- tt. Request for approval of 1 annual vehicle permit for Gough Taxi & Livery
- uu. Request for approval of 6 annual vehicle permits for Inn at Stonecliffe
- vv. Request for approval to enter closed session to discuss written legal opinion regarding ferry boat issues

XII. Miscellaneous / General Council Discussion / Additional Agenda Items

XIII. Adjournment

**CITY OF MACKINAC ISLAND
MINUTES**

Section IV, Itema.

ANNUAL BIKE LICENSE HEARING

Wednesday, March 06, 2024 at 2:30 PM

City Hall – Council Chambers, 7358 Market St., Mackinac Island, Michigan

I. Call to Order

Mayor Doud called the hearing to order at 2:30 pm

II. Roll Call

III. Pledge of Allegiance

IV. Additions to / Adoption of Agenda

V. Correspondence

- a. Request Letter from Rosaline Development
 - Only asking for 2 additional bikes. Transportation has been hard in the Stonecliffe area, and don't see it getting better.
 - Does not want to be lumped in with those who rent bikes for a living, as this is not the same business. Rosalina's commercial bikes are included as an accommodation with our room rentals.
 - If awarded new licenses, they cannot be sold or transferred. If the business sold or dissolved, all licenses would be given back to the City.
- b. Request Letter from Harbour View Inn
 - Requesting to retain their regular 35 licenses.
- c. Request Letter from Mackinac Island Bikes
 - Currently have 319 commercial rental bike licenses.
 - If 50 additional licenses were approved to be prorated throughout the commercial bike rentals, Mackinac Island Bikes would receive 10 of those
 - More bikes are needed to serve guests
 - Confident that electric bikes (if rentable) can be governed, which would help control the electric bike use on the Island. This would also help with handicapped or people with mobility issues looking to rent something. If commercial electric bike license are issued, there should be a very limited number.
- d. Request letter from Mackinac Wheels & Mackinac Bike Barn
 - Still encountering issues with people not being able to get bikes as the rentals are sold out by mid-morning, which results in tourists bringing their own bikes the following year. This issue adds to the number of bikes and the congestion on the island.
 - Electric bike issue - more of them are coming year after year. Possibly form a committee to discuss this idea to get ahead of the process.
- e. Request letter from Mackinac Cycle
 - If additional licenses are issued, they should be on a prorated basis.
 - Perhaps there are some operations that are not looking for additional licenses, and those licenses could be left in the pool for the locations that are requesting more.
 - Trying to keep up with demand and meet guest needs.
- f. Request letter from Inn at Stonecliffe
 - Requesting 39 licenses in addition to the 42 they already hold.
 - Inn at Stonecliffe is the farthest hotel from town, and it can be hard for guests to get to the property.
 - It can set a bad precedent with guests when they arrive and the Inn is out of bikes.
 - Hotel needs to provide other forms of transportation to their guests besides the hotel shuttle.
 - Have constructed a new bike pavilion as part of their renovations, providing plenty of adequate storage for current and possibly additional rental bikes.

VI. New Business

- a. 2024 DRAFT Rental Bike License Ordinance
 - Currently have 1511 commercial bike licenses issued.

- b. Discussion regarding the transfer of rental bike licenses – Harbour View Inn
 - Harbour View Inn is being sold to new owners, so current license will need to be transferred to the new owner.
 - Before discussing the transfer further, Attorney Evashevski & the Treasurer will research the conditions Harbour View's licenses were issued under originally.

VII. Miscellaneous / General Council Discussion / Additional Agenda Items

- Councilman Corrigan
 - o Sympathetic to Mr. St. Onge with Rosalina Development and the Inn at Stonecliffe for due to their locations farther out of town.
 - o Does not think the down town businesses need to be issued any more licenses.
- Councilman Chambers
 - o Bottleneck is in the down town area. Any new licenses issued should be to the applying businesses that are located out of town.
 - o Regarding electric bike rentals – this could give the City more control over types of electric bikes used on the island and possibly limit the number of electric bikes coming to the island.
- Councilman Bailey
 - o Inquired if the issue of pro-rated license sent to committee for discussion some time back.
 - Councilwoman Myers noted that this issue was referred to committee for discussion.
 - The Treasurer and Mayor's Assistant were tasked with looking into this. Treasurer was charged with finding the percentage of licenses issued to each bike rental. Not able to conclude and come up with a recommendation in time for this hearing
 - o In favor of more bike licenses.
 - o There are plenty of bikes in town, and a large demand from the bike rentals. Don't have an issue with more issuing more licenses in town as they are mostly going out of town and when returning to town they are being returned to the bike rental, and not so much contributing to the congestion. Maybe more rental licenses will help elevate number of bikes being brought to the island by tourists.
- Councilwoman Myers noted that while working on the Master Plan, and many of the complaints are in regard to congestion. Not sure how to address that.
- How do we factor out how much rental bikes contribute to overall congestion vs. regular bikes and horses.
- Understand why the businesses want more license, but need to find a logical way to distribute them
 - o Councilman Bailey inquired if any license holders have recently relinquished their license back to the City
 - Councilwoman Myers & Mayor Doud both stated that no rental licenses have been relinquished back to the City in many years
 - Windermere and Chippewa hotels both turned in their rental licenses, but that was many, many years ago
- Ira Green of Mackinac Island Bikes noted that rental licenses are awarded on behalf of the public trust. The main need for more licenses is in the downtown area. Licenses have evolved in the locations where they are needed the most. Licenses in town are for transportation and guests.
- Jason St. Onge of Rosalina Development noted that when he first came for his original 6 licenses, Andy McGreevy stated that the "Council is here to help the locals" - would like that that is taken into consideration again, as he is only asking for 2 additional licenses.

VIII. Adjournment

There being no further business, motion by Myers, second to the motion by Bailey, to adjourn the hearing at 2:55 pm.

Margaret M. Doud, Mayor

Danielle Leach, City Clerk

CITY OF MACKINAC ISLAND
MINUTES

Section IV, Itemb.

REGULAR CITY COUNCIL MEETING

Wednesday, March 06, 2024 at 3:00 PM

City Hall – Council Chambers, 7358 Market St., Mackinac Island, Michigan

I. Call to Order

Mayor Doud called the meeting to order at 3:00 pm.

II. Roll Call

PRESENT

- Brian Bailey
- Richard Chambers
- Tom Corrigan
- Anneke Myers
- Richard Linn, Treasurer
- Doug Topolski, Chief of Police

ABSENT

- Steven Moskwa
- Alan Sehoan

IV. Approval of Minutes

- a. Minutes of the Special City Council Meeting from February 21, 2024
 - Mayor Doud stated the minutes stood approved as presented
- b. Minutes of the Regular City Council Meeting from February 21, 2024
 - Mayor Doud stated the minutes stood approved as presented

V. Approval of the Treasurer's Report

- a. Treasurer's Report 03.06.2024. To accept the report as presented.
Motion made by Myers, Seconded by Chambers.
Voting Yea: Bailey, Chambers, Corrigan, Myers

VI. Approval of Payments for:

- To approve the payroll and payables as presented.

Motion made by Chambers, Seconded by Bailey.

Voting Yea: Bailey, Chambers, Corrigan, Myers

VII. Additions to / Adoption of Agenda

- To accept the agenda as presented.

Motion made by Chambers, Seconded by Bailey.

Voting Yea: Bailey, Chambers, Corrigan, Myers

IX. Correspondence

- Dr. Mary Patay, Recreation Director
 - o The Recreation Department Master Plan has been completed and is good until 2029. The completed plan can be found online on the City's website.
 - Councilwoman Myers requested that Dr. Patay email the completed plan to Adam Young of Wade Trim.

- a. To place the letter announcing the City's receipt of the Funding Award for the Housing Readiness Incentive Grant.

Motion made by Corrigan, Seconded by Myers.

Voting Yea: Bailey, Chambers, Corrigan, Myers

XI. New Business

- a. To approve the 2024 Rental Bicycle License Ordinance, with the number of commercial licenses being issued at 1511 for the 2024 year, and to continue the study for the possible future issuance of additional licenses.

Motion made by Myers, Seconded by Bailey

Voting Yea: Bailey, Chambers, Corrigan, Myers

- b. Transfer of rental bike licenses for the Harbour View Inn to the new owners.

- o Attorney Evashevski and the Treasurer will look into the original conditions the Harbour View's rental licenses were issued under prior to discussing a transfer to the new owners. Transfer was tabled for further information on original issuance conditions.

Motion made by Myers, Second by Chambers.

Voting Yea: Bailey, Chambers, Corrigan, Myers

- c. To approve the request for approval of the 2024 Seasonal Slip Rental Agreement for Marine Rescue

Motion by Made by Myers, Second by Bailey

Voting Yea: Bailey, Chambers, Corrigan, Myers

- d. Approval to enter into the the Housing Development Fund Grant Agreement and to authorize the City Clerk & Mayor to sign the agreement.
Motion by made by Chambers, second by Corrigan
Voting Yea: Bailey, Chambers, Corrigan, Myers
- e. Approval of the Professional Services Agreement with Wade Trim for the Housing Development Fund Grant process
 - Wade Trim will help the City with the planning process to prepare and adopt zoning ordinance amendments focused on housing.
Motion made by Myers, Seconded by Corrigan.
Voting Yea: Bailey, Chambers, Corrigan, Myers
- f. Discussion and / or action regarding Mackinac Island Ferry Company's (Star Line) proposed Rates, Fees & Schedules for the 2024 season
 - Originally submitted late Feb. 21, 2024
 - Submitted additional fees March 4, 2024
 - Jerry Fetty stated that Star Line will not be charging a luggage fee
 - Councilwoman Myers
 - Charges for the cart wagon round trip, full luggage cart, and half luggage cart
 - Mr. Fetty noted that the prices presented are for one (1) way
 - Councilwoman Myers inquired how these fees apply to residents coming back with groceries
 - Jerry - only time these charges are applied is when someone insists on having their own cart with no one else's stuff on them.
 - Councilwoman Myers noted that it needs to be clarified on how these charges are assessed. If residents come to a boat and their luggage is the only thing on a cart, they will be charged for the cart?
 - Mr. Fetty replied that no, someone will only be charged for a cart if they insist that they want only their items on a cart
 - Councilwoman Myers noted that she would like this clarified on Star's fee list
 - Mr. Fetty also clarified that the charge is double from the Mackinaw City dock to deter the number of carts being put on the boat
 - Councilwoman Myers noted that this also needs to be clarified if different prices are being charged in different locations
 - Councilman Bailey inquired about the employee ticket price
 - Mr. Fetty noted that this can be added to the fare sheet
 - Councilwoman Myers inquired about the \$2 additional fee for bikes that was listed last year
 - Mr. Fetty confirmed that this fee was still charged to cover the fee that the City collects from each boat line
 - Councilwoman Myers inquired what the 2024 dates were for the schedule presented for St. Ignace Dock 1 as they were not listed on what was submitted
 - Council was informed that the dates were June 14th - September 1st
 - Councilwoman Myers asked that the schedule be resubmitted with these dates
 - Mayor Doud thanked Star Line for their service this winter
 - Councilman Bailey noted that guest services have been great this year
 - New schedule change March 11th
 - Councilwoman Myers inquired that, if Star Line finds that there is enough traffic to add another boat between 12:30 and 5:30, Star Line reserves the right to do so and the City would encourage that
 - Mr. Fetty noted that the crew monitors traffic as much as possible. Hoping that traffic will pick up more in April and an additional afternoon boat can be added
 - Councilman Corrigan inquired when the cutoff date was to purchase 2024 resident passes
 - Mr. Fetty noted that last year was an unusual year since Star Line did not have a contract with the City. This year the bulk of the passes will be sold on March 28th and 29th from 10:00 am to 4:00 pm
 - Multiple people voiced concern that those dates are within the local spring break and that many residents will not be on the island at that time
 - Mr. Fetty noted that he would look at adding an additional date for sales
 - Councilman Corrigan inquired what residents need to present in order to renew their pass

- Mr. Fetty noted that Star Line will require proof of island residency via a driver's license with a Mackinac Island address, a Michigan ID with a Mackinac Island address as well as a second form of ID (lease, utility bill, or voter ID card)
 - Councilman Corrigan reminded Mr. Fetty that, according to the Winter Service Contract and the Ferry Franchise, a person only needs to provide one of those forms of residency
 - Councilwoman Myers noted that the Winter Service Contract states the following:
 - “Island Residents. The term “Island Resident as used in this Agreement means only those individuals that are residents of the City of Mackinac Island and who produce satisfactory documentary evidence of such residence by way of a driver's license, voter identification card, utility bill, or similar evidence. Alternatively, proof of residence can be established by production of documentary evidence verifying that the individual physically resides on Mackinac Island.”
 - This language was negotiated under the current Winter Service Contract, and was agreed to by Mackinac Island Ferry Company and the City of Mackinac Island
 - Councilwoman Myers noted that the City is asking for Star Line to have some consideration. Star Line is requiring a purchaser to present an ID with a Mackinac Island address and will not accept anything else. If a person does not have that, they are turned away.
 - Councilman Corrigan again pointed out that the Winter Service Contract only requires a purchaser to provide ONE proof of residency
 - Mr. Fetty stated that those requirements don't prove domicile residency
 - Attorney Evashevski noted that the verbiage is not an “AND” its an “OR”. The Winter Service Contract does not state that a purchaser does not need to prove domicile residency
 - Councilman Bailey asked that Star Line please note that only one form of identification is required
 - Mr. Fetty noted that Star Line has guidelines posted on their website for people to know what they need to purchase a boat pass
 - Councilman Corrigan again inquired when the cutoff date was to purchase a resident pass
 - Councilwoman Myers asked Star Line for consideration of the residents, and asked that Star Line please announce the additional purchase date(s) as soon as possible
 - Mr. Fetty noted that a resident pass can be purchased at any time of the season, but each purchase needs to go on case by case basis
 - Councilwoman Myers asked that Star Line please add, for clarification, the resident pass price to your rates and fees schedule
 - Mayor's Assistant Trista France inquired if Star Line would consider giving "free" passes for the children under 5 so parents do not have to continue to obtain the "free" tickets
 - Mr. Fetty noted that this was something they could look in to offering
 - Councilwoman Myers asked to see the final winter schedule before publication
- Motion to table Mackinac Island Ferry Company's 2024 schedules, rates, and fees until more information is received from Mr. Fetty.
 Motion made by Myers, Seconded by Corrigan.
 Voting Yea: Bailey, Chambers, Corrigan, Myers
- g. Request for approval of the 2024 Dray Service Agreement with Mackinac Island Service Company
 2024 Dray Service Agreement to be tabled until the March 20th meeting to review the price comparison from the previous year.
 Motion made by Bailey, Seconded by Chambers.
 Voting Yea: Bailey, Chambers, Corrigan, Myers
- h. Approval of a preapproved vehicle permit submitted by Soils & Structures for continued construction at the Wastewater Treatment Plant for the Department of Public Works. Truck arrived on March 6th and was in use for one (1) day. Fees were waived.
 Motion made by Myers, Seconded by Corrigan.
 Voting Yea: Bailey, Chambers, Corrigan, Myers

- i. Request for approval of a vehicle permit for John Huibregtse to move household goods off island
- Mr. Huibregtse informed that Council that he would like to utilize a moving truck to move his household goods off the Island
 - Have to be out of the house by May 1st and have a large amount of goods. A good portion of things to be moved are antique furniture and collectables - don't want to load and unload 2 or 3 times on a dray
 - Believes it would be easier and safer to load the items into a moving truck and be done with it. Items would also be protected from the weather.
 - Councilwoman Myers noted that the City's Motor Vehicle Ordinance does not allow the issuance of a vehicle permit for the purpose of convenience or desire. The Council has never issued a vehicle permit for a moving truck.
 - There are other ways to move the goods. Can get a trailer to be pulled by the dray or can leave the moving van on the dock and items can be moved by dray and loaded into the moving truck at the dock
 - Mr. Huibregtse noted that he understood, but due to weather and the value of the antiques, he would prefer to have a truck at the house to load goods directly in to
 - Councilman Corrigan noted that the Council has issued permits for vehicles to be used to transport antiques and valuables in the past.
 - Recommended that Mr. Huibregtse speak with the Mackinac Island Service Company and obtain a letter stating that they will not move the items
 - Councilman Bailey noted that the April dates on the application is also the same weekend that the Grand opens, and inquired if the move could be done earlier?
 - Mayor recommended holding the permit for (2) weeks to get letter from the Service Company
 - Councilman Bailey inquired if the moving truck could be brought to the State Dock rather than the Coal Dock - less disruptive to traffic.

Permit is tabled until the March 20th meeting.

Motion made by Corrigan, Seconded by Bailey.

Voting Yea: Bailey, Chambers, Corrigan, Myers

- j. Approval of an Off-Island Business License Application for CentiMark Corp.
- Motion made by Myers, Seconded by Bailey
- Voting Yea: Bailey, Chambers, Corrigan, Myers
- k. Request for approval of (2) vehicle permits for CentiMark Corp. for roofing repairs at the Grand Hotel
- Use locations need to be specified.
 - Per Councilman Chambers - Woodville commissary, Grand Hotel, Windsor, and the Gate House
 - Councilwoman Myers noted that she does not think a truck and trailer are needed. Need proof that materials and tools cannot be hauled by a dray / trailer pulled by dray.

Permits were table until the March 20th meeting for more information

Motion made by Chambers, Seconded by Corrigan.

Voting Yea: Bailey, Chambers, Corrigan, Myers

- l. Approval of an Off-Island Business License for Creek Contracting LLC
- Motion made by Myers, Seconded by Chambers.
- Voting Yea: Bailey, Chambers, Corrigan, Myers
- m. Request for approval of a vehicle & trailer permit for Creek Contracting LLC for roofing work at Woodville (Grand Hotel)
- Councilwoman Myers noted that she had the same questions as before – need proof that the work cannot be done or materials cannot be hauled by a dray
 - Need proof / letter stating the Service Company will not / cannot haul
- Permits were table until the March 20th meeting for more information
- Motion made by Myers, Seconded by Chambers.
- Voting Yea: Bailey, Chambers, Corrigan, Myers
- n. Approval of a pre-approved vehicle permit submitted by Bob Benser for trim work & painting at 7232 Main Street (Foxy Building). Lift arrived to the site on March 5th and will be in use for 15 days. Will park lift in the alley by the Chippewa at night.
- Motion made by Myers, Seconded by Chambers.
- Voting Yea: Bailey, Chambers, Corrigan, Myers

- o. Request for approval of a vehicle & trailer permit submitted by Chippewa Hotel for concrete work at the Hoban Hill project on Cadotte Ave.
 Motion made by Myers, second made by chambers to approve the vehicle permit. Vehicle will arrive on April 1st and will be in use for 30 days.
 Voting Yea: Chambers, Corrigan, Myers
 Voting Abstaining: Bailey
 Councilman Bailey noted that the job trailer might not be able to be moved by the dray due to size of ball hitch
 Motion by Chambers, Second made by Corrigan to approve the trailer permit if it can be pulled by dray. Otherwise the permit needs to be brought back for reconsideration.
 Voting Yea: Chambers, Corrigan, Myers
 Voting Abstaining: Bailey
- p. Request for approval to enter into closed session to discuss a written attorney opinion regarding ferry boat issues
 - Jim Murray, attorney for Mackinac Island Ferry Company
- o Mayor inquired if there was any time table for repairs on the dock
 - Mr. Murray responded that he does not have that answer. Star Line is working on getting contractors to complete the work - the sooner the better.
 - o Mr. Murray noted that, per his letter, the City has no liability for private property
 - Councilman Bailey inquired if it made a difference that the City has been made aware of deficiencies in the dock
 - Mr. Murray stated that it did not make a difference
 - Councilwoman Myers inquired if Star Line could give the Council information on what large boats / cruise ships will be docking at the Main Dock during the 2024 season
 - Mr. Fetty noted that he could not give an exact number, but similar to last year.
 - In the 80 to 90 range, but not all cruise ships will be docking at the Main Dock.
 - Not sure what the number is of those who will dock rather than moor, but can get those numbers to the Council.

XII. Miscellaneous / General Council Discussion / Additional Agenda Items

Tom Sullivan:

- Thanked the Clerk for handling his recent Freedom of Information Act Request efficiently and properly.
- Thanked the Police Department for continuing the transportation program
- Inquired if the City licenses the taxi or has any influence over their rates
 - While the Mackinac Island Service Company obtains a business license, licenses for their carriages and drays, and license for their horses, they are not a contracted service through the City and they do not hold any kind of franchise agreement with the City
 - Mr. Sullivan noted that he is concerned about fares charged for those living in their neighborhood (Stonecliffe), especially is they are the only ones on the taxi and have to cover the multi-fare rate

Dennis Dombroski

- Trailers, materials, and tools
 - Issue with contractors wanting to haul their tools and materials with trailers for convenience
 - Councilwoman Myers noted that she would hope that the businesses hiring these contractors would understand that the City is trying to preserve the ban on motor vehicles
- In regards to the issued with the Star Line Main Dock
 - In previous situations on buildings he's sited, the City was liable. Would like the Council to keep this in mind.

Motion by Myers, second to the motion by Chambers, to enter into closed session to discuss a written attorney opinion at 4:09 pm.

Councilman Bailey & Dennis Dombroski left the closed session at 4:45 to catch the last boat.

Motion made by Myers, Second by Corrigan, to leave closed session at 4:59.

Motion made by Myers, Seconded by Chambers.

Voting Yea: Bailey, Chambers, Corrigan, Myers

Motion made by Chambers, Second by Corrigan, to enter into open session at 5:00 pm

Motion made by Myers, Seconded by Chambers.

Voting Yea: Bailey, Chambers, Corrigan, Myers

XIII. Adjournment

There being no further business, motion made by Myers, second by Chambers, to adjourn the meeting at 5:00 pm.

Voting Yea: Bailey, Chambers, Corrigan, Myers

Margaret M. Doud, Mayor

Danielle Leach, City Clerk

City of Mackinac Island
Attn: Danielle Leach, Clerk
P.O. Box 455
Mackinac Island, MI 49757

Dear Danielle,

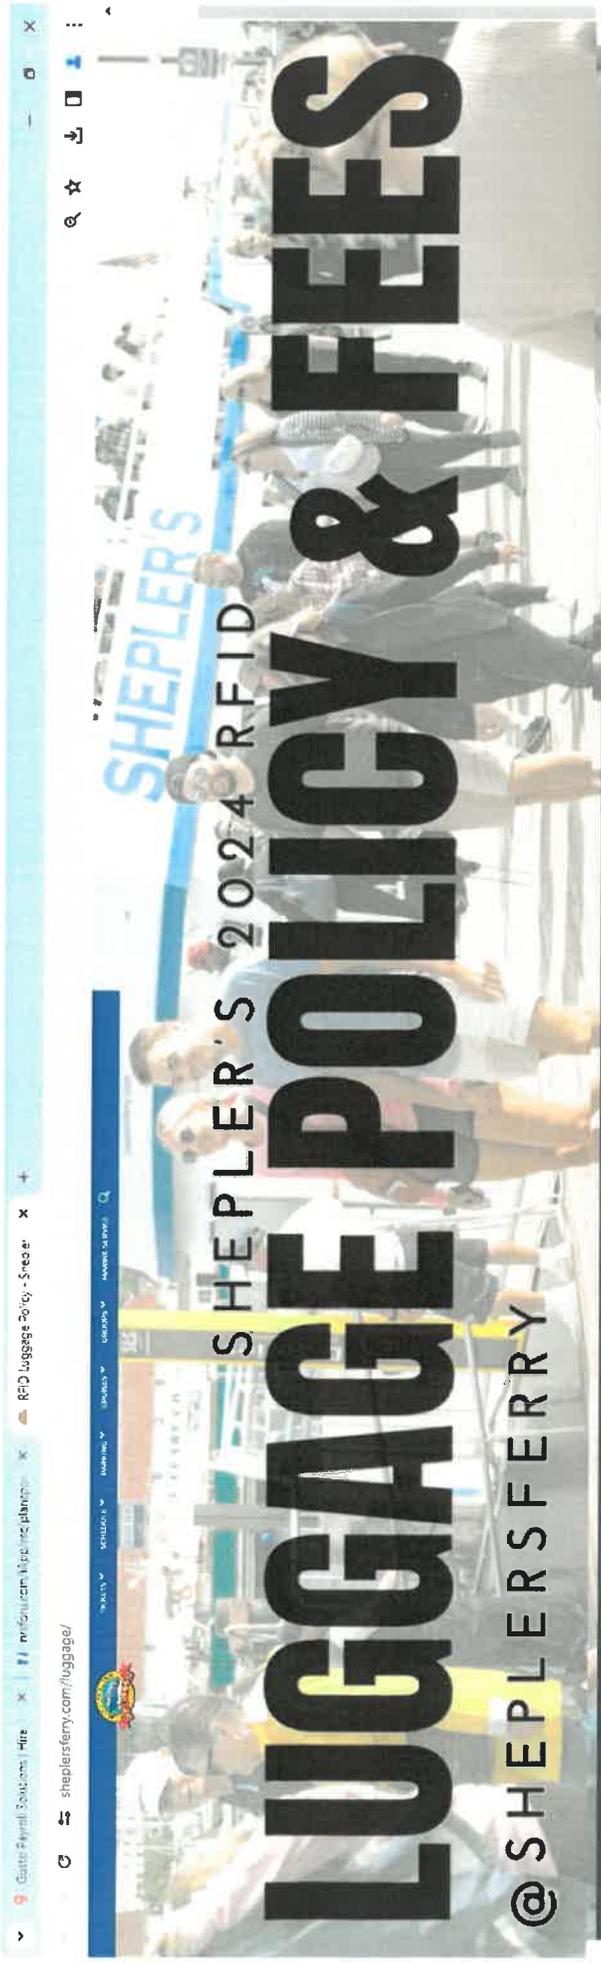

Hope this letter finds you well and enjoying the sunshine! I want to officially notify both Mayor Doud and the City Council that Shepler's Mackinac Island Ferry is suspending our luggage program for the 2024 navigational season.

If you have any questions, please let me know.

Best Regards,

Chris Shepler
President

CS/cp

RFID Luggage Policy

Dear Shepler's Passengers,

The luggage tracking system, previously scheduled to launch in time for the 2024 season, has been postponed. We will also postpone implementation of the new luggage fee schedule this season. That means it's "business as usual" in 2024.

This decision was made after careful consideration of various factors affecting the launch of these programs. We simply do not have time to have all components finalized and running smoothly in time for the 2024 season.

We appreciate your continued patronage and assure you that our entire team remains committed to providing you with the highest level of service and a safe and seamless travel experience.

If you have any questions, please don't hesitate to contact us.

Thank you for choosing Shepler's Ferry for your Mackinac Island travel needs.

Best Regards,

The Shepler's Team

MACKINAC ISLAND

PLANNING COMMISSION ★ HISTORIC DISTRICT COMMISSION ★ BUILDING DEPARTMENT

March 13, 2024

Mayor Doud and City Council
City of Mackinac Island
PO Box 455
Mackinac Island, MI 49757

Dear Mayor and City Council:

At the regular meeting of the Planning Commission on March 12, 2024, the issue of Cloverland’s maximum capacity arose. A letter was sent to Michael Heise, President and CEO of Cloverland, from Michael Straus, inquiring about the current capacity on Mackinac Island. Mr. Heise responded to Mr. Straus’ letter. The Planning Commission wanted the City Council to be aware of the communications so I have attached both letters for your review. The Planning Commission has asked me to reply to Mr. Heise asking for a monthly breakdown of usage, for the last two years. I will provide his response when we receive it. Thank you.

Sincerely,

Katie Pereny
Secretary, City of Mackinac Island Planning Commission

MACKINAC ISLAND

PLANNING COMMISSION ★ HISTORIC DISTRICT COMMISSION ★ BUILDING DEPARTMENT

February 14, 2024

Michael Heise
President and CEO
Cloverland Electric Cooperative
mheise@cloverland.com

Dear Mr. Heise

I am writing on behalf of the City of Mackinac Island Planning Commission. We would like any information you may have on where the City of Mackinac Island stands in terms of capacity. We are in the process of updating our Master Plan and the topic of electricity capacity and future needs was brought up. Could you assist in helping us understand where the City stands? Thank you in advance.

Sincerely,

Michael Straus
Chairman, City of Mackinac Island Planning Commission

CC:

Brian Lavey, Director of Engineering
Paul Warner, Director of Operations

February 27, 2024

Mr. Michael Straus
Chairman – Planning Commission
City of Mackinac Island
7538 Market Street, PO Box 455
Mackinac Island, MI 49757

Dear Mr. Straus,

This letter is in response to your letter of February 14, 2024 inquiring on behalf of the City of Mackinac Island Planning Commission about any information on where the City of Mackinac Island “*stands in terms of capacity*”, in the process of updating your Master Plan on future electric capacity needs.

Mackinac Island is electrically served by the mainland St. Ignace area distribution and transmission systems of Cloverland Electric Cooperative (CEC) and the American Transmission, LLC (ATC) respectively. On behalf of CEC’s systems, Mackinac Island is served directly by a substation located in St. Ignace via overhead, submarine, and underground distribution electrical systems. Presently, CEC observes the overall peak demand of Mackinac Island, including the City of Mackinac Island, is ordinarily just above 12 MW (Megawatts) during spring and fall periods.

The CEC system electrical capacity to serve Mackinac Island is approximately 20 MW’s.

We would certainly appreciate any information the planning commission can return and share with us; particularly any identifiable information or suggestive of future needs and/or elements within your master plan objectively related to the infrastructure necessary to serve our Members on Mackinac Island and the City of Mackinac Island.

Sincerely,

Brian Lavey

Brian Lavey – Director of Engineering

Subject: A02P0YH ATT FIBER PLACEMENT MARKET AND FORT #1

Hi Dennis,
 Hope all is well. As you may have heard, Mike Anderson is retiring in April, and I will be taking over the Eastern UP as well as all of the Northern Lower portion of MI.

I have a few permit applications for you to review. Once you've reviewed them (3 on the way), once you've reviewed these, I would like to set up a meeting on the island with you and/or a representative, as well as my placing coordinator for AT&T, and the contractor to do the work to put eyes on the locations. This way, the project can be built and restored to your satisfaction.

The attached project may not need to have any boring or digging, but I am submitting just in case there is an issue and the duct is unusable or blocked. It's for placing fiber in our existing conduit run on market, then down Fort St.

Lets put them on next week’s agenda. I have talked to Jeff and he is going to try to arrange to walk the proposed work areas with myself and his contractor during the first week of March. I have also told him about my concerns with the proposed fiber installations under the sidewalk in the downtown area without some sort of protection/indemnity for the City/DPW/property owner in the case that the fiber is damaged doing routine or emergency repairs and/or modifications to utilities, buildings, or sidewalks. I would like the Council and Erin to be aware of AT&T’s proposed plans.

Dennis
 Last one for now. This one is for Murdicks and Northwinds at 7363 Main Stand 7389 Main St. With this one I'd like to place additional innerducts under the sidewalk for all the other units there as well. This way we can be in and out in one shot. Then when other units order service, there will already be a path to place additional fiber on that stretch.

Again, once you've had a chance to review theses, I would like to set up a meeting on the island with you and/or a representative, as well as my placing coordinator for AT&T, and the contractor to do the work to put eyes on the locations. This way, the project can be built and restored to your satisfaction.

Subject: AT&T Street Cut Permits

Hello Mr. Collard,

The (3) Streets and Right of Way permits you submitted to Mr. Dombroski for AT&T to place fiber under the City sidewalks were submitted to today's City Council meeting.

I know Mr. Dombroski has spoken with you regarding agreements he would like in place before this project takes place. Mr. Dombroski also informed the Council that he will be meeting with you and a few others in the next few weeks to discuss these projects further. The Council felt that it was best to place your applications on file until after your meeting with Mr. Dombroski takes place.

If you have any questions or need anything further, please let me know.

Monday, March 18, 2024

Dear Mayor Doud and City Council Members,

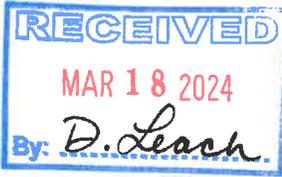

In response to last council meeting and at your request, we have prepared a third revision of our submission to include the comprehensive breakdown of rates, encompassing not only passenger-related fees but also charges for freight carts and other non-passenger items. This adjustment ensures that our documentation now fully addresses all the City's requirements and queries.

Additionally, I would like to remind all Island Resident of our Annual Island Resident Appreciation Days on Thursday, March 28th, and Friday, March 29th, from 10:00 AM to 4:00 PM at Mackinac Island Dock Number One, the Main Dock. During the appreciation days, we will have Island Resident Passes for the 2024 season available for purchase, and there will also be complimentary food and beverages available for islanders as a token of our appreciation for your continuous support and community spirit. Please note that Island Resident Passes will be on sale for Island Residents until Memorial Day, which is May 27th.

We appreciate your patience and guidance in finalizing these details and remain at your service should you need any further adjustments or clarifications.

Thank you once again for your support and cooperation.

Sincerely,
Jerry Fetty

Subject: RE: Star Line 2024 Schedules, Rates, and Fees
Attachments: 2024 Mackinac Island Ferry Company Rates and Schedule for City Council v_3.pdf

Hello Danielle,

Attached is the updated schedule and rates document as requested.

Everything in your list is in the document. Please let me know if you need anything else.

Sincerely,

Jerry

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi Jerry,

I just got through my minutes from the last meeting and here is a list of requests I had from Council

- Breakdown of luggage cart prices per city (and any other charges that may differ per city)
- Clarification for when cart charges will be applied
- Employee ticket price
- Additional \$2.00 City bike license charge
- Dates for the schedule presented for St. Ignace Dock 1
- Additional date(s) that resident boat passes will be available since many residents will be gone on March 28th and 29th for local Spring Break
- Consideration of issuing child passes for those under the age of 5 rather than parents having to obtain the free tickets for each trip
- Addition of the resident pass price to the submitted list of rates and fees
- Present the full winter schedule to the City Council for review prior to publication

Anneke and Erin – If I missed anything, please add.

Wednesday, February 21, 2024

Dear Mayor Doud, and City Council Members,

Following your request for additional information regarding our pricing structure for the City's file.

Enclosed, please find the breakdown of fees, including charges for luggage carts, bicycles, and any other ancillary services we offer to our passengers, also included our the 2024 schedule and rates previously submitted. We have endeavored to keep our pricing both competitive and transparent, ensuring that our services remain accessible to all visitors and residents of Mackinac Island.

Of special note, we wish to make it clear that the Mackinac Island Ferry Company will not be charging for checked luggage. This decision reflects our commitment to providing an exceptional and affordable service to everyone visiting or living on Mackinac Island.

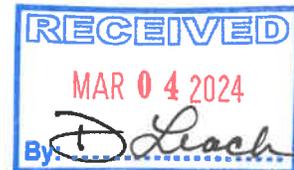

Additionally, we are excited to announce that we will be holding our Annual Island Resident Appreciation Days on Thursday, March 28th, and Friday, March 29th, from 10:00 AM to 4:00 PM. This event will be held at Mackinac Island Dock Number One, the Main Dock. During the appreciation days, we will have Island Resident Passes for the 2024 season available for purchase. There will also be complimentary food and beverages available for islanders as a token of our appreciation for your continuous support and community spirit.

Should there be any further information required or if there are additional questions, I am available at your convenience to discuss. We look forward to continuing our service to Mackinac Island and appreciate your ongoing support.

Thank you for your attention to this matter.

Best regards,

Sincerely,

Jerry Fetty

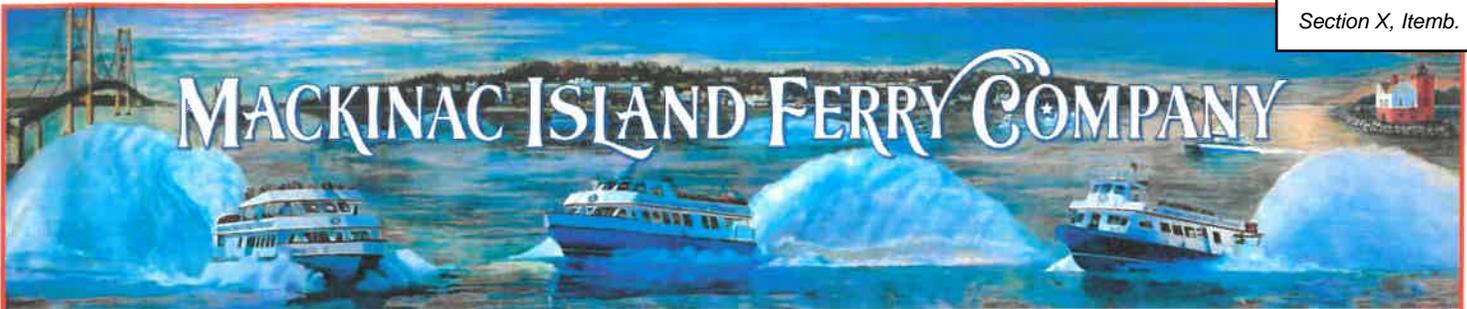

CEO/President

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

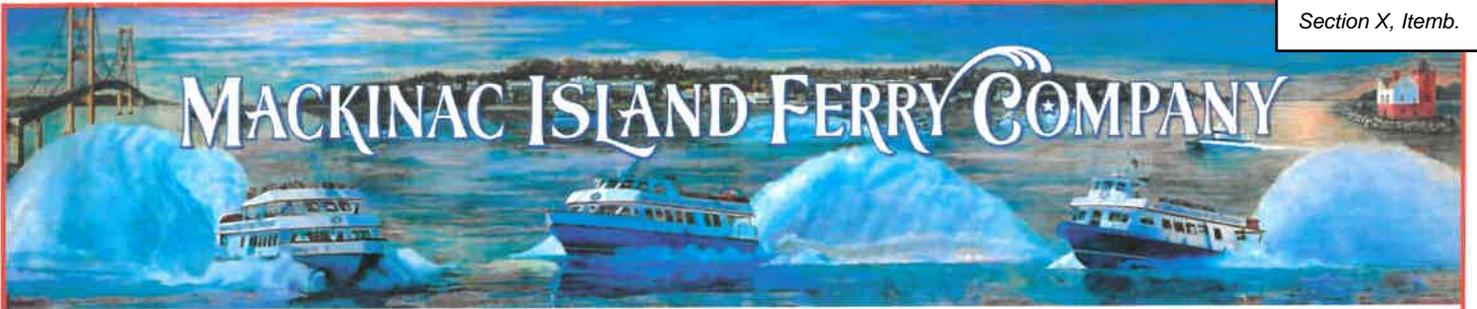

Hello Jerry,

Mayor Doud and the City Council are requesting that Star Line submit a list of all fees that are charged (luggage carts, bikes, etc.) for their review.

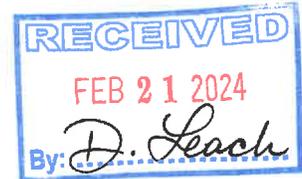

Council would like to review these fees along with your rates and schedules at the upcoming March 6th meeting, which has an agenda deadline of Monday, March 4th.

If you have any questions or need anything further, please let me know.

Danielle Leach

Dear Mayor and Council Members,

We apologize for the delay in submitting the Mackinac Island Ferry Company's 2024 schedule and rates. We value timely communication and regret any inconvenience caused.

Enclosed are the details for our 2024 services, carefully designed for safety and efficiency. We maintain the right to adjust the schedule as necessary and are dedicated to ensuring a reliable ferry service for Mackinac Island.

Should you have any questions or require further details, please contact me directly.

Thank you for your understanding and support.

Best regards,

Sincerely,

Jerry Fetty

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi Jerry,

I just got through my minutes from the last meeting and here is a list of requests I had from Council

- Breakdown of luggage cart prices per city (and any other charges that may differ per city)
- Clarification for when cart charges will be applied
- Employee ticket price
- Additional \$2.00 City bike license charge
- Dates for the schedule presented for St. Ignace Dock 1
- Additional date(s) that resident boat passes will be available since many residents will be gone on March 28th and 29th for local Spring Break
- Consideration of issuing child passes for those under the age of 5 rather than parents having to obtain the free tickets for each trip
- Addition of the resident pass price to the submitted list of rates and fees
- Present the full winter schedule to the City Council for review prior to publication

Anneke and Erin - If I missed anything, please add.

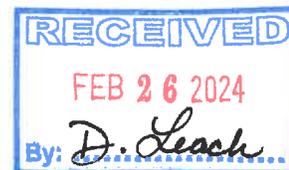

Hope everyone is enjoying the sun!

SERVICE AGREEMENT

WHEREAS, this agreement entered in this first day of May 2024 by and between Mackinac Island Service Company and,

CITY OF MACKINAC ISLAND

Is **HEREBY AGREED AS FOLLOWS:**

- (1) **SERVICE** – Mackinac Island Service Company shall provide customary freight and trash service from May 1, 2024 to November 1, 2024 for the sum of,

**TWENTY-THREE THOUSAND ONE HUNDRED AND 00/100 DOLLARS,
\$23,100.00**

Customary freight and trash service shall included and be limited to the following:

- (a) Daily pickup of all City refuse containers.-----\$10,600.00
- (b) Daily pickup of City trash from restrooms and from behind City Hall. -----\$3,700.00
- (c) The removal and disposal of manure collected from City street sweeping in a reasonable and timely manner and provision of a two foot side wagon for that purpose.-----\$8,100.00
- (d) The hauling of all City freight and supplies used in the normal course of operations except for the following separate City Divisions: Department of Public Works, Cemetery, Library, Stuart House, and Community Hall.-----\$ 700.00
- (e) The removal and transfer of all recyclable from each City drop-off site, if any.-----**No Charge**

(2) The City of Mackinac Island agrees to pay for dray service provided by Mackinac Island Service Company in the following manner:

JUNE 1, 2024	\$ 3,850.00
JULY 1, 2024	\$ 3,850.00
AUGUST 1, 2024	\$ 3,850.00
SEPT 1, 2024	\$ 3,850.00
OCT 1, 2024	\$ 3,850.00
NOV 1, 2024	<u>\$ 3,850.00</u>

TOTAL \$23,100.00

(3) Additional dray service not covered by the above agreement will be billed individually. Such services included but are not limited to building material and supplies used for new construction and the hauling of debris which may be the result from such.

Subject: Re: City of Mackinac Island Permit Applications

Good morning Danielle, just wanted to state the reason the vehicle permits were requested is to keep our power tools generators and other equipment safe and on site as needed I, also our material especially insulation can be stored inside the transit free from any type of weather or elements. The job will go much easier with everything right there onsite. The vehicles will stay parked at the Grand where the majority of the work is being done. The 2 other sites down the road are just getting patch work and that naterial can be taken down on carts Thanks for all the help with this.

On Wed, Mar 6, 2024, 7:00 PM City Clerk <clerk@cityofmi.org> wrote:

Again, if you could please include that in a new email to me so I can present that to the Council on March 20th, I would greatly appreciate it.

Thank you for your understanding!

Examples of equipment stored in the transit vans. Power tools generators to run the heat robots to seal the thermoplastic membrane ect. Along with the material. Again I appreciate your help on this.

Section X, Itemd.

On Wed, Mar 6, 2024, 6:47 PM City Clerk <clerk@cityofmi.org> wrote:

Obviously this is a decision of the Council, but I am assuming that they will say that if the materials can be hauled to each job site via dray, then the vehicle and trailer permits will be unnecessary and denied. Again, an assumption, but I believe they will tell you to dray the materials to each site from the dock, rather than having them hauled to the hotel and drayed from there.

However, if you can prove a hardship need as to why the vehicle and trailer are needed to get the materials to the hotel, I will be more than happy to present that at the March 20th Council meeting for reconsideration.

Subject: Re: City of Mackinac Island Permit Applications

That's the plan to keep the vans at the hotel and use the horse and buggy to get materials to the other locations. I was told once the vans get parked they are to stay in one spot until we leave. I apologize for the misunderstanding on this. The majority of the work will be at the Grand.

On Wed, Mar 6, 2024, 6:33 PM City Clerk <clerk@cityofmi.org> wrote:

Hello David,

Your permits submitted to today's Council meeting were tabled until our next meeting on Mar was mentioned that your proposed vehicle and trailer might be used at multiple locations, rather than just the Grand Hotel which was the only location listed on your applications. If you plan to use your vehicle and trailer at multiple locations, I need a list of all intended locations as each needs to be approved and paid for individually.

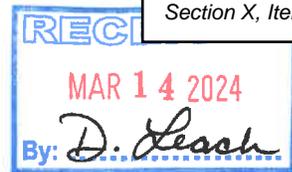

Further, the City Council would like reasoning from you as to why your materials and tools cannot be hauled by the dray (Mackinac Island Service Company) as vehicle and trailer permits cannot be approved on a convenience basis. It was noted that many roofing companies have completed large roofing jobs without vehicles in the past. It may be a good idea to contact the Mackinac Island Service Company to discuss the hauling of your tools and materials - they are able to haul trailers up to 3,000 pounds, and materials can also be loaded directly onto the dray. Trailers hauled by the dray service must be approved by the City Council as well, and are \$15.00 each. The Mackinac Island Service Company office number is (906) 847 - 3307 - I would recommend asking for Brad Chambers.

Please provide locations and reasoning for your permits by March 18, 2024 to ensure you are placed on the March 20th City Council agenda.

If you have any questions or need anything further, please let me know.

March 13th 2024

City of Mackinac Island,

On March 12th, 2024 Harbour View Mackinac, LLC and related companies acquired the business assets and real estate of Harbour View Inn, LLC. I am writing to you today consistent with Section 66-212 of the City code of ordinances to make written application for the transfer of the 35 commercial bike licenses that have been continually issued to Harbour View Inn at 6860 Main Street.

As requested in Sec 66-206(a) (66-205(a) is believed a typo in the ordinance

- 1 – Applicant – Harbour View Mackinac LLC and the sole member is Harbour View Mackinac Holding Company LLC. (Ultimately Jon Cotton thru various family trusts)
- 1 – Manager – Hotel Investment Services, INC and the owner is Ronald Wilson with representatives of Sam Barnwell and Michelle Dean

Hotel Investment Services, 3150 Livernois, Suite 260 Troy Michigan 48083

Sam Barnwell and Michelle Dean PO Box 1207 Mackinac Island, MI 49757

- 2 – The same 35 licenses are requested to be transferred.
- 3 – The rental outlet is located at 6860 Main Street
- 4 – 606-206(c) is below
- 5 – No additional information is provided at this time

As requested in Sec 66-206(c)

- 1 – The applicant is new with the purchase the manager and representatives are the same as the licenses issued in the prior years
- 2 – The licenses have been issued at the proposed location
- 3 – The physical facility has historically proven to be adequate brick paver area used store the bikes is off the private driveway and off the road. Bike repair area is out of site in the basement of the Cottage House building and rental paperwork and transactions are handled at the front desk.
- 4 – The location of the proposed rental site is convenient for the guests they have historically served. The front desk is a convenient to the public staying at the hotel to rent the bikes and they are stored just outside the desk area off the circle drive.

The area operated off the circle drive that enters Church Street. This location has not had an effect on local traffic conditions.

5 – Harbour View maintains a maintenance staff and bike repair area in the basement of the Cottage House and utilizes local bike shops for repairs beyond their skill sets or if timing does not allow onsite staff to complete repairs.

6 - The applicant is in compliance with the terms of this division

7 – The applicant is in compliance with all applicable federal, state and local building, plumbing, fire, zoning, safety, sanitation and health laws and ordinances.

8 – The transfer of these licenses to the same operators at the same location will not have an effect on the health, welfare and safety of the general public.

9 – The Applicant, Manager and Representatives will only represent 35 licenses and far below the 24 percent of the total number of rental bicycle licenses within the city.

Agenda Items – PLEASE AND SORRY!

Discussion of the Library Bathroom – The Committee was presented an Invoice of what a week’s cleaning would look like from Country Cleaning. They are the same company that clean our public restrooms. They would clean once a day five days a week for the summer season running simultaneously with our other contract. The committee recommends hiring them to clean the Library bathrooms. Total cost for the season \$5,000.00 – *Quote attached*

Discussion of the Community Hall/Bible Church – The Committee had a conversation about the bible church using the Community Hall May – September on the available Sunday's. City attorney Erin Evashevski gave an opinion, that we allow them to use the hall with the proper fees as it is for the publics use, however with a caveat that if an event were to book for the weekend we would have to cancel the Bible Churches use of the hall for that particular Sunday. The committee recommends letting the Bible Church us the hall with the caveat in place.

Approval for \$250,000 from the Capital Funds for road paving.

Discussion of Street Paving (Dennis D.) – Dennis Dombroski has asked for \$250,000 for this FY’s budget as a minimum amount for the repaving of roads throughout the City. There was an extensive conversation about paving, road and the causes that lead to the road’s rapid deterioration. Some ordinances were also talked about during this conversation pertaining to the shoe’s horses should be wearing during specific times of the year. The committee would like to meet with Brad Chambers to discuss shoe types worn be Carriage Tours horses. A recommendation by the Committee to council was made to approve the \$ 250,000 for road paving.

Chicago Yacht Club respectfully requests approval for the following items to be installed on Mackinac Island from Wednesday, July 10 to Wednesday, July 17, 2024.

Within the grounds of the Harbor View Inn:

- One 20' x 20' Merchandise tent with three walls and one opening, to be located at the bottom right-hand corner of the grounds facing the house/hotel from the road. Team One Newport will have the proper business license on hand.
- On the merchandise tent (away from the road), banners 3'x 6' or less (all to be properly tied and secured with grommets and ties with a max spacing of 2'0") from:
 - Chicago Yacht Club Race to Mackinac Presented by Wintrust

At the Grand Hotel Porch:

- A welcome banner 10'x 4' hung on the Grand Hotel Porch (all to be properly tied and secured with grommets and ties with a max spacing of 2'0")

At Mission Point:

- At the entrance to the event at Mission Point a welcome banner 10'x 4' (all to be properly tied and secured with grommets and ties with a max spacing of 2'0")
 - A stage with a sponsor backdrop
 - Sponsor banners measuring 4'x 8' or less (to be properly tied and secured with grommets with a max spacing of 2'0") along the bottom front of the stage
 - On the food and beverage tents (provided by the sponsors to Mission Point), are banners from our sponsors, each 3'x 6' (to be properly tied and secured with grommets with a max spacing of 2'0") or less, installed by Mission Point personnel
 - Two 3'x 8' banners provided by Mount Gay Rum at the bar tent (all to be properly tied and secured with grommets and ties with a max spacing of 2'0")
 - Additional sponsor banners no larger than 3'x 8' (up to 4, all to be properly tied and secured with grommets and ties with a max spacing of 2'0")
 - One 10' x 20 Merchandise tent with three walls and one opening from Team One Newport with banners 3'x 6' or less (all to be properly tied and secured with grommets and ties with a max spacing of 2'0"). Team One Newport will have the proper business license on hand.

Thank you very much for your consideration,

Hi Dennis,

Not sure if you got this when I sent it to you originally?

Please let me know your thoughts. If I can get it on this week's agenda that would be great, but if not the March 20th meeting would be fine too.

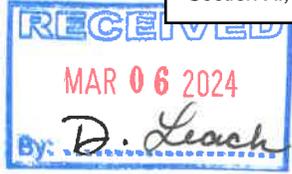

Thanks!

Danielle Leach

Good Afternoon,

2023 ANNUAL REPORT

February 2024

Welcome,

The following report details the activities of Mackinac Marine Rescue (MMR) over the last year. As we have in the past, MMR responded to a wide variety of call-outs. I am perpetually surprised by the new and interesting situations to which MMR is called. I am extremely proud of the generosity of time and skill MMR crew put into training and response.

Two incidents from last summer stand out to me. MMR had the first shoreside fire response in our program's history this summer. Not only were we able to transport fire crew and equipment to an active structure fire on Boot Island near Cedarville, but we were also able to employ, for the first time, our 500 gallon-per-minute fire pump. This provided much needed additional fire suppression. During the event, we received a near constant stream of compliments from fire crews on how well the boat and pump were working in that situation.

The second event was the search for a lost gentleman with Alzheimer's. Called to the search in the pre-daylight hours, MMR staff responded to the boat and completed two circumnavigations of the Island, searching the shoreline with spotlights. As daylight broke and the search continued, marine operations were terminated. However, the MMR crew did not think the job was done and quickly volunteered to join the shoreside search.

The two incidents described above demonstrate the flexibility in response of the equipment, and a willingness to serve the community in any way possible by the crew.

Our program has been forced to adjust to former Commander Sam Barnwell's move to Traverse City. While Sam remains active in MMR, and still holds the title of Coxswain, he is unable to put in the time the Commander position requires. I am deeply honored to be given the Commander position but miss working with Sam nearly daily. Due to our extensive and ongoing training, the MMR program remains strong even with this founding member's reduced involvement.

The comparison of total call volume from 2022 to 2023 had a slight decline as we were plagued with mechanical issues early in the season. Continued higher gas prices through the summer had an impact on recreational boat use and contributed to the reduction of search and rescue (SAR) cases.

As always, we are thankful for the support of the Council, local community, and that of the larger Straits region.

With best regards,

Commander Allen Burt

Medical Evacuations (MEDIVAC):

MEDEVAC responses continue to be an important part of MMR’s mission. During the summer of 2023, MMR conducted 24 MEDIVAC missions down from the past year. Working with the Mackinac Island Medical Center we assisted in the transfer of medical and trauma patients to a higher level of care on the mainland. An integrated system of patients, physicians, nurses, EMS, and MMR staff all worked together for the most efficient and best transport for the patient. MMR received critical calls from Boblo Island Fire/EMS again this summer requesting transportation to the mainland for 911 calls when flights were unavailable.

Search and Rescue (SAR):

MMR responded to 3 search and rescue missions that were called into 911. The SAR missions MMR responded to this season were related to boats aground and a missing person.

By The Numbers

Assists Other Agencies:

On 17 separate occasions Mackinac Marine Rescue was called to assist other agencies during 2023. Events MMR supported: Mackinac Island’s Fourth of July fireworks, Hessel Boat Show and Labor Day Bridge Walk.

MMR and Mackinac Island Fire Department were requested to assist Clark Twp Fire Department on Boot Island in the Les Cheneaux Islands. While our fire fighters assisted at the home, MMR used their water pump to transfer water from shore to the fire site.

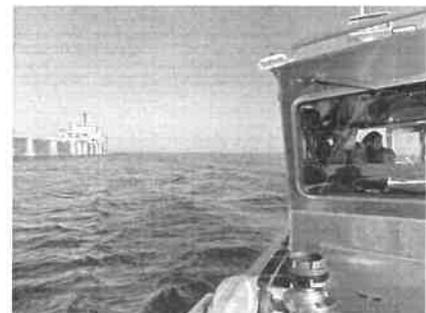

MMR continued to be an asset to the community as we regularly returning EMS and police personnel to the island after they had escorted patients to the mainland on the last boat. Thanks to this assistance, EMTs and officers serve Mackinac Island for the remainder of the night. MMR has also assisted Cloverland Electric with transportation of personnel to the island.

MIFD, MMR headed to Les Cheneaux Islands

MMR pumping water for Clark Twp FD

USCG: Labor Day Walk Patrol Command & Nuclear Screening

Chemical, Biological, Radiological, Nuclear and High Yield Explosives Detection (CBRNE):

Mackinac Marine Rescue was initially funded by a FEMA port security grant. Part of the grant required the boat be equipped with hazardous materials screening equipment and the crew be trained in its use. MMR met these expectations with random, passive screening of vessels and docks while underway this summer. MMR acted as the Patrol Command (PATCOM) vessel and as a PRND (Preventive Radiological Nuclear Detection) screening vessel during the Mackinac Bridge Labor Day walk in 2023. Being able to use the PRND equipment while underway for other missions kept our staff current on its use even with a limited number of events.

In the spring of 2023, 4 MMR crew attended CBRNE training in Nevada that equips our team to properly screen maritime vessels.

Training:

MMR had 23 training session with over 45 hours. MMR took advantage of every available opportunity to train and work with our new members including time with our partners, USCG Station St. Ignace. We train to the standards of our United States Coast Guard (USCG) counterparts and this is a high bar to reach. Training can include docking, cross towing with USCG29, driver training and search pattern drills among other duties.

MMR assisted the Mackinac County Emergency Management team with Operation Safe harbor. This was a 2-day training with numerous other state and federal agencies assisting the September event.

Dry Suit Training

2 Boat Training with USCG Station St Ignace

Operation Safe Harbor

With the assistance of Mackinac Island EMS, MMR personnel have renewed their CPR skills and obtained certification in the Stop The Bleed program every other year. In 2024, the team will work with EMS for TECC, Tactical Emergency Casualty Care designed to present a strong foundation of topics, concepts, principles, and skills specific to delivering emergency medical care for patients in a civilian tactical environment.

Partnerships:

Working together and building relationships with our area partners has been a cornerstone of the MMR mission since our inception. We are proud of the relationships we have fostered and how these relationships have improved our team and joint responses. The Mackinac Marine Rescue Team could not be successful without the help and support of our partners.

In addition to the City of Mackinac Island, there are many agencies that assisted in making MMR a successful program. We would especially like to thank the following:

- All-Star Marine (Motor installation and on-going maintenance)
- Mackinac State Historic Parks (Visitor Center for equipment storage)
- Village of Mackinaw City (Fuel access 24/7)
- United States Coast Guard (Training and operational support)
- Chad and Larry Belonga (Official Trailered Transport Driver)
- Mackinac Island Ferry Co. (Off-season vessel storage)
- Mackinac Island DNR Marina Crew (Dockage)

Working with the Mackinac Island Community Foundation (MICF) in 2020, the MMR team members began a fund within the MICF. Thanks to generous support from donors, this endowment continues to grow, and our crew has high hopes this fund will support MMR for generations to come. A big thanks goes to MICF in 2021 and 2022 for a grant of \$32,000 for the purchase of upgraded Mercury Motors.

Hi Danielle,

Can you please add us to agenda. NPE is going to cost more. We have 3 out of 4 completely done. They will have a new "estimate" to me in the next few days and I will let you know!

I think this project is turning out bigger than anticipated.....

Danielle -

The estimated cost to complete the new alarm system at the Forest Way Town Homes would be \$1,855.29.

Note that this amount does not include the hours for time with the inspector to test the system and that will be billed appropriately.

Let me know if you have any questions.

Subject: Work at Forest Way Townhomes

Hello,

I spoke with Emma Motz at the City's Forest Way Townhomes and she informed me that NPE's numbers are looking like they will be coming in a bit higher than originally quoted to help finalize the installation of the new alarm system.

Is there any chance you could get me a new quote for the overall work / price by tomorrow early afternoon?
Or forward this along to someone who might be able to help?

Any help you could provide would be great!

Dear Mayor Doud,

The Use Permit with the Mackinac Island State Park Commission for use of the Visitor's Center on Mackinac Island for equipment storage of marine rescue equipment will expire on June 1, 2024. The enclosed renewal application should be completed and returned not later than April 30, 2024. The application fee is waived.

The request for renewal will be acted upon at the next commission meeting and if approved a fully executed copy of the Use Permit will be returned to you.

Please call if you have any questions. Thank you.

Very truly yours,

Steven C. Brisson

MACKINAC ISLAND STATE PARK COMMISSION (MISPC)

USE PERMIT APPLICATION and PERMIT

NAME: City of Mackinac Island Marine Rescue

Return completed application and fee to: Mackinac Island State Park Commission P.O. Box 370 Mackinac Island, MI 49757-0370

Term of the Permit: One Year Permit Fee: Waived New [] or Renewal [X]

Legal Description of Property: Mackinac Island Visitors Center

Reason why Permit is needed: Equipment storage only

Proposed use of property:

Special Conditions: None

PERMIT WILL BE SUBJECT TO THE FOLLOWING CONDITIONS AND REQUIREMENTS:

- 1) Unless sooner terminated, this permit shall expire on June 1, 2025.
2) Requests for permit renewals should be made thirty days prior to the expiration date of this permit.
3) The rights accruing under this permit shall not be assigned or transferred without the written consent of MISPC.
4) MISPC reserves the right to grant rights-of-way and easements of any kind and nature over and across said premises...
5) MISPC reserves the right to dispose of any portion of the premises herein described during the term of this permit.
6) Permittee shall not change, alter, modify or increase the use of the permit premises in any way beyond the use specified above without the express written approval of MISPC.
7) Permittee shall maintain the area under permit in good repair, and in a clean, orderly and attractive appearance.
8) Improvements maintained by the permittee on said premises and not removed within 30 days after cancellation or expiration of this permit shall become attached and remain a part of the premises...
9) Permittee shall indemnify and hold harmless the State of Michigan, its departments, divisions, agencies, sections,

commissions, officers, employees and agents, from and against all losses, liabilities, penalties, fines, claims (including taxes), and all related costs and expenses (including reasonable attorneys fees and disbursements and costs of investigation, litigation, settlement, judgments, interest and penalties), arising from or in connection with any of the following:

- (a) any claim, demand, action, citation or legal proceedings arising out of or resulting from the performance of the work, duties, responsibilities, actions or omissions of Permittee;
- (b) any claim, demand, action, citation or legal proceeding arising out of or related to occurrences that Permittee is required to insure against as provided for in this Permit; and
- (c) any claim, demand, action, citation or legal proceeding arising out of or resulting from the death or bodily injury of any person, or the damage, loss or destruction of any real or tangible personal property, in connection with the performance of services by Permittee, anyone directly or indirectly employed by Permittee, or by anyone for whose acts Permittee may be liable; provided, however, that this indemnification obligation shall not apply to the extent, if any, that any claims, demands, actions, citations or legal proceedings are caused by the negligence or reckless or intentional wrongful conduct of the State of Michigan, its departments, divisions, agencies, sections, commissions, officers, employees or agents.

In any and all claims against the State of Michigan, or any of its departments, divisions, agencies, sections, commissions, officers, employees and agents, by any employee of Permittee, the indemnification obligation under this Permit shall not be limited in any way by the amount or type of damages, compensation or benefits payable by or for Permittee or any of its subcontractors under workers disability compensation acts, disability benefits acts, or other employee benefits acts. The duty to indemnify will continue in full force and effect notwithstanding the expiration or early termination of this Permit with respect to any claims based on facts or conditions which occurred prior to termination. The provisions of this section shall survive the expiration or termination of this Permit.

- 10) Permittee agrees to comply with all requirements herein, and if for any reason permittee violates or neglects to fulfill such requirements, this permit shall terminate and permittee shall forfeit all rights and payments made hereunder. Should permittee remain in possession of said premise after cancellation or expiration of this permit, said permittee shall be considered as tenant or tenants holding over without permission and may be evicted from said premises.

I HAVE READ THE CONDITIONS GOVERNING THIS PERMIT AND AGREE TO ABIDE BY THEM IN THE CONDUCT OF MY OPERATIONS UNDER THIS PERMIT.

Subject: RE: Follow Up - DPW Belonga Permits

Follow Up Flag: Flag for follow up
Flag Status: Flagged

Hi Danielle,

The locations that we will need to cut sidewalk/asphalt are as follows

1. 7244 Main Street (Murdick’s #2 nearest to Doud’s). sidewalk directly in front.
2. 7337 Market Street Lilac House sidewalk directly across from the post office.
3. 7301 Main Street Benjamin Kodak sidewalk directly in front of store.
4. 7325 Main Street Coal Dock asphalt cut (directly in front of Seabiscuit alleyway beside the electrical pole).
5. 7340 Main Street sidewalk cut directly in front of Corby store.
6. 7367 Main Street sidewalk directly in front of where old Mr. B’s Tastee Freeze was located.
7. 7463 Market Street Carousel Mall sidewalk directly in front of location.
8. 1294 Bourisaw Lane sidewalk smash directly in front of Jamie Bynoe’s.
9. 7389 Market Street (Yankee Rebel Apartments) sidewalk directly in front of Lucky Bean.
10. 7810 Main Street Old Mcgreevy Cottage (Sidewalk in front of address on Mahoney).
11. 7447 Market Street Cindy Riding Stable (sidewalk directly in front of Cindy’s).

The area of work is roughly from the intersection of Mahoney and M-185, Bourisaw Lane, Market Street and sidewalk locations stationed downtown.

The work start date will be 3/21/2024 and the work finish date will 4/4/2024

Thanks again Danielle

Subject: Follow Up - DPW Belonga Permits

Hi Eric,

Just a follow up as I fill out the new permit. In your email to me, please make sure to include the following:

- 1.) Name / location of digging
- 2.) Street / other location (last application says Mission Hill to Marina, so something like that encompassing the current locations would be great)
- 3.) Starting and ending date (please provide the original start date as it sounds like this work has already been going on).

Thank you so much!!

City Clerk

From: Ryan Spencer <ryan@dickinsonhomes.com>
Sent: Tuesday, March 12, 2024 11:46 AM
To: City Clerk
Subject: Re: Mackinac Island Permits

Hey Danielle,

Right now the best answer we can give is we are thinking that road restrictions will be lifted early this year.

We are planning for the Nephews Building for the week of April 8th

We are planning for Chippewa's building the week of April 29th at best.

We also plan on delivering the Truss's earlier prior to delivery modules, we would like to deliver those the week of April 1st because that trailer is not regulated by road restrictions.

We would be on the Island from April 1st to May 10th hopefully at the latest this year.

We have 2 lifts we would want to permit also and get to the site before we set the modules, those would be on site from a week prior to delivery till the last day we can be on the Island.

Ryan Spencer

GALAXY CLASS
ENTERPRISE VENDING INC.
COIN-OP

Dear Council Members,

3/18/24

I am writing to inform you of arising situations that may affect our abilities to set up the arcade at Mission Point Resort this coming Spring of 2024. While we have submitted all of the required paperwork, we have recently been informed of a growing possibility, from the freight dock, that it may be impossible to have our truck/trailers shipped to the Beaver Dock. This is due to the water levels being drastically lower this season. Once we were informed of this, we made a series of phone calls to find alternate ways of getting said equipment up to Mission Point. One of our options is to have our trailers brought to the Coal Dock with the understanding that we would not be able to use a truck to pull them through town, however the Service Company (Ray) has approved a possible idea of being able to bring up the smaller of the 2 trailers via horse drawn Dray on street level to Mission Point. While the second trailer would have to be unloaded at the dock and then put on drays. While we are crossing our fingers in the hopes of still using the Beaver Dock like we have in the past, this being the most efficient and safest way, we are also anticipating all issues we may face. We are trusting that you understand our predicament and further work with us in finding a solution. Once again this is only if the Beaver Dock cannot be accessed at the time of our permits.

We thank you greatly for your time.

Joshua Feldman
CEO
Enterprise Vending Inc

A large, stylized handwritten signature in black ink, appearing to read "Joshua Feldman".

Subject: Little Traverse Permit-Mansion Roof Catwalk Install
Attachments: IMG_9029.jpeg

Danielle,

Good afternoon!

I am requesting pre-approval on the attached Little Traverse Tree Service permit.

The state mechanical inspector required a catwalk on the Mansion roof to accommodate access to our HVAC units. The catwalk arrived a couple weeks ago and the crew is scheduled to install on March 20th, 2024. This is the only date the crew has availability.

I emailed Dennis Dombrowski to see if this particular vehicle would be ok to permit while frost laws are on, as we need a hook and boom truck that can extend further than our permitted SkyTrak. Dennis called me and said he would allow this as long as there was no other cargo/equipment on the vehicle.

If you could forward my request to the mayor that would be great. We are trying to bring this truck to the Island on March 19th so we can have it positioned in time for crew arrival on the 20th. Please call anytime if you have any questions or concerns. Thank you!

Ben Horn

City Clerk

From: Belonga Excavating <belongaexcavating@outlook.com>
Sent: Monday, March 18, 2024 8:36 AM
To: City Clerk
Subject: More Permits
Attachments: ASTREA.pdf; DPW Inspections.pdf

Follow Up Flag: Flag for follow up
Flag Status: Flagged

Good Morning,

I have two more jobs to permit.

One is the DPW water inspections; we started these last week with just a truck and the hydro-vac trailer. We will need another truck to pull the air compressor. Some of the inspections require sidewalk removal. To keep the job moving, one crew will cut the sidewalk, fill and compact it, and one crew will just do the hydro-vac.

The other job is for Astrea. Plowing in pipe for fiber from the corner of Stonecliffe Rd and Forest Dr. The pipe will be run to Manor V and Green Shed condos.

Let me know if you have any questions.

Have a great Monday,

Tanya Johnston

Sent: Monday, March 18, 2024 8:36 AM
To: City Clerk
Subject: More Permits
Attachments: ASTREA.pdf; DPW Inspections.pdf

Follow Up Flag: Flag for follow up
Flag Status: Flagged

Good Morning,

I have two more jobs to permit.

One is the DPW water inspections; we started these last week with just a truck and the hydro-vac trailer. We will need another truck to pull the air compressor. Some of the inspections require sidewalk removal. To keep the job moving, one crew will cut the sidewalk, fill and compact it, and one crew will just do the hydro-vac.

The other job is for Astrea. Plowing in pipe for fiber from the corner of Stonecliffe Rd and Forest Dr. The pipe will be run to Manor V and Green Shed condos.

Let me know if you have any questions.

Have a great Monday,

Tanya Johnston
