NEW BUSINESS

17. Johnstown Plaza Apartments & Storage Units- Request for External Use

Sarah Crosthwaite, Economic Development Manager, presented this item to Council, noting the request of Johnstown Plaza Apartments to allow the external use of the existing on-site storage units that were built when the apartments were constructed.

Paul Aiesi from Graycliff Capital, spoke to Council relating to the storage unit, noting a traffic study was conducted and was determined that traffic to the building was a minimal impact. Mr. Aiesi noted they acquired this location last year, noting they were 16% occupied in the storage unit.

Council asked for capacity for the apartments, which Mr. Aiesi noted is at 98%. He did note that 20% is generally where a residential storage unit is for capacity, and confirmed Graycliff was not the developer.

Council noted traffic concerns, safety concerns, image and what precedent being set for other construction being done in Johnstown.

Mr. Aiesi did note that their expectation is a need in the community for storage, the building is not 24-access and managed by professionals with security in mind.

Dialogue occurred about setting aside a certain percentage of the units for residents or residents of surrounding communities.

Council directed staff to bring back letter of agreement.

Councilmember Young moved to direct Staff to develop a letter agreement with Graycliff Capital for the Johnstown Plaza Storage Units for external leasing.

Councilmember Molinar seconded and the motion passed 5-1

NO VOTE: Berg

18. Town Alleyway Aesthetic Improvements

Mr. LeCerf presented this item to Council related to the planned undergrounding of a gas utility line in an alley on the West side of Parish Ave. Mr. LeCerf noted the staff did communicate with Xcel for placing all utility lines underground, allowing the ability to conduct aesthetic improvements. Xcel's project will take place around May of 2024. Funding is included in the 2024 budget for this project.

Council asked if any Town utilities are involved. Mr. LeCerf noted most likely no water, but staff is unsure about sewer/storm at this time. The Town GIS staff is working on locates for this area. Xcel has been asked to meet with property owners to discuss the project and what can be done to make this access as inconvenient as possible.

Council asked for clarification on the timeline, Mr. LeCerf noted Xcel appears to collate in the same trench. Council asked for Xcel to have a plan C and C regarding power and issues that may arise with the construction.

Councilmember Molinar moved to approve the professional services agreement with BHA Design, Inc. at a cost not to exceed \$312,615 and authorize the Town Manager to sign the Professional Services Agreement.

Councilmember Morris seconded and the motion passed.

19. An Agreement Between the Town of Johnstown and MWH Constructors for Early Construction and Equipment Procurement on the Water Treatment Plant Project

Ellen Hilbig, Utilities Director, presented this item to Council, noting early work activities and procurement. Ms. Hilbig noted the goal with this item is to stay on schedule and begin construction this winter, which is critical to the project. Ms. Hilbig did recommended that the contract approval be subject to contract approval by the Town Attorney.

Councilmember Berg moved to award the Construction Contract to MWH Constructors, Inc. for two early work packages in an amount not to exceed \$9,807,537 for Work Authorization 1 and \$22,543,126 for Work Authorization 2 and authorize the Town Manager to approve the use of an Owners Contingency in an amount not to exceed \$1.3 million subject to the contract being reviewed and approved by the Town Attorney

Councilmember Paranto seconded and the motion passed.

20. Resolution 2023-48 Amending the Water and Sewer Utility Rates and Fees of the Consolidate Town Fee Schedule

Mitzi McCoy, Deputy Town Manager, presented this item to Council, noting Town Council last adopted the fee schedule on March 6, 2023. This presentation is a result of the rate study that was conducted.

Ms. McCoy reviewed the various funds of the Town's budget and the enterprise funds, noting tax funds and property taxes do not go into the enterprise funds.

Current status of each of the funds were reviewed. It was noted the Town received a consent order from the State to come into compliance with state requirements related to the sewer fund. The water fund includes one treatment plant with four storage tanks. Ms. McCoy noted the Town has enough water but does not have the capacity to treat the water for current needs.

Ms. McCoy reviewed the recommended increases provided by the third-party consultant.

Council asked for clarification for where Johnstown sits compared to other Towns. Ms. McCoy noted this varies depending on rate fee.

Mayor Mellon opened public comment.

Ms. Dennis noted communication regarding this item, construction permits, and increase of fees.

Councilmember Molinar moved to approve Resolution 2023-48 Amending the Consolidated Town Fee Schedule.

Councilmember Young seconded and the motion passed.

21. Resolution 2023-47 - A Resolution authorizing the Town of Johnstown to enter into a grant award agreement with the Colorado Division of Homeland Security & Emergency Management concerning funding for updates to the Town of Johnstown Stormwater Master Plan.

Jason Elkins, Public Works Director, presented this item, noting the current Johnstown Stormwater Master Plan was adopted in 2001. This item would allow the Town to accept the grant from the Colorado Division of Homeland Security & Emergency Management, which includes a 10% match.

Council asked for clarification on timeline, which Mr. Elkins noted due to federal requirements an expected 6-8 months to start the analysis.

Councilmember Morris moved to Approve Resolution 2023-47 A Resolution authorizing the Town of Johnstown to enter into a grant award agreement with the Colorado Division of Homeland Security & Emergency Management concerning funding for updates to the Town of Johnstown Stormwater Master Plan.

Councilmember Berg seconded and the motion passed.

22. Little Thompson Trail Pedestrian Bridge Deposit

Mr. Elkins presented this item to Council the request for a 50% deposit on the Little Thompson Trail for a pedestrian bridge. Due to lead times of 8-10 months for materials, staff would request a deposit be made to begin the project. As the bridge is being fabricated the goal would be to coordinate projects to complete the project with installation of the bridge.

Councilmember Morris move to approve the deposit and authorize the Town Manager to execute the purchase invoice as appropriate and necessary to procure the pedestrian bridge for the Little Thompson Trail Project.

Councilmember Paranto seconded and the motion passed.

23. Johnstown Veterans Memorial Landscaping Request

Councilmember Berg recused.

Mr. LeCerf presented the request from Johnstown Veteran's Memorial LLC to complete the project, noting the roundabout landscaping is yet to be completed.

Council asked for clarification for type of landscaping. Mr. LeCerf noted it would be Zeric-scaping, low water and low maintenance grasses.

Councilmember Paranto moved to approve the financial support of the Johnstown Veterans Memorial at a cost of not more than \$18,000.

Councilmember Morris seconded and the motion passed - 5-0
