06/12/2023 City of Leeds - 1400 9th Street Leeds, AL 35094 RE: Notice of Public Hearing – July 17, 2023, 06:00 P.M. Meeting of City Council of City of Leeds - Abatement of Nuisance Conditions at 7285 MAINE AVE, LEEDS, AL 35094

To Whom It May Concern:

A public hearing will be conducted by the City Council of the City of Leeds on July 17, 2023, at 06:00 P.M. in the City Council Meeting Room located at Leeds City Hall, 1412 9th St., Leeds, AL 35094, to consider (1) the previous determination by the City's enforcement officer (i.e., its Building Inspector) that, pursuant to Ordinance No. 2013-10-04 and the International Property Maintenance Code, the damaged structure at 7285 MAINE AVE, LEEDS, AL 35094 is a public nuisance due to unsafe conditions there, and (2) potential action(s) that may be ordered to abate that nuisance. The owner of the property has received notice of the Building Official's nuisance determination and the City has requested that the owner abate the same. At the time of this Notice, the requested abatement action has not been taken.

At the 07/17/2023 hearing the owner, and any other citizen, or interested party. may be heard and provide information to the City Council regarding the conditions at the subject property, the nuisance determination of the Building Inspector, or abatement of that nuisance.

If you have any questions about this Notice, you may contact me at 205-699-0943.

MITCHELL ROSIE LEE 7285 MAINE AVE LEEDS, AL 35094-7133 Certified Mail No. 7021 1970 0001 9881 1586 OLLIE FORD 7285 MAINE AVE LEEDS, AL 35094 Certified Mail No. 7021 1970 0001 9881 1593 RE: Address: 7285 MAINE AVE Tax Parcel ID: 2500173008003000 Notice of Preliminary Declaration of Nuisance and Abatement Order ("Preliminary Notice and Order")

I am the Building Inspector for the City of Leeds, Alabama ("City"). County public records indicate that you are the owner or may have an interest in the above referenced real property ("Property").

On 03/20/2023, I sent to you a letter ("Preliminary Letter") regarding my findings that various conditions at the Property constitute a public notice. In my Preliminary Letter, I detailed the offending conditions of the Property and the sections of Leeds Ordinance No. 2013-10-04 ("Ordinance") and/or the International Property Maintenance Code ("IPMC")1 which were being violated by said conditions, thus constituting a public nuisance. Since the date of the Preliminary Letter, DAUGHTER OF DECEASED OWNER - 1. Below I further address each of these conditions.

Unsecured Structure Nuisance (if checked, the following applies in this notice)

First, Section 301.3 of the IPMC requires that, "[v]acant structures ... shall be maintained in a clean, safe, **secure** and sanitary condition as provided herein so as not to cause a blighting problem or adversely affect the public health or safety." (Emphasis added.) Section 304.15 of the IPMC requires that, "[e]xterior doors, door assemblies, operator systems if provided, and hardware shall be maintained in good condition." There are numerous conditions at the Property that violate these sections of the IPMC and constitute a public nuisance (the "Unsecured Structure Nuisance"), including but not limited to the following:

Please submit a plan to fix this issue or a plan for demolition.

¹A copy of Ordinance No. 2013-10-04, which the City enacted on October 21, 2013, and relevant sections of the IPMC may be obtained from the City Clerk by contacting that office at 205-699-2585 or emailing the Clerk at <u>cityhall@leedsalabama.gov</u>.

are hereby ordered and directed to remediate these conditions within forty-five (45) days from the date of this Notice.

If you do not have a contractor, we offer the following proposal to expedite the abatement of this Nuisance. A local contractor has advised that it will furnish all materials and labor required to remediate the Unsecured Structure Nuisance – at a cost of \$. The City is willing to engage this contractor for these operations if you agree to the following understandings:

1. Representatives of the City or its contractor may enter the Property to remediate these conditions;

If the City retains a contractor for the operations, it will compensate that contractor for that work; and
 No later than seven (7) days following completion of the operations, you will reimburse the City for its expenses by paying \$.

You may accept this proposal and these understandings by executing the Concurrence section below and returning a signed copy of this Notice to me within five (5) days of its date. Of course, you may engage your own contractor to remediate the conditions if you would prefer.

Please contact me if you have any questions about the City's proposal, or the actions that are required to abate the Unsecured Structure Nuisance.

Unsafe Condition Nuisance (if checked, the following applies in this notice)

Unsafe Condition Nuisance [if appropriate - modify as needed] Section 111.1 of the IPMC requires that, "[w]hen a structure or equipment is found by the code official to be unsafe, or when a structure is found unfit for human occupancy, or is found unlawful, such structure shall be condemned pursuant to the provisions of this code." Section 111.1 of the IPMC requires that, "[a]n unsafe structure is one that is found to be dangerous to the life, health, property or safety of the public or the occupants of the structure ... because such structure ... is so damaged, decayed, dilapidated, structurally unsafe or of such faulty construction or unstable foundation, that partial or complete collapse is possible." Section 111.1.3 of the IPMC requires that, "A structure is unfit for human occupancy whenever the code official finds that such structure is unsafe, unlawful or, because of the degree to which the structure is in disrepair or lacks maintenance, is insanitary, vermin or rat infested, contains filth and contamination, or lacks ventilation, illumination, sanitary or heating facilities or other essential equipment required by this code, or because the location of the structure constitutes a hazard to the occupants of the structure or to the public." Section 111.1.5 of the IPMC requires in part that, "For the purpose of this code, any structure or premises that has any or all of the conditions or defects described as follows shall be considered to be dangerous: ... 5. The building or structure, or part of the building or structure, because of dilapidation, deterioration, decay, faulty construction, the removal or movement of some portion of the ground necessary for the support, or for any other reason, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is likely to fail or give way. 6. The building or structure, or any portion thereof, is clearly unsafe for its use and occupancy. 7. The building or structure is neglected, damaged, dilapidated, unsecured or abandoned so as to become an attractive nuisance to children who might play in the building or structure to their danger, becomes a harbor for vagrants, criminals or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful act."

Pursuant to the terms of the IPMC, I declare that the overall condition of the structure on the Property is a public nuisance as being unsafe, unfit for human occupancy, and dangerous.

I have thoroughly inspected the structure and determined that the following conditions render the structure uninhabitable, unsafe, and a danger to human life, thereby constituting a public nuisance (the "Unsafe Condition Nuisance"):

Further, the structure is a blight in the community and diminishes property values in the City and otherwise is detrimental to public welfare.

Based on my inspection, experience, knowledge of construction trades, and the age of the structure, this Unsafe Condition Nuisance only can be remediated by demolition of the entire structure. You will be required to take that action within forty-five (45) days from the date of this Notice. Feel free to contact me if you have any questions about this requirement.

Consequence if You Fail to Abate Nuisances

Please be advised that, if you do not abate the Unsecured Structure Nuisance or Unsafe Condition Nuisance during their respective remediation period, any of the following may occur:

- The City Council of Leeds ("City Council") may authorize City representatives to enter the Property, remedy the nuisances and assess the City's cost of those remedial operations against the Property, or institute other actions to collect those expenses;
- 2. You may be criminally prosecuted in the Leeds Municipal Court for violation of the Ordinance; and
- 3. The City may exercise any of its rights available under state law to abate public nuisances, including, without limitation, filing a complaint against you in state court.

Your Rights

21 <u>Your Rights</u> may contest this nuisance declaration or abatement order by filing a written objection with the City Clerk (1400 9th St, Leeds, AL 35094) within ten (10) days of the date of this Notice, requesting a hearing before the City Council, and appearing at that hearing to present written or other evidence to contest my decisions. If you file such an objection(s), the City Council will conduct a hearing concerning them at an upcoming regularly scheduled meeting.

We trust you will timely abate the subject public nuisances. Let me know if need any further information about these matters.

Glen Williams Building Inspector, City of Leeds Phone 205-699-0943 or Email to <u>development@leedsalabama.gov</u>

Concurrence

I agree to the above understandings in this Notice and Order and request that the City take action to abate the Unsecured Structure Nuisance. I also agree to reimburse the city for its abatement costs.

The premises must be vacated immediately from the date this notice was served upon you. All required permits for repair must be secured and demolition must be completed within __45_ days from the date this notice was served upon you. If the actions required by this notice are not commenced within or completed by the time specified, the city may affect repairs to the building. The Cost of the repair shall be performed by the City and the cost thereof assessed against the property. The Building Inspector may cause the work to be done and all costs incurred will be charged against the property or the owner of record.

RIGHT TO HEARING:

You have the right to request a hearing by filing a written request before the City Council of the City of Leeds, together with any objection to the findings by the City Officials that such building is unsafe. This filing shall hold in abeyance any action by the City until a final determination is made. This hearing shall be held on 03/06/2023 at 6:00 PM in the Civic Center Meeting Room – Leed City Hall Annex - 1412 9th St, Leeds AL 35094.

NO HEARING REQUESTED:

If no request for hearing is made after thirty (30) days from this notice, then the decision of the City Council of the City of Leeds shall be final.

APPEAL FROM DECISION:

Any person aggrieved by the decision of the city council at the hearing may, <u>within ten (10) days</u> thereafter, appeal to the Circuit Court of Jefferson County, AL, Birmingham Division. You must file with the Clerk of Court notice of the appeal and bond for security of costs in the form and in the amount approved by the Circuit Clerk. The Clerk will serve a copy of the notice of appeal on the clerk of the municipality and the appeal will be docketed in the court and will be a preferred case therein. Take Note that any trials <u>WILL BE HELD WITHOUT</u> <u>JURY</u> with respect to the determination of the City Council that the building or structure is unsafe to the extent that it is a public nuisance.

I am the Building Inspector for the City of Leeds, Alabama ("City"). Jefferson County public records indicate that you are the owner or may have an interest in the above referenced real property ("Property").

On 03/20/2023, I sent to you a letter ("Preliminary Letter") regarding my findings that various conditions at the Property constitute a public notice. In my Preliminary Letter, I detailed the offending conditions of the Property and the sections of Leeds Ordinance No. 2013-10-04 ("Ordinance") and/or the International Property Maintenance Code ("IPMC")1 which were being violated by said conditions, thus constituting a public nuisance. Since the date of the Preliminary Letter, 0. Below I further address each of these conditions.

Unsecured Structure Nuisance (if checked, the following applies in this notice)

First, Section 301.3 of the IPMC requires that, "[v]acant structures ... shall be maintained in a clean, safe, <u>secure</u> and sanitary condition as provided herein so as not to cause a blighting problem or adversely affect the public health or safety." (Emphasis added.) Section 304.15 of the IPMC requires that, "[e]xterior doors, door assemblies, operator systems if provided, and hardware shall be maintained in good condition." There are numerous conditions at the Property that violate these sections of the IPMC and constitute a public nuisance (the "Unsecured Structure Nuisance"), including but not limited to the following:

Please submit a plan that indicates how you plan to fix this issue or submit a plan for demolition.

¹A copy of Ordinance No. 2013-10-04, which the City enacted on October 21, 2013, and relevant sections of the IPMC may be obtained from the City Clerk by contacting that office at 205-699-2585 or emailing the Clerk at <u>cityhall@leedsalabama.gov</u>.

⁴⁷ Ire hereby ordered and directed to remediate these conditions within forty-five (45) days from the date of this Notice.

If you do not have a contractor, we offer the following proposal to expedite the abatement of this Nuisance. A local contractor has advised that it will furnish all materials and labor required to remediate the Unsecured Structure Nuisance – at a cost of \$. The City is willing to engage this contractor for these operations if you agree to the following understandings:

- 1. Representatives of the City or its contractor may enter the Property to remediate these conditions;
- 2. If the City retains a contractor for the operations, it will compensate that contractor for that work; and
- 3. No later than seven (7) days following completion of the operations, you will reimburse the City for its expenses by paying \$.

You may accept this proposal and these understandings by executing the Concurrence section below and returning a signed copy of this Notice to me within five (5) days of its date. Of course, you may engage your own contractor to remediate the conditions if you would prefer.

Please contact me if you have any questions about the City's proposal, or the actions that are required to abate the Unsecured Structure Nuisance.

Unsafe Condition Nuisance (if checked, the following applies in this notice)

Unsafe Condition Nuisance [if appropriate – modify as needed] Section 111.1 of the IPMC requires that, "[w]hen a structure or equipment is found by the code official to be unsafe, or when a structure is found unfit for human occupancy, or is found unlawful, such structure shall be condemned pursuant to the provisions of this code." Section 111.1 of the IPMC requires that, "[a]n unsafe structure is one that is found to be dangerous to the life, health, property or safety of the public or the occupants of the structure ... is so damaged, decayed, dilapidated, structurally unsafe or of such faulty construction or unstable foundation, that partial or complete collapse is possible." Section 111.1.3 of the IPMC requires that, "A structure is unif for human occupancy whenever the code official finds that such structure is unsafe, unlawful or, because of the equipment required by this code, or because the location of the structure constitutes a hazard to the occupants of the structure or to the public." Section 111.1.5 of the IPMC requires that, "For the purpose of this code, any structure or premises that has any or all of the conditions or defects described as follows shall be considered to be dangerous: ... 5. The building or structure, or part of the building or structure, because of dilapidation, deterioration, decay, faulty construction, the removal or movement of some portion of the sgnund necessary for the support, or for any other reason, is likely to partially or completely collapse, or some portion of the foundation or underpinning of the building or structure is neglected, damaged, dilapidated, unsecured or abandoned so as to become an attractive nuisance to children who might play in the building or structure to their danger, becomes a harbor for vagrants, criminals or immoral persons, or enables persons to resort to the building or structure for committing a nuisance or an unlawful act."

Pursuant to the terms of the IPMC, I declare that the overall condition of the structure on the Property is a public nuisance as being unsafe, unfit for human occupancy, and dangerous.

I have thoroughly inspected the structure and determined that the following conditions render the structure uninhabitable, unsafe, and a danger to human life, thereby constituting a public nuisance (the "Unsafe Condition Nuisance"):

Further, the structure is a blight in the community and diminishes property values in the City and otherwise is detrimental to public welfare.

Based on my inspection, experience, knowledge of construction trades, and the age of the structure, this Unsafe Condition Nuisance only can be remediated by demolition of the entire structure. You will be required to take that action within forty-five (45) days from the date of this Notice. Feel free to contact me if you have any questions about this requirement.

Consequence if You Fail to Abate Nuisances

Please be advised that, if you do not abate the Unsecured Structure Nuisance or Unsafe Condition Nuisance during their respective remediation period, any of the following may occur:

- 1. The City Council of Leeds ("City Council") may authorize City representatives to enter the Property, remedy the nuisances and assess the City's cost of those remedial operations against the Property, or institute other actions to collect those expenses;
- 2. You may be criminally prosecuted in the Leeds Municipal Court for violation of the Ordinance; and
- 3. The City may exercise any of its rights available under state law to abate public nuisances, including, without limitation, filing a complaint against you in state court.

Your Rights

You may contest this nuisance declaration or abatement order by filing a written objection with the City Clerk (1400 9th St, Leeds, AL 35094) within ten (10) days of the date of this Notice, requesting a hearing before the City Council, and appearing at that hearing to present written or other evidence to contest my decisions. If you file such an objection(s), the City Council will conduct a hearing concerning them at an upcoming regularly scheduled meeting.

We trust you will timely abate the subject public nuisances. Let me know if need any further information about these matters.

I am the Building Inspector for the City of Leeds, Alabama ("City"). Jefferson County public records indicate that you are the owner or may have an interest in the above referenced real property ("Property").

I have determined that the following conditions on this Property violate City of Leeds ("City") Ordinance No. 2013-10-04 ("Ordinance") and the International Property Maintenance Code ("IPMC")¹ and constitute a public nuisance:

- 1. This house was subject to a fire and there is damage visible from outside, in violation of Section 304.1.1 Exterior Structure Unsafe Conditions of the 2015 ICC International Property Maintenance Code.
- 2. This house was subject to a fire, in violation of Section 305.1.1 Interior Structure Unsafe Conditions of the 2015 ICC International Property Maintenance Code.

You are directed to abate and remedy the public nuisance by renovation, demolition, or unsafe structure replacement. At a minimum, you are directed to secure the unsafe structure within no

more than ten (10) days from the date of this Notice by taking actions such as boarding openings, windows, and doors until such time that the renovation, demolition or unsafe structure replacement can occur with the proper permit. Additionally, you are directed to contact this office at 205-699-0943 or <u>development@leedsalabama.gov</u> no more than thirty (30) days from the date of this Notice to provide the specifics regarding your plan to fully remediate these conditions.

If you do not remedy the above nuisance(s), any or all of the following may occur:

- 1. The City Council of Leeds ("City Council") may authorize City representatives to enter the Property, remedy the nuisances and assess the City's cost of those operations against the Property, or institute other actions to collect its expenses.
- 2. You may be prosecuted in the Leeds Municipal Court. If convicted, you may be subject to a fine of up to \$500.00 for each offense or other penalties as provided by law.

You may contact me at 205-699-0943 or <u>development@leedsalabama.gov</u> if you have any questions about the actions that are required to abate the nuisances or this Notice.

Thank you in advance for your cooperation.

Sincerely,

s Den Willa

INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and Members of the City Council of The City of Leeds, Alabama

Opinions

We have audited the accompanying financial statements of the governmental activities of the City of Leeds, Alabama (the City), as of and for the year ended September 30, 2022, and the related notes to the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the government activities, each major fund and the remaining fund information of the City of Leeds, Alabama as of September 30, 2022 and the changes in its net position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Certified Public Accountants 2100 Southbridge Parkway, Suite 530 Birmingham, AL 35209

P. 205.879.3292 F. 205.879.3295

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison schedules, the schedule of changes in net pension liability and the schedule of employer contributions be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented in supplement to the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United State of America, which consisted of inquiries of management about the method of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements, We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our reports dated June 16, 2023, on our consideration of the Board's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of those reports is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Board's internal control over financial reporting or on compliance. The reports are an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Board's internal control over financial reporting and compliance.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and Members of the City Council of The City of Leeds, Alabama

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the City of Leeds, Alabama, as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the City of Leeds, Alabama's basic financial statements, and have issued our report thereon dated June 16, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City of Leeds, Alabama's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Leeds, Alabama's internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Leeds, Alabama's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

P. 205.879.3292 F. 205.879.3295

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Leeds, Alabama's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Honorable Mayor and Members of the City Council of The City of Leeds, Alabama

Report on Compliance for Each Major Program

Opinion on Each Major Federal Program

We have audited The City of Leeds, Alabama's (the City), compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of the City's major federal programs for the year ended September 30, 2022. The City's major federal programs are identified in the summary of Auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the City complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs identified above for the year ended September 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the City of Leeds, Alabama and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the City of Leeds, Alabama's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts of grant agreements applicable to the City of Leeds, Alabama's federal programs.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above, occurred, whether due to fraud or error, and express an opinion on the City of Leeds, Alabama's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from an error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the City of Leeds, Alabama's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the City of Leeds, Alabama's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the City of Leeds, Alabama's internal control over compliance relevant to the audit in
 order to design audit procedures that are appropriate in the circumstances and to test and report on internal
 control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an
 opinion on the effectiveness of the City of Leeds, Alabama's internal control over compliance. Accordingly, no
 such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be *material weaknesses* or *significant deficiencies*. We did not identify any deficiencies in internal control over compliance that we consider to be *material weaknesses*, as defined above. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of our testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Introduction

The financial statements of the City of Leeds, Alabama (the City) have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The following is a summary of the significant accounting policies.

Reporting Entity

The City of Leeds, Alabama was incorporated in 1887 under the laws of Alabama and is governed by an elected Mayor and City Council. As required by generally accepted accounting principles, these financial statements present the City and its component units, entities for which the City is considered to be financially accountable. Blended component units, although legally separate entities are in substance, part of the government's operations and so, data from these entities are combined with data from the City. Discretely presented component units are reported in a separate column of the financial statements to emphasize they are legally separate from the City and have the potential to impose a financial benefit or burden to the City.

Blended Component Units: There are two blended component units of the City of Leeds, Alabama: the Leeds Commercial Development Authority (CDA) and the Leeds Redevelopment Authority (LRA). The financial information of the CDA and LRA have been blended with that of the City because they provide services entirely for the City.

Leeds Commercial Development Authority – The Leeds Commercial Development Authority was formed for the purpose of promoting commercial development in the City. The members of the CDA are appointed by the Leeds City Council. The CDA is presented as a governmental fund. Separate financial statements are not issued by the CDA. The City of Leeds, Alabama is responsible for the operations of the CDA.

Leeds Redevelopment Authority – The Leeds Redevelopment Authority was formed for the purpose of promoting and fostering redevelopment of a defined portion of the City. The members of the LRA are appointed by the Leeds Mayor. The LRA is presented as a governmental fund. Separate financial statements are not issued by the LRA. The City of Leeds, Alabama is responsible for the operations of the LRA.

Discretely Presented Component Unit – There is one discretely presented component unit of the City of Leeds, Alabama, the Leeds Public Education Building Authority (PEBA).

Leeds Public Education Building Authority – The PEBA was formed for the purpose of managing the assets and revenue bonds used to build new schools for the City of Leeds Board of Education (Leeds BOE) The members of the board of directors of PEBA are appointed by the City of Leeds and a portion of the debt service on the 2008 Education Facilities Revenue Bonds is to be repaid by PEBA with certain pledged tax revenues it receives from the City of Leeds. The 2008 Education Facilities Revenue Bonds have been refunded and the terms of the agreement apply to the new bond issue. The City's obligation is limited to providing a portion of the City's supplemental sales and use tax revenues (with a general rate of one cent) and occupational tax (with a rate of one percent) to PEBA as a credit against the lease payments required to be paid to PEBA by the Leeds BOE. The lease payments required to be paid to PEBA by the Leeds BOE are equal to the debt service each year on the 2008 Educational Facilities Revenues are not sufficient to cover the debt service on those bonds.

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Government-Wide Financial Statements

Financial reporting requirements include a management's discussion and analysis, basic financial statements consisting of government-wide and fund financial statements, required supplementary information, and other supplementary information. The City has elected not to present the management's discussion and analysis.

The basic financial statements include both government-wide (based on the City as a whole) and fund financial statements. The government-wide statement of net position is presented on a consolidated basis which includes all funds and blended component units and on a full accrual, economic resource basis, which incorporates long-term assets and receivables as well as long-term debt and obligations.

The government-wide statement of activities reflects both the gross and net costs by functional category that are being supported by general revenues, primarily taxes. The statement of activities reduces gross expenses by directly related program revenues. Program revenues include (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services or privileges provided by a given function and (2) grants and contributions that are restricted to meeting the operations or capital requirements of a particular function or segment. Taxes and other items not included in program revenues are reported as general revenues. As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

In the fund financial statements, financial transactions and accounts of the City are organized on the basis of funds. The operation of each fund is considered to be an independent fiscal and separate accounting entity, with a self-balancing set of accounts recording cash and/or other financial resources together with all related liabilities and residual equities or balances, and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The fund statements are budgeted and presented on the *current financial resource measurement focus* and the *modified accrual* basis of accounting. Since the governmental fund statements are presented on a different measurement focus and basis of accounting than the government-wide statements, a reconciliation is presented which briefly explains the adjustments necessary to reconcile them.

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting, however, debt service expenditures, as well as expenditures related to compensated absences and claims and judgements, are recorded only when the payment is due.

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first and then unrestricted resources as they are needed.

All of the City's funds fall under the broad classification of governmental funds. Governmental funds focus on the determination of financial position and changes in financial position (sources, uses, and balances of financial resources) and not net income. The following is a description of the major governmental funds of the City:

<u>General Fund</u> - The General Fund is the primary operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund.

<u>Debt Service Fund</u> - Accounts for the accumulation of resources for and the payment of principal and interest on long-term general obligation debt of governmental funds.

Non-major funds are aggregated and presented in a single column. The City's non-major funds are comprised of special revenue funds and blended component units. Special revenue funds account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

Property Tax Calendar

All ad valorem (real property) taxes levied by municipalities in Jefferson County, St. Clair County and Shelby County are assessed by their respective County Tax Assessor and collected by their respective County Tax Collector. Property values are assessed, and property taxes attach as an enforceable lien on property as of October 1 of each fiscal year. The property taxes are due and payable on October 1 of the subsequent fiscal year and are delinquent after January 1.

Cash and Cash Equivalents

The City's cash and cash equivalents are considered to be cash on hand, demand deposits and certificates of deposit with a duration of one year or less from the date of acquisition. Restricted cash represents amounts that have been placed into escrow for payment of bond principal and interest as it becomes due and amounts in special revenue accounts that are restricted by the revenue source.

Receivables

Receivables are reported net of an allowance for uncollectibles, which is based upon collection experience.

Prepaid Items

Payments to vendors for services that will benefit periods beyond year end are recorded as prepaid items in both government-wide and fund financial statements. The cost of prepaid items is recorded as expenditures/expenses when consumed rather than when purchased.

Capital Assets and Depreciation

The accounting and reporting treatment applied to the capital assets associated with a fund are determined by its measurement focus. Fund accounting reports capital outlays as expenditures and does not recognize capital assets and

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

depreciation. Under the government-wide, accrual basis of reporting, general capital assets are long-lived assets of the City as a whole. When purchased, such assets are capitalized subject to a \$5,000 capitalization threshold. Infrastructure such as streets, traffic signals and signs are capitalized. The valuation basis for general capital assets is historical cost, or where historical cost is not available, estimated historical cost based on replacement cost. Donated capital assets are capitalized at estimated fair market value on the date donated.

Depreciation of capital assets is computed and recorded by the straight-line method. Estimated useful lives of the various classes of depreciable capital assets are as follows: buildings and improvements – 15 to 60 years; improvements and infrastructure - 5 to 60 years; equipment - 5 to 15 years.

Bond Premium

On government-wide financial statements, bond premiums are deferred and amortized over the term of the bonds using the straight-line method, which approximates the effective interest method. Bond premiums are shown as additional long-term liabilities on the statement of net position

On the governmental fund financial statements, bond premiums are recognized in the year the bonds are issued.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position reports a separate section for deferred outflows of resources, which represent a consumption of net position that applies to a future period and therefore, will not be recognized as an outflow of resources (expense) until then. The City currently has three types of items that qualify for reporting in this category; the deferred loss on refunding debt, differences between expected and actual pension service costs and deferred pension expense. The deferred loss on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and actual pension service costs occur when actuarially projected amounts differ from actual results. These differences are amortized over 5 to 10.5 years. Deferred pension expense results from contributions made after the liability measurement date. These contributions will be incorporated in the actuarial calculations of the next measurement date.

In addition to liabilities, the statement of financial position reports a separate section for deferred inflows of resources, which represent an acquisition of net position that applies to a future period and as such, will not be recognized as an inflow of resources (revenue) until that time. The City currently has deferred inflows for differences in expected and actual pension experience that are being amortized over 7 years, differences in projected and actual pension investment earnings that are being amortized over 5 to 10.5 years.

Long-Term Obligations

The government-wide financial statements present long-term debt and other long-term obligations as liabilities. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line method. Bonds payable are reported net of the applicable bond premium or discount.

In fund financial statements, bond premiums, discounts and issuance costs are recognized in the current period. The face amount of debt issued is reported as other financing sources, while premiums and discounts are reported as other financial sources and uses, respectively. Issuance costs are reported as debt service expenditures.

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Net Position and Fund Balance

In the government-wide financial statements, net position is classified in the following categories:

<u>Net Investment in Capital Assets</u> - This category groups all capital assets, including infrastructure, into one component of net position. Accumulated depreciation and the outstanding balances of debt associated with the acquisition, construction, or improvement of these assets reduces this category.

<u>Restricted Net Position</u> - This category presents the net position restricted by external parties (creditors, grantors, contributors or laws and regulations).

<u>Unrestricted</u> - This category represents the net position of the City that is not restricted for any project or other purpose by third parties.

Governmental funds report fund balance classifications that comprise a hierarchy based primarily on the extent to which a City is bound to honor constraints on the specific purposes for which amounts in those resources can be spent. Fund balances are classified as follows:

<u>Non-Spendable Fund Balance</u> - Amounts that cannot be spent because they are either (a) not in spendable form - prepaid items or inventories; or (b) legally or contractually required to be maintained intact.

<u>Restricted Fund Balance</u> – Amounts that can be spent only for specific purposes because of the City Charter, City Code, state or federal laws, or externally imposed conditions by grantors or creditors.

<u>Committed Fund Balance</u> – Amounts that can be used only for the specific purposes determined by an Ordinance, the City's highest level of decision-making authority (the City Council). The City Council must adopt an ordinance to modify or rescind committed fund balances.

<u>Assigned Fund Balance</u> - Amounts that are constrained by the City's expressed intent to use resources for specific purposes but do not meet the criteria to be classified as restricted or committed. The City Council has the authority to assign amounts intended to be used for specific purposes.

<u>Unassigned Fund Balance</u> – All amounts not included in other spendable classifications. The general fund is the only fund that reports a positive unassigned fund balance amount. In all other funds, unassigned is limited to negative residual fund balance, if any.

Compensated Absences

The City accrues unused portions of vacation pay in the period the fund liability is incurred. The vesting method is used to accrue sick leave liability. The liability is based on the sick leave accumulated at year-end by those employees who are currently eligible to receive termination payments as well as other employees who are expected to become eligible to receive such payments.

Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Pension Plan

The Employees' Retirement System of Alabama (the Plan) financial statements are prepared using the economic resources measurement focus and accrual basis of accounting. Contributions are recognized as revenues when earned, pursuant to the plan requirements. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan. Expenses are recognized when the corresponding liability is incurred, regardless of when the payment is made. Investments are reported at fair value. Financial statements are prepared in accordance with requirements of the Governmental Accounting Standards Board (GASB). Under these requirements, the Plan is considered a component unit of the State of Alabama and is included in the State's Comprehensive Annual Financial Report.

Use of Estimates

In preparing these financial statements, management is required to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 – DISCRETELY PRESENTED COMPONENT UNIT

The Public Education Building Authority (PEBA) is included in the government-wide financial statements as a discretely presented component unit. The PEBA is comprised of a single fund and does not issue its own financial statements. The financial statements are presented on the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recognized when incurred. The policies and disclosures related to the PEBA that are significant to the City of Leeds are summarized as follows:

Nature of Operations

The PEBA was formed for the purpose of managing the assets and revenue bonds used to build new schools for the Leeds Board of Education (BOE). The members of the board of directors of PEBA are appointed by the City of Leeds and a portion of the debt service on the 2008 Educational Facilities Revenue Bonds is to be repaid by PEBA with certain pledged tax revenues it receives from the City of Leeds. The 2008 Educational Facilities Revenue Bonds were refunded and the same terms apply to the new bond issue. The City's obligation is limited to providing a portion of the City's supplemental sales and use tax revenues and occupational tax both with tax rate of one cent to PEBA as a credit against the lease payments required to be paid to PEBA by the BOE. The lease payments required to be paid to PEBA by the BOE are equal to the debt service each year on the 2008 Educational Facilities Revenue Bonds. The BOE is required to pay the difference in lease payments if the City's pledged tax revenues are not sufficient to cover the debt service on the bonds.

Restricted Cash and Cash Equivalents

Restricted assets include cash and cash equivalents restricted for debt service. The PEBA had \$756,268 on deposit with the trustee at September 30, 2022.

NOTE 2 - DISCRETELY PRESENTED COMPONENT UNIT - Continued

Accrued Interest

Accrued expenses at September 30, 2022 includes accrued interest which totaled \$756,266.

Bonds Payable

The PEBA has three outstanding bond issues, Series 2015, Series 2016, and Series 2017. The 2015 Series bears interest from 1.65% to 4% and will mature April 1, 2032. The principal amount outstanding at September 30, 2022 totaled \$8,725,000. The 2016 Series bears interest ranging from 1.75% to 4.00% and will mature April 1, 2035. The principal amount outstanding at September 30, 2022 totaled \$6,730,000. The 2017 Series bears interest ranging from 2.13% to 5.00% and will mature April 1, 2038. The principal amount outstanding at September 30, 2022 totaled \$20,340,000. Bonds payable are presented net of the bond discounts and bond discount accumulated amortization. As of September 30, 2022, the bond discount, net of accumulated amortization, totaled \$1,456,924.

Net Position

Net position is accounted for by the PEBA in the same manner as it is accounted for the City.

NOTE 3 – RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

The governmental fund balance sheet includes a reconciliation between fund balance – total governmental funds and net position – governmental activities as reported in the government-wide statement of net position. One element of that reconciliation explains that "bonds and other long-term liabilities are not due and payable in the current period and are not reported in the funds." The details of that difference are as follows:

Bonds and notes payable	\$ (73,097,989)
Unamortized loss on refunding	393,484
Deferred inflows and outflows related to pension	105,485
Accrued interest payable	(863,029)
Compensated absences	(698,975)
Pension liability	 (6,216,589)
Net adjustment to reduce fund balance - total governmental funds to	
arrive at net position - governmental activities	\$ (80,377,613)

NOTE 3 - RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS - continued

The governmental fund statement of revenues, expenditures, and changes in fund balances include a reconciliation between changes in fund balances – total governmental funds and changes in net position of governmental activities as reported in the government-wide statement of activities. One element of that reconciliation explains that "Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense." The details of that difference are as follows:

Net capital outlay	\$ 2,153,358
Net depreciation	 (1,906,716)
Net adjustment to increase net changes in fund balances - total	
governmental funds to arrive at changes in net position of	
governmental activities	\$ 246,642

NOTE 4 - CASH DEPOSITS AND INVESTMENTS

The City does not have a formal, written investment policy; however, state law limits the kinds of investments that Alabama municipalities can make to: (1) accounts and certificates of deposits with banks or savings associations that are qualified public depositories; (2) direct obligations of the U.S. Department of the Treasury and certain federal agencies (collectively referred in this note as "USTO"; (3) certain qualified obligations of any state and their agencies; and (4) common trust funds, collective investment funds maintained by qualified institutions, or any registered mutual funds, all of which must hold a prescribed amount of obligations meeting the requirements of 1-3 above.

Investments

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. Investments held for longer periods are subject to increased risk of adverse interest rate changes.

Custodial Credit Risk - Deposits

The City has a policy that all of its deposits be insured by federal depository insurance or the Security for Alabama Funds Enhancement, or SAFE program, which was the case for all bank deposits as of September 30, 2022. The SAFE program is administered by the State Treasurer according to State of Alabama statute, and any bank or financial institution in the State of Alabama accepting deposits of public funds is required to insure those funds by pledging eligible collateral to the State Treasurer for the SAFE collateral pool. The entire pool stands behind each deposit. Eligible collateral are those securities currently designated as acceptable collateral for state deposits as defined by State law.

NOTE 5 - RECEIVABLES

Receivables consist of the following as of September 30, 2022:

NOTE 6 - INTERFUND TRANSFERS

In general, transfers are used to (1) move revenues from the fund that collects the money to the fund that expends the money, (2) move receipts restricted or earmarked for debt service from the funds collecting the receipts to the debt service fund as debt service payments become due. The composition of interfund balances as of September 30, 2022, is as follows:

<u>Receivable Fund</u>	Payable Fund	
Debt Service Fund	General Fund	\$ 5,500,000
Redevelopment Authority	General Fund	 100,000

Funding Agreement

The City issued the Series 2013 and 2014 General Obligation School Warrants while simultaneously entering into a funding agreement with the Leeds Board of Education (BOE). The funding agreement sets forth that the BOE agrees to pay the City such amounts as shall be required so that for each calendar year during the term, the City's net debt service payments will equal the lesser of 50% of all principal and interest maturities on the warrants or \$450,000. The Series 2013 and 2014 General Obligation School Warrants were refunded through the issuance of the Series 2017 General Obligation School Warrants with the same terms.

Source of Repayment of Long-Term Liabilities

The City's long-term debt is generally repaid from the Debt Service fund with resources provided by the General Fund. Compensated absences are generally paid with General Fund resources since most of the activities affecting the liability occur within General Fund departments.

NOTE 10 - RISK MANAGEMENT

The City maintains commercial insurance policies to mitigate the risk of significant losses. Management believes the amount of insurance maintained to be adequate. There have been no significant reductions in insurance coverage. Insurance settlements have not exceeded insurance coverage for the current year or the three prior years.

NOTE 11 - COMMITMENTS AND CONTINGENT LIABILITIES

The City is involved in various lawsuits at September 30, 2022, substantially all of which will be covered by insurance in the event of a settlement or judgement against the City.

The City, in order to foster economic growth, has entered into the following agreements:

The City has entered into tax abatement agreements with local businesses under the Tax Incentive Reform Act of 1992 to promote economic development. Under the Act, cities, counties and public industrial authorities have the ability to abate sales and use taxes and property taxes for various time periods depending on the type of business. The total amount rebated under these agreements for the year ended September 30, 2022 was \$1,515,566. The balances remaining to be paid under these agreements as of September 30, 2022 cannot be determined since the total to be paid is dependent upon future sales tax, rental tax and business license revenue from each development.

NOTE 12 - PENSION PLAN

Plan Description - The ERS, an agent multiple-employer public employee retirement plan, was established as of October 1, 1945, pursuant to the *Code of Alabama 1975, Title 36, Chapter 27* (Act 515 of the Legislature of 1945). The purpose of the ERS is to provide retirement allowances and other specified benefits for state employees, State Police, and, on an elective basis, to all cities, counties, towns, and quasi-public organizations. The responsibility for the general administration and operation of ERS is vested in its Board of Control which consists of 15 trustees. Act 390 of the Legislature of 2021 created two additional representatives to the ERS Board of Control Effective October 1, 2021. The Plan is administered by the Retirement Systems of Alabama (RSA). The *Code of Alabama 1975, Title 36, Chapter 27* grants the authority to establish and amend the benefit terms to the ERS Board of Control. The Plan issues a publicly available financial report that can be obtained at www.rsa-al.gov.

The ERS Board of Control consists of 15 trustees as follows:

- The Governor, ex officio.
- The State Treasurer, ex officio.
- The State Personnel Director, ex officio.
- The State Director of Finance, ex officio.
- Three vested members of ERS appointed by the Governor for a term of four years, no two of whom are from the same department of state government nor from any department of which an ex officio trustee is the head.
- Eight members of ERS who are elected by members from the same category of ERS for a term of four years as follows:
 - Two retired members with one from the ranks of retired state employees and one from the ranks of retired employees of a city, county, or a public agency each of whom is an active beneficiary of ERS.
 - Two vested active state employees.
 - One full time employee of a participating municipality or city in ERS pursuant to the *Code of Alabama 1975, Section 36-27-6.*
 - One full time employee of a participating county in ERS pursuant to the *Code of Alabama 1975, Section 36-27-6*.
 - One full time employee or retiree of a participating employer in ERS pursuant to the *Code of Alabama 1975, Section 36-27-6*.
 - One full time employee of a participating employer other than a municipality, city or county in ERS pursuant to the *Code of Alabama 1975, Section 36-27-6*.

Benefits Provided - State law establishes retirement benefits as well as death and disability benefits and any ad hoc increase in postretirement benefits for the ERS. Benefits for ERS members vest after 10 years of creditable service. Local employees who retire after age 60 with 10 years or more of creditable service or with 25 or 30 years of service (regardless of age), depending on the particular entity's election, are entitled to an annual retirement benefit, payable monthly for life. Service and disability retirement benefits are based on a guaranteed minimum or a formula method, with the member receiving payment under the method that yields the highest monthly benefit. Under the formula method, members of the ERS are allowed 2.0125% of their average final compensation for each year of service.

Tier 1 employees who retire after age 60 with 10 or more years of creditable service or with 25 years of service (regardless of age) are entitled to an annual retirement benefit payable monthly for life. Service and disability retirement benefits are based on a guaranteed minimum or a formula method, with the member receiving payment under the method that yields the highest monthly benefit. Under the formula method, Tier 1 retirees are allowed 2.0125% of their average final compensation (highest 3 of the last 10 years) for each year of service.

NOTE 12 - PENSION PLAN – Continued

Tier 2 employees are eligible for retirement after age 62 with 10 years or more of creditable service and are entitled to an annual retirement benefit payable monthly for life. Service and disability retirement benefits are based on a guaranteed minimum or a formula method, with the member receiving payment under the method that yields the highest monthly benefit. Under the formula method, Tier 2 retirees are allowed 1.65 percent of their average final compensation (highest 5 of the last 10 years) for each year of service.

Members are eligible for disability retirement if they have 10 years of credible service, are currently in-service, and determined by the RSA Medical Board to be permanently incapacitated from further performance of duty. Preretirement death benefits equal to the annual earnable compensation of the member as reported to the Plan for the preceding year ending September 30 are paid to the beneficiary.

As of September 30, 2021, membership consisted of:

Retirees and beneficiaries currently receiving benefits	56
Vested inactive members	3
Non-vested inactive members	45
Active members	87
Post-DROP participants who are still in active service	
Total	191

Contributions - Covered members of the ERS contributed 5% of earnable compensation to the ERS as required by statute until September 30, 2011. From October 1, 2011, to September 30, 2012, covered members of the ERS were required by statute to contribute 7.25% of earnable compensation. Effective October 1, 2012, covered members of the ERS were required by statute to contribute 7.50% of earnable compensation. Certified law enforcement, correctional officers, and firefighters of the ERS contributed 6% of earnable compensation as required by statute until September 30, 2011. From October 1, 2011, to September 30, 2012, certified law enforcement, correctional officers, and firefighters of the ERS were required by statute to contribute 8.25% of earnable compensation. Effective October 1, 2012, certified law enforcement, correctional officers, and firefighters of the ERS are required by statute to contribute 8.50% of earnable compensation. Employers participating in the ERS pursuant to Code of Alabama 1975, Section 36-27-6 were not required by statute to increase covered member contribution rates but were provided the opportunity to do so through Act 2011-676. By adopting Act 2011-676, Tier 1 regular members' contribution rates increased from 5% to 7.5% of earnable compensation and Tier 1 certified law enforcement, correctional officers', and firefighters' member contribution rates increased from 6% to 8.5% of earnable compensation. Tier 2 covered members of the ERS contribute 6% of earnable compensation to the ERS as required by statute. Tier 2 certified law enforcement, correctional officers, and firefighters of the ERS are required by statute to contribute 7% of earnable compensation. These contributions rates are the same for Tier 2 covered members of ERS local participating employers.

The City's contractually required contribution rate for the year ended September 30, 2022 was 14.75% of pensionable pay for Tier 1 employees, and 12.87% of pensionable pay for Tier 2 employees. These required contribution rates are based upon the actuarial valuation dated September 30, 2019, a percent of annual pensionable payroll, and an actuarially determined amount that, when combined with member contributions, is expected to finance the costs of benefits earned by members during the year, with an additional amount to finance any unfunded accrued liability. Total employer contributions to the pension plan from the City were \$697,387 for the year ended September 30, 2022.

Net Pension Liability

The City's net pension liability was measured as of September 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of September 30, 2020 rolled forward to September 30, 2021 using standard roll-forward techniques as shown in the following table:

Actuarial assumptions. The total pension liability as of September 30, 2021 was determined on the annual actuarial funding valuation report prepared as of September 30, 2020. The key actuarial assumptions are summarized below:

Inflation	2.50%
Salary increases	3.25% - 6.00%
Investment rate of return*	7.45%

*Net of pension plan investment expense

Mortality rates were based on the Pub-2010 Below-Median Tables, projected generationally using the MP-2020 scale, which is adjusted by 66-2/3% beginning with year 2019.

135

NOTE 12 - PENSION PLAN - Continued

The long-term expected rate of return on pension plan investments was determined using a log-normal distribution analysis in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target asset allocation and best estimates of geometric real rates of return for each major asset class are as follows:

Asset Class	Target Allocation	Long-Term Expected Rate of Return
Fixed Income	15.00%	2.80%
US Large Stocks	32.00%	8.00%
US Mid Stocks	9.00%	10.00%
US Small Stocks	4.00%	11.00%
Int'l Developed Market Stocks	12.00%	9.50%
Int'l Emerging Market Stocks	3.00%	11.00%
Alternatives	10.00%	9.00%
Real Estate	10.00%	6.50%
Cash Equivalents	5.00%	1.50%
Total	100%	_

Discount rate. The discount rate used to measure the total pension liability at September 30, 2021 was the long-term rate of return, 7.45%. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that the employer contributions will be made in accordance with the funding policy adopted by the ERS Board of Control. Based on those assumptions, components of the pension plan's fiduciary net position were projected to be available to make all projected future benefit payments of current pan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability and a municipal bond rate was not used in determining the discount rate.

NOTE 14 – FUTURE ACCOUNTING PRONOUNCEMENTS

The Governmental Accounting Standards Board has issued statements that will become effective in subsequent fiscal years. The statements address:

- Statement No. 91, *Conduit Debt Obligations* to provide a single method of reporting conduit debt obligations by issuers and eliminate diversity in practice associated with (1) commitments extended by issuers, (2) arrangements associated with conduit debt obligations, and (3) related note disclosures. The requirements of GASB 91 were originally effective for fiscal years beginning after December 15, 2020, but was extended to fiscal years beginning after December 15, *Postponement of the Effective Date of Certain Authoritative Guidance.* The City is currently evaluating the impact GASB 91 may have on its financial statements.
- Statement No. 94, *Public-Private and Public-Public Partnerships and Availability Payment Arrangements* This statement will become effective for the City in Fiscal year 2023.
- Statement No. 96, *Subscription-Based Information Technology Arrangements (SBITAs)*, which defines SBITAs and provides accounting and financial reporting for SBITAs by governments. This statement requires a government to recognize a subscription liability and an intangible right-to-use subscription asset for SBITAs. The City is currently evaluating the impact this standard will have on the financial statements when adopted. The provisions of this statement are effective for fiscal years beginning after June 15, 2022.
- Statement No. 99, *Omnibus 2022*, which relates to the extension of the use of LIBOR, disclosures for non-monetary transactions, pledges of future revenues by pledging governments, clarification of certain provisions in statement No. 34 and terminology updates that take effect upon issuance. The City is currently evaluating the impact this standard will have on the financial statements when adopted. The provisions of this statement are effective for fiscal years beginning after June 15, 2022.
- Statement No. 100, Accounting Changes and Error Corrections an amendment of GASB Statement No. 62, that
 will enhance accounting and financial reporting requirements for accounting changes and error corrections to
 provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or
 assessing accountability. The provisions of this statement are effective for fiscal years beginning after June 15,
 2023.
- Statement No. 101, *Compensated Absences*, that will better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective will be achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. The City is currently evaluating the impact this standard will have on the financial statements when adopted. The provisions of this statement are effective for fiscal years beginning after December 15, 2023.

The City is currently evaluating the effects that these statements will have on its financial statements for subsequent years. The City has implemented GASB Statement No. 87, *Leases*. The implementation of this statement improves accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

THE CITY OF LEEDS, ALABAMA NOTES TO THE REQUIRED SUPPLEMENTAL INFORMATION FOR THE YEAR ENDED SEPTEMBER 30, 2022

NOTE 1 - COMPLIANCE AND ACCOUNTABILITY

Budget Requirements, Accounting, and Reporting

Requirements:

A budget is adopted for the City's general fund. The budget is based on expected expenditures by program and estimated resources by source.

With the exception of construction in progress, appropriations lapse at the end of each fiscal year.

Appropriation control (City Council appropriated budget) is by department within a fund. The budget may be amended to transfer amounts between departments. Budgetary comparison schedules are presented in the Supplemental Section as Required Supplemental information. The budgetary basis is the modified accrual basis of accounting with encumbrances included as actual.

23. Resolution 2023-07-02: Consider Adoption and Ratification of May 2023 City Expenditures/Payables

CITY OF LEEDS

RESOLUTION NO.: 2023-07-02

RESOLUTION IN ADOPTION AND RATIFICATION OF MONTHLY CITY PAYABLES/EXPENITURES

WHEREAS, although the Council approves a City budget and the related expenditures on an annual basis, the Council also has made it a practice to review and to ratify those expenditures; and

WHEREAS, in order to improve accountability and transparency, the Finance Committee has recommended that the review and ratification procedure occur on a monthly basis; and

WHEREAS, the City staff and the City Council has considered the attached monthly City expenditures and considers the approval and/or the ratification of those items to be just, authorized, and in the best interest of the City.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Leeds that:

- 1. The Recitals above are true, correct and included herein as if fully set forth.
- 2. The attached list of City expenditures is hereby ratified and approved for the month ending May 31, 2023.
- 3. The Mayor and staff shall have the full authority to do those things, perform those functions, make such decisions, and to sign necessary documentation in order to carry out and fully complete the actions so authorized herein.

ADOPTED and APPROVED at a regular meeting of the City Council of the City of Leeds, Alabama on this the 17th day of July 2023.

CITY OF LEEDS, ALABAMA

David Miller, Mayor

ATTEST:

AYES: NAYS: ABSENT: ABSTAIN:

Toushi Arbitelle, City Clerk

In my capacity as the City Clerk of the City of Leeds, hereby certify that the above Resolution was duly adopted by the City Council of the City of Leeds at a regular meeting held on the 17th day of July 2023.

24. Resolution 2023-07-03: Consider Renewal of LYAA Facilities Permit and Use Agreement

CITY OF LEEDS RESOLUTION NO.: 20123-07-03

RENEWING AUTHORIZATION FOR THE LEEDS YOUTH ATHLETIC ASSOCIATION FACILITES PERMIT & USE AGREEMENT FOR THE PRIMARY BENEFIT OF THE CITIZENS OF LEEDS.

WHEREAS, the City via Resolution in June of 2016 approved a Facilities Use Agreement with the Leeds Youth Athletic Association (LYAA) to have a standing permit to use the City facilities and equipment, property and park areas for its various sports leagues and activities; and

WHEREAS, the City renewed said Agreement in August of 2018 via resolution; and

WHEREAS, said Agreement is yet again due to be updated and renewed; and

WHEREAS, the City Council finds that the redrafting and negotiation of said Permit and Agreement will serve a significant public purpose.

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Leeds that:

- 1. The Recitals above are true, correct, approved and included herein as if fully set forth.
- 2. The LYAA shall first comply with, at minimum, and provide the Section 10 requirements of the Agreement as stated within the Agreement as follows:
 - i. The name and contact information for the Program Director and others who may be approved by said Director to be in charge of events or activities.
 - ii. A list of Officers for each sports league;
 - iii. A list of those individuals subject to fidelity bonds pursuant to this Agreement.
 - iv. A current roster of participants in each sport, (to show the number of youth participants) and where they reside.
 - v. A LYAA Board financial statement and/or bank statements with copies of checks from the previous year.
 - vi. A current set of by-laws and any rules formally adopted by the LYAA or its various sports;
 - vii. Proof of liability insurance/certificate of insurance coverage from a company licensed in the state of Alabama as required herein above.
- 3. Subject to the requirement contained herein above, the Facilities Permits and Use Agreement is hereby approved in substantially the same form as attached hereto as <u>Exhibit A</u> with any associated funding to be drawn from the City's budgeted funds related to and identified for said purposes.
- 4. The Mayor, City staff and City attorneys and staff shall have the full authority to do those things, perform those functions, make such decisions, and to sign necessary documentation in order to carry out and fully complete the actions so authorized herein.

ADOPTED and APPROVED this the 17th day of July 2023.

CITY CLERK

In my capacity as City Clerk of the City of Leeds, I hereby certify that the above Resolution was duly adopted by the City Council of the City of Leeds at a regular meeting held on the 17th day of July 2023.

TOUSHI ARBITELLE, CITY CLERK

City of Leeds

Facilities Permit & Use Agreement

(Leeds Youth Athletic Association, Inc.)

This City of Leeds Facilities Permit & Use Agreement ("Agreement") is entered into this 17th day of July 2023, by and between The City of Leeds, Alabama, a municipal corporation ("City") and the Leeds Youth Athletic Association, Inc. a 501c3 non-profit entity ("LYAA") with both the City and LYAA together referred to as the "Parties".

WITNESSETH:

WHEREAS, although LYAA is a private entity and does operate non-profit business activities at the City facilities, considering the general public benefit served by LYAA, and considering the extent and year-around duration of the LYAA use of the City facilities, it is considered the best practice for the City to issue an ongoing and standing permit for LYAA to use the City facilities for its various sports leagues and related activities; and

WHEREAS this Agreement is to serve as the standing permit and renewal for LYAA to utilize and to freely operate its programs in and around certain City facilities subject to the coordination with the City.

Now Therefore, in consideration of the premises and other good and valuable consideration which is hereby acknowledged the Parties hereby agree as follows:

- 1. <u>Recitals.</u> The Parties acknowledge that the Recitals above are true and correct and shall be included herein this Agreement as if fully set forth.
- 2. <u>Public Benefit Served.</u> The City hereby considers this Permit Agreement allowing the LYAA general and continuing restricted use of the City facilities, certain property, and its park areas to provide a significant public benefit to the citizens of the City of Leeds, Alabama.
- **3.** <u>City Permit Approval & Duration.</u> Subject to the management and oversight of a fulltime LYAA Program Director, the City hereby issues to LYAA a non-exclusive standing permit to use the City facilities for its business purposes to include, without limitation, the following purposes:
 - a. To operate and manage youth sports leagues to include, without limitation, the following:
 - i. Softball
 - ii. Baseball
 - iii. Basketball
 - iv. Football
 - v. Cheerleading
 - b. To operate concessions, vending services, and other fundraising events in relation to youth sports leagues activities.
 - c. To have LYAA meetings and events as necessary.
 - d. To charge admissions for events in the discretion of the Program Director.
 - e. Subject to Program Director approval and oversight, to hold clinics, training events, and tournaments in relation to the LYAA activities.
 - f. To contract with the City School Board, its employees and other professionals to assist with any program or event.

- 4. Covered Facilities.
 - a. The City authorizes LYAA to use the following buildings, fields, property, land, related equipment, and facilities owned by the City, including all supporting structures ("Covered Facilities"), on a non-exclusive basis to conduct a youth sports program primarily for the citizens of the City of Leeds, AL:
 - i. Leeds Civic Center Basketball courts.
 - ii. Park Drive baseball fields.
 - iii. Leeds Soccer Field located at the end of Helen Street.
 - iv. Leeds Softball and Baseball Athletic Complex located at the end of Helen Street.
 - v. This Agreement may be amended at any time, by writing signed by both Parties, to add additional Covered Facilities.
 - b. Notwithstanding this Permit, the LYAA acknowledges that City facilities are public in nature and that the Program Director shall at all times coordinate closely with the appropriate City officials and staff to ensure that any Covered Facility is not otherwise obligated to other individuals or entities.
 - c. LYAA understands that the City shall not be responsible for conflicts in scheduling the use of Covered Facilities, and the coordination between the City and LYAA shall be the sole responsibility of LYAA and its Program Director.
 - d. At all times and at the earliest opportunity, LYAA shall supply to the City current schedules of any sports league in relation to a Covered Facility.
 - e. The LYAA Program Director shall be the City's primary point of contact for all issues concerning this Permit and said Facilities.
- 5. <u>General Requirements</u>. In exchange for this Standing Permit and Agreement,
 - a. LYAA agrees to provide ongoing recreational youth sports programs for the citizens of the City for the various sports leagues identified herein above including any other sports activities as approved and sanctioned by LYAA.
 - b. All eligible youth (who live in Leeds or attend Leeds City Schools or grandfathered in) who wish to participate, regardless of ability, sex, race, national origin, or religion, will be able to play on a team that matches their age and ability. Any fee for participation will be determined by each LYAA sport and the Program Director.
 - c. In the event that any program operated by LYAA at any time fails to meet these General Requirements, this Agreement shall be subject to immediate termination without prior notice without any additional duty or further liability for the City.
 - d. LYAA agrees to be responsible for and properly use all equipment located at the facilities including, without limitation, any life support equipment or AED devices, with the proper training associated therewith.
 - e. Any LYAA use of City of Leeds School Board facilities or resources shall be performed according to separate written agreement with the School Board.
 - f. Any activity shall be managed and/or overseen by an active Program Director.
 - g. Subject only to City requirements and authority, the Program Director shall possess the inherent authority to fully implement the requirements contained herein this Agreement and to control any and all activities and foreseeable events including, without limitation, the authority to schedule, to terminate, to postpone, to stop, to authorize, to manage or to control any LYAA or related event on City facilities and property.

- h. The LYAA shall at all times reasonably protect the children, invitees and related participants from known harm.
- i. The LYAA shall at all times be responsible for the Program Director and said individual shall at no time be considered as a contractor, employee or agent of the City.

6. <u>Permit Fees.</u>

- a. In return for providing the youth sports program and for fulfilling the other requirements of this Agreement, the City hereby waives all usual fees for usage of its Covered Facilities.
- b. Financial penalties and/or fees may be levied if it is determined by the City that Facilities are being used to provide individual income of paid or volunteer LYAA staff, or that events are held without prior approval of the LYAA Board of Directors.
- c. In lieu of the usual fees associated with City Park Permits, LYAA shall provide in-kind and/or monetary services and improvements that provide substantial and documented improvements to the City Facilities on an ongoing basis during the term of this Agreement.
- d. In lieu of the usual fees associated with the City Park Permits, LYAA shall comply with all reasonable requests made by the City or its staff in relation to the expected upkeep and improvements to the Facilities.
- e. The City may, subject to the availability of funds, provide a cost pool for the use of LYAA to satisfy its added managerial and maintenance obligations contained within this Agreement. The cost pool is currently valued at an amount not to exceed Fourty-five Thousand Dollars annually.
- 7. <u>Term.</u> The term of this Agreement shall be for a period of 12 months beginning upon the date of full execution of this Agreement, (the "Initial Term"). There shall be 12-month automatic renewal terms allowed with each such term being considered as a "Renewal Term" unless otherwise terminated by the City.
- 8. <u>Termination for Convenience.</u> Either party may terminate this Agreement, or parts thereof, for the sake of convenience, provided written notice is given at least thirty (30) days in advance.
- 9. Indemnification of the City & Insurance.
 - a. Subject only to the willful negligence or wantonness of the City, LYAA agrees to and will at all times protect, indemnify, save and hold harmless the City, its employees, agents, representatives, elected officials, successors, volunteers, and assigns from any and all liability, claims, demands, damages and costs of every kind and nature, including attorney's fees and reasonable costs, resulting from, or in any manner arising out of, or in connection with the Agreement including, without limitation, any use of the Covered Facilities, City property, and City resources by LYAA, its members, its contractors, its staff, its participants, its invitees, and reasonably related individuals at City property as a result of LYAA activities. LYAA shall, upon request from the City, defend any and all demands, claims and/or suits arising from any of its use of the Covered Facilities, property and related areas.
 - b. LYAA shall at all times carry sufficient insurance coverages from a company licensed in the state of Alabama subject to the following requirements:
 - i. Comprehensive general liability insurance with a minimum of one million dollars (\$1,000,000) per occurrence combined single limit.
 - ii. The required insurance shall be evidenced by a certificate of insurance, regularly updated and provided to the City as a necessary part of this Agreement.

- iii. The City shall be <u>named as an additional insured under the policy</u>, and the City Shall be provided with a thirty (30) day notice in the event of cancellation, non-renewal, or adverse change to the policy.
- iv. Failure to maintain required insurance shall subject this Agreement to immediate cancellation.
- c. LYAA <u>shall</u> also obtain a fidelity bond regarding the activities of the Program Director or anyone responsible Program funds.

10. Additional Requirements of LYAA.

- a. LYAA must ensure that current version of the following information is provided to the appropriate City officials or staff *at all times*:
 - i. The name and contact information for the Program Director and others who may be approved by said Director to be in charge of events or activities.
 - ii. A list of Officers for each sports league.
 - iii. A list of those individuals subject to fidelity bonds pursuant to this Agreement.
 - iv. A current roster of participants in each sport, (to show the number of youth participants) and where they reside.
 - v. A LYAA Board financial statement and/or bank statements with copies of checks from the previous year.
 - vi. A current set of by-laws and any rules formally adopted by the LYAA or its various sports.
 - vii. Proof of liability insurance/certificate of insurance coverage from a company licensed in the state of Alabama as required herein above.
 - b. LYAA is responsible for the appropriate certification of coaches in accordance with the rules and requirements of their By-laws and/or league requirements.
 - c. Records of coach certification or credentials may be requested by the City.
 - d. LYAA will provide to the City copies of minutes of all regular meetings and all annual or special called meetings of the officers, Board of Directors or general membership within 30 days of the request. In addition, the City requests that the LYAA provide copies of any newsletters or special correspondence to membership.
 - e. LYAA will at all times have a reliable background check process in place for all directors, coaches or staff who are involved in any LYAA program or activity at City facilities.
 - f. LYAA shall at all times maintain a paid Program Director under contractual obligation to oversee all covered facilities, sports leagues, and activities of the LYAA. The LYAA shall vest in the Program Director all necessary authority and oversight to ensure that facilities, leagues, activities and finances are properly operated and managed in compliance with this Agreement.
 - g. Any LYAA named LYAA Program Director shall also receive prior approval from the City of Leeds City Council prior to performing work on City property and on behalf of the citizens. Irrespective of this approval requirement, the LYAA shall remain responsible for all activities and actions of said individual, and this requirement shall not be deemed to impose any liability or duty on the City of Leeds as a result thereof.
 - h. The Program Director shall be the primary liaison with the City for all purposes.
 - i. LYAA and its Program Director shall utilize the advice, expertise, and the personnel resources of the City of Leeds School Board staff, in coordination with the School Board, to enhance the learning experience of the league participants with a goal to ultimately benefit the School Board sports programs and activities.

j. The Program Director shall provide <u>at least quarterly</u> reports to the City Council at its regular meeting as to the status and financial viability of LYAA programs and sports activities to include all informational updates as required herein.

11. Use of Covered Facilities.

- a. The Covered Facilities are public property and subject to the authority of the City to include the City of Leeds Police Department. LYAA is, however, required by the City to manage the behavior of participants and spectators during LYAA sponsored sporting or other events in Covered Facilities.
- b. Without limiting the authority of the City and its staff and officials, the assigned Program Director shall be the LYAA final authority regarding the daily use of City Facilities by LYAA members, invitees, participants, coaches, or event attendees.
- c. LYAA is required to rely heavily on the park enforcement authority of the City of Leeds Police Department.
- d. As a part of the requirement for LYAA to manage its events in Covered Facilities, LYAA possesses the authority to restrict access to unruly or dangerous league participants for the safety of citizenry. Subject to the authority of the City Police Department, the Program Director shall possess all authority necessary to manage all facilities in compliance with this Agreement.
- e. The Program Director shall contact the City Police Department for assistance when necessary.
- f. LYAA use of Covered Facilities is subject to the City Park rules and regulations.
- g. LYAA must not allow any alcoholic beverages and/or illegal drugs to be consumed on City property or in the City Facilities.
- h. LYAA agrees to provide the City with a written general schedule of games and practice times as soon as they are available.
- i. Dual seasons (Fall/Spring) will likely require dual schedules. Schedules should list, at a minimum, fields/facility, dates and times. The Program Director shall also provide updates or changes to the original schedule.
- j. It is understood by both Parties that this schedule can be of a general nature with blocks of time required for games and practices. The City Council or its designee must review and approve the schedule.
- k. LYAA must obtain prior approval (at least 30 days in advance) from the City for the use of Covered Facilities for any events, tournaments, clinics or schools to be held by LYAA.
- 1. The City may allow the use of the Covered Facilities by other groups or entities within the discretion of the City if the use does not conflict with the LYAA approved schedule.
- m. Should any Covered Facility be used by another group or entity not otherwise managed by the LYYA, then LYAA shall be relieved of any liability in relation to the use by such group or entity.

12. <u>Maintenance of the Fields and Facilities</u>

- a. LYAA agrees to monitor all areas being used to ensure that the trash and litter are cleaned up after any use. These areas include any support structures at a Covered Facility.
- b. If cleanup for each event is not done in a reasonable amount of time and the City is required to do the cleanup, then the cost to the City will be paid for by the LYAA.
- c. It is recognized by the Parties that Covered Facilities are public in nature and used by citizens of the City.
- d. LYAA should notify the City of any damage, vandalism, needed repairs and/or safety issues at Covered Facilities within 2 business days.

- e. LYAA will be held responsible for any damages occurring at the Covered Facilities during a LYAA event, except for normal wear and tear from reasonable use of the Covered Facilities.
- f. LYAA shall be responsible for reimbursing the City for repair costs for any damage resulting from LYAA activities.
- g. LYAA is responsible for re-stocking and cleaning the restrooms for all LYAA events including games and practices.
- h. LYAA is responsible for monitoring restrooms during its use of Covered Facilities.
- i. LYAA will be responsible for lining and preparing the fields and facilities for play and/or use.
- j. The City will be responsible for cutting grass, weed eating, maintenance and treatments of all fields; however, the Program Director shall have authority to provide additional maintenance and oversight of said facilities.
- k. LYAA is responsible for turning of all applicable lights (Field and Facility) at the conclusion of each night's activities and locking any designated gates and doors. Field lights are to be turned off no later than 11:00 pm each night and locked nightly (Excluding old Baseball Fields 1 & 2 which the lights are not under lock).
- 1. A monetary penalty up to \$250.00 may be assessed against LYAA for lights left on unnecessarily, or for damage caused by doors or gates not being properly secured.
- m. There is a constant and significant expense associated with field lighting that requires constant management by LYAA. If energy management initiatives are not aggressively pursued by LYAA, then the City reserves the right to amend this Agreement in its sole discretion to impose financial penalties as a result of the field lighting costs.
- n. LYAA shall not be allowed to alter, add, delete or improve Covered Facilities without prior written consent by the City and shall meet existing applicable City codes and become City property; however, the Program Director shall have authority to provide additional maintenance and oversight of said facilities.
- o. In the event of inclement weather, the Program Director will determine playability of the fields and facilities in coordination with the designated City employees.

13. Operation of Concession

- a. The Program Director shall be ultimately responsible for the operation of the concession facilities and all fundraising events at Covered Facilities during LYAA events to ensure that all funds collected at City facilities/property are properly cared for and used according to this Agreement for the ultimate benefit of the citizens.
- b. All funds collected at City facilities/property shall be subject to audit at the discretion by the City.
- c. Subject to the availability of volunteers and a 30-day advance notice by the City, LYAA shall have the obligation to operate the concession facilities at any event sponsored by the City at the Covered Facilities.
- d. The use of the concession facilities is exclusive to LYAA at events hosted by LYAA unless mutually agreed by LYAA and the City.
- e. LYAA and/or the Program Director shall properly manage and maintain exclusive control of concession merchandise and related funds regardless of which sport is utilizing the facility.
- f. Profits from operation of concession facilities and events at City facilities/properties will be the property of the LYAA for the benefit of its programs in general, unless a profit-sharing arrangement is agreed upon in advance of an event identified as a City event.
- g. LYAA and/or the Program Director shall operate concession facilities in accordance with the rules and regulations established by the State of Alabama Department of Health, the Jefferson County

Department of Health and the Jefferson County Department of Environmental Services. This operation shall include, without limitation, the proper cleaning and disposal of grease trap waste.

- h. Expenses associated with such legal compliance shall be the responsibility of LYAA.
- i. Any fines associated with operation of the concession facilities by LYAA shall by the responsibility of LYAA. Failure of the LYAA to pay any such fines when due shall be a material breach of this Agreement.
- j. LYAA shall obtain and maintain all required licenses and permits. It will be the responsibility of LYAA to contact the Jefferson County Health Department to explain the level of food service the association will be using.
- k. It is LYAA's responsibility to provide the City with documentation from JCDH as to the permit issued.
- 1. LYAA may not subcontract operation of concessions without prior written approval of the City of Leeds, which may be denied in the City's sole discretion.
- m. All applicable business licenses must be obtained from the City for subcontractors and vendors.
- n. City approval must be obtained for position and placement of subcontractors and vendors in park.
- o. LYAA must completely remove all food products, equipment and supplies from the concession facilities not later than 5 days after the last home game of any season.

14. Miscellaneous

- a. The City reserves the right to conduct an audit of LYAA's financial records at any time. Audits can be conducted with no advance notice and LYAA should be prepared to produce the requested information or documentation. The City will absorb the cost of conducting these audits. Moreover, if warranted by the City based on results of the audit, an independent audit (on the cash basis or accounting) by a Certified Public Accounting firm may be required. LYAA will be responsible for the cost associated with this independent audit.
- b. It is the responsibility of LYAA to take care any contents stored in its concession stands, office and storage buildings.
- c. This Permit and Agreement may not be assigned or transferred in any manner by LYAA and any such assignment or transfer is expressly prohibited.
- d. Any previous existing written or oral contracts between the parties hereto shall be terminated as of the date of this Agreement and shall be deemed hereafter null and void and have no further force or effect whatsoever.
- e. Failure to comply with any of the improvising of this Agreement shall be deemed a breach and will entitle the City to immediately terminate this Agreement.
- f. The City reserves the right to limit access to any City facility to any participant, member, employee or agent of LYAA for good cause in the sole discretion of the City.
