A. [Advisory Board interviews](#)

**ADJOURNMENT:**

The City Commission has adopted Rules of Decorum for Citizen Participation (See Resolution No. 13-2023). The Rules of Decorum are posted within the City Hall Chambers, City Hall Conference Room, posted online at: <https://lakeworthbeachfl.gov/government/virtual-meetings/>, and available through the City Clerk's office. Compliance with the Rules of Decorum is expected and appreciated.

If a person decides to appeal any decision made by the board, agency or commission with respect to any matter considered at such meeting or hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. (F.S. 286.0105)

# EXECUTIVE BRIEF SPECIAL MEETING

**AGENDA DATE:** July 29, 2023

**DEPARTMENT:** City Commission

**TITLE:**

Advisory Board interviews

**SUMMARY:**

Interviews to fill vacancies on the City's advisory boards

**BACKGROUND AND JUSTIFICATION:**

There are currently 11 advisory boards that have vacancies to be filled, as well as appointing a citizen member to the Transportation Planning Agency. Ordinance 2022-02, passed on March 1, 2022, revised the advisory board appointment process so that all appointments would be made by the City Commission as a whole, for unspecified terms (except for the CRA which is governed by State Statute).

Applications for this round of interviews will be accepted until July 26 at midnight. The packet will be updated when new applications are received.

Appointments to HRPB and possibly PZB will follow the interviews.

**MOTION:**

There will be motions to appoint members to HRPB and possibly PZB..

LIST ALL PROPERTIES OWNED AND/OR BUSINESS INTERESTS IN LAKE WORTH BEACH	208 S. Lakeside Drive, Unit 102 208 S. Lakeside Drive, Unit 103 208 S. Lakeside Drive, Unit 201 208 S. Lakeside Drive, Unit 301 301 S. Palmway
WHAT IS YOUR OCCUPATION?	Realtor
EMPLOYER?	Illustrated Properties
ARE YOU CURRENTLY SERVING ON ANY CITY ADVISORY BOARD?	No
HAVE YOU EVER SERVED ON A CITY OF LAKE WORTH BEACH ADVISORY BOARD?	No
RELEVANT EXPERIENCE	I have lived in Lake Worth Beach for 40 years and done business here for the same amount of time. My husband and I renovated a "crackhouse" on North Lakeside Drive in 1995 and turned it into Lake Worth Beach's first bed and breakfast, The Mango Inn. We operated it for 10 years, from 1995-2005, and were successful in bringing tourism to the city by establishing this new type of vacation housing. The inn was featured in Country Living and Southern Living Magazines and Lake Worth Beach received recognition because of that. During that time, I was the Vice President of the State of Florida Bed & Breakfast Association and was assigned with the task of developing their long-range marketing plan. When we sold the inn I got my real estate license. The Allen Team has sold real estate/homes in the city for nearly 40 years and are proud to be the leaders in the sale of homes in Lake Worth Beach, selling annually more than any other realtor doing business in the city. We work very hard to maintain that edge.
INTEREST/ACTIVITIES	Cooking, gardening, traveling and volunteering.

**COMMUNITY INVOLVEMENT**

Established Lake Worth Beach's first B&B, The Mango Inn, and operated it for 10 years. My husband and I founded the Street Painting Festival in 1993 after seeing a similar event in California while on vacation, and I co-chaired it for the first 5 years of the event. We underwrote the fabrication and installation of a Buddy Bench for each (4) of the city's elementary school playgrounds and were recognized by the Palm Beach County Mental Health Association for our involvement in the Buddy Bench initiative. We also underwrote the Free Little Art Galleries you see around the city, which are "community art galleries" that anyone can contribute to or take from. There are 6 in the city right now, with another 6 planned. Our most recent community outreach project we are underwriting is in partnership with the CRA. The Community Adirondack Chair Project will transform Adirondack chairs into works of art in the downtown area and will be displayed throughout the city as a city-wide art project. I have served on the Board of Directors of the Lake Worth Town & Country Garden Club. I am actively involved with Prosper Lake Worth Beach, a grassroots community-based group of residents and business owners working together for the betterment of the community as a whole.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

I think I bring skills to the table that can benefit the business community.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

I would like to continue to be involved with the community and I'd like to see the downtown businesses thrive.

**CONSENT**

✓ I agree to the privacy policy.

I understand the responsibilities associated with being a board/committee member, and I have adequate time to serve if appointed.

I have read the attached Ordinance No. 2010-29 and Article XIII (Palm Beach County) Code of Ethics and understand the policy on the City of Lake Worth Beach Code of Ethics. Within 30 days after appointment, I

understand that I am required to participate in Ethics Training and submit an Acknowledgement of Receipt form to the City Clerk's Office in order to continue to serve on my appointed board.

<b>RELEVANT EXPERIENCE</b>	<p>I was most recently a regional administrator for a large children's social welfare non profit organization – traveling throughout FL. Have worked with boards. Have managed several hundred people with multiple million dollar budget. Have diplomacy and leadership skills.</p> <p>I've built 2 homes, one of which I designed in a Frank Lloyd Wright style. Have remodeled several, including my childhood mid century home. I'm a FL certified Master Gardener.</p>
<b>INTEREST/ACTIVITIES</b>	<p>I am passionate about design and architecture, especially preserving what is already here. And landscaping. I'm an avid gardener. I'm addicted to HGTV and subscribe to every design and architecture magazine.</p> <p>Also an avid musical theater buff – with season subscriptions to 3 theaters, our favorite being the Lake Worth Beach theater.</p> <p>I'm a cat person and in our previous home I rescued and fostered many kittens from the neighborhood feral colonies so that they were adoptable.</p>
<b>COMMUNITY INVOLVEMENT</b>	<p>We just moved to Lake Worth Beach almost a year ago. Have spent this year getting settled but am looking for an area to volunteer in – and this board would be of interest to me.</p> <p>I'm interested in interfaith communication and have recently begun attending the lake worth beach interfaith group events. Interested in anything that helps bridge polarizations to focus on our similarities rather than differences.</p>

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

My previously stated interest in design/architecture/landscaping and preservation. We chose LWB as our new home because I liked the historical preservation aspect of the community as well as its quirkiness. We lived in a new master planned community – which was not for us, then a rural river front property which was not a “neighborhood”, and think that LWB with its history and size is a good fit. Originally bought a property several blocks north of college park in south WPB but have it for sale now that we found our house in LWB. Rather than be scraping off houses and building McMansions as they are doing just north of us – I would be very interested in helping to preserve the unique character of our neighborhoods in LWB.

**RELEVANT EXPERIENCE**

Public Administration

Thirty two years of serving government organizations to implement initiatives, regulations, projects, etc. through public procedures in every government forum including administrative, judicial, and legislative. Substantial experience solving many complex problems with varying stakeholder perspectives using a transparent public process. A few examples include leading teams to pass federal laws for the protection of underground injection, pass state laws for the regulation of nitrogen and phosphorus pollution, execute complex Everglades restoration projects and operations. Currently oversee the South Florida Water Management District executing water management for 16 counties with 1,450 employees and a \$1 Billion budget.

1991-2007: Environmental Protection Agency: Administered regulations under the Clean Water Act and Safe Drinking Water Act through the eight southeastern states and their communities.

2007-2019: Florida Department of Environmental Protection: Administered statewide Ecosystem Restoration Program working with all local governments and special districts to improve water quality for Rivers, Springs, Lakes, and Estuaries through public procedures.

2019-Present: South Florida Water Management District: Serve as Executive Director reporting to a nine member board representing areas throughout the southern 16 Counties. Responsible for implementing rules, requirements, and infrastructure projects through public procedures to achieve water supply, ecosystem restoration, and flood protection goals in South Florida.

After moving to Lake Worth Beach and purchasing our current residence at 211 North L Street, I volunteered for the Community Redevelopment Agency. In that role, I championed the public process to revisit efforts on the L&M Development proposal.

**INTEREST/ACTIVITIES**

My passion for environmental protection started in the 1980s and I have dedicated my career to improving our environment. My current main hobby is caring for our butterfly garden, vegetable garden, and landscape at 209 North L Street, which also includes the start of an Orchid collection. Prior interests surround the raising of my two children which included Scouts, Sports, the Drama Program, etc. I run throughout Lake Worth Beach every morning with my dog, Ronna. Because of the location of my residence, I spend a lot of time visiting local businesses, the beach, the golf club, the Playhouse/theatre, and St. Andrews Church.

**COMMUNITY INVOLVEMENT**

I spent three years serving on the CRA and have stayed engaged through the development of the L&M redevelopment process. My wife (Lissie) and I are active participants with St. Andrews Episcopal Church through volunteer programs like Vestry, Ushering, and Events. Lissie and I also sponsor the Street Painting Festival. I am responsible for neighborhood cleanup for a two block area north of Lucerne.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

I live within the CRA jurisdiction and spend much of my time walking and running throughout Lake Worth Beach. I witness first hand the blight that underpins the purpose of the Agency. I view the CRA as a budgeted agency that can make a difference for the people of Lake Worth Beach. I want to bring my experience with proper & transparent public engagement to the CRA since their mission can easily become controversial. I truly love the character of Lake Worth Beach and believe that can be maintained while also attracting new business ideas and people to the community. Vacant and blighted properties still remain that are not adding any cultural or economic value and have the opportunity to enhance our daily living experiences.

<b>COMMUNITY INVOLVEMENT</b>	To date my community engagement has centered around the yachting industry. I have served as a mentor and coach to many younger crew, have been involved in the editorial process for several books and textbooks, and have led seminars and classes.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	I am currently in the process of shifting to a shore-based life, and I look forward to the kind of civic engagement that my career up till now has denied me.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)</b>	This is a subject area in which I am reasonably well informed and I believe this would be a good opportunity for me to be of service to the community.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)</b>	As a surfski paddler, I spend multiple hours a week in South Florida's waterways. I have a personal vested interest in making sure they are well maintained.

<b>COMMUNITY INVOLVEMENT</b>	History of volunteerism with Lake Worth High school in efforts to reopen after COVID and move the flea market under the bridge. Awarded Volunteer of Excellence award by the Salvation Army for the Annual Angel Tree. Attended lake worth middle as an immigrant in a single family home and have firsthand experience of the opportunities that migrant youth face in Lake Worth. Fluent in English and Spanish written and spoken.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	I desire to serve on this board to represent the parents who speak only Spanish and be available to translate for them. In order for them to feel welcome, valued and create an inclusive environment where we can come to creative solutions to thrive.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

I was a teen in Lake Worth Middle who spoke English as a second language and relate vastly to the student experience many are now facing at lake worth middle and high schools. I've found attending past meetings, that this circumstance is difficult to understand the challenges and opportunities unless it is a lived experience. Therefore representation is critical. I attended this school over 10 years ago and it continues to have the same opportunities as before. As such progress is necessary.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)**

I served on the board in the past and built relationships with Lake Worth Middle and the parents. The Sac meetings have grown and I want to continue to push this agenda forward of getting more parents into sac meetings and a deeper understanding of what the kids truly need to thrive and brainstorming to create those opportunities for them. Often times I was the only Spanish speaker at the sac meetings. I Communicated the needs of students to parents which are making extreme efforts to be at sac meetings despite conflicting work schedules. It takes a village to come together and create tangible longstanding results.

<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	The Planning and Zoning Board is a great view into the ways the City of Lake Worth Beach is developing. The Board is crucial to the future development of the City of Lake Worth Beach in all of its districts. Having been a Lake Worth Beach resident for 20 years, I feel that it is important to share and collaborate with the new and existing urban landscape projects to insure the success of the City for years to come.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

The CRA Board is a great way to help Lake Worth Beach's community create a balanced and prosperous community. The CRA is posed to be an ongoing sponsor of great community events and a proponent of new development that will not only foster those events but will also foster the urban lifestyle that Lake Worth Beach needs for its future. My background as an Architect and professor could help enhance the development of community events and new development projects.

HAVE YOU EVER SERVED ON A CITY OF LAKE WORTH BEACH ADVISORY BOARD?	No
RELEVANT EXPERIENCE	Interior design
INTEREST/ACTIVITIES	Surfing, beach clean ups, design, gardening, harvesting, raising my daughter.
COMMUNITY INVOLVEMENT	I am a member of sunlight community church in lake worth where I serve our community each chance I get. My husband has been a fire fighter in lake worth for the past 6 years. His father is a captain at station 91. I am the girl constantly cleaning up lake worth beach weekly. I created a Instagram page called @lakeworthbeach_ to promote local businesses and share the beauty of lake worth beach to influence more tourism which I believe will help our local businesses and so forth.
WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)	I grew up here in lake worth, my parents grew up here in the 70s where my dad spent his days surfing as a "pier rat" back when it was a small surfing town. I am now raising my daughter here and want her to have a safe place to live with a loving community. I don't have the funds to invest into our city but I can volunteer my two hands.
WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)	I would love to help clean up the city and help its beauty pop by helping with landscaping. I believe small details like beautiful flowers and trendy plants can help make a city look refreshing and taken care of.
WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)	My biggest hope is to give back to the community where my family has called home for so many years. My mom has worked downtown lake ave for the last 15 years at remax as a realtor. She loves her coworkers who all live here in lake worth as well. Her boss is on the historic board, Bob D'arinzo. My mom (Julie Sheffy) they hosted a few talent shows at the playhouse. My sister and her kids live on M street. If you couldn't tell already, I am very passionate about our city and have many memories here. I would love nothing more but to be a part of this board.

ARE YOU CURRENTLY SERVING ON ANY CITY ADVISORY BOARD?	No
HAVE YOU EVER SERVED ON A CITY OF LAKE WORTH BEACH ADVISORY BOARD?	No
RELEVANT EXPERIENCE	<p>I am applying for the Historic Resources Preservation Board as a Citizen at Large. While I do not have any direct professional experience, I have always been interested in the history of architecture and preservation of the cities and towns I have lived in. While growing up in Manhattan, New York City, there were innumerable historical sites that I visited and studied in my youth. For twenty six years in Vermont, I gained a deep appreciation for the time honored traditions of preserving the environment and curtailing overdevelopment. And while living in Portland, Maine, I spent countless hours admiring and studying the centuries old architecture, as well as seeing how the city valued and preserved the character of the historic Old Port waterfront.</p> <p>I've lived in Lake Worth Beach on and off for almost five years, currently at my present residence for almost three years. I love Lake Worth Beach and plan on making it my home for many years to come. I've been involved with my Mango Groves Neighborhood Association and love the unique flavor and character of all of the neighborhood associations. I've learned about the history of the Lake Worth cottages and I've seen how the city has dealt with the challenges of balancing growth and the need for structural improvements while preserving what makes Lake Worth Beach historic and unique. If selected for the HRPB, I would be honored to be a guardian of our rich history, culture, and identity.</p>

<b>INTEREST/ACTIVITIES</b>	Outdoor activities including bird watching, photography, golf, beach, fitness/gym, especially swimming. I have an active interest in current events and politics.
<b>COMMUNITY INVOLVEMENT</b>	I have been involved in Mango Groves Neighborhood Association events and was asked by the President to serve on the board officers' nominating committee for our last elections. I am the President of a non profit organization in Vermont that provides horse and farm experiences for at-risk youth. I have attended Lake Worth Beach city commission meetings, community charrettes, and advisory board meetings on subjects that I have an interest in.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	I love Lake Worth Beach and want to give something back to the city that has provided so much purpose and meaning to me. I have lived in Delray Beach and Boca Raton and there has not been a fraction of the community pride and commitment to historic preservation in those cities as compared with LWB. As mentioned above, I have always been interested in architecture and the history of the places I have lived in. I recently semi-retired and am working part time, so I have the time to devote to the work of the HRPB. I have a lot to learn, but I'm excited at the prospect of serving and contributing.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)</b>	I previously applied for the Library Board; please refer to my application submitted separately.
<b>CONSENT</b>	<p>✓ I agree to the privacy policy.</p> <p>I understand the responsibilities associated with being a board/committee member, and I have adequate time to serve if appointed.</p> <p>I have read the attached Ordinance No. 2010-29 and Article XIII (Palm Beach County) Code of Ethics and understand the policy on the City of Lake Worth Beach Code of Ethics. Within 30 days after appointment, I understand that I am required to participate in Ethics Training and submit an Acknowledgement of Receipt form to the City Clerk's Office in order to continue to serve on my appointed board.</p> <p>*THIS APPLICATION IS VALID FOR ONE (1) YEAR FROM THE DATE SIGNED.  *THIS APPLICATION IS NOT VALID WITHOUT APPLICANT'S PROOF OF RESIDENCY.</p>

Before that, I was a part time resident in Lake Worth Beach for over a year when I was house sitting for my friend when she was working overseas. So I have enjoyed living in LWB for about five years. I have had a PO Box in Boynton Beach since I moved to Florida almost nine years ago, but I do receive mail at my residence.

<b>HAVE YOU EVER SERVED ON A CITY OF LAKE WORTH BEACH ADVISORY BOARD?</b>	No
<b>RELEVANT EXPERIENCE</b>	I have been an avid library user since I was a child in New York City. I would spend hours there exploring and learning. I belong to the Lake Worth Beach library, the Delray, Boynton Beach, and West Palm Beach libraries. You can see that I love libraries ! I serve on a non-profit board for at risk youth in Vermont where I lived for many years, and currently am the President of the board; I've also served as Secretary. In addition, I had a twenty year career in social work and understand how to work collaboratively to achieve common goals.
<b>INTEREST/ACTIVITIES</b>	Reading, primarily news/current events but I'm currently enjoying Colleen Hoover; being outdoors including bird watching and photography; volunteering at John Prince Golf Learning Center; gym including lap swimming; beach (I have the resident permit but I don't get there enough !)

**COMMUNITY INVOLVEMENT**

I have participated in Mango Groves Neighborhood Association events and was appointed by the President, Rich Raphael, to serve on a nominating committee for our last election of officers. I am a member of the LWB German Witch Dance group that performed along with Mayor Resch at last year's Halloween event at Bryant Park. I have attended City Commission meetings on topics/issues that are important to me.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

I want to serve as a champion of our library and a guardian of freedom for choice for our young people as we see books being banned across the state and nation. Reading should be a pathway to make us think differently about things, be a source of comfort, provide education, inspiration, and sometimes even make us uncomfortable. I believe the library is a vitally important resource for our community, providing internet access and books on any subject imaginable. Our library has a great meeting space and I think we can utilize it in creative ways to draw community members in who haven't traditionally used libraries a lot.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

The Library Board is currently my only preference.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)**

See above.

<b>RELEVANT EXPERIENCE</b>	I am third generation Floridian born in Historic DeFuniak Springs, FL with a lifelong interest in Florida History and historic preservation. My focus in law school was on property and land use and my senior seminar and paper was on historic resources preservation law. The COVID pandemic allowed me to reevaluate my law practice after seeing so many friends, family, and neighbors caught in difficult situations without access to an attorney. Therefore, I now focus on what I call "kitchen table" issues that invariably affect everyone at some point in life, and it is rewarding to learn that for most of my clients, I am the first attorney they have sought for advice. My webpage at <a href="http://www.judiciouslaw.com">www.judiciouslaw.com</a> provides more information about what I do.
<b>INTEREST/ACTIVITIES</b>	<ul style="list-style-type: none"> <li>*Novel legal issues</li> <li>*Assisting victims of domestic abuse through legal representation</li> <li>*Avid gardener</li> <li>*Furniture designer</li> <li>*Currently creating a design collective called "Reclamation", where the goal is to create unique designs from things reclaimed. <b>COMMUNITY INVOLVEMENT</b>	<ul style="list-style-type: none"> <li>*Former Pres. and 18-year member of the Palm Beach County Human Rights Council</li> <li>*Leadership Palm Beach County</li> <li>*Longtime volunteer for Compass GLCC</li> <li>*Resident of Lake Worth Beach since 1999</li> </ul>

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

I first want to apologize to the mayor and commissioner for having to re-apply for my vacancy for noncompliance with the attendance policy. The missed meetings happened some months ago, and I've made a concerted effort to fulfill my obligations lately, which is why I am reapplying. The staff and board are making progress on key areas that need improving for the city. For example, we have recently had a robust conversation about the costs associated with replacing metal shingles and windows on historic homes along with maintaining the city's standing with the state by honoring our historic preservation policies. How do we make those decisions? Applicants object to costs; however, the board must have some evidence indicating the applicant does, in fact, have economic hardship. Without a uniform process for ascertaining hardship, the board is not in a position to make that decision. The staff has begun working with a few applicants on this process, and I would like to stay on the board to see this through. Also, and I am a stickler about this and always have been on the boards upon which I served, consistency in decision-making is absolutely imperative. As a quasi-judicial body, we have to duty to maintain consistency and detail with specificity why any variation from the code or any standard is made. I keep this at the forefront of every meeting. Finally, I really enjoy the staff and serving on this board.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

I have helped every business and nonprofit with whom I've been affiliated expand and grow to become healthy and vibrant job creators. My volunteerism with Compass GLCC since 1997 when I moved to West Palm Beach to accept a staff attorney position with Florida's 15th Judicial Circuit Court provides some insight. Compass was about to close due to funding issues, but I leveraged my special event experience at the University of Florida to move its Pridefest from West Palm Beach to Lake Worth's Bryant Park where it generated significant positive revenue for the first time. It kept the doors open. As one of the attorneys advising the agency at the time, Compass sold its building, leveraged the profits, and built a new center on South Dixie Hwy in West Palm Beach. When they outgrew that space, I consulted them on a capital campaign and led the effort to create a public-private partnership with the City of Lake Worth Beach to occupy and rehabilitate what was the senior center to create what is now their current community center. It was very hard work, especially during the 2008 economic downturn, but by harnessing the will of Compass' constituents, the elected officials, and city staff, it became and still is a very successful partnership and is an excellent example of what is possible on our thoroughfares. Lake Worth Beach has very real momentum, and our corridors present so many possibilities for smart growth, which we need to diversify our tax base. I know my creativity would be an asset to the board.

<b>INTEREST/ACTIVITIES</b>	Development. Design. Placemaking. History and historical research.
<b>COMMUNITY INVOLVEMENT</b>	As someone who just got involved in Lake worth Beach I have attended numerous community events and openings. I would love to assist with more.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	I would like to do some placemaking work for the city -- helping them to brand and sell the city to new businesses as well as to help existing businesses thrive. As seen recently, even new businesses need city support and community support to make it and this can be done through great implementation of a downtown strategy for example. I have worked with several well-known consultants and learned a lot of ideas that are not expensive but will help propel the city to recruit and maintain successful businesses. Frankly, I just want to help and support the city where I can.

<b>HAVE YOU EVER SERVED ON A CITY OF LAKE WORTH BEACH ADVISORY BOARD?</b>	No
<b>RELEVANT EXPERIENCE</b>	I only have a little experience being on a board. I was on a land trust board. I have a lot of grassroots organizing experience and community involvement. I would love to tell you more about it if that is considered relevant =)
<b>INTEREST/ACTIVITIES</b>	Lake Worth Beach isn't just where i live, it's a passion of mine. Preserving old homes (like mine) and creating sustainable native landscapes are a passion of mine, among other things. I also enjoy figuring our innovative ways to support our neighborhoods such as growing and sharing food.
<b>COMMUNITY INVOLVEMENT</b>	I have been actively involved in the Lake Worth Beach Community for over twenty years. I have been a part of community gardens, land trusts, and backyard theater to name a few.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	I am going to be direct and honest and hope that you find that to be an asset to the board. The reason I am applying is because I live in a 1931 cottage that has the most amazing, Dade County Pine wood, that is extinct, and I am forever trying to salvage wood to keep mine from rotting. When I heard you tore down all of those cottages downtown - I nearly cried. Myself and many other people could have used that wood to preserve our homes. I would love to see the CRA support our existing community and find creative ways to help us stay in our homes longer and keep the charm of our adorable city. Its 2023 and being wasteful is not a good look. It would be amazing to have a network created when you tear down your homes to make sure people who need these things you throw away have access.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

The second reason that I am interested in being on the advisory board to the CRA is I have seen many stages of the CRA and its gifts to our community, some good and some really tone deaf and not good. Its important when we invite people in to our towns for commerce, tourism, or to live in an artist loft, that they become part of the existing neighborhood and not change it. We live in the most diverse place I can think of, yet that is rarely represented at the meetings. I think I can help with that, I have had luck in the past with new ideas to get different people in the conversation. I want to see us, once again, lift up the people who are already here, and often the CRA is concerned with the future people who move here. Our Latin community needs to be embraced and not pushed out and the previous CRA boards clearly wanted to push them out. I look forward to guiding us in a better direction if I have the chance.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)**

The Tree Board is the other Board I though I could be of value. As a blue collar, home repair person we see time and time again our native beauty ripped out and water wasting sod, and generic plants be put in that do nothing to create shade for us and create a bio diverse habitats for our other community members...the animals. Its painful to watch developers come in, or hedge funds and rip out what makes us unique. I would love to help keep Lake Worth green.

<b>RELEVANT EXPERIENCE</b>	<p>I rode "Lolly the Trolley" and remember the financial considerations that led to its retirement. So I have a sense of the history of what was, and what people who discover our city are charmed by now. But the future depends on partnerships, whether that is with the region (TPA CAC), or within the city (Business Advisory Board). I've been active for over 15 years when our vociferous community comes together in charettes, NA meetings, and city meetings. As a stop on the thin metro area that Lake Worth Beach is, getting a seat at the table for community voices will make an important difference.</p> <p>I've followed local government long enough to say I have a beginning grasp of the budget cycle.</p> <p>My work at the south end of our city gives me an ear for voices that are sometimes not present in government planning and for business interests.</p>

<b>INTEREST/ACTIVITIES</b>	Gardening with an emphasis on native Florida plants, Politics as an applied art, Reading, TNVR for Cats, Writing, and Baking (thank you Covid).
<b>COMMUNITY INVOLVEMENT</b>	<p>Board member, For the Children, since 2020</p> <p>Friends of the Lake Worth Library, President since 2015</p> <p>Whispering Palms Neighborhood Association (WPNA), Co-founder(2016) and current Vice President/Treasurer</p> <p>Neighborhood Association President's Council, Representative for WPNA and Recording Secretary</p> <p>Lake Worth Sailing Club (founding member 2017)</p> <p>Lake Worth Democratic Club, President,</p> <p>Democratic Executive Committee, Precinct 7162 captain, 10+ years</p> <p>Temple Judea, my family and I are founding and continuous members since 1980</p>
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	I stand as a candidate for the TPA CAB, because I see Lake Worth Beach as about to begin a period of transition, of a sort it has not seen before. While the prelude to this was the Lucerne, so many years ago, and now projects like the Mid, the Bohemian, the One and Lake Cove, point to the future. Lake Worth still has some of the character of the smallish place I grew up in. That demands a voice, to the challenges of our growing county. Just as I saw my family business change from a place of winter refuge for Michigan farmers and Quebecois, into a mix of minority working class people and full time RV dwellers, I know the city's future will not look like the past. And being a part of the county conversations on growth is critical, and something that our city gotten a lot better at.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)</b>	As a part of a family running the second oldest business in LWB, Holt's Lazyland, we've had ups and downs. I want to offer our residents a community that is a destination, with every amenity. That means a networked business community that has a strong voice with the commission.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)</b>	I remember the 2005, and even the 1980 tree canopy in LWB and restoring the landscape to create that kind of city will be my focus.
<b>CONSENT</b>	<p>✓ I agree to the privacy policy.</p> <p>I understand the responsibilities associated with being a board/committee member, and I have adequate time to serve if appointed.</p> <p>I have read the attached Ordinance No. 2010-29 and Article XIII (Palm Beach County) Code of Ethics and understand the policy on the City of Lake Worth Beach Code of Ethics. <b>COMMUNITY INVOLVEMENT</b>	I have been involved with the Historical Society of Lake Worth Beach, and have discussed important issues with previous commissioners and mayors since I became a resident of then Lake Worth now Lake Worth Beach in 2016. I have lectured on the importance of indigenous species at local small businesses and volunteered with non-profits that are directly aligned with the environmental movement towards habitat restoration that is accessible to all. I have served on several committees in the county such as The Ann Norton Sculpture Garden and have volunteered time with organizations such as Audubon Everglades and the Institute For Regional Conservation. Our design studio is located in a 1945 registered historic cottage that has been featured on numerous garden tours and published in articles and publications since 2017. Our private gardens and numerous native landscapes are visible from the streets and alleyways within city limits which hopefully have and will educated residences and homeowners on alternative ways of landscape design which are well suited for our coastal community.
<b>WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)</b>	To bring new ideas, philosophy and real world experience to the table.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

RELEVANT EXPERIENCE	My background is in experiential/outdoor education. I have been a facilitator in some capacity since 2004. I worked as a Lead Facilitator in a microschoo in Boca Raton for a year while also being an adjunct professor at Lynn University in the business department. I am currently the Education Director for Lake Worth Waterkeeper and working on my Ph.D. in Sustainable Education.
INTEREST/ACTIVITIES	I am passionate about education and wanting to help make change within our educational school systems. I have enjoyed creating and facilitating activities outdoors to help people of all ages develop a relationship with where they live. I do this through hiking and kayaking through our local parks.
COMMUNITY INVOLVEMENT	Working for a nonprofit allows me to regularly be involved in the community. We host clean-ups often and I am the managing partner for the FWC Horseshoe Crab Watch Program where I lead volunteers out into the lagoon to survey and tag our horseshoe crab population. I have created events for people to explore our area and hosted lecture series to help inform our community of local environmental issues. Additionally, I have recently worked with the school district to do an Earth Day event with the Lake Worth Beach elementary schools. I am currently working on a proposal to start after-school science clubs in the elementary schools.
WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)	I desire to be on the education task force because I have a passion for education and a decent understanding of what is happening within our educational systems and how it affects our children. A lot is happening with state policies that directly affect our communities and I would like to provide support to our schools.

We predominately provided civil engineering and land development service to Government Municipalities in South Florida, including Palm Beach County Water Utilities Dept, City of West Palm Beach, City of Lake Worth Beach, City of Delray Beach, Town of Lantana, Town of Highland Beach, Loxahatchee River District, City of Pompano Beach and Florida Keys Aqueduct Authority. I have 29 years of extensive government municipality engineering expertise. This included over 100 public speaking engagements (presentations) to win government contracts. Me and my partners sold Mathews Consulting to a National Engineering Firm from Illinois in 2018. I worked at this firm full time and part time (still under the name of Mathews Consulting) until I retired from engineering in 2020 to concentrate full time at Mathews Brewing Company.

I have a very good understanding of opening and running a successful business (Mathews Brewing Company) located in the City's Artisanal District. We manufacturer and supply craft beer to South Florida restaurants and bars and we sell our craft beer out of our onsite taproom. We are considered a manufacturing facility (industrial) and we are licensed by the State and Federal Government Alcohol & Tobacco Board.

Mathews Brewing Company Scratch Kitchen will be a full service restaurant and is considered more of a hospitality type business.

These two businesses in Lake Worth Beach have provided me with first hand knowledge of starting and marketing a business in the City to be successful, including all of the permitting obstacles and grant opportunities, such as: City building permits, Palm Beach County permits, coordination with Florida Public Gas Company and obtaining rebates for businesses that use gas appliances, Brewery manufacturing license, 2COP license from Florida Department of Business & Professional Regulation, City Mural Permit, City sign permit and Division of Hotels and Restaurant Food Service License. I also have experience filling out and obtaining CRA grants.

I am the sole owner of both Mathews Brewing Company and Mathews Brewing Company Scratch Kitchen.

**INTEREST/ACTIVITIES**

Brewing the best Beer locally in Lake Worth Beach/Competing in Professional Beer Competitions

Reading and Learning about beer and food

Playing Chess

My 2 dogs

Listening and watching music

Watching Movies

Calculus (just kidding)

**COMMUNITY INVOLVEMENT**

Mathews Brewing Company has supported many events and local businesses, such as:  
Great Taste of Lake Worth Beach  
City of Lake Worth Beach Raft Race  
Compass Stonewall Ball  
Numerous CRA events at the HATCH  
City of Lake Worth Street Painting Festival  
We also help raise money for dogs and animals. We helped raise over \$25,000 for Peggy Adams Animal Rescue thru the Bark Back Benefit

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

Business Advisory Board. I think i have a good understanding of how to open and operate a successful business outside of the downtown area where you don't have much foot traffic and you have to market your business to bring people to an area that they might not visit. I would like to help promote more business on the west side of Dixie Highway along with the Downtown area and support existing business to reach their potential. I have a combination of industrial/hospitality experience along with 29 years of Municipal Government experience working with different City and County Agencies, including Commissioners, Mayors, Administrators, Attorneys and Managers. I would like the challenge of making this new Board very successful in identifying new business opportunities for the City and helping start-up businesses reach there potential. This would include bringing ideas from potential businesses to the City Commission for discussion.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

Planning & Zoning. My engineering background would be a benefit to the City in review and approval of residential and commercial development projects. My desire to serve on this Board would be to help shape the current and future of development in the City to help keep the charm of a Village type community with also bringing in the right projects that fit into the characteristics of the City of Lake Worth Beach for housing and commerical type businesses.

**WORK EXPERIENCE**

After earning my Bachelor's degree in English Literature, I started my professional career in marketing writing and editing. For over 16 years, I've worked with large corporations and small businesses to create compelling, compliant messaging that tells their brand story and drives sales. This included extensive research, compliance with local and global laws, budgets and more. Please see my resume for specifics.

Additionally, my first job was at the Wellington Library where I worked as a page while going to school. I also previously held an advisor position for an organization at Florida Atlantic University.

**INTEREST/ACTIVITIES**

Reading, research, exploring our beautiful area, spending time with my daughter and husband, helping improve the city of Lake Worth Beach, theater, health/fitness, movies.

**COMMUNITY INVOLVEMENT**

When I first moved to this city, my involvement was mainly attending events. As time went on, my love for this city grew, leading me to participate more via commissioner meetings, visiting our city library, decorating for the city's Halloween contests and engaging in discussions with our Mayor and commissioners to help improve our city and engage our residents.

I'm also looking to participate in North Grade Elementary's PTO when my daughter starts there in 2024.

**6. A - WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

I would like to take my involvement in the city further by joining the the Library Advisory Board. I would love to be part of what makes this beautiful jewel in our city shine.

**INTEREST/ACTIVITIES**

My time is mainly spent on my current work activities; additionally, I am revising my book related to horses for publication. I have a passion for animals; I care for, with the help of my amazing neighbors, my dog Tucker here in Lake Worth Beach, and my horse Gigi in Wellington. Amidst all that, I spend time with friends and family and enjoy the culinary delights of Lake Worth Beach.

**COMMUNITY INVOLVEMENT**

My community involvement has been being a good neighbor as best I know how and participating in Parrot Cove and Lake Worth Beach events whenever possible. Although I have not previously been involved in an official role in our community, I hope that this opportunity to serve on the CRA is how I might start.

Although I have social media accounts, I have not posted or commented in recent years (other than the annual thank you for birthday wishes), and I do not plan to do so in the future.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

Desire to Give Back:

Lake Worth Beach is a slice of heaven. With its beautiful beaches, diverse neighborhoods & architecture, passionate local businesses, inspired community events & traditions, pervasive artistic essence, and laid-back atmosphere, it won my heart a decade ago, and it's been home ever since (which might not seem like a long time to some, but it's the longest I've ever lived anywhere!). But what truly sets Lake Worth Beach apart are the people—fantastic neighbors, hardworking local business owners & staff, committed public servants, and indeed every resident, each of whom contributes to the spirit of our community with their unique talents and perspectives. Now that I have shifted away from an all-consuming career, I can give back to our wonderful community.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

Lake Worth Beach...It's the Next Big Thing:

Lake Worth Beach is on a path of thoughtful and sustainable development. Having found a city I love and belong to, I want to contribute to our community's continued progress. I fully support the CRA's focus on improving the "economic vitality of the district and the quality of life of the citizens of the City of Lake Worth Beach". I am a firm believer in assisting small businesses, revitalizing neglected areas, stimulating employment opportunities, increasing affordable housing, engaging & supporting residents, leveraging CRA grants for City enhancement, attracting private participation & investment, seeking external grants to accelerate goals, and all the other positive initiatives within the CRA's scope. And yet, I also understand the complexity lies in prioritizing all of those possibilities in a balanced and value-driven way to administer the City of Lake Worth's Redevelopment Plan.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (THIRD PREFERENCE)**

Leverage My Expertise:

Throughout my consulting career, I helped global corporations bring about positive change and shape their futures. I specialized in using technology to drive innovation, solving complex problems, and working collaboratively with diverse teams to achieve remarkable outcomes. In recent years, I have gained experience in writing successful grant applications and effectively administering those grants. The values of integrity and transparency were at the core of all my work. As a recent law graduate and now a Florida lawyer, I expanded my skill set beyond the realms of business and technology to include legal expertise and a deeper understanding of the ethics related to public service. I believe that my professional experiences and skills can bring substantial value to the CRA board. I am grateful to the City Commission for considering my candidacy amidst what I am sure are numerous great candidates.

## RELEVANT EXPERIENCE

While attending Community College in California, I took General Business, Accounting, Business Law, Statistics, Calculus, Art & Music classes, Linguistics, Political Science, while I worked at restaurants, a bicycle shop and recycling centers. When I transferred to a four year college, I studied Environmental Science. After college, I worked at a bakery, a leading California retail department store and bank before I sought out employment as an independent manufacturer's representative in the bicycle industry. Listening to owners, managers and buyers at bicycle shops, not only was I able to set record sales quarter after quarter, but I also helped the manufacturers introduce new products to meet emerging demand. Eventually, I was able to buy a studio apartment and served on the apartment building's board of directors. Later, a two bedroom apartment, where I served as treasurer on the condominium board. There, I led the board to invest in much needed re-roofing of the 61-building complex. Once I was employed after college, I started volunteer work. I became Co-Chair of Energy Cycles, a bicycle & solar energy advocacy group. As Co-Chair I advocated for converting State Street, Santa Barbara's traditional main street, into an outdoor pedestrian mall. This effort was initially supported by a number of architects, but took decades to implement. At the same time, my Co-Chair & I joined forces with the community to oppose redevelopment on the wealthier edge of the State Street retail corridor and support a more comprehensive redevelopment one block away from the center of Old Town. Also served as a Co-Chair of the 2nd Annual Columbus Day Criterium in Old Town Santa Barbara, in which I organized live music, fair and participation of recumbent cyclists in the criterium. I was then asked to serve on the City Transportation Committee, which I did for two and half years. The Public Works liaison on that Committee was Leif Ourston, PE, one of the earliest and most highly respected advocates for modern roundabouts. In fact, it was Mr. Ourston, who introduced to the concept of mini-roundabouts, which was not yet recognized by the US DOT. As Chair, I advised the City Council to support realignment of edge striping to accommodate bike lanes, much of which was eventually adopted. I also worked with the Santa Barbara Metropolitan Transit District to test bike racks on its buses. Before moving to Florida, I lived in Connecticut, where I led an effort for the State of Connecticut, Metro-North Railroad New Haven Line and MTA to purchase the largest number of bicycle racks on commuter trains ever ordered in the United States. We influenced the Connecticut Governor, M Jodi Rell, to order the Connecticut DOT to include the bike racks in the design plans. In the process of achieving this goal, I met Tom Kehoe, a State Representative serving on the legislature's Transportation Committee, who had sponsored a Complete Streets bill. I helped build public support for this bill during the 2009 legislative session and Governor Rell signed it into law. The Republican minority leader then appointed me as an inaugural member of the Connecticut Bicycle & Pedestrian Advisory Committee. At the first CT Bike-Ped Committee meeting, I asked the State DOT to reduce the standard width for motor vehicle lanes from 12 to 11 feet when resurfacing State roads. In less than a year, Connecticut DOT announced that 11-foot standard at a bicycle conference at Central Connecticut State University. When I moved to Florida, I undertook a hands on restoration and renovation of my one-hundred year old house in which I incorporating salvaged Dade-County Pine. In 2017 received an inaugural Lake Worth Historic Preservation Awards for restoration and renovation of my house.

## INTEREST/ACTIVITIES

Love to listen to live music, attend art openings, visit historical museums and botanical gardens, go out to restaurants, participate in 5k runs, hike, play chess, ping-pong, tennis and bowl.

Gardening: upon moving to Lake Worth, I joined the Florida Native Plant Society, Palm Beach County Chapter (FNPS-PBC) and undertook a native plant conversion of my front and back yards. In 2020, my yard was one of a number of Lake Worth yards selected for the FNPS-PBC Garden Tour.

Cycling: While I lived in Santa Barbara, I rode from Santa Barbara down the Baja peninsula to Cabo San Lucas at the tip of Baja. Two years later with the some of the same set of friends, we rode from San Diego to Denver, Colorado. After that I flew Santa Barbara to Miami International Airport and rode from Miami Beach to Santa Barbara. While I lived in Connecticut, I raised money for the inaugural Climate Ride and bicycled to Washington D. C. in four days, met with Congressman to discuss Climate issues, then volunteered as a marshal in Bike DC before setting out a 4 day ride back to Connecticut. Since I moved to Florida, I've ridden from Lake Worth to destinations between Stuart and Opa-Locka.

Swimming: spent two summers as a lifeguard and raced in 2-mile open water swim on one of my days off. swam (and biked) in a half-ironman triathlon, my first girlfriend in Santa Barbara helped organize; also swam in one-mile races in Encinitas and LaJolla's "Rough Water Swim."

## COMMUNITY INVOLVEMENT

2023 - Elected to Sierra Club Loxahatchee Group Executive Committee and now serve as Energy Chair.

2021-2023: Organized neighbors and friends to support FDOT District 4 to carry out Complete Street changes to Federal Highway as a part of FDOT resurfacing (RRR) and safety improvements. With the support of the City Commission, this public effort has resulted in a commitment by FDOT to carry out lane repurposing (“road diet”) in two segments of North Federal Highway.

2019-2023: Co-organizer of effort to save contributing historic structures in Old Town Local Historic District. To date with the support of the City Commission, it appears five of these contributing structures should be saved. In 2021, I submitted an 11 to Save nomination for Lake Worth's Old Town Commercial District, which was selected by the Florida Trust for Historic Preservation for its 2021 11 to Save list

The findings were concerning.

2020 - Co-organized two CNU of the Palm Beaches Earth Day webinars during COVID-19 pandemic with Co-Chair Heather Danforth and assistance of Anne Fairfax on April 18, 2020

<[https://www.youtube.com/watch?v=I7tCbM6e4\\_s](https://www.youtube.com/watch?v=I7tCbM6e4_s)> and April 22, 2020 <<https://www.youtube.com/watch?v=48ew21FvEsY>>

2013-2022: Served on City Tree Board. As Chair of the City Tree Board, organized six Festival of Trees (2014-2019) at the Cultural Plaza, which featured speakers including award winning landscape architect Raymond Jungles (2019) and urban planners Victor Dover and Elizabeth Plater-Zyberk (2018.) Organized numerous Tree Board Talks at the Lake Worth Beach Public Library and three clean-ups at the city-owned 17th Avenue North Natural Area.

2014-2016 Along with former City Commissioner JoAnn Golden and Alice McCall I co-founded Dark Sky Lake Worth, a local chapter of International Dark Sky Association. Our efforts focused on Executive Briefings, featuring Kirt Rusenko, PhD an expert on the effects of artificial light-at-night and sea turtles, with Mayor Triolo, City Commissioners, City Manager Bornstein and Siemens officials to educate about the benefits of utilizing 2700K LED street lights.. We educated City officials and Siemens that the City could seek a variation from the 4000K working standard set by FDOT for state roads. We also educated the public about light pollution through the screening of “The City Dark” and presentations by Dr. Rusenko and Alice McCall. The City Commission and FDOT ended up approving our 2700K correlated color temperature (CCT) request. Received Dark Sky Defender award in 2016 from the International Dark Sky Association for work on dark sky education and associated results achieved in Lake Worth.

2014-2016 Served two years on Parrot Cove Neighborhood Association Board as vice-president and secretary. Convinced Parrot Cove Neighborhood Association board to move its monthly meetings to The Beach Club.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (FIRST PREFERENCE)**

The CRA's district boundaries include some of the most important properties and transportation corridors in Lake Worth Beach. I have read most of the CRA's Redevelopment Plan and some of the relevant sections of the Lake Worth Beach Code of Ordinances (municode.) I have attended and provided public comment at numerous CRA meetings. I've participated in charrettes hosted by the CRA on the TPA's US 1 Multi-Modal Corridor Study and Treasure Coast Regional Planning Council's Downtown Development (L & M) planning. I have reached out to organizations such as Florida Main Street, Florida Division of Historical Resources, Florida Trust for Historic Preservation, the National Trust for Historic Preservation and the Sierra Club Loxahatchee Group seeking out ideas to help improve our downtown. Serving on the CRA board will allow me to contribute to problem solving and bring a fresh new perspective to many of the critical issues facing the City such as providing affordable housing, appearance, optimizing investments, the health of Dixie Highway and Lake and Lucerne and transportation and parking strategies.

**WHY DO YOU DESIRE TO SERVE ON THIS BOARD (SECOND PREFERENCE)**

I would like to not only serve on the CRA Board, but also serve as Citizen member for TPA (Transportation Planning Agency.) Serving as a citizen member of the TPA will strengthen what I can offer in my service as a Community Redevelopment Agency Commissioner. I have attended and provided public comment at the Transportation Planning Agency meetings in person and virtually. I have also bicycled up to Stuart to attend to three Treasure Coast Regional Planning Agency meetings. At the meeting I offered substantive public comment on transportation issues and opportunities.
