Marshall Hotel – Consider Award of Proposal for Removal of Hazardous Materials and Miscellaneous Debris.

The project includes the removal and disposal of all hazardous building materials and miscellaneous debris within the Marshall Hotel located at 326 West Main Street.

Bids were received on February 19, 2019 for the above-referenced project. One bid was received from Advanced Health, Safety and Security of Balaton, Minnesota.

A cashier's check was included with the bid for 1% of the bid amount (\$724.68) rather than the required 10% (\$7,246.85). I spoke with the owner concerning the discrepancy, and he indicated that he could replace the cashier's check with the correct amount if required.

The Council is allowed to waive irregularities in our normal bid procedures, and I would recommend the irregularity be noted and waived.

Per the proposal, project completion is within 60 days after issuance of the Notice to Proceed.

Director of Public Works/City Engineer Glenn Olson introduced the item to Council. There was further discussion on the process of the removal procedures by Council and Staff.

Motion made by Councilmember Lozinski, Seconded by Councilmember Labat that the Council waive the irregularity of the amount of bid bond and award the proposal for Removal of Hazardous Materials and Miscellaneous Debris at the Marshall Hotel located at 326 West Main Street to Advanced Health, Safety and Security of Balaton, Minnesota, in the amount of \$72,468.53. Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Bayerkohler, Councilmember DeCramer, Councilmember

Approval of the bills/project payments

Project Z70: South High Street/South Whitney Street (100 & 200 Block) Alley Improvement Project - Consider Resolution Declaring Adequacy of Petition and Ordering Preparation of Report.

Per Minn. Stat. 429.031, subd. 1(f), if the council chooses to proceed with an improvement based on a petition, said petition must have the signatures of the owners of at least 35 percent in frontage of the property bordering the proposed improvements. City staff has determined that the signatures on the attached petition are of at least 35 percent of the property owners.

Councilmember Labat pulled the item for further discussion on the item. Director of Public Works/City Engineer Glenn Olson provided background information on the agenda item.

Motion made by Councilmember Schafer, Seconded by Councilmember Labat that the Council adopt Resolution Number 4590, Second Series, which is the "Resolution Declaring Adequacy of Petition and Ordering Preparation of Report" for Alley Improvements for the 100 & 200 Blocks of South High Street/South Whitney Street. Preliminary Plat of Foley Addition - Introduce Plat and Call for Public Hearing.

As the property has not been platted before, the property needs to be subdivided prior to the subdivision and sale of a portion of the property.

The owner of the property has requested a subdivision of his parcel to allow the sale of the southwesterly portion of the property.

The property lines will be reviewed to ensure proper setbacks of the existing buildings within the proposed platted lots.

At the Planning Commission meeting on February 13, 2019, Steen made a motion, seconded by Knieff to recommend approval of the preliminary plat to the City Council with the easements as requested by the utility companies and to call for public hearing to be held on March 13, 2019. All voted in favor.

Motion made by Councilmember Schafer, Seconded by Councilmember Lozinski that the Council call for public hearing on the Preliminary Plat of Foley Addition to be held at the March 12, 2019 City Council meeting, as per the recommendation of the Planning Commission. Voting Yea: Mayor Byrnes, Councilmember Schafer, Councilmember Meister, Councilmember Bayerkohler, Councilmember DeCramer, Councilmember Labat, Councilmember Lozinski. The motion **Carried. 7-0**

Consider Resolution for Traffic Control Signage at the Intersection of South 1st Street and Greeley Street.

A resident had requested a review of the traffic control signage in the area shown on the attached map, specifically involving sight distance issues when vehicles are parked adjacent to the southwest corner of the intersection on Greeley Street.

Director of Public Works/City Engineer Glenn Olson presented the item to Council. There was further discussion by council to take no action at this time and to speak with the property owner to make them aware of the issue and/or to address the concern.
