Mayor and City Council,

In accordance with the provisions of Article III Section 8.04 of the Manor City Charter, the proposed *Annual Operating Budget* for the City of Manor for the Fiscal Year of October 1, 2022 through September 30, 2023, is hereby presented for your consideration.

The grand total of all appropriations for all departments, operations, and functions proposed for the FY 2022-2023 Annual Budget is \$25,755,684 to be generally distributed as described herein.

The proposed FY 2022-2023 Annual Budget is a zero based, balanced, and appropriately conservative financial plan wherein all operating expenditures are supported by revenue generated during the fiscal year; and was developed through a comprehensive review of financing for all existing programs, operations and services. Our primary goal of this proposed budget is to maintain existing levels of service, staff remains focused on enhancing service levels wherever possible.

The FY 2022-2023 Annual Budget as proposed is delineated into four (4) basic funding categories:

- * **General Fund (\$17.2M)** – revenues and expenditures related to the provision of primary or traditional city services whose main financial support comes from tax dollars
- * **Utility Fund (\$6.2M)** – an enterprise fund monitoring all financial transactions relating to the provision of potable water and sanitary sewer services through the city’s systems
- * **Debt Service (\$4.1M)** – all proceeds and expenditures related to servicing, annual debt payments, and/or management of various debt obligations
- * **Special Revenue (\$0.057M)** – revenues and expenditures related to various projects and programs that are supported by a dedicated revenue stream

FY 2022-2023 ANNUAL BUDGET- BUDGET HIGHLIGHTS

General Fund Revenue

The General Fund is the City of Manor’s principal operating fund for essential city services and is supported by a variety of revenue sources. Property (Ad Valorem) Taxes and Sales Tax, however, provide the primary funding support as the graph below shows.

- Property Taxes** – Property tax revenue projected in FY22-23 assumes moderate growth in the city’s taxable valuation, as home construction is anticipated to continue at its present rate throughout the fiscal year.
 - The proposed FY22-23 Budget is predicated on adoption of a tax rate of \$0.7470. This rate will lower the tax rate from \$.7827 by \$.0357.

- Sales Tax** – The State of Texas imposes a 6.25% sales and use tax on “all retail sales, leases and rentals of most goods, as well as taxable services”. The City of Manor imposes an additional 2.0% sales tax to create a maximum combined rate of 8.25%. Of that total Austin MTA (Capital Metro) receives 1.0%, and Travis County Emergency Services District 12 0.05%. The City has experienced steady annual increases in sales tax revenue over the last decade, but the last two years have produced historical income levels:
 - Total Sales Tax Revenue is currently projected to exceed **\$2.8M** by FY22-23 year-end – which would be the City’s highest annual total ever (with last year’s total of **\$2.4M** being the second highest)

FY 2022-2023 ANNUAL BUDGET- BUDGET HIGHLIGHTS AND ISSUES

As the City Council is aware, Manor has been growing tremendously over the past two decades, but particularly in the past couple years that growth has super charged. From a city of 1,204 residents in 2000 to an estimated population of 18,687 today - with half that growth having occurred only in the last five years (Historical Population Growth). That is a 271% increase in residents since the 2010 census. It took 17 years to grow by approximately 9,000 residents, but in the last 5 years we've grown by an additional 9,000.

In response to the demands on the Development Services Department, in 2016 we implemented an online permitting system – My Government Online.

Commercial business development will follow this growth in housing as more rooftops continue. With the Bank of America project, The Holiday Inn, Whole Foods Distribution Center, MISD k-8 campus, and Compass Rose k-7 are just a few of the business projects expected to open for business in FY 2022-2023

FY 2022-2023 ANNUAL BUDGET- BUDGET HIGHLIGHTS CONT.

General Fund Expenditures

The General Fund is the primary operating fund of the City of Manor and is utilized to account for all costs traditionally associated with city government. The proposed FY 2022-2023 Annual Budget includes total General Fund expenditures of **\$17.2M**.

Within City of Manor operations, General Fund Expenditures are those costs associated with the provision of essential city services including, but not limited to public safety, parks, public works, mobility and asset maintenance. The primary sources of income supporting the General Fund are Property and Sales Taxes.

FY 2022-2023 ANNUAL BUDGET- BUDGET HIGHLIGHTS CONT.

Staffing

The proposed budget includes full-year funding for up to **one hundred eleven (111) total city employees with only 78 filled positions**: one hundred ten (110) full-time, one (1) part-time position and two (2) police reserve positions. Police reserve position is not paid, the city does include workers comprehensive and auto liability insurance.

These staffing positions include changes approved by Council in the FY 21-22 mid-year budget amendment for both full-year funding of new positions and the deletion/reclassify of others:

- One (1) Director of Public Works to shadow retiring current Director of Public Works
- One (1) Director of Economic Development
- Delete IT manager Position

New positions included in the proposed FY22-23 Budget are:

- Reclassify One (1) Purchasing Agent to Finance Manager
- Reclassify One (1) Receptionist to Utility Clerk
- One (1) Development Services Supervisor
- Two (2) Building Inspectors
- One (1) Plan Reviewer
- One (1) Parks Crewman
- Four (4) Police Officers; **International Association of Chiefs of Police (IACP) recommends at least 2.2 officers per 1,000 residents**
- Reclassify One (1) Captain position to Assistant Chief
- One (1) Information Technology Technician

FY 2022-2023 ANNUAL BUDGET- BUDGET HIGHLIGHTS CONT.

EMPLOYEE COMPENSATION

The City must continue to strive to provide appropriate and market – competitive compensation for all city employees in order to provide the highest possible level of services. Accordingly, the proposed *FY22-23 Budget* includes a Cost-of-Living Adjustment (COLA) of **10%** in base salaries for all current full-time city employees. In 2021 the Consumer Price Index (CPI) had a **9.3%** cost-of-living. As of July 2022, the CPI was **8.5%** with an additional anticipated increase of **2.3%** by December 2022.

Analysis is on-going, but it is currently anticipated that there will be a **18%** increase in overall costs associated with *Employee Health Insurance* – for both the City and employees. This is due to the City’s rolling loss ratio at 114%.

PARKS

In the recent past, the City established a Park Fund. This is a general ledger account; where money paid by developers at Final Plat approval in lieu of the dedication of land and interest thereon, shall be held in said fund in trust to be used solely and exclusively for the purpose of purchasing and/or equipping public park and recreational land. This shall be used solely for the purpose of purchasing and/or equipping or improving land for public park and recreation uses and shall never be used for maintaining or operating public park facilities, or for any other purpose.

This general ledger account had deposits on 6/16/2020, 7/20/2020, 8/12/2021 for a total of **\$470,250.00**. The Parks department also has \$300,000 budgeted for park repairs and/or maintenance.

STREETS MAINTENANCE

The proposed FY22-23 Budget includes a \$700,000 investment in street maintenance and/or improvements. This amount will go towards Blake Manor Road. This will involve full-depth repair for portions of the road and mill and overlay. The work will be from the City Limits to Lexington.

FY 2022-2023 ANNUAL BUDGET- BUDGET HIGHLIGHTS CONT.

UTILITY RATES

The City is currently in the middle of a water and wastewater rate study. Our last rate study showed a 12% increase to the water base rate only. We will have a presentation from Raftelis in the next few weeks.

CITY VEHICLES

The following vehicles are in the proposed FY22-23 Budget:

- Eight (8) Police vehicles
- Three (3) Trucks for Streets
- Two (2) Trucks for Development Services
- One (1) Truck for Parks
- Three (3) Trucks for Water

CITY EQUIPMENT

The following equipment are in the proposed FY22-23 Budget:

- One (1) Genie S-45
- One (1) Tandem 12 yard Dump truck
- One (1) Gradall Excavator
- One (1) Valve Exercise
- One (1) Mini Excavator

The General Fund is the general operating fund and the largest fund of the city as it includes all traditional government services such general administration, street and drainage, maintenance, development services, police and courts, and parks.

The Utility Fund accounts for the city's water and wastewater enterprise. Unlike the general fund it operates as a proprietary fund functioning more like a business.

The Restricted Funds are used only for specific purposes. Revenues and payments are limited either by state law or local ordinance.

General Fund

Article III Section 8.05 of the Manor City Charter states “the City Manager is responsible for the timely preparation and presentation of the budget”. The **General Fund** is the primary operating fund in the budget used to account for resources not required to be accounted for in other funds devoted to specific activities. It is used to account for operations of basic City functions such as public safety, public works, cultural and leisure programs, community planning/development plus direction and management of all municipal functions. Services provided by the City are classified according to activity and presented as operating departments in the Budget.

As a spending plan for the year the budget contains estimates of revenues expected to be generated in the forthcoming year as well as the cost of programs that are planned for the year. Two basic elements of all funds are revenue and expenditures, the latter of which authorize expenditures for line items that appear in each departmental breakdown. These are detailed in the budget document for each activity in each fund. The former are estimates of fiscal resources that are expected to be generated during the subject fiscal year and are intended to finance programs of “Expenditures” for that same time frame.

Total revenue estimated to be received for the 2022-23 fiscal year are \$17,274,799. Direct expenditures are proposed to be \$17,274,799. The following are general comments on sources and expected trends of revenue for the General Fund in the forthcoming fiscal year.

General Fund Revenue Summary

Revenues are generally a function of certain “rates” applied to specific quantifiable amounts such as assessed property values, volumes of water used, a percentage of gross revenues (franchise fees), etc. The chart summarizes estimated revenue for the general fund by major funding category. This is followed by a more detailed look at revenue by general category.
