Minutes of the Special Meeting of Wednesday, April 1, 2020

MEMBERS PRESENT: Bucher, Schotzko, DeCramer, Herrmann, Frost, Lockwood

MEMBERS ABSENT: Meister

STAFF PRESENT: Hanson, Deutz, Loeslie, Drown, Storm, Raveling

OTHERS PRESENT: Mayor Byrnes, Dennis Simpson, Brad Gruhot, Chad Drake

President Bucher called the meeting to order at 12:00 p.m.

Loeslie presented the Marshall EDA Emergency Loan Program. In response to the current COVID-19 health crisis, the Marshall EDA staff has researched and developed an emergency loan program to assist our small businesses. Loeslie reviewed the suggested loan criteria.

Availability

- Maximum \$5,000/business
- Limited funding is available of \$100,000 (20 businesses).

Qualifications

- Physical, commercial location, whether owned or leased, located in Marshall.
- Must be registered with the Minnesota Secretary of State and have been in business since December 1, 2019.
- Must be current with local property taxes.
- Demonstrated affected by COVID 19.
- Maximum 4 Full-Time Equivalent (FTE) Employees.
- Funds can be used for payroll or building related expenses (rent, electric, water)

Repayment

- Zero percent interest
- Balance amortized over three years
- Repayment begins thirty days after local state of emergency is terminated.

Drown explained that we would utilize \$100,000 from Fund 214 EDA Revolving which has \$255,632.36. City Council would need to approve the use of this fund. The Mayor can authorize EDA to spend this fund as well under the local state of emergency. Hanson suggested if EDA approves, we would suggest using local lenders. Chad Drake, Bremer, explained the Paycheck Protection program with banks.

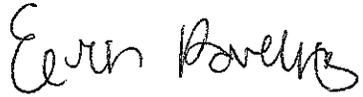

Board members along with staff had good discussion regarding pre-conditions, qualifications, preferences and the like to what the emergency loan program should look like. They all agreed that the small businesses are in need. Board discussed where the need is after qualifying for other loans through DEED and SBA first. Drown suggested qualifying businesses to allow 10 days for approval and payment instead of 2 days. Loeslie suggested two EDA board members be appointed to a Loan Review Committee. Deutz explained the comparisons with other community's loan programs on developing our's. Overall discussion to view all applications, not first come first serve, we will determine on need and qualifications.

The board requested that staff starts an email to the board for further discussion on conditions. The staff will also collect more information regarding application process (first come, first serve, or open application with closing date), timelines to disburse money and

preference sheet for applicants. The discussion is tabled and reconvene Wednesday, April 8th at 12pm.

President Bucher adjourned at 1:20 p.m.

Respectfully Submitted,

SUBJECT: Façade Improvement Program

Action/Recommendation

For discussion.

Background

The Marshall Façade Improvement Program is due to expire May 15, 2020 – 12 months or \$50,000 whichever comes first. Attached is a spreadsheet with a list of the projects that have been completed. Staff suggests not extending the deadline and using this money to develop a restart/recovery program for COVID-19.

- Mike Henle Update: Sussner Construction is doing the project. It was planned to be done late last Summer, but the weather in the evenings got too cold for the stucco to dry safely. It has to be no lower than 45 degrees at night. The plan is to start in early May.
- Hoganson Update: Since the weather turned cooler earlier than expected last fall, the plans for the exterior of the building were not able to be completed. We plan to move forward as soon as the contractors are able to this spring.
