Southern Linc for OSU

I have reviewed the attach memorandum and agree this would be an outstanding tool for our Operations Support Unit. We could communicate better especial during operations and this would also allow for a reduction in the expense for cellular phones because of the price.

I recommend using seized funds for the purchase of these 7 units which would cover the purchase and first year of service for a total of \$2,695.00.

Thank you for your continued support which has led to an amazing amount of success and protection of citizen's lives and quality of life in our city.

Re: Southern Linc

This memo is to request funding to purchase seven (7) Southern Linc Sonim XP8 devices for use in the Operations Support Unit (OSU) and members of the department who directly support the operation.

Detectives are often conducting operations where radio services will not reach These devices allow for a group radio channel and private talk with the push of a button. The device will be cellular capable to receive phone calls, text, and other applications to assist in the operations of the unit.

The services have been proven reliable as it is used by the Alabama Law Enforcement Agency, Alabama Power, State of Alabama EMA just to name a few.

I have attached the quote from Southern Linc, the total cost for seven (7) devices is \$343.00 and will carry a monthly service charge for all devices of \$196.00.

Dear James Butterbrodt.

Thank you for the opportunity to provide mission critical wireless services for Leeds Police Department. Enclosed with this letter is a proposal for CriticalLinc™ LTE services and equipment, per our recent discussion. I have included the following for your review:

- Southern Linc LTE Service Overview
- Recommended Equipment
- Recommended Services
- Southern Linc Coverage Map snapshot

Our CriticalLinc LTE service offers you unmatched network reliability and security because our mission critical LTE network is built to be there when you need it. The CriticalLinc network has redundant network data centers in different cities to ensure that the core of the network is always available. In addition, redundant power systems serve our data centers with different substations supplying the systems so power cannot be interrupted at the network's core. We even beefed up our on-site backup power at our network towers and ramped up the redundancy of our backhaul network. This mission critical network combined with premier Push To Talk technology and the world's most rugged phones demonstrates our commitment to making CriticalLinc the service you can rely on.

If you are ready to start using CriticalLinc service, call me at your convenience and I will assist you with finalization of your service and equipment details. Thank you for your time and I look forward to serving you at Southern Linc.

Sincerely,

John Lutenbacher Market Sales Executive jlutenba@southernlinc.com 205-288-0990

15. Resolution 2023-01-04: Consider Ratification of Emergency Repairs and Authorization of Roof Replacement for Police Station

#### CITY OF LEEDS RESOLUTION NO.: 2023-01-04

## AUTHORIZATION TO REPAIR ROOF AT POLICE STATION AND RATIFY EMERGENCY REPAIRS

**WHEREAS,** the roof of the City Police Station has developed leaks and was in need of emergency repairs following the most recent storms; and

**WHEREAS**, the City staff pursuant to the advice of the City Engineer hired a contractor to perform the emergency repairs which are considered to be temporary fixes; and

**WHEREAS,** given the City Engineer's recommendation to replace the entire roof membrane (see attached recommendation), the staff is seeking approval to replace the entire roof to avoid continued damage.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Leeds, Alabama, that:

- A. The above Recitals are included herein as if fully set forth.
- B. The emergency repairs and costs most recently incurred for the roof at the City Police Station (see attached invoice) are hereby ratified and approved.
- C. The recommended replacement of the City Police Station roof system is hereby approved and shall be funded through City restricted accounts with said work being performed in a manner consistent with the State bid law and subject to oversite and approval by the City Engineer.
- D. The Mayor and staff shall have the full authority to do those things, perform those functions, and to sign necessary documentation in order to carry out the actions so authorized herein.

Adopted and approved this the 17th day of January, 2023.

Brad Watson, City Administrator City of Leeds 1400 9<sup>th</sup> Street Leeds, AL

RE: Leeds Police Headquarters Building
Emergency Work and Needed Repairs

Dear Brad;

As directed, I have asked the contractor to complete emergency temporary repairs and assessment of the roof damage from leaks at Leeds Police Department. As a part of the work, I directed the contractors to remove any loose or damaged areas of the soffit and eave which may fall or cause injury to persons at the building. The Invoice is detailed and calls out the immediate repairs which were completed.

I recommend payment to Southeast Construction partners in the amount \$4,376.00 for the immediate work which could not wait for safety reasons.

The Contractors and I also inspected the roof and were able to identify (3) specific areas of leaks, and there are likely more which would be discovered during a complete repair. As a part of the work, I directed the contractors to make temporary patches which should minimize any leaks until which time the larger roof areas can be evaluated for repair. These repairs are not permanent, but should last a month ort more. We could not have mad ethe emergency repairs had we not made these temporary patches.

It is my opinion that the roof has reached its useful limit and will need to be replaced. The Contractor concurred with me, and has provided a budget estimate to install new insulation, and membrane roof and flashing. This is the same system we installed on the City Annex roof last year and is the industry standard. This work will also provide a warranty of materials of labor per our specification.

The Estimate for the Work for your consideration is \$74,286. For a complete replacement.

Please call me if you have any questions.
