Pursuant to Governor Greg Abbott's temporary suspension of various provisions of the Texas Open Meetings Act to allow for telephonic or videoconference meetings of governmental bodies that are accessible to the public in an effort to reduce in person meetings that assemble large groups of people the City Council meeting scheduled for Wednesday, April 7th, was only open to the public via remote access.

The following instructions were provided to the general public.

Instructions for Public Speaking:

- Members of the public that wish to speak during public comments, public hearing or an agenda item will need to register in advance by visiting www.cityofmanor.org where a registration link will be posted on the calendar entry for each public meeting. You will register by filling in the speaker card available for that specific meeting and submitting it to publiccomments@cityofmanor.org. Once registered, instructions will be emailed to you on how to join the videoconference by calling in. Your Speaker Card must be received two (2) hours prior to scheduled meeting.

Upon receiving instructions to join zoom meeting the following rules will apply:

- All speakers must address their comments to the Mayor rather than to individual Council Members or city staff. Speakers should speak clearly into their device and state their name and address prior to beginning their remarks. Speakers will be allowed three (3) minutes for testimony. Speakers making personal, impertinent, profane or slanderous remarks may be removed from the meeting.

Mayor Wallace advised that all votes would be conducted by a Roll Call Vote, meaning each City Council Member would be called on separately to cast their vote.
