SUMMARY/PURPOSE OF GRANT

- 1. In the space below, provide your organization's Mission Statement.**
The Woman's Literary Club of Leeds is dedicated to community improvement by enhancing the lives of others through volunteer service.

- 2. Organization Description. Provide an overall description of your organization. (100 word maximum)**
The Club is a member of the Alabama Federal of Women's Clubs (organized in 1895) and the General Federation of Women's Clubs (founded in 1890). GFWC members number in excess of 80,000 in affiliated clubs in every state, the District of Columbia, and more than a dozen countries. Members work in their own communities to support the arts, preserve natural resources, advance education, promote healthy lifestyles, encourage civic involvement, and work toward world peace and understanding. GFWC clubs and clubwomen are the fabric that binds not only the Federation, but the communities in which they live and work. Since 1890, GFWC and the individual clubs' impact has been felt throughout communities across the United State and the globe.

- 3. Describe your program or project and the goals of the program or project. Include information on outreach initiatives and information on partnerships with other organizations that will enhance or expand the program or project (100 word maximum)**

We serve the community through Community Service Programs outlined by the GFWC. They include:

Arts and Culture Community Service Program

Our club is a corporate member of the Leeds Arts Council, Inc. and serve the Leeds Theatre and Arts Center by promoting their schedule, volunteering as hostess for various programs and providing a scholarship for the annual Summer Student Theatre Workshop.

Civic Engagement and Outreach Community Service Program

This Community Service Program highlights and encourages citizenship; crime prevention, safety, and disaster preparedness; the needy, hungry, and homeless; and our military personnel and veterans.

The club encourages individual contributions to the Leeds Outreach on a monthly basis. The club sponsors a child each November for the Earl Street Christmas Program with Leeds Outreach.

Education and Libraries Community Service Program

The club makes annual donations to the Leeds Jane Culbreth Library and the library at each City school. The club is also a member of the Friends of the Leeds Jane Culbreth Library and provides funding for a portion of the Summer Reading Program.

In May of 2019 the club provided books for each student at the Leeds Primary School to take home for the summer along with material on the Summer Reading Program at the Leeds Jane Culbreth Library. Books were gathered for the 2020 school year as well, but the COVID virus prevented delivery. Those books will be provided to the Primary School next month at the end of school. The club sponsors an Essay Contest each November for the Leeds Middle School. We award scholarships annually to female high school seniors at the Leeds High School, based on applications. This year two \$500.00 scholarships will be awarded to Leeds High School applicants.

Environment Community Service Program

We encourage becoming stewards of the earth by working to preserve the world's resources, protect wildlife and domesticated animals, live sustainably, and beautify our communities and enjoy nature. We promote conservation and recycling.

Health and Wellness Community Service Program

The human body, mind, and spirit comprise our health and wellness. To improve our well being, we must address three key components: nutrition, disease prevention, and physical and emotional care. This Community Service Program aims to explore the various opportunities for awareness and advancement of each of these vital areas.

- 4. Please clearly show all in-kind matches to your agency or organization. Please list the donor and describe in in-kind match.**

Donations of school supplies to the Leeds City Schools by the club or individual club members

Donations of food items to Leeds Outreach by the club or individual club members

- 5. Please clearly list any cash matches to your organizations.**

n/a

- B. Explain how requested funds will be spent. In case of partial funding, how will the budget be modified? (100 word maximum)**

Annual donations to:

**Leeds Jane Culbreth Library
Leeds Elementary School Library
Leeds High School Library
Leeds Outreach
Leeds Historical Society
Ann's New Life Center**

**Leeds Primary School Library
Leeds Middle School Library
Heifer International
Leeds Arts Council
Friend of the Library
The Red Barn**

The club makes donations based on our budget and funds on hand. Prior to the COVID crisis our membership was reduced dramatically from 15 to 5. We fund our donations based on our membership dues, annual fund raiser and membership generosity. 2020 was not a year that enabled growth in members and contributions. Without the generosity of the City last year our club would not have been able to fund our usual projects up to this point.

- C. Describe the effectiveness of your fundraising efforts and address how your organization is working to increase its earned income (250 word maximum)**

The club holds our Annual Plant Sale each April. This is the only fundraising event we currently hold. The revenue from it is down for 2020 and 2021 due the drop in our membership numbers and the limitations of the COVID restrictions on marketing and the public's interest and personal budgets. This fund raiser has been sufficient in year's past to fund our donations.

- D. How will the cusses of the program/project be defined and measured? Describe your evaluation method and who will determine if the program/project was a success? (250 word maximum)**

Efforts of assistance to others, financial and otherwise, given in faith as a seed of hope that will produce in abundance, cannot be measured in graphs and charts. We give because we see the need, and trust that will produces a measure of success to the recipient(s).

- E. Please list the names, qualifications and experience of your staff, especially as regards the program/project you wish to fund.**

We have no staff, only members.

PART II: NEED & IMPACT

1. In the space below, describe why your project or program is needed. Why will funding this program be a success to the organization's theory of change. Cite Sources and Evidence. Explain how it is not duplicated by other agencies or the City of Leeds (500 word maximum)

a. The Community Services Programs we fund and support are perpetual. We not only provide funds to address the issues covered by the Programs but also the concern and time of our members. The needs we address will not go away, but someone must care enough to be there and make an effort to make a difference.

Although the City of Leeds may fund some of the entities, our donations are provided for targeted needs.

2. In the space provided, list the expected outcomes for the project/program that you are hoping to fund (250 word maximum)

Our goal is to improve the lives of the citizens of Leeds and promote a sense of civil duty to one another.

3. Explain why you believe the City of Leeds needs to fund this program or project. (100 word maximum)

The revenue for our club comes from membership dues and one annual fundraiser, a Plant Sale each April. In the spring of 2020, our membership reduced dramatically. Our membership fell from 15 to 5. The revenue from the Plant Sale was greatly reduced, because of the drop in our membership numbers and the limitations of the COVID restrictions on marketing and the public's interest and personal budgets. The Plant Sale for 2021 has been more profitable, but not sufficient to fund our projects through 2022.

A. ORGANIZATIONAL SUMMARY/PURPOSE OF GRANT**1. In the space below, provide your organization's Mission Statement.**

We intend on encouraging more involvement in the community by re-establishing our music, art, and theatre shows after being on pause for the whole of 2020. We also intend to work with the chamber to put on an Artwalk downtown. We are working to bring the Leeds Arts Council into the modern technological world by starting online ticketing and membership options.

4. Please clearly show all in-kind matches to your agency or organization. Please list the donor and describe the in-kind match.**5. Please clearly list any cash matches to your organization.**

PART II: NEED & IMPACT

- 1. In the space below, describe why your project or program is needed. Why will funding this program be a success to the organization’s theory of change. Cite Sources and Evidence. Explain how it is not duplicated by other agencies or the City of Leeds.(500 word maximum)

Our project is needed because we are the only establishment in town providing a space to display art, music, theatre, comedy and a wide range of other artistic endeavours. We also provide summer music camps and acting classes for children. This is a community space that is invaluable to the city of Leeds. In addition to these things, the Art Walk program I intend to work on with the Chamber Ambassadors will draw people to the downtown area of Leeds and show exactly how much culture and arts our city has to offer!

- 2. In the space provided, list the expected outcomes for the project/program that you are hoping to fund. (250 word maximum)

The Leeds Arts council is prioritizing funding to nurture and heal our community through the arts; to keep the doors of our arts and cultural institutions open; to protect jobs in the creative field; and to preserve our cultural heritage, our stories, and our culture bearers.

- 3. Explain why you believe the City of Leeds needs to fund this program or project. (100 word maximum)

Nationally, the nonprofit arts and culture industry generated \$166.3 billion of economic activity during 2015—\$63.8 billion in spending by arts and cultural organizations and an additional \$102.5 billion in event-related expenditures by their audiences. This activity supported 4.6 million jobs and generated \$27.5 billion in revenue to local, state, and federal governments (a yield well beyond their collective \$5 billion in arts allocations). The Arts & Economic Prosperity 5 study shows conclusively that, locally as well as nationally, the arts mean business!

__Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

We have further determined that you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(2).

If your sources of support, or your purposes, character, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. In the case of an amendment to your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, you should inform us of all changes in your name or address.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

Donors may deduct contributions to you as provided in section 170 of the
