### Sub-Committee Beautification Minutes for 10/7/2021

#### Members attending:

Cindy Ross  
Amber Gifford  
Erin Howard  
Rick Ott

#### Absent:

Stephanie Williams

Called to order at 6:32PM

Discussion about purpose and duties concluded that we should prioritize beautification projects and bring suggestions to the CAC.

We agreed that 16 and 17 are the main thoroughfares where first impressions of our city need improvements.

I nominated Amber and she agreed to be Vice-Chair. Vote was unanimous.  
Erin nominated Stephanie for Secretary and vote was tabled till next meeting.

Rick provided some info about the Village Improvement Association, and it appears that there is no conflict with our goals.

The next meeting will be Nov. 4, 2021, at 6:30 PM at the Corner Pocket, which is very accommodating thanks to Cheryl Starnes.

We all agreed that the 1st Thursday of the month works for us, and we hope to provide recommendations to share with the CAC the following week.

The discussion about projects to prioritize narrowed the list to Weeds and landscaping maintenance  
Trash overflowing at Dollar General near Hilltop Fishing and shrimping debris left behind on the dock that reeks.

A good example of the image we think our city should encourage is the Green Cove Springs Inn at 1225 St Rd 16.

Erin made a motion to adjourn, and Amber seconded.

Adjourned at 7:25PM.

Cindy Ross, Chairman  
(Cindy took notes until a secretary is voted in)
