Reports: None

New Business:

A. Beach Dune-Schedule date to id/tag/remove invasive plants and replant as needed.

Board discussed the beach dune invasive plant removal and replanting. Advisor D. McGrew will schedule site visit with Grounds Maintenance Supervisor S. Ropp and the City's maintenance contractor, Marquez Landscape to flag the invasive plants to be removed.

B. Training manual update

G. Powell informed the Board that she is continuing to work with Landscape consultant, Lisa hammer to develop maintenance contract specifications. Which will provide more a detailed and comprehensive scope of work for the City's Landscape maintenance contracts.

C. South Palmway median 500 block invasive plant removal to be replaced with native plants update by G. Powell.

G. Powell gave the Board an update on the South Palmway median invasive plant removal project. G. Powell informed the Board about her meeting with the block captain for the 500 block of South Palmway.

R. Stowe also reported that he also met with the block captain.

D. Grant update: No update

E. Tree Board community outreach- Let's Go Plant Some Trees Brochure and Tree Pruning Guide from Palm Beach County.

The Board reviewed the tree brochure and noted required edits. Advisor will meet with management about reprinting this brochure.

The Board also reviewed and discussed the Palm Beach County Tree pruning brochure. Advisor told the board that this information would be added to the landscape webpage.

Adjourned: 7:30 PM
