PUBLIC HEARING

1. Consider Determination of Certain Conditions to be a Public Nuisance and an Unsafe Building at 7580 Cahaba Avenue

Mr. Wesley Sims, 500 Karey Drive - Birmingham, stated that last summer he purchased tax certificate on this property. He first started working with Mr. Ray Filmore regarding permitting but then Ray left for overseas active duty. Mr. Sims then dealt with Mr. Brad Watson and Mr. Glen Williams. City personnel explained the previous nuisances and property maintenance issues at this location. Mr. Sims was informed he would need a structural engineer to bring it up to current residential code. Mr. Watson and Mr. Williams addressed the Council and presented pictures of the property. Mr. Watson stated that the house was on a previous condemnation list for the area. However, the City ran out of funding before this address was reached. There is termite damage to the seal plate, deterioration of facia, and the electrical wiring has been ripped out by homeless vagrants. The City boarded up the windows and doors some time ago because of the vagrants. This would be a Level III alteration and would require replacement or repair of over 50% of the structure. Mr. Dutton inquired if Mr. Sims had a construction loan for the needed repairs. Mr. Sims replied that he had available funding without a construction loan. There was no other comment made. The matter is referred to Council.

Public Hearing closed at 6:28 pm.
