MEMBERS PRESENT:

Max Coleman Keith Fletcher Carol Landrum Mary Linicomn David Pomerantz
Cassandra Roberson Xochitl Rodriguez

STAFF:

Cindy Mendez, Public Health & Environmental Quality Director
Tamilia Johnson, Administrative Supervisor

Call to Order:

The meeting was called to order by Keith Fletcher at 6:32 pm with a quorum present.

- I. Review Minutes – The last public health meeting was held August 14, 2023. Max Coleman motioned to approve minutes, seconded by David Pomerantz, all were in favor.

- II. Review of Quarterly Report – The 4th quarterly report was reviewed by the committee and staff. Mr. Fletcher raised a question regarding the amount of stormwater complaints made during the driest months. Ms. Mendez explained how complaints can be considered stormwater and showed examples of complaints entered in DHD.

- III. Get Fit GP Updates – Ms. Mendez updated the committee on Get Fit GP events. She explained this is the 10th year we have been doing public health educational programming with many partners and providing lots of free giveaways. She told the committee we go to the school district and other community events to reach as many people as possible. Ms. Mendez reviewed Get Fit GP events and indicated that August 2023 was the first time the mayor ever cancelled the Cyclin with the Mayor scheduled event due to the heat. Over 500 people attended the Mi Familia Community Fair, also held in August 2023, at the Mi Familia Park. GP Animal Services Birthday Bash and National Night Out Kick Off Party was held in September 2023. In October 2023, National Night Out was at Shotwell Life Center. There were about 20 vendors offering educational materials and free screenings, as well as over 500 people who participated in the Pink Out Strollin' with the Mayor walk and health fair event, held on October 14th. Carol Landrum asked if notifications are sent, and Ms. Mendez answered yes. A record number of council members, 6 out of nine, were in attendance. Ms. Mendez updated the committee on the upcoming Get Fit GP events including the Cyclin with the Mayor Bike Ride at Prairie Lights, being held at Lynn Creek Park on November 20th at 6:30 p.m., gates open at 5

p.m. and close at 6:15 p.m., and an invite will be sent to all PHAC board members. The first ever Grand Holiday Craft Fair and Santa Pictures will be held on December 7th at 3 p.m. – 7 p.m. at the Veterans Park Event Center. This event will have local craft vendors, DIY bath bombs, chair yoga sessions, and free cookies and cocoa. Mr. Fletcher asked where the Veteran’s Event Center is located, and Ms. Mendez advised it is the building next to the Main Library. Xochitl Rodriguez asked if the event was pet friendly and Ms. Mendez answered no due to lack of space.

- IV. Application for Municipal Setting Designation for 1201 Ave H East, 1205 Avenue H East, 1152 N. Great Southwest Parkway, and Certain Nearby City Right-of-Way – Ms. Mendez gave the committee the history of what a municipal setting designation is and provided them key terms, such as groundwater, aquifer, and potable water, regarding drinking water. Mr. Fletcher asked if groundwater is the same as a pond, and Ms. Mendez’s response was no. She explained that it is anything below the surface, but not more than 70 feet deep. Mr. Coleman agreed and mentioned he has a well but can’t live off it. Ms. Mendez provided the benefit of selecting a MSD for the city and applicant. She stated this is a big bonus for applicants to through the program. Mr. Coleman said mother nature will take care of this in hundreds of years. Mr. Pomerantz mentioned it won’t hurt those who are walking but will if drilling and drinking water. The committee reviewed all other benefits and express their support. Mr. Coleman motioned an approval moving forward to bring the project to City Council, seconded by Ms. Landrum, with all in favor who were present.
- V. Review of 2024 PHAC Meeting Dates – This item was tabled until the February 2024 meeting.

Adjournment – With no other questions or comments, Mr. Coleman motioned to adjourn, and both Mr. Pomerantz and Mr. Fletcher seconded. The motion was passed with all present voting yes. The meeting was adjourned at 7:44 pm.

 Another thing you must know
 Eat more veggies and don't smoke
