Issues Forum

Objective:

The Multi-Jurisdictional Issues Coordination Forum was established by interlocal agreement in October 1993. The intent is to achieve consensus building through identification and potential resolution of multi-jurisdictional issues. This is done by providing a place to go to for consensus building, research and debate such issues, and providing direction on the steps to address, resolve, or implement a program to do so. In addition, the Issues Forum can take a countywide position on multi-jurisdictional and growth management needs at the County, Regional, and State level. The intent is also to have a place to provide input to proposed countywide legislation prior to its drafting and to provide clarification and technical assistance in understanding Regional and State initiatives.

Organization:

Primarily the purpose of the Forum is education and communication through receipt and review of "white papers" developed by ad-hoc committees, presentations, and review of actions taken by the Executive Committee. The intent is to then discuss within each local government and take appropriate action.

Powers:

Single vote per member, providing everyone a voice, to accept, veto, or modify an action of the Executive Committee by at 2/3 of members present and voting and to raise an item of potential multi-jurisdictional significance.

Meetings:

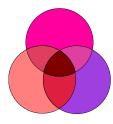

The Forum will meet quarterly – the first date for the relaunch will be December 19, 2019 at 3:00 pm at the Village of Palm Springs Council Chambers.

Potential dates for 2020 are - January 30, April 30, July 30, and October 29

Previous Issues Addressed:

School Concurrency, School Siting, and School Safety Plans; Water Plans, Aquifer Storage and Recovery, Biosolids Pelletization; Level of Service for Traffic, Fire Rescue, Library Service; Emergency Management Plans, Hurricane Shelter Capacity, Post Disaster Redevelopment, HazMat; Growth Management Reform, Annexation, Mediation; Beach Funding, Bus Shelters, Communication Towers, and Utility Relocation.

Issues Forum – 2019 Palm Beach County

1. Regional Transportation Network / Mobility Plans

- a. Multi-jurisdictional significance: As municipalities have increasingly sought to move towards adopting their own individual city mobility plans, the impact of these changes will be on a countywide level.
- b. The issue is not being adequately addressed at present: Currently, municipalities are seeking to repeal the County's transportation concurrency, proportionate fair-share and road impact fees without working with the County to formulate an acceptable system and supporting methodology for all communities.
- c. The Forum is the appropriate place to address the issue: Working collaboratively with all local governments to explore options to update and/or modify the existing Road Impact Fee system to address these changing needs would be appropriate at the Issues Forum.

2. Housing

- a. Multi-jurisdictional significance: In an effort to increase housing that is affordable, attainable and appropriate in Palm Beach County, the housing crisis rises to a multi-jurisdictional significance since it is not just one local government having to find solutions for housing to maintain a sustainable community but rather all local governments experiencing the lack of affordable housing.
- b. The issue is not being adequately addressed at present: While there are efforts underway from the Housing Steering Committee led by private sector, industry and non-profit organizations, the municipalities and the county could collaboratively work towards a solution to the housing crisis which have countywide impacts.
- c. The Forum is the appropriate place to address the issue: This effort requires broad participation from all local governments, including policy makers to make difficult decisions.

3. Sea Level Rise / Water Issues

- a. Multi-jurisdictional significance: Sea level rise is a countywide issue that not only affects the coastal communities through more frequent high-tide flooding events but could also affect inland communities as stormwater management systems are at risk of failing to meet capacity needs
- b. The issue is not being adequately addressed at present: While the County is tasked to mitigate climate change impacts and develop adaptation strategies, it will need the support and cooperation of all communities to take part in, and be on board with, the resulting initiatives.
- c. The Forum is the appropriate place to address the issue: The Office of Resilience is currently working with some participating municipalities but would benefit from having the discussion at the Issues Forum level.

4. Hurricane Preparation

- a. Multi-jurisdictional significance: Hurricane preparation requires the input and cooperation of all jurisdictions within Palm Beach County.
- b. The issue is not being adequately addressed at present: While there are many participating municipalities working with the County through the damage assessment process, we need to address all cities and their damage assessment requirements and timing for reports at the time of an emergency event.
- c. The Forum is the appropriate place to address the issue: Through the Forum, Elected officials could discuss strategies for disseminating information and direct staff responsible for the damage assessment to participate in a countywide training for ensuring proper FEMA documentation.

EXECUTIVE BRIEF SPECIAL MEETING

AGENDA DATE: March 19, 2020 DEPARTMENT: Leisure Services

TITLE:

Resolution No. 08-2020 – FY 2020 – 2021 Community Development Block Grant application

SUMMARY:

The resolution authorizes the submission of an application to Palm Beach County for funding under the FY 2020-2021 Community Development Block Grant Program in the estimated amount of \$235,870 for improvements to Howard Park located at 1699 Wingfield Street.

BACKGROUND AND JUSTIFICATION:

The Palm Beach County Department of Housing and Economic Sustainability (DHES) has announced the starting date of the planning process for its Consolidated Plan One Year Plan for Fiscal Year 2020-2021. In furtherance of this process, DHES has announced that it is accepting applications from eligible applicants for Fiscal Year 2020–2021 Community Development Block Grant (CDBG) program funding. By participating in the Palm Beach Urban County Partnership program and by having an approved CDBG Target Area, the City will have access to a formula-based CDBG allocation that is estimated to be \$235,870. This funding is subject to availability from HUD and approval by the Board of County Commissioners.

As a sub-recipient under the County's CDBG program, the City can submit one application for one eligible activity under the CDBG regulations set forth at 24 CFR Part 570, as allowed by the County. The eligible activity must further meet one of the three National Objectives of the CDBG program, that include providing a benefit to low- and moderate-income persons, aiding in the prevention of slum and blight, and meeting an urgent community development need.

Pursuant to discussion provided by participants at a public meeting on February 27, 2020, the City's proposed use of FY 2020-2021 CDBG funding will be for improvements to Howard Park. Planned improvements at this time include resurfacing the basketball courts, reconstruction of the bathrooms, replacement of the existing pavilion, installation of a new playground, installation of new benches with tables, replacement of the existing fencing, and installation of sod and mulch. Additional public input will be gathered at the March 2020 District 1 community meeting to determine the final scope of work for the project.

Public facilities and improvements is an eligible CDBG activity. The service area of the public facility is located within the CDBG Target Area, thereby providing a presumed benefit to low-and moderate-income persons.

The City's application is due to the County by its extended deadline of March 20, 2020,

EXECUTIVE BRIEF SPECIAL MEETING

AGENDA DATE: March 19, 2020 DEPARTMENT: City Manager

TITLE:

Resolution No. 10-2020 – Census Rapid Response grant application

SUMMARY:

The resolution approves submission of the City's application to the National League of Cities requesting \$40,000 in grant funding under the Census Rapid Response grant program. These funds will be utilized by the City to implement "Get Out the Count" activities to reach historically undercounted communities.

BACKGROUND AND JUSTIFICATION:

The National League of Cities provides funding under its Census Rapid Response grant program to cities and other eligible applicants to increase efforts for "Get Out the Count" activities to reach out to historically undercounted communities. These undercounted populations include persons at or below poverty, persons receiving public assistance, concentrations of minority groups, concentrations of immigrants and migrant workers, linguistically isolated communities, and areas with high concentrations of low educational attainment.

Resolution No. 10-2020 approves and authorizes the submission of the City's application to the National League of Cities (NLC) for \$40,000 in Census Rapid Response grant funds to assist with efforts to reach these historically undercounted populations in Lake Worth Beach for the 2020 Census count. Planned uses of these funds include purchasing mobile tablets and devices for website entry, creating census kiosks to be set up around the City, hosting census response outreach events with food, prizes, etc. to encourage attendance, and printing multi-lingual posters, fliers, door hangers, and buttons for "Get Out the Count" activities in these hard to count neighborhoods.

The City's application was submitted on March 6, 2020. This was necessary as applications are being accepted by NLC on a rolling, first come, first served basis until available funding is exhausted.

MOTION:

Move to approve/disapprove Resolution No. 10-2020 to approve and authorize the submission of a grant application to the National League of Cities for \$40,000 in grant funding under the Census Repaid Response program to assist with outreach efforts to involve historically undercounted populations in the City in the 2020 Census count.

EXECUTIVE BRIEF SPECIAL MEETING

AGENDA DATE: March 19, 2020 DEPARTMENT: Electric Utility

TITLE:

Second Amendment to Work Order No.1 with the L.E. Myers Co., for Phase 1 1W13 System Hardening

SUMMARY:

This Second Amendment to Work Order No. 1 authorizes The L.E. Myers Co, to complete construction services for Phase – 1 of the 1W13 System Hardening project in the amount not to exceed \$81,630

BACKGROUND AND JUSTIFICATION:

On April 2, 2019, the City Commission approved Work Order No. 1 with The L.E. Myers Co. for System Hardening construction services for Phase 1 of the 1W13 circuit.

The System Hardening and Reliability Improvement Project (SHRIP) plan development and construction for Phase 1 of the 1W13 circuit included consideration for optimal construction costs and feasibility, performing wind-loading analysis, system reliability, future expansion, maintenance costs and safety. Project benefits include; increased resiliency to wind-storm events, increase in system capacity, decrease in overloaded circuits and equipment and reduction in maintenance costs.

On January 7, 2020, the City Commission approved the First Amendment to Work Order No. 1 with the L.E. Myers Co. for additional construction services required to complete Phase 1 of the 1W13 System Hardening Project.

During the final stages of construction, the Electric Utility requested a proposal from The L.E. Myers Co. to remove all stubbed poles which do not have franchise communication facilities attached. In addition, the Electric Utility has requested L.E. Myers to install animal guard on all wood poles installed as part of this hardening project. The animal guards or pole wrap, is a smooth plastic material that is wrapped around the pole and installed on each pole in multiple locations. The pole wrap is used to deter animals such as iguanas from climbing the poles and has proven to be useful in mitigating animal related outages. A change order to existing Purchase Order No. 182034 will be completed upon commission approval.

ACTION:

Move to approve/disapprove Second Amendment to Work Order No. 1 to The L.E. Myers Co. for Phase 1 – 1W13 System Hardening construction services at a cost not to exceed \$81,630.

EXECUTIVE BRIEF SPECIAL MEETING

AGENDA DATE: March 19, 2020 DEPARTMENT: Water Utilities

TITLE:

Utility Easement by and between Lake Worth Beach Community Redevelopment Agency and the City of Lake Worth Beach

SUMMARY:

The Lake Worth Beach Community Redevelopment Agency, the owner of the property of 1715 N Dixie Hwy, will dedicate a 15 foot wide utility easement for a watermain extension.

BACKGROUND AND JUSTIFICATION:

The Lake Worth Beach Community Redevelopment Agency which owns 1715 N Dixie Hwy is willing to dedicate a 15-foot wide utility easement for use in extending a watermain through the property. 1715 N Dixie Hwy was recently expanded by unity of title and added to residential parcels to the property boundary. In addition, a utility easement which ran north/south near the eastern side of the property was abandoned in the unity of title.

This proposed easement replaces the location of the former easement and moves the location to the far west property boundary making the parcel open to development. Also, the City's water utilities increased the size of the watermain in the area to provide for increased development and fire protection.

The easement is dedicated to provide unrestricted access to the City of Lake Worth Beach for all associated utility maintenance, repair and new installations. This item provides for both legal ownership and access to the water system.

MOTION:

Move to approve/disapprove the Utility Easement by and between City of Lake Worth Beach Community Redevelopment Agency and the City of Lake Worth Beach.

WITNESSETH

WHEREAS, the Grantor is the owner of property generally located at 1715 North Dixie Highway , Lake Worth Beach, Florida, and as legally described in Exhibit "A" attached hereto and incorporated herein (the "Property"); and

WHEREAS, the City desires an unrestricted and nonexclusive easement for public utility purposes through the Property as described and mapped in Exhibit "B" attached hereto and incorporated herein (the "Easement Area); and

WHEREAS, the public utilities to be placed in the Easement Area may provide services to and from the Property and other properties which may or may not abut and be contiguous to the Easement Area; and

WHEREAS, the Grantor is willing to grant such easement.

NOW, THEREFORE, for and in consideration of the mutual covenants and other valuable consideration, the sufficiency and receipt of which is acknowledged by Grantor and the City, the Grantor grants unto the City, its licensees, agents, successors and assigns:

A perpetual, unrestricted and nonexclusive easement in, over, under, through, upon and across the Easement Area for the purpose of providing utility services to and from properties or lands or maintain the same, which may include the Property, also for the City to provide utility service to properties which may not be contiguous to the Easement Area, including the right to lay, or cause to be laid, and to maintain utility pipes, mains, appurtenances and devices; to maintain, repair, rebuild, operate and control utility transmission lines; the right to clear said Easement Area and keep it clear of brush, trees, and permanent structures and fire hazards; together with all rights of ingress and egress necessary for the full and complete use, occupation, and enjoyment of the Easement Area hereby granted, and all rights and privileges incident thereto; and, the permanent, full and free right and authority to own, construct, operate, maintain, repair, install, rebuild and replace utility facilities within the Easement Area.

TO HAVE AND TO HOLD the said Easement, unto the City, its licensees, agents, successors and assigns forever. It being expressly understood, however, that in the event the City, its licensees, successors and assigns, abandons or vacates the easement herein granted, that the same shall revert back to Grantor, its heirs, successors or assigns.

By accepting this Easement, the City agrees: (a) to perform all work undertaken by the City within the Easement Area in a good and workmanlike manner and to promptly complete all work within the Easement Area; (b) to restore any of the Property disturbed by work undertaken by the City for purposes of construction, removal, demolition and/or maintenance to its condition that existed prior to the commencement of such work; (c) to not unreasonably interfere with the use of the Property by Grantor or any of Grantor's tenants, invitees or guests; and (d) to be responsible for all costs associated with the City's construction, removal, demolition and/or maintenance pursuant to this Easement.

EXECUTIVE BRIEF SPECIAL MEETING

AGENDA DATE: March 19, 2020 DEPARTMENT: Water Utilities

TITLE:

Agreement with B&B Underground Construction, Inc. for construction of the Wastewater Pump Station Nos. 12 and 14 Improvements Project

SUMMARY:

This Agreement authorizes B&B Underground Construction, Inc. to construct the Wastewater Pump Station No. 12 Improvement Project in the amount of \$570,940.00. The agreement includes an option for an amendment to construct Wastewater Pump Station No. 14 in the amount of \$291,340.00.

BACKGROUND AND JUSTIFICATION:

The Wastewater Pump Station Nos. 12 and 14 Improvements Project design was completed and advertised soliciting bids under IFB 20-100. Six bids were received. The lowest responsive bid for Pump Station No 12 & Pump Station No. 14 for the sum of \$862,280.00 was from B&B Underground Construction, Inc. Holtz Consulting Engineers, Inc. is recommending award of the Bid to B&B Underground Construction, Inc. as the lowest responsible, responsive bidder.

The Agreement awards the Pump Station No. 12 project now and reserves the right to award Pump Station 14 at a later date that will conform to the bid agreement. B&B Underground Construction, Inc. remains the lowest bidder on both project sites individually on the bid tab. Therefore, the total cost of the contract award to B&B Underground Construction, Inc. for Pump Station 12 is \$570,940.00.

Should project funding become available for Pump Station 14 and per the articles of the agreement, an amendment can be awarded within 120 day of this effective date of the agreement for the amount of \$291,340.00.

MOTION:

Move to approve/disapprove the Agreement with B&B Underground Construction, Inc. for Wastewater Pump Station Nos. 12 & 14 Improvements Project in the amount of \$570,940.00.

Recommendation of Award to B&B Underground Construction, Inc.

Dear Mr. Rhoads,

On January 21, 2020 at 3:00 p.m. bids were opened for the referenced project. There were six (6) bids accepted for the project as follows:

Bidder	Bid Amount
B&B Underground Construction, Inc.	\$862,280.00
Hinterland Group, Inc.	\$872,130.00
Intercounty Engineering, Inc.	\$946,494.00
Southern Underground Industries, Inc.	\$970,248.94
Foster Marine Contractors, Inc.	\$983,925.10
TLC Diversified, Inc.	\$1,143,685.00

The bids were reviewed by Holtz Consulting Engineers, Inc. (HCE) to evaluate whether the bids are responsive to the bid submittal requirements. We also contacted references and reviewed qualifications to evaluate if the bidders are considered to be responsible and qualified to construct the work.

The apparent low bidder was B&B Underground Construction, Inc. with a Total Bid Amount of \$862,280.00. Their bid was reviewed and included the required bid bond in the amount of five percent of their bid from an acceptable surety company according to the US Department of Treasury. They acknowledged receipt of the addenda in the bid form. Their bid was determined to be responsive.

B&B Underground Construction has successfully completed many projects in South Florida, including projects involving rehabilitation of wastewater pump stations. The references contacted indicated that they completed their projects generally on time, within budget, and in conformance with the contract documents.

B&B Underground Construction intends on utilizing Electron Plus of Florida for electrical work. B&B Underground Construction will self-perform the underground piping, mechanical and demolition work. B&B Underground Construction is a corporation in good standing with the Florida Department of State Division of Corporations and holds a General Contractor license from the State of Florida. We therefore consider B&B Underground Construction to be a responsible bidder.

Based on the above information, Holtz Consulting Engineers, Inc. able recommend award of the contract to the apparent low bidder (B&B Underground Construction) in the Total Bid Amount of \$862,280.00.

Sincerely,

HOLTZ CONSULTING ENGINEERS, INC.

EXECUTIVE BRIEF SPECIAL MEETING

AGENDA DATE: March 19, 2020 DEPARTMENT: Community Sustainability

TITLE:

Agreement between Property Registration Champions, LLC, dba PROCHAMPS for vacant, abandoned and foreclosed property registration

SUMMARY:

The agreement will continue the property registration services for all improved and unimproved vacant, abandoned, and foreclosed properties in the City.

BACKGROUND AND JUSTIFICATION:

In 2010, the City of Lake Worth adopted a Foreclosure Registration Program which was amended in May of 2014 to include registration of vacant, unimproved lots as well as the improved properties that are vacant, abandoned or in foreclosure. At one time, the City had nearly 1,400 properties identified as being in foreclosure and almost 2,000 as either vacant or abandoned. The registration program assists the City in obtaining code compliance for these properties as well as identifying a responsible party to maintain them.

Through a competitive procurement process as advertised under RFP 13-14-203, the City sought a professional registration consultant to undertake the management and coordination of the program. One proposal was received meeting the terms of the RFP. Community Champions Corporation (CCC) formerly known as FPRC submitted the responsive proposal. The firm is now known as Property Registration Champions, dba PROCHAMPS. The City entered into a two (2) year agreement on August 20, 2014. The agreement permits the renewal of the agreement for an additional three (3), one (1) year terms. The Agreement was subsequently amended on August 20, 2016, January 16, 2018, and August 7, 2018. By contracting with PROCHAMPS, there should be no loss of program effectiveness and the program should continue to grow.

There are currently 878 properties registered. In addition to registering and tracking such properties, the program also generates revenue for the City as the fee for each foreclosed, abandoned and/or vacant property registration starts at \$200 for the first year and then increase each year until it reached the cap of \$750 per year until such time as the property is redeveloped.

Motion to approve/disapprove Agreement with Property Registration Champions, LLC.

AGREEMENT BETWEEN THE CITY OF LAKE WORTH BEACH, FLORIDA AND PROPERTY REGISTRATION CHAMPIONS, LLC

This Agreement is made as of this ____ day of ____, 20___ ("Effective Date") by and between Property Registration Champions, LLC, dba PROCHAMPS, a Florida limited liability company, with offices at 2725 Center Place, Melbourne, FL 32940 ("**PRC**"), and the City of Lake Worth Beach, a Florida municipal corporation, with an address at 7 North Dixie Highway, Lake Worth Beach, FL 33460 ("**COMMUNITY**").

WITNESSETH:

WHEREAS, because of an overwhelming number of mortgage foreclosures on residential and commercial properties, the COMMUNITY adopted a Property Registration Ordinance No. 2010-14 as amended by Ordinance 2014-16, and most recently by resolution no. 04-2020 (collectively the "Ordinance"), to address issues related to the care of neglected lawns and exterior maintenance of structures which is a health and welfare issue in the COMMUNITY; and

WHEREAS, pursuant to the Ordinance the COMMUNITY desires to enter into this Agreement with PRC in order to provide services authorized pursuant to the Ordinance, to register vacant, abandoned, and foreclosed properties (the "Properties"), so that the COMMUNITY can properly address violations of the COMMUNITY's property maintenance codes; and

WHEREAS, PRC will also provide an electronic registration process that is cost-free and revenue neutral for the COMMUNITY.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for other valuable consideration received, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows.

1. PRC RESPONSIBILITIES.

- a. PRC will cite the COMMUNITY's Ordinance to mortgagees and/or owners and proactively contact those who file a public notice of default, lis pendens, or any foreclosure action, take title to real property via foreclosure or other legal means, or become vacant in accordance with the Key Policy Requirements as outlined in **Exhibit "A"**, which may be amended from time to time. PRC will electronically provide for registration of Properties in violation of Ordinance.
- b. PRC will pay for all expenses, administrative costs and fees related to registration of Properties, except as provided in 1(c). PRC will monitor publicly recorded foreclosure filings for properties located within the jurisdictional area of the COMMUNITY, as well as utility data and any other data available to PRC. PRC will review and confirm the obligation to register properties pursuant to the Ordinance. PRC will monitor any changes to the obligation to register.

- c. PRC will charge a fee ("Fee") as directed by the COMMUNITY to each registering party ("Registrant") to register all mortgagees and/or owners who comply with the Ordinance. PRC shall retain one hundred dollars (\$100.00) of each collected Fee and remit the balance to the COMMUNITY. PRC shall forward payment of the COMMUNITY's portion of the Fee to the COMMUNITY's finance department no later than the fifteenth (15th) day of the following month. Should there be a fee required for public/official record data acquisition integral to the performance of the scope of work required under the terms and provisions of this Agreement, those charges shall be deducted from the remittance for the actual costs of said charges or subscriptions. If said charges or subscription fees are for the entire county, the fee shall be divided equally between all the communities partnered with PRC within the county at that time. If there is a change in the number of communities partnered with PRC in the county, during the contract period, the county public record access fee will be adjusted accordingly to maintain an even cost sharing by all communities within the county.
- d. In the event the COMMUNITY's Ordinance requires payment of late fees as part of the registration requirements, PRC shall collect all applicable late fees, retaining twenty percent (20%) of the fee, and remit the balance to the COMMUNITY pursuant to the monthly remittance schedule. All fees related shall be taken out of the COMMUNITY's remittance provided in 1(c).
- e. PRC agrees to provide a website for the registration of the Properties in order to enable compliance with the COMMUNITY's ordinances. The website will direct Registrants to a hyperlink, www.PROCHAMPS.com. The website found at www.PROCHAMPS.com will automatically allow lenders and/or responsible parties to comply with the COMMUNITY's property registration codes.
- f. PRC agrees to provide courtesy renewal reminder notices to the Registrant for each renewal period after the Registrant has registered. Said notices shall be sent no sooner than thirty (30) days prior to the renewal date but no later than thirty (30) days after the renewal date. Failure to provide the notice does not relieve the Registrant of the duty to pay.
- g. PRC's responsibilities will commence on the Effective Date of this Agreement.

2. INDEMNIFICATION.

a. **INDEMNIFICATION BY PRC.** PRC shall defend, indemnify, and hold harmless the COMMUNITY, its officers, employees, and agents, from and against all losses, expenses (including attorneys' fees), damages, and liabilities of any kind resulting from or arising out of a breach of this Agreement by PRC and/or PRC's performance hereunder.

- b. Nothing contained herein shall be construed or interpreted as consent by the COMMUNITY to be sued, nor as a waiver of sovereign immunity beyond the limits provided in section 768.28, Florida Statutes.
- 3. **TERM AND TERMINATION.** This Agreement shall terminate two (2) years from the Effective Date. This Agreement will automatically renew at the end of each term for a further term of one (1) year unless either party gives the other written notice of termination at least thirty (30) days prior to the end of the relevant term.
 - a. **TERMINATION FOR DEFAULT.** In the event that either party (the "Defaulting Party") shall breach or fail to comply with any provision of this Agreement and such breach or failure shall continue for a period of thirty (30) days after the giving of written notice to the Defaulting Party, such other party may terminate this Agreement immediately providing written notice of such termination to the Defaulting Party.
 - b. **TERMINATION FOR INSOLVENCY.** This Agreement may be terminated by the COMMUNITY in the event of the insolvency of PRC or the commencement by or against the PRC of any case or proceeding under any bankruptcy, reorganization, insolvency or moratorium law or any other law or laws for the relief of debtors or the appointment of any receiver, trustee or assignee to take possession of the properties of the PRC, unless such petition or appointment is set aside or withdrawn or ceases to be in effect within thirty (30) days from the date of said commencement or appointment or the liquidation or dissolution of the PRC.
 - c. **TERMINATION WITHOUT CAUSE**. Either party may terminate this Agreement at any time with or without cause by giving not less than thirty (30) days written notice of termination.
- 4. **CONTRACT DOCUMENTS.** The following list of documents which are attached hereto as **Exhibit "A"** to this Agreement shall be incorporated into this Agreement, as if fully set forth herein by reference. EXECUTIVE BRIEF SPECIAL MEETING

AGENDA DATE: March 19, 2020 DEPARTMENT: City Manager

TITLE:

Resolution No. 11-2020 - Mayor's and City Manager's Emergency Powers

SUMMARY:

In light of the Novel Coronavirus Disease 2019 (COVID-19) being declared a federal, state and local emergency, Resolution No. 11-2020 seeks to reaffirm the emergency powers of the Mayor and City Manager.

BACKGROUND AND JUSTIFICATION:

Historically, in the event of an emergency, the Mayor has utilized her power set forth in Article III, Section 3 of the City's Charter, to issue a Declaration of a State of Local Emergency when determined necessary. Likewise, in the past, the City Manager has acted in response to an emergency with temporary policies and practices to address the emergency in an efficient and prompt manner. Resolution No. 11-2020 seeks to reaffirm these emergency powers of the Mayor and City Manager to address the COVID-19 and other emergencies as they may emerge and change over time.

ACTION:

Move to approve/disapprove Resolution No. 11-2020 - Mayor's and City Manager's Emergency Powers.
