The Commission viewed the materials from the World Café's facilitated by the YWCA. The group decided that main themes should be highlighted and shared with the public. With the timeline of October, the Commission wants to share information found in the World Café's and present possible solutions and plans of action. The group also agreed that the information needs to be reconfigured to be more legible and accessible. The group was instructed to review the information and to email Addy Wolbaum, Diversity, Equity and Inclusion Assistant, the points they found most important.

Wolbaum gave an update on Welcoming Week which will be on September 20th at Justice Park from 5-7. The Welcoming Week subcommittee continues to meet regularly.

Round Robin Discussion was tabled for the following meetings.

Submitted Respectfully,

Addy Wolbaum,

Diversity, Equity, and Inclusion Assistant
