*Pursuant to Governor Greg Abbott's temporary suspension of various provisions of the Texas Open Meetings Act to allow for telephonic or videoconference meetings of governmental bodies that are accessible to the public in an effort to reduce in person meetings that assemble large groups of people the Board of Adjustment meeting scheduled for Wednesday, February 24<sup>th</sup>, was only open to the public via remote access.*

The following instructions were provided to the general public.

*Instructions for Public Speaking:*

- Members of the public that wish to speak during public comments, public hearing or an agenda item will need to register in advance by visiting [www.cityofmanor.org](http://www.cityofmanor.org) where a registration link will be posted on the calendar entry for each public meeting. You will register by filling in the speaker card available for that specific meeting and submitting it to [publiccomments@cityofmanor.org](mailto:publiccomments@cityofmanor.org). Once registered, instructions will be emailed to you on how to join the videoconference by calling in. Your Speaker Card must be received two (2) hours prior to scheduled meeting.

*Upon receiving instructions to join zoom meeting the following rules will apply:*

- All speakers must address their comments to the Chairperson rather than to individual Board Members or city staff. Speakers should speak clearly into their device and state their name and address prior to beginning their remarks. Speakers will be allowed three (3) minutes for testimony. Speakers making personal, impertinent, profane or slanderous remarks may be removed from the meeting.

Assistant Development Services Director Dunlop gave a summary of the variance request and answered questions from the B.O.A. Members. Mr. Dunlop stated the City staff recommends denial. The request does not meet threshold because variance is usually granted for unchanging conditions of the property and not disputes with neighbors. Mr. Dunlop answered questions from the board members and confirmed that police reports have been filed with law enforcement.
