PUBLIC WORKS DEPARTMENT

Main Number: (360) 354-3446

Public Works Committee Meeting Agenda

Microsoft Teams Virtual Meeting

City Hall - 300 Fourth Street

4:00 PM April 07, 2021

Call to Order

Action Items

1. **Approve Minutes from March 3, 2021**
2. **Six Year Transportation Improvement Plan (2022-2027) to May 3 City Council Meeting to Set a May 17 Public Hearing Date**
3. **Request for Left Turn Designator at Front & 19th Streets Intersection**
Caller requested left-turn arrow at the intersection of Front Street and 19th Street because too much traffic to turn on the green, end up turning on the red light. Staff has estimated the cost of just the signal modification to be \$12,000.
4. **Request for 3-Way Stop at Bradley and Line Roads Intersection**
5. **Request to Use Hydrant Meter for Irrigation at Ridnour Athletic Complex (1986 Main Street)**
Kevin Vander Veen, on behalf of Luke Ridnour, has requested to use a hydrant meter to irrigate the property north of the Ridnour Athletic Complex at 1986 Main Street. The field will be used for football and other sports through the summer season. Pursuing Conditional Use Permit with the Planning Department.
6. **Main Street Bridge at Pepin Creek**
Box culvert alternative will reduce projected road closure timeline from six months to four months but increase the project cost from \$2.5 million to \$3 million. Staff is recommending this option and is hoping to complete design by the end of the year for construction advertisement.

Information Items

7. **Agreement with Whatcom County for Jail Work Crew**
Staff is entering into an agreement with Whatcom County for the jail work crew to perform general yard maintenance at various City locations, including detention ponds in need of cleaning.
8. **Lynden Rec Center - Boiler, Heat Exchanger and Siding**
Staff is looking at the possibility of a Commerce grant for replacement of the boiler and

heat exchanger and has asked Brian Davidson for an estimate on siding replacement. The boiler and heat exchanger were installed in 1979 and are inefficient and in poor working condition.

9. Kamm Creek Culvert Replacement on East Badger Road This Summer

WSDOT will be replacing the Kamm Creek culvert on East Badger Road (east of town) this summer after July 15th. The culvert replacement is planned to occur within a 60-hour timeframe, during which East Badger Road will be closed.

10. 7th Street Wins APWA 2021 Project of the Year Award

The City's 7th Street project won the American Public Works Association 2021 Project of the Year Award for the category *Small Agency Transportation < \$5M*. The project would usually be show cased at the APWA Spring Conference; however, due to the pandemic, the project will be show cased in a future 'Project of the Year' video via press release in social media and by featuring the project in the Chapter magazine.

11. PROJECT - Foxtail Street Extension

The pre-construction meeting was held on March 26th. Construction is scheduled to start April 5th and should be complete by the end of May.

12. PROJECT - Industrial Condensate - Riverview to Outfall

Staff will be issuing a change order to Premium Services to replace a section of damaged and previously abandoned raw waterline to connect to previously installed industrial condensate pipe under Riverview Road.

13. PROJECT - Guide Meridian Pump Station #17

Staff is working on permanent and construction easements documents with the City attorney and property owners. City is also looking at pre-purchasing the emergency generator due to lengthy lead time.

14. PROJECT - West Front Street Reconstruction

Information Items

15. Request for Crosswalk Across Depot Road at Apple Valley Apartments (8611 Depot Road)

A resident of the Apple Valley Apartments on Depot Road called and requested a crosswalk near the apartments and LTI to cross Depot Road.

16. 2021 Events (Lynden Chamber of Commerce)

Adjournment

Next Meeting: May 5, 2021
