5. BWC's: Equipment and policy are both in place, should have everyone through training later this month. Tentative rollout date early October
6. Boiler update- Went out last winter. Repaired to get building through the colder weather. Past the point of further repair and needs to be replaced, TJ provided a range of quotes, and has more information on them. The final cost should be between the \$80,000.00-\$100,000.00 range.

Added Items.

Fireworks update: Issues brought up during August's Public Safety Committee meeting were presented to the council two weeks ago. 2 council members were supportive of reducing days, 5 abstained from comment. Per Committee Member Brent Lenssen, it doesn't seem as though reducing the days would have a noticeable impact. It would not address the issue regarding ability to enforce the change. Per Committee Member Mark Wohlrab, the main concern was not safety related, but rather a noise issue. If there were reported fires and injuries, it would be feasible to investigate further. Moving forward we will try to implement reminders to send out with utility bills, information on safe and sane fireworks, dates/hours they are allowed, as well as providing them to the Fireworks stands within the City to hand out with any purchases.

Will be keeping the days of use the same and move forward with education and information leading up to the holiday.

(Ord. 1141 § A (part), 2002).

5.30.020 Permit—Required—Exceptions.

- 1) Permit Required: No person shall engage in, participate in, aid, form or start a special event or parade unless a permit has been obtained. Applications for permits must be obtained from the city administration office, completed by the applicant, and returned to the city administration office.
- 2) Special Event Permit Tiers:
 - a) Tier 1: Permit required, application fee waived, no insurance or indemnification agreement required, administrative approval.

Commented [DT1]: This rewrite would consider public dances a Special Event - regulated by this chapter.

- i) A private event, on private property, more than 75 participants, and no substantial impact on public property, public streets, public services, neighbors, or other community members.
- ii) Political or religious activity primarily intended for the communication or expression of ideas presumed to be protected by the First and Fourteenth Amendments of the United States Constitution.

Commented [DT2]: No strong feelings expressed about 75 participants being the appropriate number where regulation begins.

Commented [DT3]: Consensus from CDC discussion was to leave Constitutionally protected events as Tier 1 (so the City is aware) and not as an outright exemption.

b) Tier 2: Permit required, application fee required, administrative approval.

- i) A private or public event, on private property, more than 75 participants, with substantial impact on local traffic, noise, and the neighborhood, but does not require public services.

c) Tier 3: Permit required, application fee required, public services fee may be determined, administrative approval.

- i) A private or public event that uses private and/or public property (this may include non-arterial street closures and 4th St between Front and Grover), more than 75 participants, and may result in substantial impact to public services (Police, Public Works, etc).

Commented [DT4]: Non-arterials and 4th St can be closed with administrative approval.

Formatted: Superscript

d) Tier 4: Permit required, application fee required, public services fee may be determined, City Council approval.

- i) A private or public event that uses private and/or public property (specifically which includes arterial street closures and streets besides 4th St in the HBD), more than 75 participants, and a substantial impact to public services (Police, Public Works, etc).

Commented [DT5]: This would include 5th St events - those will still require Council approval

Formatted: Superscript

3) Permit Exemptions: The permit requirement does not apply to the following:

- a) Funeral and wedding processions.
- b) A private event on private property, involving less than 75 participants, and which has no substantial impact on the neighborhood or on public services.
- c) Groups of students involved in a school sponsored, school supervised event.
- d) Events conducted in a facility designed for that purpose such as theaters, auditoriums, places of worship, etc.

- f) The annual Northwest Washington Fair. Other events held throughout the year at the Fairground's property and event center property are not exempt.

4)

- 2)4) Indemnification Agreement: In addition, the applicant must file an "Indemnification Agreement" in order to obtain a permit. An "Indemnification Agreement" section is included on the Special Event Application. This section must be completed (with appropriate signatures) with the application prior to issuance of the permit. forms must be obtained from the city administration office, completed and signed by the applicant and returned to the city administration office. In order for a permit to issue, the "Indemnification Agreement" must be signed on behalf of the city by the mayor or his or her designee.

Commented [DT6]: CDC discussion wished to make clear that other events (besides the actual Fair) occurring on the fairgrounds property, including at the Rotary Building, would still need the permit.

5) Insurance Requirements: General Requirements:

The following insurance shall be required for special event permit approval:

-\$2,000,000 commercial general liability insurance per occurrence combined single limits.

\$5,000,000 aggregate unless waived by City Administrator.

In addition to the date upon which the event will be held, the applicant seeking a renewal must inform the city administrator of any changes between the most recent previous edition of the event and the edition contemplated by the renewal. If the city administrator denies the renewal, he or she must do so no later than twenty-five days prior to the date upon which the event is scheduled to occur. If the actual cost for city services and equipment on the date(s) of the event is greater than the estimated cost, the applicant/sponsor will be billed for the difference.

c. Permit fees and fees for the use of public services and equipment may be waived in part or in full by the City if in review of the application it is found that the event is of sufficient public benefit to warrant the expenditure of city funds without reimbursement by the applicant/sponsor and would not result in the private financial gain of any individual or "for profit" entity.
