bond Reserve for each series of Bonds.

No deposit need be made into a Bond Reserve Account if the value of the investments contained therein is at least equal to the Required Bond Reserve for the applicable series of Bonds.

All money in each Bond Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on or principal of the corresponding series of Bonds in the event there is insufficient money in the Redemption Account available for this purpose; provided, that if as a result of any of the foregoing valuations or as a result of any property owner prepayment it is determined that the amount of money in a Bond Reserve Account exceeds or will exceed the Required Bond Reserve for the applicable series of Bonds, the Trustee shall withdraw the amount of money representing such excess from such fund and shall deposit such amount of money in the Redemption Account as provided in the last paragraph of Section 10.05. For the avoidance of doubt, amounts in a Bond Reserve Account are not available to make up a deficiency for the payment of principal and interest on any Bonds other than the specific series of Bonds to which the Bond Reserve Account relates.

ARTICLE V

covenants and terms contained herein and in the Bonds required to be observed and performed by it.

Section 5.02. Against Indebtedness and Encumbrances. The Community Facilities District will not issue any evidences of indebtedness payable from the proceeds of the Special Tax except as provided herein, and will not create, nor permit the creation of, any pledge, lien, charge or other encumbrance upon any money in the Special Tax Fund other than as provided herein; provided, that the Community Facilities District may at any time, or from time to time, issue evidences of indebtedness for any lawful purpose of the Community Facilities District which are payable from any money in the Community Facilities Fund as may from time to time be deposited therein so long as any payments due thereunder shall be subordinate in all respects to the use of the proceeds of the Special Tax as provided herein.

Section 5.03. Against Federal Income Taxation.

- If the Community Facilities District has obtained an opinion of Bond (a) Counsel that interest on the Bonds is excluded from gross income for federal income tax purposes, the Community Facilities District will not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest on the Bonds pursuant to Section 103 of the Code, and specifically the Community Facilities District will not directly or indirectly use or make any use of the proceeds of the Bonds or any other funds of the Community Facilities District or take or omit to take any action that would cause the Bonds to be "arbitrage bonds" subject to federal income taxation by reason of Section 148 of the Code or "private activity bonds" subject to federal income taxation by reason of Section 141(a) of the Code or obligations subject to federal income taxation because they are "federally guaranteed" as provided in Section 149(b) of the Code; and to that end the Community Facilities District, with respect to the proceeds of the Bonds and such other funds, will comply with all requirements of such sections of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent that such regulations are, at the time, applicable and in effect; provided, that if the Community Facilities District shall obtain an opinion of nationally recognized bond counsel to the effect that any action required under this Section is no longer required, or to the effect that some further action is required, to maintain the exclusion from gross income of the interest on the Bonds pursuant to Section 103 of the Code, the Community Facilities District may rely conclusively on such opinion in complying with the provisions hereof. In the event that at any time the Community Facilities District is of the opinion that for purposes of this Section it is necessary to restrict or limit the yield on the investment of any money held by the Finance Director, for and on behalf of the Community Facilities District, hereunder or otherwise the Community Facilities District shall so instruct the Finance Director in writing, and the Finance Director shall take such action as may be necessary in accordance with such instructions.
- (b) Without limiting the generality of the foregoing, the Community Facilities District will pay from time to time all amounts required to be rebated to the United States of America pursuant to Section 148(f) of the Code and all regulations of the United States Department of the Treasury issued thereunder to the extent that such

regulations are, at the time, applicable and in effect, which obligation shall survive payment in full or defeasance of the Bonds, and to that end, there is hereby established in the treasury of the City, for and on behalf of the Community Facilities District, a fund to be known as the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Bonds Rebate Fund to be held in trust and administered by the Finance Director for and on behalf of the Community Facilities District. The Community Facilities District will comply with the provisions of the Tax Certificate with respect to making deposits in the Rebate Fund, and all money held in the Rebate Fund is pledged to provide payments to the United States of America as provided herein and in the Tax Certificate and no other person shall have claim to such money except as provided in the Tax Certificate.

Section 5.04. <u>Payment of Claims</u>. The Community Facilities District will pay and discharge any and all lawful claims which, if unpaid, might become payable from the proceeds of the Special Tax or any part thereof or upon any funds in the hands of the Community Facilities District or the Trustee allocated to the payment of the interest on or principal of or redemption premiums, if any, on the Bonds, or which might impair the security of the Bonds.

Section 5.05. Expense Budgets. The City Council, as legislative body of the Community Facilities District, will, on or before July 1 in each year, adopt a budget setting forth the costs of the estimated Expenses for the period from such July 1 through the next succeeding June 30; provided, that any budget adopted in accordance with this Section may be amended by the City Council at any time.

Section 5.06. Accounting Records; Financial Statements and Other Reports.

- The Community Facilities District will keep, or in the case of (a) transactions made by the Trustee it will cause the Trustee to keep, appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the receipt, investment, disbursement, allocation and application of the proceeds of the Special Tax and of the proceeds of the Bonds, which accounting records shall at all times during business hours with reasonable prior written notice be subject to the inspection of any Holder (or his or her representative authorized in writing). The Trustee shall furnish the Community Facilities District periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the Community Facilities District. Upon the Community Facilities District's election, such statements will be delivered via the Trustee's online service and upon electing such service, paper statements will be provided only upon request. The Community Facilities District waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The Community Facilities District further understands that trade confirmations for securities transactions effected by the Trustee will be available upon written request and at no additional cost and other trade confirmations may be obtained from the applicable broker.
- (b) The Community Facilities District will prepare annually not more than two hundred seventy (270) days after the close of each Fiscal Year (commencing with the Fiscal Year ending June 30, 2022) a summary report showing in reasonable detail the

proceeds of the Special Tax levied and collected and the costs of the Expenses for the preceding Fiscal Year and containing a general statement of the physical condition of the Facilities. The Community Facilities District will furnish a copy of such summary report without charge to any Holder (or his or her representative authorized in writing) and to any investment banker, security dealer or other person interested in the Bonds requesting a copy thereof.

- (c) The Community Facilities District will prepare annually not later than October 30 of each year (beginning in 2022) and file with the California Debt and Investment Advisory Commission by mail, postage prepaid, all necessary information required to be filed under the Law, including:
 - (1) The principal amount of the Bonds Outstanding;
 - (2) The balance in each Bond Reserve Account;
- (3) The balance in the Redemption Account constituting capitalized interest, if any;
- (4) The number of parcels securing the Bonds which are delinquent with respect to their Special Tax payments, the amount that each delinquent parcel is delinquent, the length of time that each delinquent parcel has been delinquent and when foreclosure was commenced for each delinquent parcel; and
- (5) The assessed value of all parcels subject to the levy of the Special Tax to repay the Bonds, as shown on the most equalized assessment roll of the County of Sacramento.

Additionally, the Community Facilities District will notify the California Debt and Investment Advisory Commission by mail, postage prepaid, within ten (10) days if the Community Facilities District or the Trustee fails to pay any interest on or principal of any of the Bonds on any scheduled payment date, or if funds are withdrawn from a Bond Reserve Account to pay any interest on or principal of a series of the Bonds.

Section 5.07. <u>Protection of Security and Rights of Holders</u>. The Community Facilities District will preserve and protect the security of the Bonds and the rights of the Holders and will warrant and defend their rights against all claims and demands of all persons.

Section 5.08. Payment of Governmental Charges and Compliance with Governmental Regulations. The Community Facilities District will pay and discharge all taxes or payments in lieu of taxes, assessments and other governmental charges or liens that may be levied, assessed or charged upon the Facilities or any part thereof promptly as and when the same shall become due and payable, except that the Community Facilities District shall not be required to pay any such governmental charges so long as the application or validity thereof shall be contested in good faith and the Community Facilities District shall have set aside reserves to cover such charges. The Community Facilities District will duly observe and conform with all valid regulations and requirements of any governmental authority relative to the operation of the Facilities or any part thereof, except that the Community Facilities District shall not be required to

comply with any such regulations or requirements so long as the application or validity thereof shall be contested in good faith.

Section 5.09. Levy and Collection of the Special Tax. The Community Facilities District, so long as any Bonds are Outstanding, will annually levy the Special Tax against all Taxable Property in the Improvement Area and make provision for the collection of the Special Tax in amounts which will be sufficient, together with the money then on deposit in the Redemption Account, after making reasonable allowances for contingencies and errors in the estimates, to yield proceeds equal to the amounts required for compliance with the agreements, conditions, covenants and terms contained herein, and which in any event will be sufficient to pay the interest on and principal of and Minimum Sinking Fund Account Payments for and redemption premiums, if any, on the Bonds as they become due and payable and to replenish each Bond Reserve Account and to pay all current Expenses as they become due and payable in accordance with the provisions and terms hereof. The Special Tax shall be collected in the same manner as ordinary ad valorem property taxes are collected and, except as otherwise provided in Section 5.10 or by the Law, shall be subject to the same penalties and the same collection procedure, sale, and lien priority in case of delinquency as is provided for ad valorem property taxes.

Section 5.10. Foreclosure of Special Tax Liens. The Community Facilities District shall annually on or before September 1 of each year review the public records of the County of Sacramento relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if the Community Facilities District determines on the basis of such review that the amount so collected is deficient by more than five percent (5%) of the total amount of the Special Tax levied in such Fiscal Year, it will within sixty (60) days thereafter institute foreclosure proceedings as authorized by the Law in order to enforce the lien of the delinquent installments of the Special Tax against each lot or parcel of land in the Improvement Area, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; provided, that irrespective of the foregoing if the Community Facilities District determines on the basis of such review that property owned by any single property owner in the Improvement Area is delinquent by four missed payments with respect to the Special Tax due and payable by such property owner by such delinquency date, then the Community Facilities District will institute, prosecute and pursue such foreclosure proceedings in the time and manner provided herein against such property owner; provided further, that any actions taken to enforce delinquent Special Tax liens shall be taken only consistent with Sections 53356.1 through 53356.7, both inclusive, of the Government Code of the State of California; and provided further, that the Community Facilities District shall not be obligated to enforce the lien of any delinquent installment of the Special Tax for any Fiscal Year in which the Community Facilities District shall have received one hundred percent (100%) of the amount of such installment from the County of Sacramento pursuant to the so-called "Teeter Plan."

Section 5.11. <u>Further Assurances</u>. The Community Facilities District will adopt, deliver, execute, make and file any and all further assurances, instruments and resolutions as may be reasonably necessary or proper to carry out the intention or to facilitate the performance hereof and for the better assuring and confirming unto the Holders of the rights and benefits provided herein, including without limitation the filing of all financing statements, agreements, instruments or other documents in the forms and in the locations necessary to perfect and protect, and to continue the perfection of, the pledge of the Special Taxes provided herein to the fullest extent

possible under applicable law of the State of California. Further, the Community Facilities District covenants to not approve any amendments, changes or modifications relating to development of the property within the Improvement Area that would reduce the amount of the Maximum Facilities Special Tax less Priority Administrative Expenses to equal less than one hundred ten percent (110%) of the sum of the Annual Debt Service on the Bonds in any year until the maturity date for the Bonds.

ARTICLE VI

THE TRUSTEE

Section 6.01. <u>The Trustee</u>. U.S. Bank Trust Company, National Association at its Corporate Trust Office in San Francisco, California, is hereby appointed Trustee for the purpose of receiving all money which the Community Facilities District is required to transfer to it hereunder and for applying and using such money as provided herein for the purpose of paying the interest on and principal of and redemption premiums, if any, on the Bonds. The Community Facilities District agrees that it will at all times maintain a Trustee having a designated corporate trust office in Los Angeles or San Francisco, California.

The Trustee and the Community Facilities District shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

The Community Facilities District may remove the Trustee initially appointed and any successor thereto and may appoint a successor or successors thereto by an instrument in writing; provided, that any such successor shall be a bank or trust company doing business and having a designated corporate trust office in Los Angeles or San Francisco, California, having a combined capital (exclusive of borrowed capital) and surplus of at least one hundred million dollars (\$100,000,000) and subject to supervision or examination by a federal or state banking authority. If such bank or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this Section the combined capital and surplus of such bank or trust company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Trustee may at any time resign by giving written notice of such resignation to the Community Facilities District and by giving notice of such resignation by mail pursuant to Section 10.14 to the Holders, and upon receiving such notice of resignation, the Community Facilities District shall promptly appoint a successor Trustee by an instrument in writing having the qualifications required hereby. Any resignation or removal of a Trustee and appointment of a successor Trustee shall become effective only upon the acceptance of appointment by the successor Trustee. If within thirty (30) days after notice of the removal or resignation of the Trustee no successor Trustee shall have been appointed by the Community Facilities District and shall have accepted such appointment, the removed or resigning Trustee may petition, at the expense of the Community Facilities District, any court of competent jurisdiction for the appointment of a successor Trustee, which court may thereupon, after such notice, if any, as it may deem proper and prescribe and as may be required by law, appoint a successor Trustee having the qualifications required hereby.

Any company into which the Trustee shall be merged or converted or with which it may be consolidated or any company resulting from any merger, conversation or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, so long as such company shall meet the requirements set forth in this Section, shall be the successor to the Trustee and shall be vested with all of the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any paper or further act, anything herein to the contrary notwithstanding.

Section 6.02. <u>Liability of the Trustee</u>. The recitals of facts, agreements and covenants contained herein and in the Bonds shall be taken as statements, agreements and covenants of the Community Facilities District, and the Trustee shall not assume any responsibility for the correctness of the same and does not make any representation as to the sufficiency or validity hereof or of the Bonds or of the Special Tax, or as to the financial or technical feasibility of the acquisition and construction of any of the Facilities, and shall not incur any responsibility in respect thereof other than in connection with the rights and obligations expressly assigned to or imposed upon it herein or in the Bonds, and shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct. The Trustee shall not be liable for any error of judgment made in good faith, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts, and no provision hereof shall require the Trustee to expend or risk its own funds or otherwise incur any liability for the performance of its duties hereunder, or in the exercise of any of its rights or powers hereunder.

The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts, and the Trustee shall be entitled to advice of counsel of its selection concerning all matters of trust and its duties hereunder and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon. The Trustee may execute any of the trusts or powers set forth herein and perform the duties required of it hereunder by or through attorneys, agents or attorneys, and the Trustee shall not be liable for the negligence or misconduct of any agent, attorney or certified public accountant selected by it with due care.

The Trustee shall, at all times, perform such duties and only such duties as are specifically set forth herein, and no implied duties or obligations shall be read herein against the Trustee. At no time shall the Trustee be a fiduciary or have fiduciary duties hereunder.

The Trustee shall not be bound to recognize any person as the Holder of a Bond unless and until such Bond is submitted for inspection, if required, and such Holder's title thereto is certified to the Trustee in a written instrument, upon which the Trustee shall be entitled to conclusively rely.

The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in aggregate principal amount of the Bonds exercising any trust or power conferred upon the Trustee hereunder.

The Trustee has no obligation to the Holders and shall incur no liability for the payment of the interest on, principal of or redemption premiums, if any, with respect to the Bonds from its own funds. The duties and obligations of the Trustee shall be determined solely by the express provisions of this Indenture, and the Trustee shall perform such duties and obligations as are specifically set forth in this Indenture and shall not be liable except for its negligence or willful misconduct, and no implied covenants or obligations shall be read into this Indenture against the Trustee.

The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a Responsible Officer at the Trustee's Corporate Trust Office responsible for the administration of the Trustee's duties and obligations hereunder shall have actual knowledge thereof or the Trustee shall have received written notice thereof at its Corporate Trust Office. The Trustee shall not be bound to ascertain or to inquire as to the performance or observance of any of the agreements, conditions, covenants or terms herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default hereunder.

No provision hereof shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance or exercise of any of its duties hereunder, or in the exercise of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced to it hereunder at its prime rate plus two percent (2%), but not greater than twelve percent (12%) per annum.

The Trustee shall have no responsibility, opinion or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

All rights, privileges, immunities, indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, employees, officers and agents thereof.

In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

Section 6.03. <u>Compensation and Indemnification of the Trustee</u>. The Community Facilities District agrees to pay to the Trustee from time to time, and the Trustee shall receive compensation for all services rendered by it in the exercise and performance of any of the duties and obligations of the Trustee hereunder, as mutually and previously agreed upon in writing, and the Community Facilities District will pay or reimburse the Trustee upon its request for all expenses, disbursements and advances incurred or made by the Trustee and its affiliates, directors, employees or agents in accordance with any of the provisions hereof (including the reasonable

compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or willful misconduct. The Community Facilities District, to the extent permitted by law, agrees to indemnify, defend and hold harmless the Trustee against any and all loss, damages, claims, liability or expense incurred without negligence or willful misconduct on the part of the Trustee arising out of or in connection with (i) the exercise or performance of any of its duties or obligations hereunder, or (ii) any untrue statement or alleged untrue statement of any material fact or omission or alleged omission to state a material fact necessary to make the statements made, in the light of the circumstances under which they were made, not misleading in any official statement or other offering circular utilized in connection with the sale of any of the Bonds, including costs and expenses (including attorneys' fees and expenses) of defending itself against any claim or liability in connection with the exercise or performance of any of its duties and obligations hereunder. The rights of the Trustee and the obligations of the Community Facilities District under this Section shall survive the discharge of the Bonds and the resignation or removal of the Trustee.

Section 6.04. <u>Notice to the Trustee</u>. The Trustee shall be protected in acting upon any Bond, certificate, consent, notice, opinion, report, request, resolution or other document or paper believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel of its selection, including, without limitation, counsel to the Community Facilities District, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection with respect to any action taken or suffered hereunder in good faith and in accordance therewith.

Whenever in the administration of its rights and obligations hereunder the Trustee shall deem it necessary or desirable that a matter be established or proved prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or willful misconduct on the part of the Trustee, be deemed to be conclusively established or proved by a Certificate of the Community Facilities District or an Accountant's Report, which shall be full warrant to the Trustee for any action taken or suffered under the provisions hereof upon the faith thereof, and on which the Trustee may conclusively rely, but in its reasonable judgment the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

ARTICLE VII

AMENDMENT OF OR SUPPLEMENT TO THE INDENTURE

Section 7.01. Procedure for Amendment of or Supplement to the Indenture.

(a) Amendment or Supplement With Consent of Holders. The Indenture and the rights and obligations of the Community Facilities District and of the Holders may be amended or supplemented at any time by the execution and delivery of a Supplemental Indenture by the Community Facilities District and the Trustee, which Supplemental Indenture shall become binding when the written consents of the Holders of sixty percent (60%) or more in aggregate principal amount of the Bonds then Outstanding, exclusive of Bonds disqualified as provided in Section 7.02, shall have been filed with the

Trustee; <u>provided</u>, that no such amendment or supplement shall (1) extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation of the Community Facilities District to pay the interest on or principal of or Minimum Sinking Fund Account Payment for or redemption premium, if any, on any Bond at the time and place and at the rate and in the currency and from the funds provided herein without the express written consent of the Holder of such Bond, or (2) permit the issuance by the Community Facilities District of any obligations payable from the proceeds of the Special Tax other than the Bonds as provided herein, or jeopardize the ability of the Community Facilities District to levy and collect the Special Tax, or (3) reduce the percentage of Bonds required for the written consent to any such amendment or supplement, or (4) modify any rights or obligations of the Trustee without its prior written assent thereto.

- (b) <u>Amendment or Supplement Without Consent of Holders</u>. The Indenture and the rights and obligations of the Community Facilities District and of the Holders may also be amended or supplemented at any time by the execution and delivery of a Supplemental Indenture by the Community Facilities District and the Trustee, which Supplemental Indenture shall become binding upon execution without the prior written consent of any Holders, but only to the extent permitted by law and after receiving an Opinion of Counsel, stating that the Supplemental Indenture is the valid and binding obligation of the Community Facilities District, and only for any one or more of the following purposes:
 - (i) To add to the agreements and covenants required herein to be performed by the Community Facilities District other agreements and covenants thereafter to be performed by the Community Facilities District which shall not (in the opinion of the Community Facilities District) adversely affect the interests of the Holders, or to surrender any right or power reserved herein to or conferred herein upon the Community Facilities District which shall not (in the opinion of the Community Facilities District) adversely affect the interests of the Holders;
 - (ii) To make such provisions for the purpose of curing any ambiguity or of curing, correcting or supplementing any defective provision contained herein or in regard to questions arising hereunder which the Community Facilities District may deem desirable or necessary and not inconsistent herewith and which shall not (in the opinion of the Community Facilities District) adversely affect the interests of the Holders;
 - (iii) To authorize the issuance of Additional Bonds and to provide the conditions and terms under which the Additional Bonds may be issued:
 - (iv) To authorize the issuance under and subject to the Law of any refunding bonds for any of the Bonds and to provide the conditions and terms under which such refunding bonds may be issued;

- (v) To make such additions, deletions or modifications as may be necessary or appropriate to ensure compliance with Section 148(f) of the Code relating to the required rebate of excess investment earnings to the United States of America, or otherwise as may be necessary to ensure the exclusion from gross income for purposes of federal income taxation of the interest on the Bonds or the exemption of such interest from State of California personal income taxes; or
- (vi) To make such additions, deletions or modifications as may be necessary or appropriate to maintain any then current rating on the Bonds.

Section 7.02. <u>Disqualified Bonds</u>. Bonds owned or held for the account of the Community Facilities District shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Bonds provided for in this Article or in Article VIII, and shall not be entitled to consent to or take any other action provided for in this Article or in Article VIII.

Supplement. After the effective date of any action taken as hereinabove provided, the Community Facilities District may determine that the Bonds may bear a notation by endorsement in form approved by it as to such action, and in that case upon demand of the Holder of any Bond Outstanding on such effective date and presentation of his or her Bond for such purpose at the Corporate Trust Office of the Trustee a suitable notation as to such action shall be made on such Bond. If the Community Facilities District shall so determine, new Bonds so modified as, in the opinion of the Community Facilities District, shall be necessary to conform to such action shall be prepared and executed, and in that case upon demand of the Holder of any Bond Outstanding on such effective date such new Bonds shall, upon surrender of such Outstanding Bonds, be exchanged at the Corporate Trust Office of the Trustee, without cost to each Holder, for Bonds then Outstanding.

Section 7.04. <u>Amendment or Supplement by Mutual Consent</u>. The provisions of this Article shall not prevent any Holder from accepting any amendment or supplement as to any particular Bonds held by him or her; <u>provided</u>, that due notation thereof is made on such Bonds.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF HOLDERS

Section 8.01. Events of Default and Remedies of Holders. If one or more of the following events (herein "Events of Default") shall happen, that is to say:

(a) if default shall be made by the Community Facilities District in the due and punctual payment of any interest on or principal of or Minimum Sinking Fund Account Payment for any of the Bonds when and as the same shall become due and payable;

- (b) if default shall be made by the Community Facilities District in the observance or performance of any of the other agreements or covenants contained herein required to be observed or performed by it, and such default shall have continued for a period of thirty (30) days after the Community Facilities District shall have been given notice in writing of such default by the Trustee;
- (c) if default shall be made by the Community Facilities District in the due and punctual payment of any indebtedness on a parity with or senior to the Bonds; or
- (d) if the Community Facilities District shall file a petition or answer seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if a court of competent jurisdiction shall approve a petition filed with or without the consent of the Community Facilities District seeking arrangement or reorganization under the federal bankruptcy laws or any other applicable law of the United States of America or any state therein, or if under the provisions of any other law for the relief or aid of debtors any court of competent jurisdiction shall assume custody or control of the Community Facilities District or of the whole or any substantial part of its property;

then in each and every such case during the continuance of such Event of Default any Holder shall have the right for the equal benefit and protection of all Holders similarly situated:

- (a) by mandamus or other suit or proceeding at law or in equity to enforce his rights against the City Council or the Community Facilities District or any of the officers or employees of the Community Facilities District, and to compel the City Council or the Community Facilities District or any such officers or employees to perform and carry out their duties under the Law and the agreements and covenants with the Holders contained herein;
- (b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Holders; or
- (c) by suit in equity upon the nonpayment of the Bonds to require the City Council or the Community Facilities District or its officers and employees to account as the trustee of an express trust.

Section 8.02. <u>Non-Waiver</u>. Nothing in this Article or in any other provision herein or in the Bonds shall affect or impair the obligation of the Community Facilities District, which is absolute and unconditional, to pay the interest on and principal of and redemption premiums, if any, on the Bonds to the respective Holders of the Bonds at the respective dates of maturity or upon redemption prior to maturity as provided herein from the proceeds of the Special Tax and the other funds as provided herein, or shall affect or impair the right of such Holders, which is also absolute and unconditional, to institute suit to enforce such payment by virtue of the contract embodied herein and in the Bonds.

A waiver of any Event of Default or breach of duty or contract by any Holder shall not affect any subsequent Event of Default or breach of duty or contract and shall not impair any rights or remedies on any such subsequent Event of Default or breach of duty or contract. No

delay or omission by any Holder to exercise any right or remedy accruing upon any Event of Default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such Event of Default or breach of duty or contract or an acquiescence therein, and every right and remedy conferred upon the Holders by the Law or hereby may be enforced and exercised from time to time and as often as shall be deemed expedient by the Holders.

If any action, proceeding or suit to enforce any right or exercise any remedy is abandoned or determined adversely to any Holder, the Community Facilities District and such Holder shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

Section 8.03. <u>Remedies Not Exclusive</u>. No remedy herein conferred upon or reserved to the Holders is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

ARTICLE IX

DEFEASANCE

Section 9.01. Discharge of the Bonds.

- (a) If the Community Facilities District shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Outstanding Bonds the interest thereon and the principal thereof and the redemption premiums, if any, thereon at the times and in the manner stipulated therein and herein, then all agreements, covenants and other obligations of the Community Facilities District to the Holders of such Bonds hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Community Facilities District all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the Community Facilities District for deposit in the Community Facilities Fund all money or securities held by it pursuant hereto which are not required for the payment of the interest on and principal of and redemption premiums, if any, on such Bonds.
- (b) Any Outstanding Bonds shall on the maturity date or redemption date thereof be deemed to have been paid within the meaning of and with the effect expressed in subsection (a) of this Section if there shall have been irrevocably deposited with the Trustee money which is sufficient to pay the interest due on such Bonds on such date and the principal and redemption premiums, if any, due on such Bonds on such date.
- (c) Any Outstanding Bonds shall prior to the maturity date or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section if (1) in case any of such Bonds are to be redeemed on any date prior to their maturity date, the Community Facilities District shall have agreed to mail a notice of redemption pursuant to Section 10.14 to the respective

MISCELLANEOUS

Section 10.01. <u>Liability of Community Facilities District Limited to Proceeds of the Special Tax and Certain Other Funds</u>. Notwithstanding anything contained herein, the Community Facilities District shall not be required to advance any money derived from any source of income other than the proceeds of the Special Tax net of Priority Administrative Expenses and the other funds provided herein for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds.

The Bonds are special tax obligations of the Community Facilities District and the interest on and principal of and redemption premiums, if any, on the Bonds are payable solely from the proceeds of the Special Tax (including any prepayments thereof and proceeds from the sale of property collected pursuant to the foreclosure provisions of the Indenture for the delinquency of the Special Tax), net of Priority Administrative Expenses, and amounts in certain funds and accounts established in the Indenture, and the Community Facilities District is not obligated to pay the Bonds except from such funds. The General Fund of the City and the funds of the Community Facilities District are not liable, and neither the full faith and credit of the Community Facilities District nor the City are pledged for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds, and no tax or assessment other than the Special Tax shall ever be levied or collected to pay the interest on or principal of or redemption premiums, if any, on the Bonds. The Bonds are not secured by a legal or equitable pledge of or charge, lien or encumbrance upon any property of the Community Facilities District or any of its income or receipts except the proceeds of the Special Tax (including any prepayments thereof and proceeds from the sale of property collected pursuant to the foreclosure provisions of the Indenture for the delinquency of the Special Tax), net of Priority Administrative Expenses, and amounts in certain funds and accounts established in the Indenture, and neither the payment of the interest on or principal of or redemption premiums, if any, on the Bonds is a general debt, liability or obligation of the Community Facilities District. The Bonds do not constitute an indebtedness of the Community Facilities District within the meaning of any constitutional or statutory debt limitation or restriction, and neither the City Council nor the Community Facilities District nor any officer or employee thereof shall be liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds otherwise than from the proceeds of the Special Tax, net of Priority Administrative Expenses, and such other funds as provided in the Indenture.

Section 10.02. <u>Benefits of the Indenture Limited to Certain Parties</u>. Nothing contained herein, express or implied, is intended to give to any entity or person other than the City Council, the Community Facilities District, the Trustee, and the Holders any right, remedy or claim under or by reason hereof, and any agreement or covenant required herein to be performed by or on behalf of the City Council or the Community Facilities District or any officer or employee thereof shall be for the sole and exclusive benefit of the Trustee and the Holders.

Section 10.03. <u>Successor Is Deemed Included in All References to Predecessor.</u>
Whenever either the City Council or the Community Facilities District or any officer or employee thereof or of the City is named or referred to herein, such reference shall be deemed to include the successor to the powers, duties and functions with respect to the administration, control and management of the Community Facilities District that are presently vested in the City Council or the Community Facilities District or such officer or employee, and all agreements and covenants required herein to be performed by or on behalf of the City Council or the Community Facilities District or any officer or employee thereof shall bind and inure to the benefit of the respective successors thereof whether so expressed or not.

Section 10.04. Execution of Documents by Holders. Any declaration, request or other instrument which is permitted or required herein to be executed by Holders may be in one or more instruments of similar tenor, and may be executed by Holders in person or by their attorneys duly authorized in writing. The fact and date of the execution by any Holder or his attorney of any declaration, request or other instrument or of any writing appointing such attorney may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state or territory in which he or she purports to act that the person signing such declaration, request or other instrument or writing acknowledged to him or her the execution thereof, or by an affidavit of a witness to such execution duly sworn to before such notary public or other officer. The ownership of Bonds and the amount, maturity, number and date of holding the same shall be provided by the registration books required to be kept by the Trustee pursuant to Section 2.09.

Any declaration, request or other instrument or writing of the Holder of any Bond shall bind all future Holders of such Bond with respect to anything done or suffered to be done by the Community Facilities District in good faith and in accordance therewith.

Section 10.05. Deposit and Investment of Money in Accounts and Funds. All money held by the Trustee in any accounts and funds established herein shall be deposited in time or demand deposits in any state or nationally chartered bank or trust company, including the Trustee, or any state or federal savings and loan association, and shall be secured at all times by such obligations as are required by law and to the fullest extent required by law, except such money that is at the time invested in accordance with this Section. Any money in the Acquisition and Construction Fund and in the Special Tax Fund and in the Redemption Account shall be invested by the Trustee pursuant to a Written Request of the Community Facilities District received by the Trustee at least three (3) days before making any such investment in those Permitted Investments specified in such Written Request of the Community Facilities District that mature not later than the date on which it is estimated that such money will be required to be paid out hereunder, and any money in a Bond Reserve Account shall be invested by the Trustee pursuant to a Written Request of the Community Facilities District received by the Trustee at least three (3) days before making any such investment in those Permitted Investments specified in such Written Request of the Community Facilities District that mature not more than five (5) years from the date of purchase by the Trustee, or the final maturity date of any Outstanding Bonds, whichever is earlier; and the Trustee may conclusively rely and determine that any investment specified in any such Written Request of the Community Facilities District is a Permitted Investment or a Federal Security, as the case may be, hereunder; provided, that in the absence of written instructions from the Community Facilities District regarding such investments, such money shall be held uninvested. The Trustee (or any affiliate thereof) may act as principal or agent in the making of any investment hereunder and may impose its customary charges therefor, and shall not be responsible for any losses, taxes, fees or other charge suffered in connection with any investment, reinvestment or liquidation of investments made in accordance herewith. Notwithstanding anything in the Indenture to the contrary, for purposes of any time limitation on the maturity of an investment of moneys in the funds and accounts held thereunder, such investment shall be deemed to satisfy such time limitation if, by its terms and within such time limitation, the Community Facilities District or the Trustee has the right, for any purpose permitted or required under the Indenture, to demand the repurchase, redemption, withdrawal or termination of such investment and to receive at least the outstanding par amount thereof plus accrued interest, without penalty.

All interest received on any such money so deposited or invested which exceeds the requirements of the account or fund from which such money was deposited or invested shall (as specified in a Written Request of the Community Facilities District filed with the Trustee) (subject to the requirements of Section 5.03) be deposited in the Redemption Account, and all losses on any such money so deposited or invested shall be borne by the account or fund from which the deposit or investment was made.

Section 10.06. <u>Waiver of Personal Liability</u>. No member of the City Council or officer or employee of the City, acting for and on behalf of the Community Facilities District, shall be individually or personally liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds, but nothing herein contained shall relieve any member of the City Council or officer or employee of the City from the performance of any official duty provided hereby or by the Law or by any other applicable provisions of law.

Section 10.07. <u>Acquisition of Bonds by Community Facilities District</u>. Any such certificate made or given by an officer of the City, for and on behalf of the Community Facilities District, may be based, insofar as it relates to legal matters, upon a representation made in an Opinion of Counsel unless such officer knows that the representation with respect to the matters upon which his certificate may be based, as aforesaid, is erroneous, or in the exercise of reasonable care should have known that the same was erroneous. Any such Opinion of Counsel may be based, insofar as it relates to factual matters information with respect

The Community Facilities District hereby declares that it would have executed the Indenture and each and every other article, section, paragraph, subdivision, sentence, clause and phrase hereof and would have authorized the issuance of the Bonds pursuant hereto irrespective of the fact that any one or more of the articles, sections, paragraphs, subdivisions, sentences, clauses or phrases hereof or the application thereof to any person or circumstance may be held to be unconstitutional, unenforceable or invalid.

The Bonds maturing on September 1, 20[_], are subject to mandatory redemption by the Community Facilities District prior to their maturity date in part on September 1 in each of the years 20[_] through 20[_], both years inclusive; and the Bonds maturing on September 1, 20[_], are subject to mandatory redemption by the Community Facilities District prior to their maturity date in part on September 1 in each of the years 20[_] through 20[_], both years inclusive, in each case solely from Minimum Sinking Fund Account Payments deposited in the Sinking Fund Subaccount, upon mailed notice as hereinafter provided, at a redemption price of one hundred percent (100%) of the principal amount thereof called for redemption together with accrued interest thereon to the date of redemption.

The Bonds are subject to optional redemption by the Community Facilities District prior to their respective maturity dates as a whole or in part on any date on or after September 1, 20[__], from funds derived by the Community Facilities District from any source other than such Minimum Sinking Fund Account Payments deposited in the Sinking Fund Subaccount or such

prepayments of the Special Tax, upon mailed notice as hereinafter provided, at the following redemption prices (computed upon the principal amount of the Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption, to wit:

103% if redeemed on any date on or after September 1, 20[] through August 31, 20[];
102% if redeemed on any date from September 1, 20[_] through August 31, 20[_];
101% if redeemed on any date from September 1, 20[] through August 31, 20[]; and

The Bonds are subject to extraordinary redemption by the Community Facilities District prior to their respective maturity dates, as a whole or in part on any interest payment date on and after [September 1, 2022], from funds derived by the Community Facilities District from prepayments of the Special Tax, upon mailed notice as hereinafter provided, at the following redemption prices (computed upon the principal amount of the Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption, to wit:

103% if redeemed on an interest payment date on or after September 1, 20[] through March 1, 20[];
102% if redeemed on an interest payment date on September 1, 20[] or March 1, 20[];

If less than all the Outstanding Bonds are to be redeemed at the option of the Community Facilities District at any one time, the Bonds of the latest maturity date or dates shall be redeemed prior to or simultaneously with the redemption of the Bonds maturing prior thereto, and if less than all the Outstanding Bonds of any one maturity date are to be redeemed at any one time, the Trustee shall select the Bonds or the portions thereof of such maturity date to be redeemed in integral multiples of five thousand dollars (\$5,000) in a manner that it deems appropriate and fair.

Notice of redemption of this Bond or any portion hereof shall be mailed by the Trustee to the registered owner hereof and to those securities depositories and securities information services selected by the Community Facilities District in accordance with the Indenture, but neither failure to receive any such mailed notice nor any immaterial defect contained therein shall affect the sufficiency or validity of such proceedings for redemption. Any notice of

optional redemption may be rescinded by written notice given by the Community Facilities District to the Trustee no later than three (3) Business Days prior to the date specified for redemption. The Trustee shall give notice of rescission of the notice of optional redemption or non-satisfaction of any conditions specified in the notice of optional redemption as soon as practicable to the same parties and in the same manner as the notice of redemption was given pursuant to the Indenture.

If notice of redemption has been duly given and not rescinded as aforesaid and money sufficient for the payment of the principal of and redemption premiums, if any, on, together with interest to the redemption date on, this Bond or portion thereof so called for redemption has been irrevocably deposited with the Trustee, then this Bond or the portion thereof to be redeemed shall, on the redemption date designated in such notice, become due and payable at the above-described redemption price; and from and after the date so designated interest on this Bond or the portion thereof to be redeemed shall cease to accrue and the registered owner of this Bond shall have no rights in respect hereof except to receive payment of the redemption price of this Bond or the portion thereof to be redeemed, and upon surrender of this Bond if redeemed in part only, the Community Facilities District shall execute and the Trustee shall authenticate and deliver to the registered owner hereof at the expense of the Community Facilities District a new Bond or Bonds equal in aggregate principal amount to the unredeemed portion of this Bond so surrendered.

The Community Facilities District has covenanted that, so long as any Bonds are Outstanding, it will annually levy the Special Tax against all Taxable Property in the Improvement Area and make provision for the collection of the Special Tax in amounts which will be sufficient, together with the money then on deposit in the Redemption Account, after making reasonable allowances for contingencies and errors in the estimates, to yield proceeds equal to the amounts required for compliance with the agreements, conditions, covenants and terms contained in the Indenture, and which in any event will be sufficient to pay the interest on and principal of and Minimum Sinking Fund Account Payments for and redemption premiums, if any, on the Bonds as they become due and payable and to replenish each Bond Reserve Account established under the Indenture and to pay all current Expenses as they become due and payable in accordance with the provisions and terms of the Indenture.

The Bonds are issuable in the form of fully registered bonds. The registered owner of any Bond or Bonds may surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his or her duly authorized attorney) in exchange for an equal aggregate principal amount of Bonds of the same series and maturity date in the manner, subject to the conditions and upon payment of the charges provided in the Indenture.

The registration of this Bond is transferable on the registration books kept by the Trustee by the registered owner hereof or by his or her duly authorized attorney upon surrender of this Bond together with a written instrument of transfer satisfactory to the Trustee duly executed by the registered owner or his or her duly authorized attorney, and thereupon a new Bond or Bonds of the same series and maturity date in the same aggregate principal amount will be issued to the transferee in exchange therefor in the manner, subject to the conditions and terms and upon payment of the charges provided in the Indenture. The Community Facilities District and the Trustee shall be entitled to conclusively treat the person in whose name this Bond is registered as

the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal hereof and redemption premium, if any, hereon and for all other purposes.

The rights and obligations of the Community Facilities District and of the registered owners of the Bonds may be amended at any time in the manner, to the extent and upon the terms provided in the Indenture, and in certain circumstances without the consent of such registered owners, but no such amendment shall (1) extend the maturity of this Bond or reduce the interest rate hereon or otherwise alter or impair the obligation of the Community Facilities District to pay the interest hereon or principal hereof or Minimum Sinking Fund Account Payment herefor or redemption premium, if any, hereon at the time and place and at the rate and in the currency and from the funds provided herein without the express written consent of the registered owner of this Bond, or (2) permit the issuance by the Community Facilities District of any obligations payable from the proceeds of the Special Tax other than as provided in the Indenture, or jeopardize the ability of the Community Facilities District to levy and collect the Special Tax, or (3) reduce the percentage of Bonds required for the written consent to an amendment of the Indenture, or (4) modify any rights or obligations of the Trustee without its prior written assent thereto; all as more fully set forth in the Indenture.

The Bonds do not constitute an indebtedness of the Community Facilities District within the meaning of any constitutional or statutory debt limitation or restriction, and neither the City Council of the City nor the Community Facilities District nor any officer or employee thereof or of the City shall be liable for the payment of the interest on or principal of or redemption premiums, if any, on the Bonds otherwise than from the proceeds of the Special Tax, net of Priority Administrative Expenses, and such other funds, as provided in the Indenture.

This Bond shall not be entitled to any benefits under the Indenture or become valid or obligatory for any purpose until the certificate of authentication and registration hereon endorsed shall have been manually signed by an authorized signatory of the Trustee.

It is hereby certified that all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law and that the amount of this Bond, together with all other obligations of the Community Facilities District, does not exceed any limit prescribed by the laws of the State of California and is not in excess of the principal amount of the Bonds permitted to be issued under the Indenture.

IN WITNESS WHEREOF, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signature of the Mayor of the City and countersigned by the manual or facsimile signature of the City Clerk of the City, and has caused this Bond to be dated [CLOSING DATE].

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds. See "TAX MATTERS."

The Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Revenue Bonds, Series 2022 (the "Bonds") are being issued by the Folsom Ranch Financing Authority (the "Authority") to provide funds to finance the purchase of limited obligation special tax bonds (the "Local Obligations"), issued by the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the "District"). The purchase price of the Local Obligations will be used to finance the acquisition of certain public facilities, fund a debt service reserve account, fund capitalized interest to September 1, 2022, and pay certain costs of issuance of the Local Obligations and Bonds.

The Bonds are being issued by the Authority pursuant to a Trust Agreement (the "Trust Agreement") among the District, the Authority and U.S. Bank Trust Company, National Association, as trustee (the "Trustee") and will be secured by a pledge of the Trust Estate, as defined herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

The Bonds are special, limited obligations of the Authority. The Bonds are payable solely from and secured by the Trust Estate of the Authority pledged under the Trust Agreement, consisting primarily of payments received by the Authority from the District under the Local Obligations, which payments are secured by a lien of the Special Taxes (defined herein) levied upon property within Improvement Area No. 3 of the District (the "Improvement Area"), as more fully described herein. Payments under the Local Obligations are calculated to be sufficient to permit the Authority to pay the principal of, and interest on, the Bonds when

The Local Obligations Indenture (defined herein) for the Local Obligations establishes a debt service reserve fund (the "Local Obligations Reserve Fund") with a debt service reserve account therein for the Local Obligations (the "Local Obligations Reserve Account"). Pursuant to the Local Obligations Indenture, a deposit is being made to the Local Obligations Reserve Account for the Local Obligations. Amounts available from the Local Obligations Reserve Account are not available to make up a deficiency for the payment of principal and interest on the Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—Local Obligations Reserve Account."

The Bonds are being issued only as fully registered bonds registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC") and interest thereon is payable on September 1 and March 1 of each year, commencing September 1, 2022, by the Trustee to DTC. DTC will in turn remit principal or redemption price and interest to the DTC participants, which will in turn remit such principal or redemption price and interest to the Beneficial Owners of the Bonds, as described herein. DTC will act as securities depository for the Bonds. Individual purchases will be made in book-entry only form in the principal amount of \$5,000 or integral multiple thereof. Purchasers of the Bonds will not receive instruments representing their interest in the Bonds purchased. See APPENDIX F-"DTC AND THE BOOK-ENTRY ONLY SYSTEM."

The Bonds are subject to optional, extraordinary and mandatory redemption as described herein. See "THE BONDS-Redemption Provisions."

THE AUTHORITY HAS NO TAXING POWER. EXCEPT FOR THE TRUST ESTATE, NO OTHER REVENUES OR TAXES ARE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE AUTHORITY, THE DISTRICT OR THE CITY, BUT ARE LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, DERIVED PRIMARILY FROM PAYMENT ON THE LOCAL OBLIGATIONS FROM THE PAYMENT OF THE SPECIAL TAXES LEVIED WITHIN THE IMPROVEMENT AREA AS MORE FULLY DESCRIBED HEREIN.

\$9,100,000* FOLSOM RANCH FINANCING AUTHORITY CITY OF FOLSOM COMMUNITY FACILITIES DISTRICT NO. 23 (FOLSOM RANCH) IMPROVEMENT AREA NO. 3 SPECIAL TAX REVENUE BONDS SERIES 2022

INTRODUCTION

The description and summaries of various documents hereinafter set forth do not purport to be comprehensive or definitive, and reference is made to each document for the complete details of all terms and conditions. All statements herein are qualified in their entirety by reference to each document. All capitalized terms used in this Official Statement and not otherwise defined herein have the same meaning as in the Trust Agreement (defined below) or the Local Obligations Indenture (defined below), as applicable.

General

This Official Statement, including the cover page, the inside cover page and the Appendices hereto, is provided to furnish certain information in connection with the issuance and sale by the Folsom Ranch Financing Authority (the "Authority") of \$9,100,000* aggregate principal amount of Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Revenue Bonds, Series 2022 (the "Bonds").

Authority for Issuance

The Bonds will be issued pursuant to the provisions of the Trust Agreement (the "Trust Agreement") among the Authority, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the "District"), and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as authorized pursuant to a resolution of the Authority. The Bonds will be issued pursuant to the Marks-Roos Local Bond Pooling Act of 1985, as amended, constituting Article 4 of Chapter 5, Division 7, Title 1 of the Government Code of the State of California. The Bonds will be issued as fully registered bonds in book-entry form, in denominations of \$5,000 each or any integral multiple thereof and will be dated the date of delivery thereof and bear interest at the rates set forth on the inside front cover page hereof. See "THE BONDS—Description of the Bonds."

Purpose

The Bonds are being issued to finance the purchase of the limited obligation special tax bonds (the "Local Obligations"), issued by the District pursuant to an Indenture (the "Local Obligations Indenture") between the District and U.S. Bank Trust Company, National Association, as trustee (the "Local Obligations Trustee"). The purchase price of the Local Obligations will be used to finance the acquisition of certain public facilities, fund a debt service reserve account, fund capitalized interest to September 1, 2022, and pay certain costs of issuance of the Local Obligations and Bonds. See "PLAN OF FINANCE" and "THE IMPROVEMENT AREA."

The Local Obligations are authorized pursuant to (i) the provisions of the Mello-Roos Community Facilities Act of 1982, as amended, constituting Section 53311, et seq. of the California Government Code (the "Mello-Roos Act"), (ii) a resolution of the City Council of the City of Folsom (the

^{*} Preliminary, subject to change.

"City") as legislative body of the District adopted on July 12, 2022, and (iii) the Local Obligations Indenture. The Local Obligations are payable from the special taxes authorized to be levied and collected annually upon taxable real property within Improvement Area No. 3 of the District (the "Improvement Area"). See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—General."

Security for the Bonds

The Bonds are special, limited obligations of the Authority, payable from and secured by the Trust Estate (as defined herein) received by the Authority consisting primarily of payments received from the District as debt service payments on the Local Obligations.

The Local Obligations will be issued with an annual scheduled debt service that results in at least 110% annual debt service coverage for the Local Obligations from Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues for Developed Property as of June 16, 2022, and Effective Tax Rate Evaluation Minimum Facilities Revenues for the remaining Taxable Property expected to be generated in the Improvement Area, net of Priority Administrative Expenses (each as defined below). Although the scheduled payments under the Local Obligations are sufficient, in the aggregate, to provide the Authority with moneys to pay the principal of, premium, if any, and interest on the Bonds when due (see "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS"), investment in the Bonds involves a substantial degree of risk that may not be appropriate for some investors. See "CERTAIN RISKS TO BONDHOLDERS" below.

The Local Obligations are secured by a pledge of special taxes received by the District (the "Special Tax" or the "Special Taxes," as the context requires) (including any prepayment thereof and proceeds from foreclosure sales pursuant to the Local Obligations Indenture), net of Priority Administrative Expenses, and the Local Obligations Reserve Account established under the Local Obligations Indenture. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS." The Special Taxes are included on the regular property tax bill sent to the record owners of taxable properties within the Improvement Area. The District has covenanted in the Local Obligations Indenture to commence judicial foreclosure proceedings against property with delinquent Special Taxes and to diligently pursue such proceedings to completion; provided, however, that the District is not obligated under the Local Obligations Indenture to commence such judicial foreclosure proceedings on any delinquent installment of the Special Tax for any Fiscal Year in which the District has received one hundred percent (100%) of the amount of such installment from the County of Sacramento (the "County") pursuant to the Teeter Plan (described below). See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Payment of the Local Obligations," "—Special Tax Authorization," "—Covenant for Foreclosure" and "—The Teeter Plan."

The Special Taxes secure only the Local Obligations. For this reason, a delinquency or default in the payment of Special Taxes could cause a default in the payments of principal and interest on the Bonds if moneys in the Local Obligations Reserve Account are insufficient to make up the deficit in debt service for the Local Obligations caused by such delinquency or nonpayment.

NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE DISTRICT, THE AUTHORITY, THE STATE OF CALIFORNIA (THE "STATE") OR ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE AUTHORITY HAS NO TAXING POWER. EXCEPT FOR THE TRUST ESTATE, NO OTHER REVENUES OR TAXES ARE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE AUTHORITY, THE DISTRICT OR THE CITY, BUT ARE LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, DERIVED PRIMARILY FROM DEBT SERVICE PAYMENTS ON THE LOCAL

OBLIGATIONS FROM THE PAYMENT OF THE SPECIAL TAXES LEVIED WITHIN THE IMPROVEMENT AREA AS MORE FULLY DESCRIBED HEREIN.

The Improvement Area

General. The Improvement Area is located in the southern portion of the City, west of East Bidwell Street, north of Mangini Parkway and south of U.S. Highway 50 and consists of over 272 total gross acres, of which approximately 178 acres are subject to the Special Tax. Presently, the Improvement Area includes properties in varying stages of development, including partially-improved lots, improved lots, homes under construction and completed homes. Collectively, these properties are planned to include 751 single-family/single-family high density units and 168 multi-family low density units, all of which are expected to be constructed as age-restricted (55+) residential homes.

Formation Proceedings. The District was formed by the City pursuant to the Mello-Roos Act. The Mello-Roos Act was enacted by the California legislature to provide an alternative method of financing certain public capital facilities and services, especially in developing areas of the State. Any local agency (as defined in the Mello-Roos Act) may establish a community facilities district to provide for and finance the cost of eligible public facilities, development-related fees, and services. Subject to approval by two-thirds of the votes cast at an election and compliance with the other provisions of the Mello-Roos Act, a legislative body of a local agency may issue bonds for a community facilities district and may levy and collect a special tax within such district to repay such indebtedness.

Pursuant to the Mello-Roos Act, the City Council undertook proceedings to form the District, initially designating six separate improvement areas therein, including the Improvement Area, and called an election to authorize the incurring of bonded indebtedness and authorize the levy of special taxes within the District. On May 26, 2020, elections were held within the District for each improvement area therein at which the eligible voters in each improvement area approved the levy of special taxes in accordance with the respective Rate and Method of Apportionment of Special Tax for such improvement area. In addition, the eligible voters in the Improvement Area initially authorized the issuance of bonds in an amount not to exceed \$124,000,000 for the Improvement Area. In December 2021, a seventh improvement area was designated within the District and change proceedings for the Improvement Area were held, whereby the eligible voters in the Improvement Area approved amended boundaries for the Improvement Area, an Amended and Restated Rate and Method of Apportionment for Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 (the "Amended Rate and Method of Apportionment") and a reduction in the maximum principal amount of bonded indebtedness that may be issued for and paid by Improvement Area to \$15,750,000. The amended boundary map for the Improvement Area is included above immediately following the regional, statewide and City context maps, and the Amended Rate and Method of Apportionment is included as APPENDIX A hereto and summarized herein under 'SECURITY AND SOURCES OF PAYMENT FOR THE BONDS - Special Tax Analysis."

Property Ownership and Development Status

The planned development within the Improvement Area includes a gated residential adult active community for residents age 55+ years known as Regency at Folsom Ranch, which is expected to contain 919 residential units at completion, including 751 single-story/single-family detached units and 168 single-story/multi-family paired units otherwise known as duets. Regency at Folsom Ranch is expected to include five separate product lines of homes known as Sequoia, Redwood, Mendocino, Shasta, and Tahoe, on lots ranging from approximately 3,440 square feet to approximately 6,175 square feet, with homes ranging from approximately 1,400 square feet to approximately 2,450 square feet, and with three separate floor plans for each product line. Planned amenities include an 18,000 square foot clubhouse

with access to onsite food and beverage services, an indoor pool, an outdoor pool and spa, fitness center, barbeque pavilion, event lawns, pickleball and bocce ball courts, gathering areas, two dog parks, and access to miles of outdoor trails and biking paths. See "PROPOSED PROPERTY DEVELOPMENT."

As of June 16, 2022, the entirety of the taxable residential property within the Improvement Area was owned by Toll West Inc., d/b/a Toll Brothers West Inc., a Delaware corporation (the "Developer"), and was in varying stages of development, including partially-improved lots, improved lots, homes under construction and completed model homes. As of June 16, 2022, the Developer had completed the construction of 15 model homes (three for each product line) that were open to the public and had sold (but not closed) 155 production homes. Homes under contract may not result in closed escrows as sales contracts are subject to cancellation. As of June 16, 2022, final maps authorizing the subdivision of a portion of the property within the Improvement Area into 443 residential lots had been recorded, and tentative maps had been approved for the remaining 476 proposed residential lots. The Developer expects to receive final map approval for an additional 100 residential lots by December 2022 and final map approval for the remaining 376 residential lots between 2023 and mid-2025. See "PROPOSED PROPERTY DEVELOPMENT—Development Entitlements—Tentative and Final Mapping" for a discussion of these zoning entitlements within the Improvement Area.

As of June 16, 2022, the amenities being constructed by the Developer within the Improvement Area were approximately 30% complete and anticipated to be complete by March 2023. The Developer is also in the process of completing the required backbone improvements for the Improvement Area, which it anticipates completing by fall 2023.

The following table summarizes, as of June 16, 2022, the development status of the residential lots and homes proposed to be constructed within each of the five product lines within the Improvement Area.

Property Values

An appraisal of the taxable property within the Improvement Area dated June 15, 2022 (the "Appraisal") was prepared by Integra Realty Resources, Sacramento, California (the "Appraiser"). The purpose of the appraisal was to estimate the aggregate value of the fee simple interest, subject to the special tax and based upon a hypothetical condition, for all of the taxable property within the Improvement Area. Subject to the assumptions, hypothetical condition and limiting conditions contained in the Appraisal, the Appraiser estimated that the taxable property within the Improvement Area had an estimated aggregate value of \$110,464,000 as of June 1, 2022. See "THE IMPROVEMENT AREA—Property Values."

Bondholders Risks

Investment in the Bonds involves a substantial degree of risk that may not be appropriate for some investors. For a discussion of certain considerations relevant to an investment in the Bonds, in addition to the other matters set forth herein, see "CERTAIN RISKS TO BONDHOLDERS." Investors should read the entire Official Statement to obtain information essential to the making of an informed investment decision.

Continuing Disclosure

The District will agree to provide certain annual financial information and operating data by not later than April 1 in each year, commencing April 1, 2023 (the "Annual Report"), and to provide notices of the occurrence of certain enumerated events. The Annual Report and notices will be filed with the Municipal Securities Rulemaking Board's Electronic Municipal Market Access database ("EMMA"). The specific nature of the information to be contained in the Annual Report or the notices of enumerated events is set forth in APPENDIX D—"FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS." These covenants have been made in order to assist the Underwriter in complying with S.E.C. Rule 15c2-12.

The Developer will covenant for the benefit of the Bondholders to provide certain information relating to the Developer and its development within the Improvement Area no later than March 31 and September 30 in each year, commencing March 31, 2023 (collectively, the "Disclosure Reports"), and to provide notices of the occurrence of certain enumerated events. The Disclosure Reports and notices will be filed with EMMA. The specific nature of the information to be contained in the Disclosure Reports or the notices of enumerated events is set forth in APPENDIX D—"FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS." The obligation of the Developer will terminate upon the occurrence of certain events as set forth in the Developer's Continuing Disclosure Certificate, including at such time as the Developer and its Affiliates (as defined in the Continuing Disclosure Agreement), in the aggregate, own less than [144] of the residential lots (or land planned to be subdivided into [144] residential lots) within the Improvement Area.

FOLSOM PLAN AREA

General Folsom Plan Area Plan of Finance

In 2001, the City commenced plans to expand its sphere of influence area to include an area south of US Route 50. The area, known as the Folsom Plan Area is bordered to the west by Prairie City Road, the east by the Sacramento/El Dorado County boundary line, the north by US Route 50, and the south by White Rock Road. In November 2004, the citizens of the City adopted Measure W ("Measure W"), which specified certain requirements for annexing the Folsom Plan Area into the City. In June 2011, the City adopted its Folsom Plan Area Specific Plan (the "Specific Plan"). The Local Agency Formation Commission approved the City's plan to annex the Folsom Plan Area on January 18, 2012.

As described below, the Folsom Plan Area is an area of approximately 3,500 acres in the southern portion of the City that has been approved for development of approximately 11,461 units of residential development, plus 274.5 acres of commercial/industrial development (including mixed use development). Over the build out of the property, the City anticipates using community facilities districts under the Mello-Roos Act to finance a large portion of the public infrastructure required for the development, plus certain maintenance obligations of public improvements and facilities.

The City has previously issued a series of bonds for its Community Facilities District No. 17 (Willow Hill Pipeline) ("CFD 17") to finance certain public capital improvements for the benefit of the Folsom Plan Area in the principal amount of \$6,675,000, of which \$5,870,000 are currently outstanding. The City has also formed its Community Facilities District No. 18 (Folsom Plan Area - Area-Wide Improvements and Services) ("CFD 18") to finance certain water and sewer improvements and a regional aquatic center along with maintenance and certain services. CFD 18 encompasses all of the property within the Folsom Plan Area, which is the CFD 17 property plus approximately 190 acres bordering El Dorado County in the eastern portion of the City south of US Route 50. The City has authorized the issuance of up to \$200,000,000 in bonds for CFD 18. The timing of issuance of bonds for CFD 18 is dependent upon market conditions and development within the Folsom Plan Area. The City currently anticipates that an initial series of CFD 18 bonds in an estimated amount between \$25 million to \$30 million will be issued in the fourth quarter of 2022 to help finance at least a portion of the required Phase 2 Water Facilities (as defined herein). See "PROPOSED PROPERTY DEVELOPMENT—Development Entitlements—Water Supply Infrastructure." The boundaries of CFD 17 and CFD 18 encompass nearly all of the property in the Folsom Plan Area, including the property in the Improvement Area. The Improvement Area represents approximately 8.1% by acres of CFD 17 and approximately 7.8% by acres of CFD 18. The allocable portion of bonds previously issued for CFD 17 and any bonds to be issued for CFD 18 constitute overlapping debt. See "THE IMPROVEMENT AREA—Overlapping Debt."

Public Facilities Financing Plan

Measure W, adopted by City of Folsom residents in November 2004, required, among other things, that residents north of US Route 50 not bear the cost for infrastructure and public facilities serving the Folsom Plan Area. The City adopted a Public Facilities Financing Plan ("PFFP") for the Folsom Plan Area on January 14, 2014. The PFFP provides an overview of how the infrastructure required for the development of the Folsom Plan Area will be financed and constructed and how various public facilities will be financed and maintained to ensure that public facilities and infrastructure will be available for the orderly development of the Folsom Plan Area without cost to the residents of the City north of US Route 50 and without an adverse impact on the service levels provided to future residents of the Folsom Plan Area.

The PFFP contemplates that the primary sources of funding for the construction of the public infrastructure and facilities in the Folsom Plan Area are community facilities districts, development impact fees collected upon permit issuance (including development impact fees of the Folsom Cordova Unified School District), direct developer financing, and matching state school grants and other school funding (including the school facilities improvement district described under "THE IMPROVEMENT AREA—Overlapping Debt"). Subdivision improvements are not included as part of the PFFP.

On September 8, 2015, the City approved Resolution No. 9641, in which the City Council adopted a Nexus Study to collect certain impact fees for the Specific Plan to be collected in accordance with City Ordinance No. 1234. In addition, on the same date, the City approved Resolution No. 9642, in which the City Council adopted a Nexus Study for the Specific Plan Infrastructure Fees (the "SPIF") to be collected for the Specific Plan and in accordance with Ordinance No. 1235 and Chapter 3.130 of the Folsom Municipal Code. Most recently, on January 9, 2018, the City of Folsom approved Resolution No. 10040, amending Resolution No. 9641, to adjust the initial Folsom Plan Area Development Impact Fees. On the same date, the City approved Resolution No. 10059, adopting the Nexus Study Fiscal Year 2017-18 Update for the SPIF, and setting the updated infrastructure fees. On July 28, 2020, the City approved Resolution No. 10491, in which the City adopted the Nexus Study Fiscal Year 2020-21 Update for the Folsom Plan Area SPIF. On this date, the City also introduced and had the first reading for City Ordinance No. 1307, in which the City amended sections 3.130.010(JJ) and 3.130.030(E)(1)(c) of the Folsom Municipal Code pertaining to the SPIF Set-Aside Component of the SPIF. The SPIF Set-Aside was amended to include a new SPIF Off-Site Water Set-Aside Component to repay the City for water treatment plant costs the City had previously incurred. On August 25, 2020, the City conducted the second reading and approved Ordinance No. 1307.

Phasing of Development. For purposes of setting the PFFP costs, the City projected single family units would be sold and occupied within 13 years, multi-family low density units within 15 years, and multi-family medium and high density units within 18 years.

Backbone Infrastructure. The PFFP provides for the financing or collection of impact fees for and the construction of the backbone infrastructure required before construction in the Folsom Plan Area can proceed. Specifically, the PFFP recognizes the need for roadway improvements, on-site water system improvements, off-site water system improvements, recycled water system improvements, sanitary sewer system improvements, storm drainage system improvements, habitat mitigation, and construction of two freeway interchanges and improvements to an existing freeway interchange.

Public Facilities – the Folsom Plan Area. The PFFP describes plans for the financing of public schools, parks, transit services, trails, police and fire facilities and equipment, municipal service center, a corporation yard, solid waste facilities, a library, general capital improvements, transportation, and a community and aquatic center. The PFFP anticipates that the land for the public facilities will be dedicated to the City without cost to the City.

The Folsom Plan Area is currently being served by the existing fire resources of the City as well as other Sacramento County, El Dorado County and Placer County fire agencies through mutual aid agreements with the City. As noted in the PFFP, the City's goal is to maintain a level of service that represents a rate of 1 station per 12,000 population, which the City expects to resolve by commencing construction on the first fire station servicing the Folsom Plan Area during the third quarter of 2022. The City currently expects construction of this first fire station to last approximately 18 months and to be completed during the first quarter of 2024.

The estimated total cost of the backbone infrastructure and public facilities for the Folsom Plan Area at build-out is \$876,669,484 (in 2017 dollars), of which the City anticipates that a portion will be financed through the Folsom Plan Area SPIF and the issuance of bonds for CFD 18, the Improvement Area or other community facilities districts and improvement areas. This estimate is subject to a variety of construction and market risks. The City and the District can provide no assurances that the overall costs will not increase, even significantly, in the future. The following table shows the breakdown of overall estimated costs for each category of improvement within the Folsom Plan Area as a whole.

Development within the Folsom Plan Area, including within the Improvement Area, is dependent upon completion of certain of the above described infrastructure. Folsom Plan Area Development

The Folsom Plan Area is comprised of approximately 3,500 acres zoned for 11,460 residential units and 2.8 million square feet of commercial, office and industrial space. Through multiple acquisitions beginning in 2012, affiliates of WestLand Capital Partners, L.P. ("WestLand") acquired nearly 2,400 acres within the Folsom Plan Area, including approximately 8,350 dwelling units, 1.2 million square feet of commercial, office and industrial space, as well as several sites for elementary, middle and high schools.

⁽³⁾ Community and Aquatic Center was not included in the Nexus Study Update. Estimated cost based on original PFFP costs in 2013 dollars increased by 3.02%, similar to the cost increases for the Folsom Plan Area Specific Plan Stand Alone Fee facilities included in the Nexus Study Update.

Since development began in May 2017, WestLand affiliates have invested more than \$250 million into backbone infrastructure and subdivision improvements to support the development of nearly 3,000 single-family dwelling units, as well as three separate sites for multifamily development. Many of the region's largest public and private homebuilders have been actively building in the Folsom Plan Area, including the Developer, Lennar Homes of California ("Lennar"), Taylor Morrison, Tri Pointe Homes Holdings, KB HOME Sacramento, Beazer Homes Holdings, Meritage Homes, Richmond American, The New Home Company, Signature Homes, Van Daele Homes, A.G. Spanos Company, and St. Anton Communities. The Developer began developing the Improvement Area in 2020 and, as of May 31, 2022, had invested over \$71 million to develop the Improvement Area to be able to construct homes for sale to individual homeowners.

Other community developments in the Folsom Plan Area include, but are not limited to, Russell Ranch and White Rock Springs Ranch, which consist of an additional 1,500 units of single-family housing. Infrastructure investment in these two communities, as of April 2022, was estimated by East Carpenter Improvement Company ("ECIC"), one of the master developers responsible for the initial improvement of a portion of the District, to have exceeded \$200 million since development began in 2017.

Affiliates of Pacific Coast Capital Partners ("PCCP"), known as the Eagle group of companies ("Eagle"), own a majority of the non-residential land uses in the Folsom Plan Area. In two separate transactions, Eagle sold 40-acre development parcels to Dignity Health and UC Davis Health, two of the region's major healthcare providers, for hospital and medical campus facilities. Development for the Dignity Health campus began in 2021, and significant investments in land development have been made there. The UC Davis Health property is planned to commence development in 2023.

WestLand affiliates' remaining land holdings include nearly 3,500 dwelling units and 1.2 million square feet of commercial and office uses. Lennar, PCCP, UC Davis Health, Dignity Health, Elliott Homes and other landowners control an additional 2,500 residential lots and 1.5 million square feet of commercial development space. Infrastructure planning, design and engineering is underway to support the development of these remaining properties and, as of April 2022, was anticipated by ECIC to exceed \$200 million over the next three to five years.

The Folsom Plan Area, including Folsom Ranch and Russell Ranch, is widely considered to be the premier master-planned community in the Sacramento region. In 2021 alone, over 900 building permits were issued in the Folsom Plan Area, and homebuilders have enjoyed sustained demand and pricing power as they continue to build out some of the most attractive housing in Northern California.

PLAN OF FINANCE

Facilities to be Financed

The Bonds are issued for the purpose of providing funds to purchase the Local Obligations. The Local Obligations are being issued to finance the acquisition of certain public capital improvements more particularly described in the Resolution of Formation adopted by the City Council of the City on May 26, 2020. The City and the Developer anticipate entering into an acquisition agreement wherein the City will agree to use a portion of the proceeds of the Local Obligations to finance the acquisition from the Developer of those facilities set forth in the acquisition agreement. Such facilities are expected to consist of certain transportation improvements, water system improvements, recycled water system improvements, drainage system improvements, wastewater system improvements, park, parkway and open space improvements, Specific Plan Infrastructure Fee program improvements and certain Specific Plan Infrastructure Fee obligations (collectively, the "Facilities"). Construction of the Facilities is required for development within the Improvement Area and the District to be completed.

Proceeds from the Local Obligations are expected to finance some, but not all, of the Facilities eligible to be financed within the District, and the District expects to issue one or more series of bonds to finance the acquisition of additional facilities in the future. See "PROPOSED PROPERTY DEVELOPMENT – Development Plans of Finance."

THE BONDS

General

The Bonds are secured by a pledge of amounts paid with respect to the Local Obligations. The Local Obligations are secured by a pledge of Special Taxes (net of Priority Administrative Expenses) levied against taxable property within the Improvement Area. See "DEBT SERVICE SCHEDULE" and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS." The Local Obligations are secured by a pledge of Special Taxes (net of Priority Administrative Expenses) on parity with any Additional Local Obligations (defined below).

The Local Obligations Indenture establishes a Local Obligation Reserve Fund and a Local Obligations Reserve Account therein with respect to the Local Obligations. Amounts available from the Local Obligations Reserve Account are available to pay debt service on the Local Obligations. The Local Obligations Indenture requires the funding of separate debt service reserve accounts for the Local Obligations and any Additional Local Obligations, each of which may be used only to pay the principal of and interest on the related series of special tax bonds issued under the Local Obligations Indenture. There is no reserve fund with respect to the Bonds. Amounts available from the Local Obligations Reserve Account are not available to cure a deficiency generally in the Trust Estate to make debt service payments on the Bonds.

Description of the Bonds

General. The Bonds will be dated their date of delivery and mature on September 1, as set forth on the inside front cover page hereof (each, a "Principal Payment Date"). Interest is payable semiannually on September 1 and March 1 of each year, commencing September 1, 2022 (each, an "Interest Payment Date").

The Bonds will be issued as fully registered bonds, without coupons, in denominations of \$5,000, or any integral multiple thereof. The Bonds will be issued in book-entry only form and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as securities depository for the Bonds. So long as the Bonds are in book-entry only form, principal of and redemption premium, if any, on the Bonds will be payable to DTC or its nominee, who will in turn remit such payments to DTC Participants for subsequent disbursement to the Beneficial Owners. See APPENDIX F—"DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Principal of, and redemption premium, if any, on the Bonds is payable at the corporate trust office of the Trustee. Interest on the Bonds will be paid only to the registered owners as shown on the Trustee's books as of the fifteenth day of the calendar month next preceding each Interest Payment Date (the "Record Date"), except that in the case of an owner of \$1,000,000 or more in aggregate principal amount of Bonds outstanding, payment will be made at the owner's option by wire transfer of immediately available funds to an account in a bank or trust company or savings bank that is a member of the Federal Reserve System and that is located in the continental United States of America according to instructions provided by such owner to the Trustee and received no later than the Record Date for such Interest Payment Date.

The Bonds are special, limited obligations of the Authority. The Bonds are payable solely from and secured by the Trust Estate of the Authority pledged under the Trust Agreement, consisting primarily of payments received by the Authority from the District under the Local Obligations, which payments are secured by a lien of the Special Taxes (defined herein) (net of Priority Administrative Expenses) levied upon property within the Improvement Area, as more fully described herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS."

Payments under the Local Obligations are calculated to be sufficient to permit the Authority to pay the principal of, and interest on, the Bonds when due. Pursuant to the Local Obligations Indenture, a Local Obligations Reserve Account is established for the Local Obligations. Amounts available from the Local Obligations Reserve Account are *not* available to cure a deficiency in the Trust Estate available to pay debt service of the Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—Local Obligations Reserve Account."

No Additional Bonds under the Trust Agreement. The Trust Agreement does not permit the Authority to issue any additional bonds on parity with the Bonds. However, subject to certain conditions contained in the Local Obligations Indenture, the District may at any time issue bonds (the "Additional Local Obligations") payable from the net proceeds of the Special Tax (after payment of Priority Administrative Expenses) on parity with the Local Obligations. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Terms of the Local Obligations – Additional Local Obligations."

Redemption Provisions

Optional Redemption. The Bonds are subject to optional redemption by the Authority prior to
their respective maturity dates as a whole or in part on any date on or after, 20, from any
source of available funds other than Minimum Sinking Fund Payments and Special Tax Prepayments, at
the following redemption prices (computed upon the principal amount of the Bonds or portions thereof
called for redemption) together with accrued interest thereon to the date fixed for redemption:

103% if redeemed on any through, 20;	date	on	or after		20
102% if redeemed on through, 20;	any	date	from		20
101% if redeemed on through, 20; and	any	date	from		20
100% if redeemed on	, 20	and	any date t	hereafter.	

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

Extraordinary Redemption from Prepayment of Special Taxes. The Bonds are subject to extraordinary redemption by the Authority prior to their respective maturity dates, as a whole or in part or any Interest Payment Date on or after, 20, solely from funds derived from the extraordinary redemption of Local Obligations from Special Tax Prepayments, at the following redemption prices (computed upon the principal amount of the Bonds or portions thereof called for redemption) together with accrued interest thereon to the date fixed for redemption:
103% if redeemed on any Interest Payment Date on or after, 20 through, 20;
102% if redeemed on any Interest Payment Date on, 20 and, 20;
101% if redeemed on any Interest Payment Date on, 20 and, 20; and
100% if redeemed on, 20 and any Interest Payment Date thereafter.
Prepayments from prepaid Special Taxes could be made by any of the owners of any of the property within the Improvement Area, including the Developer, any other developers or homebuilder owning Taxable Property in the Improvement Area or any individual owner; and they could also be made from the proceeds of bonds issued by or on behalf of an overlapping special assessment district of community facilities district. The resulting redemption of Bonds that were purchased at a price greated than the applicable redemption price could reduce the otherwise expected yield on such Bonds. See "CERTAIN RISKS TO BONDHOLDERS—Potential Early Redemption of Bonds from Prepaid Special Taxes." **Mandatory Sinking Fund Redemption of Bonds**. The Bonds maturing on September 1, 20 are subject to mandatory redemption in part on September 1 of each year commencing September 1, 20 are redemption price equal to one hundred percent (100%) of the principal amount thereof called for redemption together with accrued interest thereon to the date fixed for redemption:

If the Bonds subject to mandatory redemption are redeemed in part prior to their stated maturity date other than from Minimum Sinking Fund Payments, the Minimum Sinking Fund Payments for such Bonds shall be reduced proportionately by the principal amount of such Bonds so redeemed.

Redemption Instructions. Upon any prepayment of a Local Obligation, the Authority shall deliver to the Trustee a Written Order of the Authority designating the amounts and maturities of the Bonds to be redeemed, which shall be in the manner necessary to enable the Authority to deliver a Cash Flow Certificate satisfying the requirements described below. In the event only a portion of the Outstanding Bonds of any maturity are to be redeemed at any one time, the Trustee shall select the particular Bonds of each maturity date to be redeemed in accordance with DTC procedures (which, at the time of the issuance of the Bonds, would be a redemption by lot) or, if the Bonds are not then in bookentry, in a manner that it deems appropriate and fair. The Trustee shall redeem Bonds in Authorized Denominations.

Upon any redemption of a portion but not all of the Outstanding Bonds, the Authority shall deliver to the Trustee a Cash Flow Certificate to the effect that, assuming all payments are made with respect to the Local Obligations, (i) the Revenues, together with moneys on deposit in other funds and accounts held under the Trust Agreement, will be sufficient to pay all Principal Installments, Minimum Sinking Fund Payments and interest payments on the Bonds when due; and (ii) the redemption premiums, if any, on the Local Obligations, together with other Revenues available to the Trustee for such purpose, are sufficient to offset any difference between the interest to accrue on the Bonds to be paid or redeemed with the proceeds of prepayment of such Local Obligations (plus any redemption premium payable upon redemption of such Bonds) and the income to be earned on any investment of such proceeds (assured as of the date of payment thereof), in each case until the date of payment or redemption of Bonds, such that in no event will the prepayment of Local Obligations cause the Trustee to have insufficient funds to pay debt service on the Bonds when due.

In no event shall Bonds be redeemed if upon such redemption the principal amount of the Local Obligations remaining outstanding will be less than the total principal amount of Outstanding Bonds. Such Written Order of the Authority may specify that optional redemption of the Bonds will be conditioned upon receipt of funds or other events.

Notice of Redemption. Subject to receipt of the Written Order of the Authority described under "—Redemption Instructions", the Trustee shall give notice of redemption; provided, that Bonds,

identified by CUSIP numbers, serial numbers and maturity date, have been called for redemption and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof that has been called for redemption (or if all the Outstanding Bonds are to be redeemed, so stating, in which event such serial numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying such date) upon surrender thereof to the Trustee at its Corporate Trust Office, subject to any conditions to such redemption specified in the Written Order of the Authority, at the redemption price (specifying such price), together with any accrued interest to such date, and that all interest on the Bonds (or portions thereof) so to be redeemed will cease to accrue on and after such date and that from and after such date such Bond (or such portion thereof) shall no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof shall have no rights in respect of such redeemed Bond or such portion except to receive payment from such money of such redemption price plus accrued interest to the date fixed for redemption. If sufficient monies for the payment of the redemption price of all Bonds to be redeemed are not then on deposit with the Trustee, such notice shall also state that redemption is conditioned upon the timely deposit of sufficient funds therefor with the Trustee.

Such notice shall be mailed by first class mail, in a sealed envelope, postage prepaid, at least thirty (30) but not more than sixty (60) days before the date fixed for redemption, to the Owners of such Bonds (or portions thereof) so called for redemption, at their respective addresses as the same shall last appear on the Bond Register; <u>provided</u>, that neither the failure of an Owner to receive notice of redemption of Bonds nor any error in such notice shall affect the validity of the proceedings for the redemption of Bonds.

Any notice of optional redemption may be rescinded by written notice given by the Authority to the Trustee no later than three Business Days prior to the date specified for redemption. The Trustee shall give notice of rescission of the notice of optional redemption or non-satisfaction of any conditions specified in the notice of optional redemption as soon as practicable to the same parties and in the same manner as the notice of redemption was given.

So long as the Bonds are in book-entry only form, notices of redemption will be given directly by the Trustee to DTC and not to the Beneficial Owners of the Bonds. See APPENDIX F—"DTC AND THE BOOK-ENTRY ONLY SYSTEM."

Purchase in Lieu of Redemption. In lieu of redemption of any Bond, amounts on deposit in the Proceeds Fund, the Principal Fund or in the Redemption Fund may be used and withdrawn by the Trustee at any time prior to a notice of redemption having been delivered, upon a Written Order for the purchase of such Bonds at public or private sale as and when and at such prices as the Authority may in its discretion determine, but not in excess of the lower of the highest or then current redemption price thereof plus accrued interest to the purchase date; and all Bonds so purchased shall be delivered to the Trustee for cancellation.

Payment of Redeemed Bonds. If notice of redemption has been given and not rescinded and if the conditions to such redemption specified therein, if any, have been satisfied, each as provided in the Trust Agreement, the Bonds or portions thereof called for redemption will become irrevocably due and payable on the date fixed for redemption at the redemption price thereof, together with accrued interest to the date fixed for redemption, upon presentation and surrender of the Bonds to be redeemed at the office specified in the notice of redemption. If less than the full principal amount of a Bond is called for redemption, the Authority is required to execute and deliver and the Trustee is required to authenticate, upon surrender of such Bond, and without charge to the Owner thereof, Bonds of like interest rate and maturity in an aggregate principal amount equal to the unredeemed portion of the principal amount of the Bonds so surrendered in such Authorized Denominations as specified by the Owner.

If any Bond or any portion thereof has been duly called for redemption and payment of the redemption price, together with unpaid interest accrued to the date fixed for redemption, has been made or provided for by the Authority, then interest on such Bond or such portion will cease to accrue from such date, and from and after such date such Bond or such portion will no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof will have no rights in respect of such Bond or such portion except to receive payment of such redemption price, and unpaid interest accrued to the date fixed for redemption.

ESTIMATED SOURCES AND USES OF FUNDS

The proceeds from the sale of the Bonds will be used to purchase the Local Obligations. The proceeds of the Local Obligations in turn will be used to finance construction and acquisition of the Facilities and pay costs of issuance of the Local Obligations and Bonds. The following table sets forth the sources and uses of the funds as allocated to the Bonds:

Sources of Funds Principal Amount [Plus/Less]: [Net] Original Issue [Premium/Discount]	\$

⁽²⁾ To pay interest on the Local Obligations and, in turn, the Bonds, to September 1, 2022.

⁽³⁾ A portion of the purchase price of the Local Obligations will be used to pay costs of issuance including fees of Bond Counsel and the Municipal Advisor, the initial fees of the Trustee, noncontingent fees of the Appraiser, printing costs and other miscellaneous expenses.

DEBT SERVICE SCHEDULE

The annual scheduled debt service for the Bonds, assuming no early redemption other than from mandatory sinking fund installments, is set forth in Table 2 below. The Local Obligations are sized to provide 100% of the debt service on the Bonds when due and have the same principal amortization as the Bonds. The Local Obligations will be issued with an annual scheduled debt service that results in at least 110% annual debt service coverage from the revenues of the Effective Tax Rate Evaluation Maximum Facilities Special Tax (as defined herein) for Developed Property as of June 16, 2022, and the Effective Tax Rate Evaluation Minimum Facilities Revenues for the remaining Taxable Property expected to be generated in the Improvement Area, net of Priority Administrative Expenses (defined below). The District expects that Additional Local Obligations will be issued on parity with the Local Obligations as the Improvement Area develops. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Terms of the Local Obligations – Additional Local Obligations."

SECURITY AND SOURCES OF PAYMENT FOR THE BONDS

The Bonds are secured by a lien on and pledge of the Trust Estate, consisting primarily of payments received by the Authority from the District under the Local Obligations, which payments are secured by Special Taxes (net of Priority Administrative Expenses) levied upon property within the Improvement Area and received by the District.

NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE CITY, THE DISTRICT, THE AUTHORITY, THE STATE OF CALIFORNIA OR ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE BONDS. THE AUTHORITY HAS NO TAXING POWER. EXCEPT FOR THE TRUST ESTATE, NO OTHER REVENUES OR TAXES ARE PLEDGED TO THE PAYMENT OF THE BONDS. THE BONDS ARE NOT GENERAL OBLIGATIONS OF THE AUTHORITY, THE DISTRICT OR CITY, BUT ARE LIMITED OBLIGATIONS OF THE AUTHORITY PAYABLE SOLELY FROM THE TRUST ESTATE, DERIVED PRIMARILY FROM PAYMENTS ON THE LOCAL OBLIGATIONS FROM THE PAYMENT OF THE SPECIAL TAXES LEVIED WITHIN THE IMPROVEMENT AREA AS MORE FULLY DESCRIBED HEREIN.

The Trust Agreement does not permit the Authority to issue any additional bonds on parity with the Bonds. However, subject to certain conditions contained in the Local Obligations Indenture, the District may at any time issue Additional Local Obligations payable from the net proceeds of the Special Tax (after payment of Priority Administrative Expenses) on parity with the Local Obligations. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS – Terms of the Local Obligations – Additional Local Obligations."

General

The Trust Estate consists of the Revenues, the amounts in certain of the funds established and held under the Trust Agreement, and the Local Obligations. The Revenues consist of amounts received by the Trustee as the payment of interest on, or the equivalent thereof, and the payment or return of principal of, or redemption premiums, if any, on, or the equivalent thereof, the Local Obligations, whether as a result of scheduled payments, or redemption premiums, Special Tax Prepayments or remedial proceedings taken in the event of a default thereon, and all investment earnings on any money held in the Funds held under the Trust Agreement (except the Rebate Fund).

Taxes levied and to be collected on all real property within the Improvement Area subject to the Special Taxes and the proceeds, if any, from the sale of such property for delinquency of such Special Taxes, after payment of Priority Administrative Expenses. The Local Obligations are secured by a pledge on the Special Taxes (net of Priority Administrative Expenses) on parity with the pledge of such Special Taxes for any Additional Local Obligations issued under the Local Obligations Indenture. See "—Payment of the Local Obligations" and "—Terms of the Local Obligations."

The District may not issue indebtedness payable from the Special Taxes except as provided in the Local Obligations Indenture. See APPENDIX C—"SUMMARY OF PRINCIPAL DOCUMENTS—SUMMARY OF THE LOCAL OBLIGATIONS INDENTURE—Authorization and Issuance of Bonds—Additional Bonds; Subordinate Bonds." The City has, however, formed CFD 17, which has issued bonds secured by special taxes with a co-equal lien on property within the Improvement Area and has formed CFD 18, which is authorized to issue bonds secured by special taxes with a co-equal lien on property within the Improvement Area. See "FOLSOM PLAN AREA." The Authority, the District and the City have no control over the amount of additional debt payable from taxes or assessments on all or any

portion of the property within the Improvement Area that may be issued in the future by other governmental entities or districts having jurisdiction over all or a portion of the land within the Improvement Area. To the extent such debt is payable from other assessments or special taxes levied pursuant to the applicable law, such assessments or special taxes may have a lien on the property within the Improvement Area on parity with the lien of the Special Taxes.

Flow of Funds

Receipt and Deposit of Revenues. As noted above, Revenues consist of amounts received by the Trustee as the payment of interest on, or the equivalent thereof, and the payment or return of principal of, or redemption premiums, if any, on, or the equivalent thereof, all Local Obligations, whether as a result of scheduled payments, or redemption premiums, Special Tax Prepayments or remedial proceedings taken in the event of a default thereon, and all investment earnings on any money held under the Trust Agreement (except the Rebate Fund). All Revenues, other than Revenues derived from the early redemption of Local Obligations from Special Tax Prepayments received by the Trustee from the Authority, will be deposited into the Revenue Fund. On each Interest Payment Date and each Principal Payment Date, the Trustee will transfer Revenues from the Revenue Fund, in the amounts required in the order of priority as set forth below, with the requirements of each fund being fully satisfied, leaving no deficiencies therein, prior to any deposit into any fund later in priority:

First:

To the Interest Fund, an amount of Revenues which together with amounts on deposit therein, is equal to the interest due and payable on the Bonds due on such Interest Payment Date;

Second:

To the Principal Fund (i) on each Principal Payment Date from the Revenue Fund an amount of Revenues which, together with any amounts then on deposit in the Principal Fund (other than amounts previously deposited on account of any Bonds which have matured but which have not been presented for payment) is sufficient to pay the Principal Installments on the Bonds due on such Principal Payment Date and (ii) on each September 1 on which a Minimum Sinking Fund Payment is required to be made (for deposit in the Sinking Fund Account) from the Revenue Fund an amount of Revenues which is equal to the Minimum Sinking Fund Payment due and payable on such date. On each Principal Payment Date, the Trustee shall pay the principal or redemption price due and payable on the Bonds on such date from the Principal Fund.

Following such deposits, any remaining money in the Revenue Fund is required to be transferred to the Local Obligations Trustee for application under the Local Obligations Indenture. For additional information regarding the Flow of Funds, see "—Local Obligations Flow of Funds."

Revenues Derived from Special Tax Prepayments. All Revenues derived from early redemption of Local Obligations from Special Tax Prepayments received by the Trustee will be immediately deposited into the Redemption Fund to be applied to the extraordinary redemption of Bonds. See "THE BONDS—Redemption Provisions—Extraordinary Redemption from Prepayment of Special Taxes."

Description of Local Obligations

The District will issue the Local Obligations in the principal amount of \$9,100,000*. The Local Obligations are secured solely by the Special Taxes (net of Priority Administrative Expenses) levied upon

^{*} Preliminary, subject to change.

certain real property within the Improvement Area and proceeds of foreclosure sales in the Improvement Area.

The pledge of Special Taxes (net of Priority Administrative Expenses) levied within the Improvement Area is on parity with the pledge thereof securing any Additional Local Obligations issued under the Local Obligations Indenture. The District may issue Additional Local Obligations secured on parity with the pledge of the Special Taxes (net of Priority Administrative Expenses) within the Improvement Area only in accordance with the Local Obligations Indenture. See APPENDIX C—"SUMMARY OF PRINCIPAL DOCUMENTS—SUMMARY OF THE LOCAL OBLIGATIONS INDENTURE—Authorization and Issuance of Bonds—Additional Bonds; Subordinate Bonds."

A description of the Improvement Area is set forth under the caption, "THE IMPROVEMENT AREA."

Issuance of Local Obligations

The Local Obligations are authorized pursuant to the Mello-Roos Act and are issued under a resolution of the City Council of the City, as legislative body of the District and the Local Obligations Indenture. The Mello-Roos Act was enacted by the State Legislature to provide an alternate method of financing certain essential public capital facilities and services, especially in developing areas of the State. Subject to approval by a two-thirds vote of qualified electors and compliance with the provisions of the Mello-Roos Act, a legislative body of a local agency may issue bonds for a community facilities district and may levy and collect a special tax within such district to repay such indebtedness.

The Local Obligations constitute special tax obligations of the District payable as to both principal and interest from the annual Special Tax (after payment of the District's Priority Administrative Expenses) to be levied by the District on land within the Improvement Area, including proceeds from the sale of property within the Improvement Area collected as a result of foreclosure of the lien of the Special Taxes and certain funds and accounts held under the Local Obligations Indenture. The District's sole recourse in the event of a delinquency or failure to pay Special Taxes on a particular parcel is to institute foreclosure proceedings with respect to that parcel. However, the District is not obligated under the Local Obligations Indenture to enforce the lien of any delinquent installment of the Special Tax for any Fiscal Year in which the District has received one hundred percent (100%) of the amount of such installment from the County pursuant to the Teeter Plan. See "—Covenant for Foreclosure" and "—The Teeter Plan" herein.

Payment of the Local Obligations

The Local Obligations constitute the limited obligations of the District payable as to both principal and interest from the annual Special Tax (net of Priority Administrative Expenses) levied by the District on Taxable Property within the Improvement Area, including proceeds from the sale of property within the Improvement Area collected as a result of foreclosure of the lien on the Special Taxes and certain funds and accounts held under the Local Obligations Indenture. The District's sole recourse in the event of a delinquency or failure to pay Special Taxes on a particular parcel is to institute foreclosure proceedings with respect to that parcel.

The term "Priority Administrative Expenses" means an amount equal to (a) for Fiscal Year 2022-23, \$20,000, and (b) for any subsequent Fiscal Year, the amount resulting from increasing the Priority Administrative Expenses on each July 1, from and including the July 1 immediately following the end of the then current Fiscal Year to and including the July 1 in such Fiscal Year by 2% of the amount in effect for the previous Fiscal Year.

THE LOCAL OBLIGATIONS ARE SPECIAL TAX OBLIGATIONS OF THE DISTRICT, AND THE INTEREST ON AND PRINCIPAL OF AND REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS ARE PAYABLE SOLELY FROM THE PROCEEDS OF THE SPECIAL TAX (INCLUDING ANY PREPAYMENTS THEREOF AND PROCEEDS FROM THE SALE OF PROPERTY COLLECTED PURSUANT TO THE FORECLOSURE PROVISIONS OF THE LOCAL OBLIGATIONS INDENTURE FOR THE DELINQUENCY OF THE SPECIAL TAX), NET OF PRIORITY ADMINISTRATIVE EXPENSES, AND AMOUNTS IN CERTAIN FUNDS AND ACCOUNTS ESTABLISHED IN THE LOCAL OBLIGATIONS INDENTURE, AND THE DISTRICT IS NOT OBLIGATED TO PAY THE LOCAL OBLIGATIONS EXCEPT FROM SUCH FUNDS. THE GENERAL FUND OF THE CITY AND THE FUNDS OF THE DISTRICT ARE NOT LIABLE, AND NEITHER THE FULL FAITH AND CREDIT OF THE DISTRICT NOR THE CITY ARE PLEDGED FOR THE PAYMENT OF THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS. NO TAX OR ASSESSMENT OTHER THAN THE SPECIAL TAX SHALL EVER BE LEVIED OR COLLECTED TO PAY THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS. THE LOCAL OBLIGATIONS ARE NOT SECURED BY A LEGAL OR EQUITABLE PLEDGE OF OR CHARGE, LIEN OR ENCUMBRANCE UPON ANY PROPERTY OF THE DISTRICT OR ANY OF ITS INCOME OR RECEIPTS EXCEPT THE PROCEEDS OF THE SPECIAL TAX (INCLUDING ANY PREPAYMENTS THEREOF AND PROCEEDS FROM THE SALE OF PROPERTY TO THE FORECLOSURE PROVISIONS OF THE LOCAL COLLECTED PURSUANT OBLIGATIONS INDENTURE FOR THE DELINQUENCY OF THE SPECIAL TAX), NET OF PRIORITY ADMINISTRATIVE EXPENSES, AND AMOUNTS IN CERTAIN FUNDS AND ACCOUNTS ESTABLISHED IN THE LOCAL OBLIGATIONS INDENTURE, AND NEITHER THE PAYMENT OF THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS IS A GENERAL DEBT, LIABILITY OR OBLIGATION OF THE DISTRICT. THE LOCAL OBLIGATIONS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMITATION OR RESTRICTION, AND NEITHER THE CITY COUNCIL NOR THE DISTRICT NOR ANY OFFICER OR EMPLOYEE THEREOF SHALL BE LIABLE FOR THE PAYMENT OF THE INTEREST ON OR PRINCIPAL OF OR REDEMPTION PREMIUMS, IF ANY, ON THE LOCAL OBLIGATIONS OTHERWISE THAN FROM THE PROCEEDS OF THE SPECIAL TAX (INCLUDING ANY PREPAYMENTS THEREOF AND PROCEEDS FROM THE SALE OF PROPERTY COLLECTED PURSUANT TO THE FORECLOSURE PROVISIONS OF THE LOCAL OBLIGATIONS INDENTURE FOR THE DELINQUENCY OF THE SPECIAL TAX), NET OF PRIORITY ADMINISTRATIVE EXPENSES, AND AMOUNTS IN CERTAIN FUNDS AND ACCOUNTS ESTABLISHED IN THE LOCAL OBLIGATIONS INDENTURE.

Although the Special Tax will constitute a lien on property subject to taxation in the Improvement Area, it will not constitute a personal indebtedness of the owners of such property. There is no assurance that the owners will be financially able to pay the annual Special Tax or that they will pay such tax even if financially able to do so. The risk of nonpayment by property owners is more fully described in "CERTAIN RISKS TO BONDHOLDERS—Collection of Special Tax."

Local Obligations Flow of Funds

Application of Special Tax Fund. Pursuant to the Local Obligations Indenture, the District agrees and covenants that it will deposit the Special Tax proceeds in the Community Facilities Fund, which fund is established in the treasury of the City. All money in the Community Facilities Fund shall be used and withdrawn by the District solely for the benefit of the District in accordance with the Mello-Roos Act, including payment of Expenses. Pursuant to the Local Obligations Indenture, the District further agrees and covenants that, after payment of Priority Administrative Expenses, it will transfer to the Local

Obligations Trustee from the Community Facilities Fund amounts sufficient and in sufficient time for the Local Obligations Trustee to make the transfers required by it, and the Local Obligations Trustee shall deposit such proceeds as and when received in the Special Tax Fund. All money in the Special Tax Fund is required to be set aside by the Local Obligations Trustee in the following respective special account and fund within the Special Tax Fund in the following order of priority, and all money in each such account and fund shall be applied, used and withdrawn only for the purposes specified in the Local Obligations Indenture:

- (1) Redemption Account; and
- (2) Local Obligations Reserve Fund.

Redemption Account. On or before March 1 and September 1 in each year, the Local Obligations Trustee shall, from the money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of interest becoming due and payable on all Outstanding Local Obligations and any Additional Local Obligations on such March 1 or September 1, as the case may be, and on or before September 1 in each year, the Local Obligations Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in the Redemption Account an amount of money equal to the aggregate amount of principal becoming due and payable on all Outstanding serial Local Obligations and any Additional Local Obligations on such September 1 plus all Minimum Sinking Fund Account Payments required to be made on such September 1 into the Sinking Fund Subaccount; provided, that all of the aforesaid payments shall be made without priority of any payment over any other payment, and in the event that money in the Special Tax Fund on any March 1 or September 1 is not equal to the amount of interest becoming due on all Local Obligations and any Additional Local Obligations on such date, or in the event that the money in the Special Tax Fund on any September 1 is not equal to the amount of principal of the Local Obligations and Additional Local Obligations becoming due on such date, as the case may be, then such money shall be applied pro rata in such proportion as such interest and principal and Minimum Sinking Fund Account Payments bear to each other.

No deposit need be made into the Redemption Account if the amount of money contained therein is at least equal to the amount required by the terms of the preceding paragraph to be deposited therein at the times and in the amounts provided in the Local Obligations Indenture.

All money in the Redemption Account shall be used and withdrawn by the Local Obligations Trustee to pay the interest on the Local Obligations and any Additional Local Obligations as it shall become due and payable (including accrued interest on any Local Obligations or any Additional Local Obligations purchased or redeemed prior to maturity) plus the principal of and redemption premiums, if any, on the Local Obligations and any Additional Local Obligations as they shall mature or upon the prior redemption thereof, except that any money in the Sinking Fund Subaccount shall be used only to purchase or redeem or retire the term Local Obligations and any Additional Local Obligations as provided in the Local Obligations Indenture.

Local Obligations Reserve Fund. On or before March 1 and September 1 in each year, the Local Obligations Trustee shall, from the then remaining money in the Special Tax Fund, transfer to and deposit in each Local Obligations Reserve Account within the Local Obligations Reserve Fund such amount of money as shall be required to restore each such Local Obligations Reserve Account to a sum equal to the Required Bond Reserve (as defined herein) for the applicable series of Local Obligations or Additional Local Obligations, pro rata, to the extent that amounts are available in the Special Tax Fund for such purpose; and for this purpose all investments in each Local Obligations Reserve Account shall be valued on March 1 and September 1 of each year at the face value thereof if such investments mature within

twelve (12) months from the date of valuation, or if such investments mature more than twelve (12) months after the date of valuation, at the price at which such investments are redeemable by the holder at his option, if so redeemable, or if not so redeemable, at the lesser of (i) the cost of such investments plus the amortization of any premium or minus the amortization of any discount, or (ii) the market value of such investments. For purposes of allocating remaining money in the Special Tax Fund between more than one Local Obligations Reserve Account, any such transfers to and deposits in each Local Obligations Reserve Account shall be made equally and ratably.

No deposit need be made into a Local Obligations Reserve Account if the value of the investments contained therein is at least equal to the Required Bond Reserve for the applicable series of Local Obligations or Additional Local Obligations.

All money in each Local Obligations Reserve Account shall be used and withdrawn by the Local Obligations Trustee solely for the purpose of paying the interest on or principal of the corresponding series of Local Obligations or Additional Local Obligations in the event there is insufficient money in the Redemption Account available for this purpose; provided, that if as a result of any of the foregoing valuations or due to redemption as a result of property owner prepayments it is determined that the amount of money in a Local Obligations Reserve Account exceeds or will exceed the Required Bond Reserve for the applicable series of Local Obligations or Additional Local Obligations, the Local Obligations Trustee shall withdraw the amount of money representing such excess from such fund and shall deposit such amount of money in the Redemption Account. For the avoidance of doubt, amounts in a Local Obligations Reserve Account are not available to make up a deficiency for the payment of principal and interest on any series of Local Obligations or Additional Local Obligations, other than the specific series of Local Obligations or Additional Local Obligations to which that Local Obligations Reserve Account relates.

Special Tax Authorization

The Special Tax is to be levied and collected against all Taxable Property within the Improvement Area in accordance with the Amended Rate and Method of Apportionment. See APPENDIX A—"AMENDED RATE, METHOD OF APPORTIONMENT AND MANNER OF COLLECTION OF SPECIAL TAX." The Special Tax is to be collected in the same manner as ordinary ad valorem property taxes are collected, and, except as otherwise provided in the covenant for foreclosure and in the Mello-Roos Act, is to be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for ad valorem property taxes. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Covenant for Foreclosure" and "CERTAIN RISKS TO BONDHOLDERS—Collection of Special Tax."

The Amended Rate and Method of Apportionment of the Special Tax, subject to the maximum rates set forth therein, apportions the total debt service requirement (principal, interest, and mandatory sinking fund payments), restoration of the Required Bond Reserve, current annual expenses, pay as you go improvement costs and other costs each year among the taxable land in the Improvement Area. See APPENDIX A—"AMENDED RATE, METHOD OF APPORTIONMENT AND MANNER OF COLLECTION OF SPECIAL TAX."

Pursuant to the Local Obligations Indenture, so long as any Local Obligations or Additional Local Obligations are Outstanding, the District is required annually to levy the Special Tax against all Taxable Property in the Improvement Area and make provision for the collection of such Special Tax in amounts which will be sufficient, after making reasonable allowances for contingencies and errors in the estimates, to yield proceeds equal to the amounts required for compliance with the agreements, conditions, covenants and terms contained in the Local Obligations Indenture, and which in any event

will be sufficient to pay the interest on and principal of and Minimum Sinking Fund Account Payments for and redemption premiums, if any, on the Local Obligations and any Additional Local Obligations as they become due and payable, to replenish each reserve account within the Local Obligations Reserve Fund to the Required Bond Reserve and to pay all current Expenses as they become due and payable.

Under the Amended Rate and Method of Apportionment, the Facilities Special Tax (as defined herein) levied in any fiscal year against any Assessor's Parcel (as defined in the Amended Rate and Method of Apportionment) of Developed Property classified as Residential Property may not be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the Improvement Area by more than 10% above the amount that would have been levied against such Assessor's Parcel in that fiscal year had there never been any such delinquencies or defaults. Pursuant to the Amended Rate and Method of Apportionment, property is considered "Residential Property" once a building permit could be issued for the purposes of constructing one or more Residential Units, including either single family detached homes or multi-family attached properties, such as apartments, and property is considered "Developed Property" if a building permit for new construction was issued prior to June 30 of the previous fiscal year. See "CERTAIN RISKS TO BONDHOLDERS—Maximum Special Tax."

Covenant for Foreclosure

The Local Obligations Indenture provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described below and in the Mello-Roos Act, is subject to the same penalties and the same procedure, sale, and lien priority in case of delinquency as is provided for *ad valorem* property taxes.

Pursuant to Section 53356.1 of the Mello-Roos Act, in the event of any delinquency in the payment of the Special Tax, the District may order the institution of a Superior Court action to foreclose the lien therefor within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at a judicial foreclosure sale. Such judicial foreclosure action is not mandatory. However, the District has covenanted in the Local Obligations Indenture that it will annually on or before September 1 of each year review the public records of the County relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if it determines on the basis of such review that the amount so collected is deficient by more than five percent (5%) of the total amount of the Special Tax levied in such Fiscal Year within the Improvement Area, it will within sixty (60) days thereafter institute foreclosure proceedings as authorized by the Mello-Roos Act in order to enforce the lien of the delinquent installments of the Special Tax against each lot or parcel of land in the Improvement Area, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; provided, that irrespective of the foregoing if the District determines on the basis of such review that property owned by any single property owner in the Improvement Area is delinquent by four missed payments with respect to the Special Tax due and payable by such property owner by such delinquency date, then the District will institute, prosecute and pursue such foreclosure proceedings in the time and manner provided in the Local Obligations Indenture against such property owner; provided further, that any actions taken to enforce delinquent Special Tax liens shall be taken only consistent with Sections 53356.1 through 53356.7, both inclusive, of the Government Code of the State of California; and provided further, that the District is not obligated under the Local Obligations Indenture to enforce the lien of any delinquent installment of the Special Tax for any Fiscal Year in which the District has received one hundred percent (100%) of the amount of such installment from the County pursuant to the Teeter Plan (described herein).

In the event that sales or foreclosures of property are necessary, there could be a delay in payments to Owners of the Bonds (if the Local Obligations Reserve Account has been depleted) pending

such sales or the prosecution of such foreclosure proceedings and receipt by the District of the proceeds of sale. However, within the limits of the Special Tax, the District may adjust the Special Tax levied on Taxable Property in the Improvement Area (subject to the limitation on the Maximum Special Tax, defined herein), to provide an amount required to pay interest on and principal of the Local Obligations and any additional obligations payable from the Special Tax, and the amount, if any, necessary to replenish each subaccount of the Local Obligations Reserve Fund to an amount equal to the Required Bond Reserve and to pay all current Expenses for the Improvement Area. There is, however, no assurance that the total amount of the Special Tax that could be levied and collected against Taxable Property (as defined in the Amended Rate and Method of Apportionment) in the Improvement Area will be at all times sufficient to pay the amounts required to be paid by the Local Obligations Indenture, even if the Special Tax is levied at the Maximum Special Tax rates. See "CERTAIN RISKS TO BONDHOLDERS—Maximum Special Tax."

No assurance can be given that the real property subject to sale or foreclosure will be sold, or if sold, that the proceeds of sale will be sufficient to pay any delinquent installments of the Special Tax. The Mello-Roos Act does not require the District to purchase or otherwise acquire any lot or parcel of property to be sold if there is no other purchaser at such sale. The Mello-Roos Act and the Local Obligations Indenture do specify that the Special Tax will have the same lien priority as for *ad valorem* property taxes in the case of delinquency. Section 53356.6 of the Mello-Roos Act requires that property within the Improvement Area that is sold pursuant to foreclosure under the Mello-Roos Act be sold for not less than the amount of judgment in the foreclosure action, plus post judgment interest and authorized costs, unless the consent of the owners of at least 75% of the Local Obligations and any Additional Local Obligations issued under the Local Obligations Indenture is obtained.

No Required Advances from Available Surplus Funds

Neither the City nor the District is obligated to advance available surplus funds available from the City treasury to pay debt service on the Local Obligations or to replenish the Local Obligations Reserve Account; <u>provided</u>, that nothing shall affect the right of the District under the Mello-Roos Act to make advances to cure any deficiencies.

Terms of the Local Obligations

General. The City Council of the City established the District and designated the Improvement Area therein on May 26, 2020. On that same date, the eligible voters of the District in the Improvement Area authorized the issuance of bonds in an amount not to exceed \$124,000,000 for the Improvement Area. However, in December 2021, change proceedings for the Improvement Area were held, whereby the eligible voters in the Improvement Area approved a reduction in the maximum principal amount of bonded indebtedness that may be issued for and paid by Improvement Area to \$15,750,000.

The Local Obligations will be the first issuance of bonds for the Improvement Area. The Local Obligations will be issued in the aggregate principal amount of \$9,100,000* pursuant to the Mello-Roos Act and the Local Obligations Indenture. The Local Obligations will be dated the date of delivery of the Bonds. The Local Obligations are secured by a pledge of the Special Tax (net of Priority Administrative Expenses) levied within the Improvement Area. The District may issue Additional Local Obligations on parity with the Local Obligations in accordance with the Local Obligations Indenture. Based on the expected Special Tax revenues, the District expects that obligations issued to finance the Facilities in the Improvement Area will be issued for the Improvement Area in a total amount of approximately

^{*} Preliminary, subject to change.

\$10,900,000*. This amount may vary depending on the timing of the issuance of the Additional Local Obligations and the applicable interest rates at the time of any such issuance.

Local Obligations Reserve Account. The Local Obligations Indenture establishes, for this series of the Local Obligations specifically, a Local Obligations Reserve Account within the Local Obligations Reserve Fund to be held by the Local Obligations Trustee. The Local Obligations Indenture requires that there be maintained in the Local Obligations Reserve Account an amount equal to the Required Bond Reserve. "Required Bond Reserve" is defined to mean, for the Local Obligations specifically, as of any date of calculation, the least of: (a) the Maximum Annual Debt Service, (b) one hundred twenty-five percent (125%) of the Average Annual Debt Service or (c) ten (10%) percent of the original proceeds of the Local Obligations; provided that the Required Bond Reserve shall be calculated on the date of issuance of the Local Obligations issued under the Local Obligations Indenture and shall not increase thereafter; and provided further that such requirement (or any portion thereof) may be satisfied by the provision of one or more policies of municipal bond insurance or surety bonds issued by a municipal bond insurer or by a letter of credit issued by a bank, the obligations insured by which insurer or issued by which bank, as the case may be, have ratings at the time of issuance of such policy or surety bond or letter of credit equal to "AA" or higher (without regard to qualifier) assigned by Fitch or "Aa" or higher (without regard to qualifier) assigned by Moody's or "AA" or higher (without regard to qualifier) assigned by S&P.

The Local Obligations Reserve Account is established specifically for the Local Obligations, and amounts in the Local Obligations Reserve Account are not available to make up a deficiency for the payment of principal and interest on any Additional Local Obligations. Pursuant to the Local Obligations Indenture, each reserve account within the Local Obligations Reserve Fund is only available for paying the interest on or principal of the corresponding series of Local Obligations or any Additional Local Obligations for which it was created.

The Required Bond Reserve with respect to the Local Obligations upon their date of issuance will be \$

All money in the Local Obligations Reserve Account will be used and withdrawn by the Local Obligations Trustee solely for the purpose of paying the interest on and principal of the Local Obligations in the event there is insufficient money available for the purpose; <u>provided</u>, that if as a result of any of the valuation of a Required Bond Reserve or as a result of any property owner prepayment it is determined that the amount of money in the Local Obligations Reserve Account exceeds the Required Bond Reserve, the Local Obligations Trustee shall withdraw the amount of money representing such excess from such fund and shall deposit such amount of money in the Redemption Account. Amounts on deposit in the Local Obligations Reserve Account are not available to cure a deficiency in Revenues available to pay debt service on the Bonds.

Additional Local Obligations. The District may at any time, by a supplement to the Local Obligations Indenture, issue Additional Local Obligations that are payable from the proceeds of the Special Tax (after payment of Priority Administrative Expenses) on parity with the Local Obligations, subject to the following conditions, which conditions are precedent to the issuance of such Additional Local Obligations:

(i) The District shall be in compliance with all agreements, conditions, covenants and terms contained in the Local Obligations Indenture and in all Supplemental Indentures required to be observed or performed by it, and no Event of Default under the Local Obligations Indenture or under any Supplemental Indenture shall have occurred and shall be then continuing;

- (ii) The District shall establish a separate subaccount of the Local Obligations Reserve Fund for the payment of such Additional Local Obligations in an amount equal to the Required Bond Reserve; and
- (iii) (a) In each year until the maturity date for the Additional Local Obligations, the Maximum Facilities Special Tax for Taxable Property classified as Developed Property, plus the Effective Tax Rate Evaluation Minimum Facilities Revenue (as defined in the Amended Rate and Method of Apportionment) for Taxable Property not classified as Developed Property less Priority Administrative Expenses is estimated to cover at least one hundred ten percent (110%) of the sum of the Annual Debt Service for each year on the Local Obligations and all Additional Local Obligations, including such Additional Local Obligations to be issued, and (b) the Value of all Taxable Property, in aggregate, is at least three (3) times the aggregate Lien on such Taxable Property.

"Facilities Special Tax" is the annual Special Tax to be levied in each Fiscal Year on each Assessor's Parcel of Taxable Property to fund the Facilities Special Tax Requirement in accordance with the Amended Rate and Method of Apportionment (each as defined in the Amended Rate and Method of Apportionment).

"Developed Property" means, for purposes of the requirement described above relating to the issuance of Additional Local Obligations, Taxable Property for which a building permit for new construction has been issued as of the date of calculation.

"Maximum Facilities Special Tax" is the total maximum annual Facilities Special Tax, determined in accordance with the provisions of Section C of the Amended Rate and Method of Apportionment, which may be levied in any Fiscal Year on any Assessor's Parcel of Taxable Property (each as defined in the Amended Rate and Method of Apportionment).

"Value" is defined as the current assessed valuation of the Taxable Property and/or the appraised value of the Taxable Property determined by a MAI appraiser. "Lien" is defined in the Local Obligations Indenture as the aggregate principal amount of all overlapping debt and bonds (including the Local Obligations and any Additional Local Obligations) outstanding that are secured by a special tax levied pursuant to the Mello-Roos Act or a special assessment levied on property within the Improvement Area, including any overlapping debt or bonds for community facilities districts or special assessment districts that is reasonably allocated to property within the Improvement Area.

Notwithstanding the foregoing, the District may issue one or more series of Additional Local Obligations (the "Refunding Local Obligations") without meeting the requirements summarized in paragraph (iii) above if, after the issuance and delivery of such Refunding Local Obligations, either (i) none of the Local Obligations and Additional Local Obligations theretofore issued under the Local Obligations Indenture will be Outstanding or (ii) the Debt Service in each Bond Year that begins after the issuance of such Refunding Local Obligations is not increased by reason of the issuance of such Refunding Local Obligations.

Redemption of the Local Obligations. The Local Obligations are subject to extraordinary redemption by the District from funds derived by the District from prepayments of the Special Tax. The Local Obligations are also subject to optional and mandatory redemption by the District. A description of the redemption prices and terms of the Local Obligations is set forth under APPENDIX C—"SUMMARY OF PRINCIPAL DOCUMENTS—SUMMARY OF THE LOCAL OBLIGATIONS INDENTURE—Redemption of Bonds."

Selection of Local Obligations for Redemption. If less than all the outstanding Local Obligations and any Additional Local Obligations are to be redeemed as a result of prepayments of the Special Tax at any one time, the Local Obligations and any Additional Local Obligations shall be redeemed pro rata by maturity. If less than all the outstanding Local Obligations and any Additional Local Obligations are to be redeemed at the option of the District at any one time, the Local Obligations and any Additional Local Obligations of the latest maturity date or dates shall be redeemed prior to or simultaneously with the redemption of the Local Obligations and any Additional Local Obligations maturing prior thereto, and if less than all the outstanding Local Obligations and any Additional Local Obligations of any one maturity date are to be redeemed at any one time, the Trustee shall select the Local Obligations and any Additional Local Obligations or the portions thereof of such maturity date to be redeemed in integral multiples of five thousand dollars (\$5,000) in a manner that it deems appropriate and fair.

Special Tax Analysis

The following is a synopsis of the provisions of the Amended Rate and Method of Apportionment, which should be read in conjunction with the complete text of the Amended Rate and Method of Apportionment which is attached as APPENDIX A. The definitions of the capitalized terms used under this caption "—Special Tax Analysis" are as set forth in APPENDIX A. This section provides only a summary of the Amended Rate and Method of Apportionment, and is qualified by more complete and detailed information contained in the entire Amended Rate and Method of Apportionment attached as APPENDIX A.

The Special Tax is to be levied and collected against all Taxable Property within the Improvement Area in accordance with the Amended Rate and Method of Apportionment approved by the landowner electors of the Improvement Area. The total annual levy of the Special Tax is calculated to satisfy the annual debt service during the ensuing Fiscal Year, to replenish the reserve fund for the Local Obligations, the allocable portion of administrative expenses, the amount necessary to cure any delinquencies or to fund any deficiency of the amount to be available for the payment of principal or interest on bonds which are expected to occur in the ensuing Fiscal Year, to fund authorized facilities funded on a pay-as-you-go basis, to fund authorized services expenses and to pay amounts required to establish or replenish certain funds related to authorized services, less any available capitalized interest and earnings on the funds that may be used to fund the aforementioned costs.

Assignment to Land Use Categories. Each Fiscal Year, all Assessor's Parcels within the Improvement Area will be classified as either Taxable Property or Exempt Property. Taxable Property will be further classified as Developed Property, Small Lot Final Map Property, Permit Ready Multi-Family/Non-Residential Property, Large Lot Property, or Undeveloped Property and shall be subject to the levy of the annual Special Tax.

"Developed Property" means, for each Fiscal Year, all Taxable Property for which a building permit for new construction was issued prior to June 30 of the previous Fiscal Year.

"Small Lot Final Map Property" means, for each Fiscal Year, all Taxable Property for which a Small Lot Final Subdivision Map was recorded prior to June 30 of the previous Fiscal Year.

"Permit Ready Multi-Family/Non-Residential Property" means an Assessor's Parcel of Taxable Property zoned for multi-family or non-residential land use for which all discretionary entitlements have been obtained, including without limitation, development plan review and improvement plan approval, such that building permits may be issued without further approvals for the construction of multi-family Residential Units or non-residential buildings within such Assessor's Parcel. The City shall have sole

discretion, based upon available development information, in classifying an Assessor's Parcel as Permit Ready Multi-Family/Non-Residential Property.

"Large Lot Property" means, for each Fiscal Year, all Taxable Property for which a Large Lot Map was recorded prior to June 30 of the previous Fiscal Year, excluding any portion(s) thereof classified as Developed Property, Small Lot Final Map Property or Permit Ready Multi-Family/Non-Residential Property. Large Lot Property also means, for each Fiscal Year, all Taxable Property classified as Small Lot Final Map Remainder Property as of June 30 of the previous Fiscal Year.

"Small Lot Final Map Remainder Property" means an Assessor's Parcel that is created from the subdivision of Large Lot Property by the recordation of a Small Lot Final Subdivision Map that has not yet been mapped for final development approval. Small Lot Final Map Remainder Property is that portion of property for which the Small Lot Final Subdivision Map definition does not apply (i.e., does not contain individual lots for which building permits may be issued for Residential Units without further subdivision of such property). Each Fiscal Year, all Taxable Property classified as Small Lot Final Map Remainder Property, as of June 30 of the previous Fiscal Year, will be considered Large Lot Property.

"Undeveloped Property" means, for each Fiscal Year, all Taxable Property not classified as Developed Property, Small Lot Final Map Property, Permit Ready Multi-Family/Non-Residential Property or Large Lot Property.

"Single-Family Detached Property – MLD Zoning" means, for each Fiscal Year, all Taxable Property for which a building permit could be issued for purposes of constructing one or more detached or attached Residential Units with a permitted density range of 7-12 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council.

"Single-Family Detached Property – SF/SFHD Zoning" means, for each Fiscal Year, all Taxable Property for which a building permit could be issued for purposes of constructing one or more Residential Units. Single-Family Detached Property – SF/SFHD Zoning shall consist of either single-family property with a permitted density range of 1-4 Residential Units per Acre or single-family high density property with a permitted density range of 4-7 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council.

"MMD Multi-Family Attached Property" means all Assessor's Parcels for which a building permit could be issued for purposes of constructing one or more attached Residential Units per Assessor's Parcel with a permitted density range of 12-20 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council.

"MHD Multi-Family Attached Property" means all Assessor's Parcels for which a building permit could be issued for purposes of constructing one or more attached Residential Units per Assessor's Parcel with a permitted density range of greater than 20 Residential Units per Acre, which is more fully described in the Folsom Plan Area Specific Plan adopted on June 28, 2011 and as amended by the City Council. MHD Multi-Family Attached Property shall also include an Assessor's Parcel or that portion of an Assessor's Parcel designated as a Mixed Use Residential Parcel.

"Mixed Use Residential Parcel" means a mixed use Assessor's Parcel that is designated for residential land use. If the mixed use Assessor's Parcel contains a combination of residential land use and non-residential land use, only that portion of an Assessor's Parcel designated for residential land use shall be classified as a Mixed Use Residential Parcel and the remaining non-residential land use of the Assessor's Parcel shall be classified as Non-Residential Property.

"Non-Residential Property" means, for each Fiscal Year, all Taxable Property for which a building permit could be issued for purposes of constructing non-residential buildings.

Maximum Special Tax. The Amended Rate and Method of Apportionment is used to allocate the amount of the Special Tax required among the Taxable Property, based upon land use categories, subject to the Maximum Special Tax rate that may be levied against each land use category.

The following table shows the Effective Tax Rate Evaluation Minimum Facilities Special Tax rates and the Maximum Special Tax rates within the Improvement Area for all anticipated allocable land use categories in Fiscal Year 2022-23. The Effective Tax Rate Evaluation Minimum Facilities Special Tax rates are the minimum rates for the Effective Tax Rate Evaluation Maximum Facilities Special Tax.

Estimated to increase by 2% for Fiscal Year 2022-23.

⁽³⁾ The sum of the Effective Tax Rate Evaluation Maximum Facilities Special Tax and the Maximum Services Special Tax. Source: NBS and the District.

The total Special Tax generated by the Improvement Area may change from time to time if there are amendments or modifications to the development plan. The District covenants in the Local Obligations Indenture to not approve any amendments, changes or modifications relating to development of the property within the Improvement Area that would reduce the amount of the Maximum Facilities Special Tax less Priority Administrative Expenses to equal less than one hundred ten percent (110%) of the sum of the Annual Debt Service on the Local Obligations and any Additional Local Obligations in any year until the maturity date for the Local Obligations and any Additional Local Obligations.

Tables 4 and 5 under "—Special Tax Calculation" collectively show the estimated maximum and projected actual amounts of Special Tax revenue for Fiscal Year 2022-23 using the development status of the properties as of June 16, 2022 (unless otherwise noted). Table 4 shows the Fiscal Year 2022-23 estimated Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues, based on the development status of the properties as of June 16, 2022 (unless otherwise noted). If changes are made to development plans for the Improvement Area, the projected Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues may decrease from the amounts shown in that table, but in no event will the Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues decrease below the Effective Tax Rate Evaluation Minimum Facilities Revenue. Table 5 shows the estimated total Special Tax levy for Fiscal Year 2022-23 based on the properties' development status as of June 16, 2022 (unless otherwise noted), including both the estimated Facilities Special Tax levy and the estimated Services Special Tax levy for Fiscal Year 2022-23, and the percentage of the estimated Special Tax levy allocable to each of the projected property owners.

Included below are additional relevant defined terms used in the Amended Rate and Method of Apportionment.

"Effective Tax Rate Evaluation Minimum Facilities Revenue" means, following the Effective Tax Rate Evaluation, the total minimum amount of CFD No. 23 IA3 Effective Tax Rate Evaluation Maximum Facilities Special Tax, as adjusted annually by the Facilities Special Tax Escalation Factor after the Fiscal Year in which the Effective Tax Rate Evaluation occurs, less any Effective Tax Rate Evaluation Maximum Facilities Special Tax amounts prepaid and permanently satisfied pursuant to Section K of the Amended Rate and Method of Apportionment. The Effective Tax Rate Evaluation Minimum Facilities Revenue, based on Planned Development, is set forth in Attachment D of the Amended Rate and Method of Apportionment.

"Effective Tax Rate Evaluation Maximum Facilities Special Tax" means the total maximum annual Facilities Special Tax, as determined during the Effective Tax Rate Evaluation, which may be levied in any Fiscal Year on any Assessor's Parcel of Taxable Property.

"Effective Tax Rate Evaluation" means an evaluation of the Total Effective Tax Rate of Residential Property at the time of such evaluation. The Effective Tax Rate Evaluation will be based upon a prepared Price Point Study to determine the Total Effective Tax Rate for Residential Property, based upon the calculated Total Estimated Tax Burden.

"Total Effective Tax Rate" means the percentage of the Total Estimated Tax Burden as compared to the estimated average sales price identified in the Price Point Study for each land use category of Residential Property.

"Total Estimated Tax Burden" means the total amount of overlapping property taxes anticipated to be levied upon a Residential Unit, based upon the estimated average sales price identified in the Price Point Study and existing property tax rates for the current Fiscal Year. Existing property tax rates shall

reflect the actual property tax rates levied upon Taxable Property in the Fiscal Year that the Effective Tax Rate Evaluation is completed.

Future Assessor's Parcel Changes. The Effective Tax Rate Evaluation Maximum Facilities Special Tax shall be assigned to all future Assessor's Parcel(s) created from a subdivision, lot line adjustment, or merger of one or more Assessor's Parcels so that the revised total Effective Tax Rate Evaluation Maximum Facilities Special Tax revenue is not less than the total Effective Tax Rate Evaluation Minimum Facilities Revenue amount described in the Amended Rate and Method of Apportionment.

Method of Apportionment – Facilities Special Tax. The CFD No. 23 IA3 Administrator shall determine the Facilities Special Tax Requirement and levy the Facilities Special Tax until the amount of Facilities Special Taxes equals the Facilities Special Tax Requirement. The Facilities Special Tax shall be levied each Fiscal Year as follows:

First: The Facilities Special Tax shall be levied Proportionately on all Developed Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax in order to satisfy the Facilities Special Tax Requirement.

Second: If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first step has been completed, the Facilities Special Tax shall be levied Proportionately on all Small Lot Final Map Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Small Lot Final Map Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.

Third: If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first two steps have been completed, the Facilities Special Tax shall be levied Proportionately on all Permit Ready Multi-Family/Non-Residential Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Permit Ready Multi-Family/Non-Residential Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.

Fourth: If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first three steps have been completed, the Facilities Special Tax shall be levied Proportionately on all Large Lot Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Large Lot Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.

Fifth: If additional monies are needed to satisfy the Facilities Special Tax Requirement after the first four steps have been completed, the Facilities Special Tax shall be levied Proportionately on all Undeveloped Property at a rate up to 100% of the Effective Tax Rate Evaluation Maximum Facilities Special Tax. The Facilities Special Tax shall be levied on Undeveloped Property for the entire portion of the Facilities Special Tax Requirement, excluding only Pay As You Go Costs.

Method of Apportionment – Services Special Tax. The CFD No. 23 IA3 Administrator shall determine the Services Special Tax Requirement and levy the Services Special Tax until the amount of Services Special Taxes equals the Services Special Tax Requirement. The Services Special Tax shall be

levied each Fiscal Year as follows:

First: The Services Special Tax shall be levied Proportionately on all Developed Property at

a rate up to 100% of the Maximum Services Special Tax in order to satisfy the

Services Special Tax Requirement.

Second: If additional monies are needed to satisfy the Services Special Tax Requirement after

the first step has been completed, the Services Special Tax shall be levied Proportionately on all Small Lot Final Map Property at a rate up to 100% of the Maximum Services Special Tax in order to satisfy the Services Special Tax

Requirement.

Third: If additional monies are needed to satisfy the Services Special Tax Requirement after

the first two steps have been completed, the Services Special Tax shall be levied Proportionately on all Permit Ready Multi-Family/Non-Residential Property at a rate up to 100% of the Maximum Services Special Tax in order to satisfy the Services

Special Tax Requirement.

Fourth: If additional monies are needed to satisfy the Services Special Tax Requirement after

the first three steps have been completed, the Services Special Tax shall be levied Proportionately on all Large Lot Property at a rate up to 100% of the Maximum

Services Special Tax in order to satisfy the Services Special Tax Requirement.

"Special Tax" means the annual Facilities Special Tax and Services Special Tax to be levied in each Fiscal Year on each Assessor's Parcel of Taxable Property to fund the Facilities Special Tax Requirement and the Services Special Tax Requirement.

"Facilities Special Tax Requirement" means that amount of Special Tax revenue required in any Fiscal Year for the Improvement Area to: (i) Pay Facilities Administrative Expenses in an amount designated by the City; (ii) pay annual debt service on all Outstanding Bonds due in the Bond Year beginning in such Fiscal Year; (iii) pay other periodic costs on Outstanding Bonds, including but not limited to, credit enhancement and rebate payments on Outstanding Bonds; (iv) pay any amounts required to establish or replenish any reserve funds for all Outstanding Bonds in accordance with the Indenture; (v) pay for reasonably anticipated delinquent Special Taxes based on the delinquency rate for Special Taxes levied in the previous Fiscal Year and known upcoming delinquencies; and (vi) pay for Pay As You Go Costs; less (vii) a credit for funds available to reduce the annual Facilities Special Tax levy as determined by the CFD No. 23 IA3 Administrator pursuant to the Indenture.

"Services Special Tax Requirement" means the amount of Services Special Tax revenue required in any Fiscal Year for the Improvement Area to: (i) Pay Services Administrative Expenses in an amount designated by the City; (ii) pay Authorized Services expenses; (iii) pay any amounts required to establish or replenish any repair and contingency funds, capital improvement funds, or reserve funds related to the Authorized Services expenses; (iv) cover any shortfalls that exist if, in any Fiscal Year, the levy of the Facilities Special Tax on each Assessor's Parcel of Taxable Property is insufficient to pay the Facilities Special Tax Requirement in that Fiscal Year (Facilities Special Tax Requirement shortfalls shall not include Pay As You Go Costs), and (v) pay for reasonably anticipated delinquent Services Special Taxes based on the delinquency rate for Services Special Taxes levied in the previous Fiscal Year; less (vi) a credit for funds available to reduce the annual Services Special Tax levy as determined by the CFD No. 23 IA3 Administrator.

In accordance with the flow of Special Tax proceeds under the Local Obligations Indenture, in the event of a shortfall in the Facilities Special Tax to pay the Facilities Special Tax Requirement, the proceeds of the Services Special Tax will be applied to help cover the Facilities Special Tax shortfall before being applied to fund Authorized Services. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Local Obligations Flow of Funds."

Residential Property Limitation. Under no circumstances will the Facilities Special Tax levied in any fiscal year against any Assessor's Parcel of Developed Property classified as Residential Property be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the Improvement Area by more than 10% above the amount that would have been levied against such Assessor's Parcel in that fiscal year had there never been any such delinquencies or defaults. Pursuant to the Amended Rate and Method of Apportionment, property is considered "Residential Property" once a building permit could be issued for the purposes of constructing one or more Residential Units, including either single family detached homes or multi-family attached properties, such as apartments, and property is considered "Developed Property" if a building permit for new construction was issued prior to June 30 of the previous fiscal year. See "CERTAIN RISKS TO BONDHOLDERS—Maximum Special Tax."

Special Tax Calculation

The following tables reflect the estimated Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues for Fiscal Year 2022-23 and the estimated Effective Tax Rate Evaluation Minimum Facilities Revenues for Fiscal Year 2022-23 (Table 4) and the estimated total Special Tax levy for Fiscal Year 2022-23 (Table 5), each based on the development status of the properties as of June 16, 2022 (unless otherwise noted). For Table 4, the estimated Effective Tax Rate Evaluation Maximum Facilities Special Tax revenues for Small Lot Final Map Property are equal to the Effective Tax Rate Evaluation Minimum Facilities Revenues until a building permit is issued for such property. The following tables do not necessarily reflect the Special Tax that will be actually levied in any year. See "PROPOSED PROPERTY DEVELOPMENT—Development Entitlements" for a discussion of the anticipated timing of the final map approval for the remaining 476 units that had not received such approval as of June 16, 2022.

The Teeter Plan

In 1949, the State Legislature enacted an alternative method for the distribution of secured property taxes to local agencies. This method, known as the Teeter Plan, is now set forth in Sections 4701-4717 of the California Revenue and Taxation Code. Upon adoption and implementation of the Teeter Plan by a county board of supervisors, local agencies for which the county acts as "bank" and certain other public agencies and taxing areas located in the county receive annually the full amount of their share of property taxes on the secured roll, including delinquent property taxes which have yet to be collected. While a county benefits from the penalties associated with these delinquent taxes when they are paid, the Teeter Plan provides participating local agencies with stable cash flow and the elimination of collection risk.

To implement a Teeter Plan, the board of supervisors of a county generally must elect to do so by July 15 of the fiscal year in which it is to apply. The Sacramento County Board of Supervisors has adopted the Teeter Plan. Once adopted, a county's Teeter Plan will remain in effect in perpetuity unless the board of supervisors orders its discontinuance or unless prior to the commencement of a fiscal year a petition for discontinuance is received and joined in by resolutions of the governing bodies of not less than two-thirds of the participating districts in the county. An electing county may, however, opt to discontinue the Teeter Plan with respect to any levying agency in the county if the board of supervisors, by action taken not later than July 15 of a fiscal year, elects to discontinue the procedure with respect to such levying agency and the rate of secured tax delinquencies in that agency in any year exceeds 3% of the total of all taxes and assessments levied on the secured roll by that agency. See "CERTAIN RISKS TO BONDHOLDERS—Teeter Plan Termination."

Upon making a Teeter Plan election, a county must initially provide a participating local agency with 95% of the estimated amount of the then accumulated tax delinquencies (excluding penalties) for that agency. In the case of the initial year distribution of special taxes and assessments (if a county has elected to include assessments), 100% of the special tax delinquencies (excluding penalties) are to be apportioned to the participating local agency which levied the special tax. After the initial distribution, each participating local agency receives annually 100% of the secured property tax levies to which it is otherwise entitled, regardless of whether the county has actually collected the levies.

If any tax or assessment which was distributed to a Teeter Plan participant is subsequently changed by correction, cancellation or refund, a pro rata adjustment for the amount of the change is made on the records of the treasurer and auditor of the county. Such adjustment for a decrease in the tax or assessment is treated by the County as an interest-free offset against future advances of tax levies under the Teeter Plan.

The Special Tax for the District will be submitted to the County for direct levy. By submitting the Special Tax to the County, the District has agreed to allow the District to participate in the County's Teeter Plan. The County annually determines whether to include a particular direct levy and may make that determination on a district by district basis or a parcel by parcel basis. In addition, the County may not decide to include a particular parcel or district that had been included in its Teeter Plan in the previous year. The District can provide no assurance that the County will continue to include the District or any improvement area therein, including the Improvement Area, in the Teeter Plan.

To the extent that the County's Teeter Plan continues in existence and is carried out as adopted, the County's Teeter Plan may help protect the Owners of the Bonds from the risk of delinquencies in Special Taxes.

THE AUTHORITY

The Authority was created by a Joint Exercise of Powers Agreement, effective April 20, 2015 (the "JPA Agreement"), between the City and the City of Folsom South of 50 Parking Authority. The JPA Agreement was entered into pursuant to the Joint Exercise of Powers Act, Chapter 5 of Division 7 of Title 1 of the Government Code of the State. The Authority was created for the purpose of facilitating financing of public improvement facilities within the City south of US Route 50.

THE CITY

The Improvement Area is located in the City, which is located in the easterly section of the Sacramento metropolitan area approximately 22 miles east of the central business district of the City of Sacramento.

Certain economic and demographic information with respect to the City is contained in APPENDIX B. This information is presented solely as background information. The Local Obligations are not general obligations of the City but, rather, are special tax obligations of the District secured solely by the Special Taxes to be paid by the owners of property in the Improvement Area and funds held pursuant to the Local Obligations Indenture.

THE IMPROVEMENT AREA

General Description and Location

The District is a community facilities district organized by the City Council as the legislative body of the District under the Mello-Roos Act for the purpose of providing for the acquisition and construction of certain public improvements and the financing of certain services to serve property within the District. The City established the District on May 26, 2020, and designated six separate improvement areas therein, including the Improvement Area. On May 26, 2020, elections were held within the Improvement Area and the other improvement areas within the District at which the eligible voters in each improvement area approved the levy of special taxes in accordance with the respective Rate and Method of Apportionment of Special Tax for such improvement area. In addition, the eligible voters in the Improvement Area initially authorized the issuance of bonds in an amount not to exceed \$124,000,000 for the Improvement Area. In December 2021, a seventh improvement area was designated within the District and change proceedings for the Improvement Area were held, whereby the eligible voters in the Improvement Area approved amended boundaries for the Improvement Area, the Amended Rate and Method of Apportionment and a reduction in the maximum principal amount of bonded indebtedness that may be issued for and paid by Improvement Area to \$15,750,000.

The District expects that such bonds and any bonds issued for the other improvement areas within the District from time to time will be issued to finance the authorized public facilities for the benefit of the District. With respect to the Improvement Area, such bonds will be issued only in accordance with the provisions of the Local Obligations Indenture. The total bonded indebtedness authorized in the Improvement Area will be limited by the requirements of the Local Obligations Indenture, including the following requirements relating to any Additional Local Obligations: a 3:1 overlapping value to lien ratio on all land projected to be subject to the levy of the Special Tax and 110% annual coverage from the Maximum Facilities Special Tax for Taxable Property classified as Developed Property (as defined in the Local Obligations Indenture), plus the Effective Tax Rate Evaluation Minimum Facilities Revenue for Taxable Property not classified as Developed Property (as defined in the Local Obligations Indenture) less Priority Administrative Expenses. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Terms of the Local Obligations—Additional Local Obligations."

The Improvement Area is located in the southern portion of the City, west of East Bidwell Street, north of Mangini Parkway and south of U.S. Highway 50 and consists of over 272 total gross acres, of which approximately 178 acres are expected to constitute Taxable Property subject to the Special Tax. The remainder of the property will include an approximately 18,000 square foot clubhouse that includes an indoor swimming pool, a fitness center with men's and women's locker rooms, social areas, exercise rooms, two multipurpose areas, a social hall, a self-serve store, offices, restrooms, storage rooms, and outdoor patios and seating areas; an outdoor pool and spa; a barbeque pavilion; event lawns; bocce ball courts; pickle ball courts; two dog parks; walking trails; a parking lot; and approximately 80 acres of open space. Development within the Improvement Area is planned to include, at the time of full build-out, 919 age-restricted (55+) residential homes, comprised of 751 single-family/single-family high density units and 168 multi-family low density units. The maps appearing on the inside cover pages show the general location of the District and the Improvement Area.

Presently, the Improvement Area includes properties in varying stages development, including partially-improved lots, improved lots, homes under construction and completed homes. The Improvement Area is expected to include 5 separate product lines of homes, ranging from typical lot sizes of 3,440 square feet to 6,175 square feet, with three separate floor plans for each product line. Construction of the public improvements and backbone infrastructure in the Improvement Area is currently underway and has been completed for some properties, as more particularly described "PROPOSED PROPERTY DEVELOPMENT—Development Plans of Finance."

The Improvement Area is located southwest of a residential community under current development known as Russell Ranch that is expected to include over 1,000 single family dwellings at full build-out, is immediately west of Mangini Ranch, a partially developed residential community that is also expected to include over 1,000 single family dwelling units at full build-out, and is west of an additional residential community known as White Rock Springs that is also under development and expected to include over 420 single family dwellings.

Property Values

An appraisal of the land within the Improvement Area has been prepared by the Appraiser in connection with the issuance of the Bonds. The appraisal estimates the land value as of June 1, 2022 (the "Appraisal"). The Appraisal is attached to this Official Statement as APPENDIX G.

As of the date of inspection, the Appraiser notes that development of the property is underway. The subject property was valued based on the hypothetical conditions that proceeds from the Bonds will be used to reimburse infrastructure improvements completed. The Appraisal is based on land values at the time of inspection.

Subject to the assumptions, hypothetical condition and limiting conditions, the Appraiser estimated that the value of the land within the Improvement Area, as of June 1, 2022, in aggregate, is \$110,464,000. See "PROPOSED PROPERTY DEVELOPMENT—Development Plan and Status of Development" below and APPENDIX G – "APPRAISAL."

Value-to-Lien Analysis

The following table sets forth the ratios of the appraised bulk value of the land to the total liens on the property in the Improvement Area based on the development status of the property as of June 16, 2022. See "PROPOSED PROPERTY DEVELOPMENT—Development Entitlements." The following table also shows the estimated Facilities Special Tax levy for Fiscal Year 2022-23 based on the properties' current map status as Developed Property, Small Lot Final Map Property and Large Lot Property. The value-to-lien ratio for the Improvement Area based solely on the Local Obligations and the appraised aggregate value of the land within the Improvement Area is 12.1*:1.0. The overall value to overlapping debt ratio, including certain overlapping general obligation tax and assessment debt and CFD 17 special tax debt, is 8.2*:1.0 (see "—Overlapping Debt"). Any bonds secured by special assessments or special taxes issued from time to time may have the effect of reducing the value to lien ratio on property within the Improvement Area.

Overlapping Debt

Set forth below is an overlapping debt table showing the existing authorized indebtedness payable with respect to property within the Improvement Area. Additional indebtedness could be authorized by other public agencies at any time. Further, a portion of the overlapping debt shown in the table below is based on the assessed value of the underlying property, which can be expected to increase over time as development occurs and the assessed value grows. This table has been prepared by California Municipal Statistics, Inc. as of July 1, 2022, and is included for general information purposes only. Other than with respect to CFD 17, the table below allocates overlapping debt based on the assessed value of property and not on taxes paid. The District and the Authority have not reviewed the data for completeness or accuracy and make no representations in connection therewith.

CFD 17 authorized up to \$8,000,000 of bonds. In addition to CFD 17 and the District, the City has formed CFD 18, which the District overlaps, and the City Council of the City has authorized the issuance of \$200,000,000 in bonds to be secured by a special tax on property within CFD 18 on parity with the Special Tax in the Improvement Area. The timing of issuance of bonds for CFD 18 is dependent upon market conditions and development within the Folsom Plan Area. The City currently anticipates that an initial series of CFD 18 bonds in an estimated amount between \$25 million to \$30 million will be issued in the fourth quarter of 2022 to help finance at least a portion of the required Phase 2 Water Facilities (as defined herein). A portion of any bonds issued for CFD 18 will constitute overlapping debt. Other community facilities districts formed in the Folsom Ranch area will overlap CFD 18 and potentially CFD 17 but are not expected to overlap the District.

Direct assessments and levies payable with respect to property within the Improvement Area could potentially include up to \$750 million of general obligation bonds for the School Facilities Improvement District No. 3 of the Folsom Cordova Unified School District ("SFID 3"), approved by voters on March 27, 2007. SFID 3 encompasses approximately 52.6 square miles of land including the District and additional territory outside of the District, including territory in the City of Rancho Cordova and unincorporated Sacramento County. As of June 27, 2022, general obligation bonds in the aggregate principal amount of approximately \$195.6 million had been issued and approximately \$188.4 million were outstanding for SFID 3. At the time of the election approving the SFID 3 general obligation bonds, the ballot summary indicated the average tax rate per \$100,000 assessed valuation would be \$73.61. For 2021-22, the actual SFID 3 tax rate per \$100,000 was approximately \$388.10. The following table sets forth the ad valorem tax rates for SFID 3 over the past five years. The future tax levy per property owner in SFID 3 may vary depending on future bond issuance and/or changes in assessed value.

PROPOSED PROPERTY DEVELOPMENT

Development Entitlements

Specific Plan. On June 28, 2011, the City Council approved the Specific Plan for the development of 10,210 residential homes along with commercial, industrial/office park, open space, public schools, parks, infrastructure and other land uses on the 3,513.4 acre site of the Folsom Plan Area. At build out, projected to occur over a 20-year time frame, the Folsom Plan Area is projected to have a population of approximately 24,362 persons. Along with the 1,455.6 acres of residential development, the adopted Specific Plan called for 511.3 acres of commercial, office/industrial and mixed-use, 309.5 acres of public and quasi-public use (public and private schools, parks and infrastructure); 173.6 acres of major roads and 1,063 acres of open space.

Various property owners have submitted and received approvals of Specific Plan Amendments ("SPA's") since the 2011 City Council adoption. These approved SPA's have resulted in various land use changes compared to the Specific Plan that was originally approved in 2011, including an increase in the

total entitled unit count to 11,461 dwelling units and reduction to approximately 2.8 million square feet of commercial, office/industrial and mixed use.

Through a Minor Administrative Modification for the Improvement Area, the Specific Plan was modified to allow for the adjustment of a common lot line between an elementary school site and seven residential lots in order to accommodate a wider street path that provides improved emergency access. The minor modification was approved by the City's Community Development Director and confirmed through a letter dated April 20, 2020.

The Specific Plan is designed to guide and regulate the development for the area within the City south of US Route 50.

Tentative and Final Mapping. As of June 16, 2022, final maps authorizing the subdivision of a portion of the property within the Improvement Area into 443 residential lots had been recorded, and tentative maps had been approved for the remaining 476 proposed residential lots. The Developer expects to receive final map approval for an additional 100 residential lots by December 2022 and final map approval for the remaining 376 residential lots between 2023 and mid-2025. Design review approval, which provides for City review of the home plans, architecture and conformance to certain development standards, has been completed for all 919 units. The Developer believes that the only remaining discretionary entitlement within the Improvement Area is the recordation of small lot final maps for the remaining 476 tentative map units.

Based on the current tentative and final subdivision maps and zoning entitlements, the property within the Improvement Area is entitled to be developed into 751 single-family/single-family high density units and 168 multi-family low density units. The single-family high density zoned properties can include 4 to 7 dwelling units per gross acre and can include either single-family dwellings or two-family dwellings. The multi-family low density zoned properties can include 7 to 12 dwelling units per gross acre.

The following table describes the status of final maps within the Improvement Area as of June 16, 2022:

Development Conditions/Building Permit Limitations. Certain provisions of the PFFP for the Folsom Plan Area, as implemented through the tentative subdivision map conditions, place limits on the number of building permits that can be issued before certain facilities and/or backbone infrastructure is in place. These provisions/conditions could, but are not expected to, affect build-out of the Improvement Area.

For example, tentative map conditions require a fire station to be operational prior to the occupancy of the 1,500th home in the Folsom Plan Area. See "FOLSOM PLAN AREA—Public Facilities Financing Plan—Public Facilities—the Folsom Plan Area" for details on the City's plans for construction of the fire station. The City is responsible for building and operating this fire station and would expect to waive or modify this condition as it deems necessary to balance development within the Folsom Plan Area and the increasing fire service needs of the Folsom Plan Area as development progresses.

During initial planning of water infrastructure needs, the City estimated that the Phase 1 Water Facilities (as defined herein) would have capacity to serve approximately 2,800 dwelling units in the Folsom Plan Area. The City currently estimates that the Phase 1 Water Facilities have the capacity to deliver a sustained maximum day demand of up to 2 million gallons of water and, based on actual water usage within the Folsom Plan Area and a study prepared by Peterson Brustad, Inc. in April 2019, that water usage within the Folsom Plan Area will exceed the Phase 1 Water Facility capacity when approximately 2,800 to 3,300 dwelling units within the Folsom Plan Area have been occupied. The Phase 2 water backbone facilities, which include a water pipeline, booster pump and storage tank (collectively, the "Phase 2 Water Facilities"), are required to be constructed to provide expanded water transmission conveyance capabilities to deliver water from the water treatment plant to the Folsom Plan Area. The City continues to evaluate water usage and needs within the Folsom Plan Area. The City reserves the right to restrict new building permits within the Folsom Plan Area if the City determines that the new construction would cause residential water usage to exceed the capacity of the Phase 1 Water Facilities. See "—Development Entitlements—Water Supply Infrastructure" below for details on the status of the Phase 2 Water Facilities and the current plan for their construction and financing.

As of May 31, 2022, final maps had been approved and recorded for 3,056 dwelling units. There is an additional final map that has been approved by the City and recorded for 174 additional dwelling units. There are also currently nine additional final maps submitted to the City for review with approximately 993 dwelling units. It is anticipated that five of these final maps will be recorded by September 2022, with the four remaining final maps expected to be recorded by the first quarter of 2023. Also as of May 31, 2022, 2,262 building permits and 1,435 certificates of occupancy had been issued in the Folsom Plan Area for projects underway, which include, but are not limited to, the City of Folsom Community Facilities District No. 19 (Mangini Ranch) ("CFD 19"), the City of Folsom Community Facilities District No. 20 (Russell Ranch) ("CFD 20"), the City of Folsom Community Facilities District No. 21 (White Rock Springs Ranch) ("CFD 21") and the City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 1 ("CFD 23 IA1"). Collectively, CFD 19, CFD 20, CFD 21, CFD 23 IA1 and the Improvement Area are expected to include 4,269 dwelling units, approximately 2,156 of which had been issued building permits and approximately 2,769 of which had received final map approval as of May 31, 2022.

The Developer and the District do not believe that these conditions will materially impede development of the Improvement Area. However, multiple other development projects are underway in the Folsom Plan Area, and if there were an unforeseen and significant delay in construction in the Improvement Area it is possible that other development within the Folsom Plan Area will overtake development of the Improvement Area, resulting in the need for construction of the fire station and Phase 2 Water Facilities before all building permits could be issued for the Improvement Area.

External access to the project site will be provided via East Bidwell Street to the east and Mangini Parkway to the north. Pedestrian circulation is provided by a combination of street separated sidewalks, open space trails, park trails and pathway connections. Proposed on-site improvements include: underground utilities, drainage improvements, retaining walls, driveways, on-street parking, curbs/gutters, sidewalks, pathways, trails, fencing, site lighting, site landscaping, and park enhancements.

The Folsom Ranch Central District Design Guidelines (of which the Improvement Area is a part) were approved by the City concurrent with the Tentative Map approvals on June 23, 2015. The design guidelines provide for the orderly development of the proposed single family residential subdivision. The primary purpose of these design guidelines is to articulate the general architectural and design expectations for the proposed residential neighborhood, the landscapes, hardscapes, open spaces, fencing, entry features and site lighting. The goal of the design guidelines is to establish a regulatory framework for the design of individual homes on the residential lots. The final design details of the homes are subject to review and approval by the City's Planning Commission as part of a future Design Review application.

Army Corps of Engineers Wetland Permitting, Biological Opinion, Streambed Alteration Agreements and Section 106 Compliance. On May 22, 2014, the U.S. Army Corps of Engineers (the "USACOE") issued a Record of Decision ("ROD") for the Folsom South of U.S. Highway 50 Specific Plan Project - City of Folsom Backbone Infrastructure. This wetland permit covered the wetland permitting requirements for the entire backbone infrastructure necessary to serve the Folsom Plan Area. To the extent backbone infrastructure was required within a property owner's land, the backbone wetland permit authorized the filling of waters of the U.S. necessary for such construction. Each landowner thereafter is required to obtain their own wetland permit for the fill of jurisdictional wetlands not included in the footprint of the backbone wetland permit. As discussed in greater detail below, the Folsom Plan Area has received all required environmental permits.

Development Agreement. Through City Ordinance No. 1149, the City approved a Tier I Development Agreement between the City and the property owners within the Folsom Plan Area on July 12, 2011. The effective date of the ordinance was August 11, 2011. The Tier 1 Development Agreement vests certain rights of the property owners and of the City, commits each party to the agreements to subsequent actions before development may proceed within the Folsom Plan Area. Separate First Amended and Restated Tier 1 Development Agreements (the "ARDAs") were entered into among certain property owners and the City for their applicable properties, as approved by the City through City Ordinance No. 1211. The ARDAs for the property owners comprising the property within the Improvement Area were recorded in the official records of the County of Sacramento in July 2014. The City entered into Amendment No. 1 to the ARDA with Carpenter East, which was recorded in the official records of the County of Sacramento in January 2016. The City also entered into Amendment Nos. 1 and 2 to the ARDA with Folsom Real Estate South, which were each recorded in the official records of the County of Sacramento in January 2016. See "—Property Ownership."

Article 2.5 (commencing with Section 65864), of Chapter 4, Division 1, Title 7 of the State Government Code, pertaining to development agreements, has the general effect of authorizing development to continue in accordance with then existing General Plan, Specific Plan, zoning and subdivision regulations notwithstanding any subsequently enacted conflicting regulations, except for regulations the failure of which to enact would place the residents in a condition which is dangerous to their health or safety or both.

Environmental Permits and Approvals. The California Environmental Quality Act ("CEQA"), constituting Division 13 of the State Public Resources Code (commencing with Section 21000) requires that an Environmental Impact Report (an "EIR"), detailing the significant environmental effects of the

project and proposed mitigation measures, be prepared, considered and certified as complete by a public agency prior to its taking discretionary action on any project which may have a significant effect on the environment.

In June 2011, after statutorily required public notice, hearing and comment, the City Council certified as adequate and complete a final EIR/EIS for the Specific Plan for the development of the Folsom Plan Area. The EIR/EIS satisfied both CEQA and the National Environmental Policy Act for the entirety of the Folsom Plan Area. In February 2015, the City Council adopted the South of Highway 50 Backbone Infrastructure Project Initial Study/Mitigated Negative Declaration (Backbone Infrastructure MND), dated December 9, 2014. This CEQA project level document satisfied the required environmental review for the construction of backbone infrastructure for the entire Folsom Plan Area, including the Improvement Area.

The Folsom Plan Area has received all required environmental permits, including a Section 404 Permit for the entire Folsom Plan Area pursuant to Section 404 of the federal Clean Water Act. This permit allows for any necessary fill of jurisdictional wetlands and streambed alterations for the construction of backbone infrastructure to serve the entire Folsom Plan Area at build-out. In addition, a Biological Opinion has been obtained from the US Fish and Wildlife Service for the entire Folsom Plan Area, together with a California Department of Fish and Wildlife Master Streambed Alteration Permit with conditions for the whole of the Folsom Plan Area. All of the property in the Improvement Area subject to the Special Tax has received its Section 404 Permit and a subnotification approval from the California Department of Fish and Wildlife.

Water Supply. The City entered into an agreement (the "Water Supply Agreement") with the property owners in the Folsom Plan Area providing for a water supply for new development south of US Route 50. The Water Supply Agreement was supported by an addendum to the EIR. The Water Supply Agreement provides adequate water supply for full build out of the Improvement Area and the rest of the Folsom Plan Area (except the portion of the Folsom Plan Area serviced by the El Dorado Irrigation District). The amount of water provided in the Water Supply Agreement to meet the build-out demands of the Folsom Plan Area project is projected to be 5,600 acre-feet annually.

Water Supply in Folsom Generally. The primary water supply source for the City of Folsom is Folsom Reservoir, which provides the water supply for all of the City south of the American River. The City has water rights and contracts for up to 34,000 acre-feet annually ("afa") through three different contracts with the United States Bureau of Reclamation ("Reclamation"). The surface water supplies were developed through different circumstances and, as such, are subject to unique conditions and limitations. These attributes and issues affect the volume of water available under certain conditions. Surface water supply for the portions of the City north of the American River is obtained through a contract with the San Juan Water District, and therefore is not a directly owned City supply. The surface water supplies for the City's water service area are listed below.

- A pre-1914 appropriative water right for 22,000 acre-feet per year (Agreement with Reclamation)
- A pre-1914 appropriative water right for 5,000 acre-feet per year (Co-Tenancy agreement with Golden State Water Company)
- A Central Valley Project ("CVP") water service contract for 7,000 acre-feet per year (Partial Assignment from Sacramento County Water Agency to the City of Folsom and used in the City's East Area)

The City's 22,000 acre-foot entitlement is based on a pre-1914 appropriative right from the South Fork of the American River established by the Natoma Water Company ("Natoma") in 1851. Natoma's original pre-1914 water right established a maximum diversion rate "to fill a Canal Eight feet wide and Four feet deep with a current running Ten miles per hour." This correlates to a diversion rate of 60 cubic feet per second and a maximum allocation of 32,000 afa. This right is held with Golden State Water Company pursuant to a co-tenancy agreement. The City's 5,000 acre-foot entitlement is also based on Natoma's pre-1914 appropriative right from the South Fork of the American River. In November 1994, the City executed a contract with Southern California Water Company-Folsom Division ("SCWC") under which the City acquired the right to lease 5,000 afa (of SCWC's remaining 10,000 afa under the original Natoma purchase) for an indefinite period. This right is held with Golden State Water Company pursuant to a co-tenancy agreement. This water right was also formally recognized in the settlement agreement between Reclamation and the City. As authorized by Public Law No. 101-514, the City was a subcontractor under Sacramento County Water Agency's (SCWA) CVP water-service contract for 7,000 afa. In 2016, the United States, the City and SCWA completed an assignment of this portion of SCWA's CVP water-service contract from SCWA to the City.

Under the agreements with Reclamation for 22,000 afa and 5,000 afa, Reclamation delivers this entire water supply without reduction on a permanent basis. Under the agreement with Reclamation for 7,000 afa of CVP water, this water supply faces possible reductions pursuant to Reclamation's Municipal and Industrial Water Shortage Policy. In 1994, the City entered into an agreement with Golden State Water Company (f/k/a Southern California Water Company, herein "GSWC") to acquire the right to divert up to 5,000 acre feet of pre-1914 water rights annually (the "GSWC Agreement"), subject to the terms and conditions of that agreement. Under the GSWC Agreement, the City is required to pay for the entire 5,000 acre-feet annual water supply regardless of whether the City is able to divert and use that quantity of water. The City has been using the supplies provided in the GSWC Agreement to serve the existing portion of the City known as the "East Area." The cost of water under the GSWC Agreement has, in the past, been paid for by East Area landowners and water customers.

Source of Water for the Folsom Plan Area. The City has determined that its Water Systems Optimization Review Program and implementation of metered rates will provide additional water supplies in an estimated amount of 6,450 acre-feet per year, which is in addition to the present and forecasted demands of the City's existing water users. The City intends to use a portion of this 6,450 acre-feet per year of available water to meet present and future water demand in the East Area in order to make the 5,000 acre-feet per year of GSWC Agreement water supply available for use in the Folsom Plan Area, on the terms and conditions of that Agreement. To meet this intent, the City has converted the East Area water supply from the GSWC Agreement to the less expensive CVP water service contract. The City would meet the additional build-out water demand of the Folsom Plan Area with approximately 600 acrefeet per year of water produced by the Water Systems Optimization Review Program that is in excess of the water demand in the East Area. The water made available under the GSWC Agreement and Water Systems Optimization Review Program will be sufficient to supply the projected water demand in the Folsom Plan Area. Pursuant to the provisions of Sections 860 et seq. of the State Code of Civil Procedure and Government Code Sections 53511 and 53589.5, the City filed a complaint in the Superior Court of the State for the County of Sacramento to validate the agreement. The Superior Court determined that the agreement: (a) is lawful, valid, enforceable and in the best interests of the City and all persons in any way interested therein and (b) is consistent with all applicable laws and obligations, including the Measure W water supply requirement.

The City's Community Facilities District No. 2013-1 (Water Facilities and Supply) (the "Water CFD") was formed by the City in 2014. The cost of the GSWC Agreement water will initially be paid for by the Folsom Plan Area through special taxes collected for the Water CFD on certain property in the Folsom Plan Area, including the Improvement Area. When a building permit has been issued and a

customer billing account has been established, the developed parcel is no longer subject to the levy of the special tax for the Water CFD and thereafter pays for water through water rates.

Water Conservation. The City adopted Ordinance 1118, Chapter 13.26 of the Folsom Municipal Code ("FMC"), Water Conservation. Chapter 13.26 establishes a five stage water conservation program with conservation goals and water use restrictions. The City Manager is authorized to implement and enforce whatever conservation measures are deemed necessary to achieve the water reduction requirements of the declared conservation stage.

Water Supply Infrastructure. Existing water infrastructure and pipelines run to the north side of US Route 50. For the first phase of infrastructure, the developers of the Folsom Plan Area constructed improvements to connect this water supply and extend water infrastructure pipelines to serve the initial phases of development in the Folsom Plan Area (the "Phase 1 Water Facilities"). In the next phase, the Folsom Plan Area developers will be required to construct improvements at the existing City water treatment plant to include a water booster pump station and construct a new water pipeline transmission main from the water treatment plant site into the Folsom Plan Area along with two storage tanks and a pump station improvement to serve the area-wide development with potable water. In order for each individual parcel to access that water supply, the developers of those parcels will need to extend infrastructure to their sites.

The Phase 1 Water Facilities were completed in August 2018. The City estimates that the Phase 1 Water Facilities have the capacity to deliver a sustained maximum day demand of up to 2 million gallons of water. The Phase 2 Water Facilities (which include the new water pipeline transmission main, a booster pump station and a storage tank) are required to be constructed to provide expanded water transmission conveyance capabilities to deliver water from the water treatment plant to the Folsom Plan Area.

During initial planning of water infrastructure needs, the City estimated that the Phase 1 Water Facilities would have capacity to serve approximately 2,800 dwelling units in the Folsom Plan Area. Based on actual water usage within the Folsom Plan Area and a study prepared by Peterson Brustad, Inc. in April 2019, the City currently estimates that water usage within the Folsom Plan Area will exceed the Phase 1 Water Facility capacity when approximately 2,800 to 3,300 dwelling units within the Folsom Plan Area have been occupied. The City continues to evaluate water usage and needs within the Folsom Plan Area. The City reserves the right to restrict new building permits within the Folsom Plan Area if the City determines that the new construction would cause residential water usage to exceed the capacity of the Phase 1 Water Facilities.

As of May 31, 2022, for the Folsom Plan Area, final maps had been approved and recorded for approximately 3,056 dwelling units, 2,262 building permits had been issued, and 1,435 certificates of occupancy had been issued. There is an additional final map that has been approved by the City and recorded for 174 additional dwelling units. There are also currently nine additional final maps submitted to the City for review with approximately 993 dwelling units. It is anticipated that five of these final maps will be recorded by September 2022, with the four remaining final maps expected to be recorded by the first quarter of 2023. During summer 2021 as a result of high levels of construction activity, the maximum day water demand exceeded 2 million gallons for several days with no service interruption to the water system. Developers within the Folsom Plan Area have made various arrangements for alternative water sources during the next two years to alleviate usage of the Phase 1 Water Facilities and in response to drought concerns. See "PROPOSED PROPERTY DEVELOPMENT — Development Entitlements — Drought Conditions and Construction Water Usage" for more information. Based on current development plans and discussions with the developers within the Folsom Plan Area, and subject to variations due to water usage for construction within the Folsom Plan Area, the City estimates that the

Phase 1 Water Facilities will reach their maximum day capacity in the summer of 2024. An increase in residential water demand, an event impacting the capacity of the Phase 1 Water Facilities, or other factors that increase water demand or decrease capacity could cause the City to reevaluate this estimated date and could adversely impact the ability of the City to issue building permits if the City expects demand to exceed capacity before the Phase 2 Water Facilities are complete.

In February 2018, the first round of developers within the Folsom Plan Area began conducting alignment studies for the Phase 2 Water Facilities and, as of December 13, 2018, developers within the Folsom Plan Area engaged Hydroscience Engineers for the design of the Phase 2 Water Facilities. The City has commenced review of the construction documents for the Phase 2 Water Facilities and anticipates completing its review in summer 2022. ECIC, who is expected to be involved with the bidding and construction of the Phase 2 Water Facilities, has informed the City and the Developer that bidding for the construction work of the Phase 2 Water Facilities is expected to occur in summer 2022 and that the construction is expected to commence by fall 2022 and be completed 18 months thereafter or by summer 2024, in time to meet the expected demands from projected growth within the Folsom Plan If the Phase 2 Water Facilities are completed by summer 2024, the projected timing of development described in this Official Statement should not be affected. [However, the Developer is not responsible for construction of the Phase 2 Water Facilities] and there can be no assurance that the construction of the Phase 2 Water Facilities will be completed as planned. Additionally, increased residential or construction water usage amounts or a reduction in the capacity of the current water facilities could cause the City to restrict the continued development of the Folsom Plan Area, including within the Improvement Area. See "CERTAIN RISKS TO BONDHOLDERS - Failure to Develop."

Based on a preliminary analysis prepared by ECIC and its consultants, the Phase 2 Water Facilities were projected, as of April 2022, to cost approximately \$29 million but may cost more depending on the cost of supplies, the cost of labor and other factors at the time construction commences. ECIC has requested that the Phase 2 Water Facilities be funded through bonds issued for CFD 18 and certain pay-go proceeds from CFD 17 and CFD 18 special taxes. Based on cost projections as of April 2022, ECIC expected the sources of revenues from CFD 17 and CFD 18 to be sufficient to fund the Phase 2 Water Facilities costs. See "FOLSOM PLAN AREA — Folsom Plan Area Development" for a discussion of certain development and investment that has already occurred within the Folsom Plan Area and additional future development and investment that is anticipated as the Folsom Plan Area continues to be developed.

In addition to the Phase 2 Water Facilities, the City anticipates that an additional water tank and pump station improvement will be needed to accommodate the increased development once there are approximately 1,600 occupied dwelling units in zones 4, 5 and 6 of the Folsom Plan Area (the "Zone 4 Water Facilities"). These zones are east of Placerville Road (and east of the District) and generally constitute the areas covered by CFD 20, CFD 21 and CFD 22. The Zone 4 Water Facilities and the Phase 2 Water Facilities are separate water improvements, and, if needed, the Phase 2 Water Facilities can be constructed and completed separately from the Zone 4 Water Facilities, thereby allowing development to continue in the Folsom Plan Area generally, including within the Improvement Area. According to estimates from ECIC as of April 2022, the Zone 4 Water Facilities are projected to cost approximately \$10 million but may cost more depending on the cost of supplies, the cost of labor and other factors at the time construction commences. To the extent CFD 18 bond proceeds are available, the developers within the Folsom Plan Area anticipate using proceeds from CFD 18 bonds to finance the Zone 4 Water Facilities. [The Developer is not responsible for construction of the Zone 4 Water Facilities], and there can be no assurance that the construction of the Zone 4 Water Facilities will be completed as planned. However, if the Zone 4 Water Facilities are constructed as planned, neither the City nor the Developer expects that the need for a Zone 4 Water Facilities will adversely impact the timeline or cost estimates for development of the Improvement Area otherwise described in this Official Statement.

Wastewater Treatment. The Sacramento Regional County Sanitation District has an existing wastewater treatment plant with its ongoing and permitted improvement projects projected to accommodate all wastewater from development in the Folsom Plan Area. Existing sewer transmission mains are capable of conveying wastewater from the Folsom Plan Area and initial development sites (including the Improvement Area) to the existing treatment plant.

Flood Zones. According to the Federal Emergency Management Agency flood map, the Improvement Area is in Zone X, which consists of areas determined to be outside of the 500-year flood plain.

Fire Zones. The Improvement Area is located within an area identified as a moderate fire hazard severity zone. More information regarding Fire Hazard Severity Zones can be found at the California Department of Forestry and Fire Protection website at https://frap.fire.ca.gov, though such website is not incorporated herein by reference. The development within the Improvement Area is subject to mitigation measures set forth in a fuel modification plan approved by the City Fire Department. The mitigation measures include, among others, limitations on the type of vegetation that may be planted within fuel modification zones established in open space areas along certain portions of the perimeter of the Improvement Area, minimum setback of structures and irrigation requirements of the fuel modification zones. Maintenance of such zones is expected to initially be the responsibility of the property owners but upon build-out of the Improvement Area and dedication of the open space to the City will be maintained by the City from funds provided through CFD 18. Homeowner's insurance is expected to be available to property owners within the Improvement Area, and the coverage provided by such insurance typically insures against fire damage, although there is no assurance that homeowners within the Improvement Area will purchase or maintain such insurance.

Drought Conditions and Construction Water Usage. In response to drought conditions in 2021, the City imposed a mandatory 20% reduction in water use on its water customers. In addition, use of City water for construction purposes required City approval. At the time, the City allowed construction within the Folsom Plan Area to proceed, including the use of City water. However, prolonged drought conditions in 2022 could result in mandatory reductions in water usage that may adversely impact the ability of the developers within the Improvement Area to develop the Improvement Area in the timeline described in this Official Statement.

To help alleviate the demand on the current water facilities, certain developers within the Folsom Plan Area have made arrangements to obtain construction water from the El Dorado Irrigation District ("EID"), an alternative water provider that has existing facilities adjacent to the Folsom Plan Area. For instance, Lennar has previously received construction water from EID for its Russell Ranch project in CFD 20. Such arrangements augment, but do not replace, the need for and the use of City water, which is currently provided through the Phase 1 Water Facilities. Due to such alternative arrangements for construction water and the amount of development that has already occurred in the Folsom Plan Area, the City anticipates that the demand for construction water will likely be lower in summer 2022 than it has been in some of the recent past years.

Affordable Housing. [The City and the Developer entered into an Inclusionary Housing Agreement for the Improvement Area, which is recorded in the official records of the County of Sacramento and provides for the Developer's compliance with the City's inclusionary housing requirement by payment of an in-lieu fee to the City.]

Utilities. All typical urban utility services for finished lots will be extended to the lots. These utilities include electric power, natural gas, telephone, cable television, water, refuse, and sanitary sewer and storm water facilities. The City provides water, sewer, refuse and storm water facilities, and police and fire services. Pacific Gas & Electric provides natural gas and the Sacramento Municipal Utility District (SMUD) provides electric service. Comcast provides cable service.

Specific Plan Infrastructure Fee Credits and Improvements. The SPIF is administered by the City for the purposes of collecting impact fees for plan area wide improvements for the construction of roadways, water, sewer, drainage, dry utilities, recycled water and habitat mitigation in the Folsom Plan Area. The purpose of the SPIF is to require each landowner to pay its fair share of Folsom Plan Area area-wide improvements and to be reimbursed for any amount expended in excess of a landowner's fair share requirement. Under the terms of the SPIF Ordinance adopted by the City, property owners in the Folsom Plan Area will be eligible to enter into an agreement with the City and receive future reimbursements (that are convertible to fee credits for use within the owner's property) in exchange for the construction of eligible SPIF improvements. Based on the amount of improvements eligible for SPIF reimbursement, all of the properties within the Improvement Area are anticipated to fully cover their SPIF obligations through the conversion of these SPIF reimbursements to SPIF fee credits. After applying the SPIF reimbursements as SPIF fee credits to all properties in the Improvement Area, all amounts expended in excess of the project's SPIF obligation are expected to be reimbursed from the City as other SPIF fees are collected in the Folsom Plan Area.

Within the Folsom Plan Area, initial development will be required to pay a "SPIF Set-Aside" component to address initial water and sewer facility costs. This is a loan of SPIF collections to help the cash flow for the initial water and sewer costs. It will be repaid or equalized to all properties through the SPIF program as well as through CFD 18. The SPIF Set-Aside will apply to the first 2,500 Folsom Plan Area dwelling units that would be subject to the SPIF. A portion of the SPIF will be required to be paid regardless of whether a developer/property owner has advance-funded eligible SPIF infrastructure and has executed a Fee Reimbursement Agreement through the City. An exception to this rule is that a property owner who constructs certain water or sewer infrastructure for which the SPIF Set-Aside is being collected may take a credit against the SPIF Set-Aside.

In addition, in August 2020, the City approved an ordinance amending certain provisions of the SPIF ordinance to include a new SPIF – Offsite Water Set-Aside. This new SPIF – Offsite Water Set-Aside will be payable at the building permit stage and will not be eligible to be offset by fee credits.

City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Master Plan

Status of Development:

As of June 16, 2022, all of the taxable residential property within the Improvement Area was owned by the Developer and was in various stages development, including partially-improved lots, improved lots, homes under construction and completed model homes. As of June 16, 2022, the Developer had completed the construction of 15 model homes (three within each product line) that were open to the public and had sold to individual homebuyers (but not closed) 155 production homes. Homes under contract may not result in closed escrows as sales contracts are subject to cancellation. As of June 16, 2022, final maps authorizing the subdivision of a portion of the property within the Improvement Area into 443 residential lots had been recorded, and tentative maps had been approved for the remaining 476 proposed residential lots. The Developer expects to receive final map approval for an additional 100 residential lots by December 2022 and final map approval for the remaining 376 residential lots between 2023 and mid-2025. The only remaining discretionary entitlement within the Improvement Area is the recordation of small lot final maps for the remaining 476 tentative map units.

As of June 16, 2022, the amenities being constructed within the Improvement Area were approximately 30% complete and anticipated to be completed by March 2023. The Developer is in the process of completing the required backbone improvements for the Improvement Area, which it anticipates completing by fall 2023.

The following table summarizes, as of June 16, 2022, the development status of the residential lots and homes proposed to be constructed within each of the five product lines within the Improvement Area.

[Backbone and Offsite Infrastructure. The Developer is in the process of completing certain required backbone infrastructure and offsite improvements serving the Improvement Area. Backbone infrastructure includes the following: (i) construction of the Mangini Parkway bridge, which has been completed; (ii) construction of the Regency Parkway bridge, which is expected to commence in late 2022 and be completed by summer 2023; and (iii) construction of a hydromodification basin, the Mangini Parkway phase 2 roadway and utilities, and the Oak Avenue roadway and utilities, which commenced in spring 2022 and are expected to be completed by December 2022. Landscaping of the Mangini Parkway and Oak Avenue roadways is expected to commence after completion of the roadways and take approximately four months to complete. The Developer anticipates completing the backbone improvements by the end of 2023. Offsite improvements, which include primary access roads and curbs, gutters, sidewalks and streetlights are substantially complete and expected to be completed by December 2022.]

[Subdivision Improvements.] The in-tract subdivision improvements within the Improvement Area have been completed for 342 units, and the Developer anticipates completing the remaining in-tract subdivision improvements by the end of 2024. Remaining in-tract subdivision improvements for development of the Improvement Area includes, among other things, water and sewer hookups, underground utilities, streets, street lighting, soundwalls and landscaping improvements. As of May 31, 2022, the total remaining subdivision improvements in the Improvement Area are estimated at approximately \$40 million, including all design, construction staking, plan check, inspection, habitat mitigation and other project related soft costs.]

COVID-19 Impact

The planned development within the Improvement Area is subject to disruption due to the COVID-19 pandemic and related public health and governmental authorities' orders and actions, which could have a material adverse effect on the Developer's ability to complete its proposed development within the Improvement Area and sell completed homes in the time frames and budgets, and at the sales prices, described in this Official Statement. The Developer has largely continued, with certain modifications, their development, home construction and sales activities in the Improvement Area to date, including taking steps at the model home sites, sales offices and jobsites, as applicable, to limit the spread of the COVID-19 outbreak and implementing certain changes to the home sales process in an effort to mitigate the spread of COVID-19. The Developer has provided the option of touring homes virtually online, by appointment, or currently, in person. However, in the event that the Developer believes it is advisable to, or are required to, implement additional measures in response to a resurgence of COVID-19 or other public health risks, they may experience further negative impacts on their businesses and operations.

The Developer has experienced increases in certain construction costs, supply chain delays, labor shortages, and increased cycle time for construction projects generally. However, the Developer has not experienced any significant development delays resulting from work stoppages, reduced attendance of workers, or the ability to obtain necessary inspections and approvals for homes, which may be attributed, directly or indirectly, to the COVID-19 pandemic. While the cost increases and delays may have been and may continue to be intermittently affected by COVID-19, the majority of cost increases and delays can be attributable to production backlogs due to prior shutdowns or shelter in place orders, the strength of the housing market and the result of vendors not anticipating the scale of the demand for housing materials.

The COVID-19 outbreak is ongoing and, among other things, the ultimate geographic spread of the virus, the emergence and spread of new strains or variants of COVID-19, the duration and severity of the outbreak, the availability and acceptance of effective vaccines, adequate testing and treatments and the

prevalence of widespread immunity to COVID-19, and the economic and other actions that may be taken by governmental authorities to contain the outbreak or to address its impact remain uncertain. The ultimate effects of COVID-19 on the Improvement Area, the Developer's operations and financial condition, homebuyers' willingness and ability to pay the Special Tax when due, and the real estate market and United States economy in general are unknown. Such effects, if and as they arise, could have a material adverse effect on the ability to complete the development within the Improvement Area and/or sell homes or lots as planned, and no assurance can be provided that the Developer will be able to (a) complete in whole or in any part, or within any particular time, their construction of homes within the Improvement Area; (b) avoid additional material increases in development costs or delays resulting from work stoppages, reduced attendance of workers, shortages or delays in the delivery of building materials, and/or delays in obtaining necessary inspections and approvals; or (c) sell homes, and close home sales or not experience purchase contract cancellations, due in each case to public health or governmental restrictions, further spread of COVID-19, an economic downturn driven by the pandemic, or otherwise. See "CERTAIN RISKS TO BONDHOLDERS—Potential Impact of Global Health Crises or Concerns" herein.

Development Plan of Finance

To date, the Developer has financed its land acquisition and various site development and homebuilding costs related to its property in the Improvement Area through internally generated funds. As of May 31, 2022, the Developer had expended approximately \$111.5 million on its project in the Improvement Area, including land acquisition costs, site development costs, permits and fees, direct and indirect home construction costs, and marketing and sales costs and expenses (exclusive of corporate overhead and other carry costs). The Developer expects to incur approximately \$478.8 million on remaining site development costs, permits and fees, direct and indirect home construction costs, and marketing and sales costs and expenses (exclusive of corporate overhead and other carry costs) related to its project in the Improvement Area. The Developer expects to use internal funding (which may include homes sales revenue and funding from its parent company) and proceeds from the sale of the Local Obligations to complete its development and home construction within the Improvement Area and believes that it will have sufficient funds available to complete its planned development as described in this Official Statement.

[As of May 31, 2022, the Developer estimates that it had incurred total grading and backbone and off-site infrastructure development costs of approximately \$47 million for the Improvement Area. As of that same date, the Developer's remaining grading and backbone and off-site infrastructure for development costs for the Improvement Area were estimated at approximately \$50 million. The remaining backbone and off-site infrastructure work is expected to continue and ultimately be completed by the end of 2023.]

[As of May 31, 2022, the Developer had incurred total site development costs of approximately \$71.4 million for the development of the Improvement Area. As of that same date, the Developer's remaining development costs for the Improvement Area, excluding home construction costs, were estimated at \$101.8 million. The remaining site development work is expected to continue and ultimately be completed by the end of 2024.]

The following table describes the Developer's estimated total site development costs for the Improvement Area, excluding home construction costs. The table also describes, as of May 31, 2022, the site development costs spent, the remaining site development costs and the estimated time for completion.

Although the Developer expects to have sufficient funds available to complete its planned development in the Improvement Area as described in this Official Statement, there can be no assurance that amounts necessary to finance the remaining development and home construction costs will be available from the Developer or any other source when needed. While the Developer has made such internal financing available in the past, there can be no assurance whatsoever of its willingness or ability to do so in the future. Neither the Developer, nor any of its related entities are under any legal obligation of any kind to expend funds or obtain loans for land acquisition or the development of and construction of homes on its property in the Improvement Area. Any contributions by the Developer to fund the costs of such development or home construction are entirely voluntary.

If and to the extent that internal funding, including but not limited to home sales revenues, are inadequate to pay the costs to complete the planned development by the Developer within the Improvement Area and other financing by the Developer is not put into place, there could be a shortfall in the funds required to complete the planned development by the Developer of its property in the Improvement Area.

CERTAIN RISKS TO BONDHOLDERS

This section provides a general overview of certain risk factors which should be considered, in addition to the other matters set forth in this Official Statement, in evaluating an investment in the Bonds. This section is not meant to be a comprehensive or definitive discussion of the risks associated with an investment in the Bonds, and the order in which this information is presented does not necessarily reflect the relative importance of various risks. Potential investors in the Bonds are advised to consider the following factors, among others, and to review this entire Official Statement to obtain information essential to the making of an informed investment decision. Any one or more of the risk factors discussed below, among others, could lead to a decrease in the market value and/or in the marketability of the Bonds. There can be no assurance that other risk factors not discussed herein will not become material in the future.

Levy of the Special Tax

The principal source of payment of debt service on the Local Obligations, from which funds for the payment of the Bonds are derived, is the proceeds of the annual levy and collection of the Special Tax against property in the Improvement Area. The annual levy of the Special Tax is subject to the Maximum Special Tax rates authorized within the Improvement Area. The levies cannot be made at higher rates even if the failure to do so means that the estimated proceeds of the levy and collection of the Special Tax, together with other available moneys, will not be sufficient to pay debt service on the Local Obligations. Other funds which might be available include funds derived from the payment of delinquent Special Tax and funds derived from the tax sale or foreclosure and sale of related Taxable Property on which levies of the Special Tax are delinquent.

The levy of the Special Tax will rarely, if ever, result in a uniform relationship between the value of particular Taxable Property and the amount of the levy of the Special Tax against such parcels. Thus, there will rarely, if ever, be a uniform relationship between the value of such parcels and the proportionate share of debt service on the Local Obligations, and certainly not a direct relationship.

The Special Tax levied in any particular tax year on a Taxable Property is based upon the revenue needs and application of the Amended Rate and Method of Apportionment. Application of the Amended Rate and Method of Apportionment will, in turn, be dependent upon certain development factors with respect to each Taxable Property by comparison with similar development factors with respect to the other Taxable Property in the Improvement Area. Thus, in addition to annual variations of the revenue needs from the Special Tax, the following are some of the factors which might cause the levy of the Special Tax on any particular Taxable Property to vary from the Special Tax that might otherwise be expected:

- Reduction in the number of Taxable Property for such reasons as acquisition of Taxable Property by the federal government or an agency thereof, asserting immunity (however, see "Exempt Properties" below) from taxation, thereby resulting in an increased tax burden on the remaining Taxable Property.
- Failure of the related owners of Taxable Property to pay the Special Tax and delays in the collection of or inability to collect the Special Tax by tax sale or foreclosure and sale of the delinquent parcels, thereby resulting in an increased tax burden on the remaining parcels, subject to the related Maximum Special Tax.

Collection of Special Tax

In order for the District to pay debt service on the Local Obligations, from which funds for the payment of the Bonds are derived, it is necessary that the Special Tax levied against land in the Improvement Area be paid in a timely manner. The District has established the Local Obligations Reserve Account under the Local Obligations Indenture in the amount of the Required Bond Reserve to pay debt service on the Local Obligations, in the event that a portion of the Special Taxes for the Local Obligations are not paid on time.

The Local Obligations Indenture provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described below and in the Mello-Roos Act, is to be subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for *ad valorem* property taxes. Pursuant to these procedures, if taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the County.

Pursuant to the Mello-Roos Act, in the event of any delinquency in the payment of the Special Tax, the District may order the institution of a Superior Court action to foreclose the lien therefor within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at judicial foreclosure sale. Such judicial foreclosure action is not mandatory. However, the District has covenanted that it will annually on or before September 1 of each year review the public records of the County of Sacramento relating to the collection of the Special Tax in order to determine the amount of the Special Tax collected in the prior Fiscal Year, and if it determines on the basis of such review that the amount so collected is deficient by more than 5% of the total amount of the Special Tax levied in such Fiscal Year, it will within 60 days thereafter institute foreclosure proceedings as authorized by the Mello-Roos Act in order to enforce the lien of the delinquent installments of the Special Tax against each lot or parcel of land in the Improvement Area, and will diligently prosecute and pursue such foreclosure proceedings to judgment and sale; provided, that irrespective of the foregoing if the District determines on the basis of such review that property owned by any single property owner in the Improvement Area is delinquent by four missed payments with respect to the Special Tax due and payable by such property owner by such delinquency date, then the District will institute, prosecute and pursue such foreclosure proceedings in the time and manner provided herein against such property owner; provided further, that any actions taken to enforce delinquent Special Tax liens shall be taken only consistent with Sections 53356.1 through 53356.7, both inclusive, of the Mello-Roos Act; and provided further that the District is not obligated under the Local Obligations Indenture to enforce the lien of any delinquent installment of the Special Tax for any Fiscal Year in which the District has received one hundred percent (100%) of the amount of such installment from the County pursuant to the Teeter Plan.

In the event that sales or foreclosures of property are necessary, there could be a delay in payments to Owners of the Bonds pending such sales or the prosecution of foreclosure proceedings and receipt by the District of the proceeds of sale if the Local Obligations Reserve Account with respect to the Local Obligations is depleted. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Covenant for Foreclosure."

The District may be unable to make full or timely payment of debt service on the Local Obligations if property owners in the Improvement Area fail to pay installments of the Special Tax when due, if the Local Obligations Reserve Account is depleted, or if the District is unable to sell related foreclosed parcels for amounts sufficient to cover the delinquent installments of the Special Tax.

Concentration of Ownership

As of June 16, 2022, the Taxable Property in the Improvement Area was entirely owned by the Developer, and consequently, the Special Tax within the Improvement Area will be paid by the Developer until the land is developed and sold. See "PROPOSED PROPERTY DEVELOPMENT—Property Ownership."

The Developer is in the process of building and selling completed homes to individual homeowners. No assurance can be given that the property sales will close when anticipated. See "PROPOSED PROPERTY DEVELOPMENT—Property Ownership." Generally, the risk of delinquency or nonpayment of Special Taxes at levels which do not permit the timely payment of principal of and interest on the Bonds is inversely correlated to the diversity of ownership of Taxable Property within the Improvement Area. The fact that a substantial portion of the property providing the ultimate security for the payment of Local Obligations is controlled by a single owner means that timely payment of the respective Special Tax and, therefore, the Bonds, will depend initially upon the willingness and ability of such owner to pay the Special Tax when due. The only assets of the Developer that constitute security for the Local Obligations are its real property holdings located within the Improvement Area.

There can be no assurance that the remaining undeveloped property will be fully developed and that property ownership will be further diversified as a result. See "CERTAIN RISKS TO BONDHOLDERS—Failure to Develop."

Payment of the Special Tax is Not a Personal Obligation of a Property Owner

A PROPERTY OWNER IS NOT PERSONALLY OBLIGATED TO PAY THE SPECIAL TAX. RATHER, THE SPECIAL TAXES ARE OBLIGATIONS ONLY AGAINST THE PROPERTY. IF THE VALUE OF THE PARCELS OF PROPERTY IS NOT SUFFICIENT, TAKING INTO ACCOUNT OTHER OBLIGATIONS ALSO PAYABLE THEREBY, TO FULLY DISCHARGE THE SPECIAL TAX, THE DISTRICT WILL HAVE NO RECOURSE AGAINST THE PROPERTY OWNER.

Potential Early Redemption of Bonds from Prepaid Special Taxes

Property owners within the Improvement Area are permitted to prepay their Special Taxes at any time. Such prepayments could also be made from the proceeds of bonds issued by or on behalf of an overlapping special assessment district or community facilities district. Such payments will result in a redemption of the Bonds on the Interest Payment Date for which timely notice may be given under the Trust Agreement following the receipt of the prepayment. The resulting redemption of Bonds purchased at a price greater than par could reduce the otherwise expected yield on such Bonds. See "THE BONDS—Redemption Provisions—Extraordinary Redemption from Prepayment of Special Taxes."

Special Tax Delinquencies

The Special Taxes are billed to the properties within the Improvement Area on the *ad valorem* property tax bills sent to owners of such properties. Such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do *ad valorem* property tax installments. In each year the County includes the Improvement Area in the Teeter Plan, the County will be obligated to pay the District 100% of the amount of the Special Taxes actually levied in the Improvement Area, regardless of any delinquencies. However, the County is required to terminate the Teeter Plan if two-thirds of the participants so petition the Board of Supervisors and may discontinue the Teeter Plan as to the Improvement Area if the delinquency rate in the Improvement Area exceeds 3%. Moreover, the County determines annually whether to include a particular district in the Teeter Plan. See "—Teeter

Plan Termination" and "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—The Teeter Plan." Significant delinquencies in the payment of annual Special Tax installments, or delays in the prosecution of foreclosure proceedings to collect such Special Taxes, could result in a default in the payment of the debt service on the Bonds. See "—Bankruptcy" and "—FDIC/Federal Government Interests in Properties" below, for a discussion of the limitations on the District's ability to foreclose on the lien of the Special Taxes in certain circumstances and the policy of the Federal Deposit Insurance Corporation regarding the payment of special taxes.

Teeter Plan Termination

The County has implemented its Teeter Plan as an alternate procedure for the distribution of certain property tax and assessment levies on the secured roll. The County determines annually which special taxes and assessment levies to include in the Teeter Plan. Pursuant to its Teeter Plan, once the County determines to include special taxes and assessment levies in the Teeter Plan, the County provides the local agency and taxing area with full tax and assessment levies instead of actual tax and assessment collections. In return, the County is entitled to retain all delinquent tax and assessment payments, penalties and interest. Thus, the County's Teeter Plan may help protect Owners from the risk of delinquencies in the payment of Special Taxes. However, the County is entitled, and under certain circumstances could be required, to terminate its Teeter Plan with respect to all or part of the local agencies and taxing areas covered thereby. In addition, the County may decide not to include certain special taxes and assessment levies, including the Improvement Area, in the Teeter Plan in any fiscal year. Any termination of the Teeter Plan with respect to the Improvement Area would eliminate such protection from delinquent Special Taxes. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—The Teeter Plan."

Land Values

If a property owner defaults in the payment of the Special Tax, from which funds for the payment of the Bonds are derived, the District's only remedy is to foreclose on the delinquent property in an attempt to obtain funds with which to pay the delinquent Special Tax. The value of taxable property in the Improvement Area is therefore an important consideration in evaluating the security for the Bonds. Land values could be adversely affected by economic factors beyond the District's control, such as relocation of employers out of the area, stricter land use regulations, the absence of water, or destruction of property caused by, among other eventualities, earthquake, flood or other natural disaster, or by environmental pollution or contamination.

Appraisal Risks

The Appraiser has estimated the market value of the property in the Improvement Area on the basis of certain assumptions which the Appraiser believes to be reasonable under the circumstances. See the Appraisal included in APPENDIX G hereto. However, certain of the assumptions made by the Appraiser may prove to be untrue.

Although the District believes that the Appraiser's methodology and assumptions are reasonable under the circumstances, the Appraiser's aggregate value conclusions are expressions of professional opinion only. No assurance can be given that the aggregate values of property in the Improvement Area are equal to or greater than the Appraiser's estimated values, nor can any assurance be given that such aggregate values will not decline during the period of time the Bonds are Outstanding. The values of the property in the Improvement Area can be adversely affected by a variety of factors, including, but not limited to, the occurrence of one or more of the special risk events discussed herein. A decline in the value of a parcel in the Improvement Area could lower the ability or willingness of the owner of such

parcel to pay Special Taxes when due and would decrease the amount recoverable at a foreclosure sale of such parcel.

See "THE IMPROVEMENT AREA—Property Values" for a further discussion of estimated property values in the Improvement Area.

Exempt Properties

Certain properties within the Improvement Area are or may become exempt from the Special Tax in accordance with the Amended Rate and Method of Apportionment. In addition, the Mello-Roos Act provides that properties or entities of the state, federal or local government are exempt from Special Tax; provided, however, that property acquired by a public entity through a negotiated transaction or by gift or devise, which is not otherwise exempt from the Special Tax, will continue to be subject to the Special Tax. In addition, the Mello-Roos Act provides that if property subject to Special Tax is acquired by a public entity through eminent domain proceedings, the obligation to pay Special Tax with respect to that property is to be treated as if it were a special assessment. Further, properties receiving a welfare exemption under subsection (g) of Section 214 of the California Revenue and Taxation Code are exempt from the Special Tax unless debt is outstanding and the property was subject to the Special Tax prior to receiving the exemption. Neither the District or the Developer are aware of any property within the Improvement Area currently receiving a welfare exemption. The constitutionality and operation of these provisions of the Mello-Roos Act have not been tested.

In particular, insofar as the Mello-Roos Act requires payment of a special tax by a federal entity acquiring property within the community facilities district, it may be unconstitutional. If for any reason property within the Improvement Area becomes exempt from taxation, then, subject to the Amended Rate and Method of Apportionment, including the limitation on the maximum special tax rates set out in the Amended Rate and Method of Apportionment, the special tax will be reallocated to the remaining taxable properties within the Improvement Area. This would result in the owners of such property paying a greater amount of the Special Tax and could have an adverse impact upon the timely payment of the Special Tax. Moreover, if a substantial portion of land within the Improvement Area becomes exempt from the Special Tax because of public ownership, or otherwise, the maximum rate that could be levied upon the remaining property might not be sufficient to pay principal of and interest on the related Local Obligations and could adversely affect the ability of the District to pay principal of and interest on the Bonds when due.

Maximum Special Tax

Within the limits of the Special Tax, the District may adjust the Special Tax on all property in the Improvement Area to provide an amount required to pay interest on, principal of, Minimum Sinking Fund Payments for and redemption premiums, if any, on the Local Obligations, and the amount, if any, necessary to cure delinquencies and replenish the Local Obligations Reserve Account to an amount equal to the Required Bond Reserve, and to pay all current Expenses.

Although the Maximum Special Tax is designed to provide Special Tax revenues on an annual basis, there is no assurance that the Maximum Special Tax on the property in the Improvement Area will be sufficient to pay the amounts required to be paid by the Local Obligations Indenture at all times, from which funds for the payment of the Bonds are derived. See "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS—Special Tax Authorization" and APPENDIX A—"AMENDED RATE, METHOD OF APPORTIONMENT AND MANNER OF COLLECTION OF SPECIAL TAX."

Under the Amended Rate and Method of Apportionment, the Facilities Special Tax levied in any fiscal year against any Assessor's Parcel (as defined in the Amended Rate and Method of Apportionment) of Developed Property classified as Residential Property may not be increased as a consequence of delinquency or default by the owner or owners of any other parcel or parcels within the Improvement Area by more than 10% above the amount that would have been levied against such Assessor's Parcel in that fiscal year had there never been any such delinquencies or defaults. Pursuant to the Amended Rate and Method of Apportionment, property is considered "Residential Property" once a building permit could be issued for the purposes of constructing one or more Residential Units, including either single family detached homes or multi-family attached properties, such as apartments, and property is considered "Developed Property" if a building permit for new construction was issued prior to June 30 of the previous fiscal year.

No Acceleration Provision

The Local Obligations Indenture does not contain a provision allowing for the acceleration of the Bonds in the event of a payment default or other default under the terms thereof.

Loss of Tax Exemption

As discussed under "TAX MATTERS," interest on the Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date of issuance, as a result of acts or omissions of the District subsequent to the issuance of the Bonds in violation of the District's covenants with respect to the Bonds. Should interest become includable in gross income, the Bonds are not subject to redemption by reason thereof and will remain outstanding until maturity or unless earlier redeemed pursuant to optional or mandatory redemption.

Parity Taxes and Special Assessments

The ability or willingness of a property owner in the Improvement Area to pay the Special Tax, from which funds for the payment of the Bonds are derived, could be affected by the existence of other taxes and assessments imposed upon the property either currently existing or imposed in the future. The assessments and any penalties thereon constitute a lien against the lots and parcels of land on which they have been levied until they are paid. Such lien is on parity with all special taxes and special assessments levied by other agencies and is co-equal to and independent of the lien for general property taxes and other special assessments regardless of when they are imposed upon the same property. The Special Tax has priority over all existing and future private liens imposed on the property. In addition, other public agencies whose boundaries overlap those of the Improvement Area could, with or in some circumstances without the consent of the owners of the land in the Improvement Area, impose additional taxes or assessment liens on the property in the Improvement Area in order to finance public improvements to be located inside or outside of the Improvement Area.

Although the District has covenanted not to impose additional special taxes or assessments on property within the Improvement Area except in accordance with the Local Obligations Indenture, the Authority and the District have no control over the ability of other entities and districts to issue indebtedness secured by special taxes or assessments payable from all or a portion of the property in the Improvement Area. The imposition of additional liens on parity with the assessments could reduce the ability or willingness of the owners of parcels in the Improvement Area to pay the Special Tax and increases the possibility that foreclosure proceeds will not be adequate to pay delinquent Special Taxes or the principal of and interest on the Local Obligations when due. As described under "FOLSOM PLAN AREA—Public Facilities Financing Plan," and "THE IMPROVEMENT AREA—Overlapping Debt" the City plans to issue additional obligations secured by special taxes from time to time to finance backbone

infrastructure and public improvements within the Folsom Plan Area and the boundaries of the Improvement Area. For example, CFD 18 authorized the issuance of up to \$200,000,000 in obligations. The special taxes securing such additional obligations would be payable on parity with the Special Taxes, and the City currently anticipates that an initial series of CFD 18 bonds in an estimated amount between \$25 million to \$30 million will be issued in the fourth quarter of 2022 to help finance at least a portion of the required Phase 2 Water Facilities. In addition, property owners may choose to participate in a residential PACE program (a mechanism for financing energy efficiency and renewable energy improvements on private property), consenting to assessments on their parcels that would be on a parity with the Special Taxes.

Future Private Indebtedness

At the present time, the Improvement Area included properties that are undergoing development or are developed. In order to develop any improvements on that undeveloped land, the property owners will need to construct private improvements, the cost of which may increase the private debt for which the land in the Improvement Area or other land or collateral owned by the property owners is security over that contemplated by the Local Obligations, and such increased debt could reduce the ability or desire of the property owners to pay the Special Tax secured by the land in the Improvement Area. It should be noted however, that the lien of any private financing secured by the land within the Improvement Area would be subordinate to the lien of the Special Tax.

Disclosures to Future Purchasers

The District has recorded notice of the Special Tax Lien in the Office of the County Recorder of the County of Sacramento. While title companies normally refer to such notices in title reports, there can be no guarantee that such reference will be made or, if made, that a prospective purchaser or lender will consider such Special Tax obligation in the purchase of a parcel of land, a home or a commercial or industrial facility in the Improvement Area or the lending of money thereon. The Mello-Roos Act requires the subdivider (or its agent or representative) of a subdivision to notify a prospective purchaser or long-term lessor of any lot, parcel, or unit subject to a Mello-Roos special tax of the existence and maximum amount of such special tax using a statutorily prescribed form. State Civil Code Section 1102.6b requires that in the case of transfers other than those covered by the above requirement, the seller must at least make a good faith effort to notify the prospective purchaser of the special tax lien in a format prescribed by statute. Failure by an owner of the property to comply with the above requirements, or failure by a purchaser or lessor to consider or understand the nature and existence of the Special Tax, could adversely affect the willingness and ability of the purchaser or lessor to pay the Special Tax, from which funds for the payment of the Bonds are derived, when due.

Bankruptcy

The payment of the Special Tax and the ability of the District to foreclose the lien of a delinquent unpaid tax, as discussed in "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS," may be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. In addition, the prosecution of a foreclosure action could be delayed due to crowded local court calendars or delays in the legal process. The various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights, by the application of equitable principles and by the exercise of judicial discretion in appropriate cases.

Although bankruptcy proceedings would not cause the lien of the Special Tax to become extinguished, bankruptcy of a property owner could result in a delay in prosecuting superior court foreclosure proceedings. The federal bankruptcy laws provide for an automatic stay of foreclosure and sale of tax sale proceedings, thereby delaying such proceedings perhaps for an extended period. Any such delays would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds and the possibility of delinquent tax installments not being paid in full. To the extent that property in the Improvement Area continues to be owned by a limited number of property owners, the chances are increased that the Local Obligations Reserve Fund could be fully depleted during any such delay in obtaining payment of delinquent Special Taxes. As a result, sufficient moneys would not be available in the Local Obligations Reserve Account to make up shortfalls resulting from delinquent payments of the Special Tax and thereby to pay principal of and interest on the Local Obligations on a timely basis. The payment of the Special Tax and the ability of the District to foreclose the lien of a delinquent unpaid tax could be delayed by bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting rights of creditors generally or by the laws of the State relating to judicial foreclosure. Further, should remedies be exercised under the federal bankruptcy laws against parcels in the Improvement Area, payment of the Special Tax may be subordinated to bankruptcy law priorities. Thus, certain claims may have priority over the Special Tax in a bankruptcy proceeding even though they would not outside of a bankruptcy proceeding.

FDIC/Federal Government Interests in Properties

The ability of the District to foreclose the lien of delinquent unpaid Special Tax installments may be limited with regard to properties in which the Federal Deposit Insurance Corporation (the "FDIC"), the Drug Enforcement Agency, the Internal Revenue Service, or other federal agency has or obtains an interest.

Under the Supremacy Clause of the United States Constitution, unless Congress has otherwise provided, if a federal governmental entity owns a parcel that is subject to Special Taxes within the Improvement Area but does not pay taxes and assessments levied on the parcel (including Special Taxes), the applicable state and local governments cannot foreclose on the parcel to collect the delinquent taxes and assessments. Moreover, unless Congress has otherwise provided, if the federal government has a mortgage interest in the parcel and the District wishes to foreclose on the parcel as a result of delinquent Special Taxes, the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to pay delinquent taxes and assessments on parity with the Special Taxes and preserve the federal government's mortgage interest. In *Rust v. Johnson*, 597 F.2d 174 (1979), the United States Court of Appeal, Ninth Circuit held that the Federal National Mortgage Association ("FNMA") is a federal instrumentality for purposes of this doctrine, and not a private entity, and that, as a result, an exercise of state power over a mortgage interest held by FNMA constitutes an exercise of state power over property of the United States.

Neither the Authority nor the District have undertaken to determine whether any federal governmental entity currently has, or is likely to acquire, any interest (including a mortgage interest) in any of the parcels subject to the Special Taxes within the Improvement Area, and therefore expresses no view concerning the likelihood that the risks described above will materialize while the Bonds are outstanding.

In the event that any financial institution making any loan which is secured by real property within the Improvement Area is taken over by the FDIC, and prior thereto or thereafter the loan or loans go into default, then the ability of the Authority to collect interest and penalties specified by State law and to foreclose the lien of delinquent unpaid Special Taxes may be limited.

The FDIC's policy statement regarding the payment of state and local real property taxes (the "Policy Statement") provides that property owned by the FDIC is subject to state and local real property taxes only if those taxes are assessed according to the property's value, and that the FDIC is immune from real property taxes assessed on any basis other than property value. According to the Policy Statement, the FDIC will pay its property tax obligations when they become due and payable and will pay claims for delinquent property taxes as promptly as is consistent with sound business practice and the orderly administration of the institution's affairs, unless abandonment of the FDIC's interest in the property is appropriate. The FDIC will pay claims for interest on delinquent property taxes owed at the rate provided under state law, to the extent the interest payment obligation is secured by a valid lien. The FDIC will not pay any amounts in the nature of fines or penalties and will not pay nor recognize liens for such amounts. If any property taxes (including interest) on FDIC-owned property are secured by a valid lien (in effect before the property became owned by the FDIC), the FDIC will pay those claims. The Policy Statement further provides that no property of the FDIC is subject to levy, attachment, garnishment, foreclosure or sale without the FDIC's consent. In addition, the FDIC will not permit a lien or security interest held by the FDIC to be eliminated by foreclosure without the FDIC's consent.

The Policy Statement states that the FDIC generally will not pay non-ad *valorem* taxes, including special assessments, on property in which it has a fee interest unless the amount of tax is fixed at the time that the FDIC acquires its fee interest in the property, nor will it recognize the validity of any lien to the extent it purports to secure the payment of any such amounts. Special taxes imposed under the Mello-Roos Act and a special tax formula which determines the special tax due each year are specifically identified in the Policy Statement as being imposed each year and therefore covered by the FDIC's federal immunity. The Ninth Circuit has issued a ruling on August 28, 2001, in which it determined that the FDIC, as a federal agency, is exempt from Mello-Roos special taxes. According to information available from the Sacramento County assessment roll, the FDIC does not currently own any of the property in the Improvement Area.

The Authority and the District are unable to predict what effect the application of the Policy Statement would have in the event of a delinquency in the payment of Special Taxes on a parcel within the Improvement Area in which the FDIC has or obtains an interest, although prohibiting the lien of the FDIC to be foreclosed out at a judicial foreclosure sale could reduce or eliminate the number of persons willing to purchase a parcel at foreclosure sale. Such an outcome could cause a draw on the reserve account for the Local Obligations and perhaps, ultimately, if enough property were to become owned by the FDIC, a default in payment on the Local Obligations and the Bonds.

Zoning and Land Use Decisions

The Special Taxes, from which funds for the payment of the Bonds are derived, are to be levied annually based upon the land use categories in effect for the property. Decisions made by the City Council, which has control over zoning and land use decisions for property in the City, will affect the prospective use of the property and, therefore, the tax base for the Special Tax. The Amended Rate and Method of Apportionment does not permit land use changes to reduce the tax base to below the Special Tax Requirement.

Ballot Initiatives and Measures

From time to time constitutional initiatives or other initiative measures may be adopted by State voters or voters of the City. For example, Measure W, adopted by City residents in November 2004, required, among other things, that residents north of State Highway 50 not bear the cost for infrastructure and public facilities serving the Folsom Plan Area. The adoption of any such initiative in the future might place limitations on the ability of the State or any political subdivisions thereof, including the Authority

or the City, to increase revenues or to increase appropriations, the ability of the landowners to complete their developments, or the ability of the District to collect the Special Tax.

Shapiro v. San Diego

On August 1, 2014, the California Court of Appeal, Fourth Appellate District, Division One, issued its opinion in *Shapiro v. San Diego City Council*, 117 Cal. Rptr. 2d 631, 96 Cal. App. 4th 904 (2002). The case involved a Convention Center Facilities District (the "CCFD") established by the City of San Diego, much like a community facilities district established under the provisions of the Mello-Roos Act. The CCFD is comprised of all of the real property in all of the City of San Diego. However, the special tax to be levied within the CCFD was to be levied only on hotel properties.

At the election to authorize such special tax, the electorate was limited to owners of hotel properties and lessees of certain of such hotel properties. Thus, the election was a landowner election limited to owners and lessees of properties on which the special tax would be levied, and not a registered voter election. Such approach to determining who would constitute the qualified electors of the CCFD was based on Section 53326(c) of the Mello-Roos Act, which generally provides that, if a special tax will not be apportioned in any tax year on residential property, the legislative body may provide that the vote shall be by the landowners of the proposed district whose property would be subject to the special tax. The Court held that the CCFD special tax election was invalid under the California Constitution because Article XIII A, Section 4 thereof and Article XIII C, Section 2 thereof require that the electors in such an election be the registered voters within the district.

In the case of the CCFD, at the time of the election there were many, many registered voters within the CCFD (viz., all of the registered voters in the City of San Diego). There were no registered voters within the Improvement Area at the time of the election to authorize the Special Tax. In City of San Diego, the Court expressly stated that it was not addressing the validity of landowner voting to impose special taxes pursuant to the Mello-Roos Act in situations where there are fewer than 12 registered voters. Thus, by its terms, the Court's holding does not apply to the Special Tax election in the Improvement Area. Moreover, Section 53341 of the Mello-Roos Act provides that any "action or proceeding to attack, review, set aside, void or annul the levy of a special tax...shall be commenced within 30 days after the special tax is approved by the voters." The Special Tax with respect to the Improvement Area was approved by the voters on May 26, 2020. Based on Section 53341 of the Mello-Roos Act and its analysis of existing laws, regulations, rulings and court decisions, the District does not believe that a challenge to the Special Tax may now be brought.

Recent Changes to Federal Income Tax Law

H.R. 1 of the 115th U.S. Congress was enacted into law on December 22, 2017 (the "Tax Act"). The Tax Act makes significant changes to many aspects of the Code. The District, the City, the Authority and the Developer cannot predict the effect that the Tax Act may have on the cost of home ownership, the price of homes in the Improvement Area, the rate at which homes in the Improvement Area are sold to individual homeowners by the Developer, the ability or willingness of homeowners to pay Special Tax or property taxes on Taxable Property within the Improvement Area, or the values contained in this Official Statement or in the Appraisal.

Risks of Real Estate Secured Investments Generally

The owners of the Bonds will be subject to the risks generally incident to an investment secured by real estate, including, without limitation, (i) adverse changes in local market conditions, such as changes in the market value of real property in the vicinity of Improvement Area, the supply of or demand for competitive properties in such area, and the market value of residential property or buildings and/or sites in the event of sale or foreclosure, including as a result of tax reform; (ii) changes in real estate tax rates and other operating expenses, governmental rules (including, without limitation, zoning laws and laws relating to endangered species and hazardous materials) and fiscal policies; (iii) increased construction costs, workforce shortages, supply chain disruptions or other similar factors affecting the development, financing or marketing capabilities of the Developer; (iv) federal, state and local regulations, including environmental, land use, zoning and building requirements; and (v) natural disasters (including, without limitation, earthquakes, fires and floods), which may result in uninsured losses. There can be no assurance that land development operations within the Improvement Area will not be adversely affected by these risks.

No assurance can be given that the Developer or any other current or future homeowners within the Improvement Area will pay the Special Tax in the future or that they will be able to pay such Special Tax on a timely basis. See "— Bankruptcy" below, for a discussion of certain limitations on the District's ability to pursue judicial proceedings with respect to delinquent parcels. Further, many homes within the Improvement Area will have a higher-than-average price point as compared to other homes in the region, which may impact the absorption of the residential units within the Improvement Area.

Current Challenges to the Homebuilding Industry

The pace of homebuilding in the Improvement Area may be adversely affected by a variety of factors, including changes in economic conditions, interest rates, water shortages, and other similar factors, and recently including workforce shortages and supply chain disruptions. For example, obtaining garage doors and window shortages have recently been challenging for home builders generally. Additionally, some California municipalities have been experiencing a supply chain disruption for the electrical transformers needed for new development, having been advised in some cases of up to a 2-year delay for new orders. The Developer is not currently aware of any anticipated electrical transformer supply chain disruptions for the development within the Improvement Area. However, no assurance can be given that supply chain disruptions for the materials needed to complete development within the Improvement Area will not occur.

Failure to Develop

Land development operations are subject to comprehensive federal, State and local regulations. Approval is required from various agencies in connection with the layout and design of developments, the nature and extent of improvements, construction activity, land use, zoning, school and health requirements, as well as numerous other matters. It is possible that the approvals necessary to complete development of all taxable property within the Improvement Area are not obtained on a timely basis or that litigation could be filed regarding approvals. Failure to obtain any such agency approval or satisfy any such government requirement or any litigation concerning such agency approval or government requirement could adversely affect land development operations. In addition, current and future governmental restrictions, including, but not limited to, governmental policies restricting or controlling development within the Improvement Area, could be enacted, and future land use initiatives approved by the voters in the City could add more restrictions and requirements on development within the Improvement Area, which restrictions may increase the cost to develop the Improvement Area. One such governmental restriction is the requirement to install rooftop photovoltaic solar systems for residential buildings under three stories constructed starting in 2020. Costs associated with the installation of solar to the homebuilders may reduce the willingness of homebuilders to construct homes and increased costs of those homes may decrease the willingness of homeowners to buy such homes.

Moreover, there can be no assurance that the means and incentive to conduct land development operations within the Improvement Area will not be adversely affected by a deterioration of the real estate market or economic conditions generally, future local, State and federal governmental policies relating to real estate development, the income tax treatment of real property ownership, acts of war or terrorism, or other factors.

A portion of the Taxable Property in the Improvement Area is presently being developed. Undeveloped property is less valuable per acre than developed property, especially if there are no plans to develop such property or if there are severe restrictions on the development of such property, and therefore provides less security to the owners of the Bonds should it be necessary for the District to foreclose due to the nonpayment of the Special Taxes. Delays in any property owner's ability to obtain discretionary approvals (including any delays caused by litigation) would in turn delay the construction of improvements and development of the Taxable Property within the Improvement Area. Furthermore, an inability to develop the land within the Improvement Area as currently proposed would result in slower rates of diversification of property ownership within the Improvement Area. Concentration of ownership increases the risk of a failure to collect sufficient Special Taxes to pay debt service on the Bonds, all other things being equal. The timely payment of Special Taxes levied on undeveloped property depends primarily upon the ability and willingness of owners of such property to pay such taxes when due. Certain infrastructure improvements are required before development in the Improvement Area can The Phase 2 water infrastructure described under the heading "PROPOSED progress intract. PROPERTY DEVELOPMENT—Development Entitlements—Water Supply" is anticipated to be needed before approximately 2,500 to 3,300 homes are occupied in the Folsom Plan Area. A slowdown in or cessation of the development of land within the Improvement Area could reduce the ability and willingness of such owners to make Special Tax payments, and could greatly reduce the value of such property in the event it has to be foreclosed upon to collect delinquent special taxes. See "—Bankruptcy" above for a discussion of certain limitations on the ability of the District to pursue judicial foreclosure proceedings with respect to taxpayers with delinquent Special Taxes.

No Independent Review of Valuation or Viability of Completed Projects

Property within the Improvement Area is comprised of separate and distinct projects as described above. Payment of Special Taxes are inherently dependent upon the development within the Improvement Area, and, with respect to residential properties, the ability of the buyers of completed homes to pay. The Authority, the District, and the Underwriter have not reviewed any business plan for continued ownership, development and/or operation of the property within the Improvement Area. Similarly, the Authority, the District and the Underwriter have not conducted any independent evaluation of the existing or projected economic viability or profitability of any of the plans for development, including review and/or evaluation of financial statements of any owner or developer of any parcel subject to the Special Tax. The information contained herein regarding the proposed development and the owners of the parcels within the Improvement Area has been supplied by such owners and the Underwriter has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of such information.

In the event an owner or developer experiences financial difficulties, including difficulties resulting from construction or operation of the development within the Improvement Area, the value of the affected parcel within the Improvement Area may decline and/or such owner or developer may elect to refrain from payment of future Special Taxes for such parcel. See also "—Failure to Develop."

Potential Impact of Global Health Crises or Concerns

The ability or willingness of property owners to develop property in the Improvement Area, the speed at which property owners develop property in the Improvement Area, the ability or willingness of property owners to sell property in the Improvement Area, the speed at which property owners are able sell property in the Improvement Area, the ability or willingness of property owners to pay the Special Tax on property in the Improvement Area when due, the value of the property in the Improvement Area, or the ability of the District to collect delinquent Special Taxes through judicial foreclosure could be adversely affected by a global, national or localized outbreak of an infectious disease, such as COVID-19, a new strain of coronavirus, or by the fear of such an outbreak. The construction industry in the United States relies heavily on international trade for myriad construction materials. A global, national or localized outbreak could impact the availability of workers in countries producing construction materials, potentially resulting in supply chain shutdowns, which may result in substantial construction delays and project cost overruns.

The spread of COVID-19 and the response to its spread has altered the behavior of businesses and people in a manner that has had and is continuing to have a negative impact on global and local economies, and which has resulted in a volatile stock market response and a general disruption of financial markets in the United States and globally. In response to COVID-19, California instituted a statewide stay-at-home order and many California counties issued similar orders. While many COVID 19 restrictions in California and its various counties have ceased or been eased, the same or additional restrictions could be reinstituted if the outbreak again worsens, due to the currently increasing spread of any variant of COVID-19, or otherwise, or another similar event occurs. Essential services, including housing construction, were generally exempt from the orders and continued during the pandemic. However, the economic and financial impacts of the stay-at-home orders and the economic downturn related to COVID-19 are predicted to last for multiple years. Executive and legislative efforts have also been made during the COVID-19 pandemic and may be made again in the future that either require or allow county tax collectors to cancel or waive penalties, costs and other charges associated with the delinquent payment of property taxes and the Special Tax upon a showing of property owner hardship caused by the COVID-19 pandemic or related or similar stay-at-home orders. These efforts may affect a property owner's willingness to pay the Special Taxes before they are delinquent.

These events and other factors resulting from such an outbreak, particularly if prolonged, could result in, or increase the likelihood of, the occurrence of certain of the other potential adverse effects described in this Official Statement, including those relating to declines in the value of property, the failure to complete the development of property, the inability to sell, lease and/or operate property, the inability or unwillingness to pay the Special Tax, and delays in (or insufficient funds received from) the collection of delinquent Special Taxes through judicial foreclosure. A future outbreak of COVID-19 or another infectious disease or the threat of any such outbreak could have similar or additional adverse effects. The Authority cannot predict the ultimate effects of the COVID-19 outbreak or any future outbreak or potential future outbreak of an infectious disease, or whether any such effects would have a material adverse effect on the ability to develop the Improvement Area as planned, the ability or willingness of property owners to pay Special Taxes when due, or the ability of the Authority to pay debt service on the Bonds when due.

Geologic, Topographic and Climatic Conditions

The value of the property in the Improvement Area in the future can be adversely affected by a variety of additional factors, particularly those which may affect infrastructure and other public improvements and private improvements on property and the continued habitability and enjoyment of such private improvements. Such additional factors include, without limitation, geologic conditions such

as earthquakes, topographic conditions such as earth movements, landslides and floods and climatic conditions such as droughts and wildfire.

The occurrence of seismic activity in the Improvement Area could result in substantial damage to properties in the Improvement Area which, in turn, could substantially reduce the value of such properties and could affect the ability or willingness of the property owners to pay the Special Tax on their property. The Improvement Area is not located in any existing special study zone delineated by the Chief of the Division of Mines and Geology of the State of California as an area of known active faults and is not otherwise known to be located within an area of any significant seismic activity. However, it may be expected that one or more of such conditions may occur and may result in damage to improvements of varying seriousness, that the damage may entail significant repair or replacement costs and that repair or replacement may never occur either because of the cost or because repair or replacement will not facilitate habitability or other use, or because other considerations preclude such repair or replacement. Under any of these circumstances, the value of the property may decline.

In recent years, wildfires have caused extensive damage throughout the State. In some instances, entire neighborhoods have been destroyed. Several of the fires that occurred in recent years damaged or destroyed property in areas that were not previously considered to be at risk from such events. Some commentators believe that climate change will lead to even more frequent and more damaging wildfires in the future. In general, property damage due to wildfire could result in a significant decrease in the market value of property in the Improvement Area and in the ability or willingness of property owners to pay Special Taxes.

The Improvement Area is located within an area identified as a moderate fire hazard severity zone. More information regarding Fire Hazard Severity Zones can be found at the California Department of Forestry and Fire Protection website at https://frap.fire.ca.gov, though such website is not incorporated herein by reference. The development within the Improvement Area is subject to mitigation measures set forth in a fuel modification plan approved by the City Fire Department. The mitigation measures include, among others, limitations on the type of vegetation that may be planted within fuel modification zones established in open space areas along certain portions of the perimeter of the Improvement Area, minimum setback of structures and irrigation requirements of the fuel modification zones. Maintenance of such zones is expected to initially be the responsibility of the property owners but upon build-out of the Improvement Area and dedication of the open space to the City will be maintained by the City from funds provided through CFD 18. Homeowner's insurance is expected to be available to property owners within the Improvement Area, and the coverage provided by such insurance typically insures against fire damage, although there is no assurance that homeowners within the Improvement Area will purchase or maintain such insurance.

In the event of a wildfire, flood or other natural disaster, there may be significant damage to both property and infrastructure in the Improvement Area. As a result, a substantial portion of the property owners may be unable or unwilling to pay the Special Taxes when due. In addition, the value of land in the Improvement Area could be diminished in the aftermath of such a natural disaster, reducing the resulting proceeds of foreclosure sales in the event of delinquencies in the payment of the Special Taxes.

Folsom Dam, located on the American River within the jurisdictional boundaries of the City, was built in 1955 by the United States Army Corps of Engineers and is owned by the United States Bureau of Reclamation. An auxiliary spillway to enable the dam to more easily release water as it nears capacity was completed by the Army Corps of Engineers in October 2017. The City, together with the County and other local agencies, have established a hazard mitigation plan in the event of a dam failure. Geologic, topographic and climatic conditions, if severe, could result in damage to the dam which could further

cause damage to the surrounding region and may limit water supply for the City and the Improvement Area.

Endangered Species

During recent years, there has been an increase in activity at the State of California and federal level related to the possible listing of certain plant and animal species found in California as endangered species. An increase in the number of endangered species is expected to curtail development in a number of areas. The property within the Improvement Area contains protected habitat and species, including but not limited to Swainson's hawk and tri-colored blackbird foraging habitats and wetlands regulated by state and federal agencies. Foraging habitat mitigation credits have been satisfied by the Developer for all backbone projects and all Improvement Area project phases. At present, the property within the Improvement Area is not known to be inhabited by any other plant or animal species listed as threatened or endangered under either the State or federal endangered species acts or which either the California Fish and Game Commission or the United States Fish and Wildlife Service has proposed for addition to the respective endangered species list. Notwithstanding this fact, new species are proposed to be added to the State and federal protected lists on a regular basis. Any action by the State or federal governments to protect species located on or adjacent to undeveloped property could negatively affect the developer's ability to complete development as planned. This, in turn, could reduce the likelihood of timely payment of the Special Tax, from which funds for the payment of the Bonds is derived, and would likely reduce the value of the land and the potential revenues available at a foreclosure sale for delinquent Special Taxes. See "CERTAIN RISKS TO BONDHOLDERS—Land Values."

Hazardous Substances

While governmental taxes, assessments, and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value of a parcel in the Improvement Area is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act," is the most well-known and widely applicable of these laws, but laws with regard to hazardous substances are also stringent and similar. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the owner (or operator) has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the parcels in the Improvement Area be affected by a hazardous substance is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the financial and legal liability of a property owner to develop the affected parcel or other parcels, as well as the value of the property that is realizable upon a delinquency and foreclosure.

The appraised value of property in the Improvement Area does not take into account the possible reduction in marketability and value of any of the parcels by reason of the possible liability of the owner (or operator) for the remedy of a hazardous substance condition of the parcel. While the District is not aware that the owner (or operator) of any of parcels has such a current liability with respect to any of the parcels, it is possible that such liabilities do currently exist and that the District is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but

which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel within the Improvement Area that is realizable upon a delinquency.

Naturally Occurring Asbestos

California Air Resource Board ("CARB") adopted the Airborne Toxic Control Measure ("ATCM") for Construction, Grading, Quarrying and Surface Mining Operations. This statewide regulation is applicable to grading or any other projects disturbing soil in areas of California where asbestos may exist, as determined by the California Geological Survey ("CGS"). The ATCM applies to any size construction project although there are additional notification requirements for projects that exceed one acre. Areas and parcels moderately likely to contain naturally occurring asbestos are located in the eastern parts of Sacramento County, including in the City.

Natural weathering or human disturbance can break the asbestiform minerals down to microscopic fibers, which are easily suspended in air. There is no health threat if asbestos fibers in soil remain undisturbed and do not become airborne. When inhaled, these thin fibers irritate tissues and resist the body's natural defenses. Asbestos causes cancers of the lung (such as mesothelioma) and the lining of internal organs, asbestosis, and other diseases that inhibit lung function. Scientists consider certain types of asbestos fibers (i.e., tremolite fibers and similarly structured amphibole asbestos particles) that are frequently identified in the City to be more potent than other types in causing mesothelioma.

The EIR for the Folsom Plan Area required all new development to undertake a site investigation to determine the presence of naturally occurring asbestos and, if necessary, prepare and implement an asbestos dust control plan. The Developer has undertaken an asbestos dust control plan with respect to development within the Improvement Area and the costs of development in this Official Statement reflect the costs associated with asbestos mitigation.

The health concerns associated with the presence of naturally occurring asbestos in the Improvement Area may adversely affect the marketability of property in the area.

LEGAL MATTERS

The validity of the Bonds, the Local Obligations and certain other legal matters are subject to the approving legal opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Authority ("Bond Counsel"). Bond Counsel has not undertaken any responsibility for the accuracy, completeness or fairness of this Official Statement and expresses no opinion as to the matters set forth herein. Certain legal matters will be passed upon for the District and the Authority by the City Attorney. Certain legal matters relating to the Local Obligations will be passed upon by Orrick, Herrington & Sutcliffe LLP, as bond counsel to the District. The fees of Bond Counsel and Disclosure Counsel are contingent upon the issuance of the Bonds.

TAX MATTERS

In the opinion of Bond Counsel, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the "Code") and is exempt

from State of California personal income taxes. Bond Counsel is of the further opinion that interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the amount, accrual, or receipt of interest on, the Bonds. A complete copy of the proposed form of opinion of Bond Counsel is set forth as APPENDIX E hereto.

To the extent the issue price of any maturity of the Bonds is less than the amount to be paid at maturity of such Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Bonds), the difference constitutes "original issue discount," the accrual of which, to the extent properly allocable to each Beneficial Owner thereof, is treated as interest on the Bonds which is excluded from gross income for federal income tax purposes and exempt from State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Bonds is the first price at which a substantial amount of such maturity of the Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Bonds accrues daily over the term to maturity of such Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Bonds. Beneficial Owners of the Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Bonds with original issue discount, including the treatment of Beneficial Owners who do not purchase such Bonds in the original offering to the public at the first price at which a substantial amount of such Bonds is sold to the public.

Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) ("Premium Bonds") will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of bonds, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner's basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Bonds. The Authority, the City and the District have made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Bonds may adversely affect the value of, or the tax status of interest on, the Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest on, the Bonds may

otherwise affect a Beneficial Owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Bonds to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Authority, the City or the District, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Authority, the City and the District have covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Bonds ends with the issuance of the Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Authority, the City, the District or the Beneficial Owners regarding the tax-exempt status of the Bonds in the event of an audit examination by the IRS. Under current procedures, Beneficial Owners would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Authority, the City or the District legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Bonds, and may cause the Authority, the City, the District or the Beneficial Owners to incur significant expense.

Payments on the Bonds generally will be subject to U.S. information reporting and possibly to "backup withholding." Under Section 3406 of the Code and applicable U.S. Treasury Regulations issued thereunder, a non-corporate Beneficial Owner of Bonds may be subject to backup withholding with respect to "reportable payments," which include interest paid on the Bonds and the gross proceeds of a sale, exchange, redemption, retirement or other disposition of the Bonds. The payor will be required to deduct and withhold the prescribed amounts if (i) the payee fails to furnish a U.S. taxpayer identification number ("TIN") to the payor in the manner required, (ii) the IRS notifies the payor that the TIN furnished by the payee is incorrect, (iii) there has been a "notified payee underreporting" described in Section 3406(c) of the Code or (iv) the payee fails to certify under penalty of perjury that the payee is not subject to withholding under Section 3406(a)(1)(C) of the Code. Amounts withheld under the backup withholding rules may be refunded or credited against a Beneficial Owner's federal income tax liability, if any, provided that the required information is timely furnished to the IRS. Certain Beneficial Owners (including among others, corporations and certain tax-exempt organizations) are not subject to backup withholding. The failure to comply with the backup withholding rules may result in the imposition of penalties by the IRS.

NO LITIGATION

At the time of delivery of and payment for the Bonds and the Local Obligations, the Authority and/or the District, as applicable, will certify that there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or regulatory agency, public board or body pending or threatened against the Authority or the District affecting their existence, or the titles of their respective officers, or seeking to restrain or to enjoin the issuance, sale or delivery of the Bonds or the Local Obligations, the application of the proceeds thereof in accordance with the Trust Agreement, or the collection or levy of the Special Taxes to pay the principal of and interest on the Local Obligations, or in any way contesting or affecting the validity or enforceability of the Local Obligations and the Bonds, the Trust Agreement, the Local Obligations Indenture, the Bond Purchase Contract entered into among the Authority, the District and the Underwriter or any other applicable agreements or any action of the Authority or the District contemplated by any of said documents, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the Authority or the District or their authority with respect to the Bonds or the Local Obligations or any action of the Authority or the District contemplated by any of said documents, nor, to the knowledge of the Authority, is there any basis therefor.

NO RATING

The Authority has not made, and does not contemplate making, application to any rating agency for the assignment of a rating to the Bonds. The absence of a rating may significantly adversely affect the ability of the owner of Bonds to sell such Bonds.

MUNICIPAL ADVISOR

The District has retained Fieldman, Rolapp & Associates, Inc. as municipal advisor (the "Municipal Advisor") with respect to the issuance of the Bonds. The Municipal Advisor is not obligated to undertake, and has not undertaken to make, an independent verification or assume responsibility for the accuracy, completeness, or fairness of the information contained in this Official Statement.

Compensation of the Municipal Advisor relating to the issuance of the Bonds is contingent upon the issuance of the Bonds.

UNDERWRITING

The Bonds are being purchased by Piper Sandler & Co. (the "Underwriter") pursuant to a Bond Purchase Contract (the "Purchase Contract"), by and among the Authority, the District and the Underwriter. Pursuant to the Purchase Contract, the Underwriter has agreed to purchase all of the Bonds from the Authority at a purchase price of \$_______, being the aggregate principal amount of the Bonds of \$_______, [plus/less] [an/ a net] original issue [premium/discount] of \$______ and less an Underwriter's discount of \$_______, The Underwriter may offer and sell the Bonds to certain dealers and others at prices lower than the public offering prices set forth on the inside front cover page hereof.

CONTINUING DISCLOSURE

The District

The District has covenanted for the benefit of the Owners to provide certain financial information and operating data relating to the Bonds by not later than nine months following the end of the District's

fiscal year (which fiscal year currently ends June 30) commencing with the report for the 2021-22 Fiscal Year (the "Annual Report"), which is due April 1, 2023, and to provide notices of the occurrence of certain enumerated events. The Annual Report and the notices of enumerated events will be filed with EMMA, and the first Annual Report may include the filing of or reference to this Official Statement. The specific nature of the information to be contained in the Annual Report or the notices of enumerated events is contained within APPENDIX D—"FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS." These covenants have been made in order to assist the Underwriter in complying with S.E.C. Rule 15c2-12(b)(5).

The District is committed to complete and accurate continuing disclosure in accordance with its continuing disclosure obligations under the federal securities laws, including rules and regulations promulgated by the SEC and the MSRB, as those rules may be amended from time to time. However, during the past five years, there was a specific instance where complete and accurate disclosure was not achieved by the City or its related agencies when a notice of listed event for a ratings upgrade on October 12, 2018, was not timely filed for certain of the Folsom Public Financing Authority's water revenue bonds. The description of this instance of non-compliance in this Official Statement is not an acknowledgement that any such non-compliance was material. Further, the City made a remedial filing to address this instance of non-compliance and has policies and procedures in place in order to achieve compliance with its continuing disclosure undertakings.

The Developer

Pursuant to a Continuing Disclosure Certificate to be executed by the Developer in connection with the issuance of the Bonds, the Developer will covenant for the benefit of the Bondholders to provide certain information relating to the Developer and its development within the Improvement Area no later than March 31 and September 30 in each year, commencing March 31, 2023 (the "Disclosure Reports"), and to provide notices of the occurrence of certain enumerated events until the obligation to so provide such information, data and notices is otherwise terminated in accordance with the provisions of such Continuing Disclosure Certificate. A form of the Continuing Disclosure Certificate for the Developer is included in APPENDIX D—"FORMS OF CONTINUING DISCLOSURE UNDERTAKINGS." The Disclosure Reports are to be filed with EMMA.

The Authority and the District have not considered, or reached any conclusion as to, whether or not the Developer is an obligated person under the Rule. The Authority takes no responsibility for the form or content or for the adequacy of the Developer's Continuing Disclosure Certificate for its intended purpose.

The obligation of the Developer will terminate upon the occurrence of certain events as set forth in the Developer's Continuing Disclosure Certificate, including at such time as the Developer and its Affiliates (as defined in the Continuing Disclosure Agreement), in the aggregate, own less than [144] of the residential lots (or land planned to be subdivided into [144] residential lots) within the Improvement Area subject to the Special Tax.

Prior Continuing Disclosure Compliance: [The Developer's [] division will be
responsible for compliance with its obligations under the Developer's Continuing Disclosure Certificate.
The Developer represents that, based on a review of prior continuing disclosure obligations [in Northern
California, encompassing the Developer's [] division], the Developer has not failed to comply
in any material respect with any previous undertaking by it to provide periodic continuing disclosure
reports or notices of listed events with respect to community facilities district or assessment district bond
issues in [Northern] California within the past five years.]

If in response to a request under subsection (b) of this Section, the District determines that the Listed Event would not be material under applicable Federal securities law, the District shall so notify the Dissemination Agent in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (e) of this Section.
- (e) If the Dissemination Agent has been instructed by the District to report the occurrence of a Listed Event, the Dissemination Agent shall file a notice of such occurrence with the MSRB through the EMMA System. Notwithstanding the foregoing, notice of Listed Events described in paragraph (vii) of subsection (a) of this Section and paragraph (ii) of subsection (b) of this Section need not be given under this subsection any earlier than the notice (if any) of the underlying event is given to holders of affected Bonds pursuant to the Trust Agreement.
- SECTION 6. <u>Termination of Reporting Obligation</u>. The District's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. SECTION 8. <u>Amendment</u>; <u>Waiver</u>. Notwithstanding any other provision of this Disclosure Certificate, the District may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

- (a) if the amendment or waiver relates to the provisions of subsection (a) of Section 3 hereof, Section 4 hereof or subsections (a) and (b) of Section 5 hereof, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or type of business conducted;
- (b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (c) the proposed amendment or waiver (i) is approved by Owners of the Bonds in the manner provided in the Trust Agreement for amendments to the Trust Agreement with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of Owners or Beneficial Owners of the Bonds.

If the annual financial information or operating data to be provided in the Annual Report is amended pursuant to the provisions hereof, the annual financial information containing the amended operating data or financial information shall explain, in narrative form, the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

If an amendment is made to the undertaking specifying the accounting principles to be followed in preparing financial statements, the annual financial information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. The comparison shall include a qualitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial statements or information, in order to provide information to investors to enable them to evaluate the ability of the District to meet its obligations. To the extent reasonably feasible, the comparison shall be quantitative. A notice of the change in the accounting principles shall be given in the same manner as for a Listed Event under subsection (e) of Section 5 hereof.

SECTION 9. <u>Additional Information</u>. Nothing in this Disclosure Certificate shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure

Certificate, the District shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 10. <u>Default</u>. In the event of a failure of the District or the Dissemination Agent to comply with any provision of this Disclosure Certificate, any Holder or Beneficial Owner of outstanding Bonds may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under the Disclosure Certificate. A default under the Disclosure Certificate shall not be deemed an Event of Default under the Trust Agreement, and the sole remedy under the Disclosure Certificate in the event of any failure of the District to comply with the Disclosure Certificate shall be an action to compel performance.

SECTION 11. <u>Duties, Immunities and Liabilities of Dissemination Agent</u>. The Dissemination Agent shall be entitled to the protections and limitations from liability afforded to the Trustee under the Trust Agreement. The Dissemination Agent shall not be responsible for the form or content of any Annual Report or notice of Listed Event. The Dissemination Agent shall receive reasonable compensation for its services provided under this Disclosure Certificate. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Certificate, and the District agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the District under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

SECTION 12. <u>Beneficiaries</u>. This Disclosure Certificate shall inure solely to the benefit of the District, the Dissemination Agent, the Participating Underwriter and Owners and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

SECTION 13. <u>Counterparts</u>. This Disclosure Certificate may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the District has executed this Disclosure Certificate as of the date first above written.

If the Developer chooses to include any information in any Semiannual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Developer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Semiannual Report or notice of occurrence of a Listed Event.

PROPOSED FORM OF OPINION OF BOND COUNSEL

Folsom Ranch Financing Authority Folsom, California

Folsom Ranch Financing Authority
City of Folsom Community Facilities District No. 23 (Folsom Ranch)
Improvement Area No. 3
Special Tax Revenue Bonds, Series 2022
(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to the Folsom Ranch Financing Authority (the "Issuer") in connection with the issuance of \$______ aggregate principal amount of Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Revenue Bonds, Series 2022 (the "Bonds"), issued pursuant to the provisions of the Marks-Roos Local Bond Pooling Act of 1985 (constituting Article 4, Chapter 5, Division 7, Title 1 of the California Government Code) and a trust agreement, dated as of August 1, 2022 (the "Trust Agreement"), among the Issuer, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the "Community Facilities District") and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). The Trust Agreement provides that the Bonds are issued for the stated purpose of enabling the Issuer to acquire certain local obligations to be issued by the Community Facilities District. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement.

In such connection, we have reviewed the Trust Agreement; the Tax Certificate, dated the date hereof (the "Tax Certificate"), executed and delivered by the Issuer, the Community Facilities District and the City of Folsom; opinions of counsel to the Issuer, the Community Facilities District and the Trustee; certificates of the Issuer, the Community Facilities District, the Trustee and others; and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after original delivery of the Bonds on the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after original delivery of the Bonds on the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures provided to us and the due and legal execution and delivery thereof by, and validity against, any parties other than the Issuer. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Trust Agreement and the Tax Certificate, including (without limitation) covenants and agreements compliance with which is necessary to assure that future actions, omissions or

events will not cause interest on the Bonds to be included in gross income for federal income tax purposes.

We call attention to the fact that the rights and obligations under the Bonds, the Trust Agreement and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities such as the Issuer and the Community Facilities District in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute or to have the effect of a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the assets described in or as subject to the lien of the Trust Agreement or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such assets. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement, dated , 2022, or other offering material relating to the Bonds and express no opinion or conclusion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

- 1. The Bonds constitute the valid and binding special, limited obligations of the Issuer.
- 2. The Trust Agreement has been duly executed and delivered by, and constitutes the valid and binding obligation of, the Issuer. The Trust Agreement creates a valid pledge, to secure the payment of the principal of and interest on the Bonds, of the Trust Estate, including the Revenues and any other amounts (including proceeds of the sale of the Bonds) held by the Trustee in the Funds established pursuant to the Trust Agreement (except the Rebate Fund), subject to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth in the Trust Agreement.
- 3. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. Interest on the Bonds is not a specific preference item for purposes of the federal alternative minimum tax. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the amount, accrual or receipt of interest on, the Bonds.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

APPENDIX F

DTC AND THE BOOK-ENTRY ONLY SYSTEM

The description that follows of the procedures and recordkeeping with respect to beneficial ownership interests in the Bonds, payment of principal of, premium, if any, and interest on the Bonds to Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interests in the Bonds, and other related transactions by and between DTC, Participants and Beneficial Owners, is based on information furnished by DTC which the Authority believes to be reliable, but the Authority does not take responsibility for the completeness or accuracy thereof. The Authority cannot and does not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners either (a) payments of principal, premium, if any, and interest with respect to the Bonds or (b) certificates representing ownership interests in or other confirmation of ownership interests in the Bonds, or that they will so do on a timely basis or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Company ("DTC"), New York, New York, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Bonds in the aggregate principal amount of such maturity, and will be deposited with DTC. If, however, the aggregate principal amount of any maturity exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such maturity.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (the "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Bonds with DTC and their registration in the name of Cede & Co. (or such other DTC nominee) do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, redemption price, and interest payments with respect to the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority on a payable date in accordance with their respective holdings shown on DTC records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC or its nominee, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, redemption price and interest to Cede & Co. (or such

other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, bond certificates are required to be printed and delivered.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Authority deems reliable, but the Authority takes no responsibility for the accuracy thereof.

THE TRUSTEE, AS LONG AS A BOOK-ENTRY ONLY SYSTEM IS USED FOR THE BONDS, WILL SEND ANY NOTICE OF REDEMPTION OR OTHER NOTICES ONLY TO CEDE & CO., OR ITS SUCCESSOR AS DTC'S PARTNERSHIP NOMINEE. ANY FAILURE OF CEDE & CO., OR ITS SUCCESSOR AS DTC'S PARTNERSHIP NOMINEE TO ADVISE ANY PARTICIPANT, OR OF ANY PARTICIPANT TO NOTIFY ANY BENEFICIAL OWNER OF ANY NOTICE AND ITS CONTENT OR EFFECT WILL NOT AFFECT THE VALIDITY OR SUFFICIENCY OF THE PROCEEDINGS RELATING TO THE REDEMPTION OF THE BONDS CALLED FOR REDEMPTION OR OF ANY OTHER ACTION PREMISED ON SUCH NOTICE.

City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3

<u>Special Tax Bonds, Series 2022</u>

Ladies and Gentlemen:

I have served as counsel to the City of Folsom (the "City") in connection with the issuance, sale and delivery of the above-referenced securities (collectively, the "Local Obligations") by the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the "Community Facilities District"), and this letter is being delivered pursuant to the Local Obligation Purchase Contract dated as of [SALE DATE] (the "Local Obligation Purchase Contract") by and between the Folsom Ranch Financing Authority (the "Authority") and the Community Facilities District, and all capitalized terms not otherwise defined herein have the meanings ascribed thereto in the Local Obligation Purchase Contract.

As such counsel, I have examined and am familiar with (i) those documents relating to the existence, organization and operation of the Community Facilities District, including Resolution No. 10435, duly adopted by the City on May 26, 2020, establishing the Community Facilities District and designating various improvement areas therein, including Improvement Area No. 3 (the "Improvement Area"), and Resolution No. 10768, duly adopted by the City on December 14, 2021, whereby the boundaries of the Improvement Area, the rate and method of apportionment and manner of collection of the Special Tax for the Improvement Area and the appropriations limit and maximum bonded indebtedness for the Improvement Area were amended; (ii) Resolution No. [] of the City Council approving the issuance of the Local Obligations, the issuance of the Authority Bonds, the Financing Documents and the Official Statement (such resolutions referenced in (i) and (ii), together the "Resolutions"); (iii) all necessary documentation of the Community Facilities District relating to the authorization,

execution and delivery of the Local Obligations and all of the Financing Documents; (iv) the
Preliminary Official Statement, dated [], 2022 (the "Preliminary Official Statement")
relating to the Authority Bonds; (v) the Official Statement, dated [SALE DATE], 2022 (the
"Official Statement") relating to the Authority Bonds; and (vi) the Continuing Disclosure
Certificate of the Community Facilities District, dated the date hereof (the "Continuing
Disclosure Certificate") relating to the Authority Bonds.

Based on the foregoing, I am of the opinion that:

- 1. The Community Facilities District is a community facilities district duly organized and existing pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (the "Act"), being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California.
- 2. The Resolutions have been duly adopted at meetings of the City Council, acting as the legislative body of the Community Facilities District, which were called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting throughout, and the Resolutions are in full force and effect and have not been modified, amended, rescinded or repealed since the date of their respective adoption.
- 3. The Community Facilities District has the full legal right, power and authority to execute, deliver and perform its obligations and duties under the Financing Documents and the Continuing Disclosure Certificate, including the right and power under the Act to execute the Indenture.
- 4. The Community Facilities District has complied with the provisions of applicable law in all matters relating to the transactions contemplated by the Financing Documents and the Continuing Disclosure Certificate.
- 5. The Financing Documents; the Continuing Disclosure Certificate; the Letter of Representations of the Community Facilities District, dated [SALE DATE] (the "Community Facilities District Letter of Representations" and, together with the Financing Documents and the Continuing Disclosure Certificate, the "Community Facilities District Documents") and the Official Statement have each been duly and lawfully authorized, executed and delivered by the Community Facilities District, are each in full force and effect and, assuming due authorization, execution and delivery by the other parties thereto, each constitutes a legal, valid and binding agreement of the Community Facilities District enforceable against it in accordance with its terms, subject to laws relating to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other similar laws relating to or affecting the enforcement of creditors' rights generally and to the application of equitable principles if equitable remedies are sought, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against community facilities districts in the State of California.
- 6. The Indenture and the Local Obligations have been duly and validly authorized, sold, executed, authenticated and delivered, as applicable, in accordance with the Act and with the Indenture.
 - 7. No approval, consent or authorization of any governmental or public

agency, authority or person is required for the execution and delivery by the Community Facilities District of the Financing Documents or the Continuing Disclosure Certificate or the performance by the Community Facilities District of its respective obligations thereunder.

- 8. The execution and delivery of the Financing Documents and the Continuing Disclosure Certificate by the Community Facilities District, and compliance with the provisions thereof, will not conflict with or constitute a breach of, or default under, any instrument relating to the organization, existence or operation of the Community Facilities District, or any commitment, agreement or other instrument to which the Community Facilities District is a party or by which it or its property is bound or affected, or any ruling, regulation, ordinance, resolution, judgment, order or decree to which the Community Facilities District (or any of its officers in their respective capacities as such) is subject or any provision of the laws of the State of California relating to the Community Facilities District and its affairs.
- 9. The Local Obligations are valid and binding special tax obligations of the Community Facilities District payable from proceeds of the Special Tax and the other funds provided in the Indenture for such payment and are enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other similar laws relating to or affecting creditors' rights, to the application of equitable principles where equitable remedies are sought, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against community facilities districts in the State of California, and the terms of the Act and of the Indenture.
- 10. Based upon my review of the Preliminary Official Statement, and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement, nothing has come to my attention which would lead me to believe that the Preliminary Official Statement (excluding therefrom the financial statements and the statistical data and the information concerning The Depository Trust Company, the book-entry system and the appendices thereto, as to which no opinion is expressed) as of its date and as of the date of the Local Obligation Purchase Contract contained any untrue statement of a material fact with respect to the Community Facilities District or omitted or omits to state any material fact with respect to the Community Facilities District necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.
- 11. Based upon my review of the Official Statement, and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Official Statement, nothing has come to my attention which would lead me to believe that the Official Statement (excluding therefrom the financial statements and the statistical data and the information concerning The Depository Trust Company, the book-entry system and the appendices thereto, as to which no opinion is expressed) as of its date and the date hereof contained or contains any untrue statement of a material fact with respect to the Community Facilities District or omitted or omits to state any material fact with respect to the Community Facilities District necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

Except as may be stated in the Official Statement, there is no action, suit, 12. proceeding or investigation before or by any court, public board or body pending (notice of which has been served on the City or the Community Facilities District) or, to my knowledge, threatened wherein an unfavorable decision, ruling or finding would: (a) affect the creation, organization, existence or powers of the City or the Community Facilities District, or the titles of their members and officers to their respective offices; or (b) affect the validity of the Community Facilities District Documents or restrain or enjoin the repayment of the Local Obligations or in any way contest or affect the validity of the Community Facilities District Documents or contest the authority of the Community Facilities District to enter into or perform its obligations under any of the Community Facilities District Documents or under which a determination adverse to the City or the Community Facilities District would have a material adverse effect upon the financial condition or the revenues of the City or the Community Facilities District, questions the right of the Community Facilities District to use the Special Tax levied within the Improvement Area for the repayment of the Local Obligations or affects in any manner the right or ability of the Community Facilities District to collect or pledge the Special Tax levied within the Improvement Area for the repayment of the Local Obligations.

Very truly yours,

City Attorney

2. Public Offering and Establishment of Issue Price.

- A. The Underwriter agrees to make a bona fide public offering of all of the Bonds initially at the public offering prices (or yields) set forth in Exhibit A attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriter reserves the right to change the public offering prices (or yields) as it deems necessary in connection with the marketing of the Bonds, provided that the Underwriter shall not change the interest rates set forth in Exhibit A. The Bonds may be offered and sold to certain dealers at prices lower than such initial offering prices.
- B. The Underwriter agrees to assist the Authority in establishing the issue price of the Bonds and shall execute and deliver to the Authority at Closing an "issue price" or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit F, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the Authority and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds. All actions to be taken by the Authority under this section to establish the issue price of the Bonds may be taken on behalf of the Authority by Fieldman, Rolapp & Associates, Inc. (the "Municipal Advisor") and any notice or report to be provided to the Authority may be provided to the Municipal Advisor.

At or promptly after the execution of this Purchase Agreement, the Underwriter shall report to the Authority the price or prices at which it has sold to the public each maturity of the Bonds. If at that time the 10% test has not been satisfied as to any maturity of the Bonds, the Underwriter agrees to promptly report to the Authority the prices at which it sells the unsold Bonds of that maturity to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Bonds of that maturity or until all Bonds of that maturity have been sold to the public.
- D. The Underwriter confirms that it has offered the Bonds to the public on or before the date of this Purchase Agreement at the offering price or prices (the "initial offering price"), or at the corresponding yield or yields, set forth in Exhibit A, except as otherwise set forth therein. Exhibit A also sets forth, identified under the column "Hold the Offering Price Rule Used," as of the date of this Purchase Agreement, the maturities, if any, of the Bonds for which the 10% test has not been satisfied and for which the Authority and the Underwriter agree that the restrictions set forth in the next sentence shall apply, which will allow the Authority to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the "hold-the-offering-price rule"). So long as the hold-the-offering-price rule remains applicable to any maturity of the Bonds, the Underwriter will neither offer nor sell unsold Bonds of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- 1. the close of the fifth (5th) business day after the sale date; or
- 2. the date on which the Underwriter has sold at least 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public.

The Underwriter shall promptly advise the Authority when it has sold 10% of that maturity of the Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5th) business day after the sale date.

- The Underwriter confirms that any selling group agreement and any retail distribution agreement relating to the initial sale of the Bonds to the public, together with the related pricing wires, contains or will contain language obligating each dealer who is a member of the selling group and each broker-dealer that is a party to such retail distribution agreement, as applicable, to: (1) report the prices at which it sells to the public the unsold Bonds of each maturity allotted to it until it is notified by the Underwriter that either the 10% test has been satisfied as to the Bonds of that maturity or all Bonds of that maturity have been sold to the public; and (2) comply with the holdthe-offering-price rule, if applicable, in each case if and for so long as directed by the Underwriter. The Authority acknowledges that, in making the representation set forth in this subsection, the Underwriter will rely on: (A) in the event that a selling group has been created in connection with the initial sale of the Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, if applicable, as set forth in a selling group agreement and the related pricing wires; and (B) in the event that a retail distribution agreement was employed in connection with the initial sale of the Bonds to the public, the agreement of each brokerdealer that is a party to such agreement to comply with the hold-the-offering-price rule, if applicable, as set forth in the retail distribution agreement and the related pricing wires. The Authority further acknowledges that the Underwriter shall not be liable for the failure of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement, to comply with its corresponding agreement regarding the hold-the-offering-price rule as applicable to the Bonds.
- F. The Underwriter acknowledges that sales of any Bonds to any person that is a related party to the Underwriter shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:
- 1. "public" means any person other than an underwriter or a related party;
- written contract with the Authority (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public; and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public);
- 3. a purchaser of any of the Bonds is a "related party" to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to: (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another); (ii) more than 50% common

ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another); or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other); and

- 4. "sale date" means the date of execution of this Purchase Agreement by all parties.
- 3. <u>Representations and Covenants of the Authority</u>. The Authority represents and covenants to the Underwriter that:
- A. The Authority is a joint exercise of powers authority, duly organized and existing under the Constitution and laws of the State of California (the "State"), and formed pursuant to Articles 1 through 4 (commencing with Section 6500) of Chapter 5, Division 7, Title 1 of the Government Code (the "JPA Act"), with full right, power and authority: (i) to enter into this Purchase Agreement; (ii) to enter into the Trust Agreement; (iii) to adopt the Authority Resolution authorizing the issuance of the Bonds and entry into this Purchase Agreement and the Trust Agreement and to take all other actions on the part of the Authority relating thereto (the "Authority Proceedings"); (iv) to issue, sell and deliver the Bonds to the Underwriter as provided herein; (v) to purchase the Special Tax Bonds; and (vi) to carry out and consummate the transactions on its part contemplated by this Purchase Agreement, the Trust Agreement and the Official Statement.

The Trust Agreement, the Bonds, the Local Obligation Purchase Contract and this Purchase Agreement are collectively referred to herein as the "Authority Documents."

- B. By all necessary official action of the Authority, the Authority has duly authorized and approved the execution and delivery by the Authority of, and the performance by the Authority of the obligations on its part contained in, the Authority Documents, and has approved the use by the Underwriter of the Preliminary Official Statement and the Official Statement and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the parties thereto, the Authority Documents will constitute the legally valid and binding obligations of the Authority enforceable upon the Authority in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally. The Authority has complied, and will at the Closing Date be in compliance in all respects, with the terms of the Authority Documents that are applicable to the Authority.
- C. The information in the Preliminary Official Statement and in the Official Statement relating to the Authority and the Bonds (other than statements pertaining to the book-entry system, as to which no view is expressed), does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and, upon delivery and up to and including 25 days after the End of the Underwriting Period (as defined in paragraph (D) below), the Official Statement will be amended and supplemented so as to contain no misstatement of any material fact or omission of any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

- D. Up to and including 25 days after the End of the Underwriting Period (as defined below), the Authority will advise the Underwriter promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriter, which consent will not be unreasonably withheld. The Authority will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise materially affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds. As used herein, the term "End of the Underwriting Period" means the later of such time as: (i) the Bonds are delivered to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be a written notice delivered to the Authority and the City at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "End of the Underwriting Period."
- E. As of the time of acceptance hereof and as of the Closing Date, except as otherwise disclosed in the Official Statement, the Authority is not, and as of the Closing Date, will not be, in breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority is a party or is otherwise subject; and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument; which breach, default or event could have an adverse effect on the Authority's ability to perform its obligations under the Authority Documents; and, as of such times, except as disclosed in the Official Statement, the authorization, execution and delivery of the Authority Documents and compliance by the Authority with the provisions of each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties is bound; nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by the Authority Documents.
- F. At the time of acceptance hereof there is, and as of the Closing Date, there will be no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending (notice of which has been served on the Authority) or to the knowledge of the Authority threatened, in which any such Action: (i) in any way questions the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of Revenues (as defined in the Trust Agreement) or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the Authority Documents or the consummation of the transactions on the part of the Authority contemplated thereby; (iii) contests the exclusion of the interest on the Bonds from federal or state income taxation or contests the powers of the Authority which may result in any material adverse change relating to the financial condition of the Authority; or (iv) contests the completeness or accuracy of the

Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and, as of the time of acceptance hereof, there is, and as of the Closing Date, there will be no known basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this sentence.

- G. The Authority will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter and at the expense of the Underwriter as the Underwriter may reasonably request in order: (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate; and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds, provided; however, that the Authority will not be required to execute a special or general consent to service of process or qualify as a foreign corporation in connection with any such qualification in any jurisdiction.
- H. The Authority Documents conform as to form and tenor to the descriptions thereof contained in the Official Statement. The Authority represents that the Bonds, when issued, executed and delivered in accordance with the Trust Agreement and sold to the Underwriter as provided herein, will be validly issued and outstanding obligations of the Authority, entitled to the benefits of the Trust Agreement. The Trust Agreement creates a valid pledge of the moneys in certain funds and accounts established pursuant to the Trust Agreement, subject in all cases to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.
- I. The Authority has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the Authority is a bond issuer whose arbitrage certifications may not be relied upon.
- J. Any certificate signed by any authorized officer of the Authority and delivered to the Underwriter in connection with the issuance and sale of the Bonds shall be deemed to be a representation and covenant by the Authority to the Underwriter as to the statements made therein.
- K. The Authority will apply the proceeds of the Bonds in accordance with the Trust Agreement.
- L. Between the date of this Purchase Agreement and the Closing Date, the Authority will not offer or issue any bonds, notes or other obligations for borrowed money not previously disclosed to the Underwriter.
- M. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon and premium, if any, to maturity or to the date of redemption if redeemed prior to maturity, the Authority will faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Trust Agreement.

N. The Preliminary Official Statement was deemed final by a duly authorized officer of the Authority prior to its delivery to the Underwriter, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of the Rule. The Authority hereby covenants and agrees that, within seven (7) business days from the date hereof, or upon reasonable written notice from the Underwriter within sufficient time to accompany any confirmation requesting payment from any customers of the Underwriter, the Authority shall cause a final printed form of the Official Statement to be delivered to the Underwriter in sufficient quantity to comply with paragraph (b)(4) of the Rule and Rules G-12, G-15, G-32 and G-36 of the Municipal Securities Rulemaking Board.

The Authority hereby approves the preparation and distribution of the Official Statement, consisting of the Preliminary Official Statement with such changes as are noted thereon and as may be made thereto, with the approval of Bond Counsel, Disclosure Counsel and the Underwriter, from time to time prior to the Closing Date.

The Authority hereby ratifies any prior use of and authorizes the future use by the Underwriter, in connection with the offering and sale of the Bonds, of the Preliminary Official Statement, the Official Statement, this Purchase Agreement and all information contained herein, and all other documents, certificates and written statements furnished by the Authority to the Underwriter in connection with the transactions contemplated by this Purchase Agreement.

The execution and delivery of this Purchase Agreement by the Authority shall constitute a representation to the Underwriter that the representations contained in this Section 3 are true as of the date hereof.

- 4. <u>Conditions to the Obligations of the Underwriter</u>. The obligation of the Underwriter to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriter, to the accuracy in all material respects of the representations on the part of the Authority contained herein and of the Community Facilities District in the District Letter of Representations, to the accuracy in all material respects of the statements of the officers and other officials of the Authority made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the Authority of its obligations to be performed hereunder at or prior to the Closing Date and, to the following additional conditions:

the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Authority is a party or is otherwise subject or bound, and the performance by the Authority of its obligations under the Authority Documents, the Authority Resolution and any other instruments contemplated by any of such documents, and compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Authority is a party or is otherwise subject or bound, in any manner that would materially and adversely affect the performance by the Authority of its obligations under the Authority Documents or the Authority Resolution.

- D. The information contained in the Official Statement is, as of the Closing Date and as of the date of any supplement or amendment thereto pursuant hereto, true and correct in all material respects and does not, as of the Closing Date or as of the date of any supplement or amendment thereto, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.
- E. Between the date hereof and the Closing Date, the market price or marketability, at the initial offering prices set forth on the cover page of the Official Statement, of the Bonds shall not have been materially adversely affected, in the judgment of the Underwriter (evidenced by a written notice to the Authority terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds), by reason of any of the following:

- 1. Legislation introduced in or enacted (or resolution passed) by the Congress of the United States of America or recommended to the Congress by the President of the United States, the Department of the Treasury, the Internal Revenue Service, or any member of Congress, or favorably reported for passage to either House of Congress by any committee of such House to which such legislation had been referred for consideration, or a decision rendered by a court established under Article III of the Constitution of the United States of America or by the Tax Court of the United States of America, or an order, ruling, regulation (final, temporary or proposed), press release or other form of notice issued or made by or on behalf of the Treasury Department of the United States of America or the Internal Revenue Service, with the purpose or effect, directly or indirectly, of imposing federal income taxation upon such interest as would be received by any owners of the Bonds beyond the extent to which such interest is subject to taxation as of the date hereof;

- 8. The filing or threat of an Action described Section 3.F hereof or Section M of the District Letter of Representations; or
- 9. Any proceeding shall have been commenced or be threatened in writing by the Securities and Exchange Commission against the City or the Authority.

In connection with the proposed offer and sale of the above-referenced bonds (the "Special Tax Bonds"), the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the "Community Facilities District") hereby represents and covenants to Piper Sandler & Co., as underwriter (the "Underwriter") of the Folsom Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Revenue Bonds, Series 2022 (the "Bonds"), as follows:

- A. The City of Folsom (the "City") is duly organized and validly existing as a municipal corporation and charter city under the Constitution and laws of the State of California and the Charter and the Community Facilities District is a community facilities district organized and existing pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, being Chapter 2.5, Part 1, Division 2, Title 5 of the Government Code of the State of California.
- B. The City has duly authorized the formation of the Community Facilities District and the establishment of Improvement Area No. 3 therein (the "Improvement Area") pursuant to resolutions and an ordinance duly adopted by the City Council (collectively, the "Community Facilities District Formation Resolution" and, together with Resolution No. 10835 authorizing the issuance and sale of the Special Tax Bonds, the "Community Facilities District Resolutions") and the Community Facilities District Act. The City Council, acting as the legislative body of the Community Facilities District has duly adopted the Community Facilities District Resolutions, and has caused to be recorded in the real property records of the County of Sacramento, a notice of special tax lien (the "Notice of Special Tax Lien") (the Community Facilities District Formation Resolution and Notice of Special Tax Lien being collectively referred to herein as the "Formation Documents"). Each of the Formation Documents remains in full force and effect as of the date hereof and has not been amended.

C. The Community Facilities District has, and at the Closing Date will have, as the case may be, full legal right, power and authority: (i) to execute, deliver and perform its obligations under the District Indenture, the Trust Agreement, the Continuing Disclosure Certificate and the Local Obligation Purchase Contract, and to carry out all transactions contemplated by each of such documents; (ii) to issue, sell and deliver its Special Tax Bonds to the Authority; and (iii) to carry out, give effect to and consummate the transactions contemplated by the Formation Documents, the District Indenture, the Trust Agreement, the Local Obligation Purchase Contract, the Special Tax Bonds, this Letter of Representations, the Continuing Disclosure Certificate and the Official Statement.

This Letter of Representations, the Trust Agreement, the District Indenture, the Local Obligation Purchase Contract, the Special Tax Bonds and the Continuing Disclosure Certificate are collectively referred to herein as the "**District Documents**."

- D. The Community Facilities District has complied, and will at the Closing Date be in compliance in all material respects, with the Formation Documents and the District Documents, and immaterial noncompliance by the Community Facilities District, if any, will not impair the ability of the Community Facilities District to carry out, give effect to or consummate the transactions contemplated by the foregoing. From and after the date of issuance of its Special Tax Bonds, the Community Facilities District will continue to comply with the covenants of the Community Facilities District contained in the District Documents.
- Except as described in the Preliminary Official Statement, the Community Facilities E. District is not, in any respect material to the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Community Facilities District is a party or is otherwise subject or bound, and the performance of its obligations under the District Documents and compliance with the provisions of each thereof, or the performance of the conditions precedent to be performed by the Community Facilities District pursuant to the District Documents, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Community Facilities District is a party or is otherwise subject or bound, in any manner that would materially and adversely affect the performance by the Community Facilities District of its obligations under the District Documents or the performance of the conditions precedent to be performed by the Community Facilities District pursuant to the District Documents.
- F. Except as may be required under the "blue sky" or other securities laws of any jurisdiction, all approvals, consents, authorizations, elections and orders of, or filings or registrations with, any governmental authority, board, agency or commission having jurisdiction which would constitute a condition precedent to, or the absence of which would materially adversely affect, the performance by the Community Facilities District of its obligations under the District Documents, have been or will be obtained at the Closing Date and are or will be in full force and effect at the Closing Date.

- G. The District Documents conform as to form and tenor to the descriptions thereof contained in the Preliminary Official Statement.
- H. The Special Tax Bonds are payable from the Special Tax, as set forth in the District Indenture, the levy of which has been duly and validly authorized pursuant to the Community Facilities District Act and the Special Tax within the Improvement Area will be fixed and levied in an amount which, together with other available funds, is required for the payment of the principal of, and interest on, the Special Tax Bonds when due and payable, all as provided in the District Indenture. The Community Facilities District has covenanted to cause the Special Tax to be levied and collected at the same time and in the same manner as ordinary ad valorem property taxes.
- I. The District Indenture creates a valid pledge of, first lien upon and security interest in, the Special Tax, and in the moneys in the Special Tax Fund established pursuant to the District Indenture, on the terms and conditions set forth in the District Indenture.

The Community Facilities District will advise the Underwriter promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise materially affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds. As used herein, the term "End of the Underwriting Period" means the later of such time as: (i) the Bonds are delivered to the Underwriter; or (ii) the Underwriter does not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be a written notice delivered to the City at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "End of the Underwriting Period."

- There is no action pending (notice of which has been served on the Community M. Facilities District or the City) or to the best knowledge of the Community Facilities District threatened, in which any such action: (i) in any way questions the existence of the Community Facilities District or the titles of the officers of the City to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of the Bonds or the Special Tax Bonds or the payment or collection of the Special Tax or any amounts pledged or to be pledged to pay the principal of and interest on the Special Tax Bonds or the Bonds, or in any way contests or affects the validity of the Formation Documents or the District Documents or the consummation of the transactions on the part of the Community Facilities District contemplated thereby; (iii) contests the exemption of interest on the Bonds or the Special Tax Bonds from federal or State income taxation, as applicable, or contests the powers of the City or the Community Facilities District which may result in any material adverse change relating to the financial condition of the Community Facilities District; or (iv) contests the completeness or accuracy of the Preliminary Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iv) of this sentence.
- N. Any certificate signed on behalf of the Community Facilities District by any officer or employee of the City authorized to do so shall be deemed a representation by the Community Facilities District to the Authority and the Underwriter on behalf of itself and the Community Facilities District as to the statements made therein.
- O. At or prior to the Closing, the Community Facilities District will have duly authorized, executed and delivered the Continuing Disclosure Certificate in substantially the form attached as Appendix D to the Official Statement. Except as disclosed in the Preliminary Official Statement, the City has not failed to comply in all respects with any previous undertakings with regard to the Rule to provide annual reports or notices of material events in the last five years.
- P. The Community Facilities District will apply the proceeds of its Special Tax Bonds in accordance with the District Indenture.

To the Actual Knowledge of the Undersigned as of the date thereof, the Preliminary Official Statement, solely with respect to information contained therein with respect to the Developer, its Affiliates, ownership of the Property, the Developer's development plan, the Developer's financing plan, the Developer's lenders, if any, and contractual arrangements of the Developer or any Affiliates (including, if material to the Developer's development plan or the Developer's financing plan, other loans of such Affiliates) as set forth under the caption "PROPOSED PROPERTY DEVELOPMENT" is true and correct in all material respects and did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.
- The Developer covenants that, while the Bonds or any refunding obligations related 7. thereto are outstanding, the Developer and its Affiliates which it controls will not bring any action, suit, proceeding, inquiry or investigation at law or in equity, before any court, regulatory agency, public board or body, that in any way seeks to challenge or overturn the formation of the Community Facilities District or the Improvement Area, to challenge the adoption of Ordinance No. 1305 of the City levying the Special Tax within the Improvement Area, to invalidate the Community Facilities District, the Improvement Area or any of the Bonds or any refunding bonds related thereto, or to invalidate the special tax liens imposed under Section 3115.5 of the Streets and Highways Code based on recordation of the amended notice of special tax lien relating thereto. The foregoing covenant shall not prevent the Developer in any way from bringing any other action, suit or proceeding including, without limitation, (a) an action or suit contending that the Special Tax has not been levied in accordance with the methodologies contained in the Community Facilities District's Rate and Method of Apportionment of Special Taxes for the Improvement Area pursuant to which the Special Tax is levied, or (b) an action or suit with respect to the application or use of the Special Tax levied and collected.

- 9. The Developer has been developing or has been involved in the development of numerous projects over an extended period of time. It is likely that the Developer has been delinquent at one time or another in the payment of ad valorem property taxes, special assessments or special taxes. However, except as disclosed in the Preliminary Official Statement, to the Actual Knowledge of the Undersigned, neither the Developer nor any Affiliate is currently in default in, or in the last five (5) years has ever defaulted to any material extent in the payment of any *ad valorem* property tax, special assessment or special tax on property owned by the Developer or any Affiliate within the boundaries of a community facilities district or an assessment district within California that (a) caused a draw on a reserve fund relating to such assessment district or community facilities district financing or (b) resulted in a foreclosure action being commenced against the Developer or any such Affiliate.
- 10. The Developer intends to comply with the provision of the Mello-Roos Community Facilities District Act of 1982, as amended, relating to the Notice of Special Tax described in Government Code Section 53341.5 in connection with the sale of the Property, or portions thereof.

- 12. To the Actual Knowledge of the Undersigned, Affiliates of the Developer are able to pay their bills as they become due and no legal proceedings are pending against any Affiliates of the Developer (with proper service of process to such Affiliate having been accomplished) or to the Actual Knowledge of the Undersigned, threatened in writing in which the Affiliates of the Developer may be adjudicated as bankrupt or discharged from any or all of their debts or obligations, or granted an extension of time to pay their debts or obligations, or be allowed to reorganize or readjust their debts or obligations, or be subject to control or supervision of the Federal Deposit Insurance Corporation.
- 13. If between the date hereof and the Closing Date any event relating to or affecting the Developer, its Affiliates, ownership of the Property, the Developer's development plan, the Developer's financing plan, the Developer's lenders, if any, and contractual arrangements of the Developer or any Affiliates (including, if material to the Developer's development plan or the Developer's financing plan, other loans of such Affiliates) shall occur of which the undersigned has actual knowledge and which the undersigned believes would cause the information under the sections of the Preliminary Official Statement indicated in Paragraph 6 hereof, to contain an untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the undersigned shall notify the City and the Underwriter and if in the opinion of counsel to the City or the Underwriter such event requires the preparation and publication of a supplement or amendment to the Preliminary Official Statement, the Developer shall reasonably cooperate with the City in the preparation of an amendment or supplement to the Preliminary Official Statement in form and substance reasonably satisfactory to counsel to the City and to the Underwriter.
- 14. For the period through 25 days after the "End of the Underwriting Period" as defined in the Purchase Agreement, if any event relating to or affecting the Developer, its Affiliates, ownership of the Property, the Developer's development plan, the Developer's financing plan, the Developer's lenders, if any, and contractual arrangements of the Developer or any Affiliates (including, if material to the Developer's development plan or the Developer's financing plan, other loans of such Affiliates) shall occur as a result of which it is necessary, in the opinion of the Underwriter or counsel to the City, to amend or supplement the Official Statement in order to make the Official Statement not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, the Developer shall reasonably cooperate with the City and the Underwriter in the preparation of an amendment or supplement to the Official Statement in form and substance reasonably satisfactory to the Underwriter and Disclosure Counsel which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

- 16. The Developer agrees to deliver the Developer Continuing Disclosure Certificate in substantially the form attached as Appendix D to the Preliminary Official Statement.

Piper Sandler & Co., as Underwriter Sacramento, California

Folsom Ranch Financing Authority
City of Folsom Community Facilities District No. 23 (Folsom Ranch)
Improvement Area No. 3
Special Tax Revenue Bonds, Series 2022
(Supplemental Opinion)

Ladies and Gentlemen:

This letter is addressed to you, as Underwriter, pursuant to Section 4.F.7. of the Bond Purchase Agreement, dated _____, 2022 (the "Purchase Agreement"), between you and the Folsom Ranch Financing Authority (the "Authority"), providing for the purchase of \$_____ aggregate principal amount of Folsom Ranch Financing Authority City of Folsom Community Facilities District No. 23 (Folsom Ranch) Improvement Area No. 3 Special Tax Revenue Bonds, Series 2022 (the "Bonds"). The Bonds are being issued pursuant to a Trust Agreement, dated as of _____ 1, 2022 (the "Trust Agreement"), among the Authority, the City of Folsom Community Facilities District No. 23 (Folsom Ranch) (the "Community Facilities District") and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the Trust Agreement or, if not defined in the Trust Agreement, in the Purchase Agreement.

We have delivered our final legal opinion (the "Bond Opinion") as bond counsel to the Authority concerning the validity of the Bonds and certain other matters, dated the date hereof and addressed to the Authority. You may rely on such opinion as though the same were addressed to you.

In connection with our role as bond counsel to the Authority, we have reviewed the Purchase Agreement; the Trust Agreement; the Local Obligations Indenture; the Tax Certificate, dated the date hereof (the "Tax Certificate"), executed and delivered by the Authority, the Community Facilities District and the City of Folsom (the "City"); certain portions of the electronic version of the preliminary official statement of the Authority, dated _____, 2022 and posted on ______, 2022, with respect to the Bonds (the "Preliminary Official Statement") and of the electronic version of the official statement of the Authority, dated _____, 2022 and posted on ______, 2022, with respect to the Bonds (the "Official Statement"); opinions of counsel to the Authority, the Community Facilities District and the Trustee; certificates of the Authority, the Community Facilities District, the Trustee, Integra Realty Resources (the "Appraiser"), NBS (the "Special Tax Consultant"), Toll West Inc., d/b/a Toll Brothers West Inc. (the "Developer"), and others; and such other documents, opinions and matters to the extent we deemed necessary to render the opinions and conclusions set forth herein.

The opinions and conclusions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions or conclusions may be affected by actions taken or omitted or events occurring after the original delivery of the Bonds on the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the original delivery of the Bonds on the date hereof. We have assumed the genuineness of all documents and signatures provided to us and the due and legal execution and delivery thereof by, and validity against, any parties other than the Authority. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents, and of the legal conclusions contained in the opinions, referred to in the third paragraph hereof. We have further assumed compliance with all covenants and agreements contained in such documents. In addition, we call attention to the fact that the rights and obligations under the Bonds, the Trust Agreement, the Local Obligations Indenture, the Tax Certificate and the Purchase Agreement and their enforceability may be subject to bankruptcy, insolvency, reorganization, receivership, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases and to the limitations on legal remedies against governmental entities such as the Authority and the Community Facilities District in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute or to have the effect of a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, nonexclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinions with respect to the state or quality of title to or interest in any assets described in or as subject to the lien of the Trust Agreement or the Local Obligations Indenture or the accuracy or sufficiency of the description contained therein of, or the remedies available to enforce liens on, any such assets. We also express no opinion regarding plans, specifications, maps, financial reports or other engineering or financial details of the proceedings, or upon the Rate and Method of Apportionment for Improvement Area No. 3 of the Community Facilities District or the validity of the Special Tax levied upon any individual parcel.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions and conclusions:

- 1. The Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the Trust Agreement is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended.
- 2. The Purchase Agreement has been duly executed and delivered by, and constitutes a valid and binding obligation of, the Authority.
- 3. The statements contained in the Official Statement under the captions "THE BONDS," "SECURITY AND SOURCES OF PAYMENT FOR THE BONDS" (excluding therefrom the information under the headings "—Special Tax Analysis", "—Special Tax Calculation" and "—The Teeter Plan"), and "TAX MATTERS," and in APPENDIX E—"PROPOSED FORM OF OPINION OF BOND COUNSEL" and APPENDIX C—"SUMMARY OF PRINCIPAL DOCUMENTS," excluding any material that may be treated as included under such captions by cross-reference or reference to other documents or sources, insofar as such statements expressly summarize certain provisions of the Trust Agreement, or set out the content of our Bond Opinion, are accurate in all material respects.

We are not passing upon and do not assume any responsibility for the accuracy, 4. completeness or fairness of any of the statements contained in the Preliminary Official Statement or (except as explicitly stated in paragraph 3 above) in the Official Statement and make no representation that we have independently verified the accuracy, completeness or fairness of any such statements. In our capacity as bond counsel to the Authority in connection with issuance of the Bonds, we participated in conferences with your representatives, your counsel, representatives of the Community Facilities District, the City, the Authority, their counsel, representatives of the Developer and their counsel, the Appraiser, the Special Tax Consultant and others, during which the contents of the Preliminary Official Statement or the Official Statement and related matters were discussed. Based on our participation in the above-mentioned conferences (which, with respect to the Preliminary Official Statement, did not extend beyond the date of the Purchase Agreement, and with respect to the Official Statement did not extend beyond its date), and in reliance thereon, on oral and written statements and representations of the Authority, the Community Facilities District, and others and on the records, documents, certificates, opinions and matters herein mentioned, subject to the limitations on our role as bond counsel to the Authority, we advise you as a matter of fact and not opinion that (a) no facts had come to the attention of the attorneys in our firm rendering legal services with respect to the Preliminary Official Statement which caused us to believe as of the date of the Purchase Agreement, based on the documents, drafts and facts in existence and reviewed as of that date that the Preliminary Official Statement contained any untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (except any information marked as preliminary or subject to change, any information permitted to be omitted by Securities and Exchange Commission Rule 15c-12 or otherwise left blank and any other differences with the information in the Official Statement), and (b) no facts had come to the attention of the attorneys in our firm rendering legal service with respect to the Official Statement which caused us to believe as of the date of the Official Statement and as of the date hereof that the Official Statement contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that, we expressly exclude from the scope of this paragraph and express no opinion or conclusion, with respect to both the Preliminary Official Statement and the Official Statement, about any CUSIP numbers, financial, accounting, statistical or economic, engineering or demographic data or forecasts, numbers, charts, tables, graphs, estimates, projections, assumptions or expressions of opinion, any information about feasibility, valuation, appraisals, absorption, real estate or environmental matters, any statements about compliance with prior continuing disclosure undertakings, or any information about book-entry, DTC, Cede & Co., ratings, rating agencies, underwriters, underwriting, and the information contained in Appendices A, B, D, F and G included or referred to therein or omitted therefrom. No responsibility is undertaken or conclusion expressed with respect to any other disclosure document, materials or activity, or as to any information from another document or source referred to by or incorporated by reference in the Preliminary Official Statement or the Official Statement.

This letter is furnished by us as bond counsel to the Authority. No attorney-client relationship has existed or exists between our firm and you in connection with the Bonds or by virtue of this letter. We disclaim any obligation to update this letter. This letter is delivered to you as Underwriter of the Bonds, is solely for your benefit as such Underwriter in connection with the original delivery of the Bonds on the date hereof, and is not to be used, circulated, quoted or otherwise referred to or relied upon for any other purpose or by any other person. This letter is not intended to, and may not, be relied upon by owners of the Bonds or by any other party to whom it is not specifically addressed.

Very truly yours,

NOTE: To be effective, the Revenue Measure requires a 2/3 super-majority vote (at least 4 of 5 affirmative votes of the City Council) for placement on the November 8, 2022 ballot.

- 2. Staff recommends that the City Council **approve one of the following Ordinances** for submission to the voters of the City at the November 8, 2022 General Municipal Election:
 - A. Ordinance No. 1328 An Ordinance of the People of the City of Folsom Imposing a One-Half Percent (0.5%) Transactions and Use Tax by Adding Chapter 3.140, "Folsom Essential City Services Maintenance and Investment Measure", to the Folsom Municipal Code to be Administered by the California Department of Tax and Fee Administration; or

Ordinance No. 1329 An Ordinance of the People of the City of Folsom Imposing a One Percent (1%) Transactions and Use Tax by Adding Chapter 3.140, "Folsom Essential City Services Maintenance and Investment Measure", to the Folsom Municipal Code to be Administered by the California Department of Tax and Fee Administration.

BACKGROUND / ISSUE

A Statewide General Election is scheduled to be held in Sacramento County on November 8, 2022. A General Municipal Election for the City of Folsom may be consolidated with the Statewide General Election for the purpose of electing members of the City Council to fill openings due to the expiration of the current term of three Councilmembers this December, as well as submitting ballot measures to the voters as desired by the City Council.

While the election of three City Councilmembers will be by-district (i.e., only eligible voters in Council Districts 1, 3, and 5 will vote for a Councilmember in their respective Districts), all eligible voters throughout the City will be able to vote to approve or reject the proposed revenue measure.

POLICY / RULE

Revenue and Taxation Code Section 7285.9 authorizes all cities to levy, increase, or extend a transactions and use tax for general purposes, at a rate of 0.125% or a multiple thereof, subject to approval of two-thirds (2/3) of the City Council and a majority of qualified voters voting on the issue.

Elections Code Section 9222 provides that the legislative body of a city may submit to the voters a proposition for the repeal, amendment or enactment of any ordinance at a regular city election, and if the proposition submitted receives a majority of the votes cast on it at the election, the ordinance shall be repealed, amended or enacted accordingly.

ANALYSIS

At the November 8, 2022 General Municipal Election, the qualified voters of the City will be asked to elect three Councilmembers in Council Districts 1, 3, and 5 to fill the seats following the expiration of the current terms of three Councilmembers. The election will be by-district.

Additionally, the City Council may submit ballot measures to all voters of the City at said election for consideration. Staff has presented a proposed ballot measure to enact a new sales tax in the City in the amount of either ½ cent or 1 cent, as deemed appropriate and selected by the City Council.

A. Ballot Measure - City Revenue Measure (½ Cent or 1 Cent Transactions and Use Tax)

During the past several years, the State of California has reduced funding for infrastructure improvements to local jurisdictions, including the City of Folsom. While many local jurisdictions had to decrease or eliminate altogether certain levels, quality and frequency of services to their residents, under City Council direction and prudent fiscal management, Folsom has weathered through some of the toughest economic challenges in recent memory without any measurable or significant impact on Folsom residents.

Nevertheless, since State funding has declined, and maintenance costs have grown, additional funding is needed to address current and long-term needs. The City is pursuing dependable and local sources of revenue in order to continue to fund and support ongoing and future services, facilities and programs including, for example, capital improvement projects such as construction of transportation and traffic improvements, parks, trails, and bike paths; efforts to promote economic development and redevelopment to attract new businesses and employers to the City; augmentation of existing essential City services including but not limited to fire, paramedic, police emergency response and crime prevention programs; and expansion of the City's great tradition in parks and recreation, senior, library, school and education, arts, cultural and historical programs which our citizens enjoy and/or depend upon. In order to address the widest range of core service needs, the City is contemplating placing a potential general transaction and use tax on the November 8, 2022 ballot.

California Revenue and Taxation Code section 7285.9 authorizes the City Council to levy transactions and use (sales) tax via ordinance, provided that the ordinance establishing the general tax is approved by a majority (50% + 1) vote of the qualified voters of the city.

Currently, the cumulative tax rate on retail sales in Folsom is 7.75% of the purchase price. The tax revenue is allocated among the State, Sacramento County, the City of Folsom, and other public agencies. Folsom's share is 1.0% of the purchase price.

The City Council may submit a proposed revenue measure to the voters of the City to decide whether or not to enact a new sales tax on tangible personal property sold at retail in the City, at the rate of one-half cent for every dollar spent (½%) or, alternatively, at the rate of one cent for every dollar spent (1%). All revenue from the new local tax stays in the City without sharing with other agencies. If passed, the proposed one-half cent revenue measure would increase the cumulative tax rate in Folsom to 8.25%, and Folsom's share of the purchase price would increase from 1.0% to 1.5%. The proposed one cent revenue measure, if passed, would increase the cumulative tax rate in Folsom to 8.75%, and Folsom's share of the purchase price would increase from 1.0% to 2.0%. Staff estimates that a one-half cent Measure would initially generate approximately \$11 million per year, while a one cent Measure would initially generate approximately \$22 million per year.

The proposed revenue measure proposes a "general" tax, from which the revenue would be deposited in the City's general fund for the City to use for all governmental purposes. There will be an annual audit on the proceeds and expenditure of the tax, as well as annual accounting to the City Council prior to adoption of the City budget.

If passed by a simple majority vote of the voters voting on the proposed revenue measure, the Folsom Municipal Code would be amended by the enactment of an ordinance imposing the new tax. The proposed tax would be administered by the California Department of Tax and Fee Administration, in the same manner that sales tax is currently administered, in order to reduce the cost of collecting the tax and to minimize the burden of record-keeping upon retailers subject to the tax.

Collection of the proposed tax would begin on April 1, 2023 and would continue until repealed by voters of the City in a future election.

A copy of the proposed text of the Revenue Measure can be found in Attachments 3 and 6 to this Staff Report.

To be effective, the Revenue Measure requires a 2/3 super-majority vote (at least 4 of 5 affirmative votes of the City Council) for placement on the November 8, 2022 ballot.

B. Written Ballot/Rebuttal Arguments

The proposed Resolution authorizes the filing of written arguments and rebuttals for the City Council-sponsored ballot measures, as well as directing the City Attorney to prepare an impartial analysis for each ballot measure.

Elections Code Section 9287 provides that, if more than one argument for or against any city measure is submitted to the city election official within the prescribed time frame, the city election official shall select one of the arguments for printing and distribution to the voters. In selecting the argument, the election official shall give preference and priority to the arguments as follows:

- 1. The legislative body, or member(s) of the legislative body authorized by that body.
- 2. The individual voter, or bona fide association of citizens, or combination of voters and associations, who are bona fide sponsors or proponents of the measure.
- 3. Bona fide associations of citizens.
- 4. Individual voters who are eligible to vote on the measure.

Accordingly, City Council has first priority to file and submit arguments for City Council-sponsored ballot measures, and the proposed Resolution designates the Mayor and/or others selected by the Mayor who are qualified to sign arguments under the Elections Code to file written arguments regarding the ballot measure sponsored by the City Council. Pursuant to the timeline set forth in Elections Code Sections 9286 and 9295, written ballot arguments for or against a ballot measure must be filed between July 13, 2022 and July 26, 2022. The public examination period for arguments would be July 27, 2022 to Aug 5, 2022.

Pursuant to Elections Code Section 9285, rebuttal arguments must be filed between July 27, 2022 and August 5, 2022. The public examination period would be August 6, 2022 to August 15, 2022.

The City Council may direct the City Attorney to prepare an impartial analysis on the proposed measures. The analysis would be due no later than July 26, 2022. The public examination period would be July 27, 2022 to August 5, 2022.

FINANCIAL IMPACT

The Sacramento County Registrar of Voters has estimated the election cost at approximately \$42,000 for the election of three City Council candidates. Adding an additional contest to the ballot will cost approximately an additional \$5,100, based on the County's fee schedule of

\$0.1035 per registered voter for "additional contests". Funds have been budgeted within the FY 2022-23 budget to cover this expense.

ENVIRONMENTAL REVIEW

The California Environmental Quality Act (CEQA) does not apply to activities that will not result in a direct or reasonably foreseeable indirect physical change in the environment (CEQA Guidelines §15061(c)(3)), or are otherwise not considered a project as defined by Public Resources Code §21065 and CEQA Guidelines §15060(c)(3) and §15378. The Council's approval of the attached Resolution and Ordinance meets the above criteria and is not subject to CEQA. No environmental review is required.

3.140.010 Chapter Title.

This Chapter shall be known as the "Folsom Essential City Services Maintenance and Investment Measure" (the "Measure"). This Chapter shall be applicable in the incorporated territory of the City.

3.140.020 Need for Chapter.

The People of the City of Folsom declare that this Chapter, pursuant to the Measure, is adopted as a general tax to provide funding for general governmental purposes, which are funded by the City's General Fund.

3.140.030 Operative Date.

The general transactions and use tax imposed hereunder shall be operative the first day of the first calendar quarter commencing more than 110 days after the adoption of this Chapter ("Operative Date"). Based on a November 8, 2022 election, the Operative Date for the general transactions and use tax imposed hereunder shall be April 1, 2023, and the revenue from said tax can be spent for unrestricted general revenue purposes.

3.140.040 Purpose.

Pursuant to the requirements of the California Department of Tax and Fee Administration, this Chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2, and which authorizes the City to adopt this tax ordinance, which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Chapter.

3.140.050 Contract with State.

Prior to the Operative Date of this Chapter, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax imposed under this Chapter; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the Operative Date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.140.060 Transactions Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one-half of one percent (0.50%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the Operative Date of this Chapter.

3.140.070 Place of Sale.

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer, unless the tangible personal property sold is delivered by the retailer, or his or her agent, to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State, or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.140.080 Use Tax Rate.

An excise tax is hereby imposed on the storage, use, or other consumption in the City of tangible personal property purchased from any retailer on and after the Operative Date of this Chapter for storage, use, or other consumption in the City at the rate of one-half of one percent (0.50%) of the sales price of the property. The sales price shall include

delivery charges when such charges are subject to the State sales or use tax regardless of the place to which delivery is made.

3.140.090 Adoption of Provisions of State Law.

Except as otherwise provided in this Chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Chapter as though fully set forth herein.

3.140.100 Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:
- 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, California Department of Tax and Fee Administration, State Treasury, or the Constitution of the State of California;
- 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Chapter.
- 3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
- a. Provide an exemption from this use tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
- b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the said provision of that code.
- 4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.

B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203 of the Revenue and Taxation Code. A "retailer engaged in business in the State" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

3.140.110 Permit Not Required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this Chapter.

3.140.120 Exemptions and Exclusions.

- A. There shall be excluded from the measure of the transactions and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any State-administered transactions or use tax.
- B. There are exempted from the computation of the amount of the transactions tax the gross receipts from:
- 1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.
- 2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:
- a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-

City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

- b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
- 3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this Chapter.
- 4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this Chapter.
- 5. For the purposes of subparagraphs (3) and (4) of this Section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- C. There are exempted from the use tax imposed by this Chapter, the storage, use, or other consumption in this City of tangible personal property:
- 1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
- 2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
- 3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this Chapter.
- 4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this Chapter.
- 5. For the purposes of subparagraphs (3) and (4) of this Section, storage, use, or other consumption, or possession of, or exercise of any right or power over,

tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

- 6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.
- 7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.
- D. Any person subject to use tax under this Chapter may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.140.010 Chapter Title.

This Chapter shall be known as the "Folsom Essential City Services Maintenance and Investment Measure" (the "Measure"). This Chapter shall be applicable in the incorporated territory of the City.

3.140.020 Need for Chapter.

The People of the City of Folsom declare that this Chapter, pursuant to the Measure, is adopted as a general tax to provide funding for general governmental purposes, which are funded by the City's General Fund.

3.140.030 Operative Date.

The general transactions and use tax imposed hereunder shall be operative the first day of the first calendar quarter commencing more than 110 days after the adoption of this Chapter ("Operative Date"). Based on a November 8, 2022 election, the Operative Date for the general transactions and use tax imposed hereunder shall be April 1, 2023, and the revenue from said tax can be spent for unrestricted general revenue purposes.

3.140.040 Purpose.

Pursuant to the requirements of the California Department of Tax and Fee Administration, this Chapter is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

- A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2, and which authorizes the City to adopt this tax ordinance, which shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.
- B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.
- C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a measure therefore that can be administered and collected by the California Department of Tax and Fee Administration in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the California Department of Tax and Fee Administration in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use taxes, and at the same time, minimize the burden of record keeping upon persons subject to taxation under the provisions of this Chapter.

3.140.050 Contract with State.

Prior to the Operative Date of this Chapter, the City shall contract with the California Department of Tax and Fee Administration to perform all functions incident to the administration and operation of this transactions and use tax imposed under this Chapter; provided, that if the City shall not have contracted with the California Department of Tax and Fee Administration prior to the Operative Date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

3.140.060 Transactions Tax Rate.

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the rate of one percent (1%) of the gross receipts of any retailer from the sale of all tangible personal property sold at retail in said territory on and after the Operative Date of this Chapter.

3.140.070 Place of Sale.

For the purposes of this Chapter, all retail sales are consummated at the place of business of the retailer, unless the tangible personal property sold is delivered by the retailer, or his or her agent, to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State, or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the California Department of Tax and Fee Administration.

3.140.080 Use Tax Rate.

An excise tax is hereby imposed on the storage, use, or other consumption in the City of tangible personal property purchased from any retailer on and after the Operative Date of this Chapter for storage, use, or other consumption in the City at the rate of one percent (1%) of the sales price of the property. The sales price shall include delivery charges

when such charges are subject to the State sales or use tax regardless of the place to which delivery is made.

3.140.090 Adoption of Provisions of State Law.

Except as otherwise provided in this Chapter and except insofar as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Chapter as though fully set forth herein.

3.140.100 Limitations on Adoption of State Law and Collection of Use Taxes.

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

- A. Wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. However, the substitution shall not be made when:
- 1. The word "State" is used as a part of the title of the State Controller, State Treasurer, State Board of Control, California Department of Tax and Fee Administration, State Treasury, or the Constitution of the State of California;
- 2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the California Department of Tax and Fee Administration, in performing the functions incident to the administration or operation of this Chapter.
- 3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:
- a. Provide an exemption from this use tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the State under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;
- b. Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the State under the said provision of that code.

- 4. In Sections 6701, 6702 (except in the last sentence thereof), 6711, 6715, 6737, 6797 or 6828 of the Revenue and Taxation Code.
- B. The word "City" shall be substituted for the word "State" in the phrase "retailer engaged in business in this State" in Section 6203 and in the definition of that phrase in Section 6203 of the Revenue and Taxation Code. A "retailer engaged in business in the State" shall also include any retailer that, in the preceding calendar year or the current calendar year, has total combined sales of tangible personal property in this state or for delivery in the State by the retailer and all persons related to the retailer that exceeds five hundred thousand dollars (\$500,000). For purposes of this section, a person is related to another person if both persons are related to each other pursuant to Section 267(b) of Title 26 of the United States Code and the regulations thereunder.

3.140.110 Permit Not Required.

If a seller's permit has been issued to a retailer under Section 6067 of the Revenue and Taxation Code, an additional transactor's permit shall not be required by this Chapter.

3.140.120 Exemptions and Exclusions.

- A. There shall be excluded from the measure of the transactions and the use tax the amount of any sales tax or use tax imposed by the State of California or by any city, city and county, or county pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any State-administered transactions or use tax.
- B. There are exempted from the computation of the amount of the transactions tax the gross receipts from:
- 1. Sales of tangible personal property, other than fuel or petroleum products, to operators of aircraft to be used or consumed principally outside the county in which the sale is made and directly and exclusively in the use of such aircraft as common carriers of persons or property under the authority of the laws of this State, the United States, or any foreign government.
- 2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or by delivery by the retailer to a carrier for shipment to a consignee at such point. For the purposes of this paragraph, delivery to a point outside the City shall be satisfied:
- a. With respect to vehicles (other than commercial vehicles) subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the

Public Utilities Code, and undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code by registration to an out-of-City address and by a declaration under penalty of perjury, signed by the buyer, stating that such address is, in fact, his or her principal place of residence; and

- b. With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.
- 3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this Chapter.
- 4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this Chapter.
- 5. For the purposes of subparagraphs (3) and (4) of this Section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- C. There are exempted from the use tax imposed by this Chapter, the storage, use, or other consumption in this City of tangible personal property:
- 1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.
- 2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.
- 3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this Chapter.
- 4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any period of time for which the lessee is obligated to lease the property for an amount fixed by a lease prior to the operative date of this Chapter.

- 5. For the purposes of subparagraphs (3) and (4) of this Section, storage, use, or other consumption, or possession of, or exercise of any right or power over, tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.
- 6. Except as provided in subparagraph (7), a retailer engaged in business in the City shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the City or participates within the City in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the City or through any representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of the retailer.
- 7. "A retailer engaged in business in the City" shall also include any retailer of any of the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section 4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.
- D. Any person subject to use tax under this Chapter may credit against that tax any transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code with respect to the sale to the person of the property the storage, use or other consumption of which is subject to the use tax.

3.140.130 Amendments.

All amendments subsequent to the effective date of this Chapter to Part 1 of Division 2 of the Revenue and Taxation Code relating to sales and use taxes and which are not inconsistent with Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, and all amendments to Part 1.6 and Part 1.7 of Division 2 of the Revenue and Taxation Code, shall automatically become a part of this Chapter, provided however, that no such amendment shall operate so as to affect the rate of tax imposed by this Chapter.

3.140.140 Enjoining Collection Forbidden.

No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or the City, or against any officer of the State or the City, to prevent or enjoin the collection under this

Chapter, or Part 1.6 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected hereunder.
