Motion by Myers, second to the motion by Chambers, to approve Mayor Doud's appointment of Jason St. Onge to the Mackinac County 911 Board. All in favor. Motion carried.

Councilman Bailey asked for an update on the Forest Way Townhomes Duplexes

- Dennis Dombroski has sent drawings to Dickinson & Stafford (Rick LaMarch) but haven't heard back anything definite yet.
- Councilman Bailey noted that the City needs to start looking into bonds for the project
- Mr. Dombroski noted that Stafford likes the proposed build, but will only be economical if they can do 16ft boxes, but the City's ordinance has a maximum of 14ft
  - o Stonecliffe Rd. is the main concern for the box size
  - o Could possibly use the airport runway to accommodate the larger box size, but Council would need to issue a variance for the larger box size
    - Mr. LaMarch noted that State Road and getting onto the runway would not be an issue with the proposed sizing
    - Councilwoman Myers noted that, if this is the route being considered, that the corner where British Landing Road splits to State Road needs to be measured to ensure the truck will make the corner without disrupting the neighboring properties
- Drawings either need to be issued a variance for the large box size, or the drawings will need to be redone
  - o Mr. Dombroski has reached out to redesign to 14ft boxes

**Old Business Cont.**

- Councilwoman Myers requested that attorney Evashevski start to research bonding for the project to have something in place by July
  - o Councilman Moskwa inquired about costs
  - o Councilwoman Myers noted that the units in Phase II came out to about \$280,000.00, so assuming these will be around \$300,000.00 – probably bond for \$1.3 to \$1.5 million dollars

- 7.11% increase (typical increase and similar to the past few years)
- DPW agrees to move forward with the 2024 proposal

**Re: Graduated Fines for Violation of Historic District Ordinance**

Dear Commission Members:

At the HDC October meeting, you expressed a frustration with repeat violations of work being done without the required historic district permits and that the existing fine associated with such violations is not sufficient to compel compliance.

You asked whether the fines associated with violating the Historic District Ordinance of the City of Mackinac Island (“HDO”) could be revised to contemplate for increasing fines based upon first, second and third and subsequent violations. The short answer is “yes”.

As you are likely aware, the HDO is codified in the City of Mackinac Code Ordinances<sup>1</sup> (“Code”). Generally speaking, all violations of the Code are civil infractions unless otherwise stated.<sup>2</sup> Civil infractions can be enforced with a Notice of Violation issued by the Mackinac Island Municipal Ordinance Violations Bureau (“Bureau”).<sup>3</sup> The Bureau can only accept admissions of responsibility without explanations and collect the scheduled fines for the violation.<sup>4</sup> Where a charged individual denies responsibility or admits responsibility with explanation, then a Municipal Civil Infraction Citation can be issued and filed with the court.<sup>5</sup>

Violations for civil fines payable to the Bureau are \$100 for the first offense, \$200 for the second offense, and \$500 for the third offense within a 2-year period, unless some other fine schedule is provided.<sup>6</sup> The fine for a violation associated with a citation shall not exceed \$500 unless otherwise stated by the Code.<sup>7</sup>

<sup>1</sup> Article V, Code of Ordinances.  
<sup>2</sup> §1-7(d), Code of Ordinances.  
<sup>3</sup> Article 2, Division 5, Code of Ordinances.  
<sup>4</sup> §2-333, Code of Ordinances.  
<sup>5</sup> §2-334(b), Code of Ordinances.  
<sup>6</sup> §2-335, Code of Ordinances  
<sup>7</sup> §1-7(f), Code of Ordinances.

However, the HDO has its own penalty. The HDO states that a person who violates the HDO may be fined not more than \$5,000.00.<sup>8</sup> This penalty is substantially similar to the penalty provided for by the Michigan Local Historic Districts Act (“Act”).<sup>9</sup> The Act states: “A person, individual, firm, corporation, organization, institution, or agency of government that violates this act is responsible for a civil violation and may be fined not more than \$5,000.00.”<sup>10</sup> A civil violation fine of this level is consistent with the Michigan Revised Judicature Act.<sup>11</sup>

The penalties for violating the HDO can differ for first, second, third, and subsequent offenses so long as the greatest fine does not exceed \$5,000.00 because the Code makes an exception to its general fine requirements where specifically provided for in the Code, and State law only limits the fine to no more than \$5,000.00. It is therefore our conclusion that you may provide for graduated fines depending on the number of times the HDO has been violated up to \$5,000.00.

Should you wish to have a graduated fine scale for a violation of the HDO, we recommend that the City Council consider amending Section 10-170(a) of the Code to read something like the following:

(a) A person, individual, partnership, firm, corporation, organization, institution, or agency of government that violates this ordinance ~~article~~ is responsible for a civil violation and may be fined ~~not more than \$5,000.00~~ pursuant to the following schedule, but in no case more than \$5,000.00:-

1<sup>st</sup> violation within 2-year period \*....\$ 250

2<sup>nd</sup> violation within 2-year period \*....\$ 2500

3<sup>rd</sup> and subsequent violation(s) within 2-year period \*....\$ 5000

\* determined on the basis of the date of violation(s).

(b) A person, individual, partnership, firm, corporation, organization, institution, or agency of government that violates this ordinance may be ordered by the court to pay the costs to restore or replicate a resource unlawfully constructed, added to, altered, repaired, moved, excavated or demolished.

If you have any questions or need any further information, please do not hesitate to contact my office.

Very truly yours,

ADKISON, NEED, ALLEN, & RENTROP, PLLC
