REGULAR AGENDA

3. Consideration, discussion, and possible action city goals and vision.

Robert Battaile, 502 E. Eggleston St. Manor, Texas, submitted a speaker card requesting to speak in opposition of this item. Mr. Battaile expressed his dislike of the wording of the visions and goals statements. He stated he felt it was counterproductive and used wording that was misleading and unconcise. He gave specific examples regarding his standings that he felt applied to this item.

Mayor Harvey introduced himself and greeted the P&Z Commission. He expressed his desire to increase the relationship and interaction between the City Council and the P&Z Commission. He stated he felt Council and P&Z are charged with things that need to be addressed within the city and should have better communication.

Mayor Harvey explained to the Commissioners and audience that the purpose of the goals and vision statement is a strategic vision statement of where we want to be. Mayor Harvey gave the research background that went into the creation of the statement. He stated that the words included in the vision statement reflected the values of the individual in the community. He explained the use of the words that involved the following items:

- Diversity within the community
- sustainable community in environment and development
- strategic regional leadership,
- quality of life enhanced by working with others like the county or TxDot, and
- the safe environment of all the citizens of the community.

Mayor Harvey referred to his *State of the City Address* where he emphasized his intentions to Build Manor Strong. He expressed his desire to increase opportunities for families, increasing businesses in the community, and improving our infrastructure within the city. He expressed his understanding and concern for issues within the community such as road conditions and traffic. He assured the Commission that Council was working with others in and around Manor to address the concerns of the community.

Mayor Harvey answered questions from the Commissioners regarding the inaction between the Council and Commission. Discussion was held regarding the focus of the City Council. Mayor Harvey stated that Council has set up a measurable focus through the City Manager and his contract.

Mayor Harvey stated he has been researching ways to alleviate or decrease the issues with traffic by better understanding the underlying cause and taking appropriate action. He explained the necessity of creating more jobs in Manor.

Mayor Harvey addressed the expressed concerns regarding the local school district. He informed the Commission of the accomplishments of the schools. He highlighted the success of the programs in place within Manor ISD that enables direct hire of the graduates to major corporations in our area.

There was no further discussion.
